

Labor Leaders Spurn Demands For Election

Sharp Losses Sustained By Attlee Forces

LONDON, Nov. 3. (AP)—Britain's major party leaders rallied their forces for a new period of intense political activity today as they took stock of returns from Saturday's municipal elections...

PRESIDENT TRIES ON GIFT HAT — President Truman tries on a "Lucky" ten gallon hat presented to him at the White House in Washington by John Ben Shepperd (right) of Gladewater, Texas, president of the U. S. Junior Chamber of Commerce. The donor said that the hat had been rubbed with the left hind foot of a Texas Jackrabbit. (AP Wirephoto.)

Russia Rejects American Plan For Palestine

Soviets Demand Early Withdrawal Of British Army

LAKE SUCCESS, Nov. 3. (AP)—Russia today rejected American suggestions on methods of partitioning Palestine and instead demanded that the British end their mandate over the Holy Land by next January 1 and withdraw all troops no later than May 1, 1948.

The Soviet Union said there should be a transition period of no longer than one year between the termination of the mandate and complete independence for the projected Jewish and Arab states. For this period, Russia would place responsibility for supervision under the United Nations security council.

Soviet Delegate Semen K. Tsarapkin delivered the long-awaited policy declaration in a closed meeting of the "partition" subcommittee of the assembly's 57-nation committee on Palestine.

He said the Soviet Union could not accept the United States suggestion that Britain be entrusted with the task of administering the Holy Land pending independence "because of the mandate has failed."

The general assembly headed into its eighth week of meetings today with decisions near on two of Secretary of State Marshall's key proposals—overhauling United Nations machinery and Korean independence.

The U. N. already has approved a third major United States proposal for a watchdog commission in the Balkans, and that body will begin functioning Nov. 21. Marshall's plan for Korea and the addition of a year-around "little assembly" to the list of U. N. organs top the agenda of the 57-nation political committee.

There were hopes that both programs would be ready for final assembly action by the end of the week.

Russia's "warmonger" charges, Moscow's top proposal of the 1947 assembly, were expected to be officially washed off the agenda in plenary session today.

The political committee rejected the Soviet resolution and substituted an Australian-French-Canadian version condemning all forms of propaganda "either designed or likely to provoke or encourage any threat to peace, breach of the peace or act of aggression" and requesting member governments to promote by all means of publicity and propaganda "friendly relations among nations."

The office of Rep. George Mahon today advised that the corps of engineers, office announced that bids had been advertised Saturday for construction of a Veterans Administration hospital in Big Spring.

Word of the confirmation was received by the chamber of commerce office in answer to an inquiry. Previously, the district engineer's office at Albuquerque, N. M. had informed the Herald that bids definitely were to be asked Nov. 1.

That an engineer was to be sent here from Albuquerque to represent the corps of engineers was seen in the arrival for mail at the city hall. City Manager H. W. Whitney said he had no definite information to that effect, but presumed a representative of the office would be here sometime this week.

While here on a preliminary visit several weeks ago, engineer indicated that the office would have an engineer here until around Dec. 15, when bids are to be opened, and, if contracts are let at that time, to keep engineers here until the project is complete.

Truman's Program May Hub Tax Cut

SCUFFLING IN RALLY GROWD — A close-up view of the scuffling in Philadelphia as a heckling crowd jammed the park at Independence Hall, where the Progressive Citizens of America held a rally protesting the House Un-American Committee's movie probe at Washington. (AP Wirephoto.)

Taxes, Controls And Outright Gifts Advanced

WASHINGTON, Nov. 3. (AP)—President Truman's probable program for helping Europe while fighting prices at home emerged today in a pattern likely to crash into Republican opposition on several fronts.

Continued high taxes, strong anti-inflation controls and "outright gifts" abroad all were urged by the President's Council of Economic Advisers. And all seemed certain to provoke sharp outcries from many GOP legislators.

In a weekend report to Mr. Truman on what this country can do to carry out Secretary of State Marshall's plan of helping Europe help itself, the council said the United States is well able to finance its share of the \$22,000,000,000 program.

But the advisory group cautioned that the inflationary risk involved will require government allocation of some scarce foods and other goods, controls over speculation, new credit curbs and—if these fail—possibly some form of price control.

Several Republicans already had criticized Mr. Truman's emphasis on high prices in his call for November 17 session, and Carroll Reece, chairman of the republican national committee, issued a fresh blast almost simultaneously with the council's report.

The GOP chairman contended that in giving anti-inflation action "equal, if not preferred priority" over foreign relief, the President is "again seeking to disclaim responsibility for the evils made inevitable by the policies of his own administration." He said Mr. Truman had previously assured GOP leaders that foreign aid would be the primary, if not the sole purpose of any special session.

And the Economic Council's emphatic call for continued high taxes, as a means of helping Europe and simultaneously reducing the national debt, ran squarely against new tax-cutting plans announced by Rep. Knutson (R-Minn.).

Knutson reported that he will have a \$4,000,000,000 income tax reduction bill ready for submission "at high noon November 17"—the hour that Congress convenes. The Minnesota is chairman of the House ways and means committee and author of twice-voted tax bills in the last session.

Meanwhile it was learned that the administration probably will ask Congress to provide Europe with more than \$3,000,000,000 in the form of gifts during the first year of the Marshall plan, in addition to repayable loans.

There seemingly is agreement among both American and European officials that perhaps 60 per cent of next year's aid under the Marshall program should be furnished without asking repayment. The administration is expected to seek between \$5,000,000,000 and \$7,000,000,000 in aid next year as the first step in the four-year recovery drive of 16 western European nations.

Chilly Weather Stabs At Texas

Chilly weather rode in with November after one of the warmest Octobers on record.

Early today the thermometer dropped to 39 at Amarillo and Childress as a cold front moved all the way across the state. Galveston with 60 degrees was the warmest spot.

Other readings: El Paso, 52, Laredo 55, Brownsville 58, San Antonio 47, Abilene 50, Lubbock 49, Texarkana 48, Dallas 47, Tyler 51, Lufkin 43 and Waco 48.

Early morning fog banks over north Texas dissipated in a bright sun, and fair weather was forecast for the whole of Texas tonight and tomorrow.

