

Enters Litigation

Schleicher County Commissioners Court met Monday in a specially called session to plan their strategy in defending themselves against claims made in a petition for declaratory judgement filed last Wednesday in the county's district court office.

The petition was filed by Bill Freitag and Mabel Freitag naming the county of Schleicher, A. A. Clark and Kerry Joy as defendants. The petition calls for a judgement determining a question of actual controversy over a length of road approximately one mile in length roughly 8 miles east of Eldorado located on Section 38, Blk L, of the G. h. and S. A. RR. Co. Survey.

The Freitag's contend that the stretch of road was opened only as an oil and gas lease road and was never intended for public use. They further state that the road does not appear on the county map and therefore is not a public road. It is their desire that the road be closed to public use and

furthermore that if it should be deemed public by a judicial decision, the county should assume the responsibility for laning (fencing) the stretch of road.

The Freitag's attorney, Marvin C. Hanz, of San Angelo also filed on the same day a motion for contempt showing cause order against the county of Schleicher, A. A. Clark and Kerry Joy. Both instruments were filed in the 51st District Court of Schleicher County. This instrument uses the cause of Harvey, et al vs. Jones, cause no. 1497, filed in the 51st District Court of Schleicher County as a precedent. In the Harvey - Jones ruling the judgement stated that county equipment nor county maintenance nor public equipment could be used on private roads. The contempt of court charge stems from the Harvey - Jones decision.

On a motion made by Kerry Joy and seconded by Ross Whitten, the court unanimously voted to contest

the petition and the motion for contempt. The motion reads that they shall contact an outside attorney to assist in the suit against Schleicher County. The hearing is scheduled for Monday, February 7, 1983.

The next and last item on the agenda for the court was the roofing of the Memorial Building. The court unanimously voted to hire Kent Elliot Roofing of San Angelo to re-roof approximately 7,000 square feet of surface on the Memorial Building with fiberglass composition shingles titled Horizon shingles for a cost of \$11,333.00. The roof will carry a 25 year guarantee. The Elliot firm is in town now and can move immediately to the Memorial Building. The motion was made by Prissy Paxton and seconded by Kerry Joy.

The commissioners also discussed the placing of gas pumps at the new fire hall and then adjourned the meeting.

Best Project Show Yet

The Schleicher County Food and Project Show surpassed all expectations as a record attendance enjoyed the confinements of a brand new multi-purpose area. The spacious new room allowed for a more comfortable atmosphere and plenty of room to tour the food and art show.

Shanna Swift showed the Grand Champion Steer this year and received a \$400 premium. The \$300 premium and Reserve Champion Steer honors went to Mitzi Mittel.

Ericka Schooley had the Champion Shorn Fine Wool Lamb and received her \$300 premium. The Reserve Champion was shown by Clint Griffin who won \$200.

The Champion Market Fine Wool Lamb was shown by Pat Martin and he also received a \$300 premium. Getting \$200 for Reserve Champion was Gabe Schooley.

Champion Shorn Crossbred Lamb was John R. Griffin which gave him a \$300 premium. Kelly Griffin received a \$200 premium for his Reserve Champion.

Forrest Meador took Champion honors in the Commercial Range Ewe class while Wendi Dunagan took the Reserve honor. Bill Cawley had the Grand Champion Heifer while Amy Turner took the Reserve Champion trophy. Marty Wells had the Champion Angora Billy and the Champion Angora Doe. Missy Burleson had the Champion Commercial Ram.

Ron Mittel had the Champion Market Swine and a \$300 premium. Craig Griffin won the \$200 premium for having the Reserve Champion.

Kimberly Williams, Stan Meador, and Mindy Edmiston all won \$50 for the Best of Show-Sub Junior, Best of Show Junior, and Best of Show Senior Respectively.

City Sewer Issues Pass Saturday

A grand total of 215 voters approved the issuing of \$650,000 of sewer tax plant bonds and the issuance of \$340,000 of sewer system revenue bonds Saturday. The sewer plant issue passed with 131 votes for and 72 votes against. The sewer system bonds passed with 112 votes for and 86 opposing. The passing of these two issues gave the okay to the council to begin the engineering construction phase of completely revamping the antiquated sewer processing plant of the city and insured that the Christian Addition would be brought into the city's sewer system should the HEW Block Grant not be presented to the city of Eldorado for this purpose. Should the grant be awarded, the \$340,000 sewer bond revenue bond can be used at a later date by the city council as long as they are issued for the improvement of the sewer system in the city.

