Number 38

First Bale Here Ginned Tuesday

As reported earlier, Whip Fauld of Bailey Ranch brought in the first bale of cotton to Mikeska gin on Monday.

It was not ginned until Tuesday and made a bale of 606 pounds, according to Ginner Kenith Homer.

Mr. Fauld's cotton was picked early last week before arrival of the wet norther. At that time he estimated he had from 10 to 15 bales already open. His 100 acres were pre-watered.

Band-Aide Boosters Met September 20

Monday, Sept. 20, the Band-Aides met for their annual planning meeting and installation of officers for the new year, which were as follows:

Pres. — Mr. & Mrs. Ray Hanusch
V-Pres. — Mr. & Mrs. Pat Wester
Sec. — Mrs. Jim Holley
Treas. — Mrs. Jim Thornton
Rep. — Mrs. Charles Adams

The budget was set and several fund raising projects were decided upon. More information will be forthcoming as these events occur.

A big percentage of our money is raised through concession stands. Be sure and come to the football game Friday and indulge in some of Vida's "Goodies." A big thanks to her for undertaking such a task. Also, we would like to express our deep appreciation to all the merchants of our city who have been so cooperative and helpful with all of our projects.

Cub Scouts To Start Fall Program Tuesday

This coming Tuesday, Sept. 28, the Cub Scout Roundup Rally will start at 7:30 in the Memorial Bldg. Bob Bradley is Cubmaster. J. B. Morris will also be on hand from the San Angelo office of the Concho Valley Council, Boy Scouts of America.

The purpose of the rally is to enlist new boys and their parents and also to have the Cub Scouts and their parents there to check over den organization and get the Fall program going.

Boys in the 3rd grade or 8, 9 or 10 years old are eligible to join.

There will be a door prize for the Roundup Rally meeting, games for the Cub Scouts, instruction to the new boys and their parents.

Booster Club Meeting

The Eldorado Eagle Booster Club reported a large turnout the past two Monday night meetings.

It was reported the membership now exceeds over 200 members. Pat Wester and W. A. Tampke names were drawn as Boosters of the Week for the Llano game Friday night.

Coach Helmers reported on the Jr. football and urged all fans to follow the team to Menard Thursday afternoon with the Menard Jr. High.

Coach Meador gave the scouting report on the Llano team. He stated Llano did not have as large a backfield as last year, but they had a fine ball club despite the fact they lost their first two games against two very strong teams.

Coach Stevens reported on the varsity team and asked the fans co-operation in trying to help the boys develop a winning attitude.

Films were shown of the Ozona and Eldorado game of last Friday night. The Booster Club will meet next Monday night at 8:00 p.m. at the High School. —Rep.

Farrars Visit Here

Mr. and Mrs. Carl M. Farrar of Senatobia, Mississippi, have been visiting in this area this week.

They were in the Success office Tuesday and reported they have been constant readers for 40 years. They moved from here about 30 years ago.

They were honored Wednesday night with a barbecue and party at the Artie Joy ranch near Sonora.

Post Script

Weather outlook based on maps of the U. S. Weather Service from mid-September to mid-October gives these predictions for West Texas:

Temperature, below normal.
Rainfall, below normal.

We've already experienced the BELOW normal temperature, with the wet norther over the past week end. Now the skies are clearing.

We ran across Fred Case on the street Monday and he said the week end rain on the Case ranch totaled 1½ inches and he indicated that ranch conditions were excellent and that the rancher was entering the winter period in fine shape. No doubt his opinions are being shared by other ranchers over the county.

But cotton farmers, of course, do not share that enthusiasm. Most of them say the cotton crop will be very small.

Monday afternoon we found Whip Fauld down at the gin with a bale to be processed. It was parked under the suction, but it was not ginned because the Mikeska Gin was not quite ready to go. It will be the county's first bale.

Victor Sauer was visiting on the lot and we asked him about cotton prospects in Reynolds community. He replied that of course there will be SOME cotton produced, but he wasn't the least bit enthusiastic about it.

—ps—
The week end wet norther was pleasantly chilly and brought out sweaters and light jackets and householders have had to scurry around and turn on the gas heaters to warm up their living rooms.

Some were heard to remark that it felt like fall and that probably we were in for an early fall.

Wild ducks and things? Well, maybe.

—ps—
Now we are well launched on our football season which will continue for another eight weeks.

Our boys were mercilessly clobbered in last Friday's game and no doubt they will learn from the experiences. In the pre-conference games our boys are usually pitted against a team well out of their class. Eldorado always turns out for its football games and they can look forward to some good contests where the Eagles will give a good account of themselves.

—ps—
Last Friday was also the occasion of the launching of a new Eldorado enterprise that went over with a bang. It was the opening of Jerroll Sanders's new El Dorado Restaurant. They served T-Bone steaks and french-fries to the entire Ozona football delegation and scores of visitors from Sonora and San Angelo as well as Eldorado. A young woman who worked there said, "We had to close the door at midnight."

—ps—
Mrs. John Gilmore, executive director of Eldorado's low-rent housing authority, has been receiving communications from Health, Education and Welfare in regard to Eldorado's application for more low-rent units.

Apparently Eldorado's recent application is receiving favorable consideration, since building contractors are already asking about it. It may take months for this project to come to a head, but it is encouraging to know that our project is in the pot and that it will be processed in God's good time.

—ps—
Foxworth-Galbraith Lumber Co. has a Fall sale under way. In next week's Success issue we will run a page ad giving details.

In the meantime, Skeet Mace and his crew invite everyone in to look over the tagged items of merchandise marked down for this special event.

'Autumn Action' Event Set For Girl Scouts

Junior, cadette and senior Girl Scouts from over the El Camino Girl Scout council are enrolling for the second annual "Autumn Action" conference set for Oct. 23 at Texas Tech University Center at Junction.

Open to the first 500 girls who make reservations, the El Camino Council event will include a variety of activities intended to start the new scout year with enthusiasm.

Close to a dozen girls and leaders are planning to attend from here.

District Governor To Address Local Lions

HOMER HODGE

Scheduled to visit the Eldorado Lions Club at noon on Wednesday, September 29th, is Homer Hodge of Winters, governor of Lions District 2-A1. Lion Governor Hodge will visit the local club and give his address as the program. The meeting next week will start at 12:05 with serving of the meal to members and guests in the new El Dorado Restaurant.

Lion Governor Hodge was here in June to attend the ladies night when the new slate of officers were installed.

