Lions Vote Cash Gifts To Scout Programs

At their meeting last week at which Pat Ragsdale presided, the Eldorado Lions Club voted cash contributions of \$150 each to the Boy Scout and Girl Scout organizations. The \$300 will further the Scouting programs.

Also at that same meeting, the Club elected the officer slate recommended by the nominating committee to serve the 1974-75 club year. Guy Whitaker as president will head the club during the upcoming year. He and his co-officers will come into office officially on July 1st.

The Queen's Program is set for the night of April 22nd. Winner of the event will represent the club at the District Queen's Contest at the District Convention in Sweetwater in May.

At the Lions Club meeting this week, Sgt. Frank Perkins of San Angelo, with the Texas Department of Public Safety, was scheduled to give the program.

Travis Williams, chairman of the Safety committee, is program chairman for this month of April.

ELIZABETH IS 12

Elizabeth Brame was honored Saturday with a get-together on her 12th birthday. Those present were Libby Stark, Toney Fatheree, Gwen Gunstead, Lorrie Griffin, Sigrid Head, and Jolynn Jay.

The group visited several points of interest in San Angelo.

Nursing Home News

It's been a fun week at the Nursing Home.

Jewel Hodges came by Wednesday and helped us with our activities. She also donated some beautiful handkerchiefs for bingo prizes.

Mrs. Hallie Parker and Georgia Springstun were our bingo champions this week winning two games each. Other winners were Mrs. Gertrude Nixon, Mrs. Emma Rexroot, Mrs. Ella Casbeer, and Mrs. Lizzie McCalla. After bingo we all enjoyed a lively basketball game. Hattie Blaylock won first with Gertrude Nixon taking second and Flossie Crawford coming in third. The prizes for this game were donated by Winnie Jackson. We want to thank both these ladies for helping make our activity hour a success.

The United Pentecostal church held services Sunday which were enjoyed by all.

Mrs. Hixie Potter had out of town company Sunday: Mr. and Mrs. Lee Crump from Abilene.

That's all for this week. Come see us! Rep.

Methodist Notes

The Youth will meet at the First United Methodist Church on April 7th at 5:00 p.m. for food, fellowship and guest speaker, the Rev. Jack Hooper from St. Luke's in San Angelo.

The Administrative Board met Wednesday evening.

The study group met Wednesday evening in the Dick Pearce home.

There will be a church rummage sale put on on sometime after Easter. Mrs. Jo Ed Hill is chairman of arrangements and those having articles to donate may call her and they will be picked up. Details and further arrangements will be announced later.

New Babies

A son was born in Midland Memorial Hospital at 6:08 a.m. March 28th to Mr. and Mrs. Steve Blaylock. The baby weighed 7 lbs. 11 oz. and has been named William Jeffrey. The mother is the former Mary Ann Page.

Grandparents are Mr. and Mrs. James Page and Mr. and Mrs. Billy Frank Blaylock, of Eldorado.

Great-grandparents are Mr. and Mrs. W. A. Blaylock of Eldorado. The Blaylocks have one other son, James Jay, age 18 months.

ELDORADO RIDING CLUB will meet Thursday, April 4th, at 8:00 for a covered dish supper.

Mrs. Sybil Blair spent the weekend in Austin visiting Mr. and Mrs. Kenneth Pennington and family.

Ballots To Be Delivered
Success printers expect to turn out the ballots this week end for the First Democratic Primary set for May 4th. Absentee voting will get under way in the County Clerk's office about the middle of the month.

Locally, we have contests for County Judge, and for Commissioners of Precincts 2 and 4.

On the higher level, main interest is centered on race for 21st District Congressman. For the first time in a generation, the Congress race is "open" since O. C. Fisher announced his retirement.

Easter Cantata Set
The Community Choir under direction of Mrs. Robt. McWhorter will present the cantata, "Hallelujah For The Cross" Palm Sunday Evening starting at 7:00 in the First Baptist Church.

The presentation will culminate many weeks of rehearsals on the part of the choir members and should be a highlight of the Easter season here. Most Eldorado churches will dispense with their own services Sunday night in order for their congregations to attend the cantata.

Baptists To Host Open House
The presentation of the cantata Sunday night will also coincide with Open House at the Baptist Church, which underwent a major renovating last winter. Those who attend the cantata will see the remodeled auditorium, and after the cantata presentation, there will be Open House with refreshments served downstairs. Mrs. Bob Sykes is chairman of arrangements.

In next week's issue of The Success we will carry some Easter greeting advertisements. You are welcome to look over our selection of ad layouts.

Also, here is a special word to local pastors of churches and their assistants: You are invited to turn in your church's plans for Holy Week and for Easter Sunday.

Please have these in no later than Monday morning.

The big Spring Sale is continuing at Foxworth-Galbraith building materials center. Since Springtime is when many homeowners think of sprucing up the old homestead inside and out, it's a good time to look things over and then buy the needed supplies during the big sale now going on.

Skeet Mace and his crew report that response to the sale has been good.

The 8th annual Eldorado-Divide Soil and Water Conservation District Plant Identification and Range Judging contest is set for this Saturday, April 6th, at Walter Pope ranch eight miles southwest of Ft. McKavett. Details are given in the SCS column on page 5.

With our subscribers: Mr. and Mrs. W. B. Terpening are returning to their home in Eugene, Oregon, after spending the winter in Mesa, Arizona.