Following the election Monday night the aldermen met in a special session to canvass the votes. During this meeting one vote was cast out by the council because the instructions on the ballot had not been followed. This particular ballot had been marked both for and against.

Following the canvassing the council unanimously voted to issue the bonds on a motion which came from Gus Willeke seconded by Bobbie Sanders.

Larry Skiles associated with Rauscher, Pierce, and Refsnes and acting as the city's bond counselor was also in attendance at the meeting. Skiles discussed with the council their next steps in procuring a new sewer system for the city. He informed the council of the state's water and sewer departments policy of purchasing municipal water and sewer bonds, the rates the council

could expect to pay on their bond issuances and the selection of an engineering firm for the project. On a motion from "Rooster" Jackson and seconded by Bobbie Sanders, the aldermen selected the firm of Freese and Nichols of Midland as their choice of engineering firms. Negotiations with Freese and Nichols, Inc. will begin over the firm's fee. Should a palatable contract not be struck between the firm and the city the city will enter into negotiations with another engineering firm. Freese and Nichols prepared the preliminary study for the sewer system in the city.

Airmen Attend Council

The Eldorado City Council met Wednesday, January 12th in regular session to discuss the city's business for the month of January. Meeting with the council was John Mitchell and Tom Hunley speaking on behalf of the Tri-County Shriner's Club a newly formed organization with members in Sonora, Ozona and Eldorado. They requested that the city donate or find some feasible method to grant the club the 1939 Ford firetruck now parked by the city office. The gentlemen were informed that it was impossible for a municipality to donate any of its properties and that the sale or lease could only be accomplished by public bids. It is the Shriners' intention to restore the firetruck and use it as a parade vehicle for the club. Mitchell and Hunley also stated that the city be returned the firetruck should the club ever disband.

City Secretary Carolyn Mayo was instructed by the council to research the matter and see if there was some way the city could grant the firetruck to the organization.

Also meeting with the council were representatives from Goodfellow Air Force Base, Lt. Tony Ronquillo, Master Sergeant John House and Lt. Mark Haskell who outlined the base's program of Epic, a public affairs effort to bring a closer relationship between the outlying communities of the base and the base itself. It was learned during this presentation that the base could offer guided tours and base parade representation to the communities in the area. The air force representatives were questioned about the Pave Paws project by the council. Here the aldermen learned that the decision regarding the placement of Pave Paws will be forthcoming from the military sometime this summer.

David and John Edward Meador

presented to the council a proposal that the council accept a four inch sewer line in blocks E and F of the Keele Addition. After discussion of how the line came into existence and how it did not meet the city standards the council voted to accept the line. The motion carried unanimously but Gus Willeke abstained to vote on the issue because of a conflict of interest.

The next item on the council's agenda was to entertain a plea of bondsman Larry Skiles, associated with Rausch, Pierce and Refsnes. Skiles requested that the council meet the upcoming Monday in order to canvass the votes and possibly select an engineering firm for the proposed sewer project should the bond issue pass. The specially called meeting was unanimously set for Monday January 17th at 6:00 p.m.

Paul Robbins representing Moran Exploration next appeared before the council to offer a bid for the oil and gas lease of city owned property. Moran was the only bidder and the lease bid payment was for \$3,405.00 the motion carried that the lease be executed and a list of requirements was noted.

The aldermen next entertained various representatives of engineering firms in order to better select a firm should the proposed sewer bond issue pass. Appearing before the council was Kyle Womack with Parkhill, Smith and Cooper; Bruce Motheral and Jay Clanton with Moteral Industries; and Lee Head with Freese & Nichols, Inc. a written proposal was submitted by West Texas Consultants each firm was allowed to present its credentials and desires to become the engineering firm for the proposed sewer project.

