City Sets Hearing

The City Council will have a hearing on the closing of portions of warmer, Orient and Vermont streets during their next meeting. The action was taken after a petition was

presented during the council's meeting last week by Cramer Sofge.

Also meeting with the council were Dan McClung and Fred Teagarden with SK Engineering in San Angelo. They requested that the council designate itself as the planning agency for the waste disposal system, a resolution that would be passed on the governor and the Environmental Agency in case the council would ever apply for a grant in the future. Because Mayor Jimmy Doyle was not present, the council tabled the suggestion.

The council decided to completely relight the city water tower, which has been recently repainted because five youths painted obscene words on it, for a cost of \$400. The council will pay an extra \$150 to spotlight the double E's.

The council reported that out of the five youths charged with vandalism, all have paid for damages, \$180 each, except one. Charges will be filed against him in the near future.

The council nominated John Callison to serve on the county tax appraisal district.

They also renewed a contract with the state highway department stating the department would pay \$1.50 per each 1,000 gallons of water.

Blood Drive Is October 27

Are you under age 17? Have you had any vaccinations within the past 24 hours? Have you ever had hepatitis?

If your answer to the above questions is "no", on October 27th you may be eligible to give blood.

Eldorado's community blood drive will be Tuesday, October 27th from 1:00 p.m. until 6:00 p.m. at the Dairy Mart.

Why give blood? There is substitute for blood and no source other than healthy human blood donors.

Whole blood must be transfused within 35 days after it is donated, and some components must be used within hours. "That can be a big problem," explained Shirley Geotz, Director of Donor Resources at United Blood Services of San Angelo. "We must have enough donors on a regular basis to maintain an adequate supply of blood at all times".

"It's too late to donate when an emergency occurs because it takes at least four to six hours to test and process a unit of blood before it is labeled safe for transfusion patient use - possibly a loved one or a friend

For this reason, blood must be on hand before the need occurs."

The entire donation process lasts about 30 minutes. The blood center staff will ask a few questions about your medical history and current state of health. Your temperature, pulse, and blood pressure are checked and provided you're in good health, you are ready to give.

The actual blood donation takes only a few minutes, and afterwards, you will relax for a few minutes, enjoy a light refreshment and be on your way.

What happens to the blood then? A unit of whole blood can be separated into various components such as red blood cells, plasma, cryo and platelets. Each component can be used specifically to treat a patient with a specific need.

After the blood is tested and processed, it is stored and/or delivered to hospitals within an approximate 200 mile area from San Angelo.

Since blood is donated voluntarily, hospital patients are not charged for the blood itself. United Blood Services must charge the "hospi-

tals" a processing fee which recovers the cost of recruiting blood donors, collecting, processing, testing, storing, and delivering the blood whenever it is needed. Thus, hospitals pass on the charge to blood recipients. The processing fee, in most all cases, is covered through patients medical insurance.

That's the process from the donor to the recipient - from one life to help save another!

The facts of blood availability to meet patient's needs are before you! The choice is yours!

October 27th, is your special day. For on this day, the Eldorado citizens will be the sole supporters in meeting the daily blood needs.

Have you ever wondered how your community blood needs are met, when there isn't a blood drive in Eldorado but three times a year? Simple! Other communities participate, just like Eldorado, by accepting the responsibility of helping meet blood needs in the same manner.

Share your good health and donate a pint of life, on this special day for those less fortunate than you!

Board Approves Office Request

The Eldorado School Board met for a very brief meeting last week to discuss several routine matters.

The board nominated five persons to run for the tax appraisal district board of directors, Ray Willoughby, Floyd Butler, Mike Moore, Fred Case and John Callison.

Ray Ballew of the tax district met with the board and discussed the cost of operating the district for each taxing jurisdiction as well as the cost of assessing and collecting school taxes. He asked that the board purchase some of the equipment and supplies he and his staff needed to

collect the school taxes. The board okayed the request.

The board also discussed housing for teachers and reported that there were two or three houses that could possibly be purchased by the board. The houses will be inspected later and a report on their condition will be given to the board.

