65TH YEAR

ELDORADO—SCHLEICHER COUNTY, TEXAS (76936)

Thursday, January 6, 1966

NUMBER 1

County Judge Bearce Chooses Not To Run

County Judge W. R. Bearce this week authorized the Success to announce that he will not be a candidate for re-election in the forthcoming election. When his term of office closes at the end of 1966 he will have served a total of 12 years. He was elected in a 3-way race in the campaign of 1954 and took office in January,

It has been generally understood for several months that Mr. Bearce had chosen to retire from county politics at the end of his present term, but to make it official he has authorized publication of this announcement.

Bearce wishes to thank the people of this county for the cooperation he has received and hopes that the same spirit will prevail when his successor takes over a year from now.

Robert McWhorfer **Announces For County Judge Office**

The Eldorado Success is authorized this week to announce the candidacy of Robert L. McWhorter for the office of County Judge subject to the action of the Democratic primary, May 7, 1966.

Bob was born in Schleicher county in 1922 and has lived here continuously since that time. He is the son of pioneer Schleicher county residents. He attended school in Eldorado, is a graduate of Texas A&M, with a Bachelor of Science degree in accounting. He served in World War II in Europe and was recalled into service during the Korean War in

In announcing his candidacy, Bob states, "I believe that I am tion. Eldorado has no facilities of fully qualified to perform the duties of the office of County of this kind-no hospital, no nurs-Judge, and if elected I will give ing home or retirement home. As full time to the proper conduct of time goes on these deficiencies are the offfice. Your consideration and going to cry out for a solution. vote will be appreciated."

McCalla To Seek Re-Election In Pct. 2

L. E. (Gene) McCalla, who is completing his initial four-year term as Commissioner of Precinct No. 2, this week authorized the a penalty and a considerable num-Success to announce his candidacy ber do pay their taxes during this for re-election to that post, sub- month. press and made his famous antry was in good shape during field. Coolidge's administration — they were reducing the national debtand he got out just in time to let depression which satrted in the

-ps-This week our friend and fellow a similar announcement. After ten years as County Judge, he does not choose to run for reelection and it leaves the way open for any number of aspiring candidates. Bearce's administration, too, has been successful. A financial statement shows that the county has about \$50,000 outstanding in bonds, and has a similar amount in a sinking fund, with which to pay it off. The county could pay off its bonds now, but bondholders would rather wait until they are due in order to collect the interest. So whoever succeeds Mr. Bearce will inherit a county

in excellent financial condition. Does this mean, then, that the next county administration will inherit a bed of roses and that

they will have no problems at all? Coming up is the national program of Medicare and hospitalizaany kind to cooperate in program Yes, there will be problems coming up in the next four years and if they are not resolved we wouldn't be surprised to find officials elected this year being voted OUT again four years from now-like happened to Hoover.

January is the final month for paying your 1965 taxes without tax at the same time they pay their "Having served in office to the property tax. The poll tax receipt you receive now is also dated

> It's confusing the way they date State has always done it that way. It is going to present a problem right here in our school bond

Your 1965 poll tax which you bought recently will NOT be good in this bond election; you must A specific achievement for Pre-cinct 2 during recent years has In 1965." If the election had been

> It seems a little screwy, but that's the way it was laid down to So that's the way it is: to vote in the school bond election January 15, you must have property rendered for taxes, and you must have a 1964 poll tax or be over

> Only about 540 poll taxes were sold a year ago, since it was an

-ps-Peckin' papers!

When Paul Phillips carried out big armload of old newspapers from a store last week we got curious. We knew he was operating six huge brooder houses with countless thousands of baby chicks and we just had to ask what the old papers were used for.

"Peckin' papers," he said. Then he went on to explain that these crazy chicks had to have Coin receptacles have been plac- something to peck on; if they I section land with Mr. Griffith will announce plans each other. If one unfortunate 160-acre farm__

Discussed By Lions

Possible future development of Eldorado and Schleicher county was theme of a discussion type meeting of the Lions club which was held yesterday. This was the first post-holiday gathering of the group. Ray Boyer presided and Tom Wallace was a guest.

