## Cold Weather And Breakdowns Delay Gin Work

A breakdown in the big diesel engine which occurred Monday morning caused Mikeska gin to lose most of Monday, and according to Sa mGausemeier, "We may lose all day today," which was Tuesday morning.

Figures at the gin office revealed that bale No. 2570 had been processed just before the breakdown occurred. The delay came at a time when cotton harvesting was slowing down caused by the cold front which blew in over the week end. Only a few trailers were in the yard Tuesday waiting their turn at the gin.

Observers confidently expect this county to gin at least 3,000 bales this year and that stripping will resume as soon as the weather moderates.

## Booster Club Honors Eagle Football Teams

The members of the Eagle Football teams and their dates were honored by the Eldorado Booster Club at a banquet and dance in the main auditorium of the Memorial Building at 6:30 Saturday evening, November 21st.

The invocation was given by Keith Williams.

The 175 guests heard Coach Sherwood Barker introduce Booster Club President Clifford Schooley and his wife, L. G., Coach Norman Roberts and his wife, Hattie, and the speaker for the evening, head track coach Ken Fannin of Central High School in San Angelo, Texas. Coach Fannin's speech, "The Ingredients of a Champion" was very well received and at its conclusion he was given a standing ovation.

Coaches Barker and Roberts presented plaques to each player, as well as jackets to those on the team who lettered. Each member of the team who will graduate this school year was given a green "E" blanket.

Keith Williams was introduced as the winner of the trophy given by the "E" Club for "most outstanding player." The recipient of this "E" Club award is selected by a vote of the members of the "E" Club.

Two Eagles, Dobs Lively and Bob Whitten tied for the title Most Valuable Player and they were presented the "Bud Hall Memorial Trophy." This trophy was given in 1955 by Mrs. Bud Hall and her daughter, Sandra, (now Mrs. Bobby Helmers) as a memorial to their husband and father.

Mary Lynn McCalla was awarded a plaque as football sweetheart. At the dances after the banquet, music was by "The Purple Vision," a group from San Angelo.

## Did You Know That—

The next meeting of the Schleicher County Historical Survey Committee will be at 6:30 p.m., Tuesday, January 19, 1971.

## Commissioners Order Designation Of Water Reservoir

At a recent meeting, the County Commissioners ordered that the Plateau Underground Water Conservation & Supply District directors be directed to cause the Texas Water Commission to designate an underground water reservoir.

(This is expected to be about the area of Schleicher county, and to take about 11 months.)

In other business, the Commissioners purchased from John Phillips Tire & Supply for \$300, two Model 996 electric Gilbarco gas pumps, two fuel filters, and two 2,000 gallon underground fuel tanks.

The Court also employed Rich Watso as mechanic at \$462 per month.

The Court approved purchase of an electric printing calculator from Texas Office Supply for \$383.75.

**Election Officials Named**  
For 1971 special elections, the Commissioners designated the following judges and associates:

Precinct 1, Golf Course Building, T. R. Spence.

Prec. 2, Sw. Co-Op. Mrs. M. H. Woodward, judge; and Mrs. Arch Ory, associate.

Prec. 3, Memorial Building, Mrs. Frankie Short.

Prec. 4, Band Hall, Phil Olson, judge; Mrs. Winnie Jackson, associate.

No. 5, Absentee, Clerk's office, Jerroll Sanders, judge.

## Firemen's Ball Set November 28th

The Eldorado Volunteer Fire Department is sponsoring a dance at the Memorial Building on Saturday, November 28th, at 8:00 p.m.

Music will be furnished by Johnny Dutton and the Johnny "D" Band.

All Associate Members of the Fire Department and all County and City Employees are cordially invited to attend. Y'all come.

## Bulletin Board

1. How they came out Last Friday Night in the Bi-District Game: Sonora 23.....Goldthwaite 6

2. Where They Play Tomorrow Night: Sonora versus Aledo in San Angelo at 7:30 p.m. (This is a game for regional championship.)

3. Aledo High School is in Parker county. This school has an all-school enrollment of 495 children with probably 150 in high school.

4. The winner of the Sonora-Aledo game will play the winner of the Honey Grove-Joshua game, this game also being set for this week end. Honey Grove is in Fannin county with an all-school enrollment of 592 while Joshua High School is in Johnson county and has an all-school enrollment of 635. Joshua is down Cleburne way and Honey Grove is in Bonham proximity.

Sonora has an all-school enrollment of 833 or more.

5. Incidentally, a class A high school is one whose average daily attendance in high school is not less than 119 and not more than 229 pupils.

6. Leading ground gainer for Eldorado in the 1970 football season was Keith Williams with 598 yards rushing and 245 yards with pass receptions for a total of 843 yards which barely tops Billy Doc Hubble's 832 yards rushing for the year.

## Several Eagles Make All-District Team

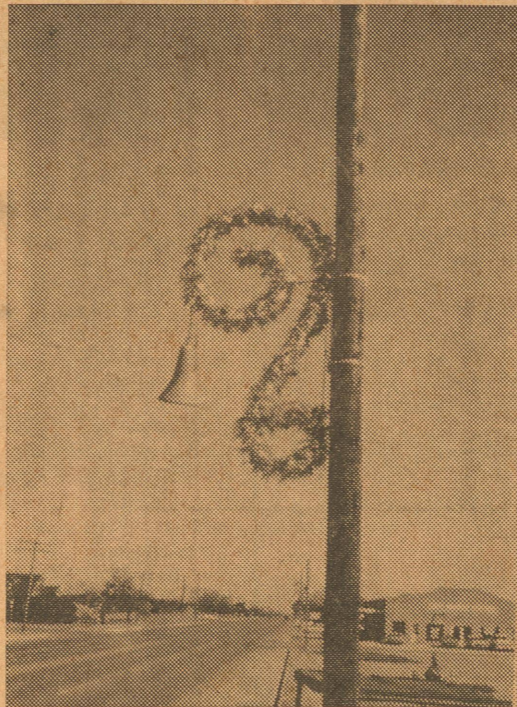

All-District 9A football team selections were made this week. They include the following boys from Eldorado:

Quarterback, Archie Nixon; Halfback, Keith Williams; Guard, Bob Whitten.

Defensive first team: Dobbie Lively as line backer, Victor Belman in secondary.

On 2nd Team, offensive: Billy Doc Hubble, back; Robert Hibbitts, center; Gary Danford, guard; Roy Jones, tackle. Second Defensive team: Oscar Martinez and Roy Jones, interior linemen; Bob Whitten, linebacker; Keith Williams, halfback.

## Christmas Decorations Are Going Up Here

This is one of the utility pole decorations being installed over town as a project of the Chamber of Commerce. The C of C is conducting ticket sales for this and plans call for some of the decorating to be done this year, and more next year. Pat Wester is general chairman of arrangements for this.

