How To Vote A Straight Ticket or A Split Ticket

To vote a "straight party" ticket, mark an "X" in one, and only one, of the boxes on the ballot's top line:

Candidates for:	<input type="checkbox"/> PARTY A	<input type="checkbox"/> PARTY B	<input type="checkbox"/> PARTY C
-----------------	----------------------------------	----------------------------------	----------------------------------

To vote a "split ticket" do not mark any box on the top line. Instead, mark "X's" in the boxes at the side of the individual candidates of your choice:

Candidates for:	<input type="checkbox"/> DEMOCRATIC PARTY	<input type="checkbox"/> REPUBLICAN PARTY	<input type="checkbox"/> AMERICAN PARTY
Pres. & V.-Pres.	<input type="checkbox"/> HUBERT H. HUMPHREY EDMUND S. MUSKIE	<input type="checkbox"/> RICHARD M. NIXON SPIRO T. AGNEW	<input type="checkbox"/> GEORGE C. WALLACE S. MARVIN GRIFFIN
Governor	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Lieut. Gov.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Att. Gen.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Comptroller	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
State Treasurer	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Two factors may cause some balloting confusion in the November 5 general election, election officials in Texas forecast this week.

The two factors are:
1. A new State law has inserted a new top line on the paper ballots so that persons desiring to vote a "straight party ticket" may do so by making one mark. This new line is expected to confuse

not only the "straight ticket" voters, but also the "split ticket" voters.

2. "Split ticket" voters are expected to be more numerous than ever before, especially since there is a third party, the American Party, and it has candidates for only President and Vice-President and no other offices. Voters are cautioned to be sure

that their ballots are properly marked so that their intentions will not be subject to interpretation by election officials.

The "scratch method of voting, which some people prefer, is still permitted. However, voters using this method are cautioned to be certain to mark through all names in all three party columns for which they do not wish to vote.

26th Screwworm Case Reported Here

By W. G. GODWIN
County Agricultural Agent

Schleicher county recorded its 26th case of screwworms up to Monday, October 21st.

Fall cases have become widespread in almost a hundred Texas counties, as well as in New Mexico, Arizona, California and Mexico.

The outbreaks have resulted from ideal weather for fly increases all year, and early movement of cattle from the interior of Mexico to improved pastures along U.S.-Mexico border; fly migrations and in some instances poor reporting in time for sterile fly treatment to knock out infestations before large buildups occurred.

It is up to the livestock producer to use good management practices, and continue reporting all cases so that prompt sterile fly treatment can be initiated to bring the cases under control. With the arrival of the fall calf crop, newborn calves should be checked and doped, or they are prime screwworm cases.

1,000 Plus Bales

Mikeska Gin passed the 1,000-bale mark this past week end and by Tuesday night their books showed 1,080 bales had been processed.

Weather Monday and Tuesday was not good for stripping since there were light showers Monday.

Wednesday dawned with a heavy fog which contributed further to delay field work.

At the start of ginning season George Mikeska estimated a 3,000-bale year. If his estimate is correct, one third of the crop is now in the bale.

Cargo Ship To Sail To Vietnam With Gifts

A fast special U. S. Cargo ship will be designated the "1968 Santa Claus Special" sailing from Oakland, California next month with Christmas parcels for our service men in Vietnam.

To meet the sailing deadline and assure pre-holiday delivery of gifts sent with surface postage, items should be mailed before Nov. 9th it was pointed out here this week by Postmaster Bernard Carr. They should be marked "SANTA CLAUS SPECIAL" just below the stamps. The "Santa Claus Special" will sail during the latter half of November and stop at Da Nang, Qui Nhon, Cam Rhan Bay and Saigon, Vietnam. It takes approximately three weeks for a fast ship to cross the ocean.

All gifts should be packed in strong containers with adequate cushioning and correctly addressed including APO and FPO numbers. Begin today preparing your parcels for your loved ones overseas so you can meet the November 9th deadline.

Born in San Saba county, the deceased was a pioneer resident of Schleicher county, and participated in the 1901 land rush.

Post Script

We're coming into the home stretch in regard to the General Election of Nov. 5th, and the big question is who will be our President next year—

Nixon?
Humphrey?
Wallace?

Have YOU made up YOUR mind?

One man put it this way: "I'm voting for Nixon, but not so much that I am for him but I'm against the other two." There may be many others who see nothing glamorous or loveable about Nixon, but when they get to the ballot box will cast a vote for him.

But then there are the regulars and they are not talking much, but when asked they will say, "I'm a Democrat and always vote a straight ticket."

No doubt the vote in Schleicher county will be gloriously split, and that seems to be the way it will be in Texas as a whole. Schleicher with its one thousand votes will be but a small drop in the bucket.

But what about George Wallace? If the new bumper stickers have anything to do with it, he should carry this county.

The lack of Nixon and Humphrey stickers may be due to the fact that the two regular party organizations are doing most of their advertising on television and have no money for bumper stickers in these outlying counties.