Last month was the warmest October in Dallas since the weather bureau was established there in 1913.

Toots Mansfield Wins At Boston

BOSTON, Nov. 3. (AP)—Toots Mansfield of Big Spring, Texas, won the calf roping event in 15.7 seconds in the afternoon performance of the Boston championship rodeo here yesterday.

Other Texans who placed during the day's events included: Calf-roping: Don McLaughlin, Fort Worth, 18 seconds; Red Whalley, Midland, 18.2 seconds; Mike Ward, Fort Worth, 20.6 seconds. Steer wrestling—Dub Phillips, San Angelo, 7.6 seconds; Bill McGuire, Fort Worth 17.5 seconds.

POLISH OPPOSITION LEADER LANDS AT ENGLISH AIRPORT

LONDON, Nov. 3. (AP)—Stanislaw Mikolajczyk, the Polish Opposition leader who fled from Warsaw two weeks ago, has made his way to Britain by plane, a foreign office official notified a cheering House of Commons today.

The British government has promised Mikolajczyk sanctuary. Christopher Mayhew, undersecretary of state for foreign affairs, said the plane carrying the 46-year-old leader of the Polish peasant party had landed at Manston airfield, southeast of London in Kent county. There was no immediate indication as to the nationality or the type of aircraft in which Mikolajczyk arrived in Britain.

Mikolajczyk's whereabouts had remained a mystery until today. Apparently he fled Poland in fear of his life. Since his departure from his homeland with a party of seven friends his Polish peasant party has been remodeled along lines favorable to Poland's communist-led government. Informants in Warsaw have declared that Mikolajczyk's departure meant the end to organized political opposition to the present Polish regime.

A Polish foreign ministry spokesman announced in Warsaw today that a special Polish parliamentary commission was investigating the circumstances surrounding Mikolajczyk's flight.

VIOLENT DEATH

More Than Score Texans Victims

The number of violent deaths in Texas over the week-end soared to at least 23, with Halloween congested traffic conditions blamed for some deaths Friday night. Twenty persons died in traffic accidents, one was shot to death, one drowned and one was killed by a train.

Harvey Dean Osment was killed instantly at Loox, Texas, when his bicycle and an automobile collided Sunday.

John Sirena, 56, of Galveston was killed when struck by an automobile at Galveston Sunday.

Billy E. Orrell, 23, of Texas City was killed Sunday near there when an innertube on the highway became entangled in a wheel of his automobile, causing the car to overturn.

Patsy Jane Page, 11, daughter of Mr. and Mrs. T. W. Page of Texarkana, was killed Sunday when she was struck by an automobile after she and a friend had alighted from a bus.

Ludwig Krupa, 80, a farmer at the Olmos community near Skidmore, was fatally injured Saturday when hit by an automobile near his home.

Mrs. Anita G. Gonzales, about 50, of Sinton was killed Saturday in an automobile-truck collision at a Sinton street intersection.

Ramon G. Mungia was killed late Saturday when struck by an automobile at San Antonio.

Charles Peters, 21, of Houston was killed in an automobile accident near Houston Saturday night.

Mr. and Mrs. Cecil Cox of Gainesville were killed at Gainesville Sunday when the truck in which they were riding and a train collided.

Henry Allen of Duncanville apparently drowned at Lake Brownwood Saturday.

Falton E. Vaughan, 41, San Antonio; Lillie Perales Torres, Corpus Christi and Rogelio Gamiro, Fort Sam Houston, were killed late Friday night in an automobile collision near San Antonio.

Crus Colunga, 26, Rio Medina, See FATALITIES, Pg. 8, Col. 3.

Gen. Pohl Gets Death Verdict

NUERNBERG, Germany, Nov. 3. (AP)—Lt. Gen. Oswald Pohl, the swarthy SS officer who operated Germany's concentration camps where millions died, was sentenced today to hang for war crimes and crimes against humanity.

Fourteen others were convicted and three were acquitted by the American tribunal, which ruled for the first time that a German SS operative could be considered innocent of war crimes if it was not proved that he knew the intent of the SS to be criminal.

Pohl, 55 and black-eyed, accepted his doom with a curt nod. In his days of power, he had accepted orders only from Heinrich Himmler, the Gestapo chieftain, and Adolf Hitler.

Overseas Mailing Deadline Nov. 14

Persons planning to send Christmas packages to military personnel beyond the continental limits of the United States are urged by Postmaster Nat Shick to respect the Nov. 15 deadline.

Any gifts mailed after that time probably will not arrive by Dec. 25, Shick cautioned.

The packages will not exceed 70 pounds in weight and 100 inches in length and girth combined.

Perishable matter will not be accepted for shipment and food and clothing should not be mailed, Shick said.

Brush Fires Veer From Rockport Area

ROCKPORT, Tex. Nov. 3. (AP)—A huge brush fire that destroyed nine homes in this area Saturday late yesterday, turned away from this city and nearby Fulton Beach.

Around 500 firefighters fought the blaze, burning on a two or three mile front. The fire has burned over approximately 18 square miles.

Smoke rose to 1,000 feet and fire could be seen from a reported distance of 20 miles.

ON IMPULSE

Huge Flying Boat Makes Short, Unslated Flight

LONG BEACH, Calif., Nov. 3. (AP)—Howard Hughes' \$25,000,000 flying lumberyard has tested its wings, and they work.

Acting on impulse, the millionaire sportsman-film producer-planemaker-tool manufacturer took the 400,000 pound plywood giant aloft yesterday at the end of what he earlier had announced would be a mere taxiing test.

The dark-haired 43 year old Hughes had made two taxi runs over the choppy surface of Los Angeles-Long Beach harbor while a throng of thousands oohed and ached over the plywood boat's immensity. Then, on the third run, after its eight 3,000 horsepower

engines had speeded it to about 100 miles an hour, Hughes eased back on the hydraulic controls, and the monster was airborne.

"The buoyancy felt so good that I decided to take it up," Hughes grinned at an informal press conference immediately afterward.

Some thirty of Hughes' aides—technicians, engineers and observers—were aboard the plane, largely ever made, on its maiden flight. In the co-pilot's seat was Dave Grant, Los Angeles, Hughes' chief hydraulic engineer. An observer for the Civil Aeronautics Administration also was aboard.