## Post Script

**Thanksgiving General Holiday**  
Today—Thursday, Nov. 26th—is Thanksgiving, and a General holiday.

Most local businesses are closed today, with exception of service stations. The Post Office is closed and mail will be put in boxes and the outgoing mail will be sent out early, as on a Sunday.

The school and City Hall are taking a four-day week end, but it's back to work for nearly everyone else Friday morning.

Also closed for four days are the Southwest Texas Electric Co. offices.

We have some Thanksgiving ads in this Success issue, and our crew join them in wishing you a most enjoyable holiday with your loved ones.

—ps—

The origin of Thanksgiving can be traced back at least 350 years, to the founding of the American colonies.

In recent years, Thanksgiving has been a sort of historical hurry-over—a pause before the Christmas rush resumes—but it is in no real danger of being eclipsed, if only because it's the only real American holiday and we feel that we might lose our luck if we neglected to observe it.

New England claims it, and it's a fact that the historical stereotype—17th-century Pilgrims, and pumpkins and prayers—clings to it and will continue to do so, even though more sober history shows that Virginians held their own thanksgiving 10 years before the Pilgrims landed.

But no matter. The Spanish who arrived a century before the English could probably put in a better claim. The important thing is that Americans of all origins have always felt an urge to give thanks for being here. There are dissenters, most notably in recent years, but there was and is something about America which, from the first, brought a rush of thanks to the lips of those who landed along its eastern shores.

Some were glad simply to have survived the trip, to have escaped persecution or to have another chance—or a first chance. And being far from what had been home and now on their own, it was natural, too, after finding they could survive, to thank God.

God figured largely in the minds and lives of early Americans, even among those who didn't come for religious reasons and who, by our standards, were too often brutish. Life was cheap, short and unsentimental. People were as matter of fact about their devotions as they were about dying. God was part of their lives.

But religious impulses weren't all of them, sectarian. Thankfulness rose naturally for the many reasons given, but also and primarily from a sense of luck. Everybody felt it and wanted to share in some observance of it.

Wasn't it good simply to be in America for whatever reason a man held dearest—for the freedom, spi-

ritual or economic, for a sufficiency of food and firewood and shelter?

Lucky to be here—that was the tenor of it all and one that more of us might take to heart in these later days when the old immediate thankfulness is dulled by centuries of residence and when—as is so often the case—some complain that the country isn't doing enough for us.

We take our freedom as matter of fact as the Pilgrims did their religion. The benefits of residence here lack novelty. We tend to forget that we're luckier than those who stayed behind—whether in Europe or Africa or elsewhere.

But behind the casualness, everyone who gives it a thought still knows that Americans feel a sense of differentness: A knowledge that this is where you come to better yourself and get a chance to show what you can do.

The average American knows, too, that we have all bettered ourselves—firstcomers and latecomers alike—and that he's luckier than those who didn't make the trip.

That's not a lot different from what the Pilgrims and others were trying to convey, and though the reasons for giving thanks are just as varied and valid as in 1620, the one common emotion is a sense of sharing spiritually in the luck and thanking God for it in whatever way we choose.

And just being American is the biggest part of that luck.

Television fans of NBC's Monday night "Laugh-in" have reported that San Angelo was mentioned for that show's special "Fickle Finger of Fate Award" on Nov. 9.

The award went to Mayor Wylie Webb as the official representative of the "city having three dry lakes and a \$3 million pipeline to another dry hole."

## Clinic Closed

### Thanksgiving Day

The Clinic at the Medical Center will be closed on Thursday, according to Dr. J. B. Brame.

However, doctors will be available for emergencies.

## Miss Schooley Named 4-H Gold Star Girl

LORRETTA SCHOOLEY

Lorretta Schooley, daughter of Mr. and Mrs. Clifford Schooley, has been a member of the Schleicher County 4-H Club for seven years.

Lorretta showed reserve champion for four years and grand champion lamb in the local show. She was winner of the showmanship trophy in 1967 awarded by Hereford breeders of Schleicher county.

Placing in major shows six out of seven years and winning reserve champion Southdown lamb in the San Antonio show have been only a few of Lorretta's achievements in 4-H.

Lorretta is a member of the debate team, basketball team, Future Home Makers, and slide rule. She is very active in church work.

West Texas Utilities will host Gold Star Award winners from 22 counties of Extension District 7 at a luncheon at the Cactus Hotel Wednesday, Dec. 2 in San Angelo.

## Beta Sigma Phi Thanks Community

Open Letter To The Community, Dear Community:

The sisters of Beta Sigma Phi wish to ask your help in reaching a decision. Each year the sorority tries to make one major donation to the community. We are looking for suggestions from responsible citizens as to the project for this year. If you have a suggestion, please call Mrs. Ruthie Dacy or Mrs. Nancy Thomas at 2814 or 2758.

The November 23rd meeting was highlighted by a guest speaker, Mrs. Jean Kuykendall. Each member really enjoyed trying her hand at writing poetry. We wish to congratulate S. C. Engdahl and Mrs. Carl Fuller for winning the ham and turkey raffle. A great big thanks to all those hardy half frozen football fans for their donations to the T-B drive the other night. We will be preparing a Thanksgiving Day basket for a family this week and deliver it Turkey Day.

Our float for the Christmas Parade is under way and hopefully will be ready. Our girl from Girls-town will find her Christmas a bit merrier this year with a gift from each member in her stocking. It is the custom to pause each year during the Harvest Season to give a Prayer of Thanks for nature's bounty, and for all the material and spiritual blessings that are ours to enjoy. And so it is fitting on this Thanksgiving Day, that we say a special "Thanks" for our pleasant association with you.

This is one of our most cherished blessings, and one which we hope will continue through the years ahead.

Sincerely,  
The Sisters of Beta Sigma Phi

## Christmas Parade Is Approaching

Christmas floats being entered in the 3rd Annual Christmas Parade now number approximately 11. The interest being shown in this affair is greatly appreciated by its sponsors, the Schleicher County Chamber of Commerce.

It is hoped that a large number of children will also participate in the costume division of the parade. A \$5.00 prize will be awarded to the child with the best costume pertaining to Christmas. This age group runs through the 3rd grade.

A bicycle division is also being sponsored and judging will be on the basis of the bicycle and rider. This group runs through the 6th grade and a prize will also be awarded.

The parade is set Dec. 7th.

Following the crowning of Miss Merry Christmas, a drawing for the rifle, bicycle and broiler will be held. Raffle tickets are being sold by Chamber members in order to help pay for the Christmas decorations which can be seen on the highway. It is hoped that more decorations of this type can be added in the future.

After the parade of Santa will be around to hear each child's Christmas wish so come to see him.

## Am. Legion Party For Youngsters Set Dec. 17

The annual Christmas party put on for county youngsters by the American Legion post will be this year on Thursday, Dec. 17th.

Gene McCalla, commander, stated that the event will be staged about as in previous years with a musical program, Santa's visit, etc. Further arrangements will be given in the Success later.

