

WALL OF LAVA—A wall of lava spurts hundreds of feet into the air from fissures on the southeast flank of the erupting Mauna Loa in the Hawaiian Islands as it flows towards the sea. This picture was taken from a low-flying Navy plane that reported strong thermal currents and extremely hazardous flying conditions while searching for persons stranded by lava streams. (AP Wirephoto via Navy radiophoto from Honolulu to San Francisco).

STOMACH ACHES CONTINUE

Red Hot Rocks Still Pouring From Mauna Loa After 5 Days

HONOLULU, June 5. (AP)—Mighty Mauna Loa, a mountain with a stomach ache, continued its greatest eruption of the century today, spewing a lava flow toward the sea that endangered 35 homes and a lodge area.

(The island of Hawaii is the home of the United States' second largest ranch—the Parker Ranch which is slightly smaller than Texas' huge King Ranch.)

ready have consumed homes of 40 persons along the rich southwest Hawaii Kona coast and forced another 60 persons to flee.

Ranchers Fail To Meet Consuls

A hearing here of claims against West Texas employers of Mexican laborers reached a stalemate today when three ranchmen failed to appear for the meeting with members of the Mexican consular corps.

More Rain Falls As June Gets Behind The Wet Month Of May

June was off to a good start in the wet pattern of May, area reports showed today.

ter Point area where three-inches of small, soft hail destroyed crops in a limited area. Royce Satterwhite, whose farm is in the middle of the hail-stricken pocket, said that the rainfall there amounted to 1.4 inches.

Atom Lead Can Prevent Wars

WASHINGTON, June 5. (AP)—Military planners are sticking to the belief that America's apparent deal in atomic weapons can prevent a third world war.

Atom Lead Can Prevent Wars

WASHINGTON, June 5. (AP)—Military planners are sticking to the belief that America's apparent deal in atomic weapons can prevent a third world war.

But in conversations with a reporter they made clear they do not think atomic superiority will make defense cheap or easy.

Mistreated Pair To File A Protest In New Orleans

BROWNSVILLE, June 5. (AP)—Vera Tremewen and her wife, who have charged that they were mistreated recently in the Matamoros, Mex. jail, were to leave today for New Orleans.

Two Thefts Reported During Past Weekend

Two thefts were reported to police over the weekend.

Bevin Doing Well

LONDON, June 5. (AP)—Foreign Secretary Ernest Bevin is making excellent progress in recovery from an operation, and no further bulletins on his condition will be issued, his private secretary reported today.

Arming Europe Only Road Open Toward Peace

Soviets Block All Other Avenues, Congress Told

WASHINGTON, June 5. (AP)—The administration told Congress today that arming Europe is the only road left toward peace and security.

The Soviets have roadblocked every other avenue. Secretary of Defense Johnson testified before the Senate Foreign Relations and Armed Services Committees.

Both cabinet officers testified in support of President Truman's call for a \$1,222,500,000 authorization to bolster the defenses of countries opposing Communism.

Such a force, Johnson said, could contain the early phases of a Russian invasion.

Commissioners Discuss Drainage Problem On Farm

Drainage problems of a road bordering on the farm of Dewey Martin, whose place is situated four miles due south of Knot, came in for liberal discussion at the county commissioners' court this morning.

Cotton Exchange Has Hours Change

NEW YORK, June 5. (AP)—The New York Cotton Exchange will open at 9:30 a.m. (EST — 8:30 a.m. CST) instead of 9 a.m. beginning p.m. (EST). The exchange will be today and continuing until Sept. 23.

Primaries Due This Week

In a battle that may have direct bearing on the Brannan Plan's future as a political issue, Sen. Bourke B. Hickenlooper, who has figured in atomic energy and Communist-in-government security investigations, is seeking Republican re-nomination against two opponents.

Iowa Democrats May Help HST Decide "Brannan" Plan Issue

By The Associated Press An Iowa Democratic primary today may help the Truman Administration decide whether to boost or soft-pedal the Brannan Farm Plan as an issue in the November elections.

Two Thefts Reported During Past Weekend

Two thefts were reported to police over the weekend.

High Court Bans Train Segregation

Judges Rap Negro Dining Car Policy

WASHINGTON, June 5. (AP)—The Supreme Court today outlawed segregation of Negroes in railroad dining cars.

Court Gives U. S. Tidelands Rights

WASHINGTON, June 5. (AP)—The Supreme Court today gave the federal government top rights over the oil-rich tidelands off the coasts of Texas and Louisiana.

\$945,000 Asked For Big Spring State Hospital

AUSTIN, June 5. (AP)—A six million dollar building program was recommended today to the State Board for Hospitals and Special calling for completion of the first schools.

Six Candidates In Governor Race

CORSIKANA, June 5. (AP)—A Southeast Texas teacher became Texas' sixth candidate for governor today.

British Official Hems, Haws On Lower Hems Plan

LONDON, June 5. (AP)—A minister of the labor government rebuffed today against the trend to shorter skirts.

Liberals Ride Pro-Occupation Ticket To Strong Jap Victory

TOKYO, June 5. (AP)—Prime Minister Shigeru Yoshida's liberal party rode a general pro-occupation ticket to a strong victory in yesterday's house of councillors election.

Texas Must Admit Negro To All White Law School

WASHINGTON, June 5. (AP)—The Supreme Court today struck down segregation of Negro students at the University of Oklahoma and ordered Texas to admit a negro student to its all-white law school.

Chief Justice Vinson delivered the unanimous decision.

It was the court's second opinion of the day striking at racial discrimination. An 8 to 0 ruling outlawed segregation of negroes in railroad dining cars.

In the Texas case, Heman Marion Sweatt, of Houston, demanded admission to the white law school in Austin. He has refused to attend a new law school for Negroes set up by the state in Houston.

The high court based its decision in the Texas case on a finding that the Negro school at Houston would not be the equivalent to the school provided for whites.

NEW DETECTION DEVICE AIDS POLICE—Lt. Hugh McDonald of the Los Angeles county, Calif., sheriff's department operates a new "build a face" detection device which was credited with helping convict a man of kidnaping and assault with intent to murder. The device projects a series of facial features on a screen; white witnesses select those features which most resemble the criminal. The composite face then is compared to pictures in police files. (AP Wirephoto).

Sweetwater Collision

Two Big Spring men met instant death and a third was hurt critically when their car collided with a meat van seven miles east of Sweetwater Sunday night.

Dead were George H. Riggan, 27, and Jack H. Pitts, 25. Critically hurt was Aubrey Dale Conway, 21. All were employees of the Bell Telephone company construction division.

Sweetwater sources said early Monday afternoon that Conway remained in an unconscious condition, and that doctors feared for his recovery.

The crash occurred at 9 p.m. Sunday at a sweeping curve where three were killed last January. Sunday's casualties brought to eight the number who have died in the general vicinity of this stretch of road.

Remains of Pitts were taken to Cleburne for final arrangements. Highway patrolmen at Sweetwater said that the eastbound car, with Riggan apparently at the wheel, went out of control on the bend in the road. This put it squarely in the path of the westbound meat truck.

Driver of the truck, E. E. Orrich of Fort Worth, sustained minor injuries from flying glass. Another man, a passenger in the truck, was shaken.

Impact of the crash dislodged a saddle-tank of gasoline from the truck, and this rolled across the road and caught fire. There was no other fire, however.

Riggan was a linesman for the stretch of road.

Colorado City Radio Station Testing Today

COLORADO CITY, June 5.—Wen, Texas' newest addition to the family of radio broadcasters, station KVMC, begins testing today.

