Mrs. Emma Campbell Dies At Age Of 79

Funeral services were held Wednesday afternoon at 2:30 in the First Baptist church for Mrs. Emma Campbell, 79, who died in a San Angelo hospital Tuesday morning following a long illness.

Mrs. Campbell, who was the widow of the late Job Campbell, had been confined to hospitals since she broke her hip August 6 at her home. She had undergone surgery on the hip and sustained a severe heart attack about a week before her death.

Officiating at the funeral was the Rev. W. D. Kiirkpatrick, who was pastor of the First Baptist church here from 1939 to 1941 when he left to serve as chaplain during World War II. He now lives in San Antonio. He was assisted by the Rev. Doyle Morton of Sonora.

Interment was made in the Eldorado cemetery under direction of Ratliff-Kerbow Funeral Home. Pall bearers were Ed Meador, Doug Yates, Leslie Baker, W. R. Bearce, E. H. Sweatt, Don McCormick, Eldon Calk, and Bernard Carr.

Mrs. Campbell was born Emma Alexander on April 1, 1883, at Prescott, Arkansas, the daughter of the late Mr. and Mrs. J. W. Alexander. While she was a small child, the family moved to Brown county, and came to Schleicher county in January, 1901. She attended local schools, and joined the Baptist church when it was organized in September, 1901. At the time of her death, Mrs. Campbell was the last surviving charter member of the First Baptist church. She was recognized by the church congregation when homecoming was held last year commemorating the 60th anniversary of the church founding.

On November 20, 1904, Emma Alexander married Job Campbell, and during their married life he served as Schleicher County attorney, and later as surveyor, county judge, and commissioner.

The couple had ranching interests northeast of town and they lived there from 1914 until 1928. To them were born two daughters, Lorene, who died in 1911, and Nell, who died in 1940.

Mr. Campbell retired from active county service in 1951, and preceded his wife in death in 1957.

Mrs. Campbell was a past Worthy Matron of the Eastern Star, a member of the El Dorado Chapter, D.A.R., and was active in P-TA work, serving the organization as president for a time.

Survivors include a brother, W. O. Alexander, and two sisters, Mrs. L. M. Hoover and Miss John Alexander, all of Eldorado. Also surviving are four nephews and three nieces.

WINS CASE IN COURT

Gilbert Lowe's workmen's compensation suit was the final case tried last week in 51st District Court, with Joe L. Mays presiding.

The jury Friday awarded Lowe disability compensation for injuries he had claimed in connection with employment at the Northern compressor plant and subsidiaries. Lowe's suit was brought against the Zurich Insurance Co., and he was represented by Aubrey Stokes.

Guests over the week end in the Elton McGinnes home were Mr. and Mrs. Claude Ditmore of Tennyson.

Peggy Spencer of Sul Ross college visited here recently with her parents, the Edgar Spencers. She was accompanied a friend, Katy Purcell of Monahans.

News Of The Sick

Mrs. Fenna Whitten underwent surgery in the Sonora hospital last Thursday, and is continuing convalescence there.

Mrs. John Stigler was in the Shannon hospital early this week. She came home late yesterday, Wednesday.

Little Forrest Henderson, son of Mr. and Mrs. Sam Henderson, was injured slightly when he was playing last Friday afternoon and fell on a stick, puncturing his abdomen as he and his brothers were chasing a butterfly. After treatment at the local clinic, the little boy is recovering nicely.

Bascom Hartgraves was admitted to the Shannon hospital last Friday. He suffered a blood clot on his leg after injuring it while working on his farm recently. He is much improved and should be home in a few days.

Game Warden Working On Deer Season Plans

With the deer season opening on Nov. 16th, Schleicher County Game Warden Bill Works is making plans to put the handling of local hunting leases on a more convenient basis.

The idea is to work with the Chamber of Commerce to set up a sort of "brokerage" whereby ranchers can list their leases and where hunters can lease them. He is also trying to work out plans for cold storage facilities, since the old ice house here has been closed for some time.

In the meantime, Mr. Works says, ranchers and hunters may contact him and he will try to maintain a clearing house for deer season problems.

ATTEND MEETING OF HISTORICAL GROUPS

An organizational meeting of an area-wide historical society was held in Menard county Saturday, and attending from this county were Mr. and Mrs. J. Forrest Runge and Mr. and Mrs. J. L. Neill.

Historically minded persons from a wide area gathered at Fort McKavett and went on to the San Saba mission near Menard, listening to lectures at both places, given by Mrs. Frances Fish and Mrs. Alec Menzies.

Lunch was served at the Menard Country Club and organization officers were elected.

Many counties over the Southwest Texas area have had historic buildings marked with medallions by the State Historic Commission. The deadline has been extended for placing the medallions, and there has been some talk of having the old Col. Black home in this county near Ft. McKavett proposed for such a marker.

Milton Baugh Funeral Set Today In San Angelo

Funeral services are being held today, Thursday, at 10:30 in Johnson's Funeral Home Chapel in San Angelo for Milton Baugh, 75, member of a prominent Schleicher county family. Mr. Baugh died Tuesday in a hospital at Temple following a heart attack.

