Workers To Be Interviewed For Approaching Census

County Republican Chairman Ford Oglesby Jr. reports that an organization for the approaching 1970 National Census is being set up for Schleicher county.

Oglesby reports that people wishing to work in this project should submit their names to him as candidates.

Some time early in March a meeting will be held here in Eldorado in which examinations will be given to the various candidates. Following that examination a crew of one crew leader and four helpers will be selected to do the census in this county.

A bulletin from the Census Bureau provides the following information:

Qualifications:

Applicants for Jobs as Census Takers must:

1. Be U. S. citizens, 18 or older, of good moral character.
2. Pass a written test demonstrating ability to understand printed instructions and to do simple arithmetic.
3. Be able to walk a lot, climb stairs, work on your feet, see and hear well.
4. Have a car and a phone available for your use.

Applicants May Not:

1. Engage in any form of political activities during the period employed.
2. Receive a pension as a former Federal Government employee or military officer.

Your Training:

Before you go to work, you will attend a training session where you will learn the use of census forms and techniques such as interviewing and map reading. Your crew leader will train you, assign your work, answer questions, and supervise and review your work.

When You Will Work:

Your job will start on April 1 and may last up to 3 to 5 weeks. You must be free to work at least 6 hours a day, at least 5 days a week. This will include some evening and Saturday work because some people are at home only during those times.

Your Duties:

When you have successfully completed your training, you will be assigned an "Enumeration District" which will be near where you live. You will be given a map of your district and the necessary materials to do your work. It will be your duty to visit each place where people live to check, and complete if necessary, the census form that was left these places by the mailman the last of March. At every fifth household you will interview a responsible member and fill out a longer census form.

Your Responsibilities:

If selected as a census taker, you must:

1. Carry out all assignments as directed and within the prescribed time schedules.
2. Take an oath to keep strictly confidential all census information.

Your Pay:

Most census takers will work on a piece-rate basis. Weekly earnings might range from \$80 to \$100 for a diligent and efficient worker. If a car is required for your assignment, you will be paid 9 cents a mile for official use. You will receive a fee for training if you accept a work assignment.

Make Application to:

Ford Oglesby, Jr., here in Eldorado.

OZONA WOMAN'S FORUM TO STAGE STYLE SHOW

Their 19th annual Style Show and Tea is being set for the Ozona Woman's Forum Saturday, February 28 at the Ozona Civic Center, starting at 3:00 p.m.

The theme for this year's show is "The Swinging Seventies" and proceeds will be used for area improvements.

SHE'S HOME AGAIN

Mrs. J. H. Emmons is at home since her recent hospitalization and surgery. She has been missed by her loved ones and many friends who rejoice in her return. Her sister, Miss Roberta Finklea of Amarillo, has been with her during her hospitalization and since returning home.

Post Script

Taking a census of all the inhabitants of a nation is something that has been going on for many centuries. In the Gospel of Luke the second chapter opens with these words:

"In those days a decree went out from Caesar Augustus that all the world should be enrolled. . . And all went to be enrolled, each to his own city. And Joseph also went up from the city of Nazareth, to Judea, to the city of David which is called Bethlehem. . . to be enrolled with Mary, his betrothed. . ."

Then if you want to go still farther back you can go to the Old Testament to the fourth book of Moses, commonly called Numbers:

"The Lord spoke to Moses in the wilderness of Sinai in the tent of the meeting, in the second year after they had come out of the land of Egypt, saying, 'Take a census of all the congregation of the people of Israel, by families, by fathers' houses, according to the number of names.'"

So you can see that this business of taking a census has been going on for a long time—several thousand years anyhow—so all countries, like our own, consider it very important.

The first United States census was taken in 1790, and apparently has continued every ten years since that time.

Recent magazine articles tell about some of the questions you must answer when the census enumerator calls on you. I've heard some people express indignation about some of the questions asked:

"I don't think it is any of the government's darn business how many bath tubs I have in my house!"

I couldn't care less about that question even though I live in a house that does not have two baths. I'm darned well satisfied with the one bath tub I've got as long as the drain line doesn't clog up.

But we all know the Government is breathing down our necks more and more all the time, Income tax, minimum wage—every year we have a give an account of our stewardship to "Big Brother" up there.

Actually I don't think the census enumerator will be asking you anything you haven't been asked before. So take it easy.

—ps—

Public Schools Week Approaches

It's time for America to proclaim its greatness, not murmur about its shortcomings. And, perhaps Texas will lead the way. The route is through education. In order to put this country, this state back onto the right track, it's time to begin teaching fundamentals again.

For the last 116 years, Texas Public Schools have tried to uphold these principles and characteristics. But they need your support. They need your encouragement. It starts with a visit to a public school near you March 2nd through 6th. Let your child see that you care—about him and his school. Let him see what you consider to be the really important values for your life and his.

Let us be responsible for providing the kind of education that will let our children know that they are responsible for the kinds of futures they and their families will enjoy.

The time for silence is over. Too long we have listened to the radicals and those who advocate change over to non-responsibility. Speak out—and begin by visiting a public school in your community March 2nd through 6th.

Keep the future in the minds and hearts of our children. Help support public schools so they can support you.

—ps—
Next week's issue of the Success—for March 5th—will be our annual Girl Scout Week edition.

Advertising and articles will carry out the theme of Girl Scout Week.

In the meantime, local Girl Scouts are continuing their annual Cookie Sale. If you have not already bought yours, get in touch with any Girl Scout or Brownie. They are just 50¢ a box and there are several varieties to choose from.

—ps—

New residents in Eldorado are Mr. and Mrs. Gibson Williams who moved here last week and are occupying the Eddie Hyatt residence.

First Anniversary Finds Hospital A Going Concern

It is not a new thing any longer.

It seems like it has always been here.

But just 8 days ago, February 17th, marked the first anniversary of the handsome Schleicher County Medical Center—built and completely equipped by taxpayers of the county—leased and operated by Medica Diversified, Inc., of which Dr. J. B. Brame is president.

Now that everyone is accustomed to it, the prevailing comment is, "I don't see how we ever got along without it."

The formal opening took place on a beautifully warm Sunday afternoon, February 16th and was attended by hundreds from this and neighboring counties.

The next day, Monday the 17th, the first patient was admitted and from that day on Dr. Brame and his administrator, Lillian Kroeger, have been hard put to provide staff and facilities for a steadily increasing patient load. In its first week of operation for instance, the kitchen was operated by local volunteer cooks until experienced hospital cooks were engaged and moved here. Before thirty days had elapsed the institution was faced with a shortage of hospital beds and additional ones were hurriedly provided by the Hospital District Directors.

Overcoming minor problems as they came along has been part of their job in these first twelve months while providing good medical and hospital service to the community. Miss Kroeger provides a few statistics for the period Feb. 17, 1969 to Feb. 16, 1970, which are of interest:

Total admissions	528
Total Patient Days	4,186
Total Deliveries	41
Total Surgeries	67
Total Emergencies	258

That the people of Schleicher County are proud of their new hospital is a foregone conclusion. That there are people here who wouldn't be alive today if it hadn't been for the hospital is also a fact.

Directors of the Schleicher County Hospital District leased the entire facility to Medica Diversified, Inc., for one year for \$1.00, with an option for another five years. As president of Medica Diversified, Dr. Brame has already exercised his five-year option, assuring us of continued service for another another five years, and indicating that he is very happy with the arrangement.

Mr. Williams is a gauger with Service Pipeline and transferred to Eldorado from Albany. The couple are members of the First Baptist church.

—ps—
New in Eldorado: Sam Ingle has his house trailer at Fred Watson's. He is here with Atlantic Richfield.

