### Gov-Elect Bush Names Garza Sec. of State

Austin, Texas

Texas Governor-Elect, George W. Bush announced Monday the first major appointment to his cabinet. Cameron County Judge, Tony Garza was nominated to fill the post of Secretary of State. Garza, a Republican, will replace current Sec. of State Ron Kirk who was appointed by Governor Ann Richards.

Garza made an unsuccessful bid for the office of Texas Attorney General in the Republican Primary last March. Garza's nomination has received enthusiastic support thus far from Democratic State Senators who must confirm the nomination.

### T.S. Gordon Slams Into Florida

Key Biscayne, Florida

Tropical Storm Gordon left a swath of death and destruction across the Eastern Caribbean Sea this week, leaving more than a hundred dead and thousands homeless in Haiti and Jamaica before moving in on the Florida peninsula. Although the storm carried only 60 mph. winds, it has spawned several killer tornadoes.

The landing of the Space Shuttle Atlantis was diverted from Cape Canaveral to Edwards Air Force Base in California because of the storm

### Fed Raises Interest

Rates

Washington, D.C.

The U.S. Federal Reserve Bank raised its Federal Funds target by ¼ of a percentage point Tuesday in response to inflation worries. The hike, the largest single increase in over 13 years, was the sixth increase so far this year.

### Gingrich & Dole Announces Plans

Speaker of the House in waiting, Newt Gingrich (R Ga.) and Bob Dole (R-Ks.), soon to be Senate Majority Leader, announced this week that the incoming Republican Congress will waste no time in making changes. According to Gingrich, the first item on his agenda is the passage of legislation to place Congress under the same laws as the rest of the nation.

In a meeting with White House Chief of Staff Leon Panetta, the two Republican leaders tipped off President Clinton's point man that the White House can expect swift passage of many conservative measures. Panetta said, "President Clinton is prepared to work with the new leadership in Congress."

## Eagles Win Bi-District Crown

### 2nd Victory Over Wall

### Eagles To Face Hamlin Next

The Eldorado Eagles captured the Class AA Bi-District Championship last Saturday night by downing the Wall Hawks 28-23 and setting up this Friday night's match against the Hamlin Pied Pipers for the Area Championship. The Eagles met the Hawks for the second time this year in San Angelo Stadium and it was a very different Hawks team than the Eagles defeated 6 weeks ago. Wall won the opening toss and elected to kick, giving the Eagles the first possession of the night and the bruising battle began.

The Hawks drew first blood when Charlie Martinez connecting on a 27 yard field goal. The Eagles answered quickly however, when quarterback Travis Whitten hit receiver Pepper Nix on a 58 yard touchdown pass. Shylowe Middleton converted on the extra-point and the Eagle's led 7-3.

In second quarter action, Wall's Daniel Herrera pounded in a touchdown from 2 yards out and Hawks' kicker Charlie Martinez hit the extra point to make the half-time score 10-7 in favor of Wall.

The Hawks widened their lead to 17-7 in the third quarter with 4:00 remaining when Daniel Herrera punched in another score from three yards out and Martinez made good the extra-point attempt.

But, the tide turned for the Eagles at the beginning of the fourth quarter when running back Reagan Bownds scored from 1 yard out and Shylowe Middleton added the extra-point to pull the Eagles within 3. At the 9:45 mark, the Eagles took the lead 21-17 when Travis Whitten carried the ball into the end zone on a quarterback draw and Middleton converted the extra-point.

The Hawks responded with 6:52 remaining in the game when Wall's quarterback Jason McMillan connected with receiver Craig Box from six yards out for the Hawks final score of the game. But, Eagles' defenders poured through the line on Wall's extra-point attempt and Zane Bruce blocked the extra-point attempt to

### 911 Poster Contest Held

Pictured above are (L-R) Kate Kuhlmann, Koda Lozano and Clara Herrera. They are this year's winners in the 911 poster contest. They each received a \$50 Savings Bond and a chance to advance in the area contest.

The Concho Valley Council of Governments Regional 9-1-1 Program in coordination with the public safety answering points (PSAPs) held a poster contest targeting third graders to increase public awareness of the 9-1-1 emergency number system in the Concho Valley Region. Schools from the following counties participated in the contest: Coke, Concho, Irion, Mason, Reagan, Schleicher, Sutton, and Tom Green.

The winners of the poster contest in Schleicher County are Koda Lozano, Clara Herrera, and Kate Kuhlmann. They each received a

\$50 Savings Bond. All the children will receive certificates for participating. The winning posters will be entered in a second judging by the Concho Valley Council of Governments. Winning posters of the second judging will be used for the 1995 Regional 9-1-1 Calendar. The calendars will become available January 1995 at the Schleicher County Law Enforcement Center, the public safety answering point (PSAP) in Schleicher County.

Schleicher County Law Enforcement Center was one of the many sponsors of this project.

## Farm Service Agency Created

There's a new kid on the block and it's the Farm Service Agency (FSA).

It came into being last month, when President Clinton signed into law a restructuring plan for the U.S. Department of Agriculture (USDA) that will improve the way USDA agencies do business in Schleicher County, said Jan G. Wanoreck, acting County Executive Director of the Schleicher County FSA.