Republican headquarters in Austin are running an ad for Nixon in this issue, and Schleicher County Democrats are buying space for their man. No doubt there will be more and larger ads in next week's issue, since it will be the last paper before election.

The Success still has a good supply of sample ballots and they are being picked up every day. They are free.

I don't know if these political commentators know any more about it than the rest of us, but this week they are saying that Wallace is losing ground and that Humphrey is gaining.

While there are many Wallace bumper stickers in evidence there is no official "Wallace Headquarters" in Eldorado.

Last Thursday at 1:00 p.m., the firemen were called to a grass fire at Haley's in south Eldorado. It was quickly controlled.

Fire department officials here continue to caution residents to be careful when burning trash.

The weed cover is higher and dryer than in many years, and constitute a real fire hazard.

It's not just the ranges that surround the town of Eldorado; right here in the city limits we have a number of lots that have waist-high broomweed and other weeds knee-deep. They will be even more hazardous after the first killing frost.

Eagles To Eden Friday

Tomorrow night, the Eldorado

Eagles engage their ancient and usually well respected adversaries, the Eden Bulldogs. Recently, the Bulldogs have fallen on evil days and are currently in the 8A cellar. But time was when they were a bloodthirsty pack of canines indeed. But the new University Interscholastic League alignment placing them in District 8A has caught them also in the down beat of the manpower cycles which all small and even large high schools experience. A glance at their starting lineup reveals that they are small and probably very young lads who are to be admired for having the courage to face a tough schedule taking a king-sized thumping every Friday night. Sometimes there are 18 of them and again only 14.

Now this doesn't mean that the Bulldogs wouldn't bite if they

could and nothing would please them so much as to "sneak up on" and beat the Eagles. Here is their probable starting lineup:

85 Denny Coat	-----LE	130
77 Hawley Pfleuger	-----LT	185
64 James Dutton	-----LG	145
65 Terry Finley	-----C	125
60 Mayo Bowman	-----RG	120
74 John Watkins	-----RT	165
83 Wes Bryson	-----RE	135
11 Steve Lubke	-----LHB	110
43 Mike Luther	-----RHB	130
84 Robert Lopez	-----FB	130
22 Bobby Medders	-----QB	150

Offensive stance assumed by Eden is usually Straight T formation with their line occasionally unbalanced to either side. Once in a while, they shift into a single or even double wing formation for their passing attacks.

Defensively, they utilize a four-man front with four linebackers, and a middle man who is a sort of territory or third line of defense along with two halfbacks.

The Eagles smarting from so much "football fun" at the hands of the Mason Punchers will outweigh and outman the Bulldogs considerably. But Eden has been suffering such a dismal season that no doubt the Eldorado lads will sympathize with them and have a tendency to go easy. This is not good for the Eagles for certainly they will not behave in merciless fashion tomorrow night. But an Eagle letdown to such extent that the Bulldogs would win or seriously threaten to win would be of damage to the Eagles. So Eagles and coaches are caught in a dilemma: Whether to be tough and hardnosed and hurt a team of outmanned but courageous kids, or to be kind and generous and risk real embarrassment. The Bulldogs have no such qualms.

The Eagles came out of the Mason game "chuggin'" with no major injuries, only routine bumps and bruises. They will be without the services of senior Mike Olson for probably another two weeks.

Otherwise the Eagles' offensive stance will see Walter Speck, Albert Torres, Jim McGinnes, Roy Jones, Jimbo Overstreet, Bob Sykes, Jim Robledo, Ross Whitten, Dobbie Lively, and John Danford manning the front line while other combinations of these same lads will make up the down-front defenders.

The secondary, third line, and safety men along with halfbacks, fullbacks, and quarterbacks will include Walter Speck, again, Jimbo Overstreet, James Larry Davis, Keith Williams, Wayne Doyle, Paul Page, Dwayne Dempsey, Mickey Clark, Joel Muzquiz, Archie Nixon, and Paul Page.

After the Eden game, the fall winter of UIL District 8A competition sets in: tough Junction there on November 1; double tough Sonora in Eldorado, November 8; and scrappy Menard there November 15th.

There is plenty of "football fun" available with these opponents.

New Voters Must Vote By November 1st

Voters in the coming general election who moved into the county on or after May 5, 1968, must vote in the county clerk's office by November 1, according to information received from County Clerk J. P. Enochs. Formerly, persons who moved

from one county to another could not vote during the first 6 months after the change of residence, but a new law enacted last year now permits them to vote in all state-wide offices, including President and Vice President, and on proposed constitutional amendments, but not on local offices and issues. However, instead of voting at a regular polling place on election

day, they must vote during a special time period in the county clerk's office in the county of their new residence. This period, which is the same as the period for absentee voting, began on October 16 and will end on Nov. 1st. If the voter has lived in the same congressional, legislative, or judicial district for six months, he may also vote on that district of-

vice. In order to vote, the person must be registered as a Texas voter for the 1968 voting year, and he should have his registration certificate with him when he applies for his ballot at the county clerk's office. However, if he has lost his certificate, he may vote after making an affidavit of its loss.

