Thursday, April 9, 1970

Number 15

## To Kick Off Industrial Foundation Thursday

The Schleicher County Foundation, a local development agency dedicated to the economic development of Schleicher County, will officially become a working organization as directors and prospective members meet in the Lions Club Room, Memorial Building at 7:30 p.m., Thursday, April 9.

The official charter for the foundation has been granted by the Secretary of State, the organization has been officially accepted as a corporation, and it remains only for directors and members of the organization to approve proposed by-laws, and accept annual dues. Elton McGinnes, director, will act as temporary chairman for the foundation as its first general meeting. Permanent directors for the ensuing year will be elected and will serve until the next annual meeting. In addition to McGinnes,

Raymon Mobley, Cecil Pearce, Pat Wester and Ed Meador make up the temporary board of directors.

"The establishment of The Schleicher County Foundation represents a necessary step for the survival and development of our community," McGinnes points out. "Not only will the foundation open the doors to new possibilities of economic development from within our own community, but it enables the community to take advantage of various programs of economic financing that have heretofore been unavailable to us. It is conceivable that by its assistance in bringing new influences into our economic picture, the foundation could ultimately be responsible for broadening the tax basis for the County as a whole, thereby bringing about a reduction in taxes. We feel that this is a great opportunity for the citizens of Eldorado and the Coun-

ty, along with the established businesses already performing needed services to our community, to give themselves an added push up the economic ladder."

Various State Agencies are quick to point out that the greatest chance of additional economic development comes from within a community itself, with the prime requisite being the participation by the community as a whole. Such developments as a new motel, restaurant, recreational facilities have been the direct outgrowth of work done by local development agencies such as The Schleicher County Foundation.

The temporary board of directors has set the annual dues of \$10.00 per individual, and \$25.00 per business establishment with a \$5.00 per employee charge not to exceed \$100.00 total membership fee.

## Alderman Election Draws Write-In

A spate of write-ins took place in two elections here Saturday that resulted in a write-in candidate winning place as an Eldorado alderman.

The Alderman ballot carried five names with instructions to vote for three. When final tabulations were made the votes were:

*John Hodges	134
Ted Short	54
*R. L. Waldron	133
E. M. Jackson	94
S. C. Engdahl	55
*Frank (Pancho) Bradley	96
John Meador	20

Hodges and Bradley will be the new aldermen, plus Waldron who was an incumbent.

Hold over aldermen are Jimmy Doyle and Granvil Hext. The above five, together with Mayor Calk, will constitute Eldorado's governing body for the coming year.

## New Nursing Wing Proposed For Hospital On Self-Liquidating Plan Of Financing

Following the annual election Saturday in which all were re-elected, Hospital directors met Monday and re-organized for the coming year, and then adopted tentative plans for major expansion.

At Monday's meeting plans were presented for a 16-bed addition to the nursing wing. This addition will be an extension of the present nursing wing and is to be completed with great dispatch due to a large waiting list of patients who are seeking admission.

The Board elected Peyton Cain, president, and Elton McGinnes, secretary-treasurer. Other board members include Carroll Ratliff, Ronnie Mittel, Guy Whitaker, Ed Meador and Madolyn Mertz.

The new structure will be built by Medica Diversified Inc., which currently leases the medical facility, with the co-operation of financing through the First National Bank of Eldorado. The 16-bed addition will increase the total bed capacity of the nursing home to 38 beds and is the completion of Phase 1 of a long term expansion program envisioned by the leasing organization.

Included in the plans is the possible conversion of one area of the new extension into a physician's clinic in anticipation of a new doctor expected here this summer to join Dr. Brame and Dr. Fehner.

Under the leasing arrangement with the Hospital Board, Medica-Diversified has agreed that the structure will become the property of the District at the end of the leasing agreement. The structure is to be completed without additional taxes.

## Funeral Sunday For Mrs. Tibba Powell

Mrs. Tibba Powell, 39, wife of Schleicher County rancher John Rae Powell, died at about 1:00 p.m. Friday in Schleicher County Medical Center after a long illness.

Funeral services were held Sunday afternoon in First Presbyterian Church here in Eldorado with the Rev. Dan Sebesta of Big Spring officiating. Burial was made in the local cemetery.

She was born April 23, 1930 in Ozona, daughter of Mr. and Mrs. Frank McMullan, Ozona ranchers. She had lived in Schleicher county 15 years. She was married to John Rae Powell Oct. 28, 1954.

Other survivors include a son, Johnny Powell of the home; a daughter, Margaret Powell of the home; a brother, Frank McMullan Jr. of Ozona and a sister, Mrs. Dixie Pettigrew of Clovis, N. M.

## Please DON'T MAIL Your Census Form

Census Crew Leader Cynthia Ward was in Eldorado Monday and reported to the Success that some people in these small towns have been making the mistake of mailing their census forms instead of waiting for the enumerator to come around to pick it up.

She pointed out that there is some confusion caused by statements made on T-V that urge people to mail their census forms. That is done in the large cities. In these small towns, however, the regulation calls for the personal visit of the enumerator.

If a census form is dropped in a mail box, the postal clerk is required to drop it into the wastebasket unopened since such information is confidential under law. Enumerators are making their rounds during the one month period, April 1 to May 1.

—ADDING MACHINE PAPER, roll 35c at The Success Office.

## Post Script

More than the usual number of civic activities are being publicized on this page this week.

First, there is the Industrial Foundation meeting coming up this Thursday evening which is entitled to your support.

Second: Medica Diversified has found a way to build a new addition to our nursing home without going to the voters for a bond issue.

Third: The City's 24 low rent housing units which didn't cost property owners a cent—are full up and needing more room—and the city council is applying for that many more.

Fourth—there is going to be a Spring clean-up campaign.

That brings up another problem. Everyone knows that the past winter has been the wettest and coldest in years and it has raised hell with our streets. There are more chug holes all over town than ever before.

Unable to hire small street-paving equipment to do patching work, the Council early in February went all out and signed a contract for purchase of black-top equipment. Delivery has been expected daily. Some modifications which had to be added has caused a delay in delivery.

As soon as the machine arrives, and if the rains will hold up—then the very next order of business will be a massive repair job on streets all over town.

Mrs. Roy Andrews proudly reports that Roy has improved to such an extent that they were able to visit their place near London, Texas recently. Roy and family were the good friends who drove them down there she said, and she didn't fail to mention that as an ardent fisherman, they had a chance to go fishing again for the first time in a long time.

Success printers this past week printed and delivered the ballots for the First Democratic Primary which comes on May 2nd, and absentee voting starts this coming Monday, April 13th.

We printed 400 ballots for each of the four voting boxes of this county. Also for each box, we printed some Sample Ballots on pink paper. These will be free to local citizens who want them. We have some samples here at the Success office and there will also be some at the Clerk's office.

We have several contested races on the local level this year, and here is a special word to Candidates: There are just three issues remaining before May 2nd, for your advertising messages to supplement your personal visits and the passing out of cards.

## Bicycle Inspections Set Saturday By Lions

With Lion Bill Rountree as chairman, a Bicycle Inspection Day will be held from 9:00 to 11:00 a.m. Saturday at the Memorial Building.

All youngsters are invited to clean up and fix their bicycles and bring them in Saturday for inspection. Door prizes donated by local merchants will be given and refreshments will be served.

Highway Patrolman Del Capeland will have charge of a safety program for all who attend.

## Hospital District Directors Re-elected

Four Hospital District directors were comfortably re-elected Saturday in spite of a feeble write-in attempt.

In the final vote tabulation write-ins are indicated with an asterisk.	
Ratliff	110
Mittel	109
Cain	144
Whitaker	150
*Jim Thornton	43
*Sherwood Barker	43
*John Hodges	1
*Pancho Bradley	1
*Ira Day	2
*Carl Fuller	2

Election Judge Frankie Short reported that 159 votes were counted.

## Girls District Tuesday

The Eldorado Eaglettes will be out to capture their third district track championship in as many years in the district 21 meet which will be held in Eldorado April 14.

Eaglette competitors will be Sonora, Robert Lee, Christoval, Wall, Blackwell, and Mertzon.

In conjunction with the Division B meet will also be Division A meet with Winters, Lake View, Abilene, San Angelo, Crane, and Colorado City competing.

One over-all junior high division will be held with girls from Sonora, Robert Lee, Wall, Blackwell, Mertzon, Winters, Lake View, Colorado City, Crane, and Eldorado taking part.

