Pact Nations Meet Monday On Germany

BRUSSELS, Belgium, Dec. 12. (AP)—Foreign ministers of the 12 Atlantic Pact nations will meet in Brussels next Monday to thresh out the problem of rearming Germany, a Belgian foreign ministry spokesman announced today.

Defense ministers of the pact nations will also take part in the two-day talks, the announcement said.

U. S. Secretary of State Dean Acheson will fly to Brussels for the parley, which also will give opportunity for a meeting of the big three foreign ministers—Acheson, Foreign Secretary Ernest Bevin of Britain and Foreign Minister Robert Schuman of France.

Lubbock Well Set to Test Ellenburger

Callery & Hurt, Inc., of Houston, is to start operations at once at its No. 1 Broadhead slated 11,000 foot wildcat, in Southwest Lubbock County.

The proposed destination of the project is calculated to take it into the Ellenburger.

Location is 1,980 feet from south and 660 feet from west lines of section 70, block 28, HE&WT survey. That makes it eight miles south of Wolfarth and 15 miles southwest of the city of Lubbock.

It is on a farmout from Honolulu Oil Corp. Humble Oil & Refining Co., Sunray Oil Corp., Bankline Oil Co. and several other concerns are reported to have agreed to support the development.

FIELD EXTENDER

Strong indications of a one and three-quarter mile northeast extension to the Pegasus multi-pay field of Southwest Midland County and Northwest Upton County have been shown at C. W. Murchison & Assoc. No. 1 Joe Canon.

This prospector ran a five-hour drillstem test in the top of the Ellenburger at 13,100-152 feet. Gas surfaced in 74 minutes. No fluid came to the top while the tool was open.

Recovery was the 2,000-foot water cushion, 3,690 feet of oil and gas cut drilling mud and 5,500 feet of free oil.

There was no formation water. The oil was 50.9 gravity.

Operator planned to drill 25 feet deeper, then run casing and make a production test.

Location is 24 miles southwest of the city of Midland and 660 feet from south and east lines of section 13, block 41, T&P survey, T-4-S. It is in Southwest Midland County.

Top of the Ellenburger is at 13,122 feet. Elevation is 2,889 feet. The top of the Ellenburger is 138 feet above the water level in the Pegasus-Ellenburger formation.

This well has already shown as a flowing discovery from the Pennsylvanian lime at 10,370-578 feet. It flowed oil at the estimated rate of 25 to 30 barrels per hour during a drillstem test of that zone.

TERRY COMPLETIONS

Sinclair Oil & Gas Co. is preparing to complete two offsets to Amerada Petroleum Corp. No. 1 Willard, discovery of the Adair-Wolfcamp field of Central-South Terry County.

The prospectors to be completed are Sinclair's No. 1 and 2 Carl Golden. The No. 1 Golden topped the reef at 8,470 feet by samples. Elevation is 3,235 feet, which makes the well two feet low to the discovery.

The No. 1 Golden was drillstem tested for three and one-half hours at 8480-8,538 feet. Gas was to the surface in one hour and 58 minutes. The volume was insufficient to measure.

No fluid surfaced while the tool was open but when operator started pulling the tester the drill pipe began unloading and unloaded all the way out of the hole.

Estimated recovery was 1,490 feet of heavily oil and gas cut mud and 4,430 feet of clean, 43.5 gravity oil.

Total depth of the No. 1 Golden is 8,560 feet. Operator is now running electric surveys and will set pipe and complete the one location north stepout to the discovery well.

Location of the No. 1 Golden is 1,980 feet from west and 660 feet from south lines of section 7, block C-37, psl survey.

The No. 2 Golden flowed at the rate of 39.4 barrels of oil for one hour on a two-hour drillstem test over the interval from 8,430-8,500 feet.

On the test, gas was to the surface in seven minites and oil and mud flowed in 43. It was flowed to pits to clean for 17 minutes and then turned to tanks through a ¾ inch bottom hole and a one inch top choke.

Shakeout was 8 of one per cent

(See OIL NEWS, Page 6)

Bridge Collapses With Truck

Two men in the cab of this truck escaped with minor bruises and slight cuts Friday night when the one-way steel bridge across Deep Creek on Twenty-seventh Street collapsed beneath the truck and semi-trailer, loaded with an oil field tank. The driver was Joe Doyle Cunningham, 23, and the passenger was Osse Wilkerson, Jr. Both were from Odessa. The truck has been removed.—(LaWayne Hulse photograph).

Allied Troops Abandon North Korea To Onrushing Chinese

(By The Associated Press)

TOKYO, Dec. 12. — Some 27 Chinese Communist divisions—including 8,000 to 14,000 fierce Mongolian cavalrymen—today pressed menacing feelers toward South Korea after driving the bulk of the United Nations forces from the north.

Shaggy little Mongolian ponies and supply caravans of two-humped camels such as the medieval conqueror, Genghis Khan, used centuries ago gave bizarre but effective mobility to the vanguard of Red China's 1 million-man force as it streamed unopposed over almost all of North Korea.

In the west, the bulk of the allied Eighth Army had withdrawn to Parallel 38, the old boundary between North and South Korea.

In the northeast, most of the U. S. 10th Corps was huddled on the Hamhung coastal plain. This force was 130 air miles deep in Red Korea but it was surrounded by Communist forces and the road south was blocked. At the nearby port of Hungnam, a UN fleet was standing by in readiness to evacuate the encircled 10th Corps.

SECRET MOVES

An American Army regiment, the Seventh Division's 17th that once stood on the Manchurian border, was somewhere in the frozen waste-land and presumably withdrawing toward Hungnam. Its movements were shrouded for security reasons.

So, too, were the positions of two South Korean divisions, the Third and Capital. At full strength they would total about 20,000 men.

They had struck along the northeast coast within 40 miles of Soviet Siberia when masses of Red Chinese turned the tide and the order was given to withdraw.

The climatic point of collapse in the campaign sponsored by 53 non-Communist nations to smash Red Korean aggression and unify the divided country was accompanied by near-panic among Korean civilians.

CROWD VEHICLES

Hordes of non-military Koreans—and probably some fifth columnists — were swarming southward across the frozen countryside. They crowded into every available vehicle or trudged through the snow and along roads and trails. Whole villages were on the move in queues of desperation—or opportunity in the case of disguised Reds.

Anxiety was apparent in South Korea's capital of Seoul. Lines of refugees streamed southward from the city as the crowds entered from the north with their feeling of insecurity unabated. Korean President Syngman Rhee planned an appeal to halt the migration.

There was virtually no fighting contact between the Communists and allied ground forces.

Commissioners Court Wants Charity Cases Investigated

The commissioners court yesterday afternoon agreed to request the aid of Harold Bennett, manager of the Scurry County Chamber of Commerce, in hiring a person as investigator of charity cases requiring hospitalization.

