WHEAT WINNERS—Gary Taylor, left, and Jimmy Latham, were among the top winners in the state 4-H Wheat King contest at Amarillo last week. Jimmy won second place in the state contest, receiving $25 and a trip to a major wheat terminal. Gary won fourth place and a cash prize of $25.

County Budget Hearing Draws Few Citizens Monday Night

The public hearing on the 1954 budget for Ochiltree county held in the county courtroom Monday night, with only a few citizens appearing to inspect the budget.

The proposed budget calls for expenditures of $272,864.00 for 1954 with the estimated county valuations of $9,000,000.

This is the first budget for Ochiltree county and covers estimated receipts and expenditures from January 1, 1954 to December 31, 1954.

The budget includes the following divisions:

Jury Fund

Tax rate, 15 cents; receipts, $11,759 from tax levy, $8,000 to be transferred to the general fund; $3,759 estimated expenditures.

Road and Bridge Fund

Tax rate, 30 cents; receipts $91,050; transferred from the farm-to-market fund, $10,000; estimated expenditures $111,800. The major expected expenditure include labor, $38,000; materials, $20,000; repairs and parts, $18,800; equipment, $18,000; fuel, $9,000; salaries, $8,000.

General Fund

Tax rate, 25 cents; estimated receipts, $21,250; transfers from jury fund, $8,000; transfers from courthouse and jail fund, $3,000; total receipts $32,250; estimated expenditures, $37,015, including $10,000 to the salary fund.

Courthouse and Jail Fund

Tax rate, 25 cents; receipts, $20,250; transfer to general fund, $3,000; estimated expenditures, $17,170.

Cemetery and Park Fund

Tax rate, 30 cents; receipts, $25,800; estimated expenditures, $25,020.

Farm to Market Road Fund

Tax rate, 30 cents; receipts, $21,000; transfer to road and bridge fund, $10,000. It is planned to spend $40,000 from this fund to construct a payed road in the southwest part of the county, and this amount is to be added to approximately $60,000 from the state for farm to market road construction during 1954. The commissioners have designated the road extending east from the Hansford county line as the next step in the paved farm to market road program.

Lateral Road Fund

This fund consists of state payments to counties to apply on bonded indebtedness. Since Ochiltree county has no bonded indebtedness, the sum comes in cash and goes for lateral road construction and maintenance. It is estimated that the fund will

Scouts Seek Old Black Skillets

Got an old black skillet around the place? The Boy Scout troop would like to have it—they are trying to equip the troop for camping trips and old, black skillets are one of the items they need. Anyone who can help out the Scouts are asked to call Scoutmaster Harry Stumpf at phone 8583.

Ministrel Show Tuesday Night At Auditorium

Music, jokes, dance routines and specialty numbers will highlight the "Darktown Follies" minstrel show Tuesday evening at 8 p. m. in the high school auditorium. The entire show is directed, produced and staged by the faculty of Perryton schools, and the cast includes almost every teacher in the system.

Rehearsals have been going well, the costuming is complete, and the numbers are already shaping up into an entertaining show, according to Mrs. Rose Powell, general director of the show.

One of the most outstanding attractions will be a "New Orleans Jitterbug" act, featuring two of the high school teachers. Other special routines include a Charleston number, a male quartet, a ladies' quartet, and comedy skits. The interlocutor, Mr. Bob Irby, eight end-men, and an all-teacher chorus round out the cast of the "Darktown Follies."

Proceeds from the show will go to the Ranger high school annual. Admission prices are 25¢ and 75¢.

End men for the show are Jim Baker, Verdell Turner, Eddy Austin, James Wright, Cecil Robison, Joe Champion, Gilbert Mize and Kenneth Precise.

Mrs. Gale Rogers, Miss Peggy Rodgers, Mrs. Joe Champion and Mrs. Paul Loftin will give a Charleston number and there will be many other song and dance routines.

Soil Conservation Election Set Next Tuesday

A Soil Conservation District election has been called for Tuesday, Oct. 6, at the Black school house beginning at 2 p. m. to elect a supervisor from subdivision 5 of the Ochiltree County Soil Conservation District.

The Ochiltree Soil Conservation District has five elected supervisors, with one supervisor retiring each year and one being elected to replace him.

The supervisor must own land within the subdivision from which he is elected and must be actively engaged in farming or ranching. Any person over 21 years who owns land in the subdivision and lives within Ochiltree county is eligible to vote in the election.

Subdivision 5 includes all of the old voting precincts 6 and 7, Black and McMillen.

Annual 'Voice Of Democracy' Plans Announced

Plans for the seventh annual Voice of Democracy Contest were announced this week by the Perryton Jaycees, with Bob Gregg and Tom Knighton co-chairmen of the VOD Committee.

The contest, sponsored by the National Association of Radio and Television Broadcasters and the U. S. Jaycees, officially gets under way on November 1.

Perryton high school students in the 10th, 11th and 12th grades are eligible to participate by preparing a five-minute broadcast on the subject, "I Speak for Democracy." The broadcast is transcribed for the local winner and is entered in regional and state competition.

Top winners from the state receive a radio or television set and four winners will be chosen from the United States to receive a $500 scholarship and an expense-paid trip to Washington.

Grain Sorghum Harvest Begins With Scattered Loads of Grain Received

(Herald Staff Photo Engraving)

EARLY MAIZE HARVEST—Bob Leatherman, on the combine, was one of the earlier milo harvesters this year, moving into his field last Friday. He is shown cutting a field of Martin Milo which yielded from 5 to 50 bushels per acre. This particular field was spotted, but he had about 50 acres of excellent milo.

Crop Is Thin And Spotted Over County

The 1953 grain sorghum harvest, spotted and thin through most of Ochiltree county, began last week with scattered truckloads of grain being received at local elevators since late last week. The grain sorghum harvest, which looked good until mid-August, took a decided turn for the worse during the last few hot, dry weeks of August and the crop will be quite light this year.

Many fields have been pastured or cut for feed when it became apparent that not enough moisture existed for the crop to make grain.

Some excellent fields of feed for ensilage have been cut this year, and the feed situation is considerably better than a year ago all over this country. However, the cash crop situation, from combine milo, is not too encouraging.

Several grain sorghum loans have been made at the county PMA office, all for elevator storage. Milo must be in farm storage 30 days before becoming eligible for a loan.

The grain sorghum loan rate is $2.32 per bushel, less storage, which gives the grower a net of $2.16 at present. Storage deductions are less each ten day period and while the storage is 16 cents now, it will be 15 cents from October 3-13.

Grain sorghum loans will not be made on grain with more than 13 per cent moisture.

Harvest of combine milo will extend into the latter part of October, and no harvest rush is anticipated.

Best fields of milo, of course, are on the irrigated farms, where yields of 70 bushels upward have been reported.

'Junior Fire Marshals' Will Inspect Homes During Week

The Perryton Fire Department and the Lions Club are cooperating with the Perryton schools in a "Junior Fire Marshal" program to be conducted during National Fire Prevention Week, October 5-10.

Students in the third, fourth and fifth grades will make home reports on fire hazards, turn in their reports, then write essays on fire prevention. Students who turn in home reports will receive a fire marshal card.

A $25 bond will be given by the Fire Department to the student writing the best essay on fire prevention in the fourth and fifth grades. Awards of $5 will be given to the student making the best fire prevention poster in the first, second and third grades, with the Lions Club putting up $10 and Fire Chief Tom Waugh giving $5.

The home reports, made on forms provided by the Fire Department, include inspections of cellar, attic and garage for fire hazards; check for inflamable liquids in the house; check on wiring; and completing a list of ten inspections around the house.