Preliminaries will probably begin about :00 a.m., with finals at about 2:00.

Since school will be in progress during the meet, some help will be needed from any Eldorado people who can and will volunteer. Contact Coach Jack Bell if you will be available, Tuesday, April 14.

## Stage Band Popular

The Eldorado Stage Band, which performed at the Lions Club Queen Contest and the Chamber of Commerce banquet last week and received high acclaim from home town fans, performed yesterday (Wed.) morning for an assembly program at the Ozona High School Auditorium. Several other places have requested an appearance of the band before school is out.

The stage band is composed of: Danny Boyer, drums; Karen Hight, piano; Jimbo Overstreet, bass or guitar; Carolyn O'Harrow, cornet; Santos Pina, Lisa Whitten and Gail Robinson, trumpet; Claudia Meador, Eva Jo Blaylock and Benjie Jay, trombone; Mary Ann Draper, Linda Derrick, Genie Newport, Eva Stigler, Debbie Johnson and Felipe Pina, saxophones.

The band is directed by Wayne McDonald.

## Mrs. Bruce Shipman Is In Hospital At Houston

Mrs. Bruce Shipman underwent eye surgery last week in Methodist hospital and is continuing convalescence there. She is expected to be confined for two or three weeks.

Her mailing address is: Mrs. Bruce Shipman Room 561 Methodist Hospital 6516 Bertner Houston, Texas 77025

## School Trustees Elected Saturday

About 75 local people turned out last Saturday to vote in the school trustee race, in which there was no contest.

Elected were Wilson Page, Cecil Pearce and Mort Mertz whose names were on the ballot.

The school board will meet Monday and one of the items of business on the agenda will be the canvassing of the vote, after which the men will be declared elected.

## Medical Auxiliary

The Schleicher County Medical Center Auxiliary held its monthly meeting last Thursday morning at 9:30 in the hospital dining room.

Mr. Jeffrey A. Miller of the American Cancer Society in San Angelo presented the program. It was entitled "Service that the Cancer Society can offer the public."

Mrs. Jo Ann Nicholas from Ozona discussed what the chapter of the "Cancer Society" was doing presently in Ozona. Mrs. Nicholas is the mother of Mrs. C. F. Daey of Eldorado.

A "flea market" sale will be held by the Auxiliary on April 23 & 24. Be gathering discarded clothes and housewares to be used in the sale. More information will be printed in next week's paper; but be thinking of it.—Rep.

## Riding Club Meets

Members of the Eldorado Riding Club met last Thursday night at the club house and enjoyed a covered dish supper: 28 members and 8 children attended. Lynn Griffin was received as a new member.

Next Thursday, April 6, the club will meet for the annual election of officers. Time: 7:30. Place: club house.

## Council Applies For More Low Rent Units

With Mayor Calk presiding, the City Council met Tuesday night and canvassed returns of Saturday's election and swore in the two new members. The two retiring members were also present.

Present at the meeting at the request of the Mayor was Mrs. John Gilmore, Executive Director of the Eldorado low-rent housing unit, who reported on the occupancy of the 24 units and their financial standing. She reported that the units are now 100% occupied and that rent receipts are in excellent order. She also reported that there was a waiting list of prospective tenants—perhaps as many as half a dozen, at the present time.

By a unanimous vote the council passed a resolution requesting an additional 24 units. This resolution is being mailed to Ft. Worth district headquarters for processing.

## Clean-Up

Buddy White, president of the local Chamber of Commerce, appeared before the Council and outlined a plan for a city wide clean-up campaign in which he was asking for co-operation from the City and County.

How to rid streets and vacant lots of wrecked and abandoned old automobiles was one of the problems discussed.

## SCHOOL NOTES :

On Friday, April 10, the debate, ready writing, and one-act play contests will be held in Menard.

Saturday, the District track meet (boys) will be held here.

On Monday, district Golf Meet will be held in Sonora.

On Tuesday, the Eaglettes will host the District Track Meet here for girls' teams from the area.

On Wednesday, the tennis meet will be held in Mason.

LIONS CLUB Queen Contest Winners were Lisa McAngus, Debbie Johnson and Lorretta Schooley. Miss Johnson will represent the local Lions Club at the District Queen's Contest in San Angelo.

STUDENT COUNCIL OFFICERS for 1970-71 are: Peggy Hill, corresponding secretary; Bob Whitten, pres.; Mary Lyn McCalla, rec. secretary; Keith Williams, parliamentary; and Jimbo Overstreet, president. They were elected recently.

Editorial Comment  
From Our Neighbors

**Competition And Shop-At-Home**  
Many of the local merchants joined together to sponsor a good town-wide Spring and Pre-Easter promotion two weeks ago, only to have the event somewhat hampered by the surprise, big snowfall on the first day of spring. Then last week end, for the last shopping days before Easter, there was the raging sandstorm. However, one thing that the local merchants can be happy about is that if the inclement weather kept local shoppers at home and out of the local stores, it also kept them at home and out of the nearby city stores as well.

What brings this discussion up is that we have visited with several local businessmen who have their dober down and are discouraged about business activity over a period of the past few months. They deplore the sight of out-of-town carpet wagons and furniture trucks parked in front of local residences. Or the listings of automobiles bought out of town and registered in this county. Or the number of Van Horn people seen around shopping centers in nearby cities, obviously making purchases.

Of course, we agree that we all need more business here and that if there were some way to erect a fence around the city and keep all shopping dollars at home it would be a big increase, but this is merely fanciful thinking.

Harold Hudson of the Perryton Herald also had a few thoughts on this line recently, pointing out that competition is the spice of life, so they say, and everybody in business has competition. Sometimes the business man loses sight of just who his competition is, and doesn't realize that his real competitor is not the fellow down the street, but more likely the one a considerable distance away.

In our case, for instance many people may feel that the Advocate is a "monopoly" being the only newspaper, commercial printing and office supplier in town. But you have no idea how much commercial printing is done by out-of-town firms. Every week or so there are door-to-door salesmen coming through selling papers, office supplies, office machines, furniture, etc. Advertising-wise there are direct mail catalogues, advertising novelties, outdoor advertising signs, and advertisements in local booklets, programs, window posters, and numerous donations that take a big slice out of potential advertising budgets.

Many Van Horn businessmen have competitors here, too, to be sure, but they also have their strongest competitors in El Paso, Pecos, Carlsbad to name a few nearby towns. This has been going on for a long time, and it is only natural that people should want to drive to the nearest city and shop. Usually the selection of merchandise is greater in a larger city, although the price and quality may not be any better than the smaller city.

Van Horn merchants are not going to keep shopping dollars at home by running down their city competitors. The only way they will keep these dollars at home is by letting their customers know that they are selling, delivering their goods at fair prices, and giving top service after the sale is made. It is in the latter area that Van Horn merchants can do a better job than a store a hundred miles away, and sometimes this is the only real selling point they have.

When things tighten down a little bit, the aggressive merchants promote and merchandise their wares harder than ever. The successful city stores never coast, they keep pushing and promoting and advertising and selling. It's a dog fight in lots of ways and the merchant who sits back and assumes that customers are going to come to his store because he is a nice fellow and has been in business at the same location for a long time is merely kidding himself.

The only way a "shop at home" campaign will ever work is for local stores to deliver the merchandise at competitive prices and give pleasant service on every sale. And even after you think you have done your best, you still don't get all the business.

We constantly compete with out-of-town businesses and they still get business from here even when we think we have them beat on prices and service. We admit it irks us to lose sales to these out-of-town outfits, especially when the customer is an agency supported solely by local taxes which we pay, but our competitor does not. However, we long ago accepted this as a fact of life and all we know to do is keep trying.

So, this is our suggestion to local businessmen, keep trying, keep promoting and keep competing. —Gene Dow in the Van Horn Advocate.

Lonny Hazelwood was here recently to visit his grandparents, Mr. and Mrs. L. V. Hazelwood. Lonny, who is a student in a Stillwater college, was accompanied by Linda Lomburg, a friend.

Alvin Luedecke Serving As Acting Head Of Texas A&M

Major General A. R. Luedecke was named Acting President of Texas A&M University and The Texas A&M University System on March 30, 1970. Prior to his appointment as Acting President, General Luedecke had served since May 1968 as Associate Dean of Engineering at Texas A&M University. He was given additional responsibilities as Associate Director of the Texas Engineering Experiment Station in February 1969.

