STOP REPORTER'S QUESTIONING—An unidentified Arkansas National Guard officer waves with his "billy club" as he stops New York Times Reporter Benjamin Fine (right) from questioning students (left) of Little Rock Centrtal High School. Federal Judge Ronald N. Davies had ordered the school to accept integration of colored students, but Governor Orval Fabus called upon the National Guard to surround the school and prevent Negro students from entering the school grounds.

Guardsmen Nab Six Men At Little Rock School

LITTLE ROCK, Ark. (AP)—Watchful National guardsmen blocking racial integration at Central High School took six university students from Minneapolis into custody this morning and released them a short time later.

Capt. Alan Templeton of the state police said all were ordered released. Other state troopers who escorted the youths from the school quoted the six as saying they would continue their vacation trip to New Orleans.

One youth, identified as Murray Gallinson, about 20, carried a sheath knife four to five inches long, Col. Marion Johnson of the guard said.

The other five were identified as Marion Segal, Robert Milavetz, Mike Goldman, Steven Lange and Harris Levine.

A dozen newsmen tried unsuccessfully to question Gallinson as two guardsmen took him rapidly down the street. The reporters heard Gallinson describe the knife as a "souvenir" and tell the guardsmen he was on a "sightseeing tour."

Gallinson, who had a camera slung around his neck, was mistaken for a news photographer for a time.

Guardsmen still ringed the high school today, but a smaller crowd of demonstrators appeared across the street from the campus.

The future of the smouldering integration crisis appeared to be in the hands of a federal judge who will hear a school board plea for a truce.

A momentary lull developed yesterday in the battle over racial mixing. The Little Rock School Board offered the possibility of a temporary solution by asking federal Judge Ronald N. Davies to follow an indefinite legal postponement of integration.

Judge Davies will hear the school board's petition at 10 a.m. tomorrow. Twice within a week he has ordered immediate racial mixing.

Gov. Orval Faubus, who ordered out the troops last Tuesday to keep nine Negro students from entering the high school, yesterday got President Eisenhower's answer to an appeal for intervention in the clash of federal and state authority.

Eisenhower told Faubus that he would use all legal means at his command to uphold the federal Constitution.

Faubus has not been seen publicly since he held a news conference Wednesday morning and an aide said last night that the governor's whereabouts were unknown. But the aide released a statement from the governor which said he was getting almost unanimous support from every section of Arkansas.

The governor wired Eisenhower Wednesday that he had information that federal agents in Little Rock had discussed the possibility of taking him into custody, and said he suspected federal men of tapping his telephone lines.

Faubus asked the President for cooperation in trying to settle the crisis peaceably.

The governor contends that he ordered out the National Guard to avert violence.

Crowds ranging from 300 to 700 persons have formed every day in front of Central High School since classes started. They jeered the nine Negro students who were turned away by soldiers Wednesday morning. But there has been no violence.

No attempt was made by the Negroes to enter the school yesterday.

Eisenhower, in his reply to Faubus, said "there is no basis of fact to the statements you make in your telegram that federal authorities have been considering taking you into custody or that telephone lines to your executive mansion have been tapped by any agency of the federal government."

41 Americans Joke With Chou En-lai

LONDON (AP)—Premier Chou En-lai of Red China tonight clinked glasses and joked with 41 young Americans at a reception in Peiping.

Reuters, the British news agency, reported from the Chinese capital that the Americans swarmed around Chou getting autographs, taking photos and asking questions.

Chou, who was in great good humor, posed for photos with many delegates from several countries. The Americans said he promised to grant the delegation a formal interview to be filmed tomorrow afternoon.

The Americans will have a busy day, for in the morning 10 are to visit two American prisoners held in Peiping jail.

Asked by one of the Americans about the possibility of U.S. reporters coming to China, Marshal Ho Lung, a vice premier, replied: "I am not sure it is a matter concerning the government."

Some Americans tried to get the same question across to Chou, but in the press of people it was not easy.

However, when one American said: "We hope to be the first of many thousands of Americans to follow," Chou replied: "Our gates are always open, but it must be on an equal basis."

Steve Tyler, a young writer from New York, asked Ho: "Can Taiwan (Formosa) be regained by peaceful means?" and had the answer: "If the United States will evacuate its troops."

Tyler then asked: "If China cannot gain Taiwan by peaceful means, would you use force?" The marshal, who was one of the founders of the Red Chinese army, replied: "We will see. There are many ways and means."

Asked by Richard Lane of Los Angeles about China's attitude toward the U.N., Ho replied: "The United Nations is under the manipulation of the United States."

Lane said: "If that is so, why join?" to which Ho replied with a gesture: "The United Nations means nothing to us."

Chou signed guitars belonging to Guy Carawan and Peggy Seeger, both of Los Angeles. They are going to sing for him tomorrow.

Larry Schwartz of Utica, Mich., greeted Chou with: "Nie how"—the normal Chinese greeting. Chou replied with a laugh in English: "Oh, you can speak Chinese."

Schwartz replied: "Of course. Why not?" in English. Then he added in Chinese to Chou: "What is your name?"

Chou roared with laughter and replied in Chinese: "I am Chou En-lai."

SPOT MUSE

EVEN THE TREND to heavier coffee drinking has affected college courses. The Wall Street Journal reports that a coffee drinking course is being offered this semester by Washington University at St. Louis. It is a no-credit course open only to students with a straight A average.