Stevens Realty at Box 364, Leander, Texas 78641, is a new subscriber.

Junior-Senior Banquet Set For Saturday

Members of the Junior class of EHS are busy this week decorating the main room of the Memorial Building for the Junior-Senior Banquet to be held Saturday night.

Theme of the banquet is traditionally kept secret until the time of the event.

News Of The Sick

Sandy Donaldson continues convalescence in a Houston hospital where he had surgery last week.

His mailing address is: E. G. Donaldson, St. Luke's Hospital, 15Y427, Houston, Texas 77025

Fred Gunstead was confined in the local hospital over the week end and went home Monday.

Mr. and Mrs. Billy Jack Reynolds and family spent the week end in Van Horn visiting the Wm. Sauer family.

District 9-A Track Meet To Be Held Here Friday Afternoon And Night

The Eldorado Eagles will be among the top teams contending for winner of District 9A this Friday, April 5. Eldorado will be host to the District with the preliminaries beginning Friday afternoon and finals that night. The times for these will be announced after a meeting of the District committee on Tuesday.

Boys participating in Track this year are: Seniors, Michael Ferguson, David Yocham, Timmy Farris, Gene Nixon, and Ken Peters. Others participating are Billy Donaldson, Jimmy Cawley, John Ben Cawley, Jimmy Bosmans, Alan Hall, John Tacker, Mark Thornton, and Jaime Minor.

The Eagles started this year at the McCamey track meet on March 2nd. The 440 Relay team placed 3rd. Ken Peters won 1st in the 100 yd. dash, and Timmy Farris placed 5th in the 220. Billy Dean Donaldson won 1st in the Discus and Peters 4th in the shot put. Gene Nixon won 2nd and Farris was 4th in the high jump, and Nixon was 2nd in the long jump.

The following week end they were in the Robert Lee Invitational Meet and placed third with 63 points behind Sonora with 73, and Miles 67. The results were: 440 Relay won 2nd, Ken Peters won 1st in the 100 yd. dash, Timmy Farris placed 5th in the 220, and Jimmy Bosmans was 3rd in the Mile run. In the field events Gene Nixon was 3rd and Timmy Farris was 4th in the high jump, Nixon was 3rd in long jump, Billy Dean Donaldson was 1st in the Discus, and Peters was 5th in the shot put.

On March 16th the Eagles hosted the Plateau Relays. Big Lake Owls were the winner with 120 points, followed by Winters with 90, Eldorado with 81 and Sonora with 75. The 440 relay placed 2nd running a 45.8 behind the Owls' 45.4. Ken Peters ran a 10.5 to take 1st in the 100 yd. dash, Timmy Farris won 1st in the 440 yd. dash, and placed 3rd, with Peters running 6th, in the 220. Jimmy Bosmans was close behind 1st place Reagan Co.

miller to take 2nd in this event. B. D. Donaldson placed 3rd in the discus, and Peters came in 4th in Shot Put. In the long jump Gene Nixon placed 3rd, and Farris was the 1st place winner of the high jump, clearing 5-10.

The next week-end found the Eagles in Brady and they were in competition with some double A schools—one of which was Hamlin who had won State last year and was fielding the track team this year. This week the Eagles were not able to make as good a showing, but did manage 57 points. The 440 Relay team could manage only 4th place this week, and also ran an 880 relay coming in 4th in this event too. In the 100 yd. dash Peters ran a 10.3, but couldn't overtake Hamlin's Johnny Jones who took 1st with a 10.1. Farris ran a good 440 dash but was 2nd to the boy from Early who took 1st place.

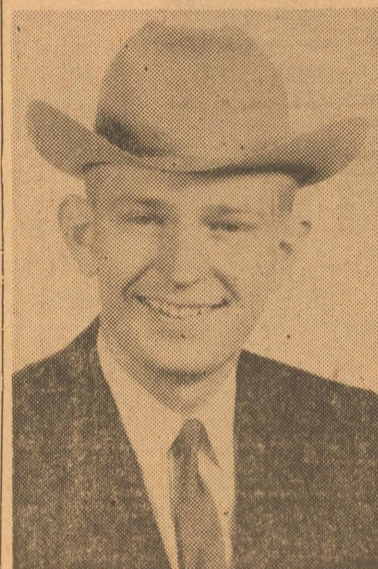

Bosmans managed 6th place in the mile after running a 5:07.6. A sprint medley relay team came in 6th. In the field events Gene Nixon jumped 19.9 in long jump but had to settle for 2nd behind Mason's entry. Farris was 4th in high jump, Donaldson 3rd in Discus, and Peters 4th in shot put.

This past week end the Eagles were the runnerup team of Class A schools in the annual San Angelo Relays. They were without miler J. Bosmans, and discus winner of other meets, Billy Dean Donaldson. Without these participants the Eagles had 74 points to finish behind Sonora's 100 points for 1st place. The 440 relay composed of Michael Ferguson, Timmy Farris, Gene Nixon, and Ken Peters ran a 45.3 to take 1st place. Timmy Farris ran his best time this year—a 52.9 to capture third place in the 440 dash, then ran a 23.2 for 4th place in the 220 dash. Ken Peters ran a 10.2 in the 100 dash for 2nd place. In the field events Timmy won 1st and Gene 2nd in the high jump; Gene jumped 20.4 to take 1st in the long jump and Ken was 4th in the shot put. Friday at the District Meet the

Local Elections Are To Be Held Here Saturday

Eldorado and Schleicher county voters go to the polls Saturday to cast ballots for School Trustees, City Aldermen, and Hospital District directors, and the latter has the only contest.

