Number 12

Eagles Host Teams For Plateau Relays

As host of the 15th Annual Plateau Relays, the Eldorado Eagles track squad fought a blistering south wind and two tough opponents to finish third in the annual event. Strong performances were turned in by Sonora who took the Division II Championship and Sanderson who finished as the runner-up. Although Sonora finished strong and well ahead of its divisional competitors, the Eagles from Sanderson and Eldorado battled out for points and second and third places up to the final events of the meet. Sanderson finished 2nd in the Mile Relay while Eldorado came in sixth clinching the 2nd place for Sanderson and third for Eldorado in the meet.

The Eagle participants showed marked improvement over previous meet performances. Archie Nixon finished strong in his three main field events where he took a First in Shot Put, discus, and broad jump. This performance in addition to his contribution to the 440 Relay, which was third, netted him a total of 32 points and the High Point Individual trophy for his division.

Other Eagle performances were as follows:

Jerry Baty, 4th Broad Jump, 2nd discus.
Billy Hubble, 3rd 120 high hurdles, 16.2 seconds; 4th discus.
Terry Clingan, 2nd Broad jump.
Keith Williams, 5th 100 yd. dash, 44.0 Relay, 3rd place.
Steve Sykes, 4th Mile Run.
Mike Manning, 6th 440 Yd. run, Mile Relay, 6th.

Coaches Roberts and Meador, once again, would like to thank all of those who helped in the relays Saturday. Your time and contribution helped to make the Plateau Relays the success it was.

Eldorado Eagles Place 3rd . . .

Brady And Sonora Top Plateau Relays

Brady and Sonora racked up big point totals to claim the team championships in the 15th annual Plateau Relays here Saturday.

Brady captured Division I with 149 points to easily outdistance runner up Ozona with 96.

The Sonora Broncs captured Division II with 154 points while Sanderson was second with 106. Host Eldorado was third with 80. Brady's Willie Jones collected 33 points to the high point individual in Division I, while Archie Nixon of Eldorado was top man in Division II with 32 points.

Brady's Robert Morris, winner of the one-mile run, was presented the Tommy Sikes Memorial award. Statistics for Division II are given on page 2.

State Meeting Of FHA Set In Dallas

The annual state meeting of Future Homemakers of America, an organization of high school home-making students, will be held in Memorial Auditorium, Dallas, Texas, April 23-24, 1971.

More than 5,000 members and advisors representing almost 76,000 members in 1600 chapters throughout the state will attend.

The theme of the meeting is FHA Steps Into Action. Keynote speakers will be Reverend Logan Cummings, Brownwood, who will speak on youth involvement in today's society and Miss Barbara Baley, former FHA Area IV President who will tell of her experiences with involvement in standing up for America.

Lions Met Yesterday

The Lions Club held their regular meeting at noon Wednesday with Boss Lion L. D. Mund officiating. The meeting was in the form of a business session.

Final arrangements were announced for the Queen's Contest and Program coming up in the near future.

No Meeting March 31st

The club will not meet next week, on March 31st, since that is a fifth Wednesday. The club's next regular meeting will be on Wednesday, April 7th.

Post Script

National FHA Week Set
March 28 through April 3, 1971 is National FHA Week. Future Homemakers here will join others throughout the state and nation in observance of the special week.

Miss Dana Owens is Home Ec. teacher in the local high school, and sponsor of the local Future Homemakers of America chapter. The local Chapter officers are pictured elsewhere on this page.

Here are some interesting facts about the FHA . . .

—Future Homemakers of America is the National Organization for home economics students in junior and senior high schools throughout the United States, Puerto Rico, The Virgin Islands, and some American Schools overseas.

—There are 600,000 members of Future Homemakers of America in 12,000 local high school chapters.

—The national organization is made up of the chartered State Associations which are made up of local chapters. State Supervisors of Home Economics Education or members of their staffs serve as FHA State Advisors. High School Home Economics Teachers serve as Advisors to local chapters.

—Future Homemakers of America is an organization is an integral part of the secondary schools' home economics program, providing opportunities for students to have additional experiences in planning and carrying out activities related to the science of homemaking with particular emphasis on the dual role of homemaker and wage-earner.

—The overall goal of Future Homemakers of America is to help individuals improve personal, family and community living. The FHA National Program of Work is designed to work toward that goal.

Pam Hancock In Austin Hospital

Miss Pam Hancock of Sonora is in Breckenridge Hospital, Austin, Texas, and is reported to be recovering in every respect from injuries received in an automobile accident last Thursday, March 11, and from a gunshot wound.

The accident occurred at about 4:00 p.m. March 11 at the 200 block of East Pecan Street in Sonora. The doctors examination revealed a puncture wound that was later found to be made by a small caliber bullet. Miss Hancock was transferred to Breckenridge Hospital where surgery was performed. She is now reported to be in satisfactory condition.

Miss Hancock is the daughter of the Rev. and Mrs. J. Clifton Hancock, formerly of Eldorado. The Rev. Mr. Hancock is currently pastor of the First Baptist church in Sonora. He served the Eldorado church about 18 years ago, at which time they adopted Pam.

Will Stigler Buried In Christoval Tuesday

Will Stigler, 88, father of the late John Stigler, died Sunday in Golden Years Nursing Home in Christoval, after a long illness.

Services were held at 2:00 p.m. Tuesday in First United Methodist church in Christoval with the Rev. W. P. Fulmer, pastor, officiating.

Mr. Stigler was well known in West Texas for his paintings. He took up painting at the age of 60 after retiring as a carpenter.

He was born Dec. 2, 1882, in Erath county and was married to Annie Thurman Dec. 9, 1906. They lived in Christoval 54 years.

Survivors include his wife; a daughter, Mrs. Elvin Bawcom of Muldrow, Okla.; a son, Grady Stigler of Carlsbad, Tex.; a sister, Mrs. Estella Barton of Granbury; four grandchildren, five great grandchildren and one great-great grandchild. One son, John Stigler, preceded him in death Nov. 14, 1968. Ratliff-Kerbow was in charge of funeral arrangements.

Junior-Senior Banquet Held Saturday Night

KEITH WILLIAMS AND LINDA DERRICK were presented as "God and Goddess" at the annual Junior-Senior Banquet held Saturday evening in the Memorial Building. Theme of the event was "To Rome With Love" and was carried out in decorations. Success Staff Photo

Thanks Expressed By Schleicher County Foundation

The Schleicher County Foundation through its president, Raymon Mobley, wishes to thank all of the businesses and individuals who contributed to the Ambulance Equipment Fund and helped it reach its goal:

R. V. Sheppard, the president of the Schleicher County Emergency Service, stated that the generous support of all the residents will provide the people of the county with superior equipment which is needed to run a first rate ambulance service. The Foundation would like to single out those organizations who donated merchandise for

equipping of the ambulance, Penfield Barker of Eldorado Woolen Mills, blankets; Skeet Mace of Foxworth Galbraith Lumber Co., for back panels; Northern Natural Gas Co., for short wave radio, and R. V. Sheppard for numerous equipment, including oxygen, splints, and the donation of his time and knowledge in ambulance work. The equipment to furnish the ambulance has been ordered, and is coming in to the Schleicher Co. Medical Center where it is being stored until the arrival of the new ambulance coach. It is contemplated that the ambulance will be in operation in the very near future.