The FSA will administer commodity price and income support programs, farm ownership and operating loans and the federal crop insurance program. The new agency combines all or part of three agencies familiar to farmers and ranchers—the Agricultural Sta-

bilization and Conservation Service, the Farmers Home Administration, and the Federal Crop Insurance Corporation. Other loans offered by the former FmHA will be assigned to a new rural development agency.

In addition, the FSA will offer conservation cost-share assistance under the Agricultural Conservation Program, as well as cost-sharing and land rental payments for the Conservation Reserve Program.

"We want producers to know that the reorganization did not eliminate any programs," she said. What will change are that these services soon will be available to producers on a 'one-stop' basis. The whole purpose of the new

FSA is to be able to provide better, more efficient service and to make it easier for farmers to use our programs."

At the local level, farmer-elected committee members will continue to oversee farm program administration and will take on additional duties in overseeing other FSA programs.

"The agencies are merging at headquarters first," Wanoreck said. "The combination of staffs and functions at the county level will come in time. In the meantime, farmers can receive service as usual at their county offices."

FSA administrators all programs without regard to race, color, religion, national origin, sex, age, disability or marital status.

## Annual Thanksgiving Service

submitted by Rev. Hawley Wolfe

"We Gather Together to Ask the Lord's Blessings." The annual community-wide Thanksgiving Service, sponsored by the Eldorado Ministerial Alliance, will be Sunday, November 20, at the Memorial Building.

Handbells, guitar ensembles, children's choirs, and special solo music by Lee Brewer will highlight a time of gratitude together.

Everyone is asked to bring two cans, especially of meat or protein foods, for the "canned goods shower" at the service. Half the canned goods are used to stock the Ministerial Alliance pantry at the Community Resource Center, and

half are taken directly to homes in the community in the two days prior to Thanksgiving.

A cash offering is taken during the service to meet year-round needs of stranded travelers in Eldorado as well as our own Schleicher County people for medicines, utility assistance, and disaster relief (especially fires). All money received stays within the county.

Among the clergy participating in this year's service are Dr. Lee Brewer of First Baptist, Rev. George Lumpkin of First Methodist, Rev. Hawley Wolfe of First Presbyterian, Dr. Byron Orand of Community Baptist, Rev. Debbie

Clark of Emmanuel Non-Denominational Church, Father Jerry McCarthy of Our Lady of Guadalupe Catholic Church, Rev. George Cantu of Templo Getsemani, Rev. Walt Griggs of Agape Assembly of God, and Rev. Henry Green of St. Luke Baptist Church.

The massed all-community choir will be under the direction this year of Pat Ragsdale. Rehearsal will be at 6:15 p.m. Sunday, November 20 at the First Presbyterian Church.

Set up and decoration will take place at 4:00 p.m. Everyone, whether or not they are affiliated with a church, are invited and encouraged to come.

## State Capital

**HIGHLIGHTS**  
By Lyndell Williams & Ed Sterling  
TEXAS PRESS ASSOCIATION

**AUSTIN** — During her campaign, Gov. Ann Richards ridiculed a man who she said woke up one day and decided he wanted to be governor of Texas. That man is now Gov.-elect George W. Bush.

On Nov. 8, Texas voters turned their backs on the incumbent Democrat's long record as a public officeholder and weren't convinced by her "smear" ads. Bush, a Republican, won with 53.5 percent of the vote to Richards' 45.9 percent.

The day after the election, Bush said he believed he had a mandate to overhaul the state's juvenile justice, public education and welfare systems. He congratulated his party mates and held out his hand to Democrats, saying, "This is not a Republican agenda, because there will be a lot of Democrats who will support my plan to make our schools better, our streets safer and the welfare system more responsible."

### Bullock Scores Easy Win

Li. Gov. Bob Bullock, Texas' most powerful officeholder, is now the state's highest-elected Democrat.

Bullock, 65, overwhelmingly defeated Republican Tex Lezar of Dallas to win his second four-year term. Bullock garnered 62 percent of the vote to Lezar's 38 percent.

"This election is not so much a victory for me as it is a victory for Texans who want their problems solved without partisanship or gridlock," said Bullock.

### Hutchison Defeats Fisher

U.S. Sen. Kay Bailey Hutchison is returning to Washington with a full six-year term and a Republican majority in Congress for the first time in 40 years.

Hutchison, the state's first female senator, easily defeated Dallas financier Richard Fisher with 62 percent of the votes to Fisher's 37.3 percent.

"I think we are going to see some significant legislation passed immediately," Hutchison said. She predicted that the GOP Congress would approve term limits, staff cuts and a constitutional amendment requiring a balanced federal budget.

### Veteran Democrats Defeated

Four longtime Democratic officeholders shared Richards' fate. For months, political talking heads accurately predicted that the mid-

term election would be a plebiscite against incumbents, liberals and President Bill Clinton.

Voters rejected four veteran Democrats: State Sens. Carl Parker of Port Arthur and Steve Carriker of Roby, and in the House, Betty Denton of Waco; and U.S. Rep. Jack Brooks of Beaumont.