Johnny Griffith, program chairman for January, was moderator for the discussion.

Joe Wagley pointed out that all Tom Green county schools may be consolidated into San Angelo, and that some Christoval people might prefer to come to Eldorado.

Boyer appointed Bill Watson, Joe Wagley, Elton McGinnes and Johnny Griffith to look into the matter further.

Ed Meador discussed the forthcoming school bond election, updating the local airport, and how Mooney's new aircraft plant in San Angelo will help this overall area to develop. Bud Davidson gave a report on the clean-up of the town. Boyer thanked local citizens for the Christmas decorating which was done.

Fred Watson reminded all Lions of the Mid-Winter Conference coming up Saturday in Sonora. It is livestock_____\$2.29 per year 4 oz., has been named Lana Denise. more fully discussed in an article Grandparents are Mr. and Mrs. elsewhere in this Success issue. Next week, the program will be

J. P. Enochs To Seek Re-Election As Clerk

J. P. Enochs this week authorized the Success to announce that being built by a group of local and District Clerk, subject to the forthcoming Democratic Primary.

ELDORADO AND SONORA, TEXAS

School Improvement Proposals for January 15th Bond Election

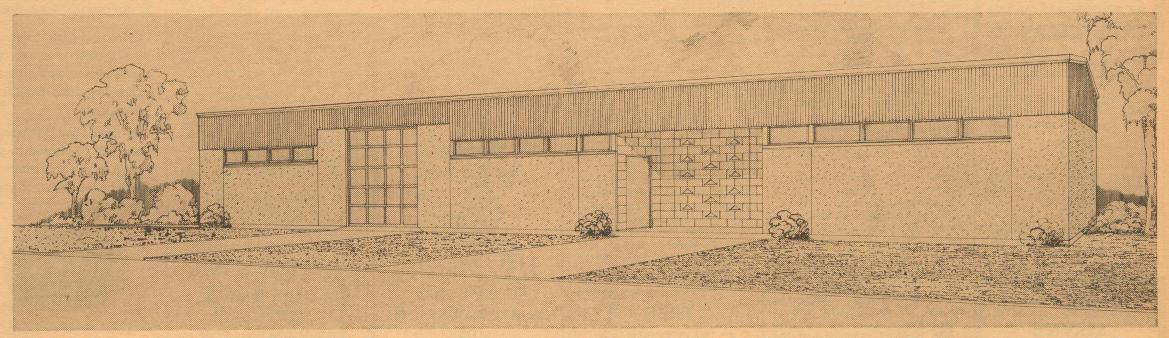

Item No. 1-NEW BAND HALL

The proposed band hall is an extension to the present building facilities that is adequate for present and foreseeable number of band members and will include rehearsal room, practice rooms, instrument and uniform storage and music library. Included in this building is a classroom area of adequate size for two classrooms.

This building will be of matching color and architectural design to

present buildings, and will be situated at the southwest side of the present auditorium and along the street across from the gymnasium. This building is to replace the present band hall which was designed for a maximum of 30 band members. This creates a hazardous overcrowded condition with a present band membership of 100 together with acoustical and temperature problems.