Jack Bebee questioned the council on the grant on the sewer extension proposal. Bebee was assured by the

council that if the grant failed and proposal II passed, it was the council's intention to use the \$340,000 in revenue bonds for the Christian Addition should that bond issue pass.

Bill Raddle representing the Eldorado Volunteer Fire Department appeared before the council and recommended that the city relinquish its affiliation with the State Fireman's Pension Plan which no longer served the purpose that the plan had originally been designed for, in lieu of dropping the city's participation in the plan Raddle requested that all active and retired firemen and their widows receive a flat water rate up to 50,000 gallons. On a motion from Ronnie Sauer seconded by Wayne McGinnes

the suggestion was unanimously passed. The council also voted to pay Raddle a total of \$150 for car and motel expense in order that the fireman could attend the Texas A & M Firefighters School planning session. The motion was made by Sauer and seconded by councilman Rooster Jackson, it carried unanimously.

During the reading of the minutes of December 7th Wayne McGinnes withdrew his motion of that date to sign and enter into a gas lease. This correction to the minutes was necessary in order to comply with the advertising of bid in correlation with the oil - gas leased city owned property. With this technicality

This year's Grand Champion Steer was shown by Shanna Swift.

Clothing Needed

The Amistad Group is taking donations in behalf of the Ben Cruz family whose trailer was destroyed in a fire over the weekend. The family lost everything they owned in the fire. Donations of money, clothes, household goods, or other useful items would be deeply appreciated. Clothes sizes needed are: Ladies 9-10, 12 pants; 32-Blouse, Shoes-7 & 5 1/2. Boys: 31 waist, 28 length.

Donations can be left at Headquarters Beauty Shop and Casa Arispe Bar-B-Que House or call Dick Mendez at 853-2092 if you have any items to donate to this needy cause.

Roy Caveness and Jake Casbeer were honored with a retirement dinner last Friday night.

Arco Retirees Honored

Arco Oil and Gas Company honored two of its employees at a retirement dinner last Friday night in the Memorial Building.

Being honored were John T. "Jake" Casbeer and Roy Caveness.

Casbeer began working with Sinclair Oil and Gas Company in June, 1948. His first job was as a pumper in Ozona where he pumped the University Lease at Midway Lane. In 1954 he moved to Sonora and in August of 1956 he

moved to Eldorado as a lease pumper, a job he held until his retirement. Casbeer and his wife Laverne have two daughters.

Caveness also began with Sinclair Oil and Gas Company on February 5, 1951. His first job was a roustabout in Royalty, Texas. He moved to Eldorado in 1964 where he has lived until his retirement. During this time with Arco he has worked as a roustabout, truck driver, and a gang pusher, a position he

held at the time of his retirement. He and his wife, Faye have one son.

Both men have worked their entire tenure at Arco without any time off due to a work related injury, a record in which they take pride.

Girl Scout

Cookie Sales Start

The annual Girl Scout Cookie Sale will begin Friday, January 21st. Support your local Girl Scouts and Brownies and enjoy eating any or all seven varieties of cookies. The girls will be going door to door or phoning for orders.

Some folks will be crowded at the post office for about a week due to installation of new boxes.

Extension Club Meets

The Good Neighbors Extension Club met at the Memorial Building Jan. 18.

Connie Spence presided for Ruby Hight. Flora Riley called the roll with members answering with "My New Year's resolution". Those in attendance were: Flora Riley, Connie Spence, Elenor Powell, Ola Ruth Barbee, Ruth Baker, Nancy Lester, Margurite Gillaspay.

The business meeting consisted of discussions of upcoming events; the District Planning Meeting on February 1 at Bronte, Texas, the Senior Citizens party on February 10, and the Valentine Party.

Nancy Lester brought the program on Color You Beautiful. Everyone learned their colors and the color of the right make up. Plans were made for a program on Exercise Workout to be presented by Nancy Lester.

Rodeo Association To Meet Thursday

There will be an important business meeting of the Schleicher County Rodeo Association held at 7:30 p.m. in the old Jaycee Building. All officers are urged to attend this meeting.

behind them the council approved the minutes of that particular meeting and those of December 15th.