The local Lions Club dispensed with their meeting Sept. 22nd.

On Oct. 6th, the club will be meeting again in the downstairs banquet room of the Memorial Building.

Nursing Home Notes

Visitors who registered since September 13th were as follows:

Mrs. Victor Sauer visited Mrs. Ruth McGinnes.

Mrs. A. Cooper and Zola Bode of Sonora visited with Mrs. Helen Barnes.

Mr. E. R. Kinser of Ozona visited with Mrs. Faye Kinser.

Mrs. Dayton Capps of Sonora visited her father, Mr. Will Haines.

The Schleicher County Medical Center Auxiliary had a birthday party on September 20, 1971 in the Dining Room of the Center for the following patients who have birthdays during the month of September. Those honored were Mr. John Davis, Mr. Will Haines, Mrs. Katie Striegler and Mrs. Thelma Carter. Cake and punch was enjoyed by the honorees, fellow patients, families and friends.

Church services are held every Sunday at 3:00 p.m. in the Dining Room of the Medical Center. This Sunday's services will be conducted by Father Gagnon of the Guadalupe Catholic Church. Anyone in the community desiring to attend these services is welcome.

Santa Anna in Bangs
Sonora in Big Lake
Menard in Early
Llano in Eldorado

How They Stand in Non-Conference Play

Team	W	L	T
Mason	2	0	0
Sonora	2	0	0
Eldorado	1	1	0
Menard	1	1	0
Robert Lee	1	1	0
Bangs	0	1	1

How Llano Stands:

Mason 40	Llano 6
Westlake 36	Llano 7

Thomsons Leave For New Home In Virginia

Captain and Mrs. Thad A. Thomson left Monday for McLean, Virginia, where they will make their home. They will live in a condominium apartment house composed of retired Naval officers. Their mailing address is given elsewhere in this paper.

They sold their ranch to Morty Mertz and disposed of some of their household goods before leaving. They expect to make a leisurely trip to the Northeastern states and to reach Virginia about the middle of October.

Sunday evening, Mr. and Mrs. Charlie Trigg honored the Thomsons with a party in the El Dorado Restaurant. About 35 attended.

Registration Set Oct. 5 For Adult Basic Education

Registration for Adult Basic Education will be Oct. 5, 1971, at 6:30 p.m. in Eldorado High School.

Classes will continue each Tuesday and Thursday at 6:30 p.m.

Anyone 18 and older is eligible to study in the Adult Basic Education program.

If more information is needed, contact Allen J. Kuykendall, phone 853-2574 after 5:30 p.m.

All Eagle football fans are urged to attend the Pep Rally each Friday afternoon in the High School gym.

Following 63-8 Loss To Ozona Last Week . . .

Eagles To Host Llano Team In Third Game Friday Night

Eldorado, a class one-A school, hosts Llano, the second two-A school in a row the Eagles have confronted, on Eagle Field tomorrow night at 8:00 o'clock. The Yellowjackets have lost successively to Mason 32-0 in their first game, and next to Westlake 36-7. Eldorado has a one-win one-loss record to date. Llano definitely will regard the Eagle contest as an opportunity to brighten up their so-far dismal season. Then again, the Yellowjackets have a solid month of bitter adversity staring them in the face as they collid with Fredericksburg, Oct. 1; Georgetown, Oct. 8; Marble Falls, Oct. 15; and the Brady Bulldogs on Oct. 22. Should Llano falter

against Eldorado, there will be little cause for "mirth" in Llano for a long time.

The Yellowjackets utilize the "Texas Wishbone" as their favorite offensive stance. Reason is perhaps that their lefthanded quarterback, Bill Wallace, No. 14, likes to pass and run or fake to run and pass. The Yellowjackets have a sturdy fullback in the person of 172-pound Zachary Dean, No. 44, who as first option for the "Wishbone" is always a threat between tackles. Wallace has a good receiver in Steve Turner, No. 42, who doubles as a halfback and on occasion as a wingback and who is also potent on reverses or counter plays.

The offensive lineup for the Yellowjackets will probably be as follows:

No.	Name	Pos.	Wt.
80	Mark Virdell	LE	181
76	Herman Honig	LT	162
75	Thomas Davis	LG	156
54	Taylor Virdell	C	167
64	Robert Blossman	RG	166
70	Leland Stewart	RT	185
84	Otto Rusche	RE	152
45	Joe Freeman	LHB	152
42	Steve Turner	RHB	150
44	Zachary Dean	FB	172

Medical Center Notes

Admissions, Sept. 12-19:

Marie McDonald
William Blaylock
James A. Steele
Elma Torson, Mertzon
Gladys Graf
Mary Martinez
Eugenia Mata, San Angelo
Sam Carrell
Eloisa Gamez, Sonora
Zula Sparks
E. J. Wipff, Sonora
Beulah Harris
Hattie Wipff, Mertens
C. A. Bryan, San Antonio
Ricky Gibson
Pamela Mason, Sonora
Baby Boy Mason, Sonora
Maria Noriega, Sonora.

Discharges Sept. 12-19:

Shirley Fay
James A. Steele
Elma Torson, Mertzon
E. H. Nimitz
Maria Sanchez, Sonora
Marie McDonald
Leo Jeffrey
Tomas Rameriz
Mary Ann Jackson
William A. Blaylock
Mary Martinez
Margaret Martin, Sonora
Sam Carrell
Eugenia Mata, San Angelo
Eloisa Gamez, Sonora
Ricky Gibson
Gladys Graf
Thelma Carter
Alicia Medina, Sonora
Zula Sparks
Rebecca Dinsmore.

Emergency Room Treatments Sept. 12-19:

James A. Steele
Ricky Gibson
W. V. Lux
William D. Harrell
Robert Grenier
Mike Manning
Mickey Romero.

Defensively, the Yellowjackets employ a five man front with four linebackers. The outside linebackers are employed as so-called "strickers" and reinforce the inside linebackers when needed and are also the front section of a four-man secondary. This arrangement resembles that employed by the Ozona Lions.

It seems obvious that the winless Yellowjackets will be aiming directly at the Eldorado Eagles to make the Eagles a comforting numeral in the Llano book of statistics. They will hope to capitalize on what Llano hopes will possibly be low morale on part of the Eagles.

Meanwhile Eagle Coach Ronnie Stephens said Monday that other than routine experimentation for effective employment, there will be no significant changes in either Eagle Offensive or defensive personnel.

