Two Baseball Loops Formed; Third Mapped

BY KEN EAGON

Snyder took its place in the baseball world last night.

Swiftly, and in a big way, a group of determined, enterprising representative citizens of Snyder, including emissaries from every industry in the city, sparked a session that wound up with Snyder having two softball leagues, comprising no fewer than 13 teams, with a fourteenth club to be added before the end of the week ,and with actual play due to start at Memorial Park on or before May 1.

More than 75 baseball enthusiasts attended last night's meeting.

A hard ball loop will be formed in a few days, perhaps tonight at a special meeting of managers of the already - formed 13 softball aggregations.

The two leagues will be known as the City League, composed of, at present, six clubs, and the Industrial League, presently comprising seven teams, with with an eighth to be quickly added.

It is the current plan to have teams from the City and Industrial Leagues play games every week night . . six nights a week . . . four clubs competing in two double-headers.

The hard ball loop, when franchised and rostered, will play only on Sunday afternoons. There is considerable discussion ahead on ground rules and other regulations to make hard ball adaptable to the restricted area at Memorial Park.

Full and complete sponsorship for the new Snyder Baseball League, split into two divisions, the City and Industrial loops, was offered by Johnny Duckett, as spokeman for the Wichita Engineering Company. Duckett's offer, for the Wichita Engineering Company, to assume sponsorship for the new league, was the first offer made to the twin chairmen of the meeting, Jack Caperton, VFW Commander, and Eddie Hight, spokesman and player for the Pasotex Pipeline Company. Duckett's offer was forthwich accepted.

Then came the question of the amount of the entrance fee for all teams participating in both the City and Industrial Leagues. It was decided that $25 per club would be the fee and spokesmen for the 13 clubs which signed up last night unanimously agreed. It was then agreed that a meeting of the managers of the 13 clubs of the two loops comprising the new Snyder Baseball League would meet Wednesday night at 7:30 o'clock at the offices of the Wichita Engineering Company, at which time Attorney George R. Killam, Jr., will draw up the official documents to make the new baseball league a reality in legal form.

Faint Signals Speed Search For Lost Sub

PORTSMOUTH, Eng., April 18. (AP) — Faint underwater signals spurred a blind search today for the British submarine Affray, stuck on the bottom of the English Channel. Time was swiftly running out for any of the 75 officers and men aboard who might still be alive.

The submarine, trapped in the first dive of a training cruise, had been under 198 feet of water for 40 hours when the Royal Navy announced at mid-afternoon that it had been unable to make any physical contact with the craft. Its normal oxygen supply would last the men on board 40 hours.

A naval expert said reserve supplies might let the 75 aboard live another eight hours, but "that means by 2100 hours (2 p.m. CST) the situation inside the vessel would be extremely dangerous."

OMINOUS MYSTERY

The last faint signals from the submarine were heard at 8:30 a.m. (1:30 a.m. CST). Then came hours of ominous silence. There was an atmosphere of mystery about it.

Why, the rescue crews asked, could not the trapped men begin coming to the surface through escape hatches, using emergency breathing gear? Why had the submarine failed to release its emergency marker buoy to guide rescue draft? Why, if there had been disaster, had the rescue fleet failed to find any debris or even an oil slick?

Late today a Royal Air Force search plane said it spotted a yellow object floating 29 miles east of Portland light. This is 60 miles from the area where the searchers are waiting for a sign of life from the trapped men. But it is along the route the submarine was supposed to follow on its peacetime war patrol maneuver which began Monday night, and surface vessels were being directed to the spot on the chance the object might be a marker buoy from the Affray.

The only previous signal from the sub last night had led the rescue fleet of 25 ships to the area 30 miles southwest of the Isle of Wight.

RESCUERS STAND BY

The rescuers signalled to the entombed crew to try an underwater escape, one by one in special equipment through the vessel's escape hatches, but by mid-morning none had bobbed to the surface.

The rescue fleet located the Affray in almost exactly the area where the sub had submerged Monday night.

A large circle of ships ringed the rescue area.

Kent Extension Completed For 302.89 Barrels

General Crude Oil Co. and Percy Jones have completed a one-half mile east extension to the northeast side of the Salt Creek Canyon field of Northwest - Central Kent County.

The new oiler is the No. 1-167 J. W. Young, 1980 feet from north and east lines of section 167, block F, W&NW survey.

It was completed for a daily flowing potential of 302.89 barrels of 40.2 gravity oil flowing through a one-quarter inch choke from perforations opposite the Canyon.

Pay was topped at 6,364 feet. Total depth is 6,474 feet.

Gas-oil ratio on the test was 239-1. The pay was treated with 250 gallons of mud acid and 1,500 gallons of regular acid.

DAWSON TRY

Sunray Oil Corp. is to try to complete a producer and a new discovery from the Spraberry sand at its No. 1 A. D. Harris, South-Central Dawson County wildcat 11 miles southwest of Lamesa.

The project drilled to a bottom of 10,718 feet in lower Pennsylvanian lime and shale. That formation did not log any possibilities of production.

Operator has plugged back to 8,170 feet and will set casing at approximately 8,085 feet, which is the top of the Spraberry pay.

The open hole will be tested and an effort made to develop a commerical oil well from that section. That zone made some free oil and some gas on a drillstem test.

Location is 660 feet from north and east lines of section 2, league 268, Moore County Schol Land sur-

Probe Pursued On Shakedown In Slot Grabs

AUSTIN, April 18. (AP) — Testimony in the Legislative investigation of a Representative's alleged shakedown attempt has not incriminated anyone, in the estimation of Rep. Harold M. Lafont. He is chairman of the committee making the inquiry.

The Houston Press prompted the investigation. It printed a story saying an un-named House member has sought money from Harris County private club owners on his promise to kill an anti-slot machine bill.

Lafont's committee studied written testimony of three Houston witnesses Tuesday. Texas Ranger Norman Dixon, who secured the sworn statements, met with the panel in closed session to discuss the information.

Lafont left the meeting to tell reporters that a Representative and a Senator had been named in connection with the story. He did not disclose their identities.

Cleanup Plan Set For City

Tentative plans for a city-wide cleanup campaign, to get under way in the early part of May, with the co-operation of all civic organizations and the City-County Health Unit, are being made according to Dr. James Kreimeyer, acting health unit director.

"All people of Snyder will be invited to participate in this cleanup drive for the benefit of the health of the general public," said Dr. Kreimeyer.

James E. Craven, Jr., senior sanitarian of the health unit, has been designated to contact various civic and other organizations who wish to participate in this cleanup project, according to the health director.

"This cannot be just a single club project but must be sponsored by every organization in the city to make it a success," said Dr. Kreimeyer.

Plans call for a meeting of representatives from all organizations at a date to be set later, to name a general chairman and map out a program to cleanup the city in a systematic manner, he said.

Enemy Mine Layers Blasted

A naplam bomb from Marine Corsair fighter planes based on the light aircraft carrier USS Bataan burst with fiery destruction over Red minelayers at an undisclosed North Korean port. This indicates the low level at which carrier based planes are flown to knock out enemy supplies and installations. (U. S. Navy photo via Navy radio and AP Wirephoto).

Wage Board Fight Still Deadlocked

WASHINGTON, April 18. (AP) — The labor-industry fight over new wage board powers boiled on today.

But Economic Stabilizer Eric Johnston said Tuesday night that the inflationary spiral is being checked at last. In fact, he said prices for consumers goods may take a tumble in the next few months because of abundant factory stocks.

Johnston conceded that "we have not yet been successful" after two months of effort in settling the Wage Stabilization Board stalemate. He questioned legality of a proposal recommended to the President Tuesday. This revived speculation that a wage board of all public members may soon be established.

Up to now the administration has been trying to put a board of labor, industry and public members back into business.

LABOR WALKS OUT

Labor, which yanked its representatives from such a wage board and all other defense agencies in February, wants a new wage board empowered to handle all sorts of labor disputes, including wages and virtually every type of working condition.

Industry wants the wage board confined to settling wage matters alone.

President Truman's 17-man Mobilization Advisory Board came by with a plan for a new board late Tuesday. It was approved by the advisory board's public, labor and farm members, with industry's four members dissenting in the 12-4 vote.

INDUSTRY BALKS

The plan would have an 18-member board of public, labor and industry members settle al disputes certified by Mr. Truman, as well as all disputes labor and management agreed to have the board act upon.

Vigorous protests came immediately from William H. Ruffin, president of the National Association of Manufacturers (NAM) and from the U. S. Chamber of Commerce. Both the NAM and Chamber statements protested such a board could not legally be put into effect over industry's protests.

New Peace Bid Of China Reds Just a Rumor

UNITED NATIONS, N. Y., April 18. (AP) — Reports of a new peace bid from Communist China circulated here today as delegates studied the official text of a North Korean cable interpreted by some as a peace offer and by others as a propaganda blast.

The 12 Arab-Asian members of the UN scheduled a meeting at the apartment of India's Sir Benegal N. Rau today to discuss the North Korean communication and "other developments."

Members of the group hinted strongly that it would be a good guess that the "other developments" included a new message from Peiping, relayed through India's ambassador there, clarifying the Red Chinese views on a cease fire in Korea.

Rau denied, however, that he had received such a communication.

A source with close Arab-Asian connections said the group had sent Peiping a cable saying:

1. Dismissal of Gen. MacArthur created a favorable atmosphere for peace talks.

2. The United Nations is inclined to reach a Korean settlement on the basis of a cease fire near the 38th Parallel.

3. The Arab-Asians pleaded for an equally compromising spirit on the part of the Peiping government.

This source said the Peiping reply would be read to the meeting today.

Washington Bombardier's Dream for Most Any Foe

By JAMES MARLOW

WASHINGTON, April 18. (AP) — Washington is a bombardier's dream.

An enemy who wanted to drop an atomic bomb couldn't pick a better time than Wednesday, MacArthur Day, with all the big government brass here.

But, except for MacArthur, Wednesday is like most any other day in the capital:

All the key men in the government are bunched together in a really small area: President, Vice President, Cabinet, Congress, Army, Navy, Air Force.

True, all work in separate offices and separate buildings but when the bombs start falling those buildings aren't far apart.

WORKERS CONCENTRATED

In addition, hundreds of thousands of government workers are concentrated here.

So the grains and records and nerve centers of the government are jammed together in a relatively small ara.

