Baptist Revival Starts Sunday

BILL TOMERLIN
Evangelist

LEROY YARBROUGH
Music Director

The annual pre-Easter revival at the First Baptist Church is scheduled for eight days beginning this coming Sunday, March 12, according to an announcement on page three of this issue, by Kenneth Vaughan, pastor. The closing day will be Sunday, March 19—Palm Sunday.

Evangelist for this revival will be William Tomerlin of Dallas, who has an outstanding record in student work, and who has conducted over 100 youth-led revivals during the past seven years.

Music director will be Leroy Yarbrough of Trinity Baptist church, San Antonio. Mr. Yarbrough holds degrees in Bachelor of Music and Master of Music from Baylor University. His choirs have been heard in 18 states and the District of Columbia.

Both of these men will be here in time for the Sunday evening service March 12.

As usual, a nursery will be provided throughout the meetings and breakfast will be served each morning, Brother Vaughan added.

Just Six Weeks Remain For Vehicle Inspections

Austin, Texas.—The director of the Texas Department of Public Safety reminded motorists today that only six weeks remain before enforcement begins on the 1967 vehicle inspection stickers.

Col. Homer Garrison, Jr., DPS Director, said that the law allows for no extension of the April 15 deadline and urged drivers to have their vehicles inspected before the last minute lines begin forming.

Garrison pointed out that some 2½-million vehicles in Texas remain to be inspected in order to comply with state law. This amounts to approximately 14 vehicles per working day for each of the 5,500 official inspection stations.

"Undoubtedly," Garrison stated, "many motorists will wait until the last day, and it may be very difficult to find an inspection station that is not swamped with late-comers."

"In order to secure an orderly flow of the remaining uninspected vehicles through the inspection sta-

tions we would urge each motorist to have the inspection attended to as soon as possible. This can easily be taken care of during a routine visit to an authorized neighborhood inspection station."

Halbert On All-Opponent Team

Coach Jack Bell reported this week that Eagle, Danny Halbert, has been selected to an All-Opponent Team by the Ozona Lions Basketball team.

The group is composed of 10 players from all the teams that Ozona played this year.

The list includes:
 Danny Halbert — Eldorado, Sr.
 Laney Cook — Sonora, Sr.
 Tommy Gray — Sonderson, Sr.
 Bubba Grigsby — McCamey, Sr.
 Tommy Jones — Crane, So.
 David Wilson — Iraan, So.
 Pat Gladden — Iraan, Jr.
 Danny Love — Big Lake, Jr.
 Wade Daugherty — Big Lake, Jr.
 Earlex Williams — Rankin, Sr.

LETTERS FROM THE PEOPLE

To the Editor, Eldorado Success,

We complain that the Federal Government taxes us and then dictates how the taxes are to be spent. Careful observation will often show that the Federal Government steps in only after local governments have failed to meet the needs of ALL the people in their communities.

Certainly Schleicher County is a large enough area to have need of one good town. A good town needs a number of businesses and small industries, a few professional people and a fairly large body of salaried and wage earning people, not only to service the businesses in town, but to work for the oil companies and other industries and for the ranches surrounding the town.

With her good churches and schools, Eldorado adequately cares for the spiritual and educational needs of the community. The thing lacking is medical facilities to care for the physical needs of the citizens.

It is not convenient for the well-to-do to go thirty to fifty miles to a doctor. It is real hardship for the less affluent to take time from their work and drive their cars fifty to a hundred miles round trip to get to medical facilities in other towns. It would be better for them to save the expense of the trip to apply on medical expense here in their own town.

By taxing ourselves a rather modest amount, we can build a hospital, which two ambitious young doctors are willing to assume re-

sponsibility for operating. We should not fail to take advantage of this opportunity to meet the most urgent need of our community. Let us do our own taxing and keep our money in our own county.

Mrs. T. R. Spence.

Sonora, Texas
 March 4, 1967
 Mr. Fred Gunstead, Editor
 Eldorado Success
 Eldorado, Texas

Dear Mr. Gunstead:
 May I congratulate the hospital committee and the citizens of Schleicher County on your concern for your fellow man?

Instead of investing tax money in a cause the achievement of which points to a failure before it begins, why doesn't your committee direct its efforts towards the culturally deprived of the community through providing paved streets and other health improvements.

Our culture has changed from rural to urban; we buy most of our clothes, part of our food, and supply most of our other needs in urban shopping areas, and we turn to medical centers for hospitalization.

As a taxpayer I appeal to the thinking people of Schleicher County to dedicate our tax money for generations to come to things they can enjoy rather than a specter for which still they will be paying.

Yours truly,
 Mrs. Celeste Tisdale Prugel.

Post Script

Your editor drove over to Eden Saturday morning to consult with Publisher Dufrain regarding certain mechanical problems on one of our machines.

After we had gotten that straightened out I asked him about their hospital and he proudly drove me over to see it. It is a beautiful brick structure that would be a credit to any small city. Apparently it was being well patronized; there were cars parked all along the block.

The hospital structure includes a nursing wing, with one kitchen serving both wings. This complete facility, he said, was built at a cost of \$400,000, partly with Hill-Burton funds. In addition there was a doctor's clinic building alongside the hospital but separated from it. This latter building was not included in the \$400,000 but was built by public subscription.

The Eden hospital has been in operation for about six years, and their biggest problem so far, has been in getting and keeping a doctor. There are 14 rooms in the nursing wing, and 12 rooms in the hospital section, some with two beds. It is probably a 20-bed hospital. The nursing wing, he said, is "full up."

It seemed to me that the facilities in Eden could very well be just about what Eldorado needs and is thinking about. If you are among the many who are interested in this coming project—if you have the time and would like to see with your own eyes, just what it looks like—it would pay you to drive to Eden and see what they have.