Last Of The Original Hospital Directors

RONNIE MITTEL

It was nearly seven years ago when a county-wide election was held on Saturday, May 20, 1967, and voters approved a County Hospital District, and approved \$450,000 in bonds for its construction.

On Monday morning, May 22, County Commissioners met, canvassed the vote, and named seven men as the first Hospital District Directors. These seven were:

- Carroll Ratliff
- Ronnie Mittel
- Bill Watson
- Oran Enochs
- Ed Meador
- Peyton Cain, and
- Elton McGinnes.

When these seven met in their first official meeting, they named Carroll Ratliff as chairman, and Ronnie Mittel as secretary.

These seven directors had the job of getting the project under way. They had to buy and get title to several lots as location for the hospital. They had to engage an architect, and finally grant contracts to lowest bidder.

It was almost two years later on a Sunday in February, 1969, when visitors were invited to the formal opening of the new Schleicher County Hospital, and from that point on it was in business.

To the original seven directors goes the credit for getting things going. In the next year or so Bill Watson and Oran Enochs went off and their places were filled by new directors. In following years Elton McGinnes, Carroll Ratliff and Peyton Cain retired.

Eagles will be hoping to have more team members qualifying for the finals thus enabling them to have a chance to be the winning team. The boys who place 1st or 2nd at District will be eligible to go to Regional.

Why not make your plans to attend this track meet and boost the Eagles on to another victory!

Hospital Director

Voters will go to the Memorial Building to vote for four Hospital District Directors. Names on the ballot are:

- Cley Atkins
- Curtis Andrews
- Mike Moore
- Maggie Davis
- E. C. Peters.

This is the only contested local election this year. Polls will be open 8:00 a.m. to 7:00 p.m.

City Aldermen

City of Eldorado voters will go to City Hall Annex to vote for three city aldermen. Names on the ballot are:

- Pat Ragsdale
- Frank Bradley
- Jimmy Doyle.

Unless someone promotes a write-in campaign, little interest is foreseen in this election, but you are urged to go by and vote anyway and give the nominees your backing.

School Trustee

Voters will go by the school to vote for school trustees. Two are to be elected, and the names on the ballot will be:

- Lynn Meador
- Dan Griffin

Here, too, barring a write-in campaign, the election result is foregone, but again you are urged to cast your ballot in support of them.

For all these elections, voters must be registered in good standing in order to vote.

New Vehicles For Month Of March

During the month of March, the following new vehicles were registered in Sheriff Orval Edmiston's office:

Stockmen Warned About Sand Shin Oak Poisoning

Stockmen should be on the alert for sand shin oak poisoning in their livestock. Sand shin oak is toxic to livestock when the plant first buds in the spring. And, with the plant beginning to bud, stockmen should keep livestock out of pastures where sand shin oak is abundant, or they should take other steps to reduce losses from possible poisoning.

One such measure is to provide a good supplementary feed. A feed containing calcium hydroxide is more effective. Studies have shown that a feed containing 10% calcium hydroxide (by weight) protects calves fed post oak free-choice. Post oak has toxins similar to shin oak.

The Texas Agricultural Experiment Station has developed a ration that has proved effective in warding off sand shin oak poisoning. It contains 600 pounds ground alfalfa, 1,080 pounds of 41% cottonseed meal, 120 pounds of vegetable oil and 200 pounds of calcium hydroxide. The ration should be creep fed to calves, and cows should receive about four pounds a day.

Sand shin oak poisoning can be very serious in livestock if left uncontrolled. Annual losses in Texas have been estimated at more than \$10 million. And, with grazing conditions short in many counties this spring, livestock will be more prone to graze the toxic sand shin oak. So, be on the alert.

Use Transplants For Early Gardens

Use of transplants means an earlier harvest of most home garden vegetables. Transplanting allows plants to start growing in protected areas before the danger of frost is over. Starting your garden from transplants often avoids some of the hazards common to young seedlings, such as birds, insects, heavy rain, weeds and damping off, and fungal disease.

Crops which are normally direct seeded in the garden include the root crops, beans, peas, corn and many vine crops, such as squash and cucumbers. Crops such as tomatoes, peppers and eggplant almost always do better when transplanted in the garden.

Whether you buy transplants or grow your own depends on whether you can buy the varieties you want and how you feel about starting from scratch.

If you grow your own transplants, then success will depend on a few basic requirements. You must have a disease-free growing medium. You must also be able to supply warmth and adequate moisture for seed germination. The plants must be grown in adequate light to result in stocky, healthy plants. And you should harden the plants prior to setting them in the garden.

Almost any type container can be used to start seedlings: Cake pans, milk cartons or any container allowing for one to two inches of a good growing medium is adequate. A synthetic soil mix, such as a mixture of vermiculite and peat moss is ideal for germination of young vegetable seeds. Many home owners prefer to use the ready made peat pellets or fiber pots for seed germination.