Dr. B. O. Wood, pastor emeritus of the First Presbyterian church in San Angelo, will officiate at the funeral and burial will be in Fairmount cemetery.

Mr. Baugh was born in Coryell county July 14, 1887, the son of Mr. and Mrs. George L. Baugh, and came to the Chambers ranch in Tom Green county in 1898.

Baugh was past president of the Concho Valley Hereford Association and a former director of the Texas Sheep and Goat Raisers Association.

In addition to his widow, the former May T. Reasonover of San Angelo, Mr. Baugh is survived by two daughters, Mrs. L. T. Van Eman of Marfa and Mrs. Jack E. Brown of San Angelo; one son, Adair Baugh of Christoval; nine grandchildren; one great-grandchild; two sisters, Mrs. Josh Ewing of Schleicher county and Mrs. T. R. Spence of Bryan; and two brothers, A. L. Baugh of San Angelo and L. L. Baugh of San Antonio.

David Kuykendall and a friend, Wayne Craig of SAC, were visiting Mrs. Allan Kuykendall and Louise over the week end and attended the football game. Mr. Craig was very interested in the game as he formerly lived in Rankin. His home is now Tulsa, Okla.

Lynda McGinnes and Judy Hext were home from North Texas State at Denton, over the week end.

Mrs. O. R. Burden of Wichita Falls is visiting her mother, Mrs. T. W. Johnson, here this week.

New Babies

Mr. and Mrs. Jack Browning of Eden proudly announce the birth of a daughter, Lori Lin. She was born just before midnight on Oct. 19, 1962, in the Concho County hospital and weighed 7 lbs. 15 1/2 oz.

Grandparents are Mr. Browning's parents who live at Ranger and Mrs. E. W. Mund of Eldorado. The only great-grandparent is Mrs. Henry Mund.

The couple have a son, Gregg, who is two years old.

Mrs. E. W. Mund has been in Eden the past week visiting with the Browning family.

Post Script

Like everybody else, we are going about with a feeling of uneasiness as with each passing hour we fear a shooting crisis in the Cuban situation.

President Kennedy's speech of Monday night in which he declared a "quarantine" inspection of all shipping to Cuba has intensified the world tensions between the major powers.

Reaction has already set in among other countries the world over, ranging from approval by our allies to proclamations of "imperialism" by the Communist satellite countries.

Consensus of opinion seems to be that the President took the right action, but some think that he should have done it months ago. We know not when the hour cometh, so in the meantime let's take it easy.

A new subscriber this week is J. W. Smith of Camarillo, Calif., who decided to take the paper to see what is going on in his old home town. J. W. is the son of Whit Smith, graduated from the Eldorado school, and was employed as meat man at the Skinny Wheeler grocery store some 10 or 15 years ago.

With other subscribers: Mrs. Irene Rutland is again taking the Success at Box 104, Sanitorium, Texas.

Rony Kerr has moved from Big Spring to 1202 Andrews, Lufkin, Texas.

Mrs. R. L. Bridgeman reports that her new address in Midland is 3401 W. Michigan.

The D. C. DuBose family moved this week to Amarillo and are already getting the Success there at 209 N. McMasters.

Mr. and Mrs. Frank Wilkinson of Box 308, Pecan Spring Ranch, Menard, Texas, were among those who attended the funeral of Henry Speck here last week. Mr. Speck was their nephew.

In a note to the Success, Mrs. Wilkinson said,

"As we were leaving the Presbyterian church for home, it was sprinkling rain; so my husband removed his coat and placed his walking cane on top of our automobile, got in the car, and forgot the cane on top of the car. It has FRANK WILHELM engraved on it." Mrs. Wilkinson goes on to say that if the cane was found, notify her or Tom Jones.

Our local taxing groups — city hall, the school tax office, and Orval Edmiston—remind all local people that this coming Wednesday, October 31, is deadline for paying taxes and taking the full 3% discount.

Tom Ratliff, Democratic committeeman from Precinct One in Schleicher county, reports that a nice delegation from here were present at the Connally luncheon at the Town House in San Angelo Tuesday.

On Tuesday night local Democrats held a meeting at the Memorial Building and made plans for promoting the Democratic ticket in the county in the forthcoming general election. The first step was the announcement of a Democratic rally here Monday night at which Dolph Briscoe of Uvalde will be guest speaker.

There will be further announcements next week.

Dr. E. L. Dyer, county health officer, announces that Nov. 13, a Tuesday, has been set as date for administering the Type I oral polio vaccine to local people.

Further plans on giving the vaccine on a county-wide basis that day will be given in the Success later.

MENEES MOVE TO ATHENS

Mr. and Mrs. W. A. (Slim) Menees moved to Athens, Texas, last Saturday. Lois will attend school at Quitman, Texas, and will make her home with her brother, Ralph Menees and family for the time being. Ruby Nell stayed in San Angelo where she will live with her sister, Mrs. Gary McShan.

Mr. Menees is an employee of Service Pipe Line Co.