Congress has been chewing over the idea that maybe something ought to be done to make Washington a less easy target or, rather, to spread out the government a bit so it wouldn't all be wiped out in one attack.

If you think the Air Force could keep enemy bombers away, just remember that the top Air Force people say:

No air-defense system, no matter how perfect nor how well developed, can be relied upon to stop completely a determined enemy attack. Top Air Force officials have estimated as many as 70 per cent of any attacking planes would get through to drop their bombs.

So today the Senate was finally getting around to consideration of a bill that would disperse some government agencies.

TERMS DIFFER

There's quite a difference between "disperse" and "decentralize."

Decentralize means transfering federal agencies, or parts of them, to places far removed from the capital because they're the kind that can do their work, in war or peace, far from here.

For example, bureaus in the Agriculture Department, dealing with animals, could be moved to the midwest or somewhere else.

Disperse means moving essential government agencies — very essential to what's being done in Washington — from the heart of Washington to some place outside it but not more than 20 miles away.

For example, it might be possible to disperse some parts of the Treasury Department.

But neither the President nor Congress could very well be dispersed. If they were, Washington would hardly be the capital any more.

Chinese Reds Fall Back All Along Korea Front

San Francisco All Out for MacArthur

SAN FRANCISCO, April 18. (AP) — General Douglas MacArthur's dramatic homecoming was growing today into the wildest emotional jag this city has seen since the tumult of V-J Day.

Tens of thousands of bay area citizens poured out of their homes to give the ousted general a second-day welcome expected to overshadow the riotous greeting he received Tuesday night an his first return to the mainland in 14 years.

MacArthur captured San Francisco as surely as his troops conquered Manila and Leyte in World War II.

And his parade through cheering thousands today will be the climax to the hysterical homecoming party.

Once the official welcome home is extended, the general will turn to the grim business of hurrying to Washington to defend before Congress Thursday the Asia policies which caused President Truman to fire him.

CROWD ROARS

People began gathering at the city airport three hours before MacArthur's big shiny Constallation transport was due from Hawaii.

The ship touched the runway at 8:29 p.m. (10:29 p.m. CST).

The cheers swelled into a roar. Mrs. Jean MacArthur stepped from the plane onto the ramp. Then came the general wearing his familiar gold-briaded cap and a trenchcoat buttoned high around his neck. Behind him was their 13-year-old son, Arthur — wide-eyed and grinning.

The official greeting party included Gov. Earl Warren, Mayor Elmer Robinson and high-ranking officers of the Army, Navy, Air Force and Marines. They moved forward to shake hands with the MacArthurs.

Spectators, newsmen and photographers surged forward and the welcome almost got out of hand. Police shoved a way open for the honor guests.

GENERAL SALUTES

The general halted abruptly to salute the colors. He posed briefly for photographers and then walked slowly to inspect the honor guard standing stiffly at attention.

Old friends grabbed his hands and shook them. Men and women patted him on the shoulders and surged around him. There were rolling cheers from the mass of people hemmed in behind the fence. The general waved and smild.

Slowly MacArthur made his way through the crowds to a battery of microphones. He said with deep emotion "I can't tell how good it is to be home . . . During these long, long, dreary years Mrs. MacArthur and I have talked and thought about it . . . This is marvelous hospitality and a reception that we will not forget."

The MacArthurs then climbed into a closed car to lead a procession of thousands of automobiles into the city 15 miles away.

Along the route, MacArthur left the closed car and climbed into a 1931 model open Lincoln Phaeton which has carried distinguished visitors into the city for 20 years.

MOB AT HOTEL

Barely creeping, the procession moved into San Francisco, through hundreds of thousands of people lining the streets to wave and cheer.

But there was still another tumultuous scene waiting at the St. Francis Hotel in downtown San Francisco where the MacArthur party was to spend the night.

Here another 10,000 persons were packed into block-square Union Square in front of the hotel.

It seemed police would not be able to handle the throng until they enlisted the help of Marines, sailors and soldiers to form a hand linked cordon.

They cleared a path for MacArthur to walk the few feet from his car to the hotel door.

War Decree's Chances Slim For Red China

By MARVIN L. ARROWSMITH

WASHINGTON, April 18. (AP) — Senate Democratic Leader McFarland today predicted a pigeonhole fate for legislation by Senator Cain (R-Wash) asking Congress to declare war against Communist China and North Korea.

The Arizona Senator also forecast shelving of an alternative resolution offered by Cain — withdrawal of United States forces from Korea.

Cain's action was another of the stormy repercussions in the wake of President Truman's firing of Gen. Douglas MacArthur, who goes before a Senate-House meeting Thursday to outline his Far Eastern policy views in general terms.

Mr. Truman had an opportunity to speak out, if he chose at a news conference late this afternoon.

MacArthur is due to arrive here from San Francisco about 12:30 a.m. CST. And the capital is planning a huge welcome.

"PUT UP OR SHUT UP"

Cain introduced his two resolutions late Tuesday, saying it is time for Congress to make a choice — and time for America and her allies to "put up or shut up." He told the Senate he was expressing his personal views.

Senator Russell (D-Ga) declared meanwhile that the Senate Armed Services and Foreign Relations Committees will conduct "the widest possible" inquiry into Far Eastern policy and the clash which resulted in MacArthur's ouster. Russell is chairman of the Armed Services unit and in line to head the two-committee investigation.

He told reporters the inquiry, originally booked to start today, probably will get underway early next week with MacArthur possibly the first witness.

KERR RAPS MAC

The Foreign Relations Committee teamed up with the Armed Services group for the inquiry as Russell blocked Senate action on a Republican proposal to create a 24-member Senate-House Committee to conduct the investigation.

Meanwhile, Senator Kerr (D-Okla) blasted MacArthur anew in a Senate speech, and declared Senator Taft of Ohio and certain other Senate Republicans "either seek or carelessly risk" to widen the Korean conflict into an all-out war with Red China. Taft and several of his GOP colleagues again ripped into Kerr and challenged his contentions.

County Seeks Owner Contact

About 80 per cent of the county property—homes, business establishments, banks, professional offices, domestic real estate, etc. — has been rendered for 1951 tax assessment, according to Jim Ikard, county assessor - collector.

Although the tax valuation roll has not yet been made for the year, and will not be until the commissioners meet as an equalization board next month, efforts are being made to contact all property owners for rendition.

"It is impossible to contact each owner of local property," Ikard said, "So we are requesting that anyone who has not received word from the tax office this year regarding his property come by the office and render it."

It a home or other piece of property is missed and therefore goes on the "unknown roll," the taxes will accumulate against the property with penalty and interest, he added. "It will help the county and the owner both if he makes sure his property has been rendered," he said "and the tax office will appreciate it."

Some Improvement Is Noted In Haney Youth

Donald Haney, who was seriously injured in an automobile accident near here Sunday afternoon, is reported to be showing slight improvement at Snyder Hospital this morning although he has not yet regained consciousness.

Haney, son of Mr. and Mrs. Ray Haney, was injured when he was thrown from the car into a 20-foot-ditch as the car overturned. Doyce Moore, 17, also injured in the accident, was released from the hospital Monday.

She Goes on Trial

Dr. Nancy Campbell, 43, Yale-educated woman doctor, went on trial for the $20,000-ransom kidnaping of a Santa Fe school girl, who was nine years old. She plead insanity at the opening of the trial in Albuquerque, N. M., April 16. Shortly after Dr. Campbell posed for this picture on the courthouse steps she heard the state announce that it would not ask that she be electrocuted if found guilty.—(AP wirephoto).

Plan Endorsed To Bomb Bases In Manchuria

TOKYO, April 18. (AP) — An informant who demanded anonimity today reported the top British military officer in Japan voiced support for General MacArthur's proposal to bomb Red Chinese bases in Manchuria.

A man who attended a confidential conference reported today:

Lt. Gen. Sir H.C.H. Robertson, administrative commander of British Commonwealth forces in Korea, last week told the conference of British newsmen that MacArthur's proposal offered the best hope of forcing the Chinese Reds out of the war and preventing a costly stalemate. He said the only alternative would be to send a tremendous land army — larger than anyone has contemplated — into Korea.

The Australian general is the first important British Commonwealth officer to speak in favor of bombing Manchuria. The British Foreign Office and Commonwealth governments have strongly opposed MacArthur's program for fear it would spread the war.

A man who attended the conference said Robertson expressed his off-the-record view April 10 — the day before President Truman dismissed General MacArthur.

It was presumed Robertson, like MacArthur, had spoken without consulting his home government.

Warmer Weather Here

The weather really warmed up in Snyder yesterday, with a maximum of 83 degrees recorded by Mrs. D. P. Strayhorn, weather observer. The minimum before dawn today was an almost-warm 45 degrees, with 57 degrees recorded at 7:30 this morning.

Bradley Calls War in Korea Key to Aggression's Future

By DeWITT MacKENZIE
(Associated Press Staff)

General Omar N Bradley, chairman of the U. S. Joint Chiefs of Staff, Tuesday came out in support of the thesis that enlargement of the Korean war would jeopardize world peace and so threaten American security.

The five star general took this stand in an address before the National Association of Radio and Television Broadcasters in Chicago. Admitting that this "could possibly result for a time in a military stalemate", he added

"As long as we are able to confine the battles to Korea and continue to destroy the Communist aggressors, we are making progress toward our international objective of preventing World War Three. . . If at all possible, Korea should be settled on the present battle ground.

"If we here at home can only measure up to the achievements of patience and courage of the men in Korea there is every reason to believe that the war in Korea can ultimately be concluded on honorable terms."

This appraisal by General Bradley fits the declaration by Lt. Gen. James A. Van Fleet, the new commander of U.N. ground forces in Korea, that his "confident and experienced army" can stop any offensive mounted by Chinese and North Korean Communists.

"The men in the front line foxholes, says General Van Fleet, "welcome a Communist offensive because that would give us our best opportunity to kill a maximum number of them."

EXPANSION OPPOSED

I return to the hotly debated subject of whether we should expand our military operations in Asia, because this is the vital military issue of the moment. Britain, France and our other Western Allies are dead against deliberately such expansion in the Far East—say by launching an attack against Red China.