Plant most seed to a depth of about one-half inch. Water the seed and place the containers in an area where temperatures will remain between 75 and 85 degrees. Place the seedling container into a plastic bag to prevent drying out. No additional watering is needed until the seeds have sprouted.

Once the seedlings have emerged, remove them from the plastic bag and keep them in full sunlight. After the young plants have reached the proper size for transplanting, it's always a good practice to "harden" them before setting them in the garden. Place the young plants on a doorstep or patio for several days so they can adjust to outside conditions.

When transplanting the young plants in the garden, plant them only slightly deeper than they were growing in the containers. Be prepared to protect the young plants from a late frost or from high temperatures and ripping winds. With care and attention, you will be enjoying fresh, nutritious, and tasty homegrown vegetables in a short time.

Get Lawn Mower Ready For Use
Get your lawn mower ready for

the season ahead by giving it a complete check and overhaul. First check the fuel system and then service the rest of the machine.

Try starting the engine after draining out last year's fuel and refilling with fresh gas. If the machine doesn't run, the problem might be not enough gas flowing into the cylinder, too much gas flowing into the cylinder, or no ignition.

Not enough fuel flow can be remedied by pouring a teaspoon of gas through the spark plug port into the cylinder. Flooding can be prevented by opening the throttle completely and cranking continuously until the engine starts. The fuel flow can also be restricted by gum that formed from gas left in the tank. Alcohol can be put in the gas tank to dissolve the gum.

Check the ignition by removing the spark plug, grounding the plug base to the engine housing, cranking the engine a few turns and looking for a sharp blue spark across the plug gap. Lack of a strong spark means the ignition system needs repair.

If the engine starts, let it run a short while and then continue cleaning the mower, starting with a general scrubbing with kerosene or fuel oil. Remove and clean or replace the air cleaner filter and replace the crankcase oil.

Disconnect the spark plug wire and check the blade. If it needs sharpening, check the balance afterward by inserting a nail thru the center hole and holding the blade in a horizontal position.

Remove and clean the spark plug and replace if necessary. Lubricate wheel bearings and moving parts as final steps in getting the mower ready for use.

Cordovan Issues Two Books Of Interest

A book which tells the complete story of the slaying of 27 youths in the Houston area has been published by Cordovan Press.

The book, "Mass Murder In Houston," was written by John K. Gurwell, co-author of "Eyewitness" and a journalist with more than 30 years' experience.

The world learned of the torturous slaying last August as the bodies of the 27 boys were disinterred on Gulf Coast beaches, in the Big Thicket near Lake Sam Rayburn, and in a boat shed in a remote section of southwest Houston.

The revelation shocked the world. It was the largest mass murder in modern U. S. history, and one of the outstanding news stories of the year.

But the story came out in fragments, many of them apparently unrelated. Now Gurwell has gathered all those fragments and placed them in proper sequence to produce a book of stunning impact.

The story of Dean Corll, who ran a candy store but whose white van was equipped with hooks and whose bedroom was covered with plastic and furnished with a "torture board," handcuffs, weapons and erotic paraphernalia. And it is the story of Wayne Henley and David Brooks, whom the state alleges were first Corll's friends, then his procurers and, finally, his accomplices.

It also is the story of two detectives, one a wise veteran, a homicide officer for more than 30 years, the other a bright young product of modern police schooling. Together, Lieutenant Breck Porter and Sergeant Dave Mullican "broke" the case and led the gathering of evidence for presentation to a Grand Jury.

And it is the story of the sorrowing people of the Heights area of Houston. The state alleges that the pleasant neighborhood was systematically robbed of its teenagers by Corll, Henley and Brooks.

Step by step, Gurwell takes the reader along the story's path in an hour-by-hour account, from the first hint of murder, sex and sadism to the rapping of the judge's gavel at Wayne Henley's pre-trial hearing. Along the way he interviewed dozens of those involved in the case. He sought the aid and advice of criminologists and psychiatrists. He dug into the back-grounds of Corll, Henley & Brooks and their alleged victims.

"Mass Murder In Houston" is on sale for \$1.75 at newsstands and bookstores across the country.

"Baptists and Bangtails," the controversial book which details the intrigues and political maneuvering in the decades-old battle over pari-mutuel horseracing in Texas, will remain on display in the state's newsstands and bookstores until the May 4 primary election, according to its publisher, Cordovan Press of Houston.

"Demand for the book has increased substantially because the horseracing issue will be on the primary ballot," said Jack Donahue, Cordovan's senior editor. "Many people apparently feel that they can't get all the facts about the issue anywhere else."

More than 200,000 Texans signed petitions to get a horseracing referendum on the ballot.

"Baptists and Bangtails" traces the history of horseracing in Texas, including the pari-mutuel scene in the 1930's and the widespread corruption which led to its outlawing in 1937. It also explains how the pari-mutuel system works, and relates the experiences of other states where the system has been installed.

But much of the book is devoted to the in-fighting between the Christian Life Commission, the Baptists' powerful lobby group, and the various lobbying organizations of racing advocates.

Illegal betting goes on at the scores of small tracks in the state, but it is man-to-man wagering, not man-to-pari-mutuel window. Police and the Baptists wink at this type of gambling, the police because they can't stop it, and the Baptists because they conserve strength to fight pari-mutuel betting every time it comes up for a vote, the book explains. Baptists consider pari-mutuel betting a greater evil than man-to-man betting.