During the financial segment of the meeting all of December's bills were voted to be paid and a bill was okayed to be presented to Riley -

Bernad Trucking for damages done to a city fire plug in the month of November. During this portion of the meeting it was brought to the attention of the council that the city was presently experiencing a approximate 50 percent cash flow problem

SPORTS

Bufs Topple Eagles

The Eldorado Eagles lost a heart breaker Tuesday night to the Stanton Buffaloes by the score of 86-59. The Eagles played a whale of a game under the circumstances. They came out fired up and inspired.

The hardship they faced was playing a very good Stanton team without the services of Ashley Niblett and Luke Brame who were out for one game. Victor Gutierrez and John Church, starting his first game, kept

the Eagles in the game by scoring all of their 15 first quarter points. Stanton eased ahead at halftime by the score of 35-28. Eldorado stayed within reach until Stanton pressed the Eagles into mistakes which the Buffaloes used to build a 20 point lead. Big John Church tossed in 26 points while Victor Gutierrez scored 18 to top the Eagles.

Eaglettes Handle Lady Bufs

The Eldorado Eaglettes moved a step closer to a post season spot in the playoffs by whipping up on the Stanton Buffaloes 51-37.

Stanton took a 4-2 lead in the first period which turned out to be a period that both teams traded turnovers. The lead changed hands throughout the second period as key passes by Stephanie Thomas fed Julie Cash, Laura Lozano, and Davina Vannett for easy points. Stanton held a one point

advantage at half 12-11.

The Eaglettes sprang on top with 6 quick points which brought the Buffalo coach up off the bench for a time out. Julie Cash tipped in a Laura Lozano lay up at the buzzer to lengthen the girls lead to 10 points, 32-22. The Eaglettes played well in the 4th period also as they upped their score to 51-37 as the game ended. Davina Vannett with 16 points, Julie Cash with 12 points and Gina Patton with 7 points led the Eaglettes.

Girls Gain Revenge; Boys Outgunned

The Eldorado Eaglettes avenged an earlier defeat to Big Lake in their own Lions Club Tournament by beating the Reagan County girls 46-36 when it really counted, in district play last Friday night. With two games remaining in this half of district play, Coach Larry Mitchell's squad has a 2-1 record. This year is the first year that second place goes to bi-district competition so this team has a good chance at getting out of district.

"They have played real well the last two games," Coach Mitchell said referring to this game and the double overtime victory over Miles. Their only district blemish came at

the hands of Wall 40-29. Davina Vannett and Laura Lozano led the Eaglette charge with 11 and 10 points respectively. Stephanie Thomas had 7 points, Margie Logan 6, Julie Cash 4, Melissa Burleson 4, and Gina Patton 4 to finish all Eaglette scoring.

The varsity Eagles stayed close to the Reagan County boys until they hit a cold spell in the fourth quarter when they only scored 5 points. Big Lake responded with 24 points in the final period to out distance the Eagles 79-45.

