CRYER.

Editor Eagle:

News is scarce in our community.

Most farmers are done planting corn.

We are afraid the freeze Monday night will damage the peach crop.

People about Cryer, I think, are going to plant too much cotton. If our people would think more about the future well being of our boys and girls and less about king cotton it would be better. I am for a special school tax at Cryer, who will second the motion?

Rev. J. H. Smith changed his appointment from the third to the second Sunday in this month, his services being required at Star on the third. He filled his appointment here on the second Sunday. We are informed that he preached an excellent sermon and after preaching organized a Union Sunday school. We are told that almost every one present took part in the organization, which speaks well, for our people are progressive when they become awakened to their duty.

Derangements of the teeth of the horse very frequently lead to grave difficulties, both local and constitutional The teeth often become decayed, holes form in them and toochache is a common occurrence. There is no such thing as blind teeth, as is often termed, it is either a rotten or a long tooth. Ninety per cent of the horses that are fed condition powders to recuperate their health, need nothing but their teeth repaired.

For cause of action plaintiff shows that on or about the 2nd day of April, 1899, she and defendant were lawfully married in Mills county, Texas, and she lived with him as his wife until about the 29th day of July, 1899, at which time the defendant separated from her without assigning any reason for so doing; that at the time of their said marriage they lived in Mills county, Texas, and continued to do so until their said separation, that as a result of their said marriage there was born to them on Jan 3rd, 1900, one child, to-wit, Norma Viola Shaw

Danger in Delay!

PROMPT ACTION MUST BE TAKEN TO PRESERVE HEALTH.

Kidney troubles are dangerous because they creep on so stealthily that they get a firm grip on the victim before he is aware of it. They manifest themselves in such varied forms that they are easily mistaken for other diseases.

Make no mistake!

Do not delay!

Treat the kidneys now!

The kidneys are sick and will not get well unless you use a kidney medicine. Doan's Kidney Pills is the certain, safe and prompt remedy for the kidneys only. It cures.

Mrs S. A. Smith, of Booker St, Brownwood, Tex., says: "My son who is farming ten miles south of town, was complaining a good deal about his back hurting him and his kidneys being out of order, so when I saw Doan's Kidney Pills advertised I got him a box. They did him good from the first. The dull ache across the small of his back disappeared and the kidney secretions which had been irregular were corrected I take pleasure in recommending Doan's Kidney Pills, for I believe them to be a reliable medicine for kidney ailments."

Plenty more proof like this from Goldthwaite people. Call at R. E Clements' drug store and ask what his customers report.

MULLIN.

Editor Eagle:

Stormy March has come at last;
With winds and clouds and changing skies;
Ah, March! we know thou art kind hearted
In spite of ugly looks and threats,
And, out of sight, are nursing April's violets.

Yes, we are having real March weather, but cannot complain after enjoying so many days of glorious sunshine in mid-winter.

Sunday Rev. Moon preached morning and evening to large congregations.

The public school term closed Friday the 9th, and Prof. Grove left on the evening train for Missouri. Mrs. Skaggs opened a private school on Monday following with thirty pupils in attendance.

Henry Jackson left Saturday for Dallas to enter the school of telegraphy. A bright future awaits Henry.

Ray Compton bade adieu to friends Saturday and departed for Indian Territory, where he will take a position in his brother-in-law's store. Ray left many friends and admirers in Mullin.

Mrs. J. A. Rogers was quite sick Sunday, but has recovered I am glad to say.

Frank Epley was able to go out driving with Dr. Herrington Tuesday and make a visit to his brother's family, where he spent the night. That he may soon be fully restored to health and strength is the sincere wish of all who know him.

The friends of Berney Eaton will be glad to hear that latest reports are most favorable to his recovery.

Miss Nellie Kirkpatrick entertained a few friends Monday eve complimentary to Miss Erma Harrison. Forty-two was the game of the eve.

Kemp Bros. have made an extensive addition to their hardware store and also to their stock of goods and vehicles. No need to seek any other market for goods when Mullin can supply at rock bottom prices—hardware, dry goods, groceries, drugs, leather goods and in a few days millinery. Home patronage is the road to success in any town.

Dr. Herrington informs me that he has sold his residence to Editor Burger, but am glad to say not with a design of leaving Mullin.

Mesdames Wallace and Ross of Kentucky were in Mullin this week prospecting for a home in a milder climate, in the interest of their brother's health, and I hear was favorably impressed with Mullin.

Mrs. W. E. White was the recipient of a box of lovely violets from her daughter, Miss Maude, at San Angelo; so it is no poet's dream that March nurses violets into bloom.

The drug store of R. E. Clements, under the supervision of Tom Epley, is presenting an attractive appearance. The telephone office has been moved into the drug store and arranged in city like style.

Mr. Bennett Wood came in Tuesday afternoon and Miss Erma Harrison returned home with him She will not teach the private school to the regret of her pupils. G. V. M.

