65TH YEAR

ELDORADO—SCHLEICHER COUNTY, TEXAS (76936) Thursday, November 24, 1966

Number 46

## Funeral Monday For Mrs. R. A. Evans, Sr.

Mrs. R. A. Evans, Sr., resident of Eldorado for over 60 years, passed away at 5:15 p.m., Saturday, Nov. 26, in the Shannon hospital, San Angelo, where she had been a patient for three days.

Funeral services were held Monday at 2:30 p.m. in the First Baptist church in Eldorado with the pastor, the Rev. Kenneth Vaughan, officiating. He was assisted by Rev. Earl Sherman of the College Hills Baptist church of San Angelo.

Mrs. Joe Muller Christian furnished the organ music and pall bearers were Joe M. Christian, Jimmie West, T. P. Robinson Jr., G. A. Hext, Don McCormick and Patton Enoch, all of Eldorado.

Interment was made in Eldorado cemetery under direction of Ratliff-Kerbow Funeral Home.

Mrs. Evans was born on July 16, 1877 in Harris county, and was married in that county to R. A. Evans on November 27, 1898. The couple moved to West Texas in 1901 and set up housekeeping in Christoval, later moving to Eldorado which became their permanent home. Mr. Evans preceded her in death on March 31, 1950.

In November of 1948, a large crowd of friends and relatives from a wide area of West Texas called on Mr. and Mrs. Evans on their Golden Wedding Anniversary.

Mrs. Evans is survived by two daughters, Mrs. R. O. Smith of San Angelo and Mrs. Leland Haynes of Kingsland; one son, R. A. Evans, Jr., of Eldorado; a granddaughter, Mrs. John A. McGee of San Angelo; a grandson, Dale Haynes of San Marcos, and two great grandchildren. She is also survived by one brother, J. T. McClelland and one sister, Miss Letha McClelland, both of Houston. A daughter, Louise Evans, died in 1930 at the age of 18.

## O. B. Bradshaw Dies

Funeral services were held at 2:00 Sunday afternoon in the Presbyterian church for O. B. Bradshaw, 51, with the Rev. Dan Sebesta officiating. Interment was made in Eldorado cemetery under direction of Ratliff-Kerbow Funeral Home.

Mr. Bradshaw died at 5:00 a.m. Friday in Shanon hospital in San Angelo following a long illness. He was born April 18, 1914 in McCulloch county. He was married to the former Ruth Duncan of Brady.

Mr. Bradshaw was a resident of Eldorado for 30 years before recently moving to San Angelo. He operated a truck line in Eldorado.

He was a member of the Eldorado First Presbyterian church. Survivors include his wife, a daughter, Mrs. W. B. Wilson of Iraan; his mother, Mrs. Emma Bradshaw of Eldorado; a grandmother, Mrs. J. L. Kizer of Menard; and two grandsons.

## Committee Named By Presbyterians

The Presbyterian church here recently named a committee of five as pupil committee to work on getting a new pastor to succeed the Rev. Dan Sebesta.

Paul Page is chairman, and other members are Mrs. Edwin Jackson Sr., Mrs. James Page, A. G. McCormack, and Joe Ed Spencer.

The Rev. Dan Sebesta and his family were honored with a reception Sunday afternoon in the church basement and they are to move to Big Spring the end of this month.

## Voc. Ag. Teachers To Meet Here December 6

College Station, Texas.—Area 2 high school vocational agriculture teachers will hear a program on determining pregnancy in beef cattle Dec. 6 at Eldorado.

Hulan Harris of Big Spring, Area 2 supervisor of vocational agriculture for the Texas Education Agency, said the talk will be given at 3:30 p.m. by Frank Litter of Texas A&M University's Agricultural Education Specialist Program.

The meeting, a part of an in-service educational program planned by teachers in District 5, is expected to draw about 25 teachers, Harris said.

## Post Script

### Thanksgiving Holiday Is Today

Today, Thursday, is Thanksgiving Day and as such is a general holiday.

Except for some service stations—and a local cafe or two remaining open to serve traditional fare to transients passing through as well as to local people who don't care to cook a big dinner—most business establishments are closed.

The four-day week end is being taken by the Court House, City Hall, and by the School. Most people, though, will be back at work Friday morning.

The Community Thanksgiving service sponsored and conducted by the Ministerial Alliance of Eldorado was staged Sunday night. School was dismissed at 2:30 Wednesday of this week for the holidays.

It is expected that visiting, hunting, watching football on T-V, and feasting will occupy the Thanksgiving holiday for residents of Schleicher county.

What have we to be thankful for this Thanksgiving?

Thanksgiving has not always been a continuing annual celebration. The first Thanksgiving in America was in 1621 with the Puritans rejoicing over the meager plenty that saved them from starvation.

There is no record of another public Thanksgiving before 1830, and that was in Boston in gratitude for the arrival of ships bringing food and friends from across the ocean. From then until 1680, Thanksgiving was observed only upon occasion or deliverance, especially from Indian attacks.

So you see, Thanksgiving was not always a harvest home. Through our history we have celebrated Thanksgiving for many reasons, not just for food alone. In truth, the day was appointed by George Washington in 1789 in celebration of the adoption by Congress of the Constitution. Washington issued a second proclamation of Thanksgiving in 1795 upon the suppression of the Whiskey Insurrection. And in 1815 President Madison recommended a Thanksgiving for peace after the War of 1812.

It is portentous that just before the Civil War the states were also divided on the day to celebrate Thanksgiving. Each state chose a different date until later when President Lincoln appointed the last Thursday in November as Washington had intended.

In this country of plenty it is easy to forget that most of the world is starving, as were the Puritans. So if today we must stuff ourselves to excess to be reminded not only of the bounty of food which God has permitted us, but that He has allowed us individual liberty as to no other people, then Thanksgiving Day is good.

And, too, we must not forget, but

s Washington suggested, we should give thanks for Our Constitution on Thanksgiving Day and rededicate our lives to its preservation, for it is a richer gift than any harvest ever provided.

S. C. Engdahl is on the job as new mechanic at Bennie Harkey's Auto Supply and Garage on South Main Street.

Mrs. L. T. Wilson, who left a while back to spend the winter in California, writes, "I'm having a wonderful time out here in California and enjoying my children, Lewis Wilson at Anderson, Calif., Mr. and Mrs. Joe Clevenger at Ono, Calif., and Mr. and Mrs. M. V. Deaton at Concord, Calif. At present I'm at the Clevengers' 25 miles west of Redding, Calif. They are having some real good rains, but so far no snow."

Her mailing address is 2901 Concord Blvd., Concord, Calif.

## Gin Report

"The rush is over," remarked George Mikeška when we found him alone in the gin office Tuesday. A crew was standing by at the gin but the only things on the yard were a number of empty trailers.