The highway from here to Menard is in good shape now; I made it to Eden in one hour and 10 minutes, about 71 miles.

—ps—
 Here is something else to think about: Eden is closer to neighboring hospitals than Eldorado is.

Eden—to Angelo, 44 miles;
 Eden—to Menard, 22 miles;
 Eden—to Ballinger, 35 miles;
 Eden—to Brady, 34 miles.

—ps—
 We have given space in this and previous issues to letters from people regarding our proposed hospital—some for, some against. I hope there will be more letters. If you want to say why you are against the hospital, we'll print it if you give your reasons in a dignified and reasonable way. We will not accept letters that are insulting or indulge in mud-slinging, or are unsigned.

So far the only reason given by the "againters" is that it will cost lots of money, or it won't pay.

Sure, it will cost money.

So does every other nice thing you wish to possess.

It may be a little painful at first, but if you are pleased with what you bought you'll soon forget the initial cost.

That reminds me of an old advertising slogan used many years ago:

"The recollection of quality remains long after the price is forgotten."

Two From Here Apply For Canoe Trip

Two boys who have been active in the Scouting programs here for a number of years have filed application to attend the Canadian Canoe Trip this coming summer. They are Keith Williams, son of Mr. and Mrs. James Williams, and Bobby Sykes, son of Mr. and Mrs. Bob Sykes.

Sponsored by the Concho Valley Council and drawing Explorer-age boys from all over the 23½-county area, the Canadian Canoe Trip is a highlight of the year.

Last summer Buddy Calk attended. The contingent of boys and their leaders traveled in chartered buses and did sightseeing on the way in Chicago and other points. After checking in at the Sommers Canoe Base at Ely, Minnesota, they spent two weeks of wilderness camping on the Canadian border.

Local Races Same At Filing Deadline

With the passing last week of the deadline for filing for city alderman and school trustee, the candidate slates remained the same, with no new ones coming out at the last minute.

In the City Election, Mayor Eldon Calk, and Granvil Hext and Jimmy Harris, aldermen, filed some time ago and they had no opponents as filing deadline passed.

There are five on the slate for school trustee. In addition to the incumbents, Jo Ed Hill and Ford Oglesby Jr., the new candidates are John Murr, Jerroll Sanders, and C. L. Martin, Jr.

Both the City and School elections come up early in April.

Dusty Cold Front Comes —Still No Rain

Schleicher county and the rest of the southwest Texas area is still awaiting rain; we have had a dry winter.

Late in the day Tuesday, a dusty cold front blew in, lowering temperatures to the mid-twenties by morning. Around midnight, there was a power failure for about an hour. Local residents had to reset their electric clocks when they got up Wednesday morning.

New Babies

There were 10 grandparents to welcome the first child born recently to Mr. and Mrs. Velton Taylor in San Angelo!

A son, Velton Houston Taylor, was born February 26th in Shannon hospital. He weighed 8 lbs. 8 oz.

The mother is the former Linda Nixon of this place.

Grandparents are Mr. and Mrs. Andy Nixon and Mr. and Mrs. Clovis Taylor of Eldorado.

Maternal greats are Mr. and Mrs. N. J. Yearout of Hobbs, N.M., and Mr. Robert Nixon of Eldorado.

Paternal greats are Mr. W. L. Taylor of Eldorado and Mrs. R. E. Johnson of Coleman.
 Mrs. Bertha Yearout of Bartlesville, Okla., is a great-great grandmother.

According to information from Rep. Hilary Doran at Austin, the Schleicher County Hospital District bill was favorably reported out of committee late Monday evening. There were two technical corrections made in the final version which are of minor importance.

Lions Program Set For Tuesday At 8:00

The Queen's Program sponsored and staged by the Eldorado Lions Club will be held Tuesday evening in the high school auditorium, beginning at 8:00 o'clock.

The ad on page 7, this issue, gives starting time as 7:30, but the plans were modified after that part of the paper was printed.

Admission for the program will be 50c for adults, and 10c for students. Tickets will be sold at the door.

One of the 26 young ladies listed will be chosen Queen of the local Lions Club, to be nominee for District Queen at the District Convention in Midland in April.

The local Lions Club will present awards to the Queen and to the two runners-up.

The Queen will be crowned by Jan Wazley, who was winner of the contest a year ago. Selection of the three top girls will be made by a committee from out-of-town.

Charles Wimer is currently president of the Lions club. Proceeds of this Queen's Program will be used to pay expenses of the winner to the convention, as well as for other projects for community betterment.

So—make your plans to attend the program Tuesday night and support the Eldorado Lions Club.

Mrs. Beulah Anderson Dies At Age Of 72

Funeral services were held Monday in San Angelo for Mrs. Beulah Anderson, 72, who died at 2:30 p.m. Saturday in St. Johns hospital. She died shortly after being taken to the hospital by Sheppard ambulance.

The Rev. Kenneth Vaughan, pastor of the First Baptist church of Eldorado, officiated, and pall bearers were grandsons. Interment was made in Fairmount cemetery.

She was the widow of R. B. Anderson, a ranchman, who died in 1965.

Survivors include two sons, Karl Kerr of Marlin and Jack Kerr of San Angelo; a sister, Mrs. Minnie May Gray of Abilene; three brothers, Ed Bradshaw of Abilene, John Henry and Bryan Bradshaw, both of Brady; six grandchildren and 11 great-grandchildren.

Jimmie West Eldorado, recently purchased an Aberdeen - Angus bull from Evelyn Ruedrich & Sons at Marion, Texas.

Today Is Final Day Of This Year's Public School Week Visitations

Despite the somewhat chilly weather of the past week, the school administrators and faculty have reported good attendance by patrons for Public School Week, final day of which is today, Thursday.

