The Success regrets to learn that the estate of Geo. Richard son of San Angelo has been placed in the hands of a receiver. for he has been one of the best Wool Commissionmen that ever dealt in West Texas, and it was his leniency to others that has embarrassed his own financies. which reminds us of the crucifition when the people said, "he saved others, yet he cannot save nimself." But he is not broke, with the careful management of his estate he will probably have a nest egg left, and with the coming back of the Great West we will witness the coming back of Geo. Richardson.

Some little moving around this week. Mrs. Dave DeLong moved back to the ranch, Mrs. Gunn moved to the DeLong residence, and Prof. Wilkins moved to the Johnson home vacated by Mrs.
