The class members are all set to receive their diplomas Friday night and Callan Graham of Junction will be speaker.

Federal Holiday Set For Monday

Monday, May 31st, is designated as a Federal holiday for Memorial Day. All federal offices including the post office will be closed on that day, but it will be business as usual for nearly everyone else.

HISTORICAL SOCIETY

By JANNETTE WILKERSON

The time has finally arrived! We are ready to start accepting items for the Museum. By the time this goes to press we will have the Museum ready to start rolling. We have the floors to clean and the shelves to dust but our office will be set up so anyone having articles to donate or loan please contact our acquisition committee. They have no set rules or guidelines as yet but this is a Schleicher County Museum so anything pertaining to the history or culture of this County will be acceptable as a gift. Loans are definitely acceptable; however, there will be a few guidelines to follow since we cannot be responsible for anything except to promise to take the best of care of everything. Hubert Graves, Ethel Etheredge and Dick Bearce are on this committee. Ernestine Hext is our bookkeeper in charge of records and she is already at work cataloging the items we have received already. We are most interested in getting pictures of our first settlers and any pictures of interest when the county was first organized. Elizabeth Ballew is in charge of pictures and you may contact her if you have any of interest that you want to loan or donate. Adah West Bowder is decorating the bathroom and the tile should be finished this week. We are desperately in need of help to decide how to display the articles and anyone interested please come by and help.

Ernestine Hext, Elizabeth Ballew and Margaret Frost worked Wednesday evening cutting and putting the carpet down in the office. We bought a filing cabinet from Leslie Baker and Elizabeth Ballew loaned a desk so the office is ready. We still need a manual typewriter.

The Junior Girl Scout Troop 224 have made a donation to the Museum and we hope to purchase a flag pole or flag with this money. Many thanks to Troop 224.

Our park has been at a standstill for some time but the trees are coming out nicely and we hope to get the grass planted this week. We have two living flags to plant in this park area and hope they will be in full bloom by June 26th.

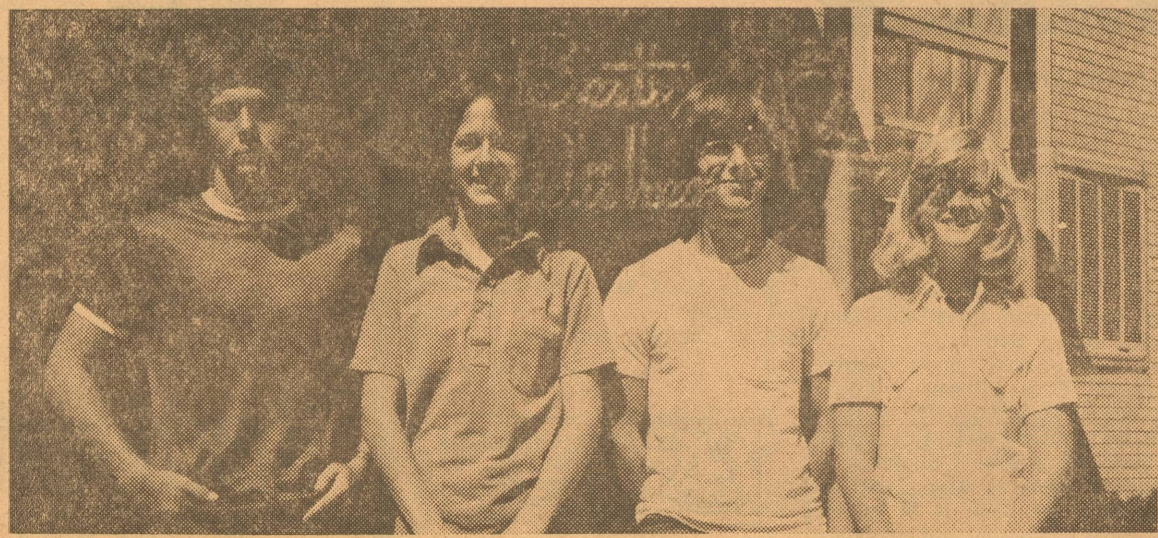

Mrs. B. E. Moore and Mr. and Mrs. Joe H. Moore sent a nice donation in memory of Mr. B. E. Moore, Mr. Jack Whitley, Sonny Moore and Ethel Green. Mr. Moore and Mr. Whitley were long time residents of Schleicher county.

