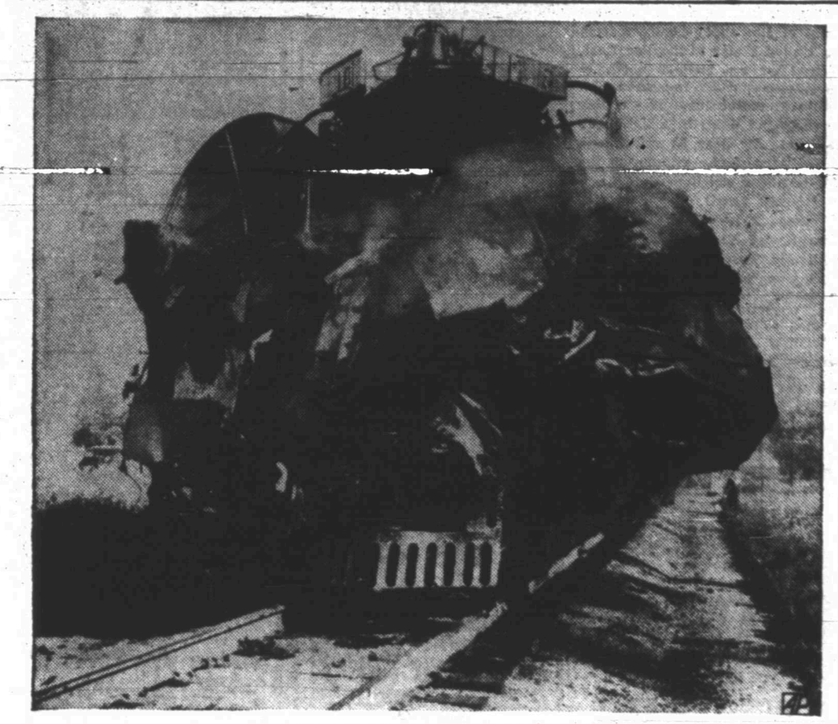
5th Day Of Rain Bringing Floods To Coastal Towns



TRAIN RAMS TANK TRUCK

The Union Pacific's Portland Rose rammed an oil tank truck at a crossing near Greeley, Colo., yesterday. Witf the burning, smashed tank emplaced on the engine, the train plunged for three miles before it could be halted. One crewman was killed and another critically injured.

U.S. Wins Big Vote In UN; Indians Withdraw

UNITED NATIONS (AP)—The U. N. General Assembly gave an overwhelming endorsement today to an American-backed plan for the Korean peace conference despite vigorous Russian opposition.

The plan provides that only countries who fought under the U. N. banner should represent the world organization at the parley.

The vote was 43-5. The Soviet bloc cast the negative vote. India did not participate.

India averted a certain defeat by withdrawing as a possible participant just before the voting.

With United States backing, the Assembly recommended that Russia could take part in the conference "provided the other side desires it." This means that, if Russia goes, she will have to sit on the Communist side with Red China and North Korea.

South Korea will sit with the U. N. delegation.

The action concluded the work of the special Assembly meeting which opened two weeks ago to choose U. N. representatives at the peace conference.

Andrei Vishinsky of Russia has given a veiled warning that the Communists may reject the Assembly's decisions and try to reopen the whole debate when the Assembly convenes its fall session Sept. 15.

The Assembly directed the United States to arrange the time and place of the conference after consultation with both sides. The meeting must be held by Oct. 28, under armistice terms.

Indian delegate V. K. Krishna Menon withdrew as the Assembly prepared to act on proposals for setting up the peace parley.

Menon referred to the strong opposition by the United States and the Latin American bloc in the political committee and said:

"I think the purposes of peace are best reached by not forcing the resolution on India in this Assembly."

India's defeat had been certain in yesterday's 27-21 vote in the Political Committee. This was far short of the required two-thirds majority.

The Assembly was due to adopt an American-sponsored resolution — overwhelmingly okayed by the 60-nation Political Committee yesterday — that the conference include:

1. The 16 U.N. members which supplied troops under the U.N. banner — the United States, Britain, Australia, Belgium, Canada, Colombia, Ethiopia, France, Greece, Luxembourg, the Netherlands, New Zealand, the Philippines, the Union of South Africa, Turkey and Thailand.

2. South Korea.

3. By implication, the Communist belligerents — North Korea and Communist China.

4. The Soviet Union, "provided the other (Communist) side desires it."

The political committee approved an invitation for India by a small margin — 27-21 — but the approval fell far short of the two-thirds majority required in the 60-nation Assembly. The Assembly vote today was expected to follow the committee pattern, barring India from a place at the table.

Wildcat Staked South Of Gail

The Texas Co. has staked the No. 1-B A. M. Clayton and others as an 8,375-foot rotary wildcat for immediate drilling in Central Borden County.

The drillsite is 2,001 feet from east and 660 feet from south lines of section 29-32-t4n-T&P on a 1,786 .50-acre lease. It is 12 miles southwest of Gail.

DRILLSTEM TEST

Double U Oil Corp. No. 1-A G. E. Spindler, Northeast Borden wildcat, is now taking a drillstem test in the Mississippian from 8,200-240 feet.

The project topped the Mississippian at 8,206 feet on a datum of minus 5,524 feet. Samples of the zone to be covered by the test did not have any signs of oil or gas. This prospector has not reported any signs of production in drilling thus far.

The No. 1-A Spindler is in section 464-97-H&TC, two and three-quarter miles south of the Fluvanna-Mississippian field.

DRILLING REPORT

Magnolia No. 3-D Conrad, East Borden tester, has been temporarily abandoned on plugged-back total depth of 4,300 feet. Extensive tests on the project have failed to indicate shows for commercial production.

Texas Pacific Coal & Oil Co. No. 1-A Tom Spencer, Central-North Howard wildcat, is preparing to plug back to 9,980 feet and drillstem test between 9,850-981 feet. [illegible] Siluro-Devonian. The project is bottomed at 10,092 feet in the Ellenburger, which made only salty sulphur water on tests.

Magnolia No. 1 Eiland, Dawson wildcat, is drilling in lime below 12,336 feet after a drillstem test from 12,194-272 feet. With the tool open two hours, operator reported a fair blow of air throughout. Recovery was 600 feet of drilling mud with no shows and no water blanket. Flowing pressure was 500 pounds, 15-minute shutin pressure 900 pounds.

Stanolind Oil & Gas No. 2 Burton-Howard tester, flowed 25 barrels of oil on a two-hour gauge and is now reported to be taking the potential.

In West Borden County, Gulf Oil No. 1 C. C. Cannon is [illegible] below 10,442 feet in lime and chert. Ryan & Burke No. 1 Cannon is drilling in anhydrite below 3,061 feet.

$300 Premium On First Bale

A premium of $300 will be given to J. O. Hudnall of Camp Springs, who raised the first bale of cotton for 1953, by the chamber of commerce in the name of all Snyder businessmen.

The chamber agricultural committee, headed by Broadway Browning, was to meet sometime this week to further study the first bale project.

Hudnall, who harvested the cotton from a dry land farm, had the bale ginned at Planters Gin Wednesday. The cotton came from about 18 acres of ground. It weighed 464 pounds when ginned.

Last year, the first bale was brought in Aug. 23 by L. T. Nail, whose farm was two miles south of Snyder. The 586-pound bale brought Nail a premium of $302.50. The first bale in 1951, brought in on Sept. 7 by P. A. Ware, weighed 491 pounds. He was given a premium of $344.50. F. J. Murphee had the first bale of 1950, brought in Aug. 26 and weighing 492 pounds. His premium was $184.05.

Hudnall's bale is now on display on the northwest corner of the courthouse square.

Roby Prisoner Among Those Flying Home

TOKYO (AP)—Five returned American war prisoners were to fly home tonight—but only four took off.

The fifth one?

"Well," explained the Air Force, "this guy got a pass today and went AWOL."

The other four included Sgt. John Rhoton of Roby, Tex.

Dumas Cable Cutting Brings Reward Offer

DUMAS (AP)—A $1,000 reward has been posted in the second cutting of telephone cables in this area this week.

Lucien Spencer, general manager of the non-union independent North Plains Telephone Co., said several long-distance circuits were cut early yesterday about seven miles west of Dumas. He said they were cut by someone "using pole climbers to gain access to the wires."

Police Chief Asa Brown reported the previous cable cutting Tuesday night and has had a man in custody for investigation.

Phone Strike Drags On In Its 9th Day

By The Associated Press

The strike of 23,099 Texas telephone workers went into its ninth day Friday with little progress in talks to end the walkout.

Another meeting between striking CIO Communication Workers of America, Southwestern Bell Telephone Co. and federal conciliators was on in St. Louis.

The strike began Aug. 20, when operators, clerks, installers and repairmen walked out in six states and threw pickets around Bell exchanges. In all, 53,000 workers were affected.

Union and company negotiators were deadlocked Thursday, and after a 3-hour meeting Federal Conciliator A. E. Johnson said, "The status is unchanged." One of the federal mediators had said the "situation is not too hopeful."

All agreed it looked like a long strike.

Thursday's meeting was the first company-union meeting since Monday when a deadlock developed over a company-proposed clause which the union termed a "no-strike" provision and "yellow dog" clause.

Houston and Galveston employes approved the negotiating committee's rejection of the clause.

