NUMBER 45

## Rain Delays Cotton Picking Over Area

Eldorado residents emerged Monday morning to find wet, soggy ground underfoot and upon checking their rain gauges found that one and one-half to two inches had fallen during the early hours of the morning.

It was a good rain in Eldorado, but it seems that the city was the only part of the county that was that well favored.

Outlying areas reported two-tenths, four-tenths and similar fractional amounts, but it was enough to put a stop to cotton picking.

Several loads of cotton that had been gathered earlier, arrived at the gin Monday and were processed, making a total at that time of 3007 bales. The gin was closed Tuesday, but George Mikeska expected cotton to begin arriving again Wednesday providing there were no more showers.

Mornings have been foggy and damp, but fields should be dry enough for stripping during afternoons. The bulk of the crop has now already been ginned and harvesting will steadily slow down.

## Committee Named For Development Of County Resources

The promotion and development of the resources of Schleicher county and Eldorado will receive the concentrated effort of a newly programmed organization to be known as Schleicher County Resources Development Committee made up of local businessmen and ranchmen.

Totally new in its concept, but working in conjunction with the Lions Club, Schleicher County Chamber of Commerce, and other civic organizations, this committee will devote its entire attention to developing the present resources within the community and enticing new business and industry to Eldorado.

Schleicher County Resources Development Committee is actually made up of six sub-committees dedicated to the study and enhancement of the economic factors making up a strong, progressive community. These committees are represented as Finance Committee, Jo Ed Hill, chairman; Highway Committee, Elmer Peters, chairman; Development Committee, Ed Meador, chairman; Tax Committee, Eldon Calk, chairman; Water Committee, Mort Mertz, chairman, and Beautification Committee, W. R. Davidson, chairman.

Each sub-committee is made up of at least three members. However, every citizen of Eldorado and Schleicher county is urged to lend their services by expressing individual interest in one of the six sub-committees, and supporting the same with their efforts. The Beautification Committee has already begun effective work.

Speaking for the organization as a whole, Eldon Calk pointed out that it is the hope of all concerned that Schleicher County Resources Development Committee can instill a unified effort in all citizens of Eldorado and Schleicher county, and establish a theme of productive thought and cooperation which will enable the community to realize the maximum benefits from resources already present, and those that can be brought into the community.

## Home Dem. Clubs To Have Food Sale Tuesday

The annual food sale of Home Demonstration clubs of the county will take place on Tuesday, Nov. 16 at 10 o'clock in the morning in the private dining room of the West Texas Cafe.

Miss Constance Spence, chairman of the clubs council announced the details of the sale at a council meeting last Friday.

All foods should be delivered by 10:00 a.m. and unless reserved, be ready for sale. For the past several years foods have been sold out pretty well by noon and buyers are urged to come early for a better choice.

Proceeds from the sale are used primarily to send 3 delegates to district and state meetings. The effort is educational in nature and both club members and delegates feel the effort very worth while.

## Post Script

### Veterans Day—1965

November 11, today, is Veterans Day; a day dedicated to world peace, a day to recall our past achievements and our attempts to bring peace to the world.

One of the truths we can recall on Veterans Day is that Americans of capable of greatness when it is demanded of them. Nearly 22 million veterans are living proof of it.

In terms of age, the average American veteran of today was not even born in 1918, the year the national holiday we know as Veterans Day was first observed. November 11th was called Armistice Day until a dozen years ago. We can never forget those dead whom the first Armistice Day commemorated.

They are revered in our inmost thoughts as we pay tribute to all living veterans, on Veterans Day.

Far from being amenable to averaging, as in the matter of age, veterans are a remarkably diverse group, well represented in every walk of life. They are performing top-urgency jobs, in the difficult peace as in wartime, ranging from the Chief Executive to the Chief Petty Officer on a Coast Guard Cutter patrolling the Vietnam coast.

Veterans, diverse in national origins, religious beliefs—and ranging as they do from young men in their twenties to Indian War fighters now 95 years of age—are alike in their basic good citizenship.

History tells us that the American veteran never has, and never will, subscribe to the doctrine of "Peace at any Price." The loss of human dignity and individual freedom would indeed be too high a price to pay, even for a commodity as precious as peace.

Today, the American veterans stand firmly united beneath the one flag that symbolizes our common Democracy, determined to maintain for themselves and posterity the principles of Liberty and Justice upon which this Government was founded, and upon which it stands securely today.

A grateful Nation is pausing today, November 11, 1965, to pay tribute to the American Veterans because they have been willing to fight and die for Peace with Honor.

Veterans Day is a holiday for federal employees. This means that the post office is closed today, although mail will be put up in the boxes as usual. Also such federal offices as the A.S.C. and Soil Conservation are closed and their workers have the day off.

Otherwise, it's business as usual for nearly everyone else.

We asked the postoffice crew how many towns and cities in the United States have the name "Eldorado" and how they are being written.

There are eight, and they are written as follows:

Eldorado, Illinois  
Eldorado, Ohio  
Eldorado, Oklahoma  
Eldorado, Texas  
El Dorado, Arkansas  
El Dorado, California  
El Dorado, Kansas  
El Dorado, Wisconsin.

With our subscribers: Following an extended visit here in Eldorado, Ethel Gunn has returned to 802 West Evergreen in Durant, Oklahoma.

Tip Finley is a new student subscriber at Arnold Hall 70, San Marcos, Texas.

Mrs. Truel Jackson's new address is 314 Pleasant Run, De Soto, Tex.

Mrs. Ruby V. Nyquist is now receiving her Success at box 45, Buchanan Dam, Texas.

Jim H. Steward is subscribing again at 409 Pine, Levelland, Tex.

People moving: Riley Caviness to Ben Doty house; Johnny Griffith to George H. Neill house.

The Annual Fall Festival Luncheon is being served today at noon by the Methodist W.S.C.S. women in the educational building. Townspeople attend and give free-will offerings. This dinner is staged here each year.

If you want to take in one final H. S. football game, go to Big Lake tomorrow night where the Owls will try to topple the undefeated Sonora Broncos, who already have cinched district championship.

Buy some brooms or light bulbs from the Lions club when they call on you next Wednesday.

## Eagles Win Final '65 Game At Sanderson

Last football game of any year and particularly for participants is always a poignant affair. Some 15 boys, 10 from Eldorado and 5 from Sanderson ended high school careers.

The game also marked the end of a two-year UIL schedule change which has pitted Eldorado against Sanderson the past four years. Eldorado has won all four of these games. The new UIL assignments on basis of school population continue Eldorado and Sanderson competition for two more years.

