Number 48

Funeral Held For Mrs. W. L. Isaacs

Mrs. W. L. Isaacs, 86, pioneer resident of Schleicher county, died Sunday morning in Menard after a lengthy illness.

Funeral services were held at 2:00 p.m., Tuesday, in First Presbyterian church in Eldorado and interment was made in Eldorado cemetery directed by Ratliff-Kerbow Funeral Home.

Pall bearers were: L. Lloyd Isaacs, Robert E. Isaacs, W. H. Meredith, Don C. Young, James Stewart, Ed Kotrla, Frank Bradley Jr., and Robert K. Bradley.

Mrs. Isaacs was born April 30, 1882, in Austin and was married to W. L. Isaacs Dec. 15, 1904. The couple came to Schleicher county in 1906 where they engaged in ranching until his retirement about 10 years ago. Mr. Isaacs died early in March of this year.

Mrs. Bradley was a lifelong member of the Presbyterian church of Eldorado and also a member of the Eastern Star. She was active in church and community affairs.

Survivors include two sons, Robert F. Isaacs of Austin and W. L. Isaacs Jr. of Fife; two daughters, Mrs. E. Otto Williams of Eldorado and Mrs. W. B. McCutcheon of Austin; two brothers, W. A. Finlay of Fife and Robert K. Finlay of Raymondville; two sisters, Mrs. F. M. Bradley of Eldorado and Mrs. Mary Pearce of Fife; 11 grandchildren and 27 great-grandchildren; also a number of nieces and nephews.

Penny Collection Is On For Hospital Color T-V

The nurses' aide class, just graduated, is starting a collection of pennies over town for future purchase of a color T-V set to be placed in the nursing home wing of the hospital after it opens.

The class members started the collection at the time of their graduation and they are placing coin receptacles over town for this cause.

So when you receive penny change in a store, place the coppers in one of the collection boxes.

Anyone wishing to make a larger contribution, mail or hand your check to Mrs. Edgar Spencer here in Eldorado.

P-TA Program To Feature Choral Group

The regular P-TA program for this coming Monday, Dec. 2, at 7:30 p.m. will feature the Elementary Choral in three types of music, music to enjoy, Western music featuring six fifth grade cowboys, Gary Roberts, Bill Poole, Alan Hall, Charles Blair, Derrick Adams and Gary Collins.

Some unusual Christmas numbers will conclude the program. New choral dresses will be worn. Don't miss it. Carolyn Page and Wally Joiner will be the main accompanists.

The High School Girls' Chorus will conclude the program with both popular and Christmas songs. Karen Hight will accompany the High School Chorus.

This P-TA Christmas program is always a highlight of the holiday season here. Mrs. Stigler and Mr. McDonald are in general charge.

Christmas Cantata Set

Under direction of Mrs. Bob McWhorter, a Community Choir is at work on a cantata which will be presented in the Baptist church the evening of Sunday, Dec. 22nd.

The choir rehearsed last Sunday night at the McWhorter home following the Thanksgiving Community Service. Rehearsals are being held at the Baptist church at 8:00 p.m. each Sunday night between now and the 22nd.

Season Gin Total Reaches 2650 Bales

"We figure we'll get a hundred bales more," said Mrs. Farris Nixon at Mikeska Gin Tuesday morning when a season total of 2650 bales was reported at that time.

A slow but steady light rain was falling Tuesday morning which looked like it would continue all day. The gin was processing cotton which had arrived the day before.

No doubt the ginner would like to finish the last 100 bales so they could close down, but for the farmer the rain is a godsend and badly needed. One was heard to remark Monday that everything on the farm would be in good shape if "only we could get another 2-inch rain."

Nurses Aide Class Are Given Diplomas

The first graduating class of nurses aides from the Schleicher County Medical Center were presented diplomas Monday night in exercises held in the First Christian Church.

Those on the program included Dr. J. B. Brame, Mrs. Delia Pina, Mrs. Sybil Kinser, and Dr. Charles Browne of Sonora; also Carroll Ratliff, chairman of the local hospital board.

The diplomas were presented to:

- Maggie Davis
- Betty Hanusch
- Jesse Lee Spencer
- Ola Mae McDonald
- Loleta Dempsey
- Fern Parrent
- Jo Ann Martin
- Flora Hubble
- Lula Mae Joiner
- Nancy Wagoner
- L. G. Schooley
- Sharon Luman
- Linda Barajas

Post Script

Thanksgiving Is General Holiday

As is the usual custom, today—Thursday, November 28—will be observed as a legal holiday here and throughout the nation.

Most business houses of the city will be closed in observance, and the general public is asked to make necessary transactions accordingly so that store personnel and others may enjoy this day of Thanksgiving at home, at their chosen recreation, or just plain visiting with friends and loved ones.

Public schools of Eldorado will observe a two-day holiday, with classes being dismissed at 2:30 on Wednesday afternoon. Classroom work will be resumed the following Monday.

Also observing a two-day holiday is City Hall. Most other people, though, will be back at work Friday morning.

Today—Thanksgiving Day—the Java Junction Cafe is open to serve traditional fare to those who don't care to cook a big dinner, and some service stations are also open.

—ps—

A Day of Thanks . . .

Thanksgiving is as old as the need to worship. Many nations set aside days to invoke Divine thanks for the bountiful blessings of the harvest.

In Japan it is the "New Tasting Festival," in Sardinia colorfully clad natives meet at the "Festival of the Saviour," while throughout Europe the plaintive voice of the violins and the rhythm of the tambourines mark the week-long Gypsy festival with dancing in the streets. In India's Punjab state natives dance the Bhagra at harvest time, while the Swiss flock to the capital city of Berne with their wares.

However, it was Colonial America, and the Plymouth Bay Colony where white and red men shared the harvest, exchanged gifts, and gave thanks to the Supreme Being—which imprinted this holiday in the minds and hearts of all Americans.

Today is a far cry from this historic event—and the munificence of worldly goods bestowed on this nation gives us cause to take time out from the inter-city football clash, to pause and reflect on the true meaning of Thanksgiving day.

Let us pause, and recall the parable of the good Samaritan. He found the time to stop, bind up the wounds of a man man set-upon by thieves, and paid for the man's shelter at the inn.

We, too, can be good Samaritans by continuing to share this nation's bounty with the undernourished, underprivileged people of the world.

—ps—

Tom Gattis of Pilot Point, Texas, who lived in this county about 60 years ago, recently wrote us:

"Just want to let you know that we do appreciate reading your good old Schleicher county paper. It has been 58 years since I left there, but still remember the good friends that I left there. So many of them came as I did from McCulloch county, Bill Isaacs, Frank Bradley and Rob McKee. Robert was just a school boy when last I saw him. His father and grandfather lived a few miles south and west of Eldorado and I was in their home last in 1908. Jim Rob's father had 10 rows of Irish Potatoes a mile long. I'll never know how he came out on his potato crop that year.

"Well, thanking you again. Best regards to you, your father and all. I am Tom Gattis. Pilot Point, Tex.

"P.S. My wife and I will be married 62 years next month. She is 82. I'm 86."

—ps—

Wayne Tomlinson is new here in the Evans Estate rent house.

—ps—

Mrs. Elnora Love will hold open house all day Monday at her flower shop to show her Christmas arrangements.

