### WOODMEN INSTALLATION.

As previously announced the Woodmen gave public installation at the hall Friday night. The families of each member was invited and a goodly number attended, the following officers were installed; J. B. Smith Council Commander, W. M. Holland Adviser Lieutenant, Joab Campbell Banker, A. T. Wright Clerk, J. E. Conner Escort, Steve Wright Watchman, Tom McKnight Secretary and M. B. McKnight Manager; after the installation, Apples and Oranges were passed and all present enjoyed the fruit very much. The house was then called to order by the Council Commander and several of the boys were introduced into the Hindoo Mysteries, this was enjoyed by all present, all who attended expressed themselves as being well pleased with Woodcraft.

### JURY DISMISSED.

The jury was dismissed in the John King case Monday with out an agreement, the jury stood 11 to 1, for conviction. One of the twelve jurors had previously made affidavit that King could not get a fair trial in Tom Green, this juror was over looked by District attorney L. H. Brightman when selecting the jury.—San Angelo Standard.

### BUY'S STOK FARM.

J. E. Estes and C. W. Bannermann were in the city Monday fixing up papers in which, Mr. Bannermann sells his 640 acres of stock farm to J. E. Estes for \$1850 bonus, this land was taken up from the state at \$4.10 per acre, and is a fine body of land, has a good well and farm on it with small house. This land joins the Estes ranch and will be quite an addition to the ranch.

W. A. Spencer returned the first of the week from an extended visit to Harper, his old home, he reports having a fine visit and says Charley Spencer and wife who went with him will returned about the last of this week.

### PRISONER ESCAPES.

L. O. O. Buckalew who was pronounced crazy by a jury of six men in county court some two month ago, but could not be placed in the Asylum on account of crowded conditions, made his escape Sunday, he has been permitted by Sheriff Will Holland to have his liberty to run a round at day time, and has been loose for several weeks. It's the opinion of all who know Buckalew that he was not crazy enough to be kept in the asylum, but that he was a borned idiot, at any rate Buckalew is gone and Sheriff will Holland is doing his best to have him caught again.

J. B. Smith Principle of the Eldorado High School in forms us this week that the number of pupils in school had reached 198, and that all the seats in the building are full, and that the building it self was almost full, still some few will say that Eldorado dosen't need a school building. But we predict before 1909 has passed into history, Eldorado will have a magnificence school building, and the building added to the already splendid corps of teachers will make a school that any town twenty times the size of this one should be proud of.

For that Dull Feeling After Eating.

I have used Chamberlain's Stomach and Liver Tablets for some time, and can testify that they have done me more good than any tablets I have ever used. My trouble was a heavy dull feeling after eating.—DANID FREEMAN, Kempt, Nova Scotia. These tablets strengthen the stomach and improve the digestion. They also regulate the liver and bowels. They are far superior to pills but cost no more. Get a free sample at B. E. Earle's drug store and see what a splendid medicine it is.

**Good Cough Medicine for Children.**

The season for coughs and colds is now at hand and too much care cannot be used to protect the children. A child is much more likely to contract diphtheria or scarlet fever when he has a cold. The quicker you cure his cold the less the risk. Chamberlain's Cough Remedy is the sole reliance of many mothers, and few of those who have tried it are willing to use any other. Mrs. F. F. Starcher, of Ripley, W. Va., says: "I have never used anything other than Chamberlain's Cough Remedy for my children and it has always given good satisfaction." This remedy contains no opium or other narcotic and may be given as confidently to a child as to an adult. For sale by B. E. Earle.

### FINDS HUMAN SKULL.

D. K. McMullan whose ranch is 35 miles south of Sonora, was in town Thursday and reports having found near one of his tanks, this week, a human skull. Mr. McMullan cannot account for it unless it was the skull of a Mr. Scott, a carpenter from Greenville, who three years ago while at work on the ranch, disappeared. Search and enquiries were made for him at the time but no trace was ever found. His mind was deranged at the time he left the ranch and it is now supposed he lost his way and died in the hills. Mr. McMullan has made careful search for other bones since the finding of the skull, but without success.—Devil's River News.

Rev. W. R. Chanler of Bowie Texas, delivered a fine sermon on foreign Missions at the Baptist church Sunday night, he also preached at the Bailey Ranch School House Sunday at eleven o'clock and 3 p. m. Quite a lot of young folks went from town and spent the day out there. Mr. Chanler is a fine talker and all who heard him was well pleased with his talk.

Mr. Dayton went last week to Fort Worth with some fat cows which he reports bringing him about \$18 per head, he says they had a pleasant trip with the exception of the wet weather.

## HILL'S BUSINESS COLLEGE.

The Great Business University of the South.

There never was a time when the staunch institution, the name which head this column was in better or more favorable condition for doing high grade work than now. It has grown and improved with the passing years, and its reputation now is as wide as the State and as solid as the rock. Its thousands of graduates are filling positions of prominence in this and other States and the capability of its students is not called into question. Perhaps no institution has placed so many of its students into good paying positions and it is very certain that none stand higher with the business community. All this is the result of conscientious and painstaking labor on the part of Prof. R. H. Hill, the president of the College. Quality rather than quantity has been the motto and the result is when a young man or woman completes a course he is proficient. There is in every man that origination, builds up and maintains a business some element to true greatness. This is not lacking in the president of Hill's Business College. He has stamped his impress on the business college world and has winced at no discouragement or competition, but in the face of adversity and prosperity alike he has known only one idea and that idea has been to maintain a high standard of excellence and to achieve victory by deserving it. That this has been done his magnificent institution will amply testify. It will not be a wise thing for any young man or woman to attend a business college without first consulting Prof. R. H. Hill of Waco, Texas, or Memphis, Tenn. He will be glad to send free of charge his catalogue to any one desiring it.—Baptist Standard.