News Of The Sick

Mrs. E. H. Nimitz is reported making good progress in Clinic Hospital in San Angelo and she was expected to be home early in the week.

Mrs. Earl Yates was entered as a patient in the local hospital early Monday morning.

Sheila Redwine came home from the hospital Saturday where she was confined after involvement in a car accident the preceding Sunday. She is now back in school.

T. K. Jones is a patient in St. John's Hospital in San Angelo.

VIRGIL FREE IN HOSPITAL

Virgil Free, former Eldoradoan, is reported a patient in Room 239 in the hospital at Nacogdoches, Texas. He sustained a stroke on March 13th.

Funeral Today For W. D. "Bill" Bray

William D. "Bill" Bray, 75, died Tuesday in Schleicher County Medical Center after a long illness.

Graveside rites will be held at 2:00 p.m. Thursday (today) in Eldorado cemetery directed by Ratliff-Kerbow Funeral Home.

Mr. Bray was born June 29, 1895 in Williamson county. He had lived in Schleicher county 60 years. He was a stock farmer and a World War I veteran.

Survivors include a sister, Mrs. Myrtle Wade of Eldorado and a number of nieces and nephews.

Some Absentee Voting

Lum Burk reported 5 absentee votes cast and applications received for 4 more, in the City election, as of Tuesday noon. The election will be held Saturday, April 3.

That same day there will be uncontested elections for hospital and school trustees.

Band To Contest

The Eagle Band and director Wayne McDonald will travel to Cisco, Texas, by chartered buses for the Concert and Sight Reading Contest (U.I.L.) next Saturday.

The band having won a First in Marching Contest at Brady last November will be trying for a First in Concert and a First in Sight reading in order to win Sweepstakes.

Although a schedule has not been received, it is assumed the band will, because of the large number of musicians, play late Saturday afternoon.

Golf Team Wins Third At Robert Lee

The Eldorado High School Golf team composed of Hunter Henderson, Cherley Adams, Keith Williams, Bob Whitten, and Mark Bland won third place at the Robert Lee Invitational Golf Tournament. The team total was 347. Iraan won the meet with a total of 300 while the Sonora team placed second with a 323 total.

This Friday the first round of district golf play will be held at Robert Lee with the second round to be played in Sonora on April 1.

Weight Machine Adds To Program

The purchase of the new Universal Weight Machine is, from a coach's point of view, a valuable addition to our athletic and physical education program at Eldorado. Thanks are in order to the school, booster club, and individuals who made this purchase possible.

A machine of this sort can be used in all phases of the school program. Since it is such a safe way of increasing strength, it can be used from grade school upwards for the boys and definitely has a place in girls' programs for toning muscles. This weight machine can also be used to help strengthen injured knees and ankles without the chance of further injury. —Thanks again, Coach Helmers.

DUPLICATE BRIDGE RESULTS:
Jerry Childers, Mr. Nichols, 1st; Barfields, 2nd; Elnora Love and Sara Hall, 3rd.

Ronnie Stephens Elected New Coach

The Eldorado School board recently named former San Angelo Bobcat and Sul Ross football and baseball standout Ronnie Stephens as the new Eldorado High School football coach. He will succeed Sherwood Barker, who resigned his job here this Spring.

Stephens, who currently holds the offensive varsity line coaching job at Lubbock High School, plans to move to Eldorado early in May in order to get an early start in the program.

Coach Stephens will be allowed to hire one assistant and will likely be called upon to teach some social study courses.

A 1961 graduate of Central High where he lettered three years in baseball and two in football as well as serving as co-captain of the grid squad his senior year, Stephens enrolled in Sul Ross at Alpine where he lettered four years in football and three on the diamond. He also served as class president at Central his senior year.

Receiving his degree from Sul Ross in 1965, Ronnie later obtained his Masters Degree in education from Texas Tech in 1969.

He began his coaching career at Lubbock Coronado as head baseball and coach of the sophomore football team in 1965. The following year, he was advanced to the head junior varsity job and placed in charge of scouting and in 1967 was named offensive line coach on the Coronado varsity.

He held this position three years and was also baseball coach during that time. In May, 1970, he accepted the varsity line coaching job at Lubbock High.

Mrs. Stephens is the former Rata Jo Teele, daughter of Mr. and Mrs. Floyd D. Teele of Big Lake (and niece of Mr. and Mrs. Oliver Teele of this place). The couple have three children, aged 6, 3 and 8 months.

'To Rome With Love' Was Theme Of 1971 Jr.-Sr. Banquet

The Memorial Building, appropriately decorated in pink and white to carry out the theme of "To Rome With Love" provided the setting Saturday evening for the Junior-Senior banquet.

Linda Derrick and Keith Williams were announced "God and Goddess" of the banquet.

Junior class sponsors were Mrs. Judy Meador and Norman Roberts. George Chambers and his band provided music for dancing, following the banquet.

S. S. Man Here Today

Johnny Grammer, Field Representative for the San Angelo Social Security Office, has scheduled his March visit to Eldorado. He will be at the County Courthouse on Thursday, March 25 (today) from 9:30 a.m. to 11:30 a.m.

Anyone who wants to file a claim for benefits, get information, or transact other business with the Social Security Administration may contact him at this time.

Lions Queen's Contest Set For April 20th

The date for the Lions Club Queens Contest has been changed from the 30th of March to the 20th of April. Girls, if you haven't submitted your application as yet, please do so. All unmarried girls between the ages of 16 and 19 are urged to enter.

GILMORE BACK IN HOSPITAL

Returning home Tuesday a week ago with a good report from his doctors, John Gilmore felt he was all set for lots of T-bone steaks and steady increase in weight and strength. The good feeling lasted only until Thursday morning when the roof fell in. He was rushed to the hospital where he was treated for hot and cold chills, high fever, double pneumonia, etc. He was under intensive care for several days and began improving Monday. By Tuesday he was looking forward to the day he could go home.

In the 15th Century, Queen Isabella of Spain declared that she only had two baths in her life—including one on the day she was married!

In quite another spirit, when Charles II was restored to the English throne, milk baths were the thing with women who wanted beautiful skin!

Today, a squeeze of a new bath preparation on a wash cloth, sponge or bath mit is all that is needed for an allover wash. Used instead of soap, Moisturelle is a multipurpose cleanser, bubble bath and shampoo that leaves the skin silky soft.

Getting a beautiful skin in early Britain meant taking a very hot bath to induce excessive perspiration followed by washing the face with plenty of wine!

effect-d their individual benefit payments for a particular month in the retro-active period. Over 2.5 million such adjustments are required in a typical month, he said, for such reasons as the death of a beneficiary, the remarriage of a widow, a child's attainment of age 18, a beneficiary's earnings, etc. The refiguring of benefit amounts is being scheduled so as to avoid delay in the regular delivery of the April 3 and May 3 checks, he said. Those checks will be for the amounts payable to beneficiaries before enactment of the 10% increase.

