62ND YEAR

ELDORADO — SCHLEICHER COUNTY — TEXAS

THURSDAY SEPTEMBER 26, 1963

NUMBER 39

Supervisor Election For S.C.D. Set October 1

Norral Wallace, Information Officer, Parks and Wildlife Service, To Present Program

Landowners in Zones 5 and 3 of the Eldorado Divide Soil Conservation District will be electing two supervisors for a tenure of office of 5 years and 3 years respectively. The balloting and program will be at the auditorium of Memorial Building Tuesday, Oct. 1st at 3:00 p. m.

Zone 5 at present is represented by J. F. Runge, chairman of the Soil Conservation District. Landowners will elect a supervisor for this zone for 5 years.

Zone 3 has been represented by B. E. Moore, who is being forced to retire because of ill health. Landowners will elect a member

to fill the unexpired term of Mr. Moore for 3 years.

To be eligible to vote in a supervisors election a person must own agricultural land within the zone he is representing. He must live in the county all or part time and be 21 years of age. No poll tax is required. Under community property laws of Texas the wife of the landowner also owns land and is entitled to vote and hold office.

Norral Wallace, Information and Education Officer of the Parks and Wildlife Service will give a program to landowners on how the Parks and Wildlife Service is able to help land owners and merchants of the area.

Sportsmen, merchants and all landowners are invited to attend this program.

Baptists To Build New Educational Building

The congregation of the First Baptist church have plans under way to erect a new educational building to the east of their present building.

The new building will be separate from the present one and will be connected to it by a covered walkway. The facade of the present building is to be remodeled with the small entry way being replaced with a more modern entrance, a steeple being added at the front, and the divided stairway inside being replaced by a single flight of wide steps.

An architect is at work on plans and will have them completed in a week or two so that contractors' bids can be taken.

About 40 Bales A Day Gin Processing

Mikeska Gin Tuesday reported a total of 440 bales processed up to that time.

The crop is coming in now at a rate of about 40 bales a day, a substantial increase over ten days ago. Weather continues dry and favorable for harvesting.

Eaglets Clip Big Lake

Play Sonora Today At 5:30

Eldorado won its second Jr. High football game this season with a 24-0 win over Big Lake Jr. High.

Gary Derrick scored on a 3-yard plunge up the middle and Rusty Meador scored the extra points around left end. The Eaglets led 8-0 at half-time.

Roy Davidson went around right end on a 35 yard run and Johnny Mayo ran over the extra points.

Roy Davidson threw to Gary Derrick on a 75-yard pass play for another 6 points and Rusty Meador ran over the extra points.

The entire Eaglet squad saw action in the game, and almost all did a fine defensive job.

Sonora will be here today to face the Eaglets. Game time 5:30.

Revival Starts Sunday At First Baptist Church

With the pastor, the Rev. Kenneth Vaughan as evangelist, a Revival will start Sunday at the First Baptist church and continue for one week.

Mr. Vaughan has been pastor since January 1st of the local church and he announced that all are welcome to any and all services, which will be held at 10:00 a.m. and 7:30 p.m.

A nursery will be provided. In charge of the music for the revival will be David Norvelle, minister of music and youth of Immanuel Baptist church in San Angelo, a post he has held for the past nine months.

Mr. Norvelle is a 1960 graduate of Hardin-Simmons University at Abilene and his home was originally in Fort Worth. He served in Wylie Baptist church, Abilene; First Baptist church, Stanton; and Wilshire Park Baptist church, Midland, before assuming his present position in San Angelo. He has been in musical work for 7½ years.

MASONS CALL OFF MEETING THAT WAS SET FOR MONDAY

It was announced last week that the Masonic Lodge would hold a called meeting the night of Monday, Sept. 30, to open bids from contractors for the new building the Lodge will erect north of the court house.

Orval Edmiston, chairman of the building committee, stated this week that the meeting set for this Monday has been called off because the plans being prepared by the architect were not ready.

The contractors bids will be opened at the next regular lodge meeting which comes up the night of Thursday, October 10, Edmiston concluded.

New in Eldorado are: Paul Harmon, in Riley house; J. C. Phillips, in Andrews house; George Mikeska, in Riley house; Jim Taliaferro, in Riley house.

Eagles In Tough Battle Tomorrow Against Powerful Yellow Jackets

Coach Earl Barnett said early this week that his Eldorado Eagles would undergo their severest test to date when they clash with Coach Henry Hall's Menard Yellowjackets powerful football team tomorrow night on Eagle Field. Coach Barnett summarized with, "They look awfully tough."

He continued that Menard had employed a slot-T offensive formation to date and that they utilized the option style of strategy,

running inside or outside or passing as opponents' defensive pattern appeared. He said that Menard featured hard to stop dive plays quite frequently and that they have an excellent passing attack although their ground attack has been so potent to date that they have not really taken to the air to any marked degree.

Coach Barnett concluded that the Eldorado Eagles would be as nearly ready as possible to match

the Yellowjackets tomorrow night.

Menard Scouts Dayton Walston and Arch Howe have studied the Eagles in their last two games. They say possibly in an attempt to lull Eagle patrons into a sense of false security that Eldorado's fine football team is a great threat and challenge to the Menard team. It comes to mind that a win over the Eagles would be a sweet bit of triumph for Menard since the Eagles have a long history of wins over the Jackets. But the 1962 game was a 6-6 deadlock.

"Mauling" Marvin McAngus at Fullback. A change Coach Barnett noted would place Captain Lynn Meador at his old post at left halfback and call on Senior Tipton Finley to take over as field commander.

Game time is 8:00 o'clock tomorrow night. It looks like a good night for tranquilizers and/or aspirin.

Eagles 35 — Eden 0

A calm and unruffled flock of Eldorado Eagles descended on Eden last Friday night to "put the pups in their kennels" and come on back home. They accomplished the "Down boy, routine" by a comfortable 35-0 margin; but there was a lot of fight in the youthful game of it. In fact, the Eagles ingame of it. In fact, the Eagles did not score until the second quarter and again in the final seconds literally of the second quarter to hold a half-time lead of 14-0.

Game statistics are as follows:

For Eldo:		For Eden:	
11	First Downs	10	
225	Yards Rushing	130	
79	Yards passing	25	
4 of 8	passes completed	3 of 10	
3	pass interceptions	1	
2	fumbles recovered	1	

Examination of these figures show that the Eagles didn't have much trouble dominating the situation. Again Coach Barnett was able to clear his bench and all 22 members of the Eagle traveling squad saw action.

The Eden Bulldogs displayed so much spirit and determination that they earned the complete respect of their more brawny opponents. Bulldog Quarterback Robert Stansberry in fact earned the Eagles' highest regards from his post as Bulldog field commander and sleight of hand expert. His fine utilization of T-Formation offensive potential made his Eagle opponents realize that had Stansberry had similar brawn and maturity up front, putting the Bulldogs in their kennels for the night would have been a hair raising

—(Continued On Page 3)—

Post Script

Instead of taking the 75-mile trip to Eden last Friday, this writer took in the game at Sonora where Menard tied the Broncos 19-19.