He remarked that he was happy that the Eagles suffered no disabling injuries in the Ozona contest and continued that it was possible that Hunter Henderson's injured hand would be improved to the extent that he might participate in the Llano contest.

In summary, the Eldorado Eagles can take some comfort from the Rankin-McCamey game which Rankin won quite handily 26-16. The Llano contest is an important one for the Eagles because just as Llano faces a bleak month, the next three games will confront Eldorado's youthful Eagles with some strong and vengeful adversaries: Iraan, October 1; Junction, October 8; and Mason, October 15.

Last year Llano defeated Eldorado 33-6 in a game during which a heavy rain fell most of the time.

Eagles Blanked By Ozona 63-8 Friday

The Eldorado Eagles endured a long and unpleasant lesson period on Eagle Field last Friday night as they were overwhelmed 63-8 by the visiting Ozona Lions whose coaches were very sparing in the use of the Lion substitutes. Ozona scored twice in the first quarter, three touchdowns and a field goal in the second quarter, one in the third period, and concluded the fourth period with three touchdowns.

Statistics show that the Lions dominated the game completely.

Eldorado	Ozona	
12	First downs	21
99	yards rushing	370
120	yards passing	129
210	Total yards	499
6 of 36	passes att & Comp	4 of 9
1	passes intercepted	3
5	Fumbles lost	2
1	Fumbles recovered	5
4 for 25	pen. & yds. lost	9 for 100

Oldsmobiles For '72 Beautifully Restyled

Lansing, Mich. — Oldsmobile's beautifully restyled 1972 cars incorporate several major engineering advancements, including an innovative spring steel bumper support system designed to greatly reduce low impact collision damage.

The new system is being introduced initially as the front bumper on the 1972 Delta 88's, 98's and the Custom Cruiser station wagon. An Oldsmobile exclusive, the spring steel bumper support system permits these 1972 Oldsmobiles to strike a stationary object or another car at minor (parking lot) speed without damage to the bumper bar itself, the surrounding sheet metal, or any other part of the car.

The spring steel supports yield upon impact and spring back to their original position.

In addition, both front and rear bumpers of the 88's and 98's, and the front bumper of the Toronado are equipped with protective rubber strips for better light impact performance. Bumper guards continue optional on the 1972 Cutlasses, Delta 88's, 98's, and Custom Cruiser.

In other areas of public concern the 1972 Oldsmobiles are being built with an even more intensive quality control system. The company has expanded its reliability re-check program to cover 100% of production at its main assembly plant in Lansing. All cars undergo hundreds of inspection checks during assembly, but, in addition, are now re-inspected upon completion as they pass through a brand new 45,000 square foot facility. In the reinspection process, the car's electrical and mechanical operations are fully rechecked, as are the dial and gauge functions, lubricant levels, and the underhood, underbody and trunk areas.

In styling, all 1972 Oldsmobiles have undergone substantial front and rear improvements with specific exterior appearance changes and bright new interiors.

The number of Oldsmobile models in 1972 is reduced from 28 to 25. The Delta Custom series has been discontinued, leaving the Delta 88 and an expanded Delta Royale line of cars. The Delta Royale is produced in four models: hardtop coupe and sedan, a pillar sedan and a convertible.

RECEIPT BOOKS — Pocket size, and large desk size, for sale at The Success.

Eldorado-Divide District News

Conservation Districts

The Eldorado-Divide Soil and Water Conservation District is one of some 3,000 districts in America. This means that some 97% of our agricultural land is in organized conservation districts.

Conservation districts have been operating on the principal that free men are ready, willing, and able to decide for themselves, in their own communities, on actions they want to take together in their joint interest and common welfare. It is the principal of local self government.

Of concern to Districts is the conservation and orderly development of soil, water, plant and wildlife resources — the resources often described as "priceless" and "irreplaceable."

Many people do not distinguish clearly between a Soil Conservation District (S.C.D.) and the Soil Conservation Service (S.C.S.). This may cause a misunderstanding, and cause difficulty in planning programs and carrying out activities.

A Soil Conservation District is organized under state law as a sub-division of state government. The Soil Conservation Service is an agency of U. S. D. A. Districts, and the Soil Conservation Service are officially associated by a memorandum of understanding.

People of this county are just now becoming concerned about pollution while conservation districts have been advocating practices to control pollution, conserve soil and water since their organization some 30 years ago.

Nearly 2,000,000 farmers and ranchers are cooperating with Districts. Each year the districts statistics grow—with more districts covering more land—and more cooperators. Of more importance, however, is the fact that actual, physical conservation work

on the land in America is increasing and spreading each year.

The objective of every District is to encourage and assist in the adoption of a complete soil and water conservation program on every farm and ranch within its boundaries.

Through his district, a farmer or rancher can get expert technical help in drafting a basic conservation plan for his land. Technical service is also available as needed to design, lay out and check the construction of terraces, diversions, and other conservation practices.

Conservation Districts offer the nation one of the greatest opportunities it has had in modern times to strengthen the American ideal of self-government. At the same time, districts offer the greatest assurance of an effective solution to some of the increasingly critical land, water, plant, and wildlife requirements of the future.

Soil Conservation Districts is the only organization in America that has delegated authority at this time to carry out a program to control pollution, reduce soil erosion, conserve water, and provide food and cover for the nation's wildlife.

Support your local Soil and Water Conservation District.

Ministerial Alliance Meets

The Ministerial Alliance met on Monday, September 13 to discuss matters of interest to the community. Among motions passed were plans for a United Thanksgiving Service, and that the Alliance sponsor a community church choir to present a Christmas cantata.

The next regular meeting will be held October 18, 1971.

Mr. and Mrs. David Childers of Carrollton visited last week end with his mother, Mrs. Thelma Childers, and attended the game Friday night.

Thursday, Sept. 23: Roast beef & gravy, creamed potatoes, mixed greens, marinated carrots, prune cake.

Friday, Sept. 24: Tuna croquettes, Oriental rice, English peas, sliced spiced apples, peanut butter cookies.

Monday, Sept. 27: German style sausage, pinto beans, cabbage & pepper slaw, potato salad, canned fruit.

Tuesday, Sept. 28: Lasagne casserole, sliced beets, blackeyed peas,

lime congealed salad, fruit cobbler.

Wed., Sept. 29: Hamburgers, lettuce & tomato slices, potato chips, celery with pimento cheese, fruit cup, sugar cookies.