Hughes said he is "thoroughly satisfied" with the performance of the craft, which flew approximately a mile at a maximum height of about 70 feet. Earlier in the day he told a news conference that he couldn't be certain that his great craft, 219 feet long and with a wing span of 320 feet, would fly at all.

"No one can ever be certain that an experimental plane will fly," he said.

Hughes, normally a taciturn man, was fairly oozing happiness from his pores when he talked with newsmen after the hop.

"I was very, very happy over the way the controls operated," he said.

Hughes said he is "thoroughly satisfied" with the performance of the craft, which flew approximately a mile at a maximum height of about 70 feet. Earlier in the day he told a news conference that he couldn't be certain that his great craft, 219 feet long and with a wing span of 320 feet, would fly at all.

"No one can ever be certain that an experimental plane will fly," he said.

Hughes, normally a taciturn man, was fairly oozing happiness from his pores when he talked with newsmen after the hop.

BIG WEEK END

Police Investigating School Safe-Cracking

Local law enforcement officers today were engaged in investigation of a variety of misdeeds, including a burglary at the Big Spring High school and two shooting affrays.

Burglars made off with cash and checks at the High school estimated at between \$300 and \$400 in value after both the main building and the administration building, which houses the tax office, were entered.

W. C. Blankenship, school superintendent, said considerable property damage also resulted from the incident.

Entry was gained at the administration building through a window on the south side. Then, when locked doors were encountered inside the building, the burglars forced their way through either cutting or breaking through the obstacles.

It is believed that the main High school building was entered through a second floor window in the science department.

A small amount of cash was missing from the principal's office in the main building, and checks and cash were taken from the tax office.

It was impossible to determine the exact amount in cash and checks missing from the tax office, since funds there included money subscribed by various class organizations and clubs as well as tax receipts, school officials said.

Chief of Police W. D. Green and Capt. Robert Thompson, who are heading the investigation, said the knob on the tax office safe apparently was cut out by a chisel after which the tumblers were tripped. Both officers said that marks on the safe indicated that an experienced safe cracker performed the job.

Developments in the investigation also indicate that the burglary occurred between 7 p. m. Sunday and 7 a. m. today, officers said.

A Negro woman and a Negro man were being held in connection with a shooting affray which occurred in the flats area Sunday night. A second Negro woman was in a local hospital for treatment of gunshot wounds.

Police said the woman held in custody reportedly fired shots at a Negro man and the other woman. A second Negro man joined the activity, and the woman who fired the gun suffered knife wounds about the throat in the ensuing scuffle.

Another shooting episode occurred early Sunday night, but no injuries resulted. A man appeared in the Plaza hotel, fired shots through the ceiling and then vanished before a patrol car arrived, police said.

MURDER SOLVED

Schoolboy Confesses He Slew Playmate During Argument

CHICAGO, Nov. 3. (AP)—Authorities announced today the mysterious brutal slaying of a seven-year-old boy had been solved by a fifth-grade pupil's signed statement that "I killed Lonnie Fellick last Oct. 18 in Thatcher Woods forest preserve."

Lonnie's battered body was found in the preserve on Oct. 29, eleven days after he disappeared from his home.

Coroner A. L. Brodie said Howard Lang, 12, told him he had stabbed Lonnie and crushed the younger boy's head "with a brick" after an argument.

In a statement which young Lang signed, Brodie said a nine-year-old boy and a 17-year-old girl were implicated.

Here is the story which Brodie said Young Lang told: Lang, the Fellick child and another boy, a second grade student, rode out to Thatcher Woods on a street car Oct. 18, the day of the killing. The older boys lit cigarettes.

Postal Receipts Show An Increase

Postal receipts for 1947 may yet pass the aggregate for 1946. Income for the month of October was \$11,001.51, compared to \$9,213.95. The October figure brought the year's total to \$91,710.83, as compared to \$95,139.86 for the corresponding ten months in 1946.

IN SYMPATHY

U. S. Reds Shun Cominform Bid

NEW YORK, Nov. 3. (AP)—The communist party of the United States says it has decided not to affiliate with the new cominform at Belgrade, for fear such action would be seized upon by "reactionary and pro-fascist forces" in this country "as a pretext for new provocations and repressions."

The American communist party, however, approves strongly of the announced purposes of the cominform, an information bureau set up by the communist parties of nine European countries, an official party statement declared yesterday.

Announcement of the decision of the national board of the party against affiliation, issued by National Chairman William Z. Foster and General Secretary Eugene Dennis, said:

"The reactionary and pro-fascist forces now whipping up anti-communist hysteria and war incitement in our country would undoubtedly seize upon such action (affiliation) by the American communist party as a pretext for new provocations and repressions against the communists and all other sections of the American labor and progressive movement."

Foster and Dennis said the party in this country will "continue to promote the international solidarity of labor and all anti-fascists and anti-imperialists" and "especially the friendship of the American and Soviet peoples."

REMEMBER

- Tuesday Is Meatless
Save Food
Save People

### WHETHER TIRES OR CHRISTMAS ITEMS, FIRESTONE HAS THEM

There is no waiting period for persons buying tires and tubes at the Firestone store, 708 East Third street. Orders can be filled immediately, whether the buyer apply for automobile, truck or tractor casings.

The same holds true in most automobile accessories, including radios, heaters, horns, hub caps, windshield wipers, etc. In addition to the automotive parts line, the Firestone store stocks household accessories. Its latest refrigerator, made under the name of the Firestone concern, is proving very popular with the housewife. The Firestone people also produce such items as washing machines and radios for the home.

Vehicle operators can have their automobiles serviced with expediency by driving into the station. Texaco gasoline and lubricants are sold by the establishment.

The concern is being stocked with a complete supply of Christmas toys. Decorators are already busy in the store, preparing the displays for the Yuletide season. That part of the establishment will probably become a child's paradise.

Persons can employ the lay-away plan in making their Christmas

purchases. The commodities asked for will be put back by Firestone until Christmas week.

The store recently went on a 7-7-7 operation schedule. Business hours are from 7 a. m. to 7 p. m. seven days a week.