The decision came after a request by Dr. W. R. Newton, owner of the Snyder Hospital, that the court work out a system by which the county would aid in the payment of hospital bills for charity patients.

No system for the payment of charity bills was made in the court's session, but the commissioners tentatively agreed to hire an investigator full time to look into all cases claimed to be charity and determine the abilities of the patients or their near relatives to pay the bills.

FIRE TRUCK

A motion was made by F. J. Chapman, seconded by T. B. Knight, that the county buy a fire truck with a 400-gallon water tank, a 200-gallon pump with a power take-off, hand fire extinguishers, and other accessories provided such a purchase were found lawful. The motion died when opposed by the other two commissioners, Doyle Parmer and Ted Haney.

Parmer said he was in favor of the purchase of such equipment but that he did not believe the county should agree to buy the truck until learning first whether the purchase were allowed by law.

The request to purchase the truck was made by N. W. Autry, chief of the Snyder Fire Department, who explained that about 30 per cent of the fire calls answered by the department were outside the city limits.

"Our department has always tried to help everyone, regardless of residence, and we will continue to answer calls outside the city limits as long as I am chief of the department," Autry said.

Autry explained that the truck which he estimated would cost between $6,000 and $6,500, would be used primarily for fires outside the city and most often in places not likely to have sufficient water for fighting blazes. Many of the rural homes have no water available to fight fires with, he added.

The purchase of such a truck would allow the department to make calls outside of town without leopardizing the city by removal of one of its regular trucks.

Most of the commissioners commented that they would be willing to reconsider the request after looking into the law if they found such a purchase would be lawful.

BONDED PATROL

The court voted to authorize the sheriff, Lloyd H. Merritt, to revoke the deputyship of George Wall and L. B. Camp, operators of the Bonded Patrol. The men were recently deputized by Merritt after authorization of the commissioners court to operate the patrol organization without pay from the county.

The court's decision yesterday followed a motion by Haney, seconded by Parmer.

The court agreed also yesterday to appoint three persons to investigate the farm properties of Miss Hanna Steele and Lloyd Ainsworth both of Fluvanna, and try to work out a solution agreeable to both of them regarding the construction of a road to Miss Steel's property.

Miss Steele requested the court by a petition signed by 27 Fluvanna persons to construct a public road across Ainsworth's farm to her land. Ainsworth requested the court not to build such a road contending that her property was adjacent to a section line at another point and that a road could be constructed there.

Snyder Feels Hot Weather

Continuing warm weather brought Christmas shoppers downtown without coats yesterday as the temperature climbed to a maximum of 75 degrees, warmest maximum since the cold wave last week.

A minimum of 27 degrees was recorded by Mrs. D. P. Strayhorn, weather observer.

Chinese Are Ordered To Push Americans Into Sea

Texas Set For Last Stand On Tidelands Case

WASHINGTON, Dec. 12. (AP)—Texas congressmen mapped today a last ditch fight for the state's tidelands.

The Supreme Court closed the last legal avenue yesterday in a decision ordering Texas and Louisiana to account for royalties from oil leases since last June 5 from the offshore gulf oil lands. Only a change in the law by Congress state claims were reserved when Texas gave up its independence to become a state.

RULING

The Supreme Court ruled the federal government has "paramount rights in and full dominion and power over lands underlying the Gulf of Mexico."

Sen. Tom Connally had this to say:

"The Supreme Court decree merely puts the final stamp of judicial approval on the theft of Texas' tidelands. It means that Texas and the other states will have to look to Congress for justice. I shall contend as strongly as I can for legislative action."

GOSSETT COMMENT

Rep. Gossett commented:

"The issue is still whether the federal government can confiscate the property of the states without compensation. It is an issue between fundamental democracy and socialism. In my opinion, we should never give up the fight for what is rightfully ours. The 82nd Congress can, and in my judgment, will pass a states rights tidelands bill. We will now redouble our efforts to that end. The states must never compromise on any properties within their described boundaries."

Rep. Poage said he will demand early House approval next year of a bill vetoing the Supreme Court decision.

MIAMI, Fla., Dec. 12 (AP)—Texas Atty. Gen. Price Daniel urged the National Assn. of Attorneys General here today to continue its fight for state ownership of tidelands.

The Texan was the principal speaker as the association laid the tidelands question out for official action.

For the past five years the association has sponsored state ownership legislation in Congress. It was passed in 1946 but vetoed by President Truman.

Korean War In Brief

(By The Associated Press)

FIGHTING front — Bulk of Eighth Army pulls back to 38th Parallel in position to fight rearguard action towards Seoul. Allies will continue campaign but with eye to escape routes. Tenth Corps sets up defense box around Hamhung. Evacuation by sea appears corps' logical next move. MacArthur's headquarters "suggests" new voluntary censorship code to protect military security.

DIPLOMATIC front—Twelve Asian nations ask UN General Assembly to arrange cease-fire and link peace move with proposed negotiations for general settlement of Far Eastern issues. U. S. will oppose such a tie-up as appeasement.

Truman Will Address Nation

WASHINGTON, Dec. 12. (AP) — President Truman is arranging to address the American people by radio Friday or Saturday night on the world situation and the home front steps he believes are necessary as a result of the threat of war.

This was learned today from high White House sources, unquotable by name.

At the same time, there was official word of the broadening of the conference Mr. Truman has called for tomorrow with congressional leaders of both parties.

Chairman George (D-Ga) of the Senate Finance Committee was added to the group of senators and representatives. Mr. Truman will consult at 9 o'clock tomorrow morning on plans for the proclamation of a national emergency—a step expected to be preliminary to a rapid series of moves placing the country's economy in virtually a war footing.

Secretary of State Acheson, Secretary of Defense Marshall and Secretary of the Treasury Snyder also were asked to be present for tomorrow's meeting with the congressional group.

George, who heads the Senate Finance Committee told a reporter he thinks the time is fast approaching when economic controls will be clamped down. He predicted the President will act during January at the latest.

Sen. Lyndon Johnson (D-Tex), chairman of a Senate armed services preparedness subcommittee said the time already has arrived for such controls. Johnson was one of many members of Congress who have been urging immediate action.

Kim Il Sung Calls For Death And Vengeance To The Allies

Statement Is Interpreted To Mean There Is To Be No Stopping At The 38th Parallel

MOSCOW, Dec. 12. (AP)—The Moscow press today said North Korean Premier Kim Il Sung has ordered his forces and Chinese fighting with them to push American armies in Korea into the sea.

In a statement to the Korean people, reported fully by Soviet newspapers, Kim Il Sung called for "vengeance and death to American armed interventionists and death to the treasonous gang of South Korean president Syngman Rhee."

The premier told his forces not to give the Americans time to regroup and form a new defense line, but to push forward, pressing the advantage gained in their recent victories in North Korea.

