## Change In Weather Brings Only Hint Of Needed Moisture

A warm pleasant Thanksgiving Day was followed by a long expected cool front which so far has produced no precipitation. Last Friday ushered in a norther with high riding dust storms and Sunday night saw a distinct drop in temperature.

Several citizens claimed there was thin skin of ice Monday morning but reports are not in agreement about a killing frost.

Eldorado gin turned out 108 bales of cotton in the past week, of which 25 were processed Tuesday, bringing the season's total to 3518 as of that time. One gin man estimated that 150 more bales would wind up the season, but then added, "You can't be sure; you hear so many conflicting reports." (We predict the total will be closer to 4,000 than 3,500.)

Wednesday morning brought low-hanging gray clouds and by noon a steady drizzle of moisture.

## \$200 Month Approved For Health Officer

In recent proceedings, the Schleicher County Commissioners increased the salary of the County Health Officer to \$200 per month, effective Nov. 1, 1965. That position is currently held by Dr. Ernest F. Vernezobre.

The Court also voted to continue to follow the policy of not erecting bumper gates across public roads and not to repair or maintain any bumper gates that are erected by any land owner across any public road in Schleicher county.

## New Babies

Born to Mr. and Mrs. Dalton Robbins of Buffalo Gap, Texas, a son named Dayl Wayne at 9:00 p.m. on Nov. 27th. He weighed 10 lbs. 9 oz. at birth. The baby has a brother, Dalton Jr., age 2½ years.

Mrs. Robbins is the former Pat Phillips.

Grandparents are Mr. and Mrs. Paul Phillips of Eldorado.

## Operation

EYE - SORE  
Kenneth Vaughan, Reporter

We, of the community would like to call attention to the recent improvement and beautification of the entrance to the Eldorado Drug Store. This is in keeping with the present campaign to clean up and beautify Eldorado.

We wish to recognize those of our community who are engaged in the beautification of their property, including the Clifford Schooley family, Mrs. Ed Hill, the owner of the house behind the funeral home, and the area being cleared across from El Dorado Woolens.

Domingo Pina has recently painted and improved his residence.

## Notice to the Public

The area between East Street and the City Disposal plant is private property.

Persons found guilty of dumping in this area are subject to prosecution.

## Henry L. Turnbow, 90, Buried Here Wednesday

Funeral services for Henry Landon Turnbow, 90, of 2023 Pecan in San Angelo, a Schleicher county employee 30 years and father of Eldon T. Turnbow of San Angelo, were held at 10 a.m. Wednesday in the Fort Concho Baptist church with burial in Eldorado cemetery. The Rev. Roy Lowe officiated, and Johnson's Funeral Home directed arrangements.

Mr. Turnbow died at 5:20 p.m. Monday in Clinic-Hospital.

He was born Dec. 17, 1874, in Erath county and was married to Maude Ella Johnston. They lived in Eldorado until her death Aug. 12, 1962, when he moved to San Angelo.

He was a member of the Primitive Baptist church of Eldorado.

He is survived by the son of San Angelo; four grandchildren and eight great-grandchildren.

Pall bearers were Lloyd Huntley, Zeke Harris, Joe Snell, Gene Bell and Horace Craig, all of San Angelo, and J. B. Jones of Christoval.

## Eagles To Play At 8:00 Tonight

The Eldorado boys will play the Miles Bulldogs at 8:30 Thursday night in the first round of the Lake View Tournament. If the Eagles can beat Miles they will advance to the finals to be played Saturday night at 6:45. If Eldorado should lose that first game then they will play their second game about 11:45 Friday morning.

The Eagles are 2-2 on the season and the team roster and numbers include:

Danny Halbert	10-11
Scott McGregor	12-13
Chris McCreavey	14-15
Jay Halbert	20-21
Jesse Bosmans	22-23
Donald Rogers	24-25
Rusty Meador	30-31
Gary Derrick	32-33
Joe Phillips	34-35

## All-District Team Are Announced

Earl Barnett, head coach of the Eldorado Eagles for the football season just ended, announces that the following have been named to the All-District Team:

Offense—1st team, Belk and Henderson. 2nd team, Steve Blaylock and Joe Phillips. Honorable Mention, Donald Rogers and Scott McGregor.

Defense—1st Team, Henderson. Second Team, Belk, DeLong, Honorable Mention, Mayo, McGregor, and Rogers.

The coaches and honorees will attend the annual All-District Banquet to be held in Ozona sometime after New Year's.

Mrs. Pauline Franklin of Henry, Tennessee, spent Thanksgiving here with her father, Robert Nixon, and other relatives. Mr. Nixon left with her Tuesday to visit in Tennessee for about three weeks.

Another letter . . .

"The Editor, Eldorado Success. Dear Sir: I sure do enjoy reading the Success and about spelling of Eldorado. I would just leave as it is, just plain good old Eldorado, in one word. I have been knowing Eldorado for a long time since 1926 when I was in my younger days. I rode a horse from Eden, Texas, across those ranches; no roads to speak of; just from one ranch to another, 'till I got to Eldorado. My, there sure have been many a change since I first saw Eldorado. Now they have oil, good highways, and well, just about everything a little city could wish for. Well so long. I am your old friend. —Carl M. Farrar, 609 West Tate, Senatobia, Mississippi 38668."

—ps—

As of Monday morning, 215 poll taxes had been paid in the local sheriff's office.

Mrs. H. M. Freund was admitted to the Menard hospital last week, and Mr. Freund later moved to the Menard rest home, which is operated in the same building. Mr. Freund recently sold his ranch east of Eldorado.

El Dorado Woolens continues to expand their distribution program. They have announced the opening on January 3 of a new showroom in the Dallas Trade Mart.

The announcement was contained in a letter accompanying a brochure mailed to several hundred wholesale outlets this week, and stated that their showroom would be in Room No. 2616, and that other new products now under development would also be displayed in the showroom—products not shown in the current brochure.

Not many, but a few people make a point of buying a new Texas Almanac every time a new issue comes out. They are published now at 2-year intervals and the new issue, just out, is for the years 1965-67. They are now available here at the Success office. Price is \$1.75, plus tax, if you are interested. Our initial order was for only five copies.

Checking some of the figures in the Almanac, the high point in Schleicher population was in 1930, and it has slowly decreased ever since. It shows census figures as—

1930	3,166;
1940	3,083;
1950	2,852;
1960	2,791.

This, however, can not be taken as an indicator of loss of growth. Tax valuation for the county as a whole has tripled in the last 20 years.

Also, the county's population decrease reflects people leaving the small farms and ranches. The town of Eldorado has shown a gradual growth.

—ps—

Mrs. Robert Flutsch was in our office Monday and reported that her husband's arm was responding to treatment in a satisfactory way at Shannon hospital. He is under the care of Dr. Henderson, bone specialist, who assured the family that amputation will not be necessary unless infection should set in.

—ps—

Last week when a mouse went scurrying across my floor, I didn't think too much about it, but I did set a trap—the only trap I could find in the house.

The next morning there was a dead mouse in the trap. Disposed of him and re-set the trap—and then for the next five days I caught a mouse each night.

Still wasn't too mouse conscious until Monday when I observed Mack McCormack buying a whole fistful of mouse traps at the store. He vowed he was going home to declare war on mice that were overrunning his place. That started several others to talking and it developed that they all were having more mice than usual.

