

## Commissioners Open Bids

# County Buys Two Vehicles

The Schleicher County Commissioner's Court met in regular session last Monday and purchased two new county vehicles.

After minutes from the previous meeting were approved as read, Jim Bass Ford was awarded the contract for a new sheriff's department car. The car is exactly like the newest edition of the sheriff's department now being driven by Deputy Hale. The bid on the vehicle was \$10,055.10.

Ross Whitten made a motion and Prissy Paxton seconded that the county accept the lowest bid which was Jim Bass Ford's. The motion passed.

Representatives from three companies in San Angelo were present as their bids for a new county dump truck were opened. Mustang Chevrolet and Jim Bass Ford both lost out to the lowest bidder, Angelo Truck and Tractor. Prissy Paxton motioned and

Ross Whitten seconded the motion that the court accept Angelo Truck and Tractor's bid of \$40,336. The motion carried unanimously.

The court also opened bids for the building of approximately one mile of fence. The county is widening the road on Cedar Lane and will have to rebuild exactly one mile of fence that belongs to Ethel Jones. Raymond Gonzales of Mertzton won the contract with a bid of \$1.04 per foot of fence.

Ross Whitten's motion to accept Gonzales' bid passed unanimously.

Jerry Harris of Lamesa visited the court with a proposal. Harris said that he would like to put 354 acres of Schleicher County school land in Gaines County under cultivation. His proposal was if he did cultivate this land that he would be charged no lease fee for ten years. The following ten years he would pay \$3.00 an acre. After that the court would negotiate the next lease fee. Paxton motioned and Jack Turner seconded to accept Harris' proposal. The motion passed.

Representatives from Colonial Insurance issued a proposal before the court for individual disability insurance. This plan would be taken out of the individual's salary each month. The court rejected this offer.

Sheriff Orval Edmiston appeared next before the court. Edmiston was seeking pay raises for two deputies hired in November. Jack Turner motioned that the court grant the raises. Kerrie Joy seconded the motion and it passed.

The Court also agreed to purchase a new 37180 base station for the fire department radios. The new base would cost approximately \$1,000. It would replace an outdated base station now on the third floor of the court house.

The court passed a motion to pay last months bills and decided to hold off on the purchase of a hot oil tank. The court stated that they would rather rent one as needed.

The court also passed a motion to let Lori Patton contract the swimming pool. She will be taking over for Gynna Harlin who has run it the past few years.

Clay Burleson appeared before the court to ask that Keith McCormack be put on full time. He had been working as temporary help for a several months. The court accepted Burleson proposal.

Judge Griffin brought to the court's attention that a class action suit has been filed against the Texas Jail Standards Commission. The court agreed to donate \$250 to assist in the paying of court fees.

The court then dashed into adjournment.

## A Little Bit Of Ireland In Eldorado

by Gregg Davidson

Today, in correlation to St. Patrick's Day, the LEADER has selected Reverend Clive Johnston, Eldorado's only Ireland born citizen in our denotation of the wearing of the green.

Reverend Johnston's first known contact with Eldorado came from T.P. Robinson and his wife, who went to an Ireland church to worship on a Sunday where he (Johnston) was preaching. After this first contact, Pastor Johnston was invited to preach at the Fall Revival for the First Baptist Church two and a half years ago.

Reverend Johnston notes, "The Lord opened the door for us to come back in the summer. It was while we were here that we received a call to occupy the pastorate." He also adds that he saw this as an opportunity to preach, to serve, and to show for what the Lord has done for him. "I'm grateful to Him for bringing us here," he says.

Members of the First Baptist Church were as happy to see Reverend Johnston arrive as the Irish were to see St. Patrick arrive to drive out the snakes of Ireland.

These two leaders of men not only share the same home, but they both share a devout love for their fellow man.

Reverend Johnston also says that he was very impressed with warmth, love, sharing and the fellowship during his first contact with Eldorado.

When Reverend Johnston left his home in Ireland, the problems of the country stayed. The problem was the IRA movement. The Irish Republican Movement seeks to put an end to the Catholic-Protestant Revolution overthrowing British rule and establish a 32 county Marxism Republic.

Reverend Johnston says that it is very hard to communicate with the problems in Ireland because they are very involved and have been going on so long. He notes that is not a religious war of Christians against Christians as people think, but is more a tribal war.

Reverend Johnston notes that the movement is supported by one American-Michael Flannery, an IRA supporter. Flannery is expected to lead the parade in New York on St. Patrick's Day. He also says this leads us to wonder if communist supporters encourage overthrow in other countries, then why not our own country.

He concludes that, "People in America need to realize the IRA is a Communist movement."

## Council Receives Many Visitors

The engineering firm of Freese and Nichols had their contract for the new Aeration Pond Sewer Treatment Plant approved by City Council Members Wednesday night, March 9, at the Councilmen's monthly meeting.

The engineering firm will make the initial design for the \$650,000 project. They will also assist the City of Eldorado in funding and employing a contracting firm.

During this session of the meeting, the bonds counselor for the city, Larry Skiles associated of Raush Pierce and Refness, informed the members that the bonds for the sewer plant project were ready for sale. He anticipated three weeks to achieve a rating and that the current interest rate was at 9 1/4 percent.