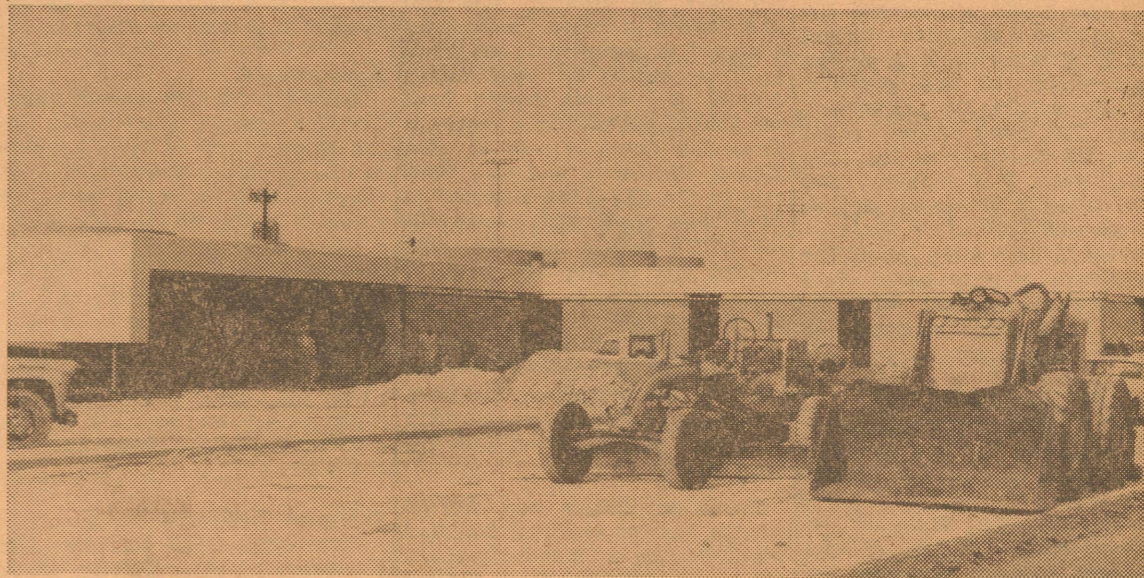

—ps—

Thanksgiving marks start of the pre-Christmas buying season; your local merchants are ready and willing to serve your needs and invite your patronage.

The Schleicher County Chamber of Commerce will sponsor a Santa Claus Parade here on Dec. 9th; details will be in next week's Success issue.

Other major events coming up here will include the Christmas decorating contest, the Christmas party for children staged by the American Legion post, and the Merchants' Drawing on Christmas Eve.

Work Continues On Parking Area At Hospital Site

EARTH-MOVING EQUIPMENT is shown at work on the big parking area next to the new hospital building. Completion of the hospital facilities is set for next month and the institution will be open for business around the first of January, 1969. —Staff Photo

Band Wins First; Makes It 3 & 20!

Twelve Class A High School bands competed in University Interscholastic League Competition in Marching Contest at Brady Saturday and the Eldorado Eagle Band was one of only three bands receiving Firsts. Ratings were as follows: Eldorado, Ranger, Mason, 1; De Leon, Albany, 2; Junction, Santa Anna, Dublin, Sonora and Cross Plains, 3; Glen Rose and Eden, 4.

In twirling competition Eldorado had four girls to win Firsts and receive medals. They were Kay Mann, Mona Beth Wagoner, Marion Bland and Peggy Hanusch.

That Going Band from Eagleland hasn't stopped going. They proved that, again Saturday, by winning another First in Marching Contest at Brady making it number 3 for them, and even more thrilling to the entire band, they were the band to complete Mr. McDonald's 20 years of Marching Contests with only Firsts. A cake was presented Mr. Mac at the Steak House, by drum major Lisa Whitten. It was decorated with 20 candles (17 white and 3 green, for Eldorado) representing years of dedicated work.

You have to be at contest and a part of the moments before the judges' decisions are announced, in order to appreciate how your band feels after the ratings are read over the loud speaker. You know in your own mind and heart that the band performed beautifully but you realize, in those long minutes of waiting, that you are prejudiced because it is your band. As the names of schools and ratings are read you look at other bands, the faces stained with tears as their ratings fall from previous contests and you know they are broken hearted that somewhere, somehow, they failed to produce the results that makes a First. How did your band look and sound to the judges? Then comes "Eldorado" over the loud speaker and your heart stops until you hear "1" and the explosion of happy yells and tears of joy tell you that you heard correctly.

Your band did a wonderful performance Saturday—read the judges' critique sheets and don't forget what it took to win. The band students have PRIDE, SPIRIT and DETERMINATION and a band director they respect and admire. That combination plus lots of hard work adds up to a winning band and it isn't done in a week and they will tell you it isn't easy, but 77 band people are to be credited with keeping the Going Band from Eagle Land in the win column and again Eldorado can stand up and cheer.

Congratulations, Mr. McDonald for your accomplishments and a THANK YOU from all the band members for your work and devotion that made that First a reality Saturday and another Sweepstakes, in April, their goal.

Orders Being Taken For 'The Talon'

Those who want a copy of "The Talon" High School Yearbook for 1968-69 must subscribe for it by making the payment of \$5.62 before Tuesday, December 10, 1968. The advisor is Jewel Shelton, the school librarian.

Review Of '68 Eagle Season

By PEYTON CAIN

County Is Favored With Good Rain

A wet norther moved into this area Tuesday and brought a day and night of intermittent light to heavy showers which were welcomed and badly needed for small grain crops.

As this is being written Wednesday morning the skies continue to be dark with low hanging clouds.

Reports from city of Eldorado give amounts of close to an inch up to 1.25. Such contacts as were made Wednesday indicate the rain was general over the county.

Following are some totals:

James Page, hq.	1.15
Wilton place	1.25
S. D. Harper	1.80
James Williams	1.50
L. E. McCalla	1.00
Ed DeLong	1.25
H. A. Belk	1.00
Clemens Sauer	1.40
Peyton Cain	1.25

Football Banquet Set For December 7th

The high school football banquet will be held Saturday, Dec. 7, at 6:30 p.m. at the Memorial Building. The banquet will honor this year's Varsity and B teams, and the cheer leaders. Awards will be presented to the boys.

Any parents or other interested adults wishing to attend may purchase a ticket for \$2.00 from Coach Sherwood Barker or any of the football boys. Ticket sales will end Dec 5 and NO tickets will be sold at the door.

There will be a semi-formal dance afterward at 8:00 p.m. and all high school students are invited to attend.

Beth McCalla came home Wednesday from Abilene Christian College to spend Thanksgiving with her parents, Mr. and Mrs. L. E. McCalla.

When high school football season is over, or in other words, "After the Shouting and Tumult Die," there is usually either voluntarily or involuntarily a sort of pause for reflection. What happened? Why did it happen? Was it worth the effort? What about next year? How did I do?

Highly partisan Eldorado Eagle fans can answer the "What Happened" question easily. The Eagles posted a very respectable five-win five-loss season's record. When it is considered that somebody has to lose each Friday night, the five-win record appears in a new light. It is a very commendable showing. It went as follows:

Eldorado 42	Bronte 8
Eldorado 53	Robert Lee 8
Eldorado 33	Wall 22
Eldorado 28	Eden 10
Eldorado 19	Menard 12

And then—Eldorado 13, Ozona 14, where the Eagles went to win and lost.

Eldorado 0, Iraan 13, where the Indians wound up to win and did.

Eldorado 13, Mason 52, where the Eagles met a better team.

Eldorado 0, Junction 53, where Junction tried to avenge many past defeats and where it is hard to make vengeance a laudable event.

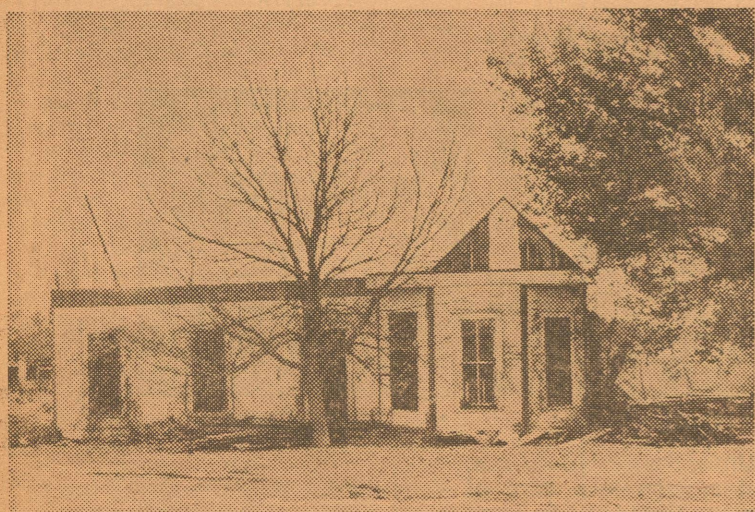

Eldorado 0, Sonora 7, where the Eagles showed their valor and nearly beat a most worthy adversary.

Why did it happen is a much more difficult question to answer. But part lies in the fact that the time to build a football team is 18 years ago. It is always difficult to do this now. The pros hire them but schools and parents have to raise them.