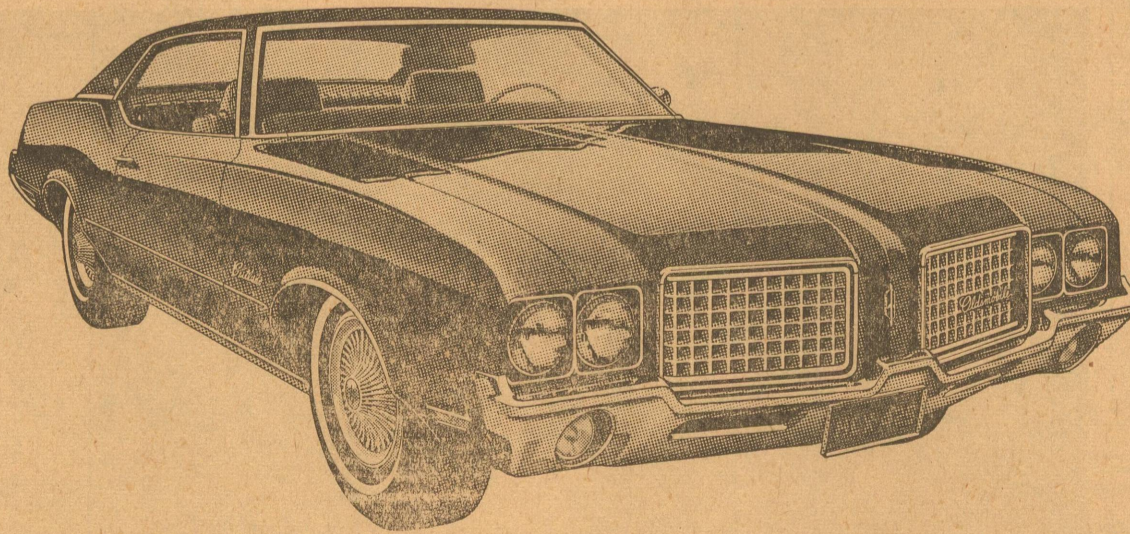

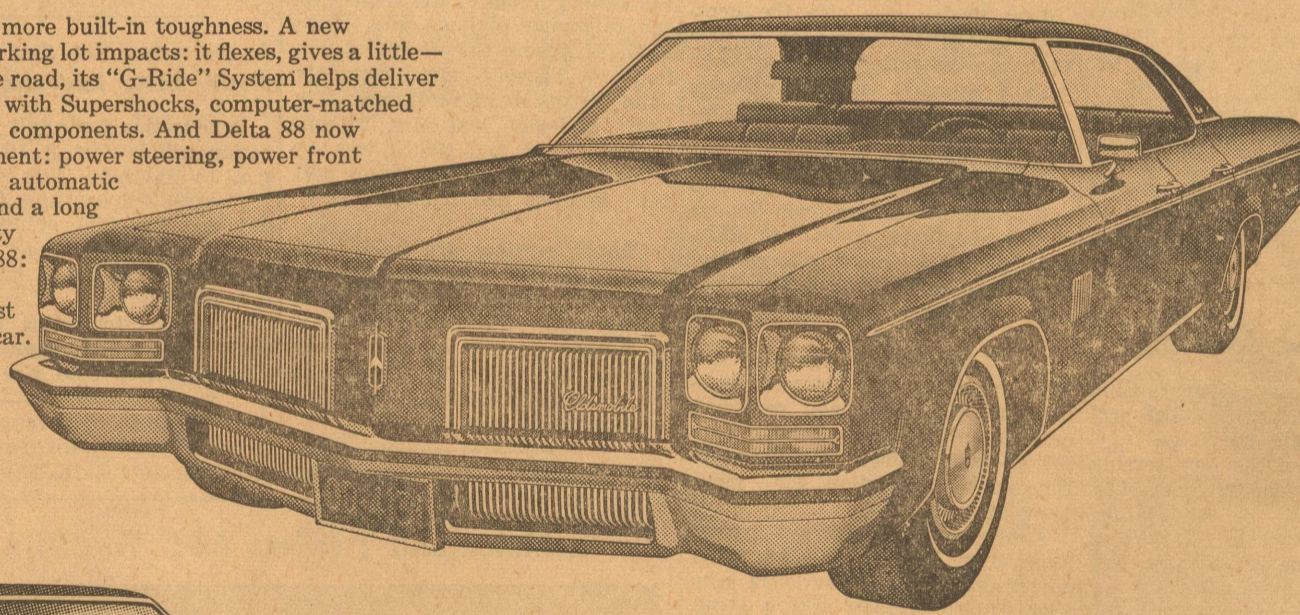

Thursday, Sept. 30: Pork chops, sweet potato casserole, Creole green beans, stewed prunes, white cake, chocolate icing.

Friday, Oct. 1: Turkey pot pie with vegetables, spinach, carrot & apple & raisin & pineapple salad, ice cream cup.

TYPEWRITER RIBBONS, for Royal, Underwood, and Remington —available at The Success.

The '72 Oldsmobiles are here. You'll like the changes you see in the showroom. The ones you feel on the open road. And one you may discover in your local supermarket parking lot.

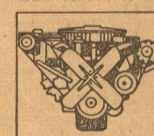

DELTA 88 ROYALE There's more built-in toughness. A new front bumper absorbs minor parking lot impacts: it flexes, gives a little—then returns to position. On the road, its "G-Ride" System helps deliver exceptional ride and handling, with Supershocks, computer-matched springs, and other interrelated components. And Delta 88 now includes more standard equipment: power steering, power front disc brakes, power ventilation, automatic transmission—and a long list of GM safety features. Delta 88: Strong. Tough. Smooth. Not just another pretty car.

TORONADO The one personal luxury car that puts it all together in quite a different way. Toronado's Rocket 455 power goes to the front wheels to pull the car over the road with superb traction, ride and handling. Inside, Toronado is spacious and comfortable. There is ample room for six, including their feet—for there is no hump on the floor. In luxury, in styling, in quality, it is uniquely Toronado. There's nothing common about it.