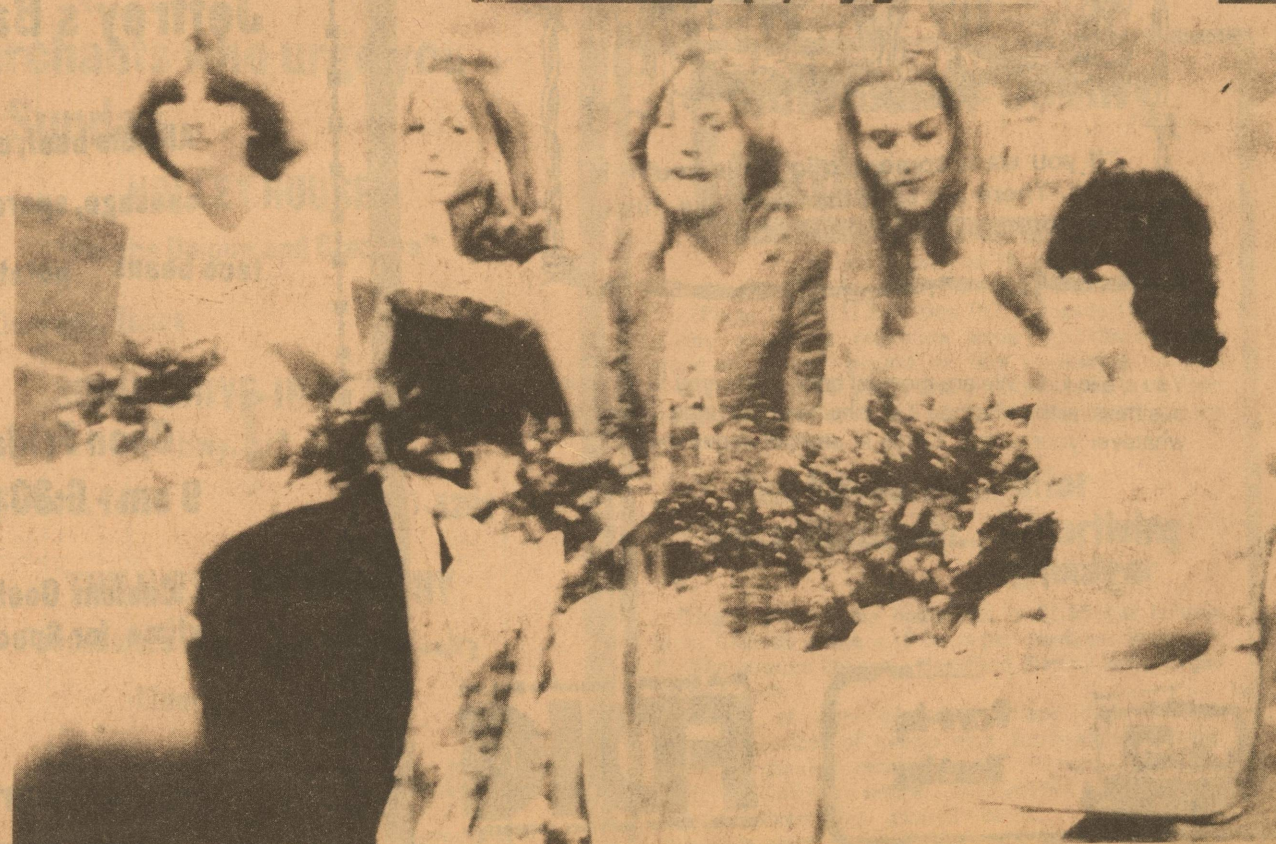

School superintendent Guy Whitaker reported the changes made in two bus routes in the eastern part of the county enabling certain students to get on the bus at a later time and also save miles and time for drivers.

Whitaker also presented a survey to the board concerning dropping

Social Security for the entire school system. The survey showed employees were still willing to have the payments dropped from their checks. The board had already voted to drop the payments, but wanted a confirmation from the employees. The action will take effect Jan. 1.

The board agreed to take up the issue of insurance for employees during the February meeting.

Whitaker also presented a procedure for renewing and non-renewing contracts, as required by Senate Bill 341. The board will review the procedure and act upon it at a later date.

ANXIOUS MOMENTS--Lori Whitaker and her escort, Lamar Hardee, anxiously wait the announcement of homecoming queen during half-time activities Friday night. A surprised Miss Whitaker was named queen