Mrs. Ford had been a citizen of this county for thirty years. Most of the time was spent in the neighborhood of Antelope Gap and the last three years she lived in this city. She leaves seven children, besides a great many other relatives and friends to mourn her death. Her children are Mesdames Jas. Rahl and Mary Mauldin of this city, Mrs Beulah Gage of Lometa, Messrs. Ed. Ringer, A. B., Walter and Lee Ford, She was highly esteemed by all who knew her and the members of the family have the sincere sympathy of all who know of their great sorrow.

The burial in the Odd Fellows cemetery Tuesday afternoon was largely attended.

THE MILLINER

Has the latest Styles and Creations in Millinery now on display in her salesroom at her residence, It is here the ladies are accustomed to find millinery suited to their tastes and pocket books, and they will not be disappointed this season. The display for Easter is especially pretty this year and we want the ladies to call and see what we have in stock, before the nicest things are sold.

BIG VALLEY.

Editor Eagle:

Spring is close by again. Many, doubtless, are busy with plans for the coming spring and summer work; field and garden, flowers and fruit, together weave scenes of fruitfulness and beauty. The farmer and housewife plans the seed and sowing, pruning and planting of much that is necessary, useful and beautiful. Mother Earth readily responds to the touch of hand and plow, nature stands ready with her silent forces to nourish the little germ. A little while and their glory will reveal in full ear or fragrant blossom.

A very refreshing rain fell here Tuesday night, which was welcomed by farmer and crops.

Sickness of the community is not so weighty this week, however there is some complaint, Miss Syba Nelson is enlisted on the sick list; hope her a speedy recovery. Mrs. Lunsford, who has been sick for quite a long time, is improving; she was able to spend the day with Mrs. Weaver Sunday.

Mr. Brown was very unfortunate Saturday afternoon; his team became uncontrollable, ran away, throwing him out of his wagon upon the hard ground, hurting him badly for a short time.

Mr. Brooks is able to go on his crutches now, having got bruised up considerably while working at his stump pullers few weeks.

Geo. Robertson is now at Galveston, looking after business matters.

Miss Ada Sellers is engaged in the millinery business with Miss Smith at Goldthwaite.

The Irrigation Association met Saturday and transacted needy business.

Rev. Owen held meeting from Friday night to Sunday night; the services were good, elevating and attended by a good audience. PERCILLA.

ANTELOPE GAP.

Editor Eagle:

We all appreciated the refreshing rains of last week.

Planting corn is the order of the day in this community. Most of the farmers are about through breaking their cotton land.

The little son of Mr. and Mrs. Trav. Powers, who was burned some weeks ago, is about well.

Misses Lora Evans and Ethel Sims and Mrs. Blanche Madison have been sick with lagrippe, but are up again.

The school closed last Friday.

Mrs. Cordell, Mrs. Walton and Miss Bessie Blakeney visited Mrs Brown and daughter Thursday.

Tom Elliott, Jim Armstrong, Laughtin and Gus Ford spent a few days on the river fishing and hunting. They report having a fine time.

Mrs. Brown spent Monday in Lometa shopping and visiting friends and relatives.

Gus Ford was called Monday to his mother's bedside in Goldthwaite. She died Tuesday morning. We extend our sympathy to the bereaved ones.

There will be preaching Saturday at 3 o'clock and Sunday before the third Sunday in each month. We hope to see as many attend as can.

POLITICAL POINTERS.

S. J. Bross announces for county surveyor. Mr. Bross is a new aspirant for office but none the less worthy and competent. He is fully recognized as a young man of ability and unquestioned merit and there is no doubt but that he has a brilliant future. If elected no one will regret having voted for him on account of any want of ability or willingness to earnestly and faithfully discharge the duties of the office. Mr. Bross was born in Alabama about a quarter of a century ago, and is a graduate of the Agricultural and Mechanical college of Alabama in the engineering department and a post-graduate of Purdue University at LaFayette, Ind. He has been several years in Texas and the county, devoting his time to teaching, surveying and engineering. His home is in Mullin and he has friends and supporters all over the county who will be glad to have him elected.

A FUN MAKER.

L. E. Follanbee, professional humorist, will hold the boards at the opera house Monday night. He is said to be great in his line and keeps his hearers in an uproar from start to finish. A professional humorist seldom appears before an audience in a small town and Goldthwaite is fortunate in securing Mr. Follanebee.

CEMETERY WORK

The cemetery association held a meeting Thursday and decided to request all interested in the cemetery grounds to meet next Wednesday afternoon and do some work on the lots.

J. J. Canaday has been employed to clean off the grounds. He is working for $35 per month and if the people of the town will meet Wednesday afternoon they can do a great deal toward helping him to complete the work.

LETTER TO JOHN POTTER.

Goldthwaite, Texas.

Dear Sir: You want a cheap job of paint for a cheap house, don't you?

It's Devoe. It's the regular thing in Devoe; there's nothing, in all paint, so cheap as Devoe.

Oh, yes, you can paint with mud; but that isn't paint; you want it to look about right for a month or two.

