72ND YEAR

ELDORADO—SCHLEICHER COUNTY, TEXAS (76936)

Thursday, September 20, 1973

Number 38

By—Bill Boykin
Texas Press Association

Austin, Tex. — New legislative sub-committee investigations of the amusement and vending machine industry have been ordered amid sensational (and disputed) allegations resulting from a 1968 probe. Speaker Price Daniel Jr. named Rep. Arthur (Buddy) Temple of Diboll to head a House Consumer Affairs sub-panel inquiry into juke box operations and needed legislation in the field.

The sub-committee was instructed to work jointly with a Senate group headed by Sen. Ron Clower of Garland. Clower said his sub-committee will look into allegations the industry is linked to organized crime and that the regulatory state Amusement Machine Commission is dominated by big operators who do not protect customers.

Daniel said the air should be cleared of speculation, controversy and innuendo which have surrounded operation of the industry for years.

Meanwhile, Daniel unveiled some of the previously-secret records of a 1968 House investigation. Most controversial was a tape recording of testimony by Pete Martinez of Austin that he gave away money to a state representative, a state senator (who is now dead) and a judge, on behalf of Raymond B. Williams of Dallas, a major amusement machine owner who previously served on the regulatory commission.

Williams has denied Martinez's testimony. Department of Public Safety Director Wilson E. Speir said Martinez, now serving a probation sentence for burglary, failed a satisfy a lie detector test that he was telling the truth and that he refused to repeat his charges to a district attorney or grand jury.

Briscoe Likes It Here

Governor Briscoe says he likes his job and has given no thought to quitting after a single term.

While he said he is not ready to make a formal announcement, the Governor didn't leave much room for doubt that he will seek a second term in 1974.

"I have enjoyed this job," said Briscoe. "I haven't thought about leaving."

While he was at it, Briscoe said he sees no reason to change his mind about not calling a special legislative session. He stated flatly he does not see one as needed for any purpose.

Short Snorts . . .

Agriculture Commissioner John White estimated major crop losses from tropical storm Delia at about \$100 million.

Texas Water Quality Board approved pollution control and quality maintenance plans for San Antonio, Colorado, Guadalupe and Sabine River basins.

Governor Briscoe declined to comment to speculation he has considered a possible successor to State Comptroller Robert S. Calvert should be 81-year-old official retire before 1974 elections.

A credit life insurance rate hearing has been rescheduled from September 13 to October 9.

Exam Set For Part Time Clerk At Post Office

There is a opening for a part time clerk at the Eldorado post office. An examination for the post will be held in San Angelo. Pick up application at post office, complete it, and return to post office.

Closing date for application is Sept. 26. The job is at the Eldorado post office. All old qualification exams are outdated. To qualify you must take a new exam.

Anyone wishing to take the exam is cordially invited to stop in and get an application blank. Complete it and return it to the post office. You will be notified by the Civil Service Commission the date and time to take the exam.

Post Script

We are proud of the Eldorado Eagles!

In spite of the fact that they were defeated by Ozona 13 to 0 last Friday.

We are proud of them because they held the Lions to just two touchdowns.

Ozona with several times the population of Eldorado, with many times the wealth, and with the fact that they are a double-A school—in spite of all that they were unable to get on the scoreboard in two of the four quarters due to the defensive strength of our Eagles.

A defeat like that is nothing to be ashamed of, and it was good experience for our boys this early in the season. We expect them to give a good account of themselves in the remainder of the season.

On the 6th of November, Texas voters will go to the polls and vote on nine proposed amendments to the State Constitution.

The official legal notice for these is published this week for the second and final time on page 3. Our readers are urged to study them carefully in order to cast an informed vote in November.

You could even tear out page 3 and put it away and then refresh your memory just before you go to the polls.

Success printers have received copy for the ballots for this special election and will print them in the near future. Absentee voting will start in October.

Buddy White announces that he is having Vacuum Cleaner reconditioning, and Scissors Sharpening at his Western Auto Associate Store for one day only—all day today, Thursday, September 20th.

He invites everyone to bring in their vacuum cleaners and scissors. Further details are in his ad on page 4 of this Success issue.

San Saba Valley RC&D announces a meeting will be held at 2:30 p.m. Sept. 20th at the Memorial Building here in Eldorado to establish Area Resource Committees.

Several weeks ago in this column I wrote about Cecil Williams country store in Reynolds community and several people have called me about it since that time.

A week later, calling to get a rain report, I dialed the A. W. Keys number and Mrs. Keys wanted to know about the country store and later drove out, there to make some purchases.

Elizabeth Ballew came by the shop Saturday and wanted to know how to get to the store because she was interested in okra.

She took off on the Big Lake highway and made the entire Reynolds loop to Northern Natural and back to Eldorado without finding the right cross road. Determined not to give up, she took off again on the north loop and finally found the store, where she bought her okra and her mother bought a loaf of Gertrude's home made bread which she keeps on hand.

I always go out on the Big Lake road and enter the Reynolds road about 12 miles out—go past what remains of the Moore Gin and then past the Otto Sauer farm on my left, then come to an intersection where the old Reynolds school house used to be, turn right on that caliche road and keep going until I come to a cattle guard leading in to the store.

I made the loop out there again Sunday, and discovered that cotton was rapidly opening all along the way.

There is enough cotton open now where some could be hand picked, but gin people say it will be some time before it can be machine-gathered or stripped.

Ray Gentry is adding a 20 x 30 foot addition to his Plateau Water Company building here in Eldorado.

