by Lyndell Williams,
Texas Press Association

Austin, Tex.—Statistics and common sense indicate the 64th Legislature is heading for a wild and crowded finale, and that more bills will die than survive.

This is inevitable with more than 2,200 House bills and joint resolutions introduced.

The system is overloaded, and the tabulations of unfinished business on legislative computers effectively turn turn on warning lights.

Of about 2,400 House and Senate bills referred to House committees, fewer than 500 have emerged.

About 900 bills and important resolutions have been referred to Senate standing committees, and some 500 have come out.

With the exception of constitutional revision, which was effectively and promptly disposed of, most of the session's key business remains unfinished.

Budget bills are still in the Senate Finance and House Appropriations committees.

School finance reform measures are in sub-committees, and seem likely to stay there awhile. Agreement is far from reached on public utility regulatory legislation.

Legislators have their hands full in the next six weeks, and the facts are stacked against any easy way out.

Standards To Be Costly

Federal water quality standards may cost Texas cities, towns and industries more than \$6 billion before 1983, according to a Texas Water Quality Board inventory.

Federal requirements call for complete elimination of pollutional discharges into waters by that date.

The Federal Water Quality Act specifies that every river, stream, creek, lake and coastal area is to be fit for swimming, boating and fishing in eight years.

Texas Water Quality Board estimates the cleanup of city wastewater discharges would cost cities \$400 million a year if their part of the deadline is met. Industries would have to come up with another \$3 billion. TWQB estimated.

Constitution Submitted

Final concurrence by the Senate in House amendments to a proposed constitutional revision resolution sent the issue of a new constitution for Texas to a November 4 statewide ballot.

Campaigns already are shaping up for the eight-section article-by-article rewrite proposals, which are virtually identical to the final recommendation before the 1974 Constitutional Convention. Funds will be provided by the legislature for advertising the document and "educating" voters on its provisions.

Short Snorts . . .

The Senate again passed a bill calling for a study to determine if state agencies are doing adequate jobs and if they should be continued.

A multi-million-dollar alcoholic treatment and rehabilitation program also received Senate approval.

A \$150,000 rural development loan went to Corsicana Industrial Foundation to help finance a tool and rubber company expansion.

Fifteen model programs for handicapped children will be developed by school districts under a \$1.3 million federal grant.

Comptroller Bob Bullock asked the attorney general to shut down 21 Houston businesses which owe \$118,000 in city and state sales taxes.

Lions Met Yesterday

The Eldorado Lions Club held their meeting at noon Wednesday with Boss Lion Guy Whitaker presiding at the monthly business session.

The club will not meet on Wednesday, April 30th, which is a 5th Wednesday. It will meet next on May 7th.

Post Script

The engraving of the new Western Co. plant south of town failed to arrive in time for this week's Success issue, so it will be held over for next week.

The Success is pleased to join everyone else in welcoming Western and Clyde here in Eldorado.

Daughter For Hardys

Mr. and Mrs. Jim Hardy are the proud parents of a baby girl born Sunday, April 20th at 5:30 a.m., in the local Medical Center. The young lady has been named Lindy Gayl, and weighed 8 lbs. 6 oz. The mother is the former Frankie Blaylock.

Grandparents are Mr. and Mrs. Ed Hardy of Lindsey, Okla., and Mr. and Mrs. Billy Frank Blaylock of Eldorado.

Great grandparents are Mr. and Mrs. W. A. Blaylock of Eldorado. Great great grandmother is Mrs. Hattie Blaylock of Eldorado.

The Hardys have one other daughter, Latie Lane, age 3.

Bible Conference Set At First Baptist Church

This week end, Friday, Saturday and Sunday, April 25-27 is the date set for the April Bible Conference at the First Baptist Church. Dr. V. E. Gideon, professor of New Testament at Southwestern Baptist Theological Seminary in Ft. Worth, will be the guest teacher. Meetings will be at 7:30 p.m. Friday and Saturday nights.

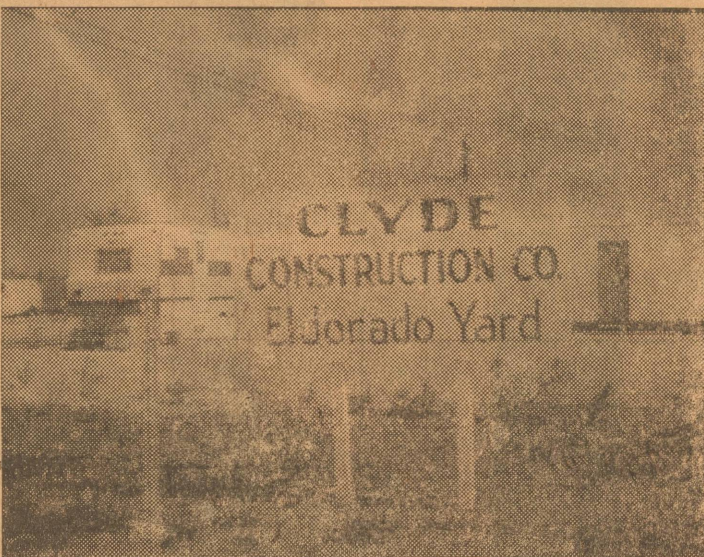

During the Sunday School hour this Sunday, the adult and youth Sunday School classes will meet together as the study continues and Dr. Gideon will be the guest preacher in the morning worship service. The study will be of the Book of the Acts of the Apostles from the New Testament. The children from preschool through the sixth grade will have a special treat also.

During Sunday School their lesson will be presented with a puppet show performed for approximately 40 minutes by several students involved in the Angelo State Baptist Student Union.

The following weekend, May 3 and 4 is also a special date. Stacy Houser, a Baylor University sophomore whose parents are Southern Baptist missionaries in Kenya, Africa, will be visiting in view of a call as our Summer Youth Director. The Summer Youth Director will coordinate the activities of the young people throughout the summer.