The gin total at that time stood at 1473 bales, and most of Mikeška's customers had already reported they were all through. There were still two farmers, George said, who had not even started stripping and he was expecting one more flurry of ginning before the season is over.

## Two Local Girls Given Scholarships At A.C.C.

Abilene, Texas.—Two Eldorado students have been named recipients of the more than 700 scholarships awarded at Abilene Christian College for the fall semester.

Beth McCalla, daughter of Mr. and Mrs. L. E. McCalla, is a recipient of the \$200 Eldorado P-TA scholarship. Miss McCalla is a freshman elementary education major.

Molly Phillips, daughter of Mr. and Mrs. Paul Phillips, is a recipient of the Mrs. Roxie Neal Scholarship for \$150 which is awarded to worthy students in Tom Green, Pecos, and Glasscock counties. Miss Phillips is a senior elementary education major.

### ENGAGEMENT ANNOUNCED

Mr. and Mrs. E. G. Glover of San Angelo have announced the engagement of their daughter, Marilyn, to Philip Walker, son of Mr. and Mrs. Herman Walker of this county.

The couple plan to be married Dec. 17th in St. Luke's Methodist Church in San Angelo.

## Re-Classifications Announced By Board

Frances W. Grobe, clerk of the Draft Board which has its headquarters office in Sonora, recently announced that Schleicher county registrants classified at the last board meeting were as follows:

HOW THEY CAME OUT	NOVEMBER 18TH:
Sonora 47	Wink 14
HOW THEY STAND:	Sonora, Bi-district champion
WHERE THEY PLAY	NOVEMBER 25:
Sonora vs. Seagraves in Andrews with a Regional Championship at stake.	
ELDORADO EAGLE SCHEDULE FOR 1967:	
Sept. 10	Eden, there
Sept. 17	Crane, here
Sept. 24	Robert Lee, there
Oct. 1	Menard, there
Oct. 8	Sanderson, here
Oct. 15	Iraan, there
Oct. 22	Sonora, here
Oct. 29	Junction, there
Nov. 5	Rankin, here
Nov. 12	Ozona, here
NEXT YEAR'S PICK:	
1. Sonora	
2. A toss up among Ozona, Junction, and Eldorado, any one of which may rise up and beat Sonora	
5. Iraan	
6. Rankin	
7. Menard	
8. Sanderson

## Presenting: Your Eagle Marching Band

It has been no secret that band parents have been proud of the Eagle Marching Band this year. Its halftime show at each football game has evoked praises from the spectators of the other towns. It has been a time of hard work and anxious moments. There were mistakes made and regrets expressed after each show.

Wayne McDonald came to Eldorado this year as band director, with a 17-year winning record in Marching Contest—the last 5 years with Cross Plains. The Eagle Band had faced that combination and knew what competition meant. The difference this year—Mr. McDonald was head of the Eagle Band, they wanted a First in contest, even more they wanted their "Mr. Mac" to have that 18th win.

Tension was extreme when the three bus-loads of band members pulled out of Eldorado last week headed for Brady. Each band member knew that it was up to him to do his best.

Band after band performed—then came Cross Plains—good as usual, confident and sharp looking—a winning band. Next at 3:20 the Green and White Eagle Band marched on the field. The Eldorado spectators held their breath. This was it! A 7-minute show with 3 judges, experts at the business, watching. It was a great show, appreciated by the crowd; but little things happened and when the kids left the stadium, to go change to street clothes, tears were falling. They didn't think they had been good enough to rate a First and they were saying, "We let Mr. Mac down."

Glumly they went back to the stands to watch the rest of the bands perform until 5 o'clock when ratings in Class A would be given.

The announcer's voice came over the loudspeaker. Town after town with the rating, then "Cross Plains 1, Eldorado (a terribly long pause and we waited hardly breathing) Eldorado 1." Seventy kids exploded, screaming, hollering, crying, hugging each other and their beloved "Mr. Mac." You don't calm down kids as happy as they were (besides, who wanted to?). So we left the stadium, the entire group yelling "We want Sweepstakes next."

In the dining hall of the Plateau Cafe, where they had supper, the happy excited group remembered that Kay Sanders was celebrating her 18th birthday, no cake available, a huge piece of coconut pie improvised with one big candle glowing for their Contest First they sang "Happy Birthday" to Kay as she was ushered into the room.

The kids took up a collection of change and asked their band director to call Mr. Humphries of their win and when the buses pulled in to the parking lot at the Eldorado band hall there was Mr. Humphries and those who had attended P-TA waiting, a huge sign painted, congratulating Director and Band.

Expressions of pride from townspeople have made the band happy. Sweepstakes? Yessiree! They are already thinking and working toward playing Contest next spring, wanting to win that Sweepstakes Award. And next year? They want you to know they plan an even better repeat performance.—Band Sponsors.

## Seven Accidents Here In October

The Rural Monthly Traffic Accident Summary recently released by the Texas Department of Public Safety revealed that Schleicher county had 3 personal injury accidents and four property damage accidents for a total of 7, during October. Six were reported injured, and property damage for the month came to \$5,040.

For the first 10 months of 1966, we had 33 accidents, down from the 38 for the same period of a year ago; property damage declined from \$19,841 to \$18,718.

### COMMUNITY SERVICE HELD

The community Thanksgiving Service was held as scheduled last Sunday night in the Methodist church with a near-capacity crowd attending. Rev. Dan Sebesta delivered the sermon; the community choir was directed by Mrs. Maxine Page because Mrs. Olson was ill that day.

## '66 Football Season Summary

One of the long recognized by-products of football is the development of leadership qualities in its participants.

The Eldorado High School coaching staff with Headcoach Ray Morgan as spokesman said Monday that a purposeful part of this past season's football training was in developing leadership with its good behavior and responsibilities among the Eagles, particularly among seniors. He continued that the Eagle coaching staff was particularly happy with progress among the senior Eagles this year. These young men have taken pride in difficult assignments and in wholehearted and for the most part successful accomplishments of these assignments.

Coach Morgan went on to say that Eldorado High students numbering six return for their last season of high school football in 1967, and that these lads by their continued development of high quality leadership potential can propel the Eagles even to the top of the 8A ladder in the 1967 football wars.

Coach Morgan concluded that the coaching staff was very proud of the accomplishments and behavior of the nine seniors who provided age, maturity, and leadership this past season.

Two Eagle backs tied in the number of touchdowns scored this past season and End D. Rogers tied with these backs, all posting four each touchdowns. But P. Childers

kicked two field goals and six extra points to post a 36-point total while R. Davidson scored four touchdowns and ran across a try for point after touchdown for two points to bring his total to 26. Rogers also succeeded with a two-pointer after touchdown for a total points of 26 with 15 completions and 301 yards gained to his credit.

J. Halbert posted an 18-point total based on three touchdowns. D. Halbert scored one touchdown personally while throwing for two more. He hurled 125 passes of which 41 were completed for 512 yards. Seven of the 125 were intercepted but Halbert himself intercepted two enemy aerials.