In the San Angelo Standard Times of May 30, 1950 there was an article with pictures of the opening of the Memorial and Lib-

rary Building. The Woman's Club had a fine arts and hobby show and the social committee in charge was composed of Mmes. Ed Meador, Carl Stevens, W. F. Meador, James Page, Claude Meador and John Stigler. Mrs. Payne Robinson displayed photos of her students. Mrs. Robinson had been teaching in Eldorado at that time since the early 1920's. In the picture with Mrs. Robinson were two of her former pupils, Mrs. Marvin McAngus and Mrs. Ruth Harper. Handpainted china and etchings held a prominent position in the show. Mrs. Elder and Mrs. J. D. Ashmore were discussing Mrs. Elder's paintings. Imported dolls also figured in the show and also cup and saucer displays. Ann Ballew, Dale West and Ellen Wheeler displayed their dolls. Subject of both interest and surprise was Jack Ratliff, businessman, who displayed his handmade afghans. Mr. Claude Meador and Mr. Ratliff were in this picture and Jack said, "I whipped these up in my spare time." Mrs. Archie Mittel was the outgoing president of the Women's Club in 1950 and Mrs. J. E. Spencer was the incoming president. Of special interest to Eldoradoans was the memorial table which featured pictures of Schleicher county citizens who died in World War II. The Memorial Building, where the exhibit was held, had been dedicated to the memory of seven who died in the line of duty and to the service of some 300 others. Now 26 years later we will be having the opening of the Schleicher County Museum. Times have changed and many have passed on since the opening of the Memorial Building but the people of Schleicher county are still the same hard working, interested people who organized this county back in 1901.

Fifty-three years ago the graduating class of 1922-23 consisted of 14 boys and girls. They were Delta Roothie, Secretary and Treasurer of the class, Richard Bearce, Athletic editor of the year book; Carrie Brown, Paul McWhorter, Mary Bruton, Lora McDonald, Margie Clark, Sallie Cheek, Zeila Shugart, Leslie Baker, Minnie Ramsel, Truett Stanford, Eddie Mae Finley, John McElroy, Seleme Stewardson, and Herrin Ramsey. Leslie Baker was president of this class for the first term and must have had very good training in school and is now president of the First National of Eldorado. Mr. B. J. Bruton was Science teacher and Superintendent. Mrs. B. J. Bruton, History; Miss Marie Noelke, Miss Etta Manskee, English; and Miss Mab Hill, Mathematics.

Student Council Officers Were Recently Elected To Serve For Next Year

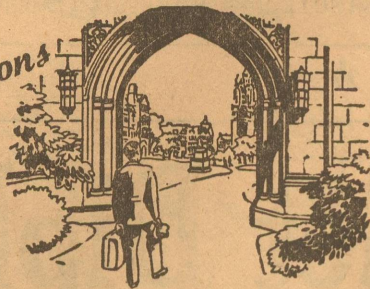

STUDENT COUNCIL OFFICERS for the 1976-77 school year: Mark Thornton, president; Gynna Jay, recording sec.; Willie Day, corresponding sec.; and Susan Warnock, parliamentarian. Not shown is John Ben Cawley, vice president.

BILLY WILLIAMS shows residues from last year's grain sorghum left on the surface to protect land from wind erosion. Williams was chosen as Outstanding Conservationist by the Eldorado-Divide Soil & Water Conservation District.

Billy Williams, local farmer and rancher, was named Outstanding Conservationist by the Eldorado-Divide Soil and Water Conservation District. Billy was presented to the Eldorado Lions Club where Club President, Ronnie Mittel, presented him a plaque for his outstanding work. Freddie Williams, District Conservationist, presented a slide presentation illustrating conservation in action on the Billy Williams Farm.

