Letter To The Editor—

She Is Against It, Too

To Eldorado Success Editor
On August 28, 1900 I moved to Eldorado with my Father and Mother and this has been my home since that time, and I love it and know that I could not be happy living anywhere else.

I have been here watching it grow and improve from year to year, from a small village of 25 families to the present time. The residents of Eldorado have always been good, upright, progressive high class people.

I am proud of the growth that has taken place here and it grieves and hurts me to know that there are some residents here who are interested in doing some things that would cause our dear town to go backward instead of continuing to go forward.

I am sincerely asking all progressive minded residents of Eldorado to go to the polls next Saturday, April 2nd, and cast your vote AGAINST. Unincorporating our pretty little town. If unincorporating is necessary, why aren't other towns and cities doing it?

Thank you,
LaVita Christian Brooks

Commissioners Slate Salary Increases

The present salaries with the proposed increases are set forth in the Legal Notice.

Baptists To Burn Mortgage Note Sunday

There will be special services at the First Baptist Church, Palm Sunday morning, April 3. The Lord's Supper will be observed. Also, there will be a ceremony of the burning of the note of indebtedness which has been paid off in three years.

There will be a covered dish dinner and everyone is invited to bring a dish and enjoy the fellowship with us. —Rev. Gene Stark, Pastor.

Vote AGAINST The Dissolution

On Saturday, April 2, City voters will decide the question of whether or not to do away with the municipal corporation of the City of Eldorado.

The ballot has two propositions:

- FOR the dissolution.
- AGAINST the dissolution.

The Success crew urge the City voters to vote AGAINST.

Reason not to vote for the dissolution; If approved, you are going to let yourself in for a lot of legal problems that are not worth the trouble.

It is reported that about 400 signed the petition calling for an election to do away with the corporation of the City of Eldorado. The vote will be held this Saturday.

Now we hear that a number who signed the petition are, on second thought, going to vote Against.

We hope they do.

Another factor:
If you signed the petition calling for the unincorporation election, your mere signing does not obligate you to vote FOR the proposal in the election Saturday. You may vote as you please.

Around the business district . . . Eldorado once again has a paint and body shop for passenger cars and trucks. Bobbie French has one going now on the McKee place southeast of town, and further details are in the ad on page 6.

Next week's Success issue will be our annual Easter Greeting Issue. Also, pastors of churches and their reporters are invited to turn in news of special events they may have for the Easter season.

Jill Hicks and C. C. Gibson stopped by The Success to see how the machines work. They came in Monday of this week, and both girls are first graders in the local schools.

Visitors are always welcome to come by and visit The Success, which is the oldest business in Eldorado, having been established back in 1901.

Last but not least on the ballot will be the question For and Against the dissolution of the municipal corporation of the City of Eldorado. A sample ballot is printed on page 6 of this Success issue.

NURSING HOME NOTES

My apologies for not having this column in last week's paper. The shingles is still with me and I suppose that when a person is in more or less pain, that the mind doesn't work normally, so I let it slip by when it was time to write it.

I can tell you that the article about shingles, that is in the last issue of the Reader's Digest, is not correct, in regard to the life of shingles. It stated that it lasts from four to six weeks but I have had it more than six weeks and it is still going strong.

Lizzie McAngus, who was quite ill for a while, is back in her room and is slowly improving, we are glad to say.

I believe that all the other residents are doing as well as usual. The Bingo winners last Friday were as follows: Bessie Andrews, Carrie Blakeway, Beulah Harris, two games; Ella Casbeer, Maggie Slueter, and LaVita Brooks, two games.

There were quite a number of visitors. Dale West Eubank and daughter, Leslie, of San Antonio, were here to visit Lester Garrett. Eva Poe of San Angelo visited her sister, Mae Mercer. Milton Barnett of Big Spring visited his mother-in-law, Hixie Potter. Mrs. C. C. Gilbert and Mrs. L. L. Bledsoe of Santa Anna visited their mother Hattie Blaylock.

Mr. and Mrs. Frank Cardwell of

Marble Falls, Mr. and Mrs. Conway Slaughter of Menard were visiting Hixie Potter. Mr. and Mrs. Walter Linan of Hobbs, N. M., Mrs. Wanda (Linane) Perry of Midland were guests of Ebbie Donaldson.