Winners in the contests will be announced at the close of Fire Prevention Week.

October 18 Set For Fall City Golf Tourney

Sunday, October 18, has been set as the date for the fall golf tournament of the Perryton Country Club and trophies have been received and are on display at the Ellis Automotive store.

There will be five flights for men, a championship and A flight for women, and two junior flights, one for high school and one for junior high and elementary school.

The tournament will be an 18-hole medal play affair, with each golfer qualifying himself for the flight he wishes to play.

In event of bad weather on October 18, the date for the tournament will be postponed until a later date.

Schneil Gate to Go In Production In Near Future

A. L. Schnell, manufacturer of the Schnell Electric Stock Gate, last week signed a contract with Frank Aldrich and Henry LaMaster of Whitesboro, granting a distributorship in southeast Texas and the state of Oklahoma for the two men.

An initial order of gates was made by Aldrich and LaMaster and they informed Schnell that a number of the gates have already been sold within their territory.

Schnell is leaving this week for Chicago to secure materials for manufacture of the gate, and has already completed 100 gates with material already on hand.

Other distributorships are pending for the gate, Schnell said, and demonstrations have been made with several oil companies.

It is expected to start production of the gates in Perryton in about 45 days if material can be secured promptly, Schnell said.

Juniors to Meet Wheeler Tonight

Only football game in Perryton this week will be played tonight at Ranger Field when the Perryton junior high team tangles with Wheeler in a game scheduled for 7 p. m. The juniors won their opener at Canadian by a 26-13 score and this will be their first home game. The juniors play two more games away from home before returning to Ranger Field for a game with Canadian on October 22.

Ranger B Team Goes to Dumas

The Ranger B team, with a win and loss on their record this year, go to Dumas tonight for a game with the Dumas B team at 7:30 p. m.

The Ranger seconds, under coach Ernest Kendrick, dropped their opener at Phillips, 21-0, but last week overcame a strong Canadian team to win, 7-0.

The starting lineup is expected to be Neal Flathers and Jerral Allred, ends; Hobart Buxton and Mickey Ward, tackles; Bill Jines

See No. 4, Page 6

Angus Breeders Set Sale Date

The annual sale of the North Plains Aberdeen-Angus Association will be held on Monday, October 26, with about 45 head of registered Angus cattle expected to be consigned for the sale.

The sale is scheduled at the county livestock building sales pavilion and all leading Angus breeders of Texas, Oklahoma and Kansas will be represented.

A sales catalog is being prepared and will be distributed within the next few weeks.

(Herald Staff Photo Engraving)

LD MYSTERY FARM NO. 13—Here is the Herald Mystery Farm of the Air for this week. Some correctly identifying the farm will receive a free Herald subscription and the owner of the farm ve a mounted photograph by calling at the Herald office for it. The farm last week was the erson farm northwest of Perryton.

(Photo by Clarence Quaile Studio)

SUPERB BLOCKING—This picture, made as the tying touchdown was scored at Canadian Friday night displays the excellent blocking which was a big factor in the Ranger 26-25 victory. At the left is end Bill Farrington taking out two Wildcat linemen while at the right Don Hulsey and Jack Wright are keeping the hole open. Ed Cumings made the score.

Social Security Field Man Will Visit Perryton

As a convenience to residents of Perryton and the surrounding area, a representative from the Amarillo Social Security Field Office will visit Perryton once a month, beginning with the month of October. He can be contacted on his first visit at 10:30 a. m. on Thursday, October 8, at the country court room at the courthouse.

According to J. R. Sanderson, Manager of the Amarillo Office, this representative can provide any service which could be obtained in the field office itself. He can take application for social cards, duplicate cards, employer's number, or claims for retriement or survivors insurance.

Teen Town Meeting

The Teen Town Council will meet tonight, Thursday, in the Teen Town building on south Main at 7:30 p. m., it has been announced. Club representatives are asked to attend.

(Herald Staff Photo Engraving)

ELEMENTARY TEACHERS along with their principal Kenneth Precise, who is also president of this year's Parent-Teacher Association, were a hit at the first PTA meeting Monday night at Ranger Field. The group was introduced as: "Mr. Kenneth Precise and His Bathing Beauty Revue". Members of the high school faculty also appeared in a skit as part of the "Fun and Frolic" night staged by the association. Mrs. Paul Loftin was director of the elementary group, assisted by Mrs. Hallie Veale, piano, and recorded by Don Thurman. Radio station KEYE furnished the sound equipment for the outdoor meeting.

Here's how to sharpen a knife on a steel such as a butcher uses. The heel of the place is placed against the top of the steel and held at an angle so that only the blade edge touches the steel. The knife is drawn lightly down the steel; the stroke ends with the tip of the blade at the base of the steel. A few strokes on either side of the blade sharpens the knife. The steel should have a guard at its base to protect the hands of the user, should the knife slip.

THE FINE CAR
at *half* the fine car price

Duplicating America's costliest cars, feature after feature, Ford is worth more when you buy it . . . worth more when you sell it!

A FEW MINUTES on the telephone calling the dealers who sell America's finest cars will reveal there are at least eleven models among four makes with price tags over $4,000!

Now the interesting thing is that in feature after feature the Ford car duplicates each of these fine cars, and *for less than half the fine car price!*

Look under the hood of the most expensive cars and what do you find?

A V-8 Engine! Well, the Ford car has a V-8, too. In fact, it has had a V-8 since 1932, and since that time Ford has built more V-8's – by *millions* – than all other manufacturers combined. And there's no other builder in Ford's price range that's seen fit to offer one yet!

But the engine, as fine as it is, is only one of many things that make a fine car *fine*.

Automatic shifting, for example. All the fine cars offer it in one form or another because it's one of the things that make a fine car *fine*. But if you've never driven a Ford with Fordomatic you've missed one of the finer things of life. This amazing transmission not only does away with clutching and shifting forever – it gives you exactly the amount of power you want, when you want it –automatically.

Fine car power steering, too. The big, heavy costly cars offer it for the same reason they offer power brakes. It's a man-sized job for a 120 pound woman to handle a car weighing two tons or more without it–especially when parking. Our "Master-Guide" has two distinct benefits.

First, it gives a hydraulic power assist right down at the wheels *and just enough to take out the work.* You don't relinquish one particle of control–rather your control is more complete and far easier.

Second, being hydraulic, "Master-Guide" power steering absorbs those fatiguing steering wheel tremors caused by ruts and roads in bad repair. *And you don't pay a fine car price for "Master-Guide."*

But there is another fine car feature—the Ford ride. Books have been written on the subject of riding quality in an automobile, but the payoff comes on the pavement – *or lack of it!* Many people associate a comfortable ride with excess weight, but it's not weight alone that makes for comfort. If it were, those big five-ton trucks which you see every day would be the most comfortable vehicles on the road.

Without being technical we can tell you that what's been done with the suspension and springing system gives the Ford a softer ride, a smoother ride than many cars which tip the scales at better than an added half ton.

What about room? Here's an interesting point. If you've felt that only a costly car offered enough room, you just ought to sit down in a Ford even if you're out-size and six feet four! The so-called big car is bigger on the outside, but unless you buy a limousine with those little jump seats, it's not one passenger *bigger inside.*

Visibility is another fine car Ford feature. We say Ford cars offer "full-circle" visibility because they all have huge, curved one-piece windshields and a huge rear window to match . . . *plus* side windows that mean every passenger gets room with a view!