## Eagle Band Takes Another First At Brady

Mr. Mac's Eagle Band put on a performance at marching contest in Bradyaturday that gave them another First, a trophy, and the approval of an appreciative crowd.

Bringing home medals from the twirling session were Mona Waggoner, Jean Rountree, and Peggy Hanusch.

## Medical Auxiliary To Meet Dec. 3rd

**Answers to Turkey Questions**  
by Martha Logan

Q. How large a turkey should you buy?

A. First of all, count noses. Then allow for each person 1 1/2 pounds of the ready-to-stuff turkey and 1 1/2 to 2 pounds of the already-stuffed turkey. This guide to buying gives you generous servings and there will be enough left for good snacks and a meal or two later.

Q. When roasting a turkey, how can you tell when it is done?

A. A roast meat thermometer is used to determine the doneness. Insert the thermometer into the largest part of the thigh next to the body cavity. The internal temperature of the thigh should be between 180-185°F. Some older thermometers show 190°F. for poultry but it is not necessary to bring the deep-basted Butterball Swift's Premium Turkey to such a high temperature.

Q. What are the advantages of the deep-basted turkey?

A. A special self basting mixture bastes the turkey inside as it cooks and stays inside to make the turkey extra juicy.

**DAR Met The 19th**

The El Dorado Chapter NSDAR, met November 19, 1970 in the Ladies Club Room of Memorial Building, with the regent, Miss Ruth Baker, presiding.

The meeting was opened with the chapter repeating the Lord's Prayer and the salute was given to the Flag of our country.

Mrs. Luke Thompson, secretary, read the minutes which were approved as corrected.

National Defense chairman, Mrs. Mary Davis Coupe, gave us excerpts from J. Edgar Hoover urging the citizens of America to stand strongly for law and order.

Mrs. J. E. Hill, program chairman for November, quoted Psalm 104:1, O, give thanks unto the Lord, Call upon His name, then presented Mrs. Coupe, who gave a very informative report on Texas Indians.

White chrysanthemums were used in decoration and the table displayed a centerpiece featuring a Pilgrim father with a turkey and pumpkins for color.

Refreshments were served those mentioned above and Mrs. Elizabeth Powell. —Rep.

**Attending Angelo State U. On Scholarships**

**JULIA GARZA**

**ESTHER GARZA**

San Angelo, Tex., Nov. 23—Two Eldorado students are attending Angelo State University this fall on academic scholarships awarded by the university.

They are Julia Dela Rosa Garza and Esther Dela Rosa Garza, daughters of Mr. and Mrs. Francisco Garza of Box 392, Eldorado.

Both freshmen, Julia is majoring in Spanish while her sister Esther is a student in the college's associate degree nursing program.

Both are 1970 graduates of Schleicher High School in Eldorado, Ozona and Sonora.

Eldorado will now be in competition with the winner of other divisions for the Central Area Award presented by Central Area headquarters in Brownwood. The Area Excellent Housekeeping Award will be a roving plaque for three years and will be moved each six months. At the end of a three-year period, the division having won the plaque the most number of times will maintain permanent possession.

Good housekeeping is encouraged at all times by General Telephone and the award program has been initiated to emphasize the importance of it. Goss said that good housekeeping produces improved employee morale, increased work efficiency, extended life of tools, vehicles, equipment, and buildings and a good public image.

**Retirees Honored**

**MRS. VIDA KREKLOW**

College Station, Tex. (Spl) — Twenty-four retirees from the Texas Agricultural Extension Service were recognized at an honor banquet held November 19 in College Station. Co-sponsors for the occasion were the Texas Agricultural Extension Service and the Alpha Zeta chapter of Epsilon Sigma Phi, national honorary Extension fraternity.

Those honored included Mrs. Vida Kreklow who retired last summer after serving for a number of years as Home Demonstration agent of Schleicher county.

Dr. John E. Hutchison, director of TAES, noted that the group of retirees had accumulated a total of 678 years of service in helping Texas families improve their living conditions.

The Kreklovs now make their home in San Angelo.

**COUNTY AGENT'S COLUMN**  
*by Tiny Godwin*  
**Schleicher County Agricultural Agent**

The total cash receipts for farm marketings in 1969 for Schleicher county was 4.8 million dollars. This was very comparable with 1968 which was 4.76 million. The largest reduction was in row crops in 1969 which was only \$291,000 as compared to \$620,000 in 1968. Sale of livestock products was up some \$362,000 over 1968.

The number of sheep decreased again to 103,000 from 113,000 in 1968 with the number of goats declining from 33,000 to 28,000. While the number of all ages of cattle increased from 22,000 to

23,000. There were 904,000 pounds of wool produced, which is a decline while mohair production also declined to only 208,000 pounds in 1969.

Engines, such as those on irrigation pumps, grain combines, hay balers, forage harvesters and lawn mowers, need special care when they will not be used for 60 or more days. To protect such equipment it is suggested that they be cleaned and lubricated and that the engine

oil and filter be changed while the engine is hot. Then run the engine for a few minutes after the changes have been made to circulate the new oil to all working parts. The cooling system on water cooled engines, should be drained and flushed. Then redrain and make sure all water is out of the block and radiator. Drain plugs should be left open.

Before going into winter storage, the gasoline should be drained from the tank, gas lines and carburetor. Fuel left in tanks and lines can form a gummy or varnish-like substance which clogs jets, screens and lines. On LP gas engines, drain the vaporizer-regulator fuel and water lines.

After the engine has cooled, remove spark plugs and put one or two tablespoons of good motor oil into each cylinder. Turn the engine over a few times to distribute the oil on cylinder walls, rings, and valves and then replace the spark plugs.

Remove and clean the battery and make sure it is fully charged. Then store it in a clean dry place.

The engine's air cleaner should be serviced and refilled with clean oil. The exhaust should be plugged along with the air intake and breather to keep moisture and trash out of the engine. Store all equipment in a dry place. Irrigation power units left in the field should be protected by a suitable structure or a waterproof tarpaulin.

Taking care of these service jobs before the engine or engines go into winter storage, can mean fewer repairs on down the line and most important, they'll be ready to go when they are needed next year.

Pedestrian: A husband who did not think the family needed two cars.

The current trend toward larger farm units emphasizes two things: The increasing use of credit and the importance of managerial ability. Commercial agriculture is increasingly taking on the forms and business procedures of other manufacturing businesses.

While farmers and ranchers should gear production to meet market demands, even more atten-

tion must be given to production costs. With the large investments in land, equipment and livestock, as well as the large annual cash production expenses, business decisions should not be made by rule of thumb or on the basis of recent profits. They should be based on the future market prospects together with realistic estimates of all the costs of production.

Good management depends largely on adequate sources of information. Complete and accurate farm accounts and records can supply a large part of the information required for making better business decisions.

