Keeping tab on our neighbors:

Jim Cornish, publisher of the Post Dispatch, says Garza County people who went to Washington to "politic" for revenue sharing reported that 10 of the Texas Congressional delegation didn't even show up Monday night for a reception given in their honor by Texas county officials in the Washington Hilton Hotel.

"Four gave the delegation a flat 'no' to requests for their vote and support." said Cornish. They say a bunch of Eastern liberals are trying to eliminate revenue sharing for all cities and counties under 10,000 population. It figures.

The Colorado City Record reports that the old Baker Hotel there may be renovated and turned into housing units for elderly persons similar to hotels that have been converted to such use in other area cities.

The Colorado City Housing Authority estimates that 50 or 60 dwelling units for the elderly could be provided in the old hotel under the "Section 8 program."

The historic "big spring" is going to have a rival, reports The Big Spring Daily Herald.

"The Colorado River Municipal Water District is creating a spring of its own, plus a fountain, to animate its headquarters campus. This spring will be sprung from scratch. By means of a circulating pump, water will be boosted from a sump at the base of the hill at Goliad and FM 700 (site of the new CRMWD office building) back up to the top of the hill and into a receiving pool. From this point, the water will have three falls on its journey to the circular fountain pool. Activated by a second pump, the fountain in the center of the pool will send a plume of water 10 feet into the air and cascade back into the pool...."

Today In History

By The Associated Press

Today is Friday, Nov. 21, the 325th day of 1975. There are 40 days left in the year.

Today's highlight in history:

On this date in 1877, Thomas Edison announced that he had invented a talking machine. He called it the phonograph.

On this date:

In 1806, Napoleon Bonaparte issued the Berlin Decrees, declaring a blockade of the British Isles.

In 1855, Sweden joined Britain, France and Turkey in an alliance against Russia.

In 1894, the Japanese captured the Manchurian city of Port Arthur.

In 1938, the western border areas of Czechoslovakia were forcibly incorporated into the German Reich.

In 1961, West Berlin police turned back thousands of West Berlin university students trying to storm the Communist barriers dividing Berlin.

In 1970, U.S. planes launched raids against North Vietnam.

Ten years ago: Washington sources denied reports that Rumania had offered to mediate in the Vietnam War.

Five years ago: U.S. planes carried out heavy raids against North Vietnam in retaliation for attacks on American reconaissance planes.

One year ago: President Ford arrived in Seoul for for talks with South Korean officials.

NY Legislature Near On Tax Increase Package

ALBANY, N.Y. (AP) — The state legislature appears ready to enact a $200 million New York City tax increase package — including a 10 per cent hike in city residents' income taxes — which it believes necessary to get President Ford's approval for federal help to permanently rescue the city from default.

State officials also said late Thursday they are "very near" completing a $150 million financial arrangement to help the city avert a possible default next week.

The city survived a near brush with default on Thursday, when the state's Municipal Assistance Corp. scraped together $100 million and rushed it to the city treasury to help meet a $127 million payroll.

But before that transaction, the city had briefly held up delivery of tens of thousands of paychecks to city employes. The checks, which eventualy were distributed, were dated today, but traditionally the city has delivered them a day ahead of time.

A similar confrontation with financial collapse is now threatened for next Tuesday, when officials say the city is short about $60 million needed to meet various obligations.

But Gov. Hugh Carey said Thursday that officials were "very close" to gathering some $150 million needed to clear that hurdle and keep the city afloat until Dec. 11 — enough time, Carey hopes, for Congress and the President to agree on some form of federal loan guarantees or other aid to keep the city from the jaws of default.

The governor refused, as in the past, to say what the sources of that $150 million would be. But a spokesman for Comptroller Arthur Levitt, who previously had refused to commit state employe pension funds for the money, said "a variety of state funds" would be used.

Independents Worried Again

HOUSTON (AP) — Independent oil operators drill about 90 per cent of the exploratory wells to swell the nation's oil and natural gas reserves but their leaders, who blame the government for a slump which bottomed in 1971, are worried again.

A. V. Jones Jr. of Albany, Tex., fears such a record by independents would be threatened by the crude oil price rollback provisions in the energy bill now being studied by Congress and President Ford.

Jones is the new president of the 4,300-member Independent Petroleum Association of America, which has asked Ford to veto the bill.

Jones said the price rollback on new and stripper well oil would impact far greater on independents than on larger companies because 60 per cent of the production by independents would be subject to rollback.

"Our calculations indicate 15 to 20 per cent of the gross oil revenues of independent producers would be lost in the first year," Jones said.

"This could not help but have a severe negative impact on the operations of those who are doing a great bulk of domestic exploration."

There are no controls on production from new and stripper wells under current price regulations.

Independents long have blamed federal control of the wellhead price of natural gas sold into interstate commerce as the major factor causing a prolonged slump in domestic drilling operations. During that slump, many independents left the oil business, domestic production of both oil and gas peaked, and domestic reserves of both resources dropped sharply.

C. John Miller, Allegan, Mich., Jones' predecessor as top spokesman for the independents, says 20 years of federal wellhead price regimentation caused about one-half of the independents to quit the business.

Smith Rites Set Saturday

Mrs. Ottna Smith, 70, who lived at 2701 Avenue X, died at 1:12 a.m. today in Cogdell Memorial Hospital.

Funeral service has been set for 2 p.m. Saturday at the Bell-Seale Funeral Home Chapel. The Rev. David Robertson will officiate. Private graveside rites for the family only will follow at Hillside Memorial Gardens, where burial will be under direction of Bell-Seale Funeral Home.

A native of Commerce, Mrs. Smith was married to Frank J. Smith in 1928 at Baird. He preceded her in death in 1939.

Surviving are a daughter, Mrs. Melva June Cagle of Winnsboro; three sons, Ronald Evert Smith of Snyder, David G. Smith of San Angelo and William D. Skinner of Los Angeles, Calif; and five grandchildren

Reagan Claims Demos Support

By H. JOSEF HEBERT
Associated Press Writer

MANCHESTER, N.H. (AP) — Ronald Reagan, on the second day of his official presidential campaign, said today he believes there are many Democrats as well as Republicans who support his political philosophies.

At a news confernce, Reagan cited his election as governor twice in California where the Democrats have a 3-2 majority. Reagan said, "Obviously, there must have been a lot of Democrats who don't think I am out of the mainstream."