By the first of May, the new records will have been produced by the computers on magnetic tapes showing the new monthly amount for each beneficiary and the amount of his retroactive increase. The Treasury Department will need the month of May to print the checks and turn them over to the Post Office Department for delivery to social security beneficiaries on June 3.

On arrival, Mrs. Luke Thompson registered each person and Mrs. Wm. Gunstead presented corsages to the honored guests. Miss Ruth Baker, regent, presided.

The Chapter was opened by the chaplain, Mrs. W. N. Ramsay with reading the Scripture and with prayer. The audience joined in singing the National Anthem and in the Pledge of Allegiance to the Flag of the United States.

Mrs. Marvin Blackburn of Junction, the new DAR member of the El Dorado Chapter, was introduced by the regent.

The out of town guests presented were: Mrs. Vernon Dutton, Rock-springs; Mrs. H. F. Sofge, Mertzon; Mrs. W. E. Fleming, Mertzon; Mrs. H. C. Dutton, Cleo; Mrs. Nell Hyde, Junction.

The El Dorado guests were: Mrs. T. P. Robinson, Mrs. R. D. Johnson, Mrs. Henry Speck, Sr., Mrs. Damon Wagoner, and Mrs. Ken Ogdan.

The meeting was then turned to Mrs. Ernest S. Goens, program leader of the day, and chairman of the DAR Good Citizens committee; namely, Mrs. Vester T. Hughes, Mertzon; Mrs. Eldred Roach, Ozona; Mrs. Lowell Hankins, Rocksprings; Mrs. Tom Owens, Big Lake.

Mrs. Goens emphasized the fact that the Good Citizens project is sponsored by the National Society Daughters of the Revolution.

DAR Honors Good Citizens With Tea

The El Dorado Chapter DAR met March 18, 1971 in the annex auditorium of the First United Methodist Church to celebrate the annual DAR Tea honoring the DAR Good Citizens from five high schools.

10% Hike In S. S. Checks Set June 3rd

First checks to include the new 10% monthly benefit increase authorized in legislation acted upon last week by Congress will reach 26 million social security beneficiaries on June 3. Robert M. Ball, Commissioner of Social Security, said today that the regular June 3 checks covering benefits for the month of May will reflect the new higher monthly amount. Separate checks, scheduled to reach beneficiaries later in June, will cover the amount of the increase for the months of January through April.

Ball emphasized that social security beneficiaries do not need to get in touch with a social security office to get the checks. The payments will be mailed to beneficiaries automatically.

It will take a little over one month, Ball said, to refigure the benefit amounts for all beneficiaries, including the adjustment to take account of events that have

affected their individual benefit payments for a particular month in the retro-active period. Over 2.5 million such adjustments are required in a typical month, he said, for such reasons as the death of a beneficiary, the remarriage of a widow, a child's attainment of age 18, a beneficiary's earnings, etc. The refiguring of benefit amounts is being scheduled so as to avoid delay in the regular delivery of the April 3 and May 3 checks, he said. Those checks will be for the amounts payable to beneficiaries before enactment of the 10% increase.

By the first of May, the new records will have been produced by the computers on magnetic tapes showing the new monthly amount for each beneficiary and the amount of his retroactive increase. The Treasury Department will need the month of May to print the checks and turn them over to the Post Office Department for delivery to social security beneficiaries on June 3.

On arrival, Mrs. Luke Thompson registered each person and Mrs. Wm. Gunstead presented corsages to the honored guests. Miss Ruth Baker, regent, presided.

The Chapter was opened by the chaplain, Mrs. W. N. Ramsay with reading the Scripture and with prayer. The audience joined in singing the National Anthem and in the Pledge of Allegiance to the Flag of the United States.

COUNTY AGENT'S COLUMN

by Tiny Godwin

Schleicher County Agricultural Agent

1970 Result Demonstrations on early weaning and drylot feeding of lambs are practices that the sheep producer can use to his advantage in drouth periods, as results show from producers using this practice. This practice is especially effective where dry feed is provided where forage can't support good growth of the lamb (3-4 pounds daily minimum) where extensive feeding is necessary, separation of ewes for better management of their requirements. Only 25% as much nutrients are required to produce a pound of lamb gain when the lambs are fed directly. Demonstrations published from my office show that when both ewe and lamb are fed, but separately, a feed saving up to 40% can be realized over feeding the ewe to produce milk for the lamb.

Getting up after you have fallen down strengthens the muscles.

Plants have appetites just as do people and farm animals. But unfortunately, plants can't vary their available foods at will to match their appetites for a balanced diet.

Farmers don't have to wait until their crops show ring-streaked, speckled, spotted signs and blotchy discoloration. They can get help before the crops are even planted by having soil tests made to detect nutrient deficiencies.

A soil test helps to determine how much and what kind of each plant food is needed to produce a healthy crop of high yields and quality.

Before a major soil fertility program is undertaken, two questions should be asked: "Are you sure of the fertility conditions of the soil, and do you know what kind and amount of fertilizer to use for top yields and profits?"

Soil testing should be done on a regular basis and a part of each farm plan.

Change favors the prepared mind.

Kids and household chemicals are a deadly combination. Most parents realize this, but even so, many youngsters under 5 years of age are accidentally poisoned each year.

It can happen in any family if household pesticides are carelessly handled and stored. Don't underestimate the toddler's ability to seek out trouble.

Those sprays and dusts used to keep the home free of insect pests can also become a kiddie trap.

But family protection is easy when pesticides are used according to label instructions; stored according to the approved rules of safety, under lock and key when small children are in the home and when the container is empty, dispose of it according to instructions.

The pesticide container is a most important document and it should be read carefully each time before the material is used.

Children should always be kept out of the areas being treated. They can contribute nothing to the job being done but can cause plenty of trouble.

Store chemicals in their own labeled containers and away from food or feed.

And for the empty containers, destroy and bury them where they cannot contaminate food or water supplies for people or animals. Most of the mistakes traceable to pesticide use are people made.

Killing the dog does not cure the bite.

March Of Dimes Dance Set Friday At R'springs

A Western Dance, benefit March of Dimes, will be held in Rock-springs this Friday night, March 26th, from 8:00 p.m. to midnight.

The event will be held at Priour-Varga warehouse, with music by Adolph Hofner and his Pearl Wranglers. Admission will be \$1.50 per person, and 75c for children under 12.

Field Day April 1st To Draw Good Crowd

Members of the Texas Sheep and Goat Raisers Association who live in District 5 will meet April 1 at the Ranch Experiment Station south of Sonora. District 5 includes Kimble, Menard, Schleicher and Sutton counties.

Vestal Askew, chairman of District 5, urges all members in these counties to attend this Field Day and membership meeting. The Field Day program beginning at 10:00 A.M. features sheep research work conducted by Texas A&M University and other related reports. Speakers will include Dr. A. C. Todd of the University of Wisconsin, members of the Texas A & M University research staff and TS&GRA officers.