Why? Well, one cogent reason is, as General Bradley points out, that this might precipitate World War III. However, there is another highly important point to which this column has referred more than once. This is that a conflict with Communist China would give Bolshevism a chance to whittle the Western Powers down militarily and economically in preparation for a world war which might find Russia and some of her satellites virtually untouched by the Asiatic conflict.

Allies Plunging Forward Over Widened Area

Big Gains Made South And East of Chorwon As New Push Begins

TOKYO, April 18. AP — Allied troops advanced 2,000 to 3,000 yards in the West Korean front today behind heavy air and artillery attacks.

The Reds gave that ground — 1 1-3 to 2 miles—grudgingly.

The big gains were south and southeast of Chorwon, a five-highway hub about 19 miles inside Red Korea.

One Allied infantry team pushed up a valley road within two miles of the rubbled city. The doughboys met Chinese mortar and rifle fire and withdrew.

A tank force lunged into the Red lines near Chipyong and killed 100 Communists. Chipyong is seven miles southeast of Chorwon and seven miles southwest of Kumhwa.

Wednesday's gains carried the main allied line to about eight miles south of Chorwon.

BASES FOR BUILDUP

Chorwon and Kumhwa are the western bases of the Red buildup area where an estimated 600,000 Communist combat troops were deployed.

The Reds retreated slowly in the west but they stood and fought for Hwachon, the eastern base of the Chorwon-Kumhwa-Hwachon triangle.

Two Allied thrusts at the Hwachon dam were turned back Wednesday.

One was a frontal attack on the dam itself. The other was a flanking movement across the Pukhan River east of the dam.

South Korean forces fought a five-hour battle with 250 North Korean Reds on the East Central front. Elsewhere in the rolling hills around Inje Allied units straightened and re-adjusted their lines.

Allied foot troops slugged ahead with little opposition east and north of Yanggu on the western tip of the huge Hwachon reservoir.

REDS OFF BALANCE

Russian-made jets returned briefly Wednesday to the North Korean skies. Twenty-five MIG-15s darted across the Manchurian border and tangled with 16 American F-86 Sabre jets.

One MIG was damaged in the 15-minute fight that swirled at 30,000 feet. All Allied planes returned to their bases.

Allied commanders said the grinding United Nations attack in Red Korea presumably has thrown the Chinese and Korean Communists completely off balance. Chinese war prisoners said the Reds' spring offensive was set for April 11. That was one week ago. The Reds still are committing their troops piecemeal in rear-guard delaying actions.

Allied naval forces Tuesday pounded East and West coast targets with sea-borne artillery and carrier planes.

Settlements In District Court

Two compensation suits were settled this morning just prior to being called for jury trial in district court, and a third case, a suit for damages and losses, got under way.

Testimony for the plaintiffs was being heard shortly before noon in the case of C. E. Sawyer and Cecil White vs. Thomas J. Coster and Joseph H. Lane.

The plaintiffs, represented by J. Ray Martin, are seeking judgment against the defendants in the amount of $2,818.42 as damages and losses alleged to have resulted from a breech of contract and interference with performance of a contract.

The contract conerns the alleged sale of a trailer court to the defendants on a time term basis. The defendants are being represented by Bob Davie.

The case of Homer L. Furry vs. Texas Employers Insurance Association was settled out of court by agreement between the plaintiff and the attorneys. Attorneys for Furry were John J. Watts, of Odessa, and Pat Beene, Snyder. The insurance association was represented by the firm of McMahon, Springer & Smart, of Abilene.

Another compensation suit, Glenn L. Webb vs. Traders & General Insurance Co., was also settled out of court. Beene represented the plaintiff, and the defendant was represented by Martelle McDonald of Odessa, and the firm of Holt & Rosson, Snyder.

Weather

WEST TEXAS — Partly cloudy this afternoon, tonight and Thursday. Colder in Panhandle late tonight and in Panhandle, South Plains and Upper Pecos Valley eastward Thursday.

EAST TEXAS — Considerable cloudiness, a few showers in northeast and east central portions this afternoon, tonight and Thursday. Warmer east portion tonight, colder northeast Thursday.

New Security System Plan Well Advanced

WASHINGTON, April 18. (AP) — Plans for development of a Pacific Security System were reported today to be well advanced in the State and Defense Departments. Some formal announcement may be made shortly.

Indications are that detailed negotiations will be undertaken soon among the United States, Australia and New Zealand with a view to working out a Pacific Pact by the time a Japanese peace treaty is concluded.

Australia and New Zealand have been particularly anxious for a security system in which American guarantees of their safety would offset the danger they see of a possible resurgence of Japanese militarism under a peace treaty permitting Japan to rearm.

Several months ago Australian officials advocated a triangular pact. While the project may eventually take that form, authorities here expect that eventually a five-power alliance will be developed including Japan and the Philippines.

NPA Official In Town Today

A member of the National Production Authority's El Paso office was in Snyder to help answer business men's questions on NPA orders and regulations.

Hibbert H. Dancy, Jr., the NPA representative, said that this is a "get acquainted" tour, and that no general meeting or clinic had been scheduled while he is in Snyder this trip.

The NPA deals in priorities and allocation of materials.

CONSTRUCTION

One of the regulations of the NPA is that permits must be obtained from the NPA for commercial constructions to cost more than $5,000.

"There has been a lot of interest in the limitations on commercial construction shown in this area," he said.

However, he said that there were no applications for commerical constructions filed with his office when he left El Paso last weekend.

WRITE A LETTER

Dancy suggested that any questions or explanations business men or contractors needed concerning the NPA regulations could be answered by his office if a letter or card requesting the desired information was mailed to him. The address is: El Paso District office, U. S. Department of Commerce, El Paso, Tex.

"If business men here desire it, we will arrange a general meeting, or clinic to explain in detail the regulations and what compliance is expected of businesses," he said.

Arrangements for such a clinic could be made through the Chamber of Commerce office, here, he said.

Texas Farmers Still Need Right Weather

AUSTIN, April 18. (AP) — Texas farmers still need the right kind of weather.

It's too dry, cool and windy, the U. S. Department of Agriculture said today in its weekly review.

Range and pasture feed development was held back by cool weather and strong winds sucking up the surface moisture. There was a slow improvement in the green food supply situation, and cattle were responding well to it.

Field work and progress of crops in all sections were delayed.

Prospects for small grains continued poor, and fruit was set back by frosty nights.

Progress Reported Against Malay Reds

KUALA LUMPUR. (AP)—M. V. del Tufo, chief secretary of the Federal Government of Malaya, thinks the "tactical situation" in the British war against Communist terrorists is improving. He told a news conference there were two reasons for "encouraging progress."

1. Many British security forces which had been tied up with resettling families after areas were cleared of terrorists have been released for the job of fighting Communists because more resettlement officers have become available.

2. The fight of the security forces has been facilitated by a noticeable stiffening of public morale. This has led to an increased flow of information to the authorities which has resulted in an increased number of contacts between security forces and the terrorists.

Soprano Spurns Gold for Music

NEW YORK, (AP)—Marjorie Lawrence, American soprano now on tour in Australia, recently wrote to friends here that she had found a young Anzac who preferred singing with her to having a share of a gold mine.

Miss Lawrence said that James Wilson, a baritone with the National Opera Company, was in rehearsal when notified that his father-in-law, David Butterick, had struck gold at Wedderburn, Australia. Wilson was offered a share of the claim.

"If I had gone digging for gold, I wouldn't have had the chance to sing with Marjorie Lawrence," he was quoted as saying, "and I'd sooner do that than own all Australia's gold claims."

Harry (The Cat) Brecheen of the St. Louis Cardinals is the only left handed pitcher to win three games n a World Series.

BEVIN CREMATED

LONDON, April 18. (AP) — The body of former Foreign Secretary Ernest Bevin was cremated today at a private service attended only by relatives, close friends and government and trade union associates.

Bevin died Saturday at the age of 70.

Stock Market On Narrow Rim

NEW YORK, April 18. (AP) — The stock market pursued a narrow path today with trading quiet.

Price changes approached a top and bottom limit of around 75 cents a share, and a considerable number of the leaders remained unchanged.

Markets At a Glance

NEW YORK, April 18. (AP)—Stocks—Mixed; selected issues in demand.

Bonds—Quiet; rails decline.

Cotton—Irregular; profit-taking and hedging.

CHICAGO:

Wheat—Mixed; May firm; other months easy.

Corn—Easy; followed general trend lower.

Oats—Weak; improved weather for seeding crop.

Hogs—15 to 25 cents lower; top $21.15.

Cattle—Unevenly 50 cents higher to 25 lower; top $41.50.

Fort Worth Grains

FORT WORTH, April 18. (AP) —Wheat No. 1 hard 2.84½-69½.

Corn No. 2 white 2.15-17.

Oats No. 2 white 1.15-16¼.

Sorghums No. 2 yelow milo 2.53-64.

Cotton Market

NEW YORK, April 18. (AP) — Noon cotton prices were 5 cents a bale higher to 5 cents lower than the previous close. May 45.39, July 44.88 and Oct. 39.79.

Fort Worth Livestock

FORT WORTH, April 18. (AP) — Cattle 1,100; calves 500; active, steady to strong; good and choice steers and yearlings $32-36; common and medium $28-32; fat beef cows $25-28.50; good and choice slaughter calves $32.50-36.50; common and medium calves $30-45; stocker yearlings $30-43; stocker cows $25-30.

Hogs 800; butcher hogs 25 cents higher; sows steady to 50 cents higher; feeder pigs steady; good and choice 190-240 pound butchers $21.00-25; good and choice 160-185 pound hogs $20.00-75; sows $15-19; feeder pigs $15-19.

Sheep 8,000; sheep and lambs steady but some wooled feeder lambs weak; medium to choice spring lambs $32-36; good and choice shorn slaughter lambs with No. 2 pelts $31; slaughter ewes $12.50-18; wooled feeder lambs $34; shorn feeder lambs $21-30.

Many Nationalists Quit India for Burma

NEW DELHI. (AP)—During the past two years, nearly 76,000 Indians left Burma for India for unknown reasons, Deputy Foreign Minister B. V. Keskar told Parliament.

It might be because of the troubled conditions in Burma or the policy of the government of releasing non-Burmese personnel from public service, Keskar added, replying to questions. The Government of India, at its own expense, repatriated 13,411 Indians from Burma during the same period, he said.

