Home Of Judge Who Sentenced Vanzetti And Sacco Wrecked

THAYER IS UNINJURED BUT WIFE HURT BY BOMB EXPLOSION

(By The Associated Press)

WORCESTER, Mass., Sept. 27—The home of Judge Webster Thayer who sentenced to death Nicola Sacco and Bartolomo Vanzetti, internationally-known radicals, after they were convicted of murder, was wrecked by an explosion today. The police said the blast, which occurred just after 4 a. m., apparently was caused by a bomb.

Judge Thayer was uninjured but Mrs. Thayer was buried beneath wreckage and received a laceration of the forehead and suffered a severe shock. She and a maid, Miss Joan Ashe, suffering from shock, were taken to hospitals.

Caused By Bomb

Deputy Chief Herbert W. Merrill after an investigation, said he believed the explosion was caused by a bomb.

Mrs. Thayer was pinned beneath the debris and was removed by policemen. The judge was found groping about his room by policemen.

The judge walked from his home unaided and remained on the grounds, to offer what aid he might to investigators. He was visibly shaken.

Motive Unknown

Neither the police nor Judge Thayer were ready to lay the blame at the door of any person or organization.

Judge Thayer's home has been under the watchfulness of the police many times since August 23, 1927, when Nicola Sacco and Bartolomeo Vanzetti went to the electric chair at Massachusetts state prison for the murder of a paymaster and a guard in South Braintree in April 1920.

The judge, a noted jurist in Massachusetts, had sentenced Sacco and Vanzetti in April 1927, after a long legal battle. A Norfolk county jury previously had found the men guilty in July, 1921 and nine separate motions were filed for a new trial. All were overruled.

Sentence Upheld

A commission of three men was finally appointed by then Governor Alvan T. Fuller and they saw no reason to reverse Judge Thayer's death sentence.

Judge Thayer was threatened many times and many demonstrations were held in the vicinity of his home. No resort was ever made to actual violence, however, and his home was guarded each May day as a routine assignment.

INSULL READY TO RETURN

FORMER UTILITY HEAD WILLING TO ASSIST IN INVESTIGATION

(By The Associated Press)

CHICAGO, Sept. 27—As several agencies of the state and federal governments were engaged today in searching the records of the bankrupt Insull investment trusts, word came from Paris that Samuel Insull, deposed utility magnate, had expressed his willingness to return to the United States voluntarily to assist in the investigations.

Yesterday announcement was made that his son, Samuel Insull, jr., who was president of the two investment trusts in which the losses of stockholders are expected to exceed 200 million dollars, had left Chicago Saturday to visit his father and mother.

Takes Vacation

James Simpson, chairman of the board of Commonwealth Edison Co., one of the Insull operating concerns, said young Insull had taken a vacation on his recommendation.

"He had been much concerned over the illness of his mother," Simpson said, "and at my suggestion he is going to Paris to visit her. He left Saturday and will return in November."

Young Insull is vice chairman of the Commonwealth Edison Co., and two other Chicago operating companies, as well as president of two of the investment trusts founded by his father.

Simpson said young Insull's trip was "purely a coincidence and certainly had no bearing on the investigations."

MISSING CASHIER OF SOONER BANK TO FACE CHARGES

CHEROKEE, Okla., Sept. 27 (AP)—Walter Ingram, bank examiner, had instructions today from W. J. Barnett, state bank commissioner to file embezzlement charges against H. C. Doherty, missing cashier of the Burlington State bank.

Barnett directed that Doherty who disappeared from his home at Burlington Sept. 18, be charged with embezzlement of $8,200 in notes and bonds. The bank was closed a few days after Doherty's disappearance.

Search for Doherty has been pressed in Texas, Oklahoma and Kansas. Mysterious notes and telephone calls to relatives, indicating the possibility he had met with foul play, have complicated the search. His automobile was found abandoned south of Oklahoma City Sept. 21.

Knapp Will Speak To Scout Leaders

South Plains Boy Scout leaders will meet at 1:30 o'clock Wednesday afternoon on the mezzanine floor of the Hilton hotel to become more familiar with a 10-year program begun this year by the national Boy Scout council.

Dr. Bradford Knapp, president of Texas Technological college, will speak. Minor Huffman, deputy regional executive, of Dallas possibly will appear.

Thomas A. Crump Claimed By Death

Thomas A. Crump, 77, died at 1:30 o'clock this morning at the home of a daughter, Mrs. J. S. Waller, at 322 Avenue U. He had been ill several months. Death was attributed to cardiac decomposition.

Funeral services will be conducted Wednesday at Santa Anna, to which the body was sent today by Bynum-Stahler Funeral home. In addition to the daughter, Mr. Crump is survived by three sons, C. D. Crump of Lubbock, and C. A. and J. L. Crump of Santa Anna.

Attempt To Blast Newspaper Probed

CORSICANA, Sept. 27. (AP)—Officers today investigated an attempt to burn the Corsicana Sun building last night.

A man who poured kerosene on the floor of the second story and lit a long dynamite fuse leading to it fled when he was surprised by a reporter who happened to be on duty at night.

HUNDREDS ARE INJURED AND HOMELESS

SAN JUAN IS HIT BY 120-MILE WIND AT EARLY HOUR TODAY

(By The Associated Press)

SAN JUAN, P. R., Sept. 27.—At least 40 persons were known to have been killed in a terrific hurricane which struck this city last night.

The full force of a 120-mile wind struck before midnight and lashed the city until 2:30 this morning, causing property damage even greater than that left in the wake of the disastrous 1928 blow.

Hundreds Injured

Hundreds were injured and thousands were left homeless. Most of the dead, first reports indicated, were in smaller outlying towns, such as Barrios, Sabanallana, Catano and Rio Piedras.

Here in the city the loss of life was materially reduced by the police who took the precaution of rounding up hundreds of women and children, removing them from their homes and placing them for safety in the more substantial church and school buildings.

The villages, consisting for the most part of flimsy homes, had no such protection. Even in San Juan homes by the hundred were unroofed and torrents of rain poured in.

Death Toll Reported

First reports gave the following death toll:

Barrios, 14 dead; Sabanallana, 4; Catano, 2; Rio Piedras, 10.

Various reports from the last named town placed the death toll there as high as 40, with seven members of one family killed in their home. Rio Piedras is about five miles east of San Juan, directly in the path of the storm. The unsubstantial native dwellings stood exposed on the hillsides.

The death toll mounted as reports from other outlying districts came in. The little town of Carolina reported 10 dead. A native of Caguas was electrocuted by a live wire.

Communications Cut

The weather bureau estimated the storm had struck with its greatest force along the northeastern half of the island, from Fajardo on the east to the Arecibo on the northwest. Light, telephone and gas services here were cut off today and no communication with other parts of the island was possible.

The barometer fell to 28.95 at 1 a. m. The weather bureau offices were flooded this morning and employes were wading in barefoot to try to rescue records and instruments from the building.

Speed And Economy Aims Of Committee

WASHINGTON, Sept. 27. (AP)—Economy and expedition were goals set today by Chairman Byrns of the house appropriations committee in the handling the big government supply bills during the coming session of congress.

As head of the powerful group which formulates appropriation measures, Byrns said every effort would be made to cut government expenditures and thereby reduce the treasury deficit. In addition, at least three of the bills are to be ready for immediate consideration when congress convenes for the short session.

Mine Reopening Is Not To Be Sought

SPRINGFIELD, Ill., Sept. 27. (AP)—Officials of the United Mine Workers of America said today no further attempts to reopen the mines near here would be made "until the situation changes" in this section, where rival factions of coal diggers recently clashed.

Twenty-five members of the United Mine Workers of America, including organizers and officials, were at liberty today on bonds of $1000 each pending grand jury action on charges of inciting riots. They were arrested Sunday night after the street riot in which a policeman was killed, two miners seriously injured and a score more cut and bruised.

Wellington Man Is Held For Slaying

WELLINGTON, Sept. 27 (AP)—Dude Underwood was held on a murder charge today for the slaying of Amos Marchbanks near Wellington Saturday night. He had not sought release on bond.

Both men were farmers. Marshbanks was killed after a quarrel at Underwood's home.

CHILD INJURED

SAN JUAN, Sept. 27 (AP)—Emma Guerra, 10, was injured fatally today when struck by an automobile on her way to school.

DEMOCRATS IN CONTROL

NEW MEXICO IS ROOSEVELT'S HOST TODAY

DEMOCRATIC NOMINEE VISITS 16TH STATE OF WESTERN TOUR

BY WALTER T. BROWN
Associated Press Staff Writer

ROOSEVELT SPECIAL EN ROUTE TO COLORADO SPRINGS, Sept. 27 (AP)—New Mexico today was host to the Democratic presidential nominee, Governor Franklin D. Roosevelt of New York.

Swinging east from Williams, Ariz., where he stopped yesterday, Mr. Roosevelt will receive New Mexico's official welcome at Lamy Junction, a few miles from the old capital city, Santa Fe.

Reception Planned

At Albuquerque, Governor Arthur Seligman, Unted States Senator Samuel Bratton and the state's lone congressman, Dennis Chavez, all Democrats, will board the train and continue on to Lamy where the delegates to the party's state convention will be gathered.

There is a feeling in Democratic circles that New Mexico's other United States senator, Bronson Cutting, an independent Republican, may lend support to the Democratic national ticket.

New Mexico, the sixteenth state the candidate has visited on his three-week campaign trip of 8,900 miles, voted for Woodrow Wilson in 1912 and 1916 but in 1920, 1924 and 1928 it was in the Republican column on presidential elections.

Mrs. Roosevelt, who joined the governor at Williams, will continue with him through the rest of the trip to Albany which will be reached Oct. 3, the day the New York state convention opens.

Yesterday the governor and his wife spent at the ranch home of Mrs. John C. Greenway, Arizona national committeewoman. A rodeo attended by several thousand persons including the party leaders of Arizona, was the feature of the day's events. The governor, sitting on top of a seat in an open car, watched the races and chatted with hundreds who crowded by his machine.

Road Contracts To Be Let This Month

AUSTIN, Sept. 27 (AP)—The next meeting of the Texas highway commission will be Oct. 24 and 25, the highway department announced today. Contracts for road and bridge construction estimated to aggregate approximately $3,000,000 probably will be awarded at the session.

Oklahoman Sought In Texas Robbery

GUTHRIE, Okla., Sept. 27 (AP)—Charges against H. D. Little, held for investigation in the murder of Karl Rucker, Guthrie grocer, several months ago, were dismissed today. Meanwhile, R. E. Maxey, of the state bureau of criminal identification at Oklahoma City, was rushing papers authorizing Little's arrest in connection with the robbery of a Shamrock, Texas, bank.