Kim Il Sung's statement was interpretated by observers here as indicating that there is no question of his forces stopping at the 38th Parallel or anywhere else in Korea, until all American forces in that country have been completely destroyed and driven out.

U. S. Embassy officials were reported studying the statement carefully.

The North Korean Premier called for a general armed uprising throughout all Korea against the Americans. He ordered Koreans to annihilate the enemy wherever they found him.

Chrysler Seen Raising Price Of 1951 Models

DETROIT, Dec. 12. (AP) — Chrysler Corp. again in step wage-wise with General Motors and Ford, kept its prospective customers guessing today whether it would fall in line price-wise.

If it does, it will put higher tags on its forthcoming 1951 model cars.

Yesterday Chrysler passed out $20 million-a-year benefits to its 125,000 CIO and non-union employes. Auto industry sideliners speculated a price rise would follow.

BOTH BOOST

Both GM and Ford boosted prices just a week ago. GM said its increases averaged "something less than five per cent." Ford's was 5.7 per cent. Both firms rejected a request by the government's economic stabilization agency to rescind the increases.

Chrysler's new models in its four lines will be introduced next month. Even before yesterday's action, there had been widespread speculation that Chrysler would follow the GM and Ford lead. Most of the industry's so-called "independents" already had boosted prices on their 1951 models.

Chrysler rearranged its wage structure in a new five-year contract with the CIO United Auto Workers.

Adopting the cost-of-living wage control for the first time, Chrysler boosted its pay rates one cent an hour immediately and guaranteed an additional four cents each June 1 for the next four years.

It also raised maximum pension benefits from $100-a-month now to $125, including federal social security, by 1952; liberalized other pension and hospital-insurance benefits and granted a modified union shop.

UN Endeavors To Bring Peace In Korea War

By MAX HARPELSON

(Associated Press Staff)

LAKE SUCCESS, Dec. 12. — Twelve Asian and Middle East countries today laid before the United Nations a double-barreled peace plan designed to halt the fighting in Korea and resolve other Far East problems.

The plan was embodied in two resolutions worked out in a series of closed-door conferences and circulated just before the political committee of the General Assembly met this morning.

ASK RED VOICE

India, one of the sponsors, proposed that the Chinese Communists have a direct voice in settling general Asian difficulties after the Korean fighting is halted.

The resolutions were transmitted to the State Department immediately by the U. S. delegation. A spokesman said the delegation would not comment until it had received high-level reaction from Washington.

One of the proposals would create a three-man commission, headed by Assembly President Nasrollah Entezam of Iran, to "determine the basis on which a satisfactory cease-fire in Korea can be arranged. The other two members would be named by Entezam.

Informed quarters said this formula was adopted to meet U. S. objections to an outright cease-fire which might leave the way open for a continued build-up of Chinese Communist forces in Korea. The three-man body would get the interested countries to agree to fixed conditions for halting the conflict.

The second proposal would create another commission to meet as soon as possible and make recommendations for settling all issues in the Far East. The sponsors left it up to the assembly to form this commission, but they envisaged a seven-nation body.

Curfew Is Put On Singapore

By A. L. McINTYRE

(Associated Press Staff)

SINGAPORE, Dec. 12. (AP)—Police clamped a dusk-to-dawn curfew on riot-torn Singapore tonight. The toll from two days of fighting over the fate of a Moslem-reared Dutch girl rose to 14 dead and more than 140 injured.

The British colony's supreme court, meanwhile, ruled today that the girl's Roman Catholic Dutch mother could take 13-year-old Maria Bertha Hertogh back to Holland with her.

Thousands of fanatic Moslems in two days of bitter rioting have tried to kidnap the child and return her to the Malay woman who for eight years reared her, and to the Moslem schoolteacher Maria Bertha married last summer.

Fighting, which began with a mob attack yesterday on the supreme court building continued in the city's two-mile-square Moslem quarter. It was cordoned off by bayonet-wielding police and British troops and armored cars.

Two Associated Press correspondents, Bureau Chief Tom Masterson and Pulitzer Prize Winner Larry Allen, were injured when a mob attacked and burned their car last night.

Record Prices Paid For Queensland Wool

BRISBANE, Dec. 12. (AP) — Record prices for Australian scoured wool and Queensland greasy merino were established at Queensland wool sales today.

Scoured reached 282 pence per pound and greasy 210 1-2 pence a pound.

Values showed a hardening tendency with general and widespread competition.

Values were firm at the Melbourne sales and prices remained high without being spectacular.

Choose Murder Jury

EL PASO, Dec. 12. (AP) — The state qualified jurors on the death penalty and the defense talked about suspended sentences as the second murder trial of Mrs. Edna Mead, 22, continued here.

The red-haired former Boston stenographer is charged with beating and choking her mother, Mrs. Ada Bradford, 63, to death on Dec. 14, 1949. The first trial ended in a deadlocked jury last March 4.

Council Approves Extension Of Sewers, Repair To Tower

Extension of sewer and water lines to serve 64 new houses in an addition to be known as Kitterell Heights in southwest Snyder was granted by the city council in its meeting last night.

Mayor pro-tem Ivan Gatlin, acting in the absence of Mayor F. G. Sears who was in Austin attending a meeting of the state board of water engineers, was authorized to sign a contract with Pittsburgh Tank and Tower Co. for repair and painting of the water tower in southwest Snyder.

The council also moved to permit Snyder taxicab companies to operate on a revised temporary rate pending a further hearing set for Dec. 22, at the next council meeting.

EXTEND LINES

Permission for extension of sewer lines to the new Kitterell Heights addition was granted on the basis that lines to serve the addition would be extensions of lines granted in a previous addition to the Morningside addition. Owners of Morningside addition agreed to permit the extension and are to get a proportional share of the income from the lines to help repay their original investment.

Work on the new addition will start immediately and 64 houses should be completed within the next six months, Kitterell said. They will be built to F. H. A. specifications. The addition will be located adjoining the location of the new elementary school for which bonds were voted Saturday. Twenty-six new houses have just been completed in Morningside, which is just west of the new addition.

REPAIR WORK

Work on repair and painting of the 100,000 gallon water tower in southwest Snyder will start this week, Pittsburgh Tank and Tower Co. submitted the low bid in a recent bid call asked for by the city. Their bid to repair the tank, paint it inside and outside, and guarantee the repair work for five years, was $4,000. Their bid for making a total cost of the job of $4,400.

Gatlin was voted authority to sign the contract on the condition that the submitted contract meets the approval of W. W. Park, city attorney, who is to thoroughly check the contract today.

CAB DRIVERS

Owners of Snyder taxicab companies were called to the meeting by council members due to numerous complaints to council members of cab fares having been recently raised.

Cab owners stated that their companies were losing money and that rate adjustments would have to be granted by the council if they were to stay in business. They said that they had already made rate adjustments without the authority of the council. Their adjusted rates, they said, were 35 cents for rides within a zone extending eight block in each direction from Avenue S and Twenty-sixth Street, and 50 cents for rides beyond this eight-block limit in the city limits.