I wasn't rooting for either team but my opinion was that Menard outplayed Sonora all through the game. Menard made their first downs the hard way—by rushing—and Sonora couldn't stop them. Two of Sonora's touchdowns came by way of long lucky passes—the same that defeated Eldorado a week earlier.

We play Menard here tomorrow. I'll say this to our Eagles: You're going to have to work for every point you get. And watch out for Jacket No. 10!

—ps—

While prowling around the grounds I ran across the newspaper folks from Menard, Mr. and Mrs. Weddle, who were there boosting the Yellowjackets. Mrs. Weddle said, "We're worried about Eldorado next week."

When the game was over I began worrying about the Eagles.

—ps—

It's free coffee time in Eldorado again, as local dealers show their new cars for the upcoming year. Eagle Chevrolet is showing their new cars today, and Joe Gault will show the new Fords tomorrow.

The new Olds and Rambler will have their showings in about a week.

—ps—

With our subscribers: Mr. and Mrs. Wilson Humphrey have moved from Pleasanton, Tex., to 114 Driftwood, Portland, Texas. Mrs. Humphrey is the former Carolyn Ratliff.

Kenneth Pennington's new mailing address is P. O. Box 3052, Tucson, Arizona.

The Kimble-Menard County singing convention will meet Sunday, Sept. 29, at the Hext Baptist church at 2:00 p.m. Come—be with us, stated Mrs. Allen Davis, secretary.

—ps—

Last year in our popular and well-read "In Those Days" column, we had an item one week in the 35 years ago news that Rev. J. C. Young, who was Methodist pastor here then, had gone to Annual Conference; he was paid \$1600 by the Eldorado church and \$225 by the Rudd church, making his salary for the year \$1825. The local Methodist pastor now draws close to four times that amount in salary and expense allowances.

A man who served as school trustee back then states that the school superintendent was paid \$2500 a year; now we are told that he is presently paid about four times that amount. School teachers who were paid perhaps \$1200 a year now receive \$5,000 or so, depending on degree and experience.

When County Judge G. D. Hines met with his Commissioners Court back in January of 1929, that group set up some ex-officio salaries of county officers which included sheriff, \$1,000 a year; county and district clerk, \$70 per month; county judge, \$75 per month; and county treasurer, 1% of all moneys received and disbursed.

Last January the Commissioners set county treasurer \$6,000 per year; county clerk, \$6,000, and county judge, \$6,000. The latter two officials have side jobs as veterans service officer and ex-officio school superintendent that put them to over \$8,000 a year.

Reflection on the foregoing figures would indicate that holders of

some jobs have bettered themselves more over recent years than have most others.

Of course it would be an overstatement to say that these groups are now four or five times as well off as formerly. At least some of the gain has been offset by inflation. A new automobile that could be bought for \$400 to \$700 in the earlier period now has a list price of \$3,000 or more.

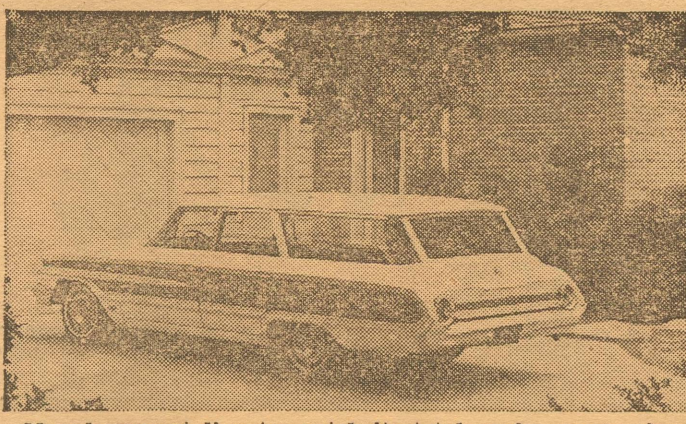

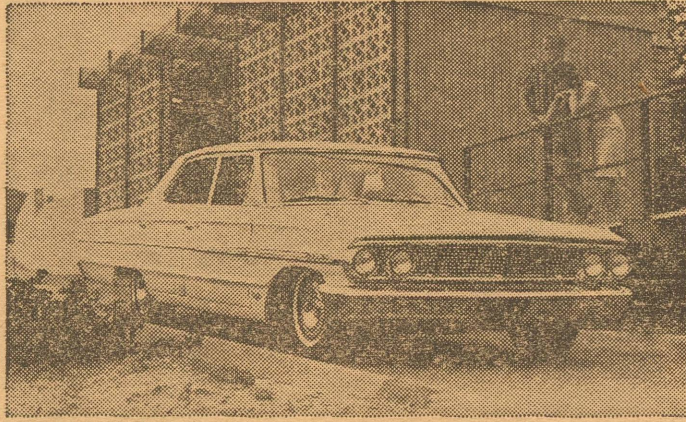

And whereas you could go to the grocery store then and buy a pick-up load of groceries for \$3 or so, the housewife now goes to the supermarket and can spend \$15 to \$25 with no trouble at all. Income taxes and other taxes take a far larger bite than formerly.

Nevertheless, people who work as school teachers and administrators, who work in government jobs on the federal, state, and local levels, and serve as pastors of churches (except those who serve very small congregations, perhaps part-time) have bettered themselves more, proportionately, over the past generation, than most other breadwinners.

Come to think of it: How long has it been since a church congregation staged a "pounding" for their pastor?

—ps—

The T. M. Jr. and Don Brown construction firm of Clyde, who are rebuilding the San Angelo highway here in town have completed laying of caliche base and tearing out the old curb for several blocks. Next step will be laying of crushed rock followed by a seal coat, and building new curbs. The new curbs and gutters will be farther back, making a wider road.