#### Prompt Taxi Service

Yellow Cab taxis, operated by Paul S. Limer, are available on a moments notice at all hours of the day. Limer maintains a fleet of new automobiles, has his drivers on a generous share basis to encourage prompt, courteous and safe service. For convenience of patrons, call boxes are being located at strategic intersections over city city.

#### Holiday Hours

Effective now, Christensen's Boot shop is remaining open until 8 p. m. to permit shoppers to make selection of a wide range of leather gifts, not only enduring but particularly ideal for this Western season.

Observe meatless Tuesday. Millions of lives depend on your response.

ATTRACTIVE, DURABLE — Such are the leather specialties offered by Christensen's Boot Shop, where the best grades of leather go with an expert's touch into ladies' hand bags, and blifolds, such as shown above, plus belts, boots and other items. These are available out of stock, or may be made to your design. (Jack M. Haynes, Photo).

## Leather Goods Made To Order

Expert craftsmanship in leather a lifetime as a leathers goods worker, and Mrs. Christensen and their son, Leslie, also are talented craftsmen, helping supervise work of an experienced staff.

#### Nears Birthday

For years Christensen's has been known as a place for the best in custom-made boots, saddle making and shoe repair. More recently, it is achieving fame for hand tooled ladies purses, blifolds, belts, etc. These items, packed with a Western motif, may be obtained from stock, or made to design and specification of any customer. A wide assortment of stamps are available for choice, and the range on tooling is limitless.

#### Safe-Cracker Nabbed While On Dallas Job

DALLAS, Nov. 3. (AP)—Police and detectives, summoned by a silent burglar alarm system captured a man in the rear of a drug store here early today and found \$1,917 in cash in his possession. Police said the man, an ex-convict, had rifled a safe in the drug store after breaking in through a hole he made in the roof. He was crouching behind some packing boxes when he was captured.

## NO-D-LAY EMPHASIZES SERVICE IN 17 YEARS OF OPERATION

The most convenient location in town plus service which Big Spring residents learned long ago that they could depend upon have combined to make Clay's No-D-Lay Cleaners one of the most popular businesses of its type in West Texas.

H. E. Clay has operated the firm for almost 17 years at 207 1/2 Main street, which is still the location. Clay has concentrated upon providing the best type of service, giving his customers expert workmanship.

Customers are quick to take advantage of a convenient location, he points out, but at the same time many of them take note of the service they receive and the mere fact that it is handy is not a sufficient selling point. As a

## NOW THE HARD OF HEARING CAN HELP THEMSELVES TO HEARING

The many hard-of-hearing in this city will have an exceptional opportunity to find out how they may once again experience relaxed, noise-free hearing. A FREE HEARING CLINIC will be held Tuesday Nov. 4, 1 to 7 p. m. at the Settles Hotel by Mr. Hammer at which time he will test the hard-of-hearing for individual hearing deficiencies. This clinic will also serve to introduce a new Acousticon development in hearing aids. This new discovery by the world's first and oldest manufacturers of electrical hearing aids offers amazing clarity and brilliant-tone without the harsh background noises usually encountered. This instrument, in spite of its power, is so small it barely covers

table. A crystal punch service with crystal candle holders filled with white tapers were on the table laid with lace. The napkins were white with Erma Lee and J. N. Young printed in blue.

Mrs. Frank W. Ficklin was co-hostess with her mother, Mrs. T. J. Walker. Mrs. Ficklin was at the head of the receiving line with Miss Gideon, Mrs. G. S. Gideon and Mrs. Vernon McCarty completing the receiving line.

## FILMLAND BRISTLES

### WRITERS, ACTORS CLAMOR FOR ABOLITION OF HOUSE COMMITTEE

HOLLYWOOD, Nov. 3. (AP)—Movie industry notables organized a Committee for the First Amendment to advocate the abolition of the House committee on Un-American Activities.

Forty of them took part in a "Hollywood Fights Back" broadcast yesterday, second of two weekly half-hour shows aired from Hollywood, New York and Washington.

### Local Commissioner Attends State Meet

LAREDO Nov. 3. (AP)—The Texas County Judges and commissioners association convention opened here today with Association President Carroll F. Sullivan, county judge of Gainesville, presiding.

Webb County Judge M. J. Raymond, Mayor Hugh S. Clock of Laredo and Wichita County Judge Arthur Tipps will take part in the opening day program.

Grover C. Bissard, commissioner from Precinct No. 3, is in Laredo, attending the state convention of county judges and commissioners. County Judge W. S. Morrison, who is holding a term of county court today, said that Bissard was the only member of the local court able to make the trip.

## Genell Hughes Named Honoree

Genell Hughes, four-year-old daughter, of Mr. and Mrs. E. J. Hughes was named honoree at a party on her birthday Sunday.

The party rooms were decorated with pastel colors and white chrysanthemums using the "Old woman in the shoe" motif. The centerpiece was a large wooden shoe with the old woman in the shoe and the children.

## Mother Of Six Rides The Range

PUEBLO, Colo.—Mrs. G. L. Bogard, 50-year-old mother of six, is planning new Wild West adventures next year, after climaxing her summer work as a mountain trail guide by riding horseback alone 150 miles on a circuitous route from Bailey, Colo., to Pueblo.

The six-day journey capped Mrs. Bogard's realization of a life long dream—guiding eastern dudes on pack trips in the mountains near Bailey.

Her two unmarried children, Gus and Nina, maintained the Pueblo home for their father, a railroad man, while mother became a trail rider in the best western tradition.