A free barbecue lunch will be served to TS&GRA members of District 5. Following the Field Day program, a brief membership meeting will be held to elect Association directors.

Miss Lux Honored At Texas Tech U.

Miss Nancy Lux, daughter of Mr. and Mrs. W. V. Lux, has been tapped for membership into Army Corpdettes. This is an honor for any Tech woman. Miss Lux is a member of Delta Delta Delta social

A new booklet outlining broad phases of conservation work under way in Texas is now available from the Soil Conservation Service.

District Conservationist Bill Rountree of the local Soil Conservation Service office said the new booklet "Soil and Water Conservation in Texas" tells how SCS programs are helping Texans conserve, develop and protect the state's soil, water, plant, and wildlife resources.

"The booklet is a must for the conservation teacher, urban consumer, agricultural leader or businessman honestly interested in the conservation thrust being made in Texas," Rountree said. "It is a concise, simply written, profusely illustrated booklet which tells the conservation story as it is—a non-spectacular, continuous, difficult job of trying to intelligently manage our state's renewable natural resources.

The publication describes SCS soil surveys and tells how they are used by cities, planners, farmers, contractors. It tells how conservation reduces pollution and enhances environmental quality. It also describes resource planning help available from SCS. Other programs explained include the search for improved conservation plants for livestock and wildlife; the Great Plains Conservation Program; efforts to help multi-county areas speed up resource programs; and upstream watershed protection projects.

Bill said Conservation work is coordinated through local Soil and Water Conservation districts. In the local area, the Eldorado-Divide Soil and Water Conservation District is the action group through which conservation work is directed.

Walter C. Pope III, chairman; Voy Lee Butts, vice-chairman; Geo. Humphrey, Secretary; Otis Deal, member; and Clay Atkins, member are the five directors of the local district.

The booklet points out, however, that cooperation of state and federal agencies, cities, counties, conservation organizations, civic groups and others is the key to getting the job done.

Rountree stated that on June 23 of this year the local Eldorado-Divide Soil Conservation District will have completed its 30th year of promoting soil, water, and plant conservation.

English Muffin Bread

Toast and tangy orange marmalade—a fine old British tradition, loved by all.

English Muffin Bread has an incomparable aroma and taste that only fresh, home-baked yeast breads offer. This recipe is a batter bread—your mixer can do all the work and there's no kneading.

For that unusual shape, bake the loaves in one-pound coffee cans. After baking, slice off what you need. As with English Muffins, toasting brings out the best in this bread. The loaves will keep their freshness for a week if sealed tightly in moisture-vapor proof wrapping.

Bread provides essential nutrients to your family diet. Four daily servings of breads or cereals are recommended. Enriched flour in all your home baked goods contributes the B-vitamins—thiamine, niacin and riboflavin—and the important mineral, iron.

ENGLISH MUFFIN BREAD
 three 1-pound loaves

- 3 to 4 cups enriched flour* 1 1/4 cups hot tap water
- 2 packages dry yeast 1/2 cup oil
- 1/4 cup sugar 2 eggs
- 2 teaspoons salt Corn Meal

Combine 1 1/2 cups flour, yeast, sugar and salt. Add hot tap water (115 to 120°); mix until dry ingredients are moistened. Beat until smooth, about 2 minutes on electric mixer or 300 strokes by hand. Blend in oil and eggs. Add flour to make a stiff batter. Beat until batter is smooth and elastic, about 1 minute with electric mixer or 150 strokes by hand. Cover and let rise in warm place (80 to 85°) until light and bubbly, about 1 hour. Stir down. Divide into 3 well-greased and corn meal-dusted 1 pound coffee cans. Cover and let rise in warm place, until doubled, about 30 minutes. Bake in preheated 375° oven 15 to 20 minutes, or until done. Let cool completely in coffee cans. Invert and shake to remove loaves. To serve, slice and toast.

*Spoon flour into dry measuring cup; level. Do not scoop.
 NOTE: If self-rising flour is used, omit salt.
 *Two 4 1/2 x 8 1/2-inch loaf pans or six #303 cans can also be used.

Dwight McClatchy Buried Last Week

Funeral services were held in Midland last week for Dwight A. McClatchy, 68, brother of two San Angeloans. Interment was made in Resthaven Memorial Park. Mr. McClatchy died Thursday night in Methodist Hospital at Houston.

He was born July 8, 1902, in Comanche county and spent his early life on a ranch near Eldorado. His early business was in Dallas, Pecos and Wink. He was a partner in the McClatchy Trucking Co. and McClatchy Van Lines of Houston and Midland and McClatchy Cleaners of Midland.

Mr. McClatchy moved to Midland in 1950 and was active in his work until entering the hospital

about the 1st of March. He was a member of the El Paso Masonic Lodge and El Maida Temple.

Survivors include his wife, Mrs. Rosa Belle McClatchy of Midland; two sons, W. A. "Bill" McClatchy of Houston and J. A. "Jim" McClatchy of Midland; two brothers, Cecil V. McClatchy of Midland and Jack B. McClatchy of San Angelo; two sisters, Mrs. Leon Younger of Odessa and Mrs. Frank Newman of San Angelo and seven grandchildren.

Frigidaire re-invents the washer and the dryer.

Never before so many improvements at one time! That's why we say "re-invented". Washers and dryers that do it all... up to 18 pounds. This new Frigidaire can wash 1 piece to 18 pounds—or any size load in between. No attachments to add or store. It has a huge lid and door openings to put all that capacity within easy reach. A fill and rinse system that sprays down from 12 pressurized water jets around the tub. Permanent Press Care. Simplicity to keep service to an all-time low... like the lift-off console that makes servicing quick and easy... if it's needed at all. For full details visit West Texas Utilities.

Also, remember, West Texas Utilities offers you free normal 220 volt wiring if you are a WTU residential customer and if you purchase an electric dryer from a local dealer or WTU.

In Those Days

ONE YEAR AGO March 26, 1970—A light snow was reported here on the official first day of Spring.

The Eastside Lions Club was disbanded and some money left in the club treasury was given to the OEO for their pre-school education program.

Lum Burk was presented a certificate in the 25-Year Club of The Texas Water Utility Commission.

FIVE YEARS AGO March 24, 1966—Sheriff Orval Edmiston reported county voting strength around 1100, with passing of the registration deadline.

Coach Earl Barnett submitted his resignation. He had served here since 1960.

The school trustees approved plans for the new band hall and ag. building and expected to call for contractors' bids later in the Spring.

Otis Deal was attending a Federal Land Bank Association meeting in Houston.

Mrs. Ray Bruton attended funeral services in Brady for her mother, Mrs. B. L. Hughes.

Tony and Mickey Clark were to participate in the San Angelo Junior Rodeo.

Taking top honors in the 440 and 880 relays at the Plateau Relays were held here were Roy Davidson, Jesse Bosmans, Sam Henderson and Pat Childers.

Maudie Mitchell and Roy Short were married.

