Mrs. Bill Hubble resigned her position as vice-pres. and was elected president. Mrs. Lum Davis was elected new vice-pres. The business meet-ing also included the discussion of a new project. It was decided that the Auxiliary would have a community project to help the boys who are serving in Viet Nam by sending baked sweets and other edible items that could be sent through the mails and that the boys could not obtain in Viet Nam. Refreshments were then served. Door prize was brought by Mrs. Jimmy Doyle and was won by Mrs. Earl Dean Clark. The meeting was then adjourned. -Bell Harris, rep.

The Eldorado Ladies Racing team met May 9 in the home of Mrs. done. Bill Hubble, Team captain, Flora Hubble, called the meeting to order. The ladies racing team plans to go to the State Firemen's and Fire Marshals' Association Convention to be held in Austin, June 11-12-13. Both the Ladies' and Men's Racing Teams have been practicing the past several weeks. The men are also considering the possibility of going to the State Convention. We would like to prove to the at any frozen food department at whole state of Texas that we think Eldorado has the best Firemen in today. The roll is simply thawed Texas and we could do this by winning first at state. The women will be up against 20 or more of the best ladies teams in the state. The men will be up against about twice that many teams. To be able to get 1st, 2nd, or 3rd at state would be a great honor to be proud of. The competition is keen and very hard to beat. A project was discussed on how to raise money to pay for the expenses. The meeting was then adjourned. —Bell Harris. reporter-historian.