COUNTY OFFICIALS have been looking this week at pedestrian-car traffic problems at the intersection of Avenue M and Thirty-seventh Street. They are giving more attention to the problem since two young girls were injured when crossing Thirty-seventh Street at that point. There is much pedestrian traffic there, since the new park is just across Thirty-seventh Street from the residential area.

SPOT MUSE'S "OFFICIAL" guess at the Scurry County cotton crop for this fall is 33,849 bales. But please don't ask how the figure was derived. However, this seems to be the highest "official" guess made so far.

Report Is Given On Asian Flu In U. S.

WASHINGTON (AP) — A Public Health Service spokesman said today it is believed there have been at least 35,000 cases of Asian flu in this country.

This represents an increase of 5,000 over the estimates last week.

The new figures on incidence of the disease followed announcement of the release of 1,028,770 additional doses of Asian flu vaccine. That brought to 3,705,770 the number of doses made available so far.

Monkey Doesn't Like Uniforms, Bites Cop

DETROIT (AP)—Sure he could explain why his monkey bit a policeman, said Edward Osowski.

"He just doesn't like uniforms," said Osowski, answering a charge he was harboring a vicious animal.

Traffic Referee Oscar A. Riopelle acquitted Osowski.

Teacher Wins Over Rebels

OLD SAYBROOK, Conn. (AP) — Five young rebels, dismayed that school was due to start the next day, picketed the Town Hall in protest.

"Less homework. More fun," read a sign carried by 12-year-old Tommy Mulligan.

"Strike a blow for freedom. No school," demanded Roy Kelly, 11. Three other boys had the same general idea.

School officials chuckled at the demonstration Wednesday. Passersby stopped and sympathized with the boys.

But the school principal, Miss Kathleen Goodwin, put down the strike with ease.

She bought banana splits for the five. When school opened yesterday, the boys were present—without their picket signs.

Conference Over Mid East Urged

WASHINGTON (AP) — Sen. Mansfield (D-Mont) today urged the Eisenhower administration to consider an immediate conference with Saudi Arabia and Egypt to study ways "to preserve Arab nationalism from further Soviet aggression."

Mansfield, a member of the Senate Foreign Relations Committee, coupled this proposal with a suggestion that the United States ask the United Nations General Assembly to set up international controls over arms shipments to the Middle East. The Assembly is to convene in New York next week.

The senator advanced his proposals in an interview as the United States sped arrangements to speed defensive weapons to four nations bordering pro-Soviet Syria.

Officials said the decision to speed up deliveries of previously promised arms to Jordan, Lebanon, Turkey and Iraq was made in part to symbolize American determination to support those nations against any aggression, subversion or other pressures from Syria.

The governments of Lebanon and Jordan, both strongly pro-Western, were described here as feeling themselves under heavy political pressures because of the Syrian crisis.

In the case of Jordan, an airlift will begin operating, perhaps next week, to deliver mobile weapons — presumably such things as light artillery and machine guns.

Disclosure of the decision to hasten weapons deliveries to the four nations came as the State Department announced that Secretary Dulles will make a personal report on the Syrian situation to President Eisenhower.

Eisenhower will fly back to Washington tomorrow from Newport, R.I., where he began a vacation only a few days ago. The President will return to Newport after conferring with Dulles and other administration officials.

The statement announcing the Eisenhower-Dulles conference said Dulles had received a first-hand report from Loy W. Henderson, deputy under secretary of state, who returned Wednesday from a two-week flying visit to the Middle East. During this trip, Henderson conferred with leaders of Turkey, Iraq, Jordan and Lebanon.

REPORTS HEARD

Chamber Here Fills Vacancy

Chamber of Commerce directors filled a vacancy on the organization's slate of officers and heard reports from two committees at a meeting Thursday night in the Village Restaurant.

Gene Thompson, owner of Thompson's Shoe Store, was named second vice president of the Chamber of Commerce. He will serve during the remainder of the term of Frank Maddox, who was elected to the post last January. Maddox moved from the city several weeks ago.

Thompson already had been named to the board of directors to replace Maddox.

Oscar Fowler, county agricultural agent, reported on the chamber-sponsored farm and ranch field day. The farm agent said the tour probably was one of the most successful events of its type ever held here, with some 90 persons making all of the tour and many others making parts of the tour.

Fowler, who made his report in behalf of the chamber's agriculture committee, said crop prospects generally are good in the county, but that some farms, particularly in the northwest part of the county, need additional moisture. He said the ultimate yield will depend heavily upon weather conditions between now and November. A late first frost would be of particular benefit to the county's cotton crop, Fowler said.

Victor Baze, chairman of the chamber's recreation committee, reported on activities conducted and now in progress under sponsorship of that group. The water sports event on Labor Day encountered some problems, but the event did result in a measure of success, Baze said.

He called attention to the fishing rodeo now in progress and which will continue through Sept. 30 at Lake J. B. Thomas.

Chamber directors unanimously agreed to invite board members of the newly-organized Colored Chamber of Commerce to attend the next regular meeting of directors.

Man Says He Doesn't Whip Women Or Dogs

TULSA, Okla. (AP) — Revard Davis, 46, who testified in municipal court he had been married 18 times, was acquitted of a charge he assaulted a woman friend with his fists.

Davis, Pawhuska, Okla., told Judge James P. Goeppinger "I don't whip women or dogs." He claimed he only "scuffled" with the complaining witness.

Snyder Man Is Arrested After Chase

A car was reported to the sheriff's department as stolen here yesterday afternoon, and only hours later a man who had the car was taken into custody in Big Spring, and several charges were filed against him in three different courts.