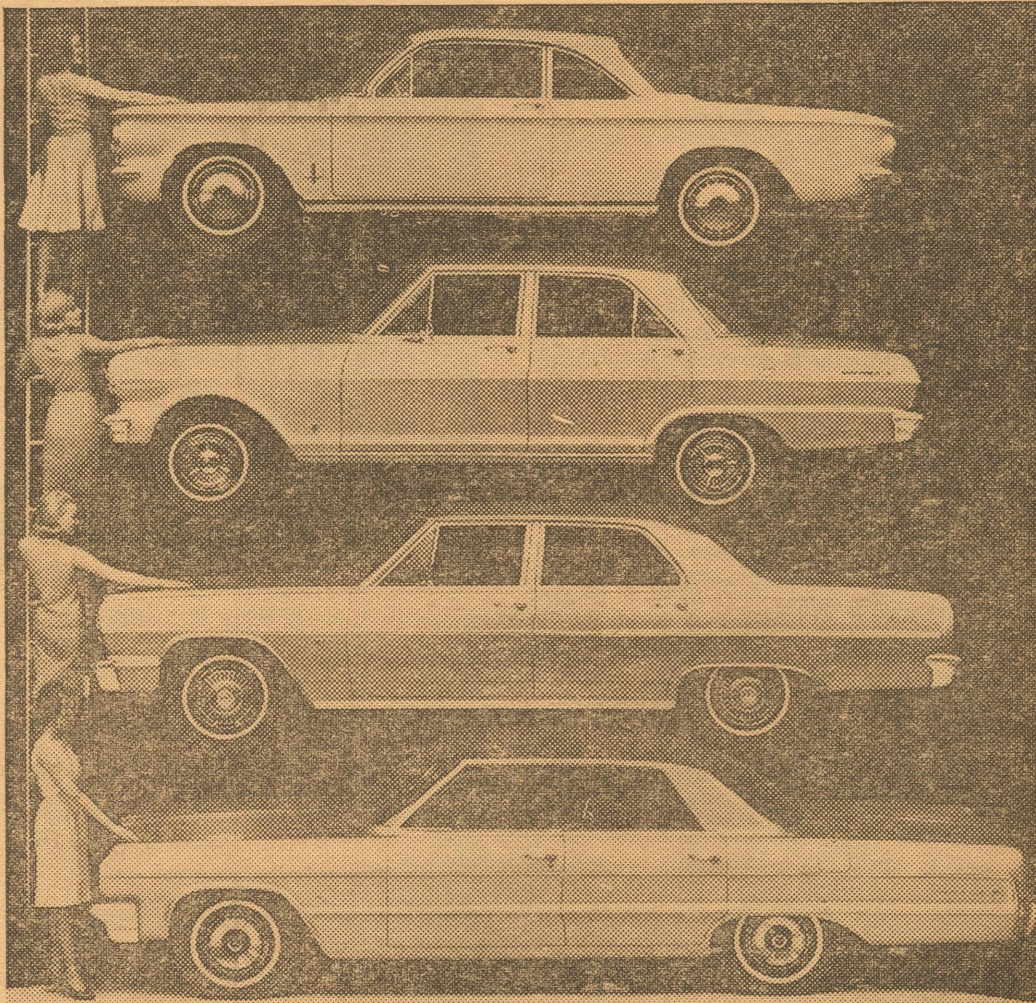

New luxury styling to match its total performance gives a bright, new look to the lineup of Ford cars for 1964. The top-selling Ford Galaxie 500 Series offers three distinctive new roof lines including the 4-door sedan (top photo). Five engines and four transmissions are offered including the Cruise-O-Matic Dual Range three-speed automatic transmission now available with all engines up to 390 cubic inches displacement.

The full Ford Galaxie line for 1964 includes 16 models with 2- and 4-door sedans, hardtops, convertibles and station wagons (bottom photo). The completely restyled cars will appear in Ford dealer showrooms September 27.

Quite a variety!!!

Chevrolet offers 43 models for '64

For 1964, the Chevrolet Motor Division will offer a total of 43 models in five separate passenger car lines. Each line is distinguishable by its own styling and wheelbase. Above, reading down: the 108-inch wheelbase Corvair Monza Coupe; 110-inch wheelbase Chevy II Nova 4-Door Sedan; the newest car in the Chevrolet family—the

Chevelle Malibu 4-Door Sedan which has a wheelbase of 115 inches while the Chevrolet Impala Sport Sedan is built on a 119-inch wheelbase. Not shown is the Corvette Sting Ray which sports a 98-inch wheelbase. Chevrolet dealerships will have a representative showing of all models when the new cars are introduced September 26.

Home Demonstration Agent's Column
By MRS. VIDA KREKLOW

A casserole is the home maker's best food friend. And for the busy, busy home maker it's an exceptionally good friend.

This one I guarantee. It is a lot like many Italian dishes but it's still American enough to be good. And look how many it serves; remember the busy day motto, "Double the recipe and freeze half." You won't be sorry.

Beef-Noodle Bake

- 1 pkg. (8 oz.) wide noodles
- 2 tablespoons butter
- 2 pounds ground beef
- 2 cups tomato sauce (two 8-oz. cans)
- 2 tablespoons flour
- 1 cup dairy sour cream
- 2 cups small curd cottage cheese
- 2 teaspoons salt
- 1/2 cup chopped green onions
- 2 tablespoons chopped green pepper
- 1/4 cup chopped ripe olives
- 1 teaspoon chili sauce.

Cook noodles as package directs; drain. In skillet melt butter, then brown meat. Drain excess drippings, add 1 teaspoon salt; stir in tomato sauce, flour, chili sauce; simmer 10 minutes. Mix together sour cream, cottage cheese, remaining salt, onion, green pepper and olives. Place half the noodles in buttered 3-quart casserole; then spread on cottage cheese mixture. Top with remaining noodles and cover with ground beef mixture. Bake 50 minutes in 350 F. oven. Let stand 10 minutes before serving. Serves 12.

How Many Calories For You?

It's easy to figure out about how many calories you need each day, say food specialists in the U. S. Department of Agriculture.

Multiply your desirable weight (obtained from a height-weight chart) by 21 for a man and by 18 for a woman. This gives the approximate number of calories used daily by a moderately active adult. You'll possibly need about a fourth more calories if you are very active; a fourth less if sedentary.

Why A Garbage Disposer?

If you are thinking about adding a garbage disposer, here is some information that may help you decide on the kind which will serve your purposes best.

More than two dozen manufacturers have models on the market, and more than 7 million homemakers are enjoying the benefits, says Mrs. Eula Newman, home management specialist with the Texas Agricultural Extension Service at Texas A&M University.

Disposers are designed to fit any sink that has a standard drain opening of four inches, the specialist says.

How do they work? The disposer grinds garbage. The round table whirls around at a speed of about 1700 revolutions a minute. Different brands have features to distinguish them, but they pulverize garbage quite rapidly.

A basic type of garbage disposer is the continuous feed type, which is covered with a rubber back-splash baffle. Cold water is turned on, the switch is flipped and waste is scraped into the disposer.

Another type is the batch-feed disposer, in which the waste is placed and a metal lid is inserted in place and twisted as cold water runs through.

With a food waste disposer, time formerly required to take out garbage can be used in other ways; unpleasant odors in the kitchen from raw garbage are eliminated, and exposure to weather when taking out garbage is avoided. Some cities are now requiring new homes to install disposers, the specialist emphasized.

My personal reaction to a garbage disposer is that it is about the most wonderful thing to ever hit the kitchen. And they are not too expensive either. I've had one five years and it's still grinding.

Special for those who sew . . .

Need some information about sewing on double knit fabrics?

Double knits for home sewing are relatively new, although jerseys are familiar to most women, points out Mary Routh, Extension Service clothing specialist with Texas A&M University.

While no special skill is required to sew double knit fabrics, an understanding of their characteristics can simplify and speed the handling.

Select a pattern with few seams, a rather easy fit and no buttonholes. It is wise to avoid circular skirts and bias cuts, reminds Miss Routh. Weight of the double knit fabric should be chosen to conform to the design of the pattern. And if the knit fabric is "off grain" more than one inch, it should be straightened by pulling slightly on the bias while steam pressing it.

"All knit fabrics should be shrunk before cutting—steam pressed at home or at the dry cleaners," the specialist reminds.

Double knits are made in tubular form and some are sold this way. Others are cut along the fold of the flattened tube and edges are overcast. The lengthwise edges

should be examined before buying the fabric to see that they follow the grain line. In knits, the grain line is a continuous rib. In the finishing process, some tubular knits twist as much as 4 to 6 inches. This cutting along the fold cuts across the continuous ribs the depth of the twist. To straighten such fabric will cause some loss.