Parker, 60, who was elected to the state Senate in 1976, also served 14 years as a state representative. He was elected to the Texas House in 1962 — three years before his Republican opponent was born.

Michael Galloway of The Woodlands, a 29-year-old independent oil and gas producer — and political novice — claimed 53 percent of the vote to Parker's 47 percent.

State Sen. David Sibley, R-Waco, told the *Houston Chronicle* Parker was "the ideological and intellectual leader of the liberal group" in the Senate.

Carriker, 43, was defeated by Tom Haywood of Wichita Falls. Carriker served in the House from 1983-88, and the Senate from 1988.

Meanwhile, Denton, 48, lost to Republican Barbara Rusling of China Spring, after serving in the House for 17 years.

Brooks, whose hold on the 9th Congressional District in East Texas spanned 42 years, would have been the senior representative in Congress had he been re-elected. He lost to Steve Stockman, a 37-year-old accountant from Friendswood.

### GOP Takes RR Commission

As further proof that Texas is a bona fide two-party state, Republicans staged an unprecedented sweep of the Texas Railroad Commission, with the first woman ever elected to the post winning one of two seats on the ballot this year.

GOP challenger Charles R. Matthews of Garland defeated Democratic Chairman James E. Nugent for a full six-year term, ending more than 40 years of government service for Nugent.

In the other race, Democratic incumbent Mary Scott Nabers was beaten for a two-year term by GOP challenger Carole Keeton Rylander, a former three-term mayor of Austin.

Nabers became the second consecutive woman appointed to the commission by Gov. Richards to lose her job at election time. Lena Guerrero was the first. Nabers was appointed last year to fill the unexpired term of Bob Krueger, who left the commission to make an unsuccessful run for the U.S. Senate.

### Election Highlights

■ Republicans captured four of the seven seats on the State Board of Education up for election to give the GOP a slim majority (8-7) on the 15-member board.

■ Other statewide officials re-elected include: Dan Morales (D), attorney general; John Sharp (D), comptroller; Martha Whitehead (D), treasurer; Garry Mauro (D), land commissioner; and Rick Perry (R), agriculture commissioner.

### FEELIN' AGITATED?

It was hard not to notice the words of daily radio commentator Jim Hightower the day after the Revolution began in America (this is what certain Republicans called the sweeping election results). Jim, who jokingly calls himself the "agitator" on his Sunday afternoon talk-show close that day, Nov. 9, to defend environmental organizations. He spoke of the dangers they face from "extremists" who oppose them. He said the "green" movement is just trying to help America.

Jim pointed out that an environmentalist named Judi Bari was nearly killed by a car bomb some years back.

Judi Bari... Not the best choice of martyrs, Jim! At least according to a weekly column entitled "*Hollywood Counterpoint*" by Joseph Farah written back when the bomb went off.

According to Farah, Judi was severely injured when a bomb went off in her car on May 24, 1990. Although she claimed it was planted by "extremists", the investigation showed that she and Earth First pal, Darryl Cherney were actually transporting the bomb when it accidentally went off.

Farah's column goes on to describe a July 28, 1990 interview Bari gave to the *People's Daily World* (Communist Party, USA). In the interview, Bari described to the reporter how she came to see the light, (so to speak). "Bari says she became radicalized during the Vietnam era, taking part in the anti-war actions at the University of Maryland. After the war, she became [an] activist...community organizer in the anti-nuclear movement. Santa Rosa Pledge of Resistance and solidarity for Nicaragua." ["Radicalized"...There's that word again!...Remember Angelo Davis and her "Radical Democracy" banner when she shouted "Affirm Marxism?"

Bari didn't say the fact that she protested the war meant she was "radicalized", she said it happened while involved in protests.

Cool surnames, she probably dots her "i's" with little peace signs.]

### Gorby Goes Global

A group of concerned Americans have joined forces to place Mikhail Gorbachev in charge of the world... well, in charge of the world's environment, anyway. Yoko Ono, Carl Sagan and Ted Turner among other board members have installed Gorbachev as head of Green Cross International.

All members of the Green Cross board are members of an elite crowd of the "rich and famous". Yoko inherited multi-millions when the late John Lennon was tragically killed. John made his fortune from such tunes as his 1968 "Back In The USSR", as well as "Revolution, A Long Winding Road" and "Helter Skelter."

### Wrong Preacher

Just before the election, Hillary Rodham Clinton's spiritual side was featured in the media. According to *National Review* magazine, the First Lady spoke of her regular reading of Methodist literature while a student at Wellesley. She said her favorite article was written by Methodist theologian, Carl Oglesby. She said the article opposed the Vietnam War.

But, *National Review* points out that Mr. Oglesby was not a theologian at all—he was the president of SDS (Students for the Democratic Society—a radical anti-war group).

*National Review* teasingly queried, "Who knows what she mistook for the hymn book?"

### Gut GATT

If GATT (global trade agreement) is passed by the lame duck Congress this month as planned, it will give President Clinton a much needed success to show he's still in charge. But how many people have actually read the whole 22,000-page agreement? The eight-foot tall, non-amendable contract has been hanging around in the White House for nine months.

