

# 625 Local Students Expected To Enroll In School

About 625 students were expected to enroll into school here this Tuesday, beginning the 1979-1980 school year.

Teachers have been preparing for the beginning of school by attending in-service training both here and in Sonora. These training days covered all phases of assignments including working with the handicapped child, according to school superintendent Guy Whitaker.

A new program will be implemented into the elementary school this year, with two new people hired to help students in kindergarten to the sixth grade with math problems.

High school students will meet new changes also, with a revised handbook which was passed out to them the first day. This handbook was revised by the school board this year and covers all areas of school activities.

There will be two new buses in the school system this year and two

old buses will be sold by the district shortly.

The new aluminum bleachers have been installed at the football field just in time for the first football game this Friday when the Eagles meet Rankin at home.

All the work has been completed on the track except for the final top coat which will be done after football season.

Following is a list of all the teachers for the school system.

**ELEMENTARY**  
Esther Bumgardner, kindergarten aide; Jo Callison, sixth grade; J. Michael Callison, sixth reading; Charlotte Dean, math aide; Nancy Doyle, second grade; Imogene Edmiston, fifth grade; Jo Ann Edmiston, third grade; Julie Griffin, sixth grade; Shannon Harber, elementary p.e.; Lexie Hodnett, fifth grade; Billie Jones, second grade; Joella Minter, elementary music; Becky Moore, fourth grade; Melissa O'Harrow, fourth grade;

Helen Pfluger, first grade aide; Myrta Rathbone, first grade; Betty Robinson, kindergarten; Gloria Rodriguez, kindergarten; and Esther Torres, Title I math aide; Beth Whitaker, third grade; Jill Preston, Title I reading.

**JUNIOR HIGH AND HIGH SCHOOL**  
Ruth Anne Callihan, biology and seventh grade science; Matt Chalmers, boys athletics, civics, business math; Johnny Clawson, athletic director, American history; Greg Copeland, boys athletics, world geography and eighth grade history; Janet Curtis, Title I reading; Linda Evans, English II, seventh and eighth reading; Janell Hausenluck, high school aide; Bobby Helmers, girls athletics, seventh grade English; health; Maureen Hodges, seventh grade math, Algebra I, IA, FOM; Fred Igo, vocational ag; Linda Ingle, English, world history; Shirley Jackson, English I and III, Art, Spanish I;

Robert Jay, physical science, chemistry, algebra I; Winston Leifester, boys athletics, physical education; Wayne McDonald, band.

Also, Larry Mitchel, boys athletics, eighth grade science, social studies; Randy Mitchel, girls athletics, physical education, English; Pat Moore, eighth grade math, English, journalism; Dana Owens, vocational home economics; John Rodriguez, boys athletics, geometry, Algebra II, trig; Su Scott, business math, typing; Marcy Willis, eighth grade English, speech.

#### AIDES, SPECIAL

Frances Edmiston, school nurse; Delia Herrera, special ed; Juanita Igo, migrant aide; Jeneva Leifester, librarian; Pat Pitts, migrant aide; Leona Rapp, special ed; Melonie Reynolds, special ed; Mary Ruth Wallis, special ed aide.

See Calendar Page 6

1979-80 CHEERLEADERS--Ready to boost spirit for the Eldorado Eagles are some spirited cheerleaders. On the outside of the pyramid are Jolynn Jay, left, Lou Ann Turner, center and Lori Griffin, right. Lorrie Powell, left; Kara Homer, right and Jeannie Nicholson, center complete the group. The girls will have their hands full trying to beef up the team when they meet Rankin Friday night.

## Just Talkin'

By Nell Edmiston

There are several hometown boys from Eldorado who have done well in their chosen professions. One of them is Bill Green who has formed his own band and done a lot of entertaining and recording.

The following is a short piece written by Blanche West who may have seen Bill before his mother did. She also saw him while he performed for the Sutton County Days in Sonora recently.

Bill was delivered by Dr. M.G. Holcomb in Eldorado at the Holcomb Clinic "on a cold day in December," according to Billy Green, Bill's father.

The Greens were on the way to San Angelo hospital when it became apparent they would never make it in time for Bill's arrival.

The nurses, Blanche West and Sybil Kinser, were changing shifts at 7 a.m. when the Greens arrived and Dr. Holcomb was called and responded immediately.