The council granted the companies permission to keep operating on this tentative rate set-up until more information could be assembled and presented at the next scheduled council meeting.

City attorney Park said that according to the city ordinance on taxicab operation 35 cents was the legal fare, but that the ordinance was passed in March 1949, and that since then there had been extensions of the city limits in almost all directions.

10 SHOPPING DAYS TILL CHRISTMAS

Weather

WEST TEXAS: Fair this afternoon, tonight and Wednesday. No important temperature changes.

Nurses Here Region Hosts At Meeting

Snyder consolidated Independent school nurses were hostesses last Friday afternoon to all school nurses of the South plains area. This was the first meeting of the school nurses, a group provided for by the Gilmer-Aiken bill of 1948.

T. D. Wiman principal of the high school, presided at the meeting, giving the welcome address. Snyder will be the meeting place for the February meeting, also, to which additional schools will be invited to participate.

It was pointed out at the meeting that each of the schools carries out much the same type of health program and so share many of the same problems. Included in most health programs are screening of the eyes with the Massachusetts Vision Test Chart; testing ears with the Maco Auditometer; the giving of health talks in the classrooms; tuberculosis tests, and carrying out of immunization programs.

Present at the meeting were Mrs. Dorothy Andres of Anson; Mrs. Eulala Ault, Baird; Mrs. Jaella Thomas, Coleman; Mrs. Ruth B. Logan, Coleman; Mrs. Dorothy Reugn, Odessa; Mrs. Elizabeth Markham, Stamford; Mrs. H. S. Whitmire, Odessa; Mrs. Robert Owen, Midland; Mrs. Cecil Anders, Coleman; Mrs. T. P. Henderson Hermleigh; Mrs. Mike Hammons, Colorado City; Mrs. Raymond Williams, Snyder; Miss Kay Davis, Snyder, and Miss Leah Davis, Snyder.

PERSONALS

Worth B. Andrews, Jr., 1608 Twenty-seventh Street, left Saturday for Washington, D. C. on a business trip. The oil operator is expected back Wednesday. The Andrews plan to spend their Christmas holidays in San Antonio with Mr. Andrew's parents. A son, Charles Andrews, will join them there, from the Golden Colorado School of Mines.

Mrs. Leighton Griffin, 1102 Twenty-sixth Street, returned to her home today after spending a few days in the Root Memorial Hospital, Colorado City.

Mr. and Mrs. Bob Davie have moved from 2805 Avenue F, to their new home in Highland Park 3734 Dalton Drive.

Mr. and Mrs. William Branham 2704 Avenue G, spent last Saturday in Odessa, where they attended the Kermit-Levelland ball game.

Mr. and Mrs. Thurman Higgens 1511 Twenty-seventh Street, went to Hillsboro last week to attend the funeral of a relative, Graham Brown. Accompanying the Higgins were Mrs. Higgen's parents, Mr. and Mrs. N. A. Brown and William Brown.

Wayne Benton is reported to be in good condition in Root Memorial Hospital where he was taken for surgery last week. Mrs. Benton expects to bring him to their home in Highland Park soon. Mr Benton is on leave from his duties as manager of Hughes Tool Co.

Mr. and Mrs. J. A. Goodyear, 906 Twenty-seventh Street, have as a guest in their home Mrs. Goodyear's father, S. H. Adams of Long Beach, Calif. Mr. Adams plans to spend several days with them.

Mr. and Mrs. Elmer Garrett are newcomers to Snyder, Mr. Garrett arriving this week to assume a job as pumper with the Magnolia Production Co., Lamesa Highway. The couple have not located housing yet.

Donovan M. Hearn is back at his job this week as pumper for Magnolia Production Co. Mr. Heart has been ill for several days with pneumonia.

Mr. and Mrs. R. M. Wemple spent the week end in San Angelo on combined business and pleasure. Mr. Wemple returned Monday to his post as one of the superintendents at Pan American Production Co.

Martin Wilkinson left Snyder last week for New York City, his former home. Mr. Wilkinson worked here with the Hughes Tool Co. He expects to return to Midland in January and work in a land office.

Mr. and Mrs. Odell Kerr, Arab route, are the parents of a daughter born yestreday morning at Snyder Hospital. The baby weighed seven pounds, 10 ounces.

PERSONALS

Allen Turner visited Friday with Sidney LaNear and E. A. Brooks at Tumbleweed Courts. A partner of Mr. Brooks and Mr. LaNear, Mr. Allen was here from hte headquarters of Brooks and Turner Oil Well Servicing firm, Coahoma, Tex.

Sam Wilcox, a lawyer on business here from Georgetown, Tex., dined Friday night with business associates, Mr. and Mrs. Lawrence W. Dumas, in their home 3214 Avenue U.

Bob Boswell, bookkeeper at Cities Service Co., is back at work after a week end in Hobbs, N. M., where he went on business.

Mrs. George Killam, 2707 Avenue X, spent Saturday and Sunday in Lubbock visiting with her mother, Mrs. William Pickett.

John Nolan and Swede Nelson, district superintendents of Spartan Tool & Service Co., Abilene visited the branch office here Saturday.

D. L. Wohlford, a field salesman for Oil Well Supply Co., is back at his job today after visiting a few days in Fort Worth.

E. M. Cooney, a warehouseman for Mid-Continent Supply Co., left Sunday for Brownfield, where he has been transferred. Mr. Cooney, who has lived on the premises of the company here, will do the same type of work in his new location.

B. J. Seagraves, superintendent of the Warren Oil Co., Post Highway, went to Midland on business Monday.

Mrs. E. E. McClandless, bookkeeper at National Supply Co., is absent from her desk. Mrs. McClandless is at home ill with influenza.

Mr. and Mrs. Ed Chronister left Snyder over the week end. Mr. Chronister, who was a trucker for Spartan Co., has been inducted into the army. The family planned to visit relatives this week before Mr. Chronister receives his final orders.

Ed Colburn spent the week end in Olden, Tex., visiting his parents, Mr. and Mrs. W. E. Colburn. Mr. Colburn, a bookkeeper with Spartan Tool & Service Co., returned to his home at the company Sunday night.

Mrs. Dale Walton, 1309 Twentieth Street, left Snyder over the week end to join her husband, Cpl. Dale Walton, in San Antonio. The Waltons will make their home at Fort Sam Houston, where Cpl. Walton was recalled for service in the adjutant general's department. Walton was a reporter for the Snyder Daily, before he was recalled.

Christmas Party For Girl Scouts

Mrs. Floyd Boston, leader of the Cotton Blossoms, the fifth grade girl scouts, will entertain with a Christmas party Tuesday, December 19, in her home, 911 Twenty-seventh Street.