Other factors include such as these: How the boys trained away from school. How did they react to the team discipline and self discipline necessary to play their best. This self-discipline includes the ability to concentrate and perform

(Continued on Page 5)

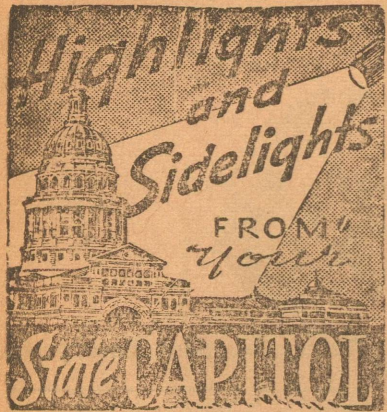

Another Landmark House Is Torn Down

LOCATED two blocks east of the Eldorado business district, this old house which was erected early in this century is being wrecked by Duane Branham. Long-time residents recalled that the house was occupied by the Williamses, the Carl Reagans, and Chester Biggs families and by several other residents. It had been unoccupied the past several years. Mr. Branham is salvaging the materials.

THE SUCCESS CREW WISHES FOR EACH AND EVERY READER A MOST JOYOUS THANKSGIVING WITH LOVED ONES

Austin, Texas.—Lt. Gov. Preston Smith is making arrangements to take office as governor on Jan. 21.

He already has selected some of his official family. Jim Oliver of the Legislative Budget Board, that Smith now heads, will become director of the executive budget office. Oliver is working on the budget which the new governor will recommend to the Legislature.

Jerry Hall, chief of the Capitol Bureau for Newspapers, Inc.—the Austin, Waco, Port Arthur and Lufkin dailies—will become Smith's press secretary.

Certain to have a top job, either as secretary of state or as chief administrative assistant, will be Harold Dudley, who managed the campaigns for Smith.

School For Legislators

New members of the Legislature came to Austin for two days to learn the ropes about the legislative process.

Speaker-to-be Gus Mutscher of Brenham, with the help of the Legislative Council, arranged the orientation sessions. Freshman legislators will thus have an insight

into how the legislative process works when they start the 140-day session on January 14.

Turn-over in the legislature this year was low. Only 30 new members were named to the 150-member House, and only three new senators among the 31-member Senate. Two of the senators have been in the Legislature before, so there are only 31 in all who have not had legislative service.

Poverty Average Is High

With 28.8% of the Texas families having incomes under \$3,000, well above the national average of 21.4%, Gov. John Connally feels that Texas should continue to make every effort to find and cure the cause of poverty.

In his report on operations of the Texas Office of Economic Opportunity, the governor said that \$113,038,642 in Federal money was allocated to anti-poverty programs in Texas during the year ending August 31. Grants ranged from the \$18,055,846 used to operate the three Job Corps centers at San Marcos, McKinney, and New Waverly to the \$8,345,358 allocated to 94 colleges to provide campus jobs for 28,073 college students who needed jobs to stay in school.

Oil Year Bright

For the fourth straight month the Railroad Commission left the allowable unchanged at 41.3% of potential, permitting a December maximum production of 3,027,299 barrels daily.

December pattern will average out the year at 44.9% of potential which (by the old standard) means 164.3 million flowing days—highest since the 171-days of production during the 1956-57 Suez crisis.

Land Boom

Buyers aplenty showed up at the Veterans Land Board's sealed-bid sale at which 233 repossessed tracts were offered to high bidders.

Total number of bids was 898, and the Board accepted the high bids on all the tracts except four. One 74-acre farm in Guadalupe county drew 90 bidders. High man was Marion A. Coulter, who bid \$22,502.

Board even managed to sell a 350-acre tract in Maverick county on which no bids were received the first four times it was offered. It was one of the "block deals" from the veterans land scandals of the 1950's, and this time it drew 10 bidders.

Welfare

Social workers for the State Department of Welfare soon will begin to spend their time trying to help solve the problems of people on welfare, instead of checking on their income.

A new policy was announced by State Welfare Commissioner Burton Hackney, after the U. S. Department of Health, Education and Welfare decided to try the new system nationwide.

Persons applying for federal-state grants because they are needy will merely fill out a declaration form, and they will be accepted.

Hackney said states that have tried this system, and then tested it by spot-checking, have found that very few people give untruthful information.

So the time of the highly-trained social welfare workers can be spent trying to arrange job training or other programs to help get recipients off the welfare rolls. In the past, much of their time has been spent in a "policeman's role", checking to make sure that those who get old-age assistance, aid to dependent children, aid to the needy blind or totally disabled, did not have hidden sources of income.

Medical certification from a doctor still will be required on those claiming benefits as being totally disabled.

A pilot program has been under way in the Austin, Nacogdoches and Houston areas. It will be expanded statewide by July 1.

Appointments

Governor Connally named Judge James F. Parker chief justice of the Ninth Court of Civil Appeals in Beaumont and picked Beaumont attorney Quentin Keith as an associate justice on the same court.

Glenn Biggs, former Abilene businessman (and Eldorado native), has been named president of National Western Life Insurance Co. of Austin and chairman of the board of Midwest National Life Insurance Company of Tennessee. Biggs served for two years as executive assistant to House Speaker Ben Barnes.

Telescopes Dedicated

Ceremonies were held by the University of Texas Tuesday (Nov. 26) for the new 107-inch telescope at UT's McDonald Observatory on Mount Locke near Marfa in West Texas.

Built for the University by the National Aeronautics and Space Administration and the National Science Foundation, the huge telescope is expected to play an important role for NASA in investigating atmospheres of Mars and other planets.

Previously the main instrument at McDonald was an 82-inch reflector installed in 1939 when the observatory was dedicated.

Screwworm Investigation Asked

A Rockdale lawyer, Rep.-elect Dan Kubiak, has called on House Speaker Ben Barnes to order an investigation of the screwworm spread in Texas.

Kubiak claimed steps must be taken to eliminate the screwworm fly, which he said has returned to menace Texas cattle with a vengeance after a seven-year effort to stamp out the disease-causing pest. Kubiak said 5,000 cases reported last month are more than when the anti-screwworm program began.

Short Snorts . . .

Texas Parks and Wildlife Department has asked the U. S. Corps of Engineers for a permit to build an artificial reef 7½ miles southeast of the Port Aransas jetty.

State Health Department purchased six porta-mobile radios to provide communications in disaster areas, such as it faced in the Hurricane Carla situation.

ter areas, such as it faced in the Hurricane Carla situation.

Nine hundred men at the state prison farm units at Angleton and Trinity who volunteered to be inoculated with the new Hong Kong influenza vaccine to test the effectiveness of the new vaccine will be watched by Baylor Medical School doctors.

Big-city ambulance operators told a House committee headed by Rep. Don Hand of San Antonio that private operations of ambulance service with subsidies from cities and counties is the best way to provide this service in urban areas.

Two state agencies are wondering which one should regulate the sale of cooperative or "condominium" apartments: Texas Real Estate Commission which has jurisdiction if the agents sell the apartments as real estate or State Securities Board which has jurisdiction if the sale is of stock in the apartment house corporation.

Woman's Club Hears District President

Mrs. A. C. Stewart of San Saba, Heart of Texas District president of the Texas Federation of Women's Clubs, was the featured speaker at a luncheon for the Woman's Club on Tuesday, Nov. 19, at the Memorial Building.

Mrs. Stewart spoke on Federation—United Achievement Thru Individual Involvement. She said that anything that needed to be done could hardly be done by one person, but that it took one person willing to get involved to get it started. She urged everyone to write to legislators asking them to support measures they thought should be passed, then to write again thanking them for their support.

Every active member including a new member, Mrs. E. H. Nimitz, was present to hear Mrs. Stewart's talk.

During the business meeting that was presided over by the president, Mrs. M. H. Woodward, Mrs. Oliver Teele was voted in as a new member.

Area Club members present at the luncheon as guests of members were: Mrs. Ben Cusanbarry and Mrs. Louie Trainer of Sonora; Mrs. J. C. Marley, Mrs. Frank McMullen, Jr., Mrs. Bill Black, Ozona; Mrs. Jim O'Harrow, Mrs. Jess Koy and Miss Connie Spence of Eldorado.

The social committee headed by Mrs. G. A. Hext was in charge of arrangements.

"Enjoy Your Thanksgiving Holiday"

Thanksgiving Day 1968

In the United States of America, November traditionally is the month of Thanksgiving. It is the time especially set aside to give thanks to our bountiful, loving, all-providing Father-God.

