Number 26

New \$489,934 School Budget About \$3,000 Over Last Year

Despite a \$25,000 teachers' pay hike, for the largest single increase, the total school budget presented at the Board of Equalization meeting last Friday at school was only slightly \$3,000 more than the one presented at this time a year ago.

The total budget presented Friday was \$489,935, compared with \$486,350 for 1966.

In 1965 the budget was \$468,393.50; and in 1964 it came to \$389,965. So there have been year by year step-ups in what it costs to operate our school system, but this year's increase has been less than previously.

Completed and put into use this past year were the new Band Hall and Voc. Ag. buildings. Finish work is continuing on the relocated Eagle Field south of the high school gym.

The new school budget is as follows:

Administration:	
Superintendent's Salary	\$12,583
Secretary to Supt.	3,600
Board Secretary	3,000
Tax Collector	6,000
Evaluation Eng. & Aud.	5,000
Other expenses	2,500
Total Administration	\$32,683
Instruction:	
Salaries	253,500
Textbooks	250
Library	1,500
Teaching supplies	5,000
Other instruc. expenses	5,000
Total Instruction	265,250
Health Services:	
Salary	5,685

Supplies	75
Total Health Services	5,760
Pupil Transportation:	
Salaries	9,500
Transportation Insurance	1,000
Operation of Buses	12,675
Total Transportation	23,175
Operation of Plant:	
Salaries	21,000
Utilities	14,000
Supplies	2,500
Other Expenses	1,000
Total Operation of Plant	38,500
Maintenance of Plant:	
Contracted Services	2,500
Repair of Equipment	1,000
Other expenses	2,000
Total Maintenance of Plant	5,500
Fixed Charges:	
Insurance	3,300
Rent	480
Interest, Short term loans	750
Total Fixed Charges	4,530
Social Security	5,000
Food Services	5,500
Student Body Activities	10,000
Community Services	1,200
Capital Outlay	3,000
Debt Service:	
Retirement of Bonds	33,000
Interest	11,837
Deficit — 8-31-67	42,000
Total Debt Service:	86,837
Total Estimated Budget	489,935

ESTIMATED REVENUE—1967-68	
Taxes	370,000
(estimated valuation \$20,000,000 at rate of \$1.85)	
Less: Discount (3% of \$250M)	7,500
Delinquents (2%)	7,400
	14,900
NET TAXES	355,100
State Available Fund	55,000
County Available Fund	15,000
Transportation Aid	17,000
Estimated balances 8-31-67	11,000
Total Estimated Revenue	453,100

EHS Class of '57 Reunion Held

Saturday, June 24th, the Schleicher County High School graduating class of 1957 held their first reunion since graduation ten years ago. An open house was held from 2:00 until 4:30 in the Memorial Building with 91 guests calling.

Coffee, iced tea, and cookies were served. Movies of the class' happenings were shown later in the afternoon. At 6:30 a barbecue was served to the class members, their families, and former teachers.

Of 26 members of the 1957 class, 16 members were present for the reunion and four former classmates who moved away and graduated from other schools. Graduates present were Herma B. Whitten Davis and family from Big Lake, Texas, Dale West Eubank and family from Victoria, Texas, Frances Reynolds Robinson and family from Fort Stockton, Texas, Charleen Logan Sudduth and family from San Angelo, Texas, Barbara Faught Bonnett and family from Georgetown, Texas, Herman Phillips and family from Austin, Texas, Jimmy Whitten and wife, from College Station, Texas, Ann Ballew Barker and family from Dickinson, Texas, Thomasne Jones Jacoby and family from Telegraph, Texas, David Kuykendall and wife from Ft. Worth, Texas.

Those attending from Eldorado were Rony Kerr and family, Billy Williams, John Edward Meador, Jimmy Wayne Harris and family, Sherrill Dannheim and wife. The four former classmates in attendance were Ellen Wheeler Kirk, from Austin, Texas; Ann Alexander Doyle and family from Eldorado; Noel Dannheim and family from Rowena, Texas; and Tony Cheatham and family from Eldorado.

Former teachers and administrators present were Mr. and Mrs. Guy Whitaker, Miss Jewel Shelton, Miss Dana Rae Owens, and Mr. and Mrs. Oliver Teele, all of Eldorado. Former Superintendent and Mrs. T. E. Holcomb attended from San Angelo, Texas; Mrs. E. C. Peters, who was school secretary then, also attended.

Special thanks from the class as a whole are extended to Dale West Eubank for her organizational aid, and to Jimmy Wayne and Bell Harris for attending to the many large and small details necessary to make the reunion a success.

Contract Made For Sale Hospital Bonds

In a called meeting Wednesday night, directors of the Schleicher County Hospital District signed a contract for the sale of \$450,000 hospital district bonds.

Present was Gordon Charlton who made the bid on behalf of Columbian Securities Corp., and R. K. Dunbar & Co. Bonds are to be set up for a period of 20 years. They will bear interest at the rate of 4½% for the first 14 years, and 4¾% for the last 6 years.

Several legal steps intervene before the bonds are finally printed and the actual money becomes available and deposited here to the credit of the district—probably 60 days.

The next regular meeting of the hospital board will be on Monday night, July 3rd. No formal board meeting has yet taken place with the architect. It is possible that this will be the next step on the agenda.

Little League

**Thursday:
Cougars Win The First Half**
The Cougars cinched a "First-Half" win by defeating the Tigers Thursday night with a score of 7-3. It was a real thriller.