He was Daniel Drew, south Avenue M. Big Spring officers began to chase Drew for minor traffic violations. After he was caught, he had the minor charges, plus resisting arrest, illegal transportation of intoxicants, and car theft.

The car was a 1950 Chrysler owned by Norris Williams, 3400 block of Avenue M, which disappeared sometime during Wednesday night.

When Drew was arrested by Big Spring officers, he had a "load," they said.

When courts in Big Spring are through with the prisoner, he will be turned over to the Scurry County authorities on the car theft charge.

Tiny Nuclear Device Set Off Today

ATOMIC TEST SITE, Nev. (AP)—A tiny nuclear device—estimated by observers at no more than five kilotons—was detonated by scientists at 5:45 a.m. today.

It kicked up a small cloud of dust that rose to about 15,000 feet, then floated away west of due north.

Only a dull thump was heard at the control point and there was no shock wave.

The five-kiloton rating of the blast would make it one of the smallest of the 1957 test series. The Atomic Energy Commission termed it officially as "far below nominal." Nominal is 20 kilotons, equivalent to 20,000 tons of TNT.

Today's blast was the 17th in the current series. It was detonated from a balloon tethered 500 feet above the Yucca Flat test area.

Newsmen were not allowed to view the test from on the site. They watched from Angel's Peak. From there a fireball—a dull orange in color—was visible for three seconds. It faded quickly.

A small, semicircular cloud rose after the shot was fired. The AEC said that weather conditions for the test were perfect. Little fallout is anticipated off the test site, said an AEC spokesman.

In Las Vegas, 80 miles southeast, only a brief flash was seen.

Nature of tests conducted in connection with today's blast, code-named "Wheeler," were not disclosed. The device was prepared by the University of California radiation laboratory at Livermore, Calif.

There was no military participation with the test.

Japan Is Hit By Typhoon

TOKYO (AP)—Typhoon Bess tonight slammed into southern Japan with 90 m.p.h. winds and heavy rain, destroying or damaging 250 houses and halting train, bus and air service.

Police said two persons were missing and 1,250 homeless in the southern island of Kyushu. Heavy loss of rice crops is expected.

The storm, advancing northward on a more than 300-mile front at 20 m.p.h., is expected to lash the crowded Tokyo-Yokohama area with winds reaching 90 m.p.h. by Saturday afternoon.

Center winds have been clocked at 115 m.p.h.

The course of the storm is not certain, but U.S. and Japanese weathermen believe it will advance up either Japanese coast, raking all four islands of Kyushu, Honshu, Shikoku and Hokkaido.

Grass Fire Reported

A grass fire at Thirteenth Street and Avenue I at 2:30 o'clock yesterday afternoon did no damage, firemen said.

The fire occurred on a weed and grass covered vacant lot.

Girard Not Given Authority To Fire At Scrap Collectors

MAEBASHI, Japan (AP)—William S. Girard had no authorization to fire at anyone the day he is accused of fatally shooting a woman metal scavenger, a statement by his commanding officer said today.

The deposition from Lt. Billy Mohon of Comyn, Tex., read in a Japanese court, said Girard and another soldier were ordered to keep everyone away from a machinegun on a firing range near Maebashi.

Asked if he had given orders to keep scrap metal collectors away by firing rifles, Mohon answered: "Definitely not."

Other statements read by the Japanese prosecutor quoted scrap metal collectors as saying they frequently were chased away from firing ranges by American soldiers firing empty cartridge casings.

"I was chased away very often," said a statement by Noboru Matsuzawa. "Sometimes they fired, using blank ammunition. Sometimes they used empty cartridge cases, aiming at our feet to scare us."

The statements were read on the second day of Girard's trial before three Japanese judges. He is accused of shooting Mrs. Naka Sakai, 46, in the back with an empty cartridge case last Jan. 30.

Girard's defense is that he was carrying out orders while on guard duty. An Army truck driver, Girard was temporarily under Mohon's command.

The manslaughter trial opened Aug. 26 and was recessed until today. Sessions tomorrow and Sunday on the hillside firing range where Mrs. Sakai was killed were postponed because of a typhoon moving up the coast. The sessions were reset for next Thursday, Friday and Saturday.

A drizzling rain fell today and the area around the courthouse, jammed when the trial opened 11 days ago, was almost deserted.

Ticket scalpers who had stood in line most of the night to get spectator passes tried in vain to sell them at cut rates.

A U.S. Army rifle and grenade launcher were brought into the courtroom.

"Did you use this rifle the day of the unfortunate incident?" asked presiding Judge Yuzo Kawachi.

"Yes, sir," Girard answered.

Uprising In Cuba Is Smashed

HAVANA (AP)—President Fulgencio Batista's government said today it had smashed an uprising of rebels and naval and maritime police dissidents in south-central Cuba. It put total casualties at about 75.

A high command announcement said 40 to 50 rebels were killed or wounded. It reported government losses at 12 killed and 13 wounded.

The command accused former President Carlos Prio Socarras of masterminding yesterday's daylong revolt in Cienfuegos, 150 miles southeast of Havana.

Prio was ousted by President Fulgencio Batista in 1953 and took refuge in Miami, Fla. He has repeatedly denied government charges of plotting against Batista.

The government poured in planes, tanks and troops after 400 rebels seized police headquarters in downtown Cienfuegos and threatened to take control over the port city of 52,000.

The high command announcement was issued by Maj. Gen. Francisco Tabernilla, army chief of staff; Adm. Jose Rodriguez Calderon, navy commander; and Brig. Gen. Hernando Hernandez, the national police chief.