INDIAN WHO SIGNS LARGE CHECKS WITH THUMB PRINT IN NEW FIGHT

(By The Associated Press)

LOS ANGELES, Sept. 27.—A 90-year-old Creek Indian, Jackson Barnett, who signs checks for thousands of dollars with a thumb print, today was involved in another legal fight over his wealth, derived from Oklahoma oil lands.

Barnett was in court with his wife, Mrs. Anna Laura Lowe Barnett, as a result of the United States government's effort to force restoration of $1,000,000 to the Indian's estate. Of the amount, $550,000 allegedly was given by Barnett to his wife.

While Barnett, adjudged an incompetent several years ago, appeared bewildered at the proceedings in the United States commissioner's court, Mrs. Barnett was defiant and once marched her husband out of the court room.

"I will not give my deposition," she told court attaches. "I'll see how good the jail is first."

Mrs. Barnett was to take the stand at the completion of depositions in the suit of the government against Harold C. McGugin, attorney of Coffeyville, Kas.; Nell Bird McGugin, the McGugin Investment company and W. S. Keith to restore $150,000 to the estate. McGugin is a Kansas congressman.

In addition to this suit by the government, as guardian of the Indian, and one to force Mrs. Barnett to restore $550,000, a third suit has been filed seeking the restoration of $300,000 from Mrs. Barnett and her daughter by a previous marriage, Maxine Sturgess.

FACTORY ADDS TO CAPACITY

ABERNATHY'S CHEESE PLANT TO DOUBLE MILK RECEIPTS

(Special To The Journal)

ABERNATHY, Sept. 27—Capacity of the Struve Cheese factory here will be doubled with installation of an extra vat and a triple press, which the company has ordered by telegram, it was announced this morning. For more than a year, some farmers wishing to sell milk to the plant have been turned away. With doubling of the capacity, the cheese plant will be able to buy from all of them, the factory officials indicated.

With the additional equipment in use, the plant's capacity will be increased from 10,000 to 20,000 pounds of milk a day. Receiving 10,000 pounds of milk a day, the plant has been producing 1,000 pounds of cheese daily. The factory now pays nearly $3,000 a month to farmers for milk.

Ben F. and Fritz W. Struve of Abernathy are owners and operators of the plant, which was opened May 12, 1928. The capacity will not be immediately doubled, but ordering of the additional equipment made the move certain. Although some remodeling will be necessary, the plant proper will not be changed as it was erected to care for twice the present capacity.

Texas Bank Robbed By Armed Bandit

SAN ANTONIO, Sept. 27 (AP)—An armed bandit held up the Schertz State bank at 10 o'clock this morning and escaped with an undetermined amount of cash. The amount was believed to be about $200.

The bandit entered the bank unmasked, covered H. P. Thulemeyer, cashier, with a pistol and ordered him to turn over all available cash. He then fled toward San Antonio in a taxicab waiting outside the door.

WALKER TRIAL SCHEDULED

CASE OF THIRD HELD FOR SLAYING SET FOR WEDNESDAY

Although no word had been received today from a Temple attorney whose illness caused a postponement Monday, Hugh Walker is scheduled to go to trial Wednesday morning at 10 o'clock in 99th district court. Indications were this afternoon that Walker, third man of the trio charged with the murder of F. V. "Leather Hat" Brown, would go to trial in spite of the absence of the attorney, Dewitt Bomer.

Ben Kucera, one of the defense attorneys appointed by the court, said today that he would be ready for trial in the morning as far as his part of the defense was concerned. R. J. Allen, another local attorney named on the defense, is assisting Kucera in Walker's case as he did in the other two hearings.

Richardson Sentenced

A plea of guilty and an agreement on a twenty-year sentence disposed of B. L. "Barber John" Richardson, second defendant. Jess Covington, the first to be tried, received an eight-year sentence after a sensational trial lasting eight days.

W. F. Schenck, chief counsel for Covington, had previously announced that Covington's case would be appealed, but he indicated this afternoon that he would accept the penalty. Schenck expected to hold a conference with Covington on the matter this afternoon.

Trial Cut Short

Richardson's trial consumed only three hours, the agreement between

Reports Received Of Japanese Fliers

TACOMA, Wash., Sept. 27 (AP)—Radio messages of mysterious origin, reported by an amateur radio operator, today told of hearing from the missing Japanese goodwill fliers late Sunday afternoon, some 24 hours after they should have landed at Nome, Alaska.

The calls came presumably from a vessel in the Pacific. William G. Gunston, Tacoma amateur, said he first heard the messages late yesterday afternoon and more faintly late last night. All, he said, were garbled in transmission.

U. S. Navy Balloon Is Thought Winner

WARSAW, Poland, Sept. 17 (AP)—The United States navy balloon participating in the Gordon Bennett Cup race landed at 10 a. m., today close to the town of Wasjule, near Vilna, on the Polish-Latvian frontier.

The exact distance it had traveled from Basel, where the race started, had not been computed, but it appeared virtually certain that the navy bag had won the race and the cup.

SENATOR FROM COLORADO IS APPOINTED

G. O. P. OUTNUMBERED IN U. S. SENATE BY SINGLE MEMBER

(By The Associated Press)

DENVER, Sept. 27 — Democrats outnumbered Republicans by one today in the United States senate with the appointment of Walter Walker, Grand Junction newspaper publisher, to that body to fill a vacancy caused by the death of Senator Charles W. Waterman.

On the roster of the upper house now are 48 Democrats, 47 Republicans and one Farmer Labor member.

Appointment of Walker by Governor William H. Adams yesterday was not expected. But Colorado political circles were still uncertain today whether the recently retired chairman of the Democratic state central committee would serve in the lame duck session of congress, which convenes in December, or whether he will serve only until a successor to Waterman is chosen at the general election Nov. 8. Waterman's term expires March 4.

Walker has long been active in the Democratic party in the state, was a delegate to the last three national conventions and was chairman of the Colorado delegation at the Chicago convention in June.

Hoover For Delay In Rail Wage Cut

WASHINGTON, Sept. 27. (AP)—A suspension of railway wage negotiations during the rest of 1932 is favored by President Hoover.

The chief executive feels the economic situation after the first of the year will afford a clearer background for discussing a proposed additional 10 per cent pay cut. His position was made known yesterday by Secretary Doak.

Youth Crushed To Death Under Train

FORT WORTH, Sept. 27 (AP)—Denzil Marsh, 17, of Zanesville, Ohio, died early today from injuries suffered when he fell under a freight train here last night.

The youth, who had started to Colorado with a companion, apparently slipped from a refrigerator car and fell under the wheels. Both legs were mangled and his left hand was crushed.

Murray Will Talk At Oil Price Meet

TYLER, Sept. 27 (AP)—An address over the radio by Governor William H. Murray of Oklahoma heads the program for tonight's conference on the southwestern oil price situation. The meeting was called by Carl Estes, Tyler publisher.

Estes said yesterday that several men invited to the meeting had told him they had been warned they might be liable to prosecution for participating in a price-fixing agreement. Estes denied that any attempt would be made to fix prices.

Gandhi Progresses After Fast Broken

POONA, India, Sept. 27 (AP)—Mahatma Gandhi was progressing favorably today, his physician said, after breaking his "death fast" yesterday.

His diet today consisted of grapefruit juice and sugar, and tomorrow he was expected to be able to take some barley water and milk whey.

TWO LINKED IN THEFT RING

BELIEVE FIFTEEN OF TWENTY CARS STOLEN BY TWO SUSPECTS

An estimated 15 to 20 stolen automobiles were disposed of here by two men arrested September 12 at Corpus Christi and arraigned before a United States commissioner there, who set their bonds at $5,000 each. The men, Alfred Gilliam, formerly of Lubbock, and another named Ditmore were described by Lubbock county officers as the remnants of an organized automobile theft ring which operated in the Panhandle-Plains region and other parts of Texas.

The automobiles which the ring disposed of here were recovered, a deputy sheriff said. Peace officers here and elsewhere in West Texas had aided in an attempt to run down Gilliam and Ditmore.

Gilliam and Ditmore had two stolen 1932 Chevrolet automobiles in their possession when arrested, an automobile theft agency investigator informed the sheriff's department here. The men also had, in an automobile, psuedo bills of sale from five states, two loaded rifles, tools necessary to change license numbers on cars, and a book of worthless travelers checks, the private investigator said.

THE WEATHER

WEST TEXAS: Partly cloudy tonight and Wednesday; cooler tonight.

EAST TEXAS: Mostly cloudy, showers in southeast, cooler in north portion tonight; Wednesday partly cloudy, except showers in lower Grande valley and near the west coast. Light to moderate mostly easterly to northerly winds on the coast.

OKLAHOMA: Fair, cooler except in extreme northwest portion tonight; Wednesday fair.

INJUNCTIONS IN FORCE AS FARMERS THREATEN TO CURTAIL MILK SUPPLY

(By The Associated Press)

Injunctions against interfering with milk supplies were in force today as farmers, seekng higher prices, threatened to curtail deliveries to customers in widespread areas.

In Georgia, a climax in the struggle was imminent, while embattled agriculturists considered their next move. Despite a federal injunction against violence, the producers yesterday barricaded highways and dumped hundreds of gallons of milk in an effort to keep it from being sold.

The Pedigree dairies, a large Atlanta distributing company, was asking federal court contempt citations against farmers who allegedly violated a temporary restraining order against interference, with the movement of milk to Atlanta.

Should dairy men in the New York City milk shed decide to strike for prices that would assure them "a chance at least to make a living," upstate New York dairy men today were standing ready to ship their product to the metropolis.

Dr. Shirley W. Wynne, New York commissioner of health, declared he would "not tolerate any interference with the city's milk supply that might in any way affect the city's health."

In Omaha, farmers were calling on consumers and asking them to transfer their patronage from the two distributing firms, who refused to accept a price agreement to "friendly" dairies.

Asbury Women Plan To Make Reports

Reports that are to be sent to conference officers by the Asbury Methodist Women's Missionary society are to be completed this afternoon in a meeting with Mrs. Paul Williams.

Reports were made Monday afternoon at a business meeting of the society at the church. The young women's circle met with the general society.

After a devotional led by Mrs. W. F. Bonds, Mrs. T. B. Cowan and Mrs. J. R. Taylor gave talks on child training.

There were 14 present at the meeting.

Mother of 7—Still Young

THE woman who gives her organs the right stimulant need not worry about growing old.

Her system doesn't stagnate; her face doesn't age. She has the health and "pep" that come from a lively liver and strong, active bowels.