The Women's Club met with members of the Council to set a city wide clean-up campaign date and to see if council members were willing to help out. County representatives Johnny Griffin and Ross Whitten were present and said that they had already agreed to help with the campaign. The three parties set Saturday, April 9 as official clean-up day. County and city equipment and crews will pick up trash piles the following Monday or Tuesday.

David Powell appeared before the Council next to inquire about a possible bulk rate for his irrigation operation. Council members discussed granting this but did not take action because of the fear of setting a precedent that all large gas consumers such as the school, woolen mills, hospital, and gin would want to follow.

Fire chief Jerry Jones, Judge Griffin, and Commissioner Whitten appeared to ask the Council to pay for the new firehall's water and gas bills while the county would pay for the electricity bill and the fire phone bill. After a lengthy discussion over the subject, Ronnie Sauer motioned and Wayne McGinnes seconded the motion that the city start paying the water and gas bill for the firehall. The motion passed.

Charlie Graves of Sonora presented a petition for the acceptance of approximately 9 acre subdivision, Edgefield I, as platted. Ronnie Sauer made a motion to accept the petition. Rooster Jackson seconded and the motion carried.

Representatives from General Telephone met with Council members to answer any questions or listen to any complaints with phone service. After listening to several complaints and answering a few questions, the representatives agreed to check out all problems.

Amendment number eight to Utility Ordinance number 101-80 was

reviewed by the Council. The amendment states simply that the city will not turn off gas to people that pay at least half their gas bills if the bills are unusually large from November through March. But the people must pay all other utilities and must pay the rest of the gas bill by the first of the month. The motion to accept the amendment by Wayne McGinnes and seconded by Ronnie Sauer was passed.

A motion was made by Rooster Jackson and seconded by Wayne McGinnes that the minutes from the February 9 meeting be approved. The motion carried.

Mayor Lester told the Council that a lease with the Tri-City Shrine Club for the city-owned 1939 Pumper had been drawn up. The lease is awaiting approval from the Shriners.

Councilman Jackson told the Council that David Vannett had asked the Council to adjust his January gas bill because someone had backed over his gas connection. Vannett also wanted reimbursement for sewer lines that he had installed himself in 1977. Ronnie Sauer made a motion and Gus Willeke seconded the motion that both matters be tabled until Vannett could appear before the council.

After receiving the H.U.D. Grant for improvements in the Christian Addition sewer lines, a motion was made by Rooster Jackson that Secretary Carolyn Mayo attend a seminar for training in bookkeeping and paperwork requirements. He motioned that all expenses be paid. The motion was seconded by Gus Willeke and it carried.

Next on the agenda were February billings. Two billings for residue gas in November of 1982 and December of 1982. The November bill was \$161.43 and the December bill was \$140.84. Ronnie Sauer made a motion that the Council refuse to pay the bills. The motion died due to lack of second. Rooster Jackson then made a motion that the City pay the bills. Gus Willeke seconded the motion and it carried.

The Council then discussed the purchase of two General Electric hand held two-way radios and a base station for the city hall. The cost of the base and two radios was \$1,749. Rooster Jackson motioned and Ronnie Sauer seconded the motion that the city order these on a trial basis. The motion carried.

Council members also entertained the topic of animal control. After a discussion, Wayne McGinnes made a motion and Ronnie Sauer seconded the motion that wages be set at \$6.75

an hour with hours not to exceed six per week. The motion carried.

With no further business, the council adjourned.

John Cheatham disappears in a cloud of smoke Sunday as the Eldorado Volunteer Fire Department did their best to salvage an abandoned garage on the Mertzton Highway.

## Clean-Up Day Set For April 9th

Eldorado has potential of being one of the prettiest little towns in the West! It represents the entire county as well as the pride of our forefathers and their struggles which confronted them to tame this land. But now, as we ride down the streets of Eldorado, what we see is unkept lots, buildings in ill repair, litter and debris.

This says alot about our fellow citizens and their pride for their community as well as pride in their forefathers.

If each of us were to just maintain our own property, we could make Eldorado a show place. The potential

## School Board Ok's

# Bikers' Lease

The Schleicher County Independent School District Board of Trustees met in an in uneventful session Monday night with all members present. The guests entertained by the board of trustees was the Eldorado MX Club, represented by President, Ray Blair; Vice President - Jimmy Layman and Secretary/Treasurer - Joey Jones. After some discussion pertaining to entrance into the area behind the present 4-H Livestock Barns and what the school board expected of the MX Club, a one year lease was signed for the total sum of \$1 per year. The club will maintain the area, police it and have control over its use.

Richard McC Carson, principal of EHS spoke on behalf of a student who wishes to cross the stage this year during the graduation ceremonies and receive an unvalidated diploma. The board gave its permission after McC Carson explained that this particular student's grades were of the caliber where, with some correspondence work, he would receive his diploma during the summer of this year.

On a motion from Sonny Turner and seconded by Lynn Meador, the upcoming year's textbooks were approved by the board. Textbook approval is merely a formality which is mandated in the trustees' policy book.