Better business management by farm operators calls for using business methods such as inventories, records, budgets, cost of production figures, as well as some knowledge of government regulations, including income tax laws and Social Security.

As farms increase in size it is often the inadequate manager who is being eliminated.

An opportunist: Any man who goes ahead and does what you always intended to do.

Most farmers during the weeks ahead will be making plans for next year's crops.

Plant diseases should be given a lot of attention. Research has established the fact that many plant diseases become more severe as a result of continuous cropping to one crop or one crop family over a period of time.

For example, if a field has been continuously planted to cotton and is heavily infested with cotton root rot fungus, one should consider using a member of the resistant grass family such as grain sorghum, corn or small grains in rotation.

Crop rotation programs are not "cure-alls" but when used in connection with other good plant disease control practices, they will lower disease losses caused by soil-borne disease organisms.

Information on crop rotation plans and on plant disease control practices are available at my office.

The easiest way to get your wife's attention is by looking comfortable.

**THANKSGIVING — A TIME TO PAUSE AND SAY "THANK YOU"**

Our Pilgrim Forefathers conceived Thanksgiving as a day to stop and take stock of all the good things in life. They had, as we do today, a constant threat of upheaval. They too, were beset by problems—economical and political—big and small—but they found time, once a year, to thank God and thank each other for all the good things they enjoyed. We, at First National, are thankful for the county, state and nation in which we are privileged to live. We are thankful for the opportunity we have of being a part of this area and for you, our friends and customers, whom we are privileged to serve. We pledge our continued efforts to be worthy of your patronage and good will.

In the Name and by the Authority of The State of Texas

To: Alton B. Fairchild, whose residence is unknown, the heirs and legal representatives of Alton B. Fairchild, if any, whose name and residence are unknown, and the respective unknown heirs and legal representatives of all the above named parties, the unknown owner or owners of the hereinafter described property and their heirs and legal representatives, whose names and places of residence are unknown, and any and all other persons, including adverse claimants, owning, or having, or claiming any legal or equitable interest in or lien upon the hereinafter described property delinquent to plaintiff herein for taxes.

You Are Hereby Notified that suit has been brought and is now pending in the Honorable District Court, 51st Judicial District, Schleicher County, Texas, wherein State of Texas, County of Schleicher, City of Eldorado, and Schleicher County Independent School District are plaintiffs; and Alton B. Fairchild is defendant, by the filing by said plaintiffs of a petition on the 22 day of October, 1970 and the file number of said suit being No. 1263 and the nature of which is a suit to collect delinquent ad valorem taxes on the following described property, to-wit:

Lots 4, 5, 6, Block 11, Original Townsite, Eldorado, Texas, together with interest, penalties, costs, charges, and expenses of suit which have accrued and which may legally accrue thereon.  
 The amount of taxes due each plaintiff, exclusive of interest, penalties and costs is as follows:  
 State of Texas  
 County of Schleicher .....\$ 20.50  
 City of Eldorado .....\$ 54.00  
 Schleicher County Independent School District .....\$137.59  
**TOTAL .....\$212.09**

The names of all taxing units which assess and collect taxes on said property not made party to this suit are: None.

Plaintiff and all other taxing units who may have set up their tax claims herein seek recovery of delinquent ad valorem taxes on the property hereinabove described, and in addition to the taxes all interest, penalties, and costs allowed by law thereon up to and including the day of judgment herein, and the establishment and foreclosure of liens, if any, securing the payment of same, as provided by law.

All parties to this suit, including plaintiff, defendants, and intervenors, shall take notice that claims not only for any taxes which were delinquent on said property at the time this suit was filed but all taxes becoming delinquent thereon at any time thereafter up to the day of judgment, including all interest, penalties, and costs allowed by law thereon, may, upon request therefor, be recovered herein without further citation or notice to any parties herein, and all said parties shall take notice of and plead and answer to all claims and pleadings now on file and which may hereafter be filed in said cause by all other parties herein, and all of those taxing units above named who may intervene herein and set up their respective tax claims against said property.

You are hereby commanded to appear by filing a written answer and defend such suit on the first Monday after the expiration of forty-two (42) days from and after the date of issuance hereof, the same being the 28 day of December, A. D. 1970 (which is the return day of such citation), before the honorable District Court of Schleicher County, Texas, to be held at the courthouse thereof, then and there to show cause why judgment shall not be rendered for such taxes, penalties interest and costs, and condemning said property and ordering foreclosure of the constitutional and statutory tax liens thereon for taxes due the plaintiff and the taxing units parties hereto, and those who may intervene herein, together with all interest, penalties, and costs allowed by law up to and including the day of judgement herein, and all costs of this suit.

Issued and given under my hand and seal of said court in the City of Eldorado, Schleicher County, Texas, this 12 day of November, A. D. 1970.

## Love's Flowers

MRS. ELNORA LOVE — PHONE 2700

sumer marketing specialist.

Plentiful in the meat market include turkey, chicken and pork.

Large whole turkey, the traditional holiday meat, is particularly a good buy in terms of cost per serving. If the turkey is over 12 pounds, allow one-half to three-fourths pound for each serving. If the turkey is less than 12 pounds, ready-to-cook weight, allow three-fourths to one pound per serving.

Fryer chickens, also popular choices at Thanksgiving, are marked with attractive prices. Plan on 1 1/2 servings per pound, and select the bird with a plump appearance, smooth moist skin, flexible breast bone, few pinfeathers, short body and meaty breast.

Smoked or fresh ham or fresh pork roasts are also in good supply for the holidays. Hams may be purchased fresh or cured, ranging from tender to fully cooked. Only ready-to-eat or fully cooked hams are safe to eat without further cooking.

When selecting hams, look for a light grayish to pink color, marbling with fat, firm flesh and fat, fine-grained lean, and a covering of fat over most of the outside meat. Avoid too much fat plus coarse-textured lean, deep pink or reddish-colored lean, and soft and flabby lean hams.

Ham and pork roasts with bone will yield two to three servings per pound, while those without bone yield three to four servings to the pound.

Other "best buys" in the meat market include arm and blade pot roasts and steaks, ground beef, and round steaks and roasts.

Vegetables for the holidays that are in good supply and at reasonable prices include cabbage, potatoes, carrots, turnip and mustard greens, onions, loose turnips, ruta-

bagas, celery, hard shell squash and head lettuce.

In the fruit sections of the market grapefruit prices are declining, and bananas, grapes, apples, and pears are economical buys. Oranges now coming to market have better flavors, and fresh cranberries are nearing their peak season with low prices.

Mrs. Bobby Palmos is a patient in the local hospital after having her eye injured in a home accident last Friday night. She is still in the hospital for observation and possible tests.