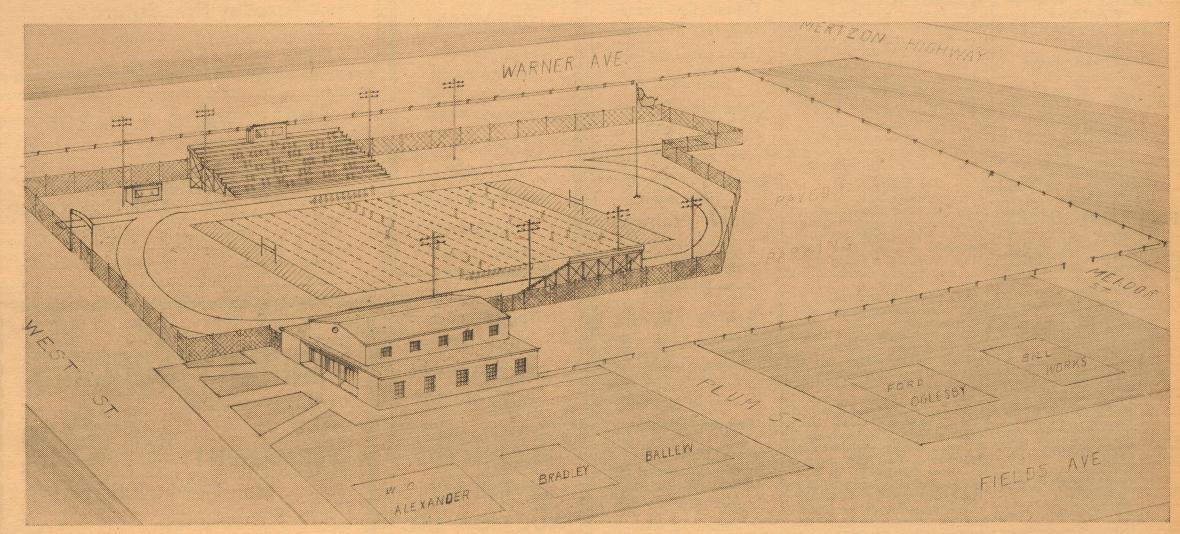

Item No. 2—VOCATIONAL AGRICULTURE BUILDING

This building will house facilities which include shop, classroom, storage and wash room suitable for the present number of 40 or more boys. Noise and distraction will be eliminated between shop and classroom but both facilities can be supervised by one instructor. The shop equipment will include 4 AC electric welders, one DC portable welder, one air compressor, one paint gun, 1 power hack saw, and one acetylene manifold.

This building is to replace the present room which was originally

used as a wood work shop and is only 1215 square feet. The state minimum requirement for this school is 2800 square feet and plans are for the new building to be 3250 square feet.

This building will be of rigid frame steel construction with pebble grained concrete sides and will be of matching color to surrounding buildings and will be facing southeast, adjacent to the old band building. The relocation of the vocational ag. class will make available more immediately needed classroom space and completely eliminate noise, dust, fumes and distraction from connecting classrooms.

Item No. 3—NEW ATHLETIC FIELD

The proposed new athletic field will be located alongside and west of the Gymnasium, in the presently vacant area as shown on the above plat. This new plant will include the playing field, new cinder track, spectator stands, concession stand and restroom facilities. The entire parking area is to be paved and will provide an excess of space compared with the presently used facilities south of town.

Dressing room space in the Gymnasium will be enlarged to accommodate the entire Physical Education program, plus dressing facilities for visiting teams.

The reason for proposing this move from the present location is twofold. First, public pressure has been felt for a number of years toward building dressing room facilities for our teams at the present site. Upon consultation with architects, estimates submitted showed a cost of over \$32,000 for dressing rooms, plus additional estimates which would have called for a total expenditure exceeding \$40,000 to make necessary improvements. Water and sewage disposal problems would still be a factor relative to dressing room additions at our present site, since no satisfactory, practical solution could be offered to solve this problem. Through the use of this money, the entire plant can be moved and present facilities in our Gymnasium utilized to their full extent. Secondly, relocation places our entire school plant in one location. Transportation of children and school personnel is eliminated altogether.

Item No. 4—AUDITORIUM STAGE CURTAINS

Renovation of the Stage Curtains in the Auditorium is included in the proposed improvement program. Wear and tear through the years have made their mark on these curtains and rehanging and redesigning are necessary to up-date and put the curtains in acceptable condition.