The visitation schedule for today is given below, but visitors will also be welcome elsewhere.
 Friday will be a school holiday.

VISITATION AND LUNCH SCHEDULE

GRADE	LUNCH TIME
Thursday, March 9	
Fifth Grade	11:35
Sixth Grade	11:40
Seniors	12:10
Eighth Grade	12:20

Friday, March 10: School holiday. District XI Teachers' Meeting will be held in Brownwood.

The next step is to have the Schleicher County Hospital District bill placed on the House calendar along with many other bills. When its turn comes it will be passed in the House and sent to the State Senate, where again its approval will be automatic. The final step will be for Governor Connally to add his signature.

Observers here who are familiar with legislative procedure are of the opinion that since this is an uncontested bill, it is probable that it may be signed by the governor by the end of the month, which is about as prompt as they would expect.

After bill has passed both houses and been signed by the governor, the hospital district still will not be in business until it has been approved by county voters in an election called for that purpose. That election, in turn, will be called and advertised by the County Commissioners at least 30 days before the date of election.

(Rep. Doran's letter on the status of our Hospital Bill is on page 5 of this Success issue.)

Considering time needed by architects to come up with plans and estimated costs, it is not likely that this election can be held until some time in June.

According to Committee Chairman Don McCormick, the San Angelo architect, Donald R. Goss, expects to meet this week end with the Pasadena doctors to go over preliminary plans for the proposed hospital and nursing home.

Salary Hike Voted For County Employees

At their February meeting, the Schleicher County Commissioners Court voted a 5% salary increase, effective March 1st, for a number of county employees.

These include road employees Jack Griffin, F. D. Blair, R. E. Cheatham, Lee Roy Hanusch, O. B. Singleton, James R. Holley, Jerry D. Jones, Jerry C. Burleson, and C. W. Wallace.

Also other employees: Jack Jones, Fenna Whitten, Cleone Sanders, Helen Carlman, Ruth Baker, Bertha Wilson, J. B. Dockal, and John Hamm. Mrs. Wynona Buchner was given a \$50 a month raise effective March 1st.

In other business, the Commissioners employed C. L. Martin Jr. to install the new ceiling in the Memorial Building, for contract price of \$1,660.

The Court ordered sale of two delinquent lots. All of Lots 8 and 9, block 4, in Christian Addition, were ordered sold to Basilio Gauna and wife for \$40.

Team Managers: A Necessity

The Eldorado boys and girls basketball teams enjoyed much success this year and Coach Bell believed that much of that success is owed to two young people who were always there, the managers. These managers, Kathy Robinson and Roy Mack Hawkins, worked overtime for the athletic jacket which they wear.

Anyone can enjoy sports when they get to play and share the lime light but it takes a special person to work hard, sit on the sidelines, wash socks, keep books, pack traveling bags and clean up. This is a thankless job most of the time but an ever so necessary one. It is impossible to get along smoothly through a season without someone dependable as manager and the Eldorado teams were fortunate to have someone as capable and accurate as Kathy to keep both boys and girls scorebooks; she just doesn't make errors and she is familiar with the rules.

In addition to keeping score she takes care of the uniforms, socks, medical supplies and any other needs of the team. Equally as important, she always tries to keep up team spirit and morale. She possibly was the most avid fan of both boys and girls teams.

Roy Mack first managed football then came on to basketball with many long hours spent in clean-up after everyone else was already gone home. Mack kept the shots during the games plus seeing to the needs of the team, but his real value came in taking care of the uniforms, practice clothes, and keeping the dressing room in order. Like Kathy, he backed both teams all the way.

Both young people deserve much more credit for the many hours of service they rendered than these few spaces allow but we at least must say that without their dependability, helpfulness, and patience the season could never have been so pleasant. Kathy and Roy Mack have a share in the 21-5 season of the boys and 23-5 of the girls.

Yes, the managers are a necessity and the coach and teams thank you.

Mike Hardin Is In Scholarship Finalists

Mike Hardin, senior in Fort Stockton High School, has been chosen as one of the 14,380 finalists in the annual Merit Scholarship competition. He is the son of Mr. and Mrs. Ray Hardin of Fort Stockton.

Mike ranks in the upper 1/2 of 1% of seniors in U. S. high schools.

Final selection of merit scholars will be announced to schools this week, but will not be made public until later. —Ft. Stockton Pioneer.

(Ray and Marcella Hardin and their two sons formerly lived here in Eldorado.)

Austin, Texas.—Three pieces of major legislation passed by the House now have landed on the Senate's doorstep.

These include: —Local option authority for financially distressed Texas cities to levy a 1% sales tax. (Vote 85-63). —A stiff code of ethics for legislators and other state officials and employees. (Vote: 140-6). —Repeal of "emergency purchase" provisions to put teeth in Sunday closing laws. (Vote: 132-14).

Before passing the city sales tax bill, sponsored by Rep. John Traeger of Seguin, the House spent nearly three hours of continuous debate and waded through more than 30 amendment attempts. Advocates predict a majority vote in the Senate, too. But no action is expected across the rotunda until after rules suspension eases with passage of the session's 60 day mark.

Code of ethics bill, by Rep. Jim Nugent of Kerrville, made its third trip through the House. Substantially the same bill has been approved by representatives in two prior sessions but died in the Senate. Same fate is anticipated this time for what advocates term "one of the strictest codes in the United States."

Measure would require lawmakers to disclose personal interest in legislation, force legislators and state officials and employees to reveal substantial interests in private businesses and require identification of relatives on the state payroll.

Surprisingly, the strengthened Sunday closing law, introduced by Rep. Willis J. Whatley of Houston, cleared the House in seven minutes. Only one comment was made. Smooth sailing also is anticipated in the Senate. (What this law will do to tourist spending has never been mentioned.)