GATT's controversial element is the World Trade Organization (WTO). Do you know whose vote in the WTO will have exactly the same weight as the vote of the greatest country in the world, the powerful United States of America?...Fidel Castro.

### Crash and Burn In the North

First, the airplane that Oliver North was supposed to be in crashed and burned during the campaign, killing his best friend/pilot. Now, North's quest for the Senate has gone down in flames. But, it shouldn't be a surprise judging by the weight of opposition (even though exit-polling showed North the winner!).

Jesse Jackson appeared on David Brinkley's Sunday morning show two days before the vote. Jackson was asked, "Which candidate, anywhere in the country, do Democrats want to knock off more than any other?" Jackson replied, "Oliver North". [Wow...if Jackson hates North so much because he allegedly told lies, why does Jackson spend all his time with politicians??]

### Small Business Blues?

If you have the small business blues, need a little information, or you're endangered by a "predatory" superstore, see about the Small Business Survival Committee (SBSC). The D.C.-based organization plans to issue a report in Jan. '95 entitled, "What Small Business Wants From the 104th Congress."

SBSC compiles annual ratings on how members of Congress vote on key small business issues. SBSC concentrates on regulatory laws, property rights, allocation of tax monies, and government reform issues.

If it sounds like they could help you, call 202-785-0238 or write: 1337 Connecticut Ave., N.W., Suite 200, Washington, D.C. 20036.

### Former Allies Slaughtered

As the Veteran's Day celebration and memorial unfolded in the U.S. and President Clinton spoke to the American people, an unforgivable tragedy unfolded half way across the world. The abandoned streets of the second largest city in Angola were littered with the bodies of thousands of men, women and children who had mistakenly learned to trust the United States of America.

"We need help. It's an inhuman blood bath!" was the urgent plea faxed to the U.N. the week before last by UNITA Chief Savimbi, and ally of the U.S. for twenty years.

But if Jonas Savimbi thought he would reach a familiar, sympathetic ear in the U.N., he was dead wrong. Instead the U.N. cited UNITA for "stealing" medical supplies and equipment from the Red Cross building (!)

### Cuban Ties

For two decades the U.S. and South Africa gave financial and other assistance to UNITA rebels led by Savimbi. The rebels have been attempting to secure freedom from Soviet/Cuban backed "Marxist" government in Angola, led by Dos Santos.

## You Missed It!

by Lois Cole Bivins, J.D.

In '91, President Bush agreed we'll stop financing Savimbi, if Dos Santos gives up the rest of his 60,000 Cuban troops [this clarifies a report from last week].

Shrewdly, Dos Santos converted thousands of the Cuban troops to Angolan citizenship thus technically "riding" himself of the Cubans. For decades Dos Santos has shipped thousands of Angolan children to Cuba to go through Castro's education system—along with a little military training. Through this same time period, UNITA children looked at the U.S. as the blood brother who backed their quest for freedom.

### Changing Sides

Last year, the U.S. drastically changed policy for the first time, we honored a multi-party '92 election which had been protested by UNITA as fraudulent. Using the election results, members of the Clinton Administration formally recognized the Marxist, Dos Santos government as legitimate (thus, giving them an equal vote in the WTO/GATT).

In addition, last year Nelson Mandela began sending his ANC guerrilla training officers to help Dos Santos, a longtime ally of Mandela's.

### No Way To Treat A Friend

Last year we ignored protests by our ally, Savimbi, as Dos Santos built up a vast supply of arms (from Cuba, Brazil and Russia). The U.S. told nervous UNITA rebel forces to relax, the formally recognized government was just defending itself by violating the decades-old arms embargo. Mandela assured the world that peace was finally at hand.

In the quiet hours of Sunday night, Nov. 6 as the half million people of Huambo slept, the gates of hell opened in the skies above them. Dos Santos' forces initiated a well-planned massive offensive. Newly acquired

fuel-air explosives dropped like rain from the sky, blowing apart the fleeing families. The city was under siege.

The Pope issued a plea for Dos Santos to stop the slaughter. No chance.

Within days, the city and countryside were strewn with bodies, our former allies were decimated. Last Saturday, the "formally-recognized" Angolan flag flew above the vacated UNITA headquarters. The "Marxist" government's General de Matos flew a victory lap around the city in his Russian Mig jet fighter.

What the dead and dying U.S. friends on the landscape below had no way of knowing—what most Americans do not even realize: America had switched sides...

### Define Progress

On Oct. 27, *Mother Jones* magazine held a seminar entitled American Democracy and Reform, broadcast on C-SPAN. A man from the White House introduced as Deputy Presidential Assistant William Galston stepped to the microphone. He addressed the group of activists who were concerned about the potential losses in the upcoming election.