Ground Covered By Routine Walk

KANSAS CITY, Mo. (AP)—If he can hold out for a few more years, George R. Ross will have walked around the world—25,000 miles—just getting to and from work.

"It's two and one-half miles from my house to my job," says Ross, 75, a fireman in a boiler room for 55 years. "Using five miles a day as an average for the round trip, I figure I have walked 17,160 miles since 1939."

Peron Affixes Death Warrant For La Prensa

BUENOS AIRES, April 18. (AP)—President Juan D. Peron signed today a law ordering the government to take over the independent newspaper La Prensa.

The president's action ends the independent career of the 82-year-old opposition paper, which, before it was closed by strikes of pro-government unions and federal court action, had been a consistent critic of Peron's regime.

The signature apparently dimmed one of the paper's last hopes—an appeal to the Argentine congress that the properties be returned to the owners. This demand, filed Monday by the paper's attorney, was based on the fact that the president at the time had not yet signed the bill passed by congress last week ordering the paper's seizure.

Body of Maceo Lies in State

GALVESTON, April 18. (AP) —Sam Maceo's body lay in state today.

The stocky, wealthy fellow whose smart Texas night clubs drew many a tourist with a fast buck, will be buried Wednesday after last rites in St. Mary's Cathedral.

There'll be a rosary for Sam tonight. He died Monday at the age of 57 in Johns Hopkins Hospital at Baltimore.

He began as a barber, then got into the cafe and night club business. His Maceo Enterprises, Inc., acquired oil holdings. He was active in civic work: The Red Cross, Community Chest, American Cancer Fund drives.

Malayan Curfews Used Against Reds

JOHORE BAHRU, Malaya. (AP) — The State of Johore has joined others in the Federation of Malaya in enforcing curfews with the idea of breaking up Communist terrorist activities.

The curfew imposed here means that all persons must remain indoors from 6 p.m. to 6 a.m., until further notice, unless especially authorized to be out. All persons are required to buy their essential foodstuffs inside their own towns, villages and resettlement areas. They will not be allowed to carry any foodstuffs out of these areas. This is to make it impossible for Communist terrorists to obtain food from these sources.

Air Academy Sites Scanned

DALLAS, April 18. (AP) — A four-man Site Selection Committee has taken a last look at three possible locations in Texas for the new Air Force Academy.

The committee Tuesday inspected a proposed 9,000-acre site near Grapevine Lake, northwest of here, then left for a look at Perrin Field, near Denison and Sherman. Monday the committee toured Randolph Air Force Base at San Antonio.

The three proposed Texas sites are among seven from which the committee will recommend one, within two months.

Highway 180 Drive Started

A meeting of the Highway 180 association was held in the Chamber of Commerce office yesterday to kick off their membership drive here, Harold Bennett, manager of the chamber, said.

Later in the day Clements von Roeder, and Bentley Baize, two members of the drive team, said the drive was being highly successful, and that most business concerns called upon readily became members.

Their goal is to have 100 member businesses in Snyder, but more than that can be accepted, they said.

Von Roeder said that there is already some talk of a drive by member cities along Highway 180 to increase its width from a two-lane drive to a four-lane drive from Weatherford to El Paso.

However, he emphasized that it was just talk so far, and that no official action had yet been attempted.

Oil News

(Continued from Page 1)

vey. It is eight miles southeast of the one-well Manning - Huddle field a small discovery from the Spraberry.

MITCHELL COUNTY

S. F. Hurlbut No. 1-A Elwood estate, wildcat in Central South Mitchell County, is waiting on cement to cure at total depth of 4,754 feet. The hole was crooked at 4,700 feet, and operator plugged back to 4,050 feet to try to straighten the hole.

Stanolind Oil & Gas Co. N 0.1 F. A. Langley is drilling below 4,819 feet in hard lime.

Texaco No. 1 Rodgers is at total depth of 7,965 feet in lime and preparing to take a drillstem test. Packer is set at 7,950 feet.

Gulf Oil Co. No. 1 Higginbotham is drilling ahead below 6,832 feet in lime.

Man Still Being Held For Kansas Sheriff

Sheriff Joe Green of Great Bend, Kan., was to arrive in Snyder today to pick up a man arrested here yesterday in connection with the sale of 72 cases of beer in Kansas.

Green wired the Snyder police department that he held a warrant for the arrest of Dan Staab, 30, of Great Bend, in connection with the embezzlement charge.

At noon today police said Green had not arrived, but Staab had agreed to waive extradition.

Fourth Rabbit Drive On Tap For Today

The fourth in a series of rabbit drives is being held today in Scurry County.

Today's drive is being held on land owned by Nolan von Roeder 13 miles northwest of Snyder.

Von Roeder said the drive was to start early this morning and last all day.

Three earlier drives have been held, but the number of rabbits killed was small in all the earlier drives, he said.

They were one at Dunn, one in the Pleasant Hill community, and one yesterday near Plainview.

Rain Forecast! (But Not Here)

(By The Associated Press)

Light showers were forecast for the northeast and east central portions of East Texas today and Thursday, but the weathermen saw little prospect for precipitation in the western half of the state.

Meanwhile, temperatures continued a gradual rise everywhere.

The high Tuesday was 92 at Presidio. Galveston reported the low maximum reading of 67 degrees. No freezing temperatures were reported Tuesday night, and only Galveston, reported rain.

Dalhart had 42 degrees for the low minimum.

Warmer weather was forecast for the east portion of East Texas tonight with lower readings in the northwest section Thursday.

Temperatures were expected to drop slightly in the Panhandle late tonight and in the Panhandle, South Plains and Upper Pecos Valley eastward Thursday.

Mrs. Lynn Henderson, 3007 Avenue Y, is now permitted to have visitors at her home. Mrs. Henderson is reported recovering satisfactorily from her recent illness.

Paul Brown, small son of Mr. and Mrs. Harold Brown 2408 Avenue I is reported in an improved condition after an eye injury sustained while playing Sunday.

Mrs. J. C. Dorward, 1908 Thirtieth Street, Mrs. Ophelia Blackard, and Miss Clinta Barbara Blackard, attended the Lubbock Symphony Concert Tuesday evening.

Bob Eastus, 1102 Twenty-sixth Street, was in Stamford this morning to attend funeral services for his grandmother, Mrs. T. A. Parks. Mrs. Parks was a pioneer resident of Stamford, having made her home there since 1918.

Trappers Irked By Wily Ravens

PRINCE ALBERT, Sask. (AP)—Flocks of ravens ranging over Northern Saskatchewan are keeping fishermen and trappers on the jump. The airborne predators are robbing fish nets, eating fish left on shore overnight by fishermen, and ruining pelts of trapped fur-bearing animals.

"They're as wily as a wolf," said one trapper. "If you are carrying a gun they keep their distance, but if not they strut around as tame as pigeons."

Masons to Confer F. C. And Master Degree

Scurry lodge No. 706 will confer the Fellowcraft and Master degrees on Friday, April 20, 1951 at 7:30 p.m., at Masonic Temple. All Fellowcraft and Master Masons invited.

Visiting Masons welcome.

UNSURPASSED
in the ½- to 2-ton truck field!

TALK about power! These great new GMC's are *unsurpassed* in horsepower in the ½- to 2-ton field—power to keep hauling years longer! But new engines are only part of the story.

From the rims up, these GMC's are truck-engineered to stay young throughout the uncertain years ahead. You get proof in feature after feature from individual models—things like wider Twin-Action hydraulic brakes, heavier axles and longer "pillow-action" springs.

Yet extra quality is standard GMC equipment. You pay no "extras" for such things as easy-turn steering with recirculating ball-bearing action, the Ventipane-controlled ventilation of the Weathersealed "Six-Footer" Cab—Turbo-Top pistons that develop higher power without "knock" *even when using standard-grade gasolines!*

So come in. Select from the widest range of engine-body-chassis combinations, 9 smart new colors. Drive out in a rugged '51 GMC! You'll know it will take you farther, cost less to run—*because it's built to last like the big ones!*

Get a real truck!

Couple Living In Snyder After Hermleigh Wedding

Mr. and Mrs. Richard J. Hardin are shown above cutting the cake at the reception which followed their recent wedding in Hermleigh. Mrs. Hardin is the former Miss Peggy Houston, the daughter of Mr. and Mrs. Sam Houston. The couple is now at home in Snyder.

Mr. and Mrs. Richard J. Hardin are now at home at 1105 Thirty-first Street following their marriage at the Central Baptist Church in Hermleigh on April 7.

Mrs. Hardin is the former Miss Peggy Houston, the daughter of Mr. and Mrs. Sam Houston of Hermleigh. Mr. Hardin is the son of Mr. and Mrs. E. J. Hardin of Snyder

For her wedding, Mrs. Hardin wore a white floor-length dress of net over nylon taffeta. The fitted bodice was of chantilly lace. She wore elbow length lace gloves, and her finger-tip veil fell from a small tiara-trimmed with pearls. Her bouquet, which topped a white Bible, was of garderias and split carnations.

THREE HANDKERCHIEFS

She carried three handkerchiefs for the traditional old,- new and borrowed accessories, and wore a string of pearls given her by Mr. Hardin.

Miss Donnie Gannaway was maid of honor. Wanda Glass and Margetta Pettitt were bridesmaids. Miss Gannaway's dress was of yellow organdy over taffeta, cut with a low, scalloped neckline and full skirt. The bridesmaid's dresses were of a similar style of orchid organdy and taffeta.

Ola Mae Vanderhurst, a cousin of the bride, was flower girl. She wore a white organdy frock, with a headband of tiny flowers and a bouquet like that of the maid of honor.

The church was decorated with greenery. A large arch of greenery was flanked by floor baskets of gladioli and candelabra, with silver bells hung from the center of the arch.

RECEPTION

A reception in the church followed the ceremony. The couple left immediately afterward for a short wedding trip. For traveling, Mrs. Hardin wore a navy suit with navy and white accessories.

Mrs. Hardin attended Hermleigh high school and business college in Abilene. She is now employed as a secretary in the office of Wilbur Ellis. Mr. Hardin, who attended Snyder high school, is employed by the McCullough Tool Co.

Women's Golf Association, 10 a.m., luncheon and golf, Country Club.

Wedding Band Class, 7 30 p.m., with Mrs. Ed Bolger, 2707 Avenue W.