Operation EYE-SORE Kenneth Vaughan, Reporter

There are two clean-up projects we wish to recognize this week. Both will effect an improvement in the appearance of the property. First, is the clearing of a vacant lot next door to the E. W. Gibson home. This was done by Mr. W. O. Alexander, the owner of the lot. All growth was removed and the

ground was made smooth. Second, is the razing of the old Sam Jones house by Mr. Collins. All efforts at removal of unsightly buildings and growth will result in improved appearance of our town and we appreciate the interest being shown in that dir-

Mrs. L. D. Jones, who recently had major surgery, is reported to be back at work part time in the county clerk's office in Abilene.

Mrs. Mabel Parker came home Christmas after visiting with her son, Howard G. Parker and family in Tulsa. Oklahoma since Thanksgiving. Her son and family accompanied her home and visited for a day or two.

Posthumous Honor Given Buck Bailey

When members of the American Association of College Baseball Coaches convene in Washington, school will be inducted posthu-mously in the College Baseball Hall of Fame. This student is Arthur Buckner (Buck) Bailey, a 1915 graduate who went on to A&M, World War I, Bethany College in West Virginia, and the Olympic Club, San Francisco, California. Buck Bailey and his wife were killed in an automobile crash in Tucson, Arizona, in October, 1964.

Buck's youngest brother, T. J. Bailey of Ozona, Texas, will attend the Association meeting to witness the ceremony next Monday. plaque which honored Buck was presented to Eldorado High School last December at which ceremony T. J. was present also.

Buck Bailey is clearly as much a West Texas legend as he is a legend of the Western United States with his headquarters at Washington State University. His outsized manhood, kingsized jokes, and amazing record as an athlete himself and as WSU's baseball coach are the caliber for legends in any league. For instance, who

the pro-type football of today; but the floor than the Eagles. he pioneered most worthily. He the West Coast; Bailey and associates took on Red Grange, a legend himself, and the Chicago Bears.

Girls Are Ready For Lake View Tourney

The Eldorado girls basketball win streak on the line in the annual Lake View Tournament this Thursday, Friday, and Saturday. This 16-team meet is one of the strongest competition-wise, this year. Forsan, Stanton, Menard, Garden City and Canutillo are all excellent teams and cinch first round winners. Eldorado will play Miles first at 12:00 noon Thursday and should have no trouble making them victim number 17.

Meet Forsan 2:30

The story Friday at 2:30 should be slightly different as if all goes tough Forsan. They have a basicchampion, Trent, in the regional finals. It should be a real test for Eldorado. If the girls lose they will be eliminated.

Face Menard-Stanton

If the Eldorado crew can get by Forsan, they would probably candied sweet potatoes, English face the winner of the Menardpeas, combination salad, buttered Stanton contest at 11:00 Saturday morning. This would again be a very tough contest which if the game this year:

The consolation finals will take place at 6:30 and championship finals at 8:00 Saturday night.

Marsha Mund and Karen Griffin will lead the offensive attack with Libby Preston and Susan Hill starting unit of Jane Cain, Chris rived overseas in October, 1965. Eaglettes Beat Robt. Lee For The Third Time

They say the "third time is a charm" but after playing Eldorado three times the Robert Lee team has already surpassed and girls still got beat to the tune of surprised people this year with their play in winning 16 straght Mund combined their efforts to without a loss. They will put that score 42 of the 46 with contributions of 3 from Susan Hill and 1 from Martha Sue Page. Karen notched 22 and Marsha 20. The first quarter saw the Eldorado forwards hit 100% from the floor hitting 8 of 8 attempts. They missed a few the second quarter but still managed 60% the first half. Half-time score was 31-22. They found second half was not so productive as they seemed to "let down" with the lead of 9 points. The third quarter brought only 6 and the last period 9 but Robert Lee was equally as bad hitting only 5 and 5. No one went into accordingly the girls will face big, double figures on rebounds as Marsha had 8 on offense and Chris ally senior team that lost to State Edmiston 7 on defense. Everyone got to play and share in the They were away 41/2 days.

