MONUMENT.
 To THE SUCCESS.
 Well the wind has blown and blown until we are wery and tired of it, but the last two days has been warm and sunny weather, and every body is out and doing something, last week the wind tore up 3 fine O 9 wind-mills.

Every body is plowing and preparing for another crop in this part of the country.

Wash Putin was called from the Rucker ranch last week to Carpes county to be at the bed sides of a sick relative, who died before he got there. Mrs Putin also went as far as Sherwood with Mr Putin to stay with her father and mother Mr and Mrs I. W. Lofgren.

Well, give us a trade day at Eldorado, say the first Monday, and every body come and bring their trading stock and something to sell. I saw some big days on the first Monday at old Boham in Fannin county, some would go away rich and some not feeling so well, while the town was doing well all the time.

We are with Ben Hur or those exhibition next fall.

Mr. S. N. Farrington, wife and children were visiting G. H. Farrington and family Saturday and Sunday over in Schleicher county, he is like every body else that visit Schleicher, they get to liking the country and people, but O! home sweet home there is no place like home, let it be ever so dusty there is no place like home.

R. H. Blaylock, wife and children was visiting W. M. Smith and family the first of the week.

Mr. Blaylock is a daughter of W. M. Smith, come again Robert and bring all the kids and stay longer.

Dr. Deal's barn caught fire about 4 o'clock on the morning of the 22nd, we have not learned the particulars, cause of the fire was unknown.

Mr. Martin who is traveling for the Spaulding buggy and hack Co passed through Monument last week and bear that he sold a \$140 back to Mr. A. Chiles. Well as news is scarce I will write no more this time.

Uncle Williams.

PASSED BEYOND.
 On last Thursday night the life of Baby Henry Locke, the little 5 month old son of Mr. and Mrs. B. F. Locke who recently moved into the Vermont neighborhood, took its flight to the home, where sorrow never comes. The little one had only been sick a few days when the master called it to come to higher grounds. The burial services were conducted by Rev. F. R. Keele of the Christian church, and the little baby was laid to rest Friday eve in the city cemetery by the hands of the good people of this vicinity, Mr. and Mrs. Locke have the sympathy of the entire neighborhood in which they live. They are entire strangers to most every body as they had just moved into their new home, and had not had time to unload the wagon. THE SUCCESS extends condolence to the bereaved kindred.

Letter to W F FORD Eldorado, Texas.
 Dear Sir: The wear of paint goes by gallons; the less-gallons paint wears longest. The reason, of course, is its strength. It takes less gallons, because it is strong; it wears a long time, because it is strong. It is all-paint and the strongest paint.

There is a better paint among all-paint paints. No two are alike, of course; no two cover alike or wear alike. One is thin, another is thick; one has too much lead, another too much zinc, another is right. The right is Devoe, so far as is yet known. Perhaps somebody-else will find-out a better paint than Devoe; then Devoe will become a more-gallons paint, a costlier paint, a weaker paint, a less durable paint, a less economical pair, a timid paint.

Bigger changes than that have come over the world. Devoe has the lead; why shouldn't we lose it to somebody else?

Yours truly
 F. W. Devoe & Co.
 P. S. I. H. Elder & Son sell our paint.

Allen Palmer, wife and daughter Miss Feta, accompanied by Miss Estella Elder left Friday for an outing down south, they will go down on the Rio Grand and spend several weeks in the roughs of that portion of Texas. Miss Feta had been sick for some time and this trip is made for the young ladies health, we wish them a pleasant trip.

SENATOR CARMACK'S TRIBUTE TO WOMAN.

"It is not the throned and sceptered king; it is not the dark statesman with his midnight lamp; it is not the warrior grimed with smoke and stained with blood— it is the queen of the home who, under God, rules the destinies of the world. There is a center from which radiates the light that never falls. For I say to you the sweetest wisdom of this world is a woman's counsel, and the purest altar from which human prayer ever went to heaven is a mother's knee."—Ex.

W. M. Smith a popular commission man of Sherwood, was in the city last Thursday shaking hands with friends and looking for some mules to buy.

We have seen several who wanted a trade day at El Dorado, let's have one.

Come on with that court house petition, as their are lots of men who want to sign it, as we have heard several prominent ranchmen say they thought the county books should be protected, and the only way to do this would be to erect a new court house, what would a small tax amount too, for the purpose of protecting your county records. What inconvenience would the land owners of this county have to under go if these records were destroyed, of course this present frame building that now dominates our public square might stand for twenty years with out destruction, but a gain it might burn before this is in print. Don't wait until their comes, to lock your crib door, but get on the safe side and let's build a nice court house and have our county well protected. When the wind blows hard from one way the present court house will lean the other way; let the wind reverse it self and the house will also reverse it self. If you doubt this statement ask some of you county officers who are better acquainted with the house than you are. If you have never considered this thought, do so.

