McCormick Resigns And Elton McGinnes Moved Up As New Electric CoOp Manager

Last Thursday evening at a regular meeting of the board of directors, Don McCormick submitted his resignation as manager of Southwest Texas Electric CoOperative, effective October 1st, thus completing 23 years service.

Elton McGinnes who has held the title of assistant manager for several years was named manager to succeed McCormick.

As a mark of respect for his years of service the board voted to designate Mr. McCormick as Manager Emeritus.

DON MCCORMICK

23 Years

Although the CoOp was authorized several years earlier, it was not until close of the war in 1945 that material began to be available enabling construction to start.

Don McCormick was chosen by the directors in September '45 to be manager of the CoOp, receiving official approval from the REA in St. Louis. To accept the position he resigned his post as civilian motor dispatcher at the bombardier school in San Angelo and arrived in Eldorado in time to take over management of the local office October 1st.

At its first annual meeting in August 1946 the CoOp reported 183 miles of line energized and 138 customers. An idea of its growth is shown by this year's report which showed 2540 miles of line energized and 2730 meters.

The company has handsome headquarters office and warehouse in Eldorado as well as district offices in Ozona and Big Lake. The annual report in August this year shows a total of 27 employees.

A veteran of World War One, Mr. McCormick is a member of the American Legion and a charter member of the Lions Club. Always a civic leader, he accepted the chairmanship of a committee in the fall of 1966 which successfully promoted the hospital district and county hospital which is now nearing completion.

22½ Years

A veteran of WW2, Elton McGinnes returned home early in 1946 and went to work for the CoOp in April. During 22½ years he has held most of the jobs in the system including laborer, lineman, line superintendent and finally assistant manager. After McCormick, he is the oldest employee in years of service. An active church worker, he is also member of the Legion and Lions Club and is usually identified with progressive civic affairs. He is a member of the Board of Directors of the Schleicher County Hospital District.

R. V. Sheppard's Mother Dies In San Angelo

Mrs. H. M. (Vallie) Sheppard, 81, died at 12:50 p.m. Tuesday at Rabb's Nursing Home in San Angelo.

Services will be held at 2:00 p.m. Thursday in West Side Bible Baptist Church in San Angelo with burial in Fairmount cemetery directed by Ratliff-Kerbow Funeral Home.

Mrs. Sheppard was born March 27, 1887 in Edwards county.

Survivors include two sons, R. V. Sheppard of Eldorado and Howard Sheppard of Fort Worth; a daughter, Mrs. Dale Young of San Angelo; 13 grandchildren and 22 great-grandchildren.

Public Meeting Set In Sonora For Action Agcy.

A meeting of the general public will be held on the second floor of the courthouse in Sonora at 7:30 p.m. September 30 for the purpose of selecting a permanent committee to head the Community Action Agency.

County Judge Web Elliott who has served as temporary chairman of the committee along with Mayor A. E. Prugel and other civic, county, school and business people in the community have established committees to make plans for the general meeting.

The proposed Neighborhood Center in Sonora will serve Sutton, Crockett, and Schleicher counties. The purpose of the Center is to dispense the applicable services of the Office of Economic Opportunity to the needy and underprivileged of the communities.

At this general meeting, information will be given on the nature and purposes of OEO.

Here Friday Nite Eagles to Face Aggressive Robert Lee Steers

Robert Lee High School, now smarting from a 7-6 defeat at the hands of the Bangs "Dragons" comes to Eldorado tomorrow night in the third non-conference game of the current football season. The Steers have a one-win one-loss record to date as do the Eldorado Eagles.

Robert Lee will field perhaps the hardest hitting club the Eagles have met to date. Their starting lineup consists of one sophomore, their quarterback, Mike Mumford, No. 11; three juniors, and seven seniors. In size they compare reasonably with the Eagles.

Their offensive stance is an unusual variation of "I" formation. It features a split end on either side but the halfback on the opposite side becomes a wingback, playing directly behind the right end.

Scouting reports apparently agree that this back's principal duty is to block the opposing middle linebacker. The Steers seem to favor power plays off either tackle. Their passing attack to date has not been a major part of their

offense as they passed only 10 times out of the 40 plays they ran in the Bangs contest last Friday night. Of these 10 passes they completed only three. A reasonable assumption would be that this week will see this phase of the Steers' attack carefully studied.

Their workhorses, running from a position as tailback, is their biggest boy, Roy Blair, No. 35, who is listed at 190 pounds.

Defensively, the Steers employ a colorful stance called "The Arkansas Monster" defense. It utilizes a five-man front with two line backers, two corner men, and a safety. The eleventh player is the Monster; usually he positions himself in front of the opponent's wing back. The "monster" in this instance is No. 28, Randy Smith, a junior, listed at 150 pounds.

Coach Sherwood Barker remarked this week that the Robert Lee monster would probably have a very busy evening in Eldorado.

General summation is that Robert Lee plays a very good defensive game and that the Steers are very

hardnosed lads generally.

Their probable starting lineup is as follows:

No.	Name	Pos.—Wt.
87	Larry Stockwall	LE 145
78	Jim Cox	LT 160
66	Andy Sole	LG 160
77	Bob Thomason	C 180
67	Terry Hines	RG 165
76	Lynn Beal	RT 170
86	Darryl Pitcock	RE 150
10	Joe Kay	LHB 155
28	Randy Smith	RHB 145
35	Roy Blair	FB 190
11	Mike Mumford	QB 145

When queried about the Eagle starting lineup, Coach Sherwood Barker said that it was entirely possible that there would be some new faces in various places in the Eagle lineup as the Eagle coaches are still striving for the strongest combination.

Eagle ends consist of Mike Olson, Sam Oglesby, Jim Robledo, Albert Torres, and Paul Page.

Tackles are Ross Whitten, Dobbie Lively, Jim McGinnes, Roy Jones, and John Danford.

Guards are Ross Whitten, Albert Torres, Bobby Sykes, and Jim Robledo.

Centers include Walter Speck and Jimbo Overstreet. Halfbacks are James Larry Davis, Keith Williams, Joel Muzquiz, Archie Nixon, Wayne Doyle, and Paul Page.

Fullbacks are Mickey Clark and Dwayne Dempsey.

Quarterbacks are Bob Page and Archie Nixon.

Last year Robert Lee defeated Eldorado in Robert Lee. With both teams tied in the win-loss accounting, tomorrow night will probably feature unusually strong rivalry to see who goes up and who steps down. The Eagles are anxious not to accept the subordinate role before friendly fans.

More New Members Needed For P-TA

Parents of children in school who have not already joined the local Parent-Teacher Association were urged to do so at the earliest opportunity by Mrs. A. G. McCormick, membership chairman.