Mr. and Mrs. David Moody, new-liveds, are living in a trailer house at Paul Phillips'. Mrs. Moody is the former Stella Hubble.

—ps—
The Eldorado Public Schools are joining others over Texas in observing Public Schools Week March 2-6. The complete visitation and lunch schedule is given on page 2.

—ps—
Memorial donations continue to be made to our hospital.

Shortly after the first Hospital District Directors were appointed in May 1967 they were asked about accepting donations, and they promptly ordered 250 printed cards and envelopes to be used for acknowledgments.

Apparently they have all been used up, since another 250 were ordered from the printer early this month.

Memorial donations may be handed or mailed to Ronnie Mittel, secretary of the Hospital District Board of Directors.

—ps—
Support the Jaycees as they conduct their Light Bulb sale. Bag \$2.

Rainy Period Comes To County

A smattering of snow flakes, heavy fog and intermittent light showers describes the weather picture over the week end.

Most people here in town report a good inch of moisture for the period, while Dick Preston Tuesday noon claimed a good two inches on his ranch in the northwest part of the county.

East of town, about 1.50 to 2.00 inches were reported.

As the Success goes to press, prospects are for a warming and drying trend, with the sun trying to come out.

Band Concert Set For Sunday Afternoon

The Eldorado Eagle Band will present their annual Winter Concert on Sunday, March 1, at 2:30 p.m. in the school auditorium. This concert will be a pops concert with the majority of music being popular and light numbers.

A feature number will be the Blue and Gray which is a collection of Civil War songs.

The public is invited to this concert and no admission will be charged.

Persons Admitted Between Feb. 17, 1970 And Feb. 24th:

Maria Arrebalo
Nellirene Williams
Nancy Montgomery
Juan Espinosa
Florenca Morin
Francisco Morin
Ella Green
Ester Ramirez
George Williams
Anna Faul.

People Discharged:

Ella Green
Virginia Griffin
Ester Ramirez
Fenna Whitten
Mary Gausemeier
Frank Reynolds
Juan Espinosa
Nancy Montgomery

Now In Hospital:

Helen Barnes
Nellirene Williams
Anna Faul
George Williams
Mary Shipman
J. H. Emmons
Florenca Morin
Francisco Morin
Tom Parsons
Robert Wilson.

Pat and David Childers were here from Richardson over the week end visiting their mother, Mrs. Thelma Childers.

Belk Withdraws As Candidate

H. A. Belk Tuesday morning called the Success office and announced that he was withdrawing as a candidate for Commissioner in Precinct 4.

He attributed his decision to personal reasons.

Another Withdrawal

County Democratic Chairman Dick Preston notified this paper Tuesday that Phil Olson has withdrawn his name in the race for Commissioner of Precinct No. 4.

Commissioned At Fort Sill, Oklahoma

JESSIE BOSMANS

The Field Artillery Officer Candidate School at Ft. Sill, Okla., reports the commissioning of Jessie Bosmans of Eldorado, as a 2nd Lieutenant, Field Artillery, United States Army. At this school officer candidates learn the operation of a firing battery, calling in fire and operating a fire direction center.

From here, Lt. Bosmans will undergo training at Ft. Wolters, Tex., in the school for Rotary Wing Pilots. He is presently on leave here in Eldorado, visiting his parents.

50th Anniversary Tea Held Tuesday

Members of the Eldorado Woman's Club observed their 50th Anniversary with a Golden Anniversary Tea Tuesday, honoring five charter members: Mrs. W. N. Ramsey, Miss Miltia Hill, Mrs. J. L. Neill, Mrs. V. G. Tisdale, and Mrs. W. T. Whitten. The honorees were presented lamb felt corsages, made by Mrs. G. A. Hext.

Mrs. R. D. Johnson gave a brief history of the club, highlighting the many worthwhile projects spanning a half century of service to the community.

Mrs. Oliver Teele presented the High School Sextet in a series of very special musical numbers.

Mrs. Vernon Rogers, and Mrs. Arch Mittel served cake squares and punch from a lovely tea table, which carried out the Golden Anniversary theme. About 40 were present. —Rep.

Jim Thornton is joining other Chevrolet dealers over the nation in showing the new Camaro today, February 26th. Further details on the new Camaro are given inside this issue of the Success.

We Thank You For Your Support

The Eldorado Eaglettes can not let this 1969-70 basketball season close without expressing their gratitude to many people for the backing and support they have received.

Naturally they thank their friends and parents for living through the anxious moments and heartbreaks and picking them up when the bus broke down. In general for their faithful support.

To the student body and faculty the Eaglettes can only find words to say thank you for all your help, encouragement, and yelling.

The "B" team and junior high girls have just been great in

House To House Canvass By Jaycees Set For Thursday

In order to restock their treasury after donating \$300 to the local Girl Scouts, Eldorado Jaycees will be making a house-to-house drive selling bags of light bulbs from 6:00 to 7:30 p.m., Thursday, February 24th (tonight).

The bags will contain eight assorted light globes and will be sold for \$2.00.

Following the drive the group will hold their regular Thursday night meeting at the community hall.

At this regular meeting nominations will be made for officers for the coming year. Actual election of officers will be held in March.

Full Program

Jaycees area convention will be held in San Angelo this week end, February 27, 28 and Sunday March 1st. Five delegates from Eldorado are scheduled to attend: Rony Kerr, John Edward Meador, Buddy Zly, Steve Nail and Billy Williams.

Roping Arena

Starting at 1:00 p.m., Sunday, Jaycees will converge on the roping arena to finish painting and start laying the lumber for seats. The latter job will provide the most work since it will involve drilling holes and bolting the seats to the steel work.

A future event will be the annual banquet held in cooperation with the senior Chamber of Commerce. The date has been set for Saturday, April 4th.

S. S. MAN HERE TODAY

Jules Gipson, Field Representative for the San Angelo Social Security Office, has scheduled his February visit to Eldorado. He will be at the County Courthouse on Thursday, February 26 from 9:30 a.m. to 11:30. Anyone who wants to file a claim for benefits, get information, or transact other business with the Social Security Administration may contact him at this time.

Hospital Visitors

Mr. Durham's daughter visited here on Sonora.

Mrs. Roy Short and baby visited Mrs. Ammer Carter.

Ollie Walker spent last Wednesday in Sonora with Mrs. Harva Cooper.

Mr. and Mrs. Barnett of Big Spring spent some time with Mrs. Streigler.

Tom Jones was at the Koy Ranch Wednesday night.

Mrs. Bizet of San Angelo was visiting her mother, Mrs. Streigler.

Mr. John Gardner is back from Rocksprings after a visit but is leaving again Tuesday for Sonora.

Mr. and Mrs. Arthur Kyle of Ozona visited Mrs. Minnie Kyle.

Annela Stites and Carrie Simmons visited Mrs. Stites.

Mrs. Bradford's daughter and son-in-law of Angelo came Sunday.

Mrs. Ammer Carter had lunch and visited friends in Christoval Sunday.

The First Assembly of God Church held services Sunday.

—ps—

Mr. and Mrs. Richard Boyles were featured in a story in the February 23rd evening Standard-Times under business & industry news, concerning aurniture upholstery business recently opened by them in southwest San Angelo.

Mrs. Boyles is the former Mrs. Jerry Oglesby. The business is known as "Richard's Furniture Upholstery" and is located at 2143 Industrial.