Attend The Pep Rally

Each Friday Afternoon

At 2:20 At School!

Named Vice President Of Bank At Houston

Houston, Tex.—Robbye R. Waldron has been elected vice president and trust officer of River Oaks Bank and Trust Company. He will serve as an assistant to the chief executive officer.

Mr. Waldron, a graduate of Eldorado High School, McMurry College, and The University of Texas School of Law, was formerly assistant vice president and pension trust officer with First City National Bank of Houston. He is the son of Mary and Ralph Waldron.

McAngus Receives Award

The official State Health Department's certificate of competency for the oldest ecology oriented profession in Texas, has been awarded to Marvin McAngus of P. O. Box 342, Eldorado, Texas.

Mr. McAngus works for the City of Eldorado. As a Water Ecologist, he has been taught effective ways for producing safe drinking water and treatments to make wastewater inot clean streams for public use.

Woman's Club To Begin New Year Next Tuesday

The Eldorado Woman's Club will begin its new club year for 1973-74 on Tuesday morning, September 25, with a coffee at the home of Mrs. Granvil Hext at 9:30.

Mrs. Edwin Jackson Sr. will serve the club as president for another year. First vice president is Mrs. W. A. Van Dusen, second vice president is Mrs. Granvil Hext, secretary is Mrs. Bascom Hartgraves, and treasurer Mrs. S. D. Harper.

The club has chosen America On the Move as the course of study for the year.

Guests will participate on the program at different times and are most welcome to attend any of the meetings.

TO CONDUCT SERVICE SUNDAY

The Church of Christ on Mertonson Highway will have charge of the services this Sunday afternoon, September 23rd, at the local Nursing Home.

Mr. and Mrs. Bob Chapman and son Charlie of Uvalde spent the week end visiting the Earl Yateses.

Mr. and Mrs. Kenneth Richardson returned home after being gone the past two weeks on vacation in Lubbock, and New Mexico and Oklahoma.

Following 13-0 Loss To Ozona . . . Report On Page 4—

Eagles To Play First Out Of Town Game Friday Night At Iraan

The Eagle varsity team go to Iraan Friday for their third game of the '73 season, and, hopefully, their first victory. A year ago they handed the Iraan Braves the losing end of a 42 to 8 score, and they hope they can do so again.

This will be the first away-from home tilt for the Eagles. The game starts at 8:00 p.m., Friday on the Iraan Braves' field.

NOW OUT OF HOSPITAL

Mrs. Elnora Love was released Monday from the hospital following surgery last week.

Visiting her have been Mr. and Mrs. Bob Whitis and girls of McAllen, Mr. and Mrs. Roy Lynn Love of Kingsland, and Lynn Love of San Antonio.

Cadettes Meet

Monday night (Sept. 17) Cadette troop 25 met at 7:00. We heard reports from Debby Patton and Cherie Niblett, who went to Sonora to the Cadette Planning Board on Saturday. We also enjoyed singing with Carolyn Wyland and her guitar. —Rep.

42 Party Held Thursday

Mrs. Annie Speck entertained the 42 club in her home last Thursday. There were three tables of players and everyone reported a wonderful time.

Those present included four guests; her sister, Mrs. Roxie White from McCamey, and Mrs. Frank Van Horn, Mrs. Etta Ruth Dannheim and Mrs. Vonnie Dannheim.

Members present were: Mrs. Viola Finnigan, Mable Griffin, Mary Joiner, Allie Cheatham, Natalie Stockton, Zelma Henderson, Opal Parks and Bessie Doyle.

The hostess served apricot and ice box lemon pies, with coffee and tea.

Mrs. Truett Stanford will be hostess when the club meets again Sept. 27. —Rep.

Mrs. R. D. Johnson and Mrs. Bob Johnson and daughter Ashley were in Lubbock last week.

"Prusesir Peprus" ???

Ever feel that fixing a full supper is just a scramble? Skip the scramble one evening. The Eldorado Booster Club is sponsoring a covered dish supper and would like for you to make it a "surprise supper."

First of all, surprise everyone and come! It will be Monday, Oct. 1st, at 7:00 p.m., at the Memorial Building. Bring a couple of "surprise" covered dishes, share good food, and enjoy good fellowship. You may be surprised at what a good time you can have.

It is probably no surprise but the coaches will introduce the members of the junior high, "B" team, and varsity team football players.

Just so you will not be completely surprised, the Booster Club will be soliciting memberships and would also appreciate donations for the purchase of a new film projector. A nice surprise would be for each person to give generously.

Mark your calendar now and plan to attend the "surprise supper." Do not be surprised if a few other surprises are planned between now and then.

Doug Yates's name was drawn as Booster-of-the-Week and he will accompany the boys to the game in Iraan, Friday.

Okay, team! Catch Iraan by surprise and scalp the Braves! —Rep.

OUR LADY OF GUADALUPE CATHOLIC CHURCH

New time for Sunday Mass is 9:00 a.m.
Wednesday Mass 7:30.

Accident On Rig Sends 3 To Hospital

Shortly before noon last Saturday, three San Angelo men suffered serious burns when an oilfield rig on which they were working exploded and burned in the north part of Schleicher county.

The mishap occurred not far from the Atlantic-Richfield plant and the fire resulted from an explosion at the rig which occurred while the men were attempting to cap off a wellhead.

The three employees of Poole were Willard A. Bolen, 43; Henry M. Cruz, 52; and Patrick W. King, 18, all of San Angelo.