Reagan was responding to criticism Thursday by Sen. Charles H. Percy, R-Ill., who said Reagan should not challenge Ford for the nomination. Percy, a moderate, said Reagan's nomination would lead to a disasterous defeat for Republicans in November.

He also refused to criticize Ford directly and characterized the primary fight as "an audition" where "no Republican should ever say anything about another Republican that a Democrat could use against him."

Reagan, who announced Thursday his decision to challenge Ford for the GOP nomination, departed for Charlotte, N.C., with a stop scheduled later in the day in Chicago and a rally tonight in Los Angeles.

If nominated he would want a vice-presidential candidate on the ticket who matched his views, Reagan said.

The Republican presidential candidate "has an obligation to recommend somebody who he believes would carry on the same principles as the president," Reagan said. "I don't think it would make sense to do the opposite."

Reagan, under tight security because of a toy-gun incident in Miami, completed his first day of campaigning Thursday night, fielding questions from an enthusiastic audience of more than 900 supporters at a nearby convention hall in Bedford. He closed the session with 30 minutes of handshaking and autograph-signing.

Reagan flew to New Hampshire from Miami, where he encountered a man wielding a plastic toy pistol as he shook hands after the first rally of his campaign. The man, identified as Michael Lance Carvin, 20, of Pompano, Fla., was grabbed by Secret Service agents and Reagan was hustled away.

Bob Newbrand, special agent in charge of the Miami area Secret Service office, said Carvin was charged with intimidating a presidential candidate and with assaulting a federal officer.

The 64-year-old Reagan looked tired and was a bit hoarse as he answered questions from the New Hampshire audience on such issues as unemployment, defense spending, detente, abortion, welfare reform, gun control, busing and foreign aid.

Hearing On Wastewater Plant Held

The Snyder City Council last night conducted a public hearing on some proposed improvements to the city's wastewater treatment plant. The hearing was closed following a brief discussion and no formal action was taken.

The city is scheduled to improve the wastewater treatment plant and cease turning effluent into Deep Creek by 1978 under present terms of an agreement with the Environmental Protection Agency. Instead of turning the treated wastewater into the creek, the city proposes to make it available for irrigation purposes in the area of the plant.

In other business at a special session, the council authorized Mayor W.A. Vestal to execute a contract with the West Central Texas Council of Governments for funding to continue operation of an employment office here through July 31, 1976.

The council also continued its study of Southwestern Bell Telephone Company's request for a rate increase, but took no action.

Spaniards View Franco's Body

MADRID, Spain (AP) — Spaniards began streaming past the body of Generalissimo Francisco Franco today as the police throughout Spain stepped up precautions against terrorist attacks. But the nation was quiet in the wake of the death of the 82-year-old dictator who had ruled it for 36 years.

The open coffin was placed in the Hall of Columns in the 18th century National Palace in Madrid to lie in state for two days. Hundreds were waiting when the doors opened at 8 a.m.

Franco's body was dressed in his general's uniform. Flanking the bier was an honor guard of 10 national leaders headed by Premier Carlos Arias Navarro.

An elderly widow and her daughter were the first to pass the bier. The mourners moved across a red carpet in rows of four, knelt at the coffin, and made the sign of the cross. A few of the women wept.

Funeral services for Franco will be held Sunday in the plaza outside the palace. Then a motorcade will escort the body for burial in the cathedral Franco had built in the mountainside at the Valley of the Fallen, his monument to the Civil War dead 35 miles from Madrid.

Politicians were reported maneuvering for position before the installation Saturday of Franco's successor, Juan Carlos, as Spain's first king in 44 years.

Vice President Nelson Rockefeller was expected to lead the official U.S. delegation to Franco's funeral. President Augusto Pinochet, the head of Chile's military dictatorship, flew from Santiago to attend. Most West European governments designated a cabinet minister to head their funeral delegations, signifying their distaste toward Franco's authoritarian rule.

"We wish the Spanish people and the government of Spain well in the period ahead," said President Ford in a message of condolence. "The United States for its part will continue to pursue the policy of friendship and cooperation which has formed the touchstone for the excellent relations existing between our two countries."

A heavy police guard was on duty at the National Palace and kept a watchful eye on the crowd of mourners waiting to file past the coffin. Intelligence sources said a Basque commando team armed with rifles mounted with telescopic sights was being sought in the Madrid area.

Extra police also surrounded the Barcelona prison after reports that rightists might attack 200 political prisoners inside. But it was generally believed that the anticipated struggle between the conservative defenders of Franco's authoritarian system and the liberals seeking the return of democracy would wait until after the funeral.

Community Thanksgiving Service Set

The Community Thanksgiving service will be held at 7 p.m. Sunday at the First Baptist Church.

Theme of the service will be "One Nation Under God," a Bicentennial salute to America. The program will be divided into three parts: "Our Heritage," "Our Thanksgiving" and "Our Future Challenge."

Groups participating in the service will include the First Baptist Handbell Choir, the Junior High School Choir, and a Children's Choir.

The public is invited to attend the service, and many local churches will forego their regular Sunday evening worship serviees so that their members may attend the community service.

Charges Being Weighed In Assassination Plots

WASHINGTON (AP) — Justice Department officials are still weighing whether to bring charges against those involved in the assassination plots described by the Senate intelligence committee.

Department officials are studying a series of statutes for possible use in any prosecution, including a cover-up charge. A spokesman says that Atty. Gen. Edward H. Levi will either seek indictments or publicly explain why not in a report on his department's investigation into all categories of alleged CIA wrongdoing.

In its 346-page report made public Thursday, the committee said U.S. officials had instigated at least eight assassination plots against Cuba's Fidel Castro and had launched another scheme to kill Congolese leader Patrice Lumumba. The panel also described the U.S. government as implicated in the killing of Dominican dictator Rafael Trujillo.

Of the nine foreign leaders mentioned in the report, only Fidel Castro and his brother Raul are still alive.

But the committee said, "No foreign leaders were killed as a result of assassination plots initiated by officials of the United States."

Neither President Ford nor the CIA commented on the report.

The panel noted with surprise that "there is presently no statute making it a crime to assassinate a foreign official outside the United States" and urged Congress to enact such a law.