A TIME FOR DECISION

A Presidential election, the most important one in our lifetime, is close upon us. With three candidates in the race Texans are confronted with such a variety of appeals that some confusion is not surprising. We see some of our top state political leaders urging support of Hubert Humphrey on the self-serving appeal of party loyalty. We see fine Texans tempted to support George Wallace because they like his outspoken position on certain issues and are thus swayed by an appeal of sheer emotion. With full respect for the right of every Texan to make a personal decision, this message in behalf of Richard Nixon is offered as

...AN APPEAL TO REASON!

HUBERT HUMPHREY WILL NOT

change. He has proved consistently anti-Texas. He is famous for his filibuster against Texas owning its tidelands. He has fought our right-to-work laws and sought to destroy our vital oil depletion allowance. On every issue of world importance his position is contrary to that of most Texans. Humphrey, an ultra-liberal founder of the ADA organization, would gain executive authority for radical minority viewpoints should he become president. This cannot happen by popular vote. In view of his vicious attacks upon George Wallace, what a ghastly miscarriage of intent it would be if Wallace supporters themselves should throw the election into the House of Representatives where every Wallace vote in Texas would automatically go to Humphrey!

GEORGE WALLACE CANNOT

be denied his impressive showing. A number of fine people heed his third party call. The very least that can be said is that he has dramatized the desires of many people for a change of direction in the affairs of our government. However, the very most his supporters can hope for is to split the popular vote so that all of us would be at the mercy of Washington politicians who would elect our president for us. This is Hubert Humphrey's only hope for election. The more positive way to vote for change is to recognize the many fine merits of Richard Nixon and his program, then vote for Nixon to assure the election of our president by the people instead of by the Congress!

RICHARD NIXON CAN... AND WILL

supply dynamic, experienced leadership for an immediate change of direction—at the top—in all our national affairs at home and around the world. Your concerns are his concerns!

- **NIXON ON LAW AND ORDER** is pledged to help improve local police protection, to appoint an Attorney General dedicated to rooting out crime, to restore balance in our courts strengthening peace forces against criminal elements and to cease freeing so many of the guilty on technicalities.
- **NIXON ON VIET NAM** will call upon his experience as vice-president during eight great Eisenhower years of peace to reform world alliances now in disarray, to redirect our strategy on new global terms. He will end this war and avoid future ones by dealing with adversaries in the only way they respect—through strength, collective security and patience.
- **NIXON ON LOCAL GOVERNMENT** is pledged to move control of local schools and all other governmental functions which properly belong at the local level closer to the people.
- **NIXON ON OTHER PROBLEMS** has solid solutions PLUS solid backing of enough members of Congress to implement those solutions.

IF YOU REALLY WANT A CHANGE... AND IF YOU WANT TO BE SURE YOU REALLY GET IT... VOTE FOR NIXON/AGNEW

Overseeding Bermudagrass With Small Grain

Each year questions and inquiries are brought up on the subject of overseeding bermudagrass with small grain. To say it cannot be done would be untrue for it is being done every year. The question is, does one get the performance out of small grain and bermudagrass planted together that he would get if they were planted separately?

We should realize that bermudagrass is a grass that totally covers the soil where it is growing. It gets its minerals and water from this area to grow and produce. Anything that competes with the bermudagrass for space, minerals, water, or light affects the growth of bermudagrass. It is a known fact that shade or cover has a tendency to adversely affect bermudagrass growth. We know that small grains most actively grow at the time bermudagrass normally would "green up" in the spring. This is also at the time when livestock would need and will be grazing the small grain. It is at this time that the annual small grain will be at its strongest growth stage when bermudagrass will be at its weakest, struggling to come out and begin growing.

Observing numerous pastures of the grass over-seeded with small grain—most have been disappointing. When this is done the management problem of attaining proper use is compounded. Production of the grass is frequently held back.

There have been cases where legumes have been used successfully in East Texas. This was done to extend the grazing season on bermudagrass pastures. These legumes fix nitrogen to help grow the grass. In parts of the country where the fertility is low and nitrogen fertilizer is scarce or relatively high, these factors might be considered.

To get the most grazing out of small grain and bermudagrass we would recommend that small grain be planted on cropland by itself and bermudagrass be planted on separate land and managed as

pastureland. For early and late grazing one might consider development of weeping lanegrass or perhaps cool season grasses. We must manage our grasses for best possible production.

Most of us recognize the difficult periods in the grazing seasons and they must be dealt with. We should plant the crop adapted to the area at the season of the year that it does its best and give it every opportunity to grow and produce the most. How we manage crops is important.

Attend Trent Event

Mr. and Mrs. L. D. (Lefty) Jones attended the "Alsie Carleton Day" at Trent, Texas last Sunday. It was 32 years ago that Rev. Carleton, a new preacher out of McMurry College, preached his first sermon at Trent.