Now, what about it? Is it just the cooler weather that's driving them indoors? Or are we coming into another mouse

## Highway Signs Point This Way From Wide Open Spaces In The West

Several years ago Eldorado and Iraan collaborated in erecting a road sign at a point where Hwy. 29 intersects 290 some 14 miles west of Iraan. This point would be approximately 94 miles west of Eldorado and not many from here have passed that way. Traveling there on Thanksgiving a member of the Success crew snapped pictures of the signs (there are several signs there now.) We reproduce three of them here:

This is the big sign erected by Iraan and Eldorado. Eldorado Chamber of Commerce paid approximately \$1,000 as their share of the cost.

This is the most recent sign which was put by El Dorado Woolens, urging the traveler to take Hwy. 29 and come by Eldorado and visit their Fabric Shop.

This one is the competing sign, urging travelers to stay on 290, taking them through Ozona, Sonora, Junction, etc.

plague like we had a number of years ago? Are traps and cheese the best solution?

Another way to keep mice down is to have a cat in the house.

But first you've got to get the cat; then feed it and gentle it to make it feel at home. By that time, if it is a tom cat, he'll be so darn lazy and independent he won't bother to hunt mice. So it's got to be a mama cat, and you know what she'll present you with after a while—

If you want to go the cat route you could see Mrs. Kuykendall. I'll bet she's got both kinds.

## Postmaster Marries

Mrs. Vertis Murray of Corpus Christi, Texas, and Bernard E. Carr, Eldorado postmaster, were quietly married last Wednesday, Nov. 24 at 6:00 p.m. in Eldorado.

The Rev. C. E. Cogswell, retiring pastor of the First Christian Church, officiated at the double-ring ceremony at the home of the bride's brother-in-law and sister, Mr. and Mrs. W. A. Van Dusen. Mr. and Mrs. Van Dusen were the couple's only attendants.

Mrs. Carr is the widow of the late Herbert F. Murray of Corpus

Christi.

Mr. and Mrs. Carr are at home on East Doris street.

## Decorating Contest To Be Staged Again Here

The Lions club and the Chamber of Commerce have plans under way to sponsor a decorating contest of Eldorado residences again this Christmas season.

Tentative plans call for the contest to be staged about as it has been in the past. Further details will be given later.

## "Make It Yourself With Wool" Contest Scheduled In Sonora This Saturday

The 1965 "Make It Yourself With Wool" Contest for Districts V and VI will be held at Sonora next Saturday, Dec. 4, at 5:30 p.m., in the elementary school auditorium. The deadline for entries was last Monday night. Wool costumes made by girls and women in three classes were entered. They are junior (14 to 16 years of age), seniors (17-21) and adult (22 and over). According to Miss Dana Owens, home economics teacher and Schleicher county chairman of the national contest.

Both junior and senior entries may progress to the national competition. Adult entries will be judged only through state competition. National awards will include a jet airplane trip to Rome, Paris, London and Istanbul. Other prizes will be sewing equipment, wool fabrics, college scholarships and bonds.

From Schleicher county, Mrs. Roy Phelps, Mrs. John Hodges, Misses Kaye Harkey, Beth McCalla, Donna Davis, and Luella Geldard have entered the contest.

Mrs. Phelps will model a white basket-weave coat and dress ensemble at the style show, Mrs. Hodges will wear a red wool mohair loop coat that she made from a product of the El Dorado Woolens, Miss Harkey will model a two-piece Houndstooth weave suit in brown and gold, and Beth McCalla will be modeling a three-piece pink wool

flannel ensemble. Louella Geldard will wear her two-piece co-ordinated solid and plaid suit in tones of golden tan, cinnamon brown and green. Donna Davis will model a two-piece ensemble dress and coat of solid color wool with co-ordinated wool print.

Counties other than Schleicher and Sutton included in the districts V and VI include Bandera, Crockett, Edwards, Gillespie, Kendall, Kerr, Kimble, Kinney, McCulloch, Mason, Menard, Real and Val Verde.

The El Dorado Woolen Mills will furnish drapery materials to be used as a background for the show and other products will be on display.

A reception for the contestants will be held in the school cafeteria. Sponsors are the American Wool Council and auxiliaries to the National Wool Growers and the Texas Sheep and Goat Raisers Association.

Mrs. W. L. Whitehead of Sonora is district chairman, and Mrs. S. M. Harvick of Ozona is state contest director.

The state contest will be Jan. 7-8 at Texas A&M University and the National Contest will be Jan. 20 in Portland, Oregon.

Miss Owens stated that everyone is invited to attend the show and urged all friends to attend and support the contestants.

### Home Demonstration Agent's Column By MRS. VIDA KREKLOW

This information came to me recently. I was delighted to realize the great strides being made in the fabric and textile fields today and pass this information on with pleasure.

#### New Stain-Resistant Fabrics Aid Mothers

With children in school, mothers are faced with the problem of removing all kinds of stains from their clothing.

Fabrics that have been treated with special finishes designed to repel stains are proving to be a great help, says Mrs. Lynn Parks Stiles, Texas A&M University Extension consumer education specialist.

The new stain-resistant finishes are usually flourine-based compounds which can be applied to the fabric to form links with the fibers. The new finishes thus form an invisible chemical shield against oil and water stains.

Since these stains cannot penetrate the fibers, they bead or roll off of the surface. If allowed to dry instead of being wiped off promptly, most of the stains can be removed with laundering or spot cleaning. Exceptions are ball point inks, lipstick and grass stains.

The stain-repellent finishes are usually applied to the fabrics at the textile mill. However, such a finish is now available in spray cans, so homemakers can apply it after laundering their washables. Factory-finishes are expected to last the life of the fabric, but the spray type may need to be re-applied after several washings.

If your child has lead or color pencil marks or smudges from carbon paper on his clothing, Mrs. Stiles suggests that you use a soft eraser to remove them. If this fails, work detergent into the stain and rinse. If the stain is not removed, put a few drops of ammonia on it and repeat the detergent treatment. Rinse well and repeat if necessary.

#### Scientists Develop A New Textile Material

Researchers have developed a new textile material whose uses range from interlinings for apparel and backing materials for leather to rugged automobile tire chafers.

It can best be described as a sheet structure formed by ingenious spinning and bonding of polyester fibers, says Mrs. Lynn Parks Stiles, Texas A&M University Extension consumer education specialist.

"Reemay" (pronounced Ree-may) is the trademark given this new material. The generic name "spunbonded" was coined to differentiate this unique class of products from other textile materials.

"Reemay" can be custom tailored. The fibers can be crimped to form a soft, conformable material or used straight for a rigid starched-like material. It can be made lightweight or heavy, thin or bulky, white, or if color is desired, it can be dyed.

The new material has high strength. It does not lose its strength when used, as it is chemically unaffected by perspiration and moisture. It can be cut in any direction without fraying or raveling. Because of its highly porous structure, "Reemay" offers good breathability and carries away moisture readily, thus drying rapidly.

The apparel industry is using interlinings of "Reemay" for washable and wash-and-wear garments

including blouses, dresses, brassieres and shirts. Spunbonded interlinings are ideally suited for apparel because they resist wilting, shrinking, seam puckering and discoloring. They dry quickly after washing and are easy to iron.

"Reemay" is also used principally in the interior of men's, women's and children's shoes. The shoe industry is using it as a backing for leather and vinyl linings.

Color-code Household Sponges: Put color to work for you—even when it comes to household sponges. Assign a different color cellulose sponge to a particular cleaning job—for example, a pink sponge for kitchen countertops, a green one for bathroom clean-up, a yellow sponge for the nursery. Color-coding your sponges will keep germ-spreading to a minimum.