SATURDAY

County Home Demonstration Council, 2:30 p.m., Mrs. Mildred Sparks office, County courthouse.

Bickerstaff Youth Honored At Party

A birthday party was given Monday by Mrs. Bob Bickerstaff in honor of her son, Stevie, on his fifth birthday.

Decorations were in traditional blue and white. The birthday cake, sandwiches, were served to Janine Clements, Lee McKinley, Ann Patterson, Billy Max West, Hollis Gotcher, Susie and Pat Pederth, Andy Tibbit, Larry and David Hall, Jan Johnston, Sparky and Jana Pipkin, Charlene McIver, Mike John Smith, Brad and Phil Thompson and Stevie's sister, Betty.

Mothers who attended were Mrs. N. R. Clements, Mrs. Max West, Mrs. Alton Gotcher, Mrs. Cecil Hall, Mrs. Wade Pipkin, Mrs. Lee Smith and Mrs. E. E. Thompson.

Ask Mildred

Can you suggest a different way to season broiled steak for a party? Mrs. K.E.S.

Make a half and half mixture of roquefort (or blue) cheese and butter (or you may use oleo). Spread on steak during broiling process. Serve immediately.

Have you a suggestion for cleaning wood surfaces where there are household pets. When I use a cloth it soon becomes filled with shedded hair and must be discarded.

We have found that the newer type celulose sponges are excellent for this purpose. The pet hairs will wash off and not into sponges. Many housewives are also using these sponges for bathroom cleaning and report that they serve very well.

My hardwood floors, expecially under the dining table are scratched by scuffling shoes. Can you recommend a simple method for covering these scratches without an entire new varnish job.

Yes. Any good brand of liquid wax shoe polish, brown, will cover these scratches. Use the dobber in the bottle to put the polish on and then wipe up excess with a clean cloth. This method leaves a waxed surface.

PERSONALS

Howard Bramley, Lubbock Highway, has returned from the University of Kansas after attending a series of lectures on the natural gas industry. Mr. Bramley is an engineer in the production department of the Lone Star Gas Company.

Mr. and Mrs. Joe Graham, 2407 Avenue L, were in Carthage this weekend visiting Mrs. Graham's brother.

Mrs. Perry Harris, 3006 Avenue V, was in Midland Monday on business.

Mr. and Mrs. J. F. Cooper Route 2, spent Sunday in Spur, visiting relatives.

Mrs. A. A Bailey of Abilene and Charlie Ellis of Dallas were week end guests of Mr and Mrs. J. F. Cooper, Route 2. Mr. Ellis was at one time a resident of Scurry County.

Miss Mary Pat Knight spent the weekend at the home of her parents, Mr. and Mrs. V. A. Knight, Sun Ray Camp. Miss Knight is a student at Texas Technological College at Lubbock.

Sans Souci Meets With Mrs. Smith

Mrs. Lonnie Smith, Lion Oil Camp, was hostess to the Sans Souci Bridge Club, Tuesday. Mrs. Terry Holcomb was assistant hostess.

High prize was awarded Mrs Warren Richardson, Mrs. Lloyd Kownslar won low prize and Mrs. Harold Jones won bingo prize.

Cherry pie with whipped cream and coffee was served.

Members present were Mrs. W W. Carey, Mrs. Joe Love, Mrs George Leffler, Mrs. Warren Richardson, Mrs. Wade Pipkin, Mrs. Jack C. Morgan, Mrs. V. K. Benson, Mrs. Harold Jones, Mrs Lloyd Kownslar, Mrs. J. T. Burris.

Guests present were Mrs. R.H (Bud) Griffin, and Mrs .Prentis Bass.

Sine Cura Meets In J. R. Williams Home

Mrs. John R. Williams, 2004 Avenue W, was the hostess for the Sine Cura Club Tuesday afternoon. Mrs. R. H. Curnutte won the high prize for bridge, Mrs. J. D. Scott received the second high, and Mrs Ivan Dodson won the traveling prize in a cut.

The group had their regular business meeting, played bridge, and were served refreshments.

Guests present were Mrs. Ivan Dodson, Mrs. J. D. Scott, and Mrs. J. B. Colman

Members present were Mrs Wayne Boren, Mrs. Charles Cooper, Sr., Mrs. A. D. Erwin, Mrs. W. R Johnson, Mrs W B Lee, Mrs. J. C. Stinson, Mrs. A. J. Towle, and Mrs H. G. Towle.

The next meeting will be May 1 with Mrs. Boren, 3112 Avenue X, as the hostess.

Hollywood

By BOB THOMAS

HOLLYWOOD, April 18 (AP)—Dick Powell today gave the background on why he, his wife, June Allyson, and 30 others are forming an agency for the adoption of children.

"This is not a Hollywood organization," the actor explained. "As a matter of fact, June and I are the only ones in it from the show business. Most of the others are doctors, lawyers, and people from ordinary walks of life.

"The organization grew out of another group we belong to—the Adopted Children's Association. That's a group of parents of adopted children. They meet for picnics and also have done a great deal of good in improving California's adoption laws.

TREMENDOUS CHORE

"Some of us felt there was a great need for another agency to take care of the tremendous demand for adopted children. So we started drawing up the organization. It has been a tremendous chore. There are dozens of papers to be filled out and everything has to be just right.

"One difficulty is that you have to have money before you can get a license. But the state says you have to have a license before you can start making money. We are managing to overcome that by private donations."

The actor, who is completing plans for the group while working on his New Frontiers movie, said the state welcomes such agencies.

"There aren't enough of them," he said. "Too many adoptions are done privately, through doctors and lawyers. A lot of those are not successful, because there is no attempt to fit the child to the new parents.

FILES HELPFUL

"When you have a big file of prospective parents to choose from, you can make a more successful matching of child to parents. For instance, if you have a red-haired baby with black eyebrows, you can reach into the file and find a parent with the same characteristics."

Powell expects the organization to be licensed in a week or so. It will be called the Adoption Home of California and will be non-religious and non-profit — "in fact, it will cost us."

"But I don't think financing is going to be a problem," he added. "Ever since the anndouncement was made, I have had dozens of people call me and say they wanted to help in any way they could. I have been in a lot of organizations, but never have I seen the response that this one has brought."

Mrs. M. L. Andress, Clairemont Road, and Mrs. Ceph Harrell, 1902 Twenty-ninth Street, visited freinds in San Angelo Monday. A recent guest in the home of Mrs. Harrell was Mrs. Ada Hawkins of Brookshire, Tex.

'Embarrassed' At Getting Role Of Valentino

By HAL BOYLE

NEW YORK. (AP) — A young clergyman's son is perturbed at the task of enacting the life story of screen's greatest lover — Rudolph Valentino.

"I feel embarrassed," admitted Anthony Dexter.

He feels a little worried, too, wondering how middle-aged housewives and their teen-age daughters will react to his portrayal of the all-time film sheik.

The film, "Valentino," produced by Edward Small for Columbia Pictures, has been a 13-year project. The studio says Dexter, a 31-year-old stage actor, got the role over 75,000 candidates.

Dexter, the son, grandson, great-grandson and nephew of clergymen, was born in Nebraska and christened Walter Reinhold Alfred Frederick Fleischmann. Figuring that was too much for the average theatre marquee, he changed his name to Walter Craig. His producer changed it again to Anthony Dexter after signing him for the Valentino part in 1947.

In the years since then Dexter spent his time studying Valentino, learning tango dancing, bull whip cracking, fencing "watching polo and football games and waiting for the writers to finish a script."

This also gave him plenty of time to grow an elegant pair of sideburns. The sideburns, long enough to cover his upper molars, still make him uneasy. People stare at them, just as they would if a 1927 flapper pranched by them.

"Playing the role of a great lover — you've got three strikes against you before you start," said Dexter, a bit morosely. "I am no more like Valentino than you are."

I thought this was rather gracious of him, as I am more often compared to the late Lon Chaney, Sr.

Actually Dexter bears quite a resemblance to Valentino.

"I'm about an inch taller than he was and weigh ten pounds more," he admitted. "But he had black hair and was darker; he had an olive complexion. Also he was a good horseman. I used to do a little calf riding out of chutes back in the Middle West, but I wouldn't know what to do with an eastern saddle."

Singapore's Short On Medical Services

SINGAPORE. (AP)—The chief surgeon at Singapore General Hospital says medical services in this British crown colony have "lagged behind the times."

The surgeon, Mr. B. M. Johns, asserted it was "fantastic" that in a colony like Singapore with more than 1,000,000 people there was only one ear, nose and throat specialist to serve the entire island, the Federation of Malaya and surrounding territory.

Johns said there was a tremendous demand for medical services but his department could hardly cope with the situation because of lack of staff and facilities.

Butcher's Valor Lost to Discretion

REDONDO BEACH, Calif. (AP)—There were no questions askedr when butcher Jack Watson was cutting up some roasts in his shop and a great dane "of about shetland pony size" came in, selected the biggest one, and stalked out with the choice cut in his mouth.

Watson watched are dog disapear down the street. He said he didn't do anything because of it's "unusual size."

'Ersatz' in Hungary

BUDAPEST. (AP)—Hungarian industries have announced that they plan to use "ersatz" materials to an increased extent in manufacturing. For example, automobile bodies will henceforth be built out of "refined wood," and engine parts will be made of steel substitutes.

Big Upsets Highlight Start for Major Loop Ball Season

By JOE REICHLER
(Associated Press Staff)

Is this going to be another bridesmaid year for Boston's perennial left-at-the-altar Red Sox.

Vic Raschi's 2-0 handcuffing of the Sox sluggers for the New York Yankees Tuesday may have been just one of those things. On the other hand, it might have been a sign of things to come. It smacks too much of "the same old Red Sox" of the past four years.

Watching the Sox being throttled with six little singles made it almost impossible to visualize them as the same pulverizing team that ran off 11 straight Grapefruit League victories.

It made it easy to recall the Red Sox of 1947-48-49-50. All-conquering on paper. All-powerful in spring training. All-mighty in the eyes of most experts. All-America choice for the flag.

Then they start to play for keeps. They stray away from friendly Fenway Park. And Boston's blistering batters become brittle and its hurricane hurlers become harmless.

BRAVES ALSO LOSE

The season's opener proved a total loss for Boston. Not only were the Red Sox horse-collared, but the city's National League representatives, the Braves, were goose-egged as Larry Jansen of the Giants shut them out, 4-0, with five little singles.