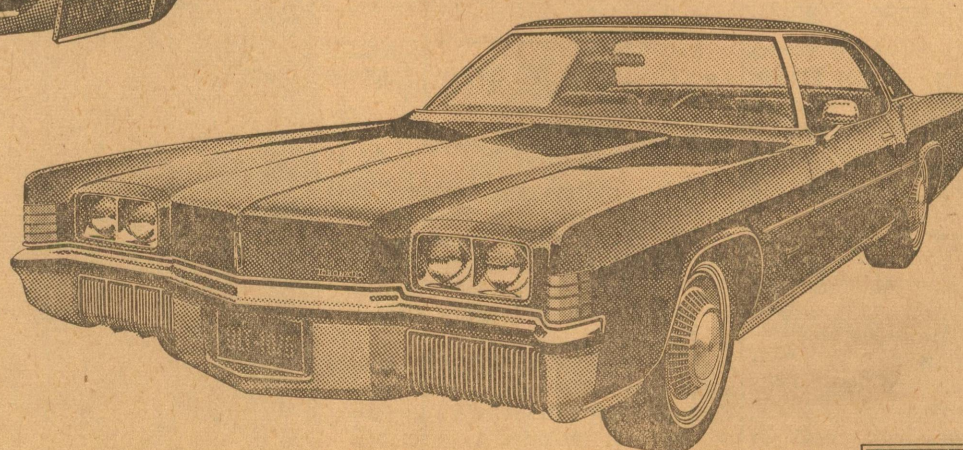

Front drive pulls the car along instead of pushing it.

CUTLASS SUPREME You want real luxury, comfort and room—but not a big car. You want handling and maneuverability, but not a compact. Cutlass Supreme gives you what you want on a 112-inch wheelbase. Formal roofline. Room for six.

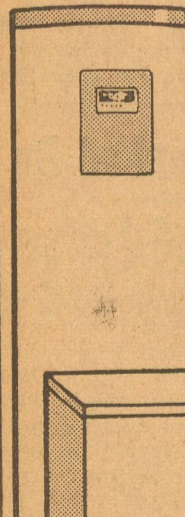

A spirited Rocket V-8 is standard on every Cutlass.

Deluxe interiors. Under the hood, a Rocket 350 V-8. A "little limousine"—priced within your reach . . . that's Cutlass Supreme. What a step-up, holy cow! If your friends could see you now.*

**Chevrolets For 1972 To Stress Quality
'Luxury Caprice to Economy Vega'**

Detroit, Mich. — Quality is the keynote of the Chevrolet Motor Division's 1972 product program. John Z. DeLorean, general manager, pledged that the 1972 models scheduled for public introduction September 23 will be the best in Chevrolet's history.

"From the luxury Caprice to the economy Vega," DeLorean said, "we have limited the changes in our 1972 models to refinements and product improvements, while we concentrate on building each car better than ever before."

"Every one of our car lines is designed to meet the consumer emphasis on maximum value and quality in an automotive purchase."

"By providing with our 1972 models a better, more trouble-free way to see America, we hope to stimulate new public awareness of the individual freedom for enjoyable family travel offered by the automobile."

He said new manufacturing and assembly and quality audit procedures and motivational programs to stimulate added pride of workmanship among Chevrolet's 100,000 employees are among steps toward improved quality.

DeLorean also said the division is implementing new programs to guide Chevrolet dealers in giving improved customer service.

The full-sized Chevrolet for '72 has new front and rear styling. It also has heavier, stronger bumpers that extend farther away from the body sheet metal as part of the improved bumper impact protection.

Chevelle, Monte Carlo and Camaro have front end styling refinements and all car lines including Station Wagons, Nova and Corvette have engine, chassis and durability improvements. An anti-theft warning system becomes standard on Corvette.

ON LEGISLATIVE COUNCIL

Austin, Tex.—State Rep. Hilary B. Doran of Del Rio has been named by Texas House of Representatives Speaker Gus F. Mutscher to the 17-member Texas Legislative Council.

Doran, who will be serving his second term on the Council, is a three-term House member and served during the 62nd Legislative Session as vice chairman of the House Committee on Rules.

The Texas Legislative Council is charged with directing the operations of a full-time professional staff of research personnel. Council membership is limited to the Speaker of the House and his 10 appointees and the president of the Senate and his five designees.

1972 Chevrolet.
Building a better way to see the U.S.A.

Caprice Coupe illustrated at Mt. Rushmore in South Dakota.

We want your new Chevrolet to be the best car you ever owned.

The best. No qualifications. No reservations. We want it to be the most beautiful, most trouble-free, most comfortable car you ever owned.

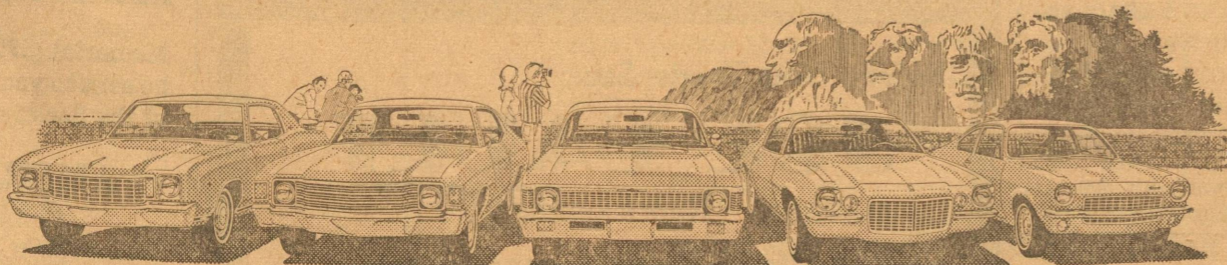

So we've given the 1972 Caprice (above) power steering, power front disc brakes, refined power ventilation and an improved front bumper to provide added front-end protection.

Plus a 400-cubic-inch V8 engine and Turbo Hydra-matic automatic transmission.

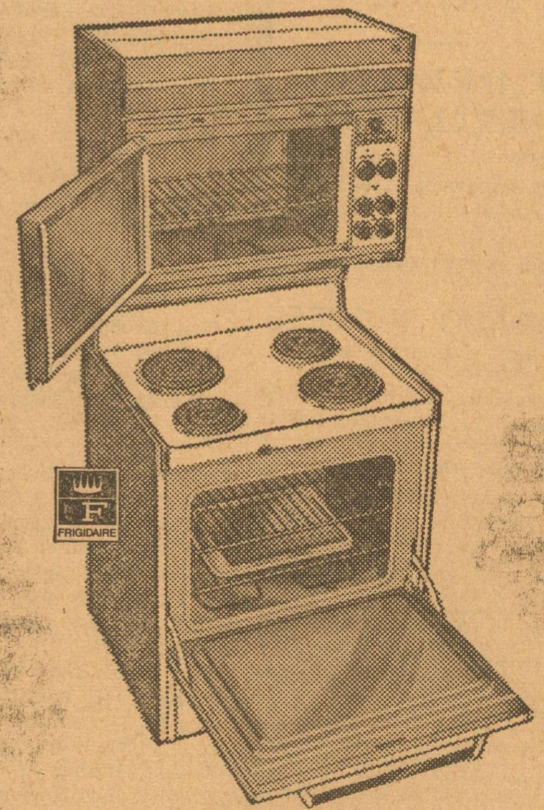

All standard, as you expect with a luxury car. And Caprice is but one of the new Chevrolets. There are 45 in all: pictured below (left to right) are the 1972 Monte Carlo, Chevelle, Nova, Camaro and Vega.