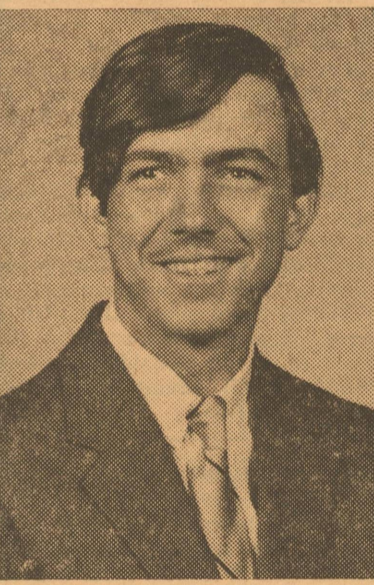

Many practices have been completed by Williams. Cross-fences were installed to divide the ranch into seven pastures allowing a good rotation system to be utilized. Approximately one-third to two-thirds of the ranch is deferred each year. Windmills, submergeable pumps and water storage facilities have been installed.

Mesquite trees, along with prickly-pear and tasajillo, were controlled by tree-dozing and basil treatment. Terraces have been installed to protect land from erosion and conserve water to grow crops. Milo and cotton are grown in rotation. All residues are returned to the soil to increase organic matter and aid in the prevention of wind erosion.

Austin, Tex.—Two runoff races on the June 5 Democratic ballot are turning into tough contests.

State Rep. Jon Newton, 35, of Beville, and former Land Commissioner Jerry Sadler, 68, of Grapeland are attacking each other heavily in the Railroad Commission race.

Carl Dally, 52, of Houston is heating up his own campaign for the Court of Criminal Appeals against W. T. Phillips, 63, of Waco, although in a more-restrained, judicial key.

Newton hammers hard on Sadler's record as land commissioner in the 1960's. He notes Sadler put in less than fulltime at the job and was once investigated for having an employee of the land office working in a hotel at Palestine.

Newton also labels Sadler as a figure from the Great Depression, noting his opponent's 1939-42 service on the Railroad Commission.

Sadler retaliates by terming Newton an "embryo energy expert," not yet born when he (Sadler) began his single term on the oil, gas and transportation regulatory agency. The former commissioner also dwells at length on Newton's financial aid from oil industry representatives and recently claimed the young lawmaker once voted against investigation of the Sharpstown scandals.

Dally claims better qualifications than Phillips on strength of his service as a commissioner in aid to the court for five years and questions whether his opponent (who led in first primary voting) has been active in practicing criminal law during recent years.

Student Council Idle? Hardly !!

The Student Council is the single most important student organization in school, but it gets the least recognition for its efforts.

This organization is representative of the entire student body. Its members are elected by the individual classes. The Student Council is sponsored by Ken Thomas.

Everything the Student Council does is for the benefit of the students. It provides a variety of interesting programs through the Southern Assembly Organization, gives dances, and is the vehicle for voicing student body opinions to the school board, superintendent and principal.

Of course, most of the activities promoted by the Student Council take money.

Their means of raising money are somewhat limited, but in the past year members have sold stadium cushions and light bulbs, had concession stands at games, and have auctioned the Freshman class as slaves to the upperclassmen.

The money the Student Council makes doesn't have much of a chance to build interest in the bank. It is a rare occasion when they have money left at the end of the school term. Most years they barely break even, but this year there is a surplus of \$700.

The money is spent in many ways. Donations to organizations like West Texas Boys Ranch and the American Cancer Society take a chunk out of the fund.

The money from the slave auction goes for a band for the Twirp Dance.

Each year the Student Council provides gifts for Mr. and Miss E. H. S. as well as pins for its members.

This year the Student Council took it upon itself to replace the money stolen from the Menard players during a football game.

Their biggest investment this term was the purchase of a new marquee, which cost them \$1700. It has been erected between the Highway and the old tennis courts.

The local Student Council is a member of the Texas Association of Student Councils, the National Association of Student Councils, and the West Texas Forum of Student Councils.

The officers of the Student Council for next year are as follows: Mark Thornton, president; John Ben Cawley, vice president; Gynna Jay, recording secretary; Willie Day, corresponding secretary; and Susan Warnock, parliamentarian. The group are pictured on the front page of this week's Success issue.