Mr. and Mrs. R. B. McNeil were visiting Flossie Crawford. Janet Oglesby and her husband, Tommy Nunhunley of Lubbock, grand-daughter of Mary Oglesby, visited Mary and Bertha Oglesby.

We were all happy about the good little rain we received.

The First Methodist conducted the service here in the home last Sunday. Due to the absence of their pastor, Jim McWilliams led the service and we all enjoyed it. —LaVita Brooks, rep.; Beulah Harris, rep.

'Sayonara' Theme Of Junior-Senior Banquet

Sayonara, meaning Farewell, was the theme for this year's Junior-Senior Banquet and Prom honoring the Class of 1977. The festive affair was held last Saturday evening, March 26, at the Memorial Building. Predominate colors were pastel pink, blue, and yellow featured in murals, tables, and paper streamers. Focal point was the Oriental garden with a waterfall fountain and cherry trees in bloom.

Room mothers under the direction of Mrs. Ted Short, chairman, prepared the food. The menu consisted of fruit salad, Oriental chicken, English peas, green rice, and coconut cake. The serving table, designed by Mrs. Mort Mertz, was covered with a blue cloth and held silver serving pieces, brass and crystal candelabra, and spring flowers in a brass urn.

The meal was served by ten freshman servers selected by the Junior class. The serving girls wearing pink brocade kimonos were Lori Griffin, Kim Higdon, Toni Fatheree, Jolynn Jay, and Lorrie Powell. The boys in white trousers topped by printed kimono shirts were Tommy Minor, Mickey Nixon, Kurtis Homer, Charlie Bradley, and Michael Mertz.

Following the invocation by Larry Fatheree, the Seniors and other honored guests were greeted by Willie Day, president of the Junior class. The response was given by Lynn Whitaker, Senior class president. Highlights of the banquet were the reading of the Junior Prophecy, the Senior Will, and the presentation of the Prom King and Queen. Propheying for the Seniors were Juniors Steve Kuykendall, Janette Hanusch, and Shannon Wilkerson. Lynn Whitaker and Billy Bob Harlin read the bequests of the Seniors to the Juniors. Willie Day and Donna Casbeer announced Judy Nicholson and Lynn Whitaker as this year's Prom Queen and King and presented them with frames to hold the picture made after they were presented to the group. After a brief intermission, the dance began with music by Born Yesterday from Austin, Texas.

Chaperones for the evening were Mr. and Mrs. Ten Short and Mr. and Mrs. Ernie Higdon. Junior sponsors are Mrs. George Scott, Mrs. Jack Moore, and Mr. Wayne McDonald. —Rep.

FINAL PRE-HOLIDAY MEETING OF LIONS CLUB HELD

The Eldorado Lions Club held their meeting at noon on Wednesday of this week with Walter Wallis presiding.

The club will not meet this coming Wednesday, April 6th; the next meeting will be held April 13th.

TO THE RESIDENTS OF ELDORADO

I am the only city councilman that isn't up for re-election or running for higher office. I have worked with three different city councils and two different mayors.

The things I want to discuss are things I know to be fact and not "coffee shop talk."

The first thing I want to present to you is the amount of money the city government receives from the city tax payer. (Source of information—Financial Report of the City of Eldorado, tax year ending August 31, 1976.) In 1955 we received \$28,115.48. In 1976 we received \$32,089.16. This shows a total of \$3,973.68 increase in eleven years. How can you expect to go on this way when everything we buy is 100% to 200% higher than it was previously.

Revenue Sharing
Yes, we receive revenue sharing money. But did you know that Schleicher County receives approximately five times the amount that the City of Eldorado receives? We receive revenue from the sales tax, but every statement that I have read has failed to tell you one important fact. Everything related to agriculture has been removed from the State sales tax, so we can expect 50% or less from that source.

My fellow citizens of Eldorado, don't kid yourselves. We are going to need a higher tax and utility rates if we survive as a city government! I can cite you one shocking fact. We are going to have to buy a new city fire truck. This will cost approximately \$40,

Walter Wallis, elementary principal, announced that pre-registration is set March 30th and 31st in his office for students who will be entering the Kindergarten in the local schools this coming August.

The registration will be from 2:45 to 3:45 each day. An Easter Egg hunt will be held April 1st.