The pitching was outstanding. Tommy Pennington, for the Cougars, went all the way giving up only one hit. The Henderson brothers, for the Tigers, allowed only 4 scattered hits. No two in the same inning.

The statistics were as follows:	runs	hits	err.
Cougars	7	4	3
Tigers	3	1	4

**Friday:
Red Sox 4—White Sox 2**
Friday night (although the crowd was small) baseball was in full swing. These two young teams battled right through the 6th inning for this win. Bases were left loaded several times.

Pitching for the White Sox was Billy Donaldson, & David Yocham. The Red Sox went with John Ray Powell, and Benjie Jay.

The Red Sox scored 2 runs in the first inning and 2 in the 5th. The White Sox runs came one each in the 4th and 6th.

**Saturday Night:
All-Star Game**

Saturday night the Cougar and White Sox all stars played the Tigers and the Red Sox all stars.

The following boys made the teams:
Cougars: Gary Richter, Alvin Spencer, Ronnie Rathbone, Tommy Pennington, Lynn Daughtry, Bill Posey, Clay Williams.

White Sox: David Yocham, Peter Case, Charlie Davidson, David Haynes, Randy Rozan.

Tigers: John Rosford, Chris Gartman, Ken Peters, Robert Parker, Hunter Henderson, John O'Harrow.

Red Sox: Timmy Farris, Benjie Jay, Dale Storie, John Ray Powell, Gene Nixon, Lynn Mertz.

The "White-Cougars" played a real defensive ball game. They shut the "Red-Tigers" out with an 11-0 win.

The White-Cougar pitchers gave up 2 hits, walked 2 men and committed 4 errors and had a double play in the 3rd inning.

The Red-Tigers allowed 7 hits, walked 7 men and committed 7 errors allowing 11 runs to score.

**Monday Night:
Tigers 12—White Sox 5**
The White Sox led the Tigers twice in the ball game but the hard hitting Tigers came back strong to win. Ken Peters connected with a pitch for a home run. This is the first home run hit this year.

Ken Peters and Hunter Henderson pitched for the Tigers. Peter Case, David Yocham and Billy Donaldson went for the White Sox.

Tuesday Night:
Once again the Red Sox played the Cougars one of the better games of the season. Maybe this last half of the season will prove to be better baseball from the spectator's point of view.

Pennington pitched for the Cougars and also hit the second home run of the season.

Benjie Jay and Gene Nixon pitched for the Red Sox. The game ended with a score of Cougars 10 and Red Sox 6.

Post Script

Most of Eldorado will be taking this coming Tuesday, July 4th, for a holiday. A few are also taking Monday.

—ps—
Macabre Recipe for the Holidays: "Drivers' Suicide recipe: One natural-born fool, two or three big shots liquor, one high-powered motor car, one two-foot by six-foot black satin-lined box. flowers. Soak fool in drink, place in motor car, let go; after due time take fool out of wreckage, place in black satin-lined box and garnish with flowers."

—ps—
With our subscribers:
Glen D. Chapman and family have moved to Box 308, Tatum, New Mexico 88267. They formerly lived at the Sinclair plant north of town.

Leonard Kent's new address is 2610 10th Avenue, Canyon, Texas 79015.

—ps—
Eldorado is losing one of its respected colored citizens.
Lovie Green came in Monday and ordered the Success to be mailed to her new address: 942 Dotson Drive, Crockett, Texas. Lovie explained that the reason she was moving to East Texas was that her mother, now in her 80's, was living there alone with no one to care for her.

Lovie moved here in 1940 and for the past 28 years has worked for Mrs. Charlie McLaughlin, and during that time has become a familiar figure in the business district.

"I've got to get this paper to keep up with the news," she said, "and I want to thank all the good people here, who have always been nice to me."

—ps—
Ratliff's mid-summer sale is under way starting today, Thursday. See their ad on page 6.

Mrs. Gauna Buried Here On Tuesday

Mrs. Lupe Lopez Gauna, 29, was buried in the Eldorado cemetery Tuesday, following her death late Sunday in the Sonora hospital.

Mrs. Gauna was taken to the Sonora hospital after she became ill at her home here, and Sheriff Edmiston and Mrs. Phyllis Montgomery were notified. She was transferred to Sonora by Sheppard ambulance and died a short time afterward.

Local arrangements were handled by Ratliff-Kerbow Funeral Home.

Survivors include her husband, Basilio Gauna, who is on the school custodial staff.

Neighbors, H. W. Scott and Doug Yates were first on the scene when they heard the woman calling for help. They found her in convulsion and summoned help as related above. Consensus was that the woman had become despondent and had drunk poison. An empty bottle of rat poison was found in the yard.

Tragedy Again Strikes The Donelson Family

Mrs. Mozelle (Shorty) Taylor, 55, proprietor of Java Junction Cafe, was killed about 12:15 p.m., Monday in a one-car accident on Highway 29 midway between Eldorado and Menard.

Mrs. Taylor was dead on arrival at Menard Hospital after her car apparently ran off the right side of the roadway, went out of control, slid back across the highway and overturned.

The accident was investigated by Highway Patrolman Jimmy Driver. Her death on Monday followed by four months, that of her husband, Shorty Taylor, on February 13, which resulted from a heart attack while returning in his car from Sonora.