How beautiful is a Ford? A great English poet, John Keats, once wrote "Beauty is Truth, Truth Beauty"–well, he could have been writing about our car for its beauty comes from honest, clean lines in every dimension. In fact, we think most people agree–even our competitors –that the appearance of a Ford Car leaves very little to be desired. It is "at home" wherever it goes and it goes everywhere.

But what about Ford quality? Does it too match the fine car? Is the sheet metal of the body panels as thick? Is the finish as good? How about the trim and things like that? Well, as far as we can determine, the sheet metal is identical in thickness in practically all instances. As to finish – we believe Ford's *baked-on* enamel has no equal in any car. Ford upholstery fabrics and trim are less costly, but they're less delicate, too, and if anything, more durable.

How then is it possible to give you this fine car at half the fine car price?

Part of the answer lies in Ford manufacturing skills and knowledge as evidenced by the V-8 engine. Part of it comes from the ever increasing numbers of cars Ford produces and the economies they make possible. And, part of it comes from Ford's willingness to give greater values than might be expected in cars selling in Ford's price range. And that's the Ford idea.

FORD

Worth more when you buy it . . . Worth more when you sell it!

ENSILAGE HARVEST—Daniel Newman, on the tractor, harvested an excellent field of Atlas Sorgo for ensilage last week and filled a truck every 15 minutes with the ensilage cutter. The field averaged about 15 bushels per acre and the feed was the best he ever grew, Newman said.

TRENCH SILO—Shown above is a truck being unloaded in a large trench silo at the Daniel Newman farm seven miles north of Perryton Newman had 100 acres of Atlas Sorgo feed which made about 15 tons of ensilage per acre. The feed received 14.40 inches of rain since July 5.

News From ANTHONY

By Mrs. Ralph Bobbitt

The Anthony Sunday school had their annual election of officers Sunday.

The past year was closed with Leroy Bobbitt, Sunday school superintendent, presenting a box of chocolates and a small gift to Kay and Ann Myers for their near perfect attendance. Myrtle Bobbitt placed second in attendance. Mrs. Ralph Bobbitt, the Sunday school teacher, presented a small gift to each pupil. A book of Bible stories was given to Kay Myers for learning her memory work the best during the past year. Ann Myers and Judy Morris were second in their memory work.

The new officers for the coming year are: Supt., Vernon Ratzlaff; secretary-treasurer, Mrs. Floyd Myers; pianist, Miss Cleta Carter and song leader, Mrs. Leroy Bobbitt. Teachers elected are: adults, Mrs. Leon Morris; intermediates, Mrs. Laverne Davis and beginners, Leroy Bobbitt.

* * *

The Anthony neighborhood is almost too busy taking care of their feed to participate in many activities this week. Vernon Ratzlaff, Leroy and Nellie Bobbitt and Ralph and Mary Bobbitt are helping Leslie Bobbitt put up ensilage this week. Elmer Husted is helping Glen Myers bind feed. Mr. and Mrs. Floyd Vandeburgh and Mr. and Mrs. Lem Vandeburgh have been helping each other fill silos for the first time. J. L. Wallace is helping Mr. and Mrs. Leon Morris bind feed.

* * *

Mrs. Ralph Bobbitt attended an executive meeting of County Council of Federated Women at Beaver in the county agents office Wednesday morning.

Final arrangements were made for purchasing a coffee maker and securing an electric roaster made posible by county club donations.

Those present were Mrs. Mollie Conner, Mrs. Thelma Potter, Mrs. Beryl Gregory, Mrs. Eva Miller and Miss Grace Reynolds.

* * *

Mrs. Leroy Bobbitt attended a meeting at Beaver Wednesday afternoon for the purpose of seeing materials for suits and coats that would be on display at Frye's of Stillwater.

* * *

Mrs. Mary Cole of Beaver called in the Ralph Bobbitt home Monday morning.

* * *

Mr. and Mrs. Leon Morris and children attended a dinner at the W. H. Wells home in Beaver Tuesday evening. The occasion was to honor Mr. and Mrs. Jim Lyle on their wedding anniversary.

Other guests present were Mr. and Mrs. Lester Conner, Mr. and Mrs. J. H. Curfman and Virginia Lou, the honorees and the host and hostess.

* * *

Miss Virginia Janzen of Canadian is visiting with her parents, Mr. and Mrs. Fred Janzen.

* * *

Mrs. Ralph Bobbitt called on Mrs. Carl Carter Thursday afternoon. She is improving slowly and hopes to attend club next month.

* * *

The Anthony 4-H Club will have a meeting Thursday evening, October 1, at 4:45 o'clock at the Anthony center. All club members are urged to be present and prepared to re-enroll for the coming club year.

* * *

Mrs. Leroy Bobbitt called on Mrs. Steve Nowlin of Turpin Thursday. Mrs. Nowlin is the former Laura Bobbitt. Mrs. Bobbitt and Mrs. Nowlin and daughter Cheryl spent the afternoon calling in the Ralph Bobbitt and Carl Carter homes.

* * *

Mr. and Mrs. Wm. Wilson, Mr. and Mrs. Leon Morris and Glen Myers attended the Chamber of Commerce banquet at Beaver Thursday evening. The banquet was for the purpose of raising funds for the new hospital at Beaver. Everyone present was put on a committee to help raise the much needed funds.

* * *

Mr. and Mrs. George Kirton attended a piano recital Tuesday evening. Jerry Kirton and Judy Morris participated in the recital.

* * *

Carl Carter worked several head of cattle Thursday before placing them on pasture.

* * *

Mrs. Ralph Bobbitt called on Mrs. Glen Myers Friday afternoon.

* * *

Robert and Steve Durbin have spent a few evenings this week with their grandparents, Mr. and Mrs. Floyd Myers.

* * *

Mrs. Steve Nowlin and Cheryl spent Saturday with Mrs. Ralph Bobbitt and children.

* * *

Dinner guests Sunday in the home of Mr. and Mrs. Ralph Bobbitt were Mr. and Mrs. Steve Nowlin and Cheryl, Mr. and Mrs. Leroy Bobbitt, Myrtle and Janet and Leslie Bobbitt.

* * *

Mr. and Mrs. Lewis Whittet, Fred and Ruth and Mr. and Mrs. Morris Atkinson and Don of Turpin spent the week end in Pawnee, Okla. visiting relatives and viewing the Oklahoma University-Notre Dame football game on television.

* * *

Mr. and Mrs. Harrison Eckelson were Sunday guests in the Laverne Davis home.

* * *

Mrs. F. B. Whittet attended the Past Noble Grand Club in Liberal, Kansas, Friday.

* * *

Mr. and Mrs. John Davis called in the Laverne Davis home Sunday afternoon.

* * *

Jerry Davis spent Monday, Sept. 28, with Mrs. Ralph Bobbitt while his parents attended the funeral of Mr. Braidwood.

* * *

Mrs. Elvin Gregg called on Mrs. Leon Morris and Mrs. Ralph Bobbitt Sunday afternoon.

Gene Johnson, son of Mrs. Texie Ann Johnson, 309 S. Birch, left Wednesday for the University of Albuquerque, Albuquerque, N. Mexico, to study pharmacy for 3½ years. Mr. Johnson has attended the School of Pharmacy in Denver, Colo. and was an employee of Burk's Inc. for 6 years. Mrs. Gene Johnson plans to join her husband in Albuquerque.

Several to Attend Range Field Day

Several farmers and ranchers from this area plan to attend the 17th Annual Range Improvement Field Day at the Woodward experiment station on Oct. 3, reports county agent Delbert Timmons.