Jan Wagley was announced new Queen of the Eldorado Lions Club.

12 YEARS AGO March 26, 1959—The local airport was having increased traffic following installation of new lights along the main runway.

The chief promoters were E. H. Topliffe and Howard Derrick.

Mr. and Mrs. Edwin M. Jackson Jr. announced plans to open a new dry cleaning plant here.

Strain Bros. contractors had dredged out Divide Street to be the new highway, and had refilled it with caliche. Forms were being installed for casting the concrete curbs and gutters.

Bill Bowen directed the Senior play, "In Twenty-Five Words Or Death" and the class made about \$400.

Bill Lester, Joe Christian and Elton McGinnes were candidates for school trustee, with two to be elected.

The James Pages sold their house on the Angelo highway to Billy McCravy.

Russell Heaner was pastor of the Methodist church and he and Mrs. Heaner were giving a supper for all college students home for Easter, and servicemen also at home.

35 YEARS AGO March 27, 1936—Clean Up Week was proclaimed in Eldorado by the Woman's Club, Centennial Committee, Lions Club, Mayor A. T. Wright and the Boy Scouts.

Mrs. Ella Garrett was honored on her 85th birthday.

Wayne Davis was honored on his 4th birthday. Guests present included Dona Mae Mullet, Tincy Spurgers, Noel Knight, George Lee Graf, Howard Parker, Orville Taylor Conner, Alva Rogers, Corwin Connell, A. J. Quinn Jr., Nina Beryle Spurgers, Ora Ballew, Bert Ballew, Jimmie MacGlenn, Ganell Glenn, Imogene Rampey, Betty Lou McKinney, Curtis K. McKinney, Joyce Myrl Bynum, Tom Bradley, Maxine Ramsey, and Bobbie Galbreath.

The two Eldorado newspapers were consolidated. C. S. McKinney, publisher of the Success, announced purchase of the subscription list of the Eldorado Times.

The 51st District Court session was convening here. Grand jurors were J. E. Spencer, J. Forrest Runge, V. G. Tisdale, J. F. Webster, D. E. DeLong, J. H. Jackson, Sam E. Jones, W. F. Meador, Will McAngus, Bert Page, Jim O'Harrow, Melvin Rodgers, John Williams, T. H. Wilton, V. H. Humphrey, and W. O. Alexander.

Mrs. J. A. Clift of Robert Lee visited with Mr. and Mrs. W. B. Cobb this week.

W. H. Whitworth announced for Commissioner of Precinct No. 2.

ELDORADO LODGE No. 890 — A. F. & A. M. Stated meeting 2nd Thursday in each month, at 7:00 p. m. from Oct. 1 to April 1, and at 8:00 from April 1 to October 1. Visiting brethren welcome.

Miss Blaylock Becomes Bride Of Mr. Jim Hardy In Home Ceremony

Mrs. Jim Hardy the former Miss Frankie Nell Blaylock

Miss Frankie Nell Blaylock became the bride of James Edward "Jim" Hardy during a ceremony Saturday in the home of the bride's parents, Mr. and Mrs. Billy Frank Blaylock. The bride is also the granddaughter of Mr. and Mrs. W. A. Blaylock of this place and Mr. and Mrs. Jay of San Angelo.

The bridegroom is the son of Mr. and Mrs. Ed Hardy of Lindsey, Oklahoma.

Officiating was Dave Fillpot of H.E.B. Foundation Camp in Leakey. Wedding music was presented by Miss Marilyn Wilson of McCamey and John Cowley of Waco.

Maid of honor was Miss Billie Gayl Blaylock and matron of honor was Mrs. Steve Blaylock, both of Waco. Bridesmaid was Miss Eva Jo Blaylock.

Serving as best man was Marshall S. McCrea of Midland and groomsmen were LaMar Wade of Oklahoma City, Okla., and Steve Blaylock of Waco.

The bride wore a white silk organza gown featuring fitted bodice, portrait neckline and Bishop sleeves embroidered in floral lattice design. Tricolored ribbons cuffed the sleeves, encircled the skirt and

surrounded the waistline. Houseparty for the reception in the home included Mrs. Lynn Meador, Miss Edie Wallace of Oklahoma City, Okla., and Mrs. Walter Groth of Waco.

Mrs. Hardy, a physical education teacher in the Lubbock school system, is a graduate of Baylor University where she was a member of Delta Psi Kappa and Baylor Association of Health, Physical Education and Recreation.

Her husband is a graduate of Central State College in Edmund, Okla., where he was a football letterman and member of Sigma Chi fraternity. He is also employed as a physical education teacher in the Lubbock school system.

After a wedding trip to Mexico, the couple will live in Lubbock.

The rehearsal dinner was in the home of Mr. and Mrs. T. P. Robinson Jr.

New Dentist To Locate In Sonora

Dr. Lonnie Pollard, dentist, is scheduled to begin the practice of dentistry in Sonora on April 6th. He and his family are moving from Pecos.

Dr. Pollard, who is not a stranger to this Southwest Texas area, was born in Menard. He and his wife, Julie, have three children, Paige, 9; John, 7; and Ronnie, 5.

In Sonora he will maintain an office at 901 SE Crockett, in the residence formerly owned by the Jack Mackeys. Dr. Ron Williamson, dentist, formerly had offices in the same building.

A graduate of Baylor Dental College of Dallas in 1964, Dr. Pollard has been in the private practice of dentistry for the last seven years in Pecos. He is a member of the Texas Dental Association, American Dental Association, Permian Dental Society, Academy of General Dentistry and last year was elected to appear in Personalities of the South.

An active member of the Lions Club, he has served in practically all Lion offices. The family are members of the Methodist church.

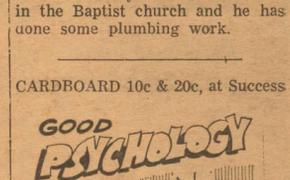

Dr. Pollard did his pre-dental work at Texas Technological University in Lubbock.

CHILDERS TO TRANSFER

Gerald Childers is being transferred by Northern Natural Gas to Sunray, Texas, where he will be maintenance supervisor. He is to be on his new job by April 16th.

Childers has served as district clerk at the Reynolds plant for the past several years. While here, he and his family have been active in the Baptist church and he has done some plumbing work.

GOOD PSYCHOLOGY

MEALTIME IS NOT A GOOD TIME FOR ADMONISHING CHILDREN OR TELLING THEM WHAT THEY DID WRONG. IT IS AN APPROPRIATE TIME TO ENJOY GOOD FOOD AND EACH OTHER'S COMPANY IN A PLEASANT ATMOSPHERE.

AFTER A LONG DAY OF CARES AND RESPONSIBILITIES, ESPECIALLY BEFORE THE CHILDREN COME HOME FROM SCHOOL, RELAX WITH A CUP OF HEARTY HOT TEA.

TYPEWRITER RIBBONS, for Royal, Underwood, and Remington—available at the Success.

Camp For Diabetics Scheduled By Lions

The Texas Lions League, which has operated a summer camp for handicapped children at Kerrville for the past 18 years, has added a new dimension of service this year with a special three-week camp for diabetic youngsters in cooperation with the diabetes association of Texas.