Pupils who will be eligible are those who will be five years of age on Sept. 1st, and their parents are asked to bring birth certificates.

Student Council Officers Elected

The Eldorado High School students last week elected the following Student Council officers to serve the 1977-78 school year:

Pres. Willie Day
Vice Pres. Susan McAlpine
Rec. Sec. Donna Casbeer
Corr. Sec. Doninick Cavuoti
Parliamentarian Candi Draper

Class Favorites elected were:

Historical Society To Meet Monday, April 4th

The Historical Society will meet April 4 at 7:30 in the Museum. A considered project for the Historical Society is compiling a Schleicher County History Book. The Museum has purchased an Ozona History Book and is at the Museum now.

Dr. Dane Turner, representative of Craftsman Printers, visited recently and a tape was made of his information.

Come by the Museum Sunday, April 3, from 2:00 p.m. to 6:00 p.m. and hear what he has to say about the possibility of a book for our county. —Rep.

Spirited COOKING

PARTIES WITH PUNCH

Whatever the season, there's always some good reason to have a hearty ham and hot rum party that's easy to prepare and agreeable to attend. A golden rum raisin glaze turns an everyday ham into a rich and delicious dish you don't have to give up a lot of gold to create:

- GOLDEN RUM RAISIN GLAZE FOR HAM**
- 1/2 cup golden raisins
 - 1/2 cup white or gold Puerto Rican rum
 - 1/2 cup apple jelly
 - 1/3 cup orange juice
 - 2 tablespoons cornstarch
 - 2 tablespoons sugar
 - 1 tablespoon dry mustard
- Combine in saucepan raisins, rum, apple jelly and orange juice. Cook until jelly melts. Mix cornstarch, sugar, dry mustard; blend into rum mixture. Cook and stir over low heat until thickened. Spoon over ham during last 15 minutes in oven.
- The apple of many a party-goer's (and party-giver's) eye is a hot punch.
- HOT RUM AND CIDER PUNCH**
- 1 quart apple cider
 - 2 tablespoons maple syrup
 - 2 tablespoons granulated sugar
 - 4 ozs. lemon juice
 - 1 quart gold Puerto Rican rum
 - lemon slices, cloves, cinnamon sticks
- Heat the cider and stir in syrup and sugar. Add lemon juice and rum; garnish with lemon slices stuck with cloves. Place a cinnamon stick stirrer in each punch cup. Serves 12 within a few seconds.

TIME-SAVING TIPS FOR DRY SKIN

If you're like most women, chances are you've learned that beauty really is skin deep. A glowing, youthful complexion is a valuable asset—and one that should be maintained with renewed care, especially after the age of 25.

Many women discover that just about the time life becomes more hectic and exciting—in their mid-twenties when job, home and family seem to compete for attention—their skin seems to demand more care, too. With more activities and responsibilities, there's less time for complex skin-care rituals. That's why it's great to learn about a new all-day make-up so full of moisture it even saves precious time, since you can skip pre-moisturizing completely. But the good news doesn't stop there. This make-up is a balanced blend of moisturizers to help smooth out tiny, dry skin lines, add a warmer depth of color, help you look better than you have in years.

The new "MoistureWear" Make-up collection by Cover Girl starts with two foundations: Liquid Make-up that glides onto the skin with flawless, edgeless smoothness, and Moisture Cream Make-up for sheer, airy whipped color that refines skin to perfection. Moisture Cream Blush is a new way to put roses in your cheeks and Moisture Encapsulated Pressed Powder has sealed-

in moisture that is freshly released every time you wear it.

Guarding against dryness is a definite "do" for women who want to keep their skin looking young. Here are some time-saving strategies that will help skin to look dewy-fresh:

- Take a double-duty bath or shower. (The morning is a good time to do it.) Apply a moisturizing lotion when the bathroom is steamy. It will work better.
- Give yourself a beauty treatment while you sleep. Apply your moisturizer before going to bed.
- Keep fresh flowers around the house. They add moisture to the air as the water evaporates.

Investing a few moments in little precautions like these can pay you the valuable dividends of a younger, fresher looking complexion.