When you're sluggish and the system needs help, don't take a lot of "patent medicines." There's a famous doctor's prescription for just such cases, and every druggist keeps this standard preparation. It is made from fresh laxative herbs, active senna, and pure pepsin. Just ask for Dr. Caldwell's syrup pepsin. Take a little every day or so, until every organ in your body feels the big improvement.

The next time you have a bilious headache, or feel all bound-up, take this delicious syrup instead of the usual cathartic. You'll be rid of all that poisonous waste, and you haven't weakened the bowels. You'll have a better appetite, and feel better in every way. The constant use of cathartics is often the cause of a sallow complexion and lines in the face. And so unnecessary!

Would you like to break yourself of the cathartic habit? At the same time building health and vigor that protects you from frequent sick spells, headaches, and colds? Get a big bottle of Dr. Caldwell's syrup pepsin today. Use often enough to *avoid* those attacks of constipation. When you feel weak and run-down or a coated tongue or bad breath warns you the bowels need to be stimulated. Give it to children instead of strong laxatives that sap their strength. It isn't expensive.

Mrs. W. W. Rix has returned from a visit in Alexandria, La., and Houston, Tyler and Paris. Mr. Rix met her in Houston and accompanied her home.

Miss Gertrude Standefer is the guest of Miss Beth Wulfman, 1806 16th street. Miss Standefer is to teach near Matador this winter.

Mrs. DeWitt Yost of Fort Worth is the guest of her sister, Miss Isla Mae Chitwood, home demonstration agent.

Presbyterians Study Mission Work

Mrs. H. F. Godeke was leader of the First Presbyterian Woman's auxiliary program at the church Monday afternoon. The study was on work of medical missionaries in Africa and China. Mesdames O. V. Adams and J. L. Barstow assisted with the program.

Mesdames Jack M. Lewis and Harry Blocker sang a duet with Miss Margaret Huff at the piano.

Members of Circle 6 were hostesses during a social hour after the program.

Open House Will Be For Baptist Group

Members of the Young Woman's auxiliary in First Baptist church are to have an open house Friday evening, beginning at 7:30 o'clock, for all Baptist women in Tech college. Plans for the affair, which is to be at the church, were made Monday evening at a Y. W. A. meeting with Miss Louise King, 2318 10th street.

Parts were assigned in a play, "Joyce's Wise Decision," which is to be given during the fall prayer week in the church. The "Standard of Excellence" in the auxiliary was discussed.

Members who attended the meeting were Misses Marie Jackson, Opal Louise Creighton, Betty Hamilton, Winona Pardue, Alice Muse Rogers, Emma Chapman, Frances Wynn, Augusta Jenkins, Blanche Reeves and Joyce Ooley. Visitors were Jewel Ferguson and Gladys Fincher.

Mrs. Gipson Heads Society In Church

Officers were elected and installed in the Central Baptist Women's Missionary society Monday afternoon at the church. Mrs. G. D. Gipson is the new president. This church was formerly the South Side Baptist church.

The retiring president, Mrs. Harvey Downing, presided for the installation service.

Officers in addition to Mrs. Gipson are as follows: Vice-president, Mrs. J. W. Brooks; secretary-treasurer, Mrs. J. D. Wages; assistant secretary-treasurer, Mrs. C. O. Pendley; reporter, Mrs. Harvey Downing. Mrs. J. D. Welch is to teach mission study.

Mrs. Downing was presented with a gift by society members. Mrs. Gipson will begin her duties at once. The church year is from September to September.

Baptist Women Attend Luncheon

With Mrs. Tom Campbell presiding, the First Baptist Women's Missionary society made plans for the new year's work Monday afternoon following a luncheon at the church. Forty-five attended.

Mrs. Campbell made an inspirational talk on co-operation between officers and members and Mrs. O. J. Hull discussed "Befriending Young People" preceding the business session. Committee meetings were conducted by groups and later the society met for reports and announcements of definite work for the church year.

Young People Sing Wednesday Night

About twelve young people are expected to sing Wednesday evening in the local audition of the annual Atwater-Kent radio contest, according to Mrs. J. A. Rix, chairman here.

The singing is open to any man or woman between 18 and 25 years of age and is an annual occasion. This year's entrants outnumber those for the last few years, Mrs. Rix said.

Those who enter are to sing Wednesday evening, beginning at 8:30 o'clock, over the local radio station. There will be judges at the station and out in town to select winners. Entrants are to be at the station by 8 o'clock.

Continue Book Study In Auxiliary

Mrs. C. P. Carlock continued to teach from the mission book, "Lady Fourth Daughter of China", Monday afternoon when the First Methodist Mary Helm auxiliary met at the church. Mrs. William Dingus led the devotional. Mrs. Pascal Peek, president, was in charge of a business session.

Animals are much more sensitive to electric shock than humans. Twenty volts are dangerous to cattle and horses.

Additional Displays Are Erected This Morning In Women's Building At Fair

Final adjustments were being made in the women's building at the Panhandle-South Plains fair grounds this morning with the installation of additional exhibits in the women's and girl's clubs booth.

A demonstration pantry, which has been standing in the Lubbock National bank, was moved to the booth this morning. A gift table has been arranged under the direction of Miss Isla Mae Chitwood, home demonstration agent.

On the gift table are suggested gifts from rural people to their friends. Clever verses accompany many of the articles, which are attractively wrapped in cellophane. Canned fruits and vegetables, cakes, breads, bags of whole wheat flour and home ground meal, a watermelon, peanuts and other farm products are included in the display.

Rug Display Good

The rug display in this department is unusually attractive this fall. Hooked and braided rugs made from burlap, old work shirts and overalls, old silk hose and underwear, woolens and other materials are included. Some unusually artistic designs have been worked out and colorings draw attention. These rugs are from Floyd, Hale, Lamb and Lubbock counties.

Winners in the art department have been announced by Mrs. S. J. McFarland, superintendent. First, second and third awards were made in the order named:—

GOTHAM PULSATES WITH WORLD SERIES FEVER; CUBS ARRIVE

SPYING ON SPORTS

BY COLLIER PARRIS

If you are one of Texas Tech's friends, you'll be interested in knowing that something akin to perpetual motion, though they say there's no such thing, going on as regards the athletic department.

We mean by that that Tech's football future looks pretty good. Boy, that freshman squad has some real men on it. Tech is drawing 'em in, and no fooling. Coach Del Morgan has his hands full, but only half as full as they were last week-end.

There's a training rule, subscribed to by Texas Tech, Southwest conference teams and Border conference teams, which forbids the opening of freshman football practice until the day when the doors to the enrollment office are thrown open. Nevertheless at Tech and other schools prospective gridmen, freshmen or no, have a habit of coming to school early, donning grid togs and kicking the ball around while they're waiting for school to to open. A sign of impatience and eagerness.

So last week they began to flock in by the droves. A total of 81 freshman football candidates arrived, checked out a suit of grid clothes and cavorted over the spacious practice fields. Then Coach Morgan began to take notice. As early as he could, he took charge. That was last Friday.

Then things began to happen. The sheep and the goats, as it were, began to separate, and 37 sheep were left yesterday. The others, some of them good men and promising, had enough of it Friday, Saturday and Monday. Forty-four of 'em checked in their suits.

Another week and some more of 'em may be gone. But if as many as 20 stick, it will be a good average. A school that can draw 81 freshman football candidates and keep 20 of them through the fall season can be sure of rolling on.

But look at some of the men who are coming out for Morgan's frosh team. On the roster are such names as Mack Scoggin and Bert Williams of Lubbock High. Both were all-district last year, and Mack was mentioned by several all-state team choosers. Melvin Grigg, a regular Westerner guard, has been coming out. Warren Smith, who once played end for Lubbock High, is a candidate.

Fans of this section will remember how big Brode Puckett tore up and down Class B gridirons for Spur High a couple of years ago. Puckett trekked off to College Station after finishing at Spur, but decided to come home to home. He must serve as a freshman before he's eligible. Weighing 185 pounds and plunging at fullback, Puckett looks good.

A couple of former Slaton High players are among those sticking with the Fish. They are Bill Huckabay and J. E. Ames.

Probably two of the best prospects come from Abilene High. Local fans remember big "Sad Sam" Jones, burly fullback who plowed through the weakening Westerner line and helped Glenn Wyatt get away for those scintillating runs. Gaines Davis, 208 pound lineman candidate for all-state honors, and Hal Kincaid, a flashy halfback, have enrolled from Abilene High.

Central Texas will be well represented on future Tech teams if some boys from Cleburne High come through as expected. Roy Brandon, a light but highly effective back, Gordon Ball, 185-pound fullback or lineman, Farrish White, a quarterback, and J. T. Epperson, an end or halfback, all graduates last spring of Cleburne High, are lined up as future Matadors.

From Plainview High comes Houston Wester, a star basketball player as well as football regular.

Weldon Dowell, "big brother" of big Gwynn Dowell, a regular halfback, so far, on the varsity, follows from Royce City. They say Weldon will make Gwynn do some humping next fall. He weighs 160 pounds.

Houston sends Jack McGuff, a halfback who starred with Milby High school, and J. V. Beachamp. Johnny's little brother, comes from Greenville to contest the latter for a quarterback berth.

That's just hitting the high points. There are others, probably less popular in the state races but just as likely to make good on a college gridiron. They turn out that way a lot of times.

The United States consumes more than 800 million tons of coal each year, and each million tons costs the lives of six men.

AMHERST MEETS SEAGRAVES

CHICUBS OPEN TOMORROW AT NEW YORK

YANKS ARE EIGHT TO FIVE FAVORITES TO WIN THE PENNANT

BY GAYLE TALBOT
(Associated Press Sports Writer)

NEW YORK, Sept. 27 (AP)—The big city pulsated with world series fever today as the Chicago Cubs, glamorous champions of the National league, and the New York Yankees, the boys with thunder in their bats, prepared to fight it out in baseball's greatest spectacle at the Yankee stadium.

Tomorrow they go at it. Two games here, then three at Chicago, then back here for two more if the series goes the limit.

Chicubs Arrive

The Cubs, slipping in under the Hudson at 10 a. m., this morning, were to be given full possession of the great pile in the Bronx for a last-minute brushing up on fielding and sharpening up of batting eyes. The Yankees, too, were to snap through just enough work to retain a keen edge for the big series.

Meanwhile the greatest activity was miles removed from the battle site.

Kenesaw Mountain Landis, from a central location, smoothed out the thousand and one details and gave managers and umpires final instructions. And in the back rooms it went like this.

"Yeah, they're offering 8 to 5 on those Yanks, but it don't mean a thing. Not a thing. Didn't they lay the same figures that the Athletics would take the Cardinals a year ago and didn't this Pepper Martin make them all look silly?"