## Events OF THE COMING WEEK

- Monday: SUB DIERS will meet with Dot Cabbie, 800 Johnson at 8:30 p. m.
- High School P.T.A. will meet at the school cafeteria at 3:45 p. m.
- VFW AUXILIARY will meet at the VFW hall at 8 p. m.
- BIG SPRING REBEKAH LODGE 284 will meet at the IOOF Hall at 7:30 p. m.
- AIRPORT BAPTIST WMS will meet at the church at 3 p. m.
- AND FW CLUB meets at Red Cross headquarters at 7:30 a. m.
- ORDER OF EASTERN STAR meets at the Masonic hall at 7:30 p. m.
- NEEDLE AND THREAD CLUB will meet with Mrs. N. Norred for a luncheon at 1 p. m.
- EKKAMPAR CHAPTER OF BETA SIG. MA PHI will meet with Mrs. O. H. McAllister, 2301 Scurry at 8 p. m.
- RUTH CIRCLE OF THE FIRST CHRISTIAN WOMAN'S CONGRESS meets with Mrs. A. A. Marchant, 205 Washington Place at 7:30 p. m.
- EAST BRIDGE CLUB will meet with Mrs. E. J. Hughes, 1007 Johnson at 7:30 p. m.
- Wednesday: 1098 HYPERION CLUB will meet with Mrs. V. L. Lakowsky, 906 W. 16th at 3 p. m.
- LADIES HOME LEAGUE will meet at the First Baptist Church of the Salvation Army at 3 p. m.
- PHILADELPHIA CLASS FIRST METHODIST will meet at the church at 10:30 a. m.
- FIRST BAPTIST CHORUS will meet at the church at 8:30 p. m.
- FIRST CHRISTIAN CHORUS will meet at the church at 7:30 p. m.
- FIRST METHODIST CHURCH CHORUS meets at the church at 7:30 p. m.

## The CHIROPRACTOR and You

This is One Of A Series Of Articles Published In The Public Interest To Explain And Illustrate The Practice Of Chiropractic.

### WHAT IS CHIROPRACTIC?

The Chiropractor teaches that the brain and nervous system are the root of health. From the brain, nerve energy is distributed through the nervous system to all parts of the body. When this nerve energy is shut off even slightly between brain and body (by bone displacement in the spine), one or more body functions are interfered with and ill health results. By X-ray, analysis and spinal adjustment the Chiropractor is able to relieve nerve interference and restore normalcy to the affected part. No drugs. No surgery. Nature is the healer.

### CASE HISTORY No. 92.

A victim of sinus headaches for several years. Suddenly stricken with pain one morning, he called upon a Chiropractor whose office he was passing at the time. A spinal adjustment brought relief from the pain in less than three minutes. Within half an hour the pain had gone entirely, and there has been no recurrence of the sinus condition since.

### CASE HISTORY No. 256.

A young woman who for seventeen years had been having as many as ten to fifteen convulsions daily. Treated for epilepsy without avail. Under special treatment for seven years without benefit. All hope for recovery had gone, when a friend advised Chiropractic. A spinal X-ray revealed a marked disarrangement of the neck, as result of a fall suffered when a child. Adjustments were commenced and after only four months she was 95 per cent better.

### CASE HISTORY No. 621.

A middle-aged woman in a state of serious nervous exhaustion. Suffered severe headaches and, in her own words "wanted to be in a dark room and left alone." A variety of treatments had failed to help her. Finally, she turned to Chiropractic. The spinal displacement which was the cause of her trouble was located immediately and a series of adjustments led to this woman's complete recovery.

## Hemline Controversy Settled To Truce

By DOROTHY ROE Associated Press Fashion Editor

NOW that the great hemline controversy has settled down to an armed truce, most women are quietly lengthening last year's skirts and looking with critical eyes on the gals who still insist on showing their knees.

So quickly does the eye become trained to a new silhouette that some of the staunchest defenders of the short skirt now find that the brief and skimpy styles of last year look funny, after all, and demand a mid-calf length for their new dresses.

The truth of the matter is that 14 inches from the floor is the average daytime skirt length of the season, going down as the hour and the formality of the occasion advances.

New York designers do not decrease any one set length for skirts. They recommend a mid-calf length for street wear, but show skirts of all lengths for various hours of the day and evening.

## World Community Day

The World Community Day program will be at the First Presbyterian church at 7 p. m. Friday.

## New Officers Elected At District Convention

New officers for District Nine of the Texas Federation of Music Clubs were elected at the district convention in Midland Saturday.

Stephens, of Midland, vice-president; Mrs. T. G. Smithson of Stanton, recording secretary; Mrs. Glen Ratliff of Monahan, treasurer; and Mrs. G. H. Wood of Big Spring, parliamentarian.

The Junior clubs were stressed at the meeting with the setting aside of a fund for the festival next spring which will be held in Odessa.

At the fine arts program, Elsie Willis played a number by McDowell and Edith Gay sang two numbers. Susan Logan played a Chopin waltz.

Attending from Big Spring were Mrs. Larson Lloyd, Mrs. Bernard Lamun, Mrs. G. H. Wood, Mrs. C. W. Norman, Mrs. Omar Pitman and Nancy, Mrs. Vernon Logan and Susan, Elsie Willis and Edith Gay.

## Doris Jean Morehead Visits Her Parents

Doris Jean Morehead spent Saturday night with her parents, Mr. and Mrs. G. G. Morehead, enroute to Mary Hardin-Baylor College.

Accompanying her were Tanne Hill, head of the Home Economics department of Mary Hardin-Baylor; Shirley Evans, state president of the Home Economics club and Geneva Wheatley, vice-president of the Mary Hardin-Baylor club. They had attended the Home Economics convention at Texas Tech College in Lubbock which was held Thursday, Friday and Saturday.

Mrs. Coffee Entertains Intermediate Class

Mrs. Coffee entertained the intermediate class of the First Baptist church with a breakfast at the Crawford coffee shop Sunday morning.

Attending were Carolyn Smith, Jo Nell Neel, Patsy Ann Young, Charlotte Williams, Marilyn Martin, Jo Ann Carpenter, Delores Hull and Mrs. Coffee.

Observe meatless Tuesday. Millions of lives depend on your response.

## Members Of BTU Have Wiener Roast

The members of the Baptist Training Union of the First Baptist Church were entertained by Mrs. Willard Hendrick, leader, Saturday night at the Seven Wells road with a wiener roast.

## North Ward Carnival Proceeds For Project

The North Ward Parent-Teacher Association made approximately \$240 from the Halloween carnival given at the school Friday night.

JOHNSON HEADS Y UNIT DALLAS, Nov. 3. (AP)—Kellum Johnson was named chairman of the Southwestern area YMCA physical education congress at its meeting here yesterday.

### Executive Meeting

The High School Parent-Teacher Association will have an executive meeting Tuesday afternoon at 3 p. m. preceding the regular meeting at 3:45.