J. Bosman scored three touchdowns and two two-pointers for 22 points. He caught 24 passes for 276 yards and intercepted two, one of which he ran back 70 yards and for a touchdown.

Pat Childers carried 101 times for 560 yards; J. Halbert 83 times for 370 yards; R. Davidson, 79 times for 432 yards; and D. Halbert carried 36 times for 212 yards.

J. Halbert intercepted two enemy aerials as did R. Davidson. Chris McCravy intercepted three times.

Ricky Buchner and C. McCravy accounted for seven each individual stops of enemy ball carriers and each was in on 17 assists.

John Mayo tabbed 15 unassisted stops and 28 assists.

Donald Rogers posted 20 "by

## Menard Planning Improvements on Hospital

"Bright Future is Seen for Hospital Here."

This was the headline in The Menard News last week over an article describing some of the problems their institution is facing in order to qualify for Medicare patients.

Apparently the people in Menard are backing their hospital, the county commissioners having indicated a willingness to do everything possible to improve it to the extent needed.

The Menard News article is reprinted, in part, as follows:

A bright future for Menard Hospital and Retirement Home was visualized Wednesday by its administrator, with the admonition that an important decision must be made within the next few weeks.

The administrator, Fred Murray, spoke at the Menard Rotary Club luncheon.

"Medicare," he said, "has become the law. It is our job to determine how we can live with it."

The future of the hospital is bright, Murray said, from the standpoint of having adequate per-

sonnel already on the job to satisfy Medicare requirements. He took note of one county, somewhat more populous than Menard, which has only one registered nurse, the wife of the county's only doctor. But the local hospital employs five registered nurses, with two doctors practicing here, and other key personnel in adequate numbers.

The important decision to be made, Murray said, deals with improvements in the physical plant which will be required under Medicare.

The local hospital has until Dec. 1 to declare its intentions. More specific knowledge of what will be required will be had after the visit next Tuesday of Carrol Gregory, chief of certification for Medicare for Texas.

According to information from hospital officials, it would be well high impossible, economically speaking, for a hospital no larger than Menard's to operate without receiving Medicare patients. A large percentage of the patients treated here are eligible for Medicare assistance, it was noted, and the hospital cannot afford to turn those patients away.

### THAT'S A FACT

**HIGH PITCH!**

**THEY MUST KNOW SOMETHING!**  
MORE THAN HALF OF THE NATION'S COMMON STOCK SHAREHOLDERS ALSO OWN U.S. SAVINGS BONDS

Austin, Texas.—Gov. John Connally has made his big decisions on state spending and taxes for the coming fiscal period.

He scheduled releases of his budget by sections starting this week. Reportedly, it calls for just under \$200 million in new taxes.

First section on state employment problems calls for payroll hikes of \$75 million from all funds and \$26 million from the general revenue.

Connally told Texas mayors and council members that he will not recommend the optional local sales taxes they advocate. He indicated that he won't ask for an increase in state general sales levies.

Speculation is that the governor will include a gasoline tax increase, college tuition boost and sales tax on alcoholic beverages in his revenue program.

He definitely will recommend some financial relief for hard-pressed cities. He hinted this will be in the form of state assistance for building, maintaining and policing streets.

While Connally completed his financial recommendations which will be sent to legislators on December 15, legislative budget writers made no progress.

Lt. Gov. Preston Smith has not called a meeting of the Legislative Budget Board since dismissal of Director Vernon McGee on August 29. Smith promised a legislative budget would be submitted by the January 15 deadline, however.

**Requests Almost Double**

Texas' state agencies have requested 93% more money for the 1968-69 biennium than they are receiving during this biennium. Governor Connally said that's evidence of the increasing complexity and magnitude of state government.

Connally said general revenue appropriations for the current biennium total \$635 million, and requests for the next two-year period amount to almost double that sum—\$1,216,000,000.

"Biggest item in the budget is public and higher education," Connally said, "and it is in this critical area where the largest increase is requested." The current appropriation in this area is \$347 million, but \$683 million is requested, he said.

**Oil Allowable At Peak**

Santa Claus came early for Texas oil producers. Railroad Commission set the highest production factor in 7½ years for December.

Statewide allowable will be 36.5% of potential. Factor will permit production of 3,322,712 barrels a day, compared with November's 34.5% which produced allowable of 3,205,042 barrels daily.

Commented Commission Chairman Ben Ramsey in announcing the happy tidings: "The crude oil

market is extremely tight. Demand is extremely strong, and will remain strong for the next several months."

**New Voter Signup Proposed**

A bi-partisan election law subcommittee, headed by Sen. Tom Creighton of Mineral Wells, has agreed unanimously on a proposed new free registration system for Texas voters.

System would work like this: all voters must sign up personally with county tax officials, initially. Afterward, they can register by signing an official application form sent out by the tax office.

Voters must carry a registration card or certificate and identify themselves by signature at the polls.

Creighton said he hopes to submit the plan, together with an omnibus election law "clean up" bill, to the public hearing early next month.

Voters at the November 8 general election expressed preference for annual registration as opposed to permanent signup.

**Teachers' Benefits**

Texas college teachers may not get salary increases from the 60th Legislature, but they may get a new battery of fringe benefits as compensation, if the recommendations of the Interim Legislative Committee on Faculty Compensation in State-Supported Colleges and Universities are followed.

In reporting to approximately 200 college presidents and professors, the committee said it would recommend to the Legislature an optional retirement or annuity program, paid research or study leaves, state aid for group insurance plans, the waiving of tuition for faculty members and their families and lifting the legal ban against construction of parking lots that don't charge user fees.

**Water Plan Advisors**

Twelve West Texans have been named as an advisory group to the Texas Water Development Board to keep the board informed of West Texas attitudes toward the state's fulfilling its Texas Water Plan.

The 12, nominated by the West Texas Chamber of Commerce and the Plains Cotton Growers, Inc., of Lubbock, will be kept fully informed and will be asked for advice as two major Texas engineering firms and the U. S. Bureau of Reclamation explore various ways to get water surpluses from East and Northeast Texas to West Texas.

Board authorized the preparation of two contracts aimed at the West Texas water problem and accepted the bureau's offer to make a study of the possibility of pumping water back up the Colorado River to serve San Angelo, Midland, Odessa and El Paso.

**Short Snorts . . .**

District Judge Marvin Blackburn and attorneys for both sides agreed on Dec. 9 as pre-trial hearing date, and Dec. 19 as the trial date, on a suit by landowners to stop condemnation of their land located within the site of the proposed Lyndon B. Johnson State Park.

State Selective Service Headquarters says 1,943 Texans will be called to service during January, compared to only 744 for December, and 2,339 for November.