League President Everett J. Grindstaff of Ballinger said the pilot program would be known as the Texas Lions Camp for Diabetic Children.

The special summer session — June 7 through June 25 — will be held at the facilities of Camp Manison near Friendswood, between Houston and Galveston, where a diabetic camp has been operated for the past 14 years.

The League is the non-profit, charitable organization which represents all the Lions of Texas, Grindstaff said.

"The diabetic camp represents another important step forward by the Lions of Texas in serving children who require special attention," Grindstaff said.

At the home camp in Kerrville, nearly 12,500 blind, deaf, mute and crippled children have enjoyed two weeks of summer fun. During the other months of the year, the League—in cooperation with the State Commission for the Blind—operates a rehabilitation center for adults at the camp and has aided more than 800 Texans who have lost their sight.

The diabetic camp will have 110 youngsters, 6 through 16, in the pilot program. Dr. Luther B. Travis, an associate professor in the department of pediatrics of the Texas Medical Branch at Galveston, will be medical director. Tom Manison will be camp director.

The goal of the new program—aside from having fun and developing camp skills—is to help diabetic children learn they can lead happy, normal lives by following good health practices and to give them self-confidence when they have to leave home.

Chapters of the South Texas and North Texas Diabetes Associations, plus officers of district and county medical societies, have been requested to submit camper applications.

The Lions of Texas, in order to better determine the need for future expansion, are making a survey of diabetic children who would be interested in the camping program.

Names and addresses of potential campers should be sent to the camp secretary, Mrs. Jo Ann Horne, P. O. Box 2577, Texas City, TX 77590.

Missionary To Speak To Presbyterians

"The influence of almost a hundred years of Christian witness pervades the Congo scene at all levels, from peasant to president," says Mrs. William F. Pruitt, a resident there since 1945. She is a missionary of the Presbyterian Church in the United States and will speak at the First Presbyterian Church in Eldorado on Thursday, March 25, following a covered dish family night supper at 6:30 p.m.

Mrs. Pruitt and her husband have worked in the heartland of the Congo for 25 years. He travels about the area assisting the pastors of village churches and showing Christian films at night. She teaches language and literature at Katubue High School.

Before going to Congo, Mrs. Pruitt taught at Agnes Scott College and Eastern New Mexico College. She has also been a youth worker at Highland Park Presbyterian Church and the First Presbyterian Church in Dallas. She has a B.A. from Agnes Scott College, a B.S. from the University of Illinois and an MA in French from Southern Methodist University.

The Pruitts have two boys: William is professor of African History at Kalamazoo College; Robert is working at the Rehabilitation Center for the Blind in Little Rock, Arkansas.

During this furlough year, Mr. and Mrs. Pruitt will reside in Columbia, Missouri. They expect to return to Congo in the Spring of 1971.

This will be the concluding program in a series of three during the Witness Season observance at the Presbyterian Church, Mrs. John Pitts has been general chairman of the programs.

GIRL SCOUT TROOP 25

met this week and did plaques.

We elected officers. Group 1 patrol leader, Rachel Fava; assistant leader, Lisa Guerra; sec-treas., Susie Woodward; and reporter, Sammy Jay.

Group 2. Patrol leader, Angela Fay; assistant leader, Debbie Killebrew; sec-treas., Cynthia Schooley; reporter, Cherie Niblett.

Next week we will go on a bicycle hike if the weather is pretty. —Rep.

Christian Science Lecture Scheduled

Grace Bemis Curtis
Christian Science Lecturer

"Let's Choose Heaven Here" is the title of a Christian Science lecture to be given in San Angelo, Texas, on Sunday, March 28. Grace Bemis Curtis of Pittsburgh, Pa., will be the speaker.

The lecture will be given at 8:00 p.m. in the church edifice, 720 South Abe Street. First Church of Christ, Scientist, is the sponsor. Admission is free and the public is invited.

Before entering the full time practice of Christian Science, Miss Curtis was a concert pianist. Her musical education studying with two pupils of the renowned pianist, Franz Liszt.

She also studied at the Eastman School of Music in Rochester, New York. In addition to teaching music at Elmira College in New York she has served as president of the Corning Philharmonic Society.

Miss Curtis is a Christian Science Teacher and a Member of the Christian Science Board of Lectureship.

Rodeo Is Set In Sonora April 2-3

April 2 and 3 are the dates set for the Rodeo at Sonora. It will be held at 7:00 p.m. at the arena, both nights.

Pull riding, bareback riding, team tying, calf roping, and barrel racing are among the events.

Proceeds will go to improvements at the Park Association arena.

There will be a dance afterwards at the 4-H Hall.

District Meeting Of T&S&GRA Set April 1

Texas Sheep and Goat Raisers' Association District Five will meet in Sonora on April 1 in conjunction with the A&M University Ranch Experiment Station's Sheep Field Day program.

Subjects covered will be: Management of Rams for Maximum

Efficiency by Dr. Maurice Shelton; Range Management of Ewes, by Dr. M. C. Calhoun; and Range Management Practices, by Dr. Leo Merrill. Reports will also be given by Dr. C. W. Livingston and Joe R. Stewart. All of these men are connected with Texas A&M University Association president Louis L. Farr III of Austin and executive secretary Bill Sims of San Angelo will report on Association activities.

A free barbecue dinner will be served at noon to District 5 members. At the close of the Experiment Station program, which will be approximately 3:00 p.m., a brief meeting will be held to elect Association directors for District 5 for the coming year.

Among those currently serving as directors from this district are Jim Cawley, Mort L. Mertz, Ford Oglesby Jr., David Powell, Henry Speck Jr., and Bobby Sykes, all of Eldorado.

Presbyterian Notes

Deacon Committees

The Board of Deacons has set up the following committees appointed by Chairman Jim Cawley: Building and Grounds Committee, John Pitts, Lum Burk; Finance Committee, Jimmy Powell and Jack Hext; Fellowship and Service Committee, Jim Cawley and Bobby Helmers.

Presbyterial Meets

Mmes. John Pitts, Ford Oglesby, Ola Ruth Barbee, John Williams, Lum Burk, James Page, and Edwin Jackson, Sr., attended the Presbyterial meeting in San Angelo on March 18. Mrs. Edwin Jackson Sr. was installed as Chairman of the Presbyterial for the coming year. Mrs. James Page is District Chairman.

Camp Registration

Registration is now open for our Church Camps at Camp Chimney Spring this summer as well as other camp grounds. The camps are offered to boys and girls entering the fifth through the 12th grades.

Information and registration blanks are available from the pastor. Registration is on a first come first serve basis so promptness is necessary to be sure of being accepted.

The choir is meeting each Thursday afternoon at 4:30 p.m. to work on Easter music.

The pastor will conduct the worship service at the Nursing Home this Sunday, March 28.

Women's Council meeting, Monday, May 5 at 1:00 p.m. at the 4-H Hall.

RECEIPT BOOKS—Pocket size, and large desk size, for sale at The Success.