As soon as tests are satisfactory, the station will be on the air regularly from 6:15 a. m. to 7:45 p. m. It is a 500-watt and will broadcast on 1,320 kilocycles.

Location of the station is in the hills one mile west of Colorado City. Estimated cost of the facilities was pegged at \$35,000. Owners are listed as Eldon Mahon, Colorado City, Clint Formby and Marshall Formby, Snyder.

Clint Formby is moving here from Snyder to become general manager.

ANOTHER LOAD OF RED CHAIN—H. P. Wooten, (left), owner of the Wooten Produce Co., located at 505 East Second street, checks in another load of Red Chain feeds fresh from Universal Mills. At right is Floyd White, who is associated with Wooten in the produce and feed business. The Wooten Produce Co. is one of the largest poultry and poultry products markets in this section, in addition to serving the Big Spring area as a Red Chain feed distributor. (Culver Photo).

Williams Coolers Assure Comfort

Year-round home comfort is assured when air conditioning and heating equipment is installed by Williams Sheet Metal Works, heating and cooling contractors for the Big Spring area.

With hot summer months just ahead, Williams' modern water or refrigeration cooling equipment is the answer to every cooling need. Williams Sheet Metal Works has either the water coolers or refrigeration units in sizes and models for any type home or business building.

New Chryslers, Plymouths Here

Marvin Hull Motor company is proclaiming the good news these days—the delivery of Chrysler and Plymouth passenger cars.

For the first quarter of the year, a paralyzing strike had production halted. But now new cars are flowing off the lines and into showrooms.

Already patrons may inspect the late model Plymouths at Marvin Hull Motor company, Third and Austin streets, and take immediate delivery. Chrysler deliveries have not quite attained this degree of rapidity, but they are coming along steadily now.

Besides the sleekness of lines and design, both Chryslers and Plymouths have maintained an uncanny degree of roominess. This not only is carried out in the interior, but it still applies to the back end. Where many other makes have pinched down on baggage capacity, Chrysler products have maintained depth as well as width.

The motors, of course, are one of the chief talking points. There is nothing revolutionary about the power plant, for it is a product of evolution. For years the motors have followed a rugged basic pattern that proved dependable and economical. Each year, tested refinements have been added. Year piled on year have brought the motors to an all-time peak of performance, and one rarely equalled for performance and economy of operation anywhere.

Both sets of equipment can be adapted to the same duct system, providing warm air for cooler days ahead or conditioned air for the summer months.

Williams is dealer in Big Spring for two types of air conditioning equipment. Comfort air conditioners which he distributes, cool and clean the air as it is pumped through a water screen.

Refrigerated air for the entire house is afforded with the U. S. Airco equipment. Airco refrigeration units come in sizes adaptable to any size home or business structure. Operation of the units is backed up by a five-year warranty guarantee, Williams said.

Packard's New Feature Proved In 10 Minutes

Only 10 minutes with the 1950 Packard automobile will convince most anyone that "Ultramatic Drive" is the successor to all previous automatic drives.

That is the opinion of H. M. Rowe, Big Spring's Packard dealer, and he is willing to follow through with a thorough demonstration of the new Packard to prove his point.

The "Ultramatic Drive" insures responsive performance, and there is no "clutch-jerking" or waiting for gears to shift. New Packards are always on display and ready for demonstrations at the Rowe Motor Co., which is located at 1011 Gregg street.

In addition to Packards the Rowe Motor Co. is local dealer for Willys-Overland vehicles, which now feature two new powerful, high compression engines.

The new Willys-Overland engines are of both four and six cylinder types and they are available in two-wheel drive station wagons, and Jeeps, and four-wheel drive trucks and panel delivery machines.

Efficient fuel utilization, resulting in added economy of operation is one of the most popular features. At the same time, the Willys-Overland Co. has managed to retain its emphasis upon utility of design.

Gray Magic Royal Make Ideal Gift

Parents of sons or daughters who have recently graduated from high school or college and who now are thinking in terms of embarking upon a business career can find no more ideal gift than the new Gray Magic Royal portable or standard typewriter.

Such a machine is handled by the Thomas Typewriter and Office Supply, located at 107 Main street in Big Spring.

Boasting a soft, gray color that banishes glare and glare, the Gray Magic machine also has finger flow keys designed for easier typing, along with Magic margin that allows the user to get the margin with a flick of the finger.

The speed spacer built into the typewriter also cut typing time.

The portable typewriter comes equipped with an Air-Flight carrying case, exclusive to the make, appearance.

That gives it a modern and smart

Thomas Typewriter and Office Supply has several of the models on display and invites the public to come in and inspect them.

The establishment, long one of the area's best known office supply concerns, boasts the equipment to outfit a complete office. Desks, chairs, steel filing cabinets, waste paper baskets — all are handled by the Thomas store.

The best in carbon paper, pencils, rules and allied items are also kept in stock by the concern.

Pre-Fabricated Walls, Roofs Available Here

Steel roof and wall sections, pre-fabricated to your specifications, may be obtained at the Big Spring Iron and Metal company at 1507 W. 3rd street.

A representative of the Empire Steel company of Fort Worth is now on hand at the Big Spring concern to assist builders in arranging for fabricated sections for any type of structure. Orders will be taken with assurance of prompt delivery.

The Big Spring Iron and Metal

company also constructs steel clothline poles gates, cattle guards, and similar devices on order.

Pro-Leopold Party Wins Vote, Predicts Return Of King Soon

BRUSSELS, June 5. (AP)—The Social Christian Party, victorious in yesterday's parliamentary elections, embarked today on a program to bring exiled King Leopold III back to the throne. Enthusiastic party leaders predicted this will be accomplished by July 1 but leaders of the anti-Leopold opposition were not so sure.

The Social Christians, predominantly a Catholic party, won 170 seats in the lower house against 105 for the combined anti-Leopold forces of Socialists, liberals and Communists. Ministry of the Interior officials said the Social Christians are sure to get control of the senate, too. By law, only a majority of both houses sitting in joint session can end the regency of Prince Charles, Leopold's brother.

In yesterday's balloting the Social Christians won 54 of the 106 senate seats at stake. Ministry of Interior officials said the party would get a minimum of 25 of the 46 seats which will be chosen by

KING LEOPOLD

provincial councillors and at least 11 of the seats which the senators fill themselves. This would give pro-Leopold partisans at least 90 of the Senate's 175 seats or 197 votes to 190 in a joint session.

Social Christian strategy calls for formation of a government which can win a vote of confidence in both houses when they convene June 20. Then the Senate and House would be summoned into joint session to end the regency and return Leopold to the throne.

But the ardently anti-Leopold So-

cialist Party, which also made gains in the election, could throw a monkey wrench in the planning by calling general strikes and thus creating general unrest. The Socialists threatened prior to the election to follow such a course if Leopold is called back. The party's leaders were meeting today to consider a course of action in the light of yesterday's voting in which the Social Christians got only 46.93 per cent of the popular vote.

Youth Wins Polio Fight To Gain Diploma

PITTSBURGH, June 5. (AP)—Jake Meyer, 18-year-old victim of spastic paralysis, will receive his diploma at Baldwin High School tonight as his mind still dwells on the week-end party his parents planned as an event "he'll never forget."

Young Meyer, who overcame his handicap, agreed his parents' plans had achieved their purpose.

"It's the most wonderful thing that could happen to anyone," Jake said yesterday as he said goodbye to the last of the 78 guests who came to Pittsburgh from Dayton, O., on a chartered Pullman for the party.

The Pullman car was part of the idea conceived by Jacob Meyer, Sr., who is president of the Porcelain Metal Products Co. and the Pittsburgh Water Heater Co.