Showers Likely

That was how matters stood. The approximate odds 8 to 5 in favor of the slugging Yankees, the prospect that there will be showers tomorrow and Thursday, and the majority of fans frankly skeptical of the dope that has established the American league champions top-heavy favorites.

Most of the falling-off in Yankee sentiment the last several days is traceable directly to the doubtful condition of three of the club's outstanding performers, Babe Ruth, Charley Ruffing and Lefty Gomez.

WOMEN GOLFERS WILL VIE TODAY

PEABODY, Mass., Sept. 27 (AP)—With the defending champion retired to the gallery, the 32 qualifiers in the Women's National golf championship were primed today for the opening 18-hole matches on the Salem Country club's course.

Helen Hicks, 1931 titlist, passed out of the tourney yesterday when she carded an 89 for her qualifying test. As she flubbed away her chances most of her more seasoned top-notch rivals survived the competition against par.

Two other stars, Maureen Orcutt and Virginia Van Wie, added to their games history by tying for the medal with par 77's. They engaged in a sudden-death playoff to facilitate the making of the numerical draw for the match play and the former won on the third extra hole forcing Miss Van Wie into the lower half of the draw, which contains Enid Wilson, the British champion, and the most feared player in the tournament.

SAN MARCOS WINS

SAN MARCOS, Sept. 27 (AP)—The San Marcos Teachers' college Bobcats opened the football season last night with a 25-0 victory over Randolph Field of San Antonio. The game was listless, at the start, each team drawing numerous penalties.

Matadors Train For S. M. U. Tilt

MUSTANGS TO INVADE LUBBOCK SATURDAY FOR TECH GAME

Bringing all their traditional color, spirit and ability, together with a will to win, the S. M. U. Mustangs invade Lubbock for the first of Texas Tech's big time contests on the home field this season.

The famous "Aerial Circus" of the Southwest, said to be forced to take a few lessons in ground work this season because of apparant lack of a great passer, will swoop down under cover of darkness, coming into the light provided by a bunch of 60-feet high reflectors which are being installed at Matador Field this week. The game is scheduled to start at 8 o'clock Saturday night.

Tickets Going Fast

Reserved seat tickets, selling for $1.65 each, are going fast as local and sectional fans buy their rights to see the Mustangs and Matadors play ball. By mail order and by personal calls, ticket sellers anticipate a sell-out by Friday morning. Bleacher seats, sold only at the gate, will be limited Saturday night, as more than half of them are being used at the fair grounds.

The Matadors are being rushed through hard practice sessions this week, the drill hinging about a pass defense. With all members of the squad, with the possible exception of Yancy Price, in good condition, the Matadors ought to be ready. Price, regular end, sustained a minor injury in Saturday's game at Amarillo against the Texas Aggies, but may be ready to start against S. M. U.

SPORTS EDITORS PICK LONGHORNS AS LOOP CHAMPS

BY BILL PARKER
(Associated Press Sports Writer)

If Coach Clyde Littlefield could find time for a hunt, he probably would shoulder a machine gun and put down a barrage with Southwest conference sports editors as his targets. But ye editors have beaten Clyde to the open season, and have "spotted" him and his University of Texas Longhorns for the big kill—that of winning the 1932 Southwest conference football championship.

For the scribblers have voted their choice for the title. Five votes went to Texas. Rice received two and Texas Christian one.

Strange though it is, Rice's two votes were gained at Austin, home of the Longhorns. Refusing to be patriotic to their local boys, Homer Olsen of the Austin Statesman and A. S. "Hop" Hopkins of the Austin American picked the Owls to win.

There was a split vote at Houston, where Kern Tips of the Houston Chronicle and Lloyd Gregory of the Post-Dispatch write sports. Without commenting why, Tips simply named Texas Christian first, Rice second and picked Southern Methodist for a third place tie with the University of Texas. Gregory named Texas.

GRIFFITHS IS DEFEATED

MAX BAER IS VICTOR OVER IOWA FIGHTER IN CHICAGO BOUT

CHICAGO, Sept. 27 (AP)—When the plans for the next important heavyweight battle are made it is going to be difficult to overlook Max Baer, the handsome entrant from Livermore, Calif.

In the Chicago stadium, same ring where he flattened Ernie Schaaf of Boston, less than a month ago, Baer last night definitely eliminated Tuffy Griffiths, game youngster from Sioux City, Ia., from consideraton as a championship contender by a technical knockout in the seventh round.

Endowed with all the physical advantages, height, reach and a weight pull of 16 pounds, the Californian literally hacked Griffiths down to defeat.

Griffiths' courage carried him through one storm after another, but in the seventh, a crushing right to the jaw sent him reeling against the ropes and as he bounced off, another left him rubber-legged and ready for the finishing punch. Referee Little Phil Collins stepped in before the decisive punch could be delivered.

Apolonia told police he wanted his wife and children back—also, his prize cow.

IMPOSING LIST OF FROSH GRID CANDIDATES OUT

An imposing list of freshman football candidates, calculated to replace the Texas Tech Matadors in the seasons to come, is being eyed with pleasurable anticipation by Freshman Coach Del Morgan this week.

The squad of first year men, cut from 81 to 37 within a few days after the official opening date, will make their first public appearance Thursday when they meet the varsity reserves in a regular game at Fair Park.

Here They Are

The list of candidates out of the freshman team, their home towns and favorite positions is as follows.

Willy Blout, San Augustine, halfback; Jerry Briscoe, Amarillo, backfield; Warren Smith, Lubbock, end; Lynn McCraw, Sherman, tackle; Harry McCubbin, Arkansas, fullback; Bill Scott, Denton, back; B. F. Crawford, Rockwall, tackle; J. V. Beauchamp, Greenville, quarterback; Mack Scoggin, Lubbock, back; Mark Higl, Burkburnett, halfback; Bert Williams, Lubbock, tackle; Vernon Williams, Wolfe City, tackle.

Tom W. Jones, Roswell, N. M., end; Vern Rohrer, Weatherford, guard; Frank Orr, Big Spring guard; Gordon Ball, Cleburne, fullback; Houston Wester, Plainview, back; Jack McGuff, Milby High, Houston, halfback; Leon Marks, Clovis, N. M., tackle; Bill Huckabay, Slaton, center; J. E. Ames, Slaton, end; Lawrence Turner, Claude, end; Lewis Jones, Cleburne, line; Farrish White, Cleburne, quarterback; Weldon Dowell, Royse City, halfback; Dale Clarke, Monaca, Penn.

J. T. Epperson, Cleburne, end or half; Melvin Grigg, Lubbock guard; Ray Brandon, Cleburne, back; Earl St. John, Royse City, back; Billy Joe Welch, Floydada, back; Brode Puckett, Spur, fullback; Robert A. Madeley, Conroe, fullback; Sam Jones, Abilene, fullback; Hale Kincaid, Abilene, halfback; Gaines Davis, Abilene, guard or tackle; Kenneth Frazier, Farmersville, halfback.

FAIR PROGRAM FEATURED BY GRID TILTS

LUBBOCK "A" TEAM IS BEATEN BY "B" CLUB IN MONDAY CLASH

Continuing the daily football program at the Panhandle-South Plains fair, the high school teams of Amherst and Seagraves will tangle at 4 o'clock this afternoon on Fair Park field.

Seagraves and Amherst forfeited their standing in the Texas Interscholastic league in order to play today's game. A league ruling forbids games until the last Friday in September.

A long pass, Bill Davidson to "Posum" Blackwell, late in the fourth period, which ultimately resulted in a touchdown kept the Westerner "A" team from being shut out by the "B" team yesterday afternoon but it was not enough to keep the latter from scoring a 12 to 6 victory in the opening gridiron contest of the Panhandle-South Plains fair program.

Coaches Chapman and Huffman divided their squad yesterday, using first stringers on both teams. Rayburn Hale, quaterbacking for the "B" team, an offensive star in the game, shot a pass to Tol Terrell for 12 yards and then Hale circled right end to score in the second quarter to give the side a lead. Early in the second half he tossed a pass to Robert Stone and the latter scampered 40 yards to score. Neither kick was good.

Rufus Ryan, Joe Nelson, Bill Davidson and Richard Godeke played in the backfield for the "A" team, which was weakened by the absence of Hugh Newton, injured on the first play, and Bob Vaught, who was ill. Blackwell, Captain Louis Spear, Robert Hale, Chester McCarthy, Harold Gaines, Newton and Dalton Blagg composed the starting line for the "A" team. Stone, Wimberley, Rice, Bain, Speers, Doherty, and Wayman Newton were linemen for the winners. Hutson and Billings were the other backs.

Woodward Boosted For Kiwanis Post

Garland Woodward, Big Spring attorney and organizer of the Big Spring Kiwanis club, is being put forward by that group as a candidate for district governor of the Texas-Oklahoma district. His candidacy will be presented at the annual meeting at Harlingen, October 23-25.

Woodward, at present a lieutenant governor, holds an honorary membership in the Lubbock club because of his work here before moving to Big Spring about six years ago. He is one of the best known leaders of Kiwanis in West Texas.

For next year, starting after the Harlingen meeting, a Texan will be district governor and in the 1933 meeting will be in an Oklahoma city. This year the meeting is in Texas with an Oklahoman presiding.

An active campaign to obtain support of Woodward's candidacy is being made by the Big Spring club. Every club in the district is to be solicited for support.

David Scholtz, Daytona Beach candidate for governor of Florida, drove his automobile more than 25,000 miles during his campaign.

Dixie Series To Continue Today

CHATTANOOGA HOPING TO WIN SERIES BY VICTORY TODAY

CHATTANOOGA, Tenn., Sept. 27. (AP)—The Chattanooga Lookouts and the Beaumont Exporters get together today for the fifth game of the Dixie series if the weather is not as cold or wet as yesterday.

Chattanooga, entry in the classic from the Southern association, has a lead of three games to one. Manager Del Baker, boss of the Texas league champions, said he would use Izzy Goldstein in the box today. Either Duster Mails or Red McColl will work for Chattanooga.

The boys sat around radiators yesterday and talked about dividing the jack pot they will get from the first four games. Beaumont players decided to split their share of the spoils 23 ways among the 20 men on the team, Manager Baker, Business Manager Robert Stow and with half a share each to Cowboy Jones and Joe Jachym who were with the club the first half of the flag race.

The Beaumont players will collect $8,982.15 if they win the series and $5,982.15 if they lose.

Newark Will Meet Minneapolis Today

NEWARK, N. J., Sept. 27 (AP)—Eyes of the minor league baseball world turned to this city today to watch the opening engagement of the little world series between the champions of the International league and the American association.