It is the time set aside to look appreciatively at our many blessings. It is the time set aside to give thanks for all the things we usually take for granted.

Thanksgiving quickens a new spirit of appreciation within us. Thanksgiving creates joy. Thanksgiving builds faith. Thanksgiving for our blessings never fails to open the way for more good. Thanksgiving sets in motion an endless cycle of good that enriches us in mind and body.

Let us make this an unforgettable day of Thanksgiving. Let us give thanks for peace, family and friends. Let us give thanks to God for the glorious world in which we live. Let us give thanks for our blessings great and small. Let us say, "Thank You, God, for everything."

The truth that heals

The truth that heals disease, unhappiness, fear, and discord . . . is divine Truth.

Hear divine Truth explained in this Christian Science lecture. It will show you how a clearer understanding of what is TRUE of God and man can make a wonderful change in your daily life. The lecturer, Jules Cern, C.S., is a member of The Christian Science Board of Lectureship. He will speak on the subject: The Truth That Heals.

Admission is free and everyone is welcome.

YOUR PERSONAL SERVICE BANK

THANKSGIVING — A TIME TO PAUSE AND SAY "THANK YOU"

Our Pilgrim Forefathers conceived Thanksgiving as a day to stop and take stock of all the good things in life. They had, as we do today, a constant threat of upheaval. They too, were beset by problems—economical and political—big and small—but they found time, once a year, to thank God and thank each other for all the good things they enjoyed. We, at First National, are thankful for the county, state and nation in which we are privileged to live. We are thankful for the opportunity we have of being a part of this area and for you, our friends and customers, whom we are privileged to serve. We pledge our continued efforts to be worthy of your patronage and good will.

Your first thought is that Chevy is a good looking pickup . . .

Here are some second thoughts:

work truck

We could add hobby hauler to the list. Chevy trucks are great for rock hounding. Collecting antiques. Etcetera.

The point is: They're as versatile as anything on the road. Or off. Especially, four-wheel drive versions. They go anywhere.

playmate

Wherever you go, you go in style. Sleek front end features a new aluminum grille. In back, there's a new 8½-ft. box on some models. Great for big campers.

Great under the hood, too. Six or V8. Standard on V8 models is a big 307 cubic-incher.

second car

Under the rugged chassis, coil springs take care of bumps. Inside, thick foam seats take care of you.

There's a lot more. And more you can order. Like: power steering and air conditioning. See your Chevrolet dealer for all the facts and the good word on low price.

camper

CHEVROLET
Chevrolet is more truck . . . day in, day out, day off!

Maces Announce Engagement Of Daughter, Paula, To Mr. Moeller

Paula Mace and her fiancé, Michael Moeller

Mr. and Mrs. Joe Heron Mace of Eldorado, Texas announce the engagement of their daughter, Paula Jo, to Mr. Michael Moeller, son of Mr. and Mrs. Leonard Moeller of San Marcos, Texas.

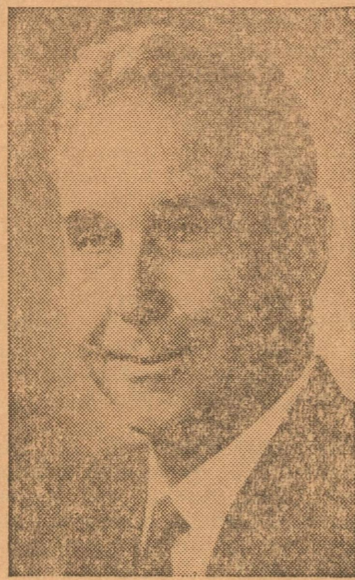

Miss Mace is a graduate of Eldorado High School and a senior at Southwest Texas State College in San Marcos. She is a member of Alpha Delta Pi Sorority, Student Senate, Strutters, Alpha Chi and Kappa Delta Pi Scholastic Honorary, All-College Favorite, Who's Who in American Colleges and Universities, the Forensic Squad, and is majoring in speech.

Mr. Moeller is a graduate of San

Marcos High School and Southwest Texas State College. In college he participated in Alpha Chi, Kappa Delta Pi, Alpha Psi Omega, and Pi Gamma Mu Honorary Societies, College Players, Texas Student Education Association, acted as captain of the Forensic Squad, and was named to Who's Who in American Colleges and Universities. Presently, he is coaching debate at San Marcos High School. A late December wedding is planned.

Mrs. Granvil Hext won the lamp given as a door prize recently by Woodward's Flower & Gift Shop.

Christian Science Lecture Is Tuesday

Jules Cern
Christian Science Lecturer

An explanation of prayer as Christian Scientists understand it, and why they depend on it radically for healing, will be given in San Angelo Tuesday, December 3, by Jules Cern, C.S., of Scarsdale, New York.

Mr. Cern, a member of The Christian Science Board of Lectureship, will speak at 8:00 p.m. in Crockett Elementary School, 2104 Johnson Street. The lecture is entitled "The Truth That Heals." Admission is free and the public is invited.

Mr. Cern's lecture is sponsored by First Church of Christ, Scientist. He has been a public practitioner of Christian Science and a lecturer on the subject for many years.

Before entering the healing ministry of Christian Science, Mr. Cern was an advertising manager and also a professional actor. He appeared in several plays on the Broadway stage, and toured most of the United States and Canada. He is a native of Texas.

Eaglettes Lose Their Opening Game

It happened very much as forecasters feared it might Friday night as the Eaglettes fell to Winters by a 58-34 score.

Eldorado managed to stay in the game 9-12 the first quarter but after that it was a combination of too many Eldorado errors, first game jitters, and too much Winters. A quick look would show that Eldorado had numerous bad passes, and violations while they were out-hit from the free throw line 50% to 57%. The Eldorado girls took only 34 shots while Winters must have taken twice that many. The Eaglettes never got cranking offensively until the fourth quarter. Winters, a AA school, had All Regional Choice number 20 at guard to lead the way and no. 14 Carla

Walker at forward.

Lisa McAngus, a starting guard was the victim of her own hustle and drew fouls in the first quarter and did not return to the game until the fourth quarter. None of the forwards ever really could get consistent in hitting.

Scoring stood Dale Montgomery 11, Linda Derrick 9, Kathleen O'Harrow 7, and Loretta Schooley 7. Guards were Donna Davis with 7 rebounds, Lisa Whitten 8, Mary Lynn McCalla 6, Claudia Meador 1, Lisa McAngus 2.

The game was returned in Winters this last Tuesday.

Score by quarters—
Eldorado — 9 6 8 11—34
Winters — 12 16 16 14—58

Winters 'B' Nips Eaglette 'B' Team

Last Friday night the "B" girls opened their season against a highly experienced Winters "B" team and lost it 26-23 though it was close all the way.

Winters gained several girls of junior-senior class from the Norton school district as it burned this summer. In addition their big scorer is a transfer from Garden City and also a junior.

The Eaglette "B" team is composed of the following freshman forwards: Sherry Davis, Jeanne McCravey, Patty Page, Judy Hanusch, and Marian Bland. Freshman guards included Leslie Martin, Jean Rountree, Eva Stigler, Kay Williams, and Betty Kay Bradley. Sophomore guards are Gail Robinson, Peggy Hanusch, and Debbie Johnson. Sheri Roberts was the only junior participating. She was outstanding in rebounding, defending, and ball handling getting 14 rebounds as Leslie Martin, Gail Robinson, and Jean Rountree got 3 each. Sherry Davis was the offensive leader with 13 points, Jeanne McCravey, 9, and Patty Page, 4.

The girls, nervous in their first game of the season, made mistakes but they had lots of hustle and came back strong before falling in the final minute.

They went to Winters Tuesday for another shot at the Blizzardettes. Scoring:
Eldorado — 3 5 12 6—26
Winters — 7 3 11 12—33

In Those Days
Compiled From Success Files

ONE YEAR AGO
Nov. 30, 1967—Thanksgiving morning, burglaries were discovered at Edmondson's Package store, at Foxworth-Galbraith, and Lum Davis's service station.

Bill Rountree went to Dallas to attend his father's funeral. James Dockal of this place and Bobby Denton of Christoval were in Shannon hospital following a car wreck.

