VOL. XX. Eldorado, Schleicher County, Texas, Friday, February, 6 1920. NO. 6

## A JOYFUL GOOD TIME.

"The Gleaners" of the Methodist Sunday School had one of the best of good times Saturday afternoon at the home of Mrs. Tom Jones.

Bernice proved to be an ideal little hostess. Some of the games that were enjoyed most were, "Old Maid," "The Pillow Race," and "Initials," we were also favored with several selections on the piano.

Those present were: Lucile Page, Ouida Beavers, Lila Watson, Fay Jones, Bernice Jones, Agnes Wright, Miss Lillie Richardson, Jack Silliman, Martin Hurst, Allan Douglas, Russle Norton—visitors, Myrtle Dell Espy, Fenna Jones, Victoria Jones, Chandler Whitten, John I. Jones, Carl and Jack Kerr.

This little class is not only prompt at their parties but this

is their report for last Sunday at Sunday School; 15 on roll, 15 present, 15 on time, 15 Bibles, Good lesson and \$2.40 collection.

## THE COST OF SCHOOLS.

I recently had something to say in the columns of The Success concerning the value of an education in the way of increased earning capacity. In this connection a discussion of the cost of schools is not out of place.

According to the latest biennial report of the State Department of Education of Texas, the annual cost of the schools to each child in Eldorado Independent district is \$30.85 on the basis of actual attendance in school. The annual cost per child in Schleicher county, out side of the Eldorado district, is \$39.12 on the basis of scholastic population, but it is \$67.46 on the basis of actual school attendance.

From the above it can be seen that there is spent annually for the schooling of the children of Schleicher county, who live in the common school districts, almost twice as much per capita as is spent in the Eldorado district. The small one-teacher school costs far more per capita than the larger school costs, on the basis of actual attendance in school.

The scholastic population of the Eldorado district, is 217. I do not know how many of them are in school, or are accustomed to attend school, but the rural schools cost \$8.27 for each child on the basis of scholastic population and \$31.77 for each child on the basis of school attendance more than the Eldorado school costs. If all the children of the county, or a large part of them, were in one large school district, those living in the remote sections of the district could be transported to a central school at less cost than the present difference in cost in maintaining small schools. And then they would enjoy advantages in the central school superior to those of the small school.

This is something for the people of the county, especially those living in the rural districts, to think about. Other counties in West Texas, which offer better educational advantages than those afforded in Schleicher county, have adopted the centralized school idea.

M. L. Hurst.

## THOMAS J. HOLLAND.

Thomas J. Holland, son of Mr. and Mrs. S. W. Holland, of our city, died Saturday morning at Rankin Texas, of pneumonia, after an illness of eight days.

The deceased was born May 10, 1887, and spent the most of his life in Schleicher County, but lived at Rankin Texas when the end came, and was running a Hotel there, he leaves a wife and two children to mourn his untimely death.

The remains were brought to Eldorado for interments where a large concourse of friends and relatives witnessed the burial services conducted by Rev. S. C. Dunn, Methodist pastor of Sonora, in the absence of Rev. Clark the local pastor. One of the most beautiful floral offerings witnessed at our cemetery was spread upon the newly made mound. Thus closes the life of a man in his most useful age, taken from his family at a most needed time in their life. But the good Book teaches us that we know not the hour, and that two may be grinding at the mill, one shall be taken and the other left, so we should be prepared to meet God in judgement when the call comes.

All Woodmen are invited to attend a meeting to be held in San Angelo Friday night February 6, at W. O. W. Hall. The new rates will be discussed and explained, if you can attend this meeting do so.

Eldorado is having an epidemic of colds and light remitting fevers, with some real sickness in some homes, but we trust the worst is over and our community will soon be freed from sickness. The epidemic is not a local one but extends over the entire United States.

There has been one busy man in Eldorado this week, besides the editor, it is our friend E. W. Brooks, our druggist he's been some busy.

The fourth number of the Lyceum course, "The Fighting Yanks Quartette" will entertain at the school auditorium next Tuesday night. These boys were actually "over there" which fact will make you enjoy their songs and other features of entertainment more, possibly, than you would otherwise. If you have not attended the other attractions give this one a trial. You will like it.

Hicks & Smith our local engineers and contractors were awarded a nice contract at Hillsboro last week, but we don't like the idea of San Angelo being designated as their home when they live at Eldorado, if Eldorado had a good court house our home people wouldn't be ashamed to register from Eldorado, when a broad.

Help us that we may be able to help you.