JUNIOR TEAM TO SONORA TONIGHT

Coach Guy Whitaker's Eagles, the Jr. High football team, will go to Sonora for a game tonight, Thursday, at 7:00.

There is no "B" game this week.

Fans to Join Eagles For Trip to Iraan Tomorrow

By PEYTON CAIN

Schleicher County Coach Earl Barnett said today that the Eldorado Eagles again were "upper dogs" in tomorrow night's contest in Iraan against the Iraan Braves. (On Sept. 1, 1961, the Eagles downed the Braves 38-0.) He continued that this was a pleasant situation in some respects but that it usually fired up the opposing team to such a degree that the "upper dog" team was at a disadvantage. He concluded that to be surprised was a cardinal sin in football; and although the Eagles were favored to win, nothing could hurt a team as much as an upset defeat at the hands of such an "underdog" and in this stage of the district contest; hence the Eagles would do their best to avoid such an unhappy occurrence.

Scouting reports on the Iraan

Braves show that their lad Freddie Dry, 160 pound back, and their most promising ball carrier as well, has recovered from early season injuries and will probably see considerable action against the Eagles tomorrow night. Along with 140-pound William Mabry and 135-pound Rodney Morgan, Dry will probably constitute the Iraan offense. Their best offensive and defensive lineman is 170-pound Tony Patterson at right tackle.

The Braves have experienced a disappointing season, losing even to hapless Alpine in dismal 1962.

The Eagles at full strength for the first time since Menard, will take all available men from Sophomores up and Coach Barnett will probably polish his bench unless the Braves fire up to pose a dangerous threat.

The Braves will utilize variations

of T formation but will go into a spread should they get behind.

Team weight total for Iraan stands at 1670 pounds with Freddie Dry—125-pound Halfback Glenn Roberson backing him up. Eldorado total is 1745 pounds. This is probably the only time the Eagles have enjoyed such a weight advantage this year.

The Eagle starters are shown on page 3, and the starting lineup for the Braves is as follows:

No.	Name	Pos.	Wt.
80	Orville White	LE	145
51	Richard Smith	LT	180
71	Bruce Jackson	LG	165
52	Larry Elliott	C	150
25	Bocey Beckett	RG	160
74	Tony Patterson	RT	170
82	Terry McAnally	RE	155
31	Freddie Dry	LHB	160
32	William Mabry	RHB	140
42	Rodney Morgan	FB	135
15	Bobby Morgan	QB	145

The Braves field a squad of about 25 men and are obviously trying to build back into the position of power they have enjoyed from time to time over the years.

Both bands will perform at the half time tomorrow night; the game officially begins at 7:30 as authorized by District 8A dads.

September Rain Here Averaged 5.02 Inches

W. G. Godwin announced recently that average rainfall received in Schleicher county during the month of September was 5.02 inches. The average was taken from seven gauges over the county.

That brings the year's total rainfall to about 13 inches through the month of September.

More detailed rainfall totals for this year are given in W. G. Godwin's column in this Success issue.

OLD HOUSES REMOVED

Fred Watson recently purchased the two old houses near the Co-Op building formerly occupied by the Reuben Dickens family and the late Mrs. Neill.

Movers were at work this week transferring the two structures to "Little Mexico" where they are being fitted onto new foundations and will become rental units. Both houses had been unoccupied for the past several years.

Mr. Watson bought only the houses for moving. The lots they were on were not involved in the transaction.

Two Areas In County Approved For Doe Hunt

Bill Works, game warden here in Schleicher county, announces that two areas in the county have been approved for hunting of doe during the upcoming deer season.

The first area is located in the east part of the county. It is east of a line starting at the Tom Green county line on 2084 Toanail Trail road, south to road 2479, south to Hwy. 29, east along 29 to Henderson lane; south on Henderson lane and west on Henderson lane to old Ft. McKavett road, south to old Ft. McKavett to Sonora road, southwest to county line.

The second area approved for doe hunting is in the southwest part of the county, and is bounded by: intersection of Schleicher-Sutton county line and Hwy. 277, north along 27 to intersection of 2129, west and south along 2129 to Station A road, south to Sutton county line.

Permits for doe hunting will be issued the 29th, 30th, and 31st of this month at the court house, from 8:00 a.m. to 5:00 p.m. each day, Works stated. Any hunter wishing further information on the doe program may get in touch with him.

LIONS MEET YESTERDAY

W. R. Bearce presided at the meeting yesterday of the Lions club. For the program, E. B. Keng of Sonora showed slides of a trip taken this past summer to Colorado, Canada, Alaska, and the Seattle world's fair. He was introduced by W. H. Hale.

Guests were A. S. Baker of San Angelo, Eldred Roach of Harper, and Lawrence Danheim and A. G. McCormack of Eldorado.

RANKIN RED DEVILS PUT UP DEVIL OF A FIGHT LAST WEEK

By PEYTON CAIN

Just like the story with a moral, the Eldorado Eagles found out Friday night that fooling around with the Red Devils is dangerous business; but like other characters in fable and story, the Eagles recovered themselves and in the closing minutes of the game when on his own as well as his team's behalf, Eagle Captain Lynn Meador broke loose for a thrilling 40-yard scoring run accomplished very neatly by speeding past and putting the "Devils" behind him.