At any rate, the Sanderson Eagles, taking advantage of a week's rest and no game the night of October 29, were probably at their best physical condition as a team the night of November 5, than they have been all season. Sanderson was materially helped by the return of 180-pound Bill Adams who was injured early in the 1965 season. Sanderson exhibited maximum physical effort and competitive spirit but the old cliché "Too little and too late" was still good; and Eldorado rolled over Sanderson 40-13.

The win gives Eldorado a season's record of seven wins and three losses and a district record of six wins and two losses, currently second ranking in tough 8A.

Friday night's contest saw Eldorado receive and march 74 yards behind blocking provided by veterans Donald Rogers, John Mayo, Captain Jim Belk, Chris McCravey, Steve Blaylock, Captain Joe Phillips, and Danny Richardson. The drive required about four minutes before Fullback Charles Nixon powered over with a three-yard plunge to climax the drive. Kicking team composed of Center Bob Lester, Holder Jay Halbert, and Kicker Captain Scott McGregor skillfully synchronized snapback, place, and kick; and Eldorado Eagles were on their way 7-0.

Eldorado then contained Sanderson's efforts to move the ball and this time drove 60 yards to score, HB Jay Halbert slipping over from the one-yard stripe for the tally. The try for point failed and the score stood Eldorado 13 and Sanderson 0. This ended the first quarter.

Coach Earl Barnett began liberal substitution of the "youngsters";

(Continued On Page 5)

## Bulletin Board

### How They Came Out November 5:

Eldorado 40...Sanderson 13  
Rankin 6.....Junction 0  
Sonora 46.....Menard 0  
Ozona 14.....Iraan 6  
Big Lake—bye.

### District Standings:

	W	L
Sonora	7	0
Eldorado	6	2
Big Lake	5	2
Ozona	5	2
Rankin	5	3
Iraan	3	5
Menard	2	5
Junction	1	6
Sanderson	0	7

### Where They Play Tomorrow Night:

Sanderson at Junction  
Eldorado, completed sea I  
Eldorado, bye.  
Iraan in Menard  
Sonora in Big Lake  
Rankin in Ozona.

**CORRECTION:** In the list of graduating Eldorado Eagles listed in last week's Sanderson pre-game writeup, Captain Joe Phillips was accidentally omitted. There are 10 rather than nine Eagles who ended their regular high school competition last Friday night.

Interesting fact is that the Sonora-Big Lake game might have been the District 8A high point but the Dark Horse Broncos already have the championship sacked up and their contest with the Owls will be a bit of unnecessary activity which constitutes nothing but risk to the Sonora perfect record to date for the 1965 season.

## All Set for Opening of Deer Season Saturday; Many Hunters Expected From Out of County

With the biggest population of large fat deer in its history, Eldorado is looking forward to a large influx of out-of-county hunters when the hunting season opens Saturday.

The C of C secretary's office reported Tuesday that up to that time 50 hunters had signed up for leases and all were expected here on the opening day. In addition Secretary Nina Works reported that she had room for at least 100 hunters seeking day leases. Most of these will probably be taken up before Saturday.

Cafes, motels, and rooming houses are looking forward to a busy

week end as hunters begin arriving Friday to be on hand for an early morning hunt.

The Chamber of Commerce is planning to make a gala day for Saturday's hunters, and through cooperation of local business firms, is presenting valuable prizes amounting to \$340.45 for deer killed the first morning of hunting season.

There are so many prizes that almost any deer killed Saturday morning will need to be brought in and checked by the referees at the C of C office in the Eldo Hotel, to see if it is eligible. The Eldorado Chamber of Commerce

asks all local people to advise visiting hunters of the prizes available.

The conditions for winning and rules of eligibility and prizes are listed below:

### Rules of Eligibility

1. Deer must be killed in Schleicher county.
2. The deer must be brought to the Chamber of Commerce office no later than 12 noon.
3. Any points shorter than one inch long will not be counted.
4. All deer must be field dressed.

### List Of Prizes

Man from out of county who kills first buck deer: hunter's sport coat by El Dorado Woolens, Inc.  
Youngest boy who kills a buck first day: savings bond by Southwest Texas Electric Co-Op., Inc.

Youngest girl who kills a buck deer first day: savings bond from First National Bank of Eldorado.

Woman who kills deer with most number of points first: pelt rug by Eagle Chevrolet-Olds Co.

First buck killed by out of county woman; scialle (jacket), by the Meador-Peters Insurance Agency.

Man who kills deer with most number of points: 3x beaver Stetson hat by Ratliff Store.

Largest head killed by boy or girl under 16 years of age based on 1 point per inch of spread and one point per point: 2 pelt rugs by West Texas Utilities Co.

First turkey killed by hunter from out of the county: hunter's light from Eldorado Hardware Co., and doekin gloves by Parker Foods.

Largest deer or turkey (out of county hunter): lap robe by Shaw Motel, and doekin gloves from Parker Foods.

First doe brought in: meals for hunter and three guests, and doekin gloves from Parker Foods.

Presentation of prizes will be made at 1:00 p.m., Saturday. Game Warden Bill Works will assist in inspection of the game submitted. The referees for prizes will be Viola Henderson, Sheriff Orval Edmiston and Judge W. R. Bearce.

## Marsha Mund And Karen Griffin Elected Girls' Basketball Captains

MARSHA MUND

KAREN GRIFFIN

Tomorrow night the Eaglettes will open their 1965-66 season in search of victory. Leading the girls as co-captains throughout the season will be the two Senior forwards pictured above, Marsha Mund and Karen Griffin.

Marsha and Karen have played together consistently for the last three years and have contributed greatly to the team's every success. Both girls are characterized by their speed and hustle but certainly not for their height. These two are short as basketball players go; both not quite 5' 5". Marsha first made a place for herself on the team because of her rebounding and defensive play. She is a capable "ball thief." Last year she tallied 206 points and had 225 rebounds. She was named All-Tournament at the Eldorado Tournament and has been Honorable Mention All-District as a forward the last two seasons. She was named Queen of the Dyess Air Force Tournament in Abilene last year and was E.H.S. Track Sweetheart.

Karen was an All-District forward last year as she scored 348 points plus 150 rebounds. It was during the important district race last year that Karen came through for Eldorado. Not only does she excel in basketball but also other phases of school life. Karen is secretary of the Student Council, a cheerleader, and the 1965 Football Sweetheart.

These two young ladies have never played on a team that didn't win district and they will be trying to lead this year's team to the highest level, Austin, in the championship race.

\* District games.

## Eaglettes To Launch Season At Del Rio

The 1965-66 basketball season is upon us with our girls' A and B teams going to Del Rio this Friday night, Nov. 12. The "B" game will begin at 6:00 and the varsity game will follow.