Newark, itself, was in a holiday mood as today's battle between its own Bears and the Minneapolis Millers marked the first time in its history the classic of the "Double A" leagues was held here.

There are more than 30,000 lakes in Florida.

SCHMELING IS WINNER OVER IRISHMAN

MICKEY WALKER SENT TO DEFEAT BY MAX IN EIGHTH ROUND

NEW YORK, Sept. 27 (AP)—The fight game gladly bundled up its outdoor season paraphernalia today and left the heavyweight question for Max Schmeling and Jack Sharkey to dispute next summer and settled down to discussions of one of the most stirring and unusual heavyweight battles of modern history.

Back to the middleweight division, by his own consent, went Mickey Walker, still claiming championship there, with the plaudits of 50,000 of the faithful still ringing in his ears, as game a little fellow as ever stepped out of his class to take crushing defeat manfully until there was not another breath of resistance left in him.

To Return Home

For Max Schmeling, conqueror of the doughty little Irishman in eight rounds in the 1932 closing show at Madison Square Garden bowl, there was nothing left this year but a jaunt back to Germany, a rest for a few months and then return to resume his feud with Sharkey.

For a while last night it seemed Walker was to cap a glorious career with a stunning upset victory and win the right to challenge Sharkey in Schmeling's place.

But in the eighth round the lightning in the black-browed Teuton struck Walker with full force.

Without waiting for Referee Jack Denning's interference, Jack Kearns, Walker's manager, leaped into the ring and refused to let Mickey go further.

The gray locust takes on the color of the dusty plain where it makes its home.

Thought For Today

The whole earth is at rest, and is quiet: they break forth into song.—Isaiah 14:7.

Faith and joy are the ascensive forces of song.—Stedman.

Not Useless

A sample of the way in which a city can turn the energies of its jobless citizens to good account was provided this fall in a middle-western industrial town, which has just opened a charming new park where a dismal rubbish heap held sway a few months ago.

The rubbish heap was turned into a park by the unemployed, working under the direction of officials of a charitable organization. The unemployed were being supported by the organization anyway; they had no chances of getting any other work; they were glad to be able to make some sort of return for the help they were getting.

So now the city has a nice new park, which will be a delight to its citizens for years to come—and it was it at no extra cost. The stunt is well worth copying elsewhere.

Writer's Paradise

The ex-convict who is actually glad to go back to prison is a rarity in real life, however common he may be in farce comedies. But John Evans, who served a term in San Quentin prison and who is due to begin another one in Sing Sing very shortly, insists that he really will welcome his return to a prison cell.

Evans is a writer. He was a member of that odd, strangely-talented "literary colony" in San Quentin, and did a good deal of literary work there. But when he was released, early this year, he got to roaming about the land cashing phony checks and getting into trouble with policemen, so now he faces a 10-year stretch in Sing Sing and he's glad of it.

"You may find it hard to believe, he told a reporter, "but I'm genuinely glad to be going back to the big house. When I was in San Quentin I had a trusty's job which afforded me considerable time for writing. When I came out I was out of my element, restless, distracted. Entering Sing Sing will be like going home.

Bolivia and Paraguay each claim victory after their frequent skirmishes. Taking a leaf from the book of Democratic Chairman Jim Farley, who claims every state for the Democrats except five doubtful ones that he thinks are "pretty safe."

THE ladies, heaven bless 'em, kept the 19th annual Panhandle-South Plains fair from being a total bust yesterday afternoon. They had their department up and going in spite of the mud and high water that played havoc with most of the rest of the exposition.

It only goes to show that when a bunch of women make up their minds to do something, that they'll do it, or bust.

* * *

You've heard the old saw about 'the show must go on', and about how nothing is ever permitted to hold up an outdoor show.

Well the ladies in charge of the women's department had their show going on, with plenty of customers looking it over, before the Wortham midway attraction did much more than get started.

* * *

DUE to inclement weather, which has portended too long as far as the fair is concerned, the exposition has practically lost one of its six days and nights.

Everything was so slow in starting Monday that Lubbock and South Plains people must redouble their efforts to support the institution between now and Saturday night.

For Pete's sake go to the fair.

Go early and often because it needs your support.

* * *

TEXAS Tech, young as it is, may well take a tip from its older brothers in the field of higher education and plan for the day when Tech-exes can be sent to the legislature in large numbers.

Both the university and A. & M. have watched carefully their every opportunity to slip an ex-student into the body of lawmakers and no one can say that by so doing they haven't helped themselves.

This is no criticism of either A. & M. or the university.

The thought is merely being offered because it is the smart thing to do to look after a school's interests by sending friends of that school to Austin.

* * *

The University of Texas News service announces this week that the next session of the legislature will see nine Senators and 33 Representatives who are ex-students of the Austin institution. Included in the list of Senators is Arthur P. Duggan, of Littlefield, who represents this, the 30th Senatorial district.

That is an imposing list of embryo supporters of the university to be sure, and the University of Texas, rolling in wealth from natural resources and spending millions for new buildings will likely be given a further break when appropriations are passed around.

* * *

A. & M.'s representation at Austin has always been considered better than that of the university—at least in recent years—and in addition to its ex-students in the House and Senate the Aggie schools' alumni association has managed to keep an effective lobby going.

Ex-students of both the university and A. & M. number thousands in every portion of Texas and many of them are influential business, professional and political leaders in their various localities.

It is apparent even to the most gullible that a state office-holder will do everything he can to stay in the good graces of university and A. & M. constituents—particularly if he has political ambitions.

* * *

Tech directors, friends and alumni may well set their sights on the political horizon of the future and arrange, whenever possible, to get Tech-exes out for the legislature.

If and when it will be possible to furnish a leader or two for both houses, Texas Tech will no longer smart under the slap that it has smarted under for the past two years, namely, the fact that Prairie View Normal (colored) has received more maintenance appropriations than has the great state institution located in Lubbock.

* * *

The Plainview Herald reports that the pulse of the plains quickens after a good rain.

If that is the case most of us should have high blood pressure after the precipitation of the past five days.

DOCTORS, lawyers and newspapermen, whose vocations have been spanked with gusto by the gentlemen who make talking pictures, will have a chance to laugh at Hollywood and the cinema game here in a couple of weeks when the Lindsey presents "Once In A Lifetime."

The venerable Carl Laemmle, who has produced the film, has spared neither himself nor rival producers in presenting Hollywood as she is.

Reports on the feature, as published by Time, Liberty and other current magazines, are united in the claim that the foibles of the picture capital are presented faithfully and humorously throughout.

Which is a reminder of a pretty good story going the rounds:

"Certainly, Johnny", was the reply. "Is your 'phone out of order?"

"Not exactly", said the youngster. "Sister's using most of it to hold the window up; mother's using the mouthpiece to cut biscuits and baby's cutting his teeth on the cord!"

Hoover's Unwillingness To Let Country Forget Eviction Of Bonus Army From Capital Remains Political Mystery

BY RODNEY DUTCHER
NEA Service Writer

WASHINGTON, Sept. 27.—President Hoover's unwillingness to let the country forget his eviction of the bonus army from Washington may always remain an inexplicable political mystery.

Dutcher

His course toward the B. E. F. appears to have been a political blunder from the start and his insistence on dragging the issue out again through his prosecution of Attorney General Mitchell's report seemed to indicate that he was a glutton for punishment.

You can cheer indefinitely about Hoover's firm stand against the cash bonus and you might even applaud the eviction itself. But no one here who follows politics and public reaction question the consistently unfortunate effect of the administration's B. E. F. policy at a time when the president is in need of popular favor.

* * *

The question is: How in earth did Mr. Hoover come to be jammed in for it?

Inside information has it that the motive behind the hasty eviction was administration desire not merely to make a grandstand play to the country's applauding conservative element.

It did expect a favorable reaction especially from the wealthy conservative group and an acceptance of its charge that the bonus army was led by Communists and criminals. An odd one group of army, justice department and secret service spies unable to see any color but "Red" appears to have loaded the president with the information he has passed on to the country.

But the decisive factor was the imminence of the forceful, masterful Hoover acceptance speech. There was every likelihood that a few radicals, if not a considerable portion of the B. E. F. would take this occasion for a demonstration. Hoover would have felt compelled to deliver the speech with the White House, Constitution Hall and the way between heavily guarded by police. All agreed with him that the project was pretty bad. So the action was accomplished with tear gas, bayonets and fire.

Ultimately, the administration forgot about the forgotten man. There had been much inarticulate sympathy for the poor soldiers. And the politicians promptly learned of a large mass resentment among other veterans, their relatives and friends. This far outweighed the favorable reaction from the so-called upper and middle classes, which was by no means unanimous.

A flood of explanatory statements poured out from administration officials, but even staunch administration newspapers, anxious to hold Hoover commented sourly on their absurdity.

The explanation about the Communists failed because the Communist factor had been so insignificant. Police arrested 47 Communists and had to let them go because no reason could be found for their arrest. A grand jury could only indict three overseas vets who had thrown rocks, but hated the Communists like poison.

Two weeks after the eviction Hoover unleashed Mitchell's report which sought to show that many of the bonus marchers were criminals. The second reaction was even more unfavorable than the first.

The newspapers shot the Mitchell report full of holes. Legionnaires at Portland foamed at the mouth. Superintendent of Police Glassford here, who had handled the bonus army without disorder until Hoover intervened, raked the report fore and aft. The administration failed to fire Glassford, apparently because he was too popular and could demand an open trial.

And the administration's muddle was still further accentuated when, after Secretary of War Pat Hurley had given the Legion his solemn word of honor that federal troops didn't set fire to bonus army shacks, Assistant Secretary Payne announced that "possibly they had but what of it?"

Some writers have guessed that Hoover's reopening of the bonus army affair meant that he was defying all veterans and hoping thus to attract support of all anti-bonus elements. That may be so, but it is obvious that in the bonus army question the president has grabbed himself a red-hot potato.

THE PLAINSMAN GETS SOME MAIL

READER DEFENDS COWS IN CITY LIMITS

Dear Plainsman: I don't break out often in print but I think the people of Lubbock should give the city council a vote of thanks for excluding all animals from most of the city because this act will place many families that are just getting by, on charity for this winter. I can't understand why a bunch of men that are supposed to be intelligent would pass such an ordinance in these times of depression. It certainly was a smart move if you know what I mean.

Today the Welfare Society is collecting old clothes for poor people and through our churches we have given canned goods and still we take away their cow that is furnishing food for under nourished children.

