## Mercer Starts Studies At Medical School

Galveston, Tex.—Jimmy R. Mercer, son of Mr. and Mrs. Harry Mercer of Eldorado, is one of 205 prospective physicians comprising the freshman class at The University of Texas Medical Branch this fall.

As one of the oldest medical schools in the nation and the 8th largest in the United States, UTMB has approximately 303 full time and 244 part time faculty members for the total student enrollment of 736, with 200 sophomores, 174 juniors and 157 seniors.

These future doctors, the majority from throughout Texas, will work through four information-packed years and rotate through every medical department before selecting their specialty and receiving their M. D. degrees. Due to the high competitiveness for medical school, these students were selected according to their personal qualifications, motivation, scholarship ability and probability of professional success.

The freshmen will begin their curriculum with the basic science program, followed by the clinical science core and the track program. In-depth information about the basic sciences and general clinical work in the various medical specialties provides students with the necessary background material for making a decision about their future medical specialty. The track program in the fourth year provides the student with opportunities for learning about patient care in their chosen field.

A few exceptional students will complete the courses and the rotations in only three years in order to begin their internships and residencies a year earlier.

The UTMB class of 1977 will provide Texas with the largest graduating class of future physicians in all fields of medicine.

## Byrl Clayton Winner Of Coach Of Year Award

Killeen, Texas.—Central Texas College Coach Byrl Clayton was notified recently that he has received the 1973 Junior College Coach of the Year Award. This award came as a result of voting by the coaches whose teams were represented at the National Junior College Tennis Tournament championship held at Ocala, Florida, in June. At that tournament, CTC's tennis team captured the National Junior College Tennis Tournament championship.

In commenting that being chosen by the coaches made the honor more meaningful, Coach Clayton said, "If I were going to get it, I'd rather have these people (coaches) do it." He continued, "It's a real hard thing to pick. Even though we won the national title, who is to say that the guy that finished fifth didn't do a good job? You have to gauge the material and what a coach did with it."

Coach Clayton said, "People recognize that sometimes coaching isn't that hard. My main job is to see that the players don't slip into bad habits, and that's a constant job. They might get a little lazy, wait for the ball instead of meeting it or toss a little out on the serve."

During the five years CTC has had a tennis team, it has placed third, fifth, fourth, second, and first in the national tournament under the capable direction of Coach Clayton.

While at La Marque (Texas) High School prior to coming to CTC, Coach Clayton's teams won four state titles, were runners-up once, and took first in five regional and four district competitions. The 99-7-1 record included two undefeated seasons.

Coach Clayton's family echoes his interest in tennis by being very active in tennis competition also.

Coaching record: High School—Dual Matches. Won 99, lost 7, and tied 4.

College: Won 63, lost 16, tied 4. National NJCAA Rankings: 1973 1st, 1968-69 3rd, 1969-70 5th, 1970-71 4th, and 1971-72 2nd.

Coach Clayton began his tennis coaching career at Eldorado High School, by accident. Supt. Holcomb found out that he was beating all the other faculty members.

He won Eldorado's 1st district tennis championship in 1959. The team won it all, boys singles and doubles and girls singles and doubles. Daughter Ilene was the single winner. She later won three other district championships and placed 2nd in the state in class 3A. Brother Danny won the state 3A title three times, once in doubles and twice in singles.

Coach Clayton taught industrial arts and driver training at EHS. Mrs. Clayton taught in the elementary school.

## Mrs. Wyndell Yates Buried Last Wednesday

Services for Mrs. Wendell (Bonnie) Yates, 52, of 1817 North, San Angelo, were held last Wednesday in Johnson's Funeral Home Chapel followed by interment in Eldorado cemetery, with J. G. Bunyard, lecturer of Business Men's Bible Class, officiating.

Mrs. Yates died the preceding Monday night in Shannon hospital after a sudden illness.

She was born Aug. 10, 1921 in Schleicher county and was married to Wendell Yates on Feb. 22, 1941 in Eldorado. She had lived in San Angelo the past 30 years and was a Baptist.