Del Rio is a class AAA school with a good basketball program and they will provide some stiff competition for this group of Eldorado girls. No information is available on their team so the Eaglettes of Coach Bell will test their offense and defense against an unknown group.

The line-up for Eldorado will find Marsha Mund, Karen Griffin and Susan Hill starting at forward and Chris Edmiston, Jane Cain, and Beth McCalla drawing starting guard positions.

The "B" girls will be composed of Maureen McCravey, Stella Hubble, and Nell Neff at forward and Jacque Davis, Jan Wagley, and Billie Gayl Blaylock at guard as starters.

Game time is 6:00 p.m. in Del Rio.

### OFFICE ABOLISHED

From the Menard News of November 4th we copy this brief paragraph:

"Menard county voters Tuesday gave their approval, 290 to 45, to doing away with the office of ex officio county school superintendent and the County School Board, with all precincts favoring the proposal."

## Lions Club To Sell Brooms, Light Bulbs

At the meeting of the Lions club held yesterday at noon in the Memorial Building, Don McCormick discussed arrangements for the annual Broom and Mop Sale which the club will hold this coming Wednesday morning, Nov. 17.

About 20 or 25 members of the club are expected to participate, and Mr. McCormick asked that they be out at 7:30 Wednesday morning, ready to start selling by 8:00, and to try to conclude the sale by noon.

The articles sold by the club members are made by the Texas Blind. A price list of available articles is on page 2 of this Success issue. Members will canvass local residences and business houses.

Also, the Lions club will be selling bags of light bulbs at the same time they conduct the broom sale. A bag of 8 commonly used light bulbs will be sold for \$2.04.

C. J. Hahn, local West Texas Utilities manager, reported that the bulbs would be available and the club voted to sell them along with the brooms and other articles.

Ray Boyer presided at the business session. For the program, Bill Rountree conducted questions and answers on Lionism and club government.

## School News

The Eagle Band will sponsor the annual Band and Football Banquet this Saturday evening. The banquet will be staged at 6:30 p.m. in the school cafeteria, and the prom will be held in the Memorial Building.

Last Saturday, the Jr. High football banquet was held at school and was put on by the room mothers.

This coming Wednesday afternoon beginning at 1:00, the district Future Farmers of America leadership contest will be held at the Southwest Texas Electric Co-Op building here in Eldorado.

**Boy Scout Council Fund Drive Now On**

The annual Boy Scout finance drive for the Concho Valley Council kicked off Saturday morning, Nov. 6th, with a breakfast at the West Texas Cafe.

D. T. Yates is the drive chairman and he presided at the breakfast.

The following are serving as captains and workers:

Johnny Griffith, capt.; Wayne Black, Jack Jones, Paul Page, L. B. Prater, Tom Ratliff, workers.

Raymond Hall, capt.; Billy McCravey, Wilson Page, Palmer West, G. A. Hext, W. G. Godwin.

John Murr, capt.; Robert Joyce, C. J. Niblett, Ralph Waldron, Rev. Kenneth Vaughan, Edwin Jackson Jr.

Roy Phelps, capt.; W. D. Hubble, T. P. Robinson, W. R. Talley, W. M. Rountree, Elton McGinness.

Ray Boyer, capt.; Virgil Free, Jimmy Harris, Hollis McCormick, Ford Oglesby Jr., Glenn Parker, Joe Wapley, Guy Whitaker.

Jerrold Sanders, capt.; L. V. Newport, W. A. Van Dusen, Ben Keel.

James Williams, special gifts chairman, reported \$97 turned in at the time of the breakfast. Charlie Hahn is the audit chairman.

J. B. Morris of the San Angelo Boy Scout office was also on hand at the breakfast. He went on to Sonora where he conducted a Cub Scout training course late in the day Saturday for Cub Scout workers from Sonora and Eldorado.

Troop 18 Boy Scouts have reserved a booth for the Scouts in Action Show to be held on Nov. 20th in the Exhibition Building at the San Angelo Fairgrounds. The Troop 18 Scouts will be demonstrating rope making, how to make lye soap, knots and lashings, according to Perry Don Free, Scoutmaster.

Max Wilkins, assistant Scoutmaster, reported a number of Scouts are working on Second and First Class requirements and soon a board of review will be held, followed by a Court of Honor early in December.

**Eaglet 7th Graders Lost 6-0 To Ozona Lions**

Eldorado kicked off to Ozona. Ozona couldn't do much, losing ball on downs. D. Lively returned the Ozona punt back some 34 yards before being stopped.

Q.B. K. Williams pitched out to

D. Phelps for a 1st down. The sad part is next with an Eaglet fumble and Lion recover.

Ozona didn't do much and the ball went over to Eaglets on downs. K. Williams made a good run up the middle. Eldorado lost on downs. Good work was done by S. Sykes and crew.

Ozona finally tallied from the 1-yard line.

**8th Grade Plasters Ozona To The Tune of 28-8**

Eaglets kicked off to Lions; they in turn lost the ball on downs.

Ozona kicked off to Eaglets and W. Doyle carried the ball back for 45 yards with M. Clark. Next try was good for a 1st down. Next play a pass from Q.B. Bob Page to W. Doyle and a T.D. M. Clark carried over for the 2 points.

J. Munisquiz made two good runs.

2nd Quarter.—Eaglets have punt blocked but is recovered by B. Sykes. A good pass from Q.B. Bob Page to Larry Davis is good for Eaglets' second T.D. The extra points failed.

3rd Quarter.—Joe Munisquiz made good run back. A jump pass from Q. B. B. Page to L. Davis was good for 7 yards. Next play finds M. Clark going up the middle for good yardage. Another jump pass from B. Page to L. Davis is good for a 1st down. A good pass to K. Williams was good for a 1st down.

W. Doyle takes a hand off and goes over for a T.D.

4th Quarter.—Ozona tallied from the 1-yard line and made a T.D. Their two points were also good. Ozona tries an onside kick, but the alert Eaglets recovered the ball.

A pass to L. Davis is good for a 1st down. Next comes a long pass to W. Doyle which is good and a T.D. extra point try was no good.

Eaglets ended their season, with Coaches T. Tikes and N. Word.

It's just possible that some of these cookies might be brought to the BIG food sale which the clubs are having next Tuesday, Nov. 16, at 10:00 in the morning.

Private dining room of the West Texas Cafe will be the place.

While I'm on the cookie subject let me give you this recipe which 4-H girls are making these days. Very easy and very good—even better than the name sounds.

**Jiffy Cookies**  
18 graham crackers  
1 can sweetened condensed milk  
1 small 6 oz. package chocolate bits  
½ cup chopped pecans.

