Bits & Barbs By Bratcher It has come to our attention that there is a possiblity that there will be no Halloween Carnival this year in Eldorado, for the normal sponsoring group, Beta Sigma Phi Sorority, can find no support among us in the community to help sponsor the affair. Should this occur it could be seen as the dying of at least two traditions, first and foremost, the tradition of the annual Halloween Carnival in Schleicher County this writer cannot say how many years this tradition has been a part of our community but whatever length of time it has continued you can bet it will be sorely missed by the younger portions of our society. The other traditon is the celebration of Halloween itself and

this particular celebration is perhaps one of the oldest holidays celebrated on Earth. It began in England and pre-dates Christianity and was first performed by the Celtic people and was named Samhain

In it's conception, Halloween merely marked the beginning and the end of a year. The reaping of the harvest and the preparation for the winter. The concept of goblins, witches and ghosts can be followed back to the simple statuaries we commonly refer to as scarecrows, the protector of the crops. The sinister

aspects of Halloween also relate back to the Druid religion who offered sacrifices of animals to the gods they worshiped for a successful harvest, for it was on the day which marked the end of summer and the opening of winter to the primitive people that visitors from the other world demanded their tribute for a successful harvest. Their tributes were offered at night under the glow of a bondfire which probably attests to why Halloween is also considered the Fire Mrs. Eva Bryant Festival.

The celebration of Halloween is so steeped with folklore and mythology that it can make any youngster's pulse rate increase, for the mysteries of Halloween night and the creatures and monsters which this night encloses with it's darkness allows the imagination of the youth to run wild.

Schleicher County Commissioners met Monday morning for their

regularly scheduled bi-monthly session.

The relatively short meeting began with the county bosses approving and paying bills. Minutes were read and approved also.

The Court approved a bond for Donna Garvin to operate the weight scales on Hwy 190. Ms. Garvin will be responsible for weighing all types of vehicles and their loads including grain trucks, vehicles brought in by

the highway patrol, etc.

Microfilming county records from the County Clerk's office was discussed by the commissioners but no action was taken at this time.

The court was advised of electrical problems in the courthouse and Judge Griffin was instructed by the commissioners to proceed with having the problem rectified.

Repair work on certain county vehicles was discussed but no action was taken.

The meeting then adjourned before Justin Edmiston

Yellowjackets sting Eagles.

The Eagles Varsity traveled to Menard last Friday night to tangle with the Yellowjackets in their fourth non-district game of the season. The Eagles played a hard fought game but Lady Luck did not look kindly upon the Eagles as they came home with a 24 to 0 loss.

The Eagles kicked off to Menard with the Yellowjackets receiving the ball on the 20 yard line and the

ball was run to the 35 yard the line before Eagles' Mark Hardee could make the stop. The

Yellowjackets returned the ball to the Eagles on their 41 yard line. The Eagles drive was

thwarted and Rickey Cathey booted the ball for the Eagles on 4th down with 11 yards to go. The Yellowjackets downed the ball on the 30 yard line, after two first downs Menard punted to the Eagles. Jon Robledo received the punt on the 26 yard line, the Eagles went

to the air for a 1st and 10 on the 40 yard line. Three plays later after no success Rickey Cathey punted for the Eagles.

A sky full of choppers.

On Thursday of last week the Eldorado Airport was the scene of what might have appeared to be America's newest Army base or some aerial ballet performed in green. But in reality Eldorado was me

picked for a combat condition type re-fueling depot for the 717th Squadron of the 6th Calvary in route from Terrel County back to Fort Hood, their assigned post.

Approximately 30 helicopters landed, re-fueled and departed in approximately an hour's time and all under combat conditions.

Involved in the manuever was portions of the 34th Support Group and approximately 180 soldiers. On the ground coordinating the operation was Captain Garrtty and Warrant Officer Sinclair who told the Leader that the 6th Calvary had been on Maneuvers or the last 10 days in the desert like conditions of Terrel County. The fuel stop in Eldorado was part of the training exercise which would not cease until the squadron had successfully returned to Fort Hood by attacking the firing range at the military installation near Waco. Involved in the maneuvers were 10 OH 58's, 16 AH-1's, which is commonly known as the Cobra, and 4 UH-1's, or in layman terms, the Huey. The Cobras and the smaller OH-58's which are used for reconnaissance missions landed in the pasture land on the south side of the airport in combat fashion, coming in two at a time to re-fuel. The observation choppers took aproximately 8 minutes to re-fuel each and the warbirds, the Cobras took approximately 4 minutes to re-fuel. Their rotors never ceased to turn and each of the helicopters stayed in a combat ready state with as little exposure to open country as possible. The entire operation was over by 11:15 a.m. when it started shortly after 10:00 a.m. But that was not all that Schleicher County would see of the Military that day, for that evening Eldorado was visited by several enroute members of the 6th Calvary when they used Eldorado as a layover in transporting the equipment back to Fort Hood.

The use of the Eldorado Airport by the army may not have been long stayed but it was impressive and did break up the routine of a West Texas morning in a normally quite little community.

30 took the kick and after a short run was brought down on the Eagle 30 yard line. After fighting for 3 first downs the Eagles had to punt. Menard took the ball on their 15 yard line and fumbled the ball with Mickey Romero recovering for the Eagles. With a 4th down and 5 yards to go for a 1st down the Eagles took a time out. During the time out the Eagles decided to go for the First. Martinez passed to James Harlin who carried the ball to the Menard 5 yard line before he was brought down. Saldivar then proceeded to carry the ball in for a touchdown but the two point conversion failed. The score was raised to 22 to 0 in the Eagle's favor.

The ball for the Eagles, which gave the Yellowjackets the ball on their own 25 yard line. Again fate was kind to the Eagles when the Yellowjackets fumbled the ball and Harlin recovered it on the 22 yard line for the Eagles.

score now 28-0 Menard hoped for a score, but the hope was soon lost under the great pressure of the Eagle defense. The Eagles downed the punt by Menard at the 49 yard line. With mostly the whole 4th quarter left Coach Singleton sent in his second team with Martin Espinosa at the QB spot. On the next series of plays the Eagles failed to score, but the defense prevailed Eagle with yet another fumble recovery made by Espinosa on the 40 yard line. With 2:00 minutes left in the game the Eagles made one of their few mistakes they fumbled with Menard recoving on the Eagle 43 yard line. The Eagle offense failed to score in the 4th