Philadelphia's Defending Champion Phils downed Brooklyn's Dodgers, 5-2, at Ebbets Field. Robin Roberts, whose final-day triumph over the Brooks gave the Phils their first flag in 35 years last season, again thwarted the Dodgers.

Bob Lemon, king of the 1950 pitchers, threw a brilliant two-hitter at the Tigers to pitch the Cleveland Indians to a 2-1 triumph in Detroit.

Outfielder Al Zarilla blasted St. Louis Brown pitching for a home run, double and single to lead the White Sox to a 17-3 romp before 5,660 at St. Louis.

HURLER HITS HOMER

Murry Dickson pitched and batted the Pirates to a 5-4 victory over the St. Louis Cardinals in Pittsburgh. The little righthander walloped his first Major League home run and contributed a single in another scoring rally.

The Chicago Cubs made merry at the expense of Ken Raffensberger, whipping the Cincinnati Reds, 8-3. Andy Pafko, veteran outfielder, chipped in with a homer, triple and single.

Cold weather held the inaugural crowds to a disappointing 171,678 fans at the eight parks. Last year the eight openers drew 252,700 fans.

The Washington Senators defeated the Philadelphia Athletics, 6-1, behind Con Marerro in the first night opener in American League history.

RICE NAMES CAPTAINS

HOUSTON, April 18. (AP) — Tri-captains of the 1951 Rice football team were named Tuesday night at a dinner ending spring practice.

They are Bill Howton, end from Plainview; Billy Burkhalter, halfback from Bandera, and Glenn Walls, tackle from Dallas.

Jackie Jensen Leads Yankees To First Win

NEW YORK, April 18. (AP) — It is extremely seldom that Casey Stengel finds himself out-talked, especially in the spring, but the manager of the Yankees must have been a happy man today that he let a brash youngster from out west stop him cold some six weeks ago.

The object of the unusual debate —and the winner—was Jackie Jensen, batting hero of the Bombers opening victory over the Boston Red Sox Tuesday at the Stadium.

When Casey opened training at Phoenix he was fully determined that Jensen, former football and baseball great at the University of California, was going to be a pitcher if he expected to remain with the Yankees.

PITCHING CANCELLED

Casey finally induced Jackie to warm up two or three times.

Then Casey announced that his problem boy was going to make his mound debut in an inter-squad game. But a cold wind chose that day to strike, and the game was cancelled.

The next day he was outfielding, and as game followed game he began to hit.

When the Sox started Bill Wight, a southpaw, in the inaugural Tuesday there was Jansen in left. Nobody much noticed because the phenom, Mickey Mantle, was in right, and you can't watch two phenom's at once.

First time up, Jackie fanned, swinging at a bad ball. Next time he caught hold of one on the end of his bat and dumped the ball into the lower right field stands, driving in what proved to be the winning run ahead of him.

On his third trip he launched a three-run rally that finally put the skids under the Sox with a sizzling double down the right field line.

DOGWOOD SKEET SET

PALESTINE, April 18. (AP) — The first Dogwood Open Skeet Tournament opens here Friday with shotgun experts from Texas and Louisiana taking part.

Cleveland Scores First Run

Bob Avila, Cleveland Indians second baseman, scoring from second on a hit to right field by Luke Easter in the first inning of the opening game in Detroit, Mich., against the Detroit Tigers. Joe Ginsberg, Tigers catcher, waits for the ball which arrived too late for a putout. The umpire is Art Passarella. (AP Wirephoto).

Snyder Gets Baseball May 1; Two Loops Set, Third Planned

(Continued from Page 1)

Here are the two member groups of the new baseball league in Snyder

CITY LEAGUE: Town and County, Western Auto Company, West Texas State Bank, Jaycees, Snyder Demolays and Hermleigh.

INDUSTRIAL LEAGUE: Sun Oil Company, Pan American, Sunray, Parker Drilling Company and Barbour Truck, Pasotex Pipeline Company, V.F.W. and American Legion.

A complete schedule of games for the season will be drawn up after Wednesday night's meeting of the managers.

VFW Commander Caperton announced that Memorial Park would be provided for play, with the fees of the member clubs going to defray immediately expenses and the member clubs being responsible for keeping the field in tip-top shape for continuous play.

The Wichita Engineering Company, sponsors of the new league as a whole, will handle the items of electricity, maintenance, umpires and supervise concessionarres and other park adjuncts.

OFFices of Snyder Daily News were jammed to capacity by the more than 75 eager baseball fans, manager, players and, during the evening, many others milled their way in and out of the meeting.

Intense interest was manifested in the as yet unfinished business of forming a hard ball league for plays on Sundays. If the Wednesday night session does not find a hard ball league in the making, the writer hopes to find other ways and means of putting a hard ball club, representing the City of Snyder, into the field for competition with many of the larger cities having open dates during the regular playing season.

An indication of the fervor and pitch of enthusiasm for organization of a regular hardball team to represent Snyder in competitive play can be gleaned from the names of the following players, who signed with the writer to play hard ball if and when the chance presented itself:

C. F. Wise, 1912 Avenue R, infielder; Fred Davis, 2511 Avenue Z, outfielder; Max Coffee, R.R.S. infielder; Robert Minton, Texas Electric, first baseman; Larry Hooker, Box 1168, outfielder; Bill Hanks, General Delivery, first basepitcher-general utility; Bill Roberts, 413 East 20th Street, infielder; Bill Morgan, General Delivery, shortstop or second base; Earl Kaiser, Box 1198, infielder; Tom Dome, Box 1406, outfielder; James Bowers, Dunn, pitcher; Clarence Minton, Texas Electric, infielder or outfielder or general utility; Dick Dealy, 3101 Avenue V, outfielder; E. Railey, ElPaso Natural Booster Station, pitcher; Cletus Link, Sage and Sand Cafe, infielder; J. V. Baze, 1411 Avenue S, first baseman; Carl Foree, 108 Milburn, pitcher; H. C. Lowry, Box 813, infielder or outfielder; Travis Langford, Snyder Daily News, catcher; Bill Sitton, Snyder Daily News, infielder; Buster Woolever, R.R.1, third baseman; Eddie Hight, Pasotex Pipeline Company, pitcher; Allen Bruton, Box 763, outfielder; Junior Corbell, 1012 - 25th Street, catcher; Rudy York, Snyder Linen Supply, pitcher; Clarence Duran, West Texas State Bank, outfielder, and Charles Hooser, also West Texas State Bank, first baseman.

Practice is slated to begin in a day or two, perhaps on Thursday at Memorial Park. Get out and watch 'em start rolling! It took several years for Snyder to get baseball nailed down for sure. Now that the contracts are set and the deal is completed, with 13 clubs to start practice immediately, with 14, at least, to be lined up for play on or before May 1, PICK YOUR FAVORITE TEAM AND SUPPORT IT!

ONE CITY SILENT

AUGUSTA, Ga., April 18. (AP) — Mayor W. D. Jennings asked this town of 71,500 to observe a one-minute period of silence at noon today to express thanks for Gen. Douglas MacArthur's safe return to the United States.

Julius Johnson Head Coach for Odessa

ODESSA, April 18. (AP) — Julius Johnson has been named head coach and athletic director at Odessa High School. He formerly was line coach and head baseball coach.

Johnson replaces Joe Coleman who resigned Tuesday to accept the head coaching job at New Mexico A&M in Las Cruces, N. M.

No one has been named to fill the job of line coach at Odessa High.

Raymond Evans and Harvey (Pug) Gabrel, both formerly of Odessa and Texas Western stars, will serve on Coleman's staff.

Frenchmen Lead Visitors to India

NEW DELHI — (AP) — Frenchmen formed the largest single group among the 3,386 Europeans who visited India during 1950.

Home Minister C. Rajagopalachari told Parliament that of the 539 Frenchmen who visited India 38 were tourists. Others were businessmen, missionaries, dentists, artists, and official. Eighty-five Rusians visited India in 1950. The home minister said that 3,892 visas were granted to Americans during the same year.

Game Called

INDIANAPOLIS, (AP) — A sandlot baseball game broke up in a hurry when Donald Jones, 23, a student pilot, had switch trouble and had to land his plane on the diamond, flattening the backstop.

Funds Drive Is Short Of Goal

Contributions totaling more than $1,800 have been reported by workers in the Salvation Army fund drive here, C. E. McGaw, general chairman of the drive, said today.

Solicitation, both by personal contact and by letter, is to continue through this week, McGaw said. It is hoped that the goal of $2,500 will be reached by that time.

Contributions will continue to be received even after the official drive is concluded, McGaw said.

Workers who have not yet turned in money collected in the drive are asked to leave the money with Mrs. Mollie Pinkerton in the courthouse, with McGaw, or at Phil's Auto Store not later than Friday.

MARDI GRAS REVIVED

NEW ORLEANS, April 18. (AP)—The 1952 Mardi Gras will take on all the glitter of the past.

A spokesman of the four oldest carnival organizations said their Krews would resume their parades and balls, cancelled this year because of the Korean situation.

All Star Game—Detroit—Tuesday, July 10.

You Can Say That Again... Umpire Wins

By WILBUR MARTIN
(Associated Press Staff)

The Texas League season's first big argument over an umpire's decision proved—that's right — the umpire was right.

The row came in the tenth inning of San Antonio's 3-3 tie with Houston Tuesday night. Houston players were involved, but the tie didn't change the Buffs' standing at the top of the Texas League standings.

In other games, Beaumont beat Shreveport, 4-2; Dallas downed Fort Worth, 3-1, and Oklahoma City went ten innings to shade Tulsa, 8-7.

The dispute at Houston came with one out, runners on first and second. Pinch Hitter Van Harring hit a short fly into right field that got away from Second Baseman Jim Dyck.

Omer Tolson picked up the ball and threw to third base, where Umpire Richard Nash, after calling Pinch Runner Fred McGaha safe, reversed his decision and called him out. George Hausmann threw to second to double Lou Ciola, who had started back to first.

Buff Manager Al Hollingsworth and Billy Costa yowled loudest over the ump's decision.

Walt Lanfranconi set Fort Worth down on five hits and Jim Fridley hit a homer as Dallas won.

Bill Henry held Beaumont to four hits, but three of them —two singles and Art Mazmanian's triple —in the fifth inning, plus two walks, gave the Roughnecks all their runs.