Break graham crackers in small pieces (not crumbs). Add condensed milk, chocolate bits and nuts. Mix well and pour into greased and floured 8-inch pan. Bake at

325 F. for about 30 minutes; cut in squares and remove from pan while warm. These are chewy cookies and become firm when cool.

Try these; you will be glad you did!

Did You Know? . . . Fall is in the air and thoughts are turning once again to cool-weather clothes. There are some interesting origins to many items in a man's winter wardrobe, and a few are related here.

For example, why is a blazer called a blazer? This type of jacket was first worn aboard the British ship HMS Blazer. It seems the ship's captain got tired of the unkempt appearance of his crew. He decided to spruce up their appearance by equipping them with metal-buttoned blue jackets. Even now, the metal buttons are the earmark of this style jacket.

The cardigan sweater that you're apt to put on when there's a chill in the air, has an interesting origin. The commander who led the famous charge of the Light Brigade during the Crimean War was James Thomas Brudenell, 7th Earl of Cardigan. Having tired of yanking a sweater over his head in order to wear it, the industrious earl came up with the button-front style that could be slipped on easily without disturbing a single strand of hair.

Did you ever notice the little button on the top of caps, especially baseball caps? Although it's now used to hide the sections of cloth where they meet, in the 15th century, it was used to fasten flaps that could be unbuttoned and let down to cover the wearer's ears during cold weather.

Cuffs on trousers and slacks date back to about 1880. Since men wore their pants rather long in those days, they got into the habit of turning them up when trudging through muddy areas. Eventually a permanent cuff became the vogue.

Ever notice the little ribbon bow inside a man's hat at the back of the leather sweatband? It's a remnant of the days when hats were made in one size and drawstrings were used to adjust the hat to fit the head of the wearer. Today it is just used for decorative purposes.

**HONORED ON BIRTHDAY**

A birthday dinner party was given in honor of Mrs. Earl Yates at her home on Friday of last week. A number of guests attend-

**Home Demonstration Agent's Column**  
By MRS. VIDA KREKLOW

'Way back last summer my nice sister-in-law, Mrs. Henry Moore, brought Joe and me some wonderful cookies to put in our lunch box as we drove Mother Kreklow home to Michigan. They were just the kind we liked; lemony, crisp around the edges and soft in the middle. They kept exceedingly well (to be in our keeping), but they still tasted awfully good in St. Louis when we finished them off.

A little late but still good are—

- Florence's Lemonade Drops**
- 1 cup butter or margarine
- 1 cup sugar
- 2 eggs
- 3 cups all-purpose flour
- 1 teaspoon soda
- one 6-oz. can lemonade concentrate.

Cream fat and sugar thoroughly. Add eggs and beat until fluffy. Sift soda and flour together. Measure out ½ cup lemonade concentrate. Add about one cup of flour to creamed mixture and then some of the measured lemonade. Alternately add flour and lemonade until each is used.

Drop with a teaspoon on an ungreased cookie sheet. Drop at least 2 inches apart. Bake at 350 F. until lightly browned around the edges.

Before removing from pan, brush hot cookies with remaining lemonade and sprinkle with sugar. Colored sugar looks pretty. Makes about 48 cookies.

It's just possible that some of these cookies might be brought to the BIG food sale which the clubs are having next Tuesday, Nov. 16, at 10:00 in the morning.

Private dining room of the West Texas Cafe will be the place.

While I'm on the cookie subject let me give you this recipe which 4-H girls are making these days. Very easy and very good—even better than the name sounds.

**COUNTY AGENT'S COLUMN**

by Tiny Godwin

Schleicher County Agricultural Agent

Before the hunt, it's a good idea to check to see that you have all the equipment needed for hunting and handling your deer kill. Important items include a sharp hunting knife, some strong cord or a small rope, enough cheese-cloth or canvas to wrap the carcass in camp and a box of salt if you want to keep the hide or cape for mounting.

The deer should be dressed immediately after the kill. Prop the deer on its back placing large rocks or logs beside each shoulder and each hip. Remove external sex organs with your knife.

Beginning between the hind legs, cut down to the pelvic bone. Then turn the knife blade up and cut up through the breastbone and up the neck as far as possible.

Now, grasp the windpipe and esophagus with both hands and pull down. The insides will come free down to the mid-section. Remove the stones from under the deer and roll the carcass on its side. Cut the thin layer of muscle that holds the entrails to the ribs, on each side of the deer. Cut around the vent so the entire visceral mass can be removed without severing any part.

Using both hands, pull the entrails from the deer. To cut the pelvis, place knife against the middle of the pelvis bone to locate the seam where the bones grow together, and push down. You may have to hit the back of the knife with a rock to cut through the bone.

If you need help to carry the carcass to camp or if you cannot carry it out immediately, hang it to a tree branch so the carcass will cool in the shade. Prop the body cavity open with a stick for better air circulation.

When carrying the deer to camp, be as conspicuous as possible—you don't want to be shot at by an over-anxious hunter.

What you hear never sounds half so important as what you overhear.

Most homes contain a plentiful supply of hazardous materials. They include such commonly used materials as shoe polish, oven cleaner, wax, hair-waving lotion, kerosene, bleach, toilet cleaner, medicine, turpentine, lighter fluid, deodorant, dry cleaning fluid, plant spray and many others.

Each of these products contains some hazardous substance that could cause illness or even a fatality if taken internally. It would be inconvenient, if not impossible, to stop using them in the home, but we can use them with caution and keep them away from young children. Safe and proper storage can do this.

Know what you are buying. Examine the label and read the small print. Look for these words—"caution" or "warning"—they indicate the material is a hazardous substance.

"Danger" refers to products defined as extremely toxic, and labels will carry the skull and crossbones.

Labels also give an indication of the principal hazard in such words as "flammable," "vapor harmful," "causes burns," "absorbed through the skin."

Home chemical products are needed and can be safe when properly used. But accidents can happen through careless use, storage and disposal.

The Rolling Plains Cotton Growers Association, Inc., heard Mr. Terry Julian, executive vice president, give the purpose and goal of the association and goals carried out in 1965.

The boll weevil problem as it now exists and the proper use of insecticides with timely "scouting" for insects has paid cotton producers profits. Insect survey teams will be more than doubled in 1966.

The explaining at the cotton program for 1966, the skip-row version was discussed by Mr. Julian. Producers will be having alternates and should confer with the county ASC office for the best alternates to use on their farms.

People in all walks of life prefer to ride.

November 23rd, from 8:00 a.m. to 6:00 p.m. producers will be voting on whether or not cotton quotas will be in effect.