In Dallas, T. E. Webb, Texas CWA-CIO director, asserted the policy of the union was to conduct strikes "in an orderly and peaceful manner without resorting to any violence whatsoever...."

G. E. Terry, a local president, had admonished Dallas union members earlier to "beat hell" out of workers who crossed picket lines if they annoyed or approached pickets in any way.

Terry said later: "Under no conditions did I mean to imply that violence be undertaken—on the picket line or outside the picket line."

In Vernon, two union members were arraigned on charges of simple assault after a reported attack on a Bell employe there Monday. Frank Field, one of the union members, pleaded guilty and paid $37.25 in fine and costs. John Nichols, Jr., entered no plea and was freed on a $300 bond.

Field and Nichols were accused of threatening David Cook, an installer and repairman, in an alley behind the Vernon exchange.

Cook, who did not work the next day, told police two men ripped his shirt, threw his tools away, and threatened him.

Wichita Falls members of CWA voted Thursday to picket homes of phone people who worked.

SNYDER SOLDIER CAN'T TRUST EVEN RATS IN KOREA

A soldier of C Company, 14th Regiment, is minus his front teeth because of Delbert.

Delbert is a Korean rat—the 4-legged type—who shares the bunker of PFC Travis E. Massingill, Snyder.

Recently when Massingill left his dental bridge on a shelf near Delbert's hole, he returned from an errand to find them missing. Delbert had run off with them.

Asked how he knew it was Delbert, the soldier replied, "There wasn't anyone else in in the bunker when I left, and by the tracks he left I didn't need Sherlock Holmes to tell who it was. "How do you like that," he moaned. "You can't even trust a rat over here."

He is the son of Mr. and Mrs. E. R. Massingill, 1711 Avenue I. He has been in Korea since March.

COLLISION DAMAGE

Francis Torino (left) and Vincent Samaska, American Airlines employes, view the damaged underside of their plane at Midway Airport in Chicago following a mid-air collision with a United Airlines plane near Michigan City, Ind. Both pilots effected safe landings after the bumping at 11,000 feet and no one was injured. The planes, both twin-engine Convairs, had left Chicago about a minute apart shortly before 8 p. m. A total of 57 persons was aboard the two planes.

REDS TO RETURN ALL PRISONERS

PANMUNJOM, Saturday (AP)— A returned U. S. prisoner said Friday the Communists told his camp they would return all captives including those he asserted were convicted of "germ warfare" or other "crimes" which carried sentences of "no repatriation."

The report came as the Communists turned back 144 more Americans who told of continuing brutality and torture behind closed doors right up to the armistice.

Lt. Roy Boyd of Winnetka, Ill., said the Chinese commander at his camp told prisoners a few days ago the Reds would return all prisoners, adding that this "includes criminals and men convicted of germ warfare."

Previous reports said men sentenced to jail terms extending beyond the armistice for "crimes" were coming back but the fate of officers and men convicted of "germ warfare" was in doubt.

Peiping has asserted that under terms of the Geneva Convention [illegible] treatment of [illegible] prisoners the Communists had a right to withhold from immediate repatriation men convicted of "crimes." The United Nations said the armistice calls for the return of all willing prisoners.

Prisoners have said many of their comrades were sentenced on such phony charges as "instigating against the peace" and others were forced to confess they had waged germ warfare. The United Nations has dismissed the Red germ warfare charges as propaganda.

Boyd said he knew of 20 to 25 men now at nearby Kaesong, where prisoners are assembled for exchange, whose sentences ran as high as 15 years.

"Everything indicates they will be repatriated" he said.

Among those returned yesterday were Americans captured early in the war. Some said they had been beaten and tortured almost until the truce July 27.

Remarries In Belief Husband Dead In Korea

MITCHELL, S. D. (AP)—The release of a South Dakota soldier who had been a Communist prisoner in Korea led to the disclosure today that his young wife had remarried in the belief he was dead. The second marriage was later annulled.

Mrs. Ralph Meier, 18, wife of Cpl. Ralph Meier, was married to Herald Kapsch, March 3, 1953. She had married Meier Nov. 8, 1950, shortly before Meier entered the Army. Meier was captured Dec. 31, 1951, and released Wednesday.

The record of the annulment proceedings shows Mrs. Meier testified she "heard from a boy in Korea last fall" that her husband had been killed in a Communist prison camp.

"I still think he's dead," she testified.

The annulment proceedings were brought by her second husband. The record shows he testified he "would rather see this marriage go on, but they say we have to have it annulled."

Meier was dead when he married the girl.

Sherman Child Dies In Deep Gravel Pit

SHERMAN (AP)—Patsy Flowers, 7, died last night in 18 feet of water in a north Sherman gravel pit.

The father, Patrolman Thomas Flowers, said she accompanied him to the gravel pit to dump trash but that he did not miss her until he returned home, police said.

Searchers found her body three hours later. The exact cause of [illegible] has not been determined. She had a gash on her head which could have been caused by a blow or a fall, police said. Her father said he believed she slipped on a rock and fell into the water and drowned.

Corpus And Valley Cities Are Caught

By The Associated Press

Floodwaters swept through low areas of Corpus Christi Friday morning after a downpour that dumped more than four inches on some parts of the coastal city since midnight.

Streets in low areas were blocked and police reported a number of houses with the muddy water seeping into their first floors.

The torrential rain continued a pattern of downpours that have hit South Texas for five days.

The Corpus Christi weather bureau warned that flooding conditions could be expected to continue Friday night in Kingsville, 40 miles southwest of Corpus Christi, and in Falfurrias, 30 miles southwest of Kingsville. No further flooding was expected in San Diego and Alice, due west of Corpus Christi, unless heavy rains resumed.

At Roma, almost 300 miles southwest of Corpus Christi, the normally placid Rio Grande rose 12 feet in seven hours and still was rising as runoff from Mexican rains surged downriver to the Lower Rio Grande Valley.

Rain measurements in Corpus Christi at 8 a.m. Friday showed 4.81 inches since midnight at Cabannis field just outside the city limits; 3.4 at the official weather station, and 2.34 in the downtown section.

The Central Power and Light Co. reported 4.9 inches at Premont in southern Jim Wells County during the night. Falfurrias had 4.72 overnight, for a total of 7.92 in the past 10 days.

Weather bureau totals for the 24 hours ending at 6:30 a.m. Friday also showed .79 inch at Austin, Laredo with .67, Brownsville .36, Fort Worth .13; Cotulla .17, San Antonio and Waco .02, Palacios .01. Showers also fell in Houston, Beaumont, Del Rio, Galveston, Lufkin, and College Station.

Near mid-morning Friday rain was reported falling in San Antonio, Alice, Palacios and Brownsville.

The sudden and possible dangerous crest on the Rio Grande Thursday night was from the Rio Alamo, which drains much of north Mexico.

San Pedro, across the border from Roma, was isolated from Mexico as roads and wires were washed out. There was little danger to either Roma or San Pedro. Both are built on hills adjoining the river.

Alice, Bishop and Kingsville were hit by flooding streams Thursday. The water entered about 150 homes in Bishop.

Despite the threatening Rio Grande, the water was a god-send to South Texas and the Rio Grande Valley, drouth hit for two years or more.

The rains had turned great stretches of the brush country into vast lakes.

The Rio Grande, a muddy trickle most of the last two summers, poured tremendous amounts of water behind Falcon Dam. Below the dam, the river and its tributaries was pouring ten times as much water toward the Gulf as irrigation pumps in the area could handle.

Metal stoplogs installed at Falcon Dam held back 65 feet of water and could hold 24 feet more. It was rising four inches an hour Thursday night. Boundary commission engineers estimated about 290, [illegible] of water was behind the big new dam Thursday night.

By the time the big dame is dedicated Oct. 19 by President Eisenhower, it would likely hold back much more water for valley use.

The river's 240 miles below Falcon Dam is studded with irrigation pumps with a combined capacity of 4,000 cubic feet per second. Thursday night the river was flowing 300,000 or ten times more than all the pumps could handle.

Memory Helped POW To Keep Away Despair

ALBUQUERQUE, N. M. (AP)—A jet pilot too tough for the Reds to crack is looking for a man whose name he doesn't know to say thanks for a memory.

That memory literally pulled Lt. Col. Thomas Harrison of Clovis, N. M., through months of imprisonment, cruelty and torture as a prioner of the Chinese Reds.

Harrison's search is for a man, once an Albuquerque contractor, whom he met only casually 3½ years ago. The Air Force officer asked The Associated Press to help find the man.

"I don't know who he is, but I would appreciate it if you would help me find him so that he would know that he gave someone a lot of help when he needed it," Harrison wrote.

Harrison wrote that after he lost his left leg when shot down in North Korea, his right leg became infected and he was afraid he would lose it too. He said there was no one to talk to, nothing to do but lie and stare at his prison cell ceiling.

"Naturally I began to worry about my future and tried to remember all that I could about artificial legs. It was very little. As a result, my mental condition became very bad.

"I knew the worst thing that could happen to me was to despair. As long as I could maintain hope I could make it. I prayed and prayed hard.

"God answered my prayers. When I felt the worst, I suddenly remembered an incident which happened at Sandia Base (Albuquerque) in May, 1950."

Harrison related he and his wife, Doris, were at a dance and were introduced to a tall blond man who later danced with Doris.