**To Marry C. F. Dacy**

RUTHELLA JANE NICHOLAS

Mr. and Mrs. Milton Nicholas of Ozona have announced the engagement of their daughter, Miss Ruthella Jane Nicholas, to Charles Franklin Dacy, son of Mr. and Mrs. M. F. Dacy of Eldorado.

Miss Nicholas is a graduate of Ozona High School and Columbia Secretarial College, Odessa and until recently was employed in Dallas.

Her fiance is a graduate of Eldorado High School. He attended Sul Ross State College and was graduated from Midwest College of Commerce, Colorado. He is currently employed by Southwest Texas Electric Co-Operative in Eldorado.

**Methodist Notes**

District Conference was held Monday in Del Rio beginning at 10:00 a.m.

Rev. Salter and family are spending part of the Thanksgiving week end in San Antonio, and he planned to do some hunting while there.

The Rev. Kermit Gibbons, district superintendent, will preach at the service Sunday morning, and Ed Meador will preside. No evening service that day.

**Home Demonstration Agent's Column**

By MRS. VIDA KREKOW

The nicest foods are very often uncovered at a covered dish luncheon. That happened the other day at a meeting of the Glendale Home Demonstration Club.

A guest, Mrs. Jess Koy, delighted everyone with her broccoli dish. Bernice said that Mrs. Bob Bradley had given her the recipe which Elizabeth called "Broccoli-Waddill." The guests and I decided that we would do as the English people do—just keep adding names as the progression occurred.

**Broccoli—Supreme**

(might be called Broccoli, Waddill, Bradley, Koy)

- ? packages Chopped frozen broccoli
- 2 beaten eggs
- 1 tablespoon flour
- 1 tablespoon butter
- 1 cup cream
- ½ cup mayonnaise
- ½ teaspoon salt
- juice of ¼ lemon.

Melt butter, add flour and mix well. Add cream, eggs, mayonnaise, salt, lemon juice, and thawed broccoli. Bake in a greased casserole. Put casserole in container of hot water and bake for one hour at 375 F., or until mixture is firm.

Chopped spinach, asparagus, or green peas may be used instead of broccoli.

The next recipe is a true mystery even though I doubt seriously that the man from U.N.C.L.E.—would give much of his time to it. Mrs. Corinne Robinson has given me the recipe for a cake which came to her from her daughter, Frances.

Mrs. Robinson says it is interesting; I agree. I can't wait to get home and look up the ingredients in the old testament for this—

**Scripture Cake**

- 4½ cups I Kings 4:22
- 1 cup Judges 5:25 last clause
- 2 cups Jeremiah 6:20
- 2 cups I Samuel 30:12
- 2 cups Nahum 3:12
- 2 cups Numbers 17:8
- 2 tablespoons I Samuel 14:25
- 1 pinch Leviticus 2:13
- 6 Jeremiah 17:11
- ½ cup Judges 4:19

Seasonings II Chronicles 9:9. Follow directions of Solomon for bringing up a child. Proverbs 23:14.

Bake as a loaf cake at 325 degrees 50 minutes. Turn out on a rack to cool. Slices best after a few hours.

The economy of the United States is based on borrowed money. Borrowers are regarded in many different lights—"Neither a borrower nor a lender be" was an admonition of my grandparents' day. Shylock is a famous example of the other half of the borrowing

team—the lender.

Banks and other lending agencies stake their economic success on the borrower who will be able to repay.

During the year of 1966 some attitudes toward money have been changed. Money has become "tight." Higher and higher interest rates cause tight money. Individuals and corporations are thinking a little longer before borrowing money at high interest rates.

Recently I asked some one here in town about the standing of the proposed motel for Eldorado being discussed several months ago.

"Tight money got that project" was the short but to the point answer.

An individual may not borrow huge sums of money but huge sums of individuals borrow money and buy on time every business day of the year.

The National Association of Credit Unions offer these suggestions for those who borrow money:

1. No matter how good the interest rate sounds, find out what the credit or loan will actually cost you in money. This is the first thing to do.
2. Before you sign any papers, make sure all the figures are entered correctly. Never leave any blank spaces to be filled in later.
3. Question all insurance charges. Find out what kind of insurance you are buying, and exactly what it covers. Many different insurance "load-on" practices have been reported.
4. On installment purchases you may owe the payments to some other firm, not the dealer. Find out who it is, and if it is a reputable firm. If you have any doubts, check.
5. Read the note or contract to see what penalties are imposed for late payments. Some penalties are exorbitant.
6. See if there are any other extra charges specified in the note or contract. Don't skip the fine print or you may be sorry.
7. Read what is said about repossession in a time-payment contract. Do you get a fair notice before the item is repossessed? What repossession charges can be levied against you? This is important.
8. Understand clearly what security you are giving. On a purchase, find out if it includes other merchandise you bought previously.
9. Make sure you do not sign away any of your legal rights or guarantees, such as the right to refuse merchandise that is not as promised.
10. See if there is a provision for a refund of interest or carrying charges if you complete the payments ahead of schedule.

### Prolonged Dry Spell Creates Fire Hazard

Austin, Tex.—A 30-day forecast of continued dry, unseasonably warm weather prompted the Texas Parks and Wildlife Department to again remind hunters of grave fire hazards existing in the upland game areas as well as on the big game ranges.

Department reports from field men on the opening of the deer, turkey and quail seasons emphasized a strong co-operative attitude by sportsmen.

One good reason for this, said a Department spokesman, is the matter of self survival during a raging range fire.

Tinder dry grass and brush have combined to create such dangerous conditions in some areas that they have caught the attention of even the more inexperienced outdoorsmen.

The Department admonished

hunters to be extremely careful not only with camp fires but with smoking materials. A creeping fire from a discarded cigarette was described as matching the disaster potential of an unattended camp fire.

Even should the dry spell be temporarily dampened by a shower, Department field men reported that the heavy growth of matured grass and weeds will provide a hazard as long as so many sportsmen remain in the open spaces for their favorite fall pastime.

The Department suggested the up-to-date autumn hunting outfit will have a gunny sack or two, or the equivalent, handy to soak in water for use should a camp fire threaten to spread.

The Eldon Calk family will spend part of the Thanksgiving holidays visiting with relatives at Coleman, and will be met there by their son-in-law and daughter, Mr. and Mrs. Lewin Plunkett of Austin.

### '66 Football Season Summary

(Continued from Front Page)

himself" stops with 40 assists.

J. Bosman made 21 unassisted stops and 12 assisted stops. But Pat Childers topped the list with 25 unassisted stops and 48 assists.

The Eldorado Eagles posted a season's record of five wins, four losses, and one tie. But they were on the long end of the score with 169 for the season to their opponents' 102.