Its report told of a CIA official at the agency's old Washington headquarters who was asked to develop plans to kill Lumumba in 1960 and raised the prospect "that conspiracy to commit murder being done in the District of Columbia might be in violation of federal law."

A second official, Richard Bissell, then head of the agency's clandestine services, "airily dismissed" the prospect, according to evidence submitted to the committee.

Justice Department officials say they are examining the possibility of prosecutions based on any cover-up of the assassination plots. To bring such a charge they would first have to decide that a crime had been committed.

In considering that decision, the law which Justice Department officials are examining most closely makes it a felony to instigate, support or take part in "any military or naval expedition or enterprise" against leaders of a foreign country with which the United States is at peace.

Department officials say the key legal question in determining whether that law was violated is the definition of a military enterprise.

ALLEGED ATTACKER HELD—A young man is held by U.S. Secret Service agents as one gets handcuffs ready to put on him after he alledegly pulled a toy pistol on newly announced Presidential candidate Ronald Regan following a speech in Miami. Caroline Throws Water At Newsman

LONDON (AP) — Caroline Kennedy threw a cup of water at a press photographer who was trailing her, the Daily Express reported today with pictures.

The Express said the "splash and run" encounter occurred when Jacqueline Onassis' 17-year-old daughter popped out of Sotheby's, the London auction house where she is taking an art course, for midmorning coffee Thursday.

Her target was freelance photographer Mike Daines, one of five cameramen who were pursuing the late President Kennedy's long-haired daughter, the paper said.

Caroline left the snack bar with a cup of water, the Express reported, and as she passed Daines in the street, "suddenly wheeled round and dashed the water in his face. It cascaded down his crimson cheeks and over his camera. Then Caroline was scuttling away, back to work."

Accident Ruled Cause Of Death

Justice of the Peace Bobby Goodwin has ruled an accident caused the death of George Torres, 25, here last Sunday.

Torres was injured in a fall at the Tiger Drive-In Saturday night, then was dead on arrival at Cogdell Memorial Hospital Sunday where he was taken by his father.

The results of the autopsy were received yesterday.

Thefts Reported At Schools Here

City Police are investigating some thefts that occurred at Snyder High School yesterday.

Roy Carter reported to police that several billfolds were taken from the auditorium restrooms during an assembly yesterday morning, and also two students had items taken from their cars during this time. Taken were two 8-track tapes and a watch.

US Output Of Goods Is Record

WASHINGTON (AP) — The nation's economic output recorded the largest quarterly increase in 25 years during the three months ending in September, revised government figures show.

The Gross National Product, total output of goods and services, recorded a 13.2 per cent annual rate of growth in the third quarter, the government reported Thursday.

Earlier, an 11.2 per cent increase had been estimated.

Corporate profits after taxes also showed the biggest quarterly increase in 25 years for the quarter. The government reported that the increase was $11.9 billion, or 16.9 per cent over the previous quarter.

In the housing industry, Donald M. Kaplan, director of the office of economic research of the Federal Home Loan Bank Board, reported a consensus of experts that housing starts will range from 1.40 million to 1.65 million units in 1976.

There were 1.15 million starts in 1975.

Meanwhile, the Labor Department reported that consumer prices rose seven-tenths of 1 per cent in October, the third sharpest monthly increase this year.

However, the inflation rate remains substantially below levels of a year ago. Retail prices for the past 12 months were up 7.6 per cent, compared to 12.2 per cent for 1974.

Pleas Heard In County Court

John Brent Tarlton Jr. was found guilty by a jury yesterday in county court of driving while intoxicated, and assessed a $250 fine plus court costs, and 60 days in jail. He was arrested Oct. 2, 1974 by City Police.

Gary Lynn Welsh pleaded guilty to driving while intoxicated, and received a $100 fine plus court costs, and three days in jail. He was arrested Nov. 14 by City Police.

Many Running Out Of Unemployment Benefits

WASHINGTON (AP) — Unemployment benefits, often referred to by President Ford as "our first line of defense in a recession," are running out for tens of thousands of jobless Americans.

For the most part, they are men in the prime of their working years who were employed in blue-collar jobs. But a disproportionate number are blacks and the elderly — usually the last to be rehired.

Despite the improving economy, unemployment remains at its highest level since the Great Depression of the 1930s, and most economists agree it will remain at high levels through most of the decade.

To soften the impact of the recession, Congress repeatedly extended unemployment benefits to a maximum of 65 weeks for some workers. But for the first victims of the business slump and those caught in the wave of layoffs during the 1973 Arab oil embargo that preceded it, even this economic prop has been exhausted.

Labor Department officials say 287,000 people had used up their eligibility as of last June and were forced to look elsewhere for income. The number is increasing each week, and the department estimates that in 1976 some 2,470,000 Americans will use up their benefits.

Some will find jobs. Others have alternative sources of income; some states, for example, permit retirees to draw benefits. But others will be forced to turn to welfare.

"As their unemployment compensation terminates," says Senate Labor Committee Chairman Harrison A. Williams Jr., "family savings and other assets are the first to go. Eventually, they can qualify for public assistance on the welfare rolls. The next recourse is bankruptcy. And then there is crime."

The amount and duration of unemployment benefits vary from state to state because of differences in benefit and eligibility regulations. Payments generally range from $65 to $100 a week, although payments run higher in a few states.

Labor Department officials say they are only beginning to compile up-to-date figures on the number of persons who have exhausted their benefits, and data to provide an accurate picture of who they are and where they live.

However, a limited government survey of 10 states showed that half of the people exhausting their benefits were between 22 and 44 years old, and about 60 per cent were men.

A relatively large proportion were over 65, an age group that experiences the most difficulty in finding work. The survey found that 14 per cent were in this group, which accounts for only 2.5 per cent of the unemployed.

Other findings showed that those in the 10-state survey who have exhausted their benefits were employed in blue-collar occupations. Non-whites accounted for nearly 25 per cent of those who have lost benefits, or a considerably larger number than nonwhites' 16 per cent share of the jobs covered by unemployment insurance in the survey area.

The study concluded that the trend to higher welfare applications "will be moderated only by the unwillingness of unemployed workers to exhaust their savings and other assets in order to qualify for public assistance."

3 Mishaps Are Logged

City Police investigated three traffic mishaps here yesterday.