Following his death, Mozelle continued to operate the cafe, with the help of her mother, Mrs. Velma Donelson. On Monday, about noon, driving alone, she left for San Antonio to visit her daughter. Her wreck occurred on the same road where she had an accident

six years ago.
In February, 1961, Mrs. Taylor was involved in an accident on the same highway 15 miles east of Eldorado when the car she was driving blew a tire. She spent many weeks in the hospital. Mrs. Taylor then was on her way from Buchanan Dam in response to the serious illness of her sister, Mrs. Donald J. Baxter, 37, who died the following day in Lubbock.

Mozelle was born in Mitchell county on September 28, 1911, and was married to Roy E. Taylor on July 11, 1936, in Big Spring.

Survivors include her mother, Mrs. Velma Donelson, and a brother, Elton Donelson, of Eldorado; two sons, Selwyn Taylor of Fort Rucker, Ala., and Edward Taylor of San Angelo; and a daughter, (Donna) Mrs. Richard L. Owen, III, of San Antonio; and three grandchildren.

Funeral services were held Wednesday in the First Baptist church here with the pastor, the Rev. Kenneth Vaughan, officiating.

Interment was made in the Eldorado cemetery.

Direct Dialing To Begin September 10

On September 10, customers in Eldorado and 13 other General Telephone towns in West Texas will become the first to have a new long distance service called EDDD, according to R. R. McCullough, district manager. The facilities which make it possible for approximately 40,000 customers in Eldorado, Big Lake, Bronte, Carlsbad, Christoval, Eden, Mertzon, Milkes, Ozona, Robert Lee, Rowena, Sonora, San Angelo and Sterling City to dial person to person as well as station to station calls will be located in the office at 14 W. Twohig, in San Angelo.

Cost of the project making the new service available will be over \$1,200,000.

Plans for a project of this magnitude must be laid well in advance, McCullough stated. During the past three years, new central office buildings have been built in Carlsbad, Christoval, Eldorado and Sonora. New central office equipment has been placed in these buildings. Additional long distance circuits have been added between San Angelo and the area towns that will have access to the EDDD network. All customers in the exchanges involved now have seven digit telephone numbers except Sterling City. Sterling City customers will be assigned seven digit numbers at the time of the EDDD conversion.

Expanded Direct Distance Dialing (EDDD) is different from the conventional Direct Distance Dialing (DDD) in that it allows customers to dial person to person, collect, credit card or special calls as well as station to station calls.

Eagle Band Invited To State Fair of Texas

The Eagle Band has been selected to represent Region VII at the Texas State Fair in Dallas on October 9 at 8:00 p.m. This will be Texas Music Education Day at the Fair.

It will be a pageant showing the best of Texas high school bands, orchestras, and choirs.

The name of the national celebrity will be known later. The band will have an opportunity to see the State Fair.

They will also see the Broadway production, "Mame."

Further details and arrangements will be known after a meeting of directors in San Antonio in August.

Miss Wool of Texas Visits El Dorado Woolens

Miss Sherrill Reagan, the Miss Wool of Texas, was here Wednesday morning visiting in the El Dorado Woolens showroom.

She was accompanied by her mother, Mrs. Hollis Reagan of Fort Worth.

Reg Manning showed them through the showrooms and working areas of El Dorado Woolens.

Miss Reagan will be participating in the Miss Wool pageant in San Angelo this week end. She is a granddaughter of the late Mr. and Mrs. Carl Reagan of Eldorado.

Mr. and Mrs. Jack Gartman and family have moved to Mrs. Rex McCormick's house they have bought.

Little League Team Of The Week

THE RED SOX—On Front Row are: David Martinez, Jeffrey Valadez, Mort Mertz, Dale Storie, Derrick Adams, Mike Salter, Gary Warnock, and Jim Bob Edmiston. On back row: Timmy Farris, Gene Nixon, Len Mertz, Scott Montgomery, M. Bland, Benjie Jay, and John Rae Powell, Jr.

We're Wishing For You

EVERYTHING
for a **BANG UP BIG 4th**

INDEPENDENCE DAY is a glorious and meaningful holiday. It commemorates the birth of a new Nation, conceived in liberty and dedicated to the belief that all men are created equal. It commemorates the courageous stand of American patriots for the principle that freedom under God is man's destiny. And it reminds us that there is still virtue in recognizing and supporting the ideals of our great heritage.

In the past 191 years, patriotism has been a sustaining power for America in her darkest hours. It has been a dominant force in our Nation's survival and in the preservation of the self-evident truths which were so dear to our Founding Fathers. However, some sophisticates today think an open show of patriotic emotion is old fashioned. Patriotic symbols and teachings are scorned and neglected. In a Nation founded on an unfaltering faith in God and made great by a rich reservoir of spiritual inheritance, it is shocking to now hear that "God is dead" and that patriotism is unnecessary. Is this trend the vision seen by our forefathers who, "with a firm reliance on the protection of Divine Providence," mutually pledged their lives, fortunes, and sacred honor to the establishment of independence? We think not.

Love of country is a matter of the heart. It is a deep appreciation of the unalienable rights of life, liberty, and the pursuit of happiness. It is a sincere belief in our way of life and a determination to preserve it. Patriotism also is an open declaration of faith and confidence in our constitutional concepts and a heartfelt gratitude for the many blessings God has given to us. If we love our country, why should we be ashamed to say so?

In much of the world today, young people are being

indoctrinated with atheistic communism, a false dogma which imprisons the minds and souls of men. Communists and their followers are strong and dedicated. Their goal is to enslave the world. If young Americans, our future leaders, are to resist and turn back this international conspiracy, they must know what they stand for. They need to be well versed in and have full knowledge of our traditions of freedom. They should be taught not only by words but also by deeds. Their pride in our individual liberties and human rights, including the right to worship God, must be fierce and unshakable. They must be willing to defend these rights even unto death.