I have never kept a cow and I have been troubled with a cow that a neighbor kept, but I think this is a very poor time to clamp down on poor people that are depending on their cow to live. I have lived close to cows for the past years and I am sure the cows didn't draw one fly where the garbage that should have been moved days before it was done thousands. I have a closed garbage can but most people don't and the city does nothing about it. That is a real menace. Garbage service in this city is very poor. On one occasion it was 12 days before it was moved. That's service. Let's give the poor people a chance to live especially when the cow they are keeping is not as great a menace to health as the garbage in open cans which the city does not move regularly.

Respectfully,
Claud A. Smith, 2008 Ave. U.

BOWMAN WINS FIRST PLACE

DIABLO PRINCE COPS PRIZE IN HORSE SHOW AT FAIR

Diablo Prince, owned by Joe Bowman of Lubbock, won at the headline event at the horseshow at the 19th annual Panhandle-South Plains fair last night. Billy Graham, riding Nellie, was the child winner. Tonight's program, beginning at 8:10 o'clock, will have competition in two divisions.

Diablo Prince was first in the plantation class and young Graham first in the children's class, in which riding ability alone counted. Other horses ranking in the plantation division, in which the animals showed a walk, fox trot, and canter, were:

Other Rankers

John A. Stinson's Prince, ridden by Jess C. Levens; Mrs. Stinson's Abu Zeyd; O. W. McLeod's Black Cloud; and Chas. A. Guy's Clara Bow ridden by C. A. Sheffield.

Besides Graham, winners in the children's division were: Pete Cawthon, jr., on Peggy; Jackie Abbott, 8, on Don W. Skipper's Bunny; Eldon Hays on Lady; and Ed Wester on Prince.

The family of Captain H. J. Thornton was represented by four horses and mounts in the display. They were Captain Thornton and his three children, Dorothy, 10, Mary, 9, and Harvey, 8.

Several Attract Attention

Several horses which did not place attracted the attention of the audience. They included Mrs. R. J. Keller's Black Beauty, ridden by C. M. Carroll; and the mounts of Sylvia Ainsworth and Durwood H. Bradley.

Others taking part in the show included: Mrs. Sid Thrash, Ruth Zimmerman, Mrs. Carl R. Armstrong, Jack Williams, Chas. Smith, jr., Eleanor Crenshaw, Hazel Ligon, Oscar Halsell, and Doyle McLeod.

In the racking class tonight mares, geldings, stallions or ponies are eligible, with ladies or gentlemen riding. The animals will be judged 50 per cent on smoothness and timing. In the children's contest, boys or girls, 10 years of age or under, riding ability alone will count.

LIONS OFFICIAL VISITS CLUB HERE

"Do all the good you can for your community but have all the fun you can while doing it" was the advice given by District Governor Herbert C. Walker of Pampa to members of the Lubbock Lions club today noon in the Hilton. Mr. Walker paid his first visit to the local club today since his election to the post in the district convention here last May.

Reviewing the work of Lionism in international activities, the state and the district, Mr. Walker pointed out that the organization of new clubs would not be stressed nearly so much in the district and state as the strengthening of old ones. He said Lions International had averaged organization of a new club every day for the past four years. He said Texas was outstanding in the states of the nation and the District 2-T was outstanding in the state of its activities.

An octarino quartet composed of Roger Knapp, Fred Fairly, Lynn Gray Gordon and Culver Hill presented several numbers to the club preceeding Mr. Walker's address.

M. E. Heard was chairman of the program.

WALKER TRIAL

(Continued from Page One)

District Attorney Durwood Bradley and Judge W. J. Oxford of Stephenville, Richardson's chief counsel, having eliminated a long hearing.

The jury deliberated 20 minutes in concurring with the attorney's agreement.

Richardson was sentenced immediately by Judge Clark M. Mullican, the defendant having waived the two days allowed by law before being sentenced.

Richardson's aged parents, two brothers and a sister were in the courtroom during the hearing. The women wept through most of the proceedings. His mother took the stand as the sole defense witness and testified briefly to Richardson's character while in Erath county and "at home".

Mrs. T. B. Hilton, her brother-in-law, Joe Hilton, and District Attorney Durwood Bradley were state witnesses, each testifying to essentials needed to carry out Richardson's guilty plea.

Pebsworth To Face Trial At Portales

Lee Pebsworth, Portales, N. M., rancher, charged with the slaying of Harve Bolin, veteran South Plains peace officer and deputy sheriff of Hale county, will go to trial at Portales October 10 on a charge of murder.

Pebsworth's trial first was scheduled for Monday but was postponed. He is accused of killing Bolin at his ranch 46 miles south of Portales, August 20. Pebsworth was wounded in the encounter with New Mexico and Texas officers. He later was captured near Tatum, N. M.

The accused man was wanted in connection with the robbery of the Olton bank several months ago.

GOOD ENROLLMENT

MORTON, (Special)—Enrollment in the Morton grade schools has passed the 200 mark, Principal Smith states. Departmental work is being carried out in the fourth, fifth, and sixth grades with Miss Nix teaching music, health, reading, arithmetic and history and Mrs. Burns geography and English.

Cotton Market

NEW ORLEANS REPORT

NEW ORLEANS, Sept. 27 (AP)—Cotton opened fairly steady today, considering the large tenders on October contracts in New York this morning, totaling 60,000 bales. In addition, 9,400 bales were tendered here bringing the local notices to 42,300 bales. Liverpool cables came in about as due and first trades here showed losses of 2 to 7 points, due principally to hedge-selling. Prices recovered somewhat when the notices appeared to be promptly stopped and the improvement was helped by a map showing considerable rain in the belt and the appearance of the tropical storm in Puerto Rico.

December, after dropping to 7.44 or six points down from yesterday's close, recovered 7 points to 7.51. October, after declining to 7.34, recovered two points to 7.36 notwithstanding the large tenders.

Near the end of the first hour the market was steady on the upward tendency.

The market ruled steady but rather quiet all morning. Prices fluctuated narrowly, October finally trading down to 7.33 and December to 7.43 or 7 to 9 points under yesterday's close. This was a small decline considering the heavy October tenders as prices met support of the unfavorable weather advices. Such decline as occurred was attributed mainly to hedge-selling.

Near noon the market showed a disposition to rally and the active months recovered 2 to 5 points from the morning lows, December recovering to 7.48, or only 2 points under yesterday's close.

NEW YORK REPORT

NEW YORK, Sept. 27 (AP)—Cotton futures opened steady, 2 to 6 points lower under October liquidation against 513 notices.

There also was some southern and wire house selling, but their October offerings were readily taken by the trade and the selling became less active after the call. December contracts, which had sold off to 7.41, rallied to 7.48, with active months just about recovering their initial losses, but there was further liquidation and scattered selling and the market at the end of the first half hour was about 2 to 5 points net lower. The earlier cables from Liverpool were relatively steady.

According to later reports the notices issued this morning represented about 56,400 bales of cotton, and their circulation caused flurries of October liquidation. The market held fairly steady and prices at midday were about net unchanged to 3 points higher.

Stock Market

WALL STREET REPORT

NEW YORK, Sept. 27 (AP)—Stocks wavered for a while at the start of trading today but later advanced moderately, under leadership of the rails and motors, in a quiet and largely professional market.

There were some soggy spots, but most of these were cared for when the general list turned upward. Allied Chemical, Woolworth, Delaware and Hudson and Leghigh Valley were under pressure at times, although Allied Chemical erased all of its early loss when directors declared the regular $1.50 quarterly dividend. Union Pacific converted an early loss of 1 point into a gain of nearly 2. Santa Fe, Northern Pacific, Southern Pacific, Illinois Central, Baltimore and Ohio and Chesapeake and Ohio gained 1 or more.

General Motors advanced a point and gains of equal scope were made by Chrysler, Nash, Mack Truck and some of the accessory shares. Utilities were firm. Consolidated Gas, American Telephone, Public Service and American Waterworks were up a point or more. Gains of around 2 were made by Dupont, American Can, American Smelting, Eastman, Air Reduction and Westinghouse Electric.

Grain Market

CHICAGO REPORT

CHICAGO, Sept. 27 (AP)—Downturns in grain values took place early today as a result of scattered selling which found the market without aggressive support. Corn touched a new bottom price record for the season.

Opening 1-4 to 3-8 lower, wheat continued to sag. Corn also started 1-8 to 3-8 off and later held near the initial limits.

BITS OF NEWS PICKED UP AT FAIRGROUNDS

NEW PLAYMATE

"Wild" Rose, a sideshow attraction on the fair midway, has a new playmate—a rattlesnake which was found coiled in the show bannered "Does crime pay?" early this morning.

The reptile, found at about 7:30 o'clock, was so cold and chilled that show attaches had no difficulty in setting an open box behind it and shoving it inside. Where it came from no one seemed to know. So late is the season that the snakes seldom appear. The reptile was added to Wild Rose's collection, where it seemed to enjoy the warmth of the tent.

• • •

MIDWAY IMPROVED

A road patrol grader was smoothing down midway roads this morning. With the work which is being done today the grounds are expected to be in excellent shape both in and outside the exposition area. At no time since the show opened Monday have automobiles been hampered in moving about the park.

• • •

EXHIBITS VARIED

The feature of the agricultural building is a group of eight communities from Lubbock county. The variety and quality of the exhibits prove a real eye-opener. The average layman would have difficulty in ranking the first four of the eight, and the judges are anticipating close contests.

• • •

ACUFF DISPLAY GOOD

The Acuff display is one of the best, bearing out their slogan, "With aid of county agents we CAN live better." The motto is made of cotton, pasted to the background. The exhibit includes cotton, beans, peas, onions, feed, melons, and pumpkins.

Another topnotcher is that of Liberty, in which maize heads, peanuts, onions, peas, beans, melons, and other field and garden products are arranged artistically.

• • •

EXHIBITS DESCRIBED

Without any attempt to rank the other displays, these brief descriptions are given.

Canyon—"The strongest spoke in the hub" is the phrase written in small red peppers above this community's display. Field crops and vegetables, both fresh and canned, are shown.

Shallowater—A variety of products, including wheat, canned fruits and vegetables, sweet potatoes, and pumpkins, is pleasingly placed.

Posey—This booth also offers sweet potatoes, peanuts, canned fruits and vegetables, and pumpkins.

Grovesville—The numerous products of this community include: canned fruits and vegetables, feeds, peanuts, potatoes, onions, beans, egg plants, and beets.

Hardy—Peppers, canned fruits and vegetables, fresh vegetables, and beans are shown, as well as field crops.

Union — The display includes onions, turnips, maize heads, peanuts, fruits, vegetables, and a pumpkin.

• • •

PUMPKINS INCLUDED

In all displays, including the general agriculture, the season of the year is stressed especially by huge yellow pumpkins. Virtually every community and county exhibit has included a pumpkin.