Mrs. Robert Jay is treasurer of the local unit. Dues are \$2 per couple for the school year.

The first meeting of the Fall was held Monday and the new year-books were given out.

More Good Rains

Schleicher county was visited by more good rains early this week.

Some totals reported included: Eldorado, about80
Mary Davis Coupe1.50
Jim Thornton1.50

Post Script

It seems now that the County Judge and Commissioners have decided to postpone changing of precinct lines until next July or August.

They have been studying and seeking legal advice for some time and have finally taken the advice of Jim Vollers, assistant Attorney General of Texas, who in a recent speech said:

"In pondering over all of these imponderables, you must arrive at but one conclusion. There is no way to effectuate a change in your commissioner precincts prior to July or August of 1969."

This Room Furnished In Memory Of Mr. and Mrs. John Doe

Hospital District directors Monday night decided the time had arrived to extend an invitation to dedicated citizens who may wish to have a special part in the new hospital.

The opportunity will be to "Furnish a Room." Anyone familiar with hospitals has seen bronze plaques attached to door or wall. You have seen the same things attached to stained glass memorial windows in your churches.

As presently planned there will be 19 patient rooms in the new hospital. Cost of furnishing one room will be \$900.00.

The invitation, therefore, is open to the first nineteen who come forward.

Carroll Ratliff is chairman of the board and Ronnie Mittel is secretary.

Today—Thursday—is free coffee day in Eldorado with the showing of the new '69 Oldsmobiles and Chevrolets at Eagle Chevrolet-Olds. Jim Thornton and Paul Page invite everyone to come in and see the new cars and register for door prizes.

With our subscribers: Arthur J. Mund Sr. reports that he has moved from Von Ormy to 6702 Tam O'Shanter, Houston, Texas as 77036.

Claude Alexander reports that his new address is Apt. 4-A, Gary Tr. Center, San Marcos, Tex. 78666. Mrs. Sherwood Barker entered a new subscription for J. D. Barker of Box 97, Angleton, Texas.

If You Have a Good Idea Speak Out At These Meetings

The "Speak-Out" or Community Clinic is a townhall type meeting where the people attending have the opportunity to discuss ideas and make plans for the betterment of Eldorado and Schleicher county.

Besides discussing our ideas at the meeting, we will also put them on cards that will be tabulated in the offices of the West Texas Chamber of Commerce. The results of these cards will then be sent back to Eldorado so that the people interested in bettering Eldorado will have before them these important ideas.

These sessions are designed to be very informal and everyone present will be given time to express his ideas. However, if you prefer not to speak before the group then simply put your ideas on your card and it will be tabulated in the overall evaluation of the clinic.

When And Where Are The Sessions?

Tuesday, Oct. 1:
9:00-10:00 a.m., Women, Memorial Building;
10:00-11:00 a.m., Women, Memorial Building;
1:45-2:40 p.m., High Sch. Seniors, High School;
3:00-4:00 p.m., Employees, Memorial Building;
4:00-5:00 p.m., Professionals, High School;
5:00-6:00 p.m., City & County officials & employees, Court house;
7:30-8:00 p.m., Nurses' aid class, Christian church;
8:00-9:00 p.m., Farmers & Ranchers, Memorial Building.

Wednesday, Oct. 2:
12:00-1:00 p.m., Business Community, Memorial Building, Lions Club;
6:00-7:00 p.m., East Side Lions Club, Memorial Building.

Why Should I Attend?

You are a resident of Eldorado, Texas. Because of this fact it should be imperative that you attend at least one of the sessions. For if you have an interest in your surroundings, if you are interested in your job being in existence in the next few years, if you want to see Eldorado hold its own or grow, then you should make it a point to attend the "Speak out."

The trend of today seems to be toward the larger cities. In order to keep abreast of the times, to have a town that will be attractive to those people wanting to live in a smaller community, we must be on the move and keep our town up to date. You may be thinking that you don't especially care if the population of Schleicher county grows or not. Well even so, wouldn't you like to see the Eldorado of this minute spruced up and improved so that life will be more comfortable for our present citizens?

To get a true cross section of Schleicher county it is important that as many people as possible attend the meetings. Employers are being contacted and urged to give their employees time off to attend their special session. But if for some reason you cannot attend at your designated hour then come anytime you can. Any session will be beneficial to you and your presence is needed. Women of the community—you may come at 9:00 or 10:00 a.m. We are hoping that the extra session will make it possible for more ladies to be present. We will be looking for you. —Pam White.

E. T. Davis continues about the same in Sonora hospital where he has been a patient for several weeks. Relatives and friends are sitting up with him.

Hospital Directors In Special Meeting

All seven directors were present for a called meeting Monday night and disposed of two important matters of business.

They prepared a budget for the coming fiscal year—October 1st through September 30th—and ordered publication of a budget hearing to be held on the board's next regular meeting which will be Monday night, October 7th.

The second action was approval of a lease agreement with Dr. J. B. Brame. A preliminary lease that had been presented several weeks ago, had been studied and revised, and a corrected version was unanimously adopted, with Dr. Brame present.

Zone 5 Of S.C.D. Election Coming Up

Here is an important reminder to all of you that own land in Zone 5 of the Eldorado-Divide Soil Conservation District. On October 3 you will have an opportunity to elect a supervisor of your district, who will represent you in soil and water conservation matters. You are eligible to vote if you are over 21, own land in Zone 5, or if you are the wife of a landowner.

The place of voting will be the Walter C. Pope III Fort McKavett Ranch. Mr. and Mrs. Pope will host a noon barbecue at 11:45 a.m. Voting will begin shortly after lunch. You can be home or about business by 2:00 p.m.

By all means VOTE. That date again: October 3rd, 11:45 to 2:00 p.m. at the Walter C. Pope III Fort McKavett Ranch.

Supervisors are elected for a five-year term. An election is held each year in rotation. By rotation in the five zones, one supervisor's term expires each year. Only resident landowners may vote or qualify as supervisors.

Funeral Wednesday For Young Mother

Services for Mrs. Jerry Clay Burleson, 20, of Eldorado were held at 4:00 p.m. Wednesday at Camp Wood Baptist church with graveside rites in City Cemetery in Vance.

Mrs. Burleson died at 8:45 a.m. Monday in Shannon hospital while undergoing surgery.

She was born Nov. 27, 1947 in Camp Wood.

Survivors include her husband; two daughters, Melissa Lynn and Shanna Shay, both of the home; her parents, Mr. and Mrs. J. P. Merritt of Kerrville; three brothers, Samuel Edward Merritt and Robert Dewitt Merritt, both of Kerrville; and Coy Merritt of San Antonio, and four sisters, Mrs. Katherine Fellows and Mrs. Glenda Feller, both of San Antonio, and Mrs. Christine Swim and Miss Martha Kay Merritt both of Kerrville.