Special guests were the members of a baseball team Carleton organized at Trent back in '36. Carleton was star fielder for the team. Seven former teammates showed up for the reunion. They were D. H. Jones, Henry Lee Tittle, John Hamner and Hollis Jones, all of Trent, Slim Cooley of Big Spring, Lefty Jones, Eldorado, and John Payne of Lubbock.

The ladies of the community served dinner at the church building.

CROP Drive Set For Sunday, 4:00 To 6:00

Rev. D. G. Salter, president of the Eldorado Ministerial Alliance, announces that the annual house-to-house drive for CROP will be conducted this Sunday, October 27, from 4:00 to 6:00 p.m. Senior High young people of most churches in the community will participate.

CROP is the hunger appeal of Church World Service which collects farm commodities and cash, through volunteer workers, for the overseas relief and rehabilitation programs of the churches. Gifts to CROP are put to use under church supervision strictly on the basis of need.

Halloween has come to mean CROP and a time of Christian sharing to the young people of Texas. It has come to be a time of collecting for others in a Christian ministry of compassion when hunger threatens over 2/3 of the world's population. 10,000 to 14,000 people starve to death each day in the world. At least 3 1/2 million will die of hunger in 1968. One of the hardest hit areas has been Biafra. The most recent CROP shipment to Nigeria and Biafra included 779,932 pounds of beans, 103,000 pounds of a dietary supplement and 27,000 pounds of baby food.

Senior High volunteers will meet at 4:00 p.m., October 27, at the First Baptist church. After receiving instructions and materials from the Ministerial Alliance, they will begin a house-to-house canvass. Solicitations will be for monetary contributions only. All funds re-

**Angelo Takes Stand
In His Race For
State Senate**

ERNEST ANGELO

With less than three weeks to
go before Election Day, Ernest An-
gelo, Republican nominee for State
Senator is making final prepara-
tions for the climax of a vigorous
seven month campaign through-
out the 25th District. The cam-
paign will be successful according
to Angelo, "Because of my having
fulfilled an obligation to let voters
know where I stand on the issues,
and because of the tireless efforts
on my behalf by thousands of con-
cerned citizens. My Schleicher
County Campaign Committee has
been a tremendous help."

Ernest Angelo has been active
in civic groups in Midland for the
past ten years, being a member of
the Midland Jaycees, United Fund
Board of Directors, Board of Mid-
land Community Action Program
and the Midland Chamber of Com-
merce Task Force Committee on
Housing.

Angelo has taken his campaign
to the people in order to make
very clear his position on the im-
portant issues facing the voters. In
a brief statement of his views,
Angelo said "On the question of
crime and lawlessness I have stated
that no simple solution exists to
this widespread problem. How-
ever the first step must be to
obtain new leadership which will
work to restore law and order ra-
ther than to deny the existence
of the problem.

For example, as State Senator
I will work for legislation to bring
about increased use of science and
technology to assist our police in
the process of finding and arrest-
ing criminals I favor the estab-
lishment of an anti-rackets division
of the Attorney General's Office
to deal with organized crime.

On the subject of gun control
legislation I have said the basic
point is that disarming the law
abiding citizen is not the way to
deter crime. As State Senator I
will support legislation to make
mandatory an additional prison
term for conviction of crimes com-
mitted while in possession of fire-
arms. I will support any other
legislation which shows promise of
being a deterrent to criminal ac-
tivity while respecting the rights of
the law abiding citizen. Like
Senator John Tower and a major-
ity of the U. S. Congress I am
opposed to federally oriented reg-
istration and licensing of firearms
owned by law abiding citizens.

With regards to education, I
have strongly supported improved
salaries for our teachers, a reduc-
tion in their administrative burden
and an overall program for educa-
tion designed to bring Texas to
the front and out of our present
position back in the pack. This too
will require aggressive leadership.

The recent sales tax increase was
unnecessary and resulted from an
irresponsible spendthrift special
session of the legislature. The pro-
fessional politicians have proved
that their only answer to a prob-
lem is to raise taxes and spend
more money. We don't have to
continually raise taxes but that's
what the voter can expect if they
don't demand a change at the
polls.

I have pledged to the Forgotten
Man, the honest law abiding citi-
zen, a dedicated effort to provide
the best government possible for
their tax dollar."

**Home Demonstration
Agent's Column
By MRS. VIDA KREKLOW**

A vacation should be total or
else it may not qualify to be called
by the term. Joe and I have re-
cently finished a beautifully total
vacation. I even took a vacation
from the column which I've been
questioned about recently.

Far away countries, new places,
new faces, new sights and new
views fulfill my requirements for
the perfect vacation and we found
all we were looking for in Amster-
dam, Holland; London and Eng-
land, Scotland and Ireland.

I wish it were simple to write
about an exciting experience but
for me it is not easy. My adjectives
and superlatives soon lose mean-
ing and get tired. Everything was
not marvelous or wonderful and
yet I have worn the words thread-
bare in the casual reporting to
family and friends about our trip.
Fortunately the "trip of a life-
time" turned out to be the "thrill
of a lifetime."

As time goes on and impressions
and little fun things are remem-
bered I will share them with you,
meantime the situation will have
to be covered with the rather un-
imaginative statement of "Yes, in-
deed, we had a fine trip."