"I noticed he did a pretty lively fox trot," Harrison recalled. "When he returned to our table, he unexpectedly said: 'You would never believe I have an artificial leg' and raised his trouser leg to prove it."

Harrison says, "It was a small incident then, but now I credit that incident with giving me the inspiration which helped me pull through a very difficult situation."

WEATHER

WEST TEXAS: Clear to partly cloudy through Saturday with widely scattered afternoon and evening thundershowers. No important temperature changes.

NORTH CENTRAL TEXAS: Partly cloudy through Saturday. Widely scattered, mostly daytime, thundershowers. No important temperature changes.

EAST and SOUTH CENTRAL TEXAS: Cloudy to partly cloudy through Saturday. Widely scattered mostly daytime thundershowers. A little warmer tomorrow. Gentle to moderate variable winds on the coast, mostly southeasterly.

Red Bail Jumpers Caught In Dramatic California Manhunt

SAN FRANCISCO (AP)—Two fugitive Communist leaders and three alleged satellites, charged with harboring them in a remote mountain hideout, were swept up in a dramatic capture yesterday by FBI agents posing as campers.

A fourth follower was picked up late last night, 390 miles away.

All were jailed quickly—one of them in grim Alcatraz prison in San Francisco Bay.

Sixteen FBI agents in campers' blue jeans caught Robert George Thompson and Sidney Steinberg in a cabin 8,000 feet up in the rugged Sierra Nevada, about 200 miles east of San Francisco.

Their arrest climaxed a relentless two-year manhunt.

Thompson, one of the 11 top Communist leaders convicted in 1951 of violating the Smith Act, was rushed to Alcatraz. He disappeared two years ago when ordered to report to Federal Court in New York for commitment for a three-year prison term.

He will serve that three years at another prison, the FBI said.

Steinberg, indicted with 21 other "second string" Reds in 1951 on similar Smith Act charges, was jailed here on $100,000 bail. He will be arraigned for removal proceedings to face trial in New York.

Steinberg protested the bail was excessive. U. S. Commissioner Joseph Karesh replied, "It isn't for a fugitive for such a long time, since 1951 . . ."

The other three captured in the Sierra hideout were locked up in San Francisco County jail on $35,000 bail each. The FBI identified them as Carl Edwin Rasi, 40, a Minnesota Communist leader; Samuel I. Coleman, 42, of New York described as a veteran Red and leader in the Communist underground since 1951, and Mrs. Shirley Keith Kremen, 21, a reported leader of leftist activities in Los Angeles.

Hours after the first five had been arrested, FBI agents picked up Patricia Blau, 42, near Stockton, Calif., and charged her with harboring the fugitives.

The FBI said an automobile found in the mountain retreat was registered under one of Mrs. Blau's six aliases. She was described as a Canadian-born Communist organizer who was naturalized in New York last year.

Thompson was one of four top Communists who disappeared in 1951.

Another, Gus Hall, party secretary, was arrested in Mexico City Oct. 9, 1951. The other two, Gilbert Green and Harry Winston, are still at large.

The 16 agents caught the fugitives by surprise in their two-story cabin not far from Yosemite National Park. They met no resistance.

The FBI said both Thompson and Steinberg declined to admit their identity, but in each case it was established by fingerprints.

Thompson was using the name of John Francis Brennan. He had [illegible] driver's licenses from Illinois and Pennsylvania.

Steinberg was going under the name of Joshua Newberg and carried a business card as a violin teacher.

Prosecution Rests; Laughlin Hearing To Resume Tuesday

AUSTIN (AP)—Defense counsel in the removal proceedings against Dist. Judge Woodrow Laughlin of Alice waived cross-examination of the prosecution's last witness today and the hearing was recessed until Tuesday.

Defense testimony is to begin [illegible] Sen. William Shireman of Corpus Christi, counsel for 11 South Texas attorneys seeking Laughlin's removal, said agreement to rest the prosecution's case was reached in chambers of Supreme Court Master D. B. Wood, who is conducting the hearing.

He said defense agreed not to cross-examine former Dist. Judge Sam Reams, Shireman's last witness, and prosecution testimony was rested on condition that Laughlin's testimony before a state bar committee could be entered into the court record.

The bar committee conducted an investigation into charges against Laughlin last spring.

Judge Wood then recessed the hearing until Tuesday at 9:30 a.m. to allow defense time to prepare for presenting its testimony.

"You think Judge Laughlin tipped off somebody so this fellow Berrera could leave the country, don't you?" Small asked.

"I don't know that Judge Laughlin did it. It seemed at that time somebody did it," Burris replied.

Reams, now a Houston attorney, was beaten for reelection last year in a bitter election. South Texas political boss George Parr supported Laughlin, the opponent of Reams testified yesterday.

He became yesterday the third person who has served as district judge to testify in the hearing that he does not consider it ethical for a judge facing indictments to select the judge to try the case.

Jim Wells County Atty. Sam Burris testified he still has "undisclosed information" bearing on the Jacob Floyd, Jr., murder case.

He said he had not taken it to a grand jury yet because it is not ready for disclosure.

Defense Counsel C. C. Small, Sr., asked Burris if he knew of anything more the Jim Wells County grand jury could have done in investigating the murder case.

Burris replied that the jury might have questioned Santiago Berrera, a witness the jury subpoenaed but never got to question.

The young attorney joined previous witnesses in accusing Laughlin of putting "stumbling blocks" in the way of the jury's investigation. He said instances were Laughlin's discharging the grand jury and his keeping the jury waiting "all day long" the first day it was reconvened.

Burris also testified that to him the court session to dismiss indictments against Laughlin "looked like a frame-up."

He first "smelled a rat," he said, when he was told the day before the trial that Judge E. D. Salinas was going to be brought from Laredo to hear motions to quash the indictments.

It became evident nothing could be done, he testified, when Salinas overruled Burris' objections to Salinas occupying the bench in the Laughlin matters.

He said he moved for a dismissal of the indictments on grounds of insufficient evidence "at that time."

"I thought I had a tactical maneuver," he said. "I thought I could move to dismiss the indictments and another grand jury could return new indictments."

The indictments concerned Laughlin's sale of his law library to the county. He rescinded the transaction and returned the money the morning before the indictments were quashed.

Single Ikeman On NLRB Is Being Outvoted

WASHINGTON (AP) — The only member of the National Labor Relations Board (NLRB) who was appointed by President Eisenhower is being consistently outvoted, but additional new Eisenhower appointees are soon to take office.

When they do, the board majority will be made up of administration choices.

Guy Farmer, a Washington lawyer, is the present Eisenhower appointee. He is charting a new course for the agency which interprets the Taft-Hartley labor relations law. For the present, his views are not prevailing, but he is making his influence felt.

A holdover majority from the former Truman administration has been calling the tune this week in a series of NLRB decisions. They usually found Farmer taking a differing and sometimes lone dissenting viewpoint.

Two members, often in the majority against Farmer, are leaving the NLRB. In fact, Ray Rodgers, former Republican adviser on the Senate Labor Committee, arranged to take the oath today succeeding John M. Houston as a member.

In addition to Farmer and Rodgers, Eisenhower has an opportunity to appoint a third member of the five-man NLRB because of the accepted resignation of Paul L. Styles, effective Aug. 31

A ruling from the agency today found Farmer differing with the majority, which held that automobile retailers come within the province of the Taft-Hartley law.

The law's reach into the local affairs field has often been a matter for argument.

Farmer, who is on record as favoring less jurisdiction for the NLRB and more extensive state control over labor problems, said the case seemed to him to be a matter best left to state agencies—but he lost his point.

Negotiations Bring Strikers, Management Near Agreement Today

CLEVELAND (AP) — Negotiators, reportedly only 2½ cents from agreement, resumed efforts today to end a CIO United Rubber workers strike which has idled the Firestone Tire & Rubber Co.

When they recessed their talks here last night, union and company representatives followed their usual custom of not discussing progress. But unofficial reports were that the company's latest offer was an 8½ cent hourly package increase, including a direct wage boost and fringe benefits. The union was reported to have lowered its demands from 13 cents an hour to 11 cents.

Firestone production and maintenance employes now get wages which average $2.05 hourly.

The strike, now in its second day, involves 25,500 production and maintenance workers in eight cities. An agreement, if and when it is made, is expected to set a wage pattern for the entire rubber industry.

Two New Oil Pools Reported Opened In Oklahoma Counties

TULSA (AP)—The opening of two new oil pools was reported the past week in Oklahoma's Grant and Seminole counties.

Texas Co.'s 1 Damron in southwestern Seminole County, on a 53-minute drillstem test at 2,166-2,221 feet, surfaced gas in four minutes. It flowed an estimated 50,000 cubic feet per day. Oil flowed at an estimated 10 barrels an hour.

The other pool opener was Union Oil 1 Simpson wildcat 13 miles northwest of Medford in Grant County. Daily flow was estimated at 853 barrels.

Operators staked locations for 146 new wells in the state. The Tulsa World reported 135 completions, including 77 oilers, 2 gassers, 47 dusters and 9 abandonments. The oil wells flowed an initial 15,785 barrels daily, the gas wells one million cubic feet.

Little Boys Pull Job On Another Small Fry

DENVER (AP)—A nine-year old boy complained to police yesterday that two boys, one nine and the other 10, held him up with a broken paring knife and took 62 cents from him. He said they gave him back 50 cents of the money.