Time Out

First big break in one of the session's closest-fought contests—over whether Texas should go on Daylight Saving Time—came when the Senate state affairs committee approved the exemption bill.

Theater owners, restaurant operators and farmers backed the bill by Sen. Joe Christie of El Paso, to continue Texas on Central Standard Time. (After April 1 the new federal Uniform Time Act goes into effect everywhere except where state legislators vote otherwise. Only one state, South Dakota, so far has passed an exemption act.) Panel was unimpressed with arguments of television broadcasters, railroad and airline spokesmen that the state must stay in time with the rest of the nation.

Same bill, heard in House state affairs committee, was referred to subcommittee and has not yet emerged.

Veterinary Laboratory

Bill to create a Veterinary Medical Diagnostic Laboratory for Texas farmers and ranchers at Texas A&M University has been sent to the Governor for his signature.

Rep. Dick Cory of Victoria and Sen. Bill Patman of Ganado, sponsors of the bill, said the laboratory will be located on property which will be given to the state by the A&M Board of Regents. Purpose of the laboratory is to give speedy and accurate analysis of samples from possibly diseased animals to help local veterinarians diagnose and treat the animals.

Migrant Living

House Public Health Committee—considering a bill to set up state standards for farm-worker housing—heard testimony last week from state officials of the insanitary living conditions of the 162,000 migrant farm workers in Texas.

Committee sent the bill along to a sub-committee, after such officials as Col. Egon Tausch of the migrant section of the Texas Good Neighbor Commission gave case studies of migrant conditions and pointed out that cases of infant dysentery often range as high as 30% among the children of farm workers.

Feed Lot Bill Moves

A feed lot license bill was approved by the House agriculture committee. Sponsor of Rep. Tom Holmes of Granbury.

It sets standards of sanitation in livestock feeding operations under authority of the Texas Animal Health Commission and fixes these annual licensing fees: \$25 for lots that feed under 1,000 head; \$100 for 1,000 to 3,000 head; \$150 for 3,000 to 10,000 head; and \$200 for over 10,000 head. Licenses are optional for lots feeding under 1,000.

Under amendments, the Commission would have to act in 30

days on license applications. Water Pollution Control Board and Air Control Board regulations would prevail in "matters falling within their jurisdiction."

Committee also approved a bill to raise fines and penalties (up to \$200 per head) for improperly transporting animals from fever tick quarantine areas.

Local Officials' Raise

County auditors and precinct officials would make substantial monetary gains under a pair of bills being sponsored in the House by Reps. Vernon Beckham of Denison and Dick Cory of Victoria.

Beckham's bill would let county commissioners courts pay mileage reimbursement to county auditors for travel in their line of duty. House Committee on Counties referred that measure to a sub-committee for further consideration.

Cory's bill would allow commissioners courts to raise the salaries of justices of the peace and constables up to 20% over what they now earn. Committee favorably reported this one back to the House floor where it is now awaiting action.

Livestock Markets

Sen. Wayne Connally of Floresville and Rep. Charles Jungmichel of La Grange have introduced legislation to place greater emphasis on encouraging the construction, development and expansion of services and facilities of livestock markets in Texas.

Connally's bill would establish a charter-fee system to govern livestock markets and to create a 7-member Public Livestock Board in the state government to grant charters and supervise the markets where livestock are auctioned.

"We have seen in the last 10 to 15 years a vast improvement in bank facilities and an expansion of their services," the Senator said. "The same results can be obtained by providing the proper basis for establishing and developing livestock markets."

Movie Regulation

Every incorporated city and town in Texas would be required to set up a "Motion Picture Classification Board" to preview every movie to be shown in that city and classify it as "suitable" or "not suitable" for persons under age 18 by a bill introduced in the House by Rep. Cordell Hull of Fort Worth.

Hull said that cities now have the authority for such regulation, but his bill would make the board mandatory and would provide the guidelines for classifying movies. Board would be composed of nine members appointed by the city's governing body for two-year terms.

Teaching of Spanish

Rep. Ralph Wayne of Plainview has introduced a bill requiring public schools to offer courses in Spanish to students in the second, third and fourth grades.

Wayne's bill, now in the House Education Committee, would require that within five years after passage of the bill, every elementary school in the state begin teaching Spanish to students in at least those three grades.

It also provides that the State Board of Education furnish textbooks and recorded Spanish exercises to the school districts without cost to the students.

Courts Speak

U. S. Supreme Court rejected a

challenge of the Texas law which provides penalties up to \$1,000 a day for operating slant hole oil wells.

High court wrote no opinion in ruling that it would not hear arguments on the state law dealing with violators of the prohibition against angle drilling across another property owner's or lease holder's boundary.

A total of \$304,800 in fines are involved in appeal. But petitioners claimed the state is seeking fines and penalties ranging into millions of dollars in 100 similar cases.

Attorney General Speaks

A \$5 million appropriation for the Institute of Texas Cultures at San Antonio's HemisFair '68 can be spent any time up to February 19, 1969, and may be used for operating expenses, Atty. Gen. Crawford C. Martin held in an official opinion.

In other opinions, Martin concluded: —Legislators may authorize grant or loan of state funds to a governmental entity for sewer facilities and water quality control program planning and facilities.

—Board of Registration for Professional Engineers does not have the power to amend rules to permit the licensing of persons with degrees other than engineering.

—McLennan county commissioners court may permit an applicant for a county depository to replace a cashier's check (required in bidding) and award the contract to the applicant.

—No exemptions from an inheritance tax on bank accounts in Texas where account belongs to a non-resident citizen can be allowed under the unconstitutional retroactive provision of a 1959 law.

Museum Fund Raised

A \$200,000 private contribution was turned over to Governor Connally for a museum at Washington State Park near Brenham. This releases \$500,000 more previously appropriated by the legislature under a matching arrangement.