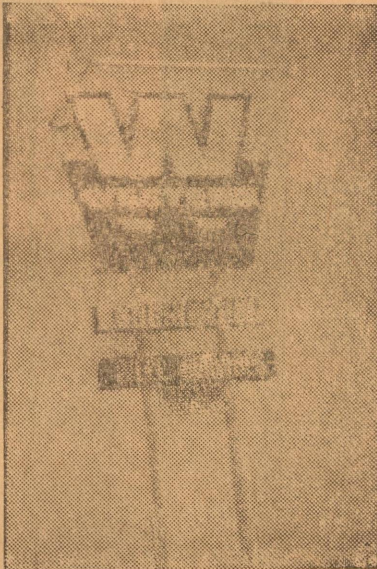

The First Baptist Church encourages everyone to feel welcome to these special Bible Conference Meetings and of all other regular activities of the Church. —Rev. Gene Stark, pastor.

Clyde And Western Are New Local Industries

Shown above is the Clyde Construction Co. site in the east part of Eldorado. The office and mobile home camp are located on a site between Sofge's and the Santa Fe tracks. The site formerly belonged to Eldorado Townsite, who sold the property last year to the Odessa-based firm.

At right is the sign in front of Western Company's plant located about two miles south of Eldorado, across the highway from the Rancho plant. The men associated with the firm came on the local jobs last week and most of them have mobile homes in Eldorado. Next week we will run a photo of their main building and plant.

Nursing Home Notes

We are really getting ready for the big Arts and Crafts fair this week. We hope everyone will come out and see what we have to sell. We are really looking forward to it.

Bingo winners this week were Beulah Harris and Maggie Sluder with two games each. Other winners were Gertrude Nixon, Flossie Crawford, Lee Dudley and Frank Reed.

Out of town visitors were Mr. and Mrs. Jerry Donaldson and son of Pampa to visit Russell Donaldson. Norma Warrington and Winona Van Sickle from San Angelo visited with Mrs. Hartgraves. Mr. and Mrs. Howard Striegler enjoyed visiting with Hixie Potter. Mrs. Hallie Parker enjoyed visiting with her daughter Mrs. Irene Mills from Big Lake, also, from San Angelo, Mrs. Dick Jackson visited with Wren Jackson. Mrs. Blaylock has had a lot of visitors this past week, among them were Mrs. C. C. Gilbert and Mrs. L. Bledsoe from Santa Anna and her son from Orient Bert Blaylock.

Students Win Honors At Literary Meet

At the Region 2 Literary Meet in Stephenville last Friday and Saturday, several Eldorado students qualified for the State Meet to be held in Austin next week end.

Jill Edmiston won Prose Reading with her selection, "A Cat, A Goldfinch, and a Star" by Luigi Pirandello. Becky Blair also participated in Prose. Gina Forlano and Dan McWhorter took second in Debate. Jimmy Cawley and Jim Bob Byrd reached the Debate quarterfinals before losing to the defending state champions. Gynna Jay made it to the finals in the Informative Speaking event. Speech coaches are Kathy Hillman and Bill Salisbury.

Jim Bob Byrd placed third in Number Sense. He was coached by Ken Thomas. Carolyn Page, helped by Robert Jay, will be the alternate to state in Slide Rule. Suzan Thornton participated in Ready Writing under the direction of Jean Kuykendall.

First, second and third place finishers qualify for the State Meet.

VISITING IN COMMERCE

Mr. and Mrs. L. V. Newport are spending some time in Commerce where her father, Ira Knight, who is about 95 years old, sustained a broken hip recently. He is confined in a nursing home.

Mrs. Newport's address is 1513 South Park.

PAR - TEE NEWS—

Members and associates of Eldorado Golf Club offer their sincere sympathy to Mr. and Mrs. Delbert Taylor in the death of her brother Clyde Thomas of Coleman.

As Spring approaches and the grass gets green and the trees leaf out so the Golfers begin appearing from all directions. We are privileged to welcome the following new members into Eldorado Golf Club: Mr. and Mrs. Raymond Hall, Mr. and Mrs. Bruce Lambert, Mr. and Mrs. Mort Mertz. With the addition of these members, our membership in the local club is now about 70 families.

Tournament Chairman A. G. McCormack, has a good program of events worked out for the following season. You may want to make note on your calendar of these events:

Invitational Couples Tournament, May 17-18;
Special Play (to be announced), Memorial Day;
Father-Son Invitational Tournament, June 7-8;
Special Play (to be announced), July 4th;
Jack Hext Memorial Tournament, August 23-24;
Special Play (to be announced), Labor Day.
Details of each event will be given to you as the dates draw near. Your participation and cooperation in each event help to make it a success.

Defending Champions of the Couples Tournament are T. J. Bailey, Ozona and Ida Mae Powell, San Angelo. As of today we have only three places open for players in this tournament. We limit the field to 36 teams due to the course having seven three par holes.

Among the out of town guests registered for this event is the team of Dave and Marvel Williamson, former teachers in Eldorado High School. Dinner on Saturday night, May 17, will be served at El Dorado Restaurant by Mr. Sanders.

Congratulations to our 1975 Club Champion, Carroll Ratliff. Other winners are listed in another article in this paper.

The weather was good for the men's tournament and everybody had a good time. It is too bad that ALL cannot win a trophy—but it seems to me that all are winners in one sense of the word. Golf is a great game, played by an individual who must have certain qualities such as self control, good sportsmanship, fairness and competitive aspirations. In other words, it seems to me that some of the true winners are not always shown on the score board.

I would like to take this opportunity to thank Juanita Taylor for writing this column for the past two years or so. I personally think she has done a great job and do appreciate her taking over this responsibility. —Ernestine Hext, former reporter.

Eaglettes Winners Of Regional Track

Eldorado's Eaglettes swept the relays and won one individual event to capture the girls' Region IFA team title in Stephenville last week end.

Eldorado's 440 relay won in a time of 50.5 while the 880 relay took first with 1:47.6 and the Eaglette mile relay squad won with 4:09.2 time.

Terrie Garlitz of the Eaglettes won 1st in shot put with 39.9.