Girls Softball

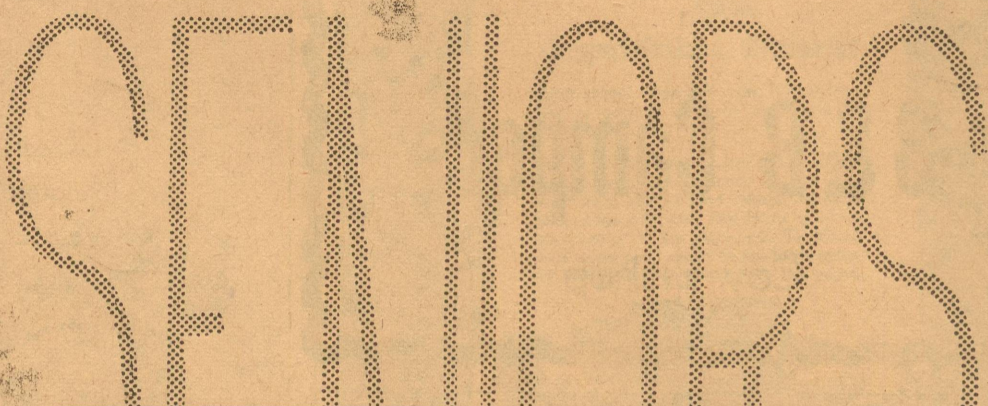

Pumpkins fall to Squaws, and Phillies edge Cardinals. Squaws gained an easy victory over the Pumpkins the evening of the 13th at the girls softball field. This game was a part of the new recreation program of girls' softball. Pitching for the Squaws is Lozano. All the Squaws seemed to be hitting against pitcher Stephanie Thomas of the Pumpkins. The Squaws brought in 22 runs to the Pumpkins 7 runs. All the girls put forth their best effort and are reasonably new to this sport. The second game of the evening was the Phillies vs. Cardinals. This game was a little closer matched with the Phillies bringing in 6 runs and the Cardinals bringing in 5. Pitcher for the Phillies is Arispe. She had three strikeouts for the evening. Pitcher for the Cardinals is Martinez. The game that was set for Monday, May 31, is canceled because of final tests at school that week. Everyone is welcome to come out and watch the girls' game. The next games are set for June 1st at 4:00 and 6:00. Be sure and bring your lawn chairs because the stands are not built yet.

Folklife Festival Evnts Set At Kerrville This Week End

How many children have seen a sheep sheared, a horse shod, a blacksmith's forge, or a spinning wheel or hand loom used? One of the most outstanding collections of these historic arts and crafts in the nation can be seen at the Texas Arts and Crafts Fair in Kerrville on May 29-30-31. Over 50 pioneer artisans will demonstrate pioneer crafts in the atmosphere of an old-fashioned country fair. The ladies of the Dwyer Community will have a quilting bee. Others will make bonnets, do tatting, bobbin lace, crochet, needlepoint and embroidery.

A fleece to fabric demonstration will take wool from shearing the sheep, carding the wool and spinning it into yarn on a spinning wheel to dyeing the wool with natural dyes. Then the yarns will be woven into woolen cloth on a hand loom. And, to complete the demonstration, making the soap with which to wash the cloth. That's right. Grandma's Lye Soap!

Old western movies were right about one thing. The newspaper was one of the most important places in town, just as it is today. A 76 year old master printer and engraver and his daughter will bring an antique Washington press

and an equally old proof press from Waco. Repro proofs from both presses will be given to fair visitors for souvenirs. Actual metal etchings will be made on the fairgrounds. These handmade etchings are being widely recognized as an art form in themselves.

Woodwork was a necessity for frontier families: Fair visitors will watch cowhide bottom chairs crafted from native Texas woods. Or listen to the gentle strum of a dulcimer or the twang of a mouth bow played by the 74 year old gentleman who made them entirely by hand.

An antique woodwork tool collection will be explained by an expert in woods. He also shows youngsters how to use hand tools. A log cabin will be constructed on the grounds during the fair.

Pottery making is almost as old as man. Yet the process, except for the electric potter's wheel and a few glazing and firing techniques, has changed little through centuries of time. A potter's wheel, a table for hand throwing and a kiln will be operated constantly by Texas potters during the fair.