"If the tubular knit has not been cut, baste along the rib the entire length of the fabric, refold on this baste line and pull the fabric into a flat shape as it is steam pressed," the specialist adds.

NAVY SETS DECEMBER 14 FOR ANNUAL NROTC EXAM

Vice-Admiral W. R. Smedberg, III, Chief of Naval Personnel, announced recently that the 18th annual national competitive examination for the Regular Naval Reserve Officers Training Corps will be given on December 14, at San Angelo College.

Eligible high school seniors and graduates should submit their applications before November 22.

Designed to supplement the officer output of the Naval Academy, the NROTC program makes it possible for a young man to earn a regular commission while studying at the civilian college of his choice from among the 52 colleges with an NROTC unit. All tuition, fees and books are furnished

by the Navy, and the student receives a retainer of \$50 per month for not more than four years.

Further details and application forms are available at local high schools and Navy Recruiting Stations or from the Chief of Naval Personnel, Department of the Navy, Washington 25, D. C.

Funeral Monday For Mrs. Vaughan's Father

Funeral services were held at 2:00 p.m. Monday in Coggin Avenue Baptist church in Brownwood for the Rev. W. H. Albertson, 80, father of Mrs. Kenneth Vaughan of Eldorado and Mrs. Marvin Peek of Eden. Burial was in Greenleaf cemetery directed by Wright's Funeral Home.

The Rev. Mr. Albertson died in Baptist Memorial Hospital in San Angelo about 11:30 a.m. Sunday. A retired Baptist minister, he came to Brownwood in 1948, and was a native of Grimes county.

Survivors include his wife; another daughter Mrs. Bob Havens of Brownwood; two sons, H. T. Albertson of Pearl River, N.Y., and W. J. Albertson of San Antonio; two sisters, Mrs. Alma Chase of Georgetown and Mrs. Lennie Hamilton of Waco; and 17 grandchildren.

School Menus

Monday, Sept. 30: Meatloaf, Pinto beans, corn, cabbage & carrot & pineapple salad, buttered rolls, milk, canned fruit.

Tuesday, Oct. 1: Roast beef and gravy, creamed potatoes, marinated green beans, tossed green salad, buttered rolls, milk, fruit cobbler.

Wed., Oct. 2: Hot dogs & chili, potato salad, cheese strips, milk, fresh fruit cup, peanut butter cookies.

Thursday, Oct. 3: Chicken pot pie and vegetables, buttered rice, green lima beans, apple & carrot & raisin salad, buttered rolls, milk, chocolate pudding.

Friday, Oct. 4: Sandwiches (tuna, bologna, pimento cheese), potato chips, English pea salad, milk, chocolate brownies.

BROWNIE MEETING

The 2nd and 3rd Grade Brownie Troop No. 153 met at the Corral Tuesday. There were 14 girls and two leaders present. The leaders for this troop are Mrs. Bill Maness and her assistant, Mrs. W. R. Davidson. Mrs. Lawrence Bell and Dale visited the troop. The girls read the Brownie Story.

Melody Davidson, the hostess, served refreshments.—Rep.

Expect great things from Chevrolet again—for '64

Today...Jet-smooth Luxury '64 CHEVROLET

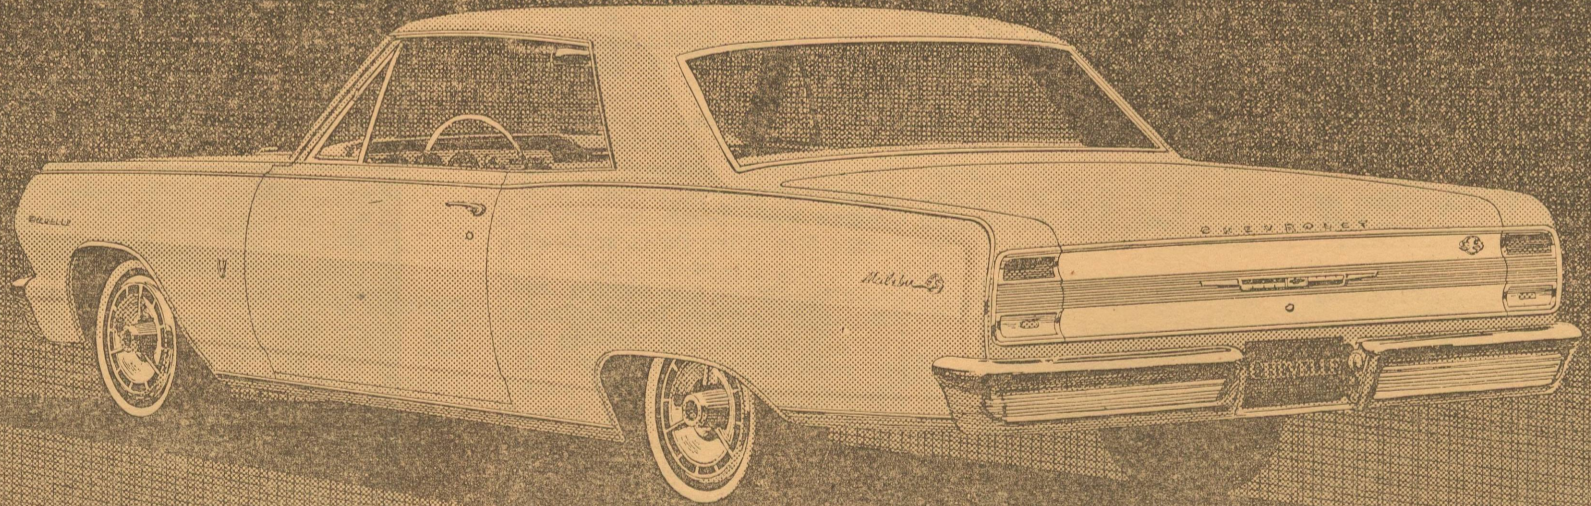

'64 Chevrolet Impala Sport Sedan—one of 15 Jet-smooth luxury Chevrolets.

Chevrolet was luxurious before, but you should see it now. With smart new styling, the '64 Chevrolet looks even longer (but isn't). There's even a whole new series this year—the Impala Super Sports—with front bucket seats as standard equipment. (The new Impalas and Bel Airs are more luxurious,

too. Even the lowest priced Biscaynes have new foam-cushioned seats front and rear and are fully carpeted.) Of course, you expect more than just luxury from Chevrolet. A choice of 16 power teams, for instance—a 6 and six V8's up to 425 hp (optional at extra cost). And quieter transmissions. Jet-smooth

ride with Full Coil suspension. Flush-and-dry rocker panels, Delco-tron generator, self-adjusting brakes and other low-upkeep features. If you've ever wondered how luxurious Chevrolet could get—with all the extra-cost options there are to choose from—that seems to be entirely up to you.

Take your first look at the first CHEVELLE!

CHEVELLE! by Chevrolet

New Chevelle Malibu Super Sport Coupe—one of 11 models in three great series.