Only a Cold.  
Are you ill? is often answered "Oh! it's only a cold," as if a cold was a matter of little consequence, but people are beginning to learn that a common cold is a matter not to be trifled with, that some of the most serious diseases start with a cold. As soon as the first indication of a cold appears take Chamberlain's Cough Remedy. Remember that the sooner you get rid of your cold the less the danger, and this remedy will help you to show it off.

**CHURCH COUNCIL  
ENDORSES N. E. R.**

Federal Body Says No More  
Compelling Need in All  
the World.

Departing from custom, the Federal Council of Churches has endorsed the work being done by Near East Relief, 1 Madison Avenue, New York City, the former committee for Armenian and Syrian Relief which has essayed the task of caring for 1,250,000 starving people in Western Asia.

Resolutions adopted by the executive committee, as announced by Charles S. Macfarland, general secretary, are as follows:

"Your committee recommends that prayers be offered in all our churches for the suffering children throughout the world, especially those who are in distress and peril as the result of the war.

"They further recommend that we reaffirm and emphasize our interest and co-operation in the plans of 'Near East Relief.' We know of no need in the world that is more compelling than that of the Armenian, Syrian and other peoples in the Levant who have already received and must still receive the generous sympathy of the American people."

Bad breath, bitter taste dizziness and a general "no account" feeling is a sure sign of a torpid liver. HERBINE is the medicine needed. It makes the liver active vitalizes the blood, regulates the bowels and restores a fine feeling of energy and cheerfulness.

**WAR NURSE FROM  
ARMENIA ASKS  
AMERICA'S AID**

Soldier Husband and Battlefield  
Baby Touring Country With  
Her for Near East Relief.

A mother, father and daughter, the latter born in a tattered Red Cross tent in the icy Caucasus while guns roared all around and Turkish shells, ignoring the mercy emblem, burst near it, are touring America in behalf of their native Armenia. They are General Mezrop Nevton Azgapatian, his

LADY ANNE AZGAPETIAN.

wife, Lady Anne, and French Esther Araxie Azgapatian, whose baby eyes opened upon scenes of horror and later through them saw much of the sufferings of the people of Armenia.

The family are making their tour under auspices of the Near East Relief, the big organization which has saved hundreds of thousands of the people in that part of the world from death by hunger and cold and is soon to open a nation wide campaign for funds to complete the work of saving the survivors, more than a half million of whom must perish unless aid comes to them soon. America is their only hope.

General Azgapatian served gallantly in the Russian armies in the Caucasus against the Turks. His wife, who accompanied him to the front, did noble work for the wounded and sick, and it was while in this service that her baby was born in a hospital tent during a battle. An army blanket swung from two poles in one corner of the tent was the baby's crib during the rest of that terrible winter campaign. With the collapse of the Russian armies after the Bolshevik revolution the Azgapatians returned to Armenia for a brief spell and did their best to alleviate the suffering they found on every hand. But with a Turkish price on his head the father finally made his way with his family through Russia to Finland and then to this country. What they tell of conditions and needs in Armenia is first hand evidence.

In the Caucasus, Armenia, Syria, Turkey and Persia are more than 250,000 orphans, helpless little victims of war, massacre and deportation, and for the great majority the only bar between them and absolute starvation is a bowl of hot bean soup every day. This soup is supplied by the Near East Relief now making an appeal to the American people for sufficient funds to increase this dole and to provide these suffering little ones with clothing and give them an education that will help them to become self supporting. It is estimated that more than 1,500,000 in Western Asia will die of starvation unless American aid is continued.

**Sick Headache.**

This distressing disease results from a disordered condition of the stomach and can be relieved by taking Chamberlain's Tablets

**DODSON TELLS THE  
HORROR OF CALOMEL**

You Don't Need to Sicken, Grip, or Salivate Yourself to Start Liver.

You're bilious, sluggish, constipated. You feel headachy, your stomach may be sour, your breath bad, your skin sallow and you believe you need vile, dangerous calomel to start liver and bowels.

Here's my guarantee! Ask your druggist for a bottle of Dodson's Liver Tonic and take a spoonful tonight. If it doesn't start your liver and straighten you right up better than calomel and without griping or making you sick I want you to go back to the store and get your money.

Take calomel today and tomorrow you will feel weak and sick and nauseated. Don't lose a day. Take a spoonful of harmless, vegetable Dodson's Liver Tonic tonight and wake up feeling splendid. It is perfectly harmless, so give it to your children any time.

**NOTICE.**

I wish to notify all those that are indebted to me for last year accounts, to please call and settle at once as I need the money.  
W. H. Parker.