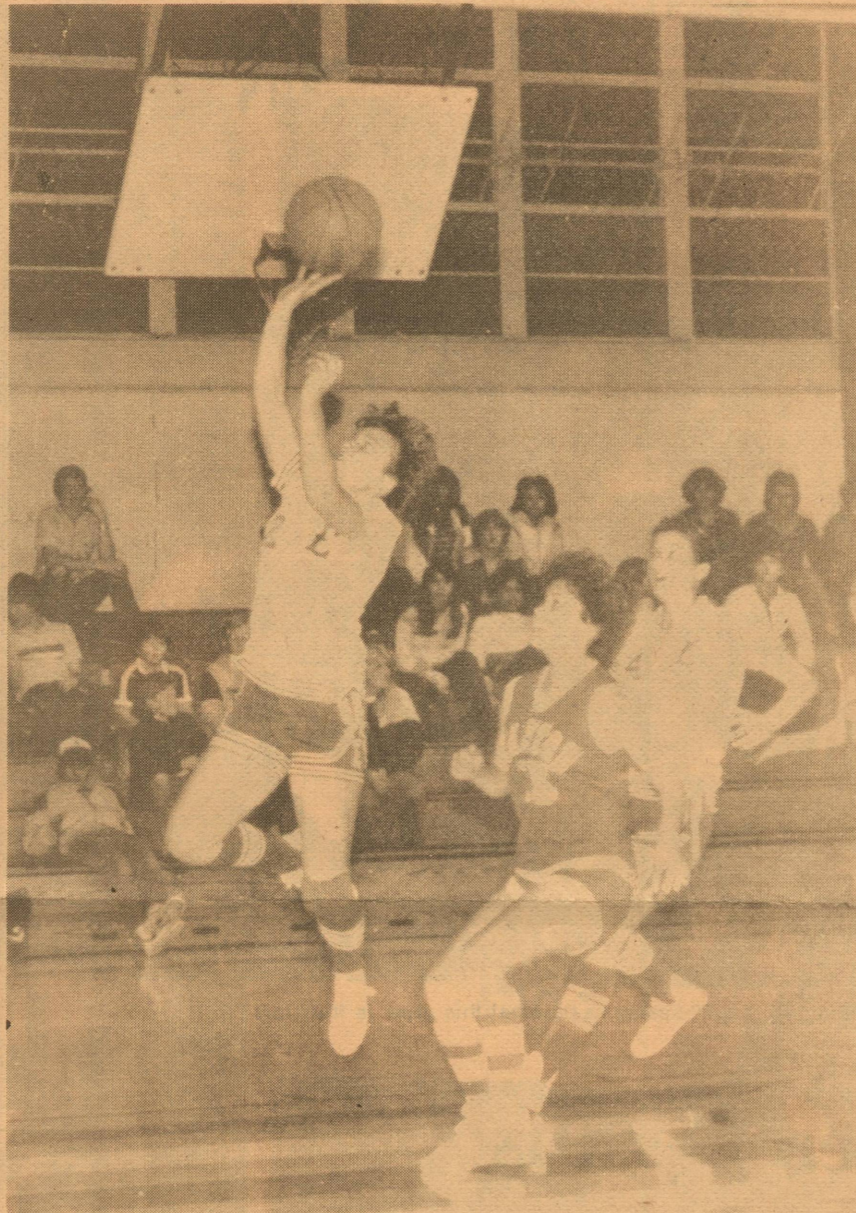

Ashley Niblett had 17, Victor Gutierrez 8, and Joe Barrera 8 points to pace the Eagles.

Junior Varsity Splits at Big Lake

The junior varsity Eaglettes rolled to a 42-29 victory over Reagan County's junior varsity Friday night in Big Lake.

These girls at 16-1 this year with their only defeat coming from Mason. Missy White and Eloisa Hill tied for high point honors with 8 points apiece. Stephanie Fields had 8 while Jennifer Willoughby followed with 7 points. Debbie Sutto had 4, Michelle Walker 3, Char-

lotte Mobley 2, and Kara Carlitz 2 finished out the scoring.

The junior varsity boys did not fare as well as the girls losing to Big Lake 29-50. Mike Belman led all Eagle scorers with 8 points. Jimmy Turbeville threw in 6, while Chris Woodward followed with 5. Steve Bowery and Eric Cheatham both tossed in 4 points. Wesley Sparks ended the scoring with 2 points.

Cougars Take Two From Eden

The Christoval Cougars won two district games over the Eden Bulldogs Tuesday night in Christoval. The varsity girls upped their district record to 2-1 by beating Eden 34-22. Susan Van Court

and Tony Arthur led the scoring with 12 and 8 points respectively.

B. J. Wilson scored 20 points to lead the Cougars over Eden 61-39. Duke Douthit had 13, Lee Westerman 12, and Mark Hayes 10 to lead the Cougars.

Woman's Club Accept Members

The Woman's Club met January 11th in the home of Mrs. Stigler with seventeen members and two associate members present. The meeting was called to order by the President, Mrs. Stigler. Mrs. Albert Tisdale led the group in the pledge and salute to the flags.

Mrs. L. L. Watson gave a devotional and the Parliamentarian, Mrs. VanDusen, briefed the members on the duties of the Parliamentarian.

Voted into the club as new members were Mrs. Rance McDonald and Mrs. Fred Brown.

Members were apprised of a project being undertaken by the General Federation of Women's Clubs in Washington, D.C. to

restore a building to be used as their museum. It was voted to contribute \$25 to this project in honor and appreciation of the club's president, Mrs. Stigler.

