Second Wrestling Match To Be Sponsored By JC's

Jaycee President

RONY KERR

The Junior Chamber of Commerce has been active since their organization several months ago. "We don't have much money," Kerr said, but they have been able to recruit a great deal of volunteer labor for civic causes.

One of their projects has been cleaning up unsightly vacant lots. They are also pledged to clean and paint the iron work around the new roping arena. Another job they have in mind is rebuilding the Scout Hall, in which they hope to receive the aid of several other civic organizations.

Regular Meetings

Under the chairmanship of their president the Jaycees are having regular meetings each 1st and 3rd Thursday night, and their executive board meets each 2nd and 4th Thursday night—4 meetings a month!

They now have the use of the O. E. O. building (rock station) as their regular meeting place.

Officers are:

President Rony Kerr
1st Vice-Pres. John Meador
2nd Vice-Pres. Glynn Hill
Sec. - Treas. C. F. Dacy
Directors: Ronnie Mittel, Sam Darnheim, Jackie Heffernan, and Mike Moore.

At the present time there are 29 dues-paying members. Dues are \$12 per year.

Little League Reports

Although the White Sox came up with some great fielding, including 3 double plays, the Red Sox outscored them 8 to 3 to win the game Tuesday night. Gary Roberts was the winning pitcher while Eirian Maya and David Haynes pitched for the White Sox.

The game between the Tigers and the Cougars was called at the end of 3 innings so they will have to make this game up later if it is needed.

Friday night, June 6, the Tigers defeated the White Sox by the score of 2-1. Jimmy Bosmans and Forrest Henderson pitched for the Tigers. Billy Donaldson went for the White Sox.

The Red Sox traveled to Christoval and lost to the Cougars 6-4 after a hard fought game. David Martinez pitched for the Red Sox while Brazel and Torres went for the Cougars. Dale Storie hit a home run for the Red Sox.

The Minor Leaguers played Friday in Christoval, too. Christoval won 13-10. David Hill and John Cheatham pitched for Eldorado.

Game Schedule:

June 13, Wh. Sox vs. Red Sox, 8:30**
Tigers vs. Christoval, 8:30
June 17, Tigers vs. Wh. Sox, 6:30
Christoval vs. Red Sox, 8:30

Tigers vs. Christoval, 8:30*
*Minor League games in Christoval at 6:30.
**Minor League games in Eldorado at 6:30.
Tournament July 3-4-5
Playoffs (if needed): July 8-10-11.

A report last week from Rony Kerr, president of the Junior Chamber of Commerce, revealed that the Jaycees have already made arrangements with the Abilene Wrestling Club, for a return wrestling match to be staged here.

According to Mr. Kerr, arrangements have been made with the school authorities for staging the match on the football field, and the date is next Tuesday night June 17th.

The last match was held in the old gymnasium which proved to be far too small to hold the crowd. Next Tuesday's plan calls for the wrestling ring to be set up close to the "home" side of the football field and spectators will be seated in the high school bleachers, a certain section of which will be designated as "ringside" and reserved. There will be no chairs placed out on the field. Bleachers have a capacity of at least 1,000 and will have the advantage of excellent lights.

Club president Kerr has appointed Lynn Meador as chairman of arrangements for this event, along with co-chairman Pat Wester in an advisory capacity.

The Card

At the time this article was prepared all the events on Tuesday's card had not been determined, but Don Slatton of Abilene promised that popular Rickey Romero would be on the card and he would go against "mad dog" Harley Race.

Mad Dog Race is the meanest and most ruthless wrestler ever to come to Texas and is just about unbeatable. But he will have his work cut out for him at the football stadium next week when he meets the most popular wrestler ever to come out of Old Mexico, Rapid Ricky Romero.

The semi-final will be a tag-team. The Lawman and Jerry Kozak will be going against big Art Nelson and Buddy Colt. The Lawman was a big hit here last time. This time he will have as hit partner another fast and exciting wrestler, Jerry the giant killer, Kozak, and they will have to be giant killers Friday night when they meet two giants, Buddy Colt and big Art Nelson. Buddy Colt is presently the North American Champion. Both he and Art Nelson are two of the stoutest and most muscular wrestlers of today.

There will also be another great match on this card.

For reserved seat tickets go by Sheppard & Dannheim used car lot or phone 853-2975. Reserved seats \$2.00; general adm. \$1.50; and kids under 12, \$1.00.

Recuperating

Mrs. J. Tom Williams, who underwent major surgery in San Angelo, was brought to the home of her son, Frank, to convalesce here in Eldorado.

Mr. and Mrs. Brock and family of Fort Worth are spending the week here, while Ann is helping to care for her mother.

Mr. and Mrs. Harold Williams and family came Friday to visit Mrs. J. Tom Williams and other relatives. Also Mr. and Mrs. David Williams and family of Amarillo came Saturday to visit Mrs. J. Tom Williams and other relatives.

Mrs. Dub Davis and children of Abilene spent the week end with her parents, Mr. and Mrs. Cecil Williams.

Post Script

DAVID AND HIS LIVEOAK

Several months ago the Schleicher County Hospital District board of directors persuaded Jim Thornton to come up with a master plan for landscaping of the grounds. These plans included a specified place for ten live oak trees plus other trees, shrubs and lawns. These plans were submitted to several nurseries and Scherz Nursery was awarded the contract.