Meanwhile, our rights and privileges cannot endure unless each of us discharges the duties and obligations that go with living in a free society. We are governed by laws which protect and secure the rights of all citizens. One of our major duties, individually and collectively, is to respect and obey these laws. Those who obey only the laws they choose and violate the ones they dislike are undermining the concepts of democracy. Respect for law and order goes hand in hand with love of country.

The need of America in 1967 is for full-time citizens—patriots all, who have pride in our country and in its historic accomplishments. Let us profess our faith in the "living God." Let us shed the cloak of timidity and stand as proud and true patriots, defenders of the priceless heritage forged by the men of '76.

* * *

Remember: That most local business establishments will be closed Tuesday for the Independence Day holiday. Shop with your friendly Eldorado merchants in the days immediately ahead.

On The Screen . . .

Vintage Cars Take Spotlight In 'Race'

The most startling array of scene-stealing props ever assembled in a picture competes for attention with Jack Lemmon, Tony Curtis and Natalie Wood in Warner Bros.' 'The Great Race.' These contrivances border on the fantastic, are eye-catching, curious and mechanically appealing and their roles in the film almost equals that of the stars.

"How can I out-perform a car," pleaded Lemmon, "that mounts a cannon in front, raises and lowers like a perambulator, and has a mean look? It up-staged me every time I turned my back."

Lemmon was referring to the Hannibal 8, the smoke-belching black automobile he drives in the early 1900's race with Tony Curtis around the globe in the \$12 million Blake Edwards comedy.

Curtis' lily white car, the Leslie Special, was also a natural scene stealer with its graceful, sexy lines and come hither look in its big brass head lights.

The fabulous automobiles which cost \$50,000 each and are driveable even on a freeway, are only two of the contraptions moving through 'The Great Race.' Another is Tony Curtis' red, white and blue balloon from which he twirls by his heels at the end of a rope as the 80-foot-high bag lifts off the ground.

'The Great Race' comes in big-screen color to the Eagle Drive-In on Sunday and Monday nights.

The race, posted by a pioneer automobile manufacturer, is from New York to Paris via the American Wild West and Siberia. Then a Prisoner of Zenda figures into it when the ruling prince of mythical Carpania looks exactly like Jack Lemmon and darned if he isn't. Here Keenan Wynn plays a faithful Curtis henchman while Peter Falk backs up the mendacious Lemmon.

The great race is no glorification of the motor car. It runs out of fuel, now and then, and the entry should "get a horse."

This is especially true of the Stanley Steamer, when there isn't a drop of water in the American desert. The driver is the most unlikely of entrants and the most welcome of sights. She is Natalie Wood, who plays, among other things, a journalist and who is, among other things, one of the most titillating disrobers now before the camera.

'The Great Race' achieves its greatest violence not in a Royal Nowhere of Europe but in a shoot 'em up Cowtown of the American 1908. Here, Lemmon's Hannibal 8 achieves further distinction by ris-

COW POKES

By Ace Reid

"Now this part of the ranch will make a fine government subsidized recreation area!"

ing on braces, like an Army device, belching black smoke from a cannon. Curtis achieves his distinction in the town's saloon by getting involved with a dancing girl (Dorothy Provine).

The resultant brawl is good and complete and on a par with the prolonged pastry-throwing barrage in the palace kitchen where only Curtis escapes squashing; that is, for a time.

The race ends under the Eiffel Tower and who wins. It wouldn't be fair to tell who or how.

Probably nothing is funnier or more expressive of thematic futility than the two ice-bound vehicles in the frozen north. Lemmon is sure they are to perish. Curtis is certain they are on a floe and floating and he's right. Natalie cooks well, but she also smokes cigars and sends back her newspaper copy via carrier pigeon. This is addressed to Arthur O'Connell, an editor with a very bossy wife.

'The Great Race' has the ocular virtues of fine color and smooth,

evened "panavision." It is also said to be the costliest film farce ever made, \$12 million worth.

The cast:

- Prof. Fate ----- Jack Lemmon
- The Great Leslie ----- Tony Curtis
- Maggie DuBois ----- Natalie Wood
- Mas ----- Peter Falk
- Hezekiah ----- Keenan Wynn
- Henry Goodbody ----- Art O'Connell
- Hester Goodbody ----- Vivian Vance
- Lily Olay ----- Dorothy Provine
- Texas Jack ----- Larry Storch
- R. Von Stuppe ----- Ross Martin
- Gen. Kuhster ----- George Macready
- Frisbee ----- Marvin Kaplan
- Sheriff ----- Denver Pyle

County Extension News

W. G. Godwin, Co. Agent

Many ornamental plants, particularly roses, in Schleicher county are heavily infested with aphids. If large numbers of aphids are feeding on a plant, its beauty is greatly marred—it becomes devitalized, and may die.

Aphids, commonly known as plant lice, are small, soft-bodied, pear-shaped insects. Cornicles, a pair of small tubes projecting from the back of the body, provide positive identification. Aphids are usually 1/25 to 1/8 of an inch long and vary in color from light yellow to green or black.

The plant lice are destructive in that they insert their short, stout beak into the plant and suck up vital plant juices. When large numbers are present, the plants are greatly devitalized, and the leaves become curled, cupped, or distorted.

When the flower buds of roses fail to develop properly, the aphids are feeding on the growing tips and flower buds of the plant.