Paint Devoe; can't do it for less; ther's nothing so cheap; say nothing of wear, there's nothing so cheap as Devoe.

It goes so far; save gallons; no matter about the price, save gallons. A gallon of paint put-on costs $4 or $5; save gallons.

Devoe is your paint; save gallons; Devoe is your paint. Yours truly

F. W. DEVOE & Co.

FARMERS UNION.

BAPTIST PARSONAGE.

The members of Goldthwaite Baptist church held a called conference at the church house on Thursday, March 15, 1906, and Brethren Anderson, Hammond, Jackson and Rev. Smith were appointed a committee to investigate and see what arrangements can be made relative to securing a parsonage at this place, and report the result of their efforts at the next prayer meeting on Thursday night next, March 22. As peace, harmony and brotherly love should characterize all Christians, I earnestly desire that as many of the members of the church as can, should be there, so that the wishes of all may be understood.—J. D. Calaway, Moderator.

When You Can Buy them on Credit Cheaper

I bought my goods on credit and was to pay for them when times got better, but times have been getting worse, so they are not paid for yet. But should you want to pay cash I will meet any cash price made in Goldthwaite or any other place by cash competitors. Why should I sell goods strictly for cash when the very best farmers in the county buy goods, more or less, on time.

Capt. J. F. Chaffin of Waldrip came in Friday bringing two and one-half tons of coal taken from his mine on his place near Waldrip. This coal was purchased by the court house boys to be used in the court house stoves. You can see this coal piled up on the south side of court house. It is pronounced by coal dealers and the people who use it to be better than much of the coal used here this winter that has been shipped in, and equal to any of the best.—Brady Enterprise.

PRIDDY.

Editor Eagle:

At this writing it seems winter has reopened and, again resume our places at our firesides and enjoy once more the social winter evenings.

The fruit crop that looked so promising a few days since, doesn't look so now, but we hope the weather man will be very lenient with us and the spring days will come again soon.

Miss Mae Priddy while ironing last week happened to get burned but not seriously. She was placing the fire when her clothing caught fire and in a few minutes she was almost enveloped in flames. Her mother happened to be in the room with her and soon extinguished the flames. She received an ugly burn on the back and shoulders, but is now doing nicely and will be able to be in school in a short while.

Sorry to say Mack Henson who has been on the sick list for some time is not improving very rapidly.

Bro. Miles delivered two excellent sermons here Saturday and Sunday.

The winter months, if not the winter weather, have about passed and now is a good time to start our Sunday school again, so let's get to work and organize at our earliest convenience.

Mrs. T. J. Priddy has been ill for the past few days, but glad to say she is now much improved.

J. R. Lewis has gone on a trip to Eldorado and San Angelo to be gone about a week.

E. M. Meyer and wife are expected home this week from Galveston, where they went to purchase a new stock of goods.

School is progressing nicely. There is some talk of a literary society being organized for the school. The scribe thinks this would be an advantage, so let's do all we can to build up our community.

Ed. Willis has returned to San Angelo. We hear he has an interest in a barber shop at that place. He has many friends here who wish him success.

Singing at Geo. Priddy's Sunday evening. A nice crowd was present.

Lenward, little son of Mr. and Mrs. A. L. Strickland, happened to a very painful accident last week. He was with his papa getting a load of wood and in some way a limb struck him on the mouth, causing an ugly gash in his lip.

Sorry to hear that Mrs. J. G. Wilsford of Portales, New Mexico has been sick. Hope she has entirely recovered by this time.

Oma Weatherby of the North Brown community, was here last week buying cattle.

P. T. Willis and T. R. Priddy had business in Goldthwaite Monday.

Misses Maggie, Stella and Johnnie Cunningham of Newburg, visited relatives here last week.

I hear our esteemed friend and prosperous merchant, Mr. D. Andrews, is soon going to close out his store and leave Priddy. He has a host of friends here who regret to see him leave and will miss him from our town and neighborhood.

C. R. Willis spent a part of last week at Democrat making preparations for a crop on his farm in that vicinity.

What has become of our writer from Plainview, Hale county? Give us another letter soon.

Knowing you are weary by this time, I will let this suffice and bid you all adieu.

JAUNITA.

A GOOD NIGHT'S REST

"Speak for it!" she cried to doggie,
For she knew in her little heart,
That German Syrup, home's great treasure
Could health and joy impart.

¶The greatest tonic on earth is a good night's rest. Restless nights and the terrible exhaustion of a hacking cough are dread dangers of the poor consumptive. ¶But why this fear of the night when a few doses of Dr. Boschee's German Syrup will insure refreshing sleep, entirely free from cough or night sweats? Free expectoration in the morning is made certain by taking German Syrup.

¶We know by the experience of over thirty-five years that one 75-cent bottle of German Syrup will speedily relieve and cure the worst coughs, colds, bronchial and lung troubles—and that, even in advanced cases of consumption, one large bottle of German Syrup will work wonders.

¶Two sizes, 25c and 75c. All druggists.