Clean Up Your MEDICINE CHEST

12 Safety Rules To Prevent Accidental Poisoning

1. Keep all medicines and household poisons (cleaning fluids and insecticides) out of the reach of children.
2. Never refer to medicine as "candy" to your child.
3. Read all labels carefully and follow directions.
4. Don't take a medicine prescribed for someone else.
5. Never increase the dosage or the frequency of a dose of medicine—unless your doctor suggests it.
6. Throw out the contents of all old medicine bottles.
7. Keep internal medicines in one cabinet and external medicines and poisons in another.
8. Do not place poisonous liquids in soda bottles.
9. Throw out all unlabeled medicines and containers.
10. Do not take or give medicines in the dark—when you may be sleepy.
11. Protect your skin when using insecticides, solvents or cleaning agents. Remember some products can be absorbed through the skin; use as directed.
12. If someone takes a potentially toxic substance in your home, call a physician immediately. Don't wait for symptoms to appear.

On form provided, check day and number eating and return it by Thursday, Feb. 26, 1970. Parents may use students cafeteria tickets, or be prepared to pay in the cafeteria. If you have more than one child in the school, visit all of them on the day you choose. If this schedule does not fit your plans, you are invited to come any day you choose.

115th Birthday Finds Changes In Schools

The Texas public schools, which observed their 115th birthday on Jan. 31, have changed so much in recent years you wouldn't believe it.

That is, you wouldn't believe it unless you paid them a visit.

Texas Moms and Dads, always welcome at their local public schools, have a special invitation to visit during the week of March 2 through 6.

Those are the dates of the 20th annual observance of "Public Schools Week in Texas," by official proclamation of Governor Preston Smith.

The Governor wrote: "During this period, parents are encouraged to visit the public schools, and all citizens are urged to recognize the tremendous importance of our system of education."

"Our goal is to make Texas public schools the finest in the nation. To achieve this, our citizens are urged to take an active interest in the school systems and to cooperate with their school boards, superintendents, principals and teachers."

Texas school administrators, teachers and students are getting ready to show their fellow townpeople what's new in the modern schoolhouse of 1970.

Visitors can be on the lookout for some of these possibilities:

—New kinds of school-day schedules (flexible, modular, or modified traditional).

—New staffing patterns (team teaching, cooperative teaching, differentiated staffing).

—New teaching personnel (teacher aides, supervisors).

—New instructional equipment and materials (audio tapes, overhead projectors, television, films, filmstrips, driver education simulators, "newspapers in the classroom").

—New teaching techniques (field trips which take the classroom out into the community, or bring "expert witnesses" from the community to the classroom).

"Team teaching" is just what the name implies: The teaching of a subject to a class by several teachers working together, rather than one alone. About this method, one Texas teacher said: "I used to be very traditional, but I made a complete about face when I saw how some of the new methods of teaching English brought results. The change was worth the effort. Teachers can do so much more as a team than they can do individually."

Many Texas school systems, both large and small, have found that "teacher aides" can make great contributions to the school program. These classroom assistants are not trained to teach, but they are invaluable for such time-consuming tasks as giving tests, grading papers, running duplicating machines; securing, setting up and operating audio-visual equipment; assisting in libraries and labs, keeping order while teachers work individually with students, and in many other ways limited only by the resourcefulness of the teacher and teacher aide.

You don't need an engraved invitation to visit the public schools any time, but they'll be expecting you next week.

TO SING MARCH 8TH
Mr. and Mrs. Jack Hext have received word that their son-in-law, Dr. Harold Skaggs Jr., will sing a part March 8th with the Rochester, Minnesota, symphony as the group presents Verdi's Requiem.
The Skaggs family are presently living in Rochester, Minnesota, where he is undergoing further medical training.

Blue & Gold Banquet Held For Cub Scouts

The annual Cub Scouts Blue & Gold Banquet was held Monday night in the Memorial Building with about 70 people attending, including Cub Scouts, their families, committeemen, and friends.

Cubmaster Jimmy Doyle had general charge of the event and thanked the den mothers for helping with the arrangements.

Alan Masloff showed slides of exotic game in Texas to kick off the program.

Den mothers honored were Mrs. Brame and Mrs. Hill, Den 1; Mrs. Bessie Jones, training plaque; Mrs. Dannheim and Mrs. Palmos, Den 3; and Rev. Bobby Palmos, Webelos leader award. The unit is being re-registered this week or the coming year. The Ministerial Alliance of Eldorado is the sponsor of the Cub Scout pack.

Awards presented included: Jimmy Dan Doyle, Bear, service star; Mike Doyle, Bobcat; Charlie Bradley, Wolf; Sam Whitten, Wolf; John Cheatham, Bear; Kyle McCormack, service star; Karl Dannheim, Wolf; Bob Wills, Wolf, gold arrow and service star; Beaman Brame, service star & Wolf; David Hill, service star & Wolf; Chuck Jones, Wolf; Craig Copeland, Wolf; Turk Sweatt, sportsman, citizen, service star & Webelos.

Also service stars to John Cheatham, Willie Day, Larry Fay, L. Fatheree, Ricky and Wayne Gibson, Gary Collins, Ronnie Neff, and others.

Six Flags To Launch 1970 Season April 11

Arlington, Tex.—Six Flags Over Texas will begin its 1970 season April 11, featuring one of the world's most colorful and exciting attractions, Los Voladores, the Flying Indians Spectacular.

The best-known feature of the Los Voladores presentation is the "flight" by four members of the troupe who spiral from the top of a 100-foot pole while grasping four slender ropes.

The breathtaking descent of the flyers is preceded by a performance by the group's chief who dances on a 12-inch platform at the top of the pole—ten stories in the air.

Los Voladores will present four to five shows each day, and, like all rides, shows and attractions at Six Flags, the performances are free to Park guests who have bought the popular one-price ticket.

Tickets are priced at \$5.00 for adults and \$4.00 for children (under 12).

From April 11, until May 22, Six

Flags will be open on Fridays from 5:00 p.m. to 11:00 p.m., and on Saturdays and Sundays from 10:00 a.m. until 10:00 p.m.

The Park's summer schedule begins May 23, and extends through September 7 (Labor Day). Summer hours will be 10:00 a.m. until 10:00 p.m., seven days a week.

From September 12, through September 27, the Park will be open Saturdays and Sundays only from 10:00 a.m. until 8:00 p.m. From October 3, until closing day, November 29, the Saturday-Sunday hours will be 10:00 a.m. until 6:00 p.m.

Workmen have been busy throughout the winter months adding new surprises to many sections of the 145-acre family fun center at Arlington.

New, electric-powered boats will move swiftly through the "treacherous" waters of the LaSalle River Boat ride, passing animated figures never seen before by Six Flags visitors. One of the new scenes portrays the building of the first Spanish mission in Texas, with animated figures hard at work.

Colorful animations from the studios of puppeteers Sid and Marty Krofft bring added excitement and fun to the Caddo War Canoes.

Along the tracks of the Park's narrow gauge railroad, visitors will see a ghost town populated by well-dressed skeletons, and—at Mexican Junction—a comical, animated band pounds out rhythm for huge, smiling hot tamales doing their own version of "The Twist."

Field Designated In This County

The Texas Railroad Commission Oil & Gas Division, has announced field designation for two District 7-C fields, one of which is in this county.

The Williams Ranch (Strawn) field of Schleicher County was opened Jan. 23 with completion of Lively Exploration Co., Midland No. 1 Myrtle Williams, et al, 17 miles northwest of Eldorado.

It was finaled for a daily pumping potential of 75 barrels of 43.5 gravity oil, plus 45 barrels of water. Production was through perforations at 7,282-285 feet.

Location is 660 feet from the south and 1,980 feet from the west lines of 28-HE&WTRR, Abst. 1186.

Allowable was set at 75 barrels daily.

Notice of School Trustee Election

The Board of Trustees of the Schleicher County Independent School District have approved a resolution calling for a school trustee election for Saturday, April 4, 1970.

Positions to be filled this year are presently held by Jo Ed Hill, Ford Oglesby, Jr., and Cecil T. Pearce. Positions held by Hill and Oglesby are three year terms and the place of Pearce is for one year.