1967 has been a good year, win, lose, or draw, for the nearly 200 boys playing UIL District 8A football. Unfortunately not everybody can win every game; but part of the lessons of football is that winning is not by divine right. Dads with their love and pride in their sons tend to expect each son to display the coolness and skill of John Unitas, the strength of Bob Lilly, the power of Jim Brown, run a 9-second 100-yard dash, and exhibit the determination of the Dallas Cowboys. All of these qualities Dad believes exist in his son who doesn't weigh 140 pounds. The miracle and the marvel are not that dads expect so much; but rather that so often their sons almost completely justify their dads' faith in them. And usually against the greatest odds.

### School Menus

Monday, Nov. 28: Baked ham, candied yams, cream style corn, spinach, buttered rolls, milk, canned fruit.

Tuesday, Nov. 29: Fried chicken and gravy, creamed potatoes, green beans with mushroom sauce, carrot & pineapple & raisin apple salad, buttered rolls, milk, white cake with fudge icing.

Wed., Nov. 30: Chili with beans and without beans, cheese strips, cole slaw, milk, fresh fruit cup, pecan squares.

Thursday, Dec. 1: Barbecued beef, potato salad, pinto beans, pickles and onion rings, buttered rolls, milk, fruit cobbler.

Friday, Dec. 2: Tuna croquettes, stewed tomatoes, blackeyed peas, macaroni & cheese, buttered rolls, milk, orange halves.

### Eaglettes Claim Their First Victory

The "Green Hornets," as the Eaglettes could well be called, literally swarmed Balmorhea Saturday night and beat them by a very convincing 50-38 score before a partisan crowd from Eldorado. A good sized group made the 120 mile trip to McCamey plus the followers of the Bearettes then some who just came to watch.

Both teams showed signs of nervousness but Eldorado regained their composure and went to a 6-0 lead. However, on fine shooting by number 22 outside the Bearettes tied it 8-8 at the end of the first quarter. Susan Hill was responsible for 6 of those points on beautiful outside shots. As the second quarter rolled around Chris Edmiston switched to forward and business picked up with two quick baskets by Chris and two stolen balls, Eldorado had a 14-8 and by half-time it was 28-15.

Scoring was equal in the second quarter with Libby, Susan Hill and Chris hitting 6 each and Susan Mobley adding two more as she did in the first quarter.

During this time Chris, Sherry Yates, Nancy Jurecek and Shirley Hubble had worked overtime on the Balmorhea forwards rebounding beautifully, making very few ball handling errors and being very stingy with points, allowing 15 the first half.

The second half saw the green and white gain 9 more by outscoring the Bearettes 15-6. Chris Edmiston hit 7 and Libby 8. The last quarter it was 2 each for Libby, Chris and Susan Mobley, while Martha Sue Page and Stella Hubble came into the game. Defensively Shane Henderson looked good in bringing in 5 rebounds while Jacque Davis, Jan Wagley and Billie Gayl Blaylock did a good job.

Chris led rebounding with 13 while Libby had 9 on offense and Sherry 9 on defense. Nancy Kay and Shirley had 7 and 4, Shane 5 and Jan 1. On offense Susan Mobley had 5, Susan Hill 3, Mar' Sue Page 2, and Stella Hubble 1.

The team hit 38% of their shots from the floor but they hit a poor 2 of 8 free shots for 25%. Individual scoring was Libby

Preston 16, Chris Edmiston 15, Susan Hill 12, Susan Mobley 7.

The Eaglettes opened their 1966-67 campaign with a hard-earned win over Balmorhea who had a 34-2 record last year and lost one guard and one forward through graduation.

The Eaglettes not only outshot but out hustled and were in better condition than the Bearettes.

Eaglettes — 8 20 15 7—50  
Balmorhea — 8 7 6 17—38

### Cash To Speak At Recognition Dinner

The Twin Mountain District Annual Recognition Dinner will be held at 7:00 p.m. Dec. 2 in Angelo State College Cafeteria.

The Concho Valley Council of the Boy Scouts of America has notified all Den Mothers, Cubmasters, Scoutmasters, Explorer Advisors, Assistant Unit Leaders and Unit Committeemen to plan to attend if possible.

Norm Cash of Eldorado, who is the star first baseman of the Detroit Tigers, will be speaker for the evening. Training Awards and other recognitions will also be made.

"The tickets are \$2.00 per person and your Institutional Representative has tickets for your unit. Wives and husbands of leaders are cordially invited as well as Cub Scouts, Boy Scouts and Explorers.

The tickets are the same price. Please contact your Institutional Representative for tickets by Nov. 28 if at all possible. We must let them know how many to expect by this time. Your help will be deeply appreciated." Foregoing statement was issued by Dr. C. A. LeFevre, district chairman.

### "B" Girls Swamp Balmorhea Saturday

The predominantly freshman B team gave the Balmorhea B girls a lesson in basketball Saturday night defeating them 50-13.

It was a fine performance by the forwards as they not only scored at will but consistently stole the ball from the Bearette guards. It was 12-2 at the end of the first quarter and there was little doubt as to who was in full control of the game. Arlene Hartgraves netted 24 points, Randy Yates 16, Dale Montgomery 6, and Vicki Preston 4. There were not many rebounds but Debra Murr had 6 for the defense to lead all guards. Everyone got to play and get the feel of the first game of the season.

The team moved well and worked as a unit. Dale Montgomery led in offensive rebounds with 10.

Game by quarters:  
Eldorado B — 12 14 17 7—50  
Balmorhea B 2 4 4 3—13

**In Those Days**  
Compiled From Success Files  
**ONE YEAR AGO**  
Nov. 25, 1965—Unseasonably warm weather was reported hampering deer hunting.  
J. F. Kinser died at the age of nearly 85.  
Jane Cain was DAR Good Citizen of the Senior class.  
A daughter was born Nov. 19 to Mr. and Mrs. Frank Williams.

**FIVE YEARS AGO**  
Nov. 23, 1961—Mr. and Mrs. Bert Page moved to San Antonio to make their home.  
Rev. C. M. Nyquist was elected president of the Ministerial Alliance, to succeed D. C. DuBose.  
Mikel Jurecek, Jim Cheek and Pete Logan were named to the All-District Football Team.  
T. H. Alexander celebrated his 82nd birthday.  
Lum Davis completed 25 years as a Firestone tire dealer.  
A gift tea honored Betty McCoy, bride-elect of Hal King.  
Bennie Harkey re-opened his service station in the south of town, after it had been struck by a truck earlier in the Fall.  
Mrs. F. M. Bradley returned home after visiting about three weeks in Casper, Wyoming, with the R. K. Bradley family.

**12 YEARS AGO**  
Nov. 25, 1954—The bi-district Thanksgiving Day game was to be held at 3:00 in Sonora. The Sonora Broncos were meeting the McCamey Badgers.  
Dan Mittel crowned Janis Sofge queen as the Jr. High football banquet was held.  
Congressman O. C. Fisher spoke to the Lions club and High School students on his recent trip to Communist Russia.  
Mr. and Mrs. Joab Campbell observed their Golden Wedding.  
Concrete was run for the new Eastside Baptist church building on the Menard highway.  
Mr. and Mrs. Fred Gillaspay were honored with a gift shower.  
Ruth Parker was honored on her 12th birthday.  
Robert and Bobby Isaacs of Austin spent the week end visiting Mr. and Mrs. Will Isaacs, and hunting on the ranch.