Dr. Holcomb admitted Billy to the delivery room to share the great experience of the birth of his first son. He was a proud father and remains so.

Bill's family later moved to Sonora where Bill graduated from high school. Among his many activities was piano lessons taught by Mrs. Esther Loeffler, the Bronco Band and football.

During his last year in college, Bill began playing the steel guitar with a friend, David Price, at which time his song writing career began.

His first hit was "Champion Bourbon". Other greets were "Motel Time Again", "Texas On A Saturday Night", and "Texas Greets".

In 1977 the time was right for Bill to form his own band, "The Texas Greets", named after the record.

In the fall of 1978, "Fool Such As I" was released and once again Bill had another nationally charted record.

He continues to chart records and consistently astounds the crowds everywhere he performs, whether it is at dances or at concerts.

His wife, Debbie, is a teacher in the San Antonio schools and accompanies him during the summer.

Bill is another of "Blanche's babies" who has reached success.

A sample of his success will be shown at the Corral Club in Menard this Saturday night.

### Church Slates

#### BBQ Friday

The First Methodist Church is having a barbecue from 5-7 p.m. Friday.

The meal will cost \$3 for adults and \$1.50 for children under 12. It is open to the public.

### An Editorial

## Vote "Yes" Tuesday

Next Tuesday, Schleicher County voters will be facing two very important decisions in the county's future: separation of the sheriff's department from the tax assessor-collector's office and bonds for building a new law enforcement center. There are several reasons why the county needs the law enforcement center.

1. The present county jail is a small, overcrowded jail that is outdated, primitive and unsafe. On several occasions, it has not held certain prisoners. It is also a fire hazard and lacks several requirements set aside by the Texas Commission on Jail Standards, such as storage space for confiscated weapons and evidence, separate cells for women and juvenile prisoners and visitation space for lawyers and prisoners.

The building has been condemned by the commission and stands to be closed if the county does not build a new building or update the old building. Remodeling the old building would be more expensive than building a new building, and transporting prisoners to another town would not be feasible because of travel time and expense.

As the population of the county has grown, so has the crime rate and the present jail is just not large enough to hold an increase of prisoners.

2. Offices for law enforcement officers now are very inadequate and crowded. A new building would provide badly needed offices for deputies, game warden and Department of Public Safety patrolman. This would, in turn, provide more space for the tax department in the courthouse.

The new building proposed by the Commissioners Court would match the courthouse and would provide better room and working conditions for our law enforcement personnel. It is the duty of the people in the county to upgrade their public offices and help their law enforcement officials in every way they can. A law enforcement center would be an asset to the county and the people who live here.

With an increase in crime activity in the area in addition to changing tax laws, one man cannot hold both jobs and do an efficient job in both. Tax laws have changed and bigger changes will be made during the next two years.

In addition, the two offices are completely unlike. Duties and responsibilities in the two contradict each other, making it difficult for the person to be responsible for both.

For these reasons, be sure to vote "yes" in Tuesday's election. Voters will vote from 7 a.m. to 7 p.m. in the Memorial Building.

APPLE OF MY EYE--Fred Logan, local carpenter for many years, shows he can do more than build houses. He can also grow some of the prettiest apples anyone ever laid an eye on. One of the apples he holds in his hand weighs one pound and a quarter and the other weighs just slightly more than one pound. Notice the beauties in the tree behind his head. The apples are of the red delicious variety.

## Revised Handbook Is Guide For Both Students And Parents

Any organization has to have guidelines and rules to operate by. Furthermore, these guidelines and rules must be presented to those concerned so they know the rules and have them at hand to follow.

With this in mind, the Schleicher County School Board has worked for several months reviewing and revising the student handbook for the system. The handbooks were completed just recently and were passed out to the students this week.

Students are to present the handbooks to their parents for their information, have their parents sign them, sign them themselves and return the last page with the signatures to the school administration who will place them in their permanent school file.

The school board feels it is important for students and parents alike to be familiar with the rules in the school system so there will be better communication and cooperation between the school administration and people in the community. However, it retains the right to revise any part of the handbook at any time.

Therefore, the Leader is presenting a series on the handbook each week, with the first of the series following.