Survivors include her husband; a son, Ronnie Yates of San Angelo; a daughter, Gwenlyn Holcomb of Olathe, Kan.; a sister, Mrs. Orval Edmiston of Eldorado; two brothers, L. D. Mund of Eldorado and Charles T. Mund of New Braunfels, and three grandchildren.

Pall bearers, all from Eldorado, were Jack Halbert Jr., Elton McGinness, Jack Jones, Ed Meador, J. P. Enochs and John Mayo.

FIRST PRESBYTERIAN CHURCH of which Gordon Garlington is pastor, will have charge of the service this Sunday afternoon, Oct. 7th, at the local Nursing Home.

The Public is cordially invited to attend the 12th Annual Meeting of the Edwards Plateau Historical Association which will be held in the Community Center at Eden, Texas, on October 6, 1973.

Registration: 9:00 to 9:45 a.m.  
9:45 Call to Order by Mr. George Stoepler, president E.P.H.A.

Mr. D. W. LeFevre, Program Director, has arranged some interesting excerpts of the Early History of Concho County; Rich Coffee; Plant Springs, and Experience as a Texas Ranger.

12:00 noon. Lunch.  
1:15 p.m. Business session.

## Oil News

### Gas Field Designated

The Petroleum Corp. of Dallas, has been granted field designation of Page Ranch (Canyon) for its No. 1-51 Whitten, fourth Canyon producer in a five-well Canyon gas distillate area of Schleicher county, six miles northwest of Eldorado.

Potential was taken April 4, 1973 for a calculated, absolute open flow of 4.45 million cubic feet of gas per day, with gas-liquid ratio of 60,516-1, through perforations at 6,512-535 feet.

Location is 1,150 feet from the south and 467 feet from the west lines of 51-LL-GC&SF.

By Jerry Swift

#### Garden Check List For October

1. Apply a complete fertilizer to the lawn in early or mid-October at the rate of 15 to 20 pounds of 8-8-8 or equivalent per 1,000 square feet of area. In areas where cool season grasses are used they are in active growth at this time. The warm season grasses (Bermuda and St. Augustine) will be better prepared for the winter dormant season.
2. Repair that sagging fence gate by installing a wire and turn-buckle from the upper corner of the hinge side to the lower corner of the latch side. It will save your temper as well as the gate as you carry leaves and do other fall garden chores.
3. Take time to observe the brilliant colors of many of our native plants. Consider including several of these in your landscape where adapted and suitable.
4. In the mid-winter areas of Texas plant petunias now for a bright splash of color during the winter and spring.
5. As October brings the gardening season to a close, give thought and attention to gardening equipment. As you clean tools and implements mark those needing repair so you can either do it yourself or take them to the shop during the slow season so it will be ready when needed next spring.
6. A bucket or tub of dry sand, to which a small amount of oil has been added, provides an excellent means of cleaning soil working tools.
7. Re-pot house plants. Use a rich garden soil or better yet, purchase one of the packaged potting soil mixes from your nursery or garden center. This will help eliminate many insect and disease problems.
8. Plant spring flowering bulbs and bulb-like plants in late October through November. Precool tulip bulbs for 45 to 60 days at 40 degrees F. The vegetable drawer in the refrigerator makes an excellent chilling area.
9. Check broad-leaved evergreens and Camellia, Gardenia, Holly, and Eucalyptus for scale insects. If present they can be controlled by spraying with dormant oil, Malathion, or Diazinon. Do not use oil if temperatures of 85 or higher are predicted within a few days.
10. Dig and store Caladium Tubers if they are large and healthy.
11. Continue to rake leaves and add to compost pile. Moisten all leaves thoroughly as they are placed in compost bin.
12. Prepare Tulip beds for those bulbs being chilled for November planting.
13. Control brown patch on lawns.
14. Flowering annuals to sow in October include: Cornflower, Larkspur, California Poppy, Sweet Alyssum, Bluebonnets, and Drummond Phlox.
15. Prepare pansy and sweet-pea beds.
16. Be ready to plant pansies and calendulas as soon as the started plants are available in the nurseries and garden centers.
17. Stake mums to protect from fall wind and rain.
18. Collect dried seed pods, pine cones, grass plumes, etc., for fall and winter bouquets.