Altogether, a lot of diversity. So there's bound to be a Chevrolet just right for you, your family, your budget and your kind of driving.

Whatever your choice, we want your new Chevrolet to be the best car you ever owned. No less.

GARAGE SALE Wednesday afternoon thru Friday. 723 Lee. *

In Those Days
Compiled From Success Files
ONE YEAR AGO

Sept. 24, 1970—A Civic Group was taking over organization of the ambulance service with volunteer drivers being sought.

Dr. Woodson Armes of Ft. Worth was evangelist at a Revival getting under way at the First Baptist church.

Funeral services were held for Mrs. A. E. Kent, Mrs. Blandly Jackson, and for Mr. C. L. Martin Sr.

FIVE YEARS AGO
Sept. 22, 1966—A bus load of Meth. church young people and counselors were going to Dallas to see the Navy-SMU game. Mrs. Ed Meador was in charge of arrangements.

Cheer leaders shown were Nancy Kay Jurecek, Billie Gayl Blaylock, Carolyn Wilson, Chris Edmiston, and Randy Yates.

Mr. and Mrs. Dick Preston and Mr. and Mrs. Gerald Hartgraves went to Austin for the State Democratic Convention.

Mrs. H. A. Belk, Connie Spence, and Mrs. Charles Schreier were planning to attend the state Home Demonstration Convention in Corpus Christi.

Mr. and Mrs. Earl Parker visited the Carl Parkers and other relatives and friends in Oklahoma.

Open house was being held in San Angelo at General Telephone's new building on Johnson street.

Mrs. Vida Krelow was leaving for A&M to attend training course.

12 YEARS AGO
Sept. 24, 1959—Cheer leaders pictured were Linda Love, Mary Ann Nixon, June Williams, Martha Graham, and Ann Blair.

Twirlers shown were Pam Calk, Linda Love, Genelle McCalla and Sandra Hall.

An automobile accident in California claimed the life of Alice Mund, daughter of Mr. and Mrs. Arthur Mund.

Eddie Etheredge was president and Bill Reesor vice president of the Senior class.

Don McCormick was named a member of the draft board headquartered in Sonora.

Stanford Engineering Company of San Angelo was awarded the general contract for the new 60 by 80 foot building for Eagle Chevrolet, and it was to be completed by Christmas.

Funeral services were held in Menard for Will J. Wilkinson, 78. He was an uncle of Mrs. Frank Van Horn.

Billy Van Dusen was president of the high school choral group. Other officers included Genelle McCalla, Martha Topliffe, Herman Walker, and Judy Hext.

Davis Cosden Service was open for business in the new building and location on Sonora highway.

50 YEARS AGO
Sept. 23, 1921—Walter Davis, prominent ranchman of Sonora, was here Saturday on his way to San Angelo. He has some fine billy goats he wants to dispose of.

San Antonio was flooded with about 150 lives lost. One thousand homes were washed away, mostly in the Mexican part of the town. Austin received more than 18 inches of rain and San Marcos also reported some flood damage.

Ira McDonald was here and reported he is running his gin daily and expects a good run for two or three weeks.

J. M. Pfluger was out from San Angelo looking after his farming interest here.

Miss Mable Curr of Harris county is here with her sister, Mrs. Tom Jones for the school term. She is taking 11th grade work.

J. B. Gunning of Gonzales and Mrs. Q. M. Griffin and two sons of Gonzales are here this week visiting Mr. and Mrs. T. W. Johnson and Mr. and Mrs. W. N. Ramsay. Mr. Gunning is an uncle and Mrs. Griffin is a sister of Mmes. Johnson and Ramsay.

Use Peacemaker, The Flower of Flour, Distributed by West Texas Grain Company; J. H. Story, mgr., Oakes St. and Orient Railroad, in San Angelo.
An 11½-pound daughter was born in Ballinger to Judge and Mrs. C. A. Womack.
F. C. Bates and wife left for Del Rio and expected to go to Old Mexico to search for good sheep range. They were accompanied as far as Del Rio by F. C. Bates Sr., who will spend the winter with his daughter, Mrs. W. B. Bayes.

Ozona Game Report
(Continued From Front Page)

The Eagles were shocked by an opening disaster as Gerald Huff ran back the opening kickoff all the way for a first Lion touchdown.

After the kickoff the Lions forced the Eagles to punt and Rubin Tambuga returned the punt all the way for their second TD and gave them a 14-point lead in the first quarter.

The dazed Eagles recovered enough to permit no more scoring in the first quarter. But disaster struck the Eagles again early in the second quarter as the Lions scored again only 32 seconds after the quarter began, this score following an Eldorado fumble which the Lions recovered. They scored again only three minutes deep in this quarter and for a third time went only a minute and a half to go before the mid-game rest period.

The Lions proved they were "human" in the third quarter as they fumbled and the Eagles recovered. The Eagles could not score but they did offer considerable resistance in this period and held the Lions to one touchdown for the quarter.

The fourth quarter saw the Lions wear the Eagles down and score after only four minutes in the period, again four minutes later, and finally with only two minutes of the game remaining.

The Eagles found that Rubin Tambuga really was a tough customer as he scored three touchdowns which Gerald Huff scored twice. Both lads left the field late in the game, each limping off the field reluctantly.

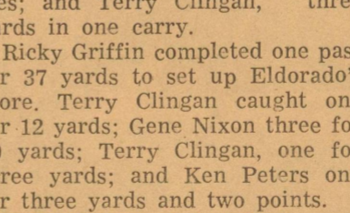

The Eagles scored in the first four minutes of the last period when Ricky Griffin took a 37-yard pass from Archie Nixon and ran it to the Ozona three-yard line. Then Nixon hit Terry Clingan in the Ozona end zone. Ken Peters caught Nixon's pass for two points to give Eldorado their entry on the scoreboard.