Seconds later after the final kickoff with a minute and a half to go, and with Red Devil Fullback Jerry McDonald running dangerously, he fumbled and Corky Hodges recovered for the Eagles. That was the end of a thrilling high school football game that saw Rankin come back hard in the second half to overcome an Eagle half-time lead of 18-6 and jump out again in front 20-18 in the third quarter and hold the Eagles scoreless; but the Eagles came back to score twice in the final period and emerged victorious in the first conference game of the season.

First Eagle touchdown came early in the game when Schleicher's Ray Ballew, 95% recovered from a foot injury, took a Captain John McGregor 30-yard pass and escorted the ball another 30 yards to score. The three man conversion team, Center Jacky Mackey, Holder Top Finley, and Kicker John McGregor failed the test but the Eagles were out front 6-0.

Towards the end of the quarter, Rankin's powerful fullback, Jerry McDonald bruised the ball down near Eldorado's goal line from which Rankin's Halfback Jim Parrish with McDonald as a diversion carried over. Rankin's extra point effort failed also.

The Eagles fired up in the second quarter with Halfback Gary Whitten culminating a drive with a 12-yard thrust to score. The extra point effort again failed. Then Eagle End Larry Blair took a 25-yard southwesterly missile from Captain John McGregor, whirled away from two would be Rankin defenders and sped diagonally across to the northwest corner of the field with a thrilling 65 yard score, picking up several Eagle well wishers who provided some boisterous discouragement to would-be Rankin tacklers. Again the try for extra point failed. These consecutive failures nearly spelled disaster it later developed.

After fine half-time shows and the crowning of football sweetheart Alice Dyer, the Red Devils came back just as the story books tell when ordinary people are lulled into false security. Captain Dennis Jurecek and his "Stonewall Squad" suddenly found themselves in the middle of the fiercest and most relentless attack they have endured all year against the rushes of Red Devil Fullback McDonald and his fellow "imps," McDonald providing the relentless power. He quickly punished the Eagles with two touchdowns and a successful try for two extra points to pile up a third quarter Rankin score of 20 to Eldorado's 18.

This unhappy result of temporizing with the Red Devils stung

the Eagles into redoubled effort and they put together a sustained march so that Eagle Fullback Mack McAngus could power over the Rankin defenses for another Schleicher touchdown. Captain John McGregor got very serious and added the two points on foot. The Eagles were again in the lead 26-20.

Then McDonald struck again with 20 and 30 yard rushes to score and to make the extra points, again dooming the Eagles with a 28-26 margin.

The Eagles took the ball on their 30-yard line with about 4 1/2 minutes left to put the "Red Devils" in their proper place. They again put together a sustained drive, winning a gamble in midfield on a punt situation. Then Captain Jurecek and the boys issued Captain Lynn Meador a hotly contested travel visa over his own left tackle; and Meador took off as if the "Devils" were after him—and they really were. But just like the story, he sprouted wings on his heels and crossed Rankin's goal just inside the red flag on the southwest corner, and Mack McAngus rammed over for the two extra points to put the "Devils" in their places, 34-28 which proved the final score.

The Eagles earned 22 first downs to Rankin's 20; piled up 347 yards to Rankin's 311, captured 145 yards passing to Rankin's 14; completed 5 out of 8 passes to Rankin's 2 of 7; lost one fumble but captured three of Rankin's.

It wouldn't be right not to tell the Eagles who swapped the bruises for stops out on the furiously contested field. Captain Jurecek earned 11 tackles, Loden, 10; Mackey, 11; McAngus, 10; Captain McGregor, 14; and Loden knocked himself out for a time by throwing one of the most devastating blocks ever hurled on Eagle Field. Of the 347 yards the Eagles piled up, Mack McAngus garnered 60 of them with 19 bruising tries and Meador 169 with 17 carries.

Some conclusions are in order: Rankin scored more on the Eagles than five other teams have been able to do all this season. The Eagles again demonstrated that they really could when they had to. And it certainly was bargain football night again at Eagle Field—a lot of football for \$1.00.