Three runs in the ninth inning tied up the game for Oklahoma City, and John Creel's triple scored the winning runs.

The Houston-San Antonio game was halted to enable both teams to catch a train.

Houston went to Shreveport, where it plays tonight; San Antonio to Beaumont. Other games tonight put Dallas at Oklahoma City and Fort Worth at Tulsa.

Home Boys Tip Golf Pie Cart

PINEHURST, N. C., April 18. (AP) —A couple of home boys who cooled their tarheels for hours before muscling into the tournament manufactured the major surprises as the North and South Amateur Golf Tournament field was whittled down to 32 players for today's second round.

Leon C. Walsh of Wilmington bounced Walker cupper Harold Paddock, Jr., of Cleveland Heights, Ohio, out of Tuesday's initial grappling 2 and 1, for the big eye opener.

A short time later Ben Goodes of Reidsville, a semifinalist here nine years ago, upeneded highly-regarded P. J. Boatwright of Aiken, S. C., 6 and 4.

However, they may not survive today's two rounds, what with hot shots like Bill Campbell, Frank Stranahan, Dick Chapman and Jimmy McHale, all Walker Cup squad members, and Cup Alternates Harvie Ward and Bill (Dynamite) Goodloe, still around.

Texans Enter Tennis Play

HOUSTON, April 18. (AP)—The two pre-tournament favorites of the River Oaks Tennis Tournament take on a pair of Texans today in the third round play.

National Champion Art Larsen of San Francisco meets Boggy Kamrath of Houston. Herb Flam, intercollegiate champ from Los Angeles, plays Felix Kelley of Houston. Kamrath and Kelley are both former University of Texas players.

Larsen downed Dixon Osburn, Dallas, 6-3, 6-0, Tuesday. Flam won 6-2, 6-1 over Ed Braswell of San Antonio.

Gardnar Mulloy, Miami, Fla., seeded third, eets Jason Morton, University of Houston. Mulloy defeated R. O. Deberry, Texas A&M, 6-1, 6-2, Tuesday.

Texas History Written in Brands

By JOHN M. HENDRIX

The H. Triangle Cross was registered in 1899 in Brewster County by D. S. Combs and son. At its height there were about 5,000 head of cattle on 200,000 acres of border country. The brand was still being run south of Marathon, Texas, in 1936.

Crowds Below Expectation In Big State

(By The Associated Press)

The crowds were below expectation but the action was brisk last night as the Class B Big State League opened its fifth season with games at Wichita Falls, Waco, Temple and Texarkana.

Waco reported the largest crowd, 3,000, as chilling winds cut into the attendance at all parks. Texarkana, the defending champions, had the lightest attendance, 1,495, while Wichita Falls reported 2,236 fans and Temple, 2,034.

On the field, Sherman-Denison defeated the Champion Bears, 6-3; Wichita Falls trimmed Gainesville, 7-2; Tyler defeated Waco, 11-3, and Temple topped Austin, 8-4.

The Tyler East Texans, making their debut in the Class B League and generally picked for the cellar position, showed surprising strength in swamping the Waco Pirates. The Pirates collected ten hits, the same number as the East Texans, but wildness on the part of the three hurlers who saw action was costly.

The Sherman-Denison Twins, with a gaudy exhibition record, proved that it was no fuke as they defeated the Bears. Two big innings, the eighth and ninth, when the twins scored two runs each, accounted for the victory. Dean Stafford hit a two-run home run in the fourth frame; Manager Billy Capps duplicated the feat in the ninth.

Little Carmen Ferullo pitched the Wichita Falls Spudders to their opening victory over the Gainesville Owls, scattering nine hits. The Spudders got nine hits off three Owl pitchers but bunched them for runs.

Right-hander Don Spyker pitched and batted the Temple Eagles to their victory over Austin, stopping the Pioneers with seven well scattered hits while collecting two himself, one a two-run homer. Fred Bell also homered for Temple while Len Attyd and Lon Goldstein each had three hits.

Marshal Carmona Dies; Long Portugal's Chief

LISBON, Portugal, April 18. (AP) — President Antonio Oscar de Fragoso Carmona, Portugal's head of state since 1926, died this morning after a brief illness. He was 81.

He had suffered a sudden breakdown earlier this week.

A veteran military figure, Marshal Carmona became head of state in 1926 after the military coup of May 28. He was elected president in 1928 and since has been re-elected three times. He began serving his fourth seven-year term in 1949.

Redskin Train Wrecked After Six-Night Run

(By The Associated Press)

Laredo's Redskin express was derailed Tuesday night after rampaging for six nights unchecked.

The Harlingen Capitols threw a road block in their path to stop them cold with a three-hit, 3-0 shutout. It was the first loss for the Apaches in seven starts.

In other games Brownsville eked out a 6-5 victory over Texas City, Corpus Christi defeated Port Arthur, 11-3, and Lake Charles trimmed Galveston, 12-3.

Laredo still leads the Gulf Coast League, followed gy Harlingen, one game back and Corpus Christi and Lake Charles, two games back.

Hal Jackson left-handed the Apaches into submission. He gave up one hit in the third inning and two in the eighth.

The Charros pushed across two runs each in the seventh and eighth inning to overcome an early Texas City lead. Ernie Imbach went all of the way for Texas City and stopped Brownsville with only eight hits but he gave up nine walks.

The Lakers built up a six run lead before Galveston could score and were never behind.

Ray Mink, a jack of all trades, pitched and batted Corpus Christi to its victory.

He scattered eleven Seahawk hits well, didn't issue a walk and collected three hits himself, one a triple, to drive in four runs.

Bible Called Answer To Nation's Problem

AMARILLO, April 18. (AP) —Dr. J. Howard Williams of Dallas told the Texas Baptist Sunday School Convention here that the Bible is the answer to the nation's moral problems.

"The Bible can do more to lift the moral level of this nation than any other combination of forces man can devise," he said in a sermon Tuesday night.

W. H. Hardin of Canyon, Mrs. J. L. Anthony of Abilene, and Mrs. G S. Ballard and W S Savage, both of Amarillo, were recognized for more than half a century of Sunday School work

GABLES HAVE SPAT

HOLLYWOOD, April 18. (AP) —The Clark Gables are apart and will remain apart for several weeks, but his studio says it's just because she wants to look at some property in Nassau.

Mrs. Gable, the former Sylvia Ashley, flew out of here Tuesday night en route to the Bahamas. Her departure topped a day of rumors and followed confirmation from the studio that the Gables "have had a marital spat."

PERSONALS

Mrs Leo Carey and Mrs. E.H. Muhlbach, of the Lion Oil Camp, are on a jaunt in Minden, La., and El Dorado, Ark.

Vern McGrew, 2120 Thirty-fifth Street, spent the day Tuesday in San Angelo on business. Vern is with the Morris & Blount Tool Company., Post Highway.

Mr. and Mrs. H. W. Cargile and children, 3701 Avenue V, are planning on visiting relatives in Tioga, Tex. this week end.

Mrs. S. J. Casstevens, 1700 Twenty-eighth Street, had as guests Tuesday her sister Mrs. Howard Gracey and her two daughters from Sweetwater.

Mrs. Joe Caton, 2711 Avenue R; Mrs. John R. Covery, Sr.; and Mrs. John Covey Jr. and her two sons, northeast of Snyder, recently returned from Fort Worth where they have been visiting relatives.

Mrs. Lois Wilsford, 1707 Twenty-eighth Street, left Tuesday for Logan, Utah, where she is visiting her daughter Mrs. E. Slovocek.

Mrs. I. S. Dolen, Lubbock Highway, recently returned from Houston where she has been visiting relatives.

Mrs. J. E. Bucy, of the Lion Oil Camp, has as guests this week her mother Mrs. M. A. Davidson from Hamlin, Tex., and her sister Mrs. J .R. Jenkins from Monahans, Tex

'Relief' Mailman Accused of Theft

LOS ANGELES, April 18. (AP) — A 20-year-old substitute mail carrier has been charged with mail theft.

John C. Von Hecht of Altadena is accused by postal inspectors of throwing 300 pieces of first-class mail and many magazines and newspapers behind some bushes on a lonely street along his route.

"I was just too tired to deliver that mail," inspectors quoted him.

City-County Directory Being Compiled By Artesia Printers

A new city - county directory is being compiled for Snyder and Scurry County that is far ahead of anthing produced here before, Harold Bennett, chamber of commerce manager said.

The directory is to be compiled and published by Salisbury Publishing Co., of Artisia, N.M. H.V.

H. V. Johnson

Johnson, a representative of the company, is here now to contact local businesses who will be given an opportunity to help sponsor the project by purchasing advertising space in the volume.

The directory will include a complete roster of government officials here on national, state, county, and city levels, Johnson said. Also complete roster of clubs and organizations, their presiding officers, and a story on the economy of the area will be included.

LIST BY NAMES

Residents of the city and county are listed by names, with the wife's name and the number of children, and the occupation and employment of both, the street number, post office box, and the telephone number in one section of the directory.

Another section is devoted to listing of all the residents on each street for all the streets of Snyder. In the rural section each route is described and each person who receives mail on that route is listed alphabetically, and there is also a section devoted to residents of oil camps in the county.

TELEPHONES

A numerical listing of the telephone directory is included in a separate section, and the last section is a classified business directory.

The classified business directory will include all merchants of the county whether or not they advertise in the directory, Johnson said.

A supplement which gives the numerical telephone directory and classified directory will be available in limited numbers.

If sufficient advertising space is sold for the directory, compilation of data can begin within a week or 10 days, Johnson said. He expects the directory to be published and ready for distribution within four or five months from that date.

Ira Class Banquet Planned For Friday

Ira high school's annual junior-senior banquet is set for Friday night.

It will be held in the Hotel Settles in Big Spring at 8 o'clock.

There are eight members of the Ira senior class, and 13 students in the jnuior class.

Commencement for the graduation class will be held the night of June 1, following which the eight graduates plan a senior trip.

SHOW FOR JOE

LOS ANGELES, April 18. (AP)— — Television Station KNBH says it plans to airmail to Joseph Stalin in Moscow a 12-minute kinescope recording of the arrival of Gen. Douglas MacArthur at San Francisco Tuesday night.

The 16 mm. film shows the crowd at the airport and MacArthur's speech.