Candidates must file their applications with Mr. Leslie Baker, Secretary of the School Board of Trustees. March 4, 1970 is filing deadline.

Mrs. Mayo will be clerk for absentee voting starting March 16 and ending March 31 at the High School Office.

Schleicher Co. Ind. School District
Of Schleicher County, Texas

New Camaro. Feb. 26th.

We've never announced a car at this time before. But then nobody's ever announced a car like this before.

Super Hugger

If it were an ordinary sportster, we'd have introduced it at the ordinary time.

Instead, we took the time to build a whole new Camaro.

We started with a sleek new shape and a low road-hugging stance.

And added more hood. A faster fastback. Wider doors. And new deeply contoured bucket seats.

The instrument panel wraps around you. With enough dials to make you think you're piloting a 747.

There are four transmissions. And six power plants up to the Turbo-Jet 396 V8 that you can order.

Pick the one that best suits your driving. Then go pick on an open road.

And make it one with plenty of twisting turns. Because Camaro has a remarkable new suspension. And standard front disc brakes for a leech-like grip on the road.

New Camaro. The Super Hugger.

Other sportsters always feared it might come to this.

And they were right. Only their timing was wrong.

Putting you first, keeps us first.

See it. At your Chevrolet Sports Dept.

Camaro Sport Coupe with RS equipment.

Home Demonstration Agent's Column

Your child—an individual. The way each child grows is unique. Just as the fingerprints of each person differ, every individual is a little different from every other.

Differences are influenced by inherited traits and environment and experts have just about agreed that heredity and environment make a 50-50 contribution to an individual's development. Parents can not hurry growth and development, neither can they prevent it. Even children from the same family develop at different speeds.

The wise parent will not compare the characteristics of one child with another family member. Some children take comparison as a criticism.

Adults can help a child with his own special way of growth. Understanding guidance from parents and teachers can help a child grow with trust for others and the feeling that his world is a safe place to live.

The first and greatest need of a child is love. When you feed, change, or cuddle a child, you express this love. Even before a child takes his first step, he has a pretty good idea about your love and affection for him.

Adults continue letting a child

"What governs you?"

Chance? Heredity? Statistical probabilities? This doesn't have to be so.

James Spencer, C.S., a member of The Christian Science Board of Lectureship, says that "Spiritual law properly recognized, applied, and obeyed corrects the uncertainties and stresses and strains in our lives."

How to bring this spiritual law into your experience will be discussed by Mr. Spencer in his public lecture, "What Governs You?"

Come and bring your family. Admission is free.

Distinctive styling marks the
All New Camaro Sport Coupe

The completely new Camaro design concept combines prestige car styling with remarkably responsive performance handling. Its distinctive long hood, new front end and swept-back roof and rear deck styling are only a few of the many new features found in this sporty model. It also has improved ride and sound isolation. The 1970 Camaros will be on display in dealer showrooms February 26.

know they love him in many little ways as he grows older. Adults bandage scratches, find band aids when none are needed at all, go to baseball practices and leave a night light on when a child is afraid of the dark. No one thing convinces a child that he is loved. The child who is loved and knows it trusts the world. This need for a sense of security goes on through life. The child's feeling of security develops from an accumulation of adults' expressions of love and affection.

Poisoning could happen right in your own back yard. Many, many beautiful shrubs and flowers are deadly poisonous and it is a small wonder to me that as few fatalities have occurred down the years as have been recorded.

In Texas there are 80 species and varieties of plants that are poisonous to livestock and more than 50 that are highly poisonous to man and animal.

Nearly everyone has been duly warned about poisonous mushrooms whereas we hardly ever see a mushroom growing while these other killers enjoy places of importance in the family yard.

Oleander is extremely poisonous to both man and animals and several related plants, such as rhododendron and ligustrum also are toxic. A single leaf of oleander can be deadly. The thornapple or jimson weed, is one we should remember because it caused the death of some of our earliest colonists at Jamestown, Virginia; thus its name jimson weed. It grows in many gardens and because of its long white flowers is called "Angel's Trumpet." All the species of tobacco, nicotine, both wild and cultivated, are poisonous.

Two to four seed from a castor bean can and may kill a human

being. Chinaberries will poison man and beast. The lovely Christmas plants, poinsettia and mistletoe, can both kill.

And of all things—the breath of Spring lovelies—jonquils, daffodils and narcissus betray their beauty and are deadly poisonous. The bulb of many such plants are the danger areas and in some recorded instances have been taken for onions and have killed whole families who ate them. One grandmother thought she was chopping an onion in the chili but the onion was a large flower bulb and a family died.

Many house plants are extremely hazardous to humans. All the "elephant ear" group such as dieffenbachia, caladium, colocasia and philodendron are poisonous and should be kept out of the way of a curious child and adults should be warned too.

Tomatoes were once considered very poisonous because they belonged to the night shade family. Some brave soul finally ate a "love apple" as the tomato was called and it didn't hurt him. It took a long time to convince the doubters the tomato was not a poisonous vegetable and it is one of the great favorites in the world today. But—and few people know this, the leaves and stems of the tomato plant are extremely toxic and so is the plant of the Irish or white potato.

The story is—do be careful about what you taste if the plant is new to you. Do keep house plants on the danger list out of the way of children.

Mr. and Mrs. Fred Watson have returned from a trip to Harlingen and other South Texas points.

Easter Seal Letters To Be Sent Out Here

Easter Seal Appeal letters are being delivered this week in Schleicher County, according to Raymond D. Hall, who is the County Easter Seal Representative for the Easter Seal Society for Crippled Children and Adults of Texas.

As Representative, Mr. Hall serves as local contact for disabled persons needing Easter Seal rehabilitation services and also is treasurer of the Easter Seal Appeal in Eldorado.

The Easter Seal Society offers physical and occupational therapy as well as speech and hearing programs, and special equipment loans to enable disabled persons to make the best use of their abilities to overcome handicaps. These services are financed by the Annual Easter Seal Appeal.

The Society also provided for research into the causes and cures of crippling conditions, finances public education programs, and provides scholarships for training of professional personnel to staff rehabilitation centers.

He pointed out that all of these programs are important if Texas is going to continue to provide the best in rehabilitation services for its own disabled citizens.

During 1969, the Texas Easter Seal Society helped to provide treatment and services to 20,378 children and adults who were in need of rehabilitation services. The services are available to any disabled person who can benefit from help provided by the Easter Seal Society, Hall added.

The 1970 Easter Seal Campaign will run through Easter Sunday,

Eagle Trackmen To Ft. Stockton Meet

Coach Sherwood Barker announces that the Eldorado Eagle tracksters will open their 1970 track season this Saturday in Fort Stockton at the Comanche Relays.

The team of 17 boys have been working out each afternoon and with the good weather that we now have had the last two weeks they are beginning to get in good shape.

The nucleus of the team is returning from last year's team; a team which finished third in the state meet.

The entries for the Comanche Relays are:
1. Jerry Baty, shot, discus, broad jump, 860.

2. Mickey Clark, 120 High Hurdles, 440 yard dash, Mile relay.
3. Terry Clingan, Pole vault, broad jump.

4. James Larry Davis, 100 yard dash, 220 yard dash.
5. Wayne Doyle, 100 yard dash, 220 yd. dash, 440 relay.

6. Ricky Griffin, 330 yd. hurdles, high jump.
7. Billy Hubble, 440 yd. dash, 120 High hurdles, broad jump.

8. Roy Jones, 120 High hurdles.
9. Jimmy Martin, 880 dash.
10. Archie Nixon, shot put, discus, high jump, mile relay, 440 dash.

