Fireman's Check

Alton Raschke, left, president of Mitchell County Farm Bureau, presents a check to R. L. (Mike) Mikle, Colorado City Fire Marshall, to cover expenses of a special fireman's course Mikle attended recently in College Station. The Farm Bureau pays for a local fireman to attend the special course each year.

Sales Tax Check

City Gets $21,388.43

Amount Exceeds Previous Second Quarter Check

Yesterday the city received its largest sales tax check ever for sales in the second quarter, getting a check for $21,388.43.

Last year's check for sales during the same April, May, June period amounted to $20,321.90.

The city has already received $19,250.66 from the state for sales during the first quarter this year, making the total received so far for 1974 $40,639.09.

Checks for sales during the last half of 1973, in amounts of $21,649.73 and $26,212.61, are the only amounts higher than this last check which city secretary Bonnie Farrar said came in Wednesday morning's mail.

A glance at previous checks from second quarter sales shows the following amounts:

1968, $11,191.08.
1969, $12,274.35.
1970, $13,408.43.
1971, $15,169.79.
1972, $14,617.05.
1973, $20,321.90.
1974, $21,388.43.

One of the best indicators of a city's economy is the sales tax check. It represents one cent for every dollar of taxable items sold in the city, less a small amount charged by the state to defray collection expenses.

Party Nominees To Be Decided

Today is the last day for making application as nominee for either Justice of the Peace, Precinct One or for County Attorney.

After making written application, applicants are to appear in person before committees of the county's Democrat party in a meeting at 7 tonight in the Community Room of City National Bank.

Applications for the Justice of the Peace office for Precinct One are to be made to G. D. Foster, 247 Walnut, Colorado City.

Applications for the County Attorney's office should be made to Tom Rees, P.O. Box 1007, Colorado City.

The committee which will review applicants for Justice of the Peace, Precinct One, consists of Foster, acting a chairman of Precinct One Democrats, and Truman Bodine, voting box 7 (Buford) chairman.

County attorney nominee applicants will be interviewed by Mitchell County executive committee of the Democratic party.

The nominations will have to be made by the Democratic party in the county as a result of recent changes in the offices since the May primary election. Rules governing the placing of names on the ballot require that the respective committees named above take action on naming a candidate for November's general election.

Don't Forget To Register

Last day for voter registration for voting in the November 5 general election is October 5, says county clerk Marie Bassham.

Voter registration laws require registration to be complete 30 days preceeding the election if a person has not voted in elections previously or if a new resident of the county.

Registration may be completed in the clerk's office in Mitchell County courthouse during office hours Monday through Friday through the October 5 deadline.

Homecoming Set For Loraine Exes

Homecoming activities at Loraine begin with an 8 p.m. Powderpuff Football game Friday night, followed by a bonfire and Pep Rally.

Homecoming King candidates are Mike Lee, senior; Mark McDaniel, junior, Jeff Merket, sophomore and Jeff Oliver, freshman. One of these lucky men will be crowned at halftime of the Powderpuff game.

Leading cheers during the Powderpuff game will be Kent Boyd, head cheerleader since he is the only senior on the spirit squad; Weldon Beights and Tommy Doyle, juniors; Joe Dunn and David Taylor, sophomores and Jeff Oliver and Donnie Dunn, freshmen.

Saturday's schedule of events includes a luncheon for Loraine High School exes at noon, preceeded by registration and coffee at 10 a.m. A business session, with president of the ex-students Rodney Walker presiding, will follow the luncheon at 1 p.m.

The class of 1944 will be in charge of this year's program, with other classes holding reunions during the afternoon and following Saturday night's Bulldogs game.

Loraine Bulldogs play Sweetwater's Junior Varsity in an 8 p.m. game at Johnson Field. Halftime ceremonies will include crowning both a Homecoming Queen and a Coming Home Queen.

Candidates for the Homecoming Queen include senior nominee Diana Garcia; junior candidate Cindy Galvan, sophomore Elida De Loera and freshman nominee Joanna Hayes.

More than 750 invitations to Loraine exes have been mailed out, but everyone in the community is invited to attend the Homecoming activities and luncheon, said Mrs. Rodney Walker, secretary of the exes organization. Tickets for the luncheon are avilable to anyone for $2 each plate and advance registration is not required.

Wolves To Face Owls

Colorado City's Wolves will host Big Lake's Reagan County High School at Wolf Stadium Friday night as the Wolves try for their second win of the season.

The Reagan County school will be trying for their first win of the year as they have been defeated in their first two games by football powers, Coahoma and Ballinger.