HILL'S BUSINESS COLLEGE

stands in the forefront of Texas institutions. Twenty-six years of successful work are behind. Other schools are new and untried in comparison. It has seen every other business college in the state start, and many of them give up the ghost. Hill's stands today, and holds its commanding position, because it started right. The standard was set high at the beginning, and has never been lowered. Thoroughness and efficiency in everything—this explains the remarkable history of this school. The South is filled with men of affairs whose large successes are attributable to the training received in Hill's Business College. You can do as well. The same standard, the same excellence, are still to be found. You will have the same advantages, and better. The opportunities in the world of business are still as great, and greater. The young men who get ready for these opportunities will reap the harvest. By the scores they are coming to Hill's Business College to make the preparation. Why not you? As fast as our students are ready, they are placed in good positions. Three placed last week. We could place YOU today, were you ready. Don't delay, not even for a day. A \$50 life scholarship in book-keeping, or in shorthand and typewriting \$42 50; telegraphy and station work, \$35; book-keeping, shorthand and typewriting, all together, only \$75; tuition by the month, \$12 50; mail course, \$20. Our shorthand is the quickest and easiest learned. Address R. H. Hill, Waco, Texas, or Memphis, Tenn.

J. N. White completed the two story Iron clad building for B. E. Earle and the Masonic Order this week, the building is a credit to our town, and we hope to see other business men improve their business houses as Mr. Earle has done. Every good business house that is built adds to the town and also to the man's business that occupies it.

A. F. Leudeck was in the city Wednesday and reports a fire in the Calcutte and J. H. Brannan ranches, Mr. Leudeck did not know just how much grass was burned off, but said the fire caught from a pear burner that was being used to feed cattle.

Yesterday was the day in which Wm. Laft was seated in the President chair, Mr. Roosevelt after about 7 years as a Ruler of the land has retired as a private citizen. He has probably been the most talked of president that our Union has ever had.

There was a dance given at the court house Friday night and those who are fond of the merry dance, enjoyed the evening very pleasantly, and the dancing lasted until the wee hours of morning. The music came from San Angelo and was of the best. The crowd was composed of people from all the surrounding country, and some came from San Angelo, Sonora, Christoval and Mayer, and all present seemed to enjoy themselves in the highest.

Unequaled as a Cure for Croup.

"Besides being an excellent remedy for colds and throat troubles, Chamberlain's Cough Remedy is unequalled as a cure for croup," says Harry Wilson, of Waynesboro, Ind. When given as soon as the croupy cough appears, this remedy will prevent the attack. It is used successfully in many thousands of homes. For sale by B. E. Earle.

Prof H. A. How II, of Havana, Cuba, recommends Chamberlain's Cough Remedy.

"As long ago as I can remember my mother was a faithful user and friend of Chamberlain's Cough Remedy, but never in my life have I realized its true value until now," writes Prof. H. A. How II, of Havana, Cuba. "On the night of Feb. 3rd our baby was taken sick with a very severe cold; the next day was worse and the following night his condition was desperate. He could not lie down and it was necessary to have him in the arms every moment. Even then his breathing was difficult. I did not think he would live until morning. At last I thought of my mother's remedy, Chamberlain's Cough Remedy, which we gave, and it afforded prompt relief, and now three days later he has fully recovered. Under the circumstances I would not hesitate a moment in saying that Chamberlain's Cough Remedy, and that only, saved the life of our little boy." For sale by B. E. Earle.

TEXAS WOMEN OREATE CLEAN-UP-DAY.

Same Day as Last Year, March 10

The Civic Committee of the Texas Federation of Women's Clubs, after conferring with Our State Health Officer have decided on March 10 as our annual Clean-Up-Day. On this day the ladies will importune our local authorities, mayors, and county commissioners, and request them to do their part in cleaning up.

It is not fair for the ladies to do it all. They are willing to thoroughly renovate their homes, to "wash and scour for the good" and so they want the men in office to see that all public buildings, streets, alleys, ditches, etc., are cleaned as well.

The following is something like the schedule which it is desired to carry into effect. First, all buildings either public or private should be dusted, swept, deprived of cobwebs, scrubbed, sanded, aired, white washed, painted or repapered. Second, all premises should be freed from accumulations of rubbish and trash. Everything burnable should be turned into ashes. All heavy stuff should be transported to the dump ground.

Third, all weeds, grasses and other vegetative growths should be cut down or pulled up and burned or hauled away. Fourth, the stables and other out houses should be thoroughly cleaned and disinfected. All stagnant pools should be drained or oiled.

All cisterns and rain-barrells should be screened, and if already screened they should be examined for repairs. Fifth, all streets and alleys should be treated like private premises, thoroughly deprived of all weeds, rubbish and stagnant pools.

Every citizen in this State can do some little thing to help Clean-Up-Day. If you are anticipating a general clean-up let it be done on this day, because insects and vermin, rats, mice and other nuisances when attacked from all sides at once suffer more. Let us all co-operate. In no other way could energy be better expended than in making our State cleaner and purer. "Cleanliness is next to Godliness." Let us show that we appreciate the truth of this axiom.

Misses Fannie and Beantje Salmond and Ethel Williams of Christoval spent several days in our city the first of the week, stopping at the Elder Hotel.

Marlin
22 Caliber Repeating Rifle