The elder Meyer, who moved to Pittsburgh from Dayton 10 years ago, paid for the entire party, including a dinner and dance at a downtown hotel Saturday night, a reception at the Meyer home and a picnic yesterday at Raccoon Creek State Park.

"We're having this party," Meyer said, "because Jake beat this thing. He beat it by pure fight. He never pitted himself."

Jake will graduate tonight with a B average — an average achieved in spite of the paralysis that robs him of all muscle control.

His future plans? Joining his father in business.

Bingo. Shouts The Winner - - Police, Yelps The Operator

DANIELSON, Conn., June 5. (AP)—"Bingo," shouted Joseph A. Duggan.

"Police," shouted the bingo game operator to whom Duggan had presented the card he said entitled him to a \$900 jackpot prize.

The operator said the card Duggan presented was not the card given him when he entered the game, which attracted 200 players to the Veterans of Foreign Wars hall in West Wauregan. Duggan's card had just been printed, the operator said, insisting he could smell fresh ink.

Duggan, 29, denied the accusation, but state police booked him on a charge of attempted larceny and held him in \$10,000 bail.

Windham County Det. Rowe H. Wheeler said police suspected Duggan had four confederates who hid outside a window with a small printing press, listening to the bin-

go operator call out the numbers. These men, police charge, printed the winning numbers on a card and slipped it through a window to Duggan. They are being sought.

State Police Lt. Albert Rivers said Duggan had been identified as one of five men who collected a \$675 jackpot prize at another bingo game Friday.

Bridges Brushes Aside Possible CIO Expulsion

HONOLULU, June 5. (AP)—Longshoremen Union President Harry Bridges last night brushed aside his union trial by the CIO with the words:

"If we are expelled from the CIO, we'll lose three initials, that is all. The question is not what will happen to us, but what will happen to the CIO."

Bridges made his statement to 300 delegates ending a three day Hawaii International Longshoremen's and Warehousemen's Union convention.

Knott Books First Of Community Candidate Rallies

Knott has booked the first of a series of community candidate rallies, according to Earl C. Evans.

Evans is to serve as master of ceremonies for the meetings. He also is in charge of arranging for the candidate gatherings and may be reached at 1854-W.

The Knott Home Demonstration club will be host to the candidates on June 16, said Evans. The meeting will be held in the gymnasium there.

Smuts Feels Better; Talks With Family

JOHANNESBURG, South Africa, June 5. (AP)—Allied Field Marshal Jan Christiaan Smuts felt well enough yesterday to chat with members of his family for the first time since he became ill a week ago.

A medical bulletin said "signs of heart embarrassment are less and have responded to treatment. Oxygen is now administered only occasionally after bouts of coughing. . . . In general, progress is being maintained."

Smuts, 80 years old last May 24, was stricken by pneumonia last week.

Why Be Sleepless To-night?

Because of Acid Indigestion?

Do you toss and turn after you go to bed? Do you have a hard time going to sleep? If your stomach is churning up too much acid, that's what's apt to happen. Try eating 1 or 2 Tums before you go to bed. See if you don't sleep better, wake up refreshed. Keep Tums handy so counter-act your stomach . . . gas . . . heartburn. Millions of Americans do. Radford Says U. S. Has No Jap Base Need

TOKYO, June 5. (AP)—Adm. Arthur W. Radford said today the United States does not need naval bases in Japan.

Yokosuka is "a very fine base," the Pacific fleet commander said at a news conference, but "it isn't essential."

The Navy could get along fine with Guam and Pearl Harbor, Radford said, by using mobile support and supply ships. He said the Pacific fleet, now bolstered by carrier-based jet planes, is "adequate to any immediate tasks we can foresee."

The admiral's remarks were in answer to a question whether the Pacific fleet could offset any Russian thrust if war started.

His views conflict with those of some military leaders here who are known to hold that post-treaty bases in Japan are vital to America's security.

Nashville Stores May Sell Beer, No Bread On Sundays

NASHVILLE, Tenn., June 5. (AP)—Grocery and delicatessen stores which operate here on Sundays can sell beer but not bread.

Police arrested five store proprietors yesterday and charged them with violating an old city ordinance which states specifically that retailers may sell on Sunday.

"We arrested the violators as soon as we caught them selling beer," they shouldn't sell, such as bread and lard," said Police Inspector D. H. Hesse.

Some of the closed delicatessen stores placed signs out front saying, "we can sell you beer, but not bread."

Red Paper Says Cold War Fast Driving Americans Insane

MOSCOW, June 5. (AP)—The Communist Youth Newspaper Komsomol Pravda declared today the East-West cold war is driving millions of Americans crazy.

"Seventeen million lunatics," the paper said, "That's the sad result of the 'cold war' Mr. (secretary of State Dean) Acheson began."

Bus Hits Underpass

DALLAS, June 5. (AP)—A Continental Trailways bus swerved into an underpass wall inside the Dallas city limits and caught fire early today, police reported. Three persons were injured, none seriously, they said.

Williams Grabs Honors In PGA

MIDLAND, June 5. (AP)—Morris Williams, an amateur from Austin and the University of Texas showed the pros the way as he wrapped up the Texas PGA crown yesterday with a 72-hole total of 273.

Williams was first amateur to win the title in years.

The Austin shotmaker brushed aside Defending Champion Raymond Gafford of Dallas and Byron Nelson of Roanoke with some fine shooting on the last nine.

Nelson edged Gafford by one stroke for first money of 1,000 in a nine-hole playoff. The two pros ended up the regulation 72 holes deadlocked at 274.

Williams fired a sizzling 33 on the last nine yesterday to go with his 36 on the front round.

Scores included: A-Billy Maxwell, North Texas State, 68-69-71-274, and A-Bobby Maxwell, Big Spring, 71-69-77-282.

Lamesa Trips Borger, 7-5

By The Associated Press The clubs were moving up to gang Borger today in the West Texas-New Mexico League.

Borger, leading the circuit, took a licking from third-place Lamesa yesterday while second place Lubbock and fourth-place Albuquerque split a double-header.

The Gassers' lead today is two and one-half games.

Lamesa beat Borger 7-5 with Bill Ashley furnishing most of the punch. He hit a homer with two on, had a double and a single and handled 17 chances at first base without mishap.

Albuquerque won the first game from Lubbock 7-3 as Fred Bressa buried a three-hit at the Hubbers. Lubbock took the afterpiece 9-3 on the four-hit twirling of J. B. May and Walt Stenberg.

Clovie licked Pampa 4-1 in a game called at the end of the fifth inning because of rain. The Pioneers got three runs in the first inning to sew up the game early.

Amarillo and Abilene split a two-game 12-1, getting 10 runs in the bill. The Gold Sox won the first last three innings. Abilene took the nightcap 7-2 with big first and fifth innings.

Shrimp Boat Captains Arrested, Charged Without Licenses

HOUSTON, June 5. (AP)—Captains of six shrimp boats have been arrested and charged with fishing in Texas waters without Texas licenses.

State game wardens seized five of the boats off Freeport and the other off Port O'Connor yesterday.

A Bible Thought For Today -

A Samaritan woman broadcast the amazing penetration of the great Nazarene. She believed in him because of this mental gift. Most of the deeds of Christ have been lost and forgotten, we believe because his way of life leads us to the heights. "He told me all that ever I did." -John 4:39.