This county's ambulance was put into use along with one from Ambulance Service of San Angelo to transfer the three victims to Shannon hospital in San Angelo. They were transferred Saturday night to Brooke Army hospital in San Antonio. They remained there through the early part of this week and were reported critical.

Sheriff Orval Edmiston and his deputies and the Eldorado Fire Department were involved in helping control the blaze and in directing the ambulances over West Texas highways and through San Angelo traffic at noon Saturday.

Fisher Bros. Circus To Be Here October 8th

The Juggling Michels are part of Fisher Bros. Circus who will give performances at 6:00 and 8:00 p.m. here on Monday, October 8, sponsored by the Eldorado Lions Club, who will conduct the advance ticket sale.

The Lions Club, of which Pat Ragsdale is president, made arrangements recently for the local appearance of Fisher Bros. Circus. This will be the first appearance of a circus here in about 10 years.

The Lions Club members will be selling advance tickets soon.

Further details regarding the circus will be given in the next two issues of The Success.

Lions Met Yesterday

Ragsdale presided at the meeting yesterday of the club, and the program was brought by Robert Jay.

Fall money-raising projects set include the Halloween Candy Sale to be held in latter October, and the Broom and Mop Sale in November.

Club Dues Are Hiked

At a recent meeting, the members voted to raise the club dues from \$8 to \$7 a month, retroactive to Sept. 1st. This action was made necessary by the continuing inflationary trend, especially the rising cost of the club meals.

Farm Bureau Promotion Barbecue Set Sept. 26th

The Farm Bureau Promotion Barbecue will be held in the Memorial Building on Wednesday, September 26, at 6:30 p.m. The event is being sponsored by the Tom Green County Farm Bureau; Frank Pierce, Tom Green Co. Farm Bureau Agency Manager for the Texas Farm Bureau Ins. Co., and David Lloyd, Safemark tire dealer.

The barbecue will be served by O. A. Harris. The admission will be free for Farm Bureau members and their families. There will be a charge of \$2.00 per plate for non-members.

Following the barbecue there will be a meeting with speeches by Bill Wedemeyer, Texas Farm Bureau Director of Research and Education, and Ed McKay, Texas Farm Bureau Legislative Director. There will also be a discussion of Farm Bureau policies.

Are you renting land... when you should be renting money?

There are many good reasons why it takes some land of your own to be sure of a future in agriculture. You're always welcome to drop by our office and talk over the advantages of taking out a long-term mortgage on farm or ranch property. Right now could be the best time for you to start using borrowed money to buy land... instead of using your own money to rent or lease.

Eldorado-Divide District News

Adjust The Stock To Fit The Crop

The importance for flexibility stocking as well as when and how this can be done are important considerations for a ranchman to know. If the range manager can master this problem in this area he will achieve proper use of his rangeland at all times; keep a cover of grass on the range at all times; receive maximum benefit from all rain received; cut down on erosion; and help beautify the countryside.

Due to our erratic rainfall and other factors, it could pose a greater problem here than in areas more favorably blessed with rainfall. This is important to know so the rancher can, in fact, achieve efficient use and management each year and truly become a conservation rancher. This, in the opinion of many producers, is the first step toward becoming a successful ranchman.

Often times we hear ranchers referred to as conservationists when they have only carried out one or more conservation practices, such as brush control or cross fencing, for example, with little thought to follow-up management.

Ranchers need to recognize the importance of managing their forage production on the basis of each season's production. The rangeland of this area does not necessarily produce the same amount of forage each year. It generally is more or less. Ranchers are not as quick to reduce livestock numbers in times of reduced rainfall as they are to increase numbers when the rainfall increases.

History records that what is now in many cases semi-desert land was at one time a prairie of grass largely free of brush except for very scattered stands along the creeks and in valleys. What brought about the deterioration of our rangeland? The blame must be placed upon

man's lack of knowledge of the nature and care of the grasses.

Reviewing all of the factors that influence forage production will lead one to realize that there isn't any such thing as a safe constant normal carrying capacity. Clipping yields have shown over a three year period of time to vary from something like 1400 lbs., 1000 lbs. and only 400 lbs. per acre. Stocking "normal" with production years like this will bring disaster unless the operator has carried over some reserve grass through a deferred grazing system to take care of the low rainfall years.

From observation and experience conservation ranchers have come to realize that by using a few of the following guidelines their ranching operations have been more successful:

1. Basic production is grass. Improving and restoring it is more important than investments in improved breeding stock, or any other investment on the ranch.

2. Balance stock with amount of forage produced.

3. Bring back the grass (restore to maximum production). This seems more practical than buying additional acreage.

4. Defer pastures. This is not a loss of forage. Just postpone the harvest. This is a period for increasing plant vigor and forage supply for future use.

5. Have an orderly system of marketing stock. You cannot outguess the market.

6. Don't fall in love with the livestock. Keep some stock as expendables in critical drought periods.

7. Make adjustments before either the range or stock suffer. Remember the range always suffers first and it can happen before it is detected.

8. "It's the rain you keep that counts." If the rancher isn't efficient in this—how can he hope to be efficient in other operations?

9. Like many conservation ranchers have said, "There is no one poorer than a West Texas rancher who is always out of grass."

School Menus

(All meals served with buttered rolls and milk.)

Wed., Sept. 19: Hot dogs with/without chili. French fried potatoes, cole slaw, prune spice cake.

Thursday, Sept. 20: Roast beef and gravy, creamed potatoes, green beans, mushroom sauce, jellied tomato salad, apple cobbler.

Friday, Sept. 21: Fresh fish fillet, turnip greens, macaroni and cheese, Harvard beets, cookie-peanut butter.