You've never seen anything like this totally new line of cars before. Chevelle is new in everything but Chevrolet quality. Chevelle is a good foot shorter than the big cars, so it parks easily. Yet the interior dimensions of its Body by Fisher provide a generous amount of head, leg and shoulder room. (Chevelle's trunk is big and roomy, too.) The ride is surprisingly smooth with a rugged coil spring at all

four wheels. And not so surprisingly for Chevrolet, the new Chevelle offers a choice of engines ranging from an economical 120-hp 6 to a 220-hp V8 (optional at extra cost.) Choose the Chevelle you like best from the three series—the Malibu Super Sport, the Malibu and the 300 Series, eleven models in all—at your Chevrolet dealer's. (Like this good-looking Malibu Super Sport, maybe?)

Football

(Continued from Front Page)

chore.

Eagle scoring began when Captain Lynn Meador broke away to his right and raced some 25 yards into Bulldog vital territory, early in the second quarter.

Second touchdown came with only a second or so remaining on the clock when Field CO Tipton Finley flipped a deadly missile to Richard Preston across the Bulldog goal line.

Third touchdown saw Captain Lynn Meador return a punt to the Eden 10-yard line and then Captain "M" M. McAngus rammed over on the second play.

In the fourth quarter, QB Finley flipped another missile into Richard Preston's skillful clutches for a pass-run of 30 yards and the fourth score.

Two minutes later, Halfback Ronnie Williams blitzed some 15 yards for the fifth marker.

Captain "M" M. McAngus studiously kicked all five extra points with Quarterback Tipton Finley as ground crew. McAngus has kicked nine of 10 extra points to date demonstrating that he has as educated a toe as any seen on Eagle Field in recent years.

In the closing seconds of the game, Apprentice Quarterback Scott McGregor engineered the Eagles down field and came perilously near connecting with Richard Preston for a sixth touchdown. As it was, he had maneuvered the Eagles to the Bulldog three-yard line where final effort to score failed and Eden took over.

All in all, there was just too much Eldorado brawn and experience for the Bulldogs. The Eagles made no effort to humiliate the Bulldogs. It was a fine night and the game was a pleasant affair. Facets of Eagle play sparkled in the night with no great pressure

of excitement to magnify their honest play. For example: There was the open field tackle so well executed that it looked like a textbook illustration of how it should be done staged by Youthful Halfback Sambo Henderson.

There was a flashing run by High School Junior Monty Montgomery, revealing his fine potential.

Then there was Charles Nixon's prodigious 60-yard or more punt, Eldorado's only punt, which rocked the Bulldogs from their defensive position near Eldorado's 35-yard line to their offensive on their own four-yard line, from scoring territory to rags in a single kick.

Roy Swain's high velocity stops of Bulldog ball carriers on kickoff.

Pass interceptions by Eldorado Captains Lynn Meador, Larry Blair, and "M" M. McAngus as well as McAngus's 50 yards individual rushing for the night and Meador's 54.

It was a fine night made doubly pleasant by the fact that there were no injuries and few penalties and a fine halftime performance by Bandmaster Pace's Eagle Band.

Cantata Rehearsals To Continue On Sundays

Frank O'Banion announced a change in plans for rehearsals for the Community Choir which is at work on "The Messiah", the Christmas cantata.

The next rehearsal will be this Sunday afternoon from 3:00 to 4:30 at the First Baptist church. All interested singers are invited to attend.

Sunday afternoon rehearsals will be held in order to try to get more men into the production, Mr. O'Banion stated.

Mr. and Mrs. W. E. Austin of Humansville, Mo., are visiting their son-in-law and grandchildren, Charley Morris and family. They plan to be here until the last of October.

Nursing Home Week On

Nursing Home Week is on in Texas a time when we pause to reflect on the needs of our senior citizens.

Anna Lee home at Mason ran the following recently in the Mason County News:

Beatitudes for friends, loved ones and those who care for the patients

Blessed are they who understand my faltering step and palsied hand.

Blessed are they who know that my ears today must strain to catch the things they say.

Blessed are they who seem to know that my eyes are dim and my wits are slow.

Blessed are they who looked away when coffee spilled at table today.

Blessed are they with a cheery smile who stop to chat for a little while.

Blessed are they who never say you've told that story twice today.

Blessed are they who know the ways to bring back memories of yesterdays.

Blessed are they who make it known that I'm loved, respected and not alone.

Blessed are they know know I'm at loss to find the strength to carry the cross.

Blessed are they who ease the days on my journey home in loving ways.

Four From Here At Cisco Junior College

Cisco.—Four students from Eldorado, Buddy Mercer, Buren Whitten, James Holden and Roy Sallee, have completed registration procedures and will attend Cisco Junior College this fall, according to E. W. Mince, registrar.

Holden, a sophomore, is the son of Mr. and Mrs. J. D. Holden. Sallee is the son of Mr. and Mrs. Russell Sallee. Mercer is the son of Mr. and Mrs. Harry Mercer and

Whitten's parents are Mr. & Mrs. B. A. Whitten.

College officials announced a record enrollment of over 400 following the completion of registration last week. In addition to the 15% increase in full time academic students, approximately 200 more students are expected to enroll in adult education classes.

Registration is currently under way for an IBM course, and will continue until Sept. 23, Dean-Registrar E. W. Mince said. Night classes will also be offered, he added. No definite schedule of classes has been established, since any course will be offered if there is sufficient demand.

All men's dormitories are filled to capacity, though Memorial women's dorm still has two accommodations remaining. A new science building is in use for the first time this year, providing facilities for an expanded science program. Several new courses were added in the field of science this year, Mince said.

CJC students represent almost every county and major city in the state as well as other areas in the Southwest. Several out of state students are registered as well as two from Thailand.

Mr. and Mrs. C. C. Henderson were in Eldorado visiting relatives and friends last week, closing a two-week trip during which they visited their son, Lt. Col. G. A. Henderson and family in Amarillo, and other relatives and friends in Brownfield, Hart, Hobbs, Muleshoe, Lamesa and San Angelo. They live now at Lake Buchanan.

Mr. and Mrs. Jesse Morris and baby left last week after visiting her parents, Mr. and Mrs. W. A. Van Dusen while en route from Honolulu, Hawaii, to Spokane, Washington, where they will make their home. They arrived in Spokane Friday night.

John Ochsner of Midland flew over and visited his mother, Mrs. L. D. Ochsner, last Saturday.

P-TA Play Coming Up

The Eldorado P-TA will present its third annual play production on Tuesday, October 8, at 7:30 p.m. in the high school auditorium.

This year's production, "The Man In The Dog Suit" is a two-act comedy-satire with a contemporary setting.

The cast will include Howard Derrick (in the title role), Hedy Bowen, Becky Mund, Ed Meador, Jan Mobley, Martha Lee Meador, Eldor Calk, Ronnie Mittel, and Bill Lester and Bob Bland.

Advance ticket sales will begin Friday.

Mrs. Dixie Morris of DeLeon is visiting the Earl Yates family and other relatives in Eldorado this week.

CARD OF THANKS

I wish to take this means of saying thank you to all my friends for the many nice things you did for me and my family during my stay in the hospital.

Each act of kindness was so greatly appreciated and May God Bless each of you in my prayer.

Mrs. Orland Harris *

News of the Sick

Mrs. J. T. Ottabry suffered a heart attack over the week end and was taken to the Sonora hospital where she is improving.

Mrs. P. S. Dudley is in the Clinic Hospital in San Angelo.