In the meantime, David Meador, a local lover of liveoaks, offered to provide the ten live oak trees. The picture above shows David beside the first and largest of the ten live oaks which is planted in the center of the hospital patio. The other nine, which are smaller, are also in place.

David is the son of John Meador, Sr., who operates an oil field service company under the name of C. C. Lease.

David's interest in horticulture and such things as live oak trees was evidenced a year ago when he donated trees to the Eldorado school grounds.

David has served his active hitch in the Marine Corps and is now a Reservist. He previously was active in Explorer Scout and Boy Scout work.

Several weeks ago in this column, I reported that as a tax payer I felt somewhat guilty for the death of 18-year-old Joe Lozano who drowned in an unsupervised tank, and wondered if something could be done to provide free swimming lessons for the underprivileged.

We have since received the following letter from a former Eldoradoan at Austin, Texas:

Dear Mr. Gunstead:

I am not a tax-paying citizen of Schleicher county, but would like to applaud the enclosed comments by you which appeared in last week's Post Script column of the Success. I would also like to pledge \$25.00 in the event that funds are sought to implement your suggestion concerning the swimming classes.

Sincerely yours,
Jerry Blaylock

Miss Blaylock is now connected with the School of Nursing of The University of Texas.

New Pastor On Job At United Methodist Church

REV. BOBBY PALMOS

Now on the job as new pastor of the First United Methodist Church here in Eldorado is the Rev. Bobby Palmos, who moved here last Thursday with his family from Robert Lee, where he served for two years as pastor.

The Palmos family have been busy this week getting settled in the parsonage.

The eldest Palmos boy is Charles who is seven years old and will be in the second grade in school this coming year. There are two other boys, ages two years and five months.

In Robert Lee, Rev. Palmos was a member of the Lions Club and The American Legion.

Riding Club Members Pitch in On Roping Arena Painting Job

About 25 members of the Eldorado Riding Club converged on the new roping arena Tuesday night with an array of steel brushes, and cleaned all the pipe and then followed up with paint brushes and applied a seal coat of red paint until darkness halted the work.

There is still more seal coat painting to be done and the group has agreed to work again Thursday (today) afternoon to finish that phase of the job.

Tuesday night's work force included men, women and children, all working with enthusiasm.

Riding Club members invite everyone interested in the arena to join them Thursday afternoon for another work session to finish the job. Mrs. Tucker Clark, reporter for the club, says, "Come on out and bring your paint brushes."

The Bear Hunt

There is—or was—a live wild bear in the county!

He was seen either Saturday or Sunday.

John Ray Powell saw it. Jimmy Belk saw it.

And Norm Roberts saw it—somewhere out on the Elizabeth Powell ranch—and by Monday a full scale bear hunt was in progress.

Mrs. Powell said there were at least 21 men scouring the ranch Monday with the help of a helicopter. Local law officers, game wardens, Department of Public Safety officials and other eager volunteers were all in on the hunt.

Report Monday was that the animal probably weighed between 150 and 200 pounds. Tuesday someone said he heard it weighed between 300 and 400 pounds.

The hunt continued Monday and through Tuesday. A report from the Sheriff's office declared that the hunt would be called off if the animal was not discovered by Tuesday night.

In the meantime here are some opinions expressed on the street:

"I just hope the poor bear gets away and returns to Old Mexico!"

"Why do they want to shoot the bear? They don't bother anyone?"

"I wish they could capture the bear alive and keep him somewhere!!"

Dick Bearce Sustains Major Heart Attack

W. R. (Dick) Bearce, lifelong resident and former County Judge, remains in intensive care ward in Shannon hospital this week following a massive heart block here Friday evening when he was rushed to the Local Medical Center.

He was given emergency treatment here, including the use of a portable pace maker, for several hours until he was able to be moved by ambulance to Shannon several hours after midnight.

Heart specialist Dr. Gabe Coleman at the Shannon expressed himself Tuesday as being "cautiously optimistic" for Bearce's recovery, and was lavish in his praise of Dr. Brame and the emergency facilities provided in Eldorado.

At press time he remained in intensive care with no visitors allowed. His family are allowed to see him only at certain intervals.

Serving as County Judge until 1968, Bearce in recent months has been director of the local office of the O.E.O.

Dyer Gas Well Appears To Be Good

The Tucker No. 1 Dyer, two miles east of town, appears to be a producer but information about it still is tight.

A report on the street is that the well is good for 5 million cubic feet a day, but that is unconfirmed.

Everyone is hoping that it will open up a new field.

Faculty Resignations Accepted Monday

School Supt. C. T. Humphries reported that the school trustees had their regular meeting Monday night and accepted the following resignations from faculty members:

Mrs. Virginia Vaughan, 3rd grade;

Mrs. Sandra Helmers, 4th grade; Mrs. Wandalene Hentschel, English & Spanish;

Mrs. Jo Ann Salter, Commercial & English;

Glynn D. Hill, Voc. Agriculture; Allan Dinsmore, Speech & Social Studies.

In addition, the trustees last year adopted a mandatory retirement age of 65 for faculty members. So three faculty members set for retirement will be Mrs. Mattie Royster, Mrs. Corinne Robinson, and Miss Jewel Shelton.

Also resigning was H. W. Scott, who served the past 6 years as maintenance foreman of the school plant. He and Mrs. Scott are moving to Georgetown where he has accepted a job as warehouse foreman for Bunk Wade.