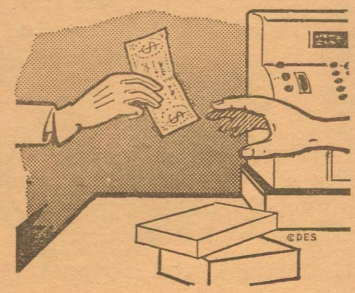

Museum plans will begin immediately at the state's first capitol site. Sponsors hope to completely restore the old city of Washington-on-the-Brazos as it was in 1836.

SHORT SNORTS

Governor Connally has appointed Sherman Birdwell of Austin as chairman of the Governor's Committee on the Status of Women and Mrs. Mary Ann Gaust of Beaumont as vice-chairman.

COUNTY AGENT'S COLUMN

by Tiny Godwin

Schleicher County Agricultural Agent

Guidelines Mailed To Schleicher Farmers

Crop production guidelines related specifically to conditions in Schleicher county and covering cotton and grain sorghums have been mailed every producer of these commodities.

These guidelines are the best combinations of thoroughness and brevity that can be prepared by the county agent and specialists of the Texas Agricultural Extension Service.

Particular emphasis is placed on water conservation with each crop. The guidelines tell when to water the crops to get maximum yields from each irrigation whether the crop is to be watered once, twice or more. Land preparation to conserve rainfall is stressed on dry land acreage.

Suggestions are also given for timing of the most important irrigation or irrigations under moisture conditions that occur in any one year.

The keys and stress is given to producing a cotton crop with better fiber qualities.

They explain irrigation timing and other cultural practices that

can enhance the inherent quality potential of a cotton variety.

"I believe that it will pay to read the guides and file them for future reference," Godwin said. "They can also serve as a reminder or checklist for instructing hired hands."

The localized guidelines are part of a state-wide Extension Service effort to get the best known production information in the hands of farmers.

It's an effort to combine all of the modern practices recommended for this county into one source so that a farmer does not have to search through publications or seek substitute information to get the material needed.

Extensive preparation has gone into the guidelines to insure that they would be highly accurate and useful.

Information from local farmers and the results of county demonstrations were used as a basis for local revisions.

Guidelines on beef cattle, angora goats, stocker, feeder and fat lambs, wool and mohair hair production, accelerated lambing are ready for publication.

Peace Corps Test Set For March 18th

Schleicher county area residents interested in putting their skills to use in developing nations around the world are invited to take the Peace Corps Placement test at 1:30 p.m. on Saturday, March 18, in Room 324, Federal Building, in San Angelo.

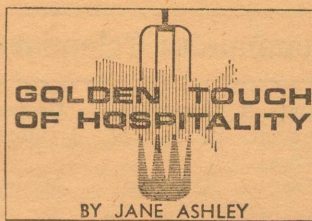

The Peace Corps uses the Placement Test to determine how an applicant can best be utilized overseas.

Mr. and Mrs. L. D. Mund and Marsha and Kay spent the week end in Houston visiting Mr. and Mrs. Curtis Stockton Jr., and son, Trey. While they were there, Trey observed his 4th birthday.

Mr. and Mrs. Harold Skaggs Jr. and son visited here over the week end with her parents, Mr. and Mrs. Jack Hext, and other relatives. The Skaggs family live in Galveston where he is to graduate from the medical school in June.

Local winners in the recent San Antonio Livestock Exposition were Gene Nixon, Hereford in the Quality Beef Contest, in Hoof Class; and Archie Nixon, Hereford, in the Quality Beef Contest, Carcass class.

Mrs. Merl Davis of San Antonio spent part of last week here visiting Mrs. Elnora Love. Mrs. Davis is a sister of the late Gus Love.

Ham Calls For Raisin Sauce

One popular way to dress up baked ham is to serve it with a raisin sauce. Although most of the raisins available on the market are the seedless variety, for a special occasion you might want to look for seeded raisins. They have a rich, old fashioned flavor that perfectly complements the ham. Be prepared, however, to pay more for seeded raisins. This recipe for Raisin Sauce can be made up in advance and the sauce reheated before serving. If it thickens on standing, stir in a little water as you reheat it.

- Raisin Sauce
- 2 cups water
 - 3/4 cup raisins
 - 2 tablespoons corn starch
 - 1 teaspoon sugar
 - 1/8 teaspoon salt
 - 1/4 teaspoon ginger
 - 1/4 cup cold water
 - 1 tablespoon margarine
 - 2 tablespoons wine vinegar

Combine 2 cups water and raisins in saucepan. Simmer 10 minutes. Combine corn starch, sugar, salt and ginger. Blend in cold water. Gradually stir into mixture in saucepan. Stirring constantly, bring to boil and boil 1 minute. Remove from heat. Blend in margarine and vinegar. Serve warm over meat. Makes 2 1/2 cups.

postal stamp. Honoring the world's largest service organization during their Golden Anniversary year the stamp will also salute Lions International's theme Search for Peace and will be issued to coincide with the organization's annual convention, to be held in Chicago in July, 1967.

Lions International was founded during the war year of 1917, and for half a century has been grimly observing wars breaking out all over the world. With a confident look to the future and in the earnest belief that peace for mankind can be attained, Lions is conduct-

ing a peace essay contest for youth throughout the free world. Prizes totaling \$50,000 will be awarded to eight winners to be announced at the Chicago convention.

Of the many public service programs sponsored by Lions International, its aid to the blind is the best known. The organization currently has 816,093 members in 136 countries and geographical areas.