Tomatoes Big Item In Local Gardens

To many Texans gardening means growing tomatoes. Growing tomatoes in the backyard garden can be a fascinating and rewarding venture or it can be a very frustrating one. A sickly tomato plant which produces few if any fruit certainly does not help anyone's gardening spirit. For homeowners growing tomatoes for the first time some simple advice might help many of them avoid common pitfalls.

First, homeowners should not grow tomatoes unless they can be placed in an area that receives sunlight for at least six hours a day. Tomato plants placed between tall shrubs, under trees or between buildings simply won't produce a good tomato crop.

Second, good soil is essential for good growth and high yields. Often poor soil can be improved with liberal amounts of organic matter and by proper fertilization.

If only a few tomato plants are to be grown, a space of at least two feet square should be prepared for each plant. The soil should be worked to a depth of at least 12 inches.

Plants can be grown at home or purchased at retail outlets.

When the transplants are set in the garden, they should be planted somewhat deeper than they were originally growing. Plants grown in peat pots or peat blocks should not be removed, but rather the entire container planted. Sometimes it is helpful to break out the bottom of the pot, but avoid damaging any of the roots.

When setting tomato plants in the garden, use a starter solution to assure adequate fertility during the early stages of growth.

For the best results, the transplants should be set in the garden on cloudy days or late in the afternoon. The plants should be protected from adverse conditions such as high winds or excessive heat for a week or so after transplanting.

Almost all tomato varieties should be staked, trellised or caged for best results. Any method is good if it keeps the fruit off the ground. Fruits allowed to contact the soil often develop fruit rot.

SIX FLAGS OVER TEXAS OPENED A NEW THRILL RIDE, SHOW, ON MARCH 26TH

Arlington, Tex.—The romantic era when explorers and pirates roamed the Lone Star state's Gulf Coast was celebrated at Six Flags Over Texas with the opening of an all-new Skull Island Saturday, March 26.

Major changes have been made to the island located in the center of the theme park with the addition of a whirling new thrill ride called the Spinnaker and a puppet show staged in a 30-foot pirate ship.

Skull Island is one of the original sections in the Arlington entertainment center which opened in August, 1961.

On one side of the island is the Spinnaker ride, which gives thrill-seekers a fast whirl parallel to the ground and then revolves them upside down. It is a giant, spoked 51-foot wheel with 21 gondolas attached to the "rim."

Two persons board each gondola and are secured inside before the wheel begins spinning on its side at ever increasing speeds until the gondolas are flung outward and riders find themselves whirling parallel to the ground.

Then a massive hydraulic system tilts the wheel on its rim and riders are revolved upside down. The wheel returns to its original position before slowing and stopping.

On the other side of the island, guests will have the opportunity to watch a one-of-a-kind puppet show called "Captain LaFeet's Flagship Follies." The stage for the show is a replica of a 18th century pirate ship, and it is docked in a lagoon across from the audience seated on Skull Island.

Star of the show is Captain LaFeet, whose feet are as big as his pirate's hat. He leads a crew of wacky, nautical characters, including singing and dancing skeletons, mops, swords, buckets and fruit-baskets. In one scene, there are singing and dancing cannonballs led by a banjo-playing character

called Wabash.

Movie star puppets pop in and out of gunports. Even the crow on top of the mast is part of the act.

The show is written and produced by John Hardman, who is also creator and puppeteer for the Argyle the Snake Show presented at the theme park.

Behind the scenes in the pirate puppet show, five puppeteers work hand, string and stick puppets from the hull of the ship.

Six Flags General Manager Dan Howells said, "We are excited about the entertainment package we are opening on Skull Island. The pirate show is totally unique and the Spinnaker is one of the most thrilling rides we've ever offered."

"Our guest surveys indicate people want more thrill rides at Six Flags. We believe the Spinnaker is the perfect answer to this request."

"Also, the Texas Chute Out parachute ride will have some added twists this season. Half of the 12 chutes will be attached to stand-up metal baskets that spin riders as they are hoisted 175 feet straight up and released for a hair-raising trip down. The remainder of the chutes will take riders up and down on bench-like seats."

There will be other changes made to the park in this season's \$2 million expansion program, including the remodeling of the entrance mall area and many changes in the landscape design.

New shows will premiere at the park theaters, including a modern-day minstrel show at the Southern Palace called "Good Times, Good Music, Good Friends!" and circus-theme show at Good Time Theater called "Big Top Revue."