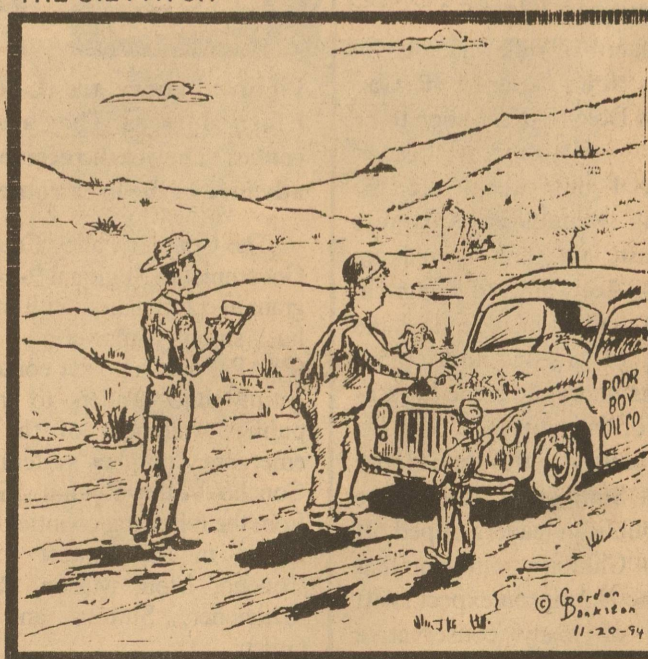

Galston attempted to console them by saying that he knows what it's like to lose. He said that he had lost all his life until now—and that meant as far back as when he was two years old handing out pamphlets on the street for the "Progressive Party." [Let's see...45 to 50 years ago, who exactly handed out such leaflets on the sidewalks?? And how did he come to occupy the White House?]

### Mozambique: You're Next

A Perspective: Mozambique is placed on the east side of Africa as if a mirror to Angola. Ironically, they sit on precisely the same political precipice as well. The "formally recognized" government in Mozambique

## Lambs To Mark 50th

Gus and Esta Lee Lamb of Junction, Texas will celebrate their 50th Wedding Anniversary November 20th with a reception to be hosted by the couple's children, grandchildren and great-grandchildren. The reception, scheduled to begin at 2:00 p.m., will be held at the Senior Center, located at 404 College Street in Junction.

Gus Lamb and Esta Lee Morrow were married November 19, 1944 at the First Baptist Church parsonage in Sweetwater, Texas. Since then, they have made their home in Midland, Seminole, Stanton, Pleasanton and for the past 25 years in Junction. Gus is retired from Ensearch Exploration, Inc.

The couple have three children, Gary Lamb of Monahans, Texas; Linda Hutchinson of Eldorado Springs, Missouri; and Buster Lamb of Eldorado. They also have 6 grandchildren and 8 great-grandchildren. They are members of the First Baptist Church of Junction. The Junction Masonic Lodge and Eastern Star.

## Eldorado Womans Club

The regular meeting of the Woman's Club was held at 12:30, November 8th at the Bluebonnet where 16 members enjoyed a traditional Thanksgiving dinner of turkey, dressing and the trimmings served by Charlotte Steele.

Tom Enochs was present as guest speaker by Shine Spigarelli. Tom gave an impressive history of the American Flag. He demonstrated the proper ways in which the flag is used at meetings and is flown on patriotic occasions. Tom stressed the fact that the American Flag demands respect. He closed his program by reading the American Creed.

The members of the Woman's Club extends a thank you to Tom for his continued support and work in keeping the flags flying over the memorial markers at the Schleicher County Cemetery.

Gladys Mittel, committee chair-

man for the Christmas Tour of Homes reported that Bill and Toni Sudduth, Harris and Jackie Napier, Harold and Charlotte Steele and the Jay Holley homes will be open to visitors. Refreshments will be served at the Steele's home.

The tour of homes is the Woman's Club's only fund raiser and will be on Sunday, December 11 from 2:00 p.m. to 5 p.m. Tickets for the tour will be \$5.00. They may be purchased at the door of any one of the homes.

Bobbie Sanders, president of the Historical Society, requested volunteers keeping the museum open to sign and date the register the day they serve.

Christmas gifts for residents of the San Angelo State School were packed for delivery to the school.

The meeting closed with the reading of the Club Collect.

# Eagle's View

Above, members of the Bi-District Champion Eldorado Eagles celebrate with their trophy after last Saturday night's 28-23 victory over the Wall Hawks.

## Bi-District *continued from page 1*

hold the Hawks to a 23-21 lead. "When Zane blocked that kick, it took a lot of pressure off us," said Eagles Head Coach Doug Kuhlmann. "We knew we could win it with a field goal and Shylowe has kicked very well this season."

But the Eagles found the going tough on their next drive as running back Reagan Bownds was temporarily sidelined with an ankle injury and Wall's defense stiffened, sacking Travis Whitten on two consecutive plays. With 4th down and 24 to go on Wall's 49 yard line, as Eldorado's hopes seemed to fade, Whitten rolled right and threw a 35 yard strike to Pepper Nix who fought through double coverage for the acrobatic catch. With a first down on the 14 yard line and in easy field goal range, the Eagles set about running time off the clock. Four plays later, Travis Whitten carried the ball in from 3 yards out and Middleton added the extra-point to secure the Eagles' 28-23 victory.

"I am really proud of our team," said an elated Coach Kuhlmann following the game. "We won this game because our kids didn't give up when we got behind. They didn't get down on themselves, they just went about doing their jobs."