### You Women Who Suffer HOT FLASHES then FEEL CHILLY!

Are you going through the functional "middle-age" period peculiar to women (35-55 yrs.)? Does this make you suffer from hot flashes, feel so nervous, high-strung, irritable, weak? Then so try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. It's famous for this! Taken regularly — Pinkham's Compound helps build up resistance against such "middle-age" distress. It's what Doctors call a uterine sedative. It positively contains no opiates — no habit-forming drugs. It helps restore (you know what we mean). Pinkham's Compound is also a great stomachic tonic!

# American Linksmen Capture Ryder Cup In Near-Sweep

### Herman Keiser Suffers Loss

PORTLAND, Ore. Nov. 3. (AP)—America's golfing supremacy over Britain, at least for 1947, was firmly established today, the result of a smashing finale in the famed Ryder cup competition.

In the revival of the international classic after a decade, the American professional stars handed their British links brothers the worst beating in the history of the event. The score was 11 to 1 out of a possible 12 tallies in the two-way matches.

The Americans completed the route yesterday before a gallery of about 6,000 by winning seven of the eight singles events in the wake of sweeping all four scotch foursome bouts on Saturday.

Only Sam King saved the day—and the humiliation of being stopped on every front—by capturing his singles contest yesterday. The 36-year-old Englishman, professional at the Wilderness golf club, defeated Herman Keiser, 4 and 3, in the eighth and final match. Keiser was an alternate. He did not play in the two-ball foursomes but was named to the singles by U. S. team Captain Ben Hogan, who withdrew in his favor.

Victorious King accepted his honors modestly, but his feat of standing alone against the American landslide will be long remembered.

The results went as follows: Sunday's Singles: E. J. Harrison, U.S.A., defeated Fred Daly, 5 and 4. Lew Worsham, U.S.A., defeated James Adams, 3 and 2. Lloyd Mangrum, U.S.A., defeated Max Faulkner, 6 and 5. Ed Oliver, U.S.A., defeated Charles Ward, 4 and 3. Sam Snead, U. S. A., defeated Henry Cotton, 5 and 4. Byron Nelson, U.S.A., defeated Art Lees, 2 and 1. Jimmy Demaret, U.S.A., defeated Dai Rees, 3 and 2. Sam King, Britain, defeated Herman Keiser, 4 and 3.

America took possession of the shiny gold Ryder cup for the fifth time in the seven times it has been at stake since the initial competition in 1927. The Americans also won in 1937, the last previous battle for the trophy.

## LOOKING 'EM OVER

With TOMMY HART

Though the Big Spring football Steers' luck seems to have run out, no less than three members of the squad are afforded excellent chances to rate the mythical All District-3AA team, which is to be selected at month's end.

The lad with the brightest opportunity is, of course, Ike Robb, the veteran guard, and that by virtue of the fact that he was chosen on the all-star eleven a year ago.

Ike is better than ever this fall. He anchors a fair line, is rarely pushed out of the way. He's a stickler for training rules and inspires the others to greater performance.

Then there is Eddie Houser, the brilliant pass-catching wing who perhaps is better known for his feats on the basketball court than for those on the gridiron. Houser was at the top of his game in the Denison outing but he's been good all year. He can't be turned in and he plays a smart game in diagnosing enemy plays. A second stringer in 1946, Eddie moved up to the first string this fall and was elected co-captain, which shows what his team mates think of him. (The other captain: Robb).

Harold Berry is not as quick as the standout back should be but he more than makes up for that deficiency with his craftiness and his general ship. He whips a fine pass, kicks occasionally and has ripped off several brilliant runs downfield. Byron Townsend of Odessa is the only back who has a lead pipe cinch on all-star honors but Harold has as good an opportunity as the others. Time will tell whether or not he can earn it.

One local party who thrilled to Southern Methodist's victory over Texas university's Longhorns in the Dallas grid classic last Saturday is Mrs. Louise Brown.

Mrs. Brown is Doak Walker's aunt and Walker, needless to say, was the difference between victory and defeat for the Ponies.

Mrs. Brown and Doak's father are sister and brother. He is connected with the Dallas school system.

The wolves are supposed to be at Coach Mike Casteel's throat, he of the University of Arizona, out Tucson way.

Critics have pointed out that Casteel's team represents the biggest school in the state, yet the Wildcats cannot compare with any one of the top ten teams in Texas. They cite the fact that Hardin-Simmons, not even a member of the Southwest conference, knocked over the Arizonians by a score of 35-7 and accomplished the trick without much difficulty.

The life of a football coach has its bad points, especially that of a mentor whose club has to come in contact with a Texas team.

One grid tutor who saw the hand writing on the wall and acted in time is Bob Coe, the Trinity university man. Coe held the dual job of coach and director of athletics. The Trinity eleven could not find itself under his guidance so he relinquished the coaching reins to his first assistant and stepped into the wings, retaining the D of A job.

**AT GRAPPLE CLUB**  
**Ace Abbott Returns To Challenge Fenton**

Bill The Chunky Abbott and Rod Fenton engage in the chief tally-pull at the Big Spring Athletic club tonight and all indications point to a lively struggle.

Abbott has been on top his game for the last month or so. Fenton, who hails from Canada, surprised a lot of railbirds by dropping Henry (Jet) Harrel last week. Great things were predicted for Harrel here but Fenton punctured the balloon and looked very good in doing it.

Chances are he'll give Abbott an unpleasant evening. For one thing, he's banked a lot of experience in his time. For another, he's strong and durable and may be able to wear the Texan down.

The 8:15 o'clock opener finds Sailer Parker, the Mississippi mauler, in action against Jackie Pappenheim of Oregon. Parker has never been overly impressive here but his slam-bang tactics usually keep the spectators on the edge of their seats.

Pappenheim is ethical, so long as the opposition will let him be. However he can get tough when the occasion demands. He'll have to use his elbows, thumbs and knees, no doubt, if he stays in the same ring with Parker.

## Longhorns Open Drills For Tilt With Bobcats

Back from their sad expedition to Denison, where they finished on the short end of a 36-7 score, the Big Spring Steers start work this afternoon for their weekend assignment with San Angelo.

As usual, the Longhorns will enter the tussle as underdogs. The locals have been losing prestige by the week while San Angelo is gaining respect.