Police picked up the two boys who admitted the robbery. They told juvenile authorities they bought sunflower seeds to eat with their 12 cent loot. They were taken to juvenile hall.

Sliding Door Mystery

ELMIRA, N. Y. (AP)—A clergyman telephoned police to report the door to his church was missing.

Police discovered the "missing" door had been opened—and the minister was unaware that it was the sliding type.

PMA Election Today

Delegates recently elected by farmers in the county's four quarters for selection of a county committee for the Production — Marketing Administration were to meet

More Workers Join In Phone Strike Today

WASHINGTON (AP)—An estimated 10,000 telephone workers in the Washington area and in West Virginia went on strike today to join thousands of Communications Workers of America members already striking in seven other states.

The Washington-West Virginia walkout began at 5 a. m., EST, after negotiations with the Chesapeake and Potomac Telephone Co. broke down last night.

Farrell J. Beaver, special union representative, said the strike call affected 7,000 workers in Washington and its suburbs and 3,000 in West Virginia.

"Picket lines are going up at every telephone installation in the area," he said.

The union is seeking pay boosts of from $2 to $3 a week, while the company is reported to have offered raises of from $1.50 to $2.50 for the workers whose wages now range between $44.50 and $74.50.

In the six-state strike against the Southwestern Bell Telephone Co., involving 53,000 workers bargaining was narrowed to a single issue. Subcommittees for the union and company scheduled a meeting on it today in St. Louis.

There was no sign of a break in wage talks between the union and the Indiana Bell Telephone Co. in Indiana, where a strike is now in its fifth week.

In New York, talks were planned again today to avert a possible strike by 22,000 long distance telephone operators in 40 states and the District of Columbia.

BIRTHS

Mr. and Mrs. Wiley Brice, Snyder, are the parents of an eight-pound, two-ounce son born at 12:26 p.m., Thursday in Battenfield Hospital. Mr. and Mrs. Henry J. Brice, 2712 Avenue U, are the paternal grandparents.

Mr. and Mrs. W. C. Cutcher, Snyder residents, are the parents of a son born at 5 a.m. today in Battenfield Hospital. The baby weighed six pounds nine ounces at birth.

West Texas Utilities Told To Negotiate With Electrical Workers

WASHINGTON (AP)—The National Labor Relations Board ordered the West Texas Utilities Co. today to bargain with the AFL International Brotherhood of Electrical Workers as the representative of its power plant employes.

The ruling upheld the recommendations of Trial Examiner Eugene Frey made June 2.

The dispute was taken to the NLRB following a collective bargaining election on Dec. 19-20, 1951. At that time 59 ballots were cast for the AFL union, 47 against the union, 45 ballots were challenged and one ballot was voided. The company filed an objection to the conduct and results of the election. After an investigation a revised tally of the election showed 65 ballots cast for the union and 57 against.

After a subsequent hearing the NLRB examiner recommended that the election be validated and the company be ordered to bargain with the union.

Union Leader Is Under Federal Indictment

WASHINGTON (AP)—A federal grand jury indicted Ben Gold, fur workers union president today on charges that he lied when he swore in an affidavit to the National Labor Relations Board in August, 1950, that he was not a Communist.

The Justice Department said a warrant had been issued for Gold, a New Yorker.

Gold is head of the International Fur and Leather Workers Union of the United States and Canada. This union was ousted from the CIO in 1949 on grounds that it had been infiltrated by Communists.

In the NLRB affidavit, Gold asserted he was not then a member of the Communist Party, that he had no affiliation with it, and did not support its policies.

The indictment charged that all of these statements were false.

Under the Taft-Hartley act, union officials are required to file non-Communist affidavits if their unions are to use the services of

CARL PETERSON

Thursday a Snyder man made the first contribution to the Carl Peterson Appreciation Fund. The fund, he hopes, will grow big enough to buy the returning POW something he has never had before.

The fund, we believe, affords a rare opportunity for the citizens of the county to make up for some of the apathy they have had for the Korean War. It was an unpopular war here, but it wasn't nearly so unpopular here as it was on the fighting fronts.

Young Carl Peterson of Hermleigh was captured early in the war and spent 32 miserable months suffering at the hands of the communists. During that time he undoubtedly went through three of the bitterest winters of his life.

Here is a boy that has lived through an experience that none of us would take all the oil wells in the county for. He has never had much in the way of material things, but he has given a lot of himself for us.

Let's shoot for a car for him as a goal, and let's have a Carl Peterson Day here. It will give us a chance to honor all Korean veterans and young Peterson in particular.

Texan Tells Of Red Brutality In POW Camps

FREEDOM VILLAGE, Korea (AP) —A freed Texas soldier, whose out spoken hostility to communism caused him to be held 233 days in "the hole" during his imprisonment, said today North Korean Reds killed 30 American prisoners, all but 13 of them wounded.

Pfc. Reuben K. Kimball Jr., 25, of Baytown, Texas, also said he saw the Reds drag a blind French nun by her neck through the town by Manpo and then shoot her.

Kimball was captured July 24, 1950, because he stayed behind at the side of a wounded British correspondent. The correspondent, Philip Deane — released a few months ago—in turn saved Kimball from death by telling the Reds Kimball also was a correspondent.

At the time the Reds were getting ready to kill the 30 in a field. Kimball said they would have shot him too had they not been misled by Deane to believe he was a civilian.

"The wounded were laying under a tree," Kimball related.

"North Korean Reds sprayed them with burp guns. The 13 healthy ones they stood at the side of the house. They killed them all."

Kimball said the Reds took him and Deane into the mountains where they beat them three times a day with pistols, rifle butts and clubs—"anything handy."

Kimball and a fellow Texan also released today—Cpl. Ramon Martinez, 23, of Crystal City—marched north with 730 captured soldiers, missionaries, diplomats and civilians.

Of the 730 Kimball said "only 238, as close as I can figure, are alive today."

HOSPITAL NOTES

The following admissions and dismissals at Battenfield Hospital are those whose names were released by the hospital.

Admissions: DeWayne Wells, 2802 Avenue C; Mrs. Velma Ruth Brown, 3801 Muriel Drive; Gordon Wayne Taylor, 3765 Avondale; Mrs. Buford Kennedy, 3106 Avenue L.

Dismissals: Ernest H. Diviney, Snyder; William C. Lewallen, Snyder.

CORRECTION

In the picture of local bar association members receiving commemorative stamps in Thursday's edition of the Daily News the person issuing the stamps was erroneously identified as J. P. Peterson, Jr. He is actually J. P. Pitner, Jr.

Police And Sheriff's Departments Hosts To Fish Fry Here Tonight

Final preparations for the peace officers' fish fry here tonight are being made today, Walter Suttle, police chief, said.

Suttle said that many invitations sent to sheriffs and police chiefs in surrounding counties have been accepted.

The fish fry is being sponsored jointly by the Scurry County sheriff's department and the Snyder police department. Members of both departments will serve as hosts to county and city officials and out of town guests, Suttle said.

It is to be held behind the city hall on Twenty-sixth Street at 7:30.

Sand Dunes Had To Be Trucked Into Estate

HYANNIS, Mass. (AP)—There were no sand dunes on Paul Mellon's summer estate—an unthinkable situation on sandy Cape Cod—so the nephew of former Secretary of the Treasury Andrew Mellon built his own.

Mellon trucked more than 2,000 tons of soft white sand ten miles from Sandy Neck in Barnstable and constructed a 20-foot high dune between the house and Nantucket Sound.

J. C. Evans To Temple Job

J. C. Evans, Jr., 32, former distributive education teacher in the Snyder High School, left yesterday afternoon for Temple to assume new duties as assistant manager of the chamber of commerce there.

Evans came here in 1950 from the school system at San Angelo and taught here two school terms. Before teaching at San Angelo, he was assistant manager of the Sherwin-Williams Paint Co. there three years.

Evans, a master Mason, was active in the Junior Chamber of Commerce here and was a director in 1952. He is a 1947 graduate of Texas Technological College, Lubbock.

Evans served four years and nine months in the Air Force, being discharged Oct. 21, 1945, as a technical sergeant. He was a member of the Snyder unit of the Air Force Reserves while here and held the rank of first lieutenant.

Evans and his wife resided at 3741 Highland Drive before moving to Temple.

Speeder Was Clocking Speed Of Wrong Plane

CLINTON, Okla. (AP) — Donald Gowdy, of Borger, Tex., driving a speedy foreign car, told troopers who stopped him for traveling at 90 miles an hour that he was racing a small plane, trying to find out how fast it was going.

The plane turned out to be the highway patrol's Beechcraft, with trooper Art Hamilton dutifully clocking Gowdy's speed from the air.

Mass Flight Of B-36s Finished

TOKYO (AP) The second section of "Operation Big Stick," a mass flight of B36 super bombers from the United States to the Far East, arrived at an airfield north of Tokyo today.

Several of the huge 10 - engine bombers put down in a light rain at Yokota Air Base, 32 miles north of Tokyo and home of many of the B29 bombers which used to hammer North Korea.

Yokota is less than 700 miles from Soviet Vladivostok.

An Air Force spokesman said there was "no significance" to the nickname "Operation Big Stick." The operation is officially described as a training mission.