Monday, Sept. 24: Spanish rice & ground meat, waxed beans, tossed green salad, canned fruit.

Tuesday, Sept. 25: Turkey a la King, parsley rice, buttered carrots, lime congealed salad, cinnamon crispies.

Wed., Sept. 26: Beef stew with vegetables, cabbage & apple & carrot salad, sugar cookie, fresh fruit cup.

Thursday, Sept. 27: Tamale pie, pinto beans, cole slaw, fruit cobbler.

Friday, Sept. 28: Sandwiches—tuna, pimento cheese, peanut butter; French fried potatoes, stewed prunes, ice cream.

Sherri Lux, daughter of Mr. and Mrs. W. V. Lux, has recently pledged into the Phi Eta chapter of Delta Delta Delta at Texas Tech University at Lubbock.

Come see the '74 Oldsmobiles.

"But dad, all you said was that Cutlass Salon had reclining seats. You didn't say it came in a new coupe, too."

Last year Cutlass Salon was a new kind of American car—a sedan built for its roadability. This year there's a Salon two-door

coupe. Like the sedan, it has a new, lower steering ratio for quicker response. Steel-belted radial tires to grip the road. Special suspension for tight cornering.

Contoured seats that recline. And you can even order a Landau roof. Cutlass Salon. Built in the Grand Touring Tradition.

"Look Walter! Now we can get an air conditioner that filters smells."

Not only does Tempmatic regulate temperature inside your car to a preset level, it also charcoal filters the air. The filter acts to reduce many

offensive odors from the air entering the car. It's available on all full-size Oldsmobiles. The '74 Delta 88 coupe has a brand new roofline. Hydraulic bumper systems,

front and rear. And underneath—a suspension system that's as tough as ever. Olds Delta 88. It's really put together. More than just another pretty car.

"Hey! I didn't know we could get these new little windows in the Toronado."

Order a Toronado with an opera roof and you get opera windows and a padded canopy of oxen-grain vinyl. You can also order a new interior with rich velour upholstery, a high-energy ignition system,

and True-Track braking. The 1974 Toronado has a new instrument panel with a message center that lights up to warn you when certain things such as your gas, oil pressure, seat belts,

etc., require your attention; there's even an exceptionally accurate digital clock, with quartz-crystal controlled movement. Front-wheel drive Toronado. Engineering can be beautiful.

Stop in at your Olds dealer's.

He's got surprises for every member of the family in all the other '74's, too: Ninety Eight Regency, Cutlass S and Supreme, Omega and station wagons.

Reynolds H. D. Club

The Reynolds H. D. Club met on Sept. 11th in the club room of the Memorial Building. We had 6 members, our agent and one visitor, Mrs. J. T. Roach, present. We were happy to add Mrs. Roach's name to our list of club members.

We were given our yearbooks by Mrs. Lube and filled them in with the programs we will be having during the coming months.

The lesson was on cultural arts, from slides and tapes from The National Art Gallery of Washington, D. C. We were shown a number of pictures of the great paintings by great artists of all time, with tapes explaining each picture.

Our next meeting will be on safety, given by a member of our Electric Co-Op. The meeting will be at 2:00 p.m. on Oct. 9th in the home of Mrs. Milton Faught. —Rep.

SALES PADS, just 10c each at the Eldorado Success

When I Came To Eldorado

Forty-seven years ago, one hot summer day I came to Eldorado and guess I came to stay. I thought I wouldn't and then thought I would, because everyone I met seemed so very good. I was very lonely and also very blue. I had just lost my companion and I didn't know what to do. My children were all with me and they were all so good. They tried to make me happy in every way they could. When I walked down the street people met me with a smile. It made me stop and think that life is still worth while. But now I am old and blind and cannot see my way. But I am still in Eldorado and guess this is where I will stay. Until the Good Lord calls me home to that Bright World on high where I hope to meet you all again in the Sweet Bye-and-Bye. Although I am blind I still can see the dear good friends you have been to me and the good kind words given that made my life worth while to live.

Composed by Mrs. J. F. Sophronia Jeffrey. She is 94 years old.

Screwworms Prevalent

Schleicher county is the only county other than South Texas that is having screwworm problems.

Mission is dropping 21,000 flies per sq. mile in the county twice a week, flying in a grid pattern.

Ranchers are encouraged to spray their livestock to help control the screwworm and clean up Schleicher county. Each rancher is asked to make a special effort to spray his livestock as soon as possible.

Screwworm cases last week were Mort Mertz, 6 miles south of Eldorado, calf navel; Archie Nixon Ranch, 14 miles sw, hip of cow; Jim Thornton, 18 miles se, calf navel; James Williams, 3 miles east, 1 mile north, calf navel.

Notice: 4 of these 5 cases were in navel of newborn calves. Check all baby calves and keep a close watch on all livestock.

PUBLIC NOTICE SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS SPECIAL ELECTION NOVEMBER 6, 1973

NUMBER ONE ON THE BALLOT (S.J.R. 8)

Article III, Sections 5, 24 and 49a and Article VIII, Section 6 of the Texas Constitution are amended to:

Provide for regular annual sessions of the Legislature. The regular session in each odd-numbered year would be for a period not to exceed 180 days. The regular session in each even numbered year would be for a period not to exceed 60 days and would be limited to consideration of fiscal matters and any emergency matters submitted by the Governor. The 60 day session could be extended by the Governor for a period not to exceed 30 days.

Provide an annual salary for members of the Legislature not exceeding \$15,000 per year and a per diem not exceeding \$18 per day for each day of each regular session or special session.