11. Sam Oglesby, mile run.
12. Bob Page, 120 High hurdles, 440 yd. relay, mile relay, shot put.
13. Paul Page, 440 yd. relay, 440 yd. dash, mile relay.

14. Bobby Sykes, Mile relay, 440 yd. dash.
15. Steve Sykes, Mile run.
16. Keith Williams, 440 yd. relay, 100 yd. dash, 220 yd. dash.
17. Robert Wilson, Pole Vault.

DAR Meeting Memorial To Mrs. W. O. Alexander

On February 19, 1970, the El Dorado Chapter Daughters of the American Revolution met with Mrs. Ernest S. Goens, regent, presiding.

Mrs. W. N. Ramsay opened the chapter with appropriate scripture and patriotic rituals. Immediately, the regent announced that this meeting was a memorial to Mrs. W. O. Alexander, the organizing regent of the El Dorado Chapter in 1937.

Mrs. Ernest C. Hill, an organizing member, gave the Eulogy in which she reviewed the leadership of Mrs. Alexander locally and statewide, laying stress on the outstanding contribution she had made to her country in Patriotic Societies.

Of the organizing members, the following five were present: Miss John Alexander, Mmes. L. M. Hoover, J. E. Hill, Ernest S. Goens and Ernest C. Hill.

The Annual DAR Good Citizens Tea will be given March 19. Plans were presented to the chapter from the Board meeting by Mrs. Thompson of the Social Committee, Mrs. Gunstead and Mrs. J. E. Hill.

Full publicity including the five girls will be given later. Committee reports were given by Miss Ruth Baker, National Defense; Mrs. Mary Davis Coupe, Program; Miss John Alexander, Flag; Mrs. J. E. Hill, Registrar.

The monthly message from the President General Mrs. Erwin F. Seimes, was given by the regent. The Program was presented by Mrs. Coupe, emphasizing this quotation: A Cultivated mind is the guardian genius of Democracy.

February is History Month throughout the DAR programs. "Our American Heritage—A Living History" was subject brought

Historical Society Met Last Week For Program

Only nine persons were in attendance when the Schleicher County Historical group met in the club room of the Memorial Building on Friday evening, February 20th, at 7:30, but the interesting program generated enough enthusiasm to make up for the small crowd.

Mrs. Eldred Roach, one of El Dorado Chapter's Ozona members, was present.—Rep.

Eaglettes End Season With Bi-District Loss

The Eldorado girls saw their 13-game winning streak go down the drain Tuesday night of last week as they were nipped 36-30 in the closing moments of the Bi-District game in Big Lake.

It was an exciting contest from start to finish and never more than three points separated the two teams throughout until the closing moments. The guards on both teams played a near perfect game making very few errors and playing tenacious defense. The forwards who bear the responsibility for putting the basketball in the hoop were so tight and so well guarded they could never really get going. At least six minutes elapsed before either team could put a point on the board and Eldorado missed several good scoring opportunities. Once the teams got rolling they traded basket for basket and ended in a 14-14 half-time count. During the third quarter it was again close as the Eaglettes scored 8 and Iraan 9 to give Iraan a 23-22 lead. Going into the fourth quarter Eldorado took the lead 24-23. Iraan tied it 24 all then Eldorado sank two free throws putting it 26-24 before Iraan came back 26-26. A turnover by Eldorado gave the Bravettes a 28-26 advantage plus a free throw making it 29-26. Another turnover put it 31-26 an advantage which the Eaglettes could not overcome with a little more than two minutes remaining. Eldorado brought it to 31-28 and a free shot added to it was 31-29 but Iraan scored again making it 33-29. Kathleen went to the free throw line to make it 33-30 with slightly over a minute showing. A couple of fouls and the pressing of the green guards gave Iraan three more points in the final moments to bring it to a final 36-30 score. Kathleen O'Harrow again hit an excellent 8 of 10 free throws plus two baskets for 12 points and Randy Yates, a senior playing her final game, did a very consistent job in hitting five baskets outside plus a free throw for 11 points. Sheri Roberts hit for 4 points and Lorretta Schooley 3.

Real credit should go to Lisa Whitten, also a senior, Lisa McAngus, Mary Lynn McCalla, Claudia Meador, and Gay Lynn Richardson for a fine defensive game. Lisa Whitten got 10 rebounds, Mary Lynn 9, Lisa McAngus 9, Claudia 5, and Gay Lynn 2. There are three seniors on the team, Lisa Whitten, Randy Yates, and Sheri Roberts and each has done a most commendable job this season as the team has produced a 24-5 record. These seniors have been on a district championship team during all their high school years and they have never lost a district game. Juniors Kathleen O'Harrow, Peggy Hill, Lisa McAngus, Mary Lynn McCalla, and Claudia Meador have performed in an exceptional manner, carrying a real load on this team.

There are five sophomores who have certainly gained experience this season and made their contribution to a fine season record. The forwards were Sherry Davis, Patty Page, Jeanne McCravy, while the guards were Gay Lynn Richardson and Jean Rountree. Jenny Sue Martin certainly did her share as manager for the team.

These girls have accumulated 4 trophies for their work this season and the majority look forward to next season when they will move into district 9-A and a new challenge.

For this season we congratulate the Eldorado Girls Basketball team.

Mr. and Mrs. Victor Ramirez of Sonora are the parents of a daughter, Ganna Marie, born on Feb. 22, 1970, at 4:00 p.m. in Schleicher County Medical Center.

Bentsen, Senator for the Seventies.

P.D. POL. ADV.

Honored On Birthday

Shown in center: Mrs. Nellie McKee and daughters Ella Allen and Bobbye Killebrew.

Mrs. Nellie McKee was honored Thursday, Feb. 19th, with a surprise party to observe her 78th birthday. Mrs. McKee received several lovely gifts. Flowers were sent by two granddaughters, Judy Urbantke and Alma Lee Van Winkle who were unable to attend.

Cake and coffee were served to

the following guests: Mrs. C. O. Neff and Ronnie, Mrs. John Gilmore, Mrs. Jess Thompson, Mrs. Ella Parrent, Fern Parrent, three grandchildren and three great grandchildren. Hostesses for the party were Bobbye Killebrew, Ella Allen and La Nell Watson, daughters and granddaughter of Mrs. McKee.

Neighborhood Center News Items of Interest

Community Meeting Set Friday

On Friday, February 27, 1970, you are invited to attend a Community Meeting. This meeting will be held in the Catholic Church at 6:30 p.m. Dr. J. B. Brame will be guest speaker. Also at this meeting two directors to serve on the Advisory Board will be elected. Anyone interested in taking Typing lessons is requested to meet after the Community Meeting, to set the time and hour for classes to be held.

ABE Classes Going On

Adult Basic Education classes are still in progress at Schleicher County High School each Tuesday and Thursday evening 6:30. Remember that a G.E.D. certificate is the equivalent of a high school diploma, and would enable people to obtain better jobs. Attend These Classes Every Week!

The Small Business Administration representative will be in San Angelo on March 10, 1970 at 7 W. Twohig Bldg. For more information come by the Neighborhood Center.

USDA Commodities

Commodities will be distributed on Thursday and Friday, March 12 and 13 at the Center.

Mr. Bivins, the F.H.A. representative from San Angelo, will be in Eldorado every 1st and 3rd Wednesday of each month at the County Agent's office in the Court House.

Clothing! — Clothing!

Are you planning your Spring cleaning soon? If so, don't throw any of those clothes away. Remember the Neighborhood Center. We will gladly accept any usable clothing you might not need.

Typing Class

We are in the process of starting a typing class for all persons interested. If you would like to attend this class, contact the Neighborhood Center or call 2763.

Anyone interested is invited to attend. These classes are offered free of charge.

Patterns

For anybody who likes to sew, we have new patterns at the Center. Come and see them. They are free of charge.