Arts & Crafts Fair Set For Cancer Society

The Schleicher County Unit of the American Cancer Society will hold its first Arts and Crafts Fair here on Saturday and Sunday, April 26 and 27. We have 28 booths registered for the fair. The starting time will be 10:00 a.m. on Saturday and 1:00 p.m. on Sunday at the Memorial Building. The event lasts to 6:00 p.m. both days.

In charge of the fair are Mrs. Helen Pfluger, Mrs. Robbie Heald and Mrs. Ruthie Dacy. For more information just call any of these three ladies.

The A.C.S. will provide a concession stand. Another feature of the fair will be a billboard signing with Mrs. Jan Fuessel in charge. We are all hoping for a good many signatures for the board which will be put up close to Western Auto. All proceeds from the booth fees, concession stand and billboard signing go to the A. C. S.

We would like to take this opportunity to thank the following businesses in town that have donated door prizes: Western Auto, McCalla's, Western Drug, El Dorado Restaurant, Cathy's, and the Hobby Shop.

We were very fortunate in having a lot of our concession stand items donated.

We are all looking forward to the fair and we do believe that it will be one of the biggest events Eldorado has ever seen, so help us make it so by coming out on April 26 and 27 and bring the whole family. We hope to see you all there. —Rep.

Winning Ways With Wool
TIPS TO HELP YOU MAKE A BETTER BUY

Consumerism is the "ism" of the 70's. After the free-spending throw-away 60's, the American people have started to take stock—to look for quality in the products they buy and if it's not there, they find ways to show their disapproval.

One good way to be sure of quality in the clothing,

Know these symbols? The one on the left is the Woolmark label. The other is the Woolblend Mark.

carpeting, blankets and upholstery you buy is to look for the Woolmark and the Woolblend Mark. Both of these marks assure you that the products have met standards of quality and passed rigid performance tests required by The Wool Bureau, Inc., a non-profit wool promotion and research organization.

The Woolmark certifies products made of 100% pure wool. The Woolblend Mark is found on products that are predominately wool but blended with other fibers. To earn these certification marks products must pass performance tests for strength, color fastness, fiber content and level of workmanship.

This mark certifies that the product can be machine washed and machine dried safely.

Be part of the consumer movement. Look for quality. Wool—it's in a class by itself.

Some people have said that a lion's head buried in the house would protect it from lightning.

Some people believe that moonstones will cure epilepsy.

Some people believe that eating a jackal's heart will cause a child to grow up a coward.

The Natural Beauty Of Spring Fashions

Fashion is in a Spring fever of enthusiasm for the natural fibers. Once again, wool and cotton are the heroes. This return to natural resources for fabrics is happening for several reasons — partly because of the petroleum squeeze, which is being felt in the polyester industry already, and partly because of a natural consumer reaction against a steady diet of synthetics.

Doubleknits have been done to death. Furthermore, as the temperature rises, women remember the airiness and comfort of natural fibers that absorb moisture instead of holding it against the body — something to consider when planning a warm-weather wardrobe.

Biggest success story of the season, naturally, is the big-top dress. Most women will want to add a wide wrap belt, which instantly transforms it into the most gloriously buoyant shirt-waist of your life. The extra buoyancy, achieved through fullness of cut, is most flattering if there is no extra fullness of figure underneath. Try one of these "big tops" in lightweight woven wool and see how gracefully it swirls around your legs, making the most of a trim figure.

Warming up to the subject of warm-weather fashions, French and American designers have created ready-to-wear collections in natural colored cotton muslin. For daytime there are plenty of skirts with flip and flare in every length. Back wrap styles are popular; so are flat stomach panels with softness shirred in on either side. This latter design is particularly fetching, but you'd better have the flat stomach to put under it!

Natural muslin is turned into sophisticated pantsuits too, with shirtjackets tailored as carefully as if they were cut in the most expensive couturier fabric. On the more casual side, muslin

overshirts with peasant embroidery are so plentiful you'll think a folkdance festival is coming to town. These shirts look marvelous with natural muslin slacks in a ripple-textured cotton that needs no ironing.

By the way, if your natural fashion instincts include an instinctive aversion to the steam iron, you'll be happy to learn that a small percentage of polyester is often blended with these natural colored cottons — just enough to make the muslin scene as carefree as it is attractive.

After sunset, keep right on being a naturalist. Caftans of sunny colored wools will dress you in divine comfort on cool Spring nights. As evenings get warmer, shift to gauzy cotton caftans which frequently are lavished with East Indian embroidery for surprisingly little cost. They're cool and comfortable as a nightgown and just as alluring. Enough of you shows through so that you'll want to be in perfect shape.

If there's room for improvement in your figure, start dieting now. The easiest way to lose

unwanted pounds and inches is with Slender diet food from Carnation. One packet mixed with 6 oz. nonfat milk has 164 calories. Mixed with 6 oz. whole milk or enjoyed straight from the can, this delicious drink has 225 calories. Substitute one of these for a regular meal as needed. Slender is balanced to supply 1/4 of your RDA's with every glass, which makes this diet plan perfect if you're health-minded but naturally lazy.

Handbags have gone the natural route too. Canvas totes, quilted chintz satchels and chamois leather shoulder bags are your best bets for Spring. For sunny days, there's nothing newswier than the Chinese straws now blowing in the wind. Clutch at straw bags, and don't overlook the flattery of a natural straw hat. Wear as big a brim as you dare, and wind a different colored scarf around the crown to complement your different costumes. Straws are relatively inexpensive, and they work with all your suntime clothes. They're a classic example of how easy it is to be a natural beauty now!

Eldorado - Divide District News

Conservation Award Winners Announced

A farmer from the Eldorado area, E. H. Nixon, Jr., has been named "Outstanding Resident Conservation Farmer" for the Eldorado Divide Soil and Water Conservation District. He is to receive plaque at a meeting of the Eldorado Lions Club, a civic organization which assists in the sponsorship of the program.

The award is to be part of the 30th Annual Texas Conservation Awards Program, sponsored by the Fort Worth Chamber of Commerce.

The West Texas farmer has been a district cooperator since September, 1970, and his conservation plan has been completed and is now on maintenance.