Security regulations prevented disclosure of the length or elapsed time of the flight.

It was not known how long the planes would remain in the Far East, but they are expected to return to the United States soon.

The B36s which arrived on Tuesday have already departed for an undisclosed destination.

The number of farm tractors in the United States increased from 1,835,000 in 1942 to 4,110,000 in 1952.

Mrs. R. B. Sears holds one of the ceramic pieces she prizes most. It is a plate inscribed with the names of her parents and their wedding date. She made it for their sixtieth wedding anniversary. Mr. Sears does the gold lettering on the ceramics. In the background are more pieces she has made.

SOCIETY SCRIBBLINGS

Mrs. R. B. Sears Makes Ceramic Gifts At Home

By DOLORES KETCHERSID

Mrs. R. B. SEARS, 3301 Avenue U, is never at loss for bridge prizes when she is hostess for her club.

She has been making and giving pieces of ceramics as gifts and prizes for about four years. She has also replenished her own supply of china with lemon colored bowls and odd pieces. Another set of china she has started is china painted a light green with a final touch of gold on the rims. On them she placed size decals wich are different from ordinary kind. The decals can stand extreme heat that they must go through in a kiln, Mrs. Sears said. It is almost impossible to distinguish them from authentic china paintings.

Mrs. Sears said fewer people are making ceramics than they were when she first began learning. Although the novelty has worn off, she still enjoys learning new techniques, she said. Roses which used to adorn almost every piece that came out of a kiln are being used less and less, she said. Sometimes they are replaced by the decals, but frequently they are left plain.

On the shelf with other pieces the Snyder woman has fired and painted are two dolls with dresses of lace. Those figurines are made strictly to admire from a distance since if an unskilled hand touches them, they may crumble. Although covered with slip, a thin clay, the intricate patterns of the lace are still apparent. Mrs. Sears edged most of the lace in gilt paint. Encouragingly she said it wasn't as difficult to do as it looks. Faces that have to be china painted can be wiped off and done over if a mistake is made, she said.

Mrs. Sears doesn't buy molds, but instead buys the pieces already molded in the greenware. That leaves the painting, glazing, and baking in the kiln to be done. She has two kilns. One which she said is only a hobby kiln is about 11 inches in diameter. The other one is deeper and measures approximately 22 inches in width. She still has one of the first pieces she ever fired which has smudges due to handling with hands that weren't scrupulously clean.

Mrs. Sears not only makes figurines to be admired, she also makes articles to be used. In her living room stand two lamp bases she painted and fired. She makes ash tray sets, vases and spoon rests, too.

NEWCOMERS

Newcomers to the Fluvanna community are Mr. and Mrs. GROVER WATKINS and daughter from Beaumont. Mr. Watkins will be the physical education instructor at Fluvanna High School next term.

WOMAN TALK

We're becoming more firmly convinced that there is nothing really weak about women. Recently we were making the rounds near Fluvanna and happened on a mud hole close to the H. A. FLOURNOY farm. Seeing that other cars had gone through the mud we decided not to defy convention and ventured into it, too. Of course, what might be expected happened; we dropped in up to the hub caps.

But Mrs. Flournoy hauled out the family farm truck, and with our help and that of Miss ANN COLEMAN of Polar, who was visiting in the neighborhood, we got the car free. Later the Flournoys assured us that we could have traveled the road at any other time the last three years and gotten bogged down only in dust.

LEAVE TOWN

Mrs. ADDIE LOU FOWLKES, 1500 Twenty-seventh Street, and her son, JOHNNIE, and daughter, MARY LOU, will leave tomorrow for McKinney. Mrs. Fowlkes, manager of Montgomery Ward's Catalogue office here will assume managership of the officer there. Although Mary Lou is disappointed in not being able to attend school in Snyder's new high school, she is consoling herself with the fact that television will be better in McKinney.

IN NEW YORK

Mrs. JAMES BOWERS, the former Shirley Ann Weber, flew to New York City last week to join her husband who is stationed near there at Fort Jay on Governor's Island. On the airplane she met a former Snyder neighbor, EDWARD H. HARTE, now of San Angelo who was en route to New Hampshire to bring his family back to Texas.

It is estimated that when white men first came to the United States there were about eight trillion board feet of timber in the forests of the country.

Primo Carnera Is Becoming Citizen Today; 3rd Career

By BOB THOMAS

HOLLYWOOD (AP)—Primo Carnera today is scheduled to pick up his citizenship papers—Uncle Sam's gift to go with his new career as an actor.

"It's a great day for me," grins the gargantuan ex-heavyweight boxing champ. "I've been looking forward to it for over 20 years."

Carnera and his wife both will receive their final papers today, thereby bestowing citizenship to their son, 14, and daughter, 11. "That's the nicest thing we could give them," remarked Primo.

The former champ's other great enthusiasm is his acting career—and I don't mean the acting he does on the wrestling circuit. He's a full-fledged movie performer now, appearing in two pictures at once. By day he dons a wig and silken costume to cavort with Bob Hope in "Casanova's Big Night." Then he puts on another wig at night for his role in "Prince Valiant."

"This is my third career," he enthused. "First came boxing, then wrestling and now acting. I'm leaving soon for Italy, where I'll film my own life story and appear in it myself."

Primo's life should make quite a picture. The native Italian boy came to this country and was ballyhooed into a top ring attraction. He made fabulous money but ended up with little to show for it.

"I wasn't as broke as some people have said," he explained. "My money was cut up into a lot of pieces, but I managed to keep some. My mistake was taking the dollars and changing them to lire in Italy. Then came the war and it all disappeared.

"During the war I had to dig with a pick and shovel for the Germans, I worked on the farms and did underground work with the Americans. When the war was over, I had about 35 offers for appearances all over the world. I chose to come to America and be a wrestler. I always wanted to come back here."

Primo, a big friendly bear of a man with ham-like hands, said he found the wrestling game pleasant and profitable.

"The gross isn't as big as in boxing," he remarked. "When I fought Max Baer for the title, I, as champion, received 42½ per cent of the gate, which was a million dollars.

"But a boxing champ fights only once a year. When I go out on a wrestling tour, I work four or five nights a week in all parts of the country. Sometimes the gate is big, sometimes not. But it's steady pay."

I asked Primo who was the best fighter he faced in the boxing ring.

"Jack Sharkey," he replied without hesitation. "He was the complete boxer, a well-rounded fighting man. He could do everything. He was the best fighter after Jack Dempsey."

What about Joe Louis and Max Baer?

"Louis was a great fighter," he conceded. "But he was methodical. You could tell exactly what he was going to do; he always had the same punches. He didn't have the change of pace that Sharkey had."

PERSONALS

Mr. and Mrs. C. R. Burk, 1212 Twenty-sixth Street, had as their guests during the week end their three daughters and one son, and several grandchildren. Visiting were Mr. and Mrs. E. E. Jourden of Crane and six children, Mr. and Mrs. C. E. Judha of Clovis, N.M., Mrs. Bill Wright of Lawton, Okla., and her son, and Billy Don Burk, a student in Southwestern Medical School at Dallas.

Ralph Wesson, music director for the First Baptist Church, returned last night from Fort Worth where he attended an educational directors' conference.

Willa Withers, Doyle Newman Wed In Church

Miss Willa Jean Withers recently became the bride of Pvt. Doyle Newman in a double ring ceremony read in the First Lutheran Church in Clovis, N.M.

The bride is the daughter of Mr. and Mrs. W. B. Withers of Hermleigh. The bridegroom's parents are Mr. and Mrs. T. J. Newman of route 3.

The Rev. E. F. Selling officiated at the service. For the ceremony the bride wore a beige silk street length dress trimmed at the waist with rhinestones and pearls. Her accessories were pink. She carried a white Bible topped with an arrangement of white gardenias and shattered carnations.

Mrs. Lawrence Pruett, the bridegroom's aunt, of Portales, N.M., served as matron of honor in an orchid crepe dress with white accessories Her corsage was of white carnations. Mr. Pruett was best man.

They both are 1951 graduates of Hermleigh High School. Mrs. Newman has been employed by Snyder Truck and Tractor Co. and Snyder National Bank.

The bridegroom was connected with Newman Sand and Gravel Co. before he entered the service. He is stationed at Parks Air Force Base in California.

LEGAL NOTICE.