Kick-off will be at 8 p.m.

Big Lake has a real aggresive defense and although they have lost to Coahoma and Ballinger, both were good contests, said Colorado High Athletic Director Mike Farda.

Farda said he doesn't really know what to expect from Big Lake on offense as in their first two games they used different kinds of offensive formations.

Big Lake has a potentially explosive team, said Farda, as one letterman was an all-state split end last year and one member of the backfield has exceptional running ability. In addition, the Big Lake quarterback is a good passer and gets good protection from the line.

In preparation for the game, the Wolves have had two good workouts this week, said Farda.

After viewing films of last week's game against Sweetwater, Farda named the Wolves' players of the week. They are offensive back Gene Banks, offensive lineman Ruben Ornelas, defensive lineman Mike Brooks and defensive back Manuel Arellano.

All of the Wolves apparently came out of the Sweetwater game in good physical condition, and will be ready for the Big Lake game.

Other Wolves teams in action this week will include the freshman team playing Ballinger here at 6 p.m. Thursday followed by a game between the Wolves junior varsity and Ballinger at Wolf Stadium at 7:30 p.m. Thursday.

Also Thursday night, Colorado Junior High teams will travel to Ballinger with the 7th grade to play Ballinger at 6 p.m. and the 8th grade to play at 7:30 p.m.

Tuesday night at the Colorado Booster Club meeting, it was decided that the Club will undertake the planting of English Ivy on the sloping sides of Wolf Stadium to prevent erosion. The Ivy is expected to be planted in the near future.

Getting Ready

Rehearsals for the Playhouse production of "The Sound of Music" are continuing at Colorado City Opera House. Three of the Von Trapp children are shown in the top photo as they learn their lines. They are, from left, Mickey Palmer, Judy Gaston and Kay Davis. In the bottom photo, Carl Moore and rehearsal pianist Addie V. Payne are intent with following the rehearsal.

Open House Set For New Homes

An Open House will be held from 1-5 p.m. Saturday and Sunday at two new houses in the 900 block of East 14th Street.

The new houses were built by Craig Hardegree of San Angelo. Three houses were built and one has since been sold.

Hardegree hopes to build several more new houses across the street from the ones that have now been completed.

Junior Varsity Defeats Loraine

The Loraine Bulldogs and Colorado Wolves Junior Varsity met in a defensive battle Saturday night at Johnson Field in Loraine in a game won by Colorado City's JV 6-0.

The game was a scoreless tie until the third quarter when Colorado City quarterback Rey Torrez hit Pete Parham with a 28-yard pass for a touchdown. The try for two points failed.

The Bulldogs threatened to score once in the first half but ran out of time as the half ended.

The Wolves were stopped three times by fumbles deep in Bulldog territory.

Loraine Coach Coolidge Hunt singled out Mike Lee and Tommy Green on defense as having a good game for the Bulldogs. The Bulldogs will play Sweetwater's Junior Varsity in the Loraine homecoming game this Saturday at Johnson Field in Loraine. Hunt said Loraine scouted the Sweetwater team last week when they beat a strong Roby team 21-0. The Sw-

A Low Cholesterol Luncheon has been set for Colorado City, to be held in the city's new Civic Center, October 12.

The American Heart Association for the past three years has been having the Low Cholesterol Cooking Schools in Dallas, Houston and Lubbock.

Now the Mitchell County Heart Association, with the coordinated efforts of the Texas A&M University system and the Texas Agricultural Extension Service, will host such a seminar for county residents.

The Seminar starts at 11:30 a.m. with the nutritious, low cholesterol meal, followed by a talk by Dr. Martin L. Dalton, Lubbock Heart Surgeon. Following Dr. Dalton's talk, a short recess is scheduled to allow men who have attended the luncheon to get back to their jobs.

Following the short recess, the county's home demonstration club members will learn more aobut preparation of low cholesterol menus.

Mrs. J. C. Brown, president of the local heart chapter, places special emphasis upon attendance of the luncheon and program by men.

"Our men are most often affected by cholesterol content of foods they eat," she said, "and we extend a special invitation to them to attend the luncheon and talk by Dr. Dalton."

She is asking for advance registration for the luncheon, which will have to be limited to 350 persons because of lack of more seating facilities at the Civic Center. Deadline for registering is October 5.

Cost of registration is $1 per person and includes the lunch, materials packet and program.

A form for registration is printed on Page 5 of this issue of the Record.