#### ADMISSION REQUIREMENTS

A. Any student showing satisfactory evidence of completion of the eighth grade work in an accredited or classified school may enroll as a freshman. Students applying for advance standing will be allowed credit in all work certified by the sending school provided the sending school is fully accredited.

B. Students entering the Junior High must have evidence of satisfactory work completing the previous grade.

C. Any student moving into the Schleicher County I.S.D. who is under suspension from another school shall not be admitted until

his or her suspension term has ended in the suspending district.

#### CLASSIFICATION AND PROMOTION

A. Junior High  
To be promoted to the next higher grade a student must not fall more than one academic subject. The academic subjects are all subjects excluding P.E. A student may be assigned if he or she is over age for the grade.

B. Senior High  
The classifications for class privileges for Freshman, Sophomore, Junior, and Senior are based upon the number of credits earned. Classification will be made at the beginning of the school year. The minimum credits for each class are as follows:

Sophomore--4 Semesters Credit  
Junior--10 Semesters Credit  
Senior--13 Semesters Credit

Promotions are made by the semester in all High School subjects and all class activities are based on the student's standing, according to the number of credits earned. No change in classification will be made during a year except in case of a candidate for graduation.

#### TRANSFER STUDENTS

Transfer Seniors must be in regular attendance the last semester to be eligible for graduation. All work must be completed and recorded prior to graduation.

The following courses will be offered on alternate years: Physics, Chemistry, Bookkeeping, Short-hand Spanish I and II, and Ag III and Ag IV.

#### PHYSICAL EDUCATION

Two years of Physical Education under supervision or an equivalent are required. Competitive sports and band participants will be excused from regular program of physical education only for the period of time when they are actively participating. When participants of competitive sports or band become inactive, then the pupils will be enrolled in their physical education classes.

## Speed, Quickness Will Aid Eagles

Speed and quickness will be two of the strong points in the 1979 Eagles, points out head coach Johnny Clawson who is eager for the Eagles to begin their season Friday night against Rankin here.

A total of 42 boys turned out for varsity and junior varsity teams. Starting offensive lineup will be Randy Morrison, quarterback; Bobby Lozano, full back; Michael Mertz, tail back; Mickey Nixon, split end; Rojelio Adame, quick tackle; Joel Robledo, quick guard; Don Garlitz, center; Todd Swift, strong guard; Ronnie Hall, strong tackle; Kieth McCormack, tight end and Mike Griffith, flanker.

Starting defensive lineup will be Nixon and Tommy Martinez, corner backs; Morrison and Griffith, safe-

ties; Mertz, Lozano, and Swift, line backers; Robledo and Charlie Bradley, Mertz, Ray Blair, Nixon and Tommy Minor.

Coaches for the season are Matt Chalmers, offensive line and defensive secondary; Larry Mitchel, head junior varsity, offensive backs and defensive line; and Greg Copeland, junior varsity offensive line and defensive secondary.

Clawson said he was pleased with the team, especially during the scrimmage against Sonora last week. However, he noted Rankin was picked to win district 6A and has four outstanding players, Brant Myres, James Barrett, Michael Peterson and Dennis Black.

Kick off time Friday is 8 p.m.

## School Board Holds Meeting

The local school board met for an unusually short meeting Aug. 27 in the band hall to discuss several items.

The board met with architect Gary Donaldson and make recommendations for the new administration offices and library learning center.

The committee for the formation of a pep squad reported it would be too hasty to take any action at the

present time and recommended more study on the proposal.

The committee appointed to study the permanent school fund made a report and presented an analysis. The funds are from 872.98 acres owned in Gaines County.

possibilities of places to park school buses so they would be safe from the elements and also thefts.

They also discussed liability insurance but took no action.

Those physically unable to take part in physical education must secure a Doctor's permit to that effect. Students will be classified for P.E. as follows:

1. P.E. unrestricted activities
  2. P.E. restricted activities--limited to less vigor
  3. P.E. adopted activities--for handicapped
- Equipment--each student must have the following equipment for P.E.:
1. Tennis shoes
  2. Shorts
  3. "T" shirt or blouses
  4. Socks
  5. Towels

#### GRADING SYSTEM

Report cards at the end of each 9 weeks will be mailed to the parent. During the semester the teacher will send to the parent a failure notice when and if the student begins to fail. These notices must be signed by the parent and returned to the teacher. All possible efforts are made by teachers to stimulate student's success and to work with each parent to achieve this success.