Whether or not cotton allotments can be transferred out of the county will also merit all producers study and consideration.

All producers will vote at the County ASC Office.

Children should be careful what they say; parents are always repeating.

Jim Pat Morris Returns To San Diego Nov. 10th

USS Hanson (DD-832) (fhtnc)—Radioman Seaman James P. Morris, USN, son of Mr. Charley M. Morris of Eldorado, Texas, was scheduled to return to San Diego, Cal., Nov. 10 aboard the destroyer USS Hanson, after a seven-month deployment to the Western Pacific with the U. S. Seventh Fleet.

While in the South China Sea, Hanson acted as a life guard and escort vessel for aircraft carriers, and conducted shore bombardment against the insurgent Viet Cong.

While acting as life guard, the destroyer rescued a sailor who had fallen overboard during a routine refueling at sea. Despite high seas and darkness, Hanson recovered the man in a few minutes.

In 11 shore bombardment missions, Hanson fired 2,274 rounds of ammunition against the Viet Cong. After each mission, artillery spotters commented on Hanson's speed and accuracy of fire. Jim Pat Morris graduated from Eldorado High School with the class of 1964.

Two Local Co-Op Men Take A&M Short Course

College Station.—Two Eldorado residents have received certificates for a 32-hour transformer short course at Texas A&M University. They are: Charles Martin and Billy Maness, employees of the Southwest Texas Electric Co-Operative, Inc. The course was taught by Ronald Jones, instructor-coordinator for Electric Job Training and Safety of the A&M Engineering Extension Service.

Mr. and Mrs. Jesus Adame are the parents of a girl, Rita, born at their home in Eldorado on November 2, 1965. Mr. Adame is employed by Eldorado schools.

Jack Griffin reported 1.8 inches of rain at his farm east of town. Mrs. L. T. Wilson reported 1.60, while the Doyle ranch received only .60.

STOP! Do You Know Your Bible?

Q. Is there any scripture in prophecy that states that the SON and the FATHER was to be the SAME PERSON?

A. Unto us a child is born; unto us a SON is given; and his name shall be called the mighty GOD, the everlasting FATHER, the prince of peace. (Isa. 9:6).

Q. Did Jesus reveal himself to the disciples to be the Father?

A. If ye had known me, ye should have known my father also; and from henceforth ye know him, and have seen him. Philip saith unto him, Lord, show us the father, and it sufficed us, Jesus answered and said, have I been so long time with you, and yet thou hast not known me, Philip? He that hath seen ME had seen the FATHER; and how sayest thou then, Show us the father (John 14:7-9).

Q. Did Jesus say that he and the father were two separate persons?

A. I and my FATHER are ONE. Then the Jesus took up stones to stone him. (John 10:30, 31).

Wildlife Meeting Well Attended Here Last Week

On Thursday evening, Nov. 4th, a large crowd of landowners and business people attended a meeting sponsored by the Schleicher County Chamber of Commerce for those interested in the economy of this county through wildlife management. There was a total of 109 people in attendance to hear Jack Thoma and Rod Marburger present talks on research being done by the Parks and Wildlife Department. Norrel Wallace served as Master of Ceremonies.

The following people won door prizes donated by local merchants: A. G. McCormack, \$5:00 cash by Gulf Oil;

Frank Tuckness, \$10 cash by Eldorado Wool Co.;

Ernest Sweat, \$10 cash by Sinclair employees;

Deborah Murr, hunter's light by Hext Foods;

Mrs. Nolan Johnson, Sonora, 2 fur pillows by Harkey's Enco;

Nolan Johnson, meals for hunter and 3 guests by Java Junction;

Benny Harkey, auto floor mats by Etheredge Texaco;

Charles Niblett, saddle blanket by First National Bank;

Arch Ory, tank of gas by Gulf service station;

Guy Whitaker, lap robe by the Southwest Texas Electric Co-Op;

Mrs. Palmer West, 10 gallons of gas, by Lum Davis;

Visiting Game Warden, fur pillows by El Dorado Woolens, Inc.;

John Murr, Bob Bradley, and Dr. R. L. Cavness, each, doeskin gloves by Parker Foods.

Robert Martin Heads Country Club At Menard

Robert Martin was elected president of Menard Country Club at its annual business meeting Oct. 26. Charles Kothmann was named vice president. Alton Williamson is the retiring president and Don Carroll McDonald, vice president.

The new slate of officers and directors will be installed in January. A barbecue supper preceded the business meeting at the clubhouse. —Menard News.

'Scouts-In-Action' Show Set Nov. 20th In Angelo

Scouters from several West Texas communities will converge on San Angelo Saturday, November 20, to display their talents and handiwork in the annual Twin Mountain District "Scouts-in-Action Show."

Twenty-eight units, including Boy Scout troops, Cub Scout packs and Explorer posts have already signed up for the Scouts-in-Action competition, according to show chairman Paul Lewis of San Angelo.

The show, which gives the public an opportunity to watch Scouts in active demonstrations will be held in the Exhibits Building at the Fair Grounds from 1:30 to 5:00 p.m. Viewers will be allowed to try their hands in the show, which promises exhibits in skills ranging from archery to basketry.

Tickets are now available from members of scout units participating in the show, at 50c each. Children under age 8 will be admitted free as will any registered Cub, Scout, or Explorer whose unit is participating in the show. "Only units actually participating in the show are being allowed to sell tickets," Lewis said.

As added incentive for Scouters to sell tickets, the District's camping and activities committee has designated 15 "Mystery House" locations and the boy who first attempts to sell tickets at these locations will be presented with a \$1 bill.

"This is strictly an 'audience participation' type show where everyone will not only be able to see scouts in action, but will also have a chance to try their hand at the various skills," chairman Lewis said.

A group of judges has been designated to evaluate each unit's booth, and ribbons will be awarded to top exhibitors in several categories.

Eldorado's Boy Scout Troop 18 will participate in the show, and members are to conduct a ticket sale here. Perry Don Free is the Scoutmaster.

School Menus

Monday, Nov. 15: Meatloaf, corn, mixed greens, carrot and apple and raisin salad, buttered rolls, milk, canned fruit.

Tues., Nov. 16: Fried chicken and gravy, creamed potatoes, five bean salad, congealed Lime Jello salad, buttered rolls, milk, gingerbread.

Wed., Nov. 17: Hamburgers, lettuce and tomatoes, potato chips, cheese strips, fruit cup, milk, chocolate brownies.

Thursday, Nov. 18: Swiss steak, buttered rice, Creole style green beans, cole slaw, buttered rolls, milk, fruit cobbler.