Fall Housecleaning Around the Corner: Take steps to keep the work light by using one cleaner for many tasks. Here's a checklist of what you can do with a good all-purpose pine oil cleaner:

1. Bathrooms: walls, fixtures, floors.
2. Kitchen: shelves, sink, stove.
3. Living room and bedrooms: baseboards, windows.
4. Basements: floors, walls, living quarters for pets.
5. Garages: floors, garden tools and equipment.

Small-fry Fun: How to make some dough—mix 2 lbs of flour, ½ box of salt, 1/8 cup of salad oil plus water until the mixture holds together and feels smooth. You can't spend it, or eat it, but preschoolers can sculpt with it. Clean-up recipe: scrape residue of dough off table top, then follow with sponge and cleaner.

Start looking for a new "super sheen" thread. Coats and Clark have covered ordinary thread with a coat of silicone and the result is that needles are easier to stitch and fabrics are easier to thread through.

A "Dual Duty" is coming out of the new thread developments: a nylon core has been covered with a cotton casing and the result is said to be a finer, stronger thread.

This will be good news for beginning 4-H girls; they have an awful lot of trouble threading needles.

Mr. and Mrs. Bill Gunstead and Gwendolyn and Billy Charles spent Thanksgiving with the Wm. Sauer family on their farm near Van Horn. On their way back Friday, they visited the Tom Stewarts north of Texon.

The Rev. and Mrs. C. E. Cogswell moved Tuesday to Colorado City where he will serve as a museum curator. He is retiring from the active ministry and served the First Christian church here for slightly more than two years. The Cogswells' address in Colorado City is 116 W. 10th.

David Kuykendall and fiancee, Miss Carolyn Glynn of Bronte but now an English teacher at Snyder, came in Friday and visited David's mother, Mrs. Allan Kuykendall and sister, Louise, over the week end. David and Carolyn attended the ball game at Bronte Thursday.

Mr. and Mrs. W. A. Van Dusen and son, Johnny Lawrence, who was home from the University of Texas, Austin, and Mr. and Mrs. Bernard Carr had Thanksgiving dinner at the home of Mr. and Mrs. David Lawrence in Odessa last Thursday.

Major Sam Jeffers and son, Dave, visited his sister, Mrs. Will Kessler in this county recently. Dave will live with the Kesslers for a time while his father serves in Viet Nam. Dave enrolled Monday morning in Mrs. Royster's 2nd grade of the local schools.

## Social Security Office Schedules Longer Hours To Handle Increased Work Load

The Social Security district office in San Angelo will continue to remain open from 4:30 to 8:30 o'clock each Tuesday and Thursday evening for the next several months and from 8:30 to 12:00 on Saturday mornings for the added convenience of residents of the area, Floyd B. Ellington, Social Security district manager, said today. These evening and Saturday hours are in addition to the regular 8:30 a.m. to 4:30 p.m. schedule of office hours, Monday thru Friday.

Ellington pointed out that it is important for many people to get in touch with the district office to take advantage of the health insurance and other provisions of the 1965 amendments to the social security program. Although most people are able to visit the office during the day, many find it impossible to do so because of employment or home responsibilities.

The three major groups of people who should get in touch with the social security office are the following, Ellington said:

1. People who are now 65 or older but who are not entitled to social security benefits. Some of these people are eligible for benefits but have not applied for them because they are still working full time. Ellington emphasized that it is desirable for these people to apply now to establish their social security benefit rights and to qualify for the hospital insurance protection that begins in July 1966. He emphasized that no one can lose by applying for benefits as soon as he reaches 65 (those who retire between 62 and 65 may receive cash benefits but in a permanently reduced amount. They are not eligible for hospital insurance until they reach 65.)

1. (Cont'd) Many of the people 72 or older are not now getting benefits because they (or their husband) had not worked enough un-

der social security to qualify. Many of these people will now be eligible for cash benefits because the new law reduces the amount of work required for most people 72 or older.

2. Widows 60 or 61 years of age who under the old law would have been eligible for widows benefits at age 62. They may not apply for social security benefits as early as age 60 if they wish to accept a permanently reduced amount.

3. Unmarried students 18 to 22 years of age whose social security benefits have been stopped and students who receive social security benefits and are nearing age 18, and who plan to continue in schools. Upon application, monthly benefits can be paid back to January 1965 to unmarried students who were under 22 in January 1965 and who were dropped from the social security rolls when they reached 18.

The San Angelo social security office is at 3000 West Harris. The telephone number is 949-4608.

## Homemaking Exam Set For Tuesday

A 50-minute knowledge and attitude examination which deals with the duties and rewards of homemaking in today's society will be offered senior class girls in the high school here Tuesday, Dec. 7. Miss Dana Owens is home ec. instructor in the Eldorado High school.

The girls will be among more than a half million others in approximately 15,000 of the nation's public, private and parochial high schools who have enrolled in the 1966 Betty Crocker Search for the American Homemaker of Tomorrow, sponsored by General Mills.

## MCGINNESSES CELEBRATE THANKSGIVING

Those having Thanksgiving dinner in the home of Mr. and Mrs. Sam McGinnes last Thursday included their sons, Albert and Elton McGinnes and families of Eldorado and Floyd McGinnes and family of Crosbyton; Mr. and Mrs. P. B. Conner of Bronte and Mrs. Ben Brooks of Sterling City.

The Floyd McGinneses stayed over for the week end and went to Austin to attend meetings of the Bureau of Vital Statistics and the Legislative Committee of County and District Clerks' Association of Texas.

Sunday guests were Mr. McGinnes' sister, Mrs. W. C. Doyal and her son-in-law and daughter, Mr. and Mrs. Ed Bailey, all from San Angelo.

## Kill Data Aids Game Planning

Austin.—Mr. Hunter, whether your luck pinpointed a trophy buck or a spike, the animal means something to wildlife management people.

That is, Sir, the harvesting of that creature is a vital factor in planning for future seasons.

So, make certain that it goes into the record. Or, if and when the man who leased you the hunting rights asks for the vital statistics, be a patriotic hunter and cooperate.

The land owner who charges for the use of his acreage for hunting is required by statute to maintain an official record to be turned in to the Texas Parks and Wildlife Department by May 1 each year.

Therefore, you may be asked for your name, address, hunting license number, and the amount of game taken daily.

This also applies to land owners who accommodate waterfowl and small game hunters. It all goes into the data back log for study and evaluation.

The land owner is increasingly aware of this, according to the Department, as reflected in the increasing number obtaining the \$5 shooting preserve license, which after all, is required by state law.

The shooting preserve license is available from County Clerks, game Wardens, as well as from district and regional offices, and Department headquarters, John H. Reagan Building, Austin, Texas 78701.

## Scouters' Banquet Set For Friday Night

The Annual Recognition Dinner of the Twin Mountain District of the Boy Scout Council is set for Friday night in San Angelo. It will be staged for Cub Scout, Boy Scout and Explorer Leaders and Unit Committee Chairmen.

The event will get under way in the Central High School Cafeteria at 7:00 p.m. Scout workers and their families are invited.

Tickets are \$1.35 each. The program is to be over by 9:00 p.m. It will include entertainment, recognition of Den Mothers, all Unit Leaders and other Scouters. The new District Officers for 1966 will be installed at this time.

Clyde E. Hoyt Jr. of San Angelo is Ticket and Attendance Chairman.

## TEN GIRLS MET MONDAY

The Girl Scout troop number 41 met November 29th. There were 10 girls present. We finished our Bean Bag Boys. Prissy Holsey served ice cream sandwiches. — Rep., Twanna Mara.