Six Flags Over Texas has earned the rank of "Granddaddy of regional theme parks" now that it is entering its 17th season. The entertainment center was the first in the nation to combine a historical theme with fun and entertainment.

The idea proved successful from the beginning with large numbers of persons from around the world visiting the park each season.

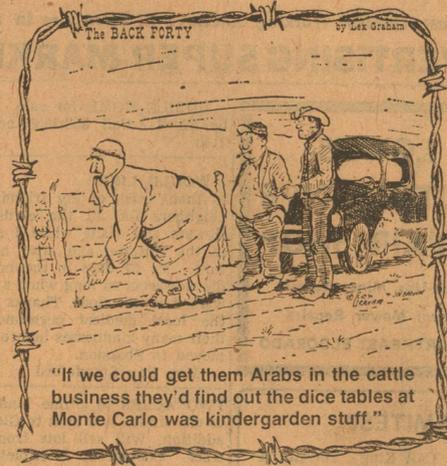

In 1976, a record-breaking 2.4 million persons visited the park. Some time early this season, park officials will welcome their 30 millionth guest.

Six Flags is open nine months of the year, operating on weekends only in the spring and fall and daily from Memorial Day through Labor Day. During Easter vacation, the theme park will be open daily from April 6-17.

Ministerial Alliance Sets Easter Sunrise Service

The Community Sunrise Service on Easter Sunday will be held at 7:00 a.m. April 10th in the Presbyterian Church.

This service will be conducted by the Ministerial Alliance and further details will be given later.

Our Thanks To You

Our lives have been saddened again, when God in His Infinite wisdom, called our loved one Home. With an abundance of God's Grace and friends and relatives like you, our grief and sorrow have been made easier to bear. It is overwhelming to know the many ways you chose to manifest your love, compassion, and sympathy for us, and we can never really find adequate words to describe what it has meant to us. We are grateful for the calls, memorials, letters, cards, flowers, food, visits, and most of all for the fact that you took time out to remember us in the way you felt led. Daddy or "Pop" Schafer, as he was known to you, felt so much a part of Eldorado, and treasured each of you as his friends. Over the years it pleased him to have you share your friendship with him and it blessed our hearts to know how much joy you brought to his life. We truly feel that each thing you have done for us, is your way of saying that in your hearts his living memory will live on. May God be ever so gracious to each of you in your time of need, and may your blessings be numerous because of your kindness to us. Mary, Granvil, and Family

Austin, Tex.—In twin bursts of action, the House approved two major bills—dealing with medical malpractice and coal slurry pipelines. The malpractice measure, billed as a compromise but not regarded as such by unhappy doctors, goes to the Senate where another round of debate is in store. Authority for the coal slurry pipelines to condemn land for rights of way previously was approved by the Senate. House amendments sent the bill back for additional consideration in the upper chamber. The malpractice bill establishes a \$500,000 limit on total damages recoverable for pain and suffering or loss of future earnings. It also provides for screening panels to hear malpractice claims, power to suspend incompetent doctors, authority for countersuits against patients in bad faith actions and a two-year statute of limitations. Children under 12 would have to wait until they are 14 years old to bring malpractice suits. The coal slurry pipeline bill will clear the way for transportation of pulverized coal mixed with water 1,000 miles from Colorado to the Texas Gulf Coast. Doctors and trial lawyers clashed bitterly over the malpractice issue, with the lawyers winning the House rounds. Coal hauling railroads took a beating in opposing the pipeline bill. Optimistic On Highway Funding Prospects of a compromise on highway funding legislation are looking up. Gov. Briscoe said he is very optimistic the legislature can agree on a bill to avert a construction-maintenance crisis. Lt. Gov. Bill Hobby has offered a substitute for Briscoe's \$674 million highway finance bill which cleared the House weeks ago and has been stalled in the Senate Finance Committee. While Hobby's proposal would allot \$428 million in new money to highways during the next fiscal period, it actually would provide considerably more over a 20-year period. Briscoe said he still likes his version better because funds will buy more now than they will in years to come as inflation continues, but he wouldn't rule out some kind of merger in the two proposals. Short Snorts Gov. Briscoe named Charles A. Dickerson of Fort Bend County as judge of the new 240th district court, and the Senate promptly confirmed the nominee. The Railroad Commission Gas Utilities Division set an April 20 hearing on a proposed rule setting rate making limits on lost and unaccounted-for gas. The commission ordered Lone Star Gas Co. to stop charging rates changed since last September for 5,985 residential and commercial customers in unincorporated environs surrounding 131 towns. Texans enjoy a lighter state and local tax burden than citizens of 43 other states, according to Comptroller Bob Bullock—about 10% of personal income compared to 11.9% national average. Atty. Gen. John Hill has hired a campaign media consultant (Bob Heller of Houston) and has Elect John Hill bumper stickers on display. But he still hasn't officially announced as a candidate for governor.