The other Friday afternoon, the
day was made brighter by an un-
expected visit from Mrs. Roy Boy-
nton of Richmond, Va. The Boyntons
have a daughter and family
still in San Angelo, thus they get
back to San Angelo and Eldorado
uite often.

Ethel and Roy were good com-
munity members and they are still
missed very much. Especially do
I miss Ethel's contribution to our
Home Demonstration Club work,
and I know that many others
share my sentiments.

A long time ago a trip was a
rare thing, especially a long trip,
but no longer is that true. Every-
body goes somewhere all the time
and no one has a corner on the
"going" game.

Recently Jack and Ernestine
Hext went to Rochester, Minne-
sota to visit their daughter, Judy
and her family. Being the fine
little home maker that she is Judy
prepared a new dish while her
mother and dad were there and
Ernestine says that she and Jack
still enjoy the recipe and Judy's
efforts.

One of those versatile dishes,
"Pineapple Casserole" may be
many things: a dessert, an accom-
paniment to a meat such as ham
or roast pork or served as a fruit
dish. Ernestine says that it is

easy to make, quick to prepare and
"oh, so good."

Pineapple Casserole
(Don't let the word Casserole fool
you—that is simply the name of
the container it is cooked in.)
Cube and brown 5 slices bread
in ¼ pound butter or oleo.

Combine a number 2 can of
crushed pineapple, juice and all,
with:

2 beaten eggs
3 tablespoons flour
1 cup sugar
dash of salt.

Pour pineapple mixture in greas-
ed casserole, top with buttered
bread crumbs and bake at 350 F.
for 30 to 40 minutes.

Makes 6 to 8 servings. May be
served hot or cold and in case
calories are of no consequence, top
with whipped cream.

Ernestine and I decided that
other fruits could be substituted
for the pineapple and we are go-
ing to try apples, peaches and
cherries. I am going to be careful
not to get more juice than the
eggs and flour will thicken.

First Baptist Church

The ordination service Sunday
morning of the three new deacons,
Ronnie Mittel, Gerald Childers and
Guy Whitaker, was a very inspiring
service. The charge was brought
by Rev. Kenneth Vaughan, with all
deacons of the church sitting in a
group.

Sunday afternoon at 6:00 o'clock
all the youth groups met for
"Youth Quake" in our church,
where they were shown a film
entitled "The Parable." Thirty-
seven were present. The group
thought the film an excellent one.
Next Sunday the group will meet
at the Baptist church to take part
in CROP. Most all young people
in our town have shared in this
drive before. So your door will
be knocked on next Sunday by
some nice young people. Don't
turn them away!

Twenty-eight young people at-
tended the dinner party for Sunday
School and YWA's last Saturday
evening in the home of the Bob
Sykes. A good time was had by all.

The YWA's will have their Mono-
gram Service Wednesday night,
Oct. 23rd. In this service they will
initiate their two new members,
Sue Ann Morris and Gail Robin-
son.

A box is being put in the vesti-
bule of our church by the WMS so
that all members of our church
will have an opportunity to con-
tribute refreshments, such as cookies,
Kool Aid, sugar, hot choc. mix and
candy to help serve the Latin Am-
ericans and Negro Sunbeams and
GA's. This is Missions For All

Mason Jr. High Defeats Little Eagles 28-6

Mason Jr. High completed three passes for a total of 191 yards and two touchdowns last Thursday night in defeating Eldorado Jr. High 28-6.

Mason's first touchdown came midway in the first quarter on a 63-yard pass play. The conversion try failed and Mason led 6-0.

After another exchange of downs, Mason took the ball on their own 45 yard line. The Little Eagle defense threw them for three consecutive large losses plus a holding penalty, and Mason was facing a third down and 34 yards to go situation from their own 11 yard line. From there they connected on their second long pass play of the evening, covering 89 yards and a Mason touchdown. The conversion try was good and they were ahead 14-0.

Randall O'Harrow got the Little Eagles going near the end of the second quarter when he intercepted a Mason pass on his own 40-yard line and returned it to Mason's 45. Three plays later Mike Manning swept his left end on a 37-yard run that left the ball on the Mason 5-yard line. From there Ken Peters went around right end for an Eldorado touchdown. The conversion try failed and Mason led at half time 14-6.

Mason scored another touchdown in the third quarter but failed on the conversion try, and that quarter ended 20-6. Then in the last minute of the game they completed their third pass of the evening which covered 37 yards and left the ball on Eldorado's 7-yard line. They scored on the next play and made the conversion good, leaving the score 28-6 with 17 seconds left on the clock.

Mike Manning was the workhorse of the game, accounting for 103 yards in 20 carries, and recovering two Mason fumbles.

PAR-TEE

It seems that this is not the "season" for golfing. The Eldorado Course has been rather barren most of the week. I did hear tell that one of the ladies "beat" Vernon Rogers. I can't really believe this to be a fact—but then "the Old Pro" may have had a bad day. It does happen sometimes.