Board member Lynn Meador presented his fellow board members with a proposal that the school's track field be permitted to be used for a Masters Track Meet. Meador and Jim Hardy will act as the driving forces towards developing the track meet which will be comprised of people from the age of 20 upward. There will be divisional breakdowns in the meet itself for

different age categories. The motion for approval came from Ronnie Mittel and seconded by Turner. It passed unanimously.

The board then retired into executive session to discuss personnel. Upon their adjournment from executive session, the board unanimously voted to pass and approve Principal McC Carson's recommendation concerning school personnel.

The trustees then moved into the topic of transportation. The school's Superintendent Guy Whitaker, advised the board that only station wagons or cars would meet with the standards for transporting children that a van would not suffice. The district apparently has a need for transportation for a small number of students. After some discussion, the board elected to table this issue until after the new budget had been approved for the upcoming year. A motion was made and passed concerning the pay of substitute teachers as well as a motion pertaining to eye protectors for various classes which is also merely a policy matter.

The board then discussed rules pertaining to the Schleicher County Exhibit Building and how they would apply to various school organizations as well as profit seeking groups. For all but school or county related business there will be a \$100 deposit on the building as well as a \$5 per hour rental fee which will hopefully defray operating costs. Further information on the building's rental can be obtained at the principal's office at the high school.

Following the review of the budget and the paying of the current bills, the board adjourned from its March meeting.

# My Papa

He was a small man, but big in so many other ways. He had a heart as big as the world and he reached out and gave everyone who knew him a piece of it. He didn't have a big fancy education, but he was wise beyond his years.

He married a woman some fifty-nine years ago and from this marriage came five kids made out of love. And when they left home he and she still shared this great love. And they passed it on among their children, to their grandchildren, and had enough left to give their great-grandchildren.

He worked hard all his life, mainly as a stock farmer, but he always had time for you. To talk, to discuss worldly problems, or advantages, or to teach you something he had to learned from his school of experience.

As one of the older grandchildren, I remember little things he taught me - about gardening, animals, or even some of our German background culture. These things may be tucked in the back of my mind sometimes, but I'll never loose them. They are my possessions forever and I plan to share them with my son, Stoney.

He's gone from here now, but only to take his rightful place with God. We'll miss him, but never, ever forget him.

I love you Papa Hanusch  
Glenda Lee

### Roll Call ....

## Firsts Among Women

The Woman's Club met Tuesday, March 8th in the home of Mrs. Carrol Sproul with sixteen members and four guests present.

The meeting was called to order by the President, Mrs. Stigler, and the pledge and salute to the flags were led by Mrs. Harper.

The theme for the day's program was "Women at the Wheel".

Members answered roll call with "Firsts Among Women".

Leader for the program, Mrs. Stigler, enumerated a few things women have done and are doing to enhance their lives. She introduced three program participants, Mrs. Mittel, Mrs. Briggs, and Mrs. Bailey who in turn discussed Texas Women of yesterday, today and tomorrow.

Speaking of the women of yesterday, Mrs. Mittel singled out a pioneer woman of this county, Mrs. M.M. Reynolds. She told of her perseverance and determination to establish a home, and noted that many obstacles and prejudices had to be overcome in the process. Mrs. Briggs told of some of the accomplishments of some of our contemporaries. Two outstanding women of today are Gloria Scott and

Annette Strauss. Both are staunch believers in volunteer organizations.

Mrs. Bailey noted that women have invaded every facet of public life. To dramatize her point she introduced several women who are outstanding in their respective fields: Sally Ride, first astronaut, portrayed by Mrs. Harper; Pauline Hartington, Rear Admiral in the Navy, portrayed by Mrs. McGinnes; Sandra O'Connor, member of the Supreme Court, portrayed by Mrs. Doremire; Marjorie S. Matthews, a Bishop in the Methodist Church, portrayed by Mrs. Brown. The characters in the program were in full costume thus lending an air of authenticity to their depicted roles. This was an unusual and interesting program causing those present to more fully appreciate the efforts and dedication of those women who have gone before them and to look forward with anticipation to the roles women will be playing in the future in shaping the affairs of the world.

Refreshments were served by Mrs. Sproul, Mrs. Ratliff, Mrs. Tisdale and Mrs. Griffin.

## 42 Players

Mrs. Ettie Ruth Danheim was hostess last Thursday when she hosted the 42 Club meeting in the Memorial Building Club Room.

Games were played and refreshments were served to the following members: Opal Parks, Annie Speck, Zelma Henderson, Jewell

Van Dusen, Lillian Mikeska, Lois Etheredge, Faye Mace, Viola Finnigan, Virginia Griffin, Maudie Basinger, and Bessie Doyle.

# WARNING:

**IF THE FEDERAL GOVERNMENT HAS ITS WAY, 10% OF YOUR INTEREST AND DIVIDEND INCOME WILL BE WITHHELD FROM YOU NEXT YEAR!!**

The United States Congress recently passed a law that will adversely affect you and most other savers in the nation. Under this law, all banks, money market mutual funds, credit unions, savings and loan associations and other payers of interest or dividends will be required to automatically withhold 10% of the interest and dividends earned by their customers and transmit this amount to the IRS. You already have to pay income taxes on your interest earnings - but now the IRS wants to take 10% of your total interest in advance.

