22 Caliber Repeating Model Nº 20

The safety, comfort and convenience of the Marlin solid top, closed-in breech and side ejection features are combined with the quick, easy manipulation of the popular sliding fore-end or "pump" action in the new Model 20 Marks rifle.

In rapid firing—the real test of a re-peater—the *Markin* solid top is always a protection and prevents smoke and gases blowing back; the ejected shell is never thrown into your face or eyes, and never interferes with the aim; the fat forearm fits your hand and helps quick operation.

It handles the short, long and long-rifle

Letter to

P. H. Putman Eldorado, Texas.

Dear Sir: A certain paint-manufacturer advertised "Waldorf-Astoriy painted throughout with my paint." A party of the basement was so painted; not satisfactory; painted Devoe next time.

There's a certain paint, a big Joab Campbell, Surveyor. concern, very proud and ambitious, that hated to see so big a job W. H. Finley, Tax Assessor. of an other paint; so it went for W. T. Conner, Treasurer. that business.

That former paint was about two-thirds not paint, but this proud and ambitious paintwas ongallons, 5 kits of 5 gallons each.

When the painter had used one ed. A paint, one-thrid not paint, DISTRICT COURT-Meets Fourth Monday is not good-enough to displace

This was several years ago That proud and am bitious paint is better now; it is nearer honest; it isn't short-measure at all and Bruce Drake sold last week for only 15 per cent adulterated. It's Wile Owens, to P. L. Children, a pretty good paint now; 13 or 14 125 two-year-old steers at about gallons of it goes as far as 10 of Devoe.

Judge I. D. Fairchild owns two houses alike in Lufkin, Texas. J. M. Torronce painted both houses, one Devoe, and the other with that proud ambitious adulterated-15-per-cent paint. It took 15½ gallons Devoe and 25 gallone of the proud ambitious paint,

It takes a pretty good paint to disturb Devoe.

Yours truly F W. Devoe & Co I. H. Elder & Son sell our

paint.

Obj ct To Stronge Medicines.

Many people object to taking the strong medicines ulually prescrided by physicians for rheumatism. There is no need of internal treatment in any case of muscular or ebronic rheumatism, and more than nine out of every ten cases of the disease are of one or the other of these varietie. When there is no fevre and little (if any) swelling, you may know that it is only necessary to apply Chamberlain's Liniment freely to get quick relief. Try it. For sale by B. E. Karle.