Shown demonstrating use of new equipment at Root Memorial Hospital are from left, J. W. Hicklin, Laboratory Supervisor; Mary Paul Proctor, acting as patient and Sharon Conard. They are showing the use of an electroencephalograph machine which sends brain tracings directly to Dallas. The tracings are then read by a neurologist-electroencephalographer and the report is sent back to the local hospital on a hot-line. The new equipment is located in the hospital's Nuclear Medicine Room, along with a rare radio isotope scanner for internal diagnosis.

Leading Honor Society

Pictured above are newly elected officers of the Colorado Junior High Chapter of the National Honor Society for the 1974-75 school year. They are left to right: Hector Pineda, secretary-treasurer; Stephen Kimmel, vice president and Ronald Proctor, president.

COLORADO JR. HIGH CHATTER

Colorado Junior High got off to a great start this year with an enrollment of 266. We have four new teachers: Mrs. Gavin, 7th grade math; Mrs. Moseley, 7th grade science; Dick Lepard, Boys P.E.; and Mrs. Everett, reading. We are also fortunate in having a new principal - Jerry Reynolds. So, everyone is expecting the '74-'75 school year to be one of the best we've ever had.

* * *

The Colorado Jr. High National Honor Society met Tuesday morning to elect officers for the 1974-75 school year. Officers elected were as follows: president, Ronald Proctor; vice president, Stephen Kimmel and secretary-treasurer, Hector Pineda.

The Honor Society consists of 44 members from the 8th grade class. Seventh graders will be allowed to enter the Society at the end of the first grading period provided they have all A's on their report cards.

This is the year for the Honor Society to take their trip to Six Flags; therefore, it will be a busy year for all members as they have to earn the money to pay most of the expense.

Sponsors for the group are Donna Burnam and Joe Phariss.

The Annual Staff which is made up of Linda Englert, Leah Johnston, Robi Rhea, Blake Reynolds, and Gail Sheen is getting off to a good start.

Last Thursday four of us with our sponsor, Mrs. Griffin, attended a Yearbook Workshop at Western Texas College in Snyder. We feel it was a day well-spent, and we returned with a number of new ideas for our annual.

This year's Drum Majorettes are Charlotte Bradbury, head Drum Majorette, and Sherri Williams. The twirlers are Kathi Wilson, Laurie Wilkinson, Anne Marcom, Marty Calloway and Julie Fuller-head twirler.

The band looks good for this time of the year. The seventh graders are a little bit new to marching, but they catch on quickly. We have more sound this year, too.

We marched at Thursday's game. The program was short, but the crowd cheered us on. We really appreciate the encouragment from the Wolf fans. We played "Victors," then "W.M.B." for the twirlers, then replayed "Victors."

The band really played and cheered with spirit. We marched in Loraine on Saturday night.

Colorado Jr. High had their first pep rally Thursday. The spirit was high and everyone participated. Thursday night the 8th grade won a hard fought game against Sweetwater. Backing the Wolves Thursday were cheerleaders, Jamie Parker, Sylvia Martinez, Debbie Bowen, Becky Corbell, Dee Ann Griffith, Hollie Neff and the Jamborees.

The Jamboree officers for this year are: Renee Jones, president; Terri Muncrief, vice president and Mary Holder, secretary.

Jamboree and cheerleader sponsors this year are Miss Phillips and Mrs. Moseley.

The Colorado City 8th grade football team opened their season with a victory by beating the Sweetwater Mustangs by a score of 8-0. The 8th grade scored on a 22-yard pass from Robert Parker to Jimmy Selvera. They passed for the extra two points.

The Sweetwater Mustangs were a big team and fairly quick. The Wolves played a good game defensively. Ricky Sanchez intercepted a pass and Ruben Garcia blocked a punt. Joe Franco also played a good defensive game.

Some of the outstanding players for the 8th grade Wolves were Robert Parker, Joe Franco and Mitch Hamer.

Coaches for the 8th grade this year are Rick Robinson and Mel Gierhart. Follow them and the boys to Ballinger Thursday when they play the Ballinger Bearcats.

Texas is full of surprises. Like coal.

In certain areas of Texas there are sizeable deposits of a soft coal called lignite.

Several years ago Texas Electric, along with two other companies, began acquiring rights to some of this lignite because we saw that new supplies of natural gas and oil, our basic fuels, could become increasingly expensive and difficult to obtain.

Today, Texas Electric is using this lignite to generate electricity in our Big Brown plant near Fairfield. Two more lignite plants are under construction.