Ricky Griffin ran 15 yards in five carries for Eldorado; Billy Doc Hubble, 47 yards in seven carries; Archie Nixon, 26 yards in 18 carries; and Terry Clingan, three yards in one carry.

Ricky Griffin completed one pass for 37 yards to set up Eldorado's score. Terry Clingan caught one for 12 yards; Gene Nixon three for 70 yards; Terry Clingan, one for three yards; and Ken Peters one for three yards and two points.

Ricky Griffin led defensive efforts with 11 unassisted tackles.

It was a bleak night for the Eagle air force as the hard charging Ozona line punished Archie Nixon all evening. This same Ozona line effectively muzzled the Eagle running attack, forcing Eldorado into the air. The Lions captured the ball eight times, five fumbles and three interceptions, and scored immediately following four of these turnovers; and it proved too much for the Eagles to overcome.

Courts Speak
State officials conceded the unconstitutionality of the state law requiring unmarried voters under 21 to register to vote only in hometowns of their parents.
A three-judge federal court knocked down major sections of Texas' vagrancy laws.
Court of Criminal Appeals upheld the death penalty conviction of a man for killing a Baytown bus ticket agent.
Same court reversed the sentence of a Houston law clerk accused of masterminding a \$13,000 stickup of a supermarket.
Court rejected the appeal of a man sentenced to 50 years imprisonment for killing the husband of his former girl-friend.
Teacher Pay Snagged
After a series of reverses, the Cost of Living Council finally concluded that a Texas school teacher to get a pay raise during the freeze period must have been at work before August 15 or have received recently an advanced college degree.
COLC first indicated that most teachers could get raises if their contracts were effective before August 15, then changed its position the same day.

Short Snorts . . .
Air Control Board heard a suggestion that rules should be adopted against service stations mistakenly putting leaded gasoline in 1975 model cars equipped with anti-pollution device.
Alcoholic Beverage Commission warned licensed private clubs against operating as open saloons.
Texas will have a branch office in Mexico to promote its industry and tourism.
Forty-six newspapers have responded to the governor's appeal to help with a crime-stop program in their areas.
Texas National Guardsmen from Abilene, Austin, Beaumont, Merkel, Paris, Snyder, Sweetwater and Victoria leave this week for special training in West Germany.

PUBLIC NOTICE
RECORDING LIVESTOCK BRANDS AND MARKS

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. (a) This Act shall apply to every county in this State. In all the counties each owner of any livestock mentioned in Chapter 1 of Title 121 of the Revised Civil Statutes of 1925 shall within six months after this Act takes effect have his mark and brand for such stock recorded in the office of the county clerk of the county. These owners shall record the marks and brands whether the brands and marks have been previously recorded or not.
(b) The owner shall have the right to have his mark and brand recorded in his name who according to the present records of the county first recorded the brand and mark in the county, or in event it can not be ascertained from the records who first recorded the brand and mark in the county, then the person who has been using such mark and brand the longest shall have the right to have the brand and mark recorded in his name.
(c) After the expiration of six months from the taking effect of this Act all records of marks and brands now in existence in the county shall no longer have any force or effect and after the expiration of six months only the records made after this Act takes effect shall be examined or considered in recording marks and brands in the county.
Section 2. All brands and marks registered under the provisions of this Act shall be re-registered every 10 years in the manner prescribed in Section 1 of this Act.
Effective Date (August 30, 1971 through February 29, 1972)
(Sep 2-9-16-23-30)

Oil Allowable Down Again
For the sixth straight month, Texas Railroad Commission lowered the state's oil allowable.
October production maximum was set at 63.2% of potential, compared with 65.1% for this month. Maximum production for October is estimated at 3,131,217 barrels daily, a reduction of about 78,861 from the September top.
Commission Chairman Byron Tunnell said Texas crude supplies total 102.9 million barrels, a decrease of about 5.4 million barrels from last year.
Eleven of 15 major crude oil purchasers asked for the same allowable in October as in September. Three requested less and only one wanted more.

Improvements Set For Rambler Lines

Detroit, Mich.—American Motors cars for 1972 incorporate over 100 "under-the-skin" improvements in virtually all engineering and design areas affecting driveability, reliability, safety, comfort and convenience.

"We lined up on a priority basis the items of function and design that are important to car owners, whatever kind of car they drive. Wherever we believed we could improve customer satisfaction in our cars, we made the required changes," AM president William V. Luneburg said.

County Ag. Agent's Column

By Jerry Swift

Fall Armyworms

The fall armyworm is one of the most destructive insects to lawn grasses—particularly bermudagrass.

Young larvae feed on the lower surfaces of leaves, leaving the epidermis intact. At first they eat only tender parts of leaves. Later, as they grow, they devour all foliage except plant stems. Damage at first may appear as whitish patches in the lawn where the grass has been skeletonized.

Fall armyworm larvae feed mostly at night, concealing themselves under plant foliage during the day. If forced by hunger to seek other food, they may migrate in the daytime. The larvae may attack and devour one another when crowded or migrating.

Fall armyworm has distinct, inverted white "Y" on front of head.

Control:
Dusts: 5% Carbaryl (Sevin), 5% Chlordane, 2½% Dieldrin, 10% Toxaphene.

Sprays: Carbaryl (Sevin), Chlordane, Dieldrin, Toxaphene.

4-H Week Approaching

Some 78,000 4-H boys and girls throughout the state will be "doing

their thing" during the week of October 29 to promote 4-H, the national youth organization for action-oriented youngsters.

Theme of this year's National 4-H Club Week as well as the theme used throughout 1971 is "4-H Bridges the Gap."

"The theme will have a special meaning to 4-H'ers during that week since they are learning to bridge many gaps as they strive to make a better world for tomorrow," points out Dr. Don Stormer, state 4-H Club leader. "As these youngsters attempt to find their own special place in our world, they are confronted with many gaps of uncertainty."

Says Stormer, "Young people, through 4-H, are learning to bridge some gaps by creating roads of unity through cooperative efforts. They can reach others, understand and accept others, appreciate others and learn from them. Thus, through courage and dedication, they can become stronger, more conscientious citizens."

In his 1971 4-H message, President Richard Nixon pointed to the fact that 4-H'ers were developing their skills through real life experiences. He said, "Four-H members are proving how effectively youth can meet the challenges of the Seventies, and they are setting an example throughout this Nation and the world."

Some of the areas in which 4-H'ers are now active, learning to bridge existing gaps, include en-

vironment, nutrition, health, specialty groups, community betterment, management, careers and international programs.