They issued the statement just after dawn after a long conference at nearby Camp Columbia with President Batista.

The statement said revolutionaries disguised in Cuban navy sailors' uniforms first attacked Cienfuegos naval post early yesterday "murdering several members of the naval post while they were sleeping."

The statement said the attackers were dislodged in bloody fighting.

Admitting a bloody battle took place, the statement said the uprising was crushed "after the violent action of the army with the cooperation of the navy and police."

"We have to deplore the casualties caused by the criminal persistence of Prio and his accomplices which has provoked this senseless bloodshed by using great sums of money and in deceiving the people," the statement said.

The command said all rebel resistance in Cienfuegos has been liquidated and order re-established. It said complete calm prevailed elsewhere in the nation.

Telephone reports from Cienfuegos said all business places reopened this morning and all transportation and public services were again operating. There was sporadic shooting throughout the night, however.

The service chiefs were asked about the situation in the Sierra Maesta of eastern Cuba where rebel Fidel Castro is holed up. One of them told reporters "that is a problem that is in the process of liquidation."

Tropic Storm Is Shaping Up Today

MIAMI, Fla. (AP)—Ship reports to the Miami Weather Bureau indicated today that a tropical storm is brewing far out in the Atlantic Ocean—in an area which has given birth to many of history's most destructive hurricanes.

Forecaster Walter Davis said a ship 2,300 miles east-southeast of Miami radioed that barometric pressure was dropping and winds picking up rapidly.

"It appears that a storm is in the formative stage out there," Davis said. "We have asked the ship and any others in the area to give us reports at two-hour intervals."

The vicinity from which the ship reported is a blind spot on weather maps because there are no regular shipping lanes. As the storm moves eastward, it will whirl into thicker ocean-going traffic.

Because the storm is so far away and not at present a menace to any land area, Davis said hurricane hunter planes would not fly out into it until Sunday or Monday.

Virtually all the record-breaking hurricanes of the past have formed far out in the Atlantic in September. These include the Galveston hurricane which took 8,000 lives in 1900, the great Miami hurricane of 1926, and the New England hurricane of 1938 which caused 350 million dollars property damage.

Woman Sues Store Here

A $21,000 personal injury suit has been filed in 118th District Court by Mr. and Mrs. Clarence Hall.

The suit is filed against B & B Parkway Stores and others. Other defendents include Galen W. Prather and Raymond W. Prather.

The suit grew out of an accident Aug. 22. The petition states that a car driven by Galen Prather and owned by Raymond Prather struck the front of the B & B Parkway on the Lubbock highway. It further states that a 100 pound sack of potatoes being used for a door prop was knocked by the impact into Mrs. Hall, injuring her back.

IN THREE MONTHS

Number Of Wrecks Increase

A comparative study of traffic accidents for June, July and August has been made by the city police department, and a comparison with the same three months last year shows an increase in car wrecks here.

For the three months in 1956 there were 45 car wrecks inside the city limits, compared to 51 for the same period of 1957.

However property damage involved dropped from an estimated $12,090 last year to $9,580 this year, indicating less serious accidents this year.

One prominent aspect of all the accidents was that 85 per cent occurred on Avenues R and S and Twenty-fourth and Twenty-fifth Streets.

[illegible] accident month, June 1956 there were 29 accidents with property damage totaling $4,940. In June 1957 there were 21 accidents with property damage estimated at $5,615.

There were 11 accidents in Snyder during July 1956 involving $4,645 in damages, and in July 1957 there were 19 accidents with $1,950 in damages.

August 1956 saw 14 wrecks with $2,505 in damages, and 11 in August 1957 with $2,015 in damages.

Snyder's accidents just about followed the national pattern so far as age and sex of the drivers was concerned.

Men were driving cars involved in 58 of the 94 accidents in the two three-months periods, and women drivers were involved in the other 36 accidents.

Ages of the drivers involved showed that 15 females under 25 years of age were involved in accidents, and 24 over 25 years of age. Of the male drivers involved an equal number, 29 under and 29 over 25 years of age were involved. No accident reports were made on three very minor accidents in June 1957, accounting for the discrepancy in the figures.

Causes of the accidents varied greatly, but failure to grant right of way (most such cases mean the violation of Yield Right of Way signs) was a leading cause. Twenty of the accidents were caused by failure of one of the drivers involved to grant right of way to another vehicle.

Speeding, violation of stop signs and driving while intoxicated contributed to many of the other accidents in the comparison periods.

Speeding violations were blamed for eight of the accidents, red light and stop sign violations were blamed for seven of the accidents, and four were caused by the vehicle following too closely behind another.

Intoxication was the cause of five of the accidents.

Cause was not determined in many of the accidents where responsibility for the accident appeared to be shared about equally by two drivers.

BAKED POTATOES
...With Stuffing Full Of Surprises

Stuffed Potatoes Make Top Main Course For Luncheon

By CECILY BROWNSTONE
Associated Press Food Editor

FALL APPETITES take to stuffed potatoes — well flavored, hearty and full of surprises.

Add crab meat, mushrooms and cheddar cheese to them as we do in this recipe and — along with a crisp green salad — they will make a sumptuous main course for a ladies' luncheon.

What else goes on the menu? If you want to be elegant, you can start your luncheon with crescents of melon served with paper-thin slices of ham. The ham should be Italian prosciutto, Smithfield or Westphalian; but in a pinch just plain baked ham will do.