The first occurred at 2:23 p.m. in the 2200 block of Avenue T. Involved were a 1962 Chevrolet driven by Daniel Garcia Vera, 2005 Avenue T, Snyder, and a 1974 Ford Van operated by Charles Vernon Smith of Midland. Only minor damage resulted.

At 3:20 p.m., two cars were in collision at the intersection of Fortieth Street and Avenue U. Involved were a 1970 Chevrolet driven by Shirley Marie Block, Rt. 1, Snyder, and a 1968 Ford Station Wagon operated by Anne Shelburne Russell of Waco. Only minor damage resulted to both vehicles.

The final mishap occurred at 4:46 p.m. at the east traffic circle. Involved were a 1973 Truck-Trailer operated by Murrell Haskell Carr of Garland, and a 1973 Mercury driven by Julia Ornelas Torias, 2804 Avenue F. There was minor damage to the Truck-Trailer and moderate damage to the Mercury.

Riley Back From NAME Convention

Charles Riley, Assistant Professor and Director of Mid-Management at Western Texas College, has returned from Chicago where he attended the eighth annual convention of the National Association of Management Educators (NAME).

Riley was re-elected to a second term as one of five regional vice-presidents for NAME. His region covers 10 states, including Texas.

"NAME is a non-profit, professional association dedicated to implementation and development of Mid-Management programs," Riley said. "It serves as a nationwide clearing house for information concerning management programs."

At the convention, the participants were given the opportunity, through workshops, to learn about new ideas in managment programs and to hear reports on the success of programs previously inaugurated.

"Mid-Management programs have been offered almost exclusively two-year schools thus far," Riley said, "but four-year schools are beginning to give them serious consideration because of the increasing enrollment. One of the purposes of NAME is to improve articulation between four-year colleges of business administration and two-year colleges offering programs in management."

Company G Reunion Set

World War II veterans of Company G, 142nd Infantry of the famous 36th (Texas) Division are due here Saturday for the second annual reunion.

The reunion will be held at Western Texas College, with registration scheduled to begin at 9:30 a.m. The veterans will meet at 10 a.m. and, following a break for lunch, a business meeting will begin at 1:30 p.m.

A banquet at 7 p.m. in the WTC Cafeteria will close the session.

Snyder was the "home"' of Company G. Other units of the 2n Battalion came from Sweetwater, Canyon, and Amarillo, and they were members of the Texas National Guard's 36th Division which was activated during World War II.

A great shirt can do a world of good for your ego.

Picture an occasion where ego is important. Maybe you're meeting your fiancee's father, or your company's prospective new client. Perhaps you're attending a family Thanksgiving dinner.

Now right away, you'll admit that you'd feel a lot more confident knowing you present a sharp appearance. And part of a sharp appearance is good looking shirt.

Men concerned about their appearance would admit that in "social" situations a sloppy fitting shirt makes them feel a little uneasy, whereas their ego is higher when they feel like they are looking good.

At the Haberdashery we've got plenty of ego-lifting shirts in stock: dress shirts and leisure shirts in such excellent brands as Robert Bruce, Excello, and the Haberdashery shirt by Enro—brands famous for outstanding quality.

In our dress shirts, sizes range from 14½ to 17½ and our leisure shirts S-M-L-XL. Prices range from $12 to $23, and we've got lots of colors and patterns. (And if you need a matching tie, we've just recently received a brand new shipment, including bow ties.)

Donna Cullar Gives Party Tips

Donna Cullar, home economist, opened the regular November meeting of the Snyder Newcomers Club last Thursday. Ms. Cullar demonstrated recipes for party foods for entertaining friends and family. Recipes for a chocolate fondue, an appetizer, and a holiday punch were featured.

Following the program, the business portion of the meeting was brought to order by Mary Jo Loftin, president. She welcomed Mmes. Betsy Armstrong, Vicki Jones, Janie Collum, Marianne Barber, Dee Wallace, Pat Scott, Carol Houf, Donna Sage, and Joyce Cantrell as first time visitors. The object of newcomers as explained by the president is to promote congenial contacts for new citizens; thereby creating friendships and social groups to enable the newcomers to Snyder to adapt themselves to the business and social life of the community.

It was announced that the Christmas party for newcomers will be December 5 at 7:30 p.m. at the Fellowship Hall of Colonial Hill Baptist Church. Hostesses for the party will be the board members. A reminder was made that there will be no salad luncheon or regular meeting during December.

After the business meeting adjourned, newcomers were provided with a taste of the recipes prepared. Ms. Cullar is a graduate of State College of Farmington, Massachusetts. Presently, she manages Cullar Studios at 1101 26th Street, Snyder.

PARTY FOODS— Donna Cullar (center) gave tips for being a good hostess during the holiday season to members of the Snyder Newcomers Club. Pictured with Ms. Cullar are hostesses for the meeting Ilene Crawford (left) and Susan Mack.

Powell, Boykin Wed At Brownwood

Mrs. Jean Allred, formerly of Snyder, announces the marriage of her daughter, Tanya Anne Powell, to Joseph David Boykin, Jr. The couple was married in Brownwood on Nov. 7. Following a honeymoon trip to San Antonio, they will make their home at Brownwood, where the bride is completing a medical secretarial course at Central Texas Commercial College. The groom is employed by Butch Schuman Corp.

Ira 4-H Prepares For Food Show

The Ira 4-H Club was called to order by Donna Layne. She led the 4-H Club motto and prayer.

Donna and Kim Layne gave the group information on the Food Show which will be held Saturday at 1:30 p.m. at Central Elementary. They demonstrated how to set up exhibits and answered questions that may be asked by judges.

Mrs. Layne showed the girls the proper way to set a table. Each girl set up a place setting.

Those attending the meeting were Jennifer Hill, Irma Sanchez, Tammy Lawrence, Alicia, Josephine, Virginia Sosa, Kim and Donna Layne, and Mrs. Jimmy Layne, leader.

North 4-H Club Studies Nutrition

The North Elementary 4-H Club met Tuesday, Nov. 18 at the Union Community Center. Tammy Farmer, president, opened the meeting by leading in the 4-H motto and prayer. Twelve members were present and three leaders.