# Football Summary

A summary of the Eldorado Eagles' 1970 football season makes a very interesting study. With statistics compiled by Eagle coaches and released by Head Coach Sherwood Barker, it helps to begin with the season's record:

Eldorado 13	Rankin 14
Eldorado 0	Ozona 16
Eldorado 6	Llano 33
Eldorado 17	Iraan 0
Eldorado 0	Junction 15
Eldorado 10	Mason 0
Eldorado 28	Robt. Lee 7
Eldorado 43	Bangs 6
Eldorado 8	Sonora 35
Eldorado 42	Menard 0
Totals: 167	110

The least potent of these 10 opponents are Bangs and Menard and is reflected in that their enrollments for high school are near the bottom limit of 119 for Class A. Ozona and Llano are both Class AA schools. This 1970 season has seen the Eagles make an honest showing against competition, certainly of equal strength.

Combined game statistics for the season give the Eagles a favorable total except in one department, this being for fumbles which saw Eldorado lose the ball more than their combined opposition. This reflects the ball handling skills required for the effective offense employed by the Eagles.

On the positive side of this offense is the fact that the Eagles picked up 691 yards rushing more than did their combined opponents. These statistics go like this:

Eldorado:	Opponents:
151 first downs	112
2,150 yards rushing	1,459
715 yards passing	627
2,865 total yards	2,086
145 passes attempted	147
43 passes completed	39
22 passes intercepted	24
46 number of punts	64
32.7 yards per punt	29.1
44 fumbles lost	37
23 fumbles rec. from opp.	25
58 for 581 no. of pen.	55 for 478 and yards lost

Fullback Billy Doe Hubble led the Eagles' rushing attack with a total of 832 yards. Keith Williams came second with 593 yards on the ground. Hubble carried 163 times and Williams, 103; so Williams' average for each carry was 5.5 yards to Hubble's 5.1. The records of 11 Eagle ball carriers are as follows:

Keith Williams carried 108 times for 593 yards or 5.5 yards for each carry. Victor Belman carried 59 times for 314 yards or 5.3 yards a carry. Billy Doe Hubble carried 163 times for 832 yards or 5.1 yards a carry. Ricky Griffin carried 27 times for 81 yards for 3.0 yards a carry. Terry Clingan carried 35 times for 95 yards or 2.7 per haul while Archie Nixon kept 82 times for 225 yards or 2.6 per carry. Ken Peters ran 7 times for 23 yards or 3.3 yards a trip; Chris Pena, 9 times for 29 yards and 3.2 yards a try; Mike Mikeska carried 3 times for 10 yards or 3.3 a trip; Mike Manning carried 4 times for 7 yards for 1.7 yards; and Hunter Henderson carried once for 10 yards and incidentally a touchdown.

Keith Williams caught more forward passes than Jerry Baty did but Baty's were for more yards; Williams completed 16 for 245 yds. and Baty, 10 for 257. Charles Adams took 6 for 87 yards; Victor Belman, 5 for 64; Ricky Griffin 3 for 33 yards while Chris Pena, Mike Mikeska, and Gene Nixon took one each for 14, 10, and 3 yards respectively.

Billy Doe Hubble led in the scoring department with 9 touchdowns for 54 points. Keith Williams and Victor Belman reeked up

four touchdowns each and Williams scored three times with two-point tries and Victor Belman with two of the two-pointers. Jerry Baty, Terry Clingan, and Hunter Henderson made one touchdown each.

Quarterback Archie Nixon tabbed 37 points including three touchdowns, one field goal, one two-point try after a touchdown; and with Keith Williams holding, Nixon kicked 6 extra points.

Victor Belman and Terry Clingan tied for first honors with pass interceptions, each capturing six while Keith Williams was close behind with five; and Jerry Baty grabbed off three; Gary Danford, one; and Ricky Griffin, 1.

Gary Danford led the way in fumble recoveries with 5 captures. Billy Doe Hubble, Robert Hibbits, and Charles Adams captured three each while Roy Jones, Ricky Griffin, and Oscar Martinez captured two fumbles each, and Felipe Pena grabbed off one.

Hard work for the defensive "menfolks" consists of stopping enemy ball carriers. These statistics are not as accurate as they should be as they were not provided by the coaches, but better to miss a deserving youngster than neglect the hard and bruising season the following boys battled through.

Ranked in approximate ascending order, these lads posted good records; but possibly best of all, not one of them all season failed to meet the ball carrier with every physical resource available. In other words, no dad and cause to feel ashamed or uncomfortable while watching his son often when his son was outweighed many pounds by the ball carrier.

Ricky Griffin tabbed at least 15 stops. Jerry Baty, 16; Mike Manning, a freshman who did not play in all varsity games, got 14. Terry Clingan, 18; Victor Belman, 18; Billy Doe Hubble, 30; Charles Adams, 25; Gary Danford, 40; Robert Hibbits and Walter Speck, 40 each; Oscar Martinez, 45; Keith Williams, 49; Roy Jones, 80; Dobbie Lively, 91; and Bob Whitten led the way with 93 tackles.

It is interesting to imagine what would have happened had Sonora been ranked as a Class 2A school. This year, Ozona would have been representing this area. Reclassification based on average daily attendance in high school for the past two years is scheduled for 1971, when Interscholastic League Headquarters examine attendance records, reconsider, and reassign schools to their classifications for the next two years.

Meanwhile Seniors Victor Belman, Keith Williams, Steve Sykes, Jimbo Overstreet, Robert Hibbits, Dobbie Lively, Bob Whitten, Renmond Kuykendall, Walter Speck, Roy Jones, Charles Adams, Jerry Baty, and Billy Tampke join the Eagles of yesterday although these lads may have some difficulty for a while, comprehending that "Old Father Time" has blocked them out of play in high school for the rest of their lives.

These young men have represented their school well and possibly their best memory will be the thrill they brought to their mothers, dads, and fans the night of Friday, October 16, 1970, when the game ended and the final score read: Eldorado 10; Mason 0.

## Eaglettes Down Lake View Maidens

Tuesday evening, the Eldorado Eaglettes soared back into the ranks of winners as they traveled to San Angelo and beat the Maidens 60 to 29. The Eaglettes got off in front in the first quarter and led the Maidens by 2 points as the period ended. However, in the second quarter the Maidens regained the lead briefly only to see the Eaglettes come back and lead at the half 22 to 15. The third quarter was all Eaglettes as they poured in 24 points to 6 for Lake View. The reserve girls went in in the fourth quarter and again controlled the game and scoring. They outscored the Maidens 14 to 8.

Kathleen O'Harrow led the scoring for Eldorado with 25 points. Lorretta Schooley added 11 points and Peggy Hill put in 10. Sherry Davis, Patty Page, and Rosellen Maness scored 7, 3, and 4 respectively. As a team the Eaglettes scored on 23 field goals on 63 attempts for 37%. From the free throw line they scored on 14 of 22 attempts for 64%.

The number of turnovers was back down against Lake View. The guards only lost the ball 4 times and the forwards 8. This in itself was a great factor contributing to the win. Leading the defense for the Eaglettes were Claudia Meador, Mary Lynn McCalla, and Gay Lynn Richardson. Claudia Meador had 6 rebounds, Mary Lynn 5, Gay Lynn and Lisa McAngus had 4 each.