— 18 13 Robert Lee — 11 9 5 5—30

Jr. High Girls Win Two Jr. High Teams To Play Lions Set District Over Junction

Both the Eldorado A and B The Junior High Boys and both home Monday night, the B team the Junction Tournament Thurscoasting to an easy 33-1 win, and day, Friday and Saturday of this the A team, in a disappointing week. First round opponents for show but finding their opponents all local teams is Brady. The Eldo-100% improved from their first rado B Girls lead off against Brady encounter a month ago, eking out A at 4:00 Thursday, followed by a 20-15 victory.

ed 13 points, Claudia Meador 8, Sheila Murr 6, Lisa Whitten 4, and Lisa McAngus 2. The forwards the boys' field is very strong inaggressiveness and ball-hawking, together with that of the guards, kept the ball in Eldorado's possession for a vast majority of playing time. In fact, the Eldorado guards never allowed Junction a shot from the floor. This impressive defensive contingent consisted of Linda Robinson, Susan Rogers, Gwen West, and Carolyn O'Harrow.

If the B team forwards were cold, the A team forwards looked as if they had been in deep freeze. Only by Junction's being equally as cold did the local youngsters manage to pull this one out. Randy Yates played a tremendous floor game and scored 7 points before being lost by the foul route early in the fourth quarter. Arlene Hartgraves caught three early fouls and had to play cautiously, but managed 9 points; Dale Montgomery and Vicki Preston scored 2 points each. Julia Garza was off form and saw but little action. Guard Terry Martin was the mainstay of the defense unit, and after shaking off some first-game-homecourt jitters (in which the whole team seemed to share), Marsha Ballard and Peggy McGrew came on strong to aid in holding Junction to three field goals. Substitute Kay Mann looked especially good in her appearance in the third and fourth quarters.

The Eldorado A team has drawn the favored spot in the tournament in Junction this week end, and they are going to have to fast recover their early season form if they are to advance to the finals as they were expected to do.

In Junction Tournament

teams beat the Junction girls at Girls A and B teams are entered in the Girls A team against Brady B For the B team Peggy Hill scor- at 6:00. First game for the boys

Word from Junction has it that were cold from the floor, but their deed. If our boys get by Brady, they will play the winner of Sonora-Menard at 3:00 Saturday. If they lose, they play at 9:00 a.m. Saturday. The lower brackets find Mason vs. Rocksprings and Junction vs. Center Point.

In the girls' tournament, of the three B teams entered, Eldorado Derrick, Mary Lynn McCalla, Gail B drew perhaps the least favored spot, as their second round opponent will be the winner or loser of the Rocksprings A-Junction A game. The Eldorado A girls enjoy choice seeding, playing the winner or loser of the Menard A-Junction B in their second game.

Local Junior High Boys Beat Junction 40-30

The Eldorado Junior High Boys took an early lead in the game here with Junction, enjoying a 22-12 lead at half-time. The final score was 40-30. The Eagles had two players in the double figures -Paul Page with 13 points and Wayne Doyle close behind with 11.

Conference in Sonora

DIST. GOV. GEO. M. THOMPSON

(Ray Boyer, president of the Eldorado Lions club, this week urged all local Lions and their wives who can do so, to attend the Mid-Winter Conference coming up Saturday in Sonora.)

Lions of District 2A-1, an area of 25 counties of Central West Texas, will hold their annual Mid-Winter Conference in Sonora on Saturday, January 8th, 1966. Under the direction of District Governor George M. Thompson of Sweetwater, and District Conference and Convention Chairman Harvey Pal-Other scorers for the Eagles mer of San Angelo, the conference will be hosted by Sonora Lions Club and Sonora West Side Lions Club. Conference sessions will be held at Sonora High School, with banquet meetings scheduled for the 4-H Club building and the High School Cafeteria.

The Mid-Winter Conference is a mid-year review of the District program and activities of the 58 clubs, and all clubs will be represented at the meeting. Ladies will participate in the events, with special entertainment arranged for the wives, including trips through the Caverns of Sonora, a trip thru the El Dorado Woolen Mills, golfing and bridge at Sonora Golf club. Ladies entertainment is headed by Mrs. Herbert Fields and Mrs. A. E. Prugel, wives of the president and secretary of the Sonora Lions club. A reception for the District Governor, special guests, and members of the district governor's cabinet will be held on Saturday afternoon at the Lions Den, meeting place of the Sonora West Side Club, arranged by President Claudio Flores and Secretary David Shurley and their wives. The West Side Club will also host a dance on Saturday night for all Lions and their ladies.