A study on nutrition was presented by Fran Farmer. A game, based on bingo, was played by the group. Mrs. Seabourn Eicke led in the game which taught the four basic food groups.

"Mr. Peanuts," a book on good nutrition was presented to each member. It included recipes using peanuts.

The county 4-H Food Show, which will be held Saturday at Central Elementary, was discussed.

Deborah Foree served refreshments of chocolate cake and punch. She told the girls how she prepared the cake at home before serving it.

West 4-H Club Meets

Ruby Butts, Home Demonstration Agent, met with the West Elementary 4-H Club Nov. 19. Ms. Butts told the group of activities which are slated for the year. She noted that the annual County 4-H Food Show is set for Nov. 22 at Central Elementary. Also a Share The Fun Contest and press review will be held in the spring.

Attending the meeting were Pam Halford, Andrea Hamilton, Jana Hefferman, Tracy Lane, Kris Mack, Cynthia Martinez, Carmen Parmer, Lynnie Robertson, Pam Smith, Gina Vaughn, Gwyn Walker, Elain Whitfill, Phyllis Whitfill and Teresa Young.

The Unlucky Expert had corralled us again. He remarked, "My hand was too good. If I hadn't held the jack of spades I would have made my contract. Instead, I went down two."

"Of course East made a terrific defensive play against me, but my opponents always play that way. He took his ace of clubs and promptly placed the king of spades on the table. Now look what happened to me."

We were able to guess. Our unlucky friend assumed that East held both the king and queen of spades as part of his opening bid. Thus his jack of spades was surely going to be a winner. Therefore, he took dummy's ace of spades and instead of discarding a spade on a diamond promptly led a trump.

East went right up with his ace and led a low spade. It didn't matter what South did next. West collected tricks with his queen and 10 and followed up with the extra blow. He led his last spade.

East ruffed with the jack. South had to overruff and eventually West scored a trick with his 10 of hearts.

Ask the Jacobys

An Illinois reader wants to know what he should have bid next. His hand was:

♠ A K 6 3 ♥ 8 5 ♦ A K Q 9 8 7 ♣ 6

He opened one diamond. Partner jumped to three clubs. He bid three diamonds and partner three hearts.

The answer is that he should have bid three spades with every intention of heading for a slam — probably in notrump.

Pop Singer Is Cleared In Death

EDINBURGH, Scotland (AP) — Les McKeown, 20-year-old lead singer of the Bay City Rollers pop singing group, was cleared in the death of an elderly woman struck by his car. A jury, however, found him guilty Thursday of reckless driving for driving 60 miles an hour in a 30 m.p.h. zone. He was fined $315 and banned from driving for a year.

The Girl With Everything — But Dates

By Abigail Van Buren

© 1975 by Chicago Tribune-N.Y. News Synd., Inc.

DEAR ABBY: Anyone want a wife? I'm 24-years-old, and I can't find a guy. I haven't had one date since high school.

Let me state my qualifications: I can cook and bake really well. I can sew and make all my own clothes, and I'm told I'm the best-dressed girl at the office. I have nice skin and teeth, and I keep my hair in the most flattering style for me.

I own my own car, color TV, stereo and have money in the bank.

I love all kinds of sports and outdoor activities like camping, fishing and hiking. I am well-liked by everyone at work and have many close friends.

Know why I don't get dates? I was told (by one of the guys I work with) it's because I'm overweight! Now before you start condemning me, let me say I am not grossly obese. I have lost some weight, but my doctor says I can't lose any more because I am a large-boned girl. I am well-proportioned and can play tennis better than my thin friends.

Why do guys want thin girls? I am ready to give up.

DISGUSTED

DEAR DISGUSTED: I don't mean to be unkind, but plenty of overweight girls are dating up a storm. A young woman who has an attractive, outgoing personality and gets involved in activities (church, political or volunteer) is bound to meet a fellow who will want to see her again.

Instead of wondering what's wrong with YOU, forget about yourself and concentrate on doing something for someone else. It will add a charming dimension to your personality and enhance your chances.

DEAR ABBY: At the time of our marriage (three years ago) I took my husband's name to be my legal name.

I am an artist and feel that my husband has done nothing to merit having his name on my work. It is awkward for me to have to sign my first, maiden and married name on my paintings now when I formerly used only my first and maiden name. How do I get my name legally changed back to my maiden name? My husband knows I love him, and he doesn't object.

I don't know what lawyers charge, but I'm betting it's an arm and a leg. Is there some do-it-yourself book I can get?

FATHER'S DAUGHTER

DEAR DAUGHTER: Do-it-yourself legal work can be the most expensive money-saving gimmick around. Find a lawyer and pay him an honest fee.

DEAR ABBY: I am married and have a lovely set of rings, but I am not sure which ring I should put on my finger first, my wedding band or my engagement ring.

Please tell me the proper way to wear my rings. And I hope you print this because I am sure other wives would like to know, too. Thank you.

WAITING

DEAR WAITING: The wedding band goes on the finger first — then the engagement ring. It's said that the wedding ring should be worn closest to the heart.

Beverly Gleason Granted Divorce

FORT LAUDERDALE, Fla. (AP) — Beverly McKittrick Gleason has been granted a divorce from entertainer Jackie Gleason.

She was awarded alimony totaling $150,000, but Broward County Circuit Judge Robert W. Tyson denied Mrs. Gleason $100,000 as her share of the comedian's sprawling 11-room, five-level mansion at nearby Inverrary.

In granting the divorce Wednesday night, the judge ruled the house was leased to Gleason, and his wife had no right to it.

Mrs. Gleason, 43, the entertainer's second wife, had sued for divorce in July 1974, seeking to end the five-year marriage. She had sought $70,000 a year for 10 years from Gleason.

Gleason, 60, has an estimated worth of $3 million.

"HE MUSTA HAD A TERRIBUL TIME WHEN HE WAS LOST... HE'S TOO POOPED TO PURR."

OPTION OPERATOR— Tony Watts (21), 185-pound senior quarterback of the Anson Tigers, displays his running style. He will be at the helm of the Anson Houston Veer attack against the Slaton Tigers in Tiger Stadium here tonight. The Kickoff in the Class AA Bi-district playoff clash is set for 7:30 p.m. Watts, a fine runner and passer, makes the option play click in the Anson attack.