Provide that no appropriation of money shall be made for a longer term than one year and direct the Comptroller to make annual estimates of anticipated revenue rather than biennial estimates.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to provide for annual regular sessions of the legislature; and to provide an annual salary of \$15,000 and per diem for the members of the legislature, effective in January, 1975."

NUMBER TWO ON THE BALLOT (H.J.R. 7)

Article XVI, Sections 50 and 51 of the Texas Constitution are amended to:

Include within the scope of homestead protection the real property of a single adult person which meets the other requirements of homestead property, and to provide that a family homestead may not be abandoned except with the consent of both spouses.

Presently a single adult person is not entitled to claim a homestead exemption and a married man can abandon a family homestead without the consent of his wife.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to include within the scope of homestead protection the real property of a single adult person which meets the other requirements of homestead property, and to provide that a family homestead may not be abandoned except with the consent of both spouses."

NUMBER THREE ON THE BALLOT (S.J.R. 13)

Article VIII, Sections 1-a and 1-b of the Texas Constitution are amended to:

Extend the \$3,000 ad valorem tax exemption to the residential homesteads of unmarried adults.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to extend the \$3,000 ad valorem tax exemption to the homesteads of unmarried adults."

NUMBER FOUR ON THE BALLOT (S.J.R. 1)

Article XVI, Section 59, of the Texas Constitution is amended by adding a new Subsection (e) which:

Provides that no law creating a conservation and reclamation district shall be passed unless a copy of the proposed law is delivered to the commissioners court of each county and to the governing body of each incorporated city or town in whose jurisdiction said district or any part thereof is or will be located. Each such commissioners court and governing body may file its written consent or opposition to the proposed law with the Governor, Lieutenant Governor and Speaker of the House of Representatives. Each special law creating such a district must comply with general laws then in effect relating to consent by political subdivisions to the creation of such districts.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment establishing certain requirements relative to the enactment of laws creating certain conservation and reclamation districts."

NUMBER FIVE ON THE BALLOT (S.J.R. 12)

Article XI, Section 7 of the Texas Constitution is amended to:

Provide that all counties and cities bordering on the coast of the Gulf of Mexico are authorized to levy a tax to pay for bonds issued for the construction of sea walls and breakwaters upon a majority vote of the resident property tax-payers. Counties and cities are presently authorized to levy such taxes and this amendment only changes the required vote from a two-thirds majority to a simple majority.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment authorizing counties and cities bordering on the Gulf of Mexico to issue bonds

for the construction of sea walls and breakwaters upon a vote of the resident property tax-payers."

NUMBER SIX ON THE BALLOT (S.J.R. 26)

Article V, Section 8 of the Texas Constitution is amended by adding a new paragraph which:

Provides that the district court concurrently with the county court, shall have the general jurisdiction of a probate court and in a probate proceeding shall also have the jurisdiction otherwise conferred on it by law. It also provides that the legislature may increase, diminish, or eliminate the jurisdiction of the district court or county court in probate matters, may adopt rules governing the filing, distribution, or transfer of cases and proceedings as between the courts having jurisdiction of probate matters, and may provide that all appeals in probate matters shall be to the courts of civil appeals.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment stating that the district court concurrently with the county court shall have the general jurisdiction of a probate court, and providing the jurisdiction thereof, and further providing that in any probate proceeding the district court shall also have jurisdiction otherwise conferred upon it by law, and further providing that the legislature may increase, diminish or eliminate the jurisdiction of the district court or county court in probate matters, and further providing that the legislature shall have power to adopt rules governing the filing, distribution and transfer of all such cases and proceedings as between district courts, county courts, and other courts having jurisdiction thereof, and further providing that the legislature may provide that all appeals in such matters shall be to the courts of (civil) appeals."

NUMBER SEVEN ON THE BALLOT (H.J.R. 6)

Article III, Section 49-b of the Texas Constitution is amended to:

Provide for an additional \$100 million in bonds or obligations of the State of Texas for the Veterans' Land Fund. This amendment increases the present \$400 million authorization to \$500 million.

Remove the present provision which permits buying of land only by those veterans who served between September 16, 1940 and the date of formal withdrawal of United States troops from the armed conflict in Viet Nam. This amendment would allow all veterans who serve after September 16, 1940 to buy land from the Veterans' Land Fund, provided they are otherwise qualified.

Provide that, in the event of the death of an eligible

Texas veteran after the veteran has filed with the Board an application and contract of sale to purchase through the Board the tract selected by him or her and before the purchase has been completed, then the surviving spouse may complete the transaction.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to provide for an additional \$100 million in bonds or obligations of the State of Texas for the Veterans' Land Fund."

NUMBER EIGHT ON THE BALLOT (S.J.R. 29)

Article XI, of the Texas Constitution is amended by adding a new Section 5(a) which:

Authorizes and requires incorporated cities, towns, and villages, regardless of population and notwithstanding the constitutional limitations on total tax rates, to levy such annual ad valorem taxes on the taxable property in the city, town or village as are necessary to pay the principal of and interest on, when due, the general obligations hereinafter issued by the city, town, or village. The legislature is empowered to limit by general or special law the total principal amount of general obligations which may be issued, but unless and until the legislature acts to do so, the limitations established by statute with respect to the total principal amount of bonds which may be issued by independent school districts shall apply as the rate limitation on cities, towns, and villages.

The wording of the proposed constitutional amendment as it appears on the ballot is as follows:

"The constitutional amendment to authorize cities, towns, and villages to levy such ad valorem taxes as are sufficient to pay the principal of and interest on their general obligations hereafter issued subject to the restrictions provided by law."