Wanda Cahill and Ernestine Hext played in the partnership tournament at San Angelo Country Club on October 17 and won the first flight with a low ball of 65 (nine unaer). Also playing in this tournament were Dorothy Ratliff and Evelyn Whiteside. They had a low ball total of 62 and were second in the fourth flight. Congratulations to you "gals" on these fine rounds.

Mary Waldron, Mary Robinson, Eddie Mae Kinser and Ernestine Hext are going to play in Iran's first one day play this Saturday the 26th. This will be the first tournament for the two Marys and Eddie Mae, but I dare say it will not be the last.

Bingo has been called off for October. Our crowds have been rather slim for the past two months so it was decided to postpone Bingo until after football season.

The bridge tables and chairs have been ordered for the club room. Buddy White gave us a good price and expects arrival of the merchandise this week—probably Thursday. We appreciate Buddy's help in getting these much needed tables and chairs.

Seems that TAXES and POLITICS are the chief topics of conversation these days. Oran Enochs was in Austin this past week end and reports that their taxes have been raised about 700%. That is certainly a sizable increase and personally I am thankful that I do not have to "explain" and "appease" an increase of that proportion.

MIXED TEAM PLAY this Sunday, Oct. 27 at 2:00 p.m. Don't forget to sign up and come and play. There will be a sheet at the Golf Course to sign if you would like to play.

Happiness is being remembered by one's friends!

Buy Halloween Candy From The Lions Club

Starting today, Thursday, the Eldorado Lions Club is selling bags of trick-or-treat candy for Halloween from their "Lions Den" panel truck parked near the post office. The candy will be sold for \$1 a bag between 8:00 and 12:00 each day between now and Halloween day.

Local residents are urged to support the club in this worthy project, which is an annual money-raising project of the Lions.

The club met yesterday with Boss Lion C. T. Humphries presiding. Joe Christian led singing of "America" with Mrs. Olson at the piano, Bud Davidson led Flag salute, and Bill Rountree gave invocation.

Guests introduced by D. G. Salter were Glenn Youngblood of San Angelo and Cecil Meador of this county.

The club will not meet next week, Oct. 30th, a 5th Wednesday.

L. D. Mund, chairman of the Broom and Mop Sale set for Nov. 6th, reported on arrangements for that event. The candy sale and the broom and mop sale are the two money-raising events of the club put on each Fall.

Ralph Waldron introduced the program. A Shell film entitled "Food Famine" was shown with L. D. Mund as projectionist.

Interior Work Continues At New Hospital Here

Workmen are continuing interior work this week at the new hospital building. Window frames have been set in, sheet rock has been mounted, and plastering and painting is under way.

Outside, curbing is being cast and caliche has been laid for the parking areas.

Estimated time of completion of the facility is still around Christmas time or first of the year. Then the hospital will be open for business.

Birthday Dinner Held

Spending the week end and having a birthday dinner Sunday honoring Mrs. J. F. Jeffrey and Mrs. Pearl Jeffrey, whose birthdays will be Tues., the 22nd, were relatives and friends. Mrs. Jeffrey will be 90 but gets around, waits on herself and is in good health, though she has been blind for 26 years. She still sews by hand, making things to give to the family and friends.

Those enjoying a nice dinner

and spending the day visiting were her daughter-in-law, Mrs. Audrey Jeffrey and William E. Jeffrey Jr. from Dallas, Mr. and Mrs. Jim Simpson, Mr. Claud Jeffrey, Janice Shirley and friend Darryl Chuine, all of Brownwood; Mr. and Mrs. Bethel Jeffrey, Mrs. Charles Schreier and Joan and Mr. Leo Jeffrey of Eldorado; Mr. and Mrs. Jiggs Ray of Fort Worth.

A nephew and wife she had not seen for some time, Mr. and Mrs. Oscar Killgore of Brady, and Mr. and Mrs. Jimmie Daniels, Susan and Wayne, came by for a while.

Both received a number of nice gifts and cards. Saturday night Mrs. Jean Sweatt, Tirk and Carla came by to wish her a happy birthday and to see Mr. and Mrs. Simpson.

Mrs. Simpson is doing fine but still has to wear a brace on her leg for a time yet.

DEMO. HEADQUARTERS OPEN

The Democratic headquarters is now open daily from 9:30 to 11:30 and 2:00 to 5:00.

During these last days before election we would like to see all residents who have Flags flying them. This is not a party effort but an effort on behalf of all good Americans.

This is a time when patriotism should mean something to each and every one of us as Americans. After all, America is still the place we would choose to live. So let's put out the "ole Red, White, and Blue." —Rep.

Candidates Facing Election Home Stretch

Austin, Texas.—At least half a dozen Democratic nominees for statewide office are weathering an unusually sharp attack from Republican challengers this year.

In a final flurry before the Nov. 5 general election, the attacks will be stepped up.

Taking no chances, Democratic gubernatorial candidate Preston Smith, Ben Barnes, candidate for lieutenant governor, and Atty. Gen. Crawford Martin have returned to full-time campaign status.