Horseracing draws more fans than any other spectator sport in the country, according to "Baptists and Bangtails." An attendance figure of 73,600,000 was recorded in 1971, for example, compared with 3,400,000 for professional basketball, 29,100,000 for major league baseball, and 41,000,000 for college and professional football combined.

"Baptists and Bangtails" was written by Kent Demaret, Houston journalist and television producer. It sells for \$1.95 at newsstands and bookstores throughout the state.

Do You Have A Sod House Heritage?

Did you ever live in a sod house, a dugout, or an adobe building; or were you born in one? Did you ever teach school, attend school or church services in such a building, or help build one? Or are you a child or perhaps a grandchild of a former pioneer sod house dweller or builder?

If you can answer "yes" to any of these questions, the Sod House Society of America, with headquarters at Colby, Kansas, would like to hear from you. The unique society is making an effort to compile a census of people who have had any kind of personal experience with sod houses, including dugouts, part sod, and adobe buildings, which were once common in the United States, Canada, and Mexico; also the descendants of such persons.

If you are a former sod dweller or a direct descendant of a family that can claim a part of the sod house heritage during the pioneer settlement era of North America, or in more recent times, the society wishes to have the information to include in a permanent historical record of sod, dugout, and adobe dwellers and their families.

To make this survey a success, information is needed from people in all parts of North America. Sod buildings in some form were used in well over half the North American continent. If you have any information concerning present or former sod dwellers, your report of this will be most welcome. Please tell where the buildings were located, and give family names, as well as your own. Reports should be sent to: Sod House Survey of Texas, Colby, Kansas 67701.

Bob Krueger Visited Here Last Week

Bob Krueger, Democratic candidate for 21st District of the U. S. Congress, visited in Eldorado Tuesday of last week in interests of his campaign. He also attended the Woman's Club meeting at which a book review was given.

Congressional candidate Bob Krueger took his active campaign for U. S. Congress to San Antonio, San Angelo, Fredericksburg, and Sonora and Eldorado last week, March 24 to 30.

In San Antonio, Krueger toured eight different nursing and retirement homes to remind senior citizens that, "We must not forget those who passed on to us the land and traditions we value."

In Fredericksburg, the New Braunfels native who spoke German exclusively until he was four years old addressed local residents over Radio KNAF in German.

When Krueger introduced himself to a Rocksprings woman at a Sonora service station, the congressional hopeful discovered that they had been college chums at S.M.U. 20 years ago. Before the woman got away, she promised to host a coffee for Krueger in Rocksprings and to campaign for him.

Annual Pageant Set At Junction

Twenty-Fourth Annual Easter Pageant in the natural amphitheatre below the everburning cross on Lover's Leap southeast of downtown Junction will be presented Easter Eve, April 13.

Starting at 10:00 p.m., the story of the last week in the life of Christ on earth will conclude shortly after midnight with the climactic scenes of the resurrection and ascension on Easter morning.

More than 100 amateur performers, most of them experienced in their roles, will pantomime the story in 13 acts on 14 stages of varying levels, supported by changing lights, script readers and background music.

Twenty-one actors presented the first pageant on three stages the year the pageant and its sponsor, the Men's Bible Class, were organized.

Mrs. Hamp Johnston is director, the third in the history of the pageant, which draws spectators from over the nation and foreign countries. She and all other participants are volunteers. Fred Porter is general chairman.

Thousands of spectators will watch from their cars which will be parked in the valley under direction of Boy Scouts. Free programs will be distributed. No admission is charged. Free coffee is served from the chuckwagon of the late Ranger Captain Gully Cowser.

Sandwiches and soft drinks will be available at a concession stand operated by a service club. Many spectators arrive in time for a picnic supper in the parking area or along Cedar Creek in the Hill Country Fairgrounds.

Easter Seal Drive Still Under Way

Schleicher County's Easter Seal Representative reported today that the 1974 Easter Seal Appeal of the Easter Seal Society for Crippled Children and Adults is going well. Raymond D. Hall of Eldorado serves as Easter Seal Appeal Treasurer for Schleicher County.

The 1974 Easter Seal Appeal will finance the Easter Seal Society's rehabilitation program for crippled children and adults in Texas. Last year the Society helped 20,570 disabled persons through its program of assistance in finding and making effective use of services for the disabled and their families.

The Easter Seal Society helps support 18 treatment facilities in Texas where children and adults not eligible for other assistance are treated. These centers offer physical therapy, medical diagnosis, speech and hearing programs and related services to help the disabled build happier and more useful lives.

As Easter Seal Representative, Raymond D. Hall is the person to contact for services from the Easter Seal Society. He can be contacted at First National Bank.

When contacted for services, Hall will provide the request form to be sent to the Texas Easter Seal Society in Dallas to determine the needs of the disabled person. The Society will provide the service where possible or will advise the handicapped person of the best resources available to help him.

Hall added that contributions to the Easter Seal Appeal should be sent to him as soon as possible.

Pancake Potpourri — Perfect

This recipe for pancake potpourri may be your best friend — especially when you're stuck for an easy, low cost supper idea. Pancake mix gets you off to a quick start; sprinkle the cakes with pieces of diced bologna, whole kernel corn or sliced ripe olives as they bake. Serve in stacks, topped with a rich curried cheese sauce, and ENJOY!