Individual leaders in the game for the Eagles were Reagan Bownds with 106 yards and a TD on 21 carries, Michael O'Daniel with 56 yards on 14 runs, Landon Neal who carried twice for 15 yards, Clay Butler with a yard pickup on one carry, Travis Whitten who scored two TD's.

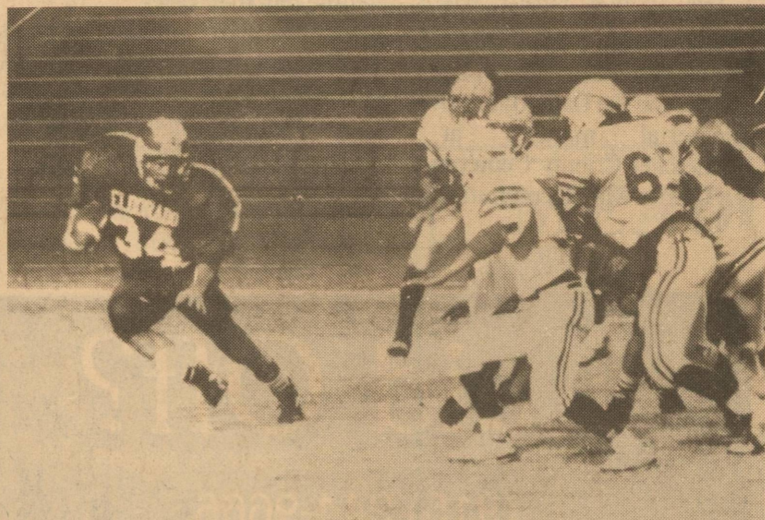

rushing also connected on 12 of 19 passes for 181 yards and another touchdown. Pepper Nix hauled in 9 passes for 179 yards and a score and Shylowe Middleton hit 4 extra-points Defensively. Reagan Bownds forced a fumble, hauled in an interception and was the Eagles' leading tackler. Zane Bruce blocked a PAT, Landon Neal notched up another interception and Randy Adame was credited with a batted ball.

After viewing game films, the Eagles' coaching staff named Travis Whitten and Pepper Nix as Offensive Co-Players of the Game. Reagan Bownds was named Defensive Player of the Game. Beau Sallee was tagged as JV Player of the week for his valuable help in preparing the varsity for the game.

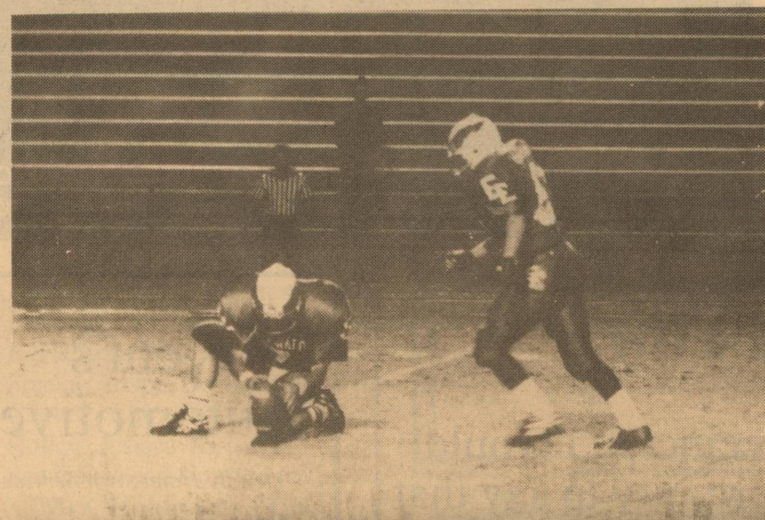

Immediately following the game, the Eagles were presented with the Bi-District Championship Trophy at mid-field ceremony. "This belongs to the team," said Kuhlmann as he held the trophy aloft. "They did it! They're the ones who earned it!"

After the game Coach Kuhlmann met with Hamlin Pied Piper's Coach Cherry to settle on a site for the Area Play-off Game. The game was set for this Friday night at 8:00 p.m. at Coleman High School Stadium with the Eagles taking the visitor's side of the field.

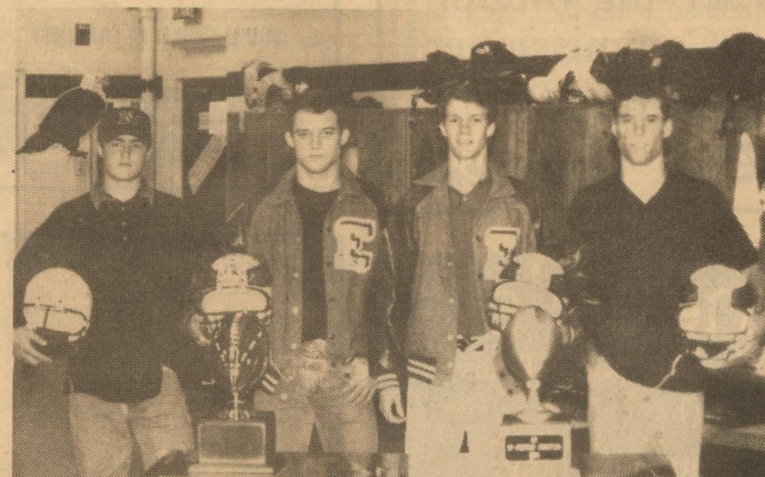

The Eldorado Booster Club asks that everyone turn out and support the Might Eagles Friday night. And... remember... "Wear Your Green!"