Pvt. Joe Hardin has been visiting on leave from Fort Polk, La. He graduated from an 8-week course in E Company, 1st Battalion. He is going to Fort Ord, Cal., for new assignment on Dec. 4th. His parents are Mr. and Mrs. John Hardin of Christoval.

## Methodist Notes

The San Angelo District Conference of the Methodist church is being held today (Thursday) at Ozona.

Delegates from here are: Rev. D. G. Salter; Ed Meador, Lay Leader; E. C. Peters, Sunday School superintendent.

## School Menus

Monday, Dec. 6: Meatloaf, buttered rice, English peas, carrot & pineapple salad, buttered rolls, milk, canned fruit.

Tuesday, Dec. 7: Roast beef & gravy, creamed potatoes, green beans, cole slaw, buttered rolls, milk, banana pudding.

Wed., Dec. 8: Hamburgers, lettuce & tomatoes, potato chips, cheese strips, milk, fruit cup, cookies.

Thursday, Dec. 9: Swiss steak, gravy, potato salad, pinto beans, cabbage & apple & raisin salad, buttered rolls, milk, fruit cobbler.

Friday, Dec. 10: Tuna croquette, macaroni & cheese, whole kernel corn, Harvard beets, buttered rolls, milk, cherry vanilla pudding.

## Recent Bride Honored With Gift Coffee

Mrs. Ernest King Nimitz, recent bride of Safford, Arizona, was honored with a gift coffee Saturday morning, Nov. 27th, in the home of Mrs. Wilson Page. Decorations were in the bride's chosen colors, yellow and white and blue.

Receiving the guests were the honoree, the former Miss Suzanne Paisley of Boulder, Colorado; Mrs. Ernest H. Nimitz, the bridegroom's mother, and his aunt, Mrs. Joe M. Kuhns of Jal, New Mexico.

Miss May Runge registered the guests.

The serving table, covered with a creamy white wool lace cloth edged with deep fringe and centered with an arrangement of white and yellow mums, was presided over by Mrs. Page.

Hostesses were Mrs. Kenneth Cheek, Mrs. Edwin Jackson, Mrs. R. D. Johnson, Mrs. George R. Long, Mrs. Archie Mittel, Mrs. W. T. Parker, Mrs. Elizabeth Powell, Mrs. Wilson Page, Mrs. D. C. Royster, Mrs. Forrest Runge, Mrs. Truett Stanford, and Mrs. Lawrence Steen.

## Signs Are Victims Of Gunshot Vandalism

Austin.—Highway signs are erected for the safety and convenience of the motoring public—not to provide gun-toting punks with a handy target for plinking.

Yet, a major share of the \$450 thousand vandalism to Texas highway signs annually is caused by gunfire, according to D. C. Greer, State Highway Engineer.

Bullet-riddled roadside markers

accounted for 85% of all signs which had to be replaced in one Texas Highway Department District in West Texas in one year.

Even a small highway sign costs about \$10 to replace. Larger, more elaborate signs costing hundreds of dollars have been targets for wanton vandalism too, Greer said.

If apprehended, vandals can be made to pay for the destruction they cause. But the person who

operates a motor vehicle in Texas foots the greater portion of the bill for replacement through his motor fuel taxes and licensing fees, Greer said.

More important, destruction of signs causes inconvenience—and many times deadly peril—to motorists using the highways.

"So be a good sport during this hunting season," Greer said. "Point your gun only at game, not our highway signs."

Eaglettes Win No. 5

The Eaglettes keep rolling along winning number five Tuesday night, beating Ozona 70-22 with every girl playing three quarters.

Susan Hill was outstanding in that she scored 20 points and hit 10 of 10 free throws. Karen Griffin hit 20 points and also was 100% on free shots although she only attempted 2. Marsha Mund scored 11 although she and Karen saw very limited duty. Martha Sue Page made 7 points, Susan Mobley 5, Libby Preston 4, and Stella Hubble 3.

Eldorado took a commanding 16-3 first quarter lead with Marsha hitting 6 and Karen 8 and Susan Mobley 2. Another 16 points came in the second period with several doing the scoring. Half-time was 32-5.

The Eaglettes seemed more determined than ever after the half because they came on to score 25 points in the third quarter and Susan Hill was responsible for 10, Libby 4, Martha Sue 4, Karen 6, and Susan Mobley 1. Ozona picked up 7 to bring the score to 57-12.

The Eaglettes hit 12 in the final period as they were not pressing as they usually do. Final tally for Ozona was 10.

The Eaglettes had a fine night both offensively and defensively. Chris Edmiston had 8 rebounds, Beth McCalla 7, Jane Cain 4, Sherry Yates 5, Shirley Hubble and Joan Doyle 3, Nancy Jurecek 2, and Jan Wagley 1. Marsha had 11 on offense and Karen 9 with Susan Mobley netting 7.

The free throw per cent improved to 73% making 19 of 26. The girls hit 24 of 53 attempts for 45% from the floor.

The girls have no game this week-end.

Local Jr. High Boys Beat Junction

The Junior High boys, coached by Tommy Sikes, scored victory number one in as many starts against the Junction boys last week in Junction by a 35 to 20 margin. Wayne Doyle, Paul Page, Bob Page and Mickey Clark and Joel Muzquiz started for the Eagles. Four quick fouls benched Joel early in the game and James Larry Davis rounded out the quintet that soon caught fire after a sluggish start and won going away.

Bob Page, looking like a real comer, was high point man with 16 points. Wayne Doyle scored 6 points and played an excellent floor game. Mickey Clark counted for 8 points, Paul Page 3, and Keith Williams 2. In addition to a good offensive out-put, the Eagles' defensive effort was outstanding.

All 15 boys on the squad saw action: Denny Phelps, Robert Wilson, Johnny Danford, Steve Sykes, Jimmy Martin, Jack Williams, William Edmiston, and Bobby Sykes. Their next game is at home, December 9, with Sonora. Mike Calcote is the team manager.

STOP! Do You Know Your Bible?

Q. Where is the word TRINITY found?

A. The word TRINITY is not in the Bible. In 325 A.D. the Roman Catholic Church brought to life the word Trinity (three persons in a God head) and trine baptism using the words Father, Son and Holy Ghost.

Q. Are there any places in the Bible where the baptizer used the formula Father, Son and Holy Ghost?

A. Not one. Peter at Jerusalem. To the Jesus be baptized every one of you in the name of Jesus Christ. Acts 2:38.

Philip at Samaria—Samaritans (mixed race) preached the name of Jesus Christ they were baptized both men and women. Acts 8:12.

Peter at Caesarea—To the Gentiles—he commanded them to be baptized in the name of the Lord. Acts 10:48.

Paul at Ephesus. To disciples who had been baptized. But not right. When they heard this they were baptized in the Name of the Lord Jesus. Acts 19:5.

Q. How do the trinitaren get three out of one?

A. Modern math.

Eaglettes Face Robt. Lee

The Robert Lee girls will invade Eagle Gym Tuesday night in hopes of avenging a defeat last year. The girls will play at 6:30 and the Eldorado girls will be trying to extend the victory string to six. Robert Lee is reported to have several returning starters from last year's team. 6:30—Tuesday—December 7.

Eagles To Host Steers

The Robert Lee Steers will come to Eldorado Tuesday night for an encounter with the Eagles. Last year Robert Lee beat Eldorado in the Eagle Tournament so the boys will be seeking to even the situation. The "B" boys will play at 5:15 and the "A" boys about 8:00 p.m.