Anson, Slaton Tangle In Bi-District Tonight

Two top college football prospects will be on opposing sides tonight when the battle of the Tigers takes place in Tiger Stadium here at 7:30. The battle pits Anson, champion of District 6-AA, against Slaton, tri-champion of District 5-AA.

Anson won the 6-AA crown outright by scoring on the last play of the game to beat Ballinger, 13-7, last week. They finished with a regular season mark of 8-1-1 and a district record of 4-1-1. Slaton tied Post and Denver City for the 5-AA crown with a 5-1 district mark and a 6-4 season reeord, but won the right to represent the district in the playoffs in a drawing.

Slaton started out rather slow, losing four of its first five games, but the team came on strong the second half of the season winning their last five games. Included in the string of victories is a 12-7 triumph over perhaps the best team Post has ever fielded.

Anson also has knocked off some highly regarded foes and owns a 12-0 verdict over Colorado City, a team that beat Slaton, 14-13, in the first game of the year. That is the only common opponent of the two teams.

But, back to the outstanding college prospects. They are Tony Watts of Anson and Bill McClesky of Slaton. Watts is quarterback for Anson, and he is particularly talented at running the option play in Anson's Houston Veer attack. McCleskey, a 194-pound senior, is the tailback in Slaton's Slot I attack, and he has gained 1,397 yards in 10 games for a 5.4 yard average per carry. He has scored 18 touchdowns and six extra points.

Both have good size and speed. Watts, a 185-pound senior, is a capable passer as well as a rusher. He likes to throw to Monte Schmitt, starting right end, and Merle Pryor, flanker back. Both are 150-pound seniors.

"If we can stop McClesky, it should be a good game," declared Anson Coach Dick Rogers. "He's the best we've seen," he added.

Coach Ed Cook of Slaton has respect for Watts.

"Our main concern will be to stop the option," said Cook. Both coaches are in their second year at their respective schools.

This is the first time in the playoffs for Slaton since 1949, and their fans are enthusiastic about the team.

Joining McClesky in the backfield will be quarterback Mike Tumlinson, 150-pound junior; fullback Charlie Haynes, 157-pound senior; and, slotback Gary Aycock, 140-pound senior. Watts and Pryor will be joined in the backfield by Mark Guffey, 150-pound sophomore left halfback, and Eddie Muñoz, 150-pound junior right halfback.

Slaton prefers to move the ball on the ground while Anson moves with equal ability overland or through the air.

"We pass about as often as we run the ball," Rogers pointed out.

Both coaches teel defense is their strong point, and both teams use the Oklahoma Five.

Defensive leaders for Slaton are John T. Basinger, 172-pound senior middle linebacker, and Aycock and Tumlincon, both of whom play in the secondary. Slaton has five men who see double duty while Anson has seven men who operate both on offense and defense.

It should be a tossup.

Probable starters:

Buckeyes, Cornhuskers In Crucial Grid Games

Ohio State and Nebraska, college football's top-ranked teams, put their unbeaten records and national championship hopes on the line Saturday in road games against arch rivals.

The No. 1-ranked Buckeyes, 10-0, face No. 4 Michigan, 8-0-2, at Ann Arbor with the Big Ten title and a Rose Bowl bid at stake. The Cornhuskers, 10-0 and rated No. 2, invade Norman, Okla. to meet No. 7 Oklahoma, 9-1, with the Big Eight crown and an Orange Bowl bid awaiting the winner.

Both games were sold out almost before the ink was dry on the tickets and coaches Woody Hayes of Ohio State and Tom Osborne of Nebraska are beside themselves with anticipation.

"This is the greatest rivalry in college football," declared Hayes. "Our season boils down to this game and that's the way it should be."

"It'll be the best against the best," said Osborne. "I'm not even going to predict victory. I will predict there will be 100 per cent effort on our part."

Ohio State and Michigan figure to wage a land war with Buckeye backs Archie Griffin, last season's Heisman Trophy winner, and Pete Johnson pounding away at the Wolverines' ferocious defense and Gordon Bell and Rob Lytle carrying the mail for Michigan against an equally mighty Ohio State defense.

The last four games in the series all have been low-scoring affairs with Ohio State getting 43 points and Michigan just 41. The loser will get a bid to the Orange Bowl as a consolation prize.

The Nebraska-Oklahoma game matches the Sooners' explosive wishbone attack, keyed by swift halfback Joe Washington and deft quarterback Steve Davis, against a Cornhusker attack that mixes the passing of Vince Ferragamo with the running of power backs Tony Davis and John O'Leary.

Oklahoma, the defending national champion, will be gunning for its fourth straight victory in the series. If the Sooners lose they have agreed to play in the Fiesta Bowl. If the Cornhuskers lose, they have agreed not to play anywhere.

In other games involving ranked teams, No. 9 Colorado, headed for the Astro-Bluebonnet Bowl, hosts Kansas State; No. 10 Penn State, set for the Sugar Bowl, visits No. 17 Pittsburgh, a Sun Bowl invitee, for the "Pennsylvania State Championship" and attendant recruiting benefits; No. 11 Arizona hosts Utah at night; No. 13 California is at Stanford in a key Pac-8 matchup; No. 16 Miami of Ohio, headed for the Tangerine Bowl, entertains Cincinnati; No. 18 Missouri is at Kansas with a Sun Bowl bid awaiting the winner; No. 19 Arkansas, still in the running for the Southwest Conference title, hosts Texas Tech and No. 20 Maryland, a Gator Bowl club, hosts Virginia.

The other ranked teams are idle.

Other key matchups find Harvard at Yale for the Ivy League crown and Clemson at South Carolina, North Carolina at Duke and LSU at Tulane in traditional grudge matches.

Cagers At Angelo, Levelland; Boys Host Odessa Tomorrow

The Snyder High School varsity boys basketball team takes on the San Angelo Bobcats in San Angelo tonight in their first contest of the season. Tipoff is on tap for 8 p.m. following the JV game at 6:15 p.m. and the sophomore tilt at 4:15 p.m.

Coach Bob Moore of Snyder said probable starters will include Ernest Brandon, 5-10 senior, at guard; Chester Cobb, 6-2 senior, at wing; and, Randy Gressett, 6-3 senior, at post or wing. The other two starters will come from a group that includes Kelly Ragland, 6-0 senior guard; Joey Arnold, 6-1 senior wing; Kenny Thompson, 6-1 senior wing; and, Dane Witherspoon, 6-2 senior post.