Pictured above are (L-R) Beau Sallee, Eagles' JV Player of the Week; Reagan Bownds, Defensive Player of the Game; Pepper Nix and Travis Whitten, Co-Players of the Game on Offense. These young men contributed greatly to the Eagles' Bi-District win over Wall.

Above, Eagles' Receiver Pepper Nix hauls in a pass from Quarterback Travis Whitten during 3rd quarter action in last Saturday's Bi-District Championship win over the Wall Hawks. Although the ref. called Pepper out-of-bounds on the play, it certainly appears he was well inside the playing field as he caught the ball.

## Beta Sigma Phi Report

Pictured above, Ann Griffin (L) accepts a \$200 check on behalf of the Schleicher County Senior Citizens Center and Meals for the Elderly from Beta Sigma Phi President Charlotte Crain. Traditionally, the Sorority contributes to many worthy causes.

submitted by Barbara Jackson

Beta Sigma Phi in Eldorado is a group of unselfish women banded together to improve ourselves by improving our community by helping others. We have business meetings, socials and fund raisers. We also sponsor events such as our Fall Festival on Halloween and School dances for young people because we feel the children in Eldorado need something to make their young lives more exciting.

We once sponsored a New Year's Eve Dance to keep Schleicher County residents home during this holiday but the cost of bands caused us to have to discontinue this.

Our fundraiser is to cover the cost of our Scholarship offered to a graduating senior and other needy causes. This year we donated to meals for the Elderly.

We meet the 2nd and 4th Monday, September through May for a short business meeting, program and interesting conversation. There are several socials throughout the year. Some (like our De-

ember Christmans Social and Gift Exchange) are just for us. Others are for family. Our annual Thanksgiving dinner is the highlight of the year. Hostesses prepare turkey and dressing with members bringing assigned side dishes or desserts. Our husband's favorite friend or relative are invited to this. We usually have a family picnic at the end of the year.

Valentine we plan as salad supper, inexpensive gift exchange and crowning of our Valentine Queen. Just for girls.

Founder's Day is the last of April. This is a catered meal (pledges meals are paid for by the sorority). At this time new officers reveal who our secret sisters are after a gift exchange. We also draw for new secret sisters.

I feel Sorority gets me out into the community and helps me feel more a part of it. All of our members feel this way and are proud to be a part of Beta Sigma Phi in Eldorado.

## Dorothy's Movie Time

by Dorothy Dacy

First, let me say "Congratulations!" to all the Eagles on their win Saturday against Wall. You guys definitely showed team enthusiasm and winning ATTITUDE! Good Luck to you this weekend against Hamlin.

My movie this week is *The Cowboy Way* starring Kiefer Sutherland and Woody Harrelson. It is Rated "PG-13" due to adult subject matter and language. This is a rip-roarin' action-comedy from the producer of "Parenthood" and "Kindergarten Cop".

Sonny (Sutherland) and Pepper (Harrelson) are two cowboys and good friends who are the best roping team in New Mexico. That is until Pepper pulled a no-show at the National Finals Rodeo and blew their big chance and their friendship. When their pal, Nacho

vanishes in New York City while searching for his daughter, they must try to mend fences and saddle up together to find him. Hot on the trail, these two modern day cowboys ride off into an urban no-man's land.

In the Big Apple, they must brave deadly thugs, crowded subways, rude commuters, lusty ladies, overpriced hotels and each other! This film features lots of excitement, an amazing high-speed chase through the streets of New York City on horseback and lots of laughs.

*The Cowboy Way* is currently available at Eagle Video, Meyer's and Shot's.

Until next week, remember: Life is like a ladder. Every step we take is either up or down.

Pictured above is Gusy Figueroa checking out the selection of books at the Eldorado Elementary Book Fair.

# WOBP Host Variety Show

submitted by Jo Ann Sproul

Performers are busy in a flurry of rehearsals as they prepare for the variety show being presented by The Way Off Broadway Players on December 4, 1994.

A special treat will be "The Co-Hearts". Sherry Belk, Eva Jo Sessom and Debbie Joy. They will gladden your hearts with their special smiles and unique vocal artistry. "We have always wanted to sing Christmas music" they said, and the WOBP is excited to have them grace the new stage.

Also, for the first time, "Santa's Brass" will be performing. This

ensemble, directed by Mike Marsh includes Mike, Robert Jay, Jo Ella Parker, Pat Ragsdale and Jim Hardy. Four of them are school teachers and one is self-employed, and they have one thing in common - they all love music. Mike Marsh has been a band director since he left college and Robert Jay also directed high school band in his early career; he now teaches chemistry and physics. A graduate of Sul Ross, Jo Ella Parker has been teaching music since 1979. Pat Ragsdale studied music and voice in college with this band experience in the United States

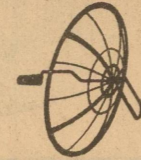

Army. Pat says "It is good to be playing with a group again because they all enjoy it so much!" Jim Hardy, who grew up in Oklahoma and listened to a town band as a youth, has always wanted to play in one. He and Mike Marsh helped organize a town band here in Eldorado, but it has been in a state of dormancy for some time. We are glad they are playing again and we look forward to hearing them.