Lions Meet And Plan Ladies Night Next Week

Boss Lion C. T. Humphries presided at the meeting yesterday of the Eldorado Lions Club, and plans were announced for the ladies night set for next week at which time officers for the 1969-70 year will be installed. The event is set night of June 19 starting at 8:00.

Lion A. E. Prusel of Sonora will be the installing officer. The meeting will also feature some other entertainment.

The telephone committee will be at work Monday to call all Lions members and determine how many will attend the ladies night. This committee consists of Lions L. D. Mund, Bruce Fairman, Elton McGinnis, Phil Gison and R. V. Sheppard.

There will be several Lions on hand next Thursday to set up the tables and chairs under direction of Lion L. D. Mund. Doug Yates will have charge of decorations.

Lion A. G. McCormack reported that it is still planned for several from here to attend the combined district and state convention coming up this week end in Big Spring.

Vickie Jones will enter the district queen's contest as nominee from the local club. She was in Iran last week end for the contest there.

The only guests were Bobby Palmos, new pastor of the United Methodist church, and Carl Spence of Palo Alto, Cal., grandson of Lion T. R. Spence.

The club will not meet next week, the day before the ladies night. The next regular meeting will be on Wednesday, June 25.

Receive Scholarships To Angelo State University

ELAINE DEMPSEY

RICHARD KEEL

San Angelo, Texas.—Two 1969 graduates of Schleicher County High School, Eldorado, have been awarded academic scholarships by Angelo State University in recognition of their scholastic attainments, Dr. Lloyd D. Vincent, ASU president, has announced.

They are Elaine Dempsey and Ben Richard Keel. Both have been members of the National Honor Society as high school students. Keel is the son of Mr. and Mrs. Ben R. Keel of Eldorado.

Miss Dempsey is the daughter of Mr. and Mrs. Tom M. Dempsey, also of Eldorado.

Ace Manufacturing Has Operations Under Way

AL LICHNOVSKY, president of the Ace Camper manufacturing firm here, is shown cutting a piece of lumber on a band saw. The firm is presently operating in the Enochs building near the waterworks.

LICHNOVSKY is shown with one of the trailers he built a while back. He loaned this trailer to a friend who made a trip to Alaska and back in it.

PART OF the initial shipment of campers turned out last week is shown loaded for shipping to East Texas for sale. The Ace firm had 11 of these consigned to Corpus Christi and last week had five men at work in the shop.

W. R. Bearce Receives Recognition Certificate

W. R. (Dick) Bearce was the recipient of a certificate of recognition for excellence in grazing management of rangelands at the District Supervisors meeting held last Friday, June 6, 1969.

Bill Rountree, District Conservationist of the Soil Conservation Service, assisting this District, made the presentation.

In making the presentation, Mr. Rountree pointed out that this certificate was presented by the American Society of Range Management, Texas Section. There were only 43 such certificates presented in the entire state of Texas. It is a rather unique and singular commendation coming from such an organization.

commended and congratulated for carrying out excellent grazing management and for gaining and having good knowledge of the principles concerning soil, water, plants and grazing animals. The knowledge he has of these principles has been used in deciding how and when to graze or rest his range forage crop to achieve conservation of his basic resources, the soil, water and plants. Dick has a good understanding that sound grazing management, consistently applied, is the most important phase of range management in that success of all other practices depends on it, as does range improvement and success in ranching, Bill said.

Guy Whitaker is in Austin this week to attend a conference of Secondary School Principals.

Smith Sets Reception For June 19 In Austin

GOV. PRESTON SMITH

Gov. Preston Smith announced today that every resident of the 25th and 29th Senatorial districts, represented by Senators W. E. Snelson and Joe Christie, will be invited to a reception in the Governor's Mansion on Thursday, June 19th.

The governor is holding a series of "Open-Mansion" get-togethers which will eventually include open invitations to every Texan.

"We have opened the door of the Governor's Office in the Capitol Building for any and all who want to visit with us," said Gov. Smith. "We now want to open the doors of the Governor's Mansion and give every Texan an opportunity to come visit with us there."

"I and I are looking forward to seeing our friends from all over the state as well as making new friends at these get-togethers."

"It is my firm belief that when the people know that they can talk to their governor, they can be much more responsive to their duties as citizens in a democracy," said Gov. Smith.

Citizens of the 25th and 29th Senatorial Districts, will be hosted on Thursday, June 19, from 5:00 to 7:00 p.m.

Major and Mrs. John Nikolauk and boys, Mike, Bill, Mark and Brett of Tampa, Fla., arrived in Eldorado Friday. Major Nikolauk left for Africa Sunday where he will be for the next month. He will return to Eldorado for a visit before the family returns to Tampa.

Attend Wedding

Board of Supervisors of the Eldorado-Divide S.C.D.
Voy Lee Butts Chairman
George Humphrey Vice-Chairman
Walter C. Pope III Secretary
Otis Deal Member
Milton Rathbone Member

The Board of Supervisors of the Eldorado-Divide Soil and Water Conservation District, in their regular monthly meeting, Friday, June 6, approved a conservation plan on one farm and assigned two Great Plains applications to medium priority on 13,158 acres.

The approved conservation plan makes a total of some 327 such plans as having been approved in the District to date. They represent the intentions of the owners or operators to conserve as much soil and water as possible, in an effort to produce the maximum pounds of beef, lamb and other food and fiber crops. Each plan is based on the physical factors of the farm or ranch, such as soils, slopes, and conditions of pastures, correlated with the operator's own methods and his knowledge of the farm or ranch. Each plan contains maps showing fences, acreage by fields, slope and erosion, kinds of soils, range condition, and other factors which will help the operator analyze his places and apply proper conservation measures.