FIVE YEARS AGO
Nov. 28, 1963—This was The Success issue following assassination of President Kennedy. The funeral was broadcast and telecast, and 30 days of mourning were proclaimed for Government buildings. Funeral services were held here for Bill Bearce, 29. At Fredericksburg, Edwin Jackson was elected president of the Mohair Institute of America. Joan Griffin was DAR Good Citizen from among the Senior class girls. Mr. and Mrs. Eldon Calk attended the wedding of Gladys McClain and Truel D. Jackson. The C. M. Nyquist family were spending Thanksgiving at Inks lake. Mikeska Gin reported 2405 bales ginner here. The Eagles kicked off basketball season with a 58-56 win over Wall.

12 YEARS AGO
Nov. 29, 1956—Horace Linthum was elected president of the Eldorado Riding Club. Other officers included Rance McDonald, vice president; Mrs. Lewis Whitten, secretary; and Mrs. Arch Ory, rep. A daughter was born to the Sonora hospital to Mr. and Mrs. Louis Chaney. Ted Maxwell, district telephone manager, was to move Dec. 1 to San Angelo. Mr. and Mrs. Aaron Steward were injured in a car accident near Christoval. David Y. Jeffrey completed Naval recruit training at San Diego, California. Foundation work was going on on the new Rock Church of Christ building. E. H. Topliffe's winch truck burned and was a total loss, on the Menard highway 18 miles from here. Ilene Clayton was Jr. High football sweetheart and was recognized at a banquet.

35 YEARS AGO
Dec. 1, 1933—The Eldorado Eagles defeated Junction 13 to 0 Turkey day for District 14B championship. Junior Isaacs was team captain. W. B. Gibson was center, John I. Jones was lineman, Aris Carr was sub end, Dee DeLong was sub, and Jack Meador was on the squad. Misses Mae, Norene and Thelma Ellington of Girvin visited here with Mr. and Mrs. C. M. McWhorter and Mrs. W. F. Ford and daughters. Lawrence Neill and W. T. Whitten went on a hunting trip in Old Mexico where they bagged two large bucks and a large bear. Mrs. Tom Kent advertised permanents \$1.95 to \$4.50, oil permanents, \$2.50, and finger wave and dry, 25c, at her beauty shop. Mr. and Mrs. Rex McCormick visited their son Hollis, who is attending business college in San Angelo, last Saturday. They were accompanied by Mrs. W. R. Nicks and Mrs. Ed Ratliff. The committee was back from Austin and had relief work lined up for this county, with road work slated for main emphasis. L. T. Barber was county administrator. J. F. Isaacs was field manager and assistant office manager, and Miss Annice Putman was to work as stenographer in the office. Little Miss Emily Ann Harper was honored on her 3rd birthday Nov 17th with a party in the D. E. DeLong home. Dr. Fred Baker, optometrist, advertised that he would be at Hoover Drug Store Monday afternoon. He had served this area over 20 years.

ELDORADO LODGE

PAR-TEE

Winners of the Mixed Team play Sunday, November 24th, were: 1st Place the team of Bob Bland, Ken Rosford and Ernestine Hext, 2nd Place went to the team of Jack Hext, Wayne Doyle and Eddy Kinser. At the end of 18 holes the 2nd place team was in a tie with the team of Vernon Rogers, Mary Robinson and Rose Doyle. The winner of the tie was determined by a sudden death play off which ended on the third hole. (Wayne Doyle may join the tour now that "he has defeated Vernon Rogers.")

The Social Committee of the Women's Golf Association, Gladys Mittel, Dale Preston and Agnes Hannes, is planning a covered dish supper for all golf club members for the night of December 14th at the club house. Ralph Waldron has ordered a film to be shown at that time. Be sure to mark your calendar now so that this date will be kept open.

Winner of the special play, an "Inches Tournament", Tuesday of last week was Ernestine Hext.

Some discussion concerning a Women's Club Tournament is being held. We are not sure if the tournament could be completed before Christmas. If any of you women have a preference, please call Mary Robinson, Tournament Chairman, and let her know your likes or dislikes.

The next duplicate bridge session is set for Saturday, December 7 at the club house. Bridge sessions will be held the 1st and 3rd Saturdays of each month in the future.

One of our former Club Members, John Hodges, was in town this week. We tried to get him on the golf course, but were unsuccessful.

THANKSGIVING
Topmost on the list of blessings we count at this Thanksgiving time are the pleasant relations we enjoy with all our friends.
We cannot let this Holiday go by without expressing to you our appreciation and wishing you a Thanksgiving Day that will be most pleasant and happy.
WILLIAMS CAR MARKET
AND REAL ESTATE

Successful. The Hodges are still living in Louisiana. Billie and the girls couldn't come with John this time because Jan is a twirler with the band and was to perform at a football game. It was good to visit with John and we hope that Billie and the girls come with him next time.
Happiness is finding a shirt to wear without a button missing.

GIRL SCOUT TROOP 150
This week we had Mrs. Kreie as our Girl Scout leader. We also had a visitor, Irene Garcia, and we were glad to have her. Darla Sheppard served refreshments.
Cherie Niblett was honored on her 8th birthday with a party last Thursday at the Memorial Building. It was given by her mother, Mrs. C. J. Niblett.

Tomato Tricks
by Betty Crocker

Since garden-fresh tomatoes are at their prettiest, let's live it up a little. Glamorize tomato slices with a touch of basil, fresh or dried. Sauté tomato halves in butter—serve with cream browned in the same skillet. Or try Tomatoes Vinaigrette: Sliced tomatoes marinated in French dressing an hour or two in the refrigerator, then sprinkled with minced onion or parsley. And for a perfectly beautiful shortcut supper, how about Fresh Tomato Shortcakes? Thick tomato slices between hot biscuits, spooned with Cheese Sauce, strips of bacon on top. Delicious.

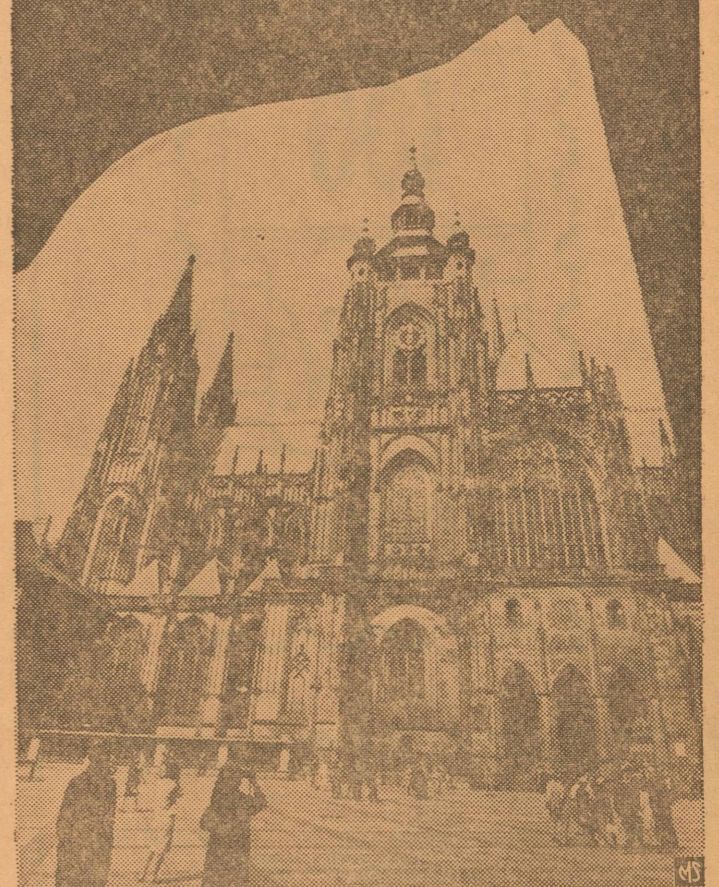

FRESH TOMATO SHORTCAKES
Cheese Sauce (right)
2 1/2 cups New Bisquick
3 tablespoons butter, melted and cooled slightly
1/2 cup milk
3 tomatoes
6 slices bacon
Soft butter

Prepare Cheese Sauce. Keep hot over hot water. Heat oven to 450°. Mix New Bisquick, 3 tablespoons butter and the milk with fork to a soft dough. Knead 8 to 10 times on lightly floured cloth-covered board. Roll dough 1/2 inch thick. Cut with 3-inch floured cutter. Bake on ungreased baking sheet about 10 minutes. Cut tomatoes into thin slices. Fry bacon until crisp; drain on paper towels. Split shortcakes crosswise; spread butter on halves. Place tomato slices between layers and on top of each shortcake. Spoon Cheese Sauce over shortcakes and garnish each with a bacon slice. 6 servings.