Assistant leaders who will help give the party are Mrs. Bob Sides and Mrs. Ben Pennington. This group of scouts is also known as Troop 5.

Together with the Christmas party, a court of awards will be held at which the 15 members of the group will receive girl scout pins, their first earned award.

On display at the scout party will be work they have done, which will include gifts for their parents. The girls made the invitations which were sent out to their parents also.

All of the girls' mothers are urged to attend, according to Mrs. Boston.

There are many ways to serve nutritious sweet potatoes — candied, baked, in pudding or pie, or mashed with lots of butter and seasoned with salt and pepper.

Miss Betty Lynn Gatlin Will Wed Here In December

Mr. and Mrs. Ivan Gatlin, 2506 Avenue H, have announced the engagement and approaching marriage of their daughter, Miss Betty Lynn Gatlin, to William Campbell.

Mr. Campbell is the son of A. J. Campbell and Mrs. H. P. Kellner of Oakland, Calif.

The nuptials will take place December 24 at 5 o'clock in the afternoon. The Rev. W. W. Adcock will perform the ceremony at the First Methodist Church.

Miss Gatlin is a student in McMurry College, Abilene. After her marriage, she will continue her studies until her graduation next June.

Mr. Campbell, a teacher in the public schools at Sterling City, expects to be inducted into the armed services in February.

Homer Grahams Give Christmas Party In Their Home Saturday

Mr. and Mrs. Homer Graham, 3110 Avenue U, entertained friends at a Christmas party Saturday night.

Mrs. Graham's living room was decorated with a silver Christmas tree. In the hallway were red and green magnolia leaves, and she centered her dining table with a small, gayly decorated tree.

A buffet of ham and many trimmings were served to the following: Mr. and Mrs. Edward Bolger, Mr. and Mrs. W. D. Fish, Mr. and Mrs. William Banks, Mr. and Mrs. Johnnie Dodson, Harris Sisson, E. V. Brooks, and others who dropped in.

Crusaders Hold Annual Dinner In Methodist Church

Fifty five persons attended the annual Christmas dinner and party of the Crusaders Sunday school class held last night at the First Methodist Church.

A Christmas tree was the center of attention in the room, with a miniature lighted tree used as a centerpiece on the speakers' table. Other tables were centered with Santa Claus and his reindeer, and the piano held an arrangement of candles and bright berries.

Mrs. Sid Worrell, class president, directed a short busines meeting, during which the class voted to send funds to Methodist homes in memory of two members of the class who have died recently. "Secret Pals" were also revealed at that time.

The program for the evening was opened by Mrs. W. W. Adcock with a reading. A short skit based on "The Night Before Christmas" was directed by Mrs. O. D. Jordan. The group then exchanged gifts and sang Christmas carols to close the meeting.

Geologist Succumbs

MIDLAND, Dec. 12 (AP)—Stanley M. McDonald, 35, chief geologist and assistant general manager of the Louisiana Land and Exploration Company, died here yesterday of a heart ailment.

A Dutch sloop carrying $15,000,000 in cash sank off Lewes, Del. in 1789, with only a few coins ever being recovered.

Woman's Calendar

TUESDAY

Girl Scout Tacky Party, Lambert Dance Studio, 1605 Twenty-seventh Street, 7 p.m.

B. & P. W. Christmas dinner, The Village, 8 p.m.

WEDNESDAY

High School Service Club, 3:30 p.m., cafeteria high school.

Cosmorama Study Club luncheon, 1 p.m., Mrs. Sam Joyce, 2610 Thirty-second Street.

Girl Scout party, 3:45 p.m., Mrs. Garrett Harrell, 1312 Twenty-eighth Street.

Country Club Christmas Ball, 8 p.m.

Junior Girl Scouts Christmas party, 3:45 p.m., elementary school.

FRIDAY

Homemakers Class, First Baptist Church, The Village, a Christmas party at 8 p.m.

Altrurians Hear Songs At Meeting

Mrs. J. C. Dorward was assisted by Mrs. D. M. Cogdell and Mrs H. P Brown when she entertained with a Christmas party for the Altrurian Club last Friday.

The group heard a selection of songs by Clinta Barbara Blackard, Shelby Smith, Donna Holms, and Margo Ashley, students of Mrs. E. H. Hall.

Mrs. Orville Dodson, a guest, described the performance of the Passion Play she saw while on her travels. Mrs. Dodson highlighted her talk with pictures brought from the setting of this religious play.

A sextet of club members sang "The Holy City" and "There's A Song In the Air," and the fine arts committee gave a short picture study of the famous Rapheal Madomas.

The welfare basket was filled, and a social hour followed with an exchange of gifts.

Mrs. Dorward had arranged a holiday motif for the tea table. Her daughter, Mrs. Ophelia Blackard, poured for the 25 persons present.

Cogdell Ranch Is Scene Of Sunday School Party

The D. M. Cogdell ranch was the scene last night of a Christmas party held by the Nancy Caton Sunday School class of the First Methodist Church.

Mrs. Cogdell, teacher of the class had arranged beautifully laid tables throughout her rooms from which the guests dined on a covered dish supper. The food was served from a long buffet table the silver and china complimenting a cutwork cloth. Ivy grew profusely throughout the house and there were Christmas decorations.

Each member present brought food for the needy Christmas baskets.

Mrs. R. E. Gray gave a humorous reading about Christmas understanding, and the group sang carols.

Present were Mrs. Wayne Boren Mrs. William Atwood, Mrs. R. C Miller, Jr., Mrs. Frances Biow Mrs. Edward Bolger, Mrs. Homer Granam, Mrs. Weldon Johnson, Mrs. P. W. Cloud, Mrs. Harry L. Lee, Mrs J. P. Nelson, Mrs Oscar Weber, Mrs L. A. Scott, Miss Neomi Strayhorn, Mrs. V. K. Benson, Mrs. Ophelia Blackard.

Hung Jury Ends Suit In District Court

The law suit of Alice E. Chambers against W. W. Hull over possession of a lot in the Providence addition to the city, resulted in a hung jury in district court late Monday and was dismissed by Judge A. S. Mauzey.

The jury deliberated about two and one-half hours.

Carl Anderson and R. W. Webb were attorneys for the plaintiff while Bob Davie represented Hull.

Mr. and Mrs. Robert Baker are newcomers to Snyder. Mr. Baker arriving over the week end to assume engineering duties with Standard Oil Co. of Texas. The Bakers have not found a home here yet.

Football Banquet Held Last Night

Candles and Christmas wreathes at each table last night made the Junior high school football banquet a gala party.

Over 110 persons dined on turkey and the trimmings at Sage and Sand Restaurant at this, the annual get-together of football players, their dates, and coaches.

Coach Ernest Kinney performed as toastmaster; Jack Youree delivered the invocation; Miss Doris Hataway gave the welcome; Stephen Blair gave the response; Miss Olive Ann Sumlin sang a solo; and Coach James Moffett gave the principle address.