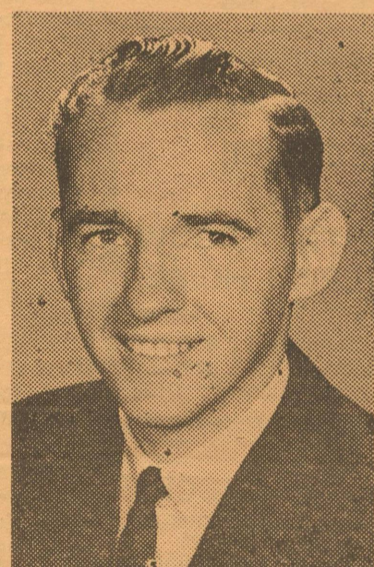

Some 19 foreign nations have announced similar plans to issue commemorative stamps to honor this large service organization for its continuing world-wide humanitarian achievements.

Miltia Hill Attends Austin Historical Meet

Miss Sarah Miltia Hill represented the Schleicher County Historical Survey Committee at the 1967 County Chairman's Workshop held in Austin, March 1 and 2.

Sponsored every two years by the Texas State Historical Survey Committee and the Texas Historical Foundation, the workshop aided county committee chairmen in planning their 1967-68 programs of work.

Discussed in detail was the development of local history as a tourist attraction since 1968 is predicted to be a record-breaking year for tourism in Texas. Also discussed was the proposed legislation for the restoration of Texas Forts and Missions.

The special presentation planned to be made to John Ben Shepperd for his outstanding leadership while serving as president of the Texas State Historical Survey Committee, was postponed, due to his illness. Shepperd's term with the committee expired Jan. 1, 1967.

Entertainment for the presentation banquet, was a "sampler" from the widely-proclaimed "Fandangle," "Fandangle," produced each year by the people of Albany, is a colorful-spoof on the frontier town of Fort Griffin and its nearby military post.

The next general town meeting will be March 17 at 7:30 p.m. at Memorial Building.

Miss Johnson Honored With Bridal Shower

Miss Barbara Lynn Johnson, whose marriage to Larry Wayne Krueger will take place here later this month, was honored with a Gift Tea this past Saturday afternoon from 3:00 to 4:30 in the Memorial Building.

Callers were greeted by Miss Johnson, her mother Mrs. Lloyd Johnson, and the hostesses.

The colors of orchid, white and yellow were carried out in the table appointments. Mrs. Jerry Johnson and Miss Patricia Johnson, sister-in-law and sister of the bride-to-be, presided at the serving table.

Jack Browning Accepts Position In San Angelo

Jack Browning, who formerly coached the Eldorado Eagles and has been head coach at Van Horn since 1963, has accepted a position with the John Glenn Junior High School now being erected in southwest San Angelo.

His new job will be head eighth-grade football and basketball coach and head ninth-grade track coach at Glenn. He had previous coaching jobs at Hillsboro and Eden, in addition to Eldorado and Van Horn.

Mrs. Browning is the former Jane Mund of Eldorado.

J. C. Whiteley Is Ill In Brady Hospital

Local relatives report that J. C. Whiteley is seriously ill in the Brady hospital. He became ill last Friday afternoon.

Mrs. Whiteley is staying with Mr. and Mrs. Vernon Carroll, who now operate a motel in Brady, and with the Jack Whiteleys. Visiting with them Sunday were Mr. and Mrs. Tom Carroll of Marble Falls.

Mr. Whiteley was reported being treated for diabetes and high blood pressure. He was 88 last September, and he and Mrs. Whiteley observed their 60th wedding anniversary earlier last year.

Mr. Whiteley formerly operated a blacksmith shop here, before he retired several years ago.

Lions Club Meets

The Lions club met yesterday for a business session, with Boss Lion Charles Wimer presiding.

Duane Branham led in singing "Battle Hymn of the Republic" accompanied by Mrs. Marylue Olson at the piano. John Murr led the flag salute and P. S. Dudley gave invocation.

Tim Marcum was given his credentials as a new member.

Ralph Waldron reported that 116 were given TB tests in the Latin community and 120 were tested at the Memorial Building.

Joe M. Christian thanked all committees who helped make the recent ladies' night a success.

Don McCormick discussed the hospital bill which is pending in the Legislature.

Foxworth Buys Lumber Yard In Kerrville

The Foxworth-Galbraith Lumber Co., with headquarters in Dallas, added another yard to their chain when they recently bought the Great Texas Lumber Co., in Kerrville.

Herman Smith, long-time Sonora lumber company employee, has moved to Kerrville to assume management of the firm. Smith came to Sonora in 1944 to manage Wm. Cameron Lumber Co., and later was employed by Foxworth when that company bought the yard.

The Firemen were called out at 11:50 a.m. last Saturday to a grass fire on the Joiner place.

Coach Morgan will announce the complete schedule of arrangements in next week's Success issue.

Potato-Frank-Cheese Casserole, Gourmet Delight

ONE-DISH CASSEROLES, of even popular penny-saving hamburger or franks, make taste-tempting meals when spiked with cheese sauce mix. This nutritious, delicious main dish from the R. T. French kitchens, using their prepared foods, goes easy on the cook and budget... wins over the hardest-to-please family appetites.

- | | |
|-------------------------------|------------------------|
| POTATO-FRANKFURTER CASSEROLE | |
| 2-1/2 cups water | 1 envelope (1-3/8 oz.) |
| 1-1/2 cups milk | French's Cheese |
| 3 tablespoons butter | Sauce Mix |
| 3/4 teaspoon salt | 1 pound frankfurters |
| 2 envelopes (4 servings each) | 1/2 cup catchup |
| French's Instant Mashed | 2 tablespoons Prepared |
| Potato granules | Yellow Mustard |
| 1 Egg, beaten lightly | Paprika |

Combine water, milk, 2 tablespoons butter (melt 1 tablespoon for later), and salt in a saucepan. Heat just to boiling. Add potato granules; whip briskly. Add the beaten egg and envelope of cheese sauce mix. Mix thoroughly. Spoon potatoes into a 1-1/2 quart casserole, leaving space in center of casserole. Cut each frankfurter into 4 portions; drop them into center of potato ring. Combine catchup and mustard; pour over frankfurters. Brush tops of potatoes with melted butter. Sprinkle with paprika. Bake in 375° oven 20 to 30 minutes or until potato tips are lightly browned. 6 servings.