#### REPORTING PERIODS:

- 4 weeks--Inter-semester Progress Reports handed to students
- 6 weeks--Deficiency Reports mailed to parents
- 9 weeks--Report Cards mailed to parents
- 13 weeks--Inter-semester Progress Reports handed to students
- 15 weeks--Deficiency Reports mailed to parents
- 18 weeks--Report Cards mailed to parents

#### PUPIL LOAD

Every student, regardless of classification or number of credits necessary for graduation, is required to take a full subject load of 4 subjects. Students are excused from taking a full load only in extreme necessity which will be decided by the Administration. Pupils are encouraged to take five academic subjects and P.E. or Band.

Junior High--The seventh and eighth grade courses shall be English, Math, History, and P.E. and Band will be offered on an elective basis. Science and Speech are offered on a semester basis to eighth graders.

Other courses may be offered as demand and teachers' availability dictate.

#### WRITTEN WORK AND ASSIGNMENTS

A. All formal written work should be in ink or typed and standard form should be required. Particular attention should be paid to spelling and students should be penalized for each misspelled word and grammatical error, regardless of the subject.

B. Nine week exams will be of a formal type, and students may use up to one class period for these.

C. All examination papers with the exception of the final examination paper shall be corrected by the students.

D. The standard endorsement of all papers shall be: Student's Name Name of School Title of Subject Date

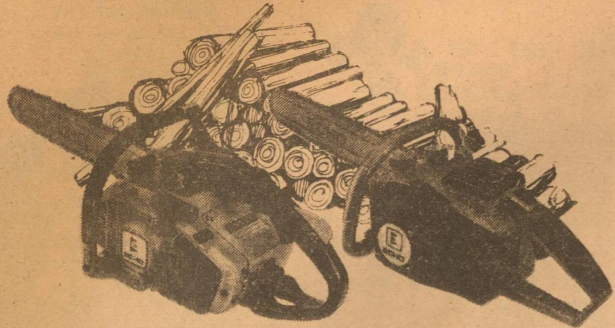

E. Students are responsible for handing assignments on time and all teachers shall set their own policies for late papers.

F. Make-up work must be completed by the end of each semester for the student in question to meet eligibility requirements under U.I.L. rules.

Friday, Sept. 7--Eldorado vs. Rankin, 8 p.m. here; Barbecue at Methodist Church, 5-7 p.m.  
Saturday, Sept. 8--Jamboree, 8 p.m., Memorial Building; Men's Golf Championship Tournament.  
Sunday, Sept. 9--Mixed foursome at golf course; devotional at nursing home, 3:30 p.m.  
Monday, Sept. 10--Commissioners Court, 9 a.m., courthouse; School Board, 7:30 p.m., high school; Booster Club, 7 p.m., high school; Order of Eastern Star, 7:30 p.m., Masonic Hall; Beta Sigma Phi sorority, 7:30 p.m., club room.  
Tuesday, Sept. 11--Election, 7 a.m. - 7 p.m., Memorial Building; Woman's Club, 2:30 p.m.; TOPS, 6:30 p.m., Kountry Kousins Square Dance Club, 7 p.m., Memorial Building; Seminar on raising deer, 7:30 p.m., Memorial Building.  
Wednesday, Sept. 12--Golf Club bingo, 7:30 p.m.; Lions Club, noon, Memorial Building.  
Sunday, Sept. 16--Devotional at nursing home, 3:30 p.m.  
Monday, Sept. 17--Young Farmers, 7 p.m., Memorial Building; Booster Club, 7:30 p.m., band classroom.  
Tuesday, Sept. 18--TOPS, 6:30 p.m., Memorial Building; Kountry Kousins, 7 p.m., Memorial Building.  
Wednesday, Sept. 19--Grand jury; Lions Club, noon, Memorial Building.  
Thursday, Sept. 20--Social security representative, 1:30-2:30 p.m., courthouse, Jaycees, 7:30 p.m., clubhouse.

**A GIVEAWAY**--The Eagles Mascot studies a football signed by all the varsity football players which will be given away during the first game of the year. Tickets are 25 cents each and can be purchased from Booster Club members. The first game will be at 8 p.m. Friday when the Eagles meet the Rankin Red Devils at 8 p.m. here.