Mechanization Effecting Great Influence On Farm Operation

Like the Oakes of old, hundreds of thousands of Texas farmers have been "fractured out" in the decade just closed, as current census reports reveal. The rural regions are coming up short, and many counties show shrinkages. Almost without exception where counties show a loss, one or more towns in them show an appreciable gain over 1940. The little places and the rural areas have lost; the larger places have gained. Major and second-string cities in Texas almost without exception will score gain percentages greater than the preceding decade.

himself, or he operates machinery for pay, or goes to town for a job. In the citrus regions, specialists in farming see after a man's groves at so much per acre, furnishing machinery and tools and labor. In time, we foresee, the same plan will become general in agriculture. It already is that way to a large extent in grain production: it has been that way a long time in sheep- and goat-raising. In time, no doubt, the owner of a large farm will let out the contract for everything—plowing, planting, cultivating and harvesting—to firms specializing in that type of work. The individual small farm will become a rarity. The cost of complete mechanization is too great; profitable farming becomes a mass-production deal.

Tax Returns May Help Provide Leads In Crime Syndicate Study

The Senate committee investigating interstate vice tie-ups has been given the go-ahead signal by President Truman, including the most potent weapon of all—the privilege of looking into the income tax groups. As chairman of the Senate committee Mr. Truman got similar permission to examine income tax returns from President Roosevelt.

return has been properly made out. If it can trace the source of a big dealer's income, it can get a picture of the interstate nature of criminal activity. And that feature is the committee's primary objective, as the basis of any federal legislation that might be deemed desirable to break up gangs who operate interstate. Already, in a sitting at Miami, Fla., the committee says it has found evidence indicating a link between Florida and California gamblers. If this link can be welded, and multiplied, and expanded into a nationwide system of interrelated gangs, the committee's case will be complete.

What It Means—Clarke Beach

Aleutian Islands Not Military Assets Because Of Bad Weather

SOME OF THE BOYS WHO FOUGHT in the Aleutians are probably remembering today the fogs and bone-chilling winds. This is the eighth anniversary of the day the Japanese bombed Dutch Harbor, opening the futile little campaign in which they made their only capture of North American soil.

NOW ARMY DEPARTMENT OFFICIALS say that no Army people whatever are in the Aleutians. The Air Force has maintained four fields, but all will be closed by June 30 unless the Civil Aeronautics Authority keeps one or two of them open. The Navy maintains Adak only in a caretaker status. It will keep the air field operational for limited Navy use. The most important activity at Adak now is the weather station. Dutch Harbor has been abandoned. The cost of 3,200 men wounded or ill from exposure to the vile weather.

THE MILITARY MEN ANSWER THIS WAY:

In 1942 neither the Navy nor Army could spare the ships or men to guard the Aleutians, because America's very limited forces were more urgently needed elsewhere. The Japanese invaded with practically no opposition. They had hardly begun to develop any real military strength on the islands, however, before they were kicked out—within a year. They offered resistance only on Attu. They had scurried away from Kiska and Agaitu by the time the Yankees arrived.

IF THE U. S. NAVY MAINTAINS ITS present power, the strategists say, and if the air bases on the Alaska mainland are given adequate defenses, the ships and planes probably could prevent any invasion of the Aleutians, or at least nullify their value to an enemy. The truth is that U. S. strategists do not regard the Aleutians as great assets either to the U. S. or to an enemy. Weather conditions are so bad that the Air Force says the Aleutian fields can be used only three days a month. Even 15 days is considered unacceptable.

Texas Today—William C. Barnard

Gives Up Miniature Railroad For A New Hobby--Airplanes

A FAST LOOK AROUND THE STATE: For 12 years a miniature railroad carried passengers around the 15-acre estate of Dr. E. O. Rushing at Dallas. It had two miles of track. A kerosene-burning locomotive named "Armoa" pulled nine cars with a total capacity of 16 passengers. A block signal system operated blinkers at six road crossings. Also there were two steel trestles across a creek. But the other day, Dr. Rushing sold the whole railroad, which had been his pride. The reason: The doc has become interested in flying.

resentatives meet, and added: "I was mighty glad I used to run the mile at West Texas State College. I hadn't realized a congressman gets so much exercise in the performance of his duties." WHEN A FELLOW FROM MONTREAL suffered a beating last week in the Matamoros, Mexico jail, across the river from Brownsville, Tom Sanford of the Brownsville Herald, said he felt like an international news bureau. Besides protecting the Associated Press and its members on the story, Sanford received calls from the Toronto, Canada, Telegraph and the New York office of the London Daily Express. The latter paper took 300 words over the phone from Tom. "After seeing British papers and the way they boil very important news down to one or two paragraphs," said Tom, "I wonder what the Ex-

Income Tax-Forgiveness Measure Is Just What The Racketeers Would Like

WASHINGTON - Congressmen are beginning to change their minds about voting income-tax forgiveness to tax defrauders who come in to the treasury and fess up. Such a tax-forgiveness proposal was voted by the House Ways and Means Committee the other day at the urging of Congressman Walter Lynch, New York City Democrat.

King's Music Gets Him First Billing

NEW YORK - Michael Todd is bringing to Broadway his new musical revue, "Peep Show", an attraction which features "a number of comedy stars", meaning mostly some shapely chorus girls. Todd is not billing any show as an Oriental King who will not appear in person. Instead, he will contribute some of the songs to this show which will concentrate more on eight of Tin Pan Alley's top song writers than actual stage performers.

TENET

ANY PRINCIPLE, DOGMA, BELIEF, OR DOCTRINE, HELD AS TRUE, ESPECIALLY BY AN ORGANIZATION. The King receives top ranking above other established Tin Pan Alley composers who have contributed musical numbers to the show. Among them,...

Around The Rim—The Herald Staff

People More Fastidious Than Necessary, About Eating Meat

Carnivorous though he is, the average American can be very fastidious, when it comes to eating meat. The average person in this country finds beef not only palatable but necessary in his daily diet. He accepts pork in various forms, too, on his table. But horsemeat, though similar to beef in a lot of respects, causes him to turn up his nose. He'll never touch it, no matter how appetizing it looks, if he knows it is from that kind of quadruped.

the case in France and in other parts of the world. Hard times and a scarcity of beef have taught the Frenchmen that horse steak is an acceptable substitute. It is becoming increasingly popular in sections, too, where the bovine population has decreased. Human life is cheap in portions of Asia but, in some societies, you wouldn't think of killing a cow. The animal is sacred in parts of India and you take your life in your own hands if you entertain thoughts of mayhem about bovines.

Capital Report—Doris Fleson

Senators Listen With Respect To Woman Colleague's Lecture

"I have ventured, like little wanton boys that swim on bladders, this many summers in a sea of glory, but far beyond my depth." Cardinal Wolsey in Henry VIII. WASHINGTON - The little wanton boys of the United States Senate who have ventured these many months to play politics with national security were called to order Thursday by the only woman senator, Margaret Chase Smith.

small band of G.O.P. liberals who do not now control her party. She is, however, the same woman who left a safe House seat and risked a fight with a governor and a former governor to enter the Senate. Senators agreed that Mrs. Smith got under their skin, interestingly—because there was nothing soft, sentimental, or what people like to call "feminine" about her approach—they attributed the power of her appeal to the fact that it was in character with woman's role in life. She wants to protect the country and keep out the evil influence as women do in their homes, one said.

Washington - The little wanton boys of the United States Senate who have ventured these many months to play politics with national security were called to order Thursday by the only woman senator, Margaret Chase Smith. Mrs. Smith is not a great orator and she coins no catchy phrases. Her weapons are candor, honesty and common sense. When she brought them to bear on McCarthyism, a strong and cleansing wind seemed to blow through the historic chamber.

Several senators asked who wrote her speech. The answer is she wrote it. For a long time she has been unhappy about the McCarthy developments and mediating over speaking out. The six Republicans who added their names to her declaration are pioneers in American politics. Senators Tobey, Alken, Morse, Ives, Thye and Hendrickson are so well adjusted, so sure of themselves, they were able gracefully to follow a woman's leadership on a major issue.