Chester Winans Dies

Chester Winans, 82, died Sunday at 9:30 at Golden Years Nursing Home in Christoval.

Graveside services were held at 4:30 Monday evening in Eldorado cemetery under the direction of Ratliff-Kerbow Funeral Home.

He was born Oct. 9, 1885 in Uvalde. He was married to Mrs. Lydia Ivey Aug. 4, 1931.

Survivors include a son, C. H. Winans of Burleson; three stepchildren, Mrs. Burna Roach of Burleson, Mrs. Leo Ivy of Sealy and Mrs. J. B. Swain of Eldorado and four grandchildren.

Also surviving is a brother, Frank Winans of Vealmoor.

MRS. McDONALD ATTENDS W.T.U. WOMEN'S MEETING

Approximately 200 "Ruffles and Ready" ladies of West Texas Utilities came from the 50 counties served by WTU for their annual conference in San Angelo which began Sunday, Sept. 22. Mrs. Rance McDonald of the Eldorado office attended.

The conference, conceived 14 years ago, is designed to develop leadership qualities in the women office workers and help them serve the public better.

The San Angelo District Office was the host for this year's conference.

COUNTY AGENT'S COLUMN

by Tiny Godwin

Schleicher County Agricultural Agent

Cotton stalks should be destroyed immediately after harvest to reduce next year's insects, especially pink bollworms and boll weevils. The destruction of cotton stalks cuts off the food supply of these pests and will hold down late season reproduction and interferes with feeding required by insects before they go into the winter.

Where a standard-type shredder is used, about 50% of the pink bollworm larvae will be killed in the shredding operation. A flail-type rotary chopper is recommended since it will get about 90% of the larvae during the shredding operation.

Stubbles should be immediately plowed out after shredding to prevent new growth. New squares or bolls late in the year are considered delicacies by the pink bollworm and boll weevil, and this food is required by the insects to reach diapause condition necessary to survive the winter. The importance of plowing under stalks, boll residues and volunteer cotton to a minimum depth of 6 inches is stressed. Pink bollworms overwinter in cotton bolls, seed cotton and cottonseed. Where these plant materials are turned under at least 6 inches, they will decompose and expose the larvae to soil organisms.

Remember that early harvest, clean fields and crop residue destruction are more effective and less expensive than applying insecticides during the next cropping season to control pink bollworms and boll weevils.

One half of responsibility is ability.

Care in handling chemical pesticides and equipment now can help prevent costly accidents for farmers and ranchers in Schleicher county.

Many producers have made or are planning their last applications this year and extra care should be taken before storage of leftovers for the winter. Labels are put on containers to be read. They should be read for time lag before harvest and any special requirements for storage. Some pesticides have warnings about low-temperature storage and other requirements.

"Empty" chemical containers can be a source of danger to humans, livestock and wildlife. All remnants of chemicals should be dumped into a deep pit dug in level sandy soil and located to avoid contamination of water.

Combustible containers can be burned, but care should be taken to stay a considerable distance from the fire because of toxic smoke. Crushing and burying combustible containers is also a recommended method of disposal.

Large containers such as drums and barrels should be washed thoroughly and rinse water buried. The drums and barrels should be returned to the supplier or sold to a firm which can neutralize the toxicity of the chemicals.

Equipment used to apply chemical pesticides can be dangerous because they are usually stored where livestock or feed are kept. Equipment should be thoroughly cleaned before storing for the winter.

Faith—You may be deceived if you trust too much, but you will live in torment if you do not trust enough.

Keep warm this winter, but be

sure the warming fire doesn't feed on the family home. A home can burn to the ground in a matter of minutes.

It takes little more than a few minutes to check the home heating system and arrange to have hazards corrected. Look for, and correct, dangers of fire and gas fumes.

Don't use oil burners or gas heaters unless they are vented. A tipoff of excessive fumes from burners is an unusual amount of water vapor condensing on windows, floors, and possibly the roof. Look for clogged vents or chimneys in this case, and also check the chimney to make sure it is solid.

Have the furnace and its controls checked by a qualified serviceman. Heating systems are the single greatest cause of home fires, and this means wintertime is the best time to guard against possible destruction.

Be sure a check of the heating system includes removing all trash and flammable material from around the system. Inspect fuel lines and make needed repairs. Also practice safe storage of fuels.

When new equipment is used or installed, be sure it is labeled by the Underwriters' Laboratory or American Gas Association. And use proper size fuses or breakers in the electrical system. Make this a safe winter.

No man is free who is not master of himself.

Reported in 1968 have been 2,816 cases of positive identification of screwworm cases. This compares with 835 cases in 1967. Counties surrounding Schleicher county have reported cases, north, south, east and west the past week. Heavy infestations are reported in Pecos, Val Verde, Real, Edwards and Gillespie counties.

Two samples were mailed Monday from the county but had not been heard from at the time of the turn in of the county agent's column.

Producers may secure vials from the county agent's office, First National Bank, Eldorado Feed & Warehouse company.

All producers are asked to practice vigilance and collect samples of larvae for identification.

Human minds are like parachutes, they function only when open.

What Is The Flu?

"Flu" is actually influenza, caused by a number of viruses. Often the term is used as a catch-all to label any respiratory or cold-like disease, which is accompanied by fever and a general achey feeling. Influenza is caused by three types of viruses: influenza A (A1 & A2), influenza B and C; and without extensive laboratory examinations, no physician can distinguish between them by simply examining the patient. However, the treatment is the same for all three and the chief problem occurs when there is a secondary bacterial infection caused from being infected with the virus.

Other names for influenza are the Grip, Catarrhal Fever and Epidemic Influenza. The great flu outbreak of 1917-18 is said to have caused some 20-million deaths throughout the world. The use of the new flu (or cold) vaccine can virtually eliminate the disease.

Miss Robinson Is Merit Semi-Finalist

Eldorado High School Principal Guy Whitaker has announced that Kathy Robinson has been named a semi-finalist in the 1968-69 National Merit Scholarship Program.

Miss Robinson is the daughter of Mr. and Mrs. T. P. Robinson, Jr.

The 15,000 Semifinalists appointed are among the nation's most intellectually able high school seniors and will compete for some 3,000 Merit Scholarships to be awarded in 1969.

The Semifinalists were the highest scorers in their states on the National Merit Scholarship Qualifying Test, given last February in 17,500 schools nationwide. They constitute less than 1% of the graduating secondary school seniors in the United States.