## Agents Boost Natural System

Immunologists at Baylor College of Medicine here have found that man-made and natural agents together can give a greater boost to the immune system that fights off cancer and now they want to know why.  
Dr. Duane L. Peavy, Assistant Professor of Immunology and Microbiology, and his colleagues are exploring two compounds: one, BCG, a tuberculosis vaccine, and the other, LPS, lipopolysaccharide, a component from the cell walls of bacteria. These, given at the same time, the scientists have discovered, have a greater effect than if used consecutively, one apparently amplifying the other. Dr. Peavy's research is supported by an American Cancer Society grant.  
Dr. Peavy hopes to find out why this paradox occurs. He believes that the answers can also disclose how and why the immune system works. The answers may also help to explain how one of the two forms of immunity blocks the effectiveness of the other, particularly in cancer patients.  
One, a generalized system of immunity, functions by "B cells" circulating through the blood to act as sentinels and summon antibodies to attack substances "foreign" to the body. A

second system, involving "S cells", also responds to invaders but specifically, to particular cells, such as "abnormal" cancer cells.  
In some patients this system is successful in producing specific antibodies which attack cancer. It also acts directly itself against the malignant cell.  
In what appears as a mistake of nature for some cancer patients, the "B cell" system not only attacks the cancer but at one point also blocks production of the specific antibodies of the "S cell" system by coating the cancer cells with protein and preventing their receptors from stimulating the "S cell" reaction.

### Carter Makes New Initiatives

Energy initiatives aimed at helping small towns and rural areas cope with future energy problems through 1981 were recently announced by President Carter.  
Federal funds totaling \$300 million will help renovate 100 small-scale hydro-electric projects across the country, says Jack L. Jones with the Texas Agricultural Extension Service, Texas A&M University System. The projects would generate about 300 megawatts of power. Eight federal agencies are involved in the Department of Energy program.  
Nearly \$11 million will enable construction of 100 small gasohol(alcohol used for transportation fuel) plants, adds the community development specialist.

The Department of Energy and the Economic Development Administration will allocate \$1.25 million in grants to help about 20 economic development districts. The districts will plan integrated economic development and energy programs, giving special attention to alternative sources of energy, such as hydropower and wood-fired power generators, notes Jones.

### Auto Hotline For Defects

To report safety related defects concerning automobiles, contact the free auto safety hotline, advises Linda McCormack, a family resource management specialist with the Texas Agricultural Extension Service, The Texas A&M University System.  
The number is: 800/424-9393, the specialist says.

Want a perm that's just plain fabulous? Perfect for the whole family? We recommend organic-rich Texture Foam from Zotos, the world's leading market of fine salon perms.

Instead of applying a lotion, we apply a warm blanket of perming foam. It's time-released to penetrate gradually and gently into the hair, releasing rich organic conditioners as it perms. No dryness or frizzies. Call Today!

**In Those Days**

**ONE YEAR AGO**  
 Sept. 8, 1978--Local citizens pledged \$530 for the Muscular Dystrophy Telethon. The local housing authority received reservations for 30 new units. Jerry Swift was elected president of the Booster Club. Flashing lights were installed on Highway 277 close to the school creating a 20 mile an hour zone in that area. Miss Martha Miller married Robert Whitten; Miss Mary Frerich married Jeff Leggett and Wendi Su Gibson married Michael John Nikolauk.

**FIVE YEARS AGO**  
 Sept. 5, 1974--Cheerleaders for the 1974 season were Wally Joiner, Carolyn Page, Teresa Scott, Charlene Warnock, Irene Garcia and Jill Edmiston. Mrs. Imogene Callis was honored with a birthday party hosted by Annie Emmons. Mrs. Leslie Baker was a patient in Clinic Hospital in San Angelo. The engagement of Miss Melonie Feltnier to Sidney Reynolds was announced. Several area residents reported good rains for the previous month, some for as much as 13 inches.

**12 YEARS AGO**  
 Sept. 7, 1967--New dialing system making it possible for Eldorado to dial their own long distance phone calls was completed. Funeral services were held for Lee Nixon. Pvt. Joe E. Smith was taking his Basic Training at Ft. Polk La.