These two courses will be so filling that for dessert we suggest your very best bar cookies with tea or coffee.

BAKED POTATOES WITH CRAB STUFFING

Ingredients: 4 medium-large baked potatoes, ½ cup butter or margarine, ¼ cup heavy cream, 1 teaspoon salt, ⅛ teaspoon pepper, 1 tablespoon finely-grated onion (pulp and juice), 1 cup grated sharp cheddar cheese, 1 can (6½ ounces) crab meat (drained and picked over and flaked), 1 can (3 ounces) chopped broiled mushrooms (drained).

Method: As soon as potatoes are cooked through and come out of the oven, cut in half lengthwise and scoop out all the pulp; be careful not to break skins. Put potatoes through a ricer or mash smooth. Meanwhile heat butter and cream over very low heat until butter melts; beat into potatoes. Stir in grated onion, 2-3 cup grated cheese, flaked crab meat and drained mushrooms. Pile into potato shells and sprinkle with remaining 1-3 cup grated cheese. Bake in moderate (350 degrees) oven until cheese melts and potatoes are very hot through — about 20 minutes. If you want the tops browner you may run potatoes under the broiler for a few seconds but watch carefully. Makes 6 servings.

Quiet Man Discovered

DALLAS, Tex. (AP)—A neurologist says treatment for aphasia—loss of speech—might be wasted on henpecked husbands.

Dr. Joe R. Brown of Rochester, Minn., told a clinical society about trying to get a physical history of a patient.

The man's wife answered every question the doctor asked her husband. Seeking some direct answers, Dr. Brown gently asked her to leave the room.

After she left, Dr. Brown found her husband couldn't speak.

Calling the wife back, Dr. Brown apologized for not realizing the man had aphasia and couldn't speak a word.

The wife was astonished. She didn't know either, Dr. Brown said.

Are Braves Going To Blow Another Flag?

By ED WILKS
The Associated Press

Can another pitching collapse again detour Milwaukee's steamroller off Pennant Drive into Nightmare Alley?

Remember 1956: The Braves took the lead in July behind right-handers Lew Burdette and Bob Buhl and southpaw Warren Spahn.

But after Labor Day, when Milwaukee ran its winning streak to six for a 3½-game lead, Buhl won only two games and Burdette one. The pair pitched only one complete game between them.

The Braves lost 12 of 23 and Brooklyn took the flag by a game.

So what? So the St. Louis Cardinals put the rap on Milwaukee 10-1 last night, sweeping a two-game set and trimming the Braves' lead to 6½ games — with Burdette failing to go the distance for the fourth consecutive time.

With Buhl sidelined at least until this weekend with a sore shoulder, and Gene Conley (an added starter this year) stopped winless in six straight starts, the Braves' staff has managed only six complete games in the last 22.

While St. Louis brought the fight to the Braves, third place Brooklyn stayed alive with a 3-1 victory at Philadelphia. The Dodgers trail by eight.

In the American League, the New York Yankees rallied and beat Boston 5-2, reclaiming a 5½-game spread over idle Chicago.

Chuck Stobbs blanked Baltimore on three hits for a 3-0 Washington victory in the only other AL game scheduled.

Brooklyn handed Robin Roberts his 19th defeat — the most he ever has lost at Philadelphia; and the Pittsburgh Pirates trimmed the New York Giants again, 4-2.

The Cardinals, faced with an almost impossible task in pursuit of the Braves with only 21 games remaining, breezed in behind the four-hit pitching of Sam Jones. The big righthander fanned six and walked only one while winning his 11th.

The Redbirds, who came from 8½ games behind once before this season, but needed 27 games to do it, got rolling with three in the fifth that chased Burdette to an eighth defeat.

SPORTS

BUCKIN' THE LINE

By BUCK FRANCIS
News Sports Editor

ISRAEL HINOJOS, THE injured Tiger fullback, will suit out for all games this fall, even though he won't see any contact work for about six to eight weeks.

Hinojos is the Tigers' "extra-point kicker" and his injured elbow isn't such that it will keep him from performing this duty.

So, if the Tigers can score in every game, Hinojos won't miss a game, after all. We hope Israel will have many, many opportunities to perform his place-kicking duties.

Something new in jersey numbers is being demonstrated by the Tigers this season. Those who were on hand for the "Tiger Preview" the other night noted the numbers of the Drake twins' jersies, 1K on Kenneth's and 1J on Johnny's.

Kenneth and Johnny are identical twins and this numbering system is being used so the coaches can tell the boys apart. Both Kenneth and Johnny are halfbacks, which makes it even more confusing. They play different halfback positions, though.

QB Club Nearing Goal

The Snyder Quarterback Club has abut 150 members signed up but needs another 100 to reach its goal of 250.

Abilene, whose population is four times more than Snyder's, is aiming for 1,000 but at last report she had 850. In proportion, Snyder would be doing as well getting 250 signed up as Abilene would in signing 1,000.

It would be good if we could reach the 250 mark before Abilene hits the 1,000 mark.

The Snyder QB Club renders a lot of services to the community. The club sponsors the Canyon Reef Invitational basketball tournament, the Canyon Reef Relays and a Little League team.

Then, of course, the club backs the Tiger football team to the hilt. Already this season the Quarterbackers have treated all local footballers to a watermelon supper, staged the 1st annual "Tiger Preview" and are currently making plans to send a special train to Borger for the Tiger season opener next week.

You can see here that the QB Club members are a hard-working bunch of fellows. Any of you male football fans who aren't already a member, why not go out next Tuesday and "jine up."