The two Great Plains applications represent some 51 applications on approximately 134,170 acres in the District. These applications just mean that the producers are interested in developing a farm or ranch plan which is to be submitted to the local Soil Conservation Service office for the purpose of obtaining a Great Plains Conservation Program Contract. The application does not obligate the producer to enter into a contract under the Great Plains Conservation Program. The two applications were assigned to medium priority which means the operating units having vegetative and management problems on rangeland with slight erosion.

Smith has expressed some disapproval of at least two of the revenue measures—a Department of Public Safety fund transfer and a \$10 optional building use fee on students.

Smith is receiving many complaints about the appropriations bill as passed by the Legislature. College people are unhappy because funds for organized research were reduced.

Not enough money was put into the budget for the schools for mentally retarded children and for the new community mental health-retardation centers, according to the Texas Association for Retarded Children.

Joe Day Jr., president of the association, objected because the bill provided money for planning a new state school in the Houston area while the Board for Mental Health and Mental Retardation had requested that new schools be built at El Paso, the Rio Grande Valley and Northeast Texas.

A last-minute change also reduced the allocation for air pollution control work by \$60,000 a year. Lt. Gov. Ben Barnes hopes that the governor will let the appropriations bill become law. He thinks that a year's wait will show that "a lot" of taxes will be needed then than if the Legislature levied them this year.

Courts Speak
Reversing itself, the State Supreme Court ordered a new trial in a Houston-Pasadena land annexation dispute which dates back to 1965 overlapping annexation ordinances of the two cities.

In other recent action the Court: —Reversed an \$11,500 damage verdict against Coca-Cola bottlers in a Pittsburg, Texas suit by a woman claiming injuries when a bottle exploded.

—Concluded that a Lubbock woman could not claim she was entitled to full widow's benefits since divorce proceedings were in progress though not finally settled when her ex-husband died.

—Turned down a Fort Worth minister's claim that he had a lifetime contract as Mt. Zion Missionary Baptist Church pastor.

—Held that producing and selling state aggregate products is not liable for sales taxes on transportation costs of moving material from plant site to delivery point.

—Stood firm against appeal of a Port Arthur widow who claimed a Houston law firm got her to sign an agreement for its service in a damage suit while she was still in a state of shock over her husband's death.

—Refused to disturb a Third Court of Civil Appeals ruling on condemnation proceedings involving mineral and oil rights for the Robert Lee Reservoir despite the attorney general's charge that it will vastly increase the cost of reservoir and highway development in the state.

Attorney General Rules
An elected criminal district judge cannot be a member of a county hospital district board of managers without waiving his right to state compensation, says Atty. Gen. Crawford Martin. A specialized motor carrier means any of a variety of vehicles as defined in Texas statutes, just those certified by the State Rail-

road Commission said Martin in another opinion. He also defined "base municipality" as referred to in transportation statutes as "any municipality to which other municipalities are immediately contiguous."

Treasurer Jesse James asked Martin to rule on the constitutionality of giving cigarette tax stamp purchasers 15 days to pay. (They are now on cash basis). Decision bears on whether revenue is available for teacher-pay raises.

Formation of non-profit food cooperatives of ultimate consumers does not violate Texas anti-trust statutes, Martin concluded.

Education
Members of the Coordinating Board for State Colleges and Universities decided to wait until its next meeting to take action on a request by Texas A&M to expand its forestry program into a full undergraduate-graduate program.

Board gave El Paso permission to go ahead with its junior college election. Sen. Joe Christie, head of the college steering committee, made the final presentation to the board—and got a nod from the members and a congratulatory handshake from Chairman Tom Sealy.

Consideration of a common calendar for all state-supported colleges was put off until the next meeting.

Short Snorts . . .
Senators selected as their interim president pro tempore Sen. Murray Watson Jr. of Waco, a 36-year-old veteran with 16 years legislative service.

Republican party leaders will meet here on June 30 to select a new state chairman to replace Peter O'Donnell Jr. (who becomes Texas National Committeeman) and vice chairman Virginia Streeter who is resigning.

Texas leads the nation in snake bite fatalities, according to the Parks and Wildlife Department.

Twenty-nine applications to sell \$19,241,177 in securities in Texas has been filed with the State Securities Board and four applications to sell \$9,393,996 in securities in the state have been granted by the board.

New state bank charters are sought in Lovelady and Texas City.

Methodist Notes
Rev. Bobby Palmos will be at Mt. Wesley in Kerrville Friday and Saturday for a meeting of the District Staffs of the San Angelo, Kerrville, and Austin districts of the United Methodist Church.

There will be a covered dish dinner Wednesday evening, June 18, at 7:00 to honor the Rev. and Mrs. Bobby Palmos and family. All members are urged to come and get acquainted.

PAR-TEE
Bride Winners on June 5th were as follows:
1st, Zelia Baker and Eva McLaughlin.
2nd, Sara Hall and Elnora Love.
3rd, Frankie Williams and Velma DeLong.

Duplicate Bridge club will meet today—Thursday, June 12th.