AN ORDINANCE

AN ORDINANCE enacted by the Board of Directors of the Colorado River Municipal Water District setting up rules and regulations for Lake J. B. Thomas; (1) affording protection of the physical properties and improvements of the District; (2) safeguarding the purity of the water stored in the reservoir owned and controlled by the District; (3) regulating the use of the lands forming the margin of said waters, in order to preserve the purity of the water stored by the District; (4) preventing the waste or unauthorized use of waters controlled by the District; (5) regulating camping, residence, hunting, fishing, boating, and all recreational and business privileges, when done, occurring or taking place, upon the water stored or retarded by the dam owned by the District, and as well as to provide such regulations with reference to any land owned by the District, under easement to it, or controlled by it, under any right whatever; (6) setting out methods of leasing lots and acreage adjoining said lake; (7) setting out method of construction of roads; (8) setting out requirements of construction on leased property and requiring approval of construction; (9) requiring certain standards for safety, size, construction, equipment and occupancy of boats and requiring inspection thereof; (10) providing for removal of boats not in a safe and usable condition; (11) requiring certain standards for boats having overnight accommodations; (12) defining certain types of boats and docks; (13) requiring permits for commercial boats and docks; (14) providing for concession areas; (15) prohibiting firearms on District property, except shot guns using shot no larger than number 4 in size permitted in certain areas; (16) providing for certain permits and the fees to be charged therefor by the District; (17) providing that Federal and State hunting and fishing laws shall apply to Lake J. B. Thomas; (18) providing certain penalties for the violation of the terms of this ordinance; (19) providing for the establishment of peace officers and defining the powers of such officers; (20) providing for the suspension or cancellation of permits in the event the holder of same shall be guilty of violating the terms of such permits; (21) also, providing for the forfeiture of any fees which may have been paid by the permittee as consideration for the granting of the permits, as to which any such violation may occur; (22) providing for the lawful publication of notice of the enactment of this ordinance and the time at which this ordinance shall be in full force and effect, and making full and lawfull provision for advice to the public as to the terms and provisions thereof. This ordinance shall apply to all lands, adjacent to Lake J. B. Thomas, owned or leased by the District, and all land in the Lake J. B. Thomas, area under elevation 2258 feet.

Said Ordinance provides that violations thereof shall be deemed a misdemeanor and shall be punishable by fine of not more than $200.00 and cost of Court, save and except that fines and costs together may not exceed $200.00. Said penalties shall be in addition to any other penalty provided by State or Federal Law.

The full text of said Ordinance and regulations is on file in the principal office of the Colorado River Municipal Water District, Petroleum Building, Big Spring, Texas, where same may be read by any interested party.

Was The Church Built On Peter?

Jesus asked his disciples, "But whom say ye that I am? Peter answered, Thou art the Christ, the Son of the living God." Jesus said, "Blessed art thou . . . and I say also unto thee that thou art Peter, and upon this rock I will build my church; . . . and I will give unot thee the keys of the kingdom of heaven: and whatsoever thou shalt bind on earth shall be bound in heaven; and whatsoever thou shalt loose on earth shall be loosed in heaven." (Matt. 16:15-19).

Ted Norton

Is Peter the 'rock' referred to in this passage? Some say he is. It is true that the name Peter means rock (Petros — masculine gender). But the word "rock" in this passage means a ledge of rock—a foundation (petra—feminine gender). Two different words are used. Hence two different ideas are in mind. If the word "rock" referred to Peter as the foundation, the sentence would be as senseless as the following statement: "He surely is a sweet baby boy; what is her name!" But to remove all doubt, the apostle Paul says, "For other foundation can no man lay than that is laid, which is Jesus Christ." (1 Cor. 3:11). That certainly eliminates Peter as the foundation of the church.

What are the "keys" given to Peter to bind and loose? (Matt. 16:19). "Keys" signify authority or power. Keys are used to gain access into something. When a distinguished visitor comes to a city, the mayor gives him "the key to the city." Even so, the Lord gave all of the apostles, Peter included, the "keys" of the kingdom of heaven. They revealed the will of God to man, how to enter the kingdom of heaven (the church) and how to live as sons of the kingdom. (Christians).

All of the apostles used the "keys." (John 20:19-23). Jesus "breathed on them, and saith unto them, 'Receive ye the Holy Ghost: Whatsoever sins ye remit, they are remited unto them; and whatsoever sins ye retain, they are retained.'" Peter used these "keys" on pentecost to tell the Jews what to do: "Repent, and be baptized everyone of you in the name of Jesus Christ for the remissions of sins . . . ("Acts 2:38). Three thousand obeyed and the Lord added them to the church (Acts 2:41,47). Likewise, Peter used the "keys" to admit Gentiles into the church as recorded in Acts, chapter 10. All of the apostles spoke the will of God by inspiration (Gal. 1:11, 12); thus, they used the "keys."

Christ and his apostles still live! The will of God given through them by inspiration still lives! It is recorded in the New Testament (John 13:20; 2 Tim. 3:16, 17). The New Testament teaches that Christ, not Peter, is the foundation of the church (1 Cor. 3:11).

Helps For Homemakers

Send your questions to "Helps for Homemakers," Snyder Daily News, or call 3-5486.

I am going to redecorate my small daughter's room this fall. What material would you suggest using in the bedspread? S. B.

One of the prettiest and most practical new fabrics for a bedspread, curtains or even slipcovers is sanforized terry cloth. The preshrinking process has eliminated terry's natural inclination to sag and shrink out of fit. It also makes the fabric easier to sew and dress.

Laundry experts advise drying terry home furnishings outdoors in the shade, using parallel lines for large items.

• • •

We frequently have leftover cake. Is there any other way to serve it? B. D.

If your cake is angel food, sponge or pound cake, it will make delicious ice cream sandwiches. Between slices of toasted cake place a serving of ice cream or a layer of brick ice cream.

• • •

Have you a recipe for buttermilk pie? H.S.

Combine 2-3 cup sugar, 3 tablespoons flour and ¼ teaspoon salt. Stir in 2 cups buttermilk, 2 teaspoons vanilla, 3 egg yolks, ¼ cup melted butter or margarine. In a separate bowl beat 3 egg whites until stiff. Combine with first mixture and pour into unbaked pastry shell. Bake in 425-degree oven for about 10 minutes. Reduce temperature to 325° and continue baking 30 minutes or until silver knife inserted in center comes out clean.

• • •

Some homemakers like to serve salted French-fried noodles with chilled tomato juice or lemonade to television guests.

Mrs. Kruger Given Bridal Shower In Hermleigh School

HERMLEIGH — Mrs. Durwood Kruger, the former Miss Nelda Vineyard, was honored recently with a bridal shower at Hermleigh High School auditorium.

Refreshments were served to Mrs. Buel Lewis, Mrs. James White, Mrs. Harvey Myers, Mrs. H. W. Coan, Mrs. Jimmy Mason, Mrs. Mavis McHaney, Mrs. Roxy Soules, Mrs. Canon Burditt, Mrs. M. J. Haynes.

And Miss Mary Tate, Miss Mamie Lou Burditt, Joyce Bruce, James and Roy White, Mrs. Bishop Vineyard, Mrs. Mary Hilcher, Mrs. C. W. Hilcher and Mrs. Lonnie Bruce.

Emus are hard to shoot because they run at about 35 miles an hour and their heavy, feathered hides often turn bullets.

HOMER HOOPEE

THE ADVENTURES OF PATSY

Writer Defends Frick, Says Players Have Not Tried Him

BY GAYLE TALBOT

NEW YORK (AP) — Events have taken a fast turn in recent days, and now we find Commissioner Ford Frick being depicted as the arch villain who, through his failure to go to bat more vigorously for the players, virtually forced them to hire a lawyer to protect their interests.

It is even being stated that Albert (Happy) Chandler, the commissioner once removed, devoted himself more diligently to guarding the diamond heroes against their employers than Frick has done. We have gone into this aspect of the big wrangle rather thoroughly with men who are in position to know, and they insist that Happy didn't do any such thing.

We are told that if the athletes mistrust Frick it's only because they haven't tried him, and that he has, actually, done more good deeds for more individual players since he took office than his predecessor did in his entire tenure. It's just that the two men operate differently.

"You'll never find Ford in the dressing rooms slapping players on the back and telling them he's their dear friend," said our informant. "He would quit the job before he would do that. But I happen to know that not a single player has appealed to him on any matter without getting action. Ford does not seek publicity about such instances because he simply considers them part of his job."

As for the demands the players are now making, it is not within the commissioner's power to grant a single one of them on his own hook. He can only recommend certain reforms, such as an increase in minimum pay, and it will be up to the club presidents to make the decisions at their meeting during the World Series. Frick did have the power to make three players from each club eligible to play winter ball in the Caribbean, and he acted promptly.

We are told that if the commissioner has displayed traces of acerbity in his dealings with the players' new barrister, J. Norman Lewis, it was not without some provocation. For instance, Lewis did not help matters much when he informed Frick's office that he, Lewis, had given his "consent" for Allie Reynolds, the American League players' representative, to confer with Frick prior to last Monday's meeting of the executive committee here.

If there is anything in the world a baseball commissioner feels he has a right to do at any time, it's talk with a player without anyone's consent, even a lawyer's. Frick's reply to Lewis, in which he pointed out this little idiosyncrasy of his, is said to have been a classic.

If our information is as reliable as we believe it to be, there were several misunderstandings about what took place on Monday, when Lewis cooled his heels in Frick's outer office while the commissioner met with the executive committee in the throne room. The players' lawyer is reported to feel now that he was given the brushoff.

Actually, he was informed by Frick the previous day that he would not be permitted to attend the committee meeting, but would be given a full audience by the commissioner after the meeting ended. He was, too, though Frick at that time was under the impression Lewis was not yet in the official employ of the players. In fact, we are told that Frick later received wires from six or eight player representatives with the various clubs saying they knew nothing about the hiring of a lawyer and had not been consulted.

The owners, as well as the commissioner, are understood to be nettled over the way the story broke originally. They do not charge that Lewis let the news "leak out," exactly, but they do say that both Reynolds and his opposite number in the National League Ralph Kiner, were caught badly off base by the announcement.

Finally, Frick is said not to have had the slightest objection to the players hiring a lawyer. In fact, our informant says the commissioner not long ago even recommended a certain mouthpiece to the boys in case they needed one. It wasn't Lewis.