This rule is wrong for the following reasons:

- 1) Withholding will cut the amount of cash you have available during the year from your interest income.
- 2) The amount withheld may not be correct for your tax bracket. If overwithholding occurs, you will have to file for a tax refund to get back your own money.
- 3) Your total interest earnings will be reduced because of less income from reinvestment and compounding.
- 4) Elderly persons and low income individuals (including children) will have to file an exemption certificate for each and every account they have in order to avoid withholding. If the exemption is not filed in time, a tax return must be filed the next year - or the withheld money will be forfeited to the government.

Unless Congress acts to stop the withholding rule, it will go into effect on July 1, 1983. We are working to do away with the rule, but we need your help. **IT'S YOUR MONEY.**

Congressman Tom Loeffler has already introduced a bill in the House of Representatives which will repeal this law. Please detach the message that follows and send it to Senators Bentsen and Tower. Let's put a stop to withholding before it begins. Please call us for additional copies of this letter. Forms can be picked up at Heat o' Texas Savings and Loan

# Golden Anniversary

Mr. and Mrs. Elvis Craig invite all their friends and relatives of Schleicher County to help them celebrate their Golden Wedding Anniversary March 27th. The couple will be receiving guests from 2 - 4 p.m. in their home located at 5407 Grapecreek Rd. in San Angelo.

Elvis Craig and Lola Davis were united in marriage on March 24, 1933 in Eldorado. They lived in Eldorado for 25 years before moving to Abilene. While in Eldorado Mr. Craig was County Judge for two terms. They later moved to Yokum County where Elvis was Tax Assessor - Collector. They now reside in San Angelo.

Hosts for the celebration will be the honorees' children, Mr. and Mrs. John Phillips of San Angelo, and Mr. and Mrs. P. W. Craig of Casper, Wyoming. Also helping with the event will be the Craig's six grandchildren and two great grandchildren.

# Blood Pressure Clinic Planned

The Texas Department of Health Resources, Public Health Region 4 Nursing Staff will hold a blood pressure screening clinic at the Memorial Building in Eldorado on March 24. Clinic hours are from 9:00 a.m. - 4:00 p.m.

About one in ten of all adults in the world has high blood pressure or hypertension, as it is known medically. In the United States alone, it is a major contributing factor in an estimated 250,000 deaths and many more than 1,500,000 heart attacks and strokes that occur each year. Yet, once detected, this disease can usually be effectively controlled.

High blood pressure is especially a serious problem for the black people. At present, it is a major disease suffered by this country's black population, as well as the most important factor in their shorter life expectancy.

You can have it and not know it! Millions of people who have high blood pressure do not know they do. You can feel healthy, look terrific, and have it, because it hits relaxed people and tense people, and often there are no symptoms.

Treatment reduces the danger - in most people, high blood pressure can be lowered and kept under control with continuing treatment. This greatly reduces the risk of serious complications.

If further follow-up screening is needed, the individual will be referred to his private physician.

The public is invited to attend and there will be no charge for these services.

A screening blood test for diabetes is also available for those who wish to have this done. Persons 40 yrs. and over who are not known diabetics are encouraged to take it.

# Edmiston Joins Association

Mr. W. F. Edmiston, of Eldorado, Texas has recently become a member of The Texas Hereford Association.

The Hereford breed, one of the oldest in the United States, is well known for its high fertility, ability to

adapt to extremes in climates, and its ability to convert grass and grain to beef efficiently.

## Excess On Your Taxes

If you worked for two or more employers during 1982 and received wages totaling more than \$32,400 IRS suggests you check the Social Security amount on your W-2 form. If it shows more than \$2,170.80, you can claim the excess as a credit on your return, the IRS says. However, if you file a joint return, you and your spouse must make separate computations.

The IRS added that, if you worked for only one employer and more than \$2,170.80 was withheld, you may not claim the excess as a credit against your income tax. Your employer should refund the overcollection to you.

**Swatzell and Gaylor To Be Wed**

Wedding vows are being planned by Carla Ann Swatzell and Richard Lee Gaylor to be read May 28 in Fort Worth.

The bride-elect is the daughter of Mr. and Mrs. Philip D. Swatzell of 515 Foster Lane, Canyon. She

graduated from Canyon High School in 1974 and West Texas State University in 1978. She also studied at the University of Texas in Austin and Dallas.

She currently sings with the Dallas Civic Chorus and Dallas Symphony Chorus and is under contract with

Dallas Opera and Fort Worth Opera.

A native of Dallas, the prospective bridegroom is the son of Mr. and Mrs. William C. Gaylor of Dallas. He received the B.B.A. at Southern Methodist University in 1975 and the M.B.A. from North Texas State University in 1977.

A captain with the U.S. Air Reserve, he is the vice-president and manager for the Wells Fargo Bank at San Antonio.

The bride-to-be is a niece of Mrs. Peyton Cain and a granddaughter of the late Mr. and Mrs. A.J. Stevens.

**Literary Team Takes Honors**

The Eldorado High School Literary Team placed third out of fifteen teams last week in Mason.