Friday, Nov. 19: Chicken salad sandwiches, tuna salad sandwiches, pimento cheese sandwiches, French fries, milk, fresh fruit.

### ELDORADO EAGLES' 1965 SEASON

*Nov. 5	Sanderson 13	Eagles 40

\* District Games

### Win Final Game

(Continued From First Page)

but the next time in the second quarter when Eldorado secured the ball they drove 75 yards with Captain "Sudden" Sam Henderson zipping over from 7 yards out to score. The kicking team skillfully coordinated their efforts and Captain McGregor's toe earned another point to raise Eldorado's margin to 20-0.

At this point Sanderson's returning back, Bill Adams, showed his worth as he drove over Eldorado youngsters for Sanderson's first touchdown and the second for the whole season. Adams also kicked the extra point and the score stood 20-7 for Eldorado.

Captain Sam Henderson quickly retaliated as soon as Eldorado received with a 43-yard scoring sortie and Captain McGregor kicked the extra point to raise the Eldorado margin to 25-7.

But Never-say-die Sanderson's QB Travis Harkins shortly before the end of the second quarter fired Sanderson's only "bomb" of the season to RHB Andy Raiss, combination pass and run being worth 37 yards and a touchdown. This time Sanderson failed with their try for point and the score stood 27-13 Eldorado.

The third quarter saw Eldorado HB Jay Halbert stage a thrilling 85-yard kickoff return. He was assisted on the journey by some well executed blocks by friends and well-wishers on the field. Captain McGregor neatly toed the ball between the goal posts and the score rose to 34-13.

Final Eldorado touchdown came when Captain McGregor scored on a QB sneak but the try for extra point failed. Eldorado had moved out front 40-13.

The fourth quarter saw Eldorado's youngsters stage a determined defense which did not permit further Sanderson scoring.

As usual, Bandmaster Eddie Pace's Eagle Band, meticulously precise with their music and marching, demonstrated to Sanderson bandmen and spectators just how a fine band can perform.

The game marked the end of Eldorado's 1965 season. Sanderson has one more contest, this in Junction; and it will be a tough one between two sets of Eagles; and they will be fighting to stay out of District 8A cellar since Junction currently ranks eighth and Sanderson ninth in the football wars.

Game statistics are as follows:

Eldorado:	Sanderson
24 First downs	8
495 yards rushing	136
52 yards passing	70
547 Total Yards	206
3of5 passes at. & compl.	5of10
1 Passes intercepted by	0
1 Fumbles lost	1
7for50 Pen. & dist.	3for15
0 Punts & av.	5for35

### Three Wells Drilling

Three drilling operations are now under way a short distance northwest of town.

Skelly No. 2 McWhorter, which has been drilling since mid-October is probably nearing total depth.

Mallard No. 1 McWhorter moved in rig and started drilling last week.

Sinclair No. 2 T. K. Jones is drilling ahead, having started about ten days ago.

Gerald B. Hartgraves recently purchased an Aberdeen-Angus bull from Sunset Knoll Farms of Bettendorf, Iowa.

### News Of The Sick

Mrs. H. O. Graf, a pneumonia patient in Sonora hospital since November 3rd, was reported yesterday to be much improved.

Miss Jewel Shelton, school librarian, spent a few days in the Sonora hospital and was released earlier this week.

Mrs. Elton McGinnes has been a patient in the Sonora hospital this week.

### New Directors Named To Schleicher County C of C

The Schleicher County Chamber of Commerce has named six new members to its board of directors in a meeting held on Nov. 1.

Patton Enochs, Mort Mertz, Bobby Sykes, Bob Bradley, Tom Wallace and Elmer Peters will comprise the new board, with Jack Hext serving in the capacity as temporary president of the organization. A permanent president will be elected at a later date.

In an effort to bring about additional interest and development in Schleicher county and Eldorado, the local chamber hopes to obtain cooperation among local merchants and interested citizens in asking that all outstanding dues be paid to the organization at an early date.

"The only source of funds for aiding in development programs comes through the auspices of the Chamber of Commerce," Jack Hext points out. "We would like to see all present members and those who would like to become members to come forth with their dues at this time. We are striving in every way to promote the economic benefits that can be derived from the present hunting season to their fullest extent, and we feel that this effort will result in a very tangible asset to the whole community. But we need the cooperation and help of every citizen."

### School Expansion Needs Presented To P-TA

The Eldorado unit of the Parent-Teacher Association met at the school Tuesday night, and the members and guests were presented a program centered around future needs for the school plant.

Bill Lester of the school board showed a city map with the football stadium in its proposed new location beside the high school gym, and new band hall and larger quarters for the F.F.A. Also being planned is repair and replacement of some of the present stage curtains.

Following Mr. Lester's presentation, and question and answer period, those present toured the building to look over the areas to be improved.

The entire four-fold expansion project may cost close to \$150,000 and it is expected that a bond election will be called in the near future. It was pointed out that the band students and Future Farmers are now having to meet in quarters too small for their needs.

The school board has already acquired some of the lots south of the gym where the stadium is proposed to be moved, and option has been taken on those lots not yet owned by the school but which will also be needed.

### TWO ACCIDENTS

Traveling east on his way to Menard Sunday, Earl Barnett collided with a trailer truck, causing extensive damage to the left side of his car.

Mickey Pennington's Oldsmobile was struck from behind on the highway south of Eldorado Sunday, causing heavy damage to the car. No one was injured in either of these accidents.

### SATURDAY TRIP

Saturday visitors to the Collins Manufacturing Company in Medina, Texas, were Mrs. Jack Etheredge, Mrs. F. M. Bradley and Mrs. R. L. Ballew. They also visited briefly in Junction with Mr. and Mrs. John Conner, uncle and aunt of Mrs. Etheredge, with Mr. and Mrs. Smoky Meredith, niece of Mrs. Bradley and with Mrs. Dave Ogle, longtime friend of Mrs. Etheredge.

They had lunch at the Inn of the Hills in Kerrville, and visited Jamie Mitchell at the hospital in Legion. He is a cousin of Mrs. Bradley. They reported the drive from Junction to Kerrville beautiful, with the sumacs and other trees in varying shades of red and yellow.

### Homecoming Scheduled At Angelo State College

Homecoming for Angelo State College ex-students has been set for Saturday, Nov. 13, and around 1,000 exes of the college are expected to attend, according to Percy Pace of San Angelo, president of the ASC Ex-Students Association.

Program for the annual gathering will include a downtown parade at 2 p.m., a reception for all exes in the ASC Student Center from 2 to 5 p.m., a barbecue from 5 to 6:30 p.m., and the ASC Rams-Tarleton State football game in San Angelo Stadium at 7:30 p.m.