Grandmother Keeps Busy, Feels Good; Takes Hadacol
'HADACOL Supplied Vitamins B1, B2, Niacin And Iron Which Her System Lacked

Keeping up with two small grand children as well as doing your housework can keep one woman mighty busy. And Mrs. B. R. Battle, 807 Archer, Houston, Texas does just that. There was a time when Mrs. Battle didn't feel up to all this, though. She was bothered with stomach disturbances and vague aches and pains. Then she heard the news about HADACOL and began taking it. Now she says she feels fine. Mrs. Battle was suffering a deficiency of Vitamins B1, B2, Niacin and Iron which HADACOL contains.
Here is her statement:
"I had been troubled with indigestion and aches and pains. I heard about HADACOL and began taking it. After the fifth bottle I began to feel better. I could eat better and rest better and the pains and aches were less. I have now taken 12 bottles and can truthfully say that HADACOL has helped me a lot."
Why HADACOL Gives Such Fine Results
HADACOL does not bring just symptomatic relief. HADACOL now makes it possible to actually relieve the cause of vague aches and pains, certain nervous disturbances, and a general run-down weakened condition when they are due to deficiencies of Vitamins B1, B2 Niacin and Iron in your system.
HADACOL not only supplies deficient systems with extra quantities of Vitamins B1, B2, Iron and Niacin, but also helpful amounts of important Calcium and Phosphorus — elements so vital to help maintain good health and physical fitness.
Why These Vitamins and Minerals Come in Liquid Form
There's a very good reason why HADACOL comes in special liquid form. These precious Vitamins and Minerals are more easily and quickly absorbed into the blood stream this way — ready to go right to work. A big improvement is often noticed within a few days.
Don't Be A 'Doubting Thomas'
After reading Mrs. Battle's wonderful experience with HADACOL — how can you doubt that this will help you if your system lacks Vitamins B1, B2, Iron and Niacin?
What HADACOL did for Mrs. Battle, it can do for you if you're troubled with vague aches and pains, certain nervous disturbances, insomnia when due to an upset stomach, stomach distress and a general run-down weakened condition when they are due to deficiencies of Vitamins B1, B2, Iron and Niacin.
So what are you waiting for? Don't you see that HADACOL is the kind or product you need — the kind you should buy and the kind you should start taking immediately!
Sold On A Strict Money-Back Guarantee
HADACOL even helps build up the hemoglobin content of your blood (when Iron is needed) to course through your body, carrying these great health-building elements to every body organ. No wonder HADACOL helps you feel wonderful.
Be fair to yourself! Give yourself a break if you have such deficiencies! Why continue to drag yourself around — a burden to yourself and your family — when relief may be as close at hand as your nearest drugstore if you suffer a deficiency of Vitamins B1, B2, Niacin and Iron. This great HADACOL is inexpensive, too — costs only a small amount a day. Trial size, only $1.25. Large family or hospital size, $3.50. If your druggist does not have HADACOL, order it direct from The LeBlanc Corporation, Lafayette, Louisiana.

Spring Sports Said Hurt By Reclassification Of Schools

By HAROLD V. RATLIFF
(Associated Press Staff)

DALLAS, Dec. 12. — The major objection to the reclassification of schools by the Texas Interscholastic League for football and basketball was the question of travel.

Some of the schools said the reclassification under which a Four-A Division was created by plac members with 22 of the City Conference schools would cut down or spring sports — track, baseball tennis, golf.

The distance between the cities would forbid competition in those sports, which are not money-makers like football and Basketball But the league won't operate th spring sports under the plan fo football and basketball.

NO ADDED TRAVEL

The present set-up will be use for track and baseball — City Conference, Class AA, A and B - districts and regions. Thus ther will be no added travel.

The Class AA schools moved u into Four-A will have some lon jaunts. It won't hurt in footba though, where the schools are a customed to long trips — in no conference play. If the trips ar for conference play it won't hur because there will be large crowds to take up the extra e pense.

Under the reclassification pla for football and basketball th schools will compete like this:

AAAA—850 and above, with th privilege of voting in schools wit 1949.

Most of 1950's pitching honor went to Cleveland's right-hande star, Bob Lemon, AL official statistics showed today.

Lemon booked the most wins, 2 (against 11 defeats); led in strike outs with 170; pitched the most in nings, 288; tied at 22 with St. Loui Ned Garver for the most comple ed games pitched, and faced th most batsmen, 1,095.

Lemon also permitted the mos hits, 281, and finished 10th on th ERA list with 3.84.

The only other twirler in th charmed 20-game circle was Nev York's Vic Raschi with 21-8. H led in won-lost percentage wit .724 and was 14th in ERA wit 3.99 runs per nine-inning game.

Wynn, enjoying his best season since 1943, won 18 and lost eight Finishing second to him in ERA was Garver with 3.39. His won-lost mark was a negative 13-18. Cleveland's Bob Feller, 16-11, was third in ERA with 3.43. In all, 15 pitchers in 10 or more complete games were under the four-runs per game level.

"Since the schools with larger enrollment win eight times out of ten there is no need for a playoff. We would only be doing something where we have nothing to gain and everything to lose."

It won't be as bad as it was under the City Conference and Class AA set-up but there still will be cries from Class AAA that the bigger schools are afraid to play them and that their champion will not be a real champion.

Aggies Get Return On Articles Stolen

WASHINGTON, Dec. 12. (AP)— Texas Aggies, robbed while beating Georgia 40-20 in the Presidential Cup football game Saturday, had their money back today.

Charles R. Garity, general chairman of the game, gave Coach Harry Stiteler a check for $672 to cover the losses. A thief entered the Aggie locker room during the game and lifted wallets and watches. Stiteler said Garity's action was "an excellent example of Washington hsopitality."

Girls Basketball Sees 250 Teams Entered

GATESVILLE, Dec. 12. (AP) — fore than 250 teams will make the ace this season in the High School Girls Basketball League of Texas, . C. McKamie, league president, nnounced today.

The executive committee, meeting here, found that most of the op teams of the league over the ast 10 years were back despite he fact that the Texas Interscholastic League this year is sponsoring girls basketball.

Districts must be organized by an. 9, county champions must be etermined by the second week in ebruary and district winners must e certified by March 1.

The state tournament will be held he second week-end in March but he site has not been definitely set. It was held at Waco last season.

Orange Blossom Town Will Get Snow Soon

SAN GABRIEL, Calif., Dec. 12. (AP) — This town may be in the orange blossom belt but the chamber of commerce has decided the kids are going to have some snow and ice before Christmas.

A small snowstorm has been scheduled for Thursday in the city park as a prelude to the Yule season. Chamber officials have ordered snow machines from a Hollywood studio and 50,000 pounds of ice are being donated by a Pasadena firm.

The machines will shave the ice and blowers will spread it over the ground.