HOW TO BE A PERFECT HOUSE GUEST

You wangled an important weekend invitation and you're on Cloud 9. Now you've only one problem: how to be the perfect guest and make an indelible impression on your host. Follow these ten "do's and don'ts of guesting" and you're sure to be high up on future invitation lists.

1. Get the date straight and make certain the invitation is for the weekend. You'd feel ridiculous arriving with a suitcase to find out it's a sit-down dinner, or that your host is away on a safari.

2. Do not bring your pet; don't even ask if you can. Have a friend or neighbor care for Tootsie. So you'll owe a favor.

3. If Mrs. Host has no cook or maid, offer to help in some way. She'll probably say no, but your offer adds "points" for you as a guest.

4. Make your bed daily, put clothes away neatly and be extra-careful with the furnishings in your room. Do not smoke in bed.

5. The bathroom may be your severest "guest test." Don't spend hours there, don't leave hair on sink, don't leave toothpaste uncapped, don't leave soiled tissues around. Do clean up the sink after you're done, do fold your towel, do tidy up the floor if there's an overflow from shower or bath, do take your paraphernalia back to your room with you.

6. About beauty and grooming items: to avoid bothering your hostess for personal care items—for which you'll lose guest "points"—don't forget to pack toothbrush, cosmetics, hair care items, some Stayfree mini-pads for feminine protection (a great new boon for lady travelers—they attach to undergarments, help you stay free

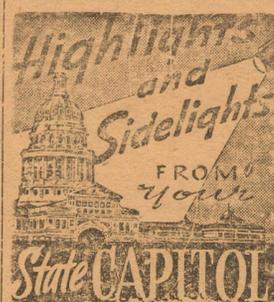

and fresh around the clock), a travel-iron, small tissue packs, breath mints.

7. About clothes to bring: take only what you'll absolutely wear and be certain you know what kind of activities are scheduled and what the weather is like. The most marvelous weekend can be ruined if your clothes make you stand out like a sore thumb.

8. Be your natural self with your host and other guests. Don't arrive with 20 bad jokes memorized, or try to sound like an expert on every topic. Listen more, talk less, particularly about yourself, your achievements.

9. Bring a house gift. It needn't be elaborate—something you made yourself, like a cake—or a useful knick-knack, or gifts for the host's children. When in doubt about bringing a gift or not, bring one—it's safer.

10. On leaving, thank your host for a delightful time, even if the visit was something less than you anticipated. After you get home, always pen a little note of appreciation.

Austin, Tex.—Welfare beneficiaries late last week got the bad news they had been expecting—there will be substantial cuts in their assistance payments on May 1st.

Level of aid will be reduced to Aid to Families with Dependent Children by about one-third, according to Welfare Commissioner Burton G. Hackney. Board of Public Welfare scheduled a meeting Monday March 22 to place its inevitable approval on the reduction.

"The hard fact," said Hackney, "is that no more state money is available under the present constitutional ceiling on welfare expenditures. The Legislature has appropriated all that it can appropriate."

Average AFDC grant last month, based on PWD's formula of 75% of "budgeted needs," was \$118.

Hackney estimated the average level will drop on May 1 to about \$80 a month.

In addition to steep cuts, about 4,500 families will be dropped from the rolls altogether, since at the newly-contemplated 50% level of "budgeted needs," they will no longer be eligible for aid. Their income will meet the "standard of need" PWD must recognize with the limited funds available.

As of last month, there were 87,616 Texas families with 263,809 children receiving AFDC benefits. Rolls for the last five months have been increasing at a rate of almost 11,500 a month, according to Hackney.

A proposed constitutional amendment to increase the \$85 million a year ceiling on aid to aged, blind, disabled and AFDC will be voted on May 18.

Almost simultaneous with PWD's announcement of the cut (actually first predicted by Hackney last November 12), Texas Citizens for Welfare Reform announced start of its active campaign to win approval of the amendment (Proposition 3) on the May 18 ballot.

Senate Passes Liquor Bill

Senate voted 22-7 approval of the local option liquor-by-the-drink bill and sent it to the House.

Biggest battle in the Senate was whether retail package stores or wholesalers would sell to bar operators. Package stores won out, over the protest of Sen. Joe Christie of El Paso, author of the bill (SB 348).

Measure now calls for \$2,500 license fees for mixed beverage licenses, with \$2,500 first renewal fees after one year, \$500 thereafter.

Bars would be able to serve drinks in one-ounce mini-bottles or standard size containers. Senators rejected by 16-13 a "dram shop" amendment to hold liquor dispensers liable for damages of their intoxicated customers.

Rep. L. DeWitt Hale of Corpus Christi said he will ask for a hearing next week and expects an early floor debate.

"I don't think there is any question but that we will pass a bill of some kind," said Hale. "The fight is not over final passage but what's in the bill."

Tax Hearings Begin

Hearings on the tax bill were due to begin in the Senate late this week and continue through most of next week.

Lt. Gov. Ben Barnes called on all interests to present their case and on all senators to ready their amendments or substitutes for the House-passed \$492.5 million sales tax-franchise tax-tuition increases.

Barnes expressed hope for more orderly floor consideration of amendments with revenue estimates and amendments prepared in advance rather than at the last minute as usual.

Oil Allowable Same

For the third month in a row, Texas Railroad Commission set the oil production allowable at 82.1% of potential. That will allow maximum production of 3,763,658 barrels a day in April. Actually, about 3,411,000 barrels probably will be the output.

Oilcompany executives said all evidence points to the need for a big effort to locate "massive new supplies of crude."

Clubs Violate Law

Many of the 1,811 private bottle clubs violate Texas law, Alcoholic Beverage Commission has reported.

ABC auditing chief said 197 violations were observed by agents last month in 427 clubs checked, although most can be corrected by warnings.

ABC Chairman Tom Gordon of Abilene promised February checks were the beginning of its crack-

down. Gordon said most of the violations are due to failure of club owners to understand the law.

Commission approved a regulation dealing with standards of identity, labeling and advertising of liquor.

Attorney General's Opinions

Texas Water Quality Board cannot force the owner of a solid waste disposal dump to post bond for a license, Atty. Gen. Crawford Martin has held.

In other recent opinions, Martin concluded that:

—Galveston County contract for delinquent tax collection is not invalid because the attorney entering it is a partner of a state legislator.

—Legislature would have to vote authority for a county to lease its property.

—City and County may cooperate to establish an ambulance service by joint contract.

—Juvenile court has jurisdiction to declare males delinquent after 17th birthday and females after 18.

—Sheriffs are not bound to furnish county auditors a monthly inventory of supplies, menus and bills for feeding prisoners.

—Highway Department can award federally involved highway contracts which do not contain the general prevailing rate of per diem wages in view of the presidential emergency proclamation.

—Ward county may maintain a golf course on land owned by the city of Monahans.

—If county commissioners make final selection of a bank as the county fund depository, selection may not be retracted.

—Contract for delinquent tax collection entered by commissioners without notice to the county attorney should not be approved.