President Luedecke has had a distinguished career in the military and related fields. He is a native of Eldorado, Texas, and a 1932 graduate of Texas A&M University with a B. S. degree in Chemical Engineering. During his professional career he received many honors, awards, and decorations. These include the Distinguished Service Medal, the Legion of Merit with cluster, Bronze Star with two clusters, the Cruz de Boyaca (Colombia), Commander of the British Empire (United Kingdom), and the Cloud and Banner (China). He was awarded an honorary LL. D. Degree by Texas A&M University in 1946 and in 1967 was presented with the Distinguished Alumni Award by the University. In 1968 he received the Exceptional Service Medal from the National Aeronautics and Space Administration.

Just prior to assuming his duties with Texas A&M, Gen. Luedecke was Deputy Director and General Manager of the Jet Propulsion Laboratory at the California Institute of Technology, Pasadena, California. In this capacity he exercised management direction of the laboratory of over 4,000 employees in the performance of the following projects:

- Ranger Program (last two missions) photographing of lunar surface.
- Mariner IV Project, fly-by mission to Mars.
- Surveyor Project, soft landings on the Moon.
- Mariner Venus 67 Project, fly-by of Venus.
- Mariner Mars 69, initial phases.
- Voyager Project, planning for Mars landing.
- Research and Advanced Development.
- Operation of Deep Space Communication and Control Net.

General Luedecke retired from the U. S. Air Force as Major General in 1953 to accept the statutory position of General Manager of the U. S. Atomic Energy Commission and served in this capacity until August 1964.

Among his military assignments were the following:

- Commander  
Joint Task Force 7

Maj. Gen. Alvin R. Luedecke (left) with A&M Board Chairman Clyde Wells on March 30

Nuclear Test Organization  
Pacific Proving Ground.

Chief, Armed Forces Special Weapons Project (now Defense Atomic Support Agency), Wash., D.C.

Deputy Chief, Armed Forces Special Weapons Project.

Executive Director, Military Liaison Committee to U. S. Atomic Energy Commission, Wash., D.C.

Air Planner, Joint Strategic Plans Group, Joint Chiefs of Staff, Washington, D.C.

Deputy Chief of Staff for Operations, Plans, Training, Intelligence, and Communications, Headquarters, Army Air Forces and Southeast Asia Air Command, of China-India-Burma Theatre, World War II.

Air Officer, American Intelligence Command, Miami Beach, Fla.

General Luedecke served as a member of the Century Study Committee composed of Texas citizens which made a one-year study of Texas A&M University in 1962 and charted plans for its future growth and development.

General and Mrs. Luedecke have three children: Mrs. Jan Lee Maynard, Bremerton, Washington; Mrs. Miriam A. Jacobs, Annandale, Va., and Alvin R. Luedecke, Jr., College Station, Texas.

As indicated by General Luedecke's wide range of experience, high placed command assignments, and successful management experience as General Manager of the Atomic Energy Commission and Deputy Director and General Manager of the Jet Propulsion Laboratory, he brings to the position of Acting President a wealth of experience as a public administrator. The announcement of his appointment was received with expressions of total support from all administrators within The Texas A&M University System. We are confident that he will provide the kind of outstanding leadership which has brought Texas A&M University to the forefront among American Universities within recent years.

NAMED SOCIETY OFFICERS

Ft. Worth, Tex.—Martha Sue Page and Susan Hill of Eldorado have been elected first vice president (Martha) treasurer and national counselor (Susan) of Phi Chi Theta at Texas Christian University. The national honor society for women in business or economics recently selected officers for the 1970-71 academic year.

Miss Marjorie Keaton, assistant professor of office administration, serves as the organization's faculty sponsor.

Martha Sue, daughter of Mr. and Mrs. James A. Page, of 106 Redwood, is a junior accounting major. She is a member of Pi Beta Phi sorority and Alpha Lambda Delta, national scholastic honor society for freshman women.

Susan, daughter of Mr. and Mrs. Jo Ed Hill of 103 Redwood, is a sophomore accounting major. She is a member of Pi Beta Phi sorority and Young Republicans.

Clean Up Your  
MEDICINE CHEST  
12 Safety Rules To  
Prevent  
Accidental Poisoning

1. Keep all medicines and household poisons (cleaning fluids and insecticides) out of the reach of children.
2. Never refer to medicine as "candy" to your child.
3. Read all labels carefully and follow directions.
4. Don't take a medicine prescribed for someone else.
5. Never increase the dosage or the frequency of a dose of medicine—unless your doctor suggests it.
6. Throw out the contents of all old medicine bottles.
7. Keep internal medicines in one cabinet and external medicines and poisons in another.
8. Do not place poisonous liquids in soda bottles.
9. Throw out all unlabeled medicines and containers.
10. Do not take or give medicines in the dark—when you may be sleepy.
11. Protect your skin when using insecticides, solvents or cleaning agents. Remember some products can be absorbed through the skin; use as directed.
12. If someone takes a potentially toxic substance in your home, call a physician immediately. Don't wait for symptoms to appear.

FTC Ruling Affects  
Coupons In Products

College Station, Tex.—New rulings from the Federal Trade Commission say that coupons enclosed in consumer products may contain no expiration date. If a date is necessary, it must be such as to allow purchasers of the product at least six months to redeem the coupon.

The ruling resulted from complaints by homemakers that the coupons too often have expired before the product ever left the grocer's shelf, reports Gwendolyn Clyatt, Extension consumer marketing specialist with Texas A&M University.

Manufacturers who state on the outside of a package or in their ads that a coupon is enclosed also must clearly define the limits of the coupon. They must state what it is for, how much it is worth and what limitations are placed on its redemption.

Best Food Buys

College Station, Texas.—To help economize on the food bill, here are some tips from Gwendolyn Clyatt, Extension consumer marketing specialist with Texas A&M University, about good buys in this week's market.

At retail meat counters, look for best beef values on round steaks and roasts, chuck roasts and steaks and beef liver. Pork values include picnics, end cut loin roasts and chops and pork liver.

Flyers generally are the biggest bargain in most meat departments but prices vary considerably among stores, she notes. Consider the whole bird rather than cut-up fryer or parts for lowest prices.

Grade A large eggs continue to offer the most quality and economy for egg money.

Fresh fruit and vegetable items in good supply at the most economical prices include navel and juice oranges, apples, pears, bananas, grapefruit, strawberries, potatoes, head lettuce, celery, cabbage, carrots, radishes, green onions, dry yellow onions and sweet potatoes.

The entire SIX FLAGS operation occupies 145 acres. There are more than 85 rides, shows and attractions within the Park. Tickets are \$5.00 for adults and \$4.00 for children under 12. Children under three are admitted free. A ticket entitles the guest to ride all the rides and see all the shows and attractions as many times as he likes during the day without extra charge. SIX FLAGS is located in Arlington, Texas, and is midway between Dallas and Fort Worth (16 miles from either city via turnpike).

"I'll have to call you back, Igor. Something just came up."

If you can't leave something you're working on, why not put in an extension phone? It only costs a few cents a day. And it could keep something monstrous from happening.

## Eaglettes Claim Mile Relay

Last Saturday in drizzle and wind the Third annual running of the Eaglette Relays took place with newcomer, Borden County, winning it with 104 points. Lake View produced a balanced team effort for second with 87 and Eldorado was third with 78. In order then came Robert Lee 60, Sonora 46, Mason 32, Winters 35, Mertzon 24, Iraan 22, Wall 16, Sanderson 19, Crane 2, and West 0.

First place finishes to Eldorado in the Mile Relay and in the discus as Kathleen O'Harrow threw 87' 7" and there were only two second place finishes for the green and white as Kathleen was runner-up in the shot-put and Janet Oglesby was second in the 880 run. Both the 440 and 880 relay units had their troubles in the prelims dropping the baton then finishing fourth and fifth in the finals.

Miss Cheron Billick of Borden

County was the High Point girl of the meet with 38. There were 7 records set as the sun appeared for the finals though the wind continued to blow. New standards were established in the high jump, 880 run, shot put, 440 relay, 60 yd. dash, 880 relay, and 100 yard dash.

### Results — Eaglette Relays

Shot Put: 1, M. Keel, Lake View, 35', new record; 2, Kathleen O'Harrow, Eld., 32' 2"; 3, Percy, Lake View, 30' 7 1/2"; 4, Hinnard, Robert Lee, 30' 4"; 5, Jacobs, Winters, 29' 6"; 6, Mary Lyn McCalla, Eld., 29' 4"; 7, Mary Dykes, Iraan, 29' 4".

