NEFF ANNOUNCES FOR RE-ELECTION.

Gov. Pat M. Neff has given out his announcement for re-election to the office of Governor.

Gov. Neff says, "Believe that the work and thought given by me to the duties of the office of Governor in the past will enable me better to serve in solving some of the pressing problems now pending for consideration and having an ambition thus to serve, I hereby announce my candidacy for re-election for a second term to the office of Governor.

Claiming political allegiance to the Democratic party only, this announcement of course is made subject to our party primary election to be held on July 22 of this year.

In public office, as in private life, the distinguishing trait and the priceless principle to which all right thinking people pay homage and respect, is unflinching fidelity to truth and unswerving devotion to duty.

These virtues I have faithfully followed, as your Governor, in so far as he who rules in the councils of men has given me light and wisdom to see.

Perhaps I have made mistakes in the past. I doubt not that I shall make mistakes in the future.

However, I have tried to serve the citizenship of the State in the highest and truest sense, and at all times, through good and evil report, I have had as a constant companion, a clear conscience.

If the Democratic voters of Texas feel that they can in full justice to their States honor me with a second term as their Governor, I shall deeply appreciate it, and shall continue my efforts in behalf of the welfare of our people, with a sincere ambition to fulfill their expectations and to justify their confidence. Sincerely yours, PAT M. NEFF, Governor.

Friday, June 9.

We now learn that Congressman Hudspeth has an opponent, he also is from El Paso, his name is Dan M. Jackson, he was former Judge of the 34th judicial district.

Judge Napers quit race for governor, he announced as an anti Ku Klux man, he is really wiser than we thought, we knew he would quit at the primaries, but he knew it before.

One of our business men yelled across the street the other day to tell "central" he had been trying to get her for an hour, Maude said, "that is nothing Steve has been trying to get her ever since she had been here."

Robert L. Henry is still making fine speeches, he made good speeches, while in Congress and will continue to make them as one of the Texas Senators. Henry is now canvassing the State in his behalf for Senator.

Louis Wilson has announced for District Judge in Dallas County, also announced he wouldn't answer any questionaries.

This undoubtedly does not sound good to Col. M. M. Crain.

Senator Cubberson has been notified that the Ku Klux Klan is no bad organization.

Since Fred S. Rogers announced for Governor, it has developed that he made a speech for Joseph Weldon Bailey in 1920. That's nothing our brother Steve at one time was a Bailey-ite, and this Editor voted for him in 1920 for first time. And look what they told on Neff last election. There seems to be none clean among us.

T. F. Hickox is on trial this week in the District court at San Angelo, for the murder of Lamar Schrier at Rankin July 20, 1921, his defense is that he heard of Schries making threats on his life.

MOTHER, QUICK! GIVE CALIFORNIA FIG SYRUP FOR CHILD'S BOWELS

Even a sick child loves the "fruity" taste of "California Fig Syrup." If the little tongue is coated, or if your child is listless, cross, feverish, full of cold, or has colic, a teaspoonful will never fail to open the bowels. In a few hours you can see for yourself how thoroughly it works all the constipation poison, sour bile and waste from the tender, little bowels and gives you a well, playful child again.

Millions of mothers keep "California Fig Syrup" handy. They know a teaspoonful today saves a sick child tomorrow. Ask your druggist for genuine "California Fig Syrup" which has directions for babies and children of all ages printed on bottle. Mother! You must say "California" or you may get an imitation fig syrup.

TARIFF OR DEBT PAYMENT.

If the Fordney tariff bill passes through the American Congress in its present form it will inevitably postpone the repayment of the debt owing by the United Kingdom to the United States for an indefinite period," said Arthur Balfour, cousin of Earl Balfour, vice president of the Association of British Chambers of Commerce, arrived here from Washington today, says a dispatch from Montreal. The only way that we can pay our debts to the United States is by trade and in the exports of our goods," he said.

The above letter was recieved thru the mail, directed to Mrs. Joe Tisdale, and as I happen to be the husband of this good lady, I take it upon myself to answer it thru the public press. I am compelled to so answer it, because the coward who wrote, did not sign his name.

Any one writing such a letter and lacking the courage to sign it deserves the contempt of all decent people. This party presums to speak for this community where we have lived from its earliest settlement. Now if this curr will come out in the open, and let it be known who he is, we will engage ourselves to show two friends, for every one he can produce.