If anybody would like to see the Social Security representative, he will be at the Court House on Thursday, February 26th, from 9:30

to 11:30 a.m.

Would you like to paint your house? Come by the Center and check with us. We might have some paint available. If not, the first chance we have, we will get some.

Council Meeting Held

On January 28, 1970, the Neighborhood Council met with the Board of Directors. At this time, they discussed the Day Care Program, which they were very much in favor of having as one of our new programs.

They also discussed different ways of making money for refreshments for the Summer Recreation Program. One of the suggestions was to have Bingo games. Mr. Brame also met with them to inform them that the County Commissioners had agreed to fix the drainage and driveway between the Center and Catholic Church.

Dr. Brame suggested that he and Domingo Pina check about Little League teams, to get more boys from the target area more involved in this program.

The Neighborhood Council welcomes any suggestions you might have concerning the betterment of

optional 'homeowners' policies be permitted. Present policies now run for three years.

Drinks Law To Be Enforced

Texas Alcoholic Beverage Commission served notice it still intends to enforce the law against sale of liquor by the drink despite the court's invalidating its private club guest rule.

Case involving the rule is on appeal to the State Supreme Court. Meanwhile, ABC said club owners are mistaken in interpreting the Court of Civil Appeals' decision as giving them the go-ahead for mixed drink sales to walk-in sales.

ABC also predicted an early court test of the law under which distribution of Coors Beer has been restricted in Texas. Court already has held invalid a 1966 directive which said that Coors' requirement of warehouse refrigeration was termed a forbidden "inducement."

Busing Referendum Considered

Gov. Preston Smith asked the State Democratic Executive Committee to consider putting the question of school busing to achieve racial balance on the May 2 Democratic ballot as a referendum issue.

While not stating his position, Smith argued that Texas voters should have a chance to express their opinions. He noted that the problem is "a federal and local issue," and called on federal officials to "assist us at the state and local level to upgrade our neighborhoods and our schools."

Meanwhile, the busing issue came in for attention from Democratic Senatorial candidate Lloyd Bentsen, who called compulsory busing "the most disruptive threat facing public education in America."

Smith sent a telegram to Sen. John Tower in Washington, urging him to "use your influence with the Republican administration" to obtain "more realistic, impartial and reasonable" treatment of Texas school districts by the Department of Health, Education and Welfare. He cited his meeting with 150 citizens from East Texas school districts (particularly Tyler and Longview) as motivating his request.

Courts Speak

Court of Criminal Appeals upheld the new state anti-riot law which permits prosecution of a participant in a disturbance even though there is no evidence he committed acts of destruction.

Supreme Court backed the San Antonio Court of Civil Appeals in ruling that a juvenile can be sentenced for as much as five years in a reformatory for an act punishable by no more than a year in prison if committed by an adult.

High Court reversed the Third Court of Civil Appeals and concluded that a two-way radio service in McAllen is not a telephone service subject to state gross receipts

taxes.

Attorney General Rules

Parks and Wildlife Department can use either special game and fish money or general revenue to build a proposed water-exchange pass across Mustang Island, Atty. Gen. Crawford Martin has held. However, he said, if it is built with game-and-fish fund money, it will be a "fish pass" and it will be illegal for boats to go through it.

In other recent opinions, Martin concluded that:

—New family code prohibiting remarriage for six months after divorce applies only to divorce proceedings commenced after Jan. 1, 1970.

—County clerks have no discretion to refuse to record declarations of informal marriage where all required information is given on the form.

—Board dealing with uncollectible judgments for the state cannot sell or transfer them for less than full value.

—Sen. Criss Cole of Houston, who was recently appointed judge of the new Harris County Juvenile Court, will remain as a member of the Senate Study Committee on Environmental Control until the next legislature convenes.

—Operator of a vehicle transporting liquid asphalt is exempt from the statutory lease provisions and filing requirements.

—New owner of a store can operate under its current occupation license until it expires if transferred to the purchaser along with the business.

—Texas Employment Commission can pay insurance premiums on its buildings with federal funds from grants by the U. S. Department of Labor.

—Foreign cooperative marketing association whose charter provisions meet those of Texas Law is not required to deposit \$500 to do business in this state.

—Texas State Department of Health does not have authority under renderer's licensing act to prorate required fees regardless of dates licenses are issued.

—Commissioner's Court of Hunt County does not have authority to establish financial procedures in handling of cash by each county officer.

—Texas Highway Department may participate in group premium cost for insurance on employees (health, hospital, accident, disability etc.) but may not enter into contract where it would become a shareholder in a mutual insurance concern.

Crime Increasing

Major crime in Texas increased 15.9% last year—to a rate of one major crime every one and a quarter minutes—Department of Public Safety Director Wilson E. Speir reports.

Statistics show 432,251 major criminal offenses in Texas during

1969 as compared to 372,912 in 1968. Of the total, 389,969 occurred in urban areas and 42,282 in rural sections. Murder and homicide rate was up 1.5%, rape up 33.2%, robbery 53.1%, burglary 17.1%, aggravated assault 22.7%, theft 12.5% and auto theft 22.8%.

Appointments . . .

Governor Smith appointed Mrs. Homer Garrison of Austin to the State Board of Canvassers and State Committee Count Election returns. Smith also made these recent appointments:

Occupational Safety Board, E. C. McFadden, Dallas.

Commission on Law Enforcement Officer Standards and Education, Dewey Presley of Dallas, R. T. Runyan of Corpus Christi and Walter C. Suttle of Vernon.

Research Associate on governor's staff, Alvin A. Bursar, recently retired director of Texas Research League.

Board of Directors, Upper Neches River Municipal Water Authority, John B. McDonald, Palestine (reappointment).

State Board of Examiners in Basic Sciences, Dr. Sidney W. Edwards of San Marcos and Dr. Everett Dale Wilson of Huntsville.

State Advisory Council for Technical-Vocational Education, Franklin D. Clarke of Dallas.

Board of Directors, Lavaca-Navidad River Authority, Dr. Charles M. Dugger of Edna, Chester Franklin Spencer of Ganado and Carroll Sheppard Traylor of Port Lavaca.

Texas Water Well Drillers Board, Forrest Cecil Gill of El Paso and W. D. Jones of Dumas.

Smith himself was designated honorary chairman for Texas in support of the Everett Dirksen Congressional Leadership Research Center. Goal is \$2 million to build and maintain the center.

Hall Appeals Election Ruling

Frustrated in his State Supreme Court effort to get on the Democratic ballot as a candidate for governor, Sen. Ralph Hall of Rockwall went to Washington to try to get an appeal before the U. S. Supreme Court.

State Court ruled that the constitutional provision on prohibiting a law-maker from holding an office for which the pay was raised during his elective term makes Hall ineligible. Governor's pay was raised last year. Hall's senate term runs until 1973. He claims the provision was not intended to apply to the governor's office and discriminates against 15 senators.

Hall hopes to get before the U. S. top court on the contention that the restriction violates due process and equal protection under the law guaranteed by the federal constitution.

State has reached agreement with the federal government to acquire Amarillo Air Base for technical manpower training facilities under Texas State Technical Institute.

our community. If you would like anything in our community to be improved, don't hesitate to bring it to the attention of the Neighborhood Council. Remember, that you alone cannot do the job. It is for the whole community to get involved. So let's stand up and be heard.

Mrs. Joanne Wright, Welfare representative, will be at the Court House on Thursday, March 26, '70.

KITCHEN SHOWER HELD

Mrs. Ruth Case and Mrs. Fred Case honored Kay Peters, bride-elect of Neal Heflin, with a bride-and-kitchen shower Saturday, February 22nd, in the home of Mrs. Ruth Case. The honoree's colors of yellow and white were carried out in the table decorations. A buffet luncheon was served to about 16 guests.