The Semifinalists show high promise for leadership in their adult careers, according to John M. Stalnaker, president of the National Merit Scholarship Corporation. "They have already demonstrated both high intellectual capacity and a readiness to develop their abilities," he said.

"These students deserve credit and honor. They bring honor to their families, who deserve much credit, as do their teachers and their communities. Their future success, however, will depend increasingly upon their ability to become productive at the high intellectual levels of which they are capable."

Semifinalists must advance to Finalist standing to be considered for Merit Scholarships, since all winners will be selected from the Finalist group. Semi-finalists become Finalists by receiving the endorsement of their schools, submitting scores from a second examination, and providing information about their achievements and interests.

New Babies

From Ft. Worth, Henson Garvin wrote recently: "My wife, Jeanette, had a baby boy Saturday morning, September 14 at 2:33. He weighed 6 lbs. 14 oz., and 19 1/2 inches long. Born at Carswell AFB Hospital, Carswell AFB, Texas."

Grandparents are Mr. and Mrs. James Lynch of Bryan, Texas, and

Homer Garvin of Eldorado.

Great-grandparents: Mrs. Mayon Ricks of Huntington, Tex., and Mrs. J. J. Neill of San Angelo, Tex.

There are two step-children at home, Brian 4 and Tracey 3.

LEGION CONVENTION SET

Junction, Tex.—Legionnaires and Auxiliary members from the 21st District of The American Legion will assemble here on Saturday and Sunday, September 28-29, for their

annual fall convention. C. O. Rambo, Commander of the local post has announced.

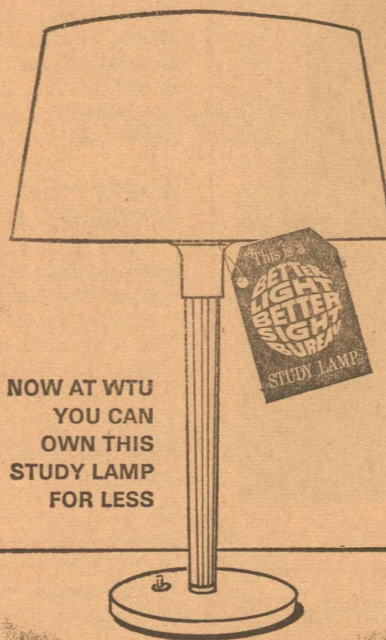

Registration will open at 9:00 a.m. on Saturday at Junction's American Legion Hall.

DAR Starts Off Their New Chapter Year

On Sept. 19, 1968 the El Dorado Chapter DAR met in the Memorial Building with the Regent, Mrs. Ernest S. Goens presiding.

The meeting was opened by the chaplain, Mrs. Walter Ramsay's reading the Scripture.

The prayer, leading the Pledge of Allegiance to the Flag of the United States and the National Anthem followed.

Following a Memorial Prayer said for our beloved deceased daughter Mrs. S. S. Shanklin, Rock-springs, Texas, a beautiful eulogy in her honor was given by Mrs. Elizabeth Rae Powell.

In the monthly letter from the President General, the theme of the new President General, Mrs. Erwin Freese Seimes, was emphasized. Attention was called to the fact that Mrs. Mary Davis Coupe, First Vice Regent, and Program chairman, together with her program committee, used the theme: "One Country, One Constitution, One Destiny."—Daniel Webster, as basis for the first three months' programs.

Since September 17-23 is set aside by Congress as Constitution Week, Mrs. Seimes reminded that the National Society, Daughters of the American Revolution, gave birth to the idea in the first place.

The Report of the Defense chairman, Mrs. Powell, presented that which NSDAR had selected for the information of all DAR members. The Program for the day was: Our Responsibilities under the Constitution, Mrs. Mary Davis Coupe.

The hostesses, Mes. J. E. Hill, Luke Thompson, Walter Ramsay graciously served delicious refreshments to the out of town members Mes. D. M. Humphrey, Wausau, Wis., E. L. Dyer, Ozona; Stephen Perner, Ozona; together with the members of Eldorado.

On Oct. 17 the chapter will have as its subject One Country. Leader will be Mrs. J. O. Willoughby, and Mrs. J. E. Hill will give Lest We Forget. —Rep.

DUPLICATE BRIDGE SESSION

The session of Duplicate Bridge was held Saturday evening in the Memorial Building.

North-south winners were Sarah McCravey and Frances Peters, 1st; and Mr. and Mrs. Jimmy West, 2nd.

East-west winners were: 1st, George Finley and Ernestine Hext; 2nd, Eddie Mae Kinser and Frankie Williams.

Next session will be Oct. 5th.

Mrs. John Mormon had major surgery in Sonora hospital on the 9th. She is doing well at home.

Buren Whitten Jr. and wife Kathe flew to San Francisco last week to a medical convention. She is an EEG technician and he is a medical technician at Parkland Hospital, Dallas, Tex.

Buff Whitten will leave for the Navy Oct. 9th.

NOTICE BOOKKEEPERS: You may order B&P Standard columnar sheets for your loose-leaf ledger binders at the Success office.

Miss Sanders To Be Married In November

KAY SANDERS

Mr. and Mrs. Jerroll Sanders announce the engagement of their daughter, Kay, to Rickey Lowell White. Parents of the prospective bridegroom are the Rev. and Mrs. Joe White of Odessa.

The couple plan to marry November 29th in the First Baptist church here in Eldorado.

Albert Tisdale is a patient in Veterans Hospital at Big Spring.

Mr. and Mrs. Grover Lee Johnson of Goldsmith, accompanied by Mr. and Mrs. Ed Greenlee of Odessa, stopped here overnight last Thursday with Mrs. Bertha Wilson, on their way to San Antonio and HemisFair. They stopped again briefly Sunday on their way home.

Mrs. Elnora Love, accompanied by Mrs. Marguerite Frost, spent a few days last week in McAllen with the Bob Whitis family. Elnora attended a design school and reported that temperature reached 105 degrees while they were there.

School Menus

Thursday, Sept. 26: Fried chicken and gravy, creamed potatoes, buttered broccoli, carrot & pineapple & raisin salad, buttered rolls, milk, fruit cobbler.

Friday, Sept. 27: Tuna salad, ham salad, and pimento cheese sandwiches; potato chips, fresh fruit cup, milk, brownies.

Monday, Sept. 30: Lasagne casserole, buttered carrots, tossed green salad, canned fruit, buttered rolls, milk.