**35 YEARS AGO**  
 Sept. 1, 1944--General rains broke the heat wave. Eldorado reported 2.27, W.R. Bearce/1.91, Kinser-2.25, W.F. Runge-2.45 and J.F. Oglesby-1.05. Senior Scouts and Scouters attended Annual Encampment at Dolan Falls on the Fawcett Ranch. Attending were Senior Scouts - Ray Long, Bill Lewis Humphrey and Bill Breedlove, Scoutmaster Amos Shriver, Troop Chairman W.M. Patterson, Neighborhood Commissioner Jerry Pennington and W.T. Whitten, committeeman. Clovis Taylor grew an onion weighing out at a fraction over two pounds. Lt. Tom R. Henderson, Jr. was killed in plane crash at Goodfellow. Rites were at Goodfellow Chapel. Burial services followed in Eldorado. First Lt. Young Newsom was reported missing in action over Germany since Aug. 16. Memorial services were held for Sgt. Arthur H. Ashmore. Pfc. and Mrs. Jack N. Hext became parents of a baby daughter Judy Sue. Funeral services were held for the infant twin sons of Mr. and Mrs. Dee Love. Young Adult Bible Class had an Ice Cream Supper on the lawn of WTU. About 80 relatives and friends attended the annual McGinnes reunion which was held in Christoval.

**Miss Blair Wed**

The First Baptist Church of Eldorado was the setting Saturday for the marriage of Miss Becky Lynne Blair to Joey Jones. The Rev. Don Willidord, pastor, officiated for the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Charles Blair and the bridegroom is the son of Mr. and Mrs. Jerry Jones, all of Eldorado.

Chuck Jones and Ray Blair, brothers of the couple, were ushers. Mrs. Eleyyn Stigler, organist and Bob Lester, soloist, provided music. Lester sang "The Wedding Prayer."

The bride wore a cathedral length dress and veil worn by her cousin. It was made of lace with ruffles on the neckline, cuff of the sleeves and the hemline.

Mrs. Bruce Jenkins of San Angelo was her cousin's matron of honor. Bridesmaids were Mrs. Dean Soderstrom of Midland and Mrs. Phil Fox of San Angelo.

Jimmy Deaton of Eldorado was the best man. Groomsman were Larry Holsey of Eldorado and Charlie Blair of Eldorado, the bride's brother.

A reception at the Memorial Building followed the ceremony. Servers were Mrs. Jimmy Mackey of Fort Stockton, Dianna and De Etta Mackey, Mrs. Steve Mercer of San Angelo, and Donna Casbeer, Ronda Kerr, Shanna Burleson and Melissa Burleson, all of Eldorado. June Sharp of Pecos was at the register table.

Mrs. Joey Jones

**Field Day Is Today**

The annual Sheep and Goat Field Day will be in San Angelo Sept. 6 at the Texas A&M University Agricultural Research and Extension Center.

Registration will begin at 9 a.m., and lunch will be catered and Dutch-treat.

The Sept. 6 program will be in two parts--the morning session in the auditorium and the afternoon session at various outside demonstrations.

Other topics to be discussed in the auditorium will include the supplemental feeding of the ewe flock, research in bluetongue and polyarthritis and the potential for short wool.

Afternoon demonstrations will involve lamb feeding, ewe types, selective goat feeding, bitterweed toxicity, control of prickly pear and other rangeland weeds, Angora goat performance test, and thin ewe syndrome.

**NOW FOR A NAP--J.R. Edmiston takes a little snooze during the annual membership meeting held recently, while everyone else enjoyed the barbecue. Funny thing is, daddy Jim Bob Edmiston had his picture in the Eldorado Success 20 years ago, taking a little snooze during the meeting of the same organization in almost the same place on the courthouse square.**

**BRIDAL SELECTIONS FOR**  
 Margaret Powell, bride -elect of Ken Smith

# Elizabeth Nibblett, Mark Lloyd Wed

Saturday, Sept. 1, Miss Elizabeth Nibblett was wed to Mark Lloyd in a candlelight ceremony at the First United Methodist Church of Eldorado. The Rev. Dan Adams of that church officiated.