Sponsor Su Scott reported that there were only twelve students to make the trip. "We only took twelve and all the other schools had a million kids," Scott said. But that didn't stop Eldorado as Mitzi

Mittel won two events to take home the 'High Point Girl' trophy. Mittel captured first place in both calculator and typing. John Griffith took third place in calculator and veterans science. Gilbert Ronquillo won third place in novice science.

Linda Thomas and Larry Logsdon also were sponsors on the trip.

## Niblett Ties Record While Six Records Broken

Foul Weather only slightly disrupted the 3rd annual running of the Plateau Relays last Saturday as six records were broken and one tied during a day which saw the Ozona boys capture their third consecutive title.

Eldorado had one lone participant put his name in the record books when Ashley Niblett soared 6'4" to tie the high jump record. Scott McHorse of Menard set the record in 1981.

Ozona used a depth laden team to easily outdistance second place Sonora for the varsity boys title. They scored a whopping 135 points, almost twice Sonora's 69 points. Coleman had 68, Reagan County and Mason 52, Eldorado was sixth with 49, Brady 42, Wall 15, and Crane scored 4 points to round out the field.

The varsity boys got fifth in the 400 meter relay. The relay consisted of Jon Robledo, Ricky Cathey, Douglass Ussery, and Jeff Harlin.

Ashley Niblett placed third in the 110 meter high hurdles with a time of 15.06 seconds. Ussery came in third in the 800 meter run with a time of 2'08.61. Clint Bumgardner got sixth in the same race. Those were the only points the Eagles got in the running events.

Niblett led the Eagle high jumpers to a 21 point performance as he jumped 6'4" for first place. James Woodward cleared 6'2" to tie for second while Ricky Cathey cleared 6'0" to grab the fourth spot. James Woodward vaulted 12 foot to grab second place in the pole vault.

Wall won the girls division of the relays with a

total of 132 points. The Eaglettes took seventh place by scoring 40 points. The Eaglettes 400 meter relay placed fourth due to a bad handoff on the second exchange. The relay consisted of Stephanie Thomas, Jennifer Willoughby, Becky Ragsdale, and Renetta Robinson. Ragsdale and Vicky Simmons placed third and fourth respectively in the 100 meter low hurdles. Willoughby won third in 100 meter dash while the 800 meter relay team of Anna Aguilar, Eloisa Hill, Willoughby, and Robinson were disqualified for running out of the exchange zone. The Eaglettes 1600 meter relay team consisting of Hill, Aguilar, Robinson, and Thomas won fourth place.

The B-Team boys scored 90 points to win third place during the meet. The 400 meter relay ran a 47.61

to win first. The relay was George Gander, Mike Belman, Jimmy Turbeville, and Chris Woodward. Jesus Martinez and Eloy

Martinez grabbed fifth and sixth respectively in the 800 meter run. Frank Barajas placed sixth in the 3200 meters. Belman ran a 44.55 for first place in the 300 hurdles. George Gandar won second in the 200 meters with a 24.27.

Gandar and Woodward were 1st and 5th respectively in the 100 meters. The 1600 meter relay was third with a 3:50.08. The team consisted of J. Martinez, Turbeville, Belman, and E. Martinez. Chris Woodward won the high jump and John R. Griffin was second in the pole vault. Glen Sudduth also won third in the pole vault.

Jennifer Patton grabbed a second place in the high jump last Friday at the junior high relays.

### 8th Grade Gets Third

The eighth grade boys took a second place finish behind Sonora last week here at the Plateau Relays.

The young Eagles' only first place winner was Troy Daniels, who cleared 5'4" to win the high jump.

Other top finishers for the meet from Eldorado were those in the 400 meter relay and the 1200 meter relay, which finished second and third respectively.

Placing in other events were Dacey and Harlin in the pole vault. Dacey placed third while Harlin placed fourth. Harlin also placed second in the 100 meter dash and fourth in the 200 meter dash, behind third place winner Daniels.

Also placing in the 100 meter dash was Ramos. Taking second place finishes were Arispe in the shot put and Mercado in the 300 meter dash. Mercado also won third in the long jump.

In seventh grade boys action, the team won third place, behind Ozona and Sonora. Top performer for the seventh grade was Gutierrez who placed third in the high jump. The 400 meter relay team also took third, as did Rodgers in the 300 meter dash. Rounding out the scoring was Garcia with a fourth place finish in shot put.

### Girls Place Third Behind Patton Effort

Jennifer Patton paced the junior high girls to a third place finish with her first place performances in the 100 and 200 meter dash.

The 800 meter relay team also took a first. The team consists of Amy Sutto, Sue Dean and Jennifer Patton.

Second place winners for the girls were Roseann Adame in the triple jump and Patton in the high jump.

Third place finishers were Angie Heald, Amy Sutto, Lupe Montalvo, and Roseann Adame, all of the 400 meter relay team. Montalvo also took a third place in the discus.

Sue Dean and Patton received fourth place ribbons for their efforts in field events. Dean placed fourth in the triple jump and Patton received her fifth ribbon of the day in the long jump. Dean also placed sixth in the low hurdles. The 1200 meter relay team placed fifth.

Ashley Niblett tied the Plateau Relays with a jump of 6'4".

### Edmiston Leads Golf Team to Fast Start

The Eldorado High School Linksters are blistering the golf courses again this year as they captured the second place trophy at Stanton last Thursday.