The QB Club dues are only $5 and this isn't very much when you consider the many projects the club under takes.

Area Teams Set For Openers

Football season opens tonight for our area teams with the Hermleigh-Coahoma game at Coahoma highlighting the card.

Other games will send Ira to Jayton, Gail to Union Terry and Hobbs will be at home to Flower Grove, all of which are in the Six-Man division.

The Hermleigh 11 is taking on a rough customer in their debut. Coahoma returns most of its squad of last year and has been picked to win her district title. Hermleigh, on the other hand, lost the bulk of its starters through graduation.

With Coahoma in Class A and Hermleigh in B, it appears the Cardinals are doomed in their lid lifter tonight. But the Cardinals may surprise but from here it looks like:

Coahoma 27, Hermleigh 13.

In tonight's Six-Man games of the area, here's the way we see em:

Ira 34, Jayton 26.
Hobbs 19, Flower Grove 14.
Gail 40, Union Terry 21.

IN SECRET SESSION

Tigers, Westerners Vie In Scrimmage

The Tiger footballers will engage the Lubbock Tom S. Westerners in an informal scrimmage game tomorrow night at Lubbock.

At the request of Tom S. coach Wilford Moore, tomorrow's scrimmage will be conducted behind locked gates.

It will be the initial test of the season for the Tigers other than intra-squad scrimmages.

The Tigers worked out under the lights last night for the first time although one of their previous workouts was finished under the arcs.

Other than the two previous casualties, all hands are expected to see action in tomorrow's scrimmage.

Fullback Israel Hinojos, who suffered a dislocated elbow in a scrimmage session last Saturday, will be withheld from any contact work from tomorrow's scrimmage. Then one of the two returning starters, guard Roger Hensley, has moved away and will not be around this fall.

Hensley's dad was transferred to Atlanta, Tex., during the summer by Sunray Oil Co.

The Tigers will open their season next Friday night at Borger, Sept. 13.

Sweetwater Player Quits On OU Squad

NORMAN, Okla. (AP) — Disappointment because of their showings in early football practices was given as the reason today for a half dozen players quitting the University of Oklahoma squad.

Coach Bud Wilkinson said five players turned in their suits yesterday and another failed to report for practice.

Those quitting included Roland Powell, junior guard from Sweetwater, Tex.

Conroe Cage Giant Chooses Duquesne

CONROE, Tex. (AP) — Warren Jones, the 6-foot-11½ Negro basketball star of Booker T. Washington High here, is going to Duquesne. Jones, sought by 25 colleges including Kansas, Oklahoma and Colorado, announced his choice of the Pittsburgh university yesterday.

Hogs In Fine Shape

FAYETTEVILLE, Ark. (AP)—Arkansas is physically better than any team he has had since becoming head coach, Jack Mitchell says. Mitchell told sports writers making the Southwest Conference tour yesterday that his team looked good although he still has problems at tackle and end.

Four members of Michigan State's eight-man football coaching staff are MSU graduates.

FEM BOWLERS MEET TONIGHT

Organization meeting of the Women's Bowling League will be held tonight in the Community Room at the Snyder National Bank.

Time of meeting has been set for 7:30.

All women bowlers interested in winter bowling and sponsors are invited to attend.

No Notable Changes In Grid Rules

By HAROLD V. RATLIFF
Associated Press Sports Editor

There'll be few changes in football this year for the fans. Rules makers decided the game was good like it was and there was no need for revisions.

About the only discernible thing will be the 1-yard marks. There was quite a bit of this last year but this time it's in the rules and you can look for practically every field to have them this fall.

There is no penalty for not having them, however, and it will be no cause for protest if they aren't there. Rules makers simply diagrammed the gridiron in the guide to show 1-yard lines. So if the colleges follow the rule book they'll have the chalk marks a yard apart all up and down the field.

The 1-yard line is a big help to the fans in keeping up with the game and they are a help to the officials, too. It aids in spotting the ball and most often they can proclaim first downs without measuring.

While there is no change in the substitution rules, there is a change in the way they'll keep up with the subs.

Last year it was up to the coaches to keep track of how many times they sent their players in. Under the rules a boy who started a quarter could leave the game and return in the same period. Any boy who went in after a quarter had started, however couldn't come out and then return. Since it was quite a project, the rules makers decided they would put the coaches on their honor to keep up with their substitutions.

But the coaches found it was quite difficult and that even the players would get confused. The coaches were in the position of falling into the category of the dishonest if they made a mistake and violated the rule by failing to keep the proper tab on their players. So the coaches turned it back to the officials.

This year the officials will keep the subs.

Linksmen Move In For Dallas Open

DALLAS (AP) — The hotshots of golf moved into Dallas today to tune up for the $40,000 Dallas Open.

Cary Middlecoff, the Memphis dentist tested Glen Lakes course yesterday and said he figured 268 would win. That would be 16 under par.

Sinton To Play In Global World Series

WICHITA, Kan. (AP)—The Sinton Oilers from Texas will represent the United States in the annual Global Series at Detroit Sept. 13-18. The Oilers won the 1957 national semi-pro title here last weekend.