The forthcoming trip to Austin in April was discussed and fourteen members are planning to go. The theme for the day's program was The Hub of Federation.

Roll call was answered with "Why I Joined Federation".

Leader for the program was Mrs. Harper and she gave a biographical sketch of the author of the Club's Collect, Mary Stuart. She then introduced three members of a panel, Mrs. Bailey, Mrs. Hext and Mrs. Newport. Mrs. Bailey gave

a history of the writing of the Collect and noted that since its composition in 1904 it has been used by different organizations all over the world. There are eight phases of this Collect and at the conclusion of the reading of this Collect and at the conclusion of the reading of each phase by Mrs. Hext, Mrs. Newport explained in detail it's true meaning. The words of the Collect have been put to music and to conclude the program it was sung by Mrs. Deal and Mrs. Stigler.

Hostesses for this meeting were Mrs. Stigler, Mrs. Griffin and Mrs. Doremire.

Area Deaths

Moore

Robert W. Moore, formerly of 106 North St., Eldorado, passed away January 12 in Massachusetts.

Mr. Moore was employed by Atlantic Rich-

field and had retired a few years ago.

He is survived by his wife, Virginia, whose current address is 24 Bacon Street, Natick, Massachusetts, 01760. He is also

survived by several brothers and one sister.

Mrs. Moore has requested that gifts in his memory be sent to the West Texas Boys Ranch in San Angelo, Texas.

Girl Scouts 3rd In Ranking

Three Eldorado Girl Scout volunteers represented the Annual El Camino Girl Scout Council meeting in San Angelo, Saturday January 15th. Neria Pina, leader of first grade Brownie troop #36, Jane Finley, leader and co-leader of troops #71, #86, #150, and Kim-et Nelson, area Service Unit Coordinator were nominated as delegates to the meeting and are proud to report that Girl Scouting is "alive and well" in West Texas, ranking 3rd highest in membership among 139 councils served

out of the Dallas Field Center.

The delegates voted on new board members and joined in groups to discuss volunteer retention.

As reported by Jane Finley, "the meeting was not only informative but quite impressive, entertaining and most exhilarating. I'm proud to be a part of Girl Scouting and hope to give Eldorado Girl Scouts and Volunteers as much encouragement and enthusiasm as I have received from this meeting. It was great!"

Standing Alone When Discouraged

Judges 6-8

By Bro. Rusty Kwast

Standing alone is difficult even when we're strong and fairly consistent. Now remember those times when we've been weak and inconsistent - when we've failed time and again. These occasions bring about discouragement; our attempts to get back on target are weakened. Israel was facing precisely this kind of situation when Gideon was called to lead his people back to a victorious lifestyle. Lessons can be learned from that occasion and they will help our lives today.

I. Facing discouragement (Judges 6-8)
A. Israel's situation (6:1-6; 21:25)
B. God's Correction (6:7ff)
C. Our instruction

1. Accept personal guilt for failure (6:6-8)
2. Focus on victory (6:12-16)
3. Prepare Spiritually (6:17-24, 36-40; 7:9-15)
4. Commit to God openly (6:25-36)
5. Give God room to work (7:1-22)
6. Finish each task (7:23-8:21)
7. Maintain spiritual perspective (8:22-35)

- II. Finding Encouragement
A. Through instruction and hope (Rom 15:4)
B. Calls for action (James 2:14-26)

YOU MAY BE LOSING ENERGY DOLLARS UP YOUR CHIMNEY!

How many times a year do you open and close your Fireplace damper?

Many people leave it open all the time — so it's always ready when they build a fire in the fireplace. A fireplace damper that's always open is allowing winter heat and summer air conditioning to leave through the chimney in a continuous flowing stream. And with that loss of conditioned air goes higher electric bills. Be sure to close your fireplace damper when not in use.

A fireplace screen can help to save a lot of Energy too! With your damper closed, when not in use, and with an air-tight glass screen in front of your fireplace you can keep ENERGY DOLLARS from escaping up the chimney.

Remember REDDY Supplies the energy— but only YOU can use it wisely!