To Be Real Conversationalist, Just Toss Caution To The Wind

NEW YORK, N.Y. - CERTAINLY YOU can be an interesting conversationalist. Yes, you can. Don't mind the snickers of your family and friends. Don't listen to them at all. In fact, if you are going to be a really interesting conversationalist, you can't afford to listen to anybody else. For if you stop talking and listen to another person you cease to be interesting yourself—and the other fellow becomes interesting. You can't put up with a thing like that, can you?

worth practicing. They figure that if they open their mouth an opinion might come out—and today it is more polite not to have opinions. Somebody might not like them. Practically everyone who speaks at all today begins by saying, "this is off the record," or else he is running for public office. Even housewives say things like, "well this is off the record, but I am sure Mrs. Jones hasn't had her windows washed for at least three months."

MANY PEOPLE WILL TELL YOU TODAY that the art of conversation is lost—that it died in the drawing rooms of the Victorian period. Others say that the movies killed it. Still others claim it was feebly struggling when television came along and drowned it out. Actually they are all wrong. The art of conversation is still alive. The real trouble is that many people no longer think it is

SO THE FIRST LESSON YOU HAVE to learn if you are going to be an interesting conversationalist is to throw caution to the winds and come out boldly and say: "Folks, this is on the record. Have you noticed how warm it is lately?" Ears will perk up all over the place. Daring always gets attention. It doesn't really make much difference then what you say. People will be charmed to hear a real human voice again, and they will hear you through if you do nothing but recite the alphabet backwards. The world is that homesick for any conversation that doesn't come out of a box.

Adventure Of A Bus

NEW DELHI, India - To take a double-decker bus along the Delhi-Calcutta trunk road is quite a job. A local transport company dared the expedition recently but it is not likely to try again. It took 12 days to cover this 1,000-mile obstacle race. Four days alone were spent in trying to cross a river. The West Bengal government bought the bus for use in Calcutta and preferred to take it along the trunk road. Deserts, jungles, hills, floods, loose mud, rough roads, narrow lanes, congested market squares, overhanging tree branches, obstructive telegraph and telephone wires were some of the obstacles.

Mary Kathryn Frazier Exchanges Wedding Vows With Loyd Hammons

Nuptial vows were solemnized Sunday for Mary Kathryn Frazier, daughter of Mr. and Mrs. Sam Frazier, 1108 State and Loyd Hammons of Odessa, son of Mrs. Edith Hammons.

The Rev. Cecil Rhodes, church pastor, read the single ring ceremony in the study of the West-side Baptist church, which was decorated with spring flowers.

Norma Foster served as maid of honor and Vernon Keen, brother-in-law of the groom, as best man. For her wedding, the bride chose a white pique, off-the-shoulder dress worn with a lace jacket and white accessories. She carried a white Bible. Her corsage was an orchid. She also carried out the tradition of something old, new, borrowed and blue and wore a penny in her shoe.

Miss Foster wore a pink dress with white accessories and a corsage of white carnations.

Mrs. Hammons attended Big Spring High school.

After serving in the Marine Corps for four years, Hammons is now manager of the Odessa Pipe Service company in Odessa, where

MRS. LOYD HAMMONS

the couple will reside. Attending the wedding were: Mr. and Mrs. Vernon Keen, Mr. and Mrs. Sam Frazier, Norma

Foster and Don Frazier.

Preceding her marriage, Mrs. Hammons was named honoree at a bridal tea given in the home of Mrs. E. O. McNeese, 1407 Martha.

Receiving the guests were the honoree, her mother, Mrs. Sam Frazier and Mrs. McNeese. The honoree wore a red rose bud corsage.

Hostesses for the affair were: Mrs. Cliff Proffitt, Mrs. Wally Slate, Mrs. W. A. Cook, Mrs. E. O. McNeese, Ruth Tatom and Norma Foster.

The refreshment table was decorated with a miniature bride and groom and an arrangement of spring flowers. Napkins were inscribed with the words, "Mary and Loyd."

Mr. and Mrs. Clyde Proffitt and Mrs. W. A. Cook were at the punch service. Ruth Tatom and Norma Foster served the cake.

Mrs. Wally Slate displayed the gifts.

Temple Proffitt was at the bride's book.

Around 30 persons were included on the guest list.

RIBBON RAMBLINGS

By Mildred Young

Suppose this January in June weather will stop in time for us to have June in January weather next winter?

As though they needed them, softer seats for congressmen and their friends are next on the Capitol's fix-up-paint-up program.

Capitol Architect David Lynn says that he can finish the job by July 31 target date and stay there until next January.

He figures it will take another five months to finish the remodeling job that began last year with the construction of rose-tinted ceilings to replace unsightly steel girders which held the sagging old roof in place for so long.

The next step, Lynn says, is the floor level of the chambers where the members do their deliberating, debating and lawmaking.

But more important to most congressmen and galleries who have squirmed uncomfortably in the present scantly upholstered seats, is the promise of new padding. Each gallery will be equipped with "an improved type of noiseless seats, with especially designed arms and ends."

The Senators will keep their historic individual desks and chairs, many of which have been used since Congress set up shop in the District of Columbia in 1800.

The Dallas Morning News editorially says: "Add smiles: Useless as a cigarette lighter at Wayland college."

Howard County Home Demonstration Council Elects State Delegates

The County Home Demonstration Council convened Saturday afternoon for the regular monthly business session. Representatives from seven clubs attended the meeting.

Mrs. Hollis Webb of Fairview was elected as county THDA chairman and will serve in that capacity for the next two years. Mrs. Edward Simpson is the outgoing chairman. Delegates elected to represent the clubs at the state convention which is held in Big Spring August 22-24, are Mrs. Hollis Webb of Fairview, Mrs. S. S. Phillips of Center Point, Mrs. Joe Gaskins of Knott, Alternates elected are Mrs. Ross Hill of Elbow, Mrs. J. M. Craig of Fairview and Mrs. Hull of Center Point.

Further plans were made for the state convention. A reception will be held at the Settles Hotel August 24 and Mrs. D. L. Phillips will be in charge of arrangements. Three persons from each club in

the county will serve on the committee for reception plans.

Announcement was made that the clothing leaders will meet in the office of Eugenia Butler, HD Agent, June 8.

Joyce Thornton and Jerry Nichols, two 4-H Club members from Knott, did a dairy foods demonstration at the council meeting. They will present the same demonstration at the Round-up to be held on the Texas A&M campus.

Mrs. I. H. Severance, yearbook chairman has called a meeting of the club program chairman for June 6. Each club representative is to present the wishes of their club for a supplementary program. The six top subjects will be chosen at that time.

Attending the meeting were Mrs. W. H. Ward, Mrs. Hollis Webb, Mrs. Frank Wilson, Mrs. O. D. Engle and Mrs. Shirley Fry-

Charter For Does Complete, Dates Set For Month

Prospective members of a local BPOE's chapter completed their charter Saturday with 36 persons signed. The charter will be left open for 30 days following the institution which will probably be on Sunday, June 25.

All charter signers and other interested persons are to have a party on Friday night. Time and place for the affair will be announced later in the week. On Friday, June 16, an election of officers will be held.

Monty Watkins, deputy from the Grand Lodge, is expected to arrive here Friday, June 23, to meet with the new organization. She will be joined in the instituting of the charter Sunday, June 25 by officers and team members from her home lodge in Carlsbad, New Mexico.

King Farouk Ratifies Sister's Marriage

CAIRO, June 5. (AP)—In a ceremony as simple but sumptuous as royalty could arrange, King Farouk yesterday ratified the marriage of his sister, Princess Faikah, with Fouad Sadek, a commoner.