"Four-H has something to offer for every boy and girl between the ages of 9 and 19," adds Stormer. "It serves youth of all cultural, social and economic backgrounds and allows them to get a real grasp on many of the exciting things that this life has to offer."

National 4-H Club Week is set aside each year to promote 4-H and to recognize those 4-H'ers and adult leaders who are dedicating their efforts to worthwhile 4-H experiences. The week is also devoted to recruiting prospective 4-H members through various programs and activities.

"If you're interested in finding out more about 4-H where the action really begins, contact your local county Extension Service agent," adds Stormer.

Presbyterian Notes

Mr. John Treadwell of Ft. McKavett will be the guest speaker at a Family Night Covered Dish Supper at the First Presbyterian Church in Eldorado, Wednesday, September 29, at 6:30 P. M. Mr. Treadwell will speak on the Proposed Union Presbytery of the Southwest of the Presbyterian Church, U. S., and the Big Bend Presbytery of the

United Presbyterian Church, U. S. A. He is an elder in the St. Mark Presbyterian Church of San Angelo and is a member of the Union Presbytery Planning Committee.

DAR Chapter Holds First Meeting Of Fall

On September 16, 1971, the Eldorado Chapter NSDAR met at the Memorial Building with Miss Ruth Baker, regent, presiding.

The arrangement of Fall flowers made the chapter aware that summer is almost over while the patriotic decor turned the minds of everyone that Constitution week would begin the following day, the 17th of September.

Mrs. W. N. Ramsay, chaplain, opened the chapter by inviting everyone to repeat with her the 23rd Psalm, this being followed with prayer. The National Anthem was sung followed by The Pledge of Allegiance to the Flag of the United States.

The minutes of the last meeting in June were read by the secretary, Mrs. Elizabeth Rae Powell.

Reports of committees were listened to and then the regent read letters from the President General NSDAR Mrs. Donald Spicer. Her theme for the year "Where there is no vision, the people perish," was emphasized.

As always, the chairman of National Defense, Mrs. Mary Davis Coupe, gave a resume of messages sent by the National Committee, for ten minutes. It was most fitting that she chose Resolutions passed by the last NSDAR Conference. All of them had to do with upholding The Constitution which was endangered. The first part of the program was given by Mrs. Ernest S. Goens. The Constitution in Operation being the subject the main emphasis was placed on "We the people" and the States.

To complete the program, Mrs. J. E. Hill gave interesting briefs about The United States Flag.

Most delicious pecan pie with coffee was served by Mmes. J. E. Hill and Goens. —Rep.

BETA SIGMA PHI

Beta Sigma girls were surprised last Wednesday night by hostesses Judy Meador, Dorothy Dacy when they came by and got us for a come as you are midnight seance. We told fortunes and it was enjoyed by all. —Rep.

Visiting the Buster Gunns over the week end were Mrs. Hazle Overton, and Mr. and Mrs. Cleo Macon of Stamford. Mrs. Macon is sister of Mrs. Gunn.

Mr. and Mrs. Buster Gunn and Mrs. Sadie Davidson spent two weeks in Miami, Florida, with Bobo Gunn and family.

AMERICAN MOTORS INTRODUCES THE GUARANTEED CAR.

If anything goes wrong with one of our '72's and it's our fault, we'll fix it free. Anything.

AMERICAN MOTORS 1972 BUYER PROTECTION PLAN.

For years, car buyers in this country have been saying that instead of shiny new chrome every year, what they really want is a good car they can count on.

That's why American Motors and its dealers put together their 1972 Buyer Protection Plan. Here's how it works:

A STRONG GUARANTEE IN PLAIN ENGLISH.

When you buy a new 1972 car from an American Motors dealer, American Motors Corporation guarantees to you that, except for tires, it will pay for the repair or replacement of any part it supplies that is defective in material or workmanship.

This guarantee is good for 12 months from the date the car is first used or 12,000 miles, whichever comes first.

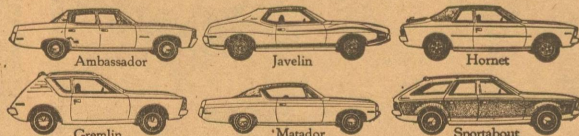

All we require is that the car be properly maintained and cared for under normal use and service in the fifty United States or Canada and that guaranteed repairs or replacements be made by an American Motors dealer.

This guarantee gives you 12-month or 12,000-mile coverage on a lot of things most car warranties don't. It covers air conditioning, battery, radio, wiper blades, front end alignment, light bulbs—literally everything we put on the car except tires.

In other words, if something we did goes wrong with one of our '72's, you won't have to pay for the parts or the labor. We will.

A MORE THOROUGHLY-CHECKED CAR. FROM THE FACTORY AND THE DEALER.

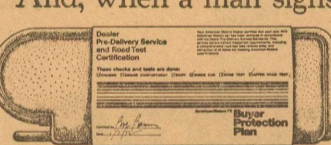

Naturally, we wouldn't be backing our cars like this if we weren't more sure of them than

we've ever been before. For 1972, we've put in more quality control steps, more tests and more people to see that every car leaving our factory is as perfect as man and machine can make it.

At the dealer's, it's checked over again.

Every car (not one of 50, one of 5, every one) is road-tested for starting, handling, braking and overall performance. When the serviceman completes the test, he signs his report and slides it over the sun visor, where you can see it.

And, when a man signs his name to something, you can be sure he's done his job. And done it right.

A LOANER CAR WHEN YOU NEED IT. FREE.

Not only do we offer you a strong guarantee, we've set up a system to back it up without inconveniencing you.

If you have to leave your '72 overnight for guarantee repairs, over 2,000 dealers will loan you one of their cars. A nice, clean, well-equipped car in good condition. Free.

A DIRECT LINE TO DETROIT. TOLL-FREE.

We're making some big promises, and we fully intend to keep them. But, just in case you have a problem, we have a way of handling it. When you buy a '72, you get the name and toll-free number of a person in Detroit.

If you call, we promise you you'll get results. And fast.

These aren't just fancy words.

We mean it.

Nobody in the business does as much for you after you buy a car, and it takes a lot of time, men and money to do all these things.

But we think it's worth it. Since we're giving American car-buyers exactly what they say they want, we should sell more cars than we've ever sold before.

STARTING TODAY, THESE AMERICAN MOTORS DEALERS WILL DO MORE FOR YOU AFTER YOU BUY A CAR THAN ANY OTHER DEALER IN TOWN.