**35 YEARS AGO**  
Nov. 27, 1931—Dr. H. Z. Pennington opened his clinic and small sanitarium near the school.  
Mrs. Sam Loyd was notified that her father, Frank Turney, had died at the Head-of-the-River Ranch south of Christoval where he had lived for several years.  
R. C. Spurgers sold his truck line franchise from Eldorado to San Angelo, to L. M. Barnes.  
A melodrama, "Who Killed Earl Wright?" was to be presented the evening of Nov. 29 in the First Baptist church. Actors included: Coach Williamson, J. C. Smith, F. M. Bradley, Jack Stiles, Walter Ramsay, Clarence Knight, Frank Lloyd, Leslie Baker, Mrs. French, Miss Grace Kerr, Mr. Cook, D. C. Hill, Mrs. Lloyd, Mrs. J. D. McWhorter, Mrs. Wright, Mrs. E. W. Brooks, and Rev. T. R. Gathright.  
The jury was to consist of: W. O. Alexander, A. T. Wright, J. C. Carr, Tom Jones, R. L. Sample, D. E. DeLong, Joab Campbell, Will Eaton, T. W. Johnson, J. H. Jarvis, Sam Loyd and Grady Parker.  
Mr. and Mrs. Fred O. Green left for N. Mexico to make their home.  
In a special election, the 14th Congressional district of Texas elected Richard M. Kleburg to succeed the late Harry Wurzbach of Seguin, a Republican. Kleburg's administrative assistant would be 23-year-old Lyndon B. Johnson.  
Richard Jones had a report in the school news that a boxing team was being organized. J. R. Conner, Jack Ratliff, Eugene Smith, A. J. Roach, Jack Smith, Marshall Chick, Hassell Ratliff, and Morriss Bricker were reported forming a team.

**ELDORADO LODGE**

Mr. and Mrs. L. E. McCaila have their daughter, Beth, home for Thanksgiving from Abilene Christian College.

**change of heart**  
Sometimes, a deep change of heart can affect a man's whole pattern of life. He sees things differently. It's the change that comes through a clearer idea of God, when you catch a glimpse of the real meaning and joy of life. Another word for it is reformation. You're invited to hear a one-hour public lecture on this subject by Otto Bertschi of The Christian Science Board of Lectureship. Title: "The Meaning of Reformation." Everyone is welcome to come and listen.

### Alliance Reports On Drive, Name Officers

REV. D. G. SALTER

Pres. of Ministerial Alliance

The young people of Eldorado recently collected \$118.22 in their drive for CROP (Christian Rural Overseas Program). This is more than was collected the year before. The CROP drive is an annual event and is sponsored by the Ministerial Alliance.

New officers for the Alliance are: D. G. Salter, president; Kenneth Vaughan, vice-president; and Mike Love, treasurer.

### Christian Science Lecture Set For Monday

Otto Bertschi

Christian Science Lecturer

Ideas that reform people's lives will be explained at a one-hour public lecture on Monday, November 28, by Otto Bertschi, C.S.B., a member of The Christian Science Board of Lectureship.

He will speak under sponsorship of First Church of Christ, Scientist, San Angelo. The lecture is entitled, "The Meaning of Reformation" and will be given at 8:00 p.m. in the church edifice, 720 So. Abe Street.

Mr. Bertschi is from Zurich, Switzerland, and was formerly associated with the Bureau of Standards of the Society of Swiss Machine Manufacturers. He left this position several years ago to devote his full time to Christian Science practice. He is also an authorized teacher of the religion.

### DAR Met Nov. 17th

The El Dorado Chapter DAR met in the Memorial Building November 17, 1966.

Mrs. Luke Thompson, Sr., regent, presided. She read the President General's letter.

Miss John Alexander substituting for the chaplain, Mrs. L. M. Hoover, brought the true spirit of Thanksgiving by reading from Psalm 92 and quoting Kingsley's "Thank God."

Thank God every morning when you get up that you have something to do which must be done whether you like it or not. Being forced to work and forced to do your best, will breed in you temperance, self-control, diligence, content, and a hundred virtues which the idle never knew.

The Pledge of Allegiance to the Flag of the United States was given by the Chapter after the National Anthem.

The regent's table was beautiful with Thanksgiving decor.

Mrs. Wm. Gunstead graciously presided as program leader and introduced Mrs. Ida Neill who spoke of her travels. She began with coming to Schleicher county in three covered wagons and ended with a trip by Jet. It would be wonderful if everyone who travels could get as much out of their experience as did Mrs. Neill.

Mmes. Hoover, Montgomery, and Miss Alexander, hostesses, served delicious apple pie, toasted pecans, mints, with tea or coffee. —Rep.

### Boys Ranch Mailing Christmas Seals

For the first time in their 20-year history, West Texas Boys Ranch is mailing Christmas seals with their annual Christmas letter, which was sent last week. The specially designed seal depicts a large boy kneeling to tie the shoe of a small boy in front of the Ranch's Gibson Memorial All-Faith Chapel. The caption is "Sometime we all need help, West Texas Boys Ranch needs your help." The annual Christmas appeal by West Texas Boys Ranch provides funds to purchase Christmas presents for the 68 boys at the Ranch. Another reason for mailing the seals this year, according to Ranch President Joe Vander Stucken, is to get the regular supporters of the Ranch to use the seals on their holiday mail and thus tell more people about West Texas Boys Ranch. The Ranch, located 18 miles west of San Angelo, is supported entirely by the free-will donations and contributions of the public. All donations to West Texas Boys Ranch are tax-deductible. The Ranch was organized 20 years ago in 1947 to care for the needy, homeless, neglected and dependent boy of West Texas. Now serving over 60 West Texas counties, over 700 boys have been cared for by the Ranch. Boys as far away as Dallas, Fort Worth, San Antonio, and even Show Low, Arizona, have been or are being cared for now at West Texas Boys Ranch.

"If the Christmas seals are successful this year, we will use them annually in our Christmas mailing," Mr. Vander Stucken said.

### CO-OP PARTY HELD

Employees of Southwest Texas Electric Co-Operative had a social hour at the Memorial Building last Friday evening, with 76 in attendance. This event was planned so that the wives of the latest employees could meet the wives and children of older employees. It was a very enjoyable evening for everyone.

Fred Butler of Big Lake, Doyle Easterwood of Ozona, and Jim Martin of Eldorado were the committee in charge of arrangements.

### News Of The Sick

Fred Watson came home recently following a stay in Shannon hospital.