CHEESE SAUCE
3 tablespoons butter
3 tablespoons New Bisquick
1/4 teaspoon salt
1/2 teaspoon pepper
1/4 teaspoon dry mustard
1/2 teaspoon ground thyme
1 1/2 cups milk
1 1/2 cups shredded process sharp Cheddar cheese

Melt butter over low heat in saucepan. Blend in New Bisquick and seasonings. Cook over low heat, stirring until mixture is smooth and bubbly. Remove from heat. Stir in milk. Heat to boiling, stirring constantly. Boil and stir 1 minute. Stir in cheese. Cook and stir over low heat until cheese melts. Makes about 2 cups.

TOWERING ST. VITUS CATHEDRAL

The highest spires in Prague—city of 100 spires—are found at beautiful St. Vitus Cathedral, an awesome structure that is part of Prague Castle. Construction began on this largest of the city's churches in the 10th century, but the finishing touches weren't applied until 1929. Two of the most skilled architects who contributed most to the cathedral's Gothic character were the 14th century artists, Mathias of Arras and Peter Parler. Parler was just 23 years old when he was commissioned for St. Vitus. Today, the building is a must on travelers' lists of things to see, reports the Czechoslovak Government Committee for Tourism. Masses are celebrated here regularly and on special occasions—during the Prague Spring Music Festival, for example—concerts are performed at the cathedral.

Review . . .

(Continued From Front Page)

offensive and defensive coaching instructions. Probably as important as any of these factors is that of pride in self and team. Losing is a keen humiliation.

What about next year? Five stalwart and dependable Eagles ended their high school football with the Menard game. They are Dwayne Dempsey, Albert Torres, Jim Robledo, Ross Whitten, Jim McGinnes, and Mike Olson.

These juniors will be back: Bob Page, James Larry Davis, Wayne Doyle, Mickey Clark, Joel Muzquiz, Bobby Sykes, John Danford, Sam Oglesby, and Paul Page. These nine boys will be the backbone and principal driving force of the 1969 Eagle football team by virtue of age and corresponding strength, stamina, and determination.

Five good men, true and tried, will be juniors next year and will merge into and with the lads listed above. They are Roy Jones, Dobbie Lively, Jimbo Overstreet, Walter Speck, and Keith Williams.

A youthful addition to next year's team will be Archie Nixon who was perhaps scouted as much as any other quarterback in District 8A. Nixon, a fine passer, punter, and place kicker, will add considerably to the versatility of the Eagle offense and defense with his place kicking and defensive work at a halfback. And he will be one year older.

What about the boys coming up from grade school? They lack just four years for maximum football output. This is strictly a "wait and see" proposition.

Was the year worth the effort? Yes, it was. Winning games and championships are only fringe benefits to football participation. The real values lie in the poise, self confidence, physical development, and self discipline gained in a game where one's "friends and neighbors" pass judgment on the participant each Friday night.

These judgments should be based on more than just winning the game.

Last and not least, a football player learns to function under very adverse conditions such as how to perform at one's best in a close and bitterly contested game, how to resist courageously an obviously bigger and stronger adversary, and how to live with defeat

HOW SONORA, DIST. 8-A REPRESENTATIVE, CAME OUT LAST WEEK:

Sonora 29.....Rankin 13

WHERE THEY PLAY THIS WEEK:

Sonora vs. Coahoma in San Angelo beginning at 7:30 p. m., Saturday evening, November 30, 1968.
Regional championship.

and discouragement. For instance, handful of Eden Bulldogs had the manpower and moral stamina to play out a hopeless situation. These lads have what it takes to live in an adverse world. They deserve nothing but the admiration of their home town and their opponents.

How did each Eldorado Eagle do individually? A good records system provided by Coach Sherwood Barker and his staff make these answers available. They go like this: A way to start would be to list how many tackles each lad posted while his team was on defense. It must be remembered that linemen and line backers get the first chance at opponents.

Mickey Clark led with 103 stops for the season or an average of 10.3 tackles for each game and a high of 27 in one contest.

Bob Page got 84 for the season with an average of 8.4 and two games with 19 and 18 stops each.

Bob Sykes got 77 for the year with an average of 7.7 each game and led in the Sonora game with 18.

Keith Williams, a sophomore, racked up 67 for the year and 14 in one game alone.

Roy Jones also tabbed 67 for the year and 13 stops in one game.

Walter Speck got 57 for the year and 13 in one game.

Paul Page tabbed 43 for the year and a tough 9 tackles in the Mason contest.

James Larry Davis also got 43 stops for the year with a best night of 7.

Wayne Doyle got 37 for the year with 8 against the tough Junction backs who penetrated to his halfback's position.

Sam Oglesby got 35 for the season with a top of 7 against Menard.

Jim McGinnes got 35 also with a best of 7 against Iraan.

Bob Whitten got 24 in six games with 10 against Menard.

Dobbie Lively got 23 in 9 games while Albert Torres for 19 in 7

games; Jim Robledo, 16 in five games; Mike Olson, 15 in four games; Archie Nixon, 15 in four games; Joel Muzquiz, 10 in four games; John Danford, 2 in one game; and Billy Dock Hubble, 1 in one game along with the dubious honor of a broken arm.

It must be remembered also that the lads who did not get many tackles played a great deal of offensive ball.

When listing total yardage for backfield men, it is almost impossible to list the linemen down front who paid in hardnosed bruises for the start these backs got. But the backs had problems enough; here is their record:

Wayne Doyle with a season's total of 367 yards in 42 carries. The interested fan can arithmetic this out to a very respectable 8.97 yards for each carry.

James Larry Davis piled up 803 yards in 165 carries. This sounds a bit like Sunday afternoon at home.

Bob Page got 355 yards in 76 carries; Keith Williams, 343 yards in 82 carries; Mickey Clark, 322 yards in 61 carries; and Archie Nixon, 71 yards in 17 carries.

James Larry Davis received 15 forward passes for 243 yards. Paul Page gathered in 11 for 313 yards; Keith Williams caught 8 for 123 yards; Wayne Doyle got 3 for 103 yards; Mickey Clark, 3 for 27 yds; Mike Olson, one for 34 yards; and Bob Page, 1 for 14 yards.

Eagle quarterbacks Archie Nixon and Bob Page flung 136 forward passes of which 42 were completed for a total of 856 yards.

Paul Page led the way with 8 pass interceptions; Wayne Doyle got 6; Sam Oglesby got one as did Bob Page and Keith Williams.

For the last item on the season's summary, The Eldorado Eagles scored 202 points for the season. James Larry Davis ran over for six touchdowns and six extra pts; Wayne Doyle was the leading scorer with 7 touchdowns and two extra points although Davis's total yardage was greater. Bob Page made 6 touchdowns and two extra points while Paul Page tabbed 5 with two extra points; Keith Williams made three touchdowns; Mickey Clark, two touchdowns and one extra point; Dwayne Dempsey got one touchdown; and Archie Nixon got 10 extra points.

It is impossible to reduce the whole hearted participation of 20 or more active and spirited lads in 8 full hours of football and not do injustices to many good boys. The intent in this summary is to praise and commend the members of the Eagle squad for their efforts and any mistake or oversight is completely unintentional and will be corrected if brought to the proper attention. To those lads whose efforts were not recognized, their forgiveness is of great value not only to the writer but to themselves because this ability is one of the fringe dividends of football.

Banquet Coming Up

The Eldorado Eagle football team members and their coaches will have their banquet the night of Saturday, Dec. 7th. At that time awards will be given the lettermen.

Ed Dorado Chapter DAR Holds Recent Meeting
The El Dorado Chapter, Daughters of the American Revolution, met in the Memorial Building here November 21, 1968, with the regent, Mrs. Ernest S. Goens, presiding.

Mrs. W. N. Ramsay, chaplain, gave the devotional, and led the Flag rituals and the National anthem.

Mrs. William Gunstead presented the plans for the Christmas luncheon.

The program at this time will be a Christmas story by Mrs. V. G. Tisdale.