BRIDGE REPORT

Winners in last week's bridge games were:

1st, Gerald Childers and Elnora Love; the Blakeways were 2nd; and Margaret Frost and Raymond Mobley 3rd.

Next session of Duplicate Bridge will be at 7:00 o'clock Thursday.

Mrs. Bessie Doyle visited over the week end with Mr. and Mrs. Billy Jack Etheredge and family in Dallas.

First Baptist Church

The observance of the Week of Prayer for Home Missions will be March 1-8 at the church at 9:30 a.m., Monday, Tuesday and Thursday. On Wednesday evening at 7:30 everyone is invited to hear Dr. Frank Owen, missionary on furlough. Dr. Owen is living in Abilene at this time. He is a nephew of Mrs. E. W. Brooks.

The church will have a Revival March 8-15. Complete details will be given in the Success next week.

Austin, Tex.—Homeowners over Texas apparently are in for a substantial increase in their insurance payments.

State Insurance Board's staff has recommended these average hikes: —Statewide extended coverage, 6.9%.

—Fire insurance, 1.7%.

—"Homeowners" policies, 18%.

Recommendations were made as the insurance board held its annual hearing preparatory to promulgating new rates and possibly some new changes in its rules concerning these forms of insurance.

Board will set new rates around the end of next month, making the effective date early July.

Rates actually will vary according to location, building use and construction.

Another jolt would be Texas Insurance Advisory Association's recommendation of mandatory \$250 deductibles on all windstorm, hurricane and hail coverage. Mandatory deductible now applies only to seacoast territory for this type coverage, and that is limited to \$100.

TIAA further suggested one-year

YEAST-RAISED BUN-NIES ARE EASTER TREAT

The Easter Bunny, beloved of children everywhere, came to us from Germany where the Easter Hare brings holiday eggs. The youngsters prepare nests of moss for the Hare who fills them with decorated eggs, candies and little gifts. In America, the hare became a rabbit or bunny, an error for which candy-makers were probably responsible.

Bunny-shaped sweet rolls are a popular Easter treat in homes where there are young children. The buns are fashioned from a simple sweet dough shaped into three balls: a large ball for the head with two smaller ones for ears. Raisin "eyes" and spaghetti "whiskers" decorate the bunnies. Serve them nestled in an Easter basket to delight the youngsters.

The yeast dough for Easter Bun-nies is prepared by the Rapidmix Method developed by the makers of Fleischmann's Yeast. By treating the yeast as a dry ingredient, Rapidmix takes the guesswork out of bread-baking. Instead of the old-fashioned step of dissolving yeast in warm water, Rapidmix adds the undissolved yeast to the dry ingredients (part of the flour, sugar and salt). In addition, initial beating is done with an electric mixer which not only facilitates blending the ingredients, but makes doughs lighter and easier to handle.

Shown here nestled in an Easter basket are Easter Bun-nies—yeast-raised sweet rolls shaped like bunny heads and decorated with raisin "eyes" and spaghetti "whiskers."

EASTER BUN-NIES

4 to 5 cups unsifted flour
1/4 cup sugar
1 teaspoon salt
1 package Fleischmann's Active Dry Yeast
1 cup milk
1/4 cup water

2 teaspoons almond extract
1/4 cup (1/2 stick) Fleischmann's Margarine
1 egg (at room temperature)
3/4 cup chopped candied cherries
Raisins
Spaghetti

In a large bowl thoroughly mix 1-1/4 cups flour, sugar, salt and undissolved Fleischmann's Active Dry Yeast.

Combine milk, water, almond extract and Fleischmann's Margarine in a saucepan. Heat over low heat until liquids are warm. (Margarine does not need to melt.) Gradually add dry ingredients and beat 2 minutes at medium speed of electric mixer, scraping bowl occasionally. Add egg and 3/4 cup flour, or enough flour to make a thick batter. Beat at high speed 2 minutes, scraping bowl occasionally. Stir in enough additional flour to make a soft dough. Turn out onto lightly floured board; knead until smooth and elastic, about 8 to 10 minutes. Place in greased bowl, turning to grease top. Cover;

let rise in warm place, free from draft, until doubled in bulk, about 1 hour.

Punch dough down; turn out onto lightly floured board. Knead in chopped candied cherries. Take three-fourths of the dough and divide into 12 equal pieces. Shape into smooth balls to form heads. Place on greased baking sheets. Divide remaining one-fourth of dough into 24 pieces and shape into ears; attach to heads.

Cover; let rise in warm place, free from draft, until doubled in bulk, about 1 hour. Place raisins in place for eyes.

Bake in moderate oven (350° F.) 20 minutes, or until done. Remove from baking sheets and place on wire racks to cool. Insert short pieces of spaghetti for whiskers. Makes 12 bunnies.

**Christian Science
Lecture Set Sunday**

James Spencer
Christian Science Lecturer

Announcement of Lecture by: James Spencer. Title: What Governs You?

Can we avoid being victims of chance? Can prayer help?

James Spencer, C. S., of Detroit, Michigan, will answer these questions from the Christian Science point of view in a public lecture Sunday, March 1.

"What Governs You?" is the title of his lecture. It will be given at 3:00 p.m. in Rio Concho Manor, opposite Holiday Inn, First Church of Christ, Scientist, San Angelo is the sponsor; admission is free and open to the public.

Mr. Spencer, a graduate of Principia College, Elsau, Illinois, was a Lieutenant in the Marine Corps during the Korean War. Later he served for three years as Protestant Chaplain with the United States Army, and then for ten years as Christian Science Minister or the Armed Services. Since 1953, he has devoted full time to the healing ministry of Christian Science. Currently, Mr. Spencer is on tour throughout the United States and Canada, as a member of The Christian Science Board of Lectureship of The First Church of Christ, Scientist, in Boston, Mass.

David is the name of a son born to Mr. and Mrs. Ollie Lee Green, of San Angelo, at Schleicher County Medical Center on the 20th day of February, 1970. Mr. and Mrs. R. L. Green of Eldorado are grandparents of the baby.

School Menus

(All meals served with hot rolls and milk.)

Thursday, Feb. 26: Turkey tetrazini, English peas, apple & cabbage & pineapple salad, cranberry sauce, cheese strips, cookies.

Friday, Feb. 27: Beef and vegetable stew, cheese strips, stuffed celery (peanut butter), fresh fruit cup, brownies.

Monday, March 2: Baked ham, sweet potato casserole, green beans, mushroom sauce, tossed green salad, canned fruit.

Tuesday, March 3: Chicken fried steak, gravy, creamed potatoes, whole kernel corn, strawberry congealed salad, chocolate cake, white icing.

Wed., March 4: Hamburgers, lettuce & tomato slices, cheese strips, fritoes, fresh fruit salad, peanut butter cookies.

Thursday, March 5: Turkey and dressing, giblet gravy, waldorf salad, creamed English peas, sliced beets, fruit cobbler.

Friday, March 6: Roast beef and gravy, creamed potatoes, black-eyed peas, carrot & apple & raisin salad, applesauce cake.

MEMORIAL PROGRAM

Your Memorial Gift is a fitting tribute to a loved one. This remembrance helps support the research, education and service programs of the American Cancer Society.

Memorial gift funds may be sent to your local Unit of the Society.

**AMERICAN
CANCER
SOCIETY**

We have the appropriate cards to send to the family and to the donor, and will send your check to the American Cancer Society in Austin.

**COUNTY AGENT'S
COLUMN**

by *Tiny Godwin*

Schleicher County Agricultural Agent

A good selective breeding program at the ranch can be the starting place for increased income from wool. Producers should breed for more length, with a minimum goal of a three inch staple for a 12-month growth period.