Winners of the Mixed Team Play Sunday were:
1st, Jack Hext, A. G. McCormack, Pat Wester and Rose Doyle.
2nd, tie between the team of Tiny Godwin, E. T. Calk, Charlie Hahn, Mary Waldron and the team of Granvil Hext, John Pitts, Ralph Waldron, Nell Wester.

The next mixed team play is June 22.

Congratulations to Vernon Rogers for winning the 1st flight in the Shamrock invitational tournament last week end.

Be sure to sign up for the Mixed Team Tournament which begins on June 23. This tournament is open to all players. Each team will be composed of 2 men and 1 woman (women will use handicap) and will be Low Ball for 54 holes. The entry fee is \$2.00 for club members and \$4.00 for non-club members (this \$4.00 includes green fees), and must be paid by June 21st. A sign up sheet will be in the club house and one on the outside bulletin board.

Several of the women are planning to play to Llano's one day play on Tuesday June 24 if you are interested in going, please contact Mary Robinson or Ernestine Hext in the next few days as entries must be in prior to June 22.

It seems that several of the women have been beating their husbands (on the golf course that is). I know none of the men will admit it but seems to me men should let their wives win occasionally just to keep them in a good humor and "cooking those good meals" every day.

Few of us get dizzy doing good turns.

Miss Pina, Mr. Cardona, Married Here Saturday

Miss Ernestine Cardona Pina and Richard V. Torres of Freeport were married Saturday in Our Lady of Guadalupe Catholic Church here with the Rev. Michael Fernandez of Sonora officiating.

Parents of the couple are Mr. and Mrs. Santos Pina and Mr. and Mrs. Julio Torres of San Angelo. Arnold Gutierrez of San Angelo, organist, provided wedding music.

Miss Martha Elena Torres and Mrs. Roberto Torres, both of San Angelo, were maid and matron of honor. Flower girl was Claudia Roxanne Pina. Junior attendants were Josie Torres, Berta Torres, Bernice Ybarra, Gloria Torres, Roselinda Garcia, Sylvia Ornelas, Melva Rios, Mary Lou Vasquez, Alice Olveda, Ema Benavides, Julia Caballero and Mary Lou Guerra, all of San Angelo.

Also Estella Grace Cardona of Odessa, Linda Parra and Ernestine Torres of Knickerbocker, Linda Munoz of Sterling City, Ernest Vasquez, Edwina Robledo and Rosa Rodriguez.

Best man was Roberto Torres of San Angelo. Ushers were Victor Belman and Felipe Pina. Junior attendants were Anastacio Villarreal, Tommy Alcalá and Jaime Flores, of Sonora, Richard Dominguez, Charles Menjares, Stephen Montana, Fernando Martinez, Arthur Casares and Arthur Cuellar.

Also Joe Muzquiz, Mike Torres, Ruben Santellano, Santos Pina Jr., Hubert Hernandez, Rudy Garcia, Johnny Rodriguez, Helidoro Sanchez, Fernando Rodriguez and Harvey Martinez. Mr. and Mrs. Pete Samaniego Jr. of Sonora were ring bearers. Train carriers were Billy Joe Pina and Marv Ann Pina.

A graduate of Eldorado High School, the bride attended Angelo State University. She has been employed as secretary for Tom Green County Community Action Council.

The bridegroom is an honor graduate of Water Valley High School and also attended ASU. He is employed in Freeport, where the couple will live after a wedding trip.

A reception was held in the bride's home after the ceremony.

Miss Joan Fisher Becomes Bride Of Tony Clark Last Saturday Evening

MR. AND MRS. TONY ALLEN CLARK

Miss Joan Fisher, daughter of Mr. and Mrs. Billy Fisher of Utopia, became the bride of Tony Allen Clark, son of Mr. and Mrs. A. A. Clark of Eldorado, in a double ring ceremony at eight o'clock Saturday evening, June 7, in the Utopia United Methodist Church. Rev. Charle T. Hardt officiated.

Duane Smart of Boerne and Kent Leighton of Utopia lighted candles. Mrs. Jack Matthews, organist, accompanied Linda Burk of San Antonio as she sang "One Hand, One Heart" and "The Lord's Prayer."

Given in marriage by her father, the bride wore a white gown of silk organza over taffeta. Flower appliques of re-embroidered alencon lace accented the fitted bodice, the skirt, and the chapel length train. Long sleeves tapered to classic points and her veil was elbow length. The bride's bouquet consisted of daisies and stephanotis surrounding a center orchid corsage.

Miss Kathy Fisher, sister of the bride, was maid of honor. Bridesmaids were Miss Betsy Langford of Bandera and Miss Sandee Lofton of San Antonio. They were identically attired in floor length dresses of yellow dotted swiss and wore lace hats. They carried baskets of white and yellow daisies.

Chris McCravey of Eldorado was best man, and groomsmen were Mickie Clark, brother of the groom, and Sam Henderson, both of Eldorado. Ushering were Kent Leighton of Utopia, Bill Leighton of Utopia, Duane Smart of Boerne, and Richard Causey of San Marcos.

Miss Betty Ann Fisher was flower girl, and Bill Sterling Fisher escorted her.

A reception on the church lawn was held immediately following the ceremony. Mrs. Diane Causey, sister of the bride, registered the guests. Serving at the reception

were Miss Ruth Ann Preston of Utopia, Miss Lil Lunsford of Beeville, Mrs. Karen Henderson of Eldorado, and Mrs. Sandra Payne of Pleasanton. Misses Betty Ann Fisher and Lori Williams handed out rice bags.