Mrs. Hattie Warrick is expected home from the Shannon hospital soon. She underwent surgery there about three weeks ago.

Mrs. W. H. McClatchy returned home Saturday from the Clinic-Hospital where she was a patient for about ten days.

Mrs. Elizabeth Powell is continuing convalescence in San Angelo where she was recently in the hospital for treatment of her broken hip. She may be home this week end.

Miss Lee Halbert entered the Clinic-Hospital Monday morning for a few days of tests.

Palmer West came home Sunday from the Shannon hospital where he underwent surgery on his arm the preceding week. He is now up and around, but is not yet back at work.

NEW SHIPMENT ruled index cards —The Success Office.

Spence Addresses Local Lions Club

Reece Spence, who served as superintendent of buildings at Texas A&M college until his recent retirement, addressed the Lions club yesterday. He discussed the University Lands of the state, tracing their history from the time Texas entered the Union back in 1845, through the development periods over the years since, and culminating in recent years when oil discoveries on University lands have made that school wealthy.

C. J. Hahn presided.

Joe M. Christian presented the immediate past president, W. R. Bearce, with his past president's pin. This was the first meeting Judge Bearce attended since his period in the hospital last summer and his subsequent convalescence here at home.

Fred Watson reminded the Lions about the Boy Scout troop open house coming up the night of Monday, October 7th. It will be held in the Memorial Building and refreshments will be served. Further arrangements on this will be given in next week's Success.

The '64s from Ford are here: The Year of the Test Drive starts today!

Ford cars have changed. Only a test drive can tell you how much. Races and rallies, economy runs, braking and acceleration tests have bred into our 1964 models the kind of total performance you just can't create on the test track alone. They are hard-muscled, fast-moving, sure-footed. Open competition helped make them that way. They offer you substantially more car than anything at their price. You don't have to take our word for it. We're willing to rest our case on our cars.

TRY TOTAL PERFORMANCE FOR A CHANGE!
FORD
Falcon • Fairlane • Ford • Thunderbird

1964 SUPER TORQUE FORD
Strongest, smoothest, steadiest car in its field—by hundreds of pounds... More steel in frame and suspensions... Unique suspension lets wheels move backward as well as up and down to flatten bumps... Distinctive new rooflines.

1964 FAIRLANE
Unique combination of family-size room, sports car feel and modest price... Optional 289-cubic-inch V-8 so lively it was adapted for famous Cobra sports car... Five engine choices, six transmission choices, eight different models.

1964 FALCON
All new except the economy that made Falcon famous... Falcon's Six still holds all-time Mobil Economy Run record for Sixes or Eights... Plushiest ride ever built into a compact car... 14 models—plus 3 extra-duty wagons.

Joe Gault Ford Sales, 223 Main, Eldorado, Texas

TEXAS PRESS ASSOCIATION
Member 1963

Glendale H. D. Club

The Glendale Home Demonstration club met last Thursday at the home of Mrs. W. T. Whitten for a luncheon. Mrs. Vida Krecklow talked on draperies and presented pictures of various ways they can be used. Twelve members were present.

rites for infant

Funeral services were held in Albany, Georgia, at 2:00 p.m. on Monday, Sept. 16, for Timothy Floyd Ackley, newborn infant son of Airman 1st/Cl. and Mrs. Robert F. Ackley of 705A Whiting in Albany.

In addition to his parents, the baby is survived by two brothers, John and Jim Meador; his grandparents, Mr. and Mrs. Farris Nixon of Eldorado and Mr. and Mrs. Donald Ackley of Ripley, N.Y.

The mother is the former Sandra Nixon.

Mrs. L. T. Wilson and Mr. and Mrs. Marvin Logan of Sonora attended the funeral of Mrs. Wilson's brother-in-law, Frank Long of Monahans, recently. Mr. Long died while visiting his daughter, Mrs. Frank Bidding, in Hawthorne, Nevada. The funeral was in Monahans.

First Baptist News

The WMU met in circles last week with the Kuykendall circle meeting with Mrs. E. W. Brooks. Mrs. Edgar Spencer taught the lesson from the mission study book *The Life of Annie Armstrong*. Nine members and three guests were present. The guests were Mrs. Ruth Davis, WMU president; Mrs. Spencer and Mrs. Carroway.

The Van Dusen circle met at the home of Mrs. Ruth Williams, with Mrs. Ratliff completing the mission study book. The circle had 10 members and another guest, Mrs. W. E. Austin of Humansville, Mo., besides Mrs. Williams.

Mrs. Jake Spencer taught the mission study book to the Night Circle also when they met Tuesday night at Mrs. Sadie Davidson's. Their guests were Mrs. W. T. Whitten and Mrs. W. A. Van Dusen.

The Montgomery circle met last week at Mrs. W. T. Whitten's. Mrs. T. P. Robinson taught the mission study book to the nine members present.

Refreshments were served at each meeting.

Mary Martha Class Luncheon

The Mary Martha Sunday School class enjoyed a covered dish luncheon at the home of Mrs. S. D. Maxfield yesterday at noon.

The teacher, Mrs. J. B. Montgomery, brought the devotional on Joseph, A Type of Christ.

The class has 12 active members and 7 inactive. Ten were present with three guests, Mrs. Rutha Boyer, Mrs. Allan Kuykendall, and Mrs. Ruth Williams.

WMU Installs Officers

At the Tuesday night meeting of the WMU of the First Baptist church, Mrs. John Stigler was installation officer of the officers for the new church year.

Those taking office are Mrs. Ruth Davis, president; Mrs. L. M. Hoover, vice-president; Mrs. Raymond Hall, secretary; Mrs. Ruth Finegan, treasurer; committee members are program, Mrs. W. M. Rountree; community missions, Mrs. Arch Mittel; mission study, Mrs. J. B. Montgomery; benevolence, Mrs. E. H. Dannheim; Bible study, Mrs. T. P. Robinson Jr.; social, Mrs. John Luman; publications, Mrs. Jack Griffin; publicity, Mrs. W. A. Van Dusen. Mrs. Roy Phelps is YWA director; Mrs. Leonard Wilson is in charge of the G. A. work and Peggy Mittel is Sun Beam director. Circle chairmen are Mrs. Richard Cheatham, Mrs. Vernon Rogers, Mrs. Buster Gunn and Mrs. Frank O'Banion. Mrs. Perry Mittel is extension circle chairman.

The Royal Service program was presented before the installation service and after the business meeting.

A planning meeting is to be held next Monday afternoon at the church with committee meetings to be held later to plan and work for the year.

The Kuykendall circle were hostesses and served cake and tea to the 27 members and one guest, little Eva Stigler, who were present.

Attend Albertson Funeral

Those attending the funeral of Rev. W. Albertson of Brownwood, Mrs. Kenneth Vaughan's father, from Eldorado last Monday included Mr. and Mrs. Arch Mittel, Mr. and Mrs. Carroll Ratliff, Mr. and Mrs. Frank O'Banion, Raymond Hall and A. M. Whittis.

Woman's Club Meets

The Woman's Club met Tuesday afternoon in the club room of the Memorial Building with Mrs. J. B. Montgomery as guest speaker.