Highlighting the evening phase of the program will be coronation of the Homecoming Queen at half-time of the ball game. The Queen will be chosen by ASC students, but her identity will not be disclosed until coronation time.

Exes will have their annual after-game dance, starting at 10 p.m., in the San Angelo Elks Club.

### Senator Tower's REPORT TO WEEKLY PAPERS

The fighting in Vietnam generally is thought of as a Guerilla War, fought by tactical methods. But, Vietnam has, in fact, also taught us a new lesson about the use of strategic aircraft.

The flights our B-52's are making to attack Viet Cong strong points are particularly significant not only in winning this war, but also for our future defense planning.

These huge strategic bombers fly so high and so fast that they achieve virtually total surprise. The first thing the Viet Cong knows is that bombs are dropping all around him. These B-52 raids have made it possible for the first time for our forces to penetrate Viet Cong strongholds.

Thus, even in limited war the flexible, manned strategic bomber plays a vital role; a role which augments and complements the big bomber's primary role of nuclear deterrence.

It is strange, indeed, that in the face of these clear facts the Secretary of Defense remains most hesitant to program a future strategic bomber for our defense arsenal.

Presently flying B-52's will be too old to fly and will be out of inventory by 1970. I think we must have ready then another bomber to take their place. Virtually the entire membership of the Armed Services Committee feels this way, and we have urged the Secretary of Defense to get on with work on an advanced manned strategic aircraft—called AMSA.

Unfortunately, even if we were to start tomorrow, it would take us from five to eight years to get a replacement for the B-52's in the air and operational.

Therefore, we are going to need an interim manned bomber to fill the gap between 1970 and the readiness of AMSA. I'm hopeful

that the F-111 aircraft now being built in this area can be modified to fulfill this pressing need.

It is fully possible to develop an enlarged version of the F-111—perhaps called the B-111—which would maintain our strategic air power during this gap period.

I hope the Secretary of Defense will get on with this B-111 development, and I hope all Texans will become interested in the possibilities since many probably will be helping to build B-111's and thus to assure our nation's continued security and strength.

### Senior Play Is Tonight

"A Connecticut Yankee In King Arthur's Court" is the play being presented tonight, Thursday, at 7:30 in the school auditorium by the Senior Class of Eldorado high school.

Nelson Word is directing this three-act comedy by John G. Ful-

ler. It was made into a movie many years ago with the late Will Rogers in the starring role.

If you have not yet purchased your tickets which have been sold this past week by the Seniors, they will be available at the door. Adult admission is 75c and student admission is 50c.

Class members in the play cast are Jerry Stigler, Joan Doyle, Jane Cain, Steve Mercer, Kaye Harkey, Joe Max Edmiston, Jimmy Belk, Steve Blaylock, Karen Griffin, Larry McGinnes, Karen Corbell, and Lulu Geldard.

Sponsors of this year's Senior class are Jack Bell and Tommy Sikes.

JOB PRINTING: Professional, Priced-Right. Let us show you how we can make your printing most effective for your job requirements. —The Success.

"For Your Health's Sake"

### Grading Of Cotton Continues For Area

Abilene.—Cotton samples clasped at the Consumer and Marketing Service in Abilene rose to 32,101 last week compared to 17,698, 14,341, and 10,329 for the three preceding weeks. Light rains caused a short delay in harvesting, but a back-log of samples kept classifiers busy. Unclassed samples on hand Friday night, November 5th, totaled 10,000.

Harvesting in the area south of Abilene was about 50% complete with a large percent of the remaining acreage desiccated. Two weeks of favorable weather should bring the harvest in that area near completion.

Grades of the 5,800 samples from Concho, Schleicher, & Tom Green counties were about the same as for the preceding week. Grades and percentages were: Strict Middling white, 1; Middling white, 27; Strict Low Middling white, 1; Strict Middling Light Spotted, 4; Middling Light Spotted, 64; and Strict Low Middling Light Spotted, 3. The spotted grades totaled less than 1%.

The average staple length drop-

ped from 29.4/32 for the preceding week to 29.2/32. Lengths and percentages were: 8% 7/8, 64% 29/32, 27% 15/16, and 1% 31/32 or longer.

Ninety-eight per cent of the micronaire readings were 3.3 through 5.1.

Pressley readings were 2% fair (70-74 thousand pound per square inch) and 88% average to strong (75 through 94).

Prices paid for Middling Light Spotted cotton declined at about 1/2 of the country markets and ranged from 15 to 60 points above the Commodity Credit Loan rates (before micronaire premiums and discounts applied). Prices and demand for Strict Low Middling Light Spotted and lower qualities were steady.

Mr. and Mrs. Jess Thompson met their son-in-law and daughter, Mr. and Mrs. E. H. Speir Jr., and children, Debra and Ronald of Lake Jackson, Texas, at their lake home on Sherwood Shores for the week end. They visited with the J. C. Hendersons at Sherwood Shores while there also.

Mr. and Mrs. Joe Edens spent several days at their lake house at Sherwood Shores recently.

### Thompson Spoke Here To Lions Club Nov. 3rd

GEORGE M. THOMPSON

The governor of District 2A-1, Lions International, George M. Thompson of Sweetwater, addressed the Eldorado Lions club Wednesday of last week, and his speech was well received by the group of Lions and guests who were present.

Governor Thompson was elected to serve as District Governor, District 2A-1, of Lions International for the 1965-66 term at the District Convention in Sweetwater, Texas, held on April 24, 1965. He assumed his office at the end of the 48th annual convention of Lions International, in Los Angeles, California, on July 10, 1965, and will serve through the 1966 Convention in July, 1966, to be held in New York City. As District Governor he supervises Lions Club activities of a wide area in Central West Texas containing 27,000 square miles, and having 57 Lions clubs. As District Governor he is a member of the State Council of Governors, made up of all 15 District Governors in the state of Texas, in planning and correlating Lions activity throughout the state.

Lion Thompson is a 32-year Lion member, holding perfect attendance from the date of his entry into Lionism. He holds Key, Master Key, and Senior Master Key Awards, and has served on five District Cabinets as Zone Chairman or Deputy District Governor before assuming his present position. He has attended four International Conventions, and on dozens of occasions has served as Presiding Officer at Club Officer Installations, Charter Nights, and District Convention programs.

Thompson operates a general insurance-real estate and mortgage loan firm, and is a professional property appraiser, holding the S.R.E.A. designation from the Society of Real Estate Appraisers. He is a director of Sweetwater Industrial Foundation, is Chairman of his City Board of Adjustment, and chairman of the Nolan County Welfare Board. He has long been active in youth, civic improvement, church and community betterment programs of his community. He is a 32nd degree Scottish Rite Mason, a charter member and former officer of Suez Temple Shrine, and holds membership in both Texas and National Associations of Realtors, and Insurance Agents. He and his family are members of the Presbyterian church.