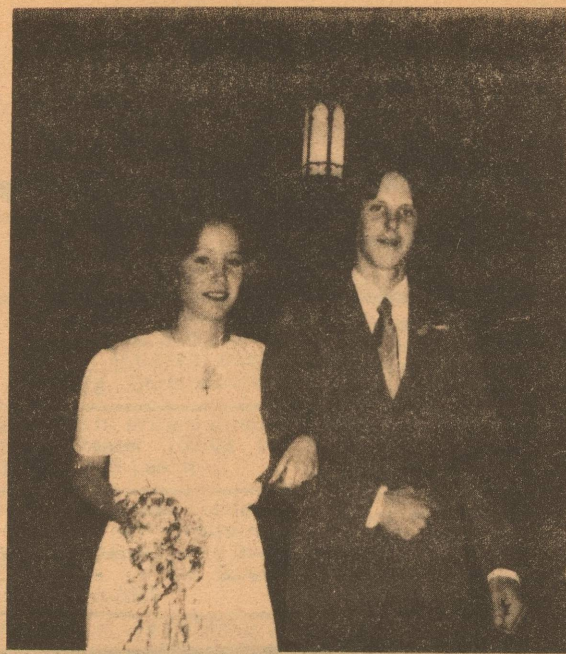

and her court was composed of seniors Lori Patton and Linda Gentry, junior Victoria Powell, sophomore Vikki Cavaness and freshman Roxanne Pina. The festivities were dampened by the Eagles' loss to Ozona 33-13.

REWARD

\$300.00 reward offered for any information leading to the arrest and conviction of the person or persons responsible for the theft of approximately 50 barrels of condensate from the Newhall land & Farming Company tank located on the Spence Lease, Schleicher County, Texas.

All information will be held in the strictest confidence. Please contact Sheriff Edmiston in Eldorado, Texas.

In the future all condensate will be "tagged" for easy identification

Mr. and Mrs. Beaman Brame

Couple Married In Methodist Church

The First United Methodist Church was the setting for the marriage of Bridget Loree Robinson to Arthur Beaman Brame on Saturday, October 3, 1981. The Rev. John A. Robinson, father of the bride officiated.

The bride is the daughter of Rev. and Mrs. John A. Robinson of Eldorado. The groom is the son of Dr. and Mrs. Jim B. Brame and the grandson of Mr. and Mrs. Tom Ratliff all of Eldorado.

Julie Ryon of Round Rock, Texas, served as maid of honor. Best man was Robert Coffman of Houston. The bride was given in marriage by her brother, David Robinson of Houston.

Ushers were Laurence Brame and Luke Brame, brothers of the groom and Stephen Robinson of Val-

lejo, California, brother of the bride.

Mrs. Brame is a 1981 graduate of Eldorado High School. The bridegroom attended Eldorado High School and is a graduate of J.F.K. Prep. St. Nazianz, Wisconsin. He is currently attending Sul Ross State University in Alpine.

After a brief wedding trip the couple will be at home in Alpine.

Out of town guests included Mr. and Mrs. Christopher Hilliard of Houston, Mrs. Deborah Ben-Nun of Austin, Mr. and Mrs. W.B. Irwin, Jr. of Galena Park, Dr. and Mrs. Jim A. Coats of Wharton, Ms. Julie Peterson of Houston, Fr. Mark Woodruff of San Angelo, Miss Sharon Walker of Georgetown, Miss Kay Sargent of Menard and Jay Cash of Austin.

Charity Tourney Slated For Tonight

The Eldorado Duplicate Bridge Club will be having its charity game at 7 p.m. tonight in the Memorial Building. Proceeds will go toward the local Meals for Friends, an organization which provides hot meals

for deserving senior citizens three times a week.

In last week's play, Mary Christian and Helen Bebee won first. Tying for second were Lunetta Morgan and Muriel Brown with Vivian Mears and Jack Bebee.

Correction

Materials for the construction of the sign at the Masonic Lodge were donated instead of being paid out of a memorial fund from the Order of the Eastern Star, as reported in last week's Leader.

The Leader regrets and apologizes for any misunderstanding.

Cottage Offers Monthly Show

A new monthly event will be occurring for the fashion conscious women of Eldorado, a style show hosted by The Cottage. The first show was held Friday with 65 Eldorado women attending.

Thirteen local women modeled a wide array of clothing from the Cottage's stock, including knickers, dresses, pant suits, jogging suits, skirts and blouses.

All fashions showed an exciting colors for the fall season. A mixture of reds, maroons, rusts, greens, grays and browns filled the spectrum of styles available for fall casual and business apparel.

This venture was due to the accumulated efforts directed by Mary Leggett, owner of The Cottage. The Memorial Building was arranged and decorated by center pieces from the Holley House. The luncheon was catered by Southern Seas of San Angelo which served broiled fish with mushrooms, soup, salad, vegetable and dessert for the figure conscious.

Models were treated to hair styles created by Head-Quarters owners Marga Smith and hair stylist Carolyn Moya. Hair styles which added to the casual lifestyle of today.

Susie Lloyd, representing Mary Kay products,

assisted models with their makeup. Soft blushes and rich lipsticks added to the overall glamorous appeal of the new fashions.