Aphids can be controlled by

treating the affected plants with Sevin, diazinon, Cygon, lindane, malathion, nicotine sulfate, or with a new granular systemic, disulfoton. Disulfoton is being marketed under various trade names.

In using any insecticide be sure to read the label carefully and follow directions.

For further information the bulletin, "Texas Guide for Controlling Insects on Ornamental Plants," no. L-199 is available in your county agricultural agent's office.

One proven way to teach your children to count is to give them different allowances.

Good housing encourages competent, well-trained farm employees to stay on the farm as employees.

As an aid to farmers who may be planning living quarters for farm workers, the U. S. Department of Agriculture has recently released Plan 7178 which is a 3-bedroom house with 864 square ft. of living space and 99 square feet of porch space. Unit masonry walls and a concrete slab floor help keep the cost of construction and maintenance to a minimum.

Each bedroom is large enough to accommodate a double bed and other bedroom furniture. The arrangement of doors and windows provide good air circulation and closet space is generous.

The house contains a living room and kitchen-dining area. A conversation area in the living room is not bothered by traffic from the front door to the bedrooms. The relationship of the rooms permits large gatherings, with the dining area expanding into the living room.

Working drawings of Plan 7178 are available from agent's office.

A lot of trouble in this world is caused by combining a narrow mind with a wide mouth.

Miss Page Bride of Jerry Carlman In Dallas Church Rite Saturday

MRS. JERRY LEE CARLMAN

Miss Susan Marie Page became the bride of Jerry Lee Carlman Saturday in a ceremony in Westminster Presbyterian Church in Dallas with the Rev. Walter A. Bennett officiating.

Parents of the couple are Mr. and Mrs. James M. Page of Brownsville and Mr. and Mrs. E. L. Carlman of Eldorado.

Mrs. Bruce Dougherty was organist for the ceremony and the bride was attended by Mrs. Theodore Carr, Jr., of Houston as matron of honor.

Terrance Robert Carlman of Denton was his brother's best man. Groomsmen were Daniel Martin Page of Brownsville, Gil Trigg of Austin, David Steen of Eldorado and Theodore Carr, Jr., of Houston. The bride wore a street-length gown of yellow cotton covered by embroidered white cotton organza. A yellow satin ribbon was woven

through the cotton eyelet lace bordering a layer of embroidered cotton organza opening down the side. The short-sleeved gown featured a boat neckline.

In the houseparty for the reception in the Holiday Inn at Love Field were Miss Mary Hooper, Miss Sue Ann Simmonds and Miss Phyllis Dainwood.

The couple will be at home in Dallas where the bridegroom is a counselor for the Texas Employment Commission.

The bride attended Texas Women's University and was graduated from North Texas State University this month.

Her husband attended Angelo State College and was graduated from North Texas State University in January.

The bridegroom's parents were hosts for the rehearsal dinner in the Holiday Inn at Love Field.

MEMBER FEDERAL DEPOSIT INSURANCE CORPORATION

It's the middle income and the better-off consumers, and not the producers, who "never had it so good." But it won't stay that way if the current decline in farm prices continues. Food prices are 35% higher than 20 years ago and farm prices are 7% below what they were then. Consumers must realize that if farm prices are not strengthened the nation's family farm system could be replaced by monolithic corporate farming operations that conceivably could control food supply as to demand and set any price they want.

Excessive and improper tillage operations may cause more income loss than is realized.

There are four basic reasons for a cultural or tillage operation: (1) To improve soil physical condition and promote water infiltration and aeration; (2) to destroy or control undesirable vegetation; (3) to incorporate crop residues and other organic materials into the soil; and (4) to prepare a seedbed.

Excessive tillage hastens decomposition and reduction of soil organic matter.

One tillage operation, plowing, may cause the formation of a plow sole—compacted soil usually formed just beneath the normal tillage depth. To minimize this problem, the tillage depth from year to year should be varied. It is often desirable to alternate deep chiseling, subsoiling and/or deep plowing on alternate years.

Do not operate wheel-type tractors on wet soil, especially when heavy equipment is being pulled. A slipping tractor tire moving in

a furrow smooths and seals the soil beneath it by smearing, thus creating a layer of soil that prevents the downward movement of water and air.

Wheel tracks should be chiseled out during the tillage process.

Delightful curves often lead to disagreeable triangles.

Gift Coffee Honors Mrs. Johnny Stigler

Mr. and Mrs. Johnny Stigler were honored with a Gift Coffee at the home of Mrs. Granvil Hext Saturday morning.

Callers were greeted by the hostess, Mrs. Hext, Mrs. John Stigler, Mrs. Johnny Stigler, and Mrs. Will Stigler of Christoval, Johnny's grandmother.

The refreshment table was covered with white lace over blue taffeta. White carnations with blue trim were used in the centerpiece. Mary Ann and Martha Sue Page served and Christy Moore registered guests.

Hostesses included Mrs. Hollis McCormick, Mrs. J. H. Mace, Mrs. Arch Mittel, Mrs. W. M. Rountree, Mrs. Ray Boyer, Mrs. Mike Moore, Mrs. Henry Moore, Mrs. Fred Watson, Mrs. L. L. Watson and the hostess, Mrs. Granvil Hext.

The Busy Bee 4-H Club met Tuesday, June 20, at the Memorial Building at 3:00 o'clock. We did stitchwork on cloth flour sacks. Janet Davis showed us how to do another stitch called the Blind Stitch. The girls present were: Carolyn Bland, Judy Reynolds, Janis Mikcska, and Kim Griffin.