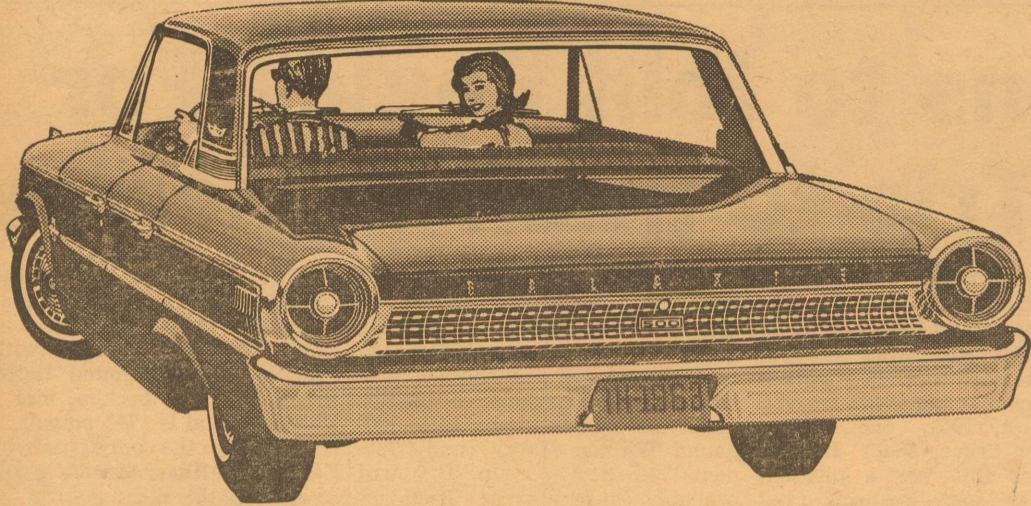

886 Bales At Gin; First Fire Reported

Mikeska gin had its best run Tuesday when they processed 70 bales. The season's total on Wednesday morning stood at 886 bales. Wednesday morning also saw their first fire of the season. Fires are always an ever-present danger at a cotton gin.

In this case three bales were discovered burning on the storage lot about 6:00 a.m., by a passer-by. Firemen responded and extinguished the flames. The three bales were among those ginned Tuesday night, but they were not the last ones—about 20 bales had been ginned after these three. Mikeska reported that there had been no fire at the gin and he was unable to account for the outbreak.

CLASSMATES MEET AGAIN

Mrs. E. T. Pankey of Kennewick, Wash., recently visited her sister, Mrs. G. T. Blackman in Ballinger. Mrs. Blackman and Mrs. Pankey came to Eldorado last Friday for a visit with Mrs. Bertha L. Wilson. Mrs. Pankey and Mrs. Wilson attended school in the Duran com-

munity, near Mullin, Texas, in their childhood. Later, each moved away. They had not met until last Friday when Mrs. Blackman and Mrs. Pankey came to Eldorado and visited until Sunday afternoon.

Returning to Ballinger, Mrs. Pankey plans to visit there and return to her home Nov. 1.

It was indeed a happy reunion, a chance to reminisce, and bring each one up to date on what life had brought over the years since las they met.

B's Down Junction 32-0

Coach Douglas Jung's Schleicher "B" football team quickly put out the Junction fire the night of last Thursday, October 18, on Eagle Field, dousing them with a 32-0 shellacking. The issue was never in doubt as Sam Henderson started scoring right off, tallying twice in the first quarter. In the second quarter, Richard Preston took an 8-yard pass from Scott McGregor to score. Then in the third quarter Sam Henderson romped in with his third counter. Final tally came when Scott McGregor flipped a pass to Sam Calcote, pass and run totaling over 50 yards.

The Eldorado lads racked up 13 first downs to Junction's four. They enjoyed themselves thoroughly as the account of their carries will show. Monty Montgomery carried three times for 14 yards; Nixon, three for 13 yards; McGregor three for six yards; Love, two for eight; Griffin, 10 carries for 71 yards; and Sam Henderson 157 yards for 16 carries. They piled up a whopping 269 yards in these runs.

Meanwhile Scott McGregor successfully hurled nine out of 16 passes. Richard Preston caught 3 out of 7 for 47 yards; Calcote, 4 of 26 yards, to total 178 yards via air. Total yardage piled up by the B's was a staggering 447.

Meanwhile, Nixon led the defensive efforts in holding the Junction B's to 65 yards and four first downs. Nixon said, "Stop" seven times and made it stand up. Preston made six stops; Whitten, 5; Montgomery, 4; Swain, Belk. Blaylock and McCormick all posted a

4-tackle record each; Wagley, McGinnes, and Phillips posted a three stop record; while McGregor, Calcote, and Love ranked 2, 2, and 1 respectively in the "Don't go any farther" department.

The Eldorado B's will return the Junction B game and are hoping for two contests with Menard to end their season.

Attend Convention

J. C. Luttrell of the Sonora Fire Department and State Highway Department accompanied Schleicher Fire Chief Palmer West to Rio Grande City Saturday morning for the Lower Valley Fire Districts' convention. The gathering attracted more than 400 firemen and was the first of all-day meetings which have gone on in Texas.

Fire Chief West reported that the Valley convention was saddened by the death of Mrs. Marie Hudson's mother and interment the Sunday afternoon of the convention. Mrs. Hudson is the State Firemen's Pension Commissioner.

In the activities, Chief West said that eight pumper teams competed, a team from Mission winning the contest in the time of 24.5 seconds. Mr. West said that the Hill Country District competition in Sonora saw the winning team post a 19 second record. Mr. West acted as starter in the contest and Mr. Luttrell was a judge.

Mr. West was a platform member at the convention as a State Vice President and representing one of the only two districts with 100% dues paid.