Mary Leggett was enthused by the number of attendants and announced that next month's fashion show would be centered upon holiday attire.

Models were Barbara Cosper, Sherry Lenamon, Jan Crider of Sonora, Rhonda Leggett, June Whitten, Carolyn Mayo, Sheila Prater, Stassi Jones and Suzie Lloyd.

Ladies Day Is Saturday

The Mertzon Highway Church of Christ will be hosting a Ladies Day Saturday for all women of the area.

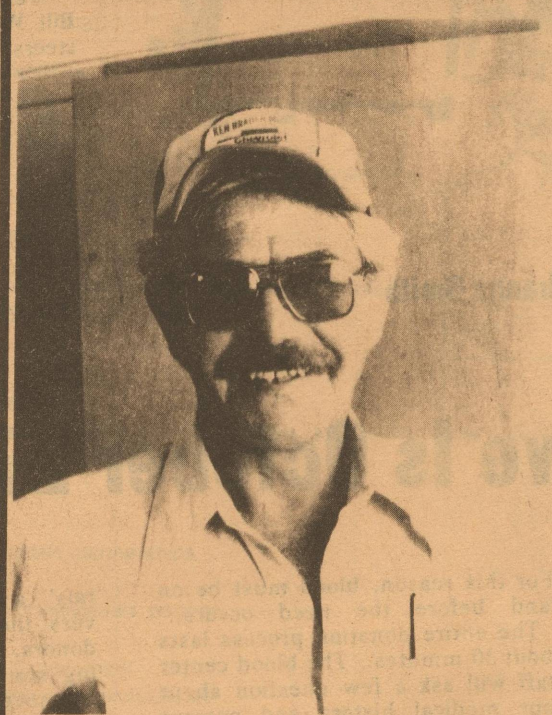

Registration will begin at 9:30 a.m. and the session will follow at 10 a.m. A salad luncheon will be served at noon in the Memorial Building followed by an afternoon session lasting until 2 p.m.

Speakers will be Cecil McDonald of Sterling City, Margaret Williams of San Angelo and Nita Rampy of Abilene. Theme will be "Fruits of the Spirit."

About 100 women are expected to attend.

Lions Hit Eagle Jugular Vein

By Mike Wilks
The Eldorado Eagles were bitten in the jugular vein, by the hungry Ozona Lions, during their annual homecoming game, last Friday 33-13. Eldorado did start the game off right when quarterback Brad Thomas kept the ball and sprinted 75 yards for an Eagle touchdown early in the first quarter. Danny Pina kicked the extra point. Despite that good effort by Thomas, the Lions went on to score five touchdowns.

First Lions running-back Felix Flores bulled in front

Teams Make Clean Sweep

The Eldorado Junior Varsity and Junior High teams made a three way sweep over the Ozona Lions.

The JV edged the Lions by a sum of eight points. Tailback Luke Brame rushed for two touchdowns for the undefeated Eagles. The final score was 14-6. This victory ups the JV's record to 5-0. Tonight they will challenge Menard's JV.

Both Eagle junior high teams picked-up wins in Ozona. The eighth grade tamed the cubs by a score of 14-13. The seventh grade also trained the cubs. Their final score was 18-14.

These two teams will also face the Menard junior high this evening at Eageel stadium.

Seventh grade action starts at 5 p.m., the eighth graders play at 6 p.m., and the JV's kick-off is at 7:30 p.m.

two yards out. The PAT was good.

Then in the second period Ozona's Greg Fieiro scored two touchdowns from one yard, and one from six yards away. Both PATS failed.

In the third quarter Harvey Huereca ran for a touchdown as did David Badillo in the fourth quar-

ter. Both PATS were good this time.

Eldorado's next score came late in the fourth quarter when back-up quarterback Michael Phillips threw a four-yard pass to flanker Jeff Harlin. The point after failed and that made it final 33-13.

The Eagles, now 0-6, will travel to Menard and battle

the Yellowjackets, who were stomped easily by the Wall Hawks 41-0.

In other district 9-2AA competition: Junction flew by Reagan County, and Mason was idle.

Junction's victory over the Owls makes them tied for first place with the Mason Punchers. Both teams are undefeated in district play.

Band Trip Novel Experience

By Jennie Day

If you have never been on a band trip, a part of your life is missing. (A part that most sponsors and bus drivers wouldn't mind missing!)

The fun begins as soon as school is out with some "lucky" guys loading instruments on the trailer. Later, the members show up at the band hall, load their own uniforms on the trailer and get their hats, gloves, band shoes and white socks on the bus. More than likely, someone will forget something -- even their uniform!