Mrs. Montgomery spoke on The Constitution, and explained the events leading up to its being formed, the ideals set forth in framing the constitution, and our responsibility toward keeping them and keeping our country safe. She said the constitution was not a dry, dead document but a vibrant living code that can be adjusted to fit the social and economic conditions of any time. She quoted from William Penn who said, "If the men in government were good, the government would be good."

During the business session, Mrs. Jackson appointed Mrs. Keno Ogden as a delegate to the McKnight Volunteer Council and Mrs. W. A. Van Dusen as an alternate.

Mrs. W. O. Alexander was leader for the day and brought the inspirational Thought and led the comments after Mrs. Montgomery closed her talk.

Mrs. B. F. Hartgraves was hostess and served orange date cake and coffee or tea to the 17 members and two guests, Mrs. Ben Biggs and Mrs. Montgomery, who were present.

Mr. and Mrs. L. M. Hoover and Miss John Alexander visited Mr. and Mrs. Jim Hoover at Mason, C. R. Hoover on a ranch east of Mason, and Mrs. John McLeod at Pontotoc last week end.

Mrs. Jerral Young is now employed at Leslie Baker's tax office. She started working there a few weeks ago.

Mr. and Mrs. W. W. Beal of Austin spent the week end with Mr. and Mrs. Edwin Jackson and observed Mr. and Mrs. Jackson's 42nd anniversary. Mrs. Beal is Mrs. Jackson's sister.

Mrs. C. N. Clark visited her children and their families in Odessa last week.

Austin. — Finance companies which hope to operate in the State under the new Texas Regulatory Loan act must be licensed by November 21st. The so-called "loan shark" law, passed by the 58th Legislature, allows a much higher rate of interest for lenders. But it saddles them with stiff licensing requirements.

Loan Commissioner Frank Miskell predicted that 2,000 loan offices would come under the act. Already he has received more than 2,000 letters of intention to file application for a license. And letters still are flowing in at the rate of 30 or more a day.

One reason for the big response is that many automobile financing companies want to up their interest rates, too. Question of whether they are eligible to operate under the act has not been settled. But they are signing up just in case.

Nursing Home Investigation

The House general investigating committee will explore possible scandals in nursing home construction according to its chairman, Rep. Bob Fairchild of Center.

Investigation was requested by Speaker Byron Tunnell after a series of stories on sub-standard nursing homes for old people appeared in the Fort Worth Star-Telegram. A separate check by the State Department of Public Safety has been ordered by Gov. John Connally. Atty. Gen. Waggoner Carr also has promised support.

TEC Attorney Quits

C. W. Turlington, long time Marshall attorney, resigned as general counsel for the Texas Employment Commission. He complained that he was not consulted by commissioners before they hired a new attorney for his staff.

Hannah King of Houston, the new attorney, is scheduled to start work in October. King a Negro, is a former vice president of United Political Organizations. Turling-

ton, who has served five years on the commission, says he has no immediate plans for the future.

Rainmaking Agency Proposed

Land Commissioner Jerry Sadler thinks the State should have an official rainmaking agency. He says he has discussed the subject with the Governor and hopes to soon have a "concrete proposal to offer."

The Land Commissioner feels that his success with several cloud-seeding experiments warrants serious consideration of a rainmaking agency.

Drought Posing Problems

Texas, with 53 reservoirs completed since 1950 and 12 more under construction, needs a stronger water development program says Governor Connally.

He proposes that the state harness surplus flood water for the protection of persons and property in areas which have too much water, then transport it to areas which have too little.

"We have the water resources to meet future demands. But only if they are properly developed, conserved and managed," the Governor stated.

According to the Texas Water Commission, reservoirs in the state stand at 65% of capacity. That's 9% less than last year at this time. As of the end of August (before Hurricane Cindy) streamflow was deficient for the entire state.

Opposes Poll Tax Repeal

Rep. George Hinson of Mineola has come out swinging against repeal of the poll tax. Furthermore, he has volunteered to join any statewide organization which may develop to retain it.

Hinson said his district—Wood, Upshur and Camp counties—is two-to-one against repeal. He charged that voter registration laws are not strong enough at this time to justify dumping the poll tax.

Republicans, fearful that repeal might help the voter registration drive of the Democrats, dodged the issue at their recent meeting and left the decision "up to the individual voter."

Form Vote Education Group

A new statewide political organization, stressing the need for voter education in the interest of land and mineral owners, has been formed here.

The name: Texas Land and Mineral Owners Political Education Committee.

John J. Shaw of Lovelady is temporary chairman. C. Y. Jacobs

of Yoakum is co-chairman.

Group will pinpoint issues concerning members, study voting records and size up decisions of legislators and judicial office holders.

Law Enforcers Meet

District and county attorneys, sheriffs, judges and other law enforcement officers from over the state are meeting in Austin this week. Occasion is the 13th annual attorney general's law enforcement conference. Attorney General Carr is in charge.

County Pay Raise Voided

A pay raise for county officials in Crane county was declared unconstitutional by the attorney general.

The salary hike bill, sponsored by Rep. Gene Hendryx of Alpine and Sen. Dorsey Hardeman of San Angelo, is what is called a "population bracket" bill. It applies only to counties having between 4,600 and 4,750 persons and a minimum tax valuation of \$45 million.

Carr said this means Crane county only.

State constitution bans bills regulating the affairs of a single county, city, town, ward or school district.

Final Veterans Land Suit

The last (\$200,000) State penalty suit growing out of Veterans Land Scandals is set for trial here on October 14.

Former Land Commissioner Bascom Giles, now living in Minnesota, may be brought into court again. The defendants, B. R. Sheffield of Brady and L. V. Ruffin of Shreveport, La., want Giles to pay a share of any judgment the state might win.

SON FOR POWELLS

A son, Walter George Powell III, was born Saturday night at 10:15 in the Clinic-Hospital in San Angelo to Mr. and Mrs. Walter Powell, Jr.

The baby weighed 7 pounds. Grandparents are Mr. and Mrs. Walter Powell Sr. of the Reynolds community and Mr. and Mrs. Joe Pike of Fort Stockton.

The mother, who is the former Janet Pike, and her new son, are expected home from the hospital today, Thursday.

D.A.R. Starts New Year

Mrs. Mary Davis Coupe was the main speaker at the first meeting of the year when the El Dorado Chapter of the Daughters of the American Revolution met at the home of Mrs. E. C. Hill last Thursday afternoon. Her subject was "The Constitution of the United States." She discussed early forms of government in the colonies; the first meeting which resulted in forming the Articles of the Confederation; the assembly of patriots in Philadelphia which resulted in the formation of our present Constitution in 1787 and what that means to our people. It was all very interesting and informative.

Mrs. V. G. Tisdale had charge of the opening. Miss John Alexander led the Flag Salute. The new Regent, Mrs. Ernest S. Goens, presided and stressed the responsibility of each member to make this year's work successful and worthwhile. The national defense report given by Mrs. E. C. Hill included several of the resolutions adopted by the last D.A.R. National Continental Congress.

A committee was named to collect all genealogical materials which the chapter has on hand and have them bound. Mrs. Tisdale, library representative, announced that a memorial section will be added to the local library for children's books. A donation was made to the library.

The hostesses, Mmes. Ernest C.