Nixon's conservation plan includes proper grazing use, deferred grazing, brush control, well for livestock water, pipeline for livestock, fence construction, install water troughs, conservation cropping system on farmland, contour farming, crop residue use, terrace construction, and wildlife upland habitat management.

In June, 1971, Nixon became the 15th District cooperator of the Eldorado-Divide Soil and Water Conservation District to sign a Great Plains contract. The major objective was to take a run-down farm and get it back into higher production. Nixon wanted to keep the water that fell on his farm to produce crops. To do this he constructed 13,511 feet of terraces along with maintenance on 3,300 feet of closed end terraces. The mesquite on the farm was controlled to keep the brush from using precious moisture that should be used in growing grass.

After some four years now Nixon can look back and see the results of three years of planning and applying conservation practices to his land. He can say now that the "ole place received a face lifting."

Arrott, Absentee Conservation Rancher

A vigorous program of brush management, reseeding, deferrals and range proper use has won for Houston Arrott the award as the outstanding absentee conservation rancher for the district for the year 1975. The award is given in connection with the Texas Conservation Awards program which began several years ago with the slogan, "Save the Soil and Save Texas."

District directors picked Arrott over a group of other absentee ranchers that have been doing conservation work on their ranches in the district.

Houston Arrott has been a district cooperator with the Eldorado-Divide Soil and Water Conservation District since March of 1953. He worked out a conservation plan with the assistance of District Conservationist, Bill Rountree. This plan served as a basis for a Great Plains Conservation Program con-

tract to carry out a complete conservation program on his 2,864 acre ranch, 18 miles northeast of Eldorado on the San Angelo highway. Houston has spent considerable time and effort in the past few years improving the rangeland on this ranch.

He has completed all mechanical work and ranching work on the ranch and is now carrying out management type conservation practices.

Houston has successfully controlled brush on 1,402 acres of rangeland and reseeded 1,988 acres of rangeland to a mixture of grasses. He has done an excellent job of replacing brush with grass as the good native grasses can be seen making seed on his rangeland.

To date conservation practices carried out by Houston Arrott includes proper grazing use on 2,861 acres, brush management on some 1500 acres, range seeding on 1,938 acres, and seed field back to grass on 47 acres.

By carrying out good management type practices on the ranch, Houston hopes to maintain a healthy and vigorous stand of grass on the ranch and prevent the swift return of brush on the range.

Sorority Meets

A total of 128 persons attended the open tea honoring Mrs. Winnie Jackson, chosen woman of the year for 1975, April 6. The tea was sponsored by Xi Xi Chi sorority. A number of out of town people attended the event.

During the group's meeting last Monday night, members discussed upcoming events in the sorority.

The chapter will celebrate Founders Day April 29 in Sonora with a dinner and program. Rose Berry is in charge.

Members discussed several state projects and voted to endorse the Bluebonnet Youth Ranch in Yoakum. The projects will be voted on state wide to decide which will be given support by the state sorority.

Other projects include Girlstown, the Center for Behavioral Studies at North Texas State University, the Jana Tinsley Leukemia Fund in Alamo City, metabolic research, Christian Farms in Killeen for drug users, AVANCE poverty program and the expanded nutrition program at Texas A&M University.

Several members will help with the American Cancer society arts and crafts bazaar, April 26 and 27. The May social, a trip to El Paso, was also discussed.

Nelva June Martin and Becky Eisenberg presented the program on "Examples of Friendship."

Eighteen members attended the meeting. —Nell Edmiston.

Bi-Centennial Participation Promoted

A meeting of the Schleicher County Historical Survey Committee was held at which time it was decided that Eldorado and Schleicher County should participate in the nation's Bi-Centennial Celebration during 1976.

Several suggestions were offered including a long range goal of establishing a Schleicher County Museum. Other activities in the planning stage include the possibility of a pageant based upon themes depicting early United States, Texas and Schleicher County history. Also in the planning stages are parades, folk dances, concerts and a county wide barbecue and homecoming.

Various local clubs and organizations have been and will be contacted to meet in the near future to complete detailed plans for participation in the Bi-Centennial celebration.

NEWS OF SAFETY

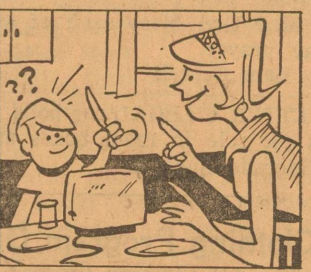

By Experts At The Plastic Bottle Institute

Each year millions of people are injured in household accidents. In order to avoid becoming a painful statistic, here are some helpful household safety hints.

Never insert a knife or other object into a toaster when the toaster is plugged in.

Do not wear frilly clothing that could catch fire easily while you are cooking.

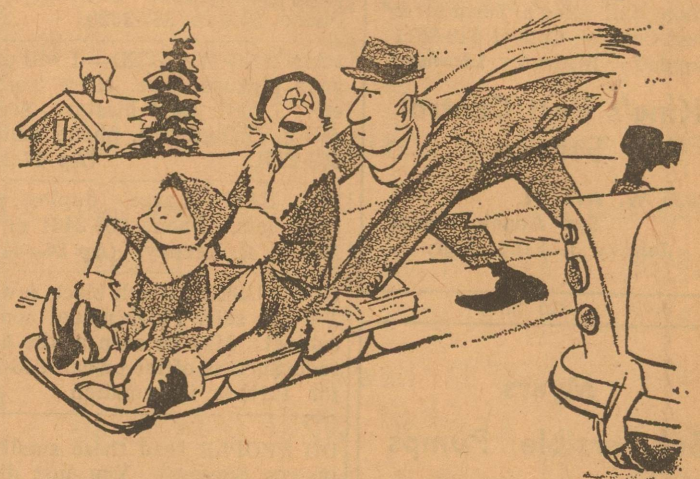

Never extend appliance or extension cord wires in areas where people could trip over them. Disconnect and remove extension cords when they are not in use.

Do not use electrical appliances of any kind when your hands or any part of your body is wet.