NUMBER NINE ON THE BALLOT (S.J.R. 25)

Article VIII of the Texas Constitution is amended by adding a new Section 2C which:

Allows the Legislature, by general law, to exempt all real and personal property used by non-profit water supply corporations or cooperatives from all property taxes. The exemption would apply only to such property as is reasonably necessary to conduct the business of a non-profit water supply corporation or cooperative.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment authorizing the legislature to exempt from property taxes certain property used by a non-profit water supply corporation or a non-profit water supply cooperative."

Don't crawl along with old fashioned heating

-Switch to ELECTRIC and Conserve & Save!

When you heat electrically, you use only the fuel necessary to provide the warmth, no pilot light needed! It's clean, controlled and dependable - and oh, so comfy!

For real savings: Buy no larger unit than needed to do the job, insulate & weather-strip your home, keep filters clean, set thermostat at 75° and have unit serviced once a year.

In Those Days

ONE YEAR AGO
Sept. 21, 1972—Funeral services were held for Walter N. Ramsay, 90, long-time local resident. In a garden ceremony, Maggie Lew Stockton became the bride of Ronnie Allen Middleton. Curly Hays of the Abilene office of West Texas Utilities was to address the Lions Club ladies night honoring the local school teachers.

FIVE YEARS AGO
Sept. 19, 1968—Billy Williams was growing a crop of sunflowers on the J. Tom Williams place in Reynolds. Twirlers pictured were Mona Wagoner, Kay Mann, Lisa Whitten, Judy Hanusch, and Debra Murr. Lori Williams was mascot. Dr. L. L. Morris of Midland was to be evangelist at the Fall Revival getting under way at the Baptist church. The Fall fund drive for the Boy Scout council was being lined up, with Bill Rountree as general chairman assisted by Eldon Calk, institutional representative. HemisFair 68, a World's Fair at San Antonio to commemorate the 250th anniversary of that city's founding, was in its waning days. October 6th was the final day, and the Eldorado Eagle Band was scheduled to give a performance on October 5th. The fair was predicted to fall far short of the 7-million attendance needed to break even financially. Conversion of the fair site into a civic center lay in the future. Sandra Rosford was elected president of the Future Homemakers chapter. Shane Henderson was secretary. The first Fall P-TA meeting was set for Monday, with Mrs. Ledbetter, a state officer, to meet with officers and plan the coming year.

12 YEARS AGO
Sept. 21, 1961—At a Lions Club ladies night, Fred Watson received his 15-year Monarch Award and the Good Citizen Award. Funeral services were held at Alpine for 8-year-old Gary Lee Bryant, grandson of Mr. and Mrs. E. R. (Pete) Bryant of this place. John Murr had his five-year-old Chevrolet stolen. A daughter was born to Mr. and Mrs. Lynn Griffin and a son to Mr. and Mrs. Fred L. Speck. Mr. and Mrs. John Williams, Mr. and Mrs. Marvin McAngus and Georgeann, and Mrs. Kyle Neill of Midland attended funeral services at Kerrville for Mrs. Arthur Rea. Danny Burk was named a junior member of the American Hereford Association. The Rev. and Mrs. C. M. Nyquist visited in Enterprise, Kansas, where they participated in the 50th anniversary observance of the Methodist church. Rev. Nyquist was a former pastor of the church. The Kenneth Doyle family were in Iran. Ernest K. Nimitz was back at A&M after spending some time in Colorado and here with home folks.

65 YEARS AGO
Sept. 26, 1908—Frank Meador has accepted a position as clerk at Mrs. T. P. Robinson's store. E. M. Barbee has bought a fine set of cotton scales and will be in the market to buy your cotton. The Mayer Telephone Company wish to thank the liberal hearted enterprising businessmen and citizens of Eldorado who contributed to the building of their phone line from Eldorado to Mayer. The new line has been completed. Prof. J. B. Smith reported that enrollment in the local schools had reached 165. Mrs. Mogford and Sister Miss Geter will be at T. L. Benson Co. on October 2nd and 3rd with a full line of Ladies Hats. J. P. Hodges was in from the Doty and Campbell ranch Wednesday and reports everything doing fine on the ranch. N. C. Hudgens and Lewis Holland have bought the meat market from Mr. Wilson at Christoval and Mr. Hudgens and family will move to Christoval about October 1st. W. H. Williams, the postmaster at Thorpe, was in here visiting his family who are here for school purposes. J. T. Veech of Red River county is visiting his cousin, L. H. Elder. Mrs. O'Hair and granddaughter Miss Berry, who have been visiting her daughter, Mrs. S. I. Nicks for several weeks, returned home the first of the week by way of Del Rio.

Community Calendar

Mertz To Testify On Predator Problem
Two top sheep and goat association officials were scheduled to leave San Angelo Wednesday for Washington, D. C., where they are scheduled to appear before the House Agriculture Committee. Mort Mertz, Eldorado ranchman and president of the Texas Sheep and Goat Raisers' Association, and Bill Sims, San Angelo TS&GRA secretary, plan to appear before Chairman W. R. "Bob" Poage's committee Thursday morning, at a meeting scheduled to consider the predator problem in the United States, and particularly in the Southwest.