• • •

WELL REPRESENTED

The county division is well represented by Roosevelt, N. M., and Hockley, Roberts, Terry and Bailey counties.

R. L. Brown of Bailey is especially proud of the nicely shaped red Irish potatoes his exhibit includes.

• • •

SUNFLOWERS USED

Floor of the Roosevelt exhibit is made of cotton seed hulls, and the backboard is made of sunflower blossoms on a green background.

• • •

VARIETY FEATURED

The Roberts county booth is noticeable for the variety of beans and peas presented, as well as the displays of barley, oats, wheat, hay, maize, potatoes, and cabbage.

Hockley has a well-arranged booth of peanuts, maize, a pumpkin, and other articles. Terry county corn is placed well to the front of that exhibit.

LUBBOCK DAY CROWDS ATTEND FAIR; STORES, BANKS AND SCHOOLS CLOSE

(Continued from Page One)

general superintendent, said, and placing of dairy cattle—Holsteins, Guernseys, and Jerseys—will begin at 9 a. m. Wednesday.

Two judges were to arrive early this afternoon to begin ranking of displays in two other departments. Marvin J. Paul of Amarillo, scout executive, will begin judging of Boy Scout exhibits when he arrives. J. I. Sieber, poultry superintendent, said placing of poultry exhibits was to begin this afternoon, also. More than 250 chickens are on display in the poultry barn.

Rabbits Judged

With about 100 rabbits, or nearly twice the number of last year, judging in that department began at 10 o'clock this morning. Russell Middleton of Amarillo is judge.

Ranking of Four-H club entries in the baby beef and hogs division began this afternoon. Douglas Pounds, superintendent of the hog show, said Poland-Chinas would be judged Wednesday, and Duroc-Jerseys and Hampshires Thursday.

The fairgrounds are in good condition, following fair weather Monday afternoon and intermittent sunshine this morning. The park and roads leading to it were being conditioned by road equipment at noon.

It's Fair Time

A repetition of Monday night's carnival spirit was anticipated for this afternoon. It was fair time—from the livestock barns to the football field, from the implement shed to the industrial building, from the woman's building to the back of the midway on which the John T. Wortham shows have been placed. The cries of barkers, the odors of cooking foods, and the shouts of the crowd branded the occasion—fair time.

A $2 program for two-bits brought 7,482 persons to the fair yesterday, Manager A. B. Davis reported. The figure is about 2,000 less than opening day, 1931, when weather conditions were much better.

Special days are set for the remainder of this week. Wednesday is School Day and Plainview Day. The Hale county seat is sending a band, officials have been advised. Hale Center and Muleshoe football teams will play in the afternoon.

Thursday is Amarillo Day, and Mason King, chamber of commerce representative, said a large delegation would be here from the Panhandle metropolis. The Texas Tech freshman team and the Tech reserves will play football.

Crosby and Hockley county day will be observed Friday, with the Levelland and Ralls football teams meeting in the afternoon.

Saturday is to be Terry and Lamb county day, with the Brownfield and Littlefield high school teams playing.

A crowd of several hundred persons who viewed the first portions of last night's program quietly began cheering soon after the fireworks began exploding. Rockets which burst high in the sky and sent showers of multi-colored flames floating gently down began the program, which ended with two "stills," one of three battleships which actually fired at each other, and of the United States flag.

Trapeze stunts by the Landus duo and a wire walking program by the Stellar quartet filled in the early part of the night, with the horse show, Texas Jack, a lanky trick rope and whip artist, held the audience's attention with his whip and whirling ropes. The wire walkers drew a good hand.

MAYOR THANKS RESIDENTS FOR OLD CLOTHING

Mayor J. J. Clements this morning expressed appreciation of Lubbock's response in an old clothes drive last Saturday, and of work done by Mrs. J. A. Raley, jr., chairman of a committee arranging for automobiles to transport the contributions, and by others participating.

More and a better grade of clothes were given than ever before, the mayor said. Persons having packages of clothing which they wish to give were asked by the mayor to telephone City hall, and the apparel will be collected. Another autoload of clothing was picked up Monday. Nearly 300 bundles were distributed to indigent families Monday. No estimate of total contributions had been obtained.

• • •

Suspect Charged—Virgil Gleed, transferred to county jail here Monday, has been charged with burglary in justice court at Slaton in connection with robbery of a freight car railway, a deputy sheriff said. Recovery of two wool-lined jumpers and two heavy sweaters, among the loot from car, was believed to have led to the arrest. The merchandise, consigned to Plainview and Amarillo firms, included sweaters, scarfs, shirts, and jumpers, taken from the train between Post and Slaton, September 21.

• • •

Boy Missing—The series of runaway and missing children in Lubbock and vicinity was increased Monday, when Dudley Wallace, 13, left his home at 1419 Seventeenth street about 8 a. m. for school, and at 8 o'clock this morning had not returned. When he left home, police were told, the boy wore blue overalls, a gray shirt, a dark blue sweater, and was bareheaded. He has brown hair and gray eyes.

• • •

Goes To Hereford: Miss Nelle Ayres, who served nearly a year as Lubbock county health nurse, retiring some months ago, is the new health nurse for Deaf Smith county. She has started her work at Hereford. Miss Ayres came here from Plainview where she served several years as Hale county health nurse. Her mother, Mrs. Maud Ayres, who lived with her, has gone to Hereford. They lived in Dallas after leaving Lubbock.

• • •

Guardsmen To Attend: Officers of two Lubbock batteries and one Plainview battery of the 131st Field Artillery, Texas National Guard, will work on fire problems at a range 33 miles east of Plainview, Saturday and Sunday. Col. Charles A. Davis, Lubbock, commandant, will have his staff and regimental officers from the two towns with him.

The Plainview unit, Battery A, will march its guns and caisons to Faris switch, on the F. W. D. C. where the camp will be made. Men of the two units here, Battery C and the service battery, as well as other units and officers, are to participate.

• • •

Roberts Hurt: A compound fracture of the left leg was suffered late Monday afternoon by C. L. Roberts, about 43, of 1926 Twenty-sixth street in a fall from a scaffold, erected for use in building a candy kitchen, on Nineteenth street. He was taken to Lubock sanitarium.

To Hear Orchestra — Plainview will be one of two Texas towns to hear Earl Burtnett and his Biltmore Hotel—WGN broadcasting orchestra on its return trip to California from New Orleans, where it has had an engagement. Plainview will hear the orchestra on Monday night, October 3, at the Hilton ballroom. The other engagement is at Dallas in the Baker hotel the Saturday night before.

• • •

Fluid Increases—Although there was an increase of 1,300 feet in the amount of fluid in the hole of the M. L. Richards, et al, No. 1. W. O. Connell on the OS ranch lands near Post, late reports indicate there is little chance of development of production. The fluid increased from 100 to 1,400 feet after two shots of nitroglycerin. No mention of water content was given in reports.

The first shot of nitro was at from 2,890 to 2,910 feet, with 60 quarts. A second shot from 2,820 to 844 feet was with 100 quarts. The hole was bottomed at 2,948 feet with three showings of oil, 2,828-36 feet; 2,847-57 feet and 2,895-2,910 feet.

Location is on the Harrison farm on the ranch lands, in section 30, block 5, G. H. and H. Ry. survey, between four and five miles southwest of Post.

• • •

Commission Meets—Only routine matters came before the meeting of the county commissioners' court Monday. Bills were approved and accounts audited. New membere met with the court. In the afternoon the court attended the Panhandle-South Plains fair.

• • •

Robbery Probed—Police are investigating the robbery of the M-System store at 1945 Nineteenth street, early Monday. Ten cartons of cigarets, 10 sacks of sugar and three 48-pound sacks of flour were reported missing. The back door was forced open.

• • •

Rollo Improved—Improvement was reported this morning in the condition of James Rollo, 78, seriously ill at the home of his son, Dr. J. W. Rollo, City health officer, at 1802 Avenue S. The elder Mr. Rollo has been ill about six months. He is suffering from anaemia.

• • •

Arm Broken—David Cassidy, 17, who said his home was "nowhere" suffered a compound fracture of the left forearm this morning at the fairgrounds. He said he stumbled on a board near a concession stand and fell. He was treated at West Texas hospital. Both bones in the arm were broken; a broken end of one emerged.

• • •

Rancher Improves — Slight improvement was reported late this morning in the condition of D. M. Devitt, owner of the Mallet ranch, who was in a critical condition at Lubbock sanitarium. He was suffering from erysipelas, which developed Sunday after he had suffered a ruptured blood vessel in the scalp when he fell in his room at the Hilton hotel last week.

HISTORY HEAD IS SELECTED

PROFESSOR GUS FORD APPOINTED HEAD OF TECH DEPARTMENT

Back from a two years' stay at New Haven, Conn., where he completed his residence work for a doctor's degree, Prof. Gus L. Ford, member of the history department at Texas Technological college, has been named acting head, Dr. Bradford Knapp, president, announced. The appointment was made on the recommendation of the council of deans and approved by the executive committee of the board of directors.

In announcing the appointment President Knapp said the department "is so well provided with men of very fine training and experience that this selection was difficult to make." He added that he decided to follow the recommendations placed in his hands at the time he came here. Professor Ford is the oldest man on the staff in point of servce.

Other members of the staff include, Dr. W. C. Holden, Dr. S. S. McKay and Prof. C. D. Eaves.

S. M. U. Alumni To Hold Dinner Here

Southern Methodist university alumni on the Plains and Southern Methodist students coming to Lubbock for the Matador-Pony football game will attend a dinner at 6 o'clock Saturday night at the Hilton hotel, Fiske Miles, an alumnus, has announced.

Request for reservations should be mailed or telephoned to James G. Allen or Mrs. Allen at Technological college. Gus L. Ford, acting head of the Technological college history department, a Southern Methodist alumnus, will be the toastmaster. Ray Morrison and Cy Barcus, head coach and band director respectively at the Mustang school, will be guests.

SCHOOL TO DISMISS

ABERNATHY, (Special) — The Abernathy schools will be dismissed after the first six weeks, L. P. Shaw, superintendent, states. Date has not been announced by the board.

Coach Billy Laval of South Carolina says he will discard all trick plays and depend on power for building a winning football team.

WHEAT SALE IS CONSIDERED

DEAL WITH CHINA IS TALKED AT WHITE HOUSE CONFAB

WASHINGTON, Sept. 24. (AP)—President Hoover and officials of interested federal agencies are considering ways of using reconstruction corporation funds to finance sales of northwestern wheat to China.