Discus: 1, Kathleen O'Harrow, Eld., 87' 7"; 2, J. Wojtek, Lake View, 83' 10"; 3, C. Carpenter, Wall, 83' 3"; 4, Mary Lyn McCalla, Eld., 76' 11"; 5, M. Carpenter, Wall, 75' 5"; 6, Dunnan, Winters, 74' 2".

High Jump: 1, Carol Jacobs, Winters, 4' 11", new record; 2, D. Dalton, Lake View, 4' 9"; 3, Shoemaker, Borden Co., 4' 8"; 4, V. Lindley, Mertzon, 4' 8"; 5, Gay Lyn Richardson, Eld., 4' 4"; and

6, L. Walker, Winters, 4' 4".

Broad Jump: 1, Cheron Billick, Borden Co., 15' 3 1/8"; 2, Braden, Wall, 15' 3"; 3, J. Conley, Robert Lee, 14' 11"; 4, L. Lett, Winters, 14' 6"; 5, Patsy Tampke, Eldorado, 14' 3 3/4"; 6, C. Hardgraves, Sonora, 14' 3 1/2".

Triple Jump: 1, Cheron Billick, Borden Co., 30' 9"; 2, L. Lett, Winters, 29' 2"; 3, Childs, Lake View, 28' 10 1/4"; 4, Rosellen Maness, Eld., 28' 10"; 5, Leigh, Lake View, 28' 7 3/4"; 6, V. Lindley, Mertzon, 28' 5 3/4".

220 Dash: 1, Bonnie Fredrick, Lake View, 27.8; 2, V. Hardgrave, Sonora, 28; 3, Blair, Robert Lee, 28.9; 4, Gray, Borden Co., 29.1; 5, Purdam, Lake View, 29.15; and 6, Patsy Tampke, Eld., 30.

440 Dash: 1, Melanie Boyd, Mertzon and R. Jansa, Winters, tie with 65.9; 3, Davenport, Mason, 68.1; 4, Arhelger, Lake View, 69.1; 5, Lynn Sanders, Eld., 71.3; and 6, Janet Davis, Eld., 73.1.

60 yd. dash: 1, Jackie Conley, R. Lee, 7.1, new record; 2, B. Fredrick, Lake View, 7.4; 3, Holloway, Mason, 7.6; 4, Brown, Borden

County, 7.65; 5, Boyd, Mertzon, 7.7; 6, Lou Wein, Sanderson, 8.

100 Yd. Dash: 1, Jackie Conley, R. Lee, 11.5, new record; 2, C. Billick, Borden Co., 11.8; 3, B. Fredrick, Lake View, 12; 4, S. Rogers, Iraan, 12.1; 5, Hardgraves, Sonora, 12.2; 6, D. McWilliams, L. V., 12.6.

80 Meter Hurdles: 1, Pitcock, Robert Lee, 13.6; 2, V. Lindley, Mertzon, 14.1; 3, M. Higdon, Iraan, 14.4; 4, Newton, Borden Co., 14.5; 5, Randy Yates, Eld., 14.6; 6, Lynn Sanders, Eld., 16.2.

880 Yd. Run: 1, Gormley, Mason, 2:51.1; 2, Janet Oglesby, Eld., 2:54.2; 3, Ybarra, Sanderson, 3:03.2; 4, J. McCutcheon, Sonora, 3:05.5; 5, Briggs, Borden County, 3:06.2; 6, J. Alexander, Sonora, 3:06.5.

440 Relay: 1, Borden Co., 53.0, new record; 2, Sonora, 54.1; 3, R. Lee, 54.2; 4, Eld., 55.3; 5, Iraan, 56.1; and 6, Crane, 56.7.

880 Relay: 1, Borden County, 1:53.5, new record; 2, Lake View, 1:56.7; 3, Sonora, 1:57; 4, Mason, 1:57.3; 5, Eld., 1:58.7; and 6, Robert Lee, 1:59.6.

Mile Relay:  
1, Eldo., 4:35; 2, Borden Co., 4:49.9; 3, Sanderson, 4:52.3; 4, Iraan, 4:56.5; 5, Mason, 4:58; and 6, Sonora, 5:19.9.

## Junior Eaglettes Runner - Up

Mrs. Harber's junior high girls track team piled up 85 points Saturday but it wasn't quite enough to catch Lake View who scored 91 for the championship.

There were many outstanding performances with seven records set.

Miss Lowry of Lake View established the high jump mark of 4' 3 1/2" while Miss Kadlacek of Wall broad jumped a record setting 14' 5". Miss Palmer of Mertzon put the shot 27' 9" for a record and Miss Trimble of Lake View ran the 100 of 12.6. Debbie Page of Eldorado established a new record in the 60 dash with a 7.5 performance.

The deciding points came in the relays both of which Lake View won setting records in each.

Many of these same performers will be back here April 14 for the district meet in which there will be a junior high division.

### Results—Junior High Division

High Jump: 1, D. Lowery, Lake View, 4' 3 1/2", record; 2, Walker, Crane, 4' 1"; 3, L. Kadlacek, Wall, 3' 11"; 4, K. Brough, Iraan, 3' 6"; 5, T. Ramsey, Iraan, 3' 6"; and 6, V. Maness, Eld., 3' 4".

Triple Jump: 1, Wally Joiner, Eld., 27' 11 1/4"; 2, Vonda Maness, Eld., 27' 8 1/4"; 3, S. Wilde, Wall, 25' 10 1/4"; 4, N. Cox, Lake View, 25' 2 1/4"; 5, S. Tomlinson, Lake View, 24' 10 1/4"; and 6, C. Weston, Sonora, 24' 6 1/4".

Broad Jump: 1, L. Kadlacek, Wall, 14' 5", new record; 2, Wally Joiner, Eld., 14' 1 3/4"; 3, Heck, Robert Lee, 13' 9"; 4, Vonda Maness, Eld., 13' 3"; 5, Beckett, Iraan, 13' 1 1/2"; 6, Morgan, Lake View, 13' 1/2".

100 yd. Dash: 1, Trimble, Lake View, 12.6, new rec.; 2, McKelvy, Iraan, 12.7; 3, Magee, Lake View, 12.9; 4, Walker, Crane, 12.95; 5, Wally Joiner, Eld., 13; 6, Wallace, Sonora, 13.1.

220 Dash: 1, Kathy Page, Eld., 30.1; 2, Laramore, Lake View, 30.5; 3, Hardgraves, Lake View, 32.4; 4, Carpenter, Wall, 32.6; 5, Walker, Robert Lee, 32.65; and 6, Hemphill, Sonora, 32.7.

60 yd. Dash: 1, Debbie Page, Eld., 7.5, new record; 2, Heck, Rob. Lee, 7.8; 3, Dillard, Crane, 8; 4, Vonda Maness, Eld., 8.05; 5, Galbreath, Sonora, 8.1; 6, Slaughter, Menard, 8.2.

Shot Put: 1, M. Palmer, Mertzon, 27' 9" new record; 2, Carpenter, Wall, 25' 1 3/4"; 3, Foltz, Lake View, 24' 5"; 4, Hayes, L. View, 23' 10 3/4"; 5, Weishuhn, Wall, 23' 2"; 6, Earwood, Sonora, 22' 11 3/4".

440 Relay: 1, Lake View, 55.8 new record; 2, Eld., 56.7 (G. Storie, K. Page, D. Page, W. Joiner), 3, Crane, 56.8; 4, Iraan, 57.1; 5, Sonora, 57.8; 6, Wall, 57.85.

880 Relays: 1, Lake View, 2:01.7 new record; 2, Wall, 2:03.5; 3, Eld., 2:05.5 (V. Maness, D. Page, K. Page, W. Joiner), 4, Sonora, 2:06.6; 5, Crane, 2:08.2; 6, Iraan.

Both Mrs. Harber and Coach Bell wished to express appreciation to the many, many people who volunteered their help to make this meet a success. Though the weather was cold, wet, and windy there were many townspeople who still showed up to volunteer to help. Thanks to Kenneth Vaughan who announced, Kay Mitchell, R. Waldron, Jelly Mund, Bobby Helmers, Charles Adams, Charles Adams Jr., Jerroll Sanders, Buddy White, and Wilson Page, who helped in numerous ways. Mrs. Pam White was a most efficient finish clerk and Norman Roberts is a top-notch starter clerk. Mr. Bill Carwile from San Angelo was the starter. With everyone helping the meet was concluded slightly before 4:00—ahead of schedule. Thanks everyone.