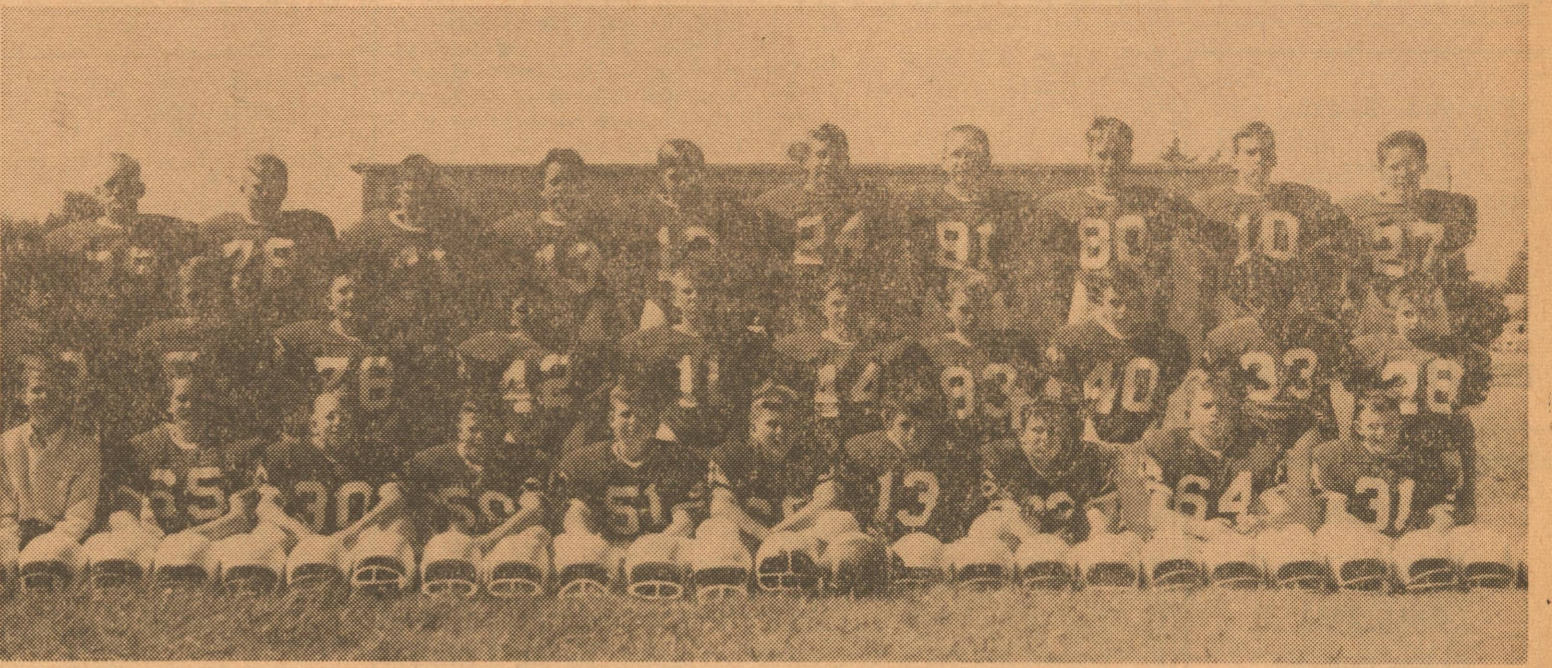

Tuesday, Oct. 1: Swiss steak with gravy, creamed potatoes, green beans, lime jello salad (pineapple, celery, carrots), buttered rolls, milk, chocolate cake with white icing.

Wed., Oct. 2: Sloppy Joes, English pea salad, chilled whole tomatoes, potato chips, milk, fruit cobbler.

Thurs., Oct. 3: Roast beef and gravy, creamed potatoes, black-eyed peas, peach halves, buttered rolls, milk, peanut butter cookies.

Friday, Oct. 4: Turkey pot pot with vegetables, buttered rice, green lima beans, apple & raisin & carrot & pineapple salad, buttered rolls, milk, ice cream cups.

Little Eagles' Jr. High Team To Host Ballinger In Game Tonight Starting 6:00 O'Clock

THE LITTLE EAGLES Jr. High football team have their '68 season under way under direction of their coaches, Bob Helmers and Pete Bryan. They host Ballinger in a game Thursday of this week that

starts at 6:00 p.m.

Shown left to right on the front row are: Scott Montgomery, mgr.; Kim Branham, Mort Mertz, Tim Edmiston, Robert Parker, David Iaynes, Ricky Shea, Benjie Jay,

Mark Bland, and Joey Jones.

Second row: Santos Castro, Roy Lloyd, Len Mertz, James Holley, Gene Nixon, Timmy Farris, Chris Gartman, John O'Harrow, Isabel Ortiz, and Wayne Joiner.

Standing on back row are: John Rae Powell, Garry Wester, David Yocham, Chris Pena, Mike Manning, Ken Peters, Karl McCormack, John Rosford, Hunter Henderson, and Randall O'Harrow.

Elegance Featured In Olds Line For '69

Lansing, Mich.—Oldsmobile, for 1969, is introducing completely restyled '88's and '98's, a longer and sleeker Toronado with a major change in rear end appearance, and power train improvements designed for greater economy and performance in F-85 models.

"These styling and engineering advancements, as attractive as they are, compete for the customer's attention this year with a wide range of new safety-related product improvements," Harold N. Metzel, the division's general manager and a vice president of General Motors, announced today.

He said they included side impact bars inside the doors of '88's and '98's, a more uniform rate of energy absorption in all Oldsmobile steering columns, head restraints as standard equipment, larger rear view mirrors, and a sloping interior header bar from roof to windshield to reduce the likelihood of head injury in case of accident.

"Styling changes in every 1969 Oldsmobile," he continued, "enhance their traditional appearance of top quality and emphatically designate series identification. Interior appointments are designed

to stress luxury and elegance to a previously unmatched degree.

"From a marketing standpoint," Metzel said, "Oldsmobile has further simplified its medium price class lineup. All cars in the '88' family are Delta 88's. These cars with wheelbases increased to 124 inches are richly designed, longer looking and have more trunk room. They include the Delta 88, the Delta 88 Custom, and a newly-created top-of-the-line hardtop coupe, the Delta 88 Royale.

"This elegant new 88 has a distinctive backlight, chromed front fender side louvers, identifying hood ornamentation, a vinyl top as standard equipment, and several other distinguishing features including its own exclusive exterior paint striping," he explained.

"The new 1969 Oldsmobile 98's also have been completely restyled," Metzel said. "Wheelbases have been increased to 127 inches. They are longer looking cars with longer hood, longer rear deck, and greater luggage capacity. The new 98 hardtop coupe particularly exemplifies these qualities. The increasingly popular 98 Luxury Sedan has been expanded to two models for 1969. Previously available only in a 4-door pillar version, Oldsmobile in '69 is offering a companion car, identified as the 98 Luxury Hardtop Sedan."