Such a proposal, involving possibly 15,000,000 bushels or more of privately-owned grain and an $8,000,000 loan, was discussed at a White House conference attended by Secretary Hyde, corporation directors and farm board officials.

No Applications

Both China and the Farmers' National Grain corporation were mentioned in the discussion with President Hoover as possible recipients of the reconstruction loan but corporation officers said neither has made a direct application for the fund.

George Milnor, manager of the grain corporation, has been negotiating with China regarding a large wheat sale. Final arrangements have not been made, however.

The grain involved in the proposal would come from producers of the northwest on whom shipping costs have borne heavily.

Officials were undecided whether the relief act would permit direct loans to a foreign country and have asked legal opinions on the subject.

HURRICANE

(Continued from Page One)

ernor James R. Beverley, La Fortaleza, suffered greatly from floods. Many doors and windows were broken.

Store Windows Broken

Many of the doors and windows which residents rushed to board up yesterday when first warnings of the storm were issued were crashed in today. Large store windows were broken in.

Governor Beverley's secretary summoned the governor's committee to meet at the earliest possible moment to make provision for relief if it should be needed.

A quick survey this morning indicated that at least 800 of 1,000 dwellings in the ocean front section in the city had been wholly destroyed or rendered uninhabitable.

NEW MORTON TEACHER

MORTON, (Specal)—Pat Cotman, graduate of Abilene Christian college, has joined the Morton high school faculty. He will teach history and Spanish. Miss Katie Morrow has opened an expression studio in the high school.

Antonio Allegri Correggio, a Lombard painter of the Renaissance was the greatest master of the Emilian school.

Pyorrhea

is being cured as thousands can testify after using

Pi-Ro-Dram
Sold by Your Druggist

PI-RO-DRAM CO.
1512 16th St.,
Lubbock, Texas.

Dear Sirs: I want to thank you for calling my attention to your PI-RO-DRAM Remedy for pyorrhea, for it has certainly proved a blessing to me. I suffered for years with this terrible disease and supposed I was condemned to suffer the rest of my life, or until I would have all my teeth pulled as the dentists and doctors all agreed that such was my only hope, and I can thankfully say that I feel like a new person with a clean set of teeth and gums after using one bottle of your remedy.

Signed: L. H. A.

PI-RO-DRAM COMPANY
Lubbock, Texas

Gentlemen: This is to advise you that I was a sufferer with pyorrhea in my gums and had been for several years.

I had tried several other treatments for this disease, but they did not seem to accomplish any good.

After using about four bottles of your PI-RO-DRAM on my gums, I wish to advise you that my gums are healed, soreness all gone and are not quicky and touchy anymore, and the disease apparently has been overcome as the gums have their natural pink healthy color again.

I never expect to be without PI-RO-DRAM as I use it occasionally on my gums as a preventative of Pyorrhea ever returning again. I am,

Yours very respectfully,
ROBERT BOST,
Coleman, Texas

WAR VETERANS WILL MEET

DISABLED WORLD WAR SOLDIERS TO HEAR TWO SPEAKERS

All officers and members of other recognized veterans organizations are invited to a mass meeting, sponsored by the Disabled American Veterans of the World War, at 7:30 o'clock tonight on the mezzanine floor of the Hilton hotel, by P. D. Jackson, state adjutant, of Dallas.

Adjutant Jackson and Paul Lauderdale, who was blinded in the trenches in the Meuse-Argonne engagement Sept. 26, 1918, will speak.

Legislation, rehabilitation, employment, and compensation will be discussed, the adjutant said. He was to be at the Hilton hotel from 1 to 6 p. m. today to advise disabled veterans regarding claims and allied problems. The Disabled American Veterans, a 12-year-old organization, has two fulltime national rehabilitation officers, whose services are free to disabled ex-service men, according to Adjutant Jackson. They are Charles S. Taylor of Dallas and M. A. Harlan of El Paso.

The organization he represents, the adjutant said, was incorporated nationally by an act of the United States congress. He intends to ascertain tonight whether a chapter is desired here.

Chemistry Course Is To Be Offered

Formation of a night class in elementary chemistry, a course which carries 12 term-hours credit and meets a year's science requirement for a degree, will be begun at 7:30 o'clock the night of October 3 in room F of the chemistry building at Texas Technological college, C. H. Connell, instructor in the chemistry department, has announced.

Offered for those who work during the day, the elementary chemistry course also serves as one year of required science in pre-medical study, and several persons have taken it for application in their industrial work. Four persons from a local dyeing and cleaning company and one from a local creamery have enrolled, Mr. Connell said.

NEW PASTOR AT TAHOKA

TAHOKA, Sept. 27.—The First Baptist church here has a new pastor in the person of Rev. L. L. Hays of Irving, a suburb of Dallas, who moved his family here last week and assumed charge Sunday. The family is living in the parsonage.

Reverend Hays is a brother of B. M. Hays, former school man here who is now superintendent at Wolfforth in Lubbock county. This is his second charge after leaving school, he having completed a three year pastorate at Irving.

STORY OF FORGOTTEN CITY CAN NOW BE TOLD WITH ASHES; FIRE IS FINIS

PAULDING, Miss., Sept. 27. (AP)—Fire has destroyed the 100-year-old courthouse here and now the tale of a troubled town can be told with ashes.

It was just a half hearted, lazy blaze, yet it wrote an epitaph for Paulding, one of Mississippi's historically famous towns.

Once Important

The courthouse was all that remained of the splendor that was Paulding's in years when the fall of the Alamo was news. Jasper county built it a century ago and this became one of the most important towns in the south.

This was a typical southern town a hundred years ago—bigger than most, but typical never-the-less. Then came the Irish. A colony settled nearby. They were tough-fisted Irish—men who drank beer from buckets and wiped their lips with the back of their hands.

The Irish literally fought their way to recognition, built a little chapel and a big cemetery and eventually were accepted by the proud planters. Together, they made Paulding a bustling city.

Rails Missed Town

Next came the railroad, but not through Paulding. The city divided on whether to grant a right-of-way and the company, anxious to lay its rails from Meridian to New Orleans, dodged the town.

Families moved away in droves about the beginning of the century. The Irish were the last to leave.

Jasper county built another courthouse at Bay Springs and maintained two capitols until the fire ate the one here.

Its destruction made Paulding as lifeless as the big Irish cemetery. The town was scarcely breathing when the fire came. Its streets had long since been rooted by hogs that wallowed in troughs where blooded horses once drank. Its mansions had tumbled.

Scene of Drama

One of the real dramas of the war between the states was enacted in the old courthouse. Jasper county [illegible] to instruct its delegate to the [illegible] convention. Jones county, its big neighbor, was loyal to secession and all Mississippi watched Jasper and the nation watched Mississippi.

The boys came in from the forks of the creeks and talked it over. The men who raised cotton and owned negroes were ready to fight anytime. Tradition says the Irish held their tongues for a long time. They had seen a lot of civil war and they thought twice before they finally voted for another fight and roared with the crowd "Jasper goes for secession." The cry echoed against the little chapel and across the big cemetery where so many were to sleep because of the day's action.

The United States has nearly as much invested in the City of Shanghai as it has in the whole of Japan—$356,000,000 and $500,000,000 respectively.

BOY SCOUT EXHIBIT AT FAIR IS ONE OF BEST DISPLAYS TO BE SEEN HERE

Among the best Boy Scout exhibits D. T. Jennings, South Plains Area council Boy Scout executive, has ever seen are those entered at the 19th annual Panhandle-South Plains fair by troops No. 22 and No. 23 of Lamesa, the executive said. The collection of scoutcraft generally is perhaps the best ever shown on the South Plains. It is in a tent immediately east of the woman's building. Eleven troops of Lubbock, Lamesa and Idalou are represented.

No. 23, of which W. A. Stephens is scoutmaster, has on display a dramatized knot board on which the uses of various knots are illustrated. The scouts even erected a miniature gallows to illustrate use of the hangman's noose. A collection of neckerchief holders is presented unusually also.

Nine trays of arrowheads are included in the display of troop No. 9 of Lubbock. Collections of coins and stamps are also presented. Leland Mast is scoutmaster.

Don L. Jones troop No. 4 has two knot boards on display, one made by the Panther and the other by the Raven patrol. The biggest totem pole in the entire show is included in the troop's offerings.

A collection of butterflies and Indian artifacts also feature the exhibit of troop No. 23 of Lamesa.

Totem Pole Made

Troop No. 7 of Lubbock, of which Chas. Brock is scoutmaster, has presented taxidermy, woodwork and telegraphy exhibits.

Another totem pole is included in the space reserved for exhibits of No. 22 of Lamesa. A knotboard made of a ship and a collection of mineral rocks are displayed.

Tom Erwin's metal class is exhibiting a large variety of metal objects which are attracting considerable attention. An additional exhibit is that of seven rattlesnakes caught by W. G. McMillan, fair association president and scoutmaster of troop No. 2.

Good Airplane Model

McMillan's troop offers woodcarving, pioneering work, butterfly collections and a totem pole.

One of the best model airplanes shown is that in No. 3's exhibit. A live bullsnake is included. T. C. Lamb is scoutmaster.

Troop No. 6, J. W. Hodges scoutmaster, has a display of woodcarving, a knot board, beadwork, and an insect collection. The art work of Morgan Dowell is outstanding.

The knots made by No. 8, of which Tom Everhart is scoutmaster, are placed on a weaver and a log in unique manner. A butterfly collection also is shown.

The Idalou troop, No. 29, less than a year old, is represented by a fine group of scoutcraft objects, including a knot board, taxidermy objects, and insect collections.

THE FORT DEARBORN MASSACRE

"Nature in the Raw"—as portrayed by the artist, N.C. Wyeth . . . inspired by the heartless treachery of a band of vicious Miami Indians, who massacred the settlers with inhuman ferocity . . . August 15, 1812.

Copr., 1932, The American Tobacco Co.

—and raw tobaccos have no place in cigarettes

They are *not* present in Luckies . . . the *mildest* cigarette you ever smoked

WE buy the finest, the very finest tobaccos in all the world—but that does not explain why folks everywhere regard Lucky Strike as the mildest cigarette. The fact is, we never overlook the truth that "Nature in the Raw is Seldom Mild"—so these fine tobaccos, after proper aging and mellowing, are then given the benefit of that Lucky Strike purifying process, described by the words—"It's toasted". That's why folks in every city, town and hamlet say that Luckies are such mild cigarettes.

"It's toasted"
That package of mild Luckies

"If a man write a better book, preach a better sermon, or make a better mouse-trap than his neighbor, tho he build his house in the woods, the world will make a beaten path to his door."—RALPH WALDO EMERSON.
Does not this explain the world-wide acceptance and approval of Lucky Strike?