Junior F. F. A.

On Tuesday, the 23rd, the Junior F.F.A. met. We discussed the showmanship and grooming show to be held Dec. 11. There will also be a rotating trophy. Also starting on Nov. 29 there will be a school starting at 7:00 p.m. each night on how to fit fat lambs for show.

Nov. 30 breeding sheep, Dec. 1 cattle, Dec. 2 fat lambs, Dec. 3 will be miscellaneous. Be sure if you are coming to bring your own animals and things to work with.

## Clean-Up Campaign Is Now Under Way

We of the Eldorado community beautification committee are happy to announce a general clean-up campaign for our town. Between Nov. 29 and Dec. 13 FREE pick-up service will be available by citizens calling 23151.

We want to emphasize again the need for cleaning our own alleys, clearing unsightly and useless buildings, growth and other refuse from vacant lots.

Let us recommend your attention to the present Standard-Times offer of pecan trees at a drastically reduced price. This is an opportunity to further beautify and increase the value of your property with very little expense.

Free delivery service to those who are unable to transport their own trees can be secured by calling 25891 or 21631.

Martin Garcia has announced that he will build trash barrel lids for \$1.50 each and that he has barrels for sale at \$3.00 each.

## McCravey Hits Winning Shot

The Eldorado Eagles opened at home Tuesday night and gave the screaming home crowd a thrilling ball game. The Eagles slipped by a hot Ozona crew 57-56 in the final two seconds of play on a pass from Scott McGregor to Chris McCravey who put in the winning field goal.

Ozona came on like a house afire hitting 13 points the first quarter while Eldorado was struggling to hit 10. During the second quarter Gary Derrick got busy and made 7 points with help from McGregor, Dan Halbert, Joe Phillips, and Chris McCravey to total 13 points to the Lions' 14. The half-time score stood 22-28 with Ozona leading.

The Eagles of Coach Bell came out fighting after the half and promptly tied it up on the strength of 8 points from McGregor and 9 from Danny Halbert. Ozona kept the pace with 14. At the end of the third period it was 45-43 in favor of the Eagles. As the fourth quarter got off things began to see-saw with the score changing as fast as the players could get down court and shoot. The Eagles hit for 12 to Ozona's 13 in the last eight minutes with Halbert collecting 6. Danny was high point with 23 and Scott McGregor 13. Gary Derrick netted 9, Joe Phillips 7, Chris McCravey 4, and Jesse Bosmans 1.

Rebounds were sparse with Joe Phillips netting 13, Danny 10, Gary 8, Donald Rogers 4, Jesse 3, Scott 2, and Chris 1.

The boys raised their free throw per centage to 63% making 17 of 27. They also improved their floor per centage hitting 40%, 20 of 50 attempts.

Such a hustling bunch of Eagles you never saw and such a vastly improved group. This bunch has proved that they can come from behind and they never give up. In games such as these every point and rebound is important to victory.

## William Edmiston Is Year's Gold Star Boy

WILLIAM EDMISTON

William Edmiston was honored at the annual Gold Star luncheon in the Cactus Hotel in San Angelo, Wednesday, Dec. 1, by West Texas Utilities.

William, son of Mr. and Mrs. W. F. Edmiston, has been named this county's Gold Star winner. He has been a 4-H member since 1960 and has exhibited wool, registered Rambouillet sheep, registered Hereford cattle, fat lambs and beef calves and range ewes in county, district, and state shows and the State Fair of Texas, since 1960.

Some outstanding accomplishments include: showing fine wool lambs, baby beef, registered Rambouillet lambs, and fleeces of wools to champions in local shows.

William exhibited grand champion fleeces of the Sonora wool show in 1963, receiving the champion trophy. He placed second in individual fleeces in 1964 at San Antonio.

William also showed reserve champion registered Rambouillet ewe lamb Houston Fat Stock Show, 1965.

In addition to 4-H club work William is a good student in school, takes part in judging activities and many church and school activities as a crowded schedule will permit.

Mrs. L. D. Ochsner, a dorm counselor at San Angelo State College, was at home here during the holidays. Her son-in-law and daughter, Mr. and Mrs. Harold Scherz and children of Austin joined her here for Thanksgiving, and Mr. and Mrs. John Ochsner and children of Midland came in for the week end.

Miss Mary Hoover of Dallas spent the Thanksgiving week end here with her mother, Mrs. L. M. Hoover, and other relatives.

## Beth McCalla Named Gold Star Girl For '65

BETH MCCALLA

Beth McCalla, daughter of Mr. and Mrs. L. E. McCalla of Eldorado, was presented the Gold Star award for outstanding 4-H club work at Wednesday's San Angelo ceremonies.

Forty-four 4-H boys and girls from Dist. 7 were honored by the West Texas Utilities with a luncheon in the crystal room of the Cactus Hotel. Mothers, fathers, leaders and Extension agents were also guests at the award luncheon.

Beth has done outstanding 4-H work in clothing, having represented the county twice at dress revues on the district level. She makes her own clothes and does some sewing for other members of her family.

Not only is Beth a very good seamstress, she is an excellent cook and general home maker. For years she has assumed the job of taking care of the home in the absence of an older sister or her mother.

Beth is an outstanding student during this, her Senior year in high school. She is a member of the Future Home Makers, Student Council, entering the district Make It Yourself with Wool contest, and only last fall was crowned sweetheart of the band, the highest honor the band bestows.

To become a teacher is Beth's goal and if the signs are being read right, she will soon make an excellent teacher.

## Jr. High Girls Win Two From Junction

The Junior High girls' A and B basketball teams opened their 1965 and '66 season in Junction last week with two victories. The A team won 51-21 and the B team triumphed 44-2. Twenty girls and manager, Colleen Ballard, made the trip.

Starters for the A team included Arlene Hartgraves, Randy Yates, and Dale Montgomery at forward, and Marsha Ballard, Terry Martin, and Peggy McGrew at guard. The early part of the game was pretty much of a stalemate, with neither offensive unit consistently able to penetrate their opponents' zone defense. The impasse was soon broken however, with Julia Garza's entry as post into the game, and the local lassies soon settled down to gain a safe lead. Arlene Hartgraves, playing an outstanding game, contributed a total of 27 points. Her driving lay-up performance was aided by the fine screening of Julia Garza and Randy Yates's capable assists and ball control. Dale Montgomery scored 6 points, and Randy Yates scored 8, a low for this usually high-scoring lass, but her ball-hawking and aggressiveness, along with that of the guards, kept the ball in Eldorado's possession most of the game. Guards Marsha Ballard, Peggy McGrew, Terry Martin, and Kay Mann did a good job holding Sherry McNutt, Junction's finest forward and constant threat, to 13 points. Some of the less experienced players, as Carolyn O'Harrow and Gwen West, were able to play a good deal of the game and are fast gaining composure on the court.

In the B game Peggy Hill, Sheila Murr, Claudia Meador, forwards, and Linda Derrick, Mary Lynn McCalla, and Gail Robinson, guards, combined to give the Eldorado team an early lead. But it was not until Vickie Preston entered the line-up that the momentum really got rolling. Vickie, scoring most of her 14 points in short order, drew the defense to a double-team situation, enabling Peggy Hill, Sheila Murr and Claudia Meador to break through and score handily—Hill for 18 points and Murr and Meador for 4 points each.