Car Club Cites Corvette

Chevrolet has been awarded a trophy from the Sports Car Club of America as the manufacturer of the Corvette which turned in the "best performance in 1966 by an American-built grand touring car." The award was accepted for Chevrolet by Zora Arkus-Duntov (right), Corvette engineer, at the club's annual awards banquet in San Francisco. Shown presenting the trophy to Arkus-Duntov is James Kaser, of the SCCA. The award was based on a Corvette's first-place finish in competition at Daytona and Sebring, Fla., last year. The Sting Ray Coupe was equipped with a 427-cu.-in. V8 engine.

Sonora Exchange To Open On March 16th

Sonora Livestock Exchange Company is opening its 1967 season with a sale March 16 and auctions scheduled every Thursday through the fall. Sam E. Jones Jr., one of the managers, said that he felt the company could better serve the needs of ranchers and buyers with weekly sales. Last year sales were held every two weeks.

Jones said that all classes of livestock would be sold, and that special sales would be held throughout the season featuring different kinds of livestock. Special goat sales are scheduled for March 23, April 6 and 20, and a horse sale has been planned for May 18.

Special lamb sales and feeder calf sales will be announced in the future. Jones said the feeder calf sales were something new for

the company, and that sales would be planned for both early calves and fall calves.

This season a roof will be added to the shearing pen for shearing and shed space, and pens have just been finished to make livestock handling more convenient.

The stockpen facilities were built new in May of 1964 as a community effort to promote marketing of livestock in Sonora. Facilities are among the most modern in this part of the country and are leased to Sonora Livestock Exchange Co., and the management of Jones, Sears Sental, Bill Whitehead and Gerald Hartman. All have livestock and ranching backgrounds.

Mrs. Wm. Kreklow became ill during the week end, but was somewhat better in a day or so.

James M. Lindsay is back here living in Clovis Taylor's house. He also lived here a while last year.

Doran Writes Status Of Hospital Bill

Mr. Fred Gunstead Publisher, Eldorado Success Eldorado, Texas Dear Mr. Gunstead:

I am writing you and the citizens of Schleicher County this letter in order that I may better inform you of my role in the Schleicher County Hospital District Bill.

Under present Texas law, a county may not create a hospital district until a bill authorizing its creation is passed by the Legislature of Texas.

Several months ago, a group of interested and dedicated citizens of Schleicher County approached me and asked me if I would introduce a bill that would authorize Schleicher County to create a hospital district if the citizens of Schleicher County so desired one and voted for it at an election held for that purpose. I stated at that time that I would assist in any and every way I could to see that a bill of this nature was introduced and passed, but I also made it clear at the time that I did not want to force anything on the good people of Schleicher County that they did not desire.

The Schleicher County hospital bill when passed, will authorize Schleicher County to create a county wide hospital district, but only after an election is held in Schleicher County and the majority of the legally qualified property tax paying citizens approve it by a majority vote.

This type of local option election will insure that you and your fellow citizens have the final say on whether or not a county hospital district is to be created and you will not have this district forced on you by lawmakers who are far removed from your county and do not have the intimate knowledge of your local problems.

Regardless of the outcome and your final decision in this matter, I would like to state that it has been a privilege to work with the distinguished members of the Hospital Committee and other interested citizens of Schleicher County. I believe that Schleicher County has a bright future ahead and would like to commend you and your neighbors in Schleicher County for the interest you take in our State government. It is indeed a distinct honor and privilege to be associated with such fine people as you are in Aurifer.

—Respectfully submitted, Hilary

Davidson, Mayo, Page & Childers Lead Eagles At Ozona Relays

The Eldorado high school track team attended the Ozona Relays Saturday, March 4. The Eagles made a total of 100 points which gave them second place in team standing for the meet behind Ozona with 128 2/3 points and Sonora had 83 points for 3rd place. The team for Eldorado qualified in 10 events out of the 15 events held.

Roy Davidson tied with Laney Cook of Sonora with 24 points each in individual honors. Davidson came in first in the 100 yard dash with a time of 10.3, second in the 220 yard dash with a 24.2, fifth in the discus, and was the anchor man in the 880 relay. John Mayo scored 18 points setting a new record with his first in the shot put with a distance of 52' 2 1/2", second in the discus with a throw of 151' which also exceeded the old record. Paul Page, freshman quarter miler, scored 14 points with a second in the 440 yard dash, time of 54.3. Paul ran the 3rd leg of the 880 yard relay which finisher second, and was the anchor man in the mile relay. Pat Childers scored 10 points placing 4th in the 100 yard dash, 5th in the 220 yard dash, and ran the second leg in the 880 yard relay. Ricky Buchner scored 8 points by finishing 3rd in the 880 yard run and by running the first lap in the mile relay. Albert Torres also scored 8 points by finishing second in the mile run. Jay Halbert tied for second place in the pole vault, clearing 11' and he went out on 11' 6". Mickey Pennington and Dwain Dempsey scored 2 points each for their efforts in the mile relay. Ray Louis Lozano was a surprise fifth place finisher in the 880 yard run. He improved his time since he ran in Ft. Stockton by 10 full seconds. Wayne Doyle, another freshman, scored 6 points by placing 5th in the 100 yard dash, and running the first leg of the 880 yard relay. The next meet the Eagles will attend will be in Sonora this coming Saturday.

dust settled from the jumping and throwing events. John Danford placed 2nd in the shot with a throw of 47' 2"; Archie Nixon placed 6th. In the discus, Robert Porter placed 5th, Nixon placed 6th in the broad jump and James Larry Davis placed 6th in the high jump. At this point Van Horn had 5 1/2 points and Rankin had 51.