After a wedding trip to Ruidoso, New Mexico, the couple will be living in Ft. Bragg, North Carolina, where the groom will be stationed until his discharge in November. He is a sergeant in the United States Army and returned May 15 from a 12-months' tour of duty in South Vietnam.

The bride is a junior mathematics major at Southwest Texas State College at San Marcos.

JIMMY MARTIN

Jimmy Martin, son of Mr. and Mrs. Jim Martin, was selected to receive the Lone Star Farmer degree this year. Jimmy has a good record of participation in both judging contest and his project program in FFA work.

Home Demonstration Agent's Column
By MRS. VIDA KREKLOW

Last week a friend told me of a telephone call which came to her from Odessa. She said that she did not get the full details of the offer that the woman caller made but that it had to do with magazine subscriptions and that it sounds pretty good. She went on to add that she did not subscribe for any of the publications since her family had more than they could read already.

I had almost forgotten it but last winter I had a similar call, at the office. As I answered the phone I happened to have a pencil in my hand. The great bargain was explained and as a figure was quoted I asked that it be repeated.

The upshot of the whole affair was this—there were no bargains, and had a consented to become a subscriber I could have been putting out a lot of money for magazines.

It all sounded so simple and so cheap and after all it was a special offer but for a limited time. The cost was going to be only 50 cents a week. Good enough. I quickly figured that the price would be \$26 per year. The contract would run for 5 years. The total was going to amount to \$130.

I thanked my caller and told her that the \$130 seemed like a lot of

money for a cut rate magazine subscription.

Moral to the story: Do NOT buy anything over the telephone, don't sign on the dotted line and beware of the bargain sellers. A good bargain is a some time thing and pretty hard to find these days.

Gardens are at their beginning peaks and new potatoes and snap beans are to be found on nearly everybodys table in the county.

For a bit of variety try some of these simple but very good methods of vegetable cookery.

Savory Carrots

Mix 4 cups coarsely shredded carrots with 1/2 cup minced onions, 2 tablespoons water, 2 tablespoons oleo, butter or bacon fat, 1 teaspoon salt, 2 teaspoons sugar, and 1/4 teaspoon celery salt. Bake covered at 350 degrees F., for 45 minutes, or until tender. Celery salt may be left out.

Sweet-Sour Green Beans

Brown until crisp 2 strips bacon. 1 cup chopped onion cooked in bacon fat until creamy transparent. Stir in 1 tablespoon flour. Mix well and add; 3/4 cup liquid from cooking beans, 1/4 cup vinegar, 2 tablespoons sugar, 1/2 teaspoon salt, 1/4 teaspoon pepper. Bring this mixture to a boil and stir in 2 cups cooked green beans. Stir gently until beans are heated through. Sprinkle crisp bacon bits on top.

Beets In Orange Sauce

2 tablespoons butter
2 tablespoons flour
3/4 cup water
1 teaspoon grated orange rind
3/4 cup orange juice
1/4 teaspoon salt
2 tablespoons sugar
3 cups diced cooked beets. Melt butter, stir in flour and add water slowly. Add orange rind and orange juice, salt and sugar. Cook until smooth and thickened stirring as mixture cooks. Add beets, heat thoroughly and serve hot. Serves 6 to 8.

Cheese Onion Bake

6 cups thinly sliced onion rings
1/4 cup margarine or butter
1/4 cup flour
2 cups milk

1/2 teaspoon salt
2 cups grated sharp cheese. Place onion rings in ungreased casserole. Melt butter in saucepan; blend in flour. Gradually stir in milk. Cook, stirring constantly until thick. Stir in salt and cheese. Pour over onions. Bake uncovered at 325 F. for one hour or until onions are tender. Serves 6.

And—try these tastes on for size, cooked . . .

Coat new potatoes with melted butter and chopped dill leaves. Melt 1/4 cup butter or oleo, in small pan and add juice of one

lemon. Good on carrots, beets, cauliflower and many other vegetables. Coat cooked, new potatoes with butter and chopped parsley. Add chopped mint to buttered carrots.

Glorified Butters For Vegetables
Onion butter, add 2 tablespoons chopped green onions to 1/4 cup melted butter.

Cheese butter, add 2 tablespoons Parmesan cheese to 1/4 cup melted butter.

Garlic butter, add to 1/4 cup melted butter one small garlic bud, peeled and but in half.

They Can Laugh Now

Marine Capt. David W. Clark shows how close his F-9 Cougar was to a private plane piloted by James D. Fox, right, during an air rescue operation recently 10,000 feet above Austin, Tex. Fox, a pilot for Humble Oil & Refining Company, was descending through a heavy cloud layer for a routine landing when the airport control tower radioed that a military plane had lost its navigational equipment and needed assistance. Fox went back up, located the disabled plane, skillfully positioned his wing tip under the Cougar's and led the craft to a safe landing. At U.S. Navy ceremonies later at Beeville, Tex., Fox was credited with saving the \$2 million jet fighter and possibly the lives of the two military pilots.

Miss Doyle Engaged To Allen Bishop

JOAN DOYLE

Mr. and Mrs. Kenneth G. Doyle have announced the engagement of their daughter, Miss Joan Doyle, to Allen Bishop, son of Mr. and Mrs. Garland R. Bishop of San Angelo.

The couple are planning a Sept. 20 wedding in the First Baptist church.