The snow will cover only an area about 50 by 100 feet, but San Gabriel youngsters have been invited to make snow balls, snow men and just romp around in the stuff. To complete the Christmas idea, Santa Claus is going to make a visit dropping into the park aboard a helicopter.

Ben Boone spent the week end in Dallas, returning Monday to his post as floor man at Oil Well Supply Co.

Pitchers Had A Hard Season

By CHARLES CHAMBERLAIN
(Associated Press Staff)

CHICAGO, Dec. 12. — The 1950 American League baseball season was one of hard-knocks for pitchers.

There were only two 20-game winners, compared to five a year ago. The best earned-run-average for moundsmen in 10 or more complete games was 3.20 posted by old right-hander. Three hurlers were below the three run mark in 750.

AAA—450 to 849, with the privilege of voting in schools with 375.

AA—200 to 449, with the privilege of voting in schools with 175.

A—115 to 119, with the privilege of voting in schools with 100.

B—114 and under.

PLAYOFF PROVIDED

The league provided that there may be a play-off between the Four-A and Three-A football champions for a grand state championshfp. The two conferences have to vote for it, however. There are indications the Four-A conference may not do it.

Sooner Coach Takes All The Honors In Book

NEW YORK, Dec. 12. (AP) — Boyish Bud Wilkinson not only led his Oklahoma football team to the national championship this year but turned in the season's best coaching job in doing it.

That's the opinion of sports writers and broadcasters, participating in the Associated Press year-end poll.

Wilkinson won out for top coaching honors in a close race with Lynn (Pappy) Waldorf, the old master from California.

The writers and broadcasters were asked: "Who did the best coaching job in 1950?"

Replies brought votes for 38 coaches with the 34-year-old Wilkinson a strong favorite. He received 44 votes. Caldwell, who led Princeton through a nine-game schedule without mishap, drew 30 while Waldorf collected 26.

Others getting five or more votes included George Sauer of Baylor, Bob Neyland of Tennessee, and Blair Cherry of Texas.

Wilkinson's Oklahoma Sooners swept through another perfect season to extend their winning streak to 31 games. They accepted a bid to play in the Sugar Bowl at New Orleans for the third straight time meeting Kentucky.

Tiger Cagers In First Home Game Tonight With Lakeview

Snyder cagers open their home basketball season tonight in games matched with Lakeview high school of San Angelo, A and B teams. The "B" Tigers game gets underway at 6:30 tonight, and the "A" game starts at 8 o'clock in the high school gymnasium.

The Tigers are just fresh back from a tournament at Lakeview where they took fourth place, and saw the Lakeview team take away first place almost in a walk.

"Lakeview has a good team with plenty of big fast boys," Coach Earnest Kinney said.

"They run the platoon system in their play," he said. "They have plentty of men on the squad and in the tournament last week we saw them at different times run-in as many as five new players during their games."

Lakeview won the tournament while Snyder only won one game.

Lakeview opened their three game winning streak by downing San Angelo "B" by a score of 63-37. San Angelo "B" beat Snyder in the consolation match by a score of 36-32.

Snyder then lost their tournament opener to Winters by a score of 27-24, and won the second game by a score of 37-22 over Roby. But Lakeview won over Brady by 61 to 40, and beat Winters to clinch the tournament by a score of 47-23.

Fans will get an added treat at tonights game. Pep squad leaders will be on hand in their uniforms to lead the Tiger cheering section.

Chandler Is Stunned By Discharge News

(Associated Press Staff)

ST. PETERSBURG, Fla., Dec. 12. — Failure to renew Albert B. Chandler's contract as Baseball Commissioner exploded a bombshell last night that left the entire sports world agog.

The most surprised man was Chandler. So stunned was the Commissioner upon hearing the adverse news that he immediately resigned, then changed his mind and decided to finish out his current five-year term which expires May 1, 1952.

The anti-Chandler group is willing to buy up his contract if he will resign. Chandler's pay was officially announced last December to be $65,000 a year. It was then that the owners voted to grant him a $15,000 raise.

One anti-Chandler leader, who declined the use of his name said owners were prepared to fire Chandler on the spot but cited a baseball rule that forbids the releasing of the commissioner before the expiration of his contract.

If you know ANY child, not over 14 years of age residing within the Snyder city limits and vicinity, who may be forgotten on Christmas Day, fill out this coupon (print plainly, please) and mail to 609 - 26th St., or 2506½ Ave. F, Room 3.

Name of Family .....

Address .....

No. boys ..... Ages ..... No. girls ..... Ages .....

All Children are treated exactly alike

SPONSORED BY SNYDER KIWANIS CLUB

Thursday has been designated as "Pickup Day for Discarded Toys and Clothing" by the committee for underprivileged children of the Snyder Kiwanis Club, according to Dr. Woodrow W. Mikeska, chairman.

This action followed a meeting of the club at the Ranch House last night, when the group voted to ask people of this city to place discarded toys and clothing on their front proches, marked, "For Kiwanis Club" which articles will be picked up by trucks donated by Kiwanians.

These articles will be assembled for repairs, where needed. The toys are to be taken to the Matthews Furniture Store workshop on East Highway, and the clothing to the home of V. V. Thomason, 2405 Avenue L, said Dr. Mikeska.

Starting tonight at 7 o'clock members of the Kiwanis will gather at the workshop to repair toys. This work will continue nightly from 7:30 to 10:30 o'clock through Thursday of next week, except Saturday and Sunday, said the chairman.

It was also announced that H. D. Moreland, acting postmaster, who has a repair shop at 911 Seventeenth Street, has assured the Kiwanians that he will gladly cooperate in this repair work. This will give the club two workshops.

Members of the Boy and Girl Scout organizations have agreed to aid in the repair job.

The Newcomers Club of Snyder is also co-operating in the project gathering clothing for the needy.

More names of needy families and underprivileged children are being sought by the Kiwanians, and if any one in this area knows of such persons, he is invited to call 1722 or 389-R and report the names.

"While the toys and clothing are rolling in, more are needed to assure a happy Christmas for the needy as we don't want to miss a single person that would otherwise not have a present this year," said Dr. Mikeska.

"For special pickup service call the above telephone numbers or contact any Kiwanian," he said.

Among the names of families already received was one which consists of 11 children and Santa Claus will see that they are provided with toys, food, and clothing he added.

No Serious Injuries In Two-Car Collision

Two Snyder women suffered slight injuries, and five Hermleigh youths were hurt but not seriously in a two-car collision last night about four and half miles southeast of Snyder on U. S. Highway 84.

Most seriously injured were Mrs. Alice Womack Dennis, 49, of 809 Avenue Q and Mrs. J. Lawrence Devers, 35, of 2808 Avenue Q, both suffering bruises and lacerations.