Garden Check List For September

1. Prepare beds for planting bulbs and winter annuals.
2. Divide, transplant, and establish perennial beds including Cannas, Bearded Iris, Daylilies, Violets and Shasta Daisy.
3. Complete digging, drying and storing Gladiolus corms.
4. Continue to water when needed.
5. Spray roses at regular intervals for Blackspot and Mildew control. Mildew is especially prevalent this time of the year. Use Benlate or Karathane.
6. Fertilize and water Chrysanthemums.
7. Clean established garden beds. Cut back or pull out faded annuals.
8. Purchase Tulip bulbs and chill in refrigerator at 35 to 40 degrees for 60 days.
9. Make final selections of spring flowering bulbs.
10. Consider a third application of insecticide for chinch-bug control if prevalent in the neighborhood.

Transplanting Time For Iris
Bearded iris, a perennial requiring little maintenance, should be transplanted now in preparation for spring flowering. In preparing and selecting beds for growing iris, remember that they require good drainage and full sun. In poorly drained soil, crown and root rot can be a problem. It is suggested planting in raised beds using redwood timbers or brick and mortar. Allow prepared beds to settle before planting. Proper preparation includes mixing a complete fertilizer with the soil to a depth of 12 to 18 inches. When reworking an old established bed of iris select only the strong, healthy rhizomes for replanting. Divide them with a sharp knife and discard any diseased or stunted plants and the old woody sections. To plant the rhizomes, build a cone-shaped mound of soil in the bottom of the bed with the top of the cone almost even with the surrounding soil surface. Place the rhizome on top of the cone with the roots spreading down and the leaves placed in the direction you want them to grow. Place plants 12 to 18 inches apart. Cut iris foliage only to aid in transplanting or to remove diseased areas. When transplanting, cut the foliage back to one third of its original size. After planting, water only enough to settle the soil around the roots; then give the plants a good soaking every 10 to 14 days until established.

Baptist WMU To Hold Installation of Officers
The W. M. U. of the First Baptist Church will hold an installation service for all the officers and leaders in the organization for the new church year on Monday afternoon, Sept. 24, at the church. The Bible Study Group, led by Mrs. T. P. Robinson, will meet at 2:30 and installation services will be held following the Missionary Bible Lesson. All the women are invited to attend this meeting, whether they belong to WMU or not. All officers and leaders are especially urged to be present. A planning meeting will be held following the installation of officers. Mrs. Bascom Hartgraves will serve as installation officer. Mrs. Robinson will teach the Bible lesson.

Extension Service.
The Extension Service, through its county agents, has applications for the grants as well as additional information on the program. Applications are also available at post offices, high schools and state employment offices.

DUPLICATE BRIDGE, SEPT. 13:
Sarah Hall and Jan Mobley, 1st; Lottie Puckett and Fred Adkins, Sonora, 2nd; Ebba Ann and Bobby Barber of San Angelo tied with the Jerroll Sanderses for 3rd.

The Eldorado Eagles dropped their second game of the season to the Ozona Lions 13 to 0 Friday night on their home field. But the margin of loss of much less than the 34 to 6 loss to Ozona in 1972. The game Friday was filled with numerous turnovers from each team. Cervantez rolled up 121 yards on 24 carries to lead the offensive attack for the Lions. Pete Maldonado and Oliver Payne had 58 and 57 yards respectively for Ozona. The leading rusher for the Eagles was Mike Manning with 19 yards on 4 carries. Ken Peters rushed for 17 yards in 7 carries. Each team punted 3 times for an average of 22 yards: One of Ozona's punts was blocked by Frank Martinez. Ozona scored first with 1:23 left in the first quarter. The extra point failed because of a bad snap from center. The Eagles held the Lions until the fourth quarter when Ozona drove in from the Eagle 22, thus ending the game with a score of 13-0. A drive by each team ensued but neither squad could score as the clock ran out.

Miss Amstead Becomes Bride Of Mr. Pennington In Odessa Church

MRS. MICKEY RAY PENNINGTON

Mr. and Mrs. Mickey Pennington will be living in San Antonio after a wedding trip to Mexico. The couple were married Saturday in Odessa. The Rev. Frank Seaman of Westminster Presbyterian church officiated.

Parents of the bride, the former Miss Barbara Jane Amstead, are Dr. and Mrs. R. H. Amstead. Mrs. Evelyn Wimer of Eldorado is the mother of the bridegroom. Mrs. Sam McLlland, organist, and Barbara Acreman, soloist, presented wedding music.

The bride wore an ivory silk organza gown with long fitted sleeves, fitted waistline, lace on the full skirt and detachable chapel train.

Maid of honor was Polly Hundley of Austin, and bridesmaids were Kay Mary Kober of Arlington and Mrs. Sam Meador of Dallas.

Kenneth Pennington was best man. Groomsman were Michael Hale of San Angelo and Rusty Meador of Eldorado. Ushers were Robert Walker of San Antonio, William Amstead, the bride's brother, Jerry

Ivn Pennington of Amarillo, the bridegroom's brother, George Thorne of San Antonio and Robert Bean of Menard. Blair Pennington was ringbearer.

A reception in the home of the bride's parents followed the ceremony. Reception houseparty included Miss Emily Gilmore, Mrs. Phillip Zeek, Mrs. Joseph Conally, Mrs. W. T. Speller, Mrs. E. Warner, Dr. and Mrs. V. R. Cardozer, Mr. and Mrs. John Ben Shepperd, Mrs. R. C. Thompson and Mrs. W. B. Maton.

The bride is a graduate of Austin High School and the University of Texas College of Pharmacy, where she was a member of Alpha Delta Pi, Kappa Epsilon Women's Pharmacy sorority, the senior cabinet, and on the Pharmacy Council.