Mrs. Luke Thompson, secretary, recorded the names of the girls who have been selected by their schools for the Senior class to be sponsored by the El Dorado Chapter as DAR Good Citizens: Miss Kathy Robinson, Eldorado; Miss Susie Ewing, Mertzon; Miss Judy Powell, Big Lake; Miss Jan Martin, Rocksprings; Miss Debra Dutton, Junction.

The monthly message of the President General NSDAR, Mrs. Erwin Frees Seimes, emphasized Thanksgiving as one of our most important holidays. "Where but in our own land could we find so much for which to be thankful." The message was read by the regent.

Mrs. Ernest C. Hill, substituting gave the National Defense Report.

Mrs. W. N. Ramsay, program leader for the day, presented Miss Ruth Baker who gave "Our Destiny" completing the theme of our President General which is, "One Country, One Constitution, One Destiny."

The lovely decor in the chapter room together with festive refreshments brought Thanksgiving nearer. The hostesses for the meeting were Mmes. L. M. Hoover, J. B. Montgomery, V. G. Tisdale, and Miss John Alexander.

Thanksgiving holidays guests in the Lum Burk home include Mrs. J. E. McWhirter and son Dana of Augusta, Ga.; Louise Wilkins of Grand Prairie, and the Joe C. Whitten family of Houston.

Four-Year Letterman At McMurry College

BOBBY HALBERT

Abilene, Tex.—Bobby Halbert capped a brilliant playing career for the McMurry College Indians Saturday night with one of his top defensive games in the thrilling 24-22 Lone Star Conference win over Howard Payne.

The 6-0, 219-pound leftside line-backer of McMurry's awesome defensive unit was "all over the field" making 10 unassisted and six assisted tackles, and the McMurry coaching staff has honored him as "Fighting Indian of the Week."

"Halbert isn't the fastest line-backer in the business," says head coach Buddy Fornes. "But he can pursue and can hit with the best of 'em."

Halbert has teamed with middle linebacker Robert Rivera and rightside linebacker Chester Dougherty to form what many claim was the Lone Star Conference's best linebacking corps.

Halbert earned his fourth letter at McMurry this season. He is a former all-stater at Eldorado.

Bobby is the eldest son of Mr. and Mrs. Jack Halbert, Jr., of Eldorado.

Beep Cain Named To Who's Who At ASC

San Angelo, Tex.—Twenty-three Seniors and seven Junior students in Angelo State College have been named to Who's Who Among Students in American Colleges and Universities for 1968, Dr. William F. O'Zee, ASC dean of students, has announced.

The group includes Bedford Peyton Cain III, senior from Eldorado, son of Mr. and Mrs. Peyton Cain.

The Who's Who directory of distinguished students has been published since 1934 and carries only the names of students whose academic standing, service to the community, leadership in extracurricular activities and future potential are decidedly above average.

Dr. O'Zee said a special presentation program will be scheduled later this fall to honor ASC students who earned the Who's Who distinction.

Miss Mace Selected For Who's Who At SWTSC

Miss Paula Jo Mace has been selected for American Colleges Who's Who for the second year in a row. The daughter of Mr. and Mrs. J. H. Mace, Paula is a last semester Senior at Southwest Texas State College at San Marcos.

This is the 35th consecutive year for the balloting of Who's Who across the nation at colleges and universities. The chosen students are judged on leadership, service, scholarship ability, campus activities and grade point averages.

Mickey Pennington arrived here Tuesday from Schreiner College at Kerrville to spend Thanksgiving with home folks.

Mr. and Mrs. Hubert Podany and Mark and David are spending Thanksgiving here with Mr. and Mrs. James Williams.

Oil News

Sammye Mayo, who is employed in Houston, was expected here Wednesday to spend the Thanksgiving holidays with her parents, Mr. and Mrs. J. F. Mayo and other relatives.

Wildcat Slated
McClure Oil Co., Alma, Mich. will attempt to open Strawn production 3/8 mile northeast of the opener and lone producer in the Cheaney (Harkey) field of Schleicher county, with the staking of the No. 1 A. T. Cheaney, a 4,800-foot wildcat, 21 miles northeast of Eldorado.

The Tom Stewart family of Midland are here to spend Thanksgiving with Mr. and Mrs. Charles Wimer and other relatives.

Location, on an 800-acre lease, is 660 feet from the north and 1,980 feet from the east lines of 39-8-TW & NG. Ground elevation is 2,298 feet.

The Raymond Mittel family are moving from Canyon, Texas, where they have lived for about three months, to San Angelo where he will be regional supervisor with the Texas Parks and Wildlife Dept. Their address in San Angelo is 220 Twin Oaks. The Mittels visited here Wednesday. He formerly taught in the local schools.

The discovery, Ashmun & Hilliard No. 4 Ltd. No. 1 A. T. Cheaney, (now Fortune Drilling Corp. 1-A Cheaney) was finalized Sept. 6, 1961, for 45.67 barrels of 36.8 gravity oil, plus 7% water, with gas-oil ratio of 467-1, through a 28-64-inch choke and perforations at 4,196-200 feet and 4,207-212 feet. It was drilled to 4,800 feet.

The firemen were called out at 10:30 Monday morning to the B. L. Blakeway residence in the east part of town. Some damage was sustained due to a wall heater.

CHRISTMAS Is Just Around
The Corner !!

This year, send your Christmas cards to your friends and relatives who are out of town, and greet your friends here the easy way by placing a

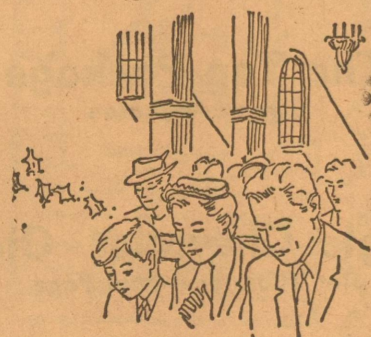

GREETING MESSAGE

in the special Christmas Edition of the Eldorado Success, to be published this year on Thursday, December 19th. While this edition is published mainly for business concerns to greet the public, Greeting ads are also welcome from individuals. For less than the cost of a box of Christmas cards, you can place a small Greeting Message in the hometown paper, and save

THANKSGIVING DAY

The Thanksgiving story is one of the most beautiful in the annals of American history. The sharing of available foodstuffs and turkey by Governor Bradford and a small group of Pilgrims with the Indian King Massasoit and his tribe is a never-to-be-forgotten gesture of friendship. That first Thanksgiving feast in 1621, growing out of free hearts and leading to full stomachs, has become a beloved American custom. We do our best to re-create the spirit of this first Thanksgiving Day that commemorated the survival of the Pilgrims after a year of hardship and peril. To restate the gratitude they felt, families and their friends gather together to share a bountiful table and to give thanks for the abundance of their blessings. It is good to remember the harsh beginnings, courage of our forebears, and the heritage of liberty bequeathed to us. It is good to tell the story of the first Thanksgiving Day to our children; a robust story of danger, adventure and fortitude. Our Pilgrim Forefathers conceived Thanksgiving as a day to stop and take stock of all the good things in life. While they were beset by problems, they found time, once a year at harvest, to thank God for all good things they enjoyed. On this Thanksgiving Day of 1968, we have many reasons to give thanks for the abundance of our blessings, throughout this Great Land of ours.

COUNTY OFFICIALS

Of Schleicher County

**COUNTY AGENT'S
COLUMN**

by Tina Godwin

Schleicher County Agricultural Agent

Congratulations to John Rae Powell Jr. and Jennie Sue Martin, in the farm shop are potential Gold Star Boy and Girl for 1968. John and Jennie Sue compiled outstanding records for the last few years. West Texas Utilities will sponsor a luncheon on Wednesday, Dec. 4th, to honor Gold Star boys and girls from 22 counties comprising District 7 of the Texas Extension Service.

4-H Clubbers will begin study of range conservation soon after the Thanksgiving holidays.

Today's farmer is providing food and himself and 52 other persons, while receiving less for his products than 1950 and paying more for the machinery and material with which to carry on his farming activities. This has created the labor force so essential to industry in our nation.

Farm-city week November 22-28 is just one of the many things that Americans can stop and give thanks to on "Thanksgiving Day." All city and farm people in the county have had the opportunity to observe and study each other's problems in order to get a better understanding between and among all people of our society. Without this type of cooperation food prices would sky rocket for the wage earner and profits would be even less for the farmer.

May rural and city understanding continue for the economic stability of our country.