Using this lignite will help reduce our dependence on natural gas and oil. And one other advantage of using lignite for the generation of electricity is that it isn't being used extensively any other way.

But plants that use lignite cost a lot more than gas/oil plants.

While this means electricity will have to cost more in the future, the cost won't be as much with lignite as it would be with natural gas and oil, even if we could get adequate new supplies.

At Texas Electric, we're continuing the orderly development of our power system so that you'll continue having the electricity you need.

Mrs. Johnson Presents Program On Abstract Arrangements

Mrs. Bruce Johnson, speaking on the topic "What Is Abstract?", explained to Colorado City Garden Club members that abstract arrangements are a personal expression of creativity of the one who creates the arrangement.

"It also can present a personal, and perhaps different, image to the viewer," Mrs. Johnson continued.

Mrs. Johnson was introduced by leader Mrs. Roy Davis Coles as program speaker for the first meeting of the program year as garden club members met Wednesday afternoon in the Community Center.

New yearbooks of the coming scheduled events were made available to members as well as schedules for the Flower Show, to be presented Thursday, October 24 in the city's new Civic Center.

Included in the schedule, entitled "Flower Treasures," will be a special event for non-members.

The special class is "Treasures in our Midst" and is divided into three groups--Class1, entitled Spade Ranch Reunion, would feature arrangements indicative of ranch life in Mitchell County; Class 2, Treasures of the Mind, calls for designs expressing the thrill and expectations of going to school in a new building and high school students are especially invited to enter arrangements in this grouping; Class 3, Tribute to Treasures, features Colorado City Museum and calls for an arrangement relating the character of one or more items in the museum.

The Flower Show, usually held on a Saturday, will instead be held on a Thursday this year.

In addition to the above schedule for the Artistic Division of the show, featuring flower arrangements, there will be a separate division for horticulture entries.

Garden Club members were assigned to the various committees for the Flower Show by Flower Show Chairman Mrs. Johnson.

Members attending included Mrs. Johnson and Mrs. Coles and the following; Mrs. L. J. Taylor, Mrs. John Brown, Mrs. Earl Brown, Mrs. E. B. Willbanks, Mrs. Floyd Shepherd, Mrs. Ben Elliot, Mrs. Walter Gaylor, Mrs. W. S. Edge, Mrs. Ron Lyle, Mrs. Robert Chambers, Mrs. Sims Palmer and Mrs. Lynn Halbert.

Funds To Be Raised

Glenn Roenfeldt, chairman of the local Cystic Fibrosis Chapter, has announced that a fund drive will begin next week.

Monday workers will be campaigning door-to-door for funds to aid the many babies who are born with this disease.

Cystic fibrosis is not a vague, obscure or rare disease. It affects one in every 1,500 babies, and results only when both parents carry the gene for C/F. It affects the entire body -- particularly the lungs and digestive system. So far, it is incurable.

The disease was not recognized medically until the late 1930's, but parents knew it was terrifying. . . C/F children usually died before they were old enough for elementary school.

Today through funds raised by the Breath of Life Campaign, research is seeking to control and cure C/F.

The National Cystic Fibrosis Research Foundation now has over 300 chapters and branches dedicated to raising funds so that infants born with C/F have a good chance at longer and more productive lives.

4-H Club Selects Officers

Lone Wolf 4-H Club met Monday night and selected officers of the coming year of activities for the club which now combines all 4-H members in the county.

Elected Boy Co-Chairman for the year was Ronnie Miller. Teresa McClure was elected Girl Co-Chairman.

Mary Martinez was elected secretary; Bobby Moody, treasurer; Kirk Stubblefield, recreation leader and David Brownfield, reporter.

Council delegates will be Pete Fincher and Teresa McClure.

Both Bob Benson and Janis Choate, county extension agents, were on hand to help with organizing activities and programs for the next few months.

"This is your club and you will be in charge of its activities," Mrs. Choate told the gathering of returning and new 4-H members. She then turned the program over to Ronnie Miller and Dawn Lemons for short Record Book demonstrations.

After the election of new officers for the coming year, a short recreation period was held, led by Wayne Blackard. Both members and guests played "Scavenger Hunt," then had refreshments.

Benson announced that the county Achievement Banquet will be held Saturday night, October 26 in the new Civic Center.

The 4-H Club meets the third Monday of each month at 7:30 p.m. in the Medallion Room of Lone Wolf Electric.

"...and *all* utilities underground."

Because of the dependable supply of electricity provided by the rural electric cooperatives, housing developments in rural areas are now commonplace. With these projects have come requests for underground utilities.