The Eagle starting guards, Linda Derrick, Mary Lynn McCalla, and Gail Robinson, did a remarkable job in holding the Junction forwards scoreless. Second line defense, Susan Rogers, Lisa McAngus, and Lisa Whitten, looking like veterans, gave up only two points.

Kay Peters of North Texas at Denton, Rita Rozean of San Marcos, and Lynn Meador of SMU, Dallas, were among the college students home for the recent holidays.

## Christoval Blasts Ira For Bi-District Title

The Christoval Cougars, led by Senior halfbacks Bobby Menchaca and Philip Montalvo, ran to a 56-29 victory over the Ira Bulldogs in Sterling City last Friday for the right to meet the Fort Davis Indians in the Regional contest.

The Bulldogs took a 6-0 lead over the Cougars during the first five minutes of play, but Christoval came back and scored 6 points in less than 2 minutes on a run by Montalvo. Bobby Menchaca's kick was blocked, leaving the score tied at the end of the first period.

Early in the second quarter, Ira scored again and ran for the extra point; but the Cougars were not to be outdone as big Montalvo scored again and this time the extra point was good. Later in the quarter, Menchaca ran for another score and kicked another extra point, giving the Cougars a half-time lead of 22-13.

The Cougars received the ball in the third period, and Menchaca showed the spectators a little razzle-dazzle football as he carried the ball in for the score after the first play from scrimmage. Ira managed 8 points to stay in the game, but the Christoval team gambled on a fourth down play and set up another score by Montalvo.

Nothing could hold them down in the final period, as Christoval scored 20 big points. Montalvo scored two more T.D.'s, Manuel Duke tallied one, and Menchaca kicked for 2 extra points.

The fine defensive effort by Christoval held the previously undefeated Ira squad to only one touchdown in each quarter. Playing an outstanding game of defense were quarterback, Abby Galan; ends, Tommy Jernigan, Steve Chapman, and Manuel Duke; center, Fred Doley; and back Lynn Wilkinson.

Christoval's record now stands at 11 wins and no losses; and their total points for the 11 games is 589. Menchaca, the leading scorer has rolled up a total of 247 points and Montalvo has tallied 200. On Friday, December 3, the Cougars meet Fort Davis in Crane for the Regional title. Game time is at 7:30 p.m. Bob Helmers has coached the Christoval team this past season.

## Eldorado Girls Blast Rocksprings

Saturday night the Eldorado girls made their fourth road trip and came home with their fourth victory beating Rocksprings 41-30.

The score is hardly indicative of the game as Eldorado spent at least half of the fourth quarter in a stall making Rocksprings press. Eldorado scored 13 points in the first period as Marsha Mund poured in 11. The second quarter wasn't quite so productive as the Eaglettes hit a relatively "cool" spell scoring only 9. Marsha hit 4, Karen 2, and Susan Hill 3 to give the Eaglettes a 22-17 half-time advantage.

As the second half began Eldorado and Rocksprings started to feel the tension that always surrounds a contest between the two. As a result both teams played very poor basketball. Eldorado had only 6 points and Rocksprings 8. However, by the beginning of the fourth quarter tempers had cooled and Eldorado still led 28-25. During the fourth quarter Karen Griffin finally began to hit and put in 8 points with Susan Hill, Susan Mobley, and Libby Preston adding 1, 2 and 2 respectively. Rocksprings could muster only 5 points due to the tough defense set up by Jane Cain, who sustained a broken nose, Chris Edmiston, Shirley Hubble and Beth McCalla.

Chris and Shirley each pulled in 10 rebounds while Jane had 8 and Beth 2.

Twenty-one fouls were called on the Eaglettes and 13 on the Angoras. Eldorado hit only 51% at the free throw line and 30% from the floor making only 17 of 56 attempts.

Marsha Mund was the game's leading scorer with 17 points and 8 rebounds but Karen Griffin was more consistent over-all with 16 points and 14 rebounds. Susan Hill had 4, Libby Preston 2, and 7 rebounds and Susan Mobley 2 and 4 rebounds.

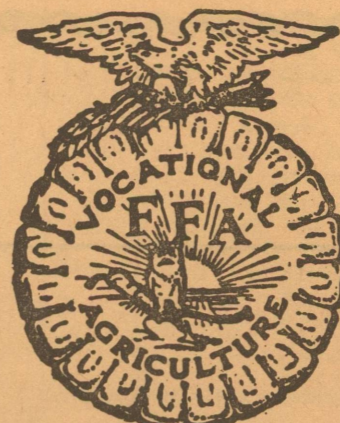

The Eaglettes made 17 shots from the floor to 8 for the Angoras.

Little Harold Skaggs III of Galveston returned home with his parents, Mr. and Mrs. Harold Skaggs, Jr., after visiting his grandparents, Mr. and Mrs. Jack Hext, for ten days. Mr. and Mrs. Hext visited the Skaggs family in Galveston recently and brought little Harold home with them.

Lynda McGinnes was home for Thanksgiving from North Texas State, Denton, for the holidays.

Guests in the E. H. Nimitz home for the Thanksgiving holidays included: Mr. and Mrs. Ernest K. Nimitz of Safford, Arizona; Miss Clancy Baldrige of San Angelo; and Mr. and Mrs. Joe Kuhns and son, Sam, of Jal, New Mexico.

The District FFA banquet will be held next Tuesday, December 7 in San Angelo at Luby's cafeteria. A sweetheart contest will be held in which Nancy Jurecek will participate.

Kenneth E. Graeber, the state president, visited the Eldorado chapter last week. He spoke to the student body also.

Later he visited the Case Ranch to see the projects there. He went to San Angelo from here and then on to Bronte to visit the chapter there.

The following classes were held at the ag barn this past week:

- Monday: Show lambs.
- Tuesday: Breeding sheep
- Wednesday: Cattle
- Thursday: Show lambs.
- Friday: Any of the above.

The Concho District FFA held their leadership contest here at the Southwest Electric CoOp on November 17. There were 250 boys participating in the contest.

## Three-Car Smash-Up In Front Of Church

Mrs. Ernest Hanusch and her son Gary, 6, were treated for minor cuts and shock and released from the Eldorado Clinic after being involved in a three-car collision Monday afternoon in Eldorado.

The accident took place in front of the First Baptist church. The small compact car that Mrs. Hanusch was driving struck an Oldsmobile sedan owned by Mrs. Jess Blaylock that was parked in front of the church and knocked it into a station wagon, owned by Mrs. Dee Williams that was parked alongside the sedan, smashing the sedan against the sidewalk, and the Olds against the station wagon.

Deputy Sheriff Jack Jones investigated the accident.

## Firemen Called Twice During The Past Week

The Fire Department was called out twice during the past week.

Last Friday afternoon at about 5:00, they made a run out in the county to a grass fire at Jimmy Powell's.

Tuesday at noon, they were called to the Fralin Hernandez house where an overheated stove pipe had ignited an exterior wall. No major damage was reported in connection with either alarm.

## OES Supper Is Monday

There will be a special meeting of the Eldorado Chapter No. 140, Order of the Eastern Star, on Monday, Dec. 6, at 7:30 in the Masonic Hall for the purpose of receiving the Deputy Grand Matron for her official visit.

A covered dish supper will be served at 6:00 in the hall.

Mrs. Sherrill Dannheim has been in the Sonora hospital since Monday with an attack of flu.

Mr. and Mrs. W. J. Humphrey returned to their Eldorado home recently after spending three months in Wilburton, Okla., and Paris, Ark. Mr. Humphrey was driller for a crew that brought in two producing gas wells while there. He is employed by Dual Drilling Co.