There are always jobs for the home gardener and right now is the time to give vegetable and flower gardens a head start next spring. The job that will do it is the destruction of the winter homes of disease-carrying organisms.

Many gardeners, although familiar with plant diseases in the growing season, are not always aware that the pests causing the trouble remain alive during the winter. Much like the plants they attack, these organisms, such as fungi, bacteria and nematodes, become dormant during the winter.

By knowing the places where these pests spend the winter, they can be reduced in numbers or even destroyed, thus eliminating much of their damage next spring and summer.

Favorite overwintering homes for the trouble makers are dead or diseased plant parts. The fungus causing black spot of roses overwinters on dead, infected leaves. Nematodes, though capable of surviving in the soil, can overwinter in much larger numbers in the roots of infected plants not destroyed in the fall. Bacteria causing diseases such as soft rot of potatoes spend the winter in cull piles or other plant refuse.

Fallen leaves and branches may be raked and burned. The stubble and roots of plants removed from the garden should also be destroyed. A good cleanup job done now will not only put you ahead next spring but can also reduce next spring and summer's disease problems.

Humor is one of the democratic experiences of mankind. Whatever may be our differences—differences of age, education, experience, religion, politics—the moment we launch together in appreciating a joke we are, for the moment, united and equal.

Those pressurized cans found in

abundance around most homes and in the farm shop are potential bombs and the hazards involved should be recognized.

With cooler weather and the need for heat in homes and the shop, better take time to make a check and see that none of the pressurized containers are stored near a heat source. The containers should be kept out of direct sunlight, away from radiators or other areas of high heat. Any heat above 100 degrees will create a definite hazard.

Reports from over the country every year show that serious injuries and even some deaths result from the explosion of pressurized cans. Heat is the greatest danger involved. Cans placed in an incinerator or trash fire, though believed empty of paint, hair spray or insecticide they once contained, will explode with great force and can cause injury should a person or pet be in range of the flying metal.

If no other safe method of disposal for such cans is available, they should be buried.

If your wife wakes up every morning with a grouch, it's about time you improve your disposition.

Health and vigor of trees and quality of fruit depend on a well-planned, well-executed control program.

Insect and disease losses can be reduced with a spray program and by diligently following orchard sanitation practices. Proper timing of spray applications is essential to prevent insects and diseases from becoming established and causing extensive injury.

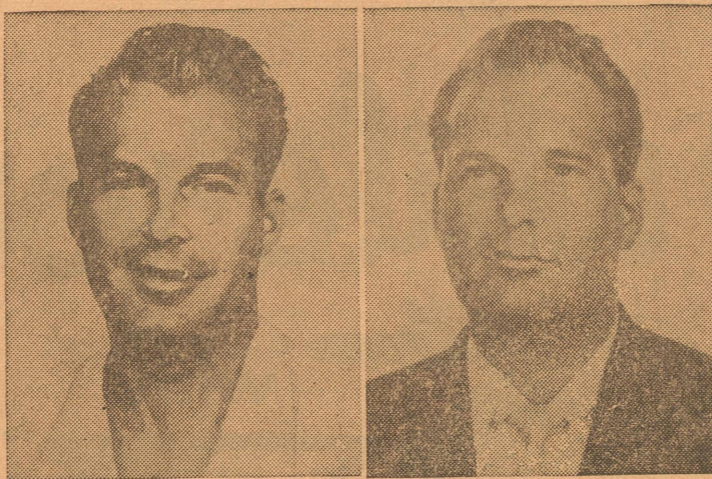

While it is true most fruit and nut trees are going into dormancy, now is the time to make plans for keeping orchards and groves free of insects and diseases. You may come by my office for a copy of L-245, "Guide for Controlling Insects and Diseases on Fruits and Nuts."

The victory over Rocksprings last Saturday was sweeter than usual as it was the first of the young season for Eldorado and it meant beating their old rival. Eldorado took a 55-35 win.

To the fans who saw the same Eaglettes in action Friday it seemed like a different team. The green was behind 8-9 at the end of the first quarter but already were playing better. In the second period Eldorado, paced by Kathleen O'Harrow and Dale Montgomery's shooting, hit for 15 points and took a half-time lead of 23-13. Linda Derrick scored all 8 points in the first period. The third quarter saw the offense miss a few opportunities but continue the lead with a 36-21 advantage going into the fourth quarter. In the final period the team added 19 more with everyone scoring. Dale Montgomery led with 19 points and 6 rebounds. Kathleen O'Harrow had 18 and also 13 rebounds. Linda Derrick added 14 points and 7 rebounds. Patty Page had 2 points while Peggy Hill and Loretta Schooley had a free throw each.

Lisa McAngus bettered her previous performance pulling in 12

WANTED BY THE FBI

JOHN WILLIAM CLOUSER

John William Clouser, a Florida mental hospital escapee, who has vowed not to be taken alive, is one of the FBI's "Ten Most Wanted Fugitives."

On the night of April 2, 1964, Clouser and three other inmates escaped from the Florida State Hospital in Chattahoochee and reportedly forced two hospital employees to drive them to the Columbus, Georgia, area. The hostages were robbed but released unharmed. A Federal warrant issued at Montgomery, Alabama, on April 9, 1964, charges Clouser with transporting a stolen car from Georgia to Alabama, where the stolen car was recovered abandoned.

A former police officer, Clouser was admitted to the Florida State Hospital in February, 1964, after being adjudged mentally insane. He was then facing numerous criminal charges and had earlier been convicted of participating in the robbery, kidnapping and beating of two theater managers. His conviction was appealed, however, due to a state error, and he was released and granted a new trial.

He is a white American, born at Chicago, Illinois, on March 29, 1932. He is 5'9" tall, weighs from 165 to 180 pounds and has blond hair, blue eyes, a stocky build and ruddy complexion. He is tattooed with a panther on his right shoulder and a heart pierced with an arrow on his left shoulder.

He is described as a sadist who would not hesitate to beat a victim to death, is an expert pistol shot, exercises and lifts weights regularly and is proficient in Judo and Karate. Consider him extremely dangerous.

Should you receive any information concerning the whereabouts of John William Clouser, you are requested to immediately notify the nearest office of the FBI, the telephone number of which may be located on the first page of local telephone directories.

rebounds while Donna Davis and Lisa Whitten each had 8. Claudia Meador and Mary Lynn McCalla had 2 each and Gay Lynn Richardson and Sheri Roberts collected one each.

The team definitely showed improvement in every phase of the game. They now have a 1-1 record.

Scoring—

Eldorado	8	15	13	19-55
Rocksprings	9	4	8	14-35

Soil Cons. District To Erect Signs On Highways

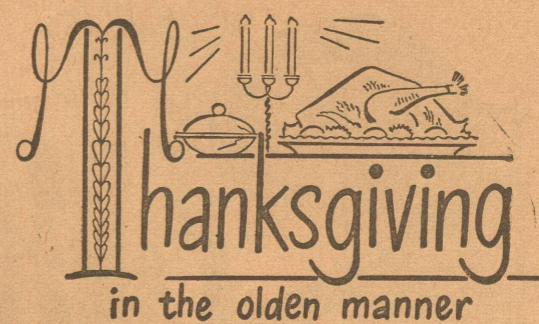

The Board of Supervisors of the Eldorado-Divide Soil and Water Conservation District in their regular monthly meeting Thursday, November 21, decided to go ahead with plans to buy District signs to be put out on the San Angelo, Menard, Sonora, and Big Lake highways. The signs are to be three feet by five feet in size and on one side will read, "Entering Eldorado-Divide Soil and Water Conservation District" and on the other side "Leaving" . . .

In their meeting Thursday they also approved their 1968 Annual Report. This is a report that Supervisors make each year to the Secretary of Agriculture and other interested parties telling them of the accomplishments of District during the year.

At the Thursday meeting they also approved a conservation plan for the James L. Powell Ranch on 11,809 acres. They also discussed the Fort Worth Press Awards program for 1969. This District has participated in this program each year since it began some 24 years ago. Supervisors would like to encourage local youth to enter the Fort Worth Press essay contest and try their skill at winning a \$200 first prize or one of 50 trophies and medals.

At the conclusion of their meeting the Supervisors discussed auditing of their books. Chairman Voy Lee Butts asked George Humphrey, vice-chairman, if he would make

some contacts and see who the district could get to audit their books this year. —Rep.