An optional feature in this auto-

mobile is a divided front bench seat with independent controls for driver and passenger positioning, representing a significant comfort improvement for front seat passengers.

"The 1969 Toronado, lengthened 3½ inches, displays a dramatically redesigned rear end. It is extremely clean-tailored and involves a new deck and rear quarters.

"The Toronado interior is richer and the Toronado ride has been further improved to better absorb road irregularities without any sacrifice in handling," he added. Other product improvements include a more conveniently located

ash tray for the driver, and a rotary latch on the glove box door. Optional on this car is the electrically heated rear window defogging system which Oldsmobile introduced last spring.

"The new Oldsmobile F-85's, including the Cutlass, Cutlass Supreme, 4-4-2 and Vista Cruiser models, have undergone just the right degree of change—front, rear and interior—to achieve a sportier look combined with the high quality detail for which the young family of today is shopping," Metzel said.

In Those Days

Compiled From Success Files ONE YEAR AGO Sept. 28, 1967—Cheer leaders pictured were Sherry Yates, Billie Gayl Blaylock, Randy Yates, Chris Edmiston and Shane Henderson. Mrs. Charles Wimer died at 56, and her funeral was held here. The local Lions Club was joining others over Texas in appealing for cash for the victims of Hurricane Beulah in the coastal area.

FIVE YEARS AGO Sept. 26, 1963—The congregation of the First Baptist church announced plans to build a new educational building to the east of their present building. The T. M. Jr. and Don Brown Construction Co. of Clyde had base laid for the stretch of highway from Eldorado north. (The firm subsequently went broke.) With Rev. Kenneth Vaughan as evangelist, a Revival was set at the First Baptist church. The Mountain, and Gypsy, were movies showing at the Eagle. A son was born to Mr. and Mrs. Walter Powell Jr. Rev. J. C. Hancock was moving from Houston to serve the Baptist church at Sanderson. Raymond Wilson was preaching at a Revival at the Eastside Baptist church.

12 YEARS AGO Sept. 27, 1956—Paul Page and Howard Derrick placed lots on sale in their new residential subdivision, Sunset Acres. Jene and Henry Moore reported 115 bales gathered at their place; they had 23 hands in the fields picking. W. R. Bearce was president of the newly-reorganized Methodist Men. Raymond Schrank was vice-president. The Roger Luckenbach family were visiting relatives in London and Mason. Joe Ed Spencer completed Army basic training at Fort Bliss and arrived here on 14-day leave. Mr. and Mrs. C. C. McLaughlin returned from a trip through the southern states. Judy Ann Davidson was honored on her 8th birthday. Mr. and Mrs. Pat Joiner and son Lonnie visited here from Abilene. Myrl Sudduth left for Lubbock and his Junior year at Texas Tech.

35 YEARS AGO Sept. 29, 1933—Mrs. G. B. Shoemaker announced plans to open a grocery store in connection with her feed store. Fred Matthews and Miss Ruby Spurgers were married. Mrs. W. E. Eaton had surgery in Shannon hospital. J. C. Crosby and Leslie Galbreath have moved their pool hall in the Brooks building and will open a shooting gallery in the building formerly occupied by the Recreation Club. Harold W. Evans sold his 9,000 acre ranch 12 miles northwest of Eldorado to Ben Meckel of Sonora for \$125,000. This place was known as the old Barbee ranch. A daughter was born Sept. 25th to Mr. and Mrs. Walter Powell. Ernest Hill addressed the P-TA on "The Consumer's Part in the NRA Program." Lee Duncan was here Saturday visiting on the Tom Henderson ranch. He left Sunday accompanied by Miss Jeanette Henderson and Buddy Henderson who plan to visit on the ranch near Alpine with Lee and his brother, Bruce Duncan and wife. A son was born Sept. 26th to Mr. and Mrs. J. R. Conner. J. E. Hill's car was struck near the hotel by a car from Sonora which was owned by Harvey Morris.

PAR-TEE

The regular Golf Club Reporter is on vacation this week and as a result this column will be much shorter and less interesting today. The fine rains have curtailed the golfing activities the first part of the week but they should improve the chances of our new greens being ready to play on this fall. We had hoped for fair weather at least one day during the first three days of this week to allow Dave and Marvel Williamson of Willis, Texas to play our course while visiting here with Jack and Ernestine Hext but the prospects look dim at present. Our regular monthly Bingo game will be held Saturday, September 28, at the Memorial Building at 7:30 p.m. All bingo players, golfers and friends are cordially invited. A mixed foursome golf tournament will be held at the golf course Sunday, September 29 at 2:00 p.m. All golfers are invited to attend. President Charlie Hahn has been busy this week leveling the patio area next to the clubhouse and preparing the caliche to receive the concrete pad. The course is in good shape now and should remain so throughout the fall months, so polish up your clubs and come on out.

**Woman's Club
Opens New Club Year**

The Woman's Club opened their 49th Club year with a coffee at the home of Mrs. P. S. Dudley at 9:30 a.m. Tuesday. The executive committee assisted the hostess.

Coffee or tea and other refreshments were served after the invocation led by Mrs. W. N. Ramsay. The yearbooks were discussed by Mrs. Vernon Rogers, 1st vice-president. The theme for the year is: Woman's Individual Gifts and the Course of Study; Woman's Involvement in keeping with the General Federation theme: Individual Involvement.

The president, Mrs. M. H. Woodward, challenged each woman to develop at least one of her talents during the year.

Mrs. V. G. Tisdale brought the Timely Thought from "Your Mind Can Keep You Young." She said that while other parts of the body began to age at different ages the mind continues to develop until about age 60 and is as good at 80 as at 30 with more knowledge and maturity. That one is never too old to add another skill to those one now possesses.

The Club's projects are: CARE, assisting at McKnight Hospital, American Field Service, State and Local Projects, and Community Improvements including the Park, Library and Memorial Building and grounds.

The club's money-making project is a Bake Sale which will be held on Oct. 10 at 9:30 a.m.

At the next meeting on Oct. 29 at the home of Mrs. Edwin Jackson, Mrs. R. D. Johnson will read her short story entitled, "The Lord and the Democrats." Mrs. Johnson was presented a 1st place State Award for the best short story entered in a State Club-Woman's Contest last year.

Two guests were welcomed, Mrs. E. H. Nimitz and Mrs. Ed Meador. Fifteen members were present.