Guests in the W. J. Humphrey home for the Thanksgiving week end included Mr. and Mrs. Wilson Humphrey and children of Portland, Texas, Mr. and Mrs. Gail Patton and children of Hobbs, N. M., and Mrs. E. D. Moody and children from Odessa.

Guests of the James Williamses for the holidays were their son-in-law and daughter, Mr. and Mrs. C. Morris Davis and baby of Austin and Mrs. Williams' brother, Mr. and Mrs. Hubert Podany and children of Dallas. The men enjoyed a deer hunt and brought in three deer.

Those enjoying Thanksgiving dinner in the Chester Wheeler home were Mrs. L. Wheeler and Mr. and Mrs. Wade Kirk of Austin.

Mr. and Mrs. Carroll Ratliff had their son-in-law and daughter, Mr. and Mrs. Wilson Humphrey and children of Portland home for Thanksgiving. Joining them for dinner were Mr. and Mrs. J. L. Ratliff and Mr. and Mrs. Tom Ratliff.

Mr. and Mrs. John Kempsky and children of Lometa were Thanksgiving visitors here with Mrs. Bertha Wilson and Mrs. A. J. Roach.

## Fisher Addresses Lions

Cong. O. C. Fisher, who has been serving Schleicher county and the 21st District of Texas for almost a quarter of a century, was speaker at the Eldorado Lions Club luncheon Wednesday at noon in the Memorial Building, and he reiterated his conservatism to those assembled.

A proposal pending in Congress would extend the Wage and Hour controls to agriculture, which he opposes.

He also stated that he was backing the President's commitment in Viet Nam, just as he had those of Presidents Kennedy and Eisenhower. He discussed the small but loud minorities of draft card burners and anti-war demonstrators.

The West Texas congressman's district has been enlarged to where it will be more than doubled in population, and will include much of Bexar county and part of the city of San Antonio. At the west edge, Ector county and Odessa will be in the newly enlarged district.

He pointed out that the 21st District has always been an agricultural district, with emphasis on farming and ranching and a conservative political outlook, but that the re-districting took away the northern tier of counties and added many city voters in Ector and Bexar counties, which would change the character of the district.

Mr. Fisher was introduced by County Judge W. R. Bearce. Jack Bell was program chairman.

In the business session, at which Ray Boyer presided, Bill Rountree reported that the club had netted \$222 on the Halloween candy sale, and Don McCormick reported that the Broom, Mop, and Light Bulb sale took in \$219 for the club to use in projects.

## Killer Deer Tops Weird Hunt Tales

Austin—A deer that shot and killed a hunter with his own gun headlined bizarre outdoor recreational accidents as reported to the Texas Parks and Wildlife Department during the last two weeks.

In other tragic incidents: An 8-year-old Fort Worth boy drowned when a boat containing five persons capsized in Lake Benbrook as it returned to a dock to obtain life preservers;

A Houston man was killed by his 21-year-old son on a deer hunting trip;

A Bryan man maimed his hand and arm when a rifle he was leaning on accidentally fired;

A Lufkin man told authorities he killed his wife when his shotgun discharged as he prepared to go hunting.

The weird deer-triggered fatality victim was Roy Edgar, 32, of Albany. A ranch hand, he shot a deer, reloaded his gun and leaned it against a tree preparatory to dressing out the animal. The deer twitched and a hoof struck the rifle causing it to discharge.

Another self-inflicted gun death involved a 16-year-old Pearsall boy who was carrying a pistol-grip .22 rifle while hunting rabbits.

In other hunt-related tragedies, a Round Rock man was killed en route to his deer lease when he fell asleep at the wheel and a Brady man was killed in a traffic crash while returning from a deer hunt.

Apparent heart attacks killed deer hunters from Abbott, Fort Worth and Pearsall.

Outdoor recreational fatalities for the period included fishermen drowned at Longview and Palestine and two Louisiana fishermen off Sabine Pass.

On the credit side, two off-duty Dallas detectives en route to their lease, stopped to aid a motorist and recognized the man as being wanted in a murder investigation.

Mr. and Mrs. Roy Phelps and children had Thanksgiving dinner in San Angelo with Mr. and Mrs. Richard Boyles and boys.

Mr. and Mrs. Lewin Plunkett visited Mrs. Plunkett's parents, Mayor and Mrs. Eldin Calk, and brothers, Buddy and Mark, from Wednesday until Saturday. Miss Dana Owens had Thanksgiving dinner with the group.

Mr. and Mrs. Lee Roy Hanusch and family spent Thanksgiving in Eden with Mr. and Mrs. Walter Hanusch.

Among the 80 persons celebrating the combined Thanksgiving and 75th birthday anniversary of S. G. Danford of Sherwood last Thursday in the American Legion Hall on Lake Nasworthy were Mr. and Mrs. Ben Biggs, and Mr. and Mrs. Truman Biggs of Midland.

Misses Mickey and Terry Phelps were both at home from Wednesday until Sunday from Baylor University for the holidays.

Mrs. J. W. (Buck) Davis of Austin visited friends here during the Thanksgiving holidays.

Mrs. Cora DeLongue of San Antonio visited here with relatives over the week end.

### Eagle Team Loses Nerve-Wracker Sat.

The Eagles of Coach Jack Bell give the fans their money's worth at every game. Although the Eagles have lost two games and won one an improvement can be seen in their play every game. The boys lost a thriller to Rocksprings Saturday night 56-50 but the last four points came on free throws in the final seconds. Three starters, Donald Rogers, Danny Halbert, and Jesse Bosmans fouled out and Scott McGregor drew his fifth foul as the buzzer sounded.

The Eagles had two boys in double figures as Danny Halbert connected on 14 points and Donald Rogers 12. Scott and Joe Phillips had 8 each, Jesse Bosmans 6 and Jay Halbert 2. In the rebound department business has picked up with Don Rogers again ruling the boards with 16, Joe 14, Gary 11, Jesse 8, Danny 8, and Scott 6.

The Eldorado crew didn't cash in on free throws as they should have making only 12 of 22 for 55%. The boys hit 35% from the floor completing 19 of 55 tries.

An over-all look at the Eagle game Saturday showed Eldorado still starting slowly making only 6 points to the Angoras 8. The second quarter Eldorado poured in 16 points and Rocksprings hit 14 to tie it 22-22 at half-time. The green and white put in 12 the third quarter and Rocksprings managed 13 to give a one point lead. At this point Rogers fouled out leaving the load of scoring and rebounding which the Eagles assumed well making 16 but Rocksprings was making 21 to end it. Eldorado outscored the Angoras 19 field goals to 17 but the red and white took 37 free throws to only 22 attempted for Eldorado. Eldorado made 12 and the opponents made 24. Twenty-six fouls were called on Eldorado and only 15 on Rocksprings.

A look at the statistics shows a definite improvement in every department. The first game Eldorado got 39 rebounds, 33 the second, and 64 Saturday night. The Eldorado boys scored 46 the first game, 39, and 50. The eye view tells the spectator that the boys are beginning to work together better, and adjust to situations.

The transition from football to basketball is coming and so is their eye for the basket.

The best way to have a winning team is for the fans to back them in person and in voice. Give these boys the support they deserve and they'll win their share.

Mr. and Mrs. Paul Hamby and children, Keith, Ann, and Brenda of Dallas came in Wednesday night to spend Thanksgiving with Mrs. Hamby's parents, Mr. and Mrs. Jess Thompson. They returned home Sunday.