Dodgers Are On Their Way To New Record

By BEN PHLEGAR
AP Sports Writer

On the way to their second straight National League pennant the Brooklyn Dodgers are writing a flock of personal all-time best performances into the history of the colorful club.

The second straight flag—a virtual certainty now with a 9½ game lead and 28 games to play — will be a record in itself for the Dodgers. Although they've won the league seven times they've never been able to do it in successive years.

With luck the 1953 club also will produce all-time Brooklyn leaders in home runs and runs batted in.

Gil Hodges hit 40 homers in 1951, with 28 so far the big first baseman will have to hustle to top that, but Duke Snider with 33 and Roy Campanella with 32 have a good chance.

The club record of 130 runs batted in—last equalized by Babe Herman in 1930—definitely is in danger since Campanella has 115, Hodges 111 and Snider 103.

The Dodgers may find those home runs handy if they get into an extra inning World Series game with the New York Yankees. The Yanks lost their second of 11 overtime contests 4-2 in Cleveland last night when Wally Westlake homered for the Indians in the 11th inning. The only other extra-inning loss by the Yankees this year also came on a home run—by Billy Goodman of Boston on May 8.

In other action yesterday the St. Louis Cardinals beat the New York Giants 6-3 in the National League; the St. Louis Browns won a pair from Philadelphia 5-4 and 3-1, Washington swamped Detroit 12-5 and Chicago downed Boston 6-4 in the American League.

The Cardinals came from behind with four runs in the seventh inning to whip the Giants. The attack in that frame included a pair of triples, both misjudged by Giant outfielders, and a home run by Rip Repulski.

Virgil Trucks won his 18th game of the season at Chicago after weathering an early Boston barrage that produced two runs in the first inning.

The Senators pounded Ralph Brasca and Dick Marlowe for eight consecutive hits, one short of the American League record, in the first inning at Detroit and went on to an easy triumph. One of the blows in the first inning explosion was a three run homer by Gil Coan, his first of the season.

Vic Wertz homered in the ninth inning with a man on base for the Browns' first game victory over the Athletics.

Mike Garcia went all the way for Cleveland against the Yankees and picked up his 16th victory, giving him an outside chance of cracking the 20 game mark for the third straight year.

Milwaukee, Philadelphia, Pittsburgh and Cincinnati in the National League weren't scheduled.

LaStarza Now No. 1, Charles Drops In Race

NEW YORK (AP)—Nine Valdes' upset victory over Ezzard Charles and Don Cockell's conquest of Harry (Kid) Matthews has resulted in a drastic reshuffling of the heavyweight division's top ten.

The monthly Ring magazine ratings released today by Editor Nat Fleischer have Charles, the former heavyweight champion, in the No. 2 challenger's spot instead of the No. 1 post which he has held for so long.

Roland La Starza, who gets a crack at champion Rocky Marciano's crown at the Polo Grounds Sept. 24 has been advanced to the No. 1 post. Dan Bucceroni of Philadelphia has been upped to the third position with Valdes fourth.

Then come Tommy Harrison, Oakland, Calif.; Bob Satterfield, Chicago; Heinz Neuhaus, Germany; Cockell, Earl Walls of Canada, and Matthews.

For the first time in years, foreign fighters hold four of the berths in the dreadnaught division's top ten.

McLaughlin Manager Of Year, Longhorn

ABILENE, Tex. (AP)—Pat McLaughlin of Carlsbad has been selected as manager of the year in the Longhorn League.

The choice was made by sports writers, radio broadcasters and managers of the league.

Moffett Talks To Boosters At 1st Meeting

Speedy Moffett, head high school football coach, gave a brief talk on the football team to the Quarterback Club last night in the club's first meeting of the season.

Moffett said better material is available this year, and "we should have the best team we've had in four years."

The coach said there is depth in every position on the team except at guard, where he has only two experienced players. He named three ends, three regular tackles and two reserves, two centers, two quarterbacks, four halfbacks, and two fullbacks.

Moffett said about 30 boys will be on the A squad when that team and the B squad begin workouts next Tuesday. Members of both squads will report to the high school gym at 8 o'clock Monday morning for physical exams.

Listing prospects for some of the other teams in District 1-3A, Moffett said Big Spring lost only a quarterback and end last year, that the team has a line averaging 212 pounds and backfield averaging 185. He added that Breckenridge, newest member of this district and state champ last year, lost eight out of 11 starters but still has prospects for a winning team.

Vernon, Moffett said, lost all its regular backfield but lost only one regular lineman. Lamesa lost nine of 11 starters, while Sweetwater lost 17 out of 21 regulars, he said. He said he does not know the condition of Plainview.

Workouts will be held at the old practice field in Southeast Snyder until new grass on the practice field at the new high school campus grows enough to use.

The team will go to Colorado City next Friday night for its first scrimmage, and it will meet Rotan here Saturday afternoon.

Clyde Godwin, president of the Quarterback Club, called a meeting for 7:30 o'clock next Thursday night in the cafeteria at the central school campus. He invited any football fan to attend the meeting, explaining that membership of the club is open to any person. The group will elect officers for this year next week, and Moffett will show a film of the spring training football game.

Walker, Rote Star In Dallas Game Tonight

DALLAS (AP)—Doak Walker and Kyle Rote show off for the home folks tonight in a duel due to draw upwards of 40,000 fans when the National Professional Football Champion Detroit Lions meet the New York Giants in an exhibition game in the Cotton Bowl.

The two gridders who won their fame at Southern Methodist University—part of the time as teammates—will head the professional clubs that play for the Dallas Salesmanship Club. Part of the proceeds will go to a boys' camp.

In addition to the duel of Walker, versatile halfback of the Lions, and Rote, who plays a similar position with the Giants, a couple of the game's greatest passers also will be shooting the works.

Bobby Layne, quarterback of the Lions, will match pitches with Chuck Conerly, ace thrower of the Giants.

Detroit, which Manager Buddy Parker says is stronger than last season when the Lions took all the laurels, has a perfect record for the young season, having beaten the College All-Stars and the Pittsburgh Steelers. New York, noted for its defense but showing little of it in its only game, was strapped by the Green Bay Packers 31-7 last week.

Both teams are in good condition except that New York won't have the services of Lavern Torgeson, a linebacker, who is out with an ankle injury. Layne, who stayed out of the game with Pittsburgh because of a knee hurt, is back in top shape.

It will be the second duel of Rote and Walker although the former has been in pro football two years and Walker three. They met back in 1951 when the Lions and Giants played here in an exhibition game. Rote was only a rookie, however, and was overshadowed by Doak as the Lions won the game 31-21. Kickoff is at 8 p. m.

32 Lettermen On Texas Tech Squad

LUBBOCK (AP)—There will be 32 returning lettermen among the 100 candidates reporting at Texas Tech's first football practice session Tuesday morning.

Coach Dewitt Weaver will have less than three weeks to get his Red Raiders ready for their opening game, a Border Conference clash with West Texas State here Sept. 19.

In his third year at Tech, Weaver is hoping to get the Raiders winning once more. They took the Border Conference title in 1951 and captured the Sun Bowl to wind up with a 7-4 record, but last season compiled only a 3-7-1 mark while finishing second in conference play.

Defending Team Is Winning Non-Pro

WICHITA, Kan. (AP)—The Washington Military District Colonials, defending titlists, had to come from behind last night to defeat unheralded Springfield, Mo., 8-6, in the National Non-Pro Baseball Tournament.

In other games, the San Diego Naval Air Skyraiders edged the Springfield, Mass., Westinghouse Nine, 4-3, and Wichita's Boeing Bombers from Kansas blasted Columbia, Tenn., 9-1.

Semi-Finals Today In Fem Golf Tourney

PROVIDENCE, R. I. (AP)—Two of feminine golf's strongest competitors, Polly Riley and Mary Lena Faulk, meet a pair of real outsiders today in the semi-finals of the 53rd U. S. Women's Golf Championship.

The two "dark horse" semi-finalists this year are a hefty 16-year-old from Guadalajara, Mexico, Margaret Smith, and a 34-year-old Montclair, N. J., housewife, Mrs. Philip J. Cudone.

They've had a fairly easy road to the semi-finals, as compared to Miss Riley's route. But yesterday Mrs. Cudone eliminated two of the better-grade tournament players, Sue McWane of Birmingham, Ala., 4 and 2, and Carol Diringer of Tiffin, Ohio, 5 and 4.

Miss Smith slipped past Roslyn (Cookie) Swift of Roslyn, N. Y., 1 up, then beat 1952 semi-finalist Pat Lesser of Seattle 5 and 4.

Miss Riley has beaten Edean Anderson, Pat Devany, Pat O'Sullivan and Dorothy Kirby in three days. She bowled over Curtis Cupper O'Sullivan 3 and 1 and 1951 champion Kirby 3 and 2 yesterday.

Miss Faulk has tended strictly to business since playing in the British Women's Championship last June. And she has played this tournament as if it was strictly business, too.

Mary Lena hasn't been over par yet on the front nine of the 6,371-yard, par 38-36—74 Rhode Island Country Club course. She was one under standard figures for yesterday's 27 holes in beating Virginia Dennehy of Lake Forest, Ill., 4 and 3, and Mrs. John Hulteng, the Rhode Island champion, 5 and 4.