ELECTRIC CONDITIONED LIVING • ELECTRIC CONDITIONED LIVING • ELECTRIC CONDITIONED LIVING

What people are saying about...

A CLEAN BREAK WITH THE PAST

"SOLD ON IT!" say the Derwood Langstons of 107 Maple Street, McCamey, Texas.

Mrs. Langston talks about electric cooking. "I love it," she says. Mr. Langston talks about the comfort of electric heating and cooling. "Sold on it," he says. He also talks about the "very reasonable cost of operation." Wouldn't any man? When you can cook, clean, cool, heat, light, do the dishes and the laundry for a family of five (and two of them teenage daughters) at an average cost of only \$26.37

per month, you are talking 'most any man's language!

The Langstons' inviting frame home has 7 rooms, 2 baths and a sewing room—2,000 square feet. They have electric baseboard heating and evaporative cooling. Major electrical appliances include a range, dryer, washer, dishwasher, refrigerator and freezer.

Why don't you join the swing to total electric living and find out what you'll have to say on the subject.

Make a clean break with the past...convenience and comfort are great in Total Electric Living

In Those Days

Compiled From Success Files

ONE YEAR AGO

June 30, 1966—Beth M. Calla was awarded the P-TA scholarship.

Mrs. L. D. Ochsner was named new school tax assessor-collector.

A \$486,359 school budget was presented.

Dr. E. F. Vernezobre left for his new practice at Midland.

Sons were born to the Jimmy HARRISES, the Ronnie Sauers, and the Dan Griffins.

FIVE YEARS AGO

June 28, 1962—Janie Dockal was in a hospital in Kansas with a broken neck sustained when he dived into shallow water. He and Roger Thurman were following the wheat harvest.

Linda Nixon Bishop and Hubert Coy Hight were married.

Funeral services were held in San Angelo for Joe Sawyer, father of Mrs. Paul Phillips.

Dr. Robert A. Suhler sold his local dental practice to Dr. Marcus E. Young.

T. R. Bedford, a missionary to India, and his son, Mike, were conducting a Revival at the Eastside Baptist Church.

Mr. and Mrs. John Murr and daughters returned from a vacation trip through the Northwest.

The Eldon Calk family left for Seattle, Wash., to attend the World's Fair.

12 YEARS AGO

June 30, 1955—Mrs. Vida Kreklow was named new County Home Demonstration Agent.

W. T. Whitten was installed new president of the Lions Club. Dr. Jack I. Mowrey and Dr. W. H. Lindsey were named joint-recipients of the club's Good Citizen award.

The First Baptist church called Rev. Perry Cox of Corpus Christi to be associate pastor here.

Funeral services were held for Willie Roxanna Harris, 36, a cancer victim who died following an 18-month illness.

Johnnie Mayo leased Shaw's station on South Main street.

Mr. and Mrs. T. E. Holcomb attended a National Education Association Convention in Chicago.

Eastside Baptist Church was having a Revival with Rev. W. M. Ghormley as evangelist.

Jupiter's Darling, Man Without a Star, and Three-Ring Circus were being shown at the Eagle Drive-In.

35 YEARS AGO

July 1, 1932—"We Finish 26 Years As The Success Publisher" was headline of a special 12-page "old-timers" issue of the Success, put out by Publisher A. T. Wright.

There were special ads from a number of local merchants including: A. D. Richey's Self Serve Grocery, in a newly completed building; Mrs. Tom Kent's Eldo Beauty Shop; W. O. Alexander advertised that he was operating "the oldest insurance agency in Eldorado"; Mrs. Ella Douglas was proprietor of The Little Cafe.

Also: Roy Andrews, grocery store and ice house; M. O. Shafer, grocery store; W. M. Davis, Standard Barber Shop; J. S. Loyd manager of the Wm. Cameron Lumber Co., successor to McCarrall Lumber; W. H. Parker & Son, grocers; Eldorado Gin Co.; Garnett Beauty Shop; A. J. Roach, produce; Sample Dairy; Royster-Whitten Drug Store, Shoemaker Hatchery, and West Texas Lumber Co.

And: Luttrell Gin, Eldorado Bakery, Hoover Drug Store; J. C. Carr, Humble agent; E. T. Jordan, Cities Service agent; Duncan Cafe, Dr. H. Z. Pennington's Sanitarium, Brooks Store, Otis Kent's Service Station, Williams Man's Shop, and Mrs. Kate E. Robinson's general store, which was the only local business establishment as old as the Success.

Mrs. Sam Fitzhugh and son, Sammy, of Dallas were visiting in the Putman home.

The Mias Amigas Club held their meeting at the J. A. Whitten home; there were 18 members attending.

Souffle With A Crown

A puffy souffle made of cheese and beaten eggs holds its shape well with the addition of corn starch. Serve it hot from the oven and enjoy its cheesy good flavor.

Cheese Souffle

- 4 egg yolks
- 3 tablespoons margarine
- 3 tablespoons corn starch
- ½ teaspoon salt
- ¼ teaspoon pepper
- 1 cup milk
- 1 cup shredded Cheddar cheese (about 4 ounces)
- 4 egg whites

Beat egg yolks with rotary beater until thick and lemon colored; set aside. Melt margarine in saucepan. Remove from heat. Blend in corn starch, salt and pepper. Gradually add milk, mixing until smooth. Cook over medium heat, stirring constantly, until mixture thickens and comes to boil. Reduce heat. Add cheese. Gradually stir cheese mixture into beaten egg yolks. Beat egg whites until stiff but not dry. Gently fold cheese mixture into egg whites. Pour into ungreased 1½-quart casserole or souffle dish. Make shallow path in cheese mixture all around casserole about 1 inch from edge, using teaspoon or spatula. (This gives crown effect when souffle is baked.) Place dish in pan of warm water 1 inch deep. Bake in 350° F. (moderate) oven 1½ hours. Makes 4 servings.