Well Slated Near Here

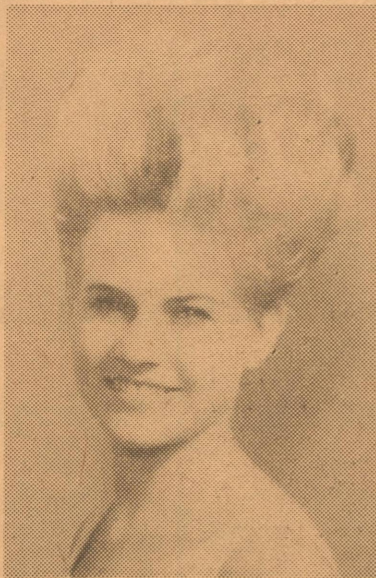

Orbon H. Tice and Sam H. Allen, Abilene, will drill a 4,810-foot Wolfcamp wildcat in Schleicher county, four miles southwest of Eldorado and three miles southwest of Canyon gas and seven miles southwest of 4,072-foot Wolfcamp oil production in the Eldorado field but separated by Canyon failures. It is the No. 1-103 R. D. Johnson.

Location, on a 640-acre lease, is 660 feet from the north and east lines of 103-A-HE&WT. Elevation is 2,358.5 feet.

It is 1/4 mile south of Shell Oil Co. (formerly Tice and Allen) No. 1 Johnson, a 7,200-foot failure, abandoned Oct. 16, 1964, after plugging back to 4,781 feet and testing the Wolfcamp through perforations at 4,672-712 feet. On one 24-hour production test, it flowed 20 barrels of new oil and one barrel of acid water, plus gas at the daily rate of 1,040,000 cubic feet.

Texas Almanacs at Success.

**Plays Piano At Recent
Quarter Horse Meeting**

BERTHA TUMLINSON

Bertha Jean Tumlinson was in Midland last week end where she played the piano for a meeting of the Quarter Horse Association.

She played with the Rhythm Cowboys and also played for the luncheon that evening in Midland. Bertha Jean is the daughter of Mr. and Mrs. Monroe Tumlinson. She is 17 and is a Senior here this year.

The Tumlinson family spent the week end visiting the Morris Coopers in their home in Midland.

**Miss Blaylock Named
Howdy Queen At Baylor**

Waco, Tex.—Billie Gayl Blaylock, Baylor University coed from Eldorado, was named Howdy Queen Friday night at the conclusion of Howdy Week.

Daughter of Mr. and Mrs. Billy Frank Blaylock of Route 1, Eldorado, Miss Blaylock was one of about 25 women nominated for the honor by the freshman class. She was elected from five finalists. Polls were open Friday, and Miss Blaylock was announced as the queen at a Hoe-Down Friday evening.

Alpha Omega, a women's social club at Baylor, sponsors Howdy Week and the election of a Howdy Queen annually.

A 1968 graduate of Eldorado High School, Miss Blaylock plans to major in secondary education at Baylor.

TO CORONARY COURSE

Mrs. Jack Montgomery, supervisor of nurses at Sonora hospital, leaves Sept. 29th to attend a two-weeks' school at Harris hospital in Fort Worth. The course is on extensive coronary care, having to do with the care of patients preparing for heart surgery and care following surgery.

Airman First Class Phillip Montgomery of Perrin Air Force Base, Sherman, was a week end visitor with his parents, Mr. and Mrs. Jack Montgomery.

NEW SON FOR GRIFFINS

A son, their first child, was born Tuesday morning, Sept. 24th, at 10:08 in the Sonora hospital to Mr. and Mrs. Ronnie Griffin. The mother is the former Marcia Mund. The baby weighed 9 lbs. 2 oz. and has been named Ronald Cass.

Grandparents are Mr. and Mrs. Joe Griffin and Mr. and Mrs. L. D. Mund, all of Eldorado.

LIONS MET YESTERDAY

C. T. Humphries presided at the meeting yesterday of the Lions club. Bob Bradley gave a presentation of the history of football in this county.

Elton McGinnes presented Clifford Schooley his credentials as a new member.

REVIVAL CONTINUING

The Revival services are continuing this week at the First Baptist church with Dr. L. L. Morriss of Midland and Sam Allen of Lubbock in charge.

The pastor, Rev. Kenneth Vaughan, and members invite every one to the services at 10:00 a.m. and 7:00 p.m.

JOHN MURR TO MOVE

John Murr is being transferred from here to Wimberly, Texas, by General Telephone Co. He was to be on his new job later this week and his family will join him in the near future. Wimberly is located near San Marcos.

General Tel. will assign a new man here soon to replace Mr. Murr.

BOY SCOUT DRIVE SET

Bill Rountree is chairman of the fund drive to be conducted here soon for the Concho Valley Council of the Boy Scouts of America.

A kick-off breakfast for the drive workers will be held at 7:00 a.m. Oct. 7th at Java Junction cafe.

Gwendolyn Gunstead returned to her classes in the first grade Tuesday morning after being absent for some time. She had surgery in Shannon hospital followed by convalescence at home. She is still on crutches and has one leg in a cast.

**Wide Choices Await
'69 Chevrolet Buyers**

Detroit, Mich.—The widest choice of engines and transmissions in automotive history head a parade of exclusive Chevrolet features for 1969, E. M. Estes, general manager, said today.

"This unparalleled opportunity for the 1969 buyer to custom tailor his car's performance and economy typifies the variety and value with which Chevrolet expects to increase its industry leadership," Estes said.

"Other exclusive Chevrolet features are computer-selected springs for improved ride, jet stream headlight washers for better illumination in bad weather, wider wheels to improve vehicle handling and a 'liquid tire chain system' to increase rear tire traction on icy streets."

Estes said 35 new Chevrolet mo-

dels in seven distinctive car lines for 1969 go on sale nationally on Thursday, September 26th, including Eagle Chevrolet-Olds, Eldorado. "The industry's top seller—the big Chevrolet—is all new in 1969 and has the largest base V-8 engine in its class," Estes said. "It is a 327 cubic inch V-8, increased from a base 307 engine in 1968."

"Two new 350 cubic inch V-8's are also introduced, one using regular fuel as does the base V-8. The big Chevrolet offers a high torque, regular fuel 396 cubic inch engine, largest regular fuel engine in its field."

Other exclusive features listed for the new big Chevrolet are full door glass styling with improved Astro Ventilation on all models, variable-ratio power steering for more responsive maneuverability, an electrically-heated rear window defroster and a one-of-a-kind roofline for the Caprice Coupe and Impala Custom Coupe.

Chevrolet introduces in 1969 a new Turbo Hydra-Matic 3-speed automatic transmission specially designed for six cylinder engines and V-8 engines up through 350 cubic inches. Teamed with the regular Turbo Hydra-Matic offered on larger displacement V-8's, this gives virtual across-the-board availability of this highly advanced transmission, Estes said.