However, Coach Pat Murphy's battered troops haven't thrown in the towel. Far from it. There's something about the annual date with Angelo that seems to fire the boys usually play a close, bruising ball game.

The Steers will be seeking their second win in seven outings. After winning their opener from Cisco, the Murphy gang has dropped decisions to Childress, Odessa, Lamasa, Brownfield and Denison.

Murphy did have the satisfaction of seeing his club score for the first time in four bouts, however. After having been shut out by Odessa, Lamasa and Brownfield, the locals took advantage of a break to score a third quarter touchdown against the Jackets.

Moe Madison collected the six-point on a plunge.

The Angelo contest, normally unreeled on Armistice Day, will instead be played Friday night in San Angelo. The Steers do not return to action here until Nov. 14, at which time they entertain Midland.

**Camp, Varipapa Win Honors At Houston**

HOUSTON, Nov. 3. (AP)—Lou Camp and Andy Varipapa captured the national match games doubles bowling championship here last night.

The pair combined their efforts to produce 12,965 total over the 32 game route.

Second place went to Ned Day and Buddy Bomar of Chicago, with 27,540.

On the Peterson point system the winners finished with 278-15 points which was a little less than three points better than the runners-up.

It was Camp's first national championship of any kind. Varipapa merely added another holds both the singles and doubles match game championship for 1947.

## SMU Has Hard Row To Hoe, Says Coach

DALLAS, Nov. 3. (AP)—Southern Methodist university folks will scan the national football rankings with much interest this week. Since their football team beat the No. 3 eleven — Texas — they naturally will be looking up toward the top instead of down about eighth place before the game.

"We won't dispute the ratings," said Lester Jordan, business manager of athletics who handles the school's publicity. "But we do think S. M. U. has a very good record—no just for this year but for both last year and this. Last season we didn't lose an inter-sectional game; this year we haven't lost any and besides have stayed undefeated and untied in the hot Southwest conference. And the team never has been behind and it has had to fight its way out of some pretty deep holes before it could take the lead."

The story of S. M. U.'s team is one of a solemn pledge made by the squad members last year—that they would do everything necessary in the matter of training and of working toward a high place in the Nation's football.

They were waiting for Doak Walker then. Doak is back and leading the Mustangs toward what may be their second undefeated, untied season in 33 years of football.

"It is a team of great spirit and a willingness to work," says Matty Bell, head coach since 1935 on the hilltop.

But the coaching staff and the team are taking all the praise and big talk in stride. "We know what is ahead—that in the Southwest conference any team is likely to beat any other team on any day," comments Bell.

Southern Methodist faces Texas A. and M., Arkansas, Baylor and Texas Christian and must win them all before it can look toward the Cotton Bowl where the conference champion is the host team.

Two weeks ago Bell, observing that the Conference had three un-

## Texas Aggies Try To Corral Southern Methodist Saturday

### Texas Tackles Baylor Bruins

By The Associated Press  
Southern Methodist university lays its undefeated record on the line Saturday in the first of four consecutive Southwest conference games, three on alien ground.

Texas A & M, faced with elimination from the championship race, has SMU as a target first. Arkansas, Baylor and Texas Christian follow.

In two other conference games this week, Texas tackles Baylor at Austin and Rice entertains Arkansas at Houston.

Texas Christian has an off week. Their 14-13 victory over the unbeaten Texas Longhorns pushed Matty Bell's Mustangs into the role of conference favorite, a part already played this season by Rice and Texas.

It was the ability of Doak Walker to convert both extra points that gave the Mustangs' their sixth straight win.

A & M, which has hit the comeback trail fast after a dismal start, tied Arkansas, 21-21, last week. A one-man show by Arkansas' Clyde Scott gave his team a deadlock.

The big former Navy star accounted for 115 of the Porkers' 125 yards on the ground.

Texas Christian continued its darkhorse role, downing Baylor, 14-7, while Rice finally managed

to win a game, 40-7, over Texas Tech.

Texas starts its comeback this week against Baylor, a possible Bowl bid in the offering if the Longhorns can go through the rest of the year without another loss.

The only thing hanging on the Rice-Arkansas tilt is each team's feelings. Both have been eliminated from high consideration.

Walker, the sensational sophomore sensation who turned SMU into a national power, boosted his lead in individual scoring to 61 points, 19 better than nearest rival Byron Gillory of Texas.

The Mustangs' hopes for their first undisputed championship since their Rose Bowl team of 1935 depend on Walker. As quarterback, star scorer, and chief pass defender, he sets the team's pace.

If Southern Methodist did come up with the championship, it would mean a date in the Cotton Bowl

Ray Choate, passer for the Mississippi freshman football team, throws footballs with his right hand, but golfs left-handed. He holds several links titles.

The Texas State Society of Observe meatless Tuesday. Millions of lives depend on your response.

New Year's day, something it has never had though the big bowl is a second home gridiron during regular season.

# PHENOMENAL PUBLIC ACCEPTANCE!

—THE RESULT OF SUPREME BEAUTY, LUXURY and VALUE

**THE FRAZER MANHATTAN**  
ONE OUT OF EVERY FOUR OF OUR OWNERS DRIVES A FRAZER MANHATTAN

### You Can Afford America's Largest-Selling Fine Car!

The Frazer Manhattan has broken every sales record in the long history of the automobile industry. Never before has any big, luxurious fine car sold in such volume in less than seven months from the date it was first announced! It has had a truly phenomenal public acceptance—more than 25,000 buyers in less than seven months!

Henry J. Kaiser and Joseph W. Frazer put the seal of their approval on this new product of Willow Run, last March. They knew they had put into it supreme beauty and luxurious appointments, smooth power and maximum performance, unusual safety features and long-lasting dependability—plus the balance and poise that would make it the easiest riding car in the world. They knew they had spared no

expense—in engineering, in materials, in precision manufacturing methods. They knew, in short, that this car had what America wanted! Then they priced it "right"—hundreds of dollars below what would have been justified by such superlative quality. To everything else they added value! For they wanted to make and sell this great car in volume.

They were right in their planning. For while Frazer Manhattan production has been increased five-fold since last April, public demand has never yet been filled!

Come and see—and drive—this big, handsome, roomy, ultra-modern motor car. You will agree with its makers that it has everything you have hoped to enjoy in a post-war automobile—and at a price you can afford to pay!

