SAFEST TIR FIRESTONE EVER BUILT

THE New Firestone High Speed Tire for 1934 was built to give you the same dependable service it provided for the 33 drivers who started in the torturous 500-mile grind at Indianapolis May 30.

This new tire has a wider tread of flatter contour, deeper non-skid, more and tougher rubber, giving you more than 50% longer non-skid mileage,

Besides being Safety Protected on the outside it is Safety Protected on the inside. Eight additional pounds of pure rubber are absorbed by every one hundred pounds of cords.

This additional rubber is so placed that it surrounds every cotton fiber inside every cord in every ply. This is accomplished by soaking the cords in liquid rubber by a Firestone patented process. This patented process, Gum-Dipping, is not used in any other tire built.

Heat caused by internal friction of cotton fibers destroys tires-causes separation and blowouts.

Gum-Dipping counteracts friction and

Training School, To Be Held At New Camp Site **On Morgan Ranch**

Have Second

Camp School

Scouters of Big Spring, Coaho ma and Midland scouters will hold their second and final outdoor ses sion of the current camp leaders training school Saturday evening and Sunday at a new camp site. This decision was reached here Wednesday afternoon at 4:30. Fun-cral services were conducted in the chapel of Kaster & Maxon, El Paso, with Rev. B. M. G. Williams officialing. The Order of Bailway Conductors conducted services at the graveside.

granted by the owner's son. The site is located on the Hardy Morgan ranch and is 13 miles south east of Hig Spring in the "canyon

pasture." Plans are for the party to leave Big Spring at 4 p. m. Saturday, spending the night in camp and returning here Sunday. The first outdoor session was held last week end at Moss Spring and man attended be automational

and was attended by approximate-ly 20 scouters. Indications are that a larger crowd will attend the final

> Sterling City-**Big Spring Mail Route Opens July 1**

STERLING CITY-The contract for carrying the mail between Big Spring and Sterling City has been awarded to Joe Mitchell. Daily operations will begin on July 1. The schedule is fixed so that connections with mail trains at Big Spring as well as the noon mail at

Spring as well as the noon mail at Stering City, will be made. Over half of the mail that is posted here will go by Big Spring. Heretofore, most of the mail other than letters must be sent around by San Angela. Postmaster Hal Knight and the postmaster at Hig Spring, have been co-operating in getting this new routs through. It means a lot to the people living on the route between here and Hig Spring, as well as everyone in Stering City and Forsan. Song Published Al Crowley, Big Spring com-poser, has had his first song published. "I'm Broadcasting (for a Sweetheart)" has just been re-leased by the S. K. DeVaignie Music composition of Chicago.

over NBC. A smooth tune in 44 time, "I'm Broadcasting" was writ-ten entirely by Crowley. He has been composing for the past five years but his int-est tune is the only one he at-tempted to have published. Mr. and Mrs. Crowley are at home in the Crawford hotel. 6 Counties Are **Transferred To**

Miss Virginia Cushing, youngest anughter of Mr. and Mrs. W. F. Cushing, was acclaimed "Miss West Texas" at the brilliant bathing beauty revue staged Friday evening in Sweetwater as a climax of the two-day celebration opening Lake Sweetwater, the newest West Texas resort. The celebration lasted through Thursday

and Friday and was attended by many thouands of visitors from all parts of the region Fort Worth sent an especially noteworthy delegation.

Miss Cushing, who was recently selected as "Miss Big Spring" by a committee of the local chamber of commerce to represent the city at the formal opening of the Sweetwa-

ter resort, is a particularly appealing blonde. Miss Cushing was the first bath-ing beauty to be presented in the revue. She was dressed in a whit net bathing suit with white sandals. Miss Cushing and Mrs. Stipp were ruests at the dance which brought