Investigating the accident, which occurred about 8:25 o'clock, was E. W. Green, highway patrolman, who said Mrs. Dennis was driving her car, a new Chevrolet, with Mrs. Devers when a 1949 Lincoln driven by Bobby Joe Nachlinger, 21, of Hermleigh, struck it from behind.

With Nachlinger was the owner of the car, Homer Reuben Gammaway, 19; Seaman Hudnall, 20; Jeanette Coan, 15; and Wanda Verson, 16, all of Hermleigh. These were given first aid at the Snyder Hospital and released. Mrs. Dennis and Mrs. Devers were treated at the hospital, then removed to their homes.

A justice court charge was filed this morning against Nachlinger, accusing him of failing to pass to the left of a vehicle being overtaken.

Damage to each of the cars was estimated at $1,000, Green said.

Fort Worth Livestock

FORT WORTH, Dec. 12. (AP) — Cattle 2,300; calves 1,500; steady to strong, some 25-50 cents higher; good fed steers and yearlings 29.00-30.00; common medium steers and yearlings 22.00-28.50; beef cows 20.50-23.00; canners and cutters 15.00-20.50; bulls 19.00-26.00; good and choice fat calves 24.00-31.50; stocker yearlings 22.00-30.50; stocker cows 19.00-25.00.

Hogs 1,400; butchers, sows steady, spots 25 cents lower; pigs dull; good and choice 190-275 lb. butchers 14.50; good and choice 150-185 lb. hogs 17.25-18.25; sows 16.25-17.25; pigs 12.00-15.00.

Funeral Rites Tomorrow For Mrs. Wilson

Funeral services will be held tomorrow at 2 o'clock for Mrs. Lula Wilson who was killed instantly Monday when struck by a truck as she was crossing Avenue S.

Mrs. Wilson, 67 years of age lived at 1905 Twenty-third Street. She was pronounced dead on arrival at Snyder Hospital where she was taken by ambulance immediately after the accident.

Funeral services will be held at the First Presbyterian Church, with the Rev. R. E. Hubbard, pastor of the church officiating. Interment will be in Snyder Cemetery, with arrangements in charge of Bolger-Barnes Funeral Home.

Mrs. Wilson was born March 9, 1883. She was married to the late D. F. Wilson about 1918, and he preceded her in death by several years.

Mrs. Wilson is survived by a son, John Cook of California, and a daughter, Mrs. Doris Wilson Shuck of Chicago. Her step-children are Edgar Wilson, Frank Wilson, Emmett Wilson, Mrs. Henry Kelly, Mrs. Jim Mehane and Mrs. Jack Colwell, all of Snyder. A sister, Mrs. Jones Jordan, of Hico, also survives.

Beer Vote In Howard County

Howard County commissioners have set Jan. 6 as the date of a special election for the legalization of the sale of beer, just 30 days after a local option election made complete prohibition effective there.

A petition seeking the election was presented the commissioners Monday. Dry forces present at the meeting argued that the election must wait until Nov. 1, 1951, one year after the previous election. However, three lawyers present at the meeting said that the petition, signed by the necessary 10 per cent of the total voters balloting in the last presidential election, did merit an election. Commissioners searched for a precedent in the matter, and agreed to call the election upon the approval of the lawyers.

The beer election will be 41 days after the original vote.

Fire Call Yesterday

A fire yesterday afternoon caused slight damage to a wooden building at the First Methodist Church here.

The fire reported at 2:10 p.m., caught in lumber and trash near the wooden building, causing damage estimated at $100 to the building.

One pumper truck manned by Raymond L. White, city fireman, was aided by three volunteer firemen in squelching the blaze before much damage was done.

Police Are Alerted To Watch For Automobile

Police of Snyder were alerted about mid-night last night to be on the look out for a car thought to be headed this way following an armed robbery at Westbrook.

The report, which came in from the Colorado City police department about 12:20 a.m., said that the alleged robbers were driving a black 1938 Ford coupe with two bullet holes in the trunk lid. The robbery took place about 20 minutes before the report was transmitted, the Colorado City police department said.

Senior Class Play Friday

Comedy involving the characters from a girls' boarding school and the bewildered gentleman who inherits it resolves itself into "Charm School," to be presented by the senior class of Snyder high school Friday evening.

Austin Bevins, played by Otis Sneed, is the inheritor of the girls' school. He tackles the problem bravely enough with the aid of two friends, portrayed by Hubert Strom and Neal Woods.

Other characters in the story include twins, played by Earnest Sneed and Lowell Bynum, who like the same girl, played by Patsy Pogue. Elsie Benedotti, played by Wanda Jean Rainwater, is president of the senior class at the school and promptly becomes infatuated by Austin. She has competition, however, from other members of the class, played by Shirley Blakely, Janet Saffel, Patsy Woolever and Ann Grubb.

Charlene Stewart is cast as Miss Hays, who resents taking orders from a man who has the impression that girls should be charming. Kay Weber as the timid Miss Curtis, who tries always to think of the good of the class, brings up some really humorous incidents. Steve Parks as Homer Johns, Miss Hays' suitor, adds to the hilarious incidents.

Tickets for the senior class presentation are now being sold by members of the senior class. They will also be on sale at the auditorium the night of the performance, which is to start at 7:45 o'clock.

Funeral Services Set This Afternoon For Mrs. Mary C. Livingston

Funeral services for Mrs. Mary C. Livingston, 604 Avenue S, were to be held at 2 o'clock this afternoon in the Bolger Barnes Funeral Home chapel.

Mrs. Livingston, 87 years of age died at her home yesterday following a long period of illness.

The Rev. E. K. Shepherd, pastor of the First Baptist Church, is to officiate at the services. He will be assisted by Lyman Wren.

Mrs. Livingston was born Dec. 16, 1863, in Tennessee. She has lived here for about 40 years. Her husband, the late Will Livingston, died about 10 years ago. Mr. and Mrs. J. G. Galyean had made their home with her during recent years.

Oil News

basic sediment and water.

Gravity of the oil gauged was 44 degrees. Gas-oil ratio on the test was 386-1.

Operator is running electric log surveys and will complete the No. 2 Golden as a producer in the Northwest extension to the Adair-Wolfcamp field.

The No. 2 Golden, one location west of the No. 1 Golden, topped the reef at 8,419 feet by samples. Elevation of 3,226 feet makes the assured producer 47 feet high on top of the reef to the same marker in the discovery well.

Location of the No. 2 Golden is 660 feet from south and west lines of section 7, block C-37, psl survey.

The two expected producers are eight miles southeast of Welman.

DICKENS FAILURE

C. L. Norsworthy Jr., of Dallas has plugged his No. 1 Burleson, Southeast Dickens County wildcat, at a total depth of 7,511 feet in barren Ellenburger.

The venture did not log any signs of possible production in any zone penetrated.

Location was 685 feet from south and 660 feet from west lines of section 5, block WC, J. C. Keller survey. That makes it 14 miles east of Spur.