\$365 IN PRIZES FOR BEST RHYMES

A new contest is just being started
which will interest everyone who
reads this paper. Anyone can enter
this Contest—anyone can win! All it
is necessary to do is to write a 4-line
rhyme on Dr. Price's Phosphate Bak-
ing Powder, using only the words
which appear on the label of the Dr.
Price can (front and back).

Isn't that easy? Everyone likes to
make rhymes and here is a chance to
spend a fascinating hour or two writ-
ing rhymes on this popular Baking
Powder and perhaps winning a sub-
stantial prize for your efforts.

27 CASH PRIZES

For the rhyme selected as best a
prize of \$100 will be given; for the
second, third and fourth best rhymes
prizes of \$75, \$50, and \$25, respec-
tively will be given. And besides these
prizes there will be 23 prizes of \$5
each for the next 23 best rhymes. With
such a long list of prizes as these, it
would be a pity not to try your hand.
Here's a 4-line rhyme as example:

*Biscuits, muffins, pie or cake,
With Dr. Price's Powder bake,
The Price's Co., guarantee
No alum in the cans to be.*

As Dr. Price's Phosphate Baking
Powder sells for only 25 cents a 12
oz. can, some rhymes could play up
the great economy of this pure and
wholesome baking powder.

All rhymes must be received by
July 1, 1922. Only words appearing
on the label of the Dr. Price can
(front and back) may be used. These
words may be used as often as de-
sired, but no other words will be al-
lowed. If you haven't a can of Dr.
Price's, you can see one free at almost
any grocer's. It is not a requirement
that you purchase a can in order to
be eligible in this Contest.

Anyone may enter this Contest, but
only one rhyme from each person will
be considered. In case of ties, the
full amount of the prize will be given
to each tying contestant. Write plain-
ly on only one side of a sheet of paper
and be sure to give your name and
address. Send your rhyme before July
1st to Price Baking Powder Factory,
1005 Independence Blvd., Chicago, Ill.

DEMOCRATIC LANDSLIDE

ACTIVE

As fast as the people can get
at the Republicans in office they
are throwing them out. The
latest municipal election, held
April 25 at Waterford, Saratoga
County, N. Y., resulted in the
defeat of every village Republi-
can officeholders except one
though a coalition of Democrats
and Citizens' party. For the
first time in many years that
the Republicans have lost con-
trol of that. The election was
also a severe defeat for State
Senator, Kavanaugh (Rep.), as
Waterford is his home village.
The Republicans bosses of Sar-
atoga County have had the Wat-
erford Republican leaders on
be grill explaining their defeat,
but nobody can explain a land-
slide—Dallas Democrat.

Even Careful
Calomel Users
are Salivated

Very Next Dose of Treacherous
Drug may Start Trouble

Calomel is dangerous. It may salivate
you and make you suffer fearfully from
soreness of gums, tenderness of jaws and
teeth, swollen tongue, and excessive
saliva dribbling from the mouth. Don't
trust calomel. It is mercury; quicksilver.

If you feel bilious, headachy, consti-
pated and all knocked out, just go to
your druggist and get a bottle of Dod-
son's Liver Tone for a few cents which
is a harmless vegetable substitute for
dangerous calomel. Take a spoonful and
if it doesn't start your liver and
straighten you up better and quicker
than nasty calomel and without making
you sick, you just go back and get your
money.

If you take calomel today you'll be
sick and nauseated tomorrow; besides,
it may salivate you, while if you take
Dodson's Liver Tone you will wake up
feeling great. No salts necessary. Give
it to the children because it is perfectly
harmless and can not salivate.

The Southland Farmer (Hous-

iff bill "abeyray of agriculture"
and says: "The promise for pro-
tection for farm products is im-
possible to bring about because
we are an export Nation for the
main farm crops. This tariff
will bring the farming regions
of the West and South under
still greater bondage to the in-
dustrial sections of the East and
North. The Emergency Tariff
showed the fallacy of any tariff
helping prices for farm pro-
ducts to any extent worth con-
sidering. The bill is one written
by special interests for such in-
terests, with little regard to
the plain people of the country
and it takes no prophet to fore-
tell what its enactment will cost
the Republican party responsi-
ble for it."