The program for the all-day session will be handled by members of the Governor's Cabinet and will be both a training session for club officers, and a seminar on Disrict Objectives and Activities Special programs will be devoted to the District Convention program, state-wide Lions projects, Youth Exchange, Care, and Membership Programs, and Club administration.

Eagles Blast Miles

Playing only two hours after the first round game with Christoval. Eldorado took the court against Miles and thumped them 69-34 behind the 27 points of Danny Halbert. Danny has had his troubles in the last three games hitting but he came out of it and hit outside and drove well. Jesse Bosmans hit for 10 points while Joe Phillips had 9, Jay Halbert 8, Chris McCravey 5, Donald Rogers netted 4, while Gary Derrick and Rusty Meador had three each.

The Eagles hit well and played equally as well defensively.

Score by quarters—
Eldorado — 11 20 19 20—69
Miles — 11 4 10 9—34 Danny Halbert was named to the All Tournament team for his excellent performance against Miles and Bronte.

Rites For Mrs. J. E. Stack Held At Georgetown

Mrs. J. E. Stack, 87, mother of Mrs. L. B. Wade, died December 26 in Georgetown at the home of Mr. and Mrs. Wade.

Funeral services were held at the First Baptist church in Georgetown on Tuesday, Dec. 28, at 2:00 p.m. Burial was in a Georgetown

cemetery. Those attending the funeral from here were Mr. and Mrs. Arch Mittel, Mr. and Mrs. Bill Lester and children, Mr. and Mrs. Ed Meador and Mr. and Mrs. P. S. Dudley. Mr. Mittel and Mr. Meador served as pall bearers.

Mrs. Stack visited often in Eldorado with her daughter, the former Mrs. Carl Stevens, and the late Carl Stevens when they lived here. Her husband, a Baptist minister, died several years ago. Her home was in Harlingen. She is survived by three daughters, two sons and several grandchildren and greatgrandchildren. She had been in ill health several years.

Mittels Have Guests

Spending Christmas with Mr. and Mrs. Arch Mittel were their son-inlaw and daughter, Mr. and Mrs. W. H. Harrison Jr. and children Leslie and Billy; a nephew, Craig E. In-gram of Shepherd Air Force Base whose home is Santa Anna, Cal.; a brother and family, W. A. Perry Jr. of San Angelo, and David Meador of Eldorado.

Mrs. Harrison and children remained over to visit until New Year's after Mr. Harrison returned home on Monday after Christmas and Allan Perry of San Angelo spent several days to hunt.

The Harrisons visited with Mrs. Harrison's brother, Ronnie Mittel and family also.

Miss Fuller Engaged To Amos Dee Minter

AMY FULLER

Mr. and Mrs. Carl Fuller announce the engagement and approaching marriage of their daughter, Amy Louise, of Dallas, to Amos Lee Minter, also of Dallas, who is son of Dr. and Mrs. Amos Benton Minter of Anona, Texas.

Amy Louise graduated from Eldorado High school in 1964 and has been employed by a bank in Dallas since the summer of 1964. The prospective bridegroom is a '63 graduate of Anona High school and is employed by the I.B.M. Corporation of Dallas.

The marriage will be solemnized in the First Baptist church in Jefferson, Texas, on February 5, 1966 at 7:00 p.m. The Fullers moved to Eldorado from Jefferson in October, 1962.

The young couple will live in

Mr. and Mrs. George Long returned home Thursday night after spending a week with Mr. and Mrs. Frank Smithey in Borger. women are sisters.

State Sen. Hardeman PCA Dividend Set To Seek Re-Election

DORSEY B. HARDEMAN

State Senator Dorsey B. Hardeman of San Angelo today announced his candidacy for re-election in the 25th Senatorial District which now includes 21 counties.