4-H Clothing Project Meetings are continuing this week. Thirty-nine 4-H Club members in the county are involved in sewing projects. 4-H project groups will not meet the week of April 4-9 because of Spring Break. The Reynolds Home Demonstration Club met last Tuesday for a program on making handbags. Ten members and one visitor were present. Members attending were: Eddie Lee Brady, Gertrude Williams, Mrs. Otto Sauer, Regina Williams, Rosa Faught, Daisy Mikeska, Wanda Ford, Geneva Wade, Lula Mae Alexander, and Doy Mittel. Visiting the club was Mrs. Buchanan. The club meeting was held at the Country Store. Now that warmer weather is here it's a good time to increase the amount of fruit in our diets. Using Fruits In Your Meals Preparing Fresh Fruits—Wash fresh fruits thoroughly, whether you serve them raw or cooked. Wash berries in a colander under gently running cold water. Trim away small bruises and injured areas; discard fruits that are too soft or are decayed. When you pare apples and pears, make parings as thin as possible. The skin of ripe peaches and apricots sometimes adheres tightly. To loosen it for peeling, dip the fruit into boiling water for about 45 seconds, then into cold water. You can then grasp the loosened skin of the fruit. Peel gently, using the dull edge of a knife. To prepare orange or grapefruit halves, run a sharp knife around each section to loosen it from the membrane and skin. If you peel the whole fruit, remove all of the white inner peel with a sharp knife. Some fruits—apples, peaches, pears, and bananas—turn brown if allowed to stand after they have been cut or peeled. To minimize discoloration, dip these fruits into citrus fruit juice (lemon, lime, orange, or grapefruit) or pineapple juice. Serving Raw Fruits—Fruit Appetizers. Combine several fresh fruits in a fruit cup. Or try a combination of fresh and frozen or canned fruits. A tablespoon of fruit liqueur adds a festive touch to fresh fruit cups. Fruit Salads—Arrange fresh fruits, or a mixture of fresh and canned or frozen fruits, on crisp greens. Serve with a tangy fruit salad dressing, mayonnaise, or a mild french dressing. Try combining fruits with other foods—crisp raw vegetables, cooked meats and poultry, cheese, nuts, or cooked seafood. Fruit Plates. Arrange several fruits on a bed of crisp greens; add cheese or sherbet. Garnish with strips of preserved ginger. Serve with small sandwiches or a hot bread. Fruit garnishes. A fresh fruit garnish makes many a main dish, salad, or dessert more appetizing. Fruit garnishes that go well with meats and poultry are: Whole cranberry sauce in orange cups, broiled peach halves, pan-fried apple rings, pineapple spears, and orange slices. With appetizers, salads, and desserts, try thin slices of lemon and lime, melon balls, large whole strawberries, or frosted green grapes. To frost grapes, wash well, dip first in lemon juice, then in granulated sugar. Fruit Snacks. Choose fresh fruits to eat alone or with cookies, milk, ice cream or cheese. Weight watchers find that a serving of fresh fruit—an apple or an orange—often satisfies hunger without adding too many calories. Fruit desserts. Serve fresh raw fruits singly or in combination, sweetened or unsweetened, plain or topped with milk, sweet cream, sour cream, whipped cream, or shredded coconut. Chopped ripe fruits can be spooned over ice cream or sherbet.

GREAT SCOT!
By Jack House, The Director Teacher's Scotch Information Centre
The First Skyscrapers
Some people say that the first skyscraper in the world was the Tower of Babel, but the Scots know better. The first tall buildings in the world they insist, were put up in Edinburgh, the capital of Scotland.