After qualifying for regional competition the last two years, the varsity golf team is off to another good start placing in their first two tournaments. The team captured fourth place at Iraan while battling 55

mile per hour winds and now bringing home second place from Stanton.

The Stanton A team captured top honors in their own tournament by firing a 329. The Eldorado A team was three strokes back at 332. The Big Lake A team and Stanton B team tied for third at 347. McCamey's A team shot a 354 for fifth place while the Eldorado B-team shot a 422.

Gene Edmiston garnered second medalist honors overall by shooting a 79. He led the Eagles with that score. John Griffith followed with a 82 while Wray Crippin fired a 85. John Mitchell shot a 86 and Kelly Kerr shot a 91.

Sonny Dean led the B-team with a 96. James Woodward had a 101, Eric Cheatham 111, Marty Wells 115, and Houston Taylor shot a 124 to round out the B-team scoring.

The 1983 varsity golf team is off and running for another good year.

## Willhoit's Whispering Wabbit Grabs \$7898 Of Purse

Whispering Wabbit ran away with the big share of the Bluebonnet Futurity purse held March 13th. The two-year old mare's total winnings was \$7,896. She

ran the 300 yard distance in a total time of 15.81 with a speed index of 90½. Her owner, Douglas Willhoit has tentative plans to let her campaign further at Louisiana Downs.

Other Eldorado entries were Butterfly Wings, owned by Edwin (Rooster) Jackson, Jr., who ran in the 350 distance; Old Satin Chubby, owned by Lottie

Reynolds, who ran in the 300 yard race; David Powell entered Dial Jo Bar in the 250 as well as Easy Witch; Douglas Willhoit also had Davids' Limits entered in

the 250 category; E.T. Southern had his 4 yr. old Bay gelding, My Mighty Game, entered into the 660 distance. The race was held this last Sunday at Brady.

Troy Daniels gets ready to long jump last Friday.

Mike Belman takes the handoff from George Grandar during the Plateau Relays. The JV relay went on to capture first place.

### Class Of '68 To Hold Reunion

The Eldorado High School Class of 1968 has planned their 15 year reunion. The date has been set for Saturday, June 25,

1983. Anyone having address changes for class members should contact Maureen Hodges.

## Sorority Holds Meeting

Xi Xi Chi chapter X4159 met Monday, March 14 at 7:30 P.M. in the Club Room. There were twelve members and three pledges in attendance. There were also three guests present, Dr. Steve Sessom and his wife, Jodi from Ozona, and Frankie Hardy of Eldorado.

Vickie Duhon's cultural program was 'Learn How Clinic' and she presented Dr. Sessom. Dr. Sessom is a dentist and speaker, and he presented the club with a talk on how to care for our bodies and teeth. His theory is to take care of these things now instead of looking for the cure later.

Following Dr. Sessom's speech, there was a small business meeting. Carolyn Mayo reported that the State Convention will be held at Austin in June and the Area Convention will be held at Ozona in October. If any member is interested in either or both of these conventions, she has more information available.

Debbie Ballew gave the treasurer's report and noted some bills yet to be paid. Carolyn needs all the Legacy forms turned into her by Tuesday, March 15. She will send them to International and the members will decide a date for the Legacy Ritual at another meeting.

Motion was made and seconded to change the Citizen of the Year tea from May 1st to May 15th. The motion carried and the Service Committee will take care of setting the place and time.

The next meeting in March will be the election

of the new officers for the 1983-84 year. The sorority will also elect the Girl of the Year and the Pledge of the Year which will be revealed at the Founder's Day banquet.

The Founder's Day banquet will be held in combination with the April 25th meeting. The time and place will be selected by the Executive board.

Barbara Jackson reported a possible float for the Rodeo Parade by the Cinco de Mayo candidates. Anyone who wishes to have a float of any type should contact Barbara Jackson, Wanda Edmiston, Stacey Haynes, Sarah Yates, Kathy Mihecoby, or Kim-Et Nelson.

Following the close of the business meeting the Pledge Ritual was held for Wanda Edmiston, Stacey Haynes, and Kathy Mihecoby.

Refreshments were served by Peggy Williams and Sherry Lux.

### Hyde Named MDA Chairperson

Paul Moore of the Muscular Dystrophy Association District Office has named Anne Hyde as Eldorado's Community Chairperson. This is a volunteer position and Anne is looking for more volunteers (individuals, groups, organizations and businesses) to donate a little time, prizes and ideas.

Mrs. Hyde will be attending a seminar March 22nd in San Angelo concerning her duties as a Muscular Dystrophy Chairperson.

Anyone wanting or needing more information about muscular dystrophy and MDA or interested in assisting, please call Anne at 853-2704.

## Clinic To Be Held

County Health Officer Doctor Shih, will sponsor an immunization clinic at the school on Tuesday, April 5th, according to school nurse Francis Edmiston.  
Tuberculosis skin testing and most immunization shots will be available at no charge. A form will be sent to parents.