Mr. and Mrs. Ernest K. Nimitz of Safford, Arizona, were guests of Mr. and Mrs. Ernest H. Nimitz for the Thanksgiving holidays. Mr. Nimitz, a Texas A&M graduate, is employed by the United States Government in the Forestry division.

Christy Moore and Mary Ann Page were home from Texas Christian University, Fort Worth, to visit their parents, Mr. and Mrs. Henry Moore and Mr. and Mrs. James Page.

Mary Lynn McGinness was home from Abilene Commercial College for Thanksgiving.

Austin.—A long-standing residency restriction on state welfare recipients may cost Texas millions of dollars in federal medical care funds next year.

However, welfare officials maintain that Texas' position is little different from most other states, since only about four states can qualify immediately under "Title 19" of the extended Kerr-Mills medical care program.

Apparently, there are no plans afoot to speed up Texas eligibility through emergency legislation in a special session.

Lawmakers this year tried to anticipate changes in federal programs. They redefined eligibility in state law to include the blind, disabled and families with dependent children under medical care coverage. Their anticipatory state law becomes effective July 1, 1966, while Congress later made federal expanded benefits effective January 1. At best, therefore, Texas will be six months late in taking full advantage of all new benefits available.

Texas law requires most welfare recipients to have lived in the state five out of the preceding nine years, the last year of which was immediately prior to the assistance application date. This law will further delay increased federal aid. "Title 19" of the federal act outlaws such residency restrictions for federally-supported medical care to those otherwise eligible.

Texas won't "lose" anything, according to State Welfare Commissioner John H. Winters, but actually will "gain" funds after next July 1. But, he acknowledges, the gain would have been far greater had the five-year residency restriction been repealed by the 1965 state anticipatory act. Winters predicts the Legislature will act

promptly to strike out the provision at its next session.

States which fail to bring their laws in line with "Title 19" by December 31, 1969, will lose all federal matching money for medical care—and that's already more than \$40 million a year in Texas.

#### Poll Tax Case Under Study

A special three-judge federal court has under study whether the Texas poll tax should be repealed as a voting requirement.

Court heard case, brought by U. S. Atty. Gen. Nicholas Katzenbach under new voting rights act, here Wednesday (Dec. 1).

Katzenbach contends poll tax discriminates against Texas Negroes because they earn less.

State Atty. Gen. Waggoner Carr counters that anyone who can't pay \$1.75 tax "is not intelligent enough or competent enough to manage the affairs of the government." There is no evidence of levy being used to discriminate against any voter or group, says Carr.

#### Federal Aid

New life is being breathed into Texas towns of 50,000 population or less.

A project called Urban Planning Assistance Program—fed with community initiative, state administration and federal money—is giving 120 Texas towns the opportunity to meet pressing population demands of the years ahead.

A total of 67 small cities have completed plans under the State Health Department's Environmental Development Program, which oils the machinery of federal urban planning program. Another 59 are in the process of doing so.

Costs are paid two-thirds by the federal government. However, in distressed areas, the figure may go as high as 75%.

The 67 cities already have used \$1,216,870 (59 more are spending more than \$960,299) to see where they stand in the area of services offered their citizens and services needed.

A city of less than 50,000 inhabitants may make application to the Health Department which submits the application to the U. S. Housing and Home Finance Agency. A third-party contract is drawn up with an engineering firm using federal and local funds.

Then, all the city need do is grow along the lines set forth.

#### Units Dismantled

Signs of the many National Guard units being dismantled by the federal government are becoming more visible in Texas each day.

Seven or eight, or even more, armories soon are going to stand vacant because there will be no troops to use the facilities. Members of the Texas National Guard Armory Board are concerned over the disposal of the unused buildings.

Armories can't simply be sold at auction, because the federal government owns three-fourths of each one, and separate approval is required before the sale of each. Also, something will have to be done about 25-year maintenance contracts between the federal and state governments.

A possible solution is to give each Board the power to sell the armories without separate approval on each.

If this action isn't taken, the buildings might stand vacant several years, and become almost worthless.

There are more than 102 armories in Texas situated on land owned by the Board and 39 more buildings located on leased land. Total value of buildings now stands at \$16,844,271.

#### Appointments . . .

Harry P. Whitworth of Austin was named to Texas Aeronautics Commission by Gov. John Connally. Shelby Kritzer of Amarillo was reappointed to new six-year term.

Connally also reappointed Arnold Koop, Allen Burditt and W. C. Hollingsworth, all of Edna, to board of directors of Jackson County Flood Control District.

House Speaker Ben Barnes announced appointments to two key committees:

Interim Committee on Saving Taxes—Reps. R. H. Cory of Victoria (chairman), W. T. Satterwhite of Ennis, Raleigh Brown of Abilene, Don W. Cavness of Austin and J. M. Simpson of Amarillo.

Interim House Rules Study Committee—Reps. L. DeWitt Hale of Corpus Christi (chairman), W. S. Heatly of Paducah, Bill J. Parsley of Lubbock, Maurice S. Pipkin of Brownsville and Grainger W. McIlhenny of Wheeler.

#### State Plan Cleared

U. S. Department of Health, Education and Welfare has approved Texas' state plan for construction of facilities for the mentally retarded.

State is eligible to receive up to \$516,138 to be used by next June 30, and \$675,876 to be used by June 30, 1967. Each of 18 state areas has been assigned priority according to need for these services: diagnosis, treatment, education, training, custodial care, and sheltered workshops. Federal funds pay 50% of cost.

#### Schools Face Complaints

Eagle Pass schools, which face loss of accreditation next year unless deficiencies are largely cor-

rected, received a new complaint.

Head of Winter Garden Tri-County Community Action Committee charged Eagle Pass ISD is not cooperating with the committee on four key federal programs. State Commissioner of Education J. W. Edgar promised to look into the complaint.

At the same time, Edgar heard parents of six Rio Hondo students protest the school's withholding report cards of children who have not paid special fees levied for supplies, towels, soap and lockers.

#### Short Snorts . . .

Atty. Gen. Waggoner Carr ruled that the Rio Grande Independent Rehabilitation District is part of the public school program of Texas and is eligible for financial assistance under Title III of the National Defense Act of 1958.

Truckers and insurance underwriters representing them have until mid-December to file briefs to back protests against the State Board of Insurance's proposed truck rule amendments relative to statistical data, policy limits and equipment.

Governor Connally has approved these seven Neighborhood Youth Corps Projects: Wellington, \$28,900; Houston, \$257,760; Cooper, \$41,430; San Antonio, \$102,480; Kingsville, \$81,410; Sulphur Spngs., \$79,320; and Mission, \$14,600.

U. S. Soil Conservation Service has been authorized to assist local conservation organizations in Hill, Johnson, Hood, and Parker counties, based on applications approved by the Texas State Soil Conservation Board.

State Supreme Court declined to review a Houston church's appeal for tax exemption on house used as residence for its "educational minister," leaving in effect Court of Civil Appeals ruling that tax exemption applies only to church and minister's dwelling.

U. S. Department of Agriculture has authorized loans to eligible farmers in Comanche, Coryell, Hamilton, Johnson and Scurry counties for damages and losses of crops and pastures due to excessive rainfall, drought, disease and insect infestation.

State Banking Board heard applications for First State Bank of Keller, First State Bank of Covington, and Frontier State Bank of Eagle Pass.

Texas Employment Commission reports October job placements were up 2,000 from October, 1964—to 49,146.

State Securities Board authorized sale of \$34.6 million worth of securities in Texas last month.