YOU PAY ONLY THE REGULAR PRICE • NO TRADE-IN NECESSARY • CALL ON THE KAISER-FRAZER DEALER IN YOUR NEIGHBORHOOD AND TAKE A RIDE!

# No Bodyguards Tag Along On Dates, Says Margaret Truman

FORT WORTH, Nov. 3. (AP)—Margaret Truman, who likes her skirts a little below the knee and who doesn't allow Secret Service men along on dates, planned a program of 12 numbers for her concert here tonight.

The President's daughter planned to open with the Voi Che Sapete from Mozart's Le Nozze di Figaro and to close with Padilla's Cielito Lindo, a catchy Spanish song.

Miss Truman's preference to skirts came in an interview she gave 24 aspiring high school journalists yesterday.

"Just below the knee is about right," she said.

Secret Service men do not go with Miss Truman on dates.

"I settled that with them the first thing," she said. "If my escort can't protect me, then I'll just do without."

She also said she didn't have any special boy friend.

"There's more fun in numbers," Miss Truman wouldn't comment on her father's future, but of her own said she planned to continue her voice career, even though "concert singing is more work than I anticipated."

During her visit to Fort Worth Miss Truman will take part in the unveiling of a statue of the late Will Rogers. She is to sing the humorist's favorite song, "Home on the Range."

## Fatalities

(Continued From Page One)

Tex., was killed in a traffic accident at San Antonio.

P. J. Elliott, 22, and Hans R. Berkig, 33, of Houston, were killed in separate traffic accidents at Houston.

Lawrence McKee, 17, Bruceville-Eddy high school senior, was killed in a traffic accident at Waco Friday night.

Helen Douglas of Scurry, Kaufman county, was killed in an automobile accident Friday night near Seagoville.

The body of a man identified as R. E. Walton, 30, of Graham was found on railroad tracks at Electra Friday night, apparently killed by a train.

Charles Travis Fink, 4, son of Mr. and Mrs. Joe Fink of Fort Worth, was fatally burned in a traffic accident near Miles, Tex., Saturday.

Garion D. Weaver, 41, was fatally shot at Lubbock Saturday. Brewster E. Dillard, 36, of Lubbock and Dallas, was charged with murder.

Lester Lee Hubbard, 46, civilian guard at Lackland army air base, was killed early today when he was struck by a car near the Kelly field entrance, the sheriff's office reported.

## Head Of Texas Prison Offers Resignation

JASPER, Tex. Nov. 3. (AP)—The Texas prison board today received and accepted the resignation of Maj. D. W. Stakes, general manager of the system who charged the group has failed to set a definite policy for him to follow.

JASPER, Nov. 3. (AP)—Major D. W. Stakes, general manager of the Texas Prison system, tendered his resignation to the Texas Prison board here today.

Although no action was taken on the resignation, it appeared likely it would be accepted in that a motion was made and seconded that effect.

In a statement to the board, Stakes said he always had tried to keep from dealing in personalities and stay on prison business.

But, he added, "I understand that some members of this board would like to get rid of me—maybe today, maybe later."

He said he has had interference from some board members and said "the board has failed to set a definite policy" for him to follow.

Stakes urged the board, in selecting his successor, "to set a policy and back up their manager as long as he follows it."

The prison manager said he was not "mad at anyone" on the board but that he felt it to be the "best interests of the system" that he get out "in view of this dissension of some board members against the way I am operating the system."

## Mims' DWI Trial Beginning Today

The trial of Rawleigh E. Mims, charged with driving while under the influence of intoxicants, was to be continued at 1:30 p. m. after Judge Walton Morrison called a noon recess.

Jury chosen to hear the trial included Ollie McDaniell, L. W. Croft, F. H. Stacey, Joseph Elrod, T. E. Bond and R. C. Cook.

Jess Andrews, recently charged with aggravated assault, will probably face trial Tuesday.

## Justice Court has Eventful Weekend

Five persons picked up by members of the sheriff's office and the constable's department over the weekend on charges of drunkenness were each fined \$1 and costs by Justice of Peace Walter Grice this morning.

Two persons arrested for driving while under the influence of intoxicants Sunday were to face trial in county court either this morning or Tuesday.

## Weather Forecast

## FEW TRENDS SEEN Important Posts At Stake In Tuesday Off-Year Vote

By The Associated Press

Voters tomorrow will elect a Mississippi senator, a Kentucky governor, representatives for Ohio, Indiana and New York districts and mayors for several score cities, including Philadelphia, San Francisco, Cleveland and Detroit.

The off-year state and municipal elections are largely local in character and politicians foresee few "trends" that will stand as guideposts for 1948.

From a national viewpoint, the Kentucky gubernatorial race holds top interest because of democratic efforts to unseat the present republican administration. The candidates are U. S. Rep. Earle C. Clements, democrat, and State Attorney General Eldon S. Dummit, republican. Simeon S. Willis, the GOP incumbent, is ineligible to succeed himself.

In Mississippi six candidates are vying for the Senate seat of the late Theodore G. Bilbo. These include two U. S. Representatives, William M. Colmer and John E. Rankin.

Special congressional elections are being held in the 14th New York, 4th Ohio, and 10th Indiana districts. The vacancies arose from the appointments of Rep. Rayfield (D-NY) to the bench and Rep. Jones (R-Ohio) to the Federal Communications Commission and the death of Rep. Springer (R-Ind).

The Philadelphia majority race pits 49-year-old Richardson Dilworth, democrat attorney, against Bernard Samuel, 67-year-old republican incumbent. Dilworth's determined street-corner

Horsemen Here For Big Sale

Sixty-eight head of quarter horses from the Elrod Ranches of Big Spring and Odessa were to be offered for sale at the West Texas Livestock Auction Co. arena beginning at 1:30 p. m. today.

The animals, which included both stallions and fillies, were consigned by Hamlin and Norman Elrod of Big Spring and by Tom Elrod of Odessa.

All consignments are of Elrod breeding, featuring the bloodlines of Harmon Baker.

The popularity of Elrod quarter horses in ranch and rodeo work was expected to attract a large group of bidders here for the auction.

Col. Don Estes was to be auctioneer.