Clean pounds of wool produced per animal and body size should receive major attention when a flock productivity program is started.

Preparation of the wool clip is most important in getting the best possible returns. Since wool grades and prices are based on length as well as fineness, special attention should be given to insure uniformity within the clip. Clips of mixed lengths and grades do not bring highest returns.

Dingy, burry, taggy or tender wools do not yield high returns. New high speed machinery now in use in the wool industry requires that preparation methods be the best possible. And improved production methods, including a selective breeding program, must be combined with the best known preparation techniques if top prices for wool are to be received.

Eternal vigilance is the price of liberty.

The management of pastures and ranges following chemical or mechanical brush and weed control is important in determining the value of the practice.

The treated areas should be deferred for several reasons. Deferment allows the better forage species to increase, become established and produce a seed crop. The loss of livestock from the grazing of poisonous plants can be reduced.

Livestock should be kept off treated areas until weeds are dry following spraying with herbicides. The palatability of plants change when they begin to wilt following control methods and plants not normally grazed by livestock often are taken readily during the wilting process.

Too, many poisonous plants are not grazed unless animals are forced to graze them or they are grazed due to the growth changes in the plant.

On pastures where control measures have been carried out and sufficient numbers of plants which can cause livestock poisoning are present, deferment is encouraged. Such plants as leafhopper, pigweed, locos, bitterweeds, sesbane, sneezeweed, nightshades, milkweed, buffalobur, snakeweed, coc-lebur, coffee senna, paperflower, desert baileya, goldenrod, caltrop, puncturevine, lantana, buckeye, peavine, larkspur, queensdelight, and groundsel can cause poisoning if they are present in sufficient numbers.

Providence gave us two eyes and one mouth—to look twice before speaking once.

It is time for home gardeners to start planning their spring gardens.

Most important is to be sure that you have good seed and that this seed is the proper variety for your area.

It is important for the home gardener to determine the family needs and preferences when choosing the types of vegetables and the quantity of each vegetable to be planted. The person planning a garden should also determine what the quantity, price and quality of vegetables in the market will be when he is harvesting the same vegetables in his own garden.

The home gardener should determine if it is profitable for him to plant and care for each vegetable.

Land should be prepared well in advance of planting. This is usually done as soon as the weather will permit.

It is a good idea to put part of the fertilizer under the beds as they are being prepared for planting. This will make the fertilizer readily available when the plants need it.

The precise kind and amount of fertilizer to be used can only be determined by a soil test.

The method of taking a soil test as well as information concerning the seeds best suited for the gardener's own area can be obtained at my office.

In lieu of a soil test, a rough rule of thumb is to use a complete fertilizer 16-20-0 at a rate of 300 pounds an acre.

When seeding, it is generally best to follow the direction on the seed package. But because of frequent early rains, a fine mulch such as cotton seed hulls or sawdust should be put over the rows to avoid compaction of the soil before the seedlings emerge.

It is very important to thin plants to the distances recommended on each individual package. If the plant package has been lost or discarded, this information is also available at my office.

It is very important to control weeds in the garden. This can be done by the conventional methods of pulling and hoeing, but is best done with the use of a mulch around the plants.

Sufficient water is most important for vegetables. Vegetable crops will require approximately 1 1/2 inches of water a week either by rainfall or irrigation.

Above all don't allow vegetable crops to go into water stress. This will seriously affect the quality of the vegetables.

May the "harvest" season see the full fruition of all your Spring hopes and plans.

**DRIVING TIPS
FROM THE PROS**

TODAY'S MODERN EXPRESSWAYS OFFER SAFETY, COMFORT, SPEED AND CONVENIENCE. HERE ARE SOME TIPS FROM GREYHOUND FOR SAFER EXPRESSWAY MOTORING.

WHEN ENTERING EXPRESSWAY, USE ACCELERATION LANE TO INCREASE YOUR SPEED TO MATCH TRAFFIC. CHECK FOR OPENINGS. MERGE SMOOTHLY.

COMMUNICATE WITH ALL OTHER DRIVERS. SIGNAL BEFORE ALL LANE CHANGES.

EMERGENCIES: TO STOP, SIGNAL INTENTION TO PULL OFF HIGHWAY, SLOW DOWN GRADUALLY, DRIVE COMPLETELY OFF THE HIGHWAY.

WHEN LEAVING EXPRESSWAY, WATCH FOR ADVANCE SIGNS OF YOUR EXIT. SIGNAL YOUR INTENTION, MOVE INTO DECELERATION LANE, THEN REDUCE SPEED.

FOR A FREE BOOKLET FILLED WITH SAFE DRIVING TIPS, WRITE: "PRO" GREYHOUND, BOX 7338, CHICAGO, ILL. 60680

**Eagle Chevrolet
Showing 70' Camaro**

JIM THORNTON

All Eldorado and Schleicher County people are invited to Eagle Chevrolet-Olds today, the 26th, to see the all-new Camaro for 1970. "Come in and have a cup of coffee and see it," stated Jim Thornton, manager.

Detroit, Mich.—A totally new "second stage" Camaro will go on sale in Chevrolet dealerships on Thursday, February 26th, John Z. DeLorean, division general manager, announced today.

"Innovations in design and engineering make the new Camaro different from any car now offered," DeLorean declared.

"It's new long hood, expensive looking body and highly improved handling, ride and sound insulation create a completely new car. It is well equipped to become the sales leader among all small sports cars."

DeLorean called the car "a significant second stage" in the concept of a personal, four-passenger package of excitement that has drawn 650,000 Camaro buyers since introduction in 1967.

The 1970 Camaro comes in a single 2-door hardtop model. It is longer, wider, lower and has front and rear treads than the previous Camaro but continues the highly maneuverable 103 inch wheel base.

Wide choice to tailor a Camaro to a customer's personal taste is continued. A Rally Sport version includes a different grille and front end treatment while Camaro

SS and Z-28 versions include higher performing engines and special chassis components. Chevrolet's multitude of options and accessories are also available.

Here are primary features of the new Camaro:

Styling: The silhouette has a smooth international flavor—longer hood, flatter windshield slope, swept back roofline and Corvette-type rear with twin taillights. The car is 2 inches longer, 4 inches wider and 1.1 inch lower than the previous Camaro.

Body: Total glass area on the new Camaro is increased by nearly 10%. There is full glass styling and Astro Ventilation.

Doors are five inches longer.

Construction: The new body is stronger and quieter. Double steel roof panels give added strength.

Re-design of the body emphasized reduction of the passenger compartment noise level. A new acoustical roof design absorbs 3 times as much sound energy as the roof of the previous model.

Chassis: The low-stance, road-hugging qualities of Camaro's chassis are improved for even more responsive handling.

BABY SHOWER HELD

Mrs. Charles Lee Pfluger was honored with a baby shower at the home of Mrs. C. F. Dacy on Sunday, February 15th. The table was beautifully decorated in yellow and white, with white cake and yellow punch served. There were 14 guests attending, and also Mrs. Pfluger's mother, Mrs. Fate Parker of San Angelo, and sister, Mrs. Terry Irwin of Sonora.

Hostesses for the shower were Mrs. C. F. Dacy, B. E. Moore, E. H. Dannheim, Annie Speck, Sherrill Dannheim, Luther Dunham, Aaron Steward, Joe Kreklow, and George Millsap.

Mrs. Pfluger received many lovely gifts, and the guests were rewarded by her enthusiasm over every one. —Rep.

Mrs. Tom Stewart and three children of Midland spent the week end here visiting Mr. and Mrs. Charles Wimer. The Stewart family were scheduled to leave Wednesday of this week for Minneapolis, Minn., where he has new assignment with Northern Natural Gas Co.