The atmosphere of an old fashioned country fair lends a fun filled background for the 200 contemporary artists and craftsmen that make up the remainder of the fair. Strictly juried from 560 entries, the fair shows the finest of Texas arts and crafts.

Then add some of the best Texas cooking, and the beautiful tree shaded site on Schreiner College

campus. Country-western and folk music also take fair visitors back to the days of early Texas and to "Texas Goodtimes" on the Memorial Day week end in Kerrville.

This big event is designed for family enjoyment. Write for free brochure to Texas Arts and Crafts Foundation, P.O. Box 1527, Kerrville, Texas 78028.

Special Show Set At Indian Reservation

Indian Village, Texas.—An original Indian Variety Show, unique from the beginning, has scheduled four performances at the Alabama-Coushatta Indian Reservations spacious Sundown Theatre May 27-29 at 8:00 p.m. From the pomp of colorful Indian dancers, to a hoop dancer using over 15 hoops in his solo performance, to the elaborate choreography of modern American dances and the solemnity of an Indian sign language of the Lord's Prayer, these are only parts of the unusual entertainment presented by the Lamanite Generation. The troupe is predominantly all Native American students from Brigham Young University in Provo, Utah.

The Alabama-Coushatta Indian Reservation invited the international touring troupe to bolster the Reservation's observance and salute to America during the Bicentennial Year. The Lamanite Generation is scheduled to appear in many Bicentennial events throughout the country this summer. Their appearances are a result of a joint effort by the Indian Reservation staff and Mr. Dean Baxter of Atlantic Richfield Company of Houston. Mr. Baxter is a keen enthusiast of Indian programs.

The Lamanite Generation, formed in 1971 by Creative Director Janie Thompson, was formed to display the talents the Native Americans possess. This talent has only recently been seen in 13 separate tours throughout the United States, Canada, Mexico, Central and South America. They have been billed as top talents in Chicago's famed Opera House, Jones Hall in Houston, Disney World in Florida and a host of Indian communities.

Tickets range from \$2.00 to \$10.00 and may be purchased by writing Lamanite Generation, Route 3, Box 640, Livingston, Texas 77351 or calling 713/563-4391. All seats are reserved with the proceeds going to establish an education fund for the Alabama-Coushatta Indian students.

Spirited COOKING

DREAMY CREAM PIE

A dessert that can look exceptionally elegant can also be easy to make. Give it a few whirls and add a couple of chocolate curls and you have a cream pie with class.

BOURBON CREAM PIE

- 3/4 cup sugar
- 1/4 cup cornstarch
- 1/2 teaspoon salt
- 1/4 cup Bourbon whiskey
- 2-1/4 cups milk
- 3 egg yolks, slightly beaten
- 1 tablespoon butter
- 1 teaspoon vanilla extract
- 9-inch baked pie shell, cooled
- 1 (1 oz.) square semi-sweet chocolate, at room temperature
- 1 cup heavy cream, whipped

Combine sugar, cornstarch and salt in saucepan. Gradually stir in Bourbon and milk, mixing until smooth. Bring to boil over medium heat, stirring. Boil 1 minute, stirring constantly. Remove from heat.

Stir half of hot mixture into egg yolks, mixing well; pour back into saucepan. Bring back to boiling, stirring. Boil 1 minute longer and remove from heat. Stir in butter and vanilla and pour immediately into pie shell. Chill. Shave chocolate curls off semi-sweet chocolate square, using a vegetable parer. Chill. Garnish pie with whipped cream and chocolate curls.

The difference between a well-bred and an ill-bred man is this: One immediately attracts your liking, and the other your aversion.

Along the Potomac River... close to the Pennsylvania border... and near Washington, D.C., our nation's capital...

It's fun to look at the whole world, and then put your finger on the place where YOU live. It makes you realize how important you are!

During this Bicentennial year we know that EVERYBODY in our nation is important. People can own land and houses and tractors. They can read the truth. They can think for themselves, and say what they think. They can assemble together to celebrate, or plan - or protest.

And they can worship God... in the church they choose... and bring their children... and support their church... and volunteer their talents in its work.

Nobody can padlock God's House - or turn it into a museum!

Here's where I live, THANK GOD! We thank Him best by using ALL our freedoms...