—Estates of regular state "hourly employees" are entitled to recover for accrued vacation and sick leave.

—Executive director of the Community Action Council at Beeville is eligible to serve on the Bee County College governing board.

—Term of office of a Texas Rio Grande Compact Commissioner may be extended beyond 2 years.

Appointments . . .

Gov. Preston Smith reappointed Walter M. Mischer of Houston and Fred W. Shield of San Antonio to the Texas Board of Corrections.

Smith also reappointed Wilfred S. McKinnon of Baytown to the Credit Union Commission and picked Jim R. Williams of San Antonio as a new member.

Charles R. Woodburn of Amarillo, Dan Lester of Jefferson, Phillip C. Bowen of El Paso and Mrs. D. J. Sibley Jr. of Austin were named to the Texas State Historical Committee, and Mrs. Frank M. Covert III of Austin and John C. Caldwell of Albany were reappointed.

Study Drouth Problem

Governor Smith led a state-federal delegation to Alice late last week to investigate the increasing drouth problem in South Texas.

Governor met with local officials, farmers and ranchers. He was accompanied by Agriculture Commissioner John C. White, disaster relief officials and legislators.

Smith said he is exploring the possibility of requesting that the region be designated a disaster area for federal aid in the form of low interest rate loans and emergency livestock feeding programs.

Short Snorts . . .

Governor Smith in ceremonies at Texas Tech University, Lubbock, signed a bill authorizing \$185 million revenue bond program for building eight new higher education facilities.

There were 21,116,000 out-of-state and foreign visitors to Texas last year, and they spent \$1.469 billion, according to State High-

way Department calculations.

Nineteen criminal justice grants totalling \$514,769 were approved to fight crime. Biggest ones went to Amarillo (\$112,362) and Bowie county (\$82,256).

Senate passed and returned to the House with amendments a bill increasing tuitions of out-of-state students in Texas tax-supported colleges from \$200 to \$500 a semester (students already enrolled would be exempt).

TB Group To Meet

The Big Country Tuberculosis and Respiratory Disease Association will hold its Second Annual Membership Meeting March 27, 1971 in the Angelus Room of the Central National Bank of San Angelo, Texas with registration at 1045 a.m.

Speakers will be Robert H. McCarty, M. D., Medical Director of Tuberculosis Control, Region X, Lubbock, Texas. Dr. McCarty will speak on Tuberculosis Control in Region X and in the State of Texas, and Mrs. Pauline K. Mattis, Executive Director of the Texas Tuberculosis and Respiratory Disease Association, Austin, Texas will speak on the Change in Structure of Texas TB & RD Associations and the Challenge for Volunteers.

Two people from each of the 32-county area serve on the Board of Directors. Serving from Schleicher County are J. B. Brame, M. D., of Eldorado and Mrs. W. F. Edmiston, R. N. of Eldorado.

Meeting will adjourn for lunch. After lunch business will resume with election of officers and reports. The public is invited to attend.

Neighborhood Center

Community Meeting Set

A Community Meeting will be held at the Baptist Church Annex on Friday, March 26 at 6:30 p.m. It is important that all members of the Neighborhood Council attend. Items to be discussed are:

—A Sample voting ballot will be shown how to complete by Dr. Brame.

—Projects for raising money for Street Signs by Gloria Rodriguez.

—Also, plans will be discussed for an Easter Party and formation of a Women's Club or Auxiliary. Names will be drawn for door prizes which will be given away. Refreshments will be served.

Commodities

Due to a staff meeting in San Angelo, the commodities will be issued on Friday, April 16th and continued the following week.

Demolishing Program

Our demolishing program is going great. The second building is now being demolished. We have another building just about ready to get started on.

Clothes To Be Distributed

We have quite a few clothes on hand and we will have the Fred Ramon building open on April 2nd from 9:00 to 11:45 a.m., to give away clothes, and a few items for sale.

(Aries, March 21 — April 20)

To paraphrase an old song, Arians are just wild about Aries. They often forge their way uphill through life with courage, daring, energy and enterprise. Like the rams who direct the flock, they are leaders, pioneers, and "aristocrats" who are very much firebrands.

Aroused in any sphere where his natural urges can be reasonably expressed, the Aries is a better leader than a follower.

er. When noise and dash are not objected to, and where initiative is needed, those born under the sign of Aries arise to the occasion.

At the first sign of the arrival of spring, Aries often send flowers to friends via FTD — helping to create a climate for renewed energy, enthusiasm and affection. Red is their color, amethyst their birthstone and tulips their flowers. Their prevailing traits are vigor and vivaciousness.

MEMORIAL PROGRAM

Your Memorial Gift is a fitting tribute to a loved one. This remembrance helps support the research, education and service programs of the American Cancer Society.

Memorial gift funds may be sent to your local Unit of the Society.

We have the appropriate cards to send to the family and to the donor, and will send your check to the American Cancer Society in Austin.

Saluting National FHA Week: March 28 - April 3, '71

FHA CARES is the theme of National Future Homemakers of America Week, March 28 - April 3. During this week 600,000 members in over 12,000 local FHA chapters throughout the United States and its territories will carry out special projects and activities to show that FHA members do care.

The National President, Ruth Ann Hockenbroch, a high school senior at Middleburg, Pa., put it this way: "Future Homemakers of America do care. We care about what's happening to our country today, and we care about preparing ourselves for the future. Today we are teenagers, tomorrow we become The Establishment. Through our FHA activities and oriented learning experiences we are preparing to take our place in that establishment. In this, our twenty-fifth anniversary year as a national organization, we want National FHA Week to be a showcase for what 600,000 teenagers are doing constructively to find out solutions to some of the problems confronting today's society in preparation for a better life tomorrow."

This national organization of high school home economics students provides opportunities for developing individual and group initiative in planning and carrying out activities related to the home and the community.

Throughout the country FHA members are learning by doing. They contribute to the community by working as volunteers. They assist in local head start programs or with the mentally retarded and handicapped through county health and welfare

departments. They organize reading classes and tutorial programs for migrant or underprivileged children. They visit and assist the elderly or work with other groups on community service projects. They serve as hospital candy strippers, hold career seminars, survey for job opportunities for youth, conduct sessions on preparation for marriage, hold morals discussions, and carry out many other projects which give practical application to their classroom learning.

Future Homemakers of America was founded June 11, 1945 as an incorporated, nonprofit organization supported by membership dues. Nationwide in membership and effort it is co-sponsored by the U. S. Department of Education and the American Home Economics Association and was developed for the purpose of providing experiences that broaden the home economics education program in the high school. High school home economics teachers, and members of the state home economics education staff, and leading home economists serve as advisors to chapter, state, and national youth officers, giving guidance and counseling to the program.

Activities at all levels—national, state, and local—are youth directed. Twelve national youth officers elected yearly help develop and promote the national program of work and plan and preside over the national meetings. The FHA members themselves decide on their goals and purposes, and plan their own activities and projects. This provides an opportunity to develop leadership, express creativeness, and become aware of approaching responsibilities as adult citizens.