Mr. West said that when he and Mr. Luttrell returned, they stopped by Three Rivers where Mr. Luttrell's daughter, Mrs. Kyle Donaldson, joined them to return by Sonora and visit her parents for a while.

Mr. West concluded that the trip home Sunday night took hours longer than usual because of the great numbers of deer on the highways.

First Baptist News

The WMU of the First Baptist church met Monday afternoon at

3:00 at the church for the general business meeting and Royal Service Program.

Mrs. Weldon Davis, president of the WMU, was in charge of the business session during which Mrs. J. B. Montgomery was elected circle chairman to take Mrs. DuBose's place. It was announced that a memorial will be held for Mrs. Charley Morris at the general meeting to be held on Nov. 27.

Mrs. Charley Warnock led the program which was from Royal Service magazine. The subject was Laborers Together with God. Assisting her were Mrs. W. N. Ramsay, Mrs. J. B. Montgomery and Mrs. Leonard Wilson who represented Women of 1888 who were present when WMU was organized. The organization took place in Richmond, Va. Others on program were Mrs. Wayne Mikeska, Mrs. Monty Hill and Mrs. Fred Watson. Mrs. Wm. Rountree rendered a solo.

A social hour followed the program during which the DuBose circle (now Montgomery) served delicious home made cookies and coffee to the 28 members attending.

The Night Circle of WMU met in the Edgar Spencer home this week with five members and four visitors present. The program was on Royal Service.

NO C.R.O.P. PROGRAM IS PLANNED FOR THIS YEAR

There will be no program put on this year on Halloween night by church young people for the C.R.O.P. cause, as was done a year ago.

C. M. Nyquist, president of the Ministerial Association of Eldorado, reported that plans for the canvass were called off because the Baptist church is undergoing a change in pastor and the young people from that church were to sponsor the drive this year.

The Christian Rural Overseas Program is supported by various denominations, and in some towns a fund drive is conducted Halloween night.

Brownie Troop 45 met Wednesday, Oct. 24. 20 were present, one absent. We made things for our room. Neafa Barajos was elected treasurer. Mary Day was hostess and Lupe San Meguel was sunshine reporter. The motion to adjourn was made by Judy Hanusch.

WOMAN'S CLUB MEETS

The Woman's club met Tuesday afternoon at 2:30 in the club room for their regular meeting. Mrs. C. N. Clark presided in the absence of the president, Mrs. Edwin Jackson.

The program was in Family Happiness and was led by Mrs. W. A. Van Dusen who brought the inspirational thought and also gave a talk on Spiritual Values in the Family, pinch-hitting for Mrs. D. C. DuBose who has resigned and

YOU KNOW WHERE

JACK COX STANDS

On State Spending

Jack Cox believes a critical study of state spending is long past due by someone who is not afraid of skeletons in the political closet. There is room for economy in a state budget of \$2,600,000. Not being tied to any political machine, he will recommend changes where needed.

On Agriculture

Jack Cox will fight to retain the freedom Texas farmers and ranchers have lost to the Washington farm bureaucracy. As Governor of Texas he will work with and represent farmers, ranchers, and consumers in their fight to get rid of economic blackmail and dictatorial programs forced on them by the Secretary of Agriculture.

On Taxes

Jack Cox will hold the line on taxes. He firmly believes that honest, businesslike government can reduce the tax burden at all levels. He is unalterably opposed to a state income tax and to increasing any taxes whatsoever. Cox favors a Constitutional amendment limiting the sales tax to the present 2%.

On Party Loyalty

Devotion to principle is far more important to Jack Cox than blind "party loyalty." He has demonstrated the courage to throw off party shackles rather than compromise his convictions. He will not support liberal candidates or platforms, either nationally or locally . . . regardless of which party presents them. His opponent cannot and will not say that.

On Medical Care

Jack Cox has full confidence in the capacity of private medicine to meet the medical needs of our people, and will oppose any programs leading to socialized medicine.

We Believe Jack Cox Is the Best Man for Governor of Texas

COUNTY AGENT'S COLUMN

by Tiny Godwin

Schleicher County Agricultural Agent

It's hunting time!
There are many hunters wanting to hunt in Schleicher county from far away places. But who knows where the available hunting places are in the county?
Landowners are requested to contact Bill Works, game warden and give the number of acres to be hunted, number of hunters that you desire, and whether season or day hunters.
Then too, as much information about your hunting property as possible makes agreements between landowner and sportsman easier—for consideration of both. This information will be made available to the sportsman who does not have or is hunting a place to lease.

The federal government is matching non-Federal contributions on a dollar for dollar basis.
Seven producers contributed \$503 the past week with eight producers contributing their part to other counties who have holdings in other counties.
The county rainfall by months for Schleicher up to October 1, 1962:

January	0.12
February	0.27
March	0.37
April	2.82
May	0.71
June	2.68
July	0.73
August	0.63
September	5.02
Total for year	13.35

75 million screwworm flies are being produced at the Sterile Screwworm Production Plant near Mission, Texas. This is the highest production rate yet attained by the plant which began operations this past June. The flies are sterilized by exposure to radioactive cobalt and are released from airplanes. Mating of sterile male flies with naturally occurring females will result in infertile eggs and eventual eradication of this pest which annually costs livestock producers and sportsmen an estimated \$100 million.
The local livestock committee is making every effort to collect Schleicher county's part of the \$1,300,000 needed to fulfill the state's three million dollars set when the program started last fall.