Use shatter-resistant plastic bottles whenever possible, especially in kitchens and bathrooms.

Wipe-up all kitchen spills immediately. A solution spilled on the stove could cause a fire. Something spilled on the floor could cause a fall, which could be made more serious by contact with a hot stove.

Reddy's helpful tips for your Room Air-Conditioners

Your air-conditioner will operate inefficiently if filters are not cleaned regularly. Dirt and lint, collected on the filters, restricts air flow to the coils. Clean filters every two weeks.

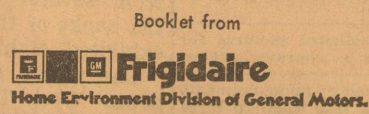

Let nature help you save energy by shading your home with trees and shrubs to help cut down on summer cooling costs. Draw draperies against afternoon sun.

Remember to keep outside doors, windows, and fireplace dampers closed. If you have window units, close the heating vents near the floor, as cool air falls and can escape through vents.

You purchased fine-home comfort when you bought your air conditioning unit. Properly maintained, it will offer you years of efficient service. A once-a-year check-up by your dealer pays dividends in savings on operating and breakdown costs.

Garden Insect Control

Program Outlined

Some 30 insect pests attack home vegetable gardens throughout the growing season, causing reduced yields and quality of produce. But losses can be minimized with an effective insect control program utilizing both cultural and chemical control methods.

The agent offers the following suggestions to minimize insect damage in home gardens:

- 1. Clean debris, weeds and grasses from the garden area prior to planting and maintain a weed-free garden. Many insects feed and multiply in weeds and grass. 2. Turn under or compost spent plants when vegetables have been harvested. 3. Inspect plants frequently for insect infestations. 4. Light infestations of some species such as the tomato hornworm may be controlled by hand picking and destroying the pest. 5. Isolated infestations may be controlled by removing one to several infested plants from the garden to prevent spread of a pest. 6. Anticipate insect problems and apply insecticides before insect populations become established in large numbers. 7. Select insecticides which are effective against a large number of pests and are registered for use on a wide variety of plants. This reduces the purchase and storage of a large number of different compounds. 8. Read the label and observe all restrictions when using pesticides. These guidelines should be followed throughout the growing season to keep insect numbers and damage at a minimum.

Control Soil Insects In Gardens

The time to plant vegetable gardens in Schleicher county is here now, so gardeners should take steps to control soil insects.

Most soil insects attack either the seed at planting time or small tender plants. These insects include wireworms, cutworms, white grubs, mole crickets and various maggots or fly larvae.

To control soil insects, we suggest applying the pesticide Diazinon two to four weeks prior to planting. For 1,000 square feet of surface area, use three-fourths cup of 25% emulsion concentrate or 1/2 cup of 50% wettable powder in 2 1/2 to 3 gallons of water. Apply the insecticide to the soil surface and mix it thoroughly into the soil to a depth of 4 to 6 inches.

Before applying the pesticide, be sure to read the label and follow all directions.

Gardeners Advised On Safe Pesticide Use

Home gardeners can control insect pests effectively and safely with the proper use of pesticides. The following safety rules when using pesticides are suggested:

- 1. Select pesticides for specific insect problems. 2. Before using a pesticide, read its label carefully and follow all restrictions. 3. Mix pesticides out-of-doors or in a well-ventilated area and avoid splashing or billowing of dusts and powders. 4. Avoid breathing dusts or vapors. 5. If pesticides contact the skin, wash immediately with soap and water. 6. Do not exceed recommended rates when applying pesticides. 7. Keep children and pets away from a sprayed area until all foliage is dry. 8. Keep pesticides in their original container and store them in a secure place out of the reach of children. Pesticides can be a big help to the home gardener when the need arises. But they can also be dangerous unless used with care.

H. D. Clubs To Sell Bread This Week End

The Schleicher County Home Demonstration Clubs will sponsor a homemade bread booth at the Cancer Fair this coming Saturday and Sunday. Anyone wanting to purchase some fresh homemade bread will be able to do so. Mrs. Frankie Schrier is chairman of the bread sale.

4-H Leaders Meet

The Schleicher County 4-H Club and Adult Leaders Association met Tuesday, April 8, in the Memorial Building. Things discussed were County 4-H Camp, a 4-H square dance, the county Horse Show and the dress revue. Method demonstrations were also discussed.

Mary Leigh Dunagan and Ford Oglesby were elected Outstanding Adult Leaders for the county. They will be recognized at the District Leader Recognition Banquet in San Saba on May 12.

County 4-H Camp will be held May 30 to June 1 at the new 4-H Center in Brownwood. The cost for the camp will be about \$14.50 per person.

A 4-H Square Dance will be held Friday, May 9, at the Memorial Building at 8:00 p.m. The square dance is free and is open to 4-H club members, their parents, leaders and invited guests.

Joel Wilson from West Texas Utilities in Abilene will be the caller.

H. D. Council Meets

The Schleicher County Home Demonstration Club Council met Monday, April 14, at the Memorial Building. Mrs. Bessie Jones, council chairman, presided over the meeting. Many plans were made.

The clubs will have a homemade bread booth at the Cancer Fair on April 26-27. On Monday, May 5, they will honor the County Commissioners with an appreciation dinner. This will be a covered dish supper and all and all members and their families are invited to attend.

On May 8, the clubs will again help with the Senior Citizens party. The Young Homemakers club is providing the beverages and the Reynolds and Good Neighbor Clubs are providing the food.

The clubs will meet jointly in May. T. P. Robinson, county attorney, will give the program. This meeting will be May 13 in the Memorial Building at 10:00 a.m.

On May 15, the club members will be going to Austin to tour the capitol, the governor's mansion, and the L.B.J. Library. Plans are being made to charter a bus if possible. The council also made plans to recognize one club member as the Schleicher County Home Demonstration Club member of the

year. This person will be honored at the supper on May 5.

Thomas At Six Flags

Arlington, Texas.—On Friday, April 25, Six Flags Over Texas will present singer B. J. Thomas in two performances in the park's Music Mill Theater.