EASY does it!

Your Medicine Chest

Every six months your medicine chest should be cleaned out and all drugs thrown away!

Did you know that? Many people don't. The fact that drugs can change their chemical composition with age makes it risky to keep them longer than six months; in fact, what was last year's mild sedative can be today's lethal toxin.

Now, when it comes time to restock that shiniingly empty cabinet, the Metal Tube Packaging Council offers these tips on what to put in it:

- A supply of gauze, bandages, adhesive tape, adhesive dressing, sterile gauze squares, absorbent cotton, safety pins, and a pair of scissors.
- A modern, soothing antiseptic ointment. Get it in a metal tube to be sure it will retain its strength.
- Several skin burn ointments, again in a metal tube for strength protection and easier application.
- Spirits of ammonia.
- An infection-preventing ointment for cuts, bruises, or various types of skin breaks.
- A medicated ointment to soothe pulled or strained muscles.

A duplicate of these items makes a good first aid kit, too, to keep in the glove compartment of your car. You never know when you might need them.

Aspirin? Should you include a supply of aspirin? Well, with such a convenient collection of health necessities, being prepared is no headache! That's how easy does it.

ELDORADO AND SONORA, TEXAS

Austin, Texas.—Exercising his veto power to cut appropriations, Gov. John Connally sliced off \$3,214,121 of the one-year general appropriation bill and killed 37 bills passed by the 60th Legislature.

Nine of the vetoed bills called for total annual expenditures of \$12,819,700 beginning September 1, 1968.

By way of explanation of his line-item vetoes in the appropriations bill, Connally said, "I endorse the actions taken by the Legislature to provide the funds needed to meet the state's increasing services to its people. However, there are several items of expenditures for which money was appropriated that I do not consider essential or justified."

Connally deleted a \$600,000 appropriation which would have allowed the new Texas Research Institute of Mental Sciences at Houston to lease and operate hospital facilities. "This item was not requested by the Department of Mental Health and Mental Retardation in its budget request, nor was it included in my budget recommendations or those of the Budget Board," the Governor explained.

A \$300,000 appropriation for additional Phase I construction at the Corpus Christi State School also was vetoed, Connally said it was not requested by the MHMR Department or in budget recommendations submitted by the Legislative Budget Board or by Connally. He pointed out that the 1965 Legislature appropriated \$2,224,000 for the proposed school.

Connally slashed \$800,000 off the appropriation for the University of Texas Medical School at San Antonio. "With construction of the medical school and teaching hospital and the recruitment of faculty and staff still in process, the number of students actually enrolled

will be limited during the 1968 fiscal year," the Governor said.

"Even after vetoing this item," he continued, "the medical school's appropriation for the 1968 fiscal year will exceed my recommendation by \$685,795 and will represent a 145% increase over the amount appropriated for the current year."

Also vetoed was \$25,000 earmarked to the State Department of Agriculture for expanding market outlets for Texas' agricultural commodities. Connally explained that "The appropriation of \$325,000 duplicated in purpose a major portion of the \$500,000 'special program' appropriation for marketing and market outlet research, quality research, statistical reporting and other programs relating to agriculture."

Other bills vetoed included those extending the curfew for alcoholic beverage drinking until 2 a.m. in the metropolitan counties, doubling retirement benefits for legislators and improvements in state employees' retirement benefits, prohibiting employing of youngsters under 21 in stores which sell beer and liquor, permitting broader powers for the State Soil & Water Conservation Board, allowing the State Comptroller to seize property for tax debts and sell it without court action, setting up special county boards to assess tax values an agricultural land near cities, and granting cities police powers on private property such as shopping center parking lots.

Costly Overtime

Extension of the federal minimum wage act to state hospital and school employees would cost state government in Texas at least \$14 million a year, according to Atty. Gen. Crawford C. Martin.

Martin says he intends to keep fighting inclusion of state institutions under the act all the way to the Supreme Court.

Three federal judges in Maryland recently handed down conflicting opinions on the issue but not a final order.

Under the new appropriations bill, all State employees will get more than the required federal minimum wage. Big catch is that the federal act also requires time and a half payment for overtime—or an hour and a half compensatory time off for every hour of overtime worked during the same pay period. Texas employees get compensatory time off (no cash) on an hour-for-hour basis.

Car Insurance

Careless Texas drivers will pay more for their car insurance on policies written after July 31. They will be charged more because of their accidents or traffic law violations during the nine months which ended May 1.

Penalties which range from 15 to 90%, depending on the number and importance of the law violation—will add up to \$6,439,362 during the year starting August 1.

These penalties, feeding that much more money into the auto insurance "kitty" will prevent rate increases for most drivers.

State Board of Insurance held its annual auto insurance rate hearing and got a stiff recommendation for a general rate reduction of 1% in insurance rates. It varies from area to area, and from classification of cars and drivers.

There would have been a general rate increase had it not been for the more than \$6 million in penalties which will be charged against the drivers who violate the law and have accidents.