#### DUPLICATE BRIDGE

Winners September 27th:  
Mrs. Hayden Callan, Menard, and Mrs. Winnie Jackson, San Angelo, 1st;  
Sue Barber, San Angelo, and Hayden Callan, Menard, and Myrta Cash and Margaret Frost, tied for 2nd;  
Carol Love and Melissa O'Harrow, 2rd;  
Jan Mobley and Sarah Hall, 4th.

### Methodist Notes

The Methodist Church Junior Sunday School Class had a skating party in San Angelo Sunday afternoon. Nine attended. Mrs. Kay Patton is the teacher. Mrs. Patton and Cathy Niblett took the group up and a good time was had by all.

This coming Sunday is Promotion Sunday. All persons who are to be promoted and their parents should be present.

The local church will join in World Wide Communion Sunday on October 7th.

Jimmy Dan and Mike Doyle spent the week end visiting their father, Jimmy Doyle, and grandmother, Mrs. Bessie Doyle.

### STATE CAPITOL—

#### Special Session Urged

Atty. Gen. John Hill has joined in the demand that Gov. Dolph Briscoe call a special legislative session on a wide range of child welfare matters and school finance laws revision.

Briscoe, who heard of the recommendation while attending the Southern Governors Conference in Alabama, said he has not changed his mind about need for a special session at this time. He made clear that means he doesn't intend to call one.

Hill also released his report on licensing of Artesia Hall, the East Texas child care facility which was closed last summer after reports of serious mistreatment and even a murder charge there.

While he, in effect, said W. Kendall Baker of Houston, a former State Welfare Board chairman, and House Speaker Price Daniel Jr., did nothing wrong in serving as attorneys for the Artesia Hall owner, the attorney general advised a law curbing legal practices before state boards by former members. He also suggested restrictions on legislators practicing before state agencies.

Hill concluded there were no improper payments or inducements to get Illinois children placed in Texas child care institutions by that state's welfare officials.

The attorney general conceded, however, that there appeared to be a certain amount of "winning and dining" of the Illinois officials.

He criticized hiring out of Texas Welfare Department employees part-time to private child care facilities. The Welfare Board, meanwhile, voted to fire its former director of social services, who had been on the payroll of private institutions.

#### Attorney General's Opinions

The Parks and Wildlife Department may contract with utility or water districts for water and sewage services in state parks, Attorney General Hill held.

In other recent opinions, Hill concluded:

—The State Department of Public Welfare must continue to license child care institutions for the emotionally disturbed.

—State employees may receive merit salary increases in both years of the fiscal period, but the amount spent for such raises can never exceed the monthly maximum no matter how much money is available.

—Beaumont has authority to donate park land to the State Department of Mental Health and Mental Retardation for use in building a hospital, without need for an election, but public hearings are required.

—Out-of-state and out-of-county witnesses can be paid reasonable expenses for their appearances in court cases.

### MISS MARILYN MORGAN'S ENGAGEMENT TO WILLIAM ROSS WHITTEN ANNOUNCED

MARILYN MORGAN

bride elect of William Ross Whitten

Mr. and Mrs. Doyle Morgan of 406 Hightower in Sonora have announced the engagement of their daughter, Marilyn, to William Ross Whitten, son of Mr. Morris Whitten of Eldorado.

The couple plan to be married December 29th in the First United Methodist Church in Sonora.

The bride elect is a 1972 graduate of Sonora High School, and is a sophomore at Texas Tech University in Lubbock.

The prospective bridegroom is a 1969 graduate of Eldorado High School and a 1973 graduate of Texas A&M University. He is currently a graduate student at Texas Tech University.

By—Bill Boykin

#### Texas Press Association

Austin, Tex.—"There'll be no 'right-to-work' law in the proposed new Texas constitution," predicted Lt. Gov. Bill Hobby and Bill Hartman, Beaumont Enterprise-Journal, at a meeting of the Texas Daily Newspaper Association last week.

Answering a question from a newspaperman at the summer meeting of the Texas Daily Newspaper Association in Guadalajara, Mexico, Hobby and Hartman said the Texas Constitutional Revision Commission will not have "right-to-work" in the proposed constitution which will be submitted to the legislature in November. Hartman is a member of the commission.

