STATE TAX RATE.

Austin, Texas, August 15, / Texas is a \$2,000,000,000 State, and its rate for State ad valorem taxes is the smallest of any State in the Union.

These facts were brought out to day when the state automatic tax board met to fix the rate for the present year and found that the assessed valuations of the state for 1908 aggregated \$2,160,897,210

This is partially estimated for the reason that three counties in the state have failed to make their reports, among them is Travis county. The other two are Knox and Panola counties. The board figured in Travis county at \$30,000,000 though it will probably reach \$35,000,000.

The board fixed the state ad valorem rate 6 1/4 cents on the \$100 valuation and the school tax at 16 2/3 cents on the \$100 valuation. This is the lowest state rate which has ever been made in Texas and is just half as much as the rate of last year, which was 12 1/2 cents. In 1906 the rate was 20 cents. Last year the school rate was 20 cents.

These reductions in rates are directly due to the full rendition law, and in making them Governor Campbell has fulfilled his promise of last year that the rate would be materially decreased when the full rendition law was put into effect. The automatic tax board remained in session only a brief period and after all announcement of the assessed valuations the rates were immediately determined.—Houston Post.

S. W. Holland was in the city Wednesday, and reports having a royal good time while at the reunion at Ballinger, he said he saw every body he ever knew, something like 6,000 people were there and the barbecued meat was plentiful as well as a delicious flavor.

Attend the opening of school on September 7th.

Stotsenburg's Crack Team Loses to Sec. 9 Nine.

The Camp Stotsenburg post ball team, recently returned from Manila, where they gave a good account of themselves, have been twice taken into camp by a picked team of "Lesser Lights". Friday's game—13 innings. Post Team 2—Picked Team 3. Monday's game—7 innings. Picked Team 5—Post team 0.

The feature of both games has been the fine work of Beefsteak Lohman, striking out 12 men in the first game, and ten men in the 21.—Cable News Philippine Islands

The above clipping came from the Cablenews published in the Philippine Islands, and Beefsteak Lohman is Claud a son of J. H. Lohman, Claud has won several games by his fine work in pitching and will doubtless make a mark as a ball pitcher.

"My father has for years been troubled with diarrhoea, and tried every means possible to effect a cure, without avail," writes John H. Zirkle of Philippi, W. Va. "He saw Chamberlain's Colic, Cholera and Diarrhoea Remedy advertised in the Philippi Republican and decided to try it. The result is one bottle cured him and he has not suffered from the disease for eighteen months. Before taking this remedy he was a constant sufferer. He is now sound and well, and though sixty years old, can do as much work as a young man." Sold by B. E. Earle.

Rev. C. L. Ewing, pastor of the Presbyterian church of Miles, Texas, is expected here to preach in a meeting that is to begin Friday night, August 28.

A Faithful Friend.

"I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy since it was first introduced to the public in 1872, and have never found one instance where a cure was not speedily effected by its use. I have been a commercial traveler for 18 years, and never start out on a trip without this, my faithful friend," says H. S. Nichols of Oakland, Ind. Ter. When a man has used a remedy for 35 years he knows its value and is competent to speak of it. For sale by B. E. Earle.

Why is it that when a new comers or prospectors comes into our city, is that they ask about our school, and then ask about our school building. We have been asked twice this week by prospectors why we haven't built a school building, so we have come to the conclusion that others besides us are interested in schools and want to see good buildings. So Eldorado will have a good drawing card when the new school building is started.

Chronic Diarrhoea Relieved.

Mr Edward E. Henry, with the United States Express Co., Chicago, writes: "Our general superintendent, Mr. Quick, landed me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy some time ago to check an attack of the old chronic diarrhoea. I have used it since that time and it cured me. I am an old soldier who served with Rutherford B. Hayes and William McKinley four years in the 23d Ohio Regiment, and have no ailment except chronic diarrhoea, which this remedy stops at once." For sale by B. E. Earle.

THE MASTER KEY THAT UNLOCKS.

The door that leads to success is business education. Success is achieved by the one who sees clearly the goal of his object and goes straight to it. Young man, there is only one straight road to success, and that road is ability. Ability has never yet lacked opportunity, neither has it remained undiscovered. A great many business men are anxious to secure the services of a good bookkeeper, stenographer, or a general office assistant. To meet the business man's requirements, the applicant must be thorough and practical. To this end and aim we put forward our best efforts and because of our good teaching and superior methods we give our students a better training in three or four months than they can get at others schools in five and six months. Bear in mind, it is only a few steps from Hill's Business College to a good paying position. Every thing is high grade and right up to date. With us you learn book-keeping by keeping books. Our system of shorthand is the best and shortest in the country. It is simplified, and is easy to learn, easy to read and write and is practical. Big summer reduction. Our \$100 combined scholarships are now \$60; \$75 scholarships are now \$50; \$50 scholarships are now \$25, \$35 and \$40; telegraphy \$25; mail course in shorthand \$20, for five lessons.

Excellent Health Advice.
Mrs. M. M. There is more health for the digestive organs in a bottle of Electric Bitters than in any other remedy I know of." Sold under guarantee at I. H. Elder & Son's drug store. 50c.

Letter to J. F. FRANCIS, Eldorado, Texas.

Dear Sir: Here's tale with a point to it, Florida is the hardest state in the Union for paint. Gilmore & Davis Co., Tallahassee, Florida, think they know what paint can do in their climate; they've been painting for 35 years, Devoo ten year; and they say Devoo wears 10 years-their words are: "Buildings we painted Devoo 10 years ago are in good condition of paint today."

They also say lead-and-oil wears only one year there; Devoo 10 years! Ten years is a long lifetime for paint in Florida; longer than 20 in Maine. We don't dare say that either is true as a general fact in those States; but there are such instances.

If we should call the cost of Devoo in Florida half of the usual cost of paint, it would be too much; we suppose it's about one-third; there is so much trash there—the costliest paint is the worst, and the worst is the costliest everywhere.

Yours truly
F. W. DEVOO & CO.