College Tuition

Instead of doubling tuition as requested by the Coordinating Board of the Texas College and University system, the Legislature made it easier for poorer youngsters to get tuition and fee exemptions.

Exemptions would go only to students from families with gross incomes of \$4,800 a year or less. No student would be allowed to

MERRY MAKERS MEET

Mrs. Frank Bradley was hostess last Thursday when the Merry Makers met in the Club Room of the Memorial Building for their "42" party.

There were three tables of players. The hostesses served ice cream and cakes.

The "Merry Makers" organized their club March 8, 1931.

It was organized in the home of Mr. and Mrs. W. B. Cobb.

Charter members, now living in Eldorado, are Mrs. A. T. Wright, Mrs. Rose Brannan, Mrs. Frank Bradley, Miss Chris Enochs, and Miss John Alexander.

Others, who are members of the club at the present time are Mrs. Mabel Griffin, Mrs. Viola Finnigan, Mrs. Ruth Williams, Mrs. Mary Joiner, Mrs. Claude Doyle, Mrs. W. E. DeLong, Mrs. Arch Crosby, and Mrs. Henry Speck, Sr. —Mrs. Claude Doyle, Reporter.

Little Tony Lyn Camp of Odessa visited his grandparents, Mr. and Mrs. Jim Taliaferro and other relatives here during the past week.

Mrs. J. W. Davis of Austin and her grandson, Bruce Schwobel, spent the week end visiting here with Mrs. Bertha Wilson.

attend college more than six years under the exemption plan.

To be eligible, students must be graduated in the top 25% of their high school classes. Or score in the top 20% in a nationally standardized college admission examination.

Dipping No Longer Required

Panhandle cattle no longer must be dipped before shipment to California.

Dr. S. B. Walker, director of Texas Animal Health Commission said the West Coast has removed the requirement since inspection of Panhandle herds during last winter showed no evidence of scabies. Herd owners in nine Texas counties and north and west of them need only permit and health inspection certificates for California shipment. Yoakum, Lynn, Garza, Kent, Terry, Stonewall, King, Cottle and Childress.

Attorney General Rules

State agencies charged with providing services to the handicapped may spend money under contract for specific programs and projects conducted by non-profit groups, Atty. Gen. Crawford C. Martin has held.

In another opinion, Martin concluded that the value of an indebtedness secured by mortgages against real estate in Canada held by a resident decedent of Texas should be included in his estate when computing inheritance taxes due.

Short Snorts . . .

State's first bale of cotton was ginned in the Lower Rio Grande Valley on June 11, setting a new record, reports the State Agriculture Department.

Inmate population at the Huntsville state penitentiary unit dropped by 480—to 12,384—during the last fiscal year, according to State Auditor C. H. Cavness.

State, county and municipal officials have been urged to encourage ringing of all available bells to celebrate July 4—at 1:00 p.m., CDT—as part of "Bells of Independence Day" observance throughout the nation.

A \$22,048 federal grant has been approved for the Texas Parks and Wildlife Department, to be matched by the Department, to develop a recreational area at Copano Bay, located north of Rockport.

State Highway Department is observing its 50th birthday this month—and will celebrate the anniversary again in September in connection with National Highway Week.

BRUSHY TOP

Measuring Your Mattress Needs

Most Americans are far taller than their ancestors and getting steadily taller. According to the Sleep Information Bureau of the National Association of Bedding Manufacturers, we're all growing at the rate of an inch per generation. At the turn of the century, only one man in 25 was over six feet tall. Today that figure has increased to one in five.

Even the Japanese, traditionally a short people, are growing. While no one is sure just why this change is taking place, the chances are that increased dietary knowledge and an emphasis on balanced meals probably have something to do with it. Another factor is the widespread use of vitamins, unknown to our forefathers.

A simple rule for purchasers of beds, says the Urethane Institute, if you want them to fit your family, is to allow an extra ten inches, five at each end, for sleeping comfort. Since standard beds are only 75 inches, it stands to reason that a single bed for a man, as well as a double bed for a married couple, should be oversized, if for this reason alone.

And while you're shopping for new beds, investigate urethane foam, advises the Institute. You'll save a great deal of money over conventional mattresses and get many extras. Hospitals, hotels and other institutions use urethane foam mattresses because of their versatility as far as cleaning is concerned. Although light weight and very durable, the mattresses can be washed, dry-cleaned, steamed and sterilized without harm to the inner construction.

Other advantages of this new man-made material is that mattresses made from urethane foam are non-allergenic because they contain no natural fibers such as hair, rubber and cotton.

INDEPENDENCE DAY — 1967

One hundred and ninety-one years ago the Liberty Bell rang out to proclaim the Declaration of Independence to the American colonists, marking an entirely new concept in the development of human progress.

The immortal words of Thomas Jefferson asserted that "all men are created equal" and "that they are endowed by their Creator with certain inalienable rights . . . life, liberty and the pursuit of happiness."

Just what does Independence Day mean to us today? Is it just another day off . . . a long week end . . . a parade or fireworks display?

The celebrating of Independence Day can be more deadly than the war it commemorates. For example, from 1900 to 1930 more Americans were killed (4,290) and more maimed (96,000) by fireworks than were killed in the eight-year Revolutionary War in which we lost 4,044 killed and 6,188 seriously wounded.

Let us take a minute to pause and reflect on the basic precepts which are as true today as they were that memorable day in Philadelphia. Make this a safe and sane holiday, so we may live to enjoy the guarantees of freedom, and retain them in our minds, hearts and deeds.