Although the Texas tunesmith is usually associated with "Raindrops Keep Falling On My Head," he has actually sold some 20 million records with such tunes as "I'm So Lonesome I Could Cry," "I Just Can't Help Believing," and "Rock and Roll Lullabye."

In 1968 B. J. Thomas became the first major pop artist to go to Memphis to record. At that time he cut two other hits, "Eyes Of A New York Woman" and "Hooked On A Feeling."

His most recent release, "Hey Wont You Play Another Somebody Done Somebody Wrong Song" not only has a long title, but is also enjoying a long-held spot at the top of the record charts.

Showtimes at Six Flags Over Texas will be 8:00 p.m. and 10:00 p.m. The park will be open on Friday from 6:00 p.m. until midnight.

All tickets sold at the Six Flags front gate after 6:00 p.m. on Friday will be \$4.00, adult or child.

Church Page Series Receives 18th Award

Valley Forge, Pa.—The church page currently appearing in this newspaper features the Keister "Support the Church" series, which has received an 18th award from the Freedoms Foundation. This is the 7th "Distinguished Service Award" bestowed upon the Keister series.

The Keister series is nationally regarded as first in the field of modern church advertising. Its success of over 30 years is due to its appeal to the unchurched thru human-interest illustrations and texts which encourages church membership and attendance.

The Freedoms Foundation honors those people and organizations that further the American way of life.

Girls Track & Field Season's Results

A bright future is in prospect for Eldorado girls track & field as the Jr. High won five meets this season. Anchored by a strong representation from the eighth grade and able assistance from the seventh grade, the Jr. Hi Girls track & field team scored impressive victories in every track meet that they entered this spring. Mrs. Shannon Harber, girls track coach, told this reporter that she was particularly encouraged by the fact that in addition to having strong relay teams, as in the past, she was extremely impressed by individual efforts in both track and field events.

This was the year that records fell in each meet with Eldorado gaining their fair share of those new records. Several of the new records set by Eldorado girls are outstanding enough to stand for several years to come.

Eldorado Jr. Hi Relays

Gaining some 118½ points, the local team outdistanced Mason who placed second with 95 points. A total of 13 teams were entered in this meet including teams from several larger schools. Strength came from wins by the 440 relay team consisting of Sally Cawley, Cherie Niblett, George Anne McAngus, and Amy Epps, and the 1320 relay team consisting of Cawley, Kim Higdon, Susie Woodward and McAngus. The 880 relay team rallied to a 5th place finish following a mis-cued handoff. The 830 team consisted of Epps, Niblett, Lorrie Powell and McAngus.

Individual efforts included a first by Niblett and a third by Annette Ragsdale in the 80 yd. hurdles. Dottie Tacker placed 5th in the 330 yd. dash. Epps placed 3rd in the 100 yd. dash and Powell placed 6th in the 60 yd. dash. Higdon was 5th in the 220 dash and Lori Griffin and Rhonda Kerr placed 4th and 5th respectively in the 660 yd. run.

In the field events Cynthia Schooley and Karen Dannheim placed 2nd and 5th respectively in the Shot Put. Schooley broke the record in the Discus with a toss of 84 feet 5 in. In the broad jump Niblett jumped for a 5th place. Tacker and Ragsdale scored in the triple jump with a 4th and 5th place effort. Niblett, Tacker and Kendra Dunham all scored points in the high jump in a multi-way tie for 2nd thru 6th places.

Eaglette Relays

The Jr. Hi division of the Eaglette Relays was won by Eldorado with a total of 122½ points to 2nd place Robert Lee's 89 points. This meet was attended by representatives from 17 schools, six of which were class 2-A.

Again anchored by strong showings in the three relays, the local team was able to gain victory. The 440 yd. relay team, Ragsdale, Niblett, McAngus and Epps placed 1st. Cawley, Niblett, Tacker and McAngus managed a 2nd place in the 880 relay. The 1320 relay team of Tacker, Higdon, Woodward and McAngus placed 2nd only to Robert Lee who set a new record of 3:16.4 minutes.

In the individual running events a 1st and 4th were earned by Niblett and Ragsdale in the 80 yard hurdles, a 5th and 6th in the 100 yd. dash by Epps and Powell and a new record was set by Mary Kay White in the 660 yd. run of 1:55 flat. This bettered the old record of 3.3 seconds. Higdon placed 5th in the 220 dash.

Schooley and Dannheim placed 2nd and 4th in the Shot Put and Schooley set a new record in the discus with a toss of 91 ft. 11 in. Tacker and McAngus placed 5th and 6th respectively in the broad jump and Niblett and McAngus were 2nd and 6th in the triple jump among a field of 45 contestants. In the high jump Niblett placed 3rd while Sammie Jay tied for both 5th and 6th places.

Mason Jr. Hi Meet

The locals easily won the Mason meet with a total of 187 points.

The 440 relay team was disappointed as it was disqualified for failing to complete a handoff in the allowed space. Cawley, Niblett, Tacker & McAngus placed 2nd in the 880 relay while the 1320 team set a new record for the Mason meet with a time of 3:14. 2.4 seconds faster than Robert Lee's time in the Eaglette Relays.

Individuals from the local team placed in every running and field event at this meet. The 60 yd. dash was represented by Epps and Powell who placed 2nd and 4th.

In the 100 yd. dash it was Epps, Ragsdale and Powell, 1st, 2nd & 4th. Higdon placed 4th and Woodward 6th in the 220 yd. dash. Tacker set a new record in the meet while Woodward and Cawley placed 3rd and 5th in the 330 yd. dash. White, Griffin and Kerr placed 2, 5 and 6 in the 660 yd. run. In the 80 yd. hurdles it was 2nd, 5th and 6th for Niblett, Ragsdale and Jay.

Schooley set a new meet record in the Shot Put while Dannheim placed 2nd and Karla Kothmann placed 6th. Schooley also set the record in Discus and Dannheim placed 3rd. Niblett and Jay placed 2nd and 4th in the triple jump. Niblett jumped 4 ft. 8 in. to set a new high jump record while Jay placed 3rd and Tacker placed 4th. In the long jump McAngus placed 4th, Tacker 6th.