This game proved to be a good team victory after a couple of team defeats.

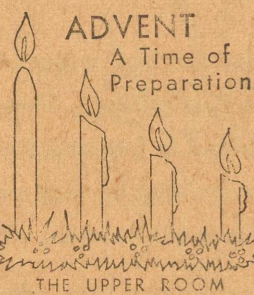

## Tax Man Sam Sez:

Topic: Giving Thanks. Most taxpayers don't think of Internal Revenue as representing anything to be thankful for. However, a Dallas District IRS employee comes up with this list of items to be thankful for:

- (1) That he lives and works in a nation with the highest morals on earth—where 97% of the Federal Tax collections are self-assessed and voluntarily paid;
- (2) Where over 2500 school teachers provide a good neighbor service and help IRS teach more than 175,000 students how to prepare their tax returns each year;
- (3) Where several hundred voluntary income tax instructors from numerous organizations help teach thousands of taxpayers how to prepare a better tax return each year.

The list goes on, but the gist is America is a great place to earn enough money to pay a whole lot of tax.

## Methodist Notes

This Sunday is the beginning of Advent. The Advent Season is the four Sundays preceding Christmas Day. The theme of this season is always one of preparation for the coming birth of the Christ Child. During this period the Christian should be giving solemn thought to the importance of this holy season.

Advent is also the beginning of the Christian Year. It is the church's "New Year." The Christian year ends this Saturday with the closing of Kingdomtide. Advent ends on December 24.

In our church, Mrs. Bob Joyce will once again be in charge of the decorations for the Advent and Christmastide seasons.

So we look forward to seeing all of you at church this Sunday morning and evening.

Residents awoke Tuesday morning to the coldest weather so far this year. Many reported thermometer readings of 20 and one or two said 17.

## School Menus

(All meals served with buttered rolls and milk.)

Monday, Nov. 30: Baked ham, sweet potato casserole, pinto beans, cabbage & apple & raisin salad, canned fruit.

Tuesday, Dec. 1: Breaded veal cutlets, creamed potatoes, green beans, mushroom sauce, stewed prunes, white cake, chocolate icing.

Wed., Dec. 2: Chili with or without beans, cole slaw, cheese strips, fresh fruit cup, cookies.

Thursday, Dec. 3: Fried chicken and gravy, creamed potatoes, English peas, peach halves, chocolate pudding.

Friday, Dec. 4: Fresh fish fillets, macaroni & cheese mustard greens, carrot & apple & pineapple salad, brownies.

## Girls Lose to Iraan

The Eldorado Eaglettes were unable to stop the Iraan girls in the third period, Nov. 19. Eldorado enjoyed an 11-point lead at the half, but quickly saw the lead change as they trailed by one point at the end of the third quarter. The Iraan girls outscored the Eaglettes 20 to 8 in this period. After the Eaglettes had outscored the Braves by a score of 28 to 17 the first half, Iraan turned the tables and scored 30 points to 15 for the Eaglettes the second half.

Kathleen O'Harrow led the Eaglettes in scoring with 24 points. Lorretta Schooley contributed 15 while Peggy Hill added 4. The forwards hit on 15 of 21 free throws for 71%. The first half they hit on 8 of 17 attempts for 47%. Six baskets of 20 attempts were made the second half for 30%. Game totals showed 37 attempts with 14 being made for 37%.

Lisa McAngus led in the rebound department with 8, followed by Gay Lynn Richardson with 6, Mary Lynn McCalla and Claudia Meador with 5 each. Guards and forwards combined turned the ball over 20 times. Turnovers could certainly have been the downfall of the Eaglettes.

Final Score Iraan 47, Eaglettes 43.

## A Girls Lose To Winters Monday

The Eldorado Eaglettes managed only 6 baskets from the floor as they lost to Winters 41 to 25. The other 13 Eaglette points came from the free throw line. Kathleen O'Harrow led the scoring for Eldorado with 2 baskets and 9 free throws for 13 points. Also scoring were Sherry Davis with 5 points, Lorretta Schooley with 4, and Peggy Hill added 3.

The forwards only scored on 6 of 35 field goal attempts from the floor for 17%. Outside of the low shooting percentage there was too little rebounding on the forward end and too many team turnovers. The forwards turned the ball over 16 times and the guards turned it over 7 occasions. Guard rebounding showed some improvement as Mary Lynn McCalla pulled down 10, followed by Gay Lynn Richardson and Lisa McAngus with 9 each. Claudia Meador added 3 rebounds to give the guards a total of 29 rebounds for the night.

## B's Win From Sonora

The Eldorado "B" girls won their second game of the season by defeating the Sonora "B" girls 48-18. Patti Olson led the scoring for the Eldorado girls with 17 points, while Janet Oglesby and Vonda Maness contributed 8 each. Jeanne McCravery added 7 points, Judy Hanusch 6, and Kathy Page 2. The forwards attempted 42 shots in the game and made 22 or 43%.

Janet Davis led on defensive rebounds with 6 followed by Margie Green with 5. The forwards and guards combined had 20 turnovers.

## 'B' Girls Win No. 4

The "B" girls stretched their win streak to 4 by winning over the Lake View Maidens "B". The final score was 46 for Eldorado and 33 for Lake View.

Patti Olson led the scoring parade for Eldorado with 23 points and Jeanne McCravery dropped in 10. Vonda Maness had 7 points while Janet Oglesby and Kathy Page contributed 3 points each.

Margie Green and Lynn Sanders led the defense and rebounding with 5 rebounds each. Janet Davis and Thelma Bosmans were also doing a good job on defense.

Despite 38 turnovers the "B" girls played well enough to win, number 4 and are looking for no. 5.

## Attend Zone Meeting

A Zone Meeting for area Lions Club officers was held Tuesday evening at the Commercial Restaurant in Sonora. Those attending from here were L. D. Mund, A. G. McCormack, Pat Wester, Bobby Palmos, Bill Gunstead, and Elton McGinnes.

The local Lions Club did not meet this week, since Wednesday was the day before Thanksgiving.

## MERRY MAKERS 42 PARTY

Mrs. Lester Henderson was hostess last Thursday when she entertained the 42 club in her home. There were three tables of players.

Those present were Mrs. Sam McGinnes, Mrs. Annie Speck, Mrs. Truett Stanford, Mrs. Opal Parks, Mrs. Elton McGinnes, Mrs. Bessie Doyle, Mrs. Rose Brannan, Mrs. Mable Griffin, Mrs. Clovis Taylor, Mrs. Viola Finnigan, Mrs. Ray Alexander, and the hostesses.

The hostess served pumpkin pie, coffee and tea for refreshments.