The rites, performed at the monarch's vast Kubba Palace in suburban Cairo, put the Islamic stamp of approval on Faikah's marriage, which took place in Sacramento, Calif., last April 5. The act has been approved by the Grand Mufti of Egypt, this country's top religious authority, as meeting Moslem requirements.

Another sister, Princess Fatma, who also wed a commoner, was having more difficulty winning royal approval of her marriage. Farouk stripped Fatma of her royal title and privileges after she wed Riad Ghall, a coptic Christian, in San Francisco on April 25. Ghall became a Moslem and the two were remarried in a Moslem ceremony in California last week.

Princess Faikah came to Cairo with the announced intention of pleading with her brother to forgive Fatma.

At yesterday's ceremony, King Farouk signed the act of marriage, as did witnesses Naguib Salem Pasha, director of the royal estates, and Hassan Yussel Pasha, acting chief of the royal cabinet.

In accordance with Islamic tradition the 24-year-old bride was not present at the actual ceremony.

After the ceremony was over the royal family gathered together. Princess Faikah, smiling happily, wore a gown of white-embroidered satin and white ankle-strap shoes.

She had gold bracelets on her wrists, gold earrings and a simple brooch.

Later a tray, engraved with the royal crest and loaded with sweets was sent to Prime Minister Mustafa Nahas Pasha. The traditional way of notifying the government a royal marriage has taken place.

The prime minister then advised his cabinet and they all went to the royal palace to offer congratulations.

The king has conferred the title of Bey Second Class equivalent to British knighthood—on Fouad Sadek. He will work in the foreign affairs ministry. He was formerly an employe of the Egyptian Consular Service in the United States.

Faikah and her husband arrived in Cairo last Wednesday after an absence of four years. They will live in Dokki palace on the west bank of the Nile. It is famed as an example of Arabic architecture.

In San Francisco Queen Mother Nezi, who has supported Fatma's union with Riad Ghall, commented last night on the difference between her daughters' marriages.

"The situation between the two sisters is not the same at all," she said. "There are so many, many little complications."

Faikah and Fouad, the queen said, have done exactly what Farouk ordered. But Fatma and Riad have refused to comply with his demands.

Faikah and Fouad returned to Egypt at the king's bidding. But Fatma and Ghall have refused to go of their own accord.

Now Ghall, political advisor to the queen mother, may have to leave the U. S. by June 18 because his diplomatic credentials were revoked by Farouk.

VISITS and VISITORS

Mrs. J. C. Pickle's brother, T. Sgt. J. C. Williamson of Mexico City, will leave Tuesday after a visit here in the J. C. Pickle home.

Williamson accompanied Mr. and Mrs. J. C. Pickle to Lubbock today where they visited in the home of Mr. and Mrs. Randall Pickle.

Mrs. T. J. Carleton left this morning after a weekend visit in the home of her son and daughter-in-law, the Rev. and Mrs. Ainsie H. Carleton and family. She visited here while enroute to her home in Malaga, New Mexico, from Houston.

J. D. Ramseys Are Honored At Reception Sunday

The Rev. and Mrs. J. D. Ramsey were honored at a reception given in the First Methodist church Sunday evening following the regular 8 o'clock worship service.

Members of the Woman's Society of Christian Service were hostesses for the affair.

The Ramseys moved to Big Spring last week and Ramsey has taken over his duties as associate pastor of the First church.

Entertainment for the informal reception included two vocal numbers by Joyce Howard, accompanied by Kitty Roberts.

Mrs. Royce Satterwhite, WSCS president introduced the numbers.

Preceding the reception, new officers of the organization were installed during the worship service. Wesley Memorial WSCS officers were installed at the church at the same hour.

Over 1,800 Residents Attend Sunday School

Over 1,800 Big Springers attended Sunday school yesterday, according to eight churches reporting this morning.

Figures, according to churches, are as follows: First Methodist 400, First Baptist, 457, East Fourth Baptist, 378, Airport Baptist, 125, Sunday school yesterday, according to Westside, 138, First Christian, 133, this morning.

East Fourth-Benton Church of Christ, 135, and Church of Nazarene, 43.

Six local residents are guests of the Flying B Guest Ranch near Las Vegas, N. M. Mr. and Mrs. Pete Harmonson and sons, Peter and David, are fishing. Mr. and Mrs. Marvin Saunders are fishing and riding. The New Mexico fishing season opened May 25.

Woody Wood, son of Dr. and Mrs. G. H. Wood, left today for an extended tour of Eastern states. The trip will include visits in Washington, D. C., Chicago and New York City.

WIN A BIKE FREE!

IN *Borden's* BIKE CONTEST FOR BOYS AND GIRLS

BOYS, GIRLS, READ EVERY WORD!

Some lucky boy or girl gets a new bike this week

Third week's contest ends 3 p.m. Saturday, June 10

You've dreamed about having a wonderful new bike of your very own. Now's your chance to get it... FREE... in the great Borden Bike Contest. You don't have to write any poems or essays or slogans. All you do is collect Borden's bottle stoppers, lift tabs from Borden's paper milk carton, and ice cream and cottage cheese carton tops. Ask your parents, your relatives, your friends and neighbors to help you. Ask them all to start using Borden's Products and save the items named above for you, so you can win a bike.

The inner stopper from ANY kind of Borden's bottle is good in the contest. The stopper can be from a cream, milk, buttermilk, chocolate drink or orange drink bottle to help you win a handsome, speedy, streamlined new 1950 bike valued at \$44.95. What a thrill you'll have riding it, and showing it to your friends! Read the easy rules. See how simple it is to win. Then start collecting those Borden items RIGHT NOW! Get all you can before this week's contest ends at 3 p.m. next Saturday. BE A WINNER!

This Wonderful Bike Can Be Yours!

- Brand new 1950 model Western Flyer
- Easy ride seat with deep cushion springs
- Choice of boy's and girl's style
- Completely equipped with electric light
- Welded frame, strong and sturdy
- Nearest perfected type coaster brake
- Front and rear mud-guards
- Smooth-gliding ball bearings throughout
- Choice of gorgeous, bright colors
- A speedy beauty to last you for years

HERE'S WHAT YOU COLLECT TO WIN:

- SAVE THIS FROM BORDEN'S PAPER MILK CARTON (BE SURE THE TAB SHOWS THE BORDEN NAME)
- SAVE THIS FROM ANY BORDEN BOTTLE
- SAVE THE TOP ONLY FROM BORDEN'S ICE CREAM AND COTTAGE CHEESE CARTONS

READ THESE EASY RULES

Here's all you need to do to be eligible to win one of the six new bikes Borden's is giving away.

- Collect as many Borden's bottle stoppers (the inside one), lift tabs from the paper milk cartons, and Borden's Ice Cream and Cottage Cheese carton tops, as you can from any source.
- Put these items in a sack or other container that can be closed. Inside, put a sheet of paper with your name, address and age, plainly written or printed.
- Tie or fasten top of container tightly.
- Turn your container in at the Western Auto Store, 204 Main Street, not later than 5 P.M. Sunday of the week ending the contest. First contest ends at 3 P.M. Saturday, May 27, 1950. Other contests end at 5 P.M. Saturday, June 3, June 10, June 17, June 24 and July 1. Each week is a new contest.
- Winners will be determined by the Borden judges. Judges' decision is final.
- Each week's winner will be announced on the following Wednesday. You cannot win more than one bike.
- No entry will be returned.
- Every boy or girl under the age of 18 is eligible to enter, except members of families of Borden-Company employees.