PANCAKE POTPOURRI

Makes 6 servings

- | | |
|-------------------------------------------------------------------------------------|-------------------------------------------|
| Pancakes: | Curried Cheese Sauce: |
| 1 cup pancake mix | 2 tablespoons butter or margarine, melted |
| 1 cup milk | 2 tablespoons all-purpose flour |
| 1 egg | 1/4 teaspoon curry powder |
| 1 tablespoon shortening | 1/2 teaspoon salt |
| 1 cup (about 4 oz.) diced bologna | 1 cup milk |
| 1/2 cup whole kernel corn, well drained or 1/2 cup sliced ripe olives, well drained | 1 cup grated sharp Cheddar cheese |

For pancakes, heat griddle to hot (400°F.). Place pancake mix, milk, egg and melted or liquid shortening in bowl. Stir until batter is fairly smooth. Pour batter onto hot, lightly greased griddle. Sprinkle bologna pieces over eight pancakes. Sprinkle tablespoonful corn or olives over each remaining pancake. Serve immediately with Curried Cheese Sauce (see below).

For sauce, combine butter, flour, curry powder and salt; mix well. Gradually stir in milk. Cook, stirring constantly over medium heat until thickened. Add cheese; reduce heat to low and cook, stirring constantly until cheese is melted.

Wolff Rally Re-Set

As the Constitutional Revision Convention recess draws near, the Nelson Wolff for Congress Campaign activities are beginning to rapidly accelerate.

During most days at the campaign office some 20 additional activities are being added to the candidate's calendar. The Senator is spending much time with the activities of the Convention in Austin while taking every possible opportunity to meet with supporters and speak to civic organizations.

The planned Bexar County-Hill Country Campaign Kick-Off and Rally had to be postponed due to a much needed rain. It has been rescheduled for April 6 at 7:00 p.m. at Turtle Creek Country Club in San Antonio. Retiring Congressman O. C. Fisher has promised to attend the affair and again express his support for Senator Wolff as his replacement in Washington.

Market Report

College Station, Tex.—Although beef prices may drop a few pennies, consumers this week shouldn't complain "any startling changes in meat prices," one observer predicted.

Mrs. Gwendolyn Clyatt, consumer marketing information specialist with the Texas Agricultural Extension Service, The Texas A&M University System, said best beef values will appear on round steaks and roasts, arm and blade pot roasts and steaks, ground beef and liver.

"Most stores will feature a number of chuck cuts and some T-bone steaks.

"Pork values generally will be shoulder roasts and steaks, end-cut loin roasts and chops, smoked ham portions and picnics, Boston butt roasts, and quarter loin cut into chops."

Egg prices are down slightly, with large-size eggs offering the best economy, the specialist added.

"At fruit counters, oranges and grapefruit offer good quality at reasonable prices, and bananas are a good value. Apples, strawberries and pineapples are other choices."

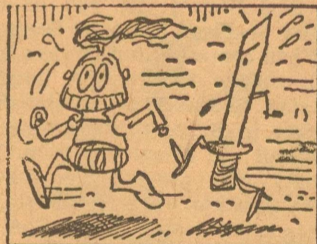

Mr. Clyatt listed cabbage, carrots, celery, bulk turnips and rutabagas as fresh vegetable items in good supply.

Also acorn squash, mustard, collards, turnips and greens.

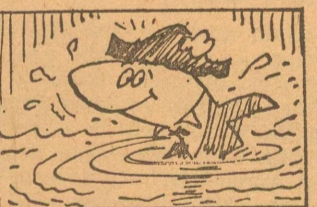

Consumer Watchwords: Sometimes chicken parts make as good a buy as the whole bird, but usually they don't.

When the whole bird is 45 cents a pound, parts are an "equal" buy, if: breast halves with ribs are 50 cents a pound, breast halves without ribs are 61 cents a pound, drumsticks are 46 cents a pound, thighs are 50 cents a pound, wings are 36 cents a pound, and drumsticks with thighs are 48 cents a pound.

The extra cost of convenience is reflected on parts with higher per-pound prices than those listed above.

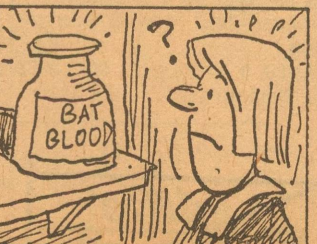

The sword and the stone: it was believed that agates could turn the sword of an enemy upon himself!

GOOD NUTRITION CAN BE DELICIOUS

After a day on the slopes, hiking or your favorite sport, relax with a natural, healthy Date-Carrot Cake, and a tall glass of cold milk. What a wonderful way to get good nutrition.

This Date-Carrot Cake is made with vitamin A rich carrots, high protein eggs plus DROMEDARY Dates for extra goodness. The secret ingredient that gives this cake its special flavor and texture is one cup of buttery RITZ Cracker crumbs. Their richness makes this cake a great pick-me-up and a smashing success for any occasion.

And did you know that RITZ Crackers is having a birthday this year...40 years this delicious crisp cracker has been a popular staple item...ideal for any occasion.