The rest of the show is just as exciting and promising with Lou Ann Slaven dancing to a medley of Christmas songs, and "The Middle School Christmas Stars" performing drama and dance.

This show will be delightful and different and we are fortunate to have such a talented roster of performers.

For tickets call 853-3343. There will be two shows times: 2:00 p.m. and 4:00 p.m.

## Texas Recycle Day

Recognizing that November 15 has been declared "Texas Recycles Day" by Gov. Ann Richards, Chamber Pride Committee and Eldorado's Recycling Committee have pledged to sponsor an award in Elementary school to the class in grades 1-4 with the best recycling project, using recycling films and materials in 4-H work, and expand existing recycle facilities.

The pledge is part of a "Texas-Sized Recycling Challenge" issued September 1 by the CLEAN TEXAS 2000 program of the Texas Natural Resource Conservation Commission (TNRCC) and a steering committee of 70 representatives from the public and private sector.

Recycling Chairman Nancy Lester "We are committed to making Eldorado a recycling community and encourage every household to implement a recycle program."

It's estimated that up to 80 percent of the 20 million tons of solid waste thrown into Texas landfills every year is potentially recyclable. The goal of Texas Recycles Day is to focus attention on the importance of keeping these recyclables out of landfills and to showcase other recycling benefits and success stories.

"Waste disposal costs are rising, yet we are seeing more and more private companies saving substantial dollars by implement-

ing aggressive recycling programs," says TNRCC Chairman John Hall. "Recycling is truly one area where, in many cases, good economics and good environmental policy are moving in the same direction."

In addition to saving landfill space and disposal costs, recycling creates jobs and saves valuable resources that can be used to make new products. Recycling is also recognized as the first and easiest way for Texans to start taking care of the environment.

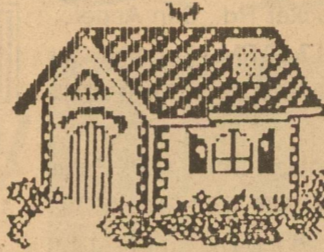

Citizens and representatives of businesses, schools, government, and civic groups across the state are encouraged to take the "Texas-Sized Recycling Challenge".

will, in essence, give Castro yet another vote.

The question facing America is, if our friends cannot trust us, who can? When it comes time to line up votes in the WTO or U.N., who's going to believe a word we say?

We're not responsible for all the death in the world, but we are responsible to those who reasonably trust us. Our Angolan allies were betrayed.

Bureaucratic double-talk won't admit to it. American wire service stories cite "state-run radio" as their source. [State-run...that means Marxist state.] Cut through the maze---we betrayed our friends.

Honor can't be bought. A nation with a robust economy is a worthless nation if it is without honor. There's no honor in abandonment, treachery, betrayal, or sitting ducks.

A people who do not demand to hear the truth, will not get the truth. America, the election was not a Revolution...it was the beginning. The burning of Huambo needs to bur a hold through the soul of America. The battle lies not between Republicans and Democrats, the blacks and whites. The soul of America is torn at the core of her ideological roots.

A "Marxist" bookstore in Harvard Square has for years counted among its regular customers, university professors. Tom Hayden proudly introduced a "Marxist" lecturer to a college audience in November, 1971. Hayden now sits in the California legislature deciding who will teach what to American college students.

It was not the spilled blood of rebel babies over whom General de Matos gloated as he circled above the city of Huambo. It was you an I. It is America over whom this "Marxist" gloats, because he thinks he's won--- we didn't want to know the truth.

It's time to demand it.

Grime  
Fighter.

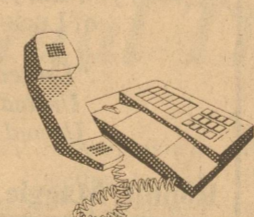

Outdoor grilling is a Texas tradition. You've probably collected lots of great recipes for barbecued ribs, chicken, steaks and burgers. But now there are two ingredients you won't need. Charcoal and lighter fluid. Both contribute to the grime of air pollution. So take a deep breath and fire up a propane grill. Grilling with propane is faster, cheaper and environmentally correct. Propane. The clean choice. The clear choice. Bon appetit!

**PUBLIC NOTICE**

Schleicher Co. I.S.D. would like to inform the public that the 1993-94 Academic Excellence Indicator System Report is currently available for review in all three campus libraries. The AEIS report is the best single source of information about Texas public schools. The report provides four specific comparisons:

1. District performance is compared to the state and the region of the Education Service Center in which it is located.
  2. Campus performance is compared to the performance of a group of 100 similar campuses. Campus groups are constructed by considering characteristics such as percentage of economically disadvantaged students and district wealth.
  3. Performances of student groups are compared to that of other groups within a single campus and/or district.
  4. Campus and district performance are compared to their performance for the prior year.
- If you have questions about this report or would like more information, please call Elaine Gray at 853-2514.