Chevrolet also introduces a new heavy duty, three-speed fully synchronized manual transmission. Others in the wide transmission selection are the standard three-speed, optional four-speed, Powerglide two-speed automatic and Chevrolet's pace setting Torque-

Drive "clutchless" transmission for four and six cylinder equipped Chevy Novas and the six cylinder Camaro.

Safety and security advances on the 1969 Chevrolets range from an improved energy-absorbing steering column, contoured windshield headers and front seat head restraints to an anti-theft ignition, steering and transmission lock mounted on the steering column.

Estes said there is also an all-new outside and inside look for Chevrolet's sporty Camaro in 1969, plus exterior and interior styling improvements in Chevelle, Nova and Corvette and continued Corvair individuality.

The '69 Oldsmobiles are being shown all day today, Thursday, at Eagle Chevrolet-Olds here in Eldorado.

The ELDORADO SUCCESS

Chevrolet introduces 1969.

Caprice. Match this, you other '69's!
There is no joy in the land of our competitors today. But let us ask you this. Should we have made Caprice shorter instead of the longest Chevrolet ever built? Or adorned it with flashy nicknacks to make it look less expensive? Just because competition doesn't, should we not have offered you washers to clean your headlights,

new variable-ratio power steering, liquid tire chain you can apply to your rear wheels at the touch of a button? Should we have given you less power, instead of the largest standard V8 in its field? Some people think so. Our competitors.

'69 Caprice Coupe

'69 Camaro SS Sport Coupe, plus RS equipment

Camaro. Who needs to say "announcing" or "new". The Hugga. And just look how it all hangs together. No gingerbread anywhere. We've improved the interior, too. Quieted the ride. Made the Astro Ventilation ventilate better. The power range is very impressive.

Standard V8 is 210 hp. SS engines available up to 325 hp. For added SS appeal: sport striping; power disc brakes; wide oval, road-hugging tires. Your Chevrolet dealer offers this advice: Go on, you other sportsters. Gnash your gears and look tough. Maybe it will help. **Putting you first, keeps us first.**

Eagles Drop Game To Ozona Lions

By Narrow 14-13 Score Last Friday

The Eldorado Eagles in a very fine frame of mind shellacked the Ozona Lions Friday night in all but the scoring department as the game statistics show. They trailed 14-13 in the last two minutes of play; and instead of kicking the point after touchdown, they elected to run the ball over on direction of Coach Sherwood Barker. Had they succeeded, the score would have been 15-14. They did not quite make it; but according to Coach Barker, they went to win the game, not to tie it.

Statistics bear out that they performed exceptionally well as underdogs and very nearly upset the highly favored Lions.

	Eldo.	Ozona		
First downs	13	9		
Yds. rushing	173	118		
Yds. passing	115	141		
Total yds.	288	259		
Passes att. & com.	5 of 10	7/17		
Passes intercepted	1	2		
Fumbles lost	3	3		
Pen. & yds. lost	3 for 23	4/55		
Punts & av.	4 for 35 yds.	4/33.8		
Score by quarters:				
Eldorado	0	7	0	6-13
Ozona	0	6	0	8-14

It was a "rack-em and whack-em" contest all the way with the Eagles gaining the advantage in surprise and aggressiveness in spite of their youth. To begin with, Archie Nixon on the first kickoff booted a low line drive into a Lion in the front five who was so surprised that he fumbled and the Eagles recovered. They went well for two first downs before losing the ball.

It was well along in the second quarter before the Eagles scored. They rocked and socked their way down to the 15-yard line where QB Bob Page stepped back and a touchdown pass to Halfback Keith Williams in the Lions' end zone. Place Kicker Archie Nixon booted the ball through the goal posts and Eldorado came out front 7-0.

Ozona came back to score also in the second quarter after a penalty and a 22-yard pass set up their scoring situation for their most effective pass which was a jump pass over center, five yards in this instance. Their right end, Donald Huff being a tall boy could just go higher in the air than could Eagle defenders.

Ozona attempted to run the ball over for two points but failed and the first half ended with the Eagles out front 7-6.

Neither side scored in the third quarter; but late in the fourth, the Lions intercepted an Eagle aerial and turned it into another jump pass worth 16 additional yards for their second touchdown. Fleet Coates ran over for the two points and the lead changed to Ozona, 14 to Eldorado, 7.

The Eagles received and Archie Nixon went in at quarterback along with Halfback Wayne Doyle who on the next play succeeded in get-

ting behind the Lion safety man and Nixon dropped a real bomb for 25 yards into Doyle's waiting arms. Doyle was then off for the Lion goal. He outdistanced all pursuit and the score changed to 14-13 Ozona.

As related, the Eagles failed to run the two extra points over and the game ended less than two minutes later with the final score still Ozona 14 to Eldorado's 13.

There is some reason to feel that the game officials were not as knowledgeable as they should have been.

Paul Page distinguished himself on kickoff run backs and completed two passes as well. Meanwhile, Keith Williams, Mickey Clark, and Wayne Doyle each completed a forward pass also.

Archie Nixon intercepted the only Lion aerial the Eagles captured.

Mickey Clark carried the ball six times for 18 yards, James Larry Davis, 23 times for 88 yards; Keith Williams, 11 times for 21 yards; Dwayne Dempsey, five times for 19 yards; Bob Page, three times for 7 yards; and Wayne Doyle, one time for 5 yards other than his touchdown run.

Defensively, Bob Sykes and Keith Williams distinguished themselves with seven tackles each while Dwayne Dempsey, Jim Robledo, Walter Speck, and Paul Page racked up five each. Roy Jones, Jim McGinnes, and Mike Olson got four tackles each.

Coach Barker summarized the game by remarking that regardless of the outcome, the Eagles were 100% ready for the contest and very nearly scored the upset. He concluded that it was back to blocking and tackling; but, if improvement continues, the Eagles may not disappoint their fans too many times.

Oil News

Pennzoil United, Inc., Midland, No. 2 Barrow, section 40, block TT, TC survey, a half-mile west extension to Canyon D sand gas production in the Cody Bell multipay area of Schleicher county, 10 miles northwest of Eldorado, was completed for a calculated, absolute, open flow of 6 million cubic feet of gas daily through perforations at 6,493 to 6,527 feet, after injection of 1,000 gallons of mud acid and 28,000 gallons of fracture fluid. Gas-distillate ratio was 7.431-1. Oil was flowed and swabbed on tests through perforations at 6,553 to 6,555 feet, after injection of 500 gallons of mud acid.

One mile northwest, Pennzoil United staked a 6,700-foot test, No. 3 Barrow, 1,320 feet from south and east lines of section 49, block TT, TC survey.