Cobb will be starting his third straight season. He made All-District the last couple of seasons. Gressett and Ragland both are lettermen, but Brandon has only junior varsity experience as do Arnold, Thompson and Witherspoon.

The Tigers have a lack of height but hope to make up for it in quickness and desire.

The Bobcats also have an All-District performer (In 5-4A) in Arnold McDowell, 6-3 senior post, who scored 39 points in the Bobcats opener at Del Rio. They lost the game, 73-71, in double overtime. Other starters for the hosts probably will be Steve Speer, 6-0 senior, at guard; Mike Brown, 6-2 senior, at post; and Mark Hudman, 5-8 junior guard, and either Loyd Franklin, 5-11 junior forward, or Kevin Settle, 6-1 junior forward.

San Angelo operates from a double post attack while the Tigers will use both double and single post, depending on the type of defense.

"We'll run a single post against a man-to-man defense and a double post against a zone," said Tiger Coach Bob Moore.

The Tigers finished 23-7 last season, taking second place in District 3-AAA. However, the team that won district, Lamesa, also took the state crown.

Ken Plumlee will coach the junior varsity and Buddy Luce will coach the sophs. The two 9th grade teams will be coached by Jim Bartlett and Winfred Shipp.

The JV roster includes juniors Curtis Johnson, 6-3 post; Kirk Johnson, 6-2 wing and post; Anthony Lewis, 5-11 guard; Kerry Young, 5-10 guard; Russell Sutton, 6-0 wing; and, Mike O'Day, 6-3 wing.

The sophomore roster includes Randy Courtney, 6-3 wing; Tony Cobb, 6-1 wing and post; Lucious Jeffrey, 5-9 guard; Robby Moore, 5-10 guard; Kenneth Bagley, 5-11 wing; and, Dennis Gary, 5-9 guard.

The varsity Snyder girls basketball team meets Levelland there at 8 o'clock tonight following a 6 p.m. match between the JV squads. Monday, the Tiger girls host Colorado City in Tiger gym at 6 p.m. and 8 p.m.

Coach Geral Greene said the varsity probably will start the same girls that opened against Hamlin, including Cathy Minton, Deborah Waltz and Lordino Jordan at forward and Patti Ayers, Paula Grimmett and Tammy Maxfield at guard.

Probable starters for the JV girls are Kristi Hughes, Dianna Underwood and Debbie Newman at forward and Christi Sellars, Brenda Owens and Jill Hodges at guard.

The soph, JV and varsity boys will host Odessa High in the Scurry County Coliseum Saturday beginning at 4:15 p.m., 6:15 p.m. and 8 p.m., respectively. Coach Moore probably will start the same boys that open at San Angelo.

9th Grade Girls Win

COLORADO CITY—The Snyder 9th grade girls basketball team thumped Colorado City, 44-26, here last night.

The Snyder girls broke open a 10-10 first period tie by outscoring their opponent, 16-6 in the second period. The third period was a standoff, and Snyder had a 10-2 advantage in the last quarter.

Sherry Musick and Tanya Boydstun sparked the Snyder attack with 15 and 14 points, respectively, while M. Scott paced the hosts with 14 points.

Snyder had a total of 39 rebounds, led by Sherry Williams with 10 and Audry Aaron with 6. The Snyder girls hit 19 of 59 from the field for 32 per cent and 6 of 15 from the line for 40 per cent.

SNYDER (44)—Boydstun 7-0-14; Williams 2-1-5; Robinson 2-0-4; Cotton 1-0-2; Ayers 1-0-2; Musick 5-5-15; Martin 1-0-2; totals 19-6-44.

WTC RIPS McMURRY

The Western Texas College Westerners basketball squad whipped the McMurry JV 90-56 last night at the Scurry County Coliseum for its third non-conference victory without a loss.

The hosts outpointed the Indians 44-25 in the first half, and by 15 points in the second stanza to claim the victory.

"We really didn't play well offensively in the game," commented WTC mentor, Mike Mitchell. "We didn't move the ball and execute as well as in our first two contests," explained Mitchell, "but McMurry defensed us better than our previous opponents. The Indians were a much better ball club than Wayland or TSTI."

"We rebounded well and shot well early, which enabled us to build up a lead, then we maintained the margin in the game" concluded Mitchell.

Four different Westerners were in double figures in the affray, led by the game's leading scorer, Lawrence Butler, who hit on 12 field goals and two free throws for 26 points.

Also in double figures were Tyrone Clopton with 20 points, Stanley Covington 12, and Larry Orton 10.

Mitchell Huskey led the McMurry cagers with 15 points.

Clopton and Orton both rebounded well early in the contest to aid in Western pulling out to the initial lead.

Tomorrow night, the Westerners will host the Cameron University JV at WTC Gym at 8 p.m.

"I don't know anything about Cameron," commented Mitchell "this will be their first game. They always though, have a pretty good ball team."

Two former Westerners, Greg Hill and James Smith, are on the basketball squad at Cameron, but Mitchell stated that he doubted if either would be playing on the Junior Varsity squad that comes here.

Hill is a junior, and Smith a sophomore.

INTRODUCING A NEW KICK FOR THE KIDS.
THE KICK'N GO.

Fun. Now youngsters can have the fun and excitement of their own special movement—the new Kick 'N Go. Watch the smiles once they start riding. And the fun lasts for hours.
Easy. Just a backward kick with either foot on the pedal and off Kick 'N Go goes. Lean to turn. It's actually good exercise for a youngster and helps improve coordination.
Safe. Kick 'N Go comes with its own handy hand brake. Just squeeze and stop. The three wheels give excellent balance. And the speed is a safe one boy or girl power.
Quiet. One of the nicest things for grownups about Kick 'N Go is the lack of noise. The rubber tires roll silently on paved surfaces. Laughter and shouting, however, will probably be heard.
Dependable. Another good thing about Kick 'N Go is the company behind it—Honda. So you can be sure of excellent design, rugged construction and ready availability of parts. Kick 'N Go is a beautifully constructed fun machine for the kids—from Honda.