His hobbies include golf, sports announcing, and playing the organ. He and his wife Jo reside at 900 James Street, Sweetwater, Texas, and are the parents of a 5-year-old daughter, Tracey.

### First Baptist Circles Hold Bible Study

The three Day Circles of the First Baptist church met Monday afternoon for a study of the books of Judges and Ruth. The Bertha Smith circle heard Mrs. T. P. Robinson Jr. teach the lesson at the home of Mrs. L. M. Hoover. They had nine members and two guests present. The guests were Mrs. R. A. Evans and Mrs. Buster Gunn.

The Maurice Doyle circle met with Mrs. E. W. Brooks and had Mrs. Jack Bell, WMU president, as Bible teacher. They had nine members present also.

This circle agreed to meet with the Bertha Smith circle next Monday afternoon at the church for mission study. Mrs. Kenneth Doyle will relate her experiences while she was in Argentina last summer. She spoke to the Ruth Dickerson circle about a month ago.

The Ruth Dickerson circle met with Mrs. Weldon Davis and heard Mrs. J. B. Montgomery present the lesson. They had eight members present.

### Area Examination Set In Masonic Ritual

An examination for proficiency in Masonic ritual has been set for Saturday, November 20th, at 9:00 a.m. in Big Lake Lodge 1203. The examination will be conducted by A. G. Vaughn, Abilene heating and air conditioning contractor, and a member of the Texas Masonic Grand Lodge Committee on Work. Masons in this area who qualify in the examination will be granted certificates of proficiency in the Masonic ritual at the Annual Communication of the Masonic Grand Lodge of Texas to be held in Waco December 1st.

CARBON PAPER at the Success.

### Major Expansion Due At McCamey WTU Plant

McCamey.—A major expansion at the Rio Pecos Electric Generating Plant near McCamey was announced this week by West Texas Utilities Company. The generating capability of the plant will be increased to more than 2 1/2 times its present size.

The \$8 million construction program was announced by Roff W. Hardy, WTU president, who cited this new construction as evidence of the company's continued planning and building to provide power for West Texas growth and development.

Hardy said, "While we are still working to complete the second unit of the new San Angelo power generating station, our Engineering Department has been busy on plans and designs for this new generating facility at the Rio Pecos Plant."

"The location of each new generating unit is determined by detailed study and analysis which begins years before actual construction is started. The Company is constantly planning five to ten years in the future to provide for our customers' electrical needs."

### ATTEND FUNERAL

Mr. and Mrs. Alfred Greele attended the funeral of a brother-in-law, Carl M. Greele, 62, long-time Brown county rancher, Tuesday.

Mr. Greele, who was Alfred Greele's cousin, and married Mrs. Greele's sister, was the fourth member of that family to die this year. The funeral was held at the Coggin Avenue Baptist church, and interment was made in East Lawn Memorial Park.

Survivors include his wife; two daughters; his mother, Mrs. C. F. Greele of Brownwood; four sisters and four grandchildren.

### Names In Texas Do Double Duty

Austin.—Names sometimes have to do double-duty in Texas, especially on the Official State Highway Map published by the Texas Highway Department.

You'll find Dallas in Dallas county, El Paso in El Paso county, Lubbock in Lubbock county, and Nacogdoches in Nacogdoches county. But that doesn't prove a thing.

You might suppose that Huntsville would be in Hunt county. But it isn't. It's in Walker county. And Jefferson, the town, should be in Jefferson county. Actually, it's a good 200 miles north of Jefferson county, in Marion county.

Jefferson county does include the community of Sabine, but Sabine county is about 75 miles away. Sabine county, on the other hand, is the site of a town named Milam—but Milam county is a far piece west in central Texas.

Cameron is the county seat of the county—Milam county, that is, not Cameron county. Brownsville is the county seat of Cameron county and Brown county is hundreds of miles north in west central Texas. Oddly enough, Brownwood is its county seat.

Not confused enough? Okay, let's look again. Start at Caldwell county. Don't bother to look for the city of Caldwell there. It's in Burleson county. Burleson, the town, is in Johnson county; and Johnson City—you've heard of this place—is miles away in Blanco county.

## HEXT

DEER STORAGE VAULT

Now Ready For Visiting Hunters

Deer . . . . . \$3 per week

Turkey . . . . . \$1 per week

Hunting Season Opens Saturday

And Ends December 31st

Or take Houston. Houston is in Harris county, but Houston county is three counties north, and the city of Crockett is its county seat. Crockett county is in far west Texas.

Look up Dimmitt county on the map. It's in south Texas. But the town of Dimmitt (with an extra 't') is in Castro county in the Panhandle. Yes, Castroville is back down in south Texas, in Medina county. Medina is in the next county north, Bandera.

If you still aren't dizzy, check Smithville—in Bastrop county. Smith county is in east Texas and includes the city of Tyler. Tyler county is further south, and it includes the town of Woodville. Wood county is further north, in east Texas next to Smith county. There are others, but by now you should have got the idea. You can find them all on the Official State Highway Map. And at the same time you may want to start planning your next vacation or weekend outing in beautiful Texas—America's Fun-Tier.

A copy may be obtained by writing the Travel and Information Division, Texas Highway Department, P.O. Box 5064 (78703). Ask for specific information about the area you wish to visit.

## To the Public

Due to the many questions being asked me about my church's connection with other churches in Eldorado, I make this public statement:

I am pastor of the First Assemblies of God Church in Eldorado, Texas. This church is affiliated with the General Council of the Assemblies of God, with headquarters in Springfield, Mo. The Assemblies of God is recognized as a denomination, NOT a Sect. We are not a branch or split-off from any other denomination. Neither is there any other denomination that has branched off of the Assemblies of God.

The First Assemblies of God Church in Eldorado is not affiliated or connected in any way with any other church in Eldorado. A statement of our Faith was published in a recent Success issue.

Rev. Johnny Griffith  
Ordained Minister  
Assemblies of God

## CLOVIS OIL CO.

OBSERVES ITS

## 11th ANNIVERSARY

It was 11 years ago this week that we went into business in this location . . . and we expect to remain here to serve you for a long time to come. We take this occasion to thank you all for the business we have received and we hope to merit a continuation of your trade.

Keep coming here for Phillips 66 Products, Flite Fuel and All-Weather Tropartic Oil. We carry all major brands of oil.

We Give Frontier Stamps.