Gunman Slain Trying To Rob Liquor Store

TEXARKANA, April 18. (AP) — A gunman who tried to rob a liquor store here was shot to death Tuesday night by a special watchman hidden in the rear of the store.

Police identified the victim by papers on the body as R. C. Moman, about 30, of Dallas.

Witnesses at a coroner's inquest said the fatal shots were fired by Jim Baker, about 65, a retired railroad special agent hired to protect the liquor store after several recent holdups.

Coroner C. L. Winchester returned a verdict of justifiable homicide.

Permian Basin Oil News

Terry Well Completed Near Wolfcamp Reef

Anderson - Prichard Oil Corp., No. 2 Scales, one location east of the nearest completed producer from the Wolfcamp reef on the northeast side of the Wellman field in Southwest Terry County, is to complete from the reef pay.

This project topped the reef at 9,000 feet, to have a datum of minus 6,653 feet on that marker. That made it the highest well in the Wellman area on the top of the reef.

After drilling through the reef operator decided to drill on to about 13,000 feet to try to find and explore the Ellenburger.

The project was deepened to 11,-000 feet in lower Pennsylvanian lime and shale, and the plans were changed. The idea of going on to the Ellenburger was abandoned.

The prospector plugged back to 10,100 feet and 5½-inch casing was cemented at that point.

The pipe was then perforated at 9,780-9,800 feet and a two hour and 55 minute drillstem test was run on that section.

The packer was set at 9,735 feet. A five-eighth inch bottom hole choke and a one-inch top opening were used.

Gas surfaced in eight minutes. Mud came to the top in 12 minutes. Oil cut mud started flowing out in 15 minutes.

The fluid was run to pits for five minutes and it was then turned to the tanks. In two hours and 30 minutes of flowing the 20-foot section produced 301.7 barrels of pipe line oil. There was no water.

Operator has now perforated higher in the reef pay. A production test is to be made Thursday and after that the extender will be completed.

It is 1,980 feet from west and 660 feet from south lines of section 22, block C-36, psl survey.

Spraberry Producer Completed In Midland

James H. Snowden and Associates and Sergent & Rutter of Midland No. 1-34 W. M. Schrock and others, has been completed as a discovery from the Spraberry sand in Southeast Midland County.

A daily flowing potential of 393.-87 barrels of 39-gravity oil is credited to the discovery.

The potential was guaged through a one-half-inch choke on two-inch tubing. Gas - oil ratio was 380-1. Pressure on tubing was 450 to 75 pounds.

Total depth of the oiler is 7,075 feet. Five and one-half-inch oil string is cemented at 7,011 feet. Open hole was Hydrafraced with 1,500 gallons.

The Spraberry was topped at 7,036 feet on elevation of 2,719 feet, giving it a datum point of minus 4,317 feet on top of that formation.

Location is 660 feet from north and east lines of section 34, block 37, T-4-S, T&P survey.

Mrs. Bryan E. Jordan, south of Snyder, is in San Angelo visiting her daughter, Mrs. Max Walthall. Mrs. Walthall's husband was injured in a dynamite explosion at Cristoval last week.

Yoakum Well Near Wasson Field Plugged

James D. Erwin of Midland has plugged and abandoned his No. 1 Tannehill estate as a failure in Southwest Yoakum County two miles west of production in the Wasson field.

The project was drilled to a total depth of 5,402 feet in the San Andres without finding possibilities of commercial production.

Drillsite was 660 feet from north and east lines of section 176, block D, John H. Gibson Survey and 12 miles southwest of Plains.

The San Andres was topped at 4,755 feet, elevation 3,730 feet.

Amerada Well Plugged In Southeast Crane

Amerada Petroleum Corp. No. 1-A Carlinville National Bank, three-quarter mile southeast outpost to the Yarbrough & Allen field in Southeast Crane County has been plugged and abandoned at 8,692 feet in the Devonian.

Top of the Devonian was 8,500 feet on an elevation of 2,853 feet.

Operator drillstem tested from 8,507 to 8,692 feet. Tool was open 70 minutes. Recovery was 100 feet of mud.

The failure is 660 feet from north and 1,980 feet from east lines of section 17, block 46, Gunter & Munson survey.

Pecos Discovery Is Completed In Montoya

Callery & Hurt, Inc., No. 1-A H. J. Eaton has been completed as a producer and discovery from the Montoya in North Pecos County.

The new well was finaled for a daily flowing potential of 153.6 barrels of 75-gravity distillate and 22,-000,000 cubic feet of gas.

Production is from perforations at 5,340-5,415 feet. Plugged back total depth is 5,515 feet.

The new producer is 1,944.4 feet from southeast and 660 feet from southwest lines of section 27, block 3, H&TC survey and six miles southwest of Imperial.

Coke County Wildcat Plugged, Abandoned

Lion Oil Co. No. 1 Rawlings, wildcat in Northeast Coke County, is to be plugged and abandoned on total depth of 6,283 feet in the Ellenburger which was topped at 6,260 feet on a datum point of minus 4,153 feet.

A drillstem test from 6,263-83, with tool open two hours, developed 170 feet of free oil, 190 feet of oil and gas-cut mud and 225 feet of salt water.

A previous drillstem test was taken over the interval from 6,264 to 6,273 feet. Again the test tool was open two hours. Recovery was 470 feet of oil, 30 feet of oil and gas-cut mud and 30 feet of salt water.

The failure is 669.79 feet from north and 672.91 feet from west lines of the southwest quarter of section 351, block 1-A, H&TC survey.

New Snorkel Submarines Have a Fight

WASHINGTON, April 18. (AP) — The U. S. has put some of its newest snorkel submarines into Korean waters and at least one evidently has been in combat it was learned today.

The Navy has acknowledged only that undersea boats went to the area almost as soon as the war started. It has said nothing about types or how the submarines were being used.

This reticence has two primary causes. The normal secrecy surrounding any work of the traditionally "silent service", and the quiet but careful watch needed for the appearance of Russian surface or undersea craft in Korean conflict.

Disclosure that Guppy Snorkel subs are operating in the Far East arose out of publication of a picture in the official Navy service magazine "All Hands." The current edition of the magazine contains a photograph of the crew of the Pickerel receiving the "Submarine Combat Insignia" in a Pearl Harbor ceremony. The brief caption states it is for "a successful war patrol they completed in Korean waters."

In answer to a question, a Navy spokesman said that under the provisions for such an award, a successful war patrol "is one in which at least one enemy vessel is sunk" or in which another "operation of comparable significance in successfully accomplished."

The spokesman said he could say nothing about the Pickerel's patrol.

Senate Group Scans New Texas Judgeship

WASHINGTON, April 18. (AP) — The Senate Judiciary Committee had before it today a proposal to create an additional Federal Judgeship for East Texas. Sen Connally urged it. Rep. J. M. Combs of Beaumont has been mentioned as a possible judge.

Connally told the committee litigation is increasing because East Texas is expanding industrially. Judge Randolph Bryant of Sherman is now the lone jurist in the district Connally said the area had 473 civil cases last year compared to an average of 222 in all other Federal Districts.

Mr. Marcel Josephson, 2808 Avenue E, attended a meeting of independent grocers in Abilene Tuesday.

Truman Urged To See Mac

WASHINGTON, April 18. (AP) — Senator O'Conor (D-Md) today urged President Truman to meet with Gen. Douglas MacArthur and confer with him on the Far Eastern situation.

O'Conor said he telegraphed the President that "such a meeting was the General MacArthur has distinguished services to our country, and would counter act the concern referred among our people as to future American policies in the Far East."

The White House had said MacArthur would be welcome to see the President if he asked an appointment but that no appointment had been sought.

In San Francisco, a spokesman for MacArthur said there was little likelihood of a Truman-MacArthur meeting unless a direct invitation came from the White House.

Missions Announce Schedule Changes

SAN ANTONIO, April 18. (AP) — Joe McShane, president of the San Antonio Texas League Missions, today announced two schedule changes this week end.

The game scheduled here Saturday night between the Missions and Houston Buffs has been postponed because of the Fiesta parade that night and will be played as part of a Sunday night doubleheader.

The 3-3 tie game Tuesday night between the Missions and Buffs will be re-played Saturday in an unprecedented on-day stand at Houston.

Odom Rites in Forsan

Funeral services for Robert Odom, a former resident of Fluvanna, were to be held this afternoon at the Forsan Baptist Church. Mr. Odom, an oil field worker, died Tuesday of a heart attack. Survivors include his widow, one son, Robert Odom, Jr., of Big Spring, his mother, Mrs. M. F. Butler of Whitney, and two grandchildren.

No Report On Injured Man's Condition

P. D. Badgwell, 2105 Avenue S, was admitted to Snyder Hospital about 8:45 last night to receive treatment for injuries sustained when he backed his car into machinery near his home.

No report on Badgwell's condition was available today. He was taken to the hospital by a Dennis ambulance.

VETS COMING HOME

SASEBO, Japan, April 18. (AP) — The first contingent of American veterans of the Korean War en route home on rotation arrived here today.

Mrs. Waldo Montgomery, 2903 Avenue T, had as recent house guests, Mrs. A. H. Alston and son Jackie, of Stamford.

Mr. and Mrs. E. L. Fikes, Jr., 901 Twenty - third Street, are the parents of a son born last night at Snyder Hospital.

"YOUR NEW '50,000 MILES—NO WEAR' OIL is the best we have ever used," says George M. James, Manager, Metro Motors, Ford Distributors, Murray, Utah. "We use Conoco Super in all our demonstrators and recommend it highly to new car buyers."

"I'VE USED MANY DIFFERENT BRANDS of oil, but was never satisfied until I heard the story of '50,000 Miles—No Wear' and changed to new Conoco Super," writes Ben F. Taylor, Traveling Salesman, Fort Worth, Texas. "Now I get greater savings in oil consumption and more gasoline miles to the gallon."

"50,000 MILES-NO WEAR!"—PROVED HERE!

After a punishing 50,000-mile road test, *with proper crankcase drains and regular care*, engines lubricated with new Conoco Super Motor Oil showed *no wear of any consequence* . . . in fact, an average of less than one one-thousandth inch on cylinders and crankshafts.

AND gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000! This test proved that new Conoco Super, with OIL-PLATING, can make your car last longer, perform better, use less gasoline and oil.