During the 1969 season, nearly 35% of all SIX FLAGS guests came from outside Texas.

# Impala '400' Sale.

You save when you buy it. You save when you drive it.

When you buy any Impala V8 model during our "400" Sale, here's how you can get two popular extras at no extra charge.

You order your Impala equipped with a Turbo Hydra-matic transmission, radio, Comfortilt steering wheel, front and rear bumper guards and white stripe tires. Items you'd probably order anyway.

Then we add our big 400-cubic-inch V8 at 265 hp that runs on regular gas, along with dual exhausts—both at no charge.

(The manufacturer's suggested retail price including Federal excise tax for the regular fuel 400 V8 and dual exhausts is \$93.75.)

But that's only the beginning. Because your Chevrolet dealer is really anxious

to deal these days.

And the Impala you're buying, of course, got to be America's No. 1 car, because of all the value features built right in. Features like flush-and-dry rocker panels that fight rust. Inner fenders to protect the outer fenders. Long lasting bias belted ply tires, steel guard beams in every door for added protection, an acrylic lacquer finish over its solid Body by Fisher.

All of which contributes to Impala's traditionally high resale value, too.

You're getting America's No. 1 car on sale. The car more people buy—year after year after year.

How can you beat that?!

**In Those Days**

Compiled From Success Files

**ONE YEAR AGO**  
April 10, 1969—Eldon Calk was re-elected mayor, receiving 132 votes to R. V. Sheppard's 123.  
The Chamber of Commerce promoters were selling tickets to a dance set for April 26th.  
Funeral services were held in Dallas for Mrs. D. E. Kinnamon, 59. She was a sister of the Pages.

**FIVE YEARS AGO**  
April 8, 1965—Open House was set Saturday at El Dorado Woolens new building on the Sonora highway. Knight-Susen of San Angelo was general contractor.  
Larry McGinnes was named to attend Boys State coming up in June in Austin sponsored by The American Legion of Texas.

Dr. L. L. Morriss of Midland was to be preacher at a community-wide revival getting under way at school, sponsored by the Ministerial Alliance.  
Voter approved the water district by 164 to 67.  
John Hodges was moving here from Stamford to be manager of the Eagle Chevrolet-Olds agency.  
Betsy Bruton's engagement to Clyde Thackerson Jr. was announced.

Lynda McGinnes was named to the honor roll at North Texas State in Denton.  
Ed Willoughby's funeral was held. He died at the age of 70.

**12 YEARS AGO**  
April 10, 1958—The City Council met with Thomas R. Jones, Ralph McMillan and Jack Hext as new members. Hold-over aldermen were Edgar Spencer and Ed Meador, with Rance McDonald as mayor.

The Lions Club was sponsoring an All-District Basketball Banquet. Ed Meador was to be master of ceremonies and Charlie Trigg was to introduce the speaker, Polk Robison of Texas Tech.  
Mr. and Mrs. J. A. Butler moved to Altadena, California, to make their home.  
C. O. Dewey, Henry Speck and Weldon Davis were elected school trustees.

Directors of the Southwest Texas Electric Co-Op met and accepted plans for their headquarters building. Estimated cost was \$90,000. Donald Goss of San Angelo was architect.  
Some remodeling was being done at the Eldorado Drug Store.  
Tommy Hartgraves was honored on his 4th birthday.  
Mr. and Mrs. Joe Vagley were back home following a trip they had made to Portales, New Mexico.

**35 YEARS AGO**  
April 12, 1935—The Lions Club members were at work on a play, "Mamma's Baby Boy" to be presented night of April 19th.  
Mrs. Joab Campbell, Miss John Alexander, Mrs. L. M. Hoover and Mary, spent the week end at Brownwood visiting Mrs. Campbell's daughter Nell and John Alexander who are attending Howard Payne College.

J. T. Ballew Sr. was reported seriously ill with pneumonia at his home in San Angelo.  
Miss Ella Cummings, a former teacher in the Eldorado schools, and a cousin of L. M. Hoover, died in Austin.  
Clarice Lee had an essay in the school news column, "What School Has Meant To Me This Year."

Debaters who presented a school assembly program were John E. Rodgers, Charles Ratliff, Mary Lee Davis, and Josephine Clayton.  
Wm. Cameron Lbr. Co. advertised home repair and modernization loans up to \$750.  
Mrs. A. P. Currie advertised tomato plants for sale.  
On April 9th, a 10 1/2-pound son was born to Mr. and Mrs. J. R. Conner in San Angelo.

William Milton Smith died at the age of 84. He was born in 1851 near Bonham. The Rev. P. S. Connell officiated at the funeral.

**YOUR CHILD SHOULD LEARN TO COOK**

Every youngster should learn how to cook, say child experts. Both boys and girls need to know the basics of preparing meals, they report, in order to develop an awareness of healthful nutrition, different food varieties, tastes, costs—and family responsibilities.  
They should be introduced to cooking as soon as they first express interest in it, the authorities say. Beginners' recipes should be simple but rewarding—something that will actually be part of the meal. A good example is this basic white sauce that's nearly fool-proof:  
Melt two tablespoons of butter or margarine in a saucepan over low heat. Blend in 2 tablespoons of flour, 1/4 teaspoon of salt and a dash of white pepper. Add one cup of milk all at once. Cook quickly, stirring constantly until the mixture thickens and bubbles. It's best to have the child use a wooden spoon for this. As soon as the sauce begins to bubble, it should be removed from the heat. Serve on vegetables such as onions and green peas, or on baked chicken.  
Of course, there are going to be accidental spills and splatters while the child is learning. Even veteran cooks sometimes wear traces of their efforts.  
However, removing stains is not a complicated procedure today with the enzyme pre-soak. The Axion laboratories report that the pre-soak enzymes can break down food stains on children's clothes, aprons, tablecloths and dish towels, and they point out that the sooner you pre-soak the stain the easier it will loosen.  
When the child masters the preparation of simple recipes, let him go on to more complex ones. Here's one to bring out the master chef in him—lemon sherbet.  
Combine 3/4 cup of sugar, a dash of salt and a cup of water in a saucepan. Bring them to a boil and simmer for 5 minutes. Let the mixture cool, then add 1/2 cup of light cream followed by 1/2 cup of lemon juice. Pour the mixture into a freezer tray and let it freeze firm. In the meantime, beat 2 egg whites until they form soft peaks. Gradually add 1/4 cup of sugar and continue beating until stiff peaks are formed. Remove the frozen tray and break it into chunks. Beat with a mixer until it is smooth. Fold in the egg whites. Return quickly to the cold tray and freeze until firm. This should yield 6 servings—unless the young cook has been sampling while working!

**TENDER TRAP FOR THE HUNGRY MALE**

If you're determined to land your man in 1970, don't underestimate the power of a romantic, home-cooked dinner. Particularly one that proves you can turn a small food budget into a culinary coup.  
If you're not so sure of yourself in the kitchen, play it safe with a little outside help. There are two kinds of dinners that virtually every man falls for—plain steak, potatoes and salad or a meat recipe that's seasoned so magnificently he's convinced you're a natural wonder in the kitchen.  
To turn that trick, here's a recipe that sounds fancy, looks elegant and tastes delicious—but it's made from an inexpensive cut of chuck. It's quick to prepare too, because it uses the easy 15-minute meat marinade mix that eliminates the need for pre-browning and is already delectably seasoned. It's called Pot Roast Florentine, a handsome roast dressed with a superb tomato sauce.  
**POT ROAST FLORENTINE**  
4 lb. chuck roast, 7-bone or round bone arm  
1 package Adolph's 15-Minute Meat Marinade  
2/3 cup cold water  
1 large onion, finely chopped  
1 large clove garlic, pressed or minced  
2 8-oz. cans tomato sauce  
1 teaspoon sweet basil  
1 4-oz. can mushrooms, stems and pieces with liquor  
Pour contents of 15-minute meat marinade package into Dutch oven or deep pot with tight-fitting lid. Add all ingredients except mushrooms and blend thoroughly. Place meat in this marinade. Turn and pierce all surfaces of meat deeply and thoroughly with fork. Marinate only 15 minutes, turning several times.  
Cover and cook in preheated 325° F. oven, or simmer slowly over low flame, until tender, a total of about 1-1/2 to 2 hours. Add more water, if necessary or desired. No browning necessary! The Adolph's marinade mix gives it a rich, golden-brown color.  
Remove pot roast to heated platter large enough for carving. Add mushrooms and liquor to gravy in Dutch oven; heat through and serve over meat sliced in thin slices at a 30-degree angle. Makes 4 to 6 servings.