Sheep Are Transformed

HELENA, Mont. (AP) — Montana transplanted a wild bighorn mountain ram with curious results. The ram and 15 other bighorn sheep were planted on an Eastern Montana ranch with a view to restoring the breed in that region.

The ram associated with a group of domestic sheep with these consequences:

A Jordan rancher wondered what 11 wool-less lambs in his herd would bring on the market. Sportsmen wondered if this could be the start of a new game species. And Montana state biologists planned to learn if the hybrid offspring would be sterile.

The male emu is slightly smaller than the female.

When Life REALLY begins...

Baby's first step is something more than a parlor sensation!

It is her first daring venture in the conquest of her own limitations!

We really begin to live when we first try to overcome our weaknesses. And we cease to live the moment we lose the burning desire for self-improvement.

Our most serious limitations are not physical, but spiritual. That is why the Christian Church is indispensable to the life of a child or an adult.

Christianity helps us understand those spiritual shortcomings. Christ teaches the Faith by which alone man overcomes them.

And our daily conquest of these spiritual limitations prepares us for the ultimate goal of living—that LIFE WITHOUT LIMITATIONS which we call Heaven!

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Psalms	95	1-17
Monday	Isaiah	40	18-31
Tuesday	Matthew	7	1-14
Wednesday	Luke	13	10-30
Thursday	Colossians	1	9-18
Friday	I Thessalonians	2	9-13
Saturday	Revelation	3	1-14

SERMON TOPICS

Douglas Brown, a spring graduate of the California Baptist Theological Seminary and a former resident of Snyder, will speak at the Sunday morning service at the Calvary Baptist Church. He will also speak on the Word of Life broadcast at 8:30 Sunday morning. The Rev. T. Gerald Cates, pastor of the church, will speak on "Some 'Excepts' of Christ" at the Sunday night service of the church.

• • •

"What God Hath Joined Together" will be the sermon topic of Ted Norton, minister, at the Twenty-fifth Street Church of Christ at the 10:45 Sunday morning service. "Seven Views of Baptism" will be his topic at the 7:30 Sunday night service. Bible classes meet at 9:45 Sunday morning, with training classes at 6:30 Sunday night.

• • •

The Rev. James A. Stewart, pastor of the Inderdenominational Gospel Mission will speak on "Will Men Repent After God Pours Out His Wrath?" Saturday night at the 7 o'clock street service. At 1:30 o'clock Sunday afternoon at the local radio station he will talk on "Should We Go By Signs?"

• • •

Sunday morning at 11 o'clock the Rev. E. K. Shepherd, First Baptist Church pastor, will speak on "The Temptation of Jesus."

• • •

"The Church in the Atomic Age" will be the topic of the sermon discussed by the Rev. Woodrow Adcock at the First Methodist Church at 8:45 and 10:55 Sunday morning services. For the service at 8 o'clock Sunday night, Mr. Adcock has chosen "God's Power in Human Life." Robert Clinton, new choir director for the church, will sing soloes at the morning services accompanied by Wayne Pitner, organist.

Snyder Council Of Church Women To Meet

The Snyder Council of Church Women will meet Monday afternoon at 3 o'clock in the First Methodist Church for a program presented by women of that Church.

Included on the program are Mrs. R. D. White, who will sing, and Mrs. Stanley Kerbow will read excerpts from The Church Woman magazine. A nursery will be open for the children. "Women from all churches are urged to attend," said Mrs. Charles Tyer, council president.

The Rev. Glenn Ricketts, pastor of the First Christian Church, will be the program speaker.

Mrs. O. J. Weber Is Hostess To WSCS

Members of the Women's Society of Christian Service of the First Methodist Church were guests at a picnic held Monday at the home of Mrs. O. J. Weber, 3790 Dalton Drive.

Mrs. Lloyd Davis and Mrs. J. D. Scott were hostesses with Mrs. Weber. The program was directed by Mrs. Waldo Montgomery. Mrs. Frank Wilson and Mrs. Weber told of institutional churches, and Mrs. Ned White gave the devotional.

Mrs. Fred Beaty told of new studies the circles will undertake Sept. 21. About 30 women were present.

Luncheon Planned For Methodist Department

A luncheon for members of the Adult Home Department of the First Methodist Church will be held Wednesday in the church's fellowship hall.

The program, under the direction of the Rev. M. W. Clark and Mrs. Bill Schiebel, will begin at 11 o'clock. Bro. George Steinman, professor of McMurry College, will be the featured speaker. The luncheon will be served by the Victory Bible Class.

The Home Department is made up of invalids and shut-ins who are unable to attend church and Sunday school.

Lloyd Mountain Church Of Christ Revival Set

J. K. Westbrook of Sidney, Tex., will begin a revival at the Lloyd Mountain Church of Christ Sunday. Mr. Westbrook is a former resident of Scurry County.

Services during the revival will be held at 8 o'clock each night. The meeting will continue through Sept. 6.

Nazarene Youth Picnic

Young people of the Church of the Nazarene were entertained at a picnic in Towle Park last night. The Rev. and Mrs. Henry C. Thomas and Oliver Butler, class teachers for the group, directed the devotional service and recreation period held in conjunction with the picnic.

Methodists Discuss Buying Bibles For New Cogdell Hospital

The purchase of Bibles for Cogdell Memorial Hospital was discussed at the meeting of the official board of the First Methodist Church Monday. Fred Davis presided at the meeting, and Ernest Hukill gave the opening devotional.

Other business at the meeting included the provision of additional space for the growing church school. Forty-five members attended the meeting.

Episcopal Meeting

St. John's Episcopal Church will meet at 7:30 Sunday night in the Central Primary School.

The Women's Auxiliary of the church will meet at 7:30 Monday night with Mrs. B. A. McAlister, 1011 Twenty-sixth Street.

Youth Meeting Starts Sunday

A six-day Christian Youth Round-Up will open Sunday at the First Christian Church.

Ren Kent and Miss Georgia Ann Collins, both students at Texas Christian University, will direct the youth program.

Mr. Kent will preach at the morning worship service of the church, taking as his topic "Faulty Life Equation." This service will be held in the West Elementary School.

The Sunday night service will be held at 7:30 in the fellowship hall of the new church building, now under construction at Thirty-seventh Street and Austin, and other services in the round-up will also be held there.

Mr. Kent's topic Sunday night will be "Invest in Humanity." Other topics through the week will be "The Big Why," "The Divine Dare," "Ecstatic Living," "Proving Grounds," and "Christianity Unfolding."

Miss Collins will lead singing Sunday evening and throughout the round-up.

Minister Adds Another Fraud Conviction To Long List Of Thirty

BALTIMORE (AP) — John R. Raines, 50-year-old former minister of the Tabernacle Baptist Church, was convicted yesterday of defrauding contributors to some of his charity projects.

Raines testified he turned in half the receipts he collected for "milk funds" and similar charities. He admitted under questioning he put some money to his own use.

Prosecutor Julius A. Romano told the court Raines' ordination was revoked in 1948 after he showed up at a parsonage with a pint of whisky.

Romano said Raines had a record of 30 previous convictions on similar fraud charges.

Church Of God Is Continuing Revival

The revival meeting now in progress at the Church of God in the Bootheland addition is attracting great interest, the Rev. E. E. Malone, pastor of the church, said.

The Rev. and Mrs. Edward Kustel are directing the revival. Mrs. Kustel is working with children, and treats are being given the children. Mr. Kustel, a native of the Gilbert Islands, will preach in native dress tonight.

Song Sermon In Roscoe

A song sermon, "The Glorious Christ," will be presented at an associational hymn singing at the Roscoe First Baptist Church at 2:30 Sunday afternoon.

Ralph Wesson, Snyder First Baptist Church music and education director and associational music chairman, is in charge of the program. Several persons from Snyder churches in the association are expected to attend the program.

Sweetwater Man Speaks At Rotary Club Here

Charles Paxton of Sweetwater, an active member of the Sweetwater Rotary Club, was guest speaker at the Snyder Rotary Club luncheon Thursday. Paxton spoke on the improvement and expansion of Rotary Club work.

Visitors at the luncheon included Bob McBride, Davis Clark, Clayton Williams, Arvel Ware and [illegible]

Revival At Church Of God In Christ Now

The Rev. F. K. Williams of Sweetwater is conducting a revival service at the Church of God in Christ, with the series of meetings to close Sunday night.

Several out-of-town preachers are speaking during the meeting, Mother L. L. Norris, co-founder of the church, said. Special music is being presented by visiting vocal groups and musicians.

Services are being held at 8 each night.

Dodge, all of Sweetwater; Leroy Jennings of Abilene, Wendell Mayes, Jr., of Brownood, Herman Powell of Woodward, Okla., and Jerol Smith of Amarillo. M. A. Payne, a new resident of Snyder, was also a guest.

Although the emu was once threatened with extinction, it has come back to the point where it is a pest with bounty on its beak in parts of Australia.

Fifth Sunday Singing Convention Is Slated

The Scurry County Fifth Sunday Singing Convention will be held at 2 o'clock Sunday afternoon, T. M. Pherigo, convention president, has announced.

The meeting will be in the Canyon Baptist Church, 11 miles southwest of Snyder. Song leaders from Mitchell and Dawson Counties are expected to be present in addition to leaders from Scurry County.