Her husband is a 1968 graduate of Schleicher County High School, Schreiner Junior College and UT Austin where he received a BBA degree. He was a member of Phi Theta Kappa honor fraternity, Delta Sigma Pi professional fraternity, Reader's Theater and Drama

Miss Kuykendall And Wes Wade Marry

MRS. CHARLES WESLEY WADE

Miss Lonette Susan Kuykendall became the bride of Charles Wesley Wade Saturday in First United Methodist Church with the Rev. Fred Cox, pastor, officiating.

The bride is the daughter of Mr. and Mrs. Lonnie C. Kuykendall of Barnhart, and the bridegroom is the son of Mr. and Mrs. Jack Wade. Karen Hight performed wedding music.

Mrs. Danny Boyer of Dallas and Jackie Wade of Austin, the bridegroom's brother, were honor attendants. Charlet Kuykendall of Barnhart was bridesmaid, and Norris Sauer was groomsman. Ushers were Brian Holsey, Renmond Kuykendall and Danny Boyer of Dallas.

The bride wore an A-line gown with long sleeves and a high neckline.

A reception in the church hall followed the ceremony.

Mrs. Wade is a graduate of Iron County High School. Her husband, a graduate of Eldorado High School, attended Angelo State University one year and is employed in San Angelo, where the couple will live.

The bridegroom's parents hosted the rehearsal dinner in a local restaurant.

THE FRED RAMON BUILDING will be open on Thursday, September 20th from 9:00 to 11:00 a.m. for a give away. So stop by. There might be something you can use.

SALES PADS, just 10c each at the Eldorado Success office.

Spraying Of Cotton Started Here Saturday

The Schleicher County Cotton Association recently accepted a bid from Joe Freeman of Ballinger to spray approximately 6,000 plus acres in this county.

"Over 90% of the cotton producers and 95% of the cotton production is signed up in the Schleicher County Diapause Weevil Control Program," reports Jerry Swift, Schleicher County Extension agent.

Billy Williams, president of the Schleicher County Cotton Association, reported that spraying was to start Saturday.

Other officers in the association are Leonard Lloyd, vice president, and Wayne Mikeska, secretary-treasurer.

Directors include Earl Lloyd, Eilo Wilde, Charles Pfluger, Kenith Homer, Peyton Cain, Weatherly Kinser and Edgar Sauer.

Two Prospectors Set

Amoco Production Co., Odessa, will drill two 7,900-foot wildcats in southwest Schleicher county, 26 miles southwest of Eldorado and the vicinity of the three-well Turkey Roost (upper lower Pennsylvanian gas) field.

The No. 1F Edwin S. Mayer Jr., 1/2 mile west of the firm's No. 2-B Edwin S. Mayer Jr. which has assured gas production, is 3/4 mile southwest of the nearest production in the Turkey Roost field and 1 3/4 miles north of an 8,554-foot failure.

Location is 1,320 feet from the north and east lines of 100-5-GC&SF.

The No. 2-F Edwin S. Mayer Jr., 3/4 mile southwest of the No. 1-F Mayer, is 1,020 feet from the south and 1,320 feet from the west lines of the same section.

The firm's No. 2-B Mayer, in 5-5-GC&SF, 3/8 mile south of the nearest production in the Turkey Roost field, assured production with the flowing of gas at the rate of 1.65 million cubic feet daily on a 15-64-inch choke and Pennsylvanian perforations at 7,028-054 feet. It was continuing to test.

Slated as an 8,000-foot wildcat, it was drilled to 7,405 feet.

The failure, Shell Oil Co. No. 1-C Humble-Mayer, was abandoned April 24, 1956. It topped the Strawn at 8,222 feet and the Ellenburger at 8,378 feet on elevation of 2,263 feet.

1974 Chevrolet
A better-than-ever way.

When the wheel belongs to you, the road goes anywhere you say. And it's so much better with a '74 Chevrolet.

Caprice Classic. Introducing an elegant motor car, just asking to be enjoyed. Outside: an imposing new grille, and on the Coupe, a distinctive new roof line. Inside: peace, quiet and convenience. With standard power steering to do most of the turning, standard power front disc brakes to do most of the stopping, and a standard Turbo Hydra-matic transmission to do the shifting. If you want the luxury and comfort of a car that leaves little else for you to do but enjoy the ride, you don't have to look beyond the '74 Caprice Classic. However, the freedom of the open road begins with the freedom of choice:

Vega GT. This year's version of last year's *Motor Trend* Economy Car of the Year. (And *Car and Driver* Readers' Choice as Best Economy Sedan for the last three years.) With a reshaped nose, bigger bumpers, nicer carpeting, new stripes and new colors. Plus more good things to make it better. See what it's like to drive a winner.

Camaro. The way it looks is the way it goes. Quick, sleek and nimble. With a low, wide stance, responsive steering. And comfort that's rare in a car that handles so well. Plus classic new styling, and plushness from the cut-pile carpeting up.

Malibu Classic. A luxury Chevelle, new this year. With full foam seats. A fold-down front armrest. Wood-grained vinyl accents. Elegant inner door panels. Extremely tasteful upholstery and cut-pile nylon carpeting.

That's just inside. The exterior is just as classic, in character and in detail, as the interior. Yet, it remains mid-size. And, it remains all Chevelle. With Chevelle handling and at a Chevelle price. Now that you've looked, come and see the new Malibu Classic—and all the 1974 Chevrolets. The ones shown here, plus Impala, Monte Carlo, Nova, Corvette, pickups, vans and all our new cars and trucks.