A number of outstanding speakers will talk on range improvement, landscaping, grass development, and grain development.

The tour will be along a 35 mile route past 68 points of research information. There will be seven "stops" along the route where demonstrations will be made. There is a free barbecue at noon.

Here's a summer salad that never fails to win applause. Tomato aspic molded in a ring filled with shrimp. Dress the shrimp and mix it with celery and mayonaise before placing the tomato aspic with it.

Boost your car's power as much as 15% with
New Conoco Super Gasoline with TCP*
The Greatest Gasoline Development in 31 Years

Restores "new car" power!
Increases spark-plug life up to 150%!
Gives you extra gas mileage, too!

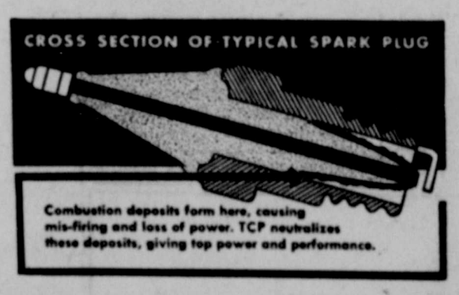
Today it is possible to put *new power* in your car—just by driving into a Conoco station and filling up with new Conoco Super Gasoline.

For Conoco Super with TCP is a *new* kind of motor fuel—truly the greatest advance in gasoline since the introduction of tetraethyl lead in 1922. New Conoco Super can actually increase the power of the average car as much as 15%. That's because TCP overcomes the greatest cause of power loss affecting most cars on the road today. Conoco Super with TCP is brought to you by special arrangement with Shell Oil Company. TCP is Shell's trademark for the remarkable additive originally developed for aviation fuel.

Combustion deposits drastically reduce power

When you drive your car, deposits constantly build up on spark plugs and in the combustion chambers. These deposits can "cheat" you of power in two ways. First, they short-circuit spark plugs—causing them to mis-fire. Second, deposits in the combustion chambers cause fuel to ignite before it should. This is called pre-ignition or "wild ping." The combined effect of mis-firing and pre-ignition is loss of power and wasted gas.

*Patent applied for by Shell Oil Company



How Conoco Super Gasoline with TCP works

Now Conoco Super with TCP—a cresyl compound—dramatically overcomes loss of power and fuel caused by combustion deposits. TCP actually *neutralizes* harmful deposits on spark plugs and in combustion chambers. With new Conoco Super your plugs spark as they should. Your fuel ignites as it should. You get and keep "new car" performance.

TCP helps your car—whether new or old

Whether your car is old or new, you can enjoy the benefits of TCP. If you have a new car, with a high-compression engine, it will keep on delivering its built-in power as long as you use Conoco Super Gasoline. If your car is an older one, Conoco Super will *restore* much of the power you have lost.

Conoco Super with TCP is at your Conoco dealer's today. Don't wait another day to start using this *new kind* of gasoline—the greatest development in 31 years!

See what Conoco Super with TCP can do for your car—
Start the "TWO-TANK TEST" today!

1. When your gasoline tank is one-quarter full or less, fill it with Conoco Super with TCP. Now, there will still be some ordinary gasoline mixed in with your Conoco Super, so . . .

2. Make sure your *next* tankful is Conoco Super, too. So rapidly does Conoco Super work that with this second tankful, chances are you'll feel as if your engine has had a tune-up. You'll feel a boost in power. Try it today. We're sure you'll *stay* with Conoco Super.

Dairymen Are Asked to Meet

A meeting for dairymen of this community has been set for October 7 in the district courtroom at 1:30 p. m., it has been announced.

An effort is being made to organize a Tri-State Dairy Association and this meeting will determine whether or not local dairymen wish to join such an association.

J. C. James, organization and cooperative marketing specialist from the Texas A&M Extension Service, will be present to explain the association. All dairymen are asked to attend.

Darrouzett Wins Opener; To Play Channing Friday

DARROUZETT—The Darrouzett Longhorns scored 32 points in the first quarter and then coasted to an easy 66 to 14 victory over the game but outclassed Sunray Bobcats in a six-man football game here last Friday night. The Longhorn regulars played less than ten minutes in the contest as Coach Pennington cleaned his bench in an effort to keep the game from becoming a farce.

The Longhorns lost little time once the game got started. They scored in the first minute of play when Quarterback Jake Schoenhals shot a pass to Clifford Baker good for 20 yards and a touchdown. Bob Schneider, Longhorn fullback, kicked the first of his five extra point conversions and the Longhorns were out in front by a score of 8 to 0 (extra point kick counts two points in six-man football). Two minutes later the Longhorns recovered a Bobcat fumble and the same pass play, Schoenhals to Baker, was good for another six-pointer. Schneider's kick was again true and the score was 16 to 0.

Within the next five minutes the Longhorns scored twice more. Schneider intercepted a Bobcat pass and returned it 60 yards and a few plays later Glenn Bellomy circled left end for 20 yards and a touchdown. Schneider's kicks were good after both scores and the Longhorns were leading 32 to 0 with the first quarter little more than half gone.

The Ionghorns scored one time in each of the last two quarters. In the third quarter, Jake Huddleston blocked an attempted Bobcat pass; picked up the ball and raced 20 yards for a touchdown. In the final period, Vernon Meller flipped a 15 yard pass to Glenn Balch which was good for another Longhorn score. Billy Schneider scored the final two points for Darrouzett as he kicked successfully after the last touchdown. The Bobcat's last tally came just before the final gun when Clyde Reynolds passed to Coarse on a play good for 25 yards.

The Longhorns will play Channing in the opening conference game on Longhorn Field on Friday night, Oct. 2.

Annual Conference Held In Dumas September 26-27

District 9, Texas Federation of Business and Professional Women's Clubs, held their annual conference September 26-27 at the Hotel Sneed in Dumas. Program theme of the conference was "The Ramparts We Build Through Prosperity for Freedom".

The Dumas B&PW Club were hosts to the conference.

A formal banquet, held at 7:30 p. m. Saturday, honored state officers and local club presidents. Mrs. Addie V. Payne of Colorado City, second vice president of the state B&PW Club, was the principal speaker of the evening.

A breakfast and workshops were held on Sunday morning.

The Perryton Business & Professional Women's Club had charge of the fun frolic following the banquet.

Virginia McWilliams, mistress of ceremonies, presented the Gay Nineties program. A can-can dance was given by Dorothy Wilson, Frances Foster, Nellie Bryan, Leah Ward, Ann Suitor, Mildred Holt, Grace Payne, Faith Kelley, Hazel Jackson, Hulda Schmidt and Bertha McNally. Lyndol Taylor accompanied the group on the piano.

Helen Watson gave a musical reading entitled "The Lady Known as Lou."

A skit, "Faint Heart Ne'er Won a Fair Lady," was presented by Ann Suitor, Helen Watson and Dorothy Wilson.

Other local club members attending were Mildred Hudson, Moina Caldwell, Marie Wade, Lois Julliusson, Maude Cox, Eva Fisher, Lora Wilson and Anna Lee.

Approximately three hundred B&PW Club members were present from Amarillo, Borger, Dimmitt, Dumas, Hereford, Lockney, Lubbock, Pampa, Panhandle, Perryton and Plainview.

M/Sgt. and Mrs. Gene Englert of Milhall, Pa., were guests of Mr. and Mrs. Bryon Tevis and Trev Mac, Monday. Sgt. and Mrs. Englert were enroute to Japan where he will be stationed with the army for the next four years.

Creamed Tuna

A family feast . . . you'll be amazed!

