Hospital Board **Tentatively Approves** Lease Agreement

All seven members were present when the hospital board met in regular session Monday night.

Board reviewed comparative prices on office equipment and voted to accept the low bid of Texas Office Supply for metal shelving, furniture and other office supplies including a calculator.

Several small bills were approved and ordered paid, and the board then took up the subject of a lease contract with Dr. Brame, who was present.

New corrected copies will be made and will likely be officially signed at the next meeting which will be a special meeting on Monday night, September 23rd. Although signed this month, the lease will become effective and dated from the day the hospital opens for business.

In a discussion session which followed Dr. Brame reported on the progress of the nurse training course being conducted at the First Christian Church each Tuesday and

by persons seeking employment in various places in the hospital.

Since Dr. Brame's (corporation) lease agreement specifies that he will be responsible for hiring (and firing) all personnel connected with the coming institution, all such applications for employment are to be referred to him.

At the special meeting set for Sept. 23 the board will complete its budget for the coming fiscal year which starts October 1st.

School Budget Is Adopted By Board

The Board of Trustees of the Schleicher County Indepen. School District met recently and adopted the budget for the 1968-69 year.

The budget calls for \$425,442 for total operating expenses and with capital outlay and debt services the total budget amounts to \$536,-

Some of the budget items are: Administration, \$34,183; instruction, \$267,777; health services, \$5,877; transportation, \$29,000; operation and maintenance of plant, \$53,500; food service, \$4,000; and other expenses, \$21,625.

Mikeska Gin of Eldorado is all ready to process its first bale of cotton for the 1968 year, but farmers are not ready to bring it in.

Cotton farmers over the county who are looking forward to a good year, already have many acres of open bolls, but they are still not bringing any to the gin. Cotton field hand labor is not available except at a price too high to be profitable to the grower.

County Agent Godwin said most growers are waiting for all their bolls to open, after which they can strip the field all at one time.

Funeral Sunday For Big Lake **Robbery Victim**

Daily papers Saturday morning carried news of the slaying and robbery of Floyd Teele, 66, prominent businessman of Big Lake, and a brother of Oliver Teele of Eldorado.

Teele was shot to death Friday night when two masked men forced their way into his residence demanding the large sum of money he was known to carry in his pocket. When Teele resisted he was shot through the heart and died almost instantly.

The robbers tied up Mrs. Teele and made their escape after taking his money and a valuable diamond ring. Mrs. Teele was able to crawl to the back door and call for help. Next door neighbors went to his aid and police were called.

Since then many law officers have been working on the case, but as of Monday no arrests had been made.

In Schleicher county Friday night Oliver Teele received word of his brother's death about 9:30 o'clock. Andy Nixon took Mr. and Mrs. Teele to Big Lake. Eldorado Sheriff Orval Edmiston and Weatherly Kinser also left for Big Lake upon receiving the report. Edmiston assisted other officers in seeking clues and setting up road

blocks. Funeral services for Floyd Teele were held Sunday at 3:00 p.m. at the Big Lake First Baptist church in what was described as the biggest funeral in Big Lake history.

Customers who call "Information" are being provided a new service by General Telephone Company of the Southwest. In fact, the name over spaghetti, green beans, mush of the service has been changed from "Information" to "Directory Assistance", according to an announcement by Jack Goss, Division Manager for the company. "The new name better describes the function," he said.

The new service, he explained, is to advise customers if the number they are requesting is listed in the current telephone directory. And, if the number is not in the current directory, the directory assistance operator will so inform the customer by saying, "That is a new listing; if you care to make Friday, Sept. 20: a note of it, the number is ---." Historians record that Ike swept in a batch of rubber-stamps with him. So did John Kennedy. And so did LBJ. In fact, of a hundred new members who were elected with Johnson about 60 of them turned out to be rubber stamps. And at least 50 of the latter were defeated after one term. Austin, Tex.—A blue-ribbon gov ernor's committee has recommended a monumental 10-year plan for improving Texas public school education that will triple costs and require a \$300 to \$400 million tax

The 15-member panel said its plan would life schools out of "mediocrity" and "inefficiency.

Highlights of the report include recommendations for more and better-paid teachers, free kinder-gartens, expanded free education for adults, required consolidation of small school districts, additional benefits for teachers and encouragement of educational innovations and experimentation.

Committee, named by Gov. John Connally and authorized by the 1965 Legislature, also urged programs to point up the cultural heritage of minority groups and to encourage human dignity.

Altogether the proposals of this Committee on Public School Education would increase local, state and federal school costs in Texas from \$840 million to \$2.1 billion at the end of 10 years. Under the plan about 4% of the state's income would have to go to schools. Some \$503 million more would be required, bulk from state sources, for 1970-71.

Committee recommended simplification in the complex finance formula to figure local school disrict costs, to provide that the local districts' 20 to 25% share would building would remain a local responsibility.

Key recommendations include: -Increasing basic allotments from stamp pads in stock. The Success. \$23 to \$50 per pupil, plus addi-

Eagles Hold Their Final Scrimmage At San Saba Last Friday

The Eldorado Eagles had studied hard the week of September 2-6; and they did somewhat better when they took their diagnostic test against the San Saba Armadillos last Friday night. In fact the younger division of the Eagle squad outscored the youthful Armadillos by some four to one; but the senior Armadillos maintained their tutorial status by a one-to-nothing les-

In the first period scrimmage Bob Whitten, Dobbie Lively, and Mike Dempsey provided Ricky Grif-fin some starting room and Griffin ran 64 yards for one practice score. With the same down-front help, Griffin earned gains of 8 yards three times, one six-yarder, and one each three and five-yarder.

Archie Nixon received some down front assistance from Charles Adams and John Danford in one play series only and racked up 43 yards to score again.

Victor Belman with good encouragement from Gary Cave, John Danford, and Billy Dock Hubble picked up a total of 48 yards and another practice score

Bob Whitten staged a spectacular bit of larceny when he came in from his defensive linebacker position, took the ball away from an astonished Armadillo, and absconded for 35 yards and another

of progress in three carries with Guy Whitaker, high school.

Mike Olson and Ross Whitten admonishing would-be tackler to give Williams room to run.

Quarterback Bob Page made better grades this time with his passing attempts, completing four of 12 tries for 43 yards. One was to Wayne Doyle for 4 yards; one to James L. Davis for 6; one to Mike Olson for 8; and one to Paul Page for 25 yards. Bob Sykes, Albert Torres, Jim Robledo, and Ross Whitten vetoed Armadillo efforts to overwhelm Page and were successful all but one time when

JB Page was downed for a loss.

Joel Muzquiz did not take part in much of the recitation since Eldorado coaches are nursing his njured ribs along for full re-

Sam Oglesby demonstrated considerable progress with his defensive efforts.

Coach Sherwood Barker said in summary of the scrimmage that the interior front line efforts were creditable and that the secondary did a fair job, breaking under pressure in one or two spots. He said that the Eagles need much work in their weakest game area: that of pass defense. He concluded that along with more study of the fundamental skills of blocking and tackling, the Eagles needed to get in a much more determined and competitive frame of mind: i. e., in other words, get pretty hardnosed about things.

Statistics in the San Saba pracice session saw the Eagles earn 147 yards on the ground and 43 by air. Interesting fact is that San Saba passed 40 times and completed six. They ground out their only score on their running attack.