"It will be impossible for 'right-to-work' advocates to get the two-thirds vote necessary to get it back in the constitution at next year's Texas Constitutional Convention," Hobby added.

The convention—beginning in January—will be writing a new constitution to present to Texas voters in 1974.

Hobby also told the Texas publishers that the most important change for the commission and Concon is reorganization of the executive branch. "Texas state government now spends \$5 billion a year with no one in charge," he concluded. "Under our present constitution we have the weakest 'office of governor' in the nation."

#### Youth Council Shaken Up

Leadership of the Texas Youth Council was shaken up in the wake of recent "semi-riots" at Gatesville Boys School and a court finding that discipline is too harsh at several state institutions for youth.

Dr. James A. Turman resigned as TYC executive director, a post he has held since 1957, and Robert Kneebone quit as chairman.

The Board named W. Forrest Smith of Dallas as new chairman of TYC and Ron Jackson, 23, of Brownwood as acting director.

Smith told the House Committee on Human Resources TYC "needs a little settling time and a little of the pressure taken off" before it can move toward new goals. Smith said the council will comply fully with the rulings of Federal District Judge William Wayne Justice at Tyler that it end certain disciplinary practices used against youth school inmates.

Mrs. Van O'Harrow and son Pat visited in Galveston recently with Carolyn and Jimmy Mercer. They also visited the Space Center, the Battleship Texas and Cavella submarine, while in that area.

### EVERYONE HAS THEIR OWN LITTLE CHORE

Even Dixie the elephant has a hand in getting the circus ready when it comes to town. Above is shown Dixie helping to set up the big top of the Fisher Bros. Circus.

If you are interested in seeing her do her part in erecting the show, drop out by the circus ground (south of town) next Monday. The show is brought to Eldorado by the Lions Club for two performances at 6:00 and 8:00 p.m. that day.

You will also see the various members of the circus family doing their part in getting the circus ready to entertain you. Some of the actors will be getting their props and equipment inside the tents. Others will be washing or cleaning costumes. The property man will be hanging trapeze rigging, setting up the ring curbs, etc. Canvas men will be getting the tent up and the seats in place. The animal men will be seeing that their charges are fed and watered and readied for the performance.

and most important to everyone concerned, the cook will be preparing tasty meals for all employees.

Many people who come to the circus never stop to think of all the efforts that have been made to make their visit an enjoyable one, and others wonder how all this is accomplished in so short a time. If you are one of these persons, you and anyone else who wish are invited to the show grounds to see Dixie and all the other circus employees get things done in so short a time. Dixie and most of these people will also take the tent down again as soon as the show is over. Everyone has a job to do, everything has a special place to be loaded and seldom is anything ever left on the lot after the circus has left town.

Bowen of Austin to the Governor's Committee on Aging and designated him to continue as committee chairman.

Dr. David T. Kelly of South Carolina will head the Division of Program Development of the Coordinating Board, Texas College and University System.

Clayford T. Grimm of Austin will serve as managing director of the Texas State Building Materials and Systems Testing Laboratory, a consortium of nine state universities seeking to find innovative materials and methods in building.

#### Short Snorts . . .

Some 420 Texas cities collecting sales taxes received \$52.8 million from the source during the quarter which ended June 30.

The federal government probably won't approve Texas water quality standard, but the state won't lose anti-pollution funds, according to the Environmental Protection Agency regional director. Texas Offshore Terminal Com-

mission set December as target date for completion of its report on feasibility and location of offshore deepwater ports for oil-carrying supertankers.

Hearings have been rescheduled for October 3 in Houston and October 4 in Corpus Christi on locations of proposed liberty ship fishing reefs.

Texas city, county and other political subdivisions will receive the entire allocation of local funds from the Land and Water Conservation Fund Program for the next fiscal year—about \$1.7 million.

Sequin has American Revolution Bicentennial Commission of Texas executive committee endorsement as a Texas Bicentennial Community.

Next year's Southern Governors Conference will be held in Texas. The host city has not been selected.

The Constitutional Revision Commission wrapped up its work amid predictions the legislature may not pay much attention when it convenes as a constitutional convention next January.