3 tablespoons butter
3 tablespoons flour
1⅔ cups (1 tall can) Carnation Milk
½ cup water
½ teaspoon salt
2 tablespoons chopped green pepper
1 tablespoon grated lemon rind
1 7-oz. can tuna fish, drained and flaked
3 hard cooked eggs, sliced
6 noodle nests or 6 slices toast

Melt butter in saucepan, add flour and stir until smooth. Add Carnation Milk and water gradually. Cook until thickened, stirring constantly. Stir in salt, green pepper, lemon rind, tuna fish, hard cooked eggs and heat through. Serve in noodle nests or over toast. Garnish with a dash of paprika and sprig of parsley. Makes 6 servings.

WHEN THE MARSHALS COME HOME!

During this week, Fire Prevention Week 1953, the school children of the 3rd, 4th, and 5th grades have been invited by the Perryton Fire Department and this Hartford Agency to join over two million other children throughout the U. S. A. as Junior Fire Marshals. If there's a Junior Fire Marshal in your family, we respectfully urge you to cooperate with his or her fire prevention efforts in your home. A small thing, perhaps . . . but what's more important than saving lives?

Why Buy a Car Without Trying it Out?

★ Try before you buy! That's sound judgment when making any purchase. That's why we suggest you visit your Nash dealer and take a "10-Mile Comparison Trip" before you decide on any car. See how you get *more* for your motor-car dollar when you buy a Nash. More in comfort! More in safety! More in all-around performance, economy and value!
Yes, get positive proof at your Nash dealer's now that no other car gives you so much as Nash.

1. **Take the keys and see!** Open the wide, wide doors of Pinin Farina's newest styling creations. Step into the greatest room you've ever enjoyed in a car.

2. **Settle back and relax!** A lever adjusts exclusive Airliner Reclining Seats to five comfortable positions. Nap while someone else drives!

3. **Park it in a pocket!** Try Nash Power Steering in tight parking places. Notice its fingertip steering ease, even when standing still.

4. **Try the roughest road you know!** Smooth coil springs on all four wheels and exclusive Nash Airflex Front Suspension smooth road shocks.

5. **Top performance**—Plus traditional Nash economy with either of the Ambassador's great engine choices—"Le Mans" Dual Jetfire or famous Super Jetfire.

6. **Look all around!** Here is the greatest eye-level visibility in any car, with the world's widest windshield and rear window.

7. **You and your family are safer!** With Airflyte Construction, body-and-frame are welded together into one solid unit—stronger and rattle-free.

8. **Breathe fresh air!** See why the exclusive Weather Eye Conditioned Air System is termed the greatest health and comfort feature in any car.

9. **Enjoy over-night sleeping!** Wide, soft Nash seats make up into comfortable Twin Beds in an instant. Ideal for hunting, fishing, vacationing.

10. **Compare luggage room!** More space for your bags. A "10-Mile Comparison Trip" will prove there's none so new—none so value-packed as Nash!

...dcat ground game, led ...Hoover, Pat Tipps and ..., hammered the Ran... ...hroughout the contest ...up 273 yards on the ...The Wildcat runners ...the most devastating ...Rangers have encoun... ...year, and Canadian ...to punt.

...Rangers unveiled a ...ame, led by ends Bill ...and Bill Farrington ...ses from Billy Drake ...Cumings, which ate ...ce in a hurry and ...ball game tied up ...ing whistle.

...of victory was an extra ...e by fullback Ed Cum... ...a one-yard smash had tied up the game late in the final period. Two passes covered 72 yards and set up the tying touchdown after Canadian had gone ahead late in the quarter, 25-19.

The Wildcats' Pat Tipps drove for the extra point which would have meant a tie game, but Canadian was offside and the Rangers staved off the next attempt on the Wildcat final touchdown.

Terrific blocking and tackling was displayed by both teams throughout the contest and the Rangers demonstrated once again that they are in top physical condition. They had to fight with all they had and never let up throughout the game.

Canadian took the opening kickoff and reeled off a touchdown in seven plays which gobbled up 89 yards and things looked black for Perryton. The touchdown was a one-yard plunge by Pat Tipps and the score was 6-0 after the Rangers stopped Tipps on an attempted plunge for the extra point.

But the Rangers stormed right back to score on a 77-yard drive which featured a 37-yard pass from Billy Drake to end Billy Farrington and some hard running by Ed Cumings. The score was made by Bill Thrasher on an end-around play from the 7-yard line. Cumings' try for the extra point was stopped, and it was 6-6 at the end of the quarter.

In the second quarter, the Rangers recovered a fumble on their 30 to stave off one Canadian drive, and a pass interception on the 37 halted another Wildcat bid a few minutes later. A series of pass plays failed to connect and Canadian got the ball on their 47 after a short kick by the Rangers.

In four plays, Canadian scored again, with Dean Hoover slipping through right tackle for a 28 yards and a touchdown. Tipps plunged for the point and it was 13-6.

Undismayed by this display of power, Perryton marched right back to score again and tie up the ball game. Cumings drove nine yards from his 31, Thrasher galloped around right end for 13 yards and set up a beautiful pass play from the Wildcat 47. Billy Drake faded back to pass and sailed a long one downfield which end Billy Farrington gathered in over his shoulder on the 15 and drove on to the 4 before being downed. Drake went around left end for the touchdown on the next play and when Cumings plunged for the extra point, it was tied up, 13-13 at the half.

The Rangers received the kickoff opening the second half and wasted no time in going ahead on the scoreboard. With Gene Good and Ed Cumings hammering the Wildcat line, and a nice pass from Drake to Thrasher loosening up the Wildcat secondary, the Rangers drove to the Canadian one-yard line in twelve plays where Gene Good plowed through right guard for the score. The ball was fumbled on the attempted plunge for extra point and it was 19-13.

Canadian got that one back in a hurry. Taking the kickoff on their 30, they drove to the 23, where Dean Hoover went around right end, reversed his field, and drove across the goal line to make it 19-19. The Ranger line stopped Tipps on a plunge and it was still tied up.

A partially blocked kick set up the final Canadian touchdown early in the fourth quarter when Ronnie Witt found himself swamped with Wildcat linemen and barely got off a kick which traveled 14 yards and gave Canadian the ball on their 46. Hoover and Tipps smashed down to the Ranger 8 in four plays and then Hoover drove across for the touchdown which put Canadian ahead, 25-19.

Pat Tipps smashed over guard for the extra point, but Canadian was offside and penalized back to the seven. The Rangers stopped the next attempt.

After receiving the next kickoff, Drake passed to Thrasher from his 27 and the big Ranger end gathered in the ball at midfield then drove on down to the Canadian 25 for a first down. Another pass failed, then Ed Cumings looped one to Thrasher on the 10 which he carried on down to the one-yard line. Cumings hammered left guard for the touchdown to tie up the game, 25-25 and then repeated the play for the all important extra point.

About two minutes were left in the ball game as the Rangers fought to preserve this slim one-point lead. Hoover carried the kickoff from his 15 to the 45 and then drove 12 yards on the next play. Another end run was solved by Jerome Woods and Ronnie Witt, then quarterback Ray Ramirez of the Wildcats decided to pass.

The pass went deep to end Roy Flowers, but safety Bill Thrasher gathered in the ball for an interception which gave the Rangers the ball and probably meant the ball game.

Using lots of time, the Rangers stayed on the ground for nine plays and were on the Canadian 38 when the game ended.