The bride-elect is a graduate of Eldorado High School and is a senior student at Angelo State University. A member of Lambda Tau Sorority, she has been a twirler for the ASU band for three years.

Her fiance is a graduate of San Angelo Central High School. A junior at ASU, he is a vice president of Delta Sigma Professional Business Fraternity.

CLAY MEADOR

Clay Meador, son of Mrs. Bebe Meador, won the Area II Sheep and Goat Raisers Assn. Award at the area convention June 2 and 3 at Lamesa. He also was 1st runner-up Star Lone Star Farmer, 1st runner up Livestock Proficiency Award, and 1st runner-up of the Texas Southern Cattle Raisers award. He will compete for the State Sheep and Goat Raiser's Award.

Clay won the awards above for his record of an outstanding supervised project program and his participation in the FFA program.

HYMAN SAUER

Hyman Sauer, son of Mr. and Mrs. Edgar Sauer, was selected to receive the Lone Star Farmer degree in FFA this year. Hyman has had an outstanding record in the FFA judging program and has had a good project program during his four years of FFA work.

COUNTY AGENT'S COLUMN

by Jimmy Godwin

Schleicher County Agricultural Agent

The season of water sports is at hand and it is reflected in the number of accidents being reported. Boating and other water sports can be fun, relaxing and safe when conducted according to water safety suggestions.

Though we have a boat safety law, boaters do not always take the time to become familiar with its provisions. One mistake in a boat can mean big trouble or even a disaster.

Here are suggestions for making water sports safer. Never overload a boat with passengers. It has a rated capacity which should always be observed. Always have an extra paddle or oar in the boat in case one is broken or lost. Before leaving shore, ask an informed person about hazards in the lake or stream. Wear clothing and shoes which can easily be removed in case the boat sinks or capsizes. Have an approved life preserver available for every passenger and see that it is worn. If a motor is used, make certain it is the proper size and horsepower for the boat. Be as cautious when steering the boat as when steering a car. Learn and observe the rules of water safety such as speed limits, yielding the right-of-way and forbidden zones.

Never stand in a small boat. Wear clothing which will protect against sunburn. Water reflects sunshine and never go boating when winds are high or severe weather warnings are out.

A wise man will make more opportunities than he finds.

Cattle grubs cost the Texas livestock industry several million dollars each year. Losses to this pest are an important problem in Schleicher county.

Losses occur at all levels in the production and marketing chain. The cow-calf producer is concerned about the reduced milk production by mother cows and resulting reduced weaning weights of calves. The feeder suffers profit losses as a result of reduced gains and a lowered market price for grubby animals. The packer who buys and

slaughters grubby animals realizes hide losses, carcass trim, increased handling costs and lowered carcass value. Consequently, cattle grub control deserves the attention of the entire beef cattle industry.

Cattle grubs can be effectively controlled through the proper use of systemic insecticides. Depending upon the operation, systemics can be administered as dips, sprays, backline pour-ons, mineral mixes or feed additives. Cost of these treatments vary with the method and chemical selected, but generally ranges less than 50 cents per animal in most instances.

Available to producers is a complete listing of chemicals and methods of treatment for systemic cattle grub control. Beef cattle producers can call or drop by my office for the recommendations.

Before purchasing and applying livestock insecticides, read the label and pay particular attention to precautions and restrictions listed. Observe strictly the slaughter intervals as clearly stated on the label, as well as other precautions.

Happiness must be achieved, freedom must be won, and faith must be sought.

There is no need to turn the home and lawn over to ants this summer. These pests can be effectively controlled.

Chlordane and dieldrin are among the most effective insecticides for use against ants. They should be applied along window and door sills, foundation cracks, baseboards and other runways used by ants.

Find and destroy the nests. They may be behind walls, in closets, in furniture and other dark, undisturbed places.

Inside the home ants can be controlled by applying 2-3 per cent chlordane or .5 percent dieldrin sprays. These materials may also be applied with a brush. Repeat the application if needed.

Outside the home apply a band of insecticidal dust or spray around the foundation wall and treat all nests in the yard. A 10% chlordane, 2% dieldrin or 5% heptachlor dust is effective. Granular formulations of these materials are also available and are convenient to use.

The county agent says to be sure and follow the directions given on the label of the insecticide container because pets and humans can be affected. Detailed information on controlling household insects is available for the asking at my office.

Today is the tomorrow you worried about yesterday.

'Amalgamation' Of Races Is Deplored

By Congressman O. C. Fisher

Adam Powell, who a little more than two years ago was denied a seat in Congress after a committee found he had misapplied \$40,000 of federal money which had been entrusted to him as chairman of a committee, was in his glory at the Washington National Cathedral last week where his son, Adam III, was married to a descendent of Miles Standish, a Miss Beryl Slocum. The match had the blessing of the bride's wealthy parents, the John Slocums.

The papers reported that the elder Adam stole the show, surrounded by Drew Pearson, diplomats and tittering socialites. One guest, according to a reporter, was Mrs. Hugh D. Auchincloss, who waited patiently for her chance to "pluck at Adam's robed sleeve and tell him she was the mother of the former Jacqueline Kennedy."

An observer suggested that maybe the Slocums, apparently proud of their new family connections, might just fork over the remaining amount the Harlem Congressman owes the American taxpayers.

This wedding served to focus attention on the trend toward amalgamation of the races, which some geneticists insist tends to downgrade the quality of the offspring.

It will be recalled that only a year ago a daughter of then Secretary of State Dean Rusk, amid raised eyebrows, married a Negro.