## Overstreet Named President

On March 14, the After Five Home extension Club met at the 4-H barn for their monthly meeting. Officers were elected. We had one new member join the club, Harriett Ferguson. Officers elected were as follows; President-Shirley Overstreet; Vice President-Lee Gillaspay; Secretary, Treasurer-Nancy Terry, and Council Delegate-Lee Gillaspay. Nancy Lester showed the club how to do quilt applique. Refreshments were served by Lee Gillaspay. Anyone interested in joining the club contact Nancy Terry at 853-2005 or 853-2143 or Lee Gillaspay at 853-2018. The next meeting will be April 11 at 7:30 P.M. at the 4-H barn.

## Birth

Congressman and Mrs. Tom Loeffler are the proud parents of a healthy daughter, Lauren Kathryn Loeffler, born at 1:59 a.m. this morning at Washington's Columbia Hospital for Women.  
The newest member of the Loeffler family, weighing 8 pounds, 6 ounces and measuring 21 1/4 inches, will be greeted in a few days by brothers Lance, 6, and Cullen, 2, at the Loeffler's Virginia residence.  
Kathy is feeling just fine--and so is Tom!

## IRS Information

Do you expect to owe the Internal Revenue Service on your 1983 individual income tax return? Do you expect to receive income not subject to withholding in 1983 (i.e., royalty income, rental income, etc.)? If so, you may need to file a declaration of estimated tax for 1983, says the Internal Revenue Service.  
Whether you must file a declaration of estimated tax, Form 1040ES, for any year depends on how much you estimate your income tax will be for that year. The IRS says not to include income exempt from tax in deciding whether you must file a declaration.  
Further information is detailed in IRS Publication 505, 'Estimated Tax and Tax Withholding,' which can be obtained by using the order form in the tax package.

# Schleicher County 4-H and FFA Livestock and Food Show would like to express their appreciation to the individuals and firms purchasing animals and foods at the 1983 Livestock Premium Sale

Many thanks to all our neighbor friends and relatives for the prayers, cards, visits, phone calls, beautiful flowers and food. While I was ill, they meant so much to Bill and me. Thanks to Bro. Johnston for his visits and words of encouragement.  
Alma and Bill Williams 11-p

## PUBLIC NOTICE

THE STATE OF TEXAS COUNTY OF SCHLEICHER On this the 11 day of March 1983, the Board of Directors of Plateau Underground Water Conservation and Supply District convened in regular session open to the public with the following members present, to-wit:

Mort Mertz, Acting Chairman; Steve Sykes, and Earl Lloyd and the following absent: Ray Willoughby and Howard Derrick, constituting a quorum, and among other proceedings had by said Board of Directors was the following:

Whereas on the 2 day of April, 1983, there will be elected two directors for this district;

Whereas this Board by order dated the 1 day of March, 1983, established the procedure for candidates who desire to file for said election;

THEREFORE, BE IT ORDERED BY THE BOARD OF DIRECTORS OF PLATEAU UNDERGROUND WATER CONSERVATION & SUPPLY DISTRICT.

That an election be held in said district on the 2 day of April, 1983, for the purpose of electing 2 directors to the Board of Directors of said District;

That said election shall be held at the following place in said District, and the following named persons are hereby appointed officers for said election.

1. For Election Precincts 2 & 3, at the High School Gym Building, in Eldorado, Texas, within said District with Frankie Short as Presiding Judge.

The polls at each of the above designated polling places shall on election day be open from 7:00 o'clock a.m. to 7:00 o'clock p.m.

Helen Bebee is hereby appointed Clerk for absentee voting, and Maria Tobias and hereby appointed Deputy Clerk for absentee voting. The absentee voting for the above designated election shall be held at County Clerk's Office within the bound-

aries of the above named district and said place of absentee voting shall remain open for at least eight hours on each day for absentee voting which is not a Saturday, Sunday, or an official State holiday, beginning on the 20th day and continuing through the 4th day preceding the date of said election. Said place of voting shall remain open between the hours of 8:00 a.m. and 5:00 p.m. on each day for said absentee voting. The above described place for absentee voting is also the absentee clerk's mailing address to which ballot applications and ballots voted by mail may be sent.

The following named persons have duly filed as candidates for said election in accordance with the above mentioned order for election procedure in Directors Election passed by this Board, and their names shall be placed on the ballot for said election in accordance with a drawing held by the Secretary of this Board in the following order:

Howard Derrick, Director, Precinct 2 and Steve Sykes, Director, Precinct 3.

Notice of said election shall be given by publication of a copy of this order one time in a newspaper of general circulation published in the county in which the district is located or if none is published in said county, in the nearest county thereto; the date of said publication being not more than 25 days nor less than 10 days before the date of the election. Immediately after said election has been held, the officers holding the same shall make returns of the result thereof in triplicate, on being retained by the Presiding Judge, one delivered to the President of this Board, and one delivered to the Secretary. The ballot box and other election records and supplies shall be delivered to the Secretary at the office of the District and be preserved as provided by law in said office.

It is further found and determined that notice of the date, place and subject of this meeting was posted in accordance with the terms and provisions of Art. 6252-17 at least 72 hours preceding the scheduled time of this meeting and that the terms

and provisions of said Article 6252-17 have been complied with and copies of said postings and return shall be attached to this order and become a part thereof.

The above order being read, it was moved and seconded that same do pass. Thereupon, the question being called for, the following members of the Board voted AYE: Earl Lloyd, Steve Sykes, and Mort Mertz, and the following voted NO: none.