9-A District Meet

The Jr. Eaglettes scored 58 1/3 points in field events and 133 points in running events for a total of 191 1/3 points to out distance Robert Lee's 108 1/3 points to win the Girls Jr. Hi Division of District 9-A's ULL meet. Junior High Schools do not advance to regional or state playoffs but participate in intra-district competition only. ULL rules however, do apply in each event.

In the Shot Put Dannheim set the new record with a toss of 28 ft. 10 in. Second place was won by Schooley who missed Dannheim's mark by only ½ in. Kothmann placed 6th in the Shot. In the Discus toss, Schooley placed 2nd and Dannheim placed 6th. Niblett was 2nd in the high jump while Jay was involved in a three way tie for 4th, 5th and 6th places. Tacker placed 3rd in the long jump. Niblett set a new district record in the triple jump with a jump of 30 ft. 11 in. Jay placed 4th.

The 440 relay team broke the record with a first place win of 54.6 sec. The 880 team of Cawley, Niblett, Tacker and McAngus set a new district record of 1:53.3. The 1320 relay team of Tacker, Higdon, Woodward and McAngus placed 2nd behind Robert Lee.

In individual events Tacker set the new district record in the 330 yd. dash with a time of 47.2 sec. White and Woodward placed 4th and 5th. Cawley was 2nd in the 220 yd. dash. In the 60 yd dash Epps placed 2nd, Powell 4th. Libby Stark qualified for the finals.

Niblett set the new district record in the 80 yd. hurdles with a time of 12.6 sec. Jay placed 5th. Epps set a new record in the 100 yd. dash with a time of 12.4 sec. Ragsdale was 2nd with a 12.5 mark. White set a new record of 1:53.8 in the 660. Griffin placed 6th.

Junction Meet

In this final outing of the year, the locals outdid themselves by scoring an amazing total of 222 points, over 100 points more than 2nd place host Junction. The three relay teams (previously mentioned) all placed 1st. In the 60 yd dash Epps placed 1st, Powell 4th and Stark 5th. In the 100 yd. dash Epps and Ragsdale placed 3rd and 4th respectively. Cawley was 2nd and Woodward 4th in the 220 yd. dash. The 660 yd. dash was won by White while Griffin and Kerr placed 3rd and 5th. In the 80 yd. hurdles it was Eldorado all the way 1-2-3, Niblett, Ragsdale and Jay as the first place time set a new record for this event at this meet. Tacker, White and Woodward placed 3rd, 4th and 6th in the 330 dash.

Schooley placed 2nd in Shot Put while Kothmann placed 6th. Dannheim was unable to attend this meet. Schooley placed 1st in the Discus. Tacker and White placed 3rd and 4th in the Long Jump. In

the triple jump a new record was set by Niblett with a jump of 31 ft. 2½ in. Jay and White were 3rd and 4th. Cherie Niblett had a big day as she set her third individual record of the day with a high jump win of 4 ft. 8 in. Jay was 3rd and Tacker 4th. The success of any great team depends on several factors. The will to win, native physical ability and fitness, strong support from parents and the help from unsung heroes, the squad men who keep on trying and never say quit! Four other girls contributed greatly this year to success: managers Penny Arispe and Donna Cantwell and squad members Debby Patton and Sigrid Head who gave wholly of themselves and kept on trying! —Rep.

Come to the Land Bank for a long-term loan at reasonable cost

...and for other advantages you might find even more important.

Extra years in which to repay and an interest rate kept as low as possible are big reasons farmers and ranchers choose Land Bank financing. But your Land Bank also recognizes that each borrower needs a loan carefully planned to meet individual needs. A better loan—and better loan service. Come to us for both.

BANKING IS EVERYBODY'S BUSINESS

Joint Ownership—The Old Love Trap

By Willis W. Alexander
Executive Vice President
American Bankers Association

In this situation, a new widow or widower could be unnecessarily strapped for funds. To avoid this possibility, the ABA recommends that each partner retain some funds in his or her own name.

Then, too, there are instances in which joint bank accounts may be subject to gift taxes. The Internal Revenue Service considers that in most cases, the funds held in a joint account have been deposited by the husband. If the wife should subsequently remove an amount above the husband's exemptions (under gift and tax laws) to purchase property in her own name, gift taxes would be levied. Obviously, where funds are deposited by both parties, adequate records should be kept to avoid the gift designation.

And don't forget safe deposit boxes. These, too, are generally sealed by law upon the death of one owner until the appropriate taxing authority has taken an inventory for state inheritance tax purposes. Consequently, the ABA advises that duplicate copies of all wills, insurance papers and burial instructions be retained at home or another safe place.

For all of the "ins and outs" of joint ownership, consult your financial planner, lawyer or bank trust officer. Like marriage, it's a complex business and shouldn't be entered into lightly.

When you and your spouse tied the knot, whether 50 years ago or six months ago, you probably agreed that your partnership would be complete in every respect. No longer would things be "mine" and "yours;" everything would be "ours."

And after all, isn't that as it should be? American tradition says yes, but that isn't necessarily based on sound financial judgment.

The American Bankers Association (ABA) points out that there are both advantages and disadvantages in legal joint ownership and that both should be considered when either beginning or reviewing the financial base of a marital partnership.

On the plus side of "joint ownership with right of survivorship," there are two big points. The property (real estate, bank accounts or securities) passes immediately to the survivor, and many administrative costs of settling an estate are avoided.

But let's look at two personal banking situations where problems can develop. In a jointly held bank account, it's usually possible for one of the owners to withdraw all the money without the consent of the other—and that in itself could cause problems. When one party dies, however, the account may be sealed, with the bank ending withdrawals and/or stopping payment on checks until a review has been made by state tax agents.