We always leave promptly, at least fifteen minutes late. Sometimes departure is delayed because we don't have a bus driver and, sometimes, because certain people are always late. Eventually, we leave. By the time we pass the city limits, at least 20 different conversations are going on and nobody can hear anybody else. The sponsors are trying to keep all of this under control while the poor bus driver is trying to keep the 30 foot wide bus on a 15 foot wide road.

We finally get to the game, unload, only to reload in about two hours.

Then, there is the trip back. Normal people would probably be trying to sleep, but a few of the juniors and seniors seem compelled to sing the whole way home. The sing country, rock, just about anything -- they're

not rejudiced. Most of it is out of tune and the words

are all wrong, but they do have endurance. Sixty miles of endurance!

Finally, home and to bed. A few hours rest and we're ready to go again. I'm not so sure about the sponsors and driver.

Fourteen Students Going To Dallas

Fourteen local students will be "Going Places, Doing Things" at the State Fair in Dallas, October 19 through 21. That is the theme for this year's fair and it also applies to the students entered in the stock show.

Contestants will spend the first two days preparing their stock for the show, which will be held on the twenty-first.

Showing lambs are: Kirk

Griffin, Kelly Griffin, Tracy Sauer, Danette Dunagan, Wendi Dunigan, Michelle Moore, Brent Moore and Pat Martin. Each will show two lambs.

Showing steers are: Shanna Swift, Kelly Leggett, Nicky Dahlberg, Matthew Dahlberg, Mitzi Mittel and Ron Mittel. Sponsors will be Fred Igo, ag teacher, and Jerry Swift, county agent.

McWhorter Joins Society

Dan McWhorter Jr., son of Mr. and Mrs. Dan McWhorter of Eldorado, has been named a member of the American Society of Certified Pathologists after passing ASCP examinations Aug. 21.

McWhorter is a graduate of Eldorado High School and a 1979 graduate of Angelo State University

where he received a bachelor of science degree.

He interned as a medical technologist at Shannon Memorial Hospital in San Angelo and is now a medij-

Angelo and is now a medical technologist at Hudspeth Memorial Hospital in Sonora.

He is not a pathologist as previously reported.

SCRIPTURE: Proverbs 31:10-31

- 10 An excellent wife, who can find? for her worth is far above jewels.
- 11 The heart of her husband trusts in her, and he will have no lack of gain.
- 12 She does him good and not evil all the days of her life.
- 13 She looks for wool and flax, and works with her hands in delight.
- 14 She is like merchant ships; she brings her food from afar.
- 15 She rises also while it is still night, and gives food to her household, and portions to her maidens.
- 16 She considers a field and buys it; from her earnings she plants a vineyard.
- 17 She girds herself with strength, and makes her arms strong.
- 18 She senses that her gain is good; her lamp does not go out at night.

FOR RENT

Mobile Home Lot F. F.H.A. Approved 65.00 a month 853-2120 Eldorado

While Instruments and Controls Company is losing a longtime employee to retirement, it is gaining a new home. Bobby Phillips, owner, will be moving his shop from its present location at 401 S. Divide to the new home two blocks south on Divide (Hwy 277 S), the end of the month.

Phillip's wife, Mildred, will open the doors of the new shop Monday, Nov. 2 at 7:30 a.m. for business. An open house will be held Saturday, Nov. 7 from 1-4 p.m.

Phillips started Eldorado Instruments and Controls in October of 1972 after leaving Sweetwater Pump and Supply. He was trans-

company from Abilene in November of 1971. Phillip's shop has been in the same location since its establishment in 1972.

Eldorado Instrument and Controls is the only business of its kind in an area ranging from Odessa to Houston. Phillips serves a 50 mile radius, including Ozona, Sonora, Barnhart, Christoval and San Angelo. He handles sales and service of instruments, gauges and controls for all types of oilfield equipment. He keeps a full line of parts in his shop for most all instruments. More parts will be added in the new shop. Phillips travels two days a week, working in the field. Phillips purchased the

from Cactus Oil Company in San Angelo and began work remodeling and adding on to the existing structure the last of February this year. In spite of strong Schleicher County winds that blew the walls down twice and his son Michael's motorcycle accident, Phillips succeeded in finishing his 50x75' building. The new building will space, larger parts and service area and a coffee area.

Besides Phillips, employees for the company are Barbara Behrens, secretary; Kenneth Phillips and Terry Grelle. There is a possibility of more employ-