Their Republican challengers are Paul Eggers, Douglas DeCluitt and Sproesser Wynne.

Republican Manny Sanchez of Brownsville also has campaigned actively for state treasurer against veteran incumbent Jesse James. GOPer E. H. Schuhart of Dallas is running hard for agriculture commissioner against John White and Millard Neptune of New Ulm is running a serious race to beat Land Commissioner Jerry Sadler.

Other statewide Republican candidates, who have campaigned less vigorously, are John Bennett and Jim Segrest of San Antonio, nominees for state comptroller and railroad commissioner respectively. GOP campaign headquarters claims Bennett as a member of its "action team" but doesn't mention Segrest.

Comptroller Robert S. Calvert and Railroad Commissioner Jim C. Langdon, James and White show no sign of concern.

Polls have indicated the statewide Democrats leading, but battle-wise veterans who face hard-charging opponents can't be sure how many Richard Nixon supporters will decide to vote a straight Republican ticket in indignant zeal for a "change."

Group Seeks More Money

In their Association meeting here county judges and commissioners voted to ask Legislators to give them more money for county business, and in several ways.

First, they endorsed Constitutional Amendment No. 7 on the November 5 ballot. It would take the state out of the property tax field a little at a time, between now and 1976. County officers want authority to levy this tax for county purposes as fast as the state abandons it.

A bigger share of automobile license plate fees also is sought. Where a county gets the first \$50,000 in license plate fees, and half of the next \$25,000, they would like for the Legislature to allow them to share with the state up to a total of \$1 million a year, instead of \$175,000.

Other resolutions called for the state to participate by getting federal aid for crime prevention programs, to make the law clear that local units of government are exempt from the state sales-tax law, and to revise the law so delinquent tax suits for less than \$25 can be filed.

Judges and commissioners opposed the proposal that they be given zoning powers like cities have.

This legislation will be proposed to the next Legislature so as to make rural areas eligible for Federal flood insurance under a new program. Without zoning or building controls, flood insurance will not be available.

County Judge W. D. Henson of Dallas county was elected president of the association. Judge Kenneth Douglas of Navarro county is vice-president and Harris County Commissioner E. A. Lyons is the secretary-treasurer.

Land Sale Set

A big sale of forfeited veterans land tracts is scheduled for November 19. A list of tracts and their location is available from the Veterans Land Board here, which will receive bids until the day of the sale.

Some tracts are available only to eligible veterans at 5½% interest. Non-veterans are free to bid on most of the property, however, although they will have to pay 6½% interest if they are successful purchasers.

Enrollments Boom

Preliminary figures show there are 374,418 students enrolled in Texas higher education facilities today.

This represents a gain of 28,515—or 8.24%—over the 1967 fall enrollment of 345,903. Figure varies less than ½ of 1% from the Coordinating Board, Texas College and University System staff projection.

Public senior colleges have 212,035 students, public junior colleges 87,581, private senior colleges 61,819, private junior colleges 9,687 and medical and dental units 3,111.

Fourteen Votes

Campaigning is becoming a bit heated on the 14 proposals to amend the constitution on which Texans will vote November 5.

Eagles Drop District Opener With 52 To 13 Loss To Mason Punchers

The Eldorado Eagles were treated to the dubious pleasure last Friday night of being on the "Chug" end of the Mason Punchers' "Chug-uh-Lug" type of football play. The Punchers "Chug" their opposition at every opportunity and "lug" the ball "all over the place." The Punchers play a grueling hardnosed brand of football and really punish their opponents.

Small bright place in the picture is that in the latter part of last Friday night's game, the Eagles did some pretty effective "Chugging" on their own. In other words, they began to realize that the Punchers would show them no mercy and they did not; so the Eagles in several instances began to take a "hardnosed" attitude themselves. It was this or get completely pulverized.

Statistics show that Mason completely dominated the game:

	Eldo.	Mason
First downs	6	24
Yds. rushing	52	317
Yds. passing	61	11
Total yards	113	328
Passes att. & c.	6 of 16	1 of 4
Passes intercepted by	0	5
Fumbles lost	3	1

Punts & av. yd. 2 for 31.5 3 for 41
Score by quarters show that the Punchers never let up and were just as anxious to score in the 4th quarter as the first.

Eldorado — 0 0 13 0—13
Mason — 7 20 13 13—52
The Punchers exhibited an exceptionally good pass defense and almost shut the Eagles out on this strong phase of Eagle offense. But in the third quarter, Eagle QB Bob Page hurled a 30-yard "bomb" to Paul Page who outran and out-caught two Puncher defenders and ran another seven yards to score. Chances are the Mason coach will very earnestly discuss this matter with the two defenders in question. The try for extra point failed.

Most thrilling play of the night was staged by the Eagles. Wayne Doyle, fleet No. 40, received a Puncher kickoff on his own 10-yard line. He ran right, picked up some blockers, cut left about mid-field, and went on to the sideline for a thrilling touchdown run. Left Puncher threat was obliterated by Bobby Sykes with a very positive block. This try for extra point was good.