In the running events the Eagles chances improved greatly as all 3 boys qualified in the 100 yd. and 220 yd. dashes. We failed to qualify anyone in the hurdles, the 380 dash, or the 660 run. In the finals the Eagles won the sprint relay with a time of 49.7 with a team consisting of George Arispie, Davis, Donnie Overstreet, and Keith Williams. In the 100-yd. dash, Williams placed second as both he and the winner were both clocked at 11.0 seconds, Overstreet placed 3rd and Davis placed 6th. In the 220-yd. dash, Williams was again 2nd, Overstreet 4th and Davis 6th. Coming to the mile relay (each lap 380 yds.) the Eagles needed a first while Rankin and Seagraves placed below 4th to move into 2nd place behind Van Horn, but placed 4th with the team of Steve Sykes, Jimmy Martin, Nixon, and Arispie with a time of 3:34.6, (20 sec. faster than their previous times). The Eagles finished with 69 points.

Common Errors Delay Income Tax Refunds

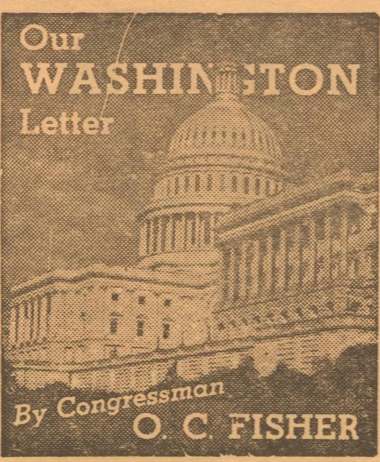

Dallas, Tex.—Simple errors on Federal income tax returns delay refunds and cause taxpayers trouble, according to Ellis Campbell, Jr., District Director of Internal Revenue for northern Texas.

Mr. Campbell suggests this simple checklist:

1. Check arithmetic.
2. Attach W-2 forms from all employers.
3. Sign your return. Both husband and wife must sign a joint return.
4. Print or type name and address, including zip code.
5. Use correct tax table.
6. Total your deductions if you itemize them on page 2.
7. List your Social Security number correctly. Both husband's and wife's number should be reported on the joint return.

You can save the Internal Revenue Service and yourself valuable time and money by carefully checking your 1966 tax return before you mail it.

TYPEWRITER RIBBONS, for Royal, Underwood, and Remington—available at the Success.

The sordid Adam Powell story reached a climax in the House last week when by a vote of 248 to 176 the Harlem globetrotter was denied a seat in the Congress. The action was bipartisan—with 109 Democrats and 113 Republicans voting against him, and 131 Demo-

crats and 71 Republicans favoring Adam.

This marked the first time since 1921 and only the sixth time in history that the House had refused to seat a duly elected member.

The action followed a hearing by a select committee to determine his qualifications. Even though the committee found evidence of fraud and deceit aplenty, it recommended only censure and a requirement (in reality a hope) that the flamboyant Powell would pay back \$40,000 of public funds which the committee said he had illegally misapplied.

The conversion of funds included travel expenses for Powell and his colored beauty queen secretary (she was once "Miss Ohio"), in repeated trips to Bimini and elsewhere, often using assumed names. The committee also exposed payment of travel expenses for private and nonofficial purposes; use of

committee funds to pay the salary of a colored maid to serve Adam and Miss Huff, his secretary, while sojourning in the Bahamas; and illegal use of the salary of his estranged wife in Puerto Rico, who for more than a year did no work at all for Powell.

These and many other infractions were studied, and Powell was called before the committee to explain the misconduct. But he flatly refused to answer questions and figuratively thumbed his nose at the investigators.

To have seated the Harlemite under these circumstances would have been saying that honor and good faith are not a part of the concept of the House. It would have been saying that public office is not, in fact, a public trust.

Texans in the House were divided—20 voting against seating Powell, and 3 favoring him. In an earlier vote to clear the way for

seating with censure, 5 of the Texas members favored milder action, while 18 of us opposed the spanking method of punishment. There was nothing racial about the issue; it was purely a matter of principle which controlled the refusal to seat the Harlem Democrat.

Jr. High Boys Place Fourth At Wink

Running in the "B" division (Class A and B schools) the Eldorado "Freshmen and under" track boys came through with a strong running attack to make a strong bid for second place after falling way behind in the field events. The Eagles had 13 points when the

feet of electric comfort includes electric baseboard heaters, 5 electric window air conditioners, total-electric kitchen, water heater, home freezer, washer and yard light outside. "The children run in and out all the time, and our average monthly cost is \$37.63."

"Carried away with it!" say Natalé and Dianna, daughters of the J. D. Locklears of Eden, Texas. Natha and "Sud" Locklear echo their daughters' approval of total-electric Gold Medallion living. Mrs. Locklear's special pride is her total-electric work room complete with home laundry, ironer, sewing machine and professional type hair dryer. She also praises the comfort of electric heat. "I didn't know electric heat would be so warm. We have no need for blankets any more," she says.

"Sud" is amazed at the low cost of operation. The 2,057 square feet of electric comfort includes electric baseboard heaters, 5 electric window air conditioners, total-electric kitchen, water heater, home freezer, washer and yard light outside. "The children run in and out all the time, and our average monthly cost is \$37.63."

The Locklears use West Texas Utilities Equal Payment Plan. "That way you know what you're going to pay every month."