Hill, Goens, McWhorter and McIntosh, served ice cream and cake to the members attending. Other than above mentioned, those present were Mmes. Luke Thompson Sr., Josh Ewing, W. O. Alexander, R. Schrank, W. N. Ramsay, W. F. Meador Sr., J. E. Hill and L. M. Hoover.

Rev. Clifton Hancock To Sanderson Church

From last week's Sanderson Times: Rev. Clifton Hancock of Houston will arrive the last of this week to assume the pastorate of the First Baptist church here in Sanderson. The church has been without a pastor since the resignation of Rev. Irl Richardson, who moved to Houston on August 1.

Rev. Hancock is a graduate of Hardin-Simmons University and has attended the Southwestern Baptist Seminary, Fort Worth, for three years. He resigned the pastorate of the Garden Villas Baptist church in Houston in June.

Rev. Hancock's wife and 10-year-old daughter, Pamela, will accompany him to Sanderson.

(Rev. Hancock served as pastor of the First Baptist church in Eldorado before moving to Houston several years ago.)

SALES PADS for sale at the Success office.

Students Leave For Various Colleges

Former students of Eldorado High school took various roads leading from Eldorado during the last few weeks to attend the colleges and universities of their choice. Some drove along the same highways to the same colleges but mostly branched off in different directions in Sonora, Menard or San Angelo. Some stopped in San Angelo including David Kuykendall, Harold Wright, Corky Hodges, Buddy Hodges, Jimmy Garvin, H. A. Belk, Velton Taylor, Kathy Kinser, and Clyde Thackerson.

Bill Lester went on to Tarleton at Stephenville; Donny Holden to Cisco, while Pat Rogers and Buddy Mercer went to Hardin Simmons and Gail Woodward to Abilene Christian College.

Going to Texas Tech are Herman Walker, Joe Charles Christian, Jimmy O'Harrow, Ray Lewis Ballew, Linda Jones, and Jerry Don Johnson.

John McGregor entered S.M.U., Bryan Edmiston went to Sam Houston and Johnny Griffin to the University of Houston.

Betty Humphries, Jim Cheek, Terry Phelps, Sammie Mayo and the Jurecek boys, Mikel and Dennis, are all at Baylor while Pam Calk, Ruthie Parker, Johnny Lawrence and Linda Sauer went to the University of Texas. Robbye Waldron entered law school at the University also.

North Texas, Denton, claims Judy Hext, Linda McGinnes, Jan Davis, Tissie Enochs, Linda Nixon, Pat Preston, Carl Parker, and Rex Enochs.

Going in the opposite direction were Billy Van Dusen, Martha Ellen Topliffe, C. F. Dacy, Peggy Spencer, and Mary Leigh Tisdale who enrolled at Sul Ross College at Alpine, and David Steen who went to Mexico City and enrolled for graduate school at the University of Mexico.

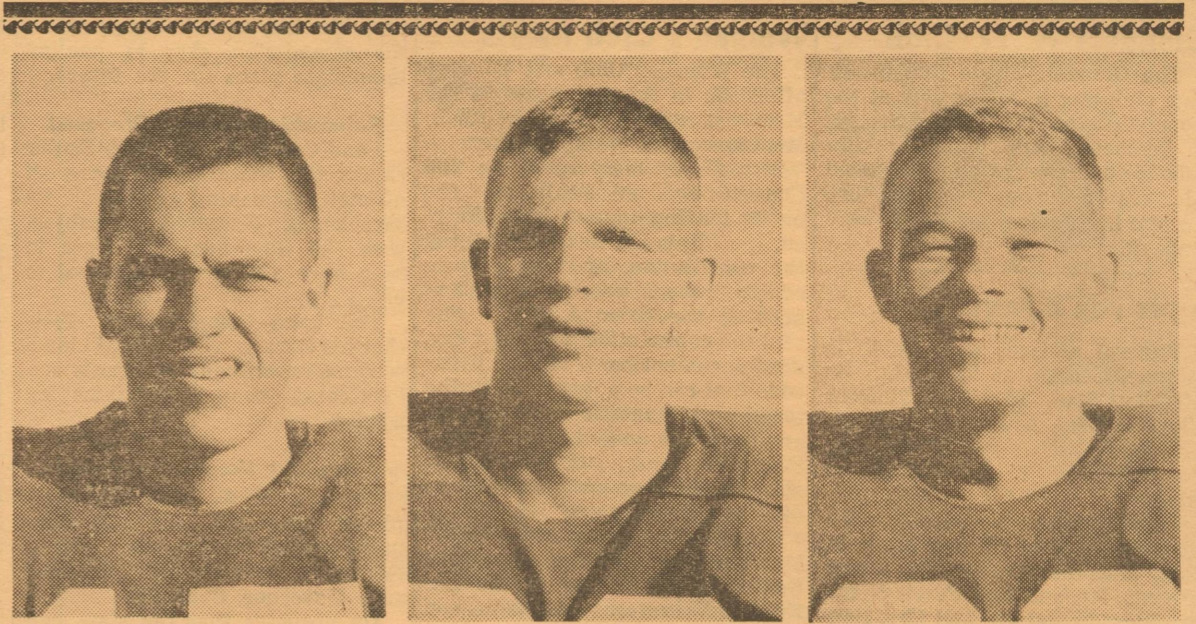

Jim Runge, Jerry Thomerson, Denzil Fisher and Leonard Kent are at A&M; Cam Smith and Mike Moore are at Texas Christian University, Fort Worth.

Roy Lynn Taylor and Joyce Woodward are attending San Angelo Business College.

Mike Phillips, now of Midland, formerly of San Angelo and Eldorado, passed through Eldorado going to Austin where he is a sophomore at the University.

Charles Ratliff of Austin visited his father, J. L. Ratliff, and Mrs. Ratliff recently. Mr. Ratliff moved to Austin from Ozona about a year ago. He is connected with an insurance company and recently won a trip to Florida by being one of the top salesmen for the company.

WALTZ THROUGH WASHDAY

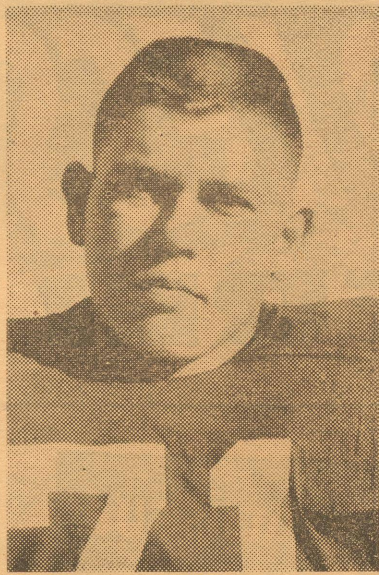

with an automatic Washer and Dryer

Are you waltzing through washday? I doubt it . . . if you are not washing and drying automatically. Do you realize how easily you can afford a new flameless electric washer and dryer? These convenient wifesavers only cost pennies a day and actually save you dollars in the long run. By washing and drying automatically clothes naturally last longer, saving you the cost of replacements. Your most delicate fabrics emerge cleaner, softer, fluffier than ever before . . . and without whipping wind and blowing sand. Where you now spend a full dreaded day of washing, why not brighten up and waltz through washday in a few hours?