Borden's MILK AND ICE CREAM

800 Persons Visits New Martin hospital

STANTON, June 5—Approximately 800 persons visited Martin county's new Memorial hospital Sunday during opening day and dedication ceremonies.

Dedication sermon was delivered by Rev. Truman Hawkins, pastor of the First Baptist Church of Stanton, during a 45-minute radio program aired over KCRS, Midland. Addresses by Mayor R. B. Whitaker, Thomas Adams, county attorney, and hospital board members were also heard during the dedication program.

Sprays of flowers from some 50 well-wishers in the Martin county area were piled high in the new \$250,000 hospital. Organ music was played throughout the afternoon as visitors thronged the new two-story building.

Two Big Spring doctors, Dr. R. B. G. Cowper and Dr. E. O. Ellington, attended the opening program and made brief talks during the dedication service. All members of the hospital board were present, while talks were made by B. F. White, board president, and Cecil Bridges, secretary.

Other addresses were by Marguerite Hauver, superintendent of nurses, and J. W. Sale, business manager. John Barnett, Midland, outlined history of the hospital.

Introduced during the program was Joe Hall, father of the late Dr. J. Leslie Hall who founded Stanton's first hospital in 1940.

Opening of the new hospital complex more than two years of work and planning for the modern, 26-bed, brick and tile hospital. The institution is located-northeast of the city hall, and contains complete equipment of the latest type.

Toklan Well Flows Oil From Canyon Reef

The Toklan Production company No. 1 W. J. McAdams, east extension to the southern Borden county sector of the Vealmoor pool, flowed 22 barrels of oil per hour from the Canyon reef.

Flow came during a drillstem test of the pay section from 7,750 to 7,810 feet. Gas surfaced in six minutes, drilling mud was to the surface in 20 minutes, and oil flowed in 30 minutes.

The 22 barrel flow came during the last two hours of the test. Top of the reef was tapped at 7,810 feet, giving it a minus datum of 5,292.

Casing has been set to the top of the reef and operator is preparing to complete and put on production.

The well, located 1,380 from east and 600 from north lines of section 27-32-3n, T&P, is a one half mile east extension to the proven Vealmoor pool. It is in the south Borden county sector of the field.

Traffic Offenders Feel Crackdown By Local Police

The police department's crackdown on traffic offenders was reflected in Corporation court activity this morning.

Nine traffic regulation violators were fined a total of \$127.50 after entering pleas of guilty to charges ranging from speeding to running stop signs.

Two persons were assessed fines of \$45 and \$20 after pleading guilty to speeding. A reckless driving charge resulted in a \$25 fine. Three persons pled guilty to making prohibited left turns and were fined \$5, \$2.50 and \$5. Running stop signs cost two others \$5 each. Driving without license resulted in a \$15 fine.

Drunkness was the only other offense for which fines were assessed. Fourteen persons entered pleas of guilty to the charge and were fined a total of \$192. Six persons forfeited bond totalling \$110 on failure to appear.

Street Department Right Back Where It Started A Week Ago

Street department repair and clean up crews were right back where they started a week ago this morning as a result of heavy rains Sunday. City Manager H. W. Whitney said this morning.

They again started cleaning dirt rubble off pavement and filling holes in dirt and gravel streets, the city manager said. Sunday's rain practically erased results of street repair and clean up work which was practically completed last week.

PUBLIC RECORDS

Building permits to remodel residence at 900 E. 1st, \$300.
Louis Thompson to construct residence at 412 Thompson, \$4,500.

"You can read, can'tcha? I said that'll be \$2 for TWO vehicles!"

Glasscock's Green Rangeland Is Kept Fresh By Rains

GLASSCOCK, Tex., June 5—Rains last night kept fresh Glasscock county's green rangeland.

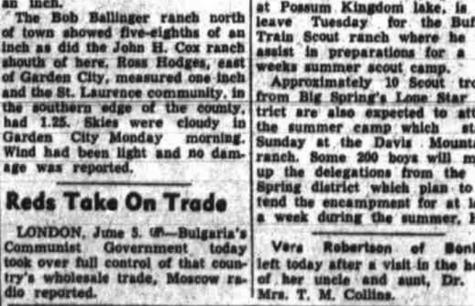

In town, the rain which started around midnight was measured at one half to three-quarters of an inch.

The Bob Ballinger ranch north of town showed five-eighths of an inch as did the John H. Cox ranch south of here. Ross Hodges, east of Garden City, measured one inch and the St. Lawrence community, in the southern edge of the county, had 1.25. Skies were cloudy in Garden City Monday morning. Wind had been light and no damage was reported.

Reds Take On Trade

LONDON, June 5 (AP)—Bulgaria's Communist Government today took over full control of that country's wholesale trade, Moscow radio reported.

"Quickies" By Ken Reynolds

The man who sold me these flowers with a Herald want ad said he also was a magician!

Reinecke Area Well Looks For Reef Top Today

P. R. Rutherford No. 1 Holly, two locations west of Cosden's strong producer in the Reinecke area, was looking for the reef top today.

At last reports, the venture was below 6,742 feet. Cosden had picked the reef top on its No. 1-A Holly, at 6,705, which is the highest of any to date in the pool. This test went on to 6,81 feet and Saturday completed for 140 barrels per hour through 3-4-inch choke.

The Rutherford No. 1 Holly is in the C NE SW of section 52-25, TTC.

Livermore No. 1 Holly, in the northeast corner of the section, picked reef top at 6,885 feet, a datum minus of 4,543. This is 66 feet low to the Hysler & Heard, one location south, and 176 lower than the Cosden No. 1 Holly reef top. The test ran Schlumberger and was to run casing.

Livermore No. 1 Hardy, a wildcat 12 miles north of Big Spring, showed nothing on core Saturday evening and continued to drill below 7,780 feet in lime and shale. It has had no shows.

Westbrook Notes Feature Visits And Visitors

WESTBROOK, June 5 (Sp1)—Guests in the home of Mrs. C. C. Miller over the week end were Mr. and Mrs. Lindy Miller of Eden, Mrs. Ruth Donaldson and Gary Don of Snyder.

Mrs. A. C. Moody attended the "Old timers Reunion" at Brownwood May 28.

S-Sgt. Alvin Moody of Ellington Field, Houston, has been here visiting his parents, Mr. and Mrs. A. C. Moody.

Supper guests in the Moody home one evening last week were Mr. and Mrs. H. C. Moody, Mr. and Mrs. E. C. Whitehead and Wanda Jo of Colorado City and S-Sgt. Alvin Moody.

Mrs. Forest Whitehead and children of Monahans are visiting Mr. and Mrs. Arthur Wilson, Sr. Mr. and Mrs. C. W. McCarty of Floydada were here visiting Mrs. D. B. Humphreys.

Don Anderson Colorado City is visiting his grandparents, Mr. and Mrs. A. G. Anderson.

Charles Parrish visited his brothers, Earl and Jack Parrish in Big Spring Wednesday.

Cpl. James Stewart, who for the past three years has been stationed in Japan, is home of furlough visiting his parents, Mr. and Mrs. Monroe Stewart.

Mr. and Mrs. John Waddell and sons of Big Spring visited Mrs. Waddell's parents, Mr. and Mrs. Monroe Stewart Sunday.

Mr. and Mrs. Bill Reese and children have moved to the Carr community.

Jimmie Hale To Leave To Assist At Summer Boy Scout Camp

Jimmie Hale, local Scout executive who returned Saturday from a National Scout camping school at Pottsum Kingdom lake, is to leave Tuesday for the Buffalo Train Scout ranch where he will assist in preparations for a six-week summer scout camp.