Mrs. G. A. McCalla continues to make good progress in the hospital at Mineral Wells where she underwent surgery a while back for a broken hip, according to report by her son, Gene McCalla of Eldorado. Friends who might like to send Mrs. McCalla a get-well card may address it: Room 218, Nazareth Hospital, Mineral Wells, Texas. She is expected to remain there thru part of next week.

Mrs. Roy Andrews is a patient at Clinic-Hospital where she underwent surgery Monday. She is located in Room No. 107 and reported to be doing nicely.

### Eaglettes Subdue Iraan Here Tuesday

Despite a general "offness" Tuesday night the Eldorado girls played well enough to beat Iraan 52-29 in what was actually on contest. Susan Mobley and Libby Preston hit for 5 each the first quarter to push the Eldorado girls to a 12-5 lead which was extended to 26-10 by half-time. This was done amid bad passes, violations, and poor shooting and too many fouls. After the half the green hit another 15 points led by Susan Hill with 8, to push it to 14-16 at the third period. Stella Hubble hit 7 in the final period plus four by Libby to finish the scoring.

Defensively there were more mistakes than in their first game but Chris Edmiston again combined her talents for offense and defense to collect four points and 19 rebounds. Sherry Yates did an excellent job and pulled down 15 rebounds. Shirley Hubble and Nancy Jurecek had 6 each while Jacque Davis and Billie Gay Blaylock each got 3. Shane Henderson had 1.

The team hit a poor 32% from the floor but improved some on their free shots making 57%.

This win puts the girls 2-0 as they go to Rocksprings Saturday night for the annual "Battle of the Angoras and Eaglettes." The Angoras have won 3 games by impressive scores; they lost only two players from last year's team; and their year is complete if they beat Eldorado. With these factors in mind the Eaglettes know their work is cut out for them. Game time should be about 6:30. The "B" girls will begin about 5:00.

There are two junior high games also to be played that day starting at 3:00.

Eldorado	12	14	15	11	52
Iraan	5	5	6	13	29

### STILL TESTING

Mallard No. 1 Emmons, still swabbing and flowing back load water through Canyon perforations between 6,308-71 feet.

### SEBESTAS HONORED TUESDAY

The Fire Department honored the Rev. Dan Sebesta and his family with a farewell get-together Tuesday evening, and presented him with a gift.

Rev. Sebesta served as chaplain of the Fire Department for the past several years.

Mr. and Mrs. Fred Watson are spending Christmas with relatives in San Angelo.

RECEIPT BOOKS—Pocket size, and large desk size, for sale at The Success.

### Eagles Claim Victory

The Eagles, short on practice but long on hustle, took the court Tuesday against Iraan and beat them 41-28. There wasn't much offensive show by either team since both were just out of football pads but the Eagles did a good job in their zone defense in holding Iraan to only eight field goals. Donald Rogers and Gary Derrick dominated the boards netting 21 and 11 rebounds. Danny Halbert led all scorers with 20 points and 12 of those came at the free throw line of 16 attempts. The Eagles missed 13 free throws, had some bad passes and generally are not completely oriented to basketball yet. However they displayed good hustle and good defense and the rest will come as the season progresses. In addition to his 21 rebounds Donald Rogers completed a good night's work by adding 8 points. Pat Childers, a real court player, had 4 points as did Gary Derrick, while Chris McCravey added 3 and Jesse Bosman 2 to complete the scoring.

The team will go to Rocksprings Saturday night to try to avenge two close games lost to the Angoras last year. Game time will be about 8:00. Rocksprings is reported to have a good team with some tall experienced boys. The tension is always high in Rocksprings because the rivalry is keen between the two schools. Spectators will indeed get their money's worth Saturday.

Game at a Glance:					
Eagles	10	12	7	12	41
Iraan	3	9	8	8	28

### TODAY POSTAL HOLIDAY

Today, Thanksgiving Day, is a postal holiday with the Post Office scheduled to be closed all day.

Mail service will be same as for a Sunday or any other holiday, with mail put up in the boxes in the morning, and the outgoing mail run being made at about 9:45 a.m. instead of the usual 4:15 p.m.

CARBON PAPER at the Success.

### Woman's Club Holds Thanksgiving Luncheon

The El Dorado Woman's Club had Mrs. Lewis Hale of Christoval, president of the Heart of Texas district of Federated Women's Clubs, as guest speaker at their annual Thanksgiving luncheon on Tuesday at noon.

Mrs. Hale spoke on "Education—Our Responsibilities to Others" which is her theme. She said that perhaps the quest to conquer space was no more important than the quest for human minds and the way to them for Education. She also said that we, as women, are responsible for the things we do, that we do them well.

Mrs. Arch Mittel was leader of the program and presented Mrs. Hale. Mrs. W. A. Van Dusen gave a reading on "Our Thanksgiving Heritage."

The club's president, Mrs. Bascom Hartgraves, presided over the business meeting during which the library representative, Mrs. W. N. Ramsay, and Miss Militia Hill, reported that a Friends of the Lib-

rary Club had been organized with Dick Preston as president. Guy Whitaker is vice president and Mrs. T. P. Robinson is sec-treas. They urged everyone to join the club and help the library to meet the requirements they have to achieve before they are eligible for state funds that are available.

The luncheon was held at the Java Junction Cafe. Four guests and 12 members attended. The guests besides Mrs. Hale were Mrs. W. C. Swart, sec-treas. of the F.W.C. Heart of Texas district, and Mrs. Nolan Roberts, a club woman both from Christoval, and Mrs. Jim O'Harrow. —Rep.

### Expo 67 Transports Of Delight

When Canada's Universal and International Exhibition, Expo 67, opens this April 28th in Montreal, visitors will find the world's most modern transportation waiting for them, and some of it's free!

Just opened will be Montreal's new Metro subway system—the first anywhere to be completely equipped with pneumatic rubber tires. Metro will take tourists right to the Expo 67 main gate.

From there they can hop aboard the Expo Express—the first fully-automated, passenger-carrying rapid transit system in the world. The eight 6-car trains will put the entire exposition area within reach of a 10-minute ride. Passengers can sit in air-conditioned electric cars and gaze out on the spectacular panorama of the fair site's sights. And the Expo Express is absolutely free!

Then for short hops there's the Minirail, first introduced at the Swiss National Exhibition in 1964. Three Minirail loops will service the two islands on which Expo 67 is being built. Open-front cars, running on a steel beam 12 feet off the ground, allow passengers to sit back and just sight-see. Minirail stations will feature moving platforms so visitors can easily disembark.

And finally, transportation within the beautiful and historic park on Ile Ste. Helene will be provided by rubber-tired trains like those at the New York World's Fair.

In short, Expo 67 will leave tourists with many memories, but not one of them will be of sore feet!

**A THANKSGIVING THOUGHT . . .**

We are thankful to be Americans—  
 To be citizens of a great nation  
 Where grateful millions are blessed with Faith—  
 Where strength can master adversity,  
 Where, rich in courage, calm and confident in the  
 power of Good,  
 Where no matter how distressing the yesterday  
 We can turn our faces with hope toward a  
 brighter tomorrow.