Another example of the trend was disclosed last Summer when a Washington Post columnist reported that Kathy Harris, daughter of a U. S. Senator from Oklahoma who is also Chairman of the Democratic National Committee, admitted she dated Negro boys, "and would marry one if she really loved him."

And so it goes. It's a matter of taste, there is consolation in the fact these are undoubtedly isolated instances. Pride of race should prevent many recurrences of this unfortunate trend.

Mercer Wins Silver Medal At State

JIMMY MERCER

More than 2,000 band students who had won individual Firsts in Class I competition in Regional University Interscholastic League Meets across the state earlier in the year, converged on the campus of the University of Texas Monday and Tuesday, June 2 and 3, for the Final Contest in Music for '69, the Texas State Solo-Ensemble Contest.

Jimmy Mercer, member of the Eldorado Eagle Band, was one of the 50 contenders in Baritone horn solos and won a 2nd place Silver Medal with his solo, "My Regards." He was salutatorian of the graduating class here in May and will attend Howard Payne College in Brownwood on a band scholarship with the Yellowjacket Band.

Karen Hight, who has played the piano accompaniment for Jimmy this year, also plays a French Horn in the Eagle Band. She will be a sophomore this fall.

Jimmy (only band contestant from this district entering the state meet, and one of only three Baritone contestants from Region VII) won a First on a Class I solo at the Regional Meet in Brownwood in March. Also winning at Regional Meet were Lisa Whitten who received a First on a Class II solo and Gail Robinson who won a First on a Class III Solo.

Delegate Attending Boys State In Austin

SAM M. OGLESBY

Austin, June 7.—The 29th annual American Legion Boys State sponsored by the Department of Texas and held on the Campus of the University of Texas got under way today as 750 high school boys from all parts of Texas began registration. Robert P. Walsh, Department Commander, announced.

Among those registering was Sam M. Oglesby of Eldorado. Sam is the son of Mr. and Mrs. Bob Oglesby and was sponsored by the Gey McCormick Post No. 257 of The American Legion. R. V. Shepard is currently commander of the local post.

Following registration, each citizen was assigned to one of two political parties—the Nationalist or Federalist. Each citizen then functions as a member of his party; he attends its precinct, county and state conventions and votes in its primary.

In Boys State, The American Legion provides the type of program where the young citizen has the opportunity to learn for himself that his government is just what he makes it. The boy "learns to do by doing."

Highlight of Boys State will be a trip to the Capitol on Friday morning where each elected Boys State Official will be given opportunity to serve in his respective office for a day, followed by the Governor's Ball Friday evening.

Boys State enrollment this year brings the total to 14,154 junior high school boys who have attended since 1940, when Boys State was first inaugurated in Texas.

Mrs. J. B. Montgomery had as guests over the week end Mr. and Mrs. Billy Edmiston and children of Midland, Mrs. Jack Montgomery and Scott and Dale of Angleton, and Mr. and Mrs. Joe B. Montgomery and two daughters of Boerne.

PERFECT PARTY CAKE MADE FROM A MIX

Mixes are miraculous. Take pound cake mix. Add orange rind. Substitute orange juice for part of the liquid. Fold in beaten egg whites. Bake it in a springform tube pan. Fill with fluffy lemon flavored sabayon. Dust with confectioners' sugar. And serve a light textured elegant golden cake quite different from rich pound cake.

CAKE

- 1 (1-pound, 1-ounce) package DROMEDARY Pound Cake Mix
- 1 tablespoon grated orange rind
- 1/2 cup milk
- 1/4 cup orange juice
- 4 egg whites
- 1/4 teaspoon cream of tartar
- Sabayon Filling
- Fresh fruit for garnish

Place pound cake mix and orange rind in small bowl of electric mixer. Add milk; blend until dry ingredients are moistened; beat 1 minute at medium-low speed. Add orange juice; blend; beat 1 minute at medium-low speed. Place egg whites in large bowl of mixer; add cream of tartar; beat until soft peaks form. Fold beaten egg whites gently into cake batter. Turn into greased and lightly floured 9-inch springform pan with a 3-inch tube in the center. Bake in a preheated slow (325° F.) oven for 40 to 45 minutes or until a cake tester inserted in center comes out clean. Cool in pan for 10 minutes. Turn cake out on rack; cool completely. About an hour before serving, dust the cake generously with confectioners' sugar; place on serving plate. Make up Sabayon Filling and spoon into center, placing any extra filling in a small serving bowl to offer

separately. Refrigerate 1/2 to 1 hour. Garnish with fresh fruit. NOTE: If the springform pan specified in recipe is not available, you may bake cake in a 9-inch angel cake pan or similar tube pan; filling may be served separately.

SABAYON FILLING

- 1/4 teaspoon unflavored gelatine
- 1 tablespoon cold water
- 4 egg yolks
- 1/4 cup sugar
- 1/4 cup fresh lemon juice
- 1/4 teaspoon vanilla

Softened gelatine in water; reserve. Place egg yolks and sugar in the top of a double boiler and beat with a rotary beater to blend. Gradually beat in lemon juice. Place over hot water and cook, beating constantly, until mixture foams up in the pan and thickens. This takes from 3 to 5 minutes—do not overcook. Remove from heat, but not from hot water. Beat in softened gelatin and vanilla. Transfer to a metal bowl. Cool quickly in ice water, stirring until quite cold.