Eleven New Wildcats Are Drilled

AUSTIN (AP) — Eleven wildcat oil wells scattered throughout the state were drilled in Texas during the two-week period ending Nov. 15, the Railroad Commission reported Thursday.

The new wildcats raised the total for the year to 346, an increase of 111 over the same 10½-month period last year.

They included three in the Wichita Falls district; two each in the Houston, Corpus Christi and Abilene districts; and one each in the San Antonio No. 2 and Kilgore No. 6 districts.

Nineteen wildcat gas wells were drilled Nov. 1-15 for a yearly total of 470, an increase of 158 over this time last year. Eleven were in the two San Antonio districts, four in the Corpus Christi district, two in the Houston district, and one each in the San Angelo and Kilgore No. 6 districts.

A total of 251 oil wells were drilled in the two-week period for a yearly total of 6,018, an increase of 1,549 over this time last year, the commission said.

Dr. Lamb

Diabetic needs to lose weight

By Lawrence E. Lamb, M.D.

DEAR DR. LAMB—I am borderline diabetic, 52 years old, 5 feet 4 inches tall, and weigh about 134 pounds. The doctor wants me to get down to 130. The latest glucose reading, without medication, on a restricted diet in the hospital was 143. Now I am on a 2000 calorie diet and find that I am so stuffed. I got permission to cut down but to keep the diet balanced. With an underactive thyroid wouldn't this be one reason I find losing weight so hard? I take 1 mg of Synthyroid daily.

DEAR READER—Your doctor is very wise in helping you to lose weight. Many mild diabetics can be controlled by diet alone, and that usually means eliminating any excess obesity and keeping the fat off thereafter.

Unfortunately, 2000 calories a day is too much for many women. You can have a balanced diet and get down to 1200 calories a day, if you need to, in order to lose weight. Send in 50 cents for The Health Letter number 4-7, Weight Losing Diet. Just send your request to me in care of this newspaper, P.O. Box 1551, Radio City Station, New York, NY 10019. Include a long, stamped, self-addressed envelope for mailing. Then take the diet to your doctor, and be sure he agrees that you can be on it.

I would like to add a word of caution. Diabetics should never go on a diet without their doctor's permission. That is especially true if the diabetic is taking insulin or medicine to lower the blood glucose. The insulin requirements are balanced against the amount of food you eat. If you cut down on your food you usually need to cut down on your insulin.

A borderline diabetic not on medicine does not have this problem.

A similar situation exists regarding exercise, but is more often neglected. Exercise burns up calories and lowers blood sugar. Unusual exercise may decrease the insulin requirements or increase the food requirements to avoid an insulin reaction. A diabetic needs to live a failry regulated life if he is to use a regular, constant amount of medicine for his blood sugar.

A regular exercise program will help you with your diet program. The whole idea is to have a daily negative balance of calories, in other words to spend more than you take in – deficit spending, if you will. There are two sides to the coin on doing that. One is to limit your calorie intake, and the other is to increase your calorie use, and exercise helps with the latter.

A low thyroid function will decrease the amount of calories that your body will use at rest. This will make losing weight more difficult. For other readers I hasten to add that many people who are overweight have normal thyroids and that is usually not the problem.

When you take thyroid medicine it will supplement the amount of thyroid hormone formed by your own gland. If you are taking enough then you should really have normal thyroid function. Incidentally, excess thyroid hormone can lead to elevated blood sugar levels, so can a variety of medicines, including diuretics used to eliminate fluid before menstrual periods and in treatment of high blood pressure or for any fluid retention problem.

For Saturday, Nov. 22, 1975

ARIES (March 21-April 19) It will be difficult to get your mate and those around you to share your natural enthusiasm today. Subdue your ardor. Do what's best for all.

TAURUS (April 20-May 20) You try to spread yourself too thin today. Keep in mind: It is better to do one thing well than to attempt everything and accomplish nothing.

GEMINI (May 21-June 20) It could be a tough day on your budget. If you run out of cash, you'll regret giving that credit card more use than is prudent.

CANCER (June 21-July 22) In your haste to please you may act against your best judgment and harm your own interests. Better to risk offending than to create frustrations.

LEO (July 23-Aug. 22) Hunches are prone to override your usually logical perspective. At times this could be fine. Today, your intuition isn't all that great.

VIRGO (Aug. 23-Sept. 22) If you can't keep a tight rein on your purse strings today, don't wonder later what happened. It will be too late.

LIBRA (Sept. 23-Oct. 23) Your image is more important to you than fleeting glory. Don't do something for temporary fame that could bring lasting notoriety.

SCORPIO (Oct. 24-Nov. 22) Responsibility is normally your cup of tea, but today if you can only let George do it, you'll probably be just as happy.

SAGITTARIUS (Nov. 23-Dec. 21) You tend to be a trifle careless with the possessions of others today. If you borrow something and break or lose it, it's your baby.

CAPRICORN (Dec. 22-Jan. 19) Though it seems simpler to you today, letting others make decisions for you is a mistake. You'll get the short end of the stick.

AQUARIUS (Jan. 20-Feb. 19) Your intentions are good, but the flesh is weak today. You'll procrastinate, do the job poorly and have to do it again.

PISCES (Feb. 20-March 20) Avoid financial flyers today, especially those involving others. Advising associates poorly will cause long-standing resentments.

Bus Wreck Injures 38

MOUNT PLEASANT, Tex. (AP) — Doctors kept five persons at Titus County Memorial Hospital today for treatment of injuries suffered as a light bus overturned.

They sent the 33 other passengers aboard the bus home after emergency treatment.

The eastbound vehicle upset on Interstate 30 near Winfield, seven miles west of here in East Texas, about 11:30 p.m. Thursday. Witnesses reported it crossed the median and rolled three times before coming to a halt upside town.

"The wind just caught us," said driver Evelyn Poer, explaining that heavy gusts whipped across the road as her bus and a second vehicle were returning to Texarkana, Tex., after taking their passengers to a meeting in Dallas. She suffered a sprained ankle and bruised ribs.

Callaway Named Board Chairman

ATLANTA (AP) — Howard "Bo" Callaway, President Ford's campaign manager, has been named board chairman of Interfinancial Inc., an insurance holding company in which he has a major interest.

The former Georgia congressman resigned the presidency of the firm in 1973 to become Secretary of the Army, a post he relinquished this year to head the Ford campaign.