MERRY MAKERS MEET

The Merry Makers "42" Club met in the home of Mrs. Arch Crosby last Friday, Nov. 18th.

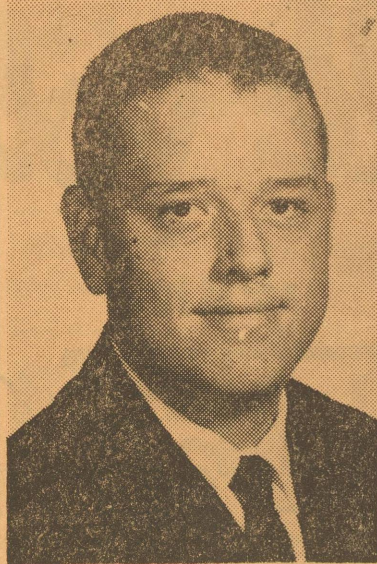

There was a drawing of names for the Christmas party that will be held in the club room of the Memorial Building on Dec. 8th.

Apricot cream pie and coffee was served by the hostesses. — Mrs. Claude Doyle, rep.

Mr. and Mrs. W. H. Harrison, Jr., of Eagle Lake, and Leslie and Billie, will be visiting the Arch Mittels during the Thanksgiving holidays. Mrs. Harrison is the former Margo Mittel.

Charles Wimer will have the Tom Stewart family of Midland here over Thanksgiving.

Orders Being Taken For 'The Talon'

GORDON SCHRANK

Editor of 'The Talon' Yearbook

The sale of the high school annual for 1966-67 began Monday, Nov. 21, and will end Friday, Dec. 9, announced Miss Jewel Shelton, faculty sponsor.

The total cost of The Talon is \$5.36, tax included.

Those who want the year book must subscribe to it by paying the total charges of \$5.36 now, or by making a first payment of \$2.86 now and the final payment of \$2.50 next March.

The Talon staff has a dozen members whose editor is Gordon Schrank, a senior. The other members are Richard Keel, the photographer; June Deaton, copy editor; Maggie Stockton, lay-out and design; Kathy Robinson, sports editor; Jimmy Mercer, high school editor; and Carolyn O'Harrow is the junior high editor.

The very helpful assistants are Billie Thurman, Glenda Hanusch, Sandra Rosford, Danny Boyer, and Hyman Sauer. Miss Shelton is the yearbook advisor.

Wednesdays after school at 4:00 the staff meets to do group work. Each member has some work to do during the school day.

Some of the pictures have not been received yet, but the staff is working toward a deadline after Christmas.

County Extension News

W. G. Godwin, Co. Agent

A beef herd bull that increases the weaning weight of your calves by 15 pounds may be worth much more in increased income than you realize.

Over a 7-year period, with calves selling at 24 cents per pound, he could up income by \$445. With calves selling at 21 cents, a selected sire could add \$389 to the beef income.

Let's assume that 20 offspring from the selected sire are sold each year and that five daughters are kept for replacements each of the three years the bull is used. Each of the 15 daughters should produce five offspring before they are in turn replaced.

The average weaning weight of the daughter's offspring, beginning when they are three years of age and producing for five more years, should average about 12 3/4 lbs. Add this to the increased weight of the calves sold and you come up with the \$389 or \$445 increase for the 7-year period.

This information is contained in a very recent Texas Agricultural Extension Service publication, L-631, "Pay more for a Good Beef Herd Bull." The leaflet was written by Tom Prater, farm management specialist and L. A. Maddox, animal husbandman.

Copies of the publication are available at my office.

When money talks, nobody pays attention to the grammar.

Don't let evergreen plants dry out during the winter months. They need adequate moisture all winter long. Once the lawn grass turns brown, we often forget to water our evergreen plants. It is especially important to provide adequate moisture just prior to the arrival of a cold nother. Much cold injury to plants can be avoided by keeping them adequately watered.

It's easier to remove garden debris now than to wait until the winter rains make the job soggy and hard to handle. Remove the faded annuals, cut back the perennials which have finished blooming, clean up the debris in flower beds and renew the mulches that were depleted by the long growing season. By cleaning up now, you can help eliminate or reduce many of the insect and disease problems which you may encounter during the next year. Don't rush the pruning of woody ornamentals. Wait until late winter, just before the new growth starts.

A protective collar of asphalt roofing paper around newly planted rose bushes will prevent desiccation of the canes by the drying winter winds. To make such a collar, use an eight-inch wide strip of roofing paper about 36 inches long. Use it to form a circle around the newly planted rose and tie it with wire. Fill the container thus made with moist peat moss. This serves as a mulch and prevents the canes from drying out. As soon as the canes start new growth, gradually remove the inside material by lifting the collar a few inches and pulling out the mulch.

Don't spare the pruning shears when transplanting woody ornamentals. Bare root deciduous plants should be pruned back one-third to one-half at planting time. This balances the top with the root system making it easier for the root system to support the growing points remaining.

The darkest hour in the history of any young man is when he sits down to study how to get money without honestly earning it.

Cotton Referendum Booklet was mailed all cotton producers from the county agent's office Monday.

Information as to the referendum is coeverd in three parts: namely, points of the law with major provisions, (2) the cotton situation and (3) cotton policy considerations.

The Act provides for a \$1 check off for cotton growers, the money refundable on written request. The money will be used for research and promotion of cotton products. Cotton growers will vote in the referendum December 5-9 to accept or reject the proposal.

Research expenditures by man-made fiber industry last year were 135 million compared to cotton research funds of \$26 million.

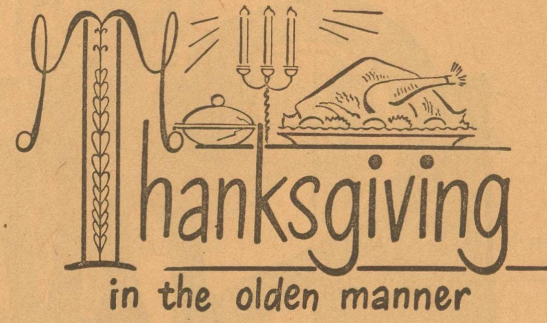

The decision you make in the referendum requires an answer to two basic questions:

First, do you think research and promotion aimed at increasing the sale of cotton is the proper method to use to get a share of the fiber market?

Second, if you believe increased emphasis on research and promotion will benefit cotton sales, then is the organization of cotton producers as proposed in cotton research and promotion act acceptable to you as a way to raise money?

You, the grower, will make the decision.

The empty vessel makes the greatest sound.

Thanksgiving in the olden manner is an American tradition, and we hope you enjoy the holiday with your loved ones.

WE WILL BE OPEN THANKSGIVING DAY TO SERVE YOU, AND INVITE YOUR PATRONAGE.