DATE CARROT CAKE

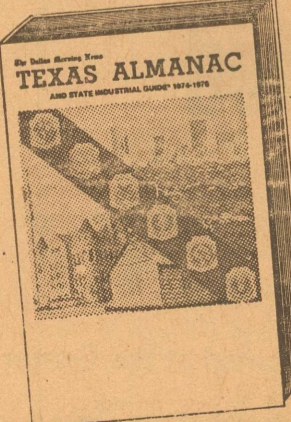

- 1 1/2 cups sifted all-purpose flour 2 1/2 teaspoons baking powder 1 1/2 teaspoons ground cinnamon 1 teaspoon ground nutmeg 1/2 teaspoon salt 28 RITZ Crackers, finely rolled (about 1 cup crumbs) 1/2 cup butter or margarine 3/4 cup granulated sugar 3 eggs, separated 1 1/2 cups coarsely grated carrots 3/4 cup DROMEDARY Pitted Dates, snipped or DROMEDARY Chopped Dates 1/4 cup milk Confectioners' sugar

Sift together first five ingredients; stir in RITZ Cracker crumbs. In large bowl of electric mixer beat butter or margarine and sugar until creamy. Add egg yolks, one at a time, and beat until fluffy. Stir in next three ingredients; then flour mixture. Beat egg whites until stiff but not dry. Fold into batter. Pour into well greased 9-cup Bundt pan. Bake in a preheated moderate oven (350°F.) 55 to 60 minutes, or until done. Cool in pan 30 minutes; then turn out on rack and cool completely. Sprinkle with confectioners' sugar. Makes 12 (about 2-inch) wedges.

Austin, Tex.—Constitutional Convention delegates will take a break from their duties at the end of this week—until after the May 4 primaries.

They voted last week to recess for 30 days after tentative passage of local government and legislative articles—or no later than April 5. They will return at 2:00 p.m. May 6 to finish up.

Delegates approved by a 123-47 margin (with a two-thirds majority, or 121 votes, needed as a minimum) a 60-day extension of the convention after the recess. That means a July 30 final adjournment date whether work is completed or not.

Chances appeared brighter for agreement on a revision document for submission to voters at the general election.

Work already is completed on the preamble, bill of rights, and articles on the executive branch, education, finance, manner of amending the constitution, voting rights and local government.

The article on the legislature is expected to take all week.

Yet to be considered are judiciary and general provisions articles, which stayed in committee longer than any, and the brief article on separation of powers.

All must muster a two-thirds majority vote after the recess before they can be submitted for approval of citizens.

The convention already has cost \$1.8 million. About \$590,900 is left from the original legislative appropriation, which would be enough to run the convention about 30 days beyond May 6.

Insurance Break Due

High risk drivers can get a break in insurance rates under a new plan approved last week.

The State Board of Insurance authorized "upward deviation" from standard rates for those drivers whose records do not qualify them for either reduced or standard premiums.

Phoenix Insurance Company of the Travelers Insurance Group made the first acceptable filing, providing a market for the high risk drivers at 35 to 115% above manual rates for different classes of coverage.

Such drivers have been charged up to 300% above standard.

First National Insurance Company of America (Safeco group) was also approved to provide coverage to higher risk drivers at an additional 15% for all private passenger classes.

Sixty-nine companies have been granted Board permission to sell auto insurance at less than standard rates, and two have permission to sell at greater rates.

Normal Travel Seen

The energy shortage will ease enough by mid-June to insure a near-normal summer travel season in the state, according to Texas Tourist Development Agency projections.

The Sunday gasoline sales ban is the biggest factor in a 6% decline in attendance at major Texas tourist attractions during the first two months of 1974, the tourist agency figures.

Campaigns are being sponsored to encourage Texans to spend their

vacations near home and residents of neighboring states to visit Texas on well-promoted package tours.

Short Snorls . . .

Federal Environmental Protection Agency awarded a \$1.2 million grant to Texas Air Control Board to improve air pollution controls.

R. B. McGowan Jr., Pecos River Commissioner for Texas, was designated to work with the Texas attorney general to obtain enforcement of the Pecos River Compact terms and assure state rights. Texas claims New Mexico has deprived it of a share of water.

Not Selling Out, Fred Case Says

"I have not sold, and am not in process of selling my Schleicher county ranch holdings," Fred Case stated, after receiving a number of phone calls last week.

The ranch property sale reported was property owned by the Jerome I. Case Estate, and the transaction was completed between Jackson I. Case of Garden Grove, Calif., trustee for the estate, and J. W. Field of Irion county, purchaser of the 4-2 section ranch.

The ranch property sold in Schleicher county—reported as "owned by the Case Family"—is not ranch property owned by Fred Case, owner of the Case Ranch of Eldorado; but rather property formerly owned by Fred Case's uncle, the late Jerome I. Case.

District Range Judging Contest Set For April 6th

The eighth annual Eldorado-Divide Soil and Water Conservation District Plant Identification and Range Judging Contest has been set for Saturday, April 6.

The contest is to get under way at 9:00 a.m. at the Walter Pope Ranch 8 miles southwest of Fort McKavett on FM Road 864.

Directors have scheduled the contest early this year in order that it would not conflict with other contests. The idea is to give the teams some good training and a good workout before they get into district, the Sonora Wool and Mohair Show, and state contests. Plans are to have 40 mounted plants and 40 live plants along with the range judging and site identification. Plants for the contest will be taken from the master plant list and coaches can enter any number of teams that they wish.