"I am grateful to the people for their confidence and respectfully ask their support," Senator Hardeman said in a brief statement. "My record in office has been predicated on a deep and abiding respect for the principles of our Constitution. It has been my purpose to help maintain a sound, responsive state government and to handle all legislation of local interest with dispatch. This I will continue to do.'

Elected to a four-year Senate term two years ago, Hardeman is running for re-election in 1966 as a result of the redistricting law enacted by the last Legislature which re-aligned the state's senatorial districts to comply with the U. S. Supreme Court's "one man,

one vote" decision. The 25th District includes 15 of its previous 20 counties: Brewster, Crane, Crockett, Edwards, Irion, Jeff Davis, Pecos, Presidio, Reagan, Schleicher, Sutton, Terrell, Tom Green, Upton and Val Verde. The six counties of Ector, Kinney, Loving, Midland, Reeves and Uvalde were added to make up the new 21-county district.

Senator Hardeman is recognized as being one of the three most powerful members of the Legislature, the others being the Speaker of the House of Representatives and the Lieutenant Governor, who presides over the Senate. Hardeman is presently chairman of the influential Senate Committee on Finance, a member of the Senate orations were in blue and white, Investigating Committee and is serving his 14th year on the Legislative Budget Board, the vital legislative research arm on finances to fulfill needed state services.

During nine regular and several special sessions of the legislature, Hardeman has served as chairman or as a member of all major Standing Committees of the Senate, thus club. giving him experience and seniority valuable to the people he so an EHS graduate, is a sophorepresents. Jack Wade To Marry

Uvalde have announced the engagement of their daughter, Miss for the past year. Patsy Ann Benson, to Jack Ray Wade. Parents of the prospective Wade of Eldorado.

A summer wedding is planned. Miss Benson was graduated from Uvalde High School, and is employed by a Uvalde bank.

of a Uvalde bank.

The Texas Production Credit Association has declared a 5% dividend on all Class A and Class B stock, payable early in January, 1966, on all stock of record December 31, 1965.

Aubrey DeLong, director of the association, states that there are many stockholders in the Eldorado trading area, and this dividend will bring a sizeable amount to the local people. The Texas PCA specializes in agricultural loans and is owned by ranchers and farmers of West Texas. They have loaned approximately \$12 million during the past year. The dividend helps to reduce the cost of money to its borrowers, which is already at the very low figure of 6% simple interest, according to DeLong.

Miss Porter Engaged To Ronnie Williams

JAN PORTER

The engagement of Miss Janice Irene Porter to Ronnie Wayne Williams of San Angelo was announced Friday at a tea given by the brideelect's mother and aunt, Mrs. B. F. Harkey in the Harkey home here in Eldorado.

The wedding will take place in the First Christian church here on June 25th.

much of the increase in government payments, about \$1 billion, to offset the income effect from of Livestock and Poultry." the reduction in price-support loan rates to competitive world price levels. Some increase to wheat farmers will result from the new legislation and the new Cropland Adjustment program will also add to increased farm income in 1966.

The economist expects production expenses to continue their upward trend and to offset much of the indicated gain in gross farm income. Prices paid for commodities, interest, taxes, and wages are expected to increase but the rise will be less than the increase from 1964-65.

Net income per farm in the nation in 1965 is now estimated at over \$4,000 — 10% above 1964 and 40% above 1960 and the best in over a decade. With the continuing decline in farm numbers and farm people, per farm and per capita incomes of farmers should reach new highs in 1966.

The total value of farm assets continue to rise with most of the increase due to higher farm real estate values. Farm debts rose sharply in 1965 and will probably increase more in 1966, but the dollar increase in debt will be much less than gains in farm assets, the economist said.

And finally, McHaney said farm equities rose in 1965 and prospects are good for a further improvement in the financial position of farmers in the year ahead.

The easitst way for a man to get his wife's attention is by look-