## Eagle Trackmen Win Winters Relays

The green clad trackmen of Eldorado High School won their 5th championship in a row as they took the first place trophy at the Winters Relays last Saturday. This was especially a "sweet" victory for Coach Sherwood Barker's Eagles as they were the only Class A team entered in the meet; the remaining field was made up of all class AA schools. The speedy Eagles scored 111½ points to take the meet. The runner up was Coleman with 103½ followed by Reagan County 89, Winters 71, Haskell 64, Ballinger 40 and Clyde 10.

Going into the final event which was the mile relay the score was tied with 95½ points apiece between Eldorado and Coleman. The Eagle relay team was determined to outrun the Coleman Bluecats to take the title and they did just that. The mile relay is composed of Keith Williams, Bobby Sykes, Bob Page and Paul Page.

In scoring the victory the Eagles totaled four first places, three second places, two third places, two fourths and two fifths.

The places are as follows:

440 relay, Bob Page, W. Doyle, Keith Williams, Paul Page.  
440 Dash, Paul Page.  
Shot Put, Archie Nixon.  
Discus, Archie Nixon.  
Second Place:  
100 Dash, Wayne Doyle  
220 Dash, Wayne Doyle.  
Mile Relay, Keith Williams, Bob Page, Bobby Sykes, Paul Page.  
Third Place:  
Long Jump, Terry Clingan.  
Mile Run, Steve Sykes.  
Fourth Place:  
Shot Put, Jerry Baty.  
120 H. H., Bob Page.  
Fifth Place:  
880 Dash, Jimmy Martin.  
High Jump, Archie Nixon.  
Coach Barker said that he was well pleased with the track team's showing in the Winters meet. When you compete against schools of higher classification and still win it shows that the boys are working hard to win. "This is a fine group of boys and I am sure proud of them for the good work they have done."

This week the Eagles will compete here at home as we are host to the District 8A meet.

## Sgt. Edwards' Unit Named Outstanding

North Charleston, S. C.—Sergeant Michael W. Edwards, son of Mr. and Mrs. M. H. Edwards of Route 1, Lindale, Ga., is a member of a unit that has earned the U. S. Air Force Outstanding Unit Award.

The 437th Military Airlift Wing at Charleston, S.C., was cited for meritorious service from July 1968 to July 1969 for its support of military operations. This marks the fourth time in five years the wing has been honored as an outstanding unit.

Sergeant Edwards, a transportation specialist in the 437th, will wear the distinctive service ribbon to mark his affiliation with the unit.

The organization is part of the Military Airlift Command which provides global airlift for U. S. military forces.

The sergeant is a 1966 graduate of Pepperell High school. His wife, Patricia, is the daughter of Mr. and Mrs. Vernon B. Rogers of Eldorado, Texas.

## Woman's Club Having Bake Sale Today

Today—Thursday, April 9th—The Woman's Club is having a Bake Sale at Handy Hardware.

Mary Hext is chairperson of the sale and all club members are baking cakes, cookies, pies, etc., for the sale.

The sale is getting under way at about 9:00 a.m., and everyone is invited to attend.

## New Vehicles For Month Of March

New vehicles registered during March in Sheriff Orval Edmiston's office were as follows:

W. F. Meador, '70 Ford pick-up; Ello Wilde, '70 Ford pick-up; Halliburton, '70 Plymouth 4-door; Molly Jim Martin, Dallas, '70 Chev. 2-door coupe; Louis H. Gwin, San Antonio, '70 Chev. pick-up; Elton McGinnes, '70 Buick 4-door; Anthony F. Germann, '70 Olds 4-door; Otis Deal, '70 Chev. 4-door; T. R. Spence, '70 Chev. 4-door; Earl Hicks, '70 Chev. pick-up; Robinson Ranch Co., '70 Ford pick-up; Medica Diversified, '70 Chev. 4-door; Robert W. Gandy, Austin, '70 Chev. 4-door sta. wagon; Roy Lynn Love, '70 Ford pick-up; Ed Meador, '70 Chev. 2-door.

SIX FLAGS Over Texas opened its gates August 5, 1961.

## Beta Sigma Phi Opens Rush Season

Beta Sigma Phi opened its pledge rush season with an "Age of Aquarius" party at Anne Doyle's home Tuesday, April 7th.

Invitations were made in Horseshoe Design and accepted by 17 ladies. Weird lighting and wild psychedelic posters put the rushers and members in the mood for a trip. The "trip" planned became a fun-filled treasure hunt. A list of 20 items was given to each pair of girls. Included on three of the lists were "Groovy People" to be brought back to the party—chosen as "Groovy" were Mrs. Pauline Hodges, Mrs. Ann Barker, and Jody Littleton. Prizes were given to the first back with their complete list; Ruthie Dacy and Karen Henderson; also to the last ones back; Tooter Dunham and Barbara Nail.

Regular meeting will be held at 7:00 in the Club Room on Apr. 13.

## Hospital Patients Admitted

(Between 4-1-70 and 4-7-70)

**Beverly Childers**  
Jo Anne Benson  
Lisa Dawn Benson  
Myrtle Wade  
Pearl Bradford  
Marjorie Roden  
James Logan  
Nell Craig  
Mary Maxine Craig  
Juanita Nixon  
Frank McMullan.

**Patients Discharged:**  
Jo Ann Benson  
Lisa Dawn Benson  
Helen Barnes  
Nellirene Williams  
Maude Donaldson  
Ella Curry  
James Logan  
Nell Craig  
Mary Maxine Craig  
Juanita Nixon  
Beverly Childers.

## Library News

Stop! Look! Listen! What do you have that will be of Historical Interest? Won't you loan it to the Library for April 10 through April 18 for National Library Week? We would appreciate having these items brought to the library by Friday afternoon. Please help us make this an interesting exhibit. We are depending on our library friends to help us make this a record exhibit. You are urged to visit the library especially during this week.

These books are new in the library for children: Why the Jackal Won't Speak to the Hedgehog; What Makes a Bird, a Bird? Pumpkinspeeds, The Sky Dog.

New Gullid books for adults are: Mr. Sammler's Planet, And Not To Yield.

Mr. Gunstead recently donated these books to the library: Indians, The Man from Monticello, War in Our Time, A King's Story, The Confessions of Nat Turner, The American Civil War 1861-1865.

Claudia Meador donated 12 Nancy Drew Mysteries that will be of interest to the girls who are mystery fans.—Rep.

## Oil News

**Wildcat Set**  
Ben F. Hoffacker Jr., Midland, will drill a 4,500-foot wildcat in Schleicher County, 25 miles east of Eldorado, 3/4 mile northwest of Strawn gas production in the Tillery multipay field and 1 1/2 miles southeast of 4,270-foot lime production in the Fort McKavett multipay field. It is the No. 1 M. M. Thornburg.

Location, on a 72-acre lease, is 60 feet from the south and 2,070 feet from the west lines of 2-A1-C S&SF.

## School Menus

(All meals served with hot rolls and milk.)

Thursday, April 9: Fried chicken & gravy, fluffy rice with parsley butter, buttered English peas, tossed green salad, chocolate pudding.

Friday, April 10: Hot dogs with chili, hot potato salad, cole slaw, fresh fruit cup, cookies.

Monday, April 13: Lasagne casserole, buttered carrots, tossed green salad, canned fruit.

Tuesday, April 14: Chicken fried steak & gravy, creamed potatoes, whole kernel corn, strawberry congealed salad, plain cake, chocolate icing.

Wed., April 15: Sloppy Joes, potato salad, pork & beans, cheese strips, fresh fruit cobbler.

Thursday, April 16: Turkey and dressing, giblet gravy, English peas, sweet potato casserole, lime jello with cottage cheese, chocolate pudding.

Friday, April 17: Beef and vegetable stew, cheese strips, stuffed celery (peanut butter), fresh fruit cup, pecan squares.