Between the 16th and 18th centuries the population of Edinburgh grew so rapidly that there was difficulty in housing so many people. The local authorities took advantage of the fact that the main street of Edinburgh, now known as the Royal Mile, was built alongside a precipice. So they built the foundations of new tenements at the foot of the precipice and went up 14 stories, well over the height of the tallest buildings in Europe. Teacher's Scotch Information Centre recommends that, when you visit Scotland, and go to see the first skyscrapers, you start on the Royal Mile, at the top, and work your way down. It's a wee bit easier than climbing the other way.

Governor Proclaims
Defensive Driving Week

Reminding Texans that traffic safety is ultimately the responsibility of each individual driver, Governor Dolph Briscoe proclaimed April 3-9 Defensive Driving Week. The week is a national observance designed to focus public attention on the need for safer driving habits as well as to encourage enrollment in the National Safety Council's Defensive Driving Course.

"Last year 3,200 Texans died in car accidents," noted Hugh L. Scott, president of the Texas Safety Association. "Had they been Defensive Driving Course graduates, that figure COULD have been one-third lower."

An eight-hour, classroom course, DDC teaches crash avoidance techniques used by professional drivers. Studies show that DDC graduates had 32% fewer accidents the year after taking the course as they did before.

Mr. and Mrs. Tom Carroll and Mr. and Mrs. C. V. Carroll spent the week end in San Antonio visiting the Sam Granbury family.

Consumer Food News

College Station, Tex.—Easter-related specials in some Texas grocery markets will focus on turkey and eggs, Mrs. Gwendolyne Clyatt, consumer marketing information specialist, reports.

At meat counters, scattered specials are available on beef and pork items—and lamb is more prominent in some markets, she added.

Mrs. Clyatt is with the Texas Agricultural Extension Service, The Texas A&M University System.

She advises consumers to look for best beef values on chuck roasts and steaks, round steaks, ground beef and liver.

Pork features include quarter-loin sliced into chops, Boston butt roast, smoked picnics, ham portions, bacon, liver and roll sausage.

At fruit counters, items with most economical prices are grapefruit, oranges, small-size apples, bananas and pears. Pineapple supplies are increasing as the season progresses toward its peak in May, she said.

In fresh vegetable departments, economy appears on carrots, broccoli, head lettuce, collards and mustard greens, turnips, rutabagas and potatoes. Also, fresh asparagus is available at moderate price levels—and celery supplies are increasing.

At frozen food counters, vegetables head the key features list. Along grocery market aisles, spotlight items are canned peaches, corn and peas—and peanut butter.

Consumer Watchwords: Look for scattered promotions on lamb, including loin and rib lamb chops, leg of lamb and shoulder roasts.

Tennis Club Met
On Monday Night

It was a beautiful night for tennis Monday night as 25 members of the Tennis Club turned out for play. Randy Masin, Walter and Mary Ruth Wallis, Paul and Nancy Page, and Billie Jones are welcomed as new members this week.

Again this week play was divided into two sessions. In the first round Ted Short was high and Marvin McAngus low. In the second Judy Meador was low and Robert Jay and Mrs. Chris McCravey were high with a record 26 games won.

Thursday night the courts were again full with Robert Jay giving instruction to those desiring it.

There is a possibility of Eldorado having a teaching pro from Kerrville come this summer to give group lessons for a week, June 6-11. He will teach three age levels 8-13, 14-18, and adult. The adult sessions would be held in the evenings. We must know if there is enough interest to have such a program this summer. If you are interested you may contact Nancy or Ken Thomas or Robert Jay.

There will be no organized play this coming Monday night, on account of the holiday period. —Rep.

Library Notes

Dear Editor and friends,

Will write a few lines. Would love to see all of my good friends that are left out that way. I got my Success and saw where my very dear friend Russell Donaldson passed away. He and I were very close friends when we were in our early 20's. We worked on the old Jimmy Henderson Ranch west of Eden, Texas, when we were boys and had great times together. He was about 4 months older than I. I'll be 82 the 29th of this month. The Good Lord has been good to me. I still get around o.k. and drive my old Dodge to town some and do a little work in my yard and small garden.

I would give anything to visit there for a few days, but can't tell. I can't drive that far any more so I will say Hello to all, from me and my wife. Our best friends are out there and we love to hear from them. Most of them have gone on. We have had plenty of rain here.

God bless all.