Score by quarters:

Perryton:	6	7	6	7—26
Canadian:	6	7	6	6—25

The lineups:

PERRYTON — Ends, Bill Thrasher, Bill Farrington, Jimmy Todd, Buddy Payne; tackles, Ronnie Witt, Jack Wright, Lester Ward, Billy Helton, Arch Brashears; guards, Jerome Woods, Don Hulsey, Don Johnson, Glen Simpson; centers, Marvin Flowers, Bob Williams; backs, Ed Cumings, Gene Good, Billy McLanahan, Billy Drake, Ray Williamson.

CANADIAN—Ends, Roy Flowers, Orla Curnutt, J. R. Rutherford; tackles, Billy Hines, John Briggs, Larry Price; guards, Bob Matthews, Bill Swires, Bill Chumbley; centers, Harman White, Tom Chumbley; backs, Ray Ramirez, Dean Hoover, Pat Tipps, Jerry Green, Eugene Schoenhals.

CUMINGS SCORES—Fullback Ed Cumings of the Rangers drives across the goal line for the extra point which tied the score, 13-13 at the half of the Canadian game which Perryton won, 26-25. The Ranger in the background is end Bill Thrasher. Wildcats shown are Eugene Schoenhals, Lynard Shafer, Jerry Green and Ray Ramirez.

NOTICE TO CREDITORS OF THE ESTATE OF IDA VIRGINIA LACKEY, DECEASED

Notice is hereby given that original letters of administration upon the estate of Ida Virginia Lackey, deceased, were granted to me, the undersigned, on the 22nd day of September, 1953, by the County Court of Ochiltree County, Texas. All persons having claims against said estate are hereby required to present the same to me within the time prescribed by law. My residence and post office address are Perryton, County of Ochiltree, State of Texas.

W. H. Lackey, Administrator of the Estate of Ida Virginia Lackey, Deceased.

CITATION BY PUBLICATION

THE STATE OF TEXAS

TO: IVA MAE BRADFORD, DEFENDANT, GREETING:

You are hereby commanded to appear and answer the plaintiffs petition at or before 10 o'clock a. m. on the first Monday after the expiration of forty-two (42) days from the date of issuance of this citation the same being Monday the 2nd day of November, 1953, at or before 10 o'clock a. m. before the Honorable District Court of Ochiltree County, at the Courthouse in Perryton, Texas.

Said petition was filed on the 15th day of September, 1953. The File Number of said suit being Number 1376.

The names of the parties in said suit are James E. Bradford, as plaintiff, and Iva Mae Bradford, as defendant.

The nature of said suit being substantially as follows, to-wit: Suit for divorce, plaintiff alleging that plaintiff and defendant were married on the 5th day of March, 1952 at Wichita County, Texas, and lived with defendant from said date until on or about the 9th day of September, 1952, since which itme he has not lived with defendant. Plaintiff alleges that because of the improper and cruel conduct of defendant that plaintiff can no longer live with defendant as husband and wife. That no children were born as a result of said marriage. That no community property was accumulated during said marriage. Reference is made to the original petition filed in this court and the same made a part of this Citation for all purposes.

Issued this 15th day of September, 1953.

Given under my hand and seal of said court at office in Perryton, Texas, this 15th day of September, 1953.

(((SEAL)))

Sue Ragan, District Clerk, Ochiltree County, Texas.

Fire Prevention Week

National Fire Prevention Week is October 4-10 and once again the attention of private citizens is directed to the terrific toll that is taken each year by fire.

In the last decade fire has killed more than 100,000 persons and burned or disfigured many hundreds of thousands more. Each year about 12,000 American died needlessly in fire and there are 920 home fires each day, 33 deaths by fire, 78 store fires, 100 factory fires, 8 church fires, 9 school fires, 4 hospital fires.

The eight principal fire causes in the home are: Careless smoking and handling of matches; misuse of electricity; defective heating apparatus; careless handling of kerosene and gasoline; needless accumulations of rubbish; lightning; defective chimneys; children playing with matches.

Perryton has an excellent volunteer fire department that can quickly check a blaze; most homes have fire insurance to replace some of the damage by fire. But nothing can replace all the damage done by fire. It is far better to exercise the utmost caution in removing fire causes—better be safe than sorry.

Why Europe Hates Us

Most realistic reporting from Europe comes from newspaper correspondents who obtain information first-hand and who may be relied upon for truthful reporting. One of the best known American correspondents who has visited Europe and Africa and probably the ablest writer of them all is Robert C. Ruark who comments on this familiar topic with a question mark, Why do Europeans hate us?

"Everyone in Europe says, 'go home,'" Ruark writes. "We have spent billions. We have been guilty of good intentions. We have fed the hungry, subsidized the needy and helped future millions. We kicked off the Korean war in the good name of friendship and saw it wind up unsatisfactorily as most all family fights finish when they are subject to outside intervention.

"Bernard Baruch has always maintained that the art of giving a thankless deed, winding up with lumps on the skull of the giver unless the taker has something to give in return. A very sound man, Hanson Kelly Ruark, who was my grandpa, used to say that a man who gave unlimited credited at a country store, soon would wind up with no money, no stock, no store and no friends. Grandpa, I believe, had the current European thing taped well in advance. I am an expert on nothing except the avoidance of work, but I have kicked around foreign real estate for a lot of years, and speak four or five languages almost as badly as I write English. I can even say 'ain't' in Swahili. And one thing I can say, in Italian, Spanish, French and South Sea Pidgin is that nobody outside loves the United States today. We are unloved for the same reason that Texas is unloved in America. We have too much. We give too much. We make people uneasy by our sheer munificence. We are the sugar daddy to the world. Our symbol is the Cadillac convertible when the donkeys don't carry enough kindling. And we meddle without knowing how to do it well. And with people who don't have a clue as to expert performance in meddling. That last I firmly believe, is one of our major faults . . . Maybe our biggest detractors are the British. They have been our poor relations too long to be happy. No proud race likes to be given anything."

Mr. Ruark was in World War II from start to finish. He has visited nearly all parts of the world. —Hays News

Here's a good way to use left-over cooked rice for a summer dessert. Stir any desired sweetened fruit into the rice, then fold the fruit-rice mixture into sweetened whipped cream. Spoon the dessert dishes and top each with a cherry.

From the SIDELINE

with HAROLD HUDSON

Reading our exchanges from the south plains, we note that several editors are worried about an early frost—having in mind its effect on grain sorghum and cotton crops. After the hot weather we've had the past few days here, we doubt if we need be concerned about an early frost. This month has followed the pattern of the poor years since 1949—lots of hot dry and windy days during September and into October.

For the first time since 1948, there is a lot of football enthusiasm around Perryton and this, of course, stems from the fact that we have a pretty good ball club this season. Not a powerful polished bunch like the 1947 champions, of course, but this is a team that scraps right down to the finish, and that's what fans like to see.

If the Rangers hadn't fought with all they had during the Canadian game they would have come home losers instead of winning that exciting one-point contest last Friday night. We thought the Rangers did an excellent job, but some of them feel that they didn't. They thought they should have stopped the Canadian running attack better than they did, but we feel that there will be few teams that stop the Wildcat runners this season — if they play like they did against Perryton.

The Amarillo Daily News has elevated Perryton into the No. 8 spot in Panhandle AA football rankings, boosting the Rangers two notches above last week. It is interesting to note that of the top 10 class AA teams in the Panhandle, exactly half, or five, come from district 1-AA, where the Rangers compete, of course. Gives some idea how rough the competition is going to be in this district again.