The Punchers scored seven touchdowns and kicked three extra points. Both quarterbacks operated and proved themselves very adept, the Left-handed Johnny Schussler, No. 11, proving himself a potent "scrambler." True to scout reports, the Punchers "Chugged" off tackle and around ends all night.

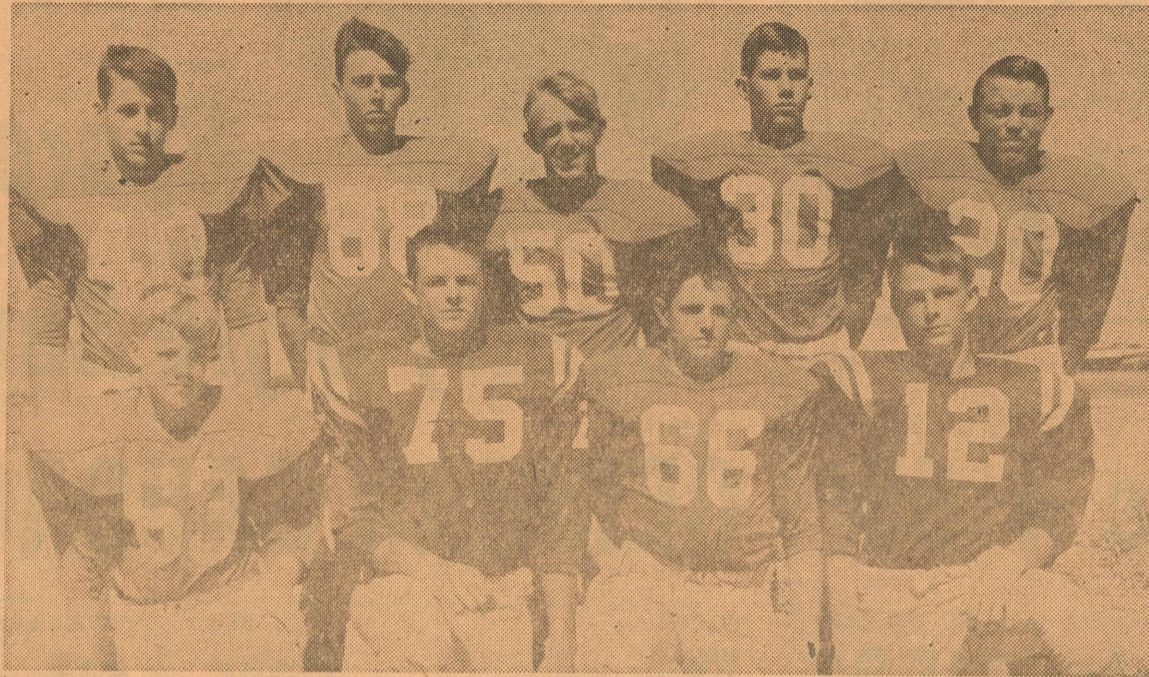

Still it was a costly win for the Punchers as their big No. 82, 198-pound Charles Loeffler, and No. 77, 177-pound Marty Walker reportedly suffered broken forearms.

For the Eagles Keith Williams tabbed 12 tackles. The Eagle who

captured the Mason fumble is unknown to date. Bob Page carried 31 yards in 12 tries, James Larry Davis carried 43 yards in 10 tries, Wayne Doyle other than his brilliant kickoff return ran three times for minus 16 yards; Keith Williams, 19 yards in 12 tries; Mickey Clark, 14 yards in 3 carries; and QB Archie Nixon, 2 forced carries for minus 21 yards.

Part of football is getting beaten. This pleasure is usually against everyone's preferences. Football being the game that it is, the only way to let the other fellow share in the fun of getting beaten is to refuse to be beaten. This, generally, is the gist of thinking on part of the Eagle coaching staff as they direct remaining periods of Eagle study and review on the fundamentals of blocking and tackling.

Mickey Pennington visited with home folks here during the week end. He is attending Schreiner College at Kerrville.

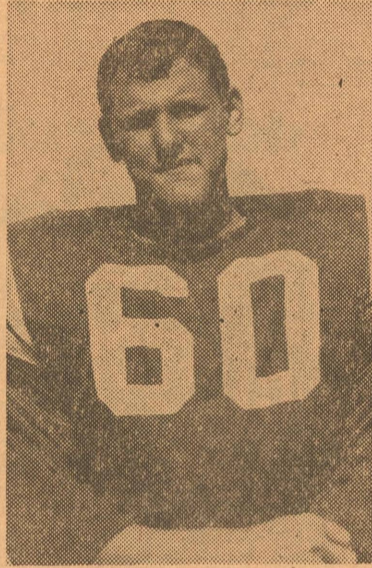

FIRST YEAR EAGLES: Left to right on the front row are: Willie Manning, Gary Cave, Randy Collins, and Archie Nixon. On back row are Gary Danford, William Tampke, Robert Hibbitts, Billy Hubble, and Ricky Griffin.