## Marine Sgt. Torres Presented "Top" Award

Sgt. Rudy Torres with the US Marine Corps Recruiting Services was recently presented the "Top Recruiter" Award for the month of October. This award is presented on a competitive basis to Recruiters from the Southwest Section of Texas. This area includes Austin, San Antonio, Victoria, Harlingen, Corpus Christi and Laredo Recruiting Sub-Stations. Sgt. Torres visits the Eldorado Area once every month. He is due here again on the 9th of December.

## B's Win 3rd in a Row

The Eldorado "B" girls scored 42 points while holding Winters' "B" girls to 21 to take their third straight win of the year. The Eldorado girls hit on 17 of 43 shots attempted for 39%. They added 8 free throws to give the final 42 points. Patti Olson led the scoring with 14 points. Jeanne McCravery and Janet Oglesby followed closely behind with 12 and 11 points respectively.

Margie Green led the rebounding on the defensive boards with 9 rebounds while Eva Jo Blaylock and Thelma Bosmans had 4 each.

Miss Sharron Louise Matthews, daughter of Mr. and Mrs. E. J. Matthews of 7413 Allsup Drive, in Houston, Texas, became the bride of Sergeant Jack Montgomery, Jr., son of Mr. and Mrs. Jack M. Montgomery, Sr., of Angleton, Texas, on November 20, 1970 in the Harmony Wedding Chapel in Houston.

Given in marriage by her father, the bride chose a gown of royal blue velvet accented with lace and seed pearls. Her bridesmaids were Miss Dale Montgomery and Miss Susan Reed.

The groom is currently serving in the Air Force and is stationed at Westover Air Force Base, Mass.

Following a trip to West Texas, the couple will be at home at Westover AFB, Mass.

Jean Chestnut of Myrtle Beach, South Carolina, became the bride of Sergeant Phillip B. Montgomery, son of Mr. and Mrs. Jack M. Montgomery, Sr., of Angleton, Texas, in the First Baptist Church of Myrtle Beach on October 31, 1970. The couple are making their home in Myrtle Beach.

## Edmiston Awarded Scholarship At A&M

College Station, Texas.—William F. Edmiston of Eldorado, freshman range science major at Texas A&M University, has received the C. L. Leinweber Scholarship in recognition of academic achievement and activities in high school.

Presentation of the award was made at a general assembly of the Schleicher County Independent School District by W. G. Godwin, Schleicher County Agricultural Agent.

The student is the son of Mr. and Mrs. W. F. Edmiston of Eldorado.

In high school Edmiston was in the National Honor Society, a Range Camper, on the F. F. A. grass and livestock judging teams, in the Letterman's Association, and a member of the Church of Christ.

This scholarship is awarded annually to an incoming freshman in the Department of Range Science. Doorn of the scholarship is Dr. C. L. Leinweber, head of the Department of Range Science.

## Oil News

### Oil Yielded On Two Tests

Skelly Oil Co., Midland, No. 4 J. M. Treadwell, in 20-BS&F, Abst. 934, indicated third Tillery gas producer one location west of lower dual Canyon gas and Tillery gas and one location north of dual Canyon oil and Tillery gas production in the Fort McKavett, North field and 3/4-mile southeast of the six-well Camar, North (Canyon oil) field of Schleicher county. 7 1/2 miles northwest of Fort McKavett, recovered oil on one test of the Canyon sand and flowed gas and recovered oil on another.

Recovery was 2 1/2 barrels of 36 gravity oil with a trace of drilling mud on a four-hour test at 4,077-87 feet. Flowing pressure was 115-72 pounds; 1 1/4-hour initial shut-in pressure was 1,482 pounds; and two-hour final shut-in pressure, 1,396 pounds.

Recovery was three barrels of oil and gas-cut mud on a three-hour test at 4,125-51 feet, which flowed gas at the rate of 300,000 cubic feet daily. Flowing pressure was 2,943 pounds; 30-minute initial shut-in pressure was 1,311 pounds and two-hour final shut-in pressure, 1,386 pounds.

Operator drilled to 4,234 feet, ran logs and was running 7-inch casing.

Tillery production was indicated with the flowing of gas at the rate of 2.3 million cubic feet daily on a drillstem test at 3,693-99 feet.

It was scheduled to 4,300 feet as an outpost to the Camar, North field and a confirmation to Tillery and lower Canyon gas in the Fort McKavett, North field.

The Fort McKavett, North field has two oil producers producing from 4,001-49 feet; the Camar, North field produces at 4,132-4,227 feet.

THE ELDORADO SUCCESS

# THANKSGIVING DAY

THE FIRST THANKSGIVING celebrated at Plymouth in 1621 was a harvest festival, a gathering of family, friends and neighbors, and a time of games and feasting. Almost half of the original 102 Pilgrims had survived the first winter. They had labored long and hard to build a village and plant crops. When their harvest was gathered, they celebrated. In writing to a friend in England describing the First Thanksgiving, one of the Pilgrims said: "Our harvest being gotten in, our Governor William Bradford sent four men on fowling; so that we might after a more special manner, rejoice together, after we had gathered the fruit of our labours. They four, on one day, killed as much fowl as, with a little help besides served the company a week.

"And among the rest, their (the Indians) greatest king, Massasoit, with some ninety men, whom for three days, we entertained and feasted, and they went out and killed five deer; which they brought to the Plantation and bestowed on our Governor, and upon the Capt. (Standish) & others."

In describing this Thanksgiving, which set the pattern for the traditional American celebration, other writers tell of foot racing, wrestling, exercising arms (infantry drill) and pitching the bar. No other country has a day set aside for Thanksgiving; a day that is non-political, non-patriotic, non-denominational, but simply one in which all people recall the privation and suffering of their forebears, and give thanks for the bounty provided them, and for us. Nor has any other country so much to give thanks for. As we sit down to our Thanksgiving repast, we should not only give thanks, but we should ask ourselves if we are worthy of the heritage that began with the Pilgrims.

Austin, Tex.—Heads of the Texas Education Agency have set priority goals for public schools during the next two years. They estimate additional state and local costs at more than \$362 million.

Highest priority must be assigned to implementing those major educational acts of the 1969 Legislature, says Dr. J. W. Edgar, Commissioner of Education.

He listed these acts as the 1969 salary compensation (long-range teacher pay raise) plan, a kindergarten program for five-year-olds, comprehensive special education programs, expansion of technical-vocational programs and refinement of the teacher retirement act. Programs are projected over a three-to-seven year period.

As desirable as new or accelerated programs may be, says Edgar, the State Board of Education feels more experience is needed with the 1969 acts and more opportunity should be allowed to invest available resources in presently authorized goals.

"Next priority," says the Commissioner, "goes to carrying out recommendations of a committee studying changes in school finance formulas, with a view to equalizing funds assigned as the local share of foundation costs."

### Some Thoughts On Thanksgiving

What is Thanksgiving? Here are a few thoughts on Thanksgiving we clipped to pass on to you for the annual holiday.