The official November list of plentiful foods, as determined by the Agricultural Marketing Service includes turkey and cranberries, frozen orange juice, broilers, fryers, apples, shortening, grapes, pears, potatoes, Maine sardines, dry beans and peas. These plentiful are to the consumer's advantage for economy, nutrition and good eating.
If you want to test your memory, try to recall the things that worried you last Monday.
With deer and turkey season coming up—only three weeks from this date of publication of the Success—hunters should remember this about the care of game:

The quality of game meat depends on how the game is handled from the time of kill until served on the family table. While modern hunters pursue their sport mostly for the thrill of outdoor recreation, game foods properly dressed and prepared can add pleasant variety to the family menu.
Since the first hunter took weapon in hand to search for game, experience has accumulated in the field dressing and preparation of game for eating.

The publication B-987, Wild Game Care and Cooking, describes the time-tested methods of handling game in the field until it is tastefully served on your table. Call for this publication at your county agent's office.

You can kill yourself worrying, but it's a slow and highly unsatisfactory way to commit suicide.

Mrs. Ben Hext left last week for Jacksonville, Florida, to visit her sister, Mrs. Ella Curry. They plan to leave by ship tomorrow, Oct. 26, from Miami for a two-day stay at Nassau. Mrs. Hext plans to return to Eldorado about November 9.

The McCulloch county singing convention will meet Sunday afternoon at 2:00 in the Central Baptist church at 601 S. China Street in Brady. Special visitors will include the Gospel Echoes Quartet of Fort Worth. Everyone invited, stated Mrs. A. C. Stewart of Brady.

Reynolds H. D. Meets

The Reynolds Home Demonstration club met with Mrs. Jack Wade Tuesday, Oct. 16, with 11 present and the agent, Mrs. Kreklow. Mrs. Charles Wimer presided in the absence of the president, Mrs. Leonard Lloyd.

Council report was given by Mrs. Cecil Williams and Mrs. J. Tom Williams gave a report on the H. D. convention in Dallas.

The new state officers include Mrs. George Hacknev, Jr., pres.; Mrs. C. R. Berkley, v. pres.; Mrs. L. M. Parker, sec.; and Mrs. Maynard Gaines, treasurer. Mrs. Gaines is from our district, no. 7, and is our past district vice-president.

Dr. Earle Williams, DDS, of Dallas, one of the speakers, said in his address, "No one is lucky; we all have to have help and work. Being good when you don't have to be is when you are really good. No one has a good enough memory to be a good liar. Reputation can't be purchased, you have to earn it."

In Mrs. Florence Lowe's address she said, "We are a member of a team working together with those to help others. . . . Your true image is what you are, not what people think you are. . . . Home Demonstration clubs are the best way to teach leadership."

Part of Mrs. Hacknev's message was, "Resources of rural and urban women are many and varied. We are keenly interested in developing

these resources that enable us to improve and beautify our homes. A community should constantly become happier, healthier and more prosperous because it has a Home Demonstration club. Our programs are four-fold: carrying information, inspiration, recreation; full time citizens enjoying a happier, easier and fuller life

because of home demonstration work. . . . There is no greater influence on human behavior in our society than the environment of our own homes. May each of us realize that Today's Homes Build Tomorrow's World."

Mrs. Lynn Griffin and Mrs. DeLong became new members. The members were reminded that this

is not too early to start thinking and planning for the district planning meeting that is to meet in Eldorado Feb. 5, 1963.

Mrs. Kreklow gave a program on the relationship of our daily foods to our health now and in later years.

Our next meeting will be with Mrs. H. A. Belk Nov. 13. —Rep.

LABORATORY FOR ELECTRICAL POWER

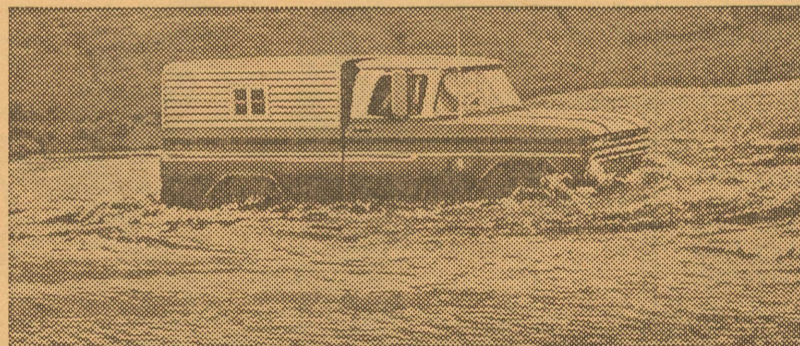

West Texas Utilities Company maintains a laboratory and a full time chemist in each of the power plants to check the chemical content of water used by WTU. Chemical content of the water helps to determine the frequency of equipment overhauls.
Boilers, turbine blading, cylinders, piping, steam inlet valves, condensers, water pumps, and much other operational equipment is impaired by chemicals in the water. Close laboratory control of water conditions can prevent equipment breakdown before it happens. This is just one of the many maintenance procedures by WTU to assure you a continual flow of electrical power! . . .