The bride is the daughter of Mr. and Mrs. Charlie Niblett of Eldorado. The bridegroom is the son of Mr. and Mrs. Chester Lloyd of Houston. The bride wore a princess style gown fashioned in traditional white satin crepe. It featured an empire bodice with a scalloped Princess Anne neckline accented with delicate appliques of re-broidered French Alencon

lace and beads. The full length bishop sleeves, flounce and formal chapel train were fashioned from crystal pleated organza. The deep lace cuffs on the softly puffed sleeves were richly accented with beaded pearls. The gown was complimented by a walking length veil de-

signed and made by the bride's mother. The tree tiers of English net and French Alencon lace fell gently from an open lace Juliet cap. The veil featured a butterfly face tier caught with beaded

pearls. The entire creation was delicately etched in French lace motif appliques.

Cherie Rodriguez was her sister's matron of honor and Susan Schmidt of Cypress was maid of honor. Bridesmaids were

Carole Crain of San Antonio, Dayla Wilson of Odessa Evelyn Jossly of Houston, Gynna Jay and Shirley Joiner of Eldorado, Leslie Rummel of Lubbock and Patty Bell of La Marque. Flower girl was Mandy Smith of Odessa. They all wore dresses of dusty rose and wine.

Chester G. Lloyd of Nacogdoches, the groom's brother was best man along with John P. Weber of Dallas. Groomsmen were Allen Higgins of Eagle Lake, Chick R. Johnson of Pearsall, Paul Dvorak of Angleton, Gene E. Kubecka of Palacios and Ashley C. Niblett of Eldorado, the bride's

brother. Ushers were Roy Brantely of Belton, Dean A. Kubecka of Palacios, Cary C. Lloyd, brother of the groom, of Houston, Dana Havron of Marshall, Mike T. Outlaw of College Station and Bob Arnet of Austin. Candlelighter was Lane Wilson of Odessa and

carrying he treasure chests containing the rings were the bridegroom's nephew, Mark Lloyd of Odessa and Matt Ellison of Eldorado. The key to the chests was carried by Forrest Meador of Eldorado.

Organist for the ceremony was Rusty Meador of Eldorado and soloist was Bob Lester, also of Eldorado.

A reception and dance at the Eldorado Restaurant followed the ceremony.

Serving at the house party were Terri and Tammy Long of Houston, Candice Martin of San Angelo, Cheri Lloyd of Nacogdoches, Kathy Outlaw of College Station, Barbara Kubecka of Palacios, Judy Nicholson of San Angelo, Toya Bernal, Kendra Dunham, Robin Jarrett, Frances Peters, Nancy Lester, Jeanne Snelson, Pansie, Sammie and Jolynn Jay, Maureen Hodges, Frances Bland Sarah McCravey, and Betty Wilson, all of Eldorado.

Champagne was served at the reception by Mike Redwine, Bobby Jarrett, and Jerry Jackson, all from Eldorado. Helping the guests register was Rex Harrell of San Angelo.

Special and out-of-town guests at the ceremony and reception included the bride's grandparents, Mrs. Frances Freeman of Crane and Mrs. Blanche West of Eldorado, and her aunt, Nita Wilson. The bridegroom's parents, Mr. and Mrs. Chester Louis Lloyd of Houston and his grandparents Mr. and Mrs. Chester John Lloyd

also of Houston and Mr. and Mrs. John Rustich of Port Richey, Florida were also in attendance.

Among the special friends were Mr. and Mrs. Oswald Kubecka of Palacios, Mr. and Mrs. Colly Myer of Yorktown and Rick Vogells, Mike Kuppick, Sally Timberlake, Steve Moore and Ronny Johnson.

The bride is a graduate of Eldorado High School and a junior at Texas A&M University. The groom is a graduate of Texas A&M University.

After a wedding trip to New Braunfels, the couple will make their home in Athens, where the bridegroom will be working for the General Land Board.

The bride was honored with a gift coffee in the home of Mrs. Sarah McCravey. Hostesses were Mrs. Esther Bumgardner, Mrs. Imogene Edmiston, Mrs. Josephine Hill, Mrs. Mary Hext, Mrs. Maureen Hodges, Mrs. Kay Kincheloe, Mrs. Frances Peters, Mrs. Sarah McCravey, Mrs. Mary McGinnes, Mrs. Neiva June Martin, Mrs. Jeanne Snelson, Mrs. Joyce Ann Speck, Mrs. Betty Wilson, Mrs. Blanche West and Mrs. Sarah Yates.