Two weeks of college football have gone by and the fans seem to like the one platoon system all right, in spite of dire predictions by some college coaches. We can't detect any let-up in the scoring or excitement of the games. Ray George, Texas A&M coach, has one of the best thoughts on the 1953 football rules that we have seen. "This will be better," he said, "for now it will be our team playing against your team. My objection to platoons was that some of the feel of the contest was lost. The offense didn't get 'mad' at the other team when it scored, it was miffed at its defensive brothers for permitting it. Football's better when the other team scores on you and you get 'mad' about it and decide to ram that football down its throat as soon as you regain possession. That's the game . . . eleven against eleven doing everything until they play out."

A little magazine called Caps and Lower Case came in this week and had some sentiments we've often thought about, regarding rudeness. It reported: "Sometimes we wonder what pleasure the Monosyllable Sams get out of life. He slid into his seat at Vick's counter, accepting the menu without a word. Here surroundings are cozy, the waitresses pleasant, the food good. Conditions are ideal for an enjoyable meal.

"Yet to the smiling waitress he muttered, "prime ribs, mashed potatoes, string beans, coffee.' That and nothing more. He didn't say he would take prime ribs, like mashed potatoes, try string beans or drink coffee. He just named them. Of course, he did not acknowledge the food when brought to him nor help the waitress adjust the plates to his convenience. Then when she had left he just pointed to the salt and pepper. Never did it occur to Old Inarticulate to ask us if we would pass them to him.

"Maybe such people enjoy their own company. Maybe their own thoughts are so lofty that they do not like to be bothered with words except to satisfy their immediate needs. But from where we sat, and that was pretty close, it looked like just plain, simple, dumbness, or perhaps just plain rudeness."

We've noticed that girls who are called live wires usually have very little insulation.

Clothing manufacturers say that $55 is the average spent for student clothing during August and September. We don't know where they get the figures, and that seems a little high to us, but we don't have any child in school yet, and maybe this is a correct figure. If so, there was about $55,000 spent on student clothing this fall. We hope it was all spent in Perryton.

We received a news release from the Polish Embassy in Washington this week, telling of how rosy the farmers were nowadays, and we read about three pages of it before we got what they were driving at. The payoff came when the Poles attributed all their prosperity to good machinery, fertilizer, hard work, and the benevolent protection offered by the Soviet Union. Wonder if there isn't some way the U. S. can curtail this sort of junk from being sent through the mail. We doubt if any newspaper in the nation would print it as it was released.

Since we started "Down Memory Lane" a couple of weeks ago, there have been several who said they liked the feature, and one who said he could offer suggestions for improvements. He suggested that we leave off names in the "25 Years Ago" part since that dated a person. We thought that this was the general idea—names make news, and if it happens to be 25 years ago, we still intend to use names.

Wolf Creek Philosopher

Treasury, Hay In Same Shape

(Ed. note: The Wolf Creek Philosopher must think money is hay, his letter this week reveals.)

Dear editar:

I was wanderin around over my pasture out here yesterday afternoon absorbin the September sunshine and sizin up my cows and wonderin how cold it'll get this winter and whether they can all make it through alive when I noticed a copy of a newspaper had blown against a corner post and since my corner posts ain't the strongest in the world I figured I'd better take the paper off to cut down on the wind resistance, I haven't got time to be repairin blown-over corner posts when there's even more work needed to be done on the posts in between, not to mention the wire and since I had the paper in my hand when I pulled it off I took it home and picked out a comfortable spot on the south side of the barn and stretched out and looked it over.

What interested me right off was an article sayin the Secretary of the U. S. Treasury, George Humphrey, has checked up on the money on hand in Washington and has informed President Eisenhower that the government probably can scrape through the fall and winter without callin Congress back into session to raise some more. He figures the government can cut a few corners and scratch around and meet its bills until January at least, when Congress is due back anyway.

I know exactly how it is, and I'm pleased to learn that me and the Secretary of the Treasury have some problems in common.

I have been checkin up on my supply of Johnson grass hay and I've figured if I cut some corners and scratch around enough, my cows ought to be able to make it to January too, and I'm gonna take the position that if the United States Treasury can do it, my cows ought to too. In fact, my cows are just gonna have to buckle down, recognize that's all the hay there is, and get by on it. This idea of pourin more and more hay to the cows and more and more money to the people can't go on forever. We got to call a halt somewhere and I'm proud that me and the Secretary of the Treasury see eye to eye on it.

Of course, the people have a little advantage over my cows. My cows don't have Congress comin back into session in January to take the pressure off, they've got to make it all the way to spring grass along in April. My cows just don't have any machinery for callin me back into session in January. It's up to them to size up the hay in the barn and recognize that's all that's standin between them and the first blade of green grass six months from now. I don't know that they'll be better cows physically for the experience, but if they make it they'll have the satisfaction in knowin that the United States Treasury and my hay barn are in about the same shape.

Yours faithfully,
J. A.

If a plane flew straight south from Portland, Maine, it could land in the Pacific Ocean off Iquique, Chile.

Bowery Boys In WAF Barracks Means Trouble

Trouble comes to the private intimacy of a WAF barracks at an army air force training camp when Leo Gorcey, Huntz Hall and the rest of the Bowery Boys involuntarily join the service in "Clipped Wings," their latest comedy which comes Friday and Saturday to the Ranger Theatre.

It begins when there is a slip-up in orders and Hall, playing the bewildered Sach as usual, is assigned to quarters with the girls.

From that point on the fun builds to what has been described as a riot. The riot reaches the boiling point when Sach, who has been taking a correspondence course in aviation, finds himself with Gorcey in an experimental plane, controlled from the ground, being sent through a frightening pattern of aerial gymnastics.

If you want a stew to make a hit, season it well! Catchup, Worcestershire sauce, and chili powder will give it real tang.

Big business is conducted at low cost with Herald want ads.

Dennis Price Is Pill Heir

Dennis Price portrays the scion of a pill dynasty in "Bachelor in Paris," which comes to the Ranger Theatre on Oct. 7-8.

Price plays the heir to a medications fortune, whose conservative repuation totters in a scandalous affair with a French night club singer, and finally vanishes in a duel waged over her affections.

Anne Vernon is the girl, and Mischa Auer the duelist vying for her hand.

Among the Perryton people attending the Oklahoma University-Notre Dame football game in Norman, Okla. last Saturday afternoon were Mr. and Mrs. Max Boyer and Don, Dr. and Mrs. D. B. Pearson, Jr., Mr. and Mrs. Drew Ellis, Mr. and Mrs. Otis Burk, Dr. and Mrs. Roy Sanford, Mr. and Mrs. Herman Meadows, Mr. and Mrs. J. H. Brashears and Arch, Mrs. Raymond Powell, Carl Ellis, Virby Conley, Pete Peterson and Paul Haywood.

Does that lemonade pitcher and those tumblers look muggy? Just soak them in warm water in which a little baking soda has been dissolved, then wash as usual and your glassware will gleam.

JOHN TILLERSON HOME—This farm home of Mr. and Mrs. John Tillerson, 16 miles northwest of Perryton, was the Herald "Mystery Farm of the Air" for last week and Leroy Carter received the free Herald subscription for identifying it correctly. There were 15 persons who submitted correct identification and the winner was drawn by lot.

Tillerson Ranch Home Featured In Herald Mystery Farm Series

The ranch home of Mr. and Mrs. John Tillerson, 16 miles northwest of Perryton, was last week's Herald "Mystery Farm of the Air." Mr. and Mrs. Tillerson have lived on the ranch for three years, since purchasing the land from J. W. Rogers of Farnsworth.