Your dear friend,

The following events, selected by the Texas Tourist Development Agency, are but a few of the many excellent recreational opportunities offered by communities across the state. A more complete listing of Texas events may be obtained free of charge by writing TTDA, Box 12008, Dept. C, Austin 78711.

March 26-27, April 2-3 Highland Lakes Bluebonnet Trail, Austin, Buchanan Dam, Burnet, Kingsland, Llano and Marble Falls. Arts and crafts shows will be held in these communities, and visitors will be directed to the best field of bluebonnets. For a brochure, write the Bluebonnet Trail, Box 1967T, Austin, Tex. 78767.

April 9 Easter Fires Pageant & Homes Tour, Fredericksburg. Held at the Gillespie County fair grounds, the Easter Fires event is perhaps the nation's most unusual Easter celebration. According to legend, settlers' children were frightened by Indian fires on the hills at night. To calm the children, a pioneer mother told a charming story of the Easter Bunny making the fires for Easter-egg dye pots. For well over 100 years the Easter Fires celebration has been passed from generation to generation in this German community. Fires are lighted in the hills, and starting at 8:15 p. m., that Easter event is reenacted. Reserved seats are \$2.50. General admission \$2 adults, \$1 children. The homes tour featuring 10-15 historic homes is scheduled from 2-5 p. m. For additional information write the Gillespie County Fair Association, Box 526T, Fredericksburg, Tex. 78624.

April 15-24 Fiesta, San Antonio. One of the top events in the state, Fiesta features three elaborate land and water parades, "Night in Old San Antonio" (19-22) and many, many more events. For a complete schedule write Fiesta San Antonio Commission, Inc., 306 North Presa, Suite 8T, San Antonio, Tex. 78205.

April 17 Texas Trek Annual Homes Tour, Montgomery. Sponsored by the Montgomery County Historical Commission, this event opens ten vintage homes and the old First State Bank of Montgomery to the public. Admission is \$3, or .50 at the door of each home. Hours 9 a. m. - 6 p. m.

April 23-24 Liberty Historic Tours, Liberty. With three major features, this event, sponsored by the Libertad Chapter of the Daughters of the American Revolution, has something for everyone. The famous Plantation Ranch, owned by Bill Daniel, former governor of Guam, will be open to the public for the first time. Included in the tour will be the plantation house and a 30-building restored village. Gov. Daniel, his family, D. A. R. members and husbands, all dressed in period costumes, will serve as guides and hosts. Hours 2-5 p. m. Admission \$2. A second tour, riding in air conditioned vans, includes historic sites, buildings, homes, businesses, cemeteries and churches. A running commentary of colorful and amusing facts will be provided by D. A. R. hostesses. The tour departs at regular intervals from the Geraldine D. Humphreys Cultural Complex. Cost \$2 per person. Hours April 23 are 10 a. m. - noon and 1 p. m. - 5 p. m.; April 24, 2 - 5 p. m. The third tour, open the same hours as the second, includes three of Liberty's best known historical homes. Admission is \$1 per person for all three homes. For additional information contact Mrs. E. W. Pickett, Sr., 1402 Sam Houston, Liberty, Tex. 77575 (714-336-6250).

April 21-May 1 Buccaneer Days, Corpus Christi. Parades, carnivals, sailboat regatta, tennis tournament, music festival, art, band contest, dancing and many other events make up a full schedule. For complete information write Buccaneer Days, Box 1200T, Corpus Christi, Tex. 78403.

Spring is so much more than just a season. It is a miracle, enacted against a backdrop of perfect days. It is the time of rebirth . . . of reaffirmation.

Spring is Christ's story, beautifully illustrated by nature. It is all the teachings of the Church, brought to reality, spread out gloriously for you to see. Nature in her sweet, new loveliness, touches the world, touches you with the Christ-like spirit. If your vision has been dulled, she gives you the chance to see again more brightly than ever.

Palm Sunday is here again. Never before have the doors of the Church seemed to stand quite so open . . . so ready to receive you. Never has the lesson of everlasting life . . . Christ's lesson . . . been so poignant. There will be new richness in your life if you will trust in the Church. In your soul there can be eternal spring, and all the bleakness, questioning and doubt can be erased from your heart forever.

THE CHURCH FOR ALL . . .
. . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