## Tiny Big Attraction At Six Flags In '70

A carousel spins, a volcano erupts, geysers of blue water squirt a full six inches into the air and in the midst of it all stand hundreds of people 3 eights of an inch tall, with their 3-16ths-inch children at their sides.

It's all part of one of the newest attractions at SIX FLAGS Over Texas. The tiny people populate a 10 foot-by-10 foot model of the famous theme park.

The model took some 14 months to build at a cost of about \$20,000. Experts from Cost Systems Engineers, Inc., of Fort Worth built the display. To assure accuracy, engineers worked from the Park's original plans for all buildings. Color photographs and on-the-ground measurements were used whenever there was doubt.

The result was a perfect 1-16th scale model.

The artists, engineers and model builders tackled unusual problems in animating some of the familiar SIX FLAG features. In the finished model, the elevators in the Oil Derrick travel up and down. The Boom Town carousel goes 'round and 'round, as do the miniature models of the Sombbrero Ride, Miscal Chaser and Flying Jenny. Tiny cars on the delicate replica of the Astrolift travel back and forth from one side of the model to the other. The pint-sized volcano in the Mexican section spurts real smoke. And, in front of the miniature SIX FLAGS, three tiny streams of water spurt from the center of a scale-model lake.

An "N gauge" railroad train—an exact copy of the Park's steam driven trains—circles the entire model on a track with ties smaller than toothpicks.

The attention given to detail shown by the artists who created the model is surprising to visitors. Even the tiny shingles on the roofs of various buildings are perfect.

The exhibit is the centerpiece for SIX FLAGS' new tourist information center in the Park's Boom Town section. The sign over the door reads, "Luther's Land Office" (Luther is Luther Clark, SIX FLAGS president).

Inside, in addition to the model, are huge enlargements of both color and black and white photos showing Texas' scenic wonders. And, at a special booth in the building, a friendly SIX FLAGS hostess supplies pamphlets and maps telling of the state's many tourist attractions. The Texas Highway Department and the Texas Tourist Development Agency are working with SIX FLAGS to keep the center supplied with the most up-to-date and interesting information available.

It's hoped that a visit to the exhibit will launch many an out-of-state guest on a full-scale tour of Texas.

## Special Display Set At HemisFair Plaza

San Antonio, Texas.—Plans are under way to have a special display in connection with the HemisFair Plaza's art symbol contest of the 10 towers of the world at HemisFair Plaza, San Antonio, Texas for the grand opening day on May 31, stated Alfred W. Rohde, art chairman of the HemisFair Plaza Advisory Committee.

Rohde is contacting directors of the major towers of the world seeking display material such as photographs, flat sheets, postcards and assorted souvenirs of the individual towers for a summer display at the plaza.

More than 250 art designs have been received as of April 5th in the world wide art contest to select a new official art symbol for HemisFair Plaza. Deadline for submitting all designs is April 21, 1970, Rohde reminded.

The ten major towers of the world are: Tower of Americas, here; Eiffel Tower, Paris; the Husky Tower at Calgary, Canada; the Space Needle at Seattle; the Skylon Tower at Niagara Falls, Canada; the Albert Hertzog Tower at Johannesburg, South Africa; the Cairo Tower at Cairo, Egypt; Dortmund Tower at Dortmund, West Germany; the Stuttgart Tower at Stuttgart, West Germany; and the Museum Tower in London.

The winner of the art symbol contest is expected to be announced at the grand opening day ceremony on May 31, 1970, concluded Rohde.

Mae Mercer had as visitors over the week end her sister, Mrs. Lois Tylor of San Antonio and her niece, Shirley Long, and nephew, Buddy Long, of San Angelo.

Mr. and Mrs. Weldon Hall have moved here to the Topliffe house. They are the parents of Mrs. Steve N. I.

Austin, Tex.—"Things are going to get worse, unless we plan and fight a war against drug abuse in Texas," Gov. Preston Smith told the Conference on Public Health and Drugs.

Noting that in the past 10 years "arrests of teenagers for drug abuse increased 800%," Smith urged the conference to come up with new means of controlling and preventing drug problems, as well as reviewing what is being done.

"We need to examine penalties," he said.

"The drug offender who is caught is often very young. He may have been pressured into experimentation with drugs.

"Yet, within the legal machinery, his punishment can be as severe as that of a dope pusher, or seller.

"Is this fair? Or is it out of proportion with the crime?" Smith asked.

Earlier, Lt. Gov. Ben Barnes—accompanied by newsmen, law officers and government officials—foured drug treatment and mental health facilities over the state. On the trip, Barnes proposed a State drug center near a medical school for treatment, rehabilitation and research.

Later, Barnes joined Atty. Gen. Crawford Martin at the meeting of the Crime and Narcotics Advisory Committee with the Texas Education Agency to hear what plans the agency has developed for teaching a course on the dangers of drugs and crime, as required by the last Legislature.

Speaking to the meeting, Martin expressed concern over the increasing use of heroin, which, he said, is becoming a major problem.

Involving young people in the program will be necessary if it is successful, the Attorney General said, because "no program of narcotics control can ever be effective unless the young people themselves want it to be effective."

## \$1 Million Park Accepted

State officials took deed to the 4,800-acre scenic Wheatley Ranch for a state park, after Gov. Smith handed a \$930,365 check to Mrs. C. A. Wheatley of San Antonio.

The major park development, with anticipated federal aid, is in the planning stage. Reporters could not help pointing out that the state could have had the entire Wheatley property—with wild game, river frontage, waterfalls, fish and stands of trees—absolutely free eight years ago. Deal fell through when the legislature failed to provide the requested \$250,000 for development.

Special Badge Identifies Census Workers For 1970

Householders will not have any difficulty identifying enumerators for the 1970 Census of Population and Housing. District Manager Jim R. Farr pointed out today. Enumerators, or census takers (most of whom are women), started making their rounds in the area on April 1 and are expected to complete their work in three to five weeks. Each census taker will wear a red, white, and blue identification card. This card bears the seal of the Department of Commerce, and the words "Census Enumerator, Of-

icial Credential" printed across its face. It bears the census taker's signature and certifies that she is authorized to perform the duties of a census enumerator and has sworn to keep confidential all census information you provide. Census takers will be further identified by the portfolio containing their supplies. The portfolio is blue and bears the legend, "1970 Census." In the portfolio, the census taker carries her supplies of report forms, maps, pencils, and other tools necessary for her work.

COUNTY AGENT'S COLUMN

by Tina Godwin

Schleicher County Agricultural Agent

Some folks swear by pesticides, others at them. Usually the difference in the two is their understanding of them and how they are applied.

Whether or not pesticides harm men, animals, plants, fish and wildlife depends upon one person—the user.

By following a few simple rules of safety when using agricultural chemicals, especially pesticides, trouble can be avoided.

Some suggestions for safe use. Follow all label directions and safety precautions. The manufacturer is required by law to properly label his material. The label clearly states what the pesticide is to be used for and how. Also precautions for the applicator's safety when applying the material are listed.

All agricultural chemicals, especially pesticides should be stored under lock and key and in their original containers. If for any reason, the original container is not used, then properly label the substitute. Don't guess what is in the unlabeled bag or bottle. It could be a costly mistake.

Dispose of containers in a safe manner. Guard against drifting of sprays or dusts. Make sure they do not drift into an area where they will be harmful.

And remember, when you encounter trouble with pesticides, about the only person you can blame is yourself.

A good laugh, to a man, is like oil to a machine.

Horses, like athletes, need to be gradually put in top condition for a strenuous season. Over exertion while either is out of condition can result in major or minor injuries.

Pleasure riders restrain their enthusiasm for a long spring gallop on their favorite mount. Be sure the horse can take it.

A horse's physical condition is probably under par because of low-energy, low-protein rations and a lack of exercise during the winter. This can be further complicated by

internal parasites that have had a chance to build up during the winter. In addition, better give attention to the horse's teeth and feet.

The feet may need trimming or shoeing. If the toe or heel is too long, the proper slope of the pastern is changed. A long gallop on a horse with overlong heel or toe could produce lameness and even possible permanent injury. Inflammation from undue strain can produce splints, side bones and even ring bones and other injuries which could become permanent.

It is good insurance to have a veterinarian check the horse with special attention given to the teeth. Uneven teeth hamper the proper grinding and chewing of food. Also ask the veterinarian to check the animal for internal and external parasites.

Nothing is more common than unsuccessful men with talent.