What's Afoot in Decorating

PRACTICAL IDEAS ON BEAUTY AND ECONOMY

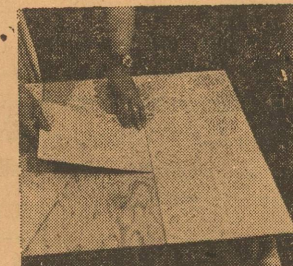

DO-IT-YOURSELF, TWO-HOUR TABLE

This handsome resilient tile coffee table was made in less than two hours for under \$25.00. Here's how:

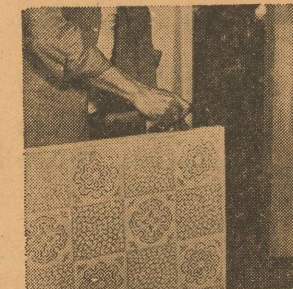

Assemble the following materials:

- One piece of 1/2" plywood 36" x 36"
- Four strips of molding each 36" (your lumber dealer will be happy to cut your wood to size)
- One set of ornamental legs
- One pint of paint for trim
- One package Kentile Touch-Down self-adhering vinyl asbestos tiles (9 tiles per package)
- Paintbrush, hammer and finishing nails

Paint the legs and molding. Set aside to dry. Attach screw plates for the legs on the underside of plywood base. Measure to get each leg equi-distant from edge of table. Attach legs when paint is dry. Stand table on legs and lay out tile. It should be an exact fit using three rows of three tiles each 12" x 12". Now remove backing from tiles and press firmly in place. Finish table by tacking molding around the sides. Maintain as you would a vinyl floor.

In old England, it was the custom of the ruler to wash the feet of several beggars on Maundy Thursday. Queen Elizabeth I, however, would only do this if they had first been washed by her servants in scented water.

During the reign of Charles I an edition of the Bible was printed in which the text of Psalm xlv, 1 read "The fool hath said in his heart there is a God." For this mistake the printers were fined 3,000 pounds and all copies were suppressed.

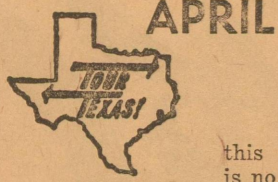

The first Bible printed in Ireland was dated 1716. John v, 14 reads "sin on more" instead of "sin no more." The mistake was not found out until the impression of 8,000 copies had been printed and bound.

Greek and Roman mythologies claim that the movements of giants imprisoned by Jupiter under high mountains caused earthquakes.

The Romans called the ring finger the "medical finger" because they thought a nerve ran directly from it to the heart. With this belief at hand, they used the fourth finger to stir medicines.

The following events, selected by the Texas Tourist Development Agency, are but a few of the many excellent recreational opportunities offered by communities across the state. A more complete listing of Texas events may be obtained free of charge by writing TTD, Box 12008, Austin 78711.

April 4-5 (opening dates) Mesquite Rodeo, Mesquite. The nation's longest-running professional rodeo readies for its 18th season. Performances held every Friday and Saturday nights through Sept. beginning at 8:15. Expected for opening weekend are Don Gay, current world champion bull rider; Walt Garrison, Dallas Cowboys star who competes in steer wrestling; and Shawn Davis, three-time world champion saddle-bronc rider. For more information, write Randy Spears, Mesquite Rodeo Association, Box 176, Mesquite 75149.

April 5-6 and 12-13 Highland Lakes Bluebonnet Trail. This is a scenic 220-mile route connecting the cities of Austin, Marble Falls, Burnet, San Saba, Mason, Llano, Buchanan Dam and Kingsland. Chambers of commerce in these cities will be open these two weekends to assist visitors and issue maps showing where the best fields of bluebonnets can be viewed and photographed. For a special brochure on the whole package, write Bluebonnet Trail, P. O. Box 1967, Austin 78767.

April 11-12 Strawberry Festival, Poteet. Many communities in Texas have festivals in tribute to an area commodity and

this little South Texas town is no different. Forty per cent of the state's crop of strawberries are grown here. Strawberry judging, fiddler's contest, a parade, rodeo and dances are also scheduled. For more information, write Zola Price, Box 466, Poteet 78065.

April 18-27 Fiesta San Antonio, San Antonio. Fiesta River Parade, Fiesta Flambeau Parade and "A Night in Old San Antonio" are events that must be seen to appreciate. Ranked each year as one of the outstanding celebrations in the nation. For a full schedule of events, write Sharon Eason, Convention/Visitors Bureau, Box 2277, San Antonio 78206.

April 24-May 4 Buccaneer Days, Corpus Christi. Sailboat regatta, two parades, carnivals, tennis tournament, music festival, art jamboree, band contest, square dancing twirling contest, coronation pageant—just about anything you can name will be happening. For a full schedule of events, write Bob Finke, Buccaneer Days, Box 1200, Corpus Christi 78403.

April 25-27 Brazos River Festival/Pilgrimage, Waco. Began 14 years ago to raise funds for Waco's historic museum homes, the affair has now been enlarged to include the Brazos River Festival. Historical tour highlights festival including stop at the old suspension bridge built in 1872 and at one time, the only bridge across the Brazos River. (Famous Brooklyn Bridge later patterned after it—both built by John Roebling of New York.) For more information, write Mrs. Burke Reynolds, 4201 Morrow Avenue, Waco 76710.

Sacred kings and priests in Polynesia were once not allowed to touch food with their hands, and had therefore to be fed by others.

Many Malays firmly believe that their king possesses a personal influence over the works of nature, such as the growth of the crops and the bearing of fruit trees.

and then...

A caterpillar crawls along a branch. So unsightly and useless is he that at best he is scorned, at worst, exterminated.

A grain of sand, one of an infinite number, lodges within an oyster's shell. It is coarse and hard, worthless and unwanted.

And then, there are people. They are restless, a bit lonely sometimes, and apprehensive about the future. They enter churches and speak to God.

From the cocoon, a gaily-colored butterfly emerges. People paint pictures of it; children try to claim it as their own.

From the oyster, a pale, creamy pearl is taken. It is admired, sold for a small fortune, prized.

So, God changes the lowly caterpillar and richly clothes the grain of sand. How much more can He change the lives of those who ask it of Him!

God awaits you. Come meet Him in church this Sunday.