A lingerie shower was held in the home of Mrs. Cherie Rodriguez. Other

hostesses were Miss Gynna Jay and Mrs. Shirley Joiner.

Mrs. Pansie Jay and her daughters, Misses Gynna, Sammie and Jolynn Jay were hostesses for a

cottage and rice bag party in their home.

The couple was also honored with a Bar B Que dinner hosted by Mrs. Blanche West and Nancy and Cashes Taylor.

Mrs. Mark Lloyd

## October Wedding Set By Couple

Charles Franklin Hoerster and Damona Beth Kiehne are planning to be married Oct. 6 at the

Hoerster Ranch home in Mason. Mona is the daughter of Mr. and Mrs. Damon

Wagoner of Eldorado. She is a registered nurse presently employed at Hill Country Memorial Hospital in Fredericksburg.

Her fiancé is the son of Mr. and Mrs. Franklin Hoerster of Mason. He ranches with his father.

## Mason Rodeo Is Saturday

The Mason County 4-H Open Youth Rodeo will be held at the Fort Mason Park Arena September 8. The rodeo will be open to all youths through 19 years of age.

There will be three divisions, pee wees, juniors and seniors. B-Bar-K buckles will be given to each first place in each division and tack will be given to all second and third places. Ribbons will be given to fourth through tenth places.

Entry deadline is 5 p.m. September 5. Interested persons should contact Mrs. Elroy Schuessler, Robert McBee or write Box 247, Mason, Texas 76856.

Events in the pee wee division include calf riding, barrel racing, pole bending and straight-away barrels. Junior divisions are steer riding and break-away roping for boys only, barrel racing, pole bending and straight-away barrels for boys and girls. Senior division events include bull riding and bareback riding

for boys only, and tie down roping for boys only, ribbon roping for boy and girl teams and barrel racing, pole bending and goat tying for girls only.

Junior and senior divisions begin at 4 p.m., and senior division begins at 8 p.m.

### Program Given On Quilting

Nancy Lester, county extension agent, presented a program on machine quilting during the meeting of the Good Neighbor Extension Club Aug. 27. The meeting was held in the home of Connie Spence. Eight members and three visitors were present.

Mrs. Lester showed the group how to fit several small pieces of material together and attach them on the sewing machine to create a large quilt.

An investment in Your Future  
**ATTEND CHURCH**  
"For where your treasure is, there will your heart be also"

**The RESPECTED WORD**

The bible is a book translated into every known language. It is the word that men have died for, in order that it may be available to all men. It is the textbook for God's people.

The bible, itself, is not worshipped, but is respected, for it is the story of God and his relationship to man. It is man's guide for worship and daily living.

Attend church regularly, study, and seek God's will in your life.

"I wait for the Lord, my soul doth wait, and in his word do I hope."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

## Rings Are Old Tradition

What time of year do most  
Americans take one of the  
biggest steps in life-  
marriage? According to the  
National Center for Health  
Statistics, the favored months,  
in order, are June, August  
and May.

Ninety-eight percent of the  
more than 2 million marriages

a year involve at least one  
wedding ring, usually of 14-  
or 18-karat gold, and 89  
percent are double-ring  
ceremonies.

Ever wonder why we rely  
on rings instead of just a hug  
and a kiss, sealed with a  
document? Prior to 860 A.D.,  
ring-giving was considered by  
some a heathen custom.

Before that time, the  
Greeks and Romans, who had  
adopted an ancient Egyptian  
tradition, often gave their  
loved ones rings of gold as  
mere pledges.

The ancient Hebrews gave a  
purely symbolic gold ring in  
marriage, but it was usually  
much too large to be worn.  
The ring was regarded as a  
mark of the highest friend-  
ship and trust by those who  
received it and, thus, came to  
signify that the wife was a  
sharer in her husband's coun-  
cil, and a joint partner in his  
honor and estate.

Plain gold wedding bands,  
however, are said to have  
become a tradition when  
Mary of England married  
Philip of Spain in 1554, and  
declared she preferred to wed  
with "a plain hoop of gold  
like other maidens."