Demonstrating new '63 Chevrolet truck features the hard way!

When we came to a river we got wet. This river bed was paved with rocks the size of melons. What a test for new light- and heavy-duty suspension systems this was!

Conventional light-duty units have coil-spring independent front suspension—easier on truck, load and driver.

Users of new conventional medium- and heavy-duty units who have to operate in close quarters are going to like the narrower front ends (up to 7 inches).

New engines, suspensions, frames and narrower front ends show their stuff on Mexico's tough Baja Run!

With months of proving-ground tests under their belts, why did new Chevrolet trucks take on the rugged Baja (bah'hah) Peninsula?
This is the toughest line of trucks Chevrolet has ever built. Sending them over the most punishing terrain in North America (a road totally unlike the fine highways on the Mexican mainland) was double proof of this fact. Frames, engines, suspension systems were subjected to stresses far greater than trucks normally encounter. You can be sure that trucks that can handle this kind of beating can handle any kind of work.

This Sunday evening, October 28, we will have our final Fill A Pew service, at 7:30. A Bible will be awarded the group having the largest attendance during the preceding month.

NOMINATED QUEEN OF BAYLOR HOMECOMING

Waco.—Margo Mittel, Baylor University senior, is one of 28 nominees for the 1962 Baylor Homecoming Queen. Miss Mittel, daughter of Mr. and Mrs. Arch Mittel of Eldorado, is representing Tri-D, home economics club. She is a member of Delta Alpha Pi, women's social club and is the Rodeo Club Sweetheart. She is a home economics major and education minor.

The Homecoming Queen will be crowned Saturday, Oct. 27, during half-time activities of the Baylor-Texas A&M game.

Mr. and Mrs. Buddy Baker visited here with his parents, Mr. and Mrs. Leslie Baker, recently on their way back to El Paso after visiting with her parents in Kansas City.

Victoria, daughter of Mr. and Mrs. T. K. Jones and now of San Angelo, accompanied Mr. and Mrs. Cicero Swift and Miss Penny Dullin to College Station last week end to visit their sons, Eddy Ohlenburg and Jerry Swift at Texas A&M. While there they attended the A&M-TCU game. Cicero Swift was formerly an Eldorado Eagle and was outstanding linebacker back in the late 1920's and early 1930's.

Mr. and Mrs. Charlie Trigg and Ed Meador and son Lynn, and Bill Cotner of Midland, attended the Texas-Arkansas football game Saturday night in Austin, returning home Sunday.

Mr. and Mrs. Alfred Stevens, accompanied their daughter Mrs. Alta Cain and Beep and Jane Cain to Leander, Texas, Saturday and Sunday to visit Carl Stevens who is seriously ill with a rheumatoid condition. They report that Carl possibly has improved slightly with recent treatment prescribed by doctors in San Antonio. Other Eldoradoans visiting Carl and Agnes Stevens over the week end included Mr. and Mrs. Archie Mittel and Mr. and Mrs. V. G. Sudduth.

Mr. and Mrs. V. G. Sudduth left Eldorado early Saturday morning with their son, Myrl, who is attending officer training school at Bergstrom Air Force Base near Austin on week ends. Myrl is an electrical engineer employed by West Texas Utilities Company in San Angelo, and was among the Army Reservists called up last year from San Angelo during the Berlin crisis. He was selected for officer training shortly before the Reservists were released in August.

Last Monday afternoon guests in the Nyquist home were Mr. and Mrs. Homer Perry and Mrs. Bertha Youngdale, all of Brady. Mrs. Youngdale is an aunt of Mrs. Nyquist. Dinner guests of the Rev. and Mrs. Nyquist Monday were Dr. and Mrs. C. S. Hinkson of Sarasota, Florida. Saturday until Monday, Rev. and Mrs. Bloomquist of Inks Lake were guests in the Nyquist home.

Arlene Harris of Sul Ross college spent the week end here with her parents, Mr. and Mrs. Orland Harris.

Mr. and Mrs. Milton Faught spent the week end with Mr. and Mrs. Herbert Locklear at Waco.

Mr. and Mrs. Arch Mittel spent the week end in Columbus, Texas, as guests of Mr. and Mrs. William Harrison, Sr. Their daughter, Margo, who is a student at Baylor, was also a guest in the Harrison home.

Mrs. W. E. Bruton and Mr. and Mrs. Ray Alexander were in Dallas Saturday where they attended funeral services for Mrs. Bruton's brother, Lee Langford.

FAMILY REUNION

Mr. and Mrs. Claude Doyle were in Kerrville Saturday and Sunday attending a reunion of Mrs. Doyle's relatives. The reunion was held in the Kerrville state park.