BULLDOG EDITION—Pictured is the 1957 Ira Bulldog football squad which opens its season tonight at Jayton. The Bulldogs will play their first home game next week against Gail. Members of the Bulldog squad, from left to right, are: FRONT ROW—Raymond Clinkenbeard, Billy Brooks, Bill Murphy, Denton Douglass, Donnie Dove, Donnell Eubanks, Emmett Autrey, John Vinson and student manager Johnny Everets. BACK ROW—Bobby Walker, Albert Turner, Joneil Smallwood, Travis Alexander, Lee Roy Lindsey, Carson Clayton, Tom Echols, Elvin Looper, Fred Turner, Don Plumlee, and coach R .C. Taylor. Area Teams Open Season Tonight

Snyder's four area football teams will usher in their 1957 football season tonight with three of 'em to open on the road.

The Hobbs Panthers are the only team playing at home. Hobbs hosts Flower Grove at 8 at Panther Stadium.

In other games, Hermleigh goes to Coahoma, Ira travels to Jayton and Gail journeys to Union Terry. All are Six-Man games with exception of the Hermleigh-Coahoma tilt.

Hermleigh is taking on the District 6-A favorites, the Coahoma Bulldogs, in her debut. The Cardinals lost most of their "hosses" from last year's District 6-B champion team while Coahoma has most of its team back in the fold.

Hermleigh defeated the Bulldogs, 32-13, last year and the Dogs are out for revenge tonight.

The Cardinals will be making their first start under Willie Bigham who has taken over the reins from Ray Isaacs.

The Ira Bulldgos and Gail Coyotes have most of their 1956 squadmen back and both are looking for their best year in several seasons. Ira returns 11 lettermen while Gail has eight returning lettermen.

Both Ira and Gail, though, returns a bulk of their starting lineup. Gail, in fact, returns its starting lineup intact.

Hobbs has nine returning lettermen but only one regular is back in harness. The lone Panther lettermen back is center Fred Cave.

Kickoff time for all games tonight have been set for 8 o'clock.

Mickey Mantle Sent To Hospital For Rest

NEW YORK (AP)—Mickey Mantle, New York Yankee outfielder, was taken to the hospital last night and will remain there until Tuesday in the hope that the rest will cure his shin splints.

"Mantle isn't sick," said Bob Fishel for the Yankees, "but it was decided to put him in the hospital to keep him off his feet. Rest is the only cure for shin splints."

Mantle, seeking to retain his triple batting crown of last year, has been used only sparingly for 10 days.

60 Grid Candidates At Trinity University

SAN ANTONIO (AP) — Trinity has 60 football candidates.

The Tigers open Sept. 14 against Texas A&I at Kingsville. A week later they meet Mississippi and Sept. 28 tackle Mississippi Southern.

Trinity has 20 lettermen and five squadmen back from 1956 and is bolstered by 22 freshmen and 13 transfers.

Coach W. A. McElreath thinks his line will be improved over last year except at the ends.

McAllen To Honor Little League Champs

MCALLEN, Tex. (AP)—The Little League World Champions from Monterrey, Mex., will visit McAllen Sept. 13. The McAllen Chamber of Commerce said the boys and their coaches would be honored in a special "Monterrey Day" celebration.

Saxton Fights Tonight

WASHINGTON (AP) — Johnny Saxton of Brooklyn, who was welterweight champion a year ago, tonight faces one of the most crucial tests of his career when he takes on unranked Joe Miceli.

Tulsa Gains 1st Division

By The Associated Press

Tulsa moved back into fourth in the Texas League Thursday.

Austin dropped a doubleheader to Houston and fell out of the first division but is only a game back of Tulsa. Fort Worth took a 5-3 licking from Tulsa and faded two games away from fourth.

San Antonio was whammed 9-2 by Shreveport.

Pennant-winning Dallas ran its string to 100 victories for the season and is six games ahead of Houston with only three to play.

Dallas blasted eight runs across in the second inning to whip Oklahoma City 8-3. A homer by Don Taussig featured the game.

Houston hurt Austin with 5-3 and 4-1 triumphs, with Tom Hughes pitching a four-hitter in the nightcap.

Tulsa battled from behind to down Fort Worth with Jim Coker homering in the third to tie the score at 3-3. Bobby Winkles drove in the two deciding runs with a double.

Ed Monahan pitched a seven-hitter as Shreveport jarred San Antonio. Bill Antonello hit a three-run homer in the first inning and San Antonio never could catch up.

Ted Not Ready To Return To Action Yet

BOSTON (AP)—Boston Red Sox slugger Ted Williams, suffering a heavy chest cold, is not expected to return to action until early next week.

Dr. Ralph McCarthy, Sox team physician, said last night after checking the 39-year-old American League leading hitter: "He's not ready yet." Williams has been confined to his hotel room since Monday.

SMU Has Formula For Reducing

DALLAS (AP) — Want to reduce? Join SMU's football squad. It dropped 438 pounds in seven months.

Coach Bill Meek told the boys at the end of spring practice: "I want you to return to the campus Sept. 1 lean and hungry."

They took him at his word.

MEN BOWLERS SET STARTING DATE

The Snyder Men's City Bowling League will open its season next Tuesday, according to secretary Ralph Howser.

The 16-team league will bowl each Tuesday and Wednesday nights through the winter season.

Howser said the complete schedules have been posted on the Bulletin board at the Town and Country Bowl and asks that all participants check the schedule.

Yankees Are Still Hurtin'--Stengel

NEW YORK (AP)—The New York Yankees are still "hesitatin', hurtin' and not hittin'," in the words of manager Casey Stengel although they hold a 5½ game margin over the Chicago White Sox.

The grizzled Yankee pilot admitted the Yankees were far from being out of the woods despite yesterday's dramatic 5-2 victory over the Boston Red Sox. They had lost five of their previous seven games and 10 out of 17.