Approximately 10 Scout troops from Big Spring's Lone Star district are also expected to attend the summer camp which starts Sunday at the Davis Mountains ranch. Some 200 boys will make up the delegations from the Big Spring district which plan to attend the encampment for at least a week during the summer. Hale

Vers Robertson of Benham left today after a visit in the home of her uncle and aunt, Dr. and Mrs. T. M. Collins.

Trine Fabeda Fined \$100 And Costs In County Court Today

Trine Fabeda entered a plea of guilty in county court this morning to the charge of driving while under the influence of intoxicants and was fined \$100 and costs by Judge John L. Dibrell, Jr.

Fabeda also yielded his driver's license for the next six months, in accordance with law.

Lakeview Addition Water Extension Due For Completion Today

Construction of a six-inch water main extension to serve the Lakeview addition has been started and scheduled to be completed across highway 80 today, City Manager H. W. Whitney announced this morning.

The water main is being extended approximately 1,800 feet from a point on the airport line near the Wolfe Animal hospital to the addition which was included in the city limits last fall. Rain hampered work on the project, but it was to be continued today unless additional rainfall intervened, the city manager said.

Socialists More Militant After '50 Conference

DETROIT, June 5. (AP)—A more militant Socialist party may emerge from decisions made at its 1950 convention here.

The delegates to the meeting, which ended Sunday, picked a new executive committee pledged to implementing the Socialist cause. In so doing, they repudiated the course advocated by Norman Thomas, their six-time candidate for president. He wished to keep the party primarily an educational organization at this time.

The more active way was supported by Darlington Hoopes, newly re-elected national chairman.

Hoopes and eight of his supporters were named to the 12-man executive board. Thomas and two of his followers were picked as minority members.

The repudiation of Thomas' plan put Hoopes in a spot to succeed him in 1952 as the Socialist presidential nominee. Thomas has said he will not run again.

The Socialist platform, as approved by the delegates, called for world disarmament and a stronger United Nations. They urged a "bold appeal to all governments and peoples" for disarmament.

The plea for disarmament, the platform said, should be accompanied by a pledge to invest a large part of the billions saved in arms for the improvement of agriculture and industry throughout the world.

"The most effective way to fight communism," it continued, "is to end the profit system, to abolish poverty, to banish fear of war, and to keep and extend our democratic freedoms."

Seamless by Hanes

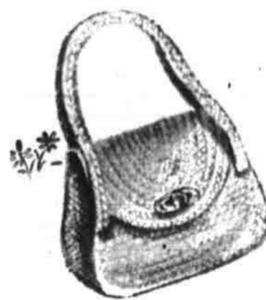

Hanes Lucida sheer (Crystal clear, seamless) seamless hose . . . In two styles . . .
Nudest and Nylon Nudes . . . each with the skin smooth 15 denier sheer.
Nudest as sketched with demitoe and nude heel for your shell pump, open back shoe . . . in "Joy" or "shell" . . . \$1.65

World Heads For An Era Of Peace

SYRACUSE, N. Y., June 5. (AP)—Undersecretary of State Webb said today the world is moving toward an era in which totalitarianism will "decay" before a mounting demand for freedom—even within Russia.

"The American program of today seeks a better world for others as well as ourselves," Webb said in a speech prepared for commencement exercises at Syracuse University. "What it will be in the future is something you will have to help decide."

"I think the sum total of our ac-

tions is carrying us steadily toward the beginning of a new era—an era in which we shall see the decay of totalitarianism and a mounting demand even in the Soviet Union and its puppet states for cooperation with the free nations of the world.

"I believe we are moving toward the day when the entire charter of the United Nations can be translated into action, a day when a worldwide democratic community of free nations can operate on principles of justice and shared peace and prosperity."

The State Department official added, however, that "the burdens of that journey are heavy."

At present, he said, "peace is constantly endangered by the direct or indirect aggression of Soviet Russia. This threat is worldwide, although its form and immediacy vary somewhat from area to area."

The answer to this menace, Webb said, is co-operative defense action by the western world—a venture in which "the United States, as the wealthiest of the free nations, confronted by this threat, must play its own national security, play its share."

Out of the events of the recent years, Webb said, "has come the inescapable conclusion, that the USSR, moved by a fanatic doctrine, is engaged in an all-out effort to impose its absolute authority over the rest of the world."

Truman Urges Cuts In Industrial Accidents To Meet Threat Of War

WASHINGTON, June 5. (AP)—President Truman urged the nation today to cut sharply its industrial accident rate so its full resources can be used to meet the "threat of totalitarianism."

The President used the platform of his conference on industrial safety as a vehicle for a fresh plea for world freedom.

In an address prepared for the group's opening session at the Labor Department auditorium, Mr. Truman said some people would have the United States draw back in its shell while the "totalitarian tide rolls over the world."

"Others, at the opposite extreme," he said, "cry hysterically for us to turn ourselves into an armed camp overnight—without regard to what happens to the rest of our national life. Neither of these courses will meet the problem."

"What is called for is a program that will create the greatest possible national strength—civilian and military combined—over a period of years.

"This nation's voice in the world can never be any stronger than our national economy and the will of the people to defend their way of life.

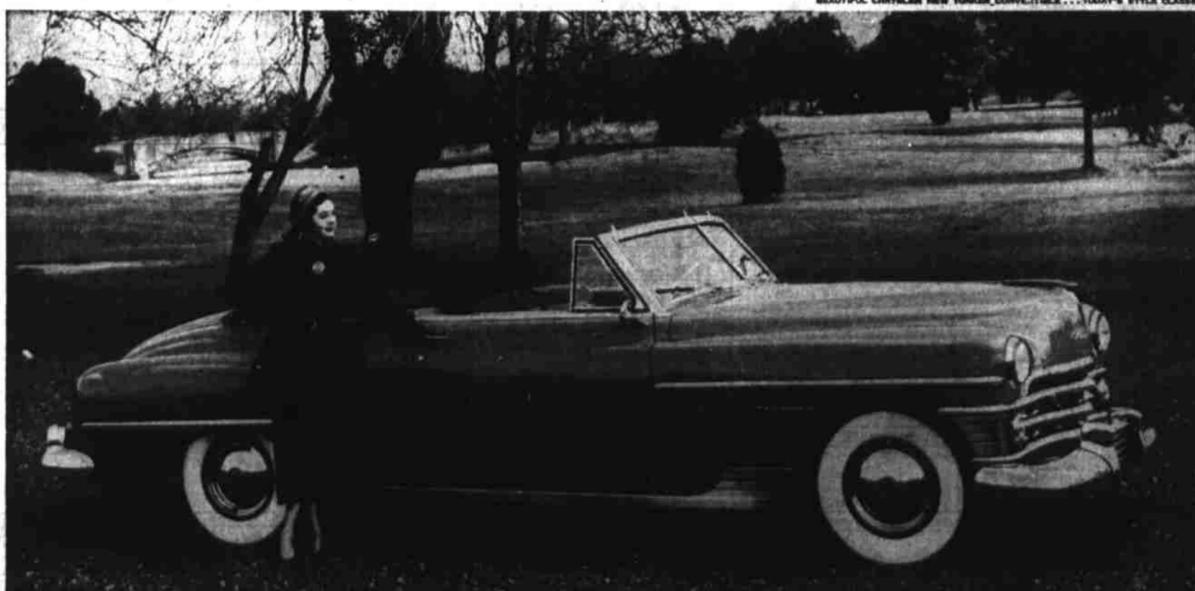

"That is why it is so important that we press forward with programs to increase our productive capacity and improve our standard of living. That is why it is more important than ever for us to prevent the losses that result from industrial accidents. We cannot afford wasted resources or wasted lives."