Thanksgiving is at the end of every November.

Thanksgiving is a dress rehearsal for Christmas Day.

Thanksgiving is what the pilgrims gave back to the American Indians after taking their lands.

Thanksgiving is pumpkin pie with not quite enough whipped cream, or else without any whipped cream at all because you are too fat.

Thanksgiving is a frozen turkey that somebody else killed and dressed.

Thanksgiving is a day in the middle of the week that we don't have to go to work.

Thanksgiving was proclaimed on the last Thursday of November by President Abraham Lincoln in 1863, and each year afterward, for 75 years, the current president followed suit until Franklin D. Roosevelt moved it up to the fourth Thursday in 1939, to give the Christmas shopping season more length.

Thanksgiving was established on the fourth Thursday as a legal holiday by an act of Congress in 1941.

Thanksgiving is homebread bread and real butter.

Thanksgiving is a good day to address Christmas cards.

Thanksgiving is going to see Gramma and Granpaw.

Thanksgiving is the last warning to get anti-freeze put in the car.

Thanksgiving is a fat uncle taking third helpings of turkey while everybody else is eating pie.

Thanksgiving is the end of football.

Thanksgiving is a special church service.

Thanksgiving is getting so much food ready that you forget to feed the pets.

Thanksgiving is when Daddy prays for so long you are afraid the turkey will be cold.

Thanksgiving is when you can fill up your plate so fast that there is no room for the peas, and nobody even notices.

Thanksgiving is cooking for three days and washing dishes for three hours, and not really minding.

Thanksgiving is having everybody together just like it used to be.

Thanksgiving is bringing home a turkey you colored at school and having mama hang it on the kitchen wall.

Thanksgiving is a time for extra-careful driving.

Thanksgiving is forgetting to take the dinner rolls out of the oven, and nobody saying anything until they burn.

Thanksgiving is wonderful.

Above all, thanksgiving is truly THANKSGIVING. A time when you should say "thanks" for the many blessings you enjoy, thanks to your many friends and family members, and thanks to everyone you are associated with.

We say thanks to you and may you all have a very happy Thanksgiving, with plenty of reason to give thanks.

More than \$2 billion will be spent for public elementary and secondary education this year. Estimate for next year is \$2.6 billion.

About 2,728,000 pupils now are enrolled, and 2,760,000 will be in classes next year.

Cost of existing programs for next year alone will increase \$156 million, while new programs will require an estimated \$25 million more.

**Courts Speak**  
Texas Supreme Court will hear arguments on January 13 as to whether a narcotics case can be under joint jurisdiction of criminal and probate courts through the mental health code. In the case at point, a mother tried to commit her daughter who had been convicted of a narcotics violation to a hospital for addiction treatment.

In other cases the High Court: —Slated arguments for January 20 in \$35,000 damage lawsuit brought by parents of a young Houston boy struck by a car on Galveston Beach 4½ years ago.

—Directed the Houston Tour and Charter Service Inc. to stop out of city bus routes operating without a Railroad Commission certificate.

—Directed retrial of a Wheeler County case involving whether a

Texas Tech student received "general injury" in an oil rig job accident.

—Ruled that Maverick County Water Control and Improvement District No. 1 (or other political subdivisions) are without power to levy a special assessment against veterans land tract forfeited to the state by the buyer.

—Found that an Arizona carpet firm which did business with a Texas manufacturer on building projects in the state can be sued in state courts for debt.

#### Lawmaker Aid, Curbs Urged

Subcommittees of a blue-ribbon committee studying legislators' duties, responsibilities, compensation and ethics are beginning to formulate recommendations.

One proposed an expanded publicity staff for lawmakers and a health or first aid station for the capitol. Another urged an end to the practice of legislators' lending their names to clients or defendants in legal cases just to delay trial.

On December 9, all sub-panel findings will go to the full committee of 150 named by House Speaker Gus Mutscher.

#### Appointments . . .

Gov. Preston Smith named District Judge Clarence A. Guittard of

Dallas as associate justice of the Fifth Court of Civil Appeals, effective January 1. He succeeds Judge Claude Williams who moves up to chief justice of the Fifth Court.

Smith designated Dallas attorney Fred S. Harless to succeed Guittard as 14th district judge.

Memphis attorney Robert E. Montgomery was picked by the Governor as judge of the 100th district effective Jan. 1. He replaces Judge Charles L. Reynolds, who was elevated to the Seventh Court of Civil Appeals.

Rep. Charles Patterson of Taylor and Round Rock was selected by the U. S. Department of State to participate in a North Atlantic Treaty Organization briefing conference in Brussels, Belgium, on November 23-24.

Smith appointed Dallas F. Jordan of Dallas, who is a Rear Admiral in the U. S. Naval Reserve, to the Fleet Admiral Chester W. Nimitz Memorial Museum Commission.

M. A. Genaro of Dallas was elected president of National Beer Wholesalers Association.

#### Oil Allowable Cut

State Railroad Commission ordered a cut in December statewide oil allowable to 83.5% of potential, from the high 87.3% factor.

Action followed four consecutive monthly increases. December limit would allow a maximum production of 3,815,992 barrels of crude daily. That is a reduction from this month's 3,954,193-barrel maximum.

Three of the 14 big crude buyers requested additional allowable for December. Ten wanted the same figure and one less. U. S. Bureau of Mines forecast a 3,525,000-barrel daily demand for December. Written nominations by major purchasers totaled 3,425,531 barrels.

#### Crude Price Hike Endorsed

Lt. Gov. Ben Barnes told the federal Office of Emergency Preparedness that an announcement by two major oil companies of intention to raise crude oil price 25 cents a barrel is "completely justified."

Lieutenant Governor said reserves of petroleum are lower than during wartime, and price increase is mandatory if they are to be increased.

#### Alteration Tax Possible

You can be taxed for alteration charges on clothing where the charge is made at time of purchase, Comptroller Robert S. Calvert has held.

However, Calvert said, charges are not subject to sales tax when they are not part of the sale. "If the alteration is made on a

garment prior to acceptance by the customer, the alteration charge is considered a service which is part of the sale and the charge for such alteration is taxable to the customer," said Calvert in an interpretation of sales tax provisions. "Alteration charges on clothing are not taxable when not a part of a sale."

#### Short Snorts . . .

New auto insurance rates effective in January have been posted by the State Board of Insurance after Monday (Nov. 23) hearing.

Atty. Gen. Crawford C. Martin said Mafia tentacles are reaching into Texas and restated his view that a wire-tapping law is needed to fight organized crime.

Second annual governor's public support conference on traffic safety drew statewide participation here.

German measles cases doubled this year over 1969, and there have been 20 cases of paralytic polio in 1970 compared with six in 1969, reports state Health Department.

Attorney General held that the Agriculture Department could pay a monthly consulting fee to a person doing marketing study in Europe.

State cotton harvest is 45% complete, 19% ahead of last year's schedule.