Tillerson has lived in Ochiltree county since 1944. He came here from California, where he lived briefly. He worked for the Coca-Cola company in Dalhart for a number of years.

He worked for J. W. Rogers and lived on a farm two miles southwest of Farnsworth from 1944 until moving to the present home in 1950. He purchased a section of grass land where the home is located, and runs cattle there with Rogers during the year.

They ordinarily have about 200 head of Hereford cattle on the ranch, which includes the Tillerson section and 5 more sections owned by Rogers. The ranch was bought by Rogers several years ago from the extensive Johnson and Hoghland holdings in that area.

Another 320 acres of wheat land is owned by Tillerson just north of Waka.

Rogers and Tillerson sold all their cattle last fall and restocked the ranch this spring. They sold 111 head of cattle last week and plan to carry 100 head thru the winter, using feed which was grown this summer, plus some good grass.

Best crop year for Tillerson was 1947 when he made upward of 20 bushels per acre. Poorest crop years have been 1950, 1952 and 1953 which were failures. A small amount of wheat was cut in 1951.

The house is a Mobilhome which the Tillersons moved to the ranch in 1950. It is a three bedroom frame structure.

Mr. and Mrs. Tillerson have one child, Don, age 14.

The Tillerson home includes a fine set of improvements including lots of corrals, barns and other outbuildings.

They have been Herald subscribers for several years and Tillerson says he enjoys the local news better than anything else in the paper.

Beaver County Farmers Poison Prairie Dogs

The branch of Predatory Animal and Rodent Control, U. S. Fish and Wildlife Service, and the Extension Service, are cooperating to carry on a prairie dog poisoning campaign in Beaver County, starting November 1. This service will be handled through the County Agent's office, according to the information received ffom Bud Nelson, County Agent.

The poison used will be a lethal bait which is a 1080 compound mixed with steam-crushed oats. The bait will cost the land owner approximately 18¢ per pound and one pound will treat from four to five acres of infested land. Each land owner must pay for the lethal bait used on his land and furnish the necessary labor to put out the bait. The U. S. Fish and Wildlife service will furnish, without cost; personal supervision in applying the lethal bait and this bait can only be put out under their supervision.

A letter from the County Agent's office, containing a map for locating the prairie dog towns will be sent each land owner in the County. It will be appreciated if the land owner or lessee will cooperate in filling out the map, by locating the dog towns, then returning the map to the County Agent's office. All land owners that have prairie dogs on their premises are urged to take part in this program.

Guests of Mrs. Anna F. Wilson from Saturday until Thursday of last week were Mrs. G. W. Stafford and daughters, Mrs. Charles Goldsberry and son Bobby and Miss Nancy Stafford all of St. Joseph, Mo. and Roy Carter of Altus, Okla.

Mr. and Mrs. B. C. Jones returned last Thursday from a business trip to Alamagordo, N. Mexico.

Christian Science

Services 11 a. m. each Sunday
Public Cordially Invited

"Unreality" is the subject of this week's Christian Science Lesson-Sermon. The point will be stressed that Christ Jesus illustrated the unreality of evil every time he destroyed sin, disease and death, leaving with those healed a glimpse of reality a taste of God-given health, holiness and harmony.

The Golden Text is from I Timothy (6:17): "Charge them that are rich in this world, that they be not high-minded, nor trust in uncertain riches, but in the living God, who giveth us richly all things to enjoy."

The necessity for making a choice between the worship of God instead of matter is pointed out in the book of Matthew (6:24): "No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon." Mary Baker Eddy refers to this subject in this selection from the Christian Science textbook: "You are bringing out your own ideal. This ideal is either temporal or eternal. Either Spirit or matter is your model. If you try to have two models, then you practically have none. Like a pendulum in a clock, you will be thrown back and forth, striking the ribs of matter and swinging between the real and the unreal" (Science and Health with Key to the Scriptures, p. 360).

Mr. and Mrs. Bruce Holmes have chosen the name Marcy Ann Holmes for their daughter born September 26, at the Perryton hospital. Mr. and Mrs. L. R. Grigsby of Davenport, Okla. are maternal grandparents. Mr. and Mrs. Roy Enfield are paternal grandparents.

TEXAS ROSE QUEEN — Miss Sally Kay, 18, will be queen of the 1953 Texas Rose Festival in Tyler early in October. Queen Sally is a student at Lindenwood College, St. Charles, Mo. She is the daughter of Mr. and Mrs. Luther Kay Jr. of Tyler. (AP Photo)

DOWN MEMORY LANE

From Herald Files

TWENTY-FIVE YEARS AGO
October 4, 1928

J. H. Jines of Enid, Okla., moved to Perryton and announced plans for opening a body and fender shop. He started construction of a new tile building for the new establishment.

A total of 4,000 spring lambs were shipped at Farnsworth, the "Sheep Center of the Panhandle." E. W. Rogers and J. W. Rogers had the majority of the shipment.

E. D. Kelley, superintendent of the Ochiltree school, announced that $200 was given by Perryton merchants for a new school piano.

The Wade Barber Shop was sold by Luther Wade to R. L. Christopher, who announced that free shampoos would be given to Ranger football players if they beat Shattuck.

A front page editorial in the Herald stressed the need for paving Main street. People were getting tired of the mud and the dust from the unpaved Main street.

The Johnson-Hoghland Ranch advertised 153 good whiteface yearling heifers for sale at $62.50 each.

Miss Lina Purscell and Wesley Walker were married Sept. 28.

TEN YEARS AGO
September 30, 1943

The Ochiltree War Loan was still short $100,000. The Ellis Theatre reported War Bond sales of $71,577.50 for the picture, "Destroyer," on advance sales. Admittance to the show was through purchase of a bond.

The PHS band participated in dedication exercises for the Liberal Army Air Field.

The county bought an iron lung for $1,392.

The Rangers lost a football game to Guymon, 18-0.

Mr. and Mrs. G. R. Wilson sold the Wilson Funeral Home to Boxwell Bros. of Amarillo. The Wilsons had lived in Ochiltree county for 35 years and had operated the funeral home for 22 years when it was sold.

FIVE YEARS AGO
September 30, 1948

McMillen voters turned down a school consolidation proposal, 17-19. The Perryton Independent School district voted for it, 55-7.

Mary Watson Jones of Silverton arrived as new county home demonstration agent.

First traffic signal lights in Perryton's history were installed. Both lights went in at the ryton school, on Eton and and Eton and Sixth aven

Dick Hall and Cecil won the county Wheat

The Rangers beat Lefors for their third football win.

Weddings of note: Records and Glen Sept. 22; Clarice Allen fonso Ramon Quintana Fe, N. M., Sept. 12.

Want a wonderful appetizer? Leave small does unpeeled; cut lengthwise and remove Serve filled with a tangy dressing; guests eat this course with teaspoons.

From where I sit ... *by* Joe Marsh

One for the Books!

Noticed the Missus had a red ribbon tied around her finger at breakfast one morning last week. "What's that for?" I asked. "Your memory slipping?"

"It's not for me," she answers, "it's to remind *you*, and everybody else who asks what it's for, to contribute to the Woman's Club Library Fund. We need $200 and we figured we'd get more help if we could get people to ask us about it."

Well, as it turned out, the red ribbon worked just fine. The ladies are having the library all fixed up—and there's enough money for some new books, too.

From where I sit, it would be a fine thing if we had some sort of private reminder when we forget the rights of our neighbors. Like when we start telling them what *we* think is best. I may like a travel book and a temperate glass of beer while you prefer a cup of tea with your historical novel. Let's both remember not to "put the finger" on the other!

Joe Marsh