PASSED, APPROVED AND ADOPTED this the 22 day of March, 1983.

Is! Mort Mertz Acting Chairman, Board of Directors of the Plateau Underground Water Conservation and Supply District

ATTEST: Steve Sykes Secretary

EL ESTADO DE TEXAS CONDADO DE SCHLEICHER.

En este dia 11 de Marzo de 1983, la Junta Directiva del Plateau Underground Water Conservation & Supply District se convocó en reunion Regular, abierta al publico con los siguientes miembros presentes, a saber:

Mort Mertz, Presidente, Steve Sykes, Earl Lloyd, y los siguientes ausentes: Ray W. Willoughby and Howard Derrick, constituyendo un quorum, y entre otras actas tomadas por dicha Junta Directiva se encontro la siguiente:

En vista de que en esta dia 2 de Abril, de 1983, seran elegidos 2 directores para este distrito;

En vista de que esta Junta por orden fechada el 1 dia de Marzo, de 1983, establece el procedimiento para los candidatos que desean registrarse para dichas elecciones;

POR LO TANTO, SE ORDENA POR LA JUNTA DIRECTIVA DEL PLATEAU UNDERGROUND WATER CONSERVATION AND SUPPLY DISTRICT.

Que se lleve a cabo una eleccion en dicho distrito el 2 dia de Abril de 1983, con el proposito de elegir 2 directores a la Junta Directiva de dicho Distrito;

Que dicha eleccion se lleve a cabo en los siguientes lugares en dicho Distrito, y que las siguientes personas son nombradas oficiales para dicha eleccion.

Schleicher County Leader Thursday March 17, 1983 Page 10 publicacion de una copia de esta orden una vez en un periodico de circulacion general publicado en el condado en que se encuentra este distrito, o si no se publica ninguno en dicho condado, en el condado mas cercano; la fecha de dicha publicacion siendo no mas de 25 dias ni menos de 10 dias antes de la fecha de la eleccion. Inmediatamente despues de que se haya hecho dicha eleccion, los oficiales a cargo de la misma deberan reportar los resultados de la misma en triplicado, una copia la debera guardar el Juez Directivo, una copia sera entregada al presidente de esta Junta, y una copia sera entregada al Secretario. La caja para boletas y los demas documentos y materiales electorales seran entregadas al Secretario en las oficinas del Distrito para estar conservadas como estipula la ley en dicha oficina.

Ademas se ha encontrado y determinado que unaviso de la fecha, lugar y asunto de esta junta fue fijado de acuerdo con los terminos y condiciones del Articulo 6252-17 por menos 72 horas anteriores a la hora designada para esta junta, y que los terminos y condiciones de dicho Articulo 6252-17 han sido conformados y que copias de dichos avisos y las pruebas seran anexadas a esta orden y formaran parte de la misma.

Habiendose dada lectura a la orden arriba mencionada, se hizo la mocion y fue secundada para ser aprobada. Despues, al llamado sobre esta pregunta, los siguientes miembros de la Junta votaron afirmativamente:

Earl Lloyd, Steve Sykes, Mort Mertz, y los siguientes votaron negativamente: no.

PASADA, APROBADA Y ADOPTADA este 11 dia

/s/ Mort Mertz acting Presidente, Junta Directiva del Distrito PLATEAU UNDERGROUND WATER CONSERVATION AND SUPPLY DISTRICT

Certifica: /s/ Steve Sykes 10-c

Las personas nombradas abajo se han registrado debidamente como candidatos para dicha eleccion de acuerdo con la orden arriba mencionada para el procedimiento de eleccion en la Eleccion de Directores aprobada por esta Junta, y sus nombres aparecieron en la boleta para dicha eleccion y de acuerdo con un sorteo que se llevo a cabo por el Secretario de esta Junta el la siguiente orden:

Howard Derrick, Director Precinct 2

Steve Sykes, Director Precinct 3.

Aviso de dicha eleccion se hara por medio de

ing double is to produce as many vegetables as possible from the garden space available.

Planting double is mainly for vegetables which produce small plants. These include beets, carrots, lettuce, onions, parsley, radishes and turnips and should be spaced two inches apart.

Beans, garlic and spinach also can be grown in double rows but plants should be four inches apart. Chard, collard, kohlrabi and mustard plants need 6 inch spacings.

If growing broccoli, brussel sprouts, cauliflower and peppers on double rows, space the plants 24 inches apart in a staggered pattern.

Avoid the double planting technique for plants needing more than a 24-inch spacing.

Weeding a garden planted in double rows will be more tedious during the first weeks of establishment, but will be less of a problem as crops grow and develop.

Proper watering and periodic side-dressing with ammonium sulfate or ammonium nitrate fertilizer will help insure maximum yields. If you use a drip irrigation system, place the hose between the two rows planted on the same bed. Thus the same amount of water will produce twice as many vegetables.

A complete set of revised rate schedules has been filed with the Public Utility Commission at Austin, Texas, and is available for public inspection in each of the Company's Business Offices in the State of Texas. A summary of the Company's rate filing has also been sent to the Mayor's Office of each affected Municipality.