"We're still not gettin' the pitchin' and we're still not gettin' the hittin'," Casey said. "We're puttin' plenty of men on base but we're not driving them in."

Casey was still breathing hard from yesterday's game in which the Yankees come from behind after trailing the Red Sox and their old nemesis, Willard Nixon, 2-0 until the eighth. Then, with the scored tied in the ninth at 2-2, two out and two on base, he permitted relief pitcher Bob Grim to bat.

Grim surprised everybody, including himself, by slamming Nixon's first pitch into the right field stands for his first hit of the season and the second homer of his career.

"Surprised? The grinning Grim echoed in the clubhouse after the game. "I was dumbfounded."

Someone asked him what kind of a pitch he hit.

"You kidding?" he asked. "I don't know how I even hit it."

President To Get 'Cockeyed Clock'

PROVIDENCE, R.I. (AP) — An odd present is in store for President Eisenhower.

Maurice Tremblay, a toolmaker whose hobby is making what he calls "cockeyed clocks," said he will send a clock to the president which runs backwards and has letters instead of numbers.

The letters spell "Mr. Eisenhower," when read backward.

Killed By Elephant

NEW DELHI (AP)—India's state elephant, 6-year-old Udhaigiri, turned on his attendant today and trampled him to death.

DON'T MAKE

A MISTAKE!

Mistakes can be costly and about the most costly mistake that anyone can make today is to buy a new automobile and then after a week or two wake up to the fact the "dream boat" just isn't as dreamy anymore. They get tired of having to get down and crawl in and out, sitting practically on the floor, getting 10 miles to the gallon of gas, having it in the shop every week, etc. The sad part is that by this time it is too late to do anything about it. Unless a person is pretty well off financially he is going to have to live for several years with the "dream boat" that has turned out to be a nightmare.

We can guarantee you that this will not happen to you with a Pontiac. We can and will give you a better deal on a better car.

The gathering will be led by the Rt. Rev. George H. Quarterman, bishop, and he Rev. William Clebisch of the Episcopal Seminary of the Southwest in Austin.

Four American and British oil companies are building a new oil refinery in Turkey at a cost of $48 million dollars.

China Is Discussed By Chrisman

The Rev. Edward Chrisman, pastor of St. Elizabeth's Catholic Church, spoke to members of the Rotary Club here yesterday on the people of China.

Rev. Chrisman once taught at a college in China and spent several years there.

During his talk, he discussed Chinese eating habits, which are peculiar to Americans. Chinese eat almost everything with chopsticks, he said, and food is prepared in small cubicles for easier eating with the sticks. One stick is held firmly in the hand, the other constantly moving.

An ordinary banquet in China lasts about three hours. Groups are gathered around a central dish for eating. All dip out of the central dish and have smaller dishes of their own. Between courses, they converse on high-level subjects. Any food left is thrown over the shoulder for the servants to pick up.

Many Chinese foods are strange to Americans, such as parched watermelon seeds, pre-hatched chickens, and others.

In China, the "squeeze" is a common thing among servants. A servant for an American does all the buying, and he can buy cheaper than can the American, so his "squeeze" is a part of the difference in the cost to him and what the item would cost his master. It is an accepted practice, and most servants are paid so little they could not live without the "squeeze."

Rev. Chrisman recalled that the Chinese student is very attentive, asks many questions, and does not believe in insulting people or being insulted.

Chinese handcraft was passed around by Rev. Chrisman during his talk.

The priest urged club members not et judge foreigners too harshly. Only by living among other people can a person really learn about them, he said.

Americans must consider that there are other peoples who are their equals in many ways, and some their superiors in many ways.

America will continue to be great when its people learn there are other great nations and peoples, he said.

Foundation Sponsors Children's Program

LOS ANGELES (AP)—The Lutheran Boys's Home Foundation here is sponsoring a program to provide aid to emotionally distrubed children whose parents can't afford to pay for psychiatric guidance.

Facilities of two hospitals and of the University of Southern California will be available for the project. The foundation was organized in 1955 by the Lutheran Business Men's Club of Los Angeles.

Modern Day Seven Deadly Sins Listed

SINGAPORE (AP)—Social Welfare, a magazine published for Malayan Youth, recently listed the "seven deadly sins" of modern society. They are:

Worship without sacrifice; politics without principle; wealth without work; pleasure without conscience; knowledge without character; business without morality, and science without humanity.

"Material," commented the U.S. Christian Herlad, "for any number of sermons—both the pulpit variety and the kind that any sincere Christian can preach silently to himself."

SCHOOL DAYS AGAIN

The time has again come for all Teachers and all true Americans to come to the aid of God and Country. *School days are here!* Young and open minds assemble on playgrounds and in class rooms... men and women are in the making. Dear Teacher, your responsibility is terrifying. You have God to honor and your country to save through your own class room. *"A word fitly spoken is like apples of gold in pictures of silver."* (Proverbs 25:11)

Eager and learning minds must be properly directed. In the Book of Books *the "Great Teacher" gives direction toward the life of goodness and wisdom.* The stories of Joseph, the birth of Jesus and the never-to-be-forgotten parables are rich in lessons of wisdom and morality. Let them reflect on the Proverbs of Solomon, and let them sing the songs of David. The lessons of Isaiah, Jeremiah and Paul, and the Sermon on the Mount offer a moral and spiritual constitution for living. Along with lessons in "reading and writing and arithmetic," *they need lessons in how to live God's way*... it's School Days Again.