Directors have hopes that these contests will create more interest

Literary Meet Held Here Saturday

Sonora High School won the District 9-A University Interscholastic League literary meet here Saturday with 128 points.

Robert Lee was a close second with 104 1/2 points while host Eldorado was third with 82. Menard with 75, Junction with 63 1/2 and Wall with 34 rounded out the field.

TO CONDUCT SERVICE

The Primitive Baptist Church will conduct the services this Sunday afternoon, April 7th, at the local Nursing Home.

Some people believe that the sun "shouts" on Easter morning!

Par-Tee News—

The bingo party at the club house last Friday was a big success. Since Easter holidays and the Men's Club Tournament come up in April, the next bingo party will be April 26. Time will be announced later.

All golfers playing now will notice the fairways on the par threes are marked now. Any ball outside the brown lines will be in the rough and played as such.

We notice Bob Page and Raymond Mobley are owners of golf carts now. Seems like we're going to need some additions to the golf cart sheds.

The welcome mat is out for the John Nikolauk family as new members. We notice Ebba Jean is taking lessons from Carroll Ratliff. It's really encouraging to have families with children interested in golf.

Our congratulations to Carroll Ratliff being out hitting balls again and teaching lessons. Nearly every member at one time has had help from Carroll. He's always taken the time to help and is always willing to help anyone. We owe him so much as he has kept our club growing.

We also welcome Mr. T. J. Bailey of Ozona as a new member. We hope to see him over here playing real often.

Checking with our secretary, W. G. Crippin, to date we have 65 members and their families in our club. That sounds like a record.

Sandy Donaldson has undergone surgery at St. Luke's Hospital in Houston and the latest report is that he is out of intensive care and back in his room. We're all thinking of him and looking forward to his homecoming.

A businessman met a local golfer friend on the street one day. "Playing much golf these days?" he asked. "Not much," replied the golfer sadly, "Just in the afternoons." Seems that's a familiar saying around here.

Happy Golfing!

Muscular Dystrophy Drive Set For April 8th

Mrs. Frances Peters, First National Bank, has been named Campaign Treasurer for the April 8th March Against Dystrophy.

On April 8th, Eldorado volunteer marchers will conduct a house-to-house appeal for funds to fight Muscular Dystrophy and related neuro-muscular diseases. Mrs. Peters said, "The drive here in Eldorado is part of the annual nationwide effort to fight Muscular Dystrophy. In the interest of public service and for the convenience of the volunteer marches and donors, the First National Bank of Eldorado will act as depository for the campaign."

Muscular Dystrophy is the devastatingcrippler of young adults. The thousands of Texas residents afflicted by MD need your help as the majority will not grow to maturity unless a cure is found.

RECEIPT BOOKS—Pocket size, and large desk size, for sale at The Success.

The American Cancer Society—

will sponsor a kick off for the residential crusade April 10 at 7:30 in the Memorial Building.

Mrs. Joan Nicholas will speak on the method of contacting the public for donations.

Crusade packets will be distributed and refreshments will be served.

Crusaders are urged to attend. We want to wipe out cancer in your lifetime.

Cadettes Meet

On April 1, Troop 25 met at the First Methodist Church. We discussed our money management. We now have \$45.20. We plan to have a bake sale on April 27th. We are looking for other ways to build up our savings. We are planning to take a trip to Six Flags.

We are having a Fly-Up Ceremony for the present Junior Girl Scouts on April 22. —Rep.

GOOD FRIDAY — THE CRUCIFIXION
 John 19:16-21 & Mark 15:33-39

From The Living Bible

Then Pilate gave Jesus to them to be crucified. So they had him at last, and he was taken out of the city, carrying his cross to the place known as "The Skull," in Hebrew, "Golgotha." There they crucified him and two others with him, one on either side, with Jesus between them. And Pilate posted a sign over him reading, "Jesus of Nazareth, the King of the Jews." The place where Jesus was crucified was near the city; and the signboard was written in Hebrew, Latin, and Greek, so that many people read it. Then the chief priests said to Pilate, "Change it from 'The King of the Jews' to 'HE SAID, I am King of the Jews.'" About noon, darkness fell across the entire land, lasting until three o'clock that afternoon. Then Jesus called out with a loud voice, "Eli, Eli, lama sabachthani?" ("My God, my God, why have you deserted me?") Some of the people standing there thought he was calling for the prophet Elijah. So one man ran and got a sponge and filled it with sour wine and held it up to him on a stick. "Let's see in Elijah will come and take him down!" he said. Then Jesus uttered another loud cry, and dismissed his spirit. And the curtain in the Temple was split apart from top to bottom. When the Roman officer standing beside his cross saw how he dismissed his spirit, he exclaimed, "Truly, this was the Son of God!"

RELIGIOUS HERITAGE OF AMERICA
 WASHINGTON, D.C.

When we become mired in the routine of life, one day is like any other. This was just another working-day for most of the people in Jerusalem.

Three men died on Calvary Hill. One of them was the Galilean!

Business as usual in Jerusalem. Unless we understand the whole significance of what is happening we pay little attention . . .

Do you understand what happened that Friday? Do you realize WHO hung on that central Cross? Do you know WHY He died? And FOR WHOM?

There is nothing more necessary in our lives than the deep, personal knowledge of what happened that Friday . . . and the Sunday following.

Come to Church!