One farmer produces the food and fiber consumed to 42 of his fellow citizens and his efficiency continues to improve.

Yet urban Americans, who make up approximately 94% of the population, are often unaware that agriculture is still a "cornerstone of life."

Many children may think that milk originates in a carton, that meat and poultry begin their trip to market wrapped in plastic, and that cotton shirts grow that way.

This is for sure, that agriculture, the producer of these goods, is the U. S.'s largest industry and employs more workers than any other industry.

Agriculture is a principal source of new wealth in America.

Each dollar of wealth taken from the soil yields about \$7 of income throughout the rest of the economy.

Flattery is like perfume: you're supposed to smell it, not swallow it.

Through the 1969 season, some 15,000,000 persons had visited SIX FLAGS.

Good Crowd Out For Joint C-C Banquet

The Second Annual Chamber of Commerce and Jaycees Banquet was staged Saturday evening at the Memorial Building with a good crowd of people in attendance.

Highlight of the evening was an address by Jim Reese, mayor of Odessa; and renditions by the Stage Band under direction of Wayne McDonald were also well received.

Charles Watkins of San Angelo installed the local Jaycee officers for the new year.

These included Lawrence Dannheim, Pat Wester and Ronnie Mittel, directors and program chairmen; Steve Nail, secretary and treasurer; and Buddy Zly and Billy Williams, vice presidents.

Rony Kerr presented the Spoke Awards to Tony Cheatham, Buddy Zly, Ronnie Mittel, C. F. Dacy, and Billy Williams.

The Spark Plug Award for second year Jaycees went to Rony Kerr and John Edward Meador. C. F. Dacy and Billy Williams were given the president award and Williams was also cited as Jaycee of the Year.

John Edward Meador is incoming president of the Jaycees.

HEW Insists On Arbitrary Race Mix

By Congressman O. C. Fisher

It remains to be seen how President Nixon's recent message on school desegregation is spelled out. He had made a similar announcement before, even before his election, favoring the neighborhood school and freedom of choice on the part of parents who prefer to send their children to the local schools. And he had also criticized compulsory cross-busing in order to achieve a better racial mixture.

But despite all those pronouncements, HEW has insisted on the arbitrary mixture. Now, what will HEW do about it in the future? The President made a significant and forthright statement, which should have a very salutary effect in the establishment of a policy which (it is hoped) will be clear and understandable.

Mr. Nixon placed emphasis on desegregation rather than integration. He made it clear that in his view the neighborhood school is and must be the basic vehicle for educating children. He says that busing of students for many hours each day across many miles to achieve an arbitrary racial balance, is not right. And he promised that his administration will give more weight to the judgment of local school boards in resolving segregation problems.

That all sounds like a breath of fresh air! The radicals and extremists have been calling the shots. Now there is some promise of moderation and common sense on the subject. Let us hope so.

Nearly 1,000 Americans, mostly of college age, who went to Cuba not long ago to help Castro cut his cane, are said to be having a ball as they are further brainwashed by various Communist functionaries. It is reported they have received delegations from the Soviet Union, the Vietcong and North Vietnam.

It is not unusual for the radical left in this country to make trips to Cuba as a part of their indoctrination processes. In fact, the Communists foot the bill for much of this travel.

It's too bad these characters who are Castro's guests did not travel on one-way tickets! They can be correctly described as the very riff-raff of creation.

EXCITEMENT ON A BUDGET AT SIX FLAGS

HANG ON!— Guests at SIX FLAGS Over Texas, the family entertainment center between Dallas and Fort Worth, roar along at speeds up to 38 feet per second on the Runaway Mine Train. The exciting ride is one of the most popular attractions in the Park's 145-acre layout.

Where in the world can a vacationer find a spot to spend the entire day with his family, enjoying a multi-million-dollar array of rides and shows, and come away without spending a dime more than the entertainment budget allows?

The answer: SIX FLAGS Over Texas. The huge theme park's one-price ticket policy has made it a favorite with the budget-minded vacationer. And, who isn't?

Once a guest has bought an adult ticket (\$5.00) or a child's ticket for those under 12 (\$4.00), everything inside the beautiful fun center is free. The only exceptions are food and souvenirs. Guests can climb aboard any ride or watch any show as many times as they like during the day at no extra charge.

For the 1970 season, SIX FLAGS Over Texas features more than 85 rides, shows and attractions. Each is attractively showcased in the 145-acre, wooded site at Arlington, midway between Dallas and Fort Worth.

There is so much to do and see that the Park's hosts recommend that a family plan to spend at least eight hours enjoying the lavishly landscaped facility.

Since SIX FLAGS Over Texas opened in 1961, more than 15,000,000 people from throughout the world have sampled its excitement. Nearly two million passed through the gates last year.

The Park derives its name from the flags which have flown over Texas during its long and colorful history... Spain, France, Mexico, Republic of Texas, Confederacy and the United States of America. The entertainment area is divided into six sections, with an appropriate theme carried out in each.

In the Mexican section a major attraction has been added for the 1970 season. It's "Los Voladores—The Flying Indians Spectacular." Daring Totonacan Indians from Mexico, wearing brilliantly-colored costumes, climb to the top of a 100-foot ceremonial pole. Then, clinging to slender ropes, they plunge from the pole and begin a dizzying spiral to the ground.

The Spanish section is the home of SIX FLAGS' most popular ride, the Log Flume. Guests climb into hollowed-out logs for a fast ride through torrents of water, ending with a slightly wet plunge down a steep incline.

Visitors in the Confederate section stroll through streets lined with picturesque shops and exhibits built in the style of the Old South. In the Southern Palace Music Hall, they watch a full-scale musical production. One of this year's shows features a dazzling backdrop made up of screens on which some 1,400 color photographs are flashed by electronically-controlled projectors.

Just around the corner guests climb into Indian "bull boats" for a dark trip through the Speelunkers Cave. The charming inhabitants are brightly costumed, animated figures... all very busy doing the things that Speelunkers love to do.

Fire spurts from an erupting volcano in the Mexican section as guests travel through an ani-

mated wonderland aboard a tiny train moving at "siesta speed."

Gunshots echo in the Texas section as the SIX FLAGS sheriff and his deputies shoot it out with the bad guys (who always lose). In the nearby Crazy Horse Saloon a musical revue provides entertainment for guests who drop by for a drink of nothing stronger than coffee.

Cannons roar and shots splash into the water as visitors make the "perilous" journey down the LaVaca River in the French section. The boats are besieged by wild animals and caught in the crossfire of a battle between an Indian war party and the settlers.

In Boom Town, visitors ride elevators to the two observation decks atop a 300-foot oil derrick. And, at the 50-foot level, there's a 12-lane super slide.

Nearby is the 1,500 seat arena where trained porpoises go through their paces in a salt water pool. And, there's the Chevy Show, where guests are surrounded by action on the circular Cine-sphere movie screen.

A short walk down a scenic path brings the visitor to the Runaway Mine Train. Guests riding in ore cars traveling at speeds up to 38-feet-per-second roar under a waterfall and through an underwater tunnel.

The Krofft Puppet Theater features an exciting production new to SIX FLAGS Over Texas. It's the work of the Krofft brothers, Sid and Marty, known to audiences throughout the world for their innovative productions for stage, movies and television.

Around every corner there's something new to see or do. And, with more than 1,200 tons of air conditioning cooling even the outdoor waiting lines, it's a refreshing, relaxing experience.

Throughout the Park, the visitor is impressed by the immaculate cleanliness of the surroundings. Every member of the staff, right up to Chairman of the Board Angus G. Wynne, Jr., is part of the "cleanup crew." If a guest drops a cigarette or a piece of paper, it's picked up immediately.

The term "amusement park" is not found in the SIX FLAGS vocabulary. Mr. Wynne, the Great Southwest Corporation official who founded the Park, was looking for something bigger, better and far more beautiful than the traditional "amusement park." Visitors seem to agree that he found the answer.

Mr. Wynne is particularly proud of the young hosts and hostesses who staff all of the attractions. Mostly college students, they are attractively and tastefully groomed and costumed. And, the "SIX FLAGS smile" is guaranteed to erase doubts about the thoughtfulness and courtesy of the new generation.

Excitement, beauty, cleanliness, courtesy and imagination are a few of the things that make SIX FLAGS Over Texas something very special. And, according to the Texas Tourist Development Agency, these elements have also made the Park Texas' number one tourist attraction.
